H. S. Holmes Elected President Of Millers

At the eightieth annual meeting of the Michigan State Millers Association held last Friday at the Hotel Book-Cadillac in Detroit, Howard S. Holmes, president of the Chelsea Milling Co., was elected president of the association.

Malcolm W. Bingay, editorial director of the Detroit Free Press, spoke at the afternoon session on "Democracy," tracing its development and detailing the need of sacrifices for its preservation.

Lawrence Hale, of Jonathan Hale & Son, Iowa, was named vice-president; C. L. Athanson of Ann Arbor, secretary; and J. A. Porter, of Valley City Milling Co., Portland, treasurer.

In addition to the president and vice-president, the executive board consists of L. O. Bracy, Amendt Milling Co., Monroe; Robert Hyslop, Ovid Roller Mills, Ovid; Chas. Knappen, Knappen Milling Co., Augusta; Jos. Craig, F. W. Stock & Sons, Hillsdale; Ralph Voigt, Voigt Milling Co., Grand Rapids.

Organized at Lansing in 1864, the Michigan State Millers Association is the oldest milling organization in the United States, and is the most active of the milling associations. Membership includes about 80 milling companies and associated industries.

The Chelsea Milling Co. has been a member of the association for more than 30 years. The late Howard S. Holmes, Sr. was a former president of the organization.

New Location Sought For Victory Gardens

Plans for the 1944 Chelsea Victory Garden program are now being made. Last year, the local committee made available three acres of garden land just north of town. Garden plots were rented to gardeners who did not have enough land closer to their homes. Although weather conditions were extremely unfavorable, most of the people having gardens felt that the project was worthwhile.

A new location must be found this year. Anyone having suitable garden land to rent should consult Marshall Richards, chairman of the local committee, as soon as possible.

STUDYING FOR A.M. MATE
Chicago, Ill. — Dwight R. Gadd, S-2C, 18, of Chelsea, Mich., son of Mr. and Mrs. R. D. Gadd, now attending N.A.T.T.C. at Navy Pier, is studying for Aviation Machinist's Mate, a course lasting six months. At the completion of this course he will be transferred to a "B" school for advance training in this same field, or to training in advance aerial gunnery. Upon completion of either of the latter, he will be assigned to carrier duty with the fleet. At present, along with his studies, he is also Quartermaster Bugler, which requires the memorizing of over thirty different calls. At intervals this means being on call for twenty-four hours.

CAR AERIALS STOLEN
Aerials were stolen from seven cars here on Monday night, Jan. 24. Four youths were apprehended by local police and confessed the crime. Two were Chelsea boys, one from Grass Lake and one from Jackson. Three of the boys were taken to the delinquent ward at the county detention farm and one to the county jail. The latter was fined costs of \$15, sentenced to 10 days in the county jail, and given a \$25 suspended fine.

STOLEN CARS RECOVERED
Two stolen cars were recovered by local police on Tuesday. One of the cars was stolen from Paul Gullett, RFD 2, Gregory, on Monday, and the other from Theo. W. Tibb of Dexter, also on Monday. One of the cars was found on Madison St. and the other at the corner of South Main and old US-12.

FOURTH WAR LOAN

Chelsea is stepping up its interest in bond purchases and the results are showing up in the sales figures. Figures to February 1, showing sales of all bonds, are as follows:

Jan. 1 to 17, 224 sales	\$7,031.25
Jan. 18 to 24, 316 sales	25,437.50
Jan. 25, 31 sales	3,768.75
Jan. 26, 28 sales	6,337.50
Jan. 27, 68 sales	7,143.75
Jan. 28, 78 sales	4,260.00
Jan. 29, 85 sales	2,550.00
Jan. 31, 190 sales	15,306.25

Total—970 sales \$74,825.00

These figures are very interesting and bear close analysis. For example, from Jan. 1 to 17 there were 224 sales, averaging about \$31.00 each, while from Jan. 18 to 24 there were 316 sales averaging about \$90.00 each, and from Jan. 25 to Jan. 31 there were 430 sales averaging about \$91.60 each.

Of the above total \$11,900.00 was in "G" bonds in 19 purchases, and \$62,925.00 was in "E" bonds in 951 purchases.

As stated last week, our total quota for E, F and G bonds is \$150,000.00, so we still have a long way to go to reach the standard set for Chelsea in the 4th War Loan Drive, but we can make the grade if everyone will do his or her part.

Every Gallant should make it a point to see every person assigned to them at once. There must be no delay at a time as late as this. Every purchaser should make his or her purchase as soon as possible, and be ready to give the serial number of the purchased bond to the solicitor when he calls.

In a job like this, the duty is one's own, and it cannot be shifted to someone else.

—Chelsea War Bond Committee.

INF. PARALYSIS DRIVE CLOSING
Results of the local drive for the National Foundation for Infantile Paralysis show that Chelsea was very generous in its response to the call for funds, the collections having totaled \$406.84.

The "March of Dimes" board in front of the bank collected \$250.13; the money in the coin boxes at the factories amounted to \$66.95; \$21.11 was the total from boxes placed in the downtown stores; the school contributed \$28.69; and from the Chelsea Study Club, the Kiwanis Club, and interested friends totaled another \$40.00—making in all \$406.84.

The committee wishes to thank all who contributed, and especially those who gave their time to the drive. It must not be forgotten that \$200.13 was also raised at the Sylvan Theatre, which gives Chelsea an excellent record for this worthwhile project.

INDUCTEE HONORED
About 80 neighbors and friends of Lero R. Buehler gave him a surprise farewell party on Saturday evening at his home on Elm St. previous to his departure for army service. Various card games furnished the entertainment, after which lunch was served. Mr. Buehler was presented with a pen-and-pencil set as a parting souvenir.

VACATIONS IN FLORIDA
Dr. A. L. Brock, who has conducted a dental practice in Chelsea for 25 years, celebrated the anniversary by spending a two weeks' vacation in Miami and St. Petersburg, Fla. Accompanied by Dr. L. P. Fisher of Ann Arbor, he made the trip by airplane, returning home on Friday.

Maj. Burlingame Will Speak Here Tuesday

Major Garnet J. Burlingame of Ann Arbor will speak at the local Methodist church next Tuesday night at 8 o'clock, under the auspices of the Methodist Fellowship Club. There will be no admission charge and the public is invited to attend.

Maj. Burlingame will tell of the hardships, courage and spirit of Michigan men who fought in the Buna campaign on New Guinea and who

MAJOR BURLINGAME

are still at their task of driving the Japs out of the jungle regions. For the past two months the officer has been telling Michigan audiences this story, which has been well received.

For 19 years previous to the war the speaker was a member of the 125th Infantry, Michigan National Guard, and his unit was called into active service in October 1940. He commanded Co. K since 1934 and was in charge at the time of induction. Shortly after Pearl Harbor he was reassigned to the 126th Infantry and went overseas in April, 1942, with this unit, which was composed of guard units from Central and Western Michigan. It was the first army unit to go into action against the enemy in this war.

His talk covers the move to Australia and army life there; then the move to New Guinea, the famous march over the Owen Stanley mountains, conditions of combat at Buna, and other phases of fighting the Japs. Major Burlingame has praise for the fine work of the medical personnel throughout the campaign and will tell of the importance of religion to everyone in the combat zone. He will describe the natives in New Guinea, and will conclude his talk with some observations and thoughts regarding the American soldier.

Sinclair Agent Sponsors Meetings for Farmers

V. Kohnsman, local Sinclair agent, is inviting all his farmer friends and everyone interested in farm progress, with their families, to be his guests at a Farm Front Fighters meeting at Town Hall, Gregory, on Wednesday, Feb. 9 at 7:30 p. m., and at St. Mary's hall, Chelsea, Thursday, Feb. 10 at 8 p. m.

These meetings are being held by Sinclair agents everywhere as a contribution toward finding a solution to the farm labor shortage.

A feature of the meetings is a motion picture on training farm help. It is based on a special farm application of the Job Instruction Program developed by the Training Within Industry Section of the War Manpower Commission. That program has been adapted to farming by the American Society of Agricultural Engineers.

In addition to the picture, there will be a full program of entertainment, including a selected comedy to appeal to every member of every farm family.

RECORD BOOKS FOR FARMERS

Chelsea State Bank has a supply of record books for farmers which they are distributing free of charge. The books have space for all expense and income accounts which any farmer might have and they will be a real convenience in aiding in the compilation of records at the end of the year. Bank officials urge farmers to call for a copy of this book.

660 Half-Dollars For Bonds

About a year ago Mr. and Mrs. Calvin Brees, employees of Federal Screw Works, decided to start saving all the 50c pieces which came into their possession. Last week they took all the half-dollars they had saved to Plant 5 and presented them to Miss Mary Dodge, gallant in that plant, to apply them toward the purchase of War Bonds to help in the 4th War Loan Drive—there were just 660 of these 50c pieces. Miss Dodge, center in the above picture, has just completed her count of this "hard money" as Mr. and Mrs. Brees look on.

7 ways you can help

So great is the demand for Natural Gas in war plants that the government is requesting every family to use it wisely in the home. Here are suggestions for conserving this fuel:

1. Do not heat unused rooms.
2. Turn down thermostat when no one is to be at home.
3. Keep fireplace damper closed when not in use.
4. Push a rug in front of your bedroom door at night before opening the window.
5. Do not use the gas range even for heating the kitchen.
6. Repair leaky faucets which waste hot water.
7. Do not leave the hot water faucet running while washing your hands.

The fire department was called out at 10:00 o'clock Sunday night by a fire in the store occupied by Gallagher's bazaar. CONCRETE DAIRY IMPROVEMENTS can help America increase food production

The Department of Agriculture has urged greatly increased milk production to meet the needs of the United Nations for dry milk, butter, cheese. Concrete improvements—such as a new milk house, cooling tank, dairy barn floor, granary, manure pit or storage cellar—will help many farmers do a bigger production job. Concrete improvements are fire-safe, sanitary, cost little to build, last for generations. Concrete farm jobs require a minimum of critical war materials. If you need help, get in touch with your concrete contractor or building material dealer.

THE SUREST WAY YOU CAN

Around the world our men are fighting.

And the longer the war lasts, the more of them will

be dying! No, it isn't pleasant to face that

grim reality; but neither is it pleasant for them

to face the grim realities of combat. Don't

think in terms of so-many-million fighters.

Think of the one you love—your neighbor's son—

the boy you've watched from babyhood, and there

isn't anything in the world you wouldn't do

to bring him home alive, and well! So do the one

thing you can! Do your share of War Bond

ATTENDS NADA CONVENTION

Dearborn—L. G. Palmer, Ford dealer at Chelsea, has been a guest of the company at Dearborn while attending a convention of the National Automobile Dealers Association as official delegate.

While a guest of the company he visited Willow Run, now the world's largest producer of heavy bombers, and the Rouge plant where he saw many war materials being produced, including the 2,000-horsepower Pratt and Whitney aircraft engine of which the company has produced more than 20,000 units since Pearl Harbor.

Following the NADA convention, he also had an opportunity to discuss with Ford executives many of the problems Ford dealers have faced because of the war.

Picnic Areas Will Be Ready This Summer

Ten small picnic areas will be ready for public use next summer along the main roads passing through the Waterloo Recreational Area in Washtenaw and Jackson counties, the State Conservation Department has announced.

In addition to the picnic grounds, several camping sites will be established in the vicinity of Portage Lake and the bathing beach at the lake will be renovated and put into use with a park ranger continuously on duty.

The announcement followed a recent statement by the Department that it was planning numerous changes in the development and use of the area which was deeded to the state last summer by the Federal Government. The area had been under the jurisdiction of the National Parks Service.

Inasmuch as it is now impossible to purchase or build the necessary equipment, picnic tables and outdoor stoves will be moved this winter and next spring from northern state parks to the Waterloo Area. In many of the northern parks attendance dropped off considerably last summer due to travel restrictions.

"The equipment wasn't used much last summer and undoubtedly won't be next summer. We decided that we should move it to southern Michigan where the public could enjoy it," Walter Kingscott, superintendent of state parks said. Representatives of the Parks Division of the Conservation Department are now selecting suitable sites for the picnic grounds.

NORTH SYLVAN GRANGE

The February meeting of North Sylvan Grange was held on Tuesday evening at the home of Mr. and Mrs. P. M. Broesamle. Degree work was conducted by Past Master Henry Haim and two candidates were initiated. Display your colors

Every patriotic home in America will want to put up this emblem!

This emblem is a symbol of your patriotism. It tells the world that you have done your full share in the 4th War Loan. Every true American will be proud to display it at home.

Our valiant fighting men... soldiers, sailors and marines... on every far-flung battlefield are on the attack... forging ahead, steadily, relentlessly. Nothing on earth can stop them... IF WE BACK THEM UP!

Backing them up means throwing every dollar we can possibly spare into the fight *right now*... even if it takes sacrifice on our part.

That's the purpose of this 4th War Loan Drive.

To earn the right to display the 4th War Loan Emblem you must invest in at least one EXTRA hundred dollar Bond (at a cost of only \$75)... over and above your regular War Bond subscription. But don't stop with *one*! Invest in all the extra Bonds you think you can afford... then invest in some more!

Remember, every dollar you put into War Bonds does double duty. It helps to win the war... and at the same time it insures your own financial security.

Here, too, is a chance to help your company meet its quota in this 4th War Loan.

Maybe this will mean sacrifice on your part. Maybe it will mean doing without something you want. But don't forget... while you are only *lending* a few spare dollars... thousands of our gallant fighting men are *giving* their lives for you! Show that you're backing them up 100%. Invest in *extra* War Bonds to the limit of your ability. And display the 4th War Loan Emblem at home!

BUILD YOUR FUTURE WITH THE WORLD'S SAFEST INVESTMENT

All over the country men and women look to the future with confidence. They are the ones who have put part of their extra wartime earnings into the world's safest investment—U. S. Government War Bonds.

Yes, they are helping their country in its grimmest struggle. But they are helping themselves, too! They are helping to secure their future, to weather any troubled days that may lie ahead.

What about you? Are you letting the dollars slip through your fingers—dollars that should be put safely away in War Bonds?

There are War Bonds to fit your needs... Bonds that are backed up by the strongest "company" in the world. Build that home you have always dreamed about. Send your child to college. Buy the wonderful things that are coming after the war. YOU CAN DO IT WITH YOUR WAR BOND SAVINGS.

Let's All BACK THE ATTACK!

EDITORIAL

Boys signing for Army Air Cadets took a mental test at the A. A. high school last Monday, Jan. 31 in the cafeteria, at 1 p. m.

They will stay in high school until they graduate if they get through six months after they are 16 years old. They could stay in high school after that time only by deferment. They will go to a camp in Illinois for a month to get their uniform and Army organization after graduation. Then they will be sent to a University for five months with pay. Then to a field for regular flying training. It takes many months for this training. After they pass their mental tests they go to the Flying Air Corps. They go to the Navigator or Bombardier and on down the line to ground as engineers if they wash out in the Pilot program. If they took this training in any other way they would spend hundreds of dollars.

They cannot be signed up for the Army Air Corps after they are drafted.

The Army wants them to get their high school training if possible. They had to prepare proper papers before they went to Ann Arbor. They had to have their birth certificate and three letters of recommendation. They must have their notarized parents' consent (two copies) if 17. They must have their draft board release if 18.

This includes any boys between the ages of 17 or near 17 to 26 years of age.

Maude S. Rufus, Lt. U. S. Army, CAP Group 685-3 is in charge of this program.

Eight boys from Chelsea went to Ann Arbor.

Boys should not quit school to join the armed services because they are far more valuable with more education.

OFFICE NEWS

The following boys have taken the Air Cadet exam on Monday: Alton Guenther, Robert Gross, Charles Smith, Donald Alber, Philip Vogel, Richard Bahnmiller, Thomas McClear, Robert Eaton. It is taken from a Detroit Aviation-Examining Board that travels from place to place. The exam was supervised by Lt. Maude Rufus, U. S. Army, CAP.

The University High teams will play here tomorrow evening. The girls' team plays at 4:15 and the first boys' game will start at 7:15. The county school superintendents and commissioners will have a meeting at Dexter tonight.

Miss Hammond is recovering from a fractured right wrist, received from a fall while walking to school.

STUDENT COUNCIL NOTES

The president opened the meeting. The secretary's report was read and accepted.

March 10, the date for the Council's All-Hi party, was changed to March 17. This date will be changed again if the basketball team goes to the basketball tournaments. The president will appoint chairmen for various committees from the council members which will plan the party.

The chairmen will be informed of their positions at the next meeting. The committeemen will be chosen from the student body by the chairmen.

The president said that Miss Hammond suggested regular secretary meetings to help the secretary improve the writing of the minutes. We agreed that the suggestion will not be carried out because of the interference with other activities.

The president closed the meeting.

CHS SPORTS DEPARTMENT

By "Doc" Alber

Milan Defeated Bulldogs 30-15.

Milan extended their victory string to seven, when they trounced our Bulldogs, 30 to 15.

After the local lads jumped in to a 4 to 0 lead things looked bright, but before the half ended Chelsea was only able to get one more point while Milan collected 10. So the score at the half was 10 to 5 in favor of Milan.

In the second half Milan had too much for Chelsea and led throughout the rest of the game, and going on to win.

Hawary and Edwards made 9 and 8 points respectively for Milan, while Bahnmiller and Alber collected 6 and 5 respectively for Chelsea.

The local lads played a better game than the score would indicate. They kept Milan's fast break down to size, but didn't just have the added punch to win.

The Little Bulldogs suffered their first loss of the season by the score of 39 to 26.

Led by McGaven and McKeercher, who collected 8 points apiece, Milan had little trouble in gaining their victory over the Chelsea squad.

Knickerbocker collected 12 points for the local lads.

Last Friday night at Milan I saw a good sized crowd of loyal supporters from Chelsea. So this week with the game at home let's have an extra large crowd. I think you remember what happened between Chelsea and U. High last year, so be on hand and see if Chelsea can do it again, or if U. High will get revenge.

So remember 7:15 at the high school to see two very good ball games.

V-for-Victory.

(Two points are given for a win; one point is given for a tie).

In the western half of the League, Milan remained undefeated by defeating Chelsea 30-15.

Led by Bob Jamison, who collected 10 points, U. High gained their first Huron League victory at the expense of Roosevelt, 29 to 24. U. High had a 14 to 11 lead at half time.

Over in the eastern end, Dundee upset Lincoln in a thrilling game at Dundee by the score of 31 to 29.

From 8:30 to 9:30 there will be a program in the gymnasium, consisting of numbers by the High School Band, the Chorus, a play by the sixth and fifth grades, and a short program yet to be arranged by the high school students.

FRESHMAN NEWS

The Freshmen now have two student council representatives. Ray Knickerbocker has been doing fine work for our class all year, and now he has the help of Bragdon Barlow, who was elected representative at our last class meeting.

New baseball equipment was also discussed at the meeting.

MAJORS MORON AMATEUR HOUR

On Wednesday, January 26, the students and faculty of Chelsea High were privileged to have the one and only (thank goodness) Major Moron, who in reality is Jim Gaken. The people participating in the program were all from school.

Three prizes were awarded: first to Bob Eaton; second, Nancy Loose; third, Charles S. Cameron and "Bug" Slane. The following were the entertainers:

Marilyn Schooley, who tap-danced. Bob Eaton at the piano.

Pep Band played a selection. Frankie Sinatra and a woman: Dick Schanz and Cameron Colquhoun.

Two hunters and a dog after a live rabbit: Henry and George Merkel, and Bragdon Barlow.

Nancy Loose also tap-danced. Uncle Zeke, who was none other than our own Charles S. Cameron; with him was Bug Slane.

Eleanor Harper was the guest pianist.

At the close of the program a short speech was given by Elaine McClear on the buying of War Bonds and Stamps in this, the Fourth War Bond Drive.

As the program ended, so this article will end—with a reminder to buy Bonds and Stamps until it hurts!

ELEMENTARY NEWS

Some of the children in our room have started scrapbooks to give to the soldiers. They have jokes, cartoons and other pictures in them. The stamp sale for last week was \$19.35.

In the back of our room we are growing a sweet potato. We have had it for three weeks. The branches are quite long now.

Dixie Reffet and Mary Paul had birthdays last week. In English class they played the birthday game. They had to say fifty facts in five minutes.

Our Defense Stamp sale this week was \$179.25. About 61 per cent, or 14 people, bought.

We received our report cards last week and some of the pupils were glad and some of them weren't. Most of them returned their cards early last week.

Our seventh grade boys played the eighth grade boys in basketball on Thursday and lost by a score of 25 to 14, which wasn't as bad as the last one, which was 51 to 10.

We have now finished electing our new treasurer, who is Joyce Crawford.

We have almost finished our first afghan, and have fifty more squares for the second afghan, which we will be pleased to finish.

For the second semester we have history instead of geography, and science instead of homemaking. Most of our pupils would prefer to have geography, shop and home-making, instead of their new subject.

Third Grade

We are going to have a Good Readers' Club. It is going to be on Monday at 3:30.

We made some scrapbooks and collected some other books for Junior Red Cross.

We made a guest book for Parents' Night.

We went on a trip to the library and bakery. We saw many interesting things. Then we wrote "thank you" notes and made a book about our trip.
