Victory Garden Plots Are Ready for Rental

Plans for a Community Victory
Garden have been completed, and the
Chelsea P.F.A. is ready to rent 50x132
ft. tracts to local gardeners. Four
acres of land on the east side of town,
near the athletic field, have been ren-
ted from Archie W. Wilkinson. The
land will be top-dressed with well-
rotted manure, plowed and fitted, and
rented to gardeners for \$5.50 per lot.
Since each garden will be a little over
1-8 acre, there will be plenty of room
for sweet corn, potatoes, and spinach,
as well as the other vegetables.

It is expected that many of these
gardens will be rented Friday night
at the Parents' Night program. All
those who are interested are invited
to inspect the land soon so they may
be ready to choose the desired lots.
This may be done by walking or driv-
ing straight south on Flanders street
toward the old interurban tracks. The
gardens lie to the west of this street.

March 22. After a ten-day furlough,
which Sgt. and Mrs. Niehaus are
spending with his parents, the couple
will make their home in Washington,
D.C., where Sgt. Niehaus is sta-
tioned.

Issuance of Ration Coupons By Local Boards Is Stopped

On orders from the District OPA
office in Detroit, issuance of ration
coupons and certificates for rationed
articles will be made only in offices
where board members and paid em-
ployees of the War Price and Ration-
ing Board can supervise the work. It
was announced Wednesday by Luella
M. Smith of Ann Arbor, chairman of
the Washtenaw county board. Necess-
ity of safekeeping of rationing cer-
tificates and coupons, simplification of
administrative problems and unifor-
mity of policy in all boards makes
this necessary, according to Mrs.
Smith.

It was hoped that arrangements
could be made to continue the policy
that had been in effect in Washtenaw
county since shortly after rationing
began, but this turned out to be im-
possible for the reasons stated.

Chelsea, Milan, Saline and Man-
chester are communities affected by
this order. Ypsilanti will continue to
issue rations as before, under the di-
rection of board members and by paid
employees.

Mrs. Smith emphasized the good
work done by the volunteers who have
helped with the rationing program in
the communities affected. Under the
new plan offices in the respective
communities will continue as distribut-
ing offices to give out information and
applications, to help applicants, and
forward applications to the central
office for processing. Applications
will be promptly processed and re-
turned to the applicants, usually by
mail, within 24 hours.

In some cases rations will be re-
turned to the local office for distribu-
tion. In this manner, the local boards
will continue to be effective as before,
and without serious inconvenience to
the public or the necessity of appli-
cants going to the board offices in Ann
Arbor or Ypsilanti.

ter Parade."

Lansing Man Purchases

W. P. Schenk Co. Store

As the result of a transaction which
is being consummated this week,
one of Chelsea's oldest business estab-
lishments will change ownership on
Saturday, April 1, when John A. Glick
of Lansing becomes the owner of the
W. P. Schenk & Co. department store.
This store was founded in 1893 by
Wm. P. Schenk and John Schenk. The
latter retired several years ago be-
cause of ill health and the business
was continued by the former until a
short time before his death last June.
Since that time the store has been op-
erated by S. W. Schenk, as adminis-
trator.

Mr. Glick has a background of long
experience in the retail merchandising
field. A native of Oklahoma, he start-
ed his training in this line in 1922
with a large merchandising company
operating a number of complete de-
partment stores through the western
states. After continuing with this
company for ten years he came to
Lansing and was associated with the
F. N. Arbaugh Co. for eight years.
For the past three years he has
traveled for the International Shoe
Company.

Plans are being made by Mr. Glick
to re-decorate the store building im-
mediately, and to re-arrange the
present stock to make room for new
merchandise which will be added. A
full line of ladies', men's and child-
ren's wearing apparel will be fea-
tured, according to the new owner.
The business will be operated under
the name of Glick's Department Store.
Mr. and Mrs. Glick have sold their
home in East Lansing and plan to
move here in the near future. Their
family consists of four children.

Traffic Accident Fatal To Former Resident

Ralph Forner, 37 years old, of Ypsilanti, son of Mrs. John Forner of Chelsea and the late Mr. Forner, died Tuesday morning at St. Joseph's Mercy hospital, Ann Arbor, as the result of injuries received in a traffic accident early Sunday morning on Packard Rd., two miles east of Ann Arbor on M-17.

Forner received a head injury, a fractured left leg and other injuries, and did not regain consciousness. Officers stated that he had alighted from his car and had walked to the rear of it when he was hit by a car driven by Albert W. Knecht of West Liberty Rd. and was pinned between the two cars. He was taken to the hospital by the sheriff's department ambulance.

Ralph was born in Chelsea Oct. 12, 1906, the son of John and Lydia Buehler Forner. For several years he had made his home in Ypsilanti, and was employed at the Bomber plant.

He is survived by the widow, who was formerly Katherine Bauer, and a son, Robert John, of Ypsilanti; his mother, and a sister, Mrs. Wm. G. Koth of Chelsea.

Funeral services will be held Friday afternoon at the Geer funeral home, Ypsilanti, and burial will be in Forest Lawn cemetery, Dexter.

Chelsea Exceeds Quota In Red Cross Drive

The local committee in charge of the Red Cross War Fund drive reports that a total of \$3833.92 has been collected, and in addition to this amount pledges totalling approximately \$2000 have been received from employees of Federal Screw Works. This is a splendid showing for the community, which had a quota of \$4000 for the current drive.

This drive closes on Friday, March 31. Anyone who has not had an opportunity to contribute may leave their contribution at Chelsea State Bank before Friday night. A complete report will be published by the Red Cross committee next week.

OFFICE NEWS

Parents and citizens are invited to visit the public school tomorrow evening for Parents' Night, starting at 7:30.

WANTED—CHIVALRY!

Before I go any further, let me give you the meaning of "chivalry." By definition it means: any act of courtesy, respect, or gentleness towards a member of the female sex. From all appearances it was common "only" during the days of King Arthur! A lot of you guilty-conscience "males" will resent that slur and undoubtedly come back with the remark, "Girls never appreciate our courtesy anyway." Well, there's an answer for that, too! Perhaps girls aren't very appreciative at first, but maybe it's because they haven't had any reason to be so long. Anyway, after they see that you really do mean it they'll probably feel rather ashamed—and show you that they do appreciate you.

chivalry. I know a lot of girls who would. You always have the privilege of saying "I told you so" if it doesn't work. How about trying a little harder, fellas?

SENIOR NEWS

All Senior class dues have been collected and the tickets for our senior cruise have been ordered and paid for in full.

The Seniors received their calling cards last week.

The Annual Staff is progressing rapidly with their work on the Annual and they expect to have it ready for the printers by May 1.

CLASS OF 44

Virginia Spaulding, that meek girl of this year's class, was born June 25, 1926 at Ann Arbor. Ginny likes football best of all and her color is red. Chicken is her favorite dish. Her hair is light brown and her eyes are also brown. She is 5 ft. 2 1/2 in. and tips the scales at 126 lbs.

Philip Vogel was born on March 10, 1926. Philip is color blind but he says his favorite color is blue. He likes all outdoor sports. After graduation he expects to enter the armed service. He is 6 feet tall and weighs 175 lbs. His favorite subjects are Chemistry, Geometry and Physics.

STUDENT COUNCIL

James Gaken will order the tennis net crank this week.

G.A.A.

The G.A.A. class did not meet last week because of Junior play practice in the gym. The gym suits however, arrived last week and the girls made their first appearance in them at the assembly given by the fifth hour Physical Ed. class. The suits are blue, playsuit style, and they are very becoming. The Senior girls who ordered suits are not taking them now though, because they feel that it is too late in the school year. These suits which the Seniors are not taking are being returned.

TWO MOVIES SHOWN

Monday afternoon, during activity period, two movies were shown to the students. These movies were shown by Raymond Barth, a representative of the Sinclair Refining Company.

The first picture, entitled "Fighters on the Farm Front," told of the shortage of farm workers and how to go about training people to work on the farm. The other one was "Mexico." It showed various scenes of Mexico and also many Mexican dances.

HOMEMAKING NEWS

The Hot Lunch program will end on Thursday, April 6. The members of the Homemaking I class are busy making cotton dresses and housecoats. The eighth grade girls will have their blouses finished this week.

HOMEMAKING CLUB

The Homemaking Club has planned a busy program for the rest of the year. The club is planning to entertain the Study Club on May 9. They are sponsoring an All-Hi party May 12. On April 20 they are assisting with the planning of a nutrition meeting. This meeting will be held for adults only and the members of all the women's organizations will be invited. Rose Marie Clark and Katherine Fauser will present a panel discussion on the nutrition work done in third Homemaking class. The Homemaking Club received an invitation from Miss Mary Lee Hurt, State Home Economic club advisor, to take part in a panel discussion on the Publicity for Homemaking Clubs on the afternoon of May 12 in Grand Rapids at the state convention. Because of the distance and problems of transportation the girls will be unable to accept the invitation.

F.F.A.

The boys of F.F.A. are planning a supper and a basketball game with a nearby school. The date and school will be announced later.

SHOP NEWS

The drawing classes are now drawing to scale. Their first project was a plan of the shop room. Last week they drew plans of a five-room home and this week will finish scale drawing by landscaping the property of the home.

Some of the boys are making various complicated weather vanes, with which they decorate their barns.

Due to the lumber shortage, only very small articles will be made the balance of this year.

BAND

The band will make an appearance Friday night at the program. A group of drum-majorettes will twirl. Those twirling are Ruth Fox, Patsy Mohrlock, Mary Paul, Nancy Loobe, Minnie Mae Platt, Eleanor Fersch, Tess Wengren and Leota Kohman.

CHORUS

A selected group from Chorus will serve as the choir on Good Friday at the Methodist church. The Chorus is working toward their pins.

He may not be the "personality kid" of this war . . .

He may not wear the most medals, nor get his name in the orders of the day.

But the Seabee is paving the road to Victory. And that suits him O. K.!

He goes in with the first wave. Builds the beach fortifications, the airfields, the roads and gun emplacements. And he keeps his rifle within reaching distance—ready to defend what he builds!

Like the Seabee, most of us who are fighting this war can't be headline heroes. We've got a job to do, and we do it . . . the job of keeping our front-line fighters supplied with fighting equipment.

And the closer we get to Victory, the bigger and tougher that job becomes!

Railroad men can already see how much bigger it will be.

Last year, we increased passenger service by 60%. This year, military necessity demands that we top that increase by another 10%.

In 1943, we carried more freight than experts had thought possible. In '44, we must add another 29 billion ton-miles!

This can be done if you . . . as a railroad passenger, or a shipper or receiver of freight . . . remember that every inch of railway space is more important today than it has ever been before.

You won't get any medals for helping to keep America's supply lines open. But . . . like the hard-working, hard-fighting Seabee . . . you'll be defending what you've built!

New York Central

ONE OF AMERICA'S RAILROADS

—ALL UNITED FOR VICTORY!

Railroad men and women are working to the limit of their capacities. More railroad workers are needed now. If you are not now employed in railroad work, TAKE A RAILROAD JOB FOR VICTORY!

THE OLD JUDGE SAYS...

"I was just tellin' my brother Fred this morning, Judge...there's never been a time in our lives when we got to live up to that old sayin' 'United we stand, divided we fall' more than we have to today."

"How true that is, Herb. And for the life of me, I can't figure out why, at a time like this, some folks insist on raising a question like prohibition. I can't imagine anything that would tickle our enemies more than to get us folks over here taking sides

against each other, arguing about an issue like that. We've got a he-man's job on our hands to win this war and we can't be wasting our minds, our money and our strength fighting about something we tried for nearly 14 years and found couldn't work."

"I say there's a time and a place for everything, and this is no time or place to be doing any fightin' except the kind that's going to win the war."

Hitler Would Love This

Waste of food gives comfort to the enemy, impedes the war effort, delays Victory.

It is said that enough food is wasted by American families to feed the army.

The Government asks us to buy wisely, preserve perishable foods, serve moderate helpings, clean our plates at every meal, and not throw away leftovers.

Our Home Service Division will be glad to suggest ways for serving leftovers in delicious and appetizing dishes.

Let us all remember that FOOD FIGHTS FOR FREEDOM.

The golden wedding anniversary of Mr. and Mrs. Jacob Bahnmillers, which occurred yesterday, was the occasion for an enjoyable family party, given Sunday at the home of their nephew and niece, Mr. and Mrs. Oscar Lindauer in Lima township.

Red Cross Surgical Dressing News

The March quota of 4400 dressings has been filled, thanks to our faithful workers and to members of the committee who have put forth every effort to reach this goal.

War, with all its terrible horror, brings hardship, heartache, and sadness into our homes—it gives no peace of mind or rest either to our fighting men or civilians on the home front. We civilians have an added responsibility to see that our boys on the fighting front are supplied with the needed materials of war. We have an even greater responsibility to see that they are supplied with medical aid, including the surgical dressings we make to help take care of their wounded bodies. Let us never fail to do our duty.

For God and country we associate ourselves together to uphold and defend our boys, and all that they are fighting for—the Freedom of Speech, the Freedom of Religion, the Freedom from Want, and the Freedom from Fear.

The surgical dressing committee is asking your continued help of making the much-needed dressings, quota for which has been set for 3600 dressings for April.

April is a busy month for everybody. Unless each unit in the country shares its responsibility, Washenaw county will not meet its quota. A bulletin from national headquarters tells of running behind nationally on the dressings.

Let's remember that housecleaning, etc., are important, but so are our boys—so important that we shall never fail them.

—Chairman of Surgical Dressing.

WRITES FROM ITALY

The following is part of a letter written to Mrs. Mary Kniss by her husband, Pfc. Franklin Kniss, MPEB, stationed somewhere near Naples, Italy:

March 9, 1944.

Dearest Wife:
When I was working at the Tower Bldg. (FSW) I never realized the importance of what we were making, but I sure as h— do now, and if it wasn't for them we would be in a h— of a spot here now. I sure want to praise you again for the work you are doing and the ones working with you.

If some of the people that are all the time griping about wages and hours were on this beachhead just for one day they would sure change their minds. They would be glad to go back to work seven days a week, 14 hours a day, for what they have been getting and you would not have any labor trouble. I'll bet on that.

More power to the Federal Screw Works for the work they are doing!

Frank has been in the army twenty-one months, and has been in North Africa and Italy for nine months.

METHODIST WSCS
Mrs. Philip Olin was hostess to the WSCS of the Methodist church Thursday afternoon, March 23. After the business meeting, Mrs. Wilbur Riemenschneider conducted the devotionals.

The program, "Dr. Swain vs. Dr. Seagrave," was presented in an interesting manner by Mrs. Everett Heaton and Mrs. Edwin Gaunt. The former told the story of Dr. Clara Swain, the first woman medical missionary to India. She told also the stories of several personal friends who are missionaries.

Mrs. Gaunt then reviewed the current book, "Burma Surgeon," by Dr. Gordon S. Seagrave. Examples in this book, such as the Dr.'s "waste basket surgery" show that money and materials are needed there today as they were back in the 1860's.

While refreshments were being served the program chairman presented the program booklets for the year. The theme for 1944 is "The Lord's Song in a Strange Land."

The next meeting will be the evening of April 28, at the home of Mrs. George Miller. An "Alcan Trek" is promised by those in charge: Mrs. Morris Alpervitz and Mrs. Tom Smith. All women interested are urged to attend.

CAPT. SWICKERATH

in Italy and participated in the Anzio Beachhead invasion. He suffered an abdominal wound on March 1 and is confined to a hospital, improving satisfactorily.

Capt. Swickerath, who was inducted into the Army on April 3, 1941, first served with the Army Air Force Medical Corps at Camp Grant, Ill., and at Middletown, Pa. He received his second lieutenantcy in July of 1942 at Fort Benning, Ga. and was promoted to first lieutenant in September of 1942 at Camp Gordon, Ga. He also served at Fort Dix, N. J. before going overseas in August. He is attached to the intelligence division of the infantry, Fifth Army.

FACTS AND FIGURES
Facts and figures as taken from Georgia Farmers' Bulletin, published by Tom Linder, Commissioner of Agriculture, quotes:

"In Willacy county, Texas, one farmer plowed under 5 1/2 million heads of cabbage. Another has plowed under 200 acres of mustard, spinach, turnips and cabbage. In Hidalgo county, more than 15,000 acres of cabbage and more than 6,000 acres of broccoli were turned under. In Cameron county more than 2,000 acres of spinach, and 25 per cent of the onion crop was destroyed. The same condition also exists in the lower part of Louisiana. The reason that much of this was not moved by rail, was because the price being received by the farmer is not enough to pay for the labor to gather and load this food on the cars, and pay the freight."

Commissioner Linder contributes the blame on government agencies.

It was on such facts and figures that Sylvan and Lima Local 254, Michigan Farmers Guild, demanded the formula used by OPA, on arriving at ceiling prices, and the formula used by WFA in arriving at support prices on farm commodities.

The farmers in this vicinity were hooked by these agencies in the past year, thereby losing faith in them. For example, urged to produce more hogs in 1943; hogs were selling at \$18.10 per cwt. in March 1943, and then OPA rolls ceiling price back to \$14.75 and WFA support price to \$13.50. This also happened in the case of cattle and poultry. Inasmuch as OPA is coming out with a new program for 1944, therefore the Michigan Farmers Guild urged OPA to put forth all efforts to get the new program out before spring planting.

If this nation has a food shortage, who is to blame, the farmers or government agencies?

STATE LEGISLATOR SPEAKS
A meeting of the Western Washtenaw Farmers' club was held on Thursday evening, with about 60 members and friends partaking of a supper at 7 o'clock in the Methodist church dining room. The speaker of the evening was State Representative Joseph E. Warner of Ypsilanti, whose topic was "Where Our Money Goes." He explained what proportion of the different funds that come into the state

is returned to the county. He described the refuse land near Marquette that the state has appropriated money to purchase, and which will be used for recreational purposes. His talk was followed by a discussion. Sections were rendered by the high school trio, with Bob Eaton at the piano. "America, the Beautiful," was sung in closing.

HEAR TALK ON DELINQUENCY
The Chelsea Study club was entertained at the home of Mrs. Philip Olin on Tuesday evening. The program opened with the singing of "In the Garden" by Miss Betty Seitz and Miss Joan Walworth, accompanied by Mrs. George Walworth.

Mrs. Carl J. Mayer introduced the guest speaker, Miss Elsie Rowe of Jackson, whose work as a "visiting teacher" thoroughly qualified her to speak on the subject of delinquency. Her talk was most interesting and instructive, clearly stating the many problems confronting all of us today. The "home" is still the best weapon for combating delinquency.

A reading, "Just Suppose," was given by Mrs. Maynard Knickerbocker. Delicious refreshments were served by the committee, Mrs. Paul Maroney and Mrs. Augusta Hollidge. Nineteen members were present. The next meeting will be held at the Methodist home.

THANK YOU!

I wish to express my sincere thanks to fellow employees at Federal Screw Works and other friends and relatives for their many acts of kindness during my stay in the hospital and since my return home.

PROCESSED CHICKS

We are definitely in the processed chick business. By that we mean that we are equipped to start your chicks under ideal conditions for five, seven, ten or 14 days for you.

When we say PROCESSED CHICKS, we actually mean just that. We start them under ideal conditions, feed them very special starting feed, mixed especially for us, and we keep them strictly sanitary.

When they go out into your brooder house, they are well under way, they are double sorted, and they are big, husky, healthy fellows and you can forget about the usual worries of the first few days of brooding. The cost for this service is very nominal.

We usually carry a stock of these chicks on hand. Occasionally we have a bargain if a lot of chicks get beyond the age where we wish to carry them in our brooders longer.

See us about PROCESSED CHICKS before you buy.

We have plenty of feed and poultry equipment and brooders on hand.

More Sugar for Home Canning
To get canning sugar in addition to the five pounds per person available with sugar stamp 40, application should be made to the local ration board on Form OPA R-323, which will be furnished upon request by the office of the local board, OPA announces. The entire transaction may be handled by mail, one application serving for all who live at the same address. In order to make it unnecessary to send ration books through the

mail, the spare stamp 37 from war ration Book Four is attached to the application form for each person applying. Families that preserve and can food at home for sale to others may apply to their local boards for a maximum of 250 pounds for this purpose.
