Community Sing To Be Sponsored By 7th Grade

Do you like to sing? All people who enjoy taking part in group singing will have an opportunity to do just that on the evening of Monday, September 27, at eight in the public school gymnasium. Elaborate plans are being made to have the evening go "just right."

All adults who are interested are asked to send to the seventh grade of the public school a list of songs they would enjoy singing at that time. The fifty or sixty songs most frequently nominated will be printed in a booklet to be used during the evening. Paul F. Niehaus will be the master of ceremonies.

Admission to the program will be the purchase of one or more stamps, which will be kept by the purchaser. The program is planned not only as a part of the September campaign to boost the sale of stamps and bonds, but is also a worthwhile part of the community recreation program.

Letters of invitation have been sent home with nearly all children of the public elementary school, but anyone living in or near Chelsea is cordially invited both to nominate his favorite songs and to attend the program. It is expected that all sorts of songs will be suggested—favorite hymns, old love songs, light opera, semi-classics, military songs, popular songs of long ago, etc. The evening is being planned primarily for adults. The work is being done by the seventh grade.

GEO. WINANS AT PILOT SCHOOL
Garden City Army Air Field, Kansas—A new class of aviation cadets, with its elementary flight training completed in the primary schools of the Central Flying Training Command, has arrived at this Basic Pilot School eager for the basic phase of its instruction. Included in the class is Aviation Cadet George L. Winans, son of Mr. and Mrs. E. E. Winans of Chelsea, Mich.

These future military pilots will undergo a vigorous course of flight and academic schooling here for nine weeks, after which they will be assigned to single or twin engine advanced schools for the final part of their flight training. They will be graduated as flying officers with the coveted silver wings of the United States Army Air Forces upon completion of the advanced course.

ATTEND PARISH SHOW
Mr. and Mrs. Fred W. Notten, accompanied by Mr. and Mrs. Ed. Simmonds of Ypsilanti, attended the State Jersey Parish Show at East Lansing last Thursday. A registered Jersey cow which was sold by Mr. Notten two years ago to C. M. Brown of Tecumseh, won grand championship in the aged cow class at the show.

ATTENDS CONVENTION
Mrs. Adolph Duerr attended the 52nd annual session of Grand Temple Pythian Sisters of Michigan, held on September 9 and 10 in Bay City. Mrs. Duerr was a delegate from the Chelsea Pythian Sisters No. 117 and was initiated as a member of the Grand Lodge.

BASEBALL GAME
There will be a baseball game at the old ball diamond at the Reeman farm near Waterloo on Sunday, Sept. 10, between the old Sod Busters and Dog Jumpers of 1920. Come and enjoy a good game. Admission free.

Until further notice we will close every night at 9:00 o'clock, except Friday night at 8:00 and Saturday night at 10:30. Burg's Corner Drug Store.

Let's Make It a Personal Fight!

(Reprinted from September issue of 'Nation's Business')
This month will witness an event heavy with significance. In many ways it will transcend; because it will determine, political and military events on both home and battle fronts. It is likely to have a profound influence upon the length of the war—involving the sacrifice of men, property and perhaps the state of our future form of government.

This month the Government requests from its individual citizens the voluntary investment of \$15,000,000,000, the largest financing program in the world's history.

The response will spell out answers to questions in the minds of our own people, in those of our Allies, and, more important, in those of our enemies.

Dollars in this case speak louder than lips, than parades, than resolutions, than Acts of Congress. Earnest money is a time-honored phrase among all peoples. It is a pledge; it is a token of determination. It comes from our sweaty labor of today, or from the result of our labor of yesterday. A voluntary out-pouring of dollars will drive down the morale of Jap and Hun more quickly and definitely than the drafting of a millions sons and fathers.

We Americans boast of our freedoms. We exhort other unhappy peoples to note and take hope. We set up our freedoms of choice, our voluntary methods against the disciplines and compulsion of dictatorial regimes.

Today we face an obligation, an obligation to pay. We cannot endure as an insolvent republic. That way dictatorship lies. Liberal governments are wrecked on the shoals of loose fiscal policy.

If we do not meet voluntarily this war obligation, what then? The alternative? Forced loans and forced labor. If voluntary financing fails, make no mistake, compulsory financing will follow quickly. But the fear of forced buying and even capital levies is to put the case upon a gross material basis. The fear should be in the loss of that freedom of choice which we are defending and which we promise to our vanquished foes.

Upon the business man of a thousand communities will fall the brunt of the task. Contrary to the demagogues and wise-crackers, he is the man a community looks to for counsel and example in matters financial. His reasonings, we are led to believe, when he invests his money, are based upon wisdom and not emotions. His example as a bond-buyer will mean much.

The business man is an organizer. He knows how to assay and reach markets. He then knows how to present his wares attractively and honestly—thus convincingly. He knows how to reach customers efficiently and economically of time. He knows how to build men and women into a team, to see the job as a whole, to delegate duties and responsibilities, to direct and, in all, to encourage. His experience in helping to organize for this effort will mean much to his community, and the nation.

Great news, indeed, if the announcement should come around October 1, that Tokyo had been successfully bombed, that Italy was training her guns on Germany, that Allied soldiers were marching against Berlin from the mainland. But the best substitute for such a morale-building event for us, and most destructive of enemy morale, will be the announcement that the hearts and will and sinews of the American people are in this war to the finish.

A September war-bond proudly pocketed by 40,000,000 Americans will chill the zeal of the war lords of Japan and Germany. And it will create a fighting spirit at home, a determination to win completely and quickly, that will carry us surging forward in our resolve to build, post war, a better world in the tradition of free America.

It's Time To Act!

Chelsea has a quota of \$325,000 in the 3rd War Loan Drive.

So far local sales are far from satisfactory—in fact the record of purchases here to date is not of sufficient volume to warrant publication.

Don't forget, folks, that our boys are fighting and dying in great numbers in Italy and on other battle fields. Are you going to let them down?

Let's get down to business and buy bonds! We shouldn't have to be urged—it is our duty to back up our boys who are doing the front-line fighting. Will we be proud of our record when the 3rd War Loan Drive ends—or will we be ashamed to look a service man in the face when he returns?

Paint a mental picture of yourself fighting the Germans in Italy or the Japs in the hell-holes of the Pacific—thank God you're here enjoying the usual comforts of home—and then—
BACK THE ATTACK—WITH WAR BONDS!

Study Club Presents Projector To School

One of the improvements at the Chelsea high school this past summer was the addition of a Sixteen Mm. Bell-Howell sound projector, so graciously presented to the school by the Chelsea Study Club. The faculty and the entire student body wish to thank them for this very useful gift.

It is reported that the projector will be used for educational purposes, assemblies and other school activities. The projector will be put to use as soon as the dark curtains arrive for the gymnasium windows.

The students also express their whole-hearted appreciation to the Chelsea Kiwanis club for donating a screen. The school is now enrolled in the University of Michigan Cooperative Film Service, which entitles them to all available films.

HOGAN HAYES

MAIN AT WASHINGTON—ANN ARBOR

The Hi-Light

Edited by the PUPILS of the CHELSEA PUBLIC SCHOOL

SCHOOL
Oh, the pity of it all—School! On September 7, 1943 the ghastly toll of the school bell announced once again the grind of education and brought an end to the luxurious summer days of vacation.

Although the inside appearance of old C.H.S. has been changed somewhat by a few coats of paint, the routine of all classes is fundamentally the same.

Already the Seniors have acquired the dignified attitude of upper-classmen and are spending most of their time running down every likely prospect in order to sell magazine subscriptions.

The Juniors are still looking dumb-founded at the thought of being upper classmen.

Of course you all know what class runs around smirking every time they see one of those "green" freshmen. It's the liveliest come-what-may class in school at present—the Sophomores.

The "innocent little" Freshmen between head scribbings (lately proclaimed taboo) are doing their best to adapt themselves to the turmoil of high school.

But soon enough the thoughts of each student will gently turn toward football, parties, new romances, and last but NOT LEAST, studying.

OFFICE NEWS
Band and Chorus rehearsals started this week.

The first football game of the season will be played here Friday with Dexter. It is scheduled to start at 4:00 o'clock.

JOURNALISM CLUB
The Journalism club met during activity period on Friday to organize for the year's work. Besides writing the Hi-Lights each week they decided to continue their letters to men and women in service. Twenty people were present at the meeting—17 girls and three boys.

SENIOR SHORTS
The Senior class of this year expects to outdo any other class in the history of Chelsea. Under the careful guidance of our supervisor, Mr. Chandler, and under the leadership of our new president, Jack Niehaus, our final year opened with a bang.

Great results are expected from our first project—magazine sales, which last from September 10 through September 23. The town will be canvassed by Seniors, and everyone is expected to do his part by subscribing to at least one magazine. We hope our final year will be as successful as our previous years.

COMMENTS OF THE TEACHERS
Following are some of the comments of the new teachers in high school, although some may change. These are their first impressions:

Miss M. McDonald says: "I like the school and think it is a nice community. The people seem friendly. I also think it nice to have a school projector."

Mr. Alpervitz thinks the community is very friendly. He does not know about the students—yet, but they seem to be enthusiastic about their work.

Miss Spence likes the community and thinks we have good school spirit.

Miss Hammond says: "I like the attitude of the students. They seem interested in school. I teach mostly Juniors and Seniors and they seem more grown-up than in most schools. There is plenty of work for both teachers and students but that is what we are here for."

Miss Stevens just arrived here Monday, so she has hardly had time to gather any opinions.

FOOTBALL
By Dick Bahnmiller - Doc Alber

A large squad of husky bone crushers greeted Coach Cameron on September 1 for the opening of football. The squad is very large and green, but is willing and with practice should prove to be one of the top teams in the Huron League.

When Coach Cameron was asked for a statement on the outlook for the team he said: "I would like two more good ends and another good center but if the team plays ball they will have a good year."

The squad for this year is as follows—Ends: R. Eaton, T. McCleary, R. Rudd, J. Wellnitz, J. Merkel, R. Daniels, L. Munro, W. Carlson; guards: P.

Vogel, R. Breitenwischer, J. Burg, R. Moore, D. Radenbaugh, H. Orbring (captain); tackles: J. Niehaus, R. Beal, D. Esenman, T. Smith, M. Dietle; centers: C. Colquhoun, D. Eder, E. Eisele; backfield: L. Policht, R. For, A. Modach, J. Gaken, L. May, V. Baslor, C. Slane, B. Barlow, R. Knickerbocker.

The first game will be played on Friday, Sept. 17 at the local field at 4:00, with Dexter. It is hoped that a large crowd will welcome Chelsea's 1943 football squad.

This is the schedule for this year:
Sept. 17—Dexter, here;
Sept. 24—Milan, there;
Oct. 1—Belleville, here;
Oct. 8—Saline, there;
Oct. 15—Dundee, here;
Oct. 22—Flat Rock, there;
Oct. 29—Romulus, here;
Nov. 5—Roosevelt, here;
Nov. 12—Manchester, there.

ELEMENTARY NEWS

Eighth Grade
By Minnie Mae Platt and Patsy Mohrlock

This year when school started we found we had seven new members in our room. They are Jack Christwell, Aileen Lewis, Edith and Charles Marshall, Junior Risner, Melvan Stofor and Donna Jean Perkins.

In Science we have been studying about the stars, which the grade enjoys very much.

We have been making graphs in arithmetic. They are bar and line graphs which we can read at a glance. It would take paragraphs to write about the information they contain.

Sixth Grade

By Roslyn Reule

Miss Brown has brought some books over for our new library. Miss Martin has been reading us a book called "The Peterkin Papers." It's a very silly story book.

We got some new history books this year. They're very nice.

We have some new pupils this year. They are: Joan Howard, Virginia Walz and Eugene Knott.

Miss Betterly is our new music teacher. She's very nice.

We elected officers for our club. They are: President, Marilyn Johnson; secretary, Betty Jean Osborn; vice-pres., Roslyn Reule; treasurer, Robert Vogel. The name of our club is the Lightning club. Our dues for the club are one cent a week.

Our stamp sale for this week was \$2.50.

Seventh Grade

(George Miller)

Our stamp sale for the first week of school was \$24.25.

School seems quite different this year as we have several different teachers for different classes. We go to Miss Spence for geography, Miss M. McDonald for arithmetic, Mr. Alpervitz for shop and Miss Davies for home making. We have lost our recess period, but will have gymnasium classes instead, with Miss E. McDonald and Mr. Johnson. We have English, spelling, penmanship and reading with Miss Fox.

Our enrollment has been 35, with

four new pupils. Gerald McHenry came from Alger, Ohio, John B. Shepherd came from Roylton, Ky., Richard L. Stewart came from Bloomfield, Indiana, and Beverly Booker came from Richard School, Grosse Pointe, Mich. Our thirty-sixth pupil, Gerald Fauser, enrolled Wednesday and left Thursday.

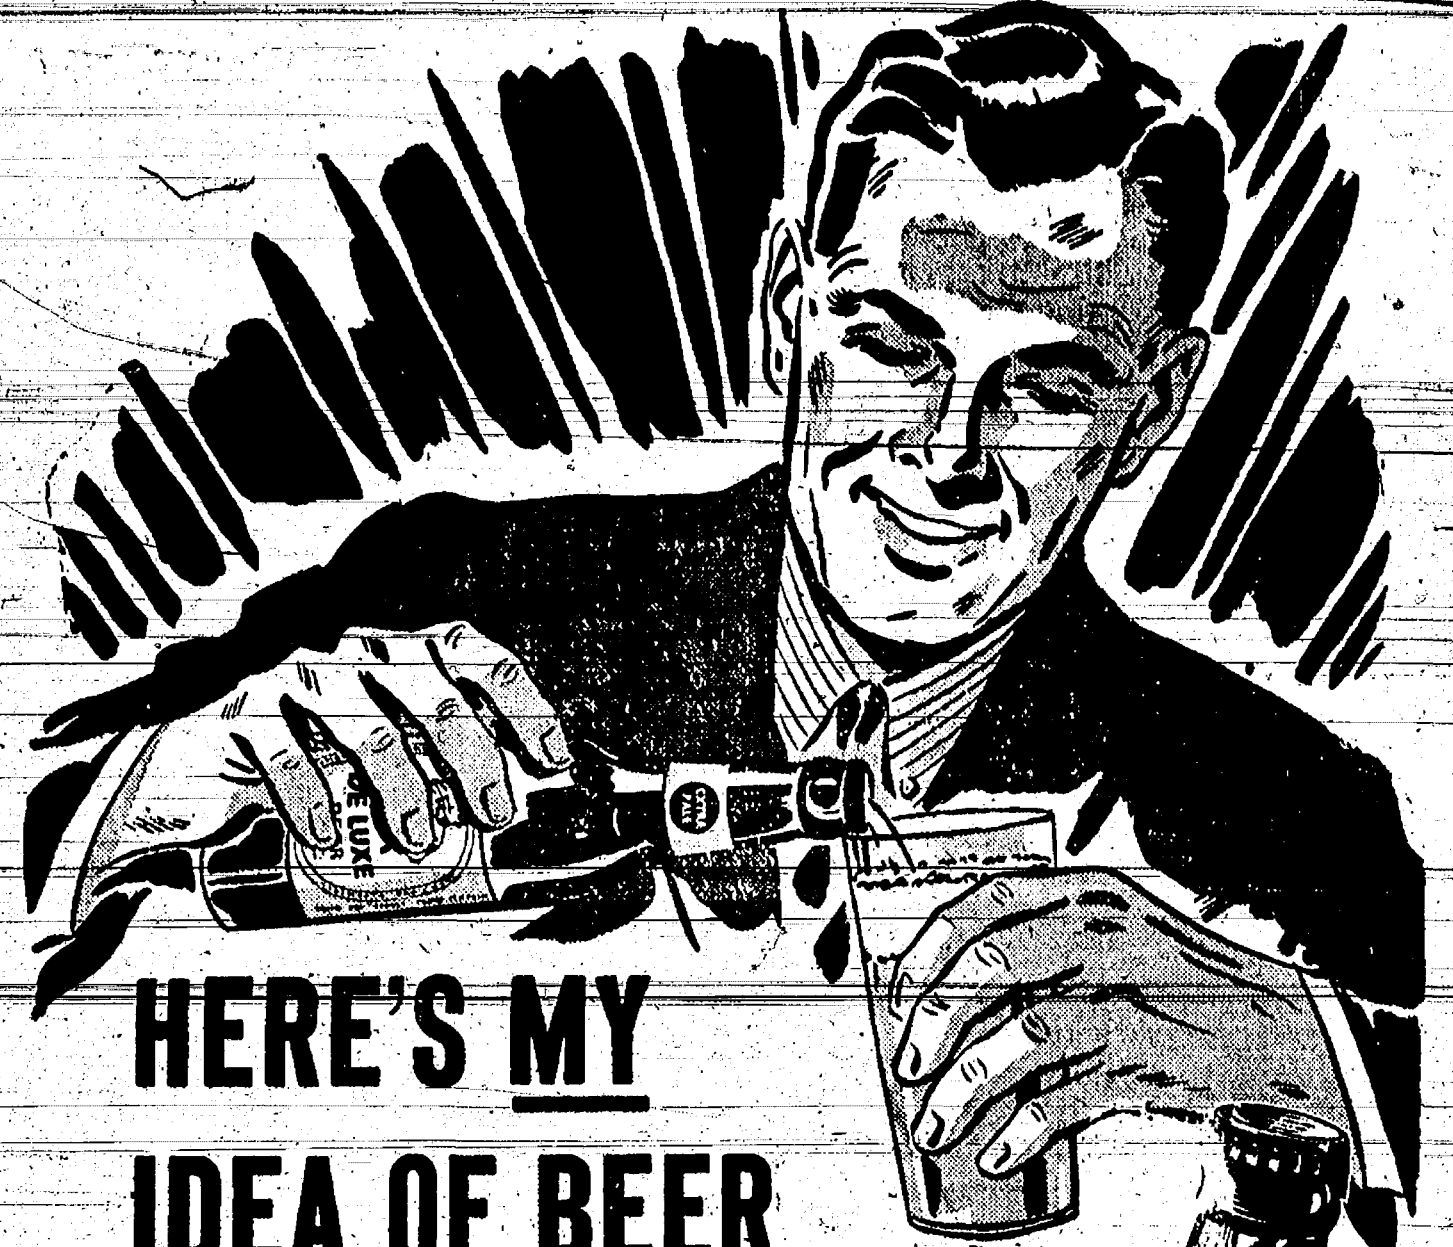

Our first week's English and penmanship has been devoted to preparation of hand-written letters to the

parents of all children in the grades, inviting them to the "Community Sing" which will be held in the gymnasium on September 27 at eight o'clock. We hope to have a large attendance, as admission to the program will be the purchase of one or more defense stamps which will be kept by the purchaser. In this way we hope to help the community bond and stamp sale.

ROD & GUN CLUB

The Chelsea Rod & Gun club held their regular meeting at the Christmas Seal Camp, North Lake, with about 75 members and guests in attendance.

Jack Park was in charge of the program, and presented Chief Petty Officer Allan Ray of the Jackson Naval Recruiting office, who gave a short talk and introduced Petty Officer Third Class Ayrelle Easteppe, of the WAVES, from Chicago, who spoke briefly of the great need for more enlistments in the Waves, so that more men can be released for active duty. Motion pictures released by the Navy Department were then shown by Walter Harper.

President Albert Doll presided at the business meeting and appointed a committee to take charge of posting of club property. Hunting regulations and other matters of interest to club members were also discussed. The club voted to purchase a \$100 war bond during the 3rd War Loan Drive.

Lunch was served by the committee, and cards furnished the diversion for the remainder of the evening.

Misses Margaret and Anna Miller attended the funeral of Mrs. Jane Minnis, held Saturday in Ann Arbor.

3rd War
Loan Drive

15 Billion Dollars

Back the Attack--
WITH WAR BONDS

All this month . . . Americans are asked to rally around the Third War Loan Drive by buying \$100 or more in War Bonds above and beyond their regular pledges. Quotas are stiff (Washtenaw county's being \$7,646,000, of which Chelsea's share is \$325,000), and to meet them will take the full co-operation of every one of us on the home front. It may mean sacrifice, yes! But there's no easy way to win a war; and it's the least we can do to back up the boys on the battle front and help them to finish this fight in a hurry.

We of Goodyear's are in this drive 100%. Every one of us has pledged to sell at least \$200 worth of War Bonds during the drive, in addition to buying Bonds beyond our personal pledges. So, when you shop at Goodyear's, expect to be urged to buy bonds! Remember, we are a Treasury-authorized Bond-issuing store, and we can give you IMMEDIATE delivery of War Bonds at the Office, Second Floor.

Standard Liners Bring Results

**"Next time—
he'll count a hundred!"**

"He called me in at 10:30 this morning. 'Call the Philadelphia office,' he barked. 'Ask 'em where those contracts are. They were supposed to mail 'em last night.' 'I hurried. But just as I was going to place the call I remembered about so many long distance lines being jammed with war calls. So I ran down to the mail desk and hunted—there were the contracts, tucked away in the wrong pile. 'I explained why I hadn't made the call and the Boss told me I was absolutely right. 'Next time, Miss Brown,' he said, 'make me count a hundred before I use long distance!'"

Long distance lines to war-busy centers are particularly congested. Only you can decide whether your call is so important that it should be placed on those overburdened circuits. Therefore, please...

1. Make only the most necessary calls to war-activity areas.
2. If the operator asks you to limit your call to 5 minutes, please co-operate... her request means others are waiting.

**CAN VITAMINS CHANGE
GRAY HAIR?**

Read the amazing experience of gray-haired people in Calcium Pantothenate tests sponsored by Good Housekeeping magazine. According to this report:

Age—did not seem to affect results. The earliest response occurred in a 50-year-old; the latest in a 23-year-old.
Color—began to appear near the roots of the hair. The color may not appear all over the head at the same time. Symmetrical areas, perhaps on the temples or back of the head, may show traces of color first, after which the color will spread to other parts of the head.
Time—varied from 1 month to 6 months.
Results—36% of those tested had positive evidence of a return of some hair color.
Now thousands use GRAYVITA, which contains 10 mgm. of Calcium Pantothenate (the same amount used in tests above) PLUS 450 U. S. P. units of B₁₂, the vitamin necessary to healthy nerves. Try GRAYVITA. See what a difference it may make in the way you look. 30 day supply, \$1.50, 100 day supply, \$4.00. (Phone, write)

How Good can
Beer be
during a Shortage?

THAT'S A NATURAL
QUESTION AND IT DESERVES
A STRAIGHT ANSWER

With prime ingredients restricted as they are today, a brewer has a clear-cut decision to make. He can sacrifice quality through the use of inferior substitutes and maintain his volume... or he can keep faith with his customers by supplying them the same quality beer they have learned to enjoy — and sell less beer.

We have given our pledge to you not to change Altes quality. We mean to keep that pledge.

We do this with the full knowledge that we penalize both you and ourselves. You will not be able to get all the Altes you want... we will not be able to brew as much Altes as we would like to brew.

We want you to know that not once through all these difficult times will Altes skimp on quality... not once will we vary that Aged-in, Sealed-in flavor... not once will we fail to properly age every drop of Altes.

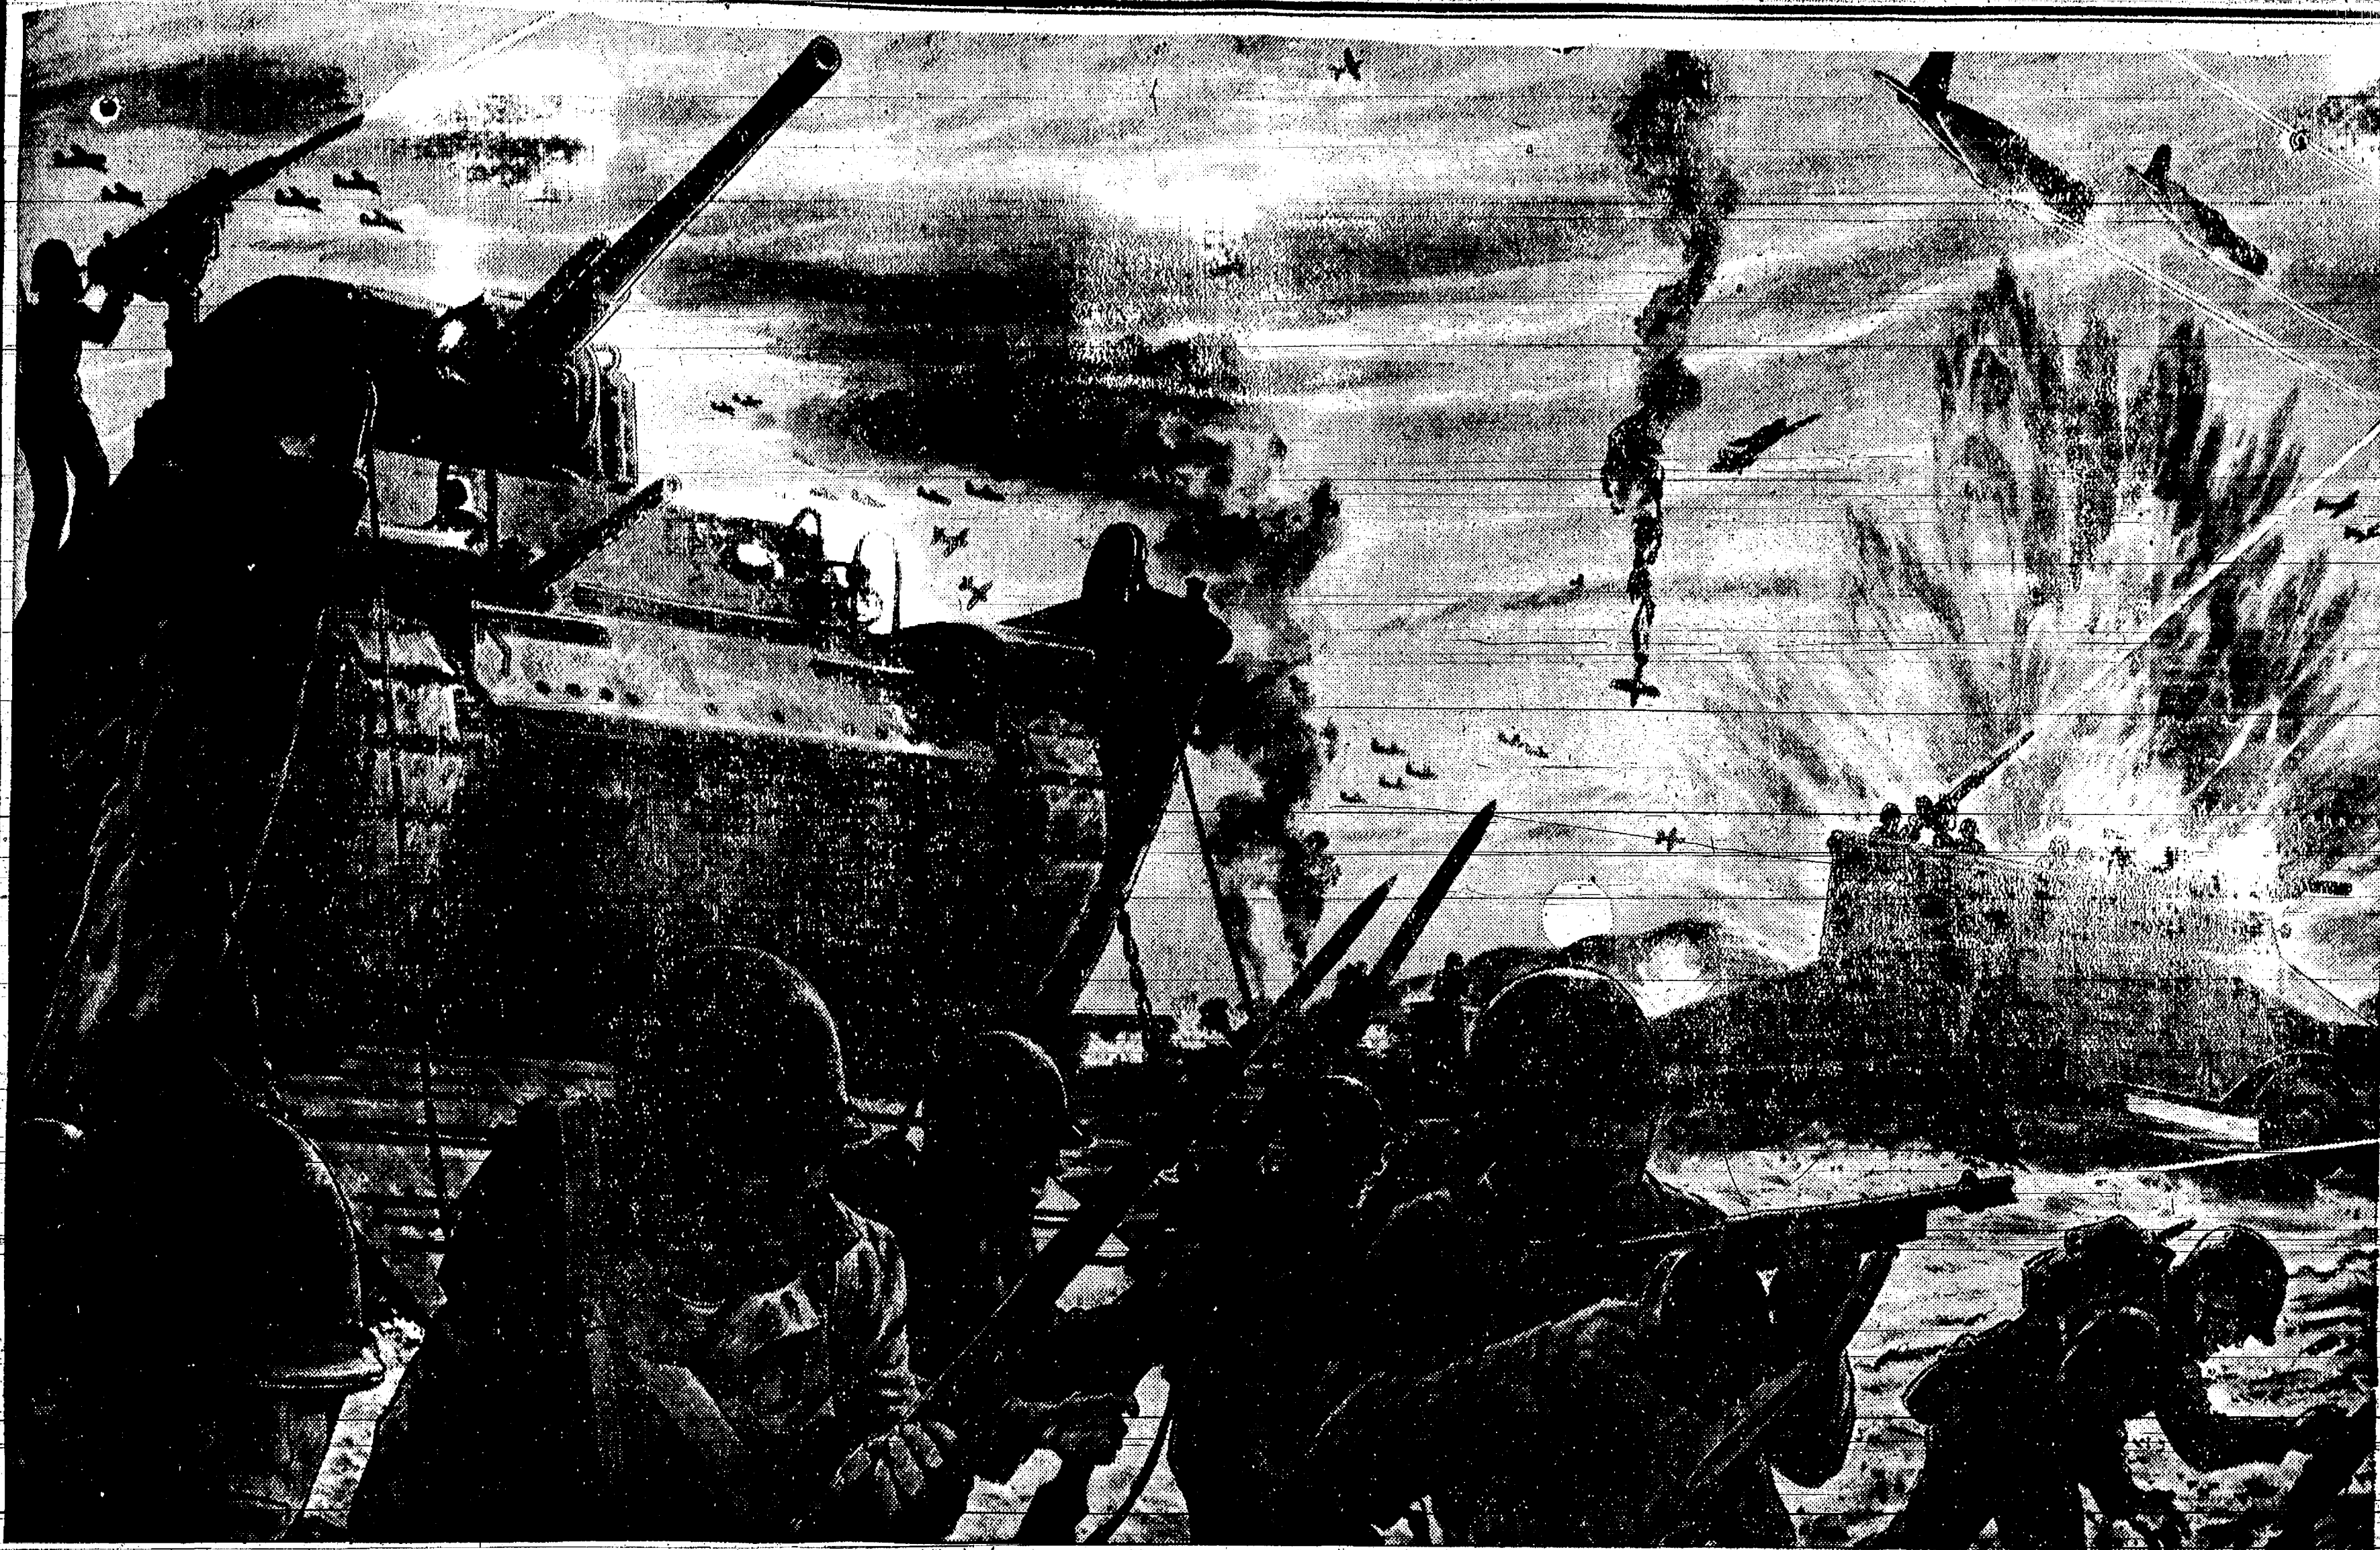

The Altes name and reputation... its significance of quality to you... will not be impaired at any cost.

This one's going to hurt !

INVASION COMES HIGH—in blood and money.

Part of the cost must be paid with human life. That means deep and lasting hurt for many and many an American family.

Part of the cost must be paid in cash . . . this September. And *that's* going to hurt, too!

The 3rd War Loan Is Here!

To pay for invasion—to get the money to keep our fighting machine going—you, and every man or woman in America, are asked to invest in at least one extra \$100 Bond in September.

\$100 EXTRA, mind you—for everybody!

No man or woman can hold back. No man or woman can point to his Payroll buying and say, "They don't mean me!" No man or woman can say, "I'm already lending 10% or 12% or 20%—I'm doing enough!"

Sure—it's going to hurt. It's going to take more than spare cash this time—more than just money that might have gone for fun. It's going to

take money we have tucked away. It's going to take part of the money we've been living on—money that might have meant extra shoes or clothes or food! Money that might have gone for *anything* that we can get along without!

Sure—it'll be tough to dig up that extra money. But we've got to do it—and *we will*.

We'll do it partly because of the look that would come over the faces of

our fighting men if we should fail. We'll do it partly because the cheapest, easiest way out of this whole rotten business is for everybody to chip in all he can and help end it quick. We'll do it partly because there's no finer, safer investment in the world today than a U. S. War Bond.

But mostly, we'll do it because America is right smack in the middle of the biggest, deadliest, dirtiest war in history.

And we're Americans.
