## Advantages Of City Government Explained

George B. Sidwell of Ann Arbor, an official of the Michigan Municipal League, pointed out many advantages of a city form of government when he addressed the Kiwanis club at their Monday evening meeting.

Mr. Sidwell stated that Michigan is one of only two or three states where municipalities have the privilege of determining their own form of government; in most other states the growth and other conditions automatically determine the governing status of a community under state laws.

Some of the advantages to Chelsea under city form of government, according to Mr. Sidwell, would be the elimination of duplicate services of two assessors, two clerks and two treasurers who are rendering identical services within the village as township and village officials; that one set of city officials could give these services and the township outside the village could elect their officials to function only in the township.

In addition to elimination of a duplication of effort, Chelsea as a city would have two representatives on the county board of supervisors in addition to the Sylvan township supervisors.

Another benefit as pointed out by the speaker would be the consolidation of the village, which lies in both Sylvan and Lima townships, into one voting unit as a city, doing away with the inconvenience now experienced by village residents in Lima township who must go to Lima Center to vote in township, county, state and national elections.

The first step to be taken if the proposition of changing to a city is to be submitted to the voters, is for at least 100 village property owners (75 in Sylvan and 25 in Lima) to petition the village council for an election to name nine people who would serve as a charter commission, who in turn would have 90 days in which to draft a proposed charter for the city. This charter would be submitted to the voters for approval or rejection as the new city form of government.

If rejected it would be the duty of the charter commission to submit a revised charter to the voters. Because of Chelsea's growth and the increased problems which constantly confront the village governing officials there has been considerable agitation for a more up-to-date form of government, which prompted the Kiwanis club to obtain Mr. Sidwell as a speaker to explain the subject. Members of the village council were guests at the meeting.

## Two Shows To Feature Sylvan Bond Premiere

Final arrangements have been made by Dillon Wolverton for the Bond Premiere at Sylvan Theatre next Tuesday night, when he hopes to fill the theatre for two performances of "Salute To The Marines," starring Wallace Beery. Shows will start at 7 and 9 o'clock.

Admission to the theatre that night will be by presentation of a ticket obtained with the purchase of a \$50.00 or larger "E" war bond at the Chelsea post office, Chelsea State Bank or Sylvan Theatre during the 4th War Loan Drive.

A large number of tickets have been distributed to war bond purchasers and Mr. Wolverton asks that all who possibly can, to arrange to attend the 9 o'clock show as he anticipates an overflow crowd at the 7 o'clock show. This cooperation will be appreciated.

## Chelsea Goes Over Top In 4th War Loan Drive!

### Called To The Colors

Eugene C. Fisher, who has been a resident of this community for about four years, will report to Detroit on Saturday for induction into the service, whence he will be sent to San Diego, Calif. He enlisted in the U. S. Marine Corps on January 18.

The son of Dr. and Mrs. Chas. A. Fisher of Ann Arbor, he was born Oct. 18, 1911 in Huntington, Ind. He graduated from University high school, Ann Arbor, in 1930, and from the New York State Ranger school, Wanakena, N. Y. in 1932. Later he took extra work at Michigan State College. For several years he has been employed by the Bryant and Detweiler Construction Co., Detroit.

In December, 1938, Mr. Fisher was married to Miss Dorothy Anderson of Ludington and they have a daughter, Linda, 16 months old.

### Qualifying Tests To Be Given At Chelsea High

The third Army-Navy College Qualifying Test for the Army Specialized Training Program and the Navy College Program V-12 which will be given throughout the country on Wednesday, March 15, at 9:00 a.m., will be administered at the Chelsea high school. Carl C. Chandler has announced. A leaflet of general information which contains an admission identification form may be obtained at the school. This form properly filled out will admit to the test students between the ages of 17 and 21 inclusive who are high school graduates or who will be graduated by July 1, 1944. Intent to take the test should be made known immediately to Mr. Chandler, in order that the necessary test supplies may be ordered.

Army and Navy candidates will take the same examination, which is designed to test the aptitude and general knowledge required for the program of college training and all qualified students are urged to take the test. At the time of the test each candidate will be given a choice of service preference, but taking the test does not obligate the candidate to enlist in the service.

The Army Specialized Training Program is aimed to meet the Army's needs for specialists and technicians in certain critical fields of study. Academic work is at the college level at government expense.

The Navy College Program also enables students to continue academic training at government expense. Successful completion of the prescribed courses may, following further officer training, lead to a commission in the Navy.

### Hoffmaster Will Speak Here Friday Afternoon

State Representative Jos. E. Warner and P. J. Hoffmaster, Director, Michigan Department of Conservation, will speak at Sylvan town hall on Friday afternoon of this week, at 8:00 o'clock. Both speakers will discuss the proposed development of recreational areas in this part of the state. All farmers and others interested in this project are urged to attend the meeting and hear of the plans which are being made by the conservation department for the long-range development of a large recreational area in Southeastern Michigan.

Supervisor Fred G. Broesamle has arranged for this meeting, in an effort to get first-hand information to the people of the community.

**COMPLETES "JUMP" TRAINING**  
Fort Benning, Ga.—Pvt. Robert C. Reed, son of Mr. and Mrs. Frank L. Reed of 121 North St., Chelsea, Mich. has won the right to wear the world-famous wings and boots of the United States Army Volunteer Paratrooper. He made his fifth and qualifying jump, a night tactical leap identical to actual combat work in Sicily, which completed his four weeks of jump training.

Jumping at the Parachute School has been steadily developed to a recognized war science. There is but one per cent chance of suffering injury while jumping at the school. In addition to producing jumpers for combat, Parachute Specialist training is given to qualified men in Camouflage, Communication, Demolition, Riggers, and Sewing Machine Maintenance, vital skills for the new and better infantry coming in by air today.

Chelsea's War Bond Committee announces that the bond sales figures for local corporations, including Chelsea's share from the sales to the Michigan Central Railroad, Michigan Bell Telephone Co., and also to the State of Michigan. Chelsea's share from these sources to date totals \$299,729.00, making the grand total to date \$404,816.50—with a quota of \$325,000.00 for the 4th War Loan Drive.

We must keep before us the primary aim of this Drive, which is to sell as many bonds as possible to individuals.

For the first half month all attention was centered on sales to individuals, but now we are in the period when sales to corporations have swelled the figures.

Keep in mind though, that sales to individuals are still the problem of all citizens who are buying as well as the Gallants who are visiting prospective purchasers.

The figures that follow are still the most important to Chelsea. To February 8, sales of all bonds to individuals are as follows:

Jan. 1 to 17, 224 sales	\$ 7,031.25
Jan. 18 to 24, 316 sales	28,437.50
Jan. 25 to 31, 430 sales	39,356.25
Feb. 1, 44 sales	5,462.50
Feb. 2, 30 sales	6,437.50
Feb. 3, 19 sales	6,293.75
Feb. 4, 61 sales	5,550.00
Feb. 5, 21 sales	1,668.75
Feb. 7, 55 sales	3,750.00

Total—1266 sales—\$104,887.50

Note that again the average purchase has increased. During the first two weeks period the average purchase was \$31.00; during the next week the average was \$90.00; during the next week the average was \$91.50, and during the past week the average purchase was \$101.50.

Yes, Chelsea has gone over the top, but we will not be doing our part unless we push that \$104,000 figure shown above up to the \$150,000 mark.

All but \$16,200 of the above is in "E" bonds, which indicates clearly that many persons who have substantial amounts available are not buying their share of bonds. Those who normally buy "G" bonds should order them at once, as it takes as much as a week or ten days for these to come through.

Chelsea's record to date is very good, but concentrate on our individual sales.

Chelsea War Bond Committee.

### Scouts Mark 34th Anniversary

More than 1,600,000 Boy Scouts, Cubs and their adult volunteer leaders will observe Boy Scout Week, Feb. 8 to 14, marking the 34th anniversary of Scouting in the United States. Since 1910, more than 11,400,000 American boys and men have agreed that "It's Great to be a Scout!"

### Boy Scouts Observe 34th Anniversary This Week

Boy Scouts all over America—and many former Scouts now on battlefronts all over the world are celebrating the 34th anniversary of the Boy Scouts of America. Founded on February 8, 1910, the movement has grown steadily in numbers and in the affection of the people because of its service to others and its "learning by doing" program.

Active in Scouting for more than twenty years, President Roosevelt, as President of the United States of America, is the Honorary President of the Boy Scouts of America, and has watched the progress of Scouting in America closely and intimately. Throughout his public career he has helped the American people focus their attention on the place voluntary youth-serving movements have in the life of their country. In the last ten years the Boy Scout movement in America has grown in numbers and in effectiveness. In 1938, there were 879,481 members. Today there are 1,600,000 Cubs, Scouts, Sea Scouts, Air Scouts, Explorer Scouts and their leaders.

Following the precedent established by the President during his first year in the White House he has personally

delivered a message to the nation about Scouting each Boy Scout Week. However, because of the burdens imposed by war he has called upon others to read the message for him. This year he has asked Scoutmasters, all over the country, to read his Boy Scout message for 1944 to the nation. Scoutmaster Edmund A. Kayser, of Troop 25 of Chelsea, of the Washtenaw-Livingston Council, Boy Scouts of America, will present the President's message to local Scouts. The message follows:

The White House  
Washington

February 8, 1944.

Fellow Scouts and Scouters: Nothing would give me more pleasure than to speak to you personally today but as you know the war must be fought and won and that is our number one job at present.

From facts placed before me I know what a superb record of war service you have achieved since Pearl Harbor. Keep up the good work. Do carry on your normal Scouting, too. It will be of lasting value to you as you grow into manhood. Live democracy in your Troop and in your home. Get out of doors. Camp. And above all, live the Scout Oath and Law.

The man who is helping you most to achieve these high aims and ideals as a member of your Troop is your

own Scoutmaster. He is your friend and counsellor. He gives leadership through the Scout program which is so attractive to thousands upon thousands of boys.

All persons who are or were active in the Boy Scout movement—and there are more than 11,400,000 of us—have keen appreciation and deep respect for the volunteer service Scoutmasters render to boyhood. Thousands of Scoutmasters are in

the Armed Forces but Scout Troops are carrying on because many eligible men have stepped in to fill their places. Indeed, more and more men who appreciate what Scouting is doing and what it means to the movement.

Since the earliest days of Scouting the Scoutmasters have been an inspiration to all of us. I salute them. As the Honorary President of the Boy Scouts of America, I am proud

to learn that you are looking ahead to the day of World Brotherhood. It is, as you say, the hope of the world, if the people of all countries had taken the basic philosophy of Scouting to heart, perhaps there would never have been a second World War. It therefore behooves us all, as Scouts and Scouters, to foster mutual understanding and mutual respect. Let us live up to what we so deeply believe.

Franklin D. Roosevelt

### This farm boy stopped bullets intended for you . . .

Joe Martinez, Colorado farm boy, his battalion bogged down under withering fire from Jap positions on Attu, arose alone and advanced into a hail of bullets to clean out trench after trench so his battalion could advance. He died with his rifle at his shoulder, pumping lead into the enemy, while his mates were able to move up behind him and successfully take the pass. For this, Joe Martinez has been posthumously awarded the Nation's highest military honor. Let every man who was once a farm boy himself buy an extra War Bond in Joe's honor . . . for Joe took the bullets aimed at the heart of America!

## The 4<sup>th</sup> WAR LOAN is your opportunity to do something about it!

**It's Time to Take the Offensive.** Your government has the men it needs to do the job in the front lines—great men all! But it doesn't have the money it needs, by a long way. That's your job! And the immediate task is the Fourth War Loan—Your chance to take the offensive not only in support of the men who are fighting and dying for you and your loved ones, but also in support of your own future!

What are you going to do about a worn-out tractor, about repairing fences and buildings, about replacing depreciated machinery and equipment? Will you be ready with money in the bank when these things are needed?

You will if you take the offensive now! Put every extra dollar into U. S. War Bonds—the best form of financial reserve ever offered you. Think! You are asked to make a sound and prudent investment—not a sacrifice!

#### When Your Boy Comes Home

Will your boy come back to a farm or ranch with no financial reserves, no future? Or will you greet him at the gate with a bundle of War Savings Bonds—for working capital, new machinery, better buildings? And if your children are going to college, why not be sure they get there by buying today the bonds that will pay the cost.

No need, really, to tell an up-to-date farmer or rancher what he needs financial reserves for. You know more reasons than any one else can enumerate for setting aside extra dollars to meet the future. Now is your chance to do it . . . and help fight the war too!

Go on the offensive! Buy all the Bonds you can—today!

**You Never Get Less Than You Lend!** And you get  $\frac{1}{4}$  more than you invest. When held 10 years, War Bonds yield 2.9% interest compounded semi-annually. You get back \$4 for every \$3.

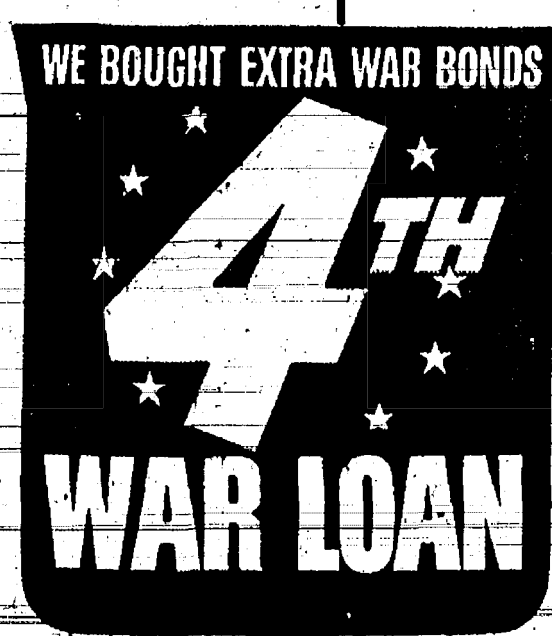

**Cash When You Need It.** If an emergency comes along, your War Bonds are like money in the bank. Uncle Sam will redeem them in cash—at full purchase price—any time after you've held them 60 days. Don't cash them unless you have to. And don't hold back a single dollar unnecessarily from the purchase of War Bonds. YOUR HELP IS NEEDED.

#### Facts About War Bonds (Series E)

## FBI Needs Girls For Work In Washington

The Federal Bureau of Investigation is looking for scores of Eastern Michigan girls—not fugitives from justice, but girls with good records to fill positions in the Identification Division of the FBI at Washington, D.C.

To offset the popular belief that it is almost impossible to find living quarters at Washington, the FBI assures applicants that desirable accommodations in government dormitories may be had at \$24.50 a month, and that accommodations are available also in private apartments and rooming houses.

Applicants must be between the ages of 18 and 40, with high school or equal education. They need not have typing or stenographic ability, as the work is chiefly clerical and filing. The salary is \$1752 a year, including overtime, less five per cent deduction for retirement and the usual deduction for the withholding tax.

Girls who obtain these positions

will be performing an important work in aiding the FBI's activities in combating sabotage and crime. The positions are not just for the duration of the war, but permanent.

R. A. Guerin, Special Agent in Charge of the Eastern Michigan District of the FBI, has announced that those seeking to apply for these positions may obtain full information by addressing his office, 632 Federal Building, Detroit 26, Michigan.

## Mechanics Are Wanted For Pearl Harbor Work

Mechanics, helpers and other skilled workers are needed urgently in Pearl Harbor, Walter Elder, associate regional director of the Seventh U. S. Civil Service Region has announced.

"There are openings in fifty-seven different job categories," Elder said. "The extreme and urgent need for these workers cannot be over-emphasized." He pointed out that in line with Selective Service policies, men between 18 and 25 would not be recruited unless they are found to be physically unfit for the draft. However, men over 25 who are in 1-A draft classification but not immediately liable to induction are eligible. Releases for men who are employed in industry will be negotiated by the Civil Service Commission in order that no one in a key position at his highest skill will be taken.

Transportation will be provided by the Government and the men selected will be given a \$4.00 per diem allowance to cover the cost of meals while traveling. Living conditions in Pearl Harbor are under Government control so that food and lodging will be available at reasonable rates.

The local office of the U. S. Employment Service, 812 E. Huron St., Ann Arbor, will handle applications of workers interested in these jobs.

### Registration Notice

For Village Election  
MONDAY, MARCH 13, 1944  
To the Qualified Electors of the Village of Chelsea, County of Washtenaw, State of Michigan.  
Notice is hereby given that in conformity with the "Michigan Election Law," the undersigned Village Clerk, will, upon any day, except Sunday and a legal holiday, the day of any regular or special election or primary election, receive for registration the name of any legal voter in said Village not already registered who may Apply To Me Personally for such registration. Provided, however, that I can receive no names for registration during the time intervening between the Twentieth Day before any regular, special or official primary election and the day of such election.  
Notice is hereby further given that I will be at Sylvan Town Hall on MONDAY, FEB. 21, 1944, the twenty-first day preceding said election (the 20th day preceding being a legal holiday), as provided by Sections 2767, and 2822 Michigan Election Laws, Revision of 1931, from 8 o'clock a.m. until 8 o'clock p.m. on each said day for the purpose of reviewing the Registration and Registering such of the qualified electors in said Village as shall properly apply therefor.  
In any village in which the clerk does not maintain regular daily office hours, the village council of such village may require that the clerk of such village shall be at his office on other designated place for the purpose of receiving applications for registration, on such other days as it shall designate prior to the last day for registration.  
Notice is hereby given that I will also be at Sylvan Town Hall on February 12 and February 19, from 8 o'clock a.m. to 8 o'clock p.m., for General Registration by Personal Application.  
The name of no person but an actual resident of the Village at the time of said registration, and entitled under the Constitution, if remaining such resident, to vote at the next election, shall be entered in the registration book.  
Notice—Absent Voter Must Be Registered  
Although Sec. 2774, Laws Relating to Elections, Revision of 1931, still provides that an absent voter may apply for registration at time of applying for ballot, and gives form of Affidavit he should make, Act 63 of P. Opinion of the Attorney General is that Acts 66 and 63 "must be construed to repeal the inconsistent provision of Sec. 2774 permitting absentee registration at the time of making application for an absent voter's ballot."  
Thus the Absent Voter's application and affidavit for registration are useful only in cases where voter may mail these in, then make application for ballots later, after registry has been completed.  
The portion of application shown herewith enclosed in brackets should be crossed out when applying for registration.

### Agricultural Draftees To Be Honored At A.A.

The Washtenaw County USDA War Board is inviting the public to a special meeting honoring Washtenaw county boys having agricultural deferments. The meeting will be held in Ann Arbor on Wednesday evening, February 16 at 8:00 o'clock in Hill Auditorium.

Ernest L. Anthony, Dean of Agriculture, Michigan State College, will speak on the problems of wartime food production. The meeting will begin with a band concert by the University of Michigan Concert Band under the direction of Wm. D. Revell. The general public is invited. The Washtenaw County Agricultural War Board believes the attendance at this meeting will be the

evidence of support given the farm folks who are doing such a splendid job of food production under the handicap of war regulations and the shortage of farm labor and machinery.

George J. Crowell was born in Hammondsport, Steuben county, New York, Sept. 4, 1834 and died at his home in Chelsea, Tuesday evening, Feb. 8, 1910. At the age of 17 he became a resident of Chelsea. In 1862 he enlisted in the Twentieth Michigan Infantry and served three years in the Ninth Army Corps under General Burnside. He was postmaster of Chelsea for fourteen years. Mr. Crowell was united in marriage to Miss Julia Andrews on July 4, 1865. He is survived by his wife, and two daughters, Mrs. D. H. Wurster and Miss Nina Crowell. The funeral was held from the home, with Rev. M. L. Grant officiating. Interment in Oak Grove cemetery.

## OPEN FORUM

Dear Mr. Editor:

So many, like myself, have been wondering about the new camp at Cassidy Lake, that I thought it might be helpful to share with you some of my observations.

When it appeared in our Detroit papers that this camp was to be established near Chelsea my first reaction was to protest. We surely did not want such an institution in our community. But before I could condemn it I wanted to know more about its objects and conduct, so I have made several visits and spent some time out there.

I found that those who have been and are to be sent here are most carefully selected by competent experts who are both experienced and trained in dealing with delinquent character. In their desire to make this camp a success and prove its worth they have taken especial precaution in the selection of the group living here.

I had for years (I confess in shame) looked upon officers of our penal institutions as hard-boiled and interested in their jobs largely from the standpoint of salary and routine performance. I did not realize there was the humane, sympathetic interest in helping erring boys to useful decent futures until I met Lieut. Parish, the superintendent in charge of this camp. In him the boys have a real friend and the State a wise and competent officer.

The camp has been in operation about three months and in this time there has not been one case requiring discipline—I wonder if we can find as good a record as this in our ordinary high schools or homes. Already two boys have earned their parole and will take their places in society when they secure jobs.

Many of the annoyances and unpleasant features experienced by the village and community from the former NYA camp will be absent from this camp because of the stricter discipline and more careful regulations.

Here is a group of boys who have

made mistakes (some very serious, it is true) and are now suffering for them, and if you think it does not mean suffering for healthy, active boys to be shut away from society and live under such strict discipline you do not understand youth. They frankly confess their mistakes and faults and realize that they must take their medicine and make the most of the chance now given them to get back into society.

It is a sad situation but no one who understands what is being attempted here, what has already been done, and has a heart for his fellows, can protest. To give the boys a chance to save themselves from criminal careers, to get back into society as decent men, to save them to lives of happiness and usefulness seems to me both commonsense and practical Christianity.

Sincerely yours,

Rev. W. H. Skentelbury.

## CLASS OF '44

Let's see if you can get a perfect score—if you know the Seniors you'll surely get it right.

The Senior is a boy. His middle name is Henry. He was born on Dec. 16, 1927 in Freedom township. He has brown eyes and hair. His favorite sport is football. His favorite subject is speech (I wonder why?). He weighs 168 pounds and stands 5 ft. 11 in.

Like all boys he has some food that he prefers over others, and his is Chop Suey.

If you don't know who he is yet, maybe this will help you—he is the class president, John Henry Niehaus, better known as Jack.

## BOYS TAKE AIR CORPS EXAM.

Four boys qualified for the Army Air Corps through mental tests given January 31 at Ann Arbor high school. The boys will journey to Detroit on February 10, to take an Air Corps physical and the results of these examinations will determine their eligibility for the Army Air Corps Reserve. If accepted, they will not be called until after their 18th birthdays and if at this time they are not through school they will be given six months in which to graduate.

## BOB EDGAR WRITES

The following letter from Bob Edgar was received by the Journalism Club last week:

Memorial Stadium, U. of M., Minneapolis, Minn., Monday, Jan. 31, 1944.

I received your news letter today and seeing it has been a long time since I have written I thought I would drop the old homestead a line. They really keep us busy around here, having classes from 7:30 in the morning until four in the afternoon. Our classes consist of physics, mathematics, English, history, geography, and speech. Our teachers really assigned us our share of homework. We have study hall from seven to nine-thirty at night and during that time we are really busy making every minute count.

I have seven weeks of school left and then we have four weeks of flying. We fly "glorified box kites," commonly known as Piper Cubs. From here we go to Santa Ana, Calif. for our pre-flight training, which lasts about nine weeks. At pre-flight we get many tests; they consist mostly of medical and psychological tests. Pre-flight is the biggest obstacle we have to get over and once we are over, our chances of becoming pilots are a lot better but we still have a long way to go.

The only time we can go out is on week-ends. We have until one o'clock on Saturdays and ten o'clock on Sundays. The USO has big dances every week-end and every so often we go to sorority parties. The man shortage has really hit this town—the women outnumber the men about fourteen to one. I just couldn't imagine a women's tag line at dances until I hit Minneapolis. All in all, it's a swell city, they treat the service men royal, and you can't beat the University.

I guess this is about all for now. Thanks a lot for your news letter—it is something I look forward for every other week (or whenever you get it out). Thanks again, and now it's time for study hall so I'll say goodnight for now.

Sincerely,

Bob (Edgar)

P.S.: Tell that basketball team they had better take care of Manchester next time.

## HOOK, LINE AND SINKER

The Junior play, "Hook, Line and Sinker," will be presented sometime in March, although the exact date has not yet been set. It is being coached by Miss Davies, assisted by Miss Spence. The plot is a triangle love affair between Harvey Hook, Angel Benedict and Cherry Raynard.

If you want to enjoy yourself come and see the play. Remember! Laughter is just as essential to our well-being as are vitamins!

## HOMEMAKING NEWS

Next week, Homemaking III will begin managing the hot lunch program. Each girl will be assigned to three days in which she will plan the menu, do all the marketing and plan the work. A definite amount of money per person per day and a definite number of ration points will be allowed each girl. This will help the girls in planning and marketing on a very practical basis.

## HOMEMAKING CLUB

The Homemaking Club will put on an All-Hi party on April 17. The committee are:

Entertainment—Janis Weir, chairman, Caroline Beal and Barbara O'Hara.

Decorations—Shirley Dorer, chairman, Donna Pickering and Pat Van Riper.

Refreshments—Phyllis Weber, chairman, Virginia Lesser and Shirley Piatt.

Advertisements—Jane Downer, chairman, Shirley Dorer, Virginia Lesser and Barbara O'Hara.

The girls set up a Junior Red Cross exhibit in Loeffler's window last week.

## WAR COUNCIL

The War Council has been selling war postal labels which are small reproductions of victory posters. They are 2 for 1c or 25c a sheet which includes 50. The War Council made \$6.40 at the dance Friday night after the basketball games. This money is for working capital. They have been a non-profit organization without dues up to this time. There are incidental expenses in successfully carrying out the projects of the War Council. The bond auction Friday was considered successful. The War Council is working on a program for Parents' Night to be held in March. The war stamp sale is conducted each Tuesday third hour by Jack Winans and Norma Pierson.

## STUDENT COUNCIL

Charge 35c and 50c for the Council All-Hi party.

The speech class was given the pep meeting on March 3.

Elaine McClellan suggested that the representatives talk at their class meetings and ask what the students want done.

Elaine McClellan volunteered to keep the calendar up while Miss Hammond is ill.

## GHELSEA LOSES TO U. HIGH

On Friday of last week the U. High girls journeyed over here to play the Chelsea girls.

The starting line-up for U. High was: forwards, MacRaye, Brown and Tobias; guards, Woodward, Shaw and Cork. For Chelsea playing forward: Lucht, Loeffler and Paul. Guards: Harper, Clark and Spaulding.

At U. High the Chelsea girls' greatest drawback was the shooting ability of Brown. However, in the game Friday it wasn't Brown; it was Tobias.

The game was fast-moving and when the end of the game came the score was 16-11 in favor of U. High. Today the local girls will probably journey to Saline to play their fourth game of the season.

## HI-Y

The boys are working on a new constitution for the Chelsea Chapter. Plans are also being made for the HI-Y dinner.

U. High Trounces Chelsea 44-21  
U. High handed Chelsea its third straight defeat last Friday when they defeated the Bulldogs 44 to 21.

After taking an 18 to 13 lead at the half there was no stopping U. High in the second half.

Ramsdell collected 14 and Baker 12 points for U. High while Bahnmiller collected 12 for Chelsea.

The Little Bulldogs handed U. High a victory by the score of 27-25. The reserves led all the way until the final minutes when they went down to defeat.

This Friday Roosevelt comes to town and on Tuesday, Feb. 15 Dexter comes to Chelsea for a return game. The team needs your support more than ever now, so let's have a large crowd on hand for these games.

## PEP MEETING

It goes without saying that the pep meeting last Friday was one of the best this year, probably because the

## committee in charge was made up of

four teachers; with Miss E. McDonald as chairman of the committee. The biggest event was when the teachers presented the "teachers' pep band," with Miss Fox and Miss Betterly playing the drums and Mr. Richards playing clarinet. After a big (?) cheer was given by the teachers the Senior girls sang a song which substituted for a duet originally promised by Mr. Chandler and Miss Davies.

Mr. Johnson, Mr. Cameron and the captains of both the boys' and girls' teams spoke. The pep meeting was ended with the entire group singing the school song.

## BOND AUCTION

The school study hall was a center of great activity last Friday when the War Council sponsored a Bond Auction which netted \$1975.75 in war bond sales.

Articles which were auctioned off included a fine Parker pen and various other items contributed by the faculty.

## JUNIOR RED CROSS

The accomplishments of the Junior Red Cross activities for the school year have been on display in Loeffler's window for the past week. The grades of Chelsea public school have a one hundred per cent enrollment in this organization.

Mrs. John Hale is the village supervisor of this work, and the Homemaking Club has taken as a project the supervision of this in the public school.

Following is a list of articles made and contributed by the students of the public school and the Homemaking Club. These articles will be sent to Ann Arbor next week ready for distribution to the various hospitals throughout the United States:

Two afghans, six pair slippers, 24 games, 24 2-3 dozen paper napkins, 191 comic books, 132 story books, three dolls, one package and one jar of buttons, 25 scrapbooks, 12 magazines, 59 colored spools, one hair ribbon, one box of stationery.

## SHOP

Some of the boys are making dogs, windows, mallets, and tool boxes.

## ATHLETIC BOARD

A reply was received from Mr. Hale concerning baseball uniforms and the members of the board will view the samples sometime within the next two weeks. Since the girls have a basketball game on February 16, the same day of the pot-luck supper, they will not be able to sponsor the pot-luck supper planned for that night.

## HIDDEN NAMES

Can you guess the last names of people from C.H.S.?

Here is an example of how to do it: A boy's name and a male child—Johnson.

A metal.  
A girl's name.  
Pinched and lean.  
A bank of sand and not high.

A side of a building and a playing card.  
Part of the body and not weak.  
The whole amount and a seed covering.

A fortified place and a male.  
Two letters of the alphabet and a writing fluid.  
Not tight.

Come on now everybody, get your heads together and guess these!

WHO HAS RED CROSS AFGHAN?  
The seventh graders, sold pencils, collected gum fines, bought yarn for an afghan for the Junior Red Cross. They learned to knit, and slowly and carefully knit the ninety-six six-inch squares to be made into a laprobe for use at a military hospital.

The mother of one of the children agreed to sew the afghan together, but suddenly the family moved out of town. The mother had agreed to

## leave the afghan where it could be

called for, but the lady with whom she agreed to leave it went away on a visit. Will whoever has the afghan knit for the Red Cross by the seventh grade, and sewed together by Mrs. A. B. Stewart, please telephone the public school?

## SEVENTH GRADE NEWS

(Joyce Hughes)

The stamp sale this week was \$63.10, with 44 per cent of the room taking part.

On February 2 the class gave a "belated" birthday party for the teacher, presenting the guest of honor with a pair of pigskin gloves. Cupcakes and pop were served, and jokes were told. This particular group takes pride in the annual custom of honoring its current teacher on her birthday.

The class is making maps of explorations in history.

Friday we attended a bond and stamp auction with the high school.

## SIXTH GRADE NEWS

Jean McClure brought Miss Martin a pussywillow which came out in the week of Spring.

We are going to have our piano tuned (we hope before next Easter). Danny Maroney went on a Boy Scout hike and he was poison sumac.

We had a spelling bee and Betty Jean Osborne won.

We elected new officers which are: President, Geraldine Hale; vice-pres, Shirley Nagy; secretary, Marilyn Johnson; treasurer, Joan Hughes. Our stamp sale is \$46.65.

## OBSERVE YOUTH WEEK

The young people of the Congregational church observed National Youth Week with both social and religious events. On Thursday evening more than 30 members of the Junior and Senior Pilgrim Fellowship met at the church for a social time and enjoyed the games and refreshments prepared for them.

On Sunday the Senior group had charge of the morning service. Those taking parts in the service were: Leota Kohnman, Peggy Hooker, Marjorie Whipple, Nedra Moyer, Philip Vogel, Robert Eaton, Virginia Spaulding and Mary Chriwell.

At the Sunday school hour the officers of the Junior group were impressively installed. Mrs. Paul Boyce, representing the State organization, conducted the service, and Mrs. Clara Hutzler received them in the name of the church.

## SURPRISED ON BIRTHDAY

John Frymuth enjoyed two happy surprises on Monday, the occasion being his 75th birthday anniversary. In the afternoon he was the recipient of a lovely gift from his fellow employees at the Chelsea Spring Co. and after returning home in the evening found that he was honor guest at a dinner prepared by his daughter-in-law, Mrs. Ed. Frymuth. Eight guests, each over 70 years of age, were present at the dinner, following which cards were enjoyed and two more fine gifts were received by "Johnnie." Although 75 years old, John has missed only one day's work because of illness during the past two years' employment at the Chelsea Spring Co. Congratulations, John, your supporting the boys at the front a lot better than many people we have read about in the papers!
