H. C. Schneider Resigns As War Bond Chairman

After serving through four war loan campaigns, Henry C. Schneider has resigned as Executive Chairman of the Chelsea War Bond Committee, and Village President Walter D. Mohrlock has appointed George Doe to the position. Mr. Doe's appointment has been accepted by the Washenaw County Committee, and he is now serving in the capacity of local chairman.

Mr. Schneider's resignation was prompted by the fact that he has too many other interests and feels that he should be relieved of the responsibility of directing the 5th war loan campaign, which opens on June 12 and continues until July 8.

Although his modesty compels Mr. Schneider to give most of the credit for success in the local war loan campaigns to individual solicitors, everyone who has taken an active part in the campaigns knows that it was Mr. Schneider's efficiency that provided the incentive in each of the drives. For weeks preceding each campaign he carefully worked out plans which were so well carried out under his direction that the local set-up was praised by the county chairman as being a model which could well be followed in many larger communities. The community owes a debt of gratitude to Mr. Schneider for his service as chairman of the war loan drives, as well as for his efforts in other war-related activities in the village.

President Mohrlock has shown good judgment in his selection of a successor to Mr. Schneider. Mr. Doe has taken an active interest in the war loan drives, and is well acquainted with the local organization. He has children in the armed forces, which of course makes him keenly interested in the success of activities on the home front. All solicitors who have participated in previous drives, new workers who will be asked to serve, and everyone in the community should rally behind the new chairman for another successful war loan drive!

Tractor School Will Be Held In Ann Arbor

A tractor school, sponsored by the Emergency Farm Labor Placement, will be held in Ann Arbor Saturday afternoon. The tractors will be on the lower athletic field of the U. of M. South State St., and south of the viaduct. All boys and girls fourteen years and older, as well as women desiring to join the Women's Land Army are eligible to attend.

There will be an increased demand for women and boys and girls on farms this summer and it is hoped that a large number will respond. A nine-year-old girl, who last year took a man's place on a tractor, will be on the grounds to demonstrate the ease and simplicity of operation. Any boy or girl desiring steady work for the summer on a farm should write to Kenneth Russell, Farm Placement Director, County Extension Office, Court House, Ann Arbor. The wages are very liberal this season.

Mysterious Death of Section Hand Probed

Teofil Shusta, of Detroit, 54-year-old Michigan Central Railroad section hand, was found early Thursday morning by fellow members of his crew lying about 180 feet east of a box car in which the crew was housed in Chelsea.

His fellow workers said Shusta was heard to leave the car about 2:30 a.m., after breaking a locked door rather than using one which was always open.

When he failed to return in ten minutes, three of his companions went to look for him and found him lying on the ground, close to a main track rail, with a deep cut over his right eye.

After returning Shusta to the car, they heard him get up again about 30 minutes later. They put him on his bunk and a physician, called by the section gang foreman, found him dead at 8 a.m.

An autopsy performed at the University hospital, Ann Arbor, failed to indicate what caused the man's death and he is believed to have died from natural causes. However, the contents of his stomach and other organs were taken to Lansing for analysis in the toxicological laboratory of the state health department.

Shusta, a World War I veteran, had two sons in the service.

Bob Edgar Qualifies As Cadet In Air Force

A-C Robert A. Edgar, formerly of Chelsea, who is now stationed at the Army Air Base, Santa Ana, Calif., has qualified as a Cadet in the Army Air Forces, and tells of his activities in the following letter to The Standard:

Friday, May 12, 1944.

Hi Mac:
I mentioned in my last letter that I probably would be moved, and so I have.

Last week I went before the Classification Officers and I found out I was classified as pilot. I was moved immediately to pilot school and started school last Monday. There were eight of us, out of a squadron of 234 men, that were classified as pilots. I know they must have made a mistake on me but it is a darn cinch that I am not going back and tell them that!

All teachers are Army officers and they are really strict on military discipline. Do one thing wrong and they give you a good going over.

I have been placed in an accelerated squadron, which means I'll finish here in the middle of June instead of the end of July. That just suits me fine—the sooner I get out of here the better I will like it.

Over at the Servicemen's Club, I was going through a book of Michigan men who had been here. I found only one from Chelsea, and that was Lawrence Dietle.

I am now a full-fledged Cadet, which also means a little more money coming in each month.

Well, Mac, I've dragged along here and now it is time for a little studying, so I had better close now.

Bob.

DEATHS

Leon Kempf

Leon Kempf, of Mentor, Ohio, a former Chelsea resident, died Wednesday, May 10, in a Cleveland hospital. He was born in Chelsea about 60 years ago and was the son of Mrs. Kate Cummings Kempf of Detroit and the late Wilbur G. Kempf. He had resided in Mentor since 1916.

He is survived by his widow, Geraldine; his mother, a daughter, Betty, of New York City; and two sisters, Mrs. William Edmundson of Lansing and Mrs. Clifford Ranney of Detroit.

Funeral services were held at 3:00 o'clock Saturday afternoon at the Staffan funeral home here. Rev. W. H. Skentelbury officiated and burial was in Oak Grove cemetery.

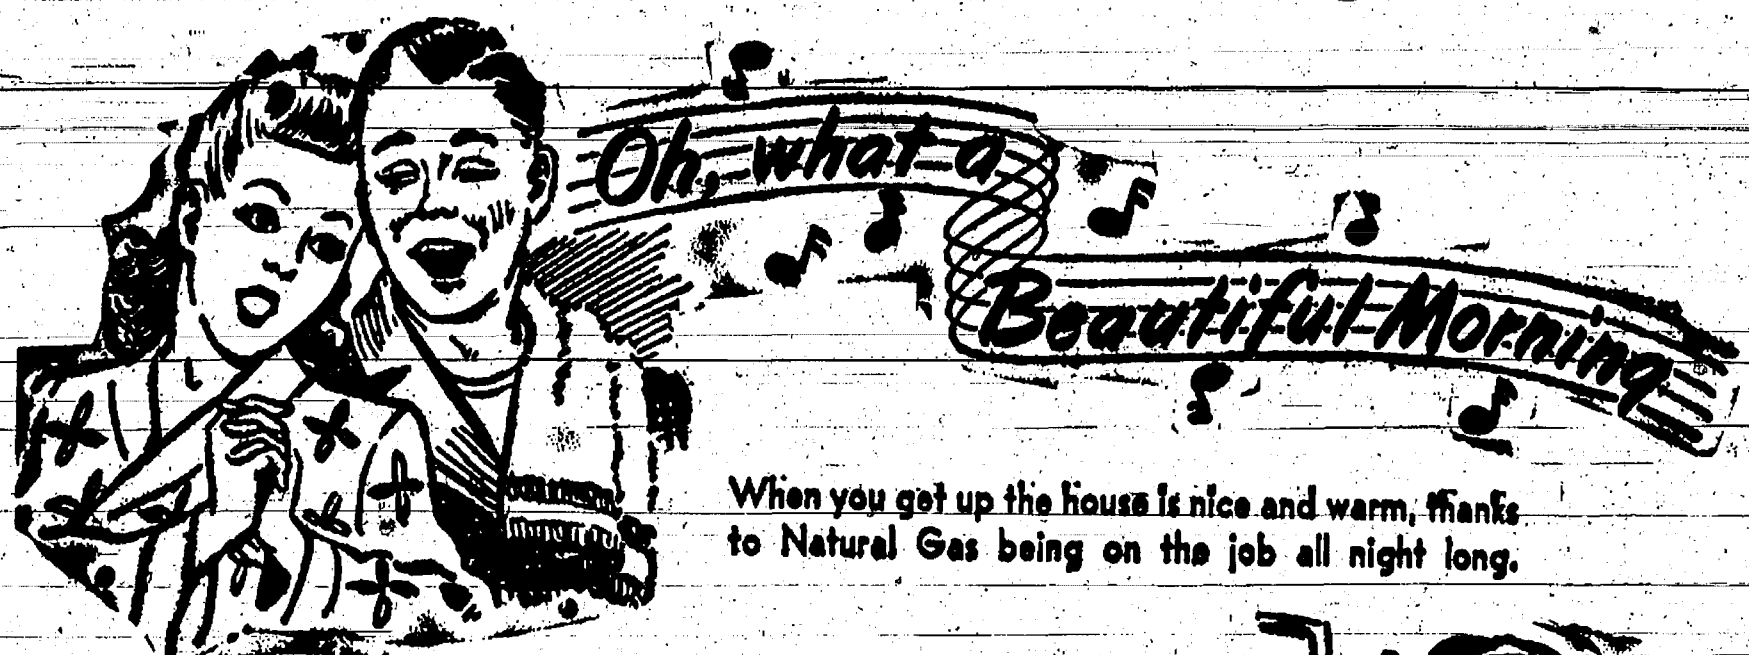

THE OLD JUDGE SAYS...

"Guess we're pretty lucky in our town, Judge, that we don't have the youth problem you read about in other places."
"Don't know as you can call it lucky, Harold... we saw it coming with the war and we did something about it before it hit us. We gave our 'teen' age youngsters the recreational facilities they needed and really wanted. Those familiar with this wartime problem know that young folks go to places they shouldn't only when the proper places

are not provided for them. Young people always want to be with others of their own age... want their own type of entertainment. Town after town has found out that once these simple wants are met, the problem is well on its way to being licked."
"Guess I didn't really know how far-sighted our town really is, Judge. If we hadn't looked ahead we wouldn't have had anybody or anything to blame but ourselves, would we?"

Picturesque Ruins
 Old Panama City is now a mass of ruins, caused by bombardment of pirates way back in the 1600s. These avaricious people must have had good destructive weapons at their command to have so thoroughly destroyed this city when in quest of loot. The ruins, now largely overgrown with vines and trees, stand out before a background of thick tropical jungle and palm trees that would make excellent and outstanding photographic studies.

Sweet Potato Storage

Buying sweet potatoes by the bushel rather than by the pound saves time and usually money for the homemaker when suitable storage facilities are available. Unlike white potatoes, they keep best in a dry, warm place, around 60 degrees Fahrenheit. Decay sets in if they get too cold. The furnace room in the cellar is a good place to store them when bought in quantity. A week's supply will keep well in the vegetable bin in the kitchen or on the pantry shelf.

THE DISAPPEARING CIGAR BAND

You can make it appear and vanish as often as you wish!
 (See explanation below.)

KNOW ALL THE TRICKS by Blackstone

WORLD-FAMOUS MAGICIAN

WHEN

BEER DISAPPEARS

from the market, it's because all brewers are on strict rations of malt. And no magic can make more beer and still maintain quality!

NO MAGIC CAN MAKE MORE ALTES

Everybody likes sleight-of-hand. It's mystifying and it makes people wonder at the skill of the magician.

But they don't relish magic in their beer! Tricks belong on the stage, not in the brewery. Of course, during this wartime beer shortage there's a great temptation to stretch the production in one way or another, to keep dealers and customers satisfied.

Would they be satisfied, though? We don't think so... not for long. Not if they are used to full-bodied Altes Lager, with that Aged-in, Sealed-in Flavor!

No... we've decided that we'd rather make less Altes than debase its famous quality. Altes Lager comes to you today as good as ever!

After the war, we want you to remember Altes as the beer that stayed just as tangy and satisfying in these difficult times as it was in pre-war years. It's a case of volume or value, and value gets the nod from us!

HOW IT'S DONE—This is an easy one, but you can have

a lot of fun with it. Just cut a cigar band in half, leaving only the emblem. Glue this to a cigar. Seen from the front, the band looks okay. Then wave the cigar and give it a half turn between the thumb and forefinger, thus turning the banded side away from view. The band apparently disappears. But another half turn will bring it back. A little practice will make this an effective trick.

Covers were laid for 158 at St. Paul's Mother and Daughter banquet, which was held at the church hall on Friday evening, with tall green candles and low bowls of flowering quince featuring the table decorations. The programs and napkins were in pastel shades.

Corsages of white carnations were presented Mrs. Elizabeth Wackenhut and Mrs. Lizetta Widmayer, the two mothers who are over 80 years old.

To Mrs. Viola Walz, the youngest mother with the most daughters present, was given a corsage of pink carnations. Mrs. Harold Messner, the youngest mother with a daughter present, also received a corsage of pink carnations.

Virginia Lucht gave a very fine "Toast to Mothers" and Mrs. Herbert Paul responded with an equally fine tribute to the daughters.

Mrs. Preston Slosson of Ann Arbor, the speaker for the event, spoke in a very interesting manner, stressing the fact that patience on the part of both fathers and daughters is one of the most essential qualities that help to bring about a happy relationship. This is especially true, she said,

in these trying times when many daughters are separated from husbands or sweethearts because of the war, and because all daughters face many other trials just at this time, that are an outgrowth of world conditions today.

Mrs. Slosson also offered a bit of advice to daughters, when she said, "Try to do the things that you know will make your mother happy, for when mother is happy, everyone in the family is happy also."

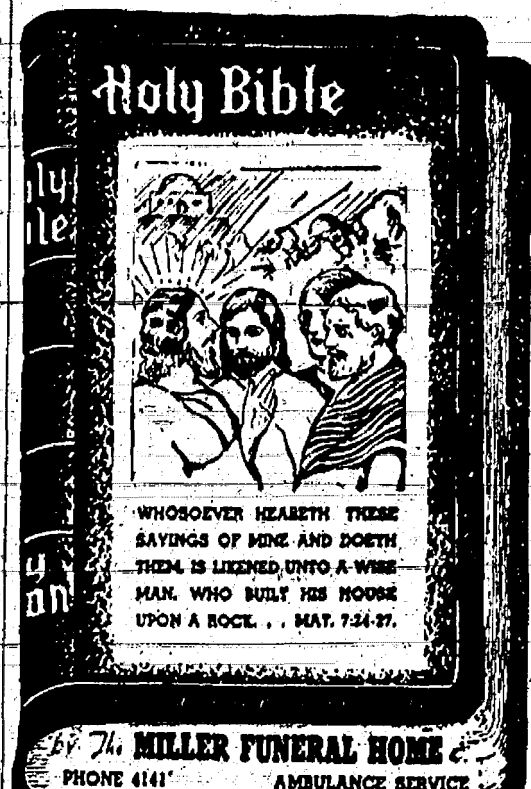

MOMS OF AMERICA MEET
 The MOMS of America held their regular monthly meeting in the agriculture room at the high school on Thursday evening, May 11. Each mother present responded to roll call by displaying a picture of her son or sons in service.

They were very pleased to welcome several new members, and it is stressed that the goal is to register every single mother in this locality for in numbers lies strength.

The next meeting has been postponed a week, due to falling on graduation night, and will be held at the same place on June 15, instead of the 8th, and at that time the Unit is to be presented an American Flag by the Women's Relief Corps. Also, election of officers for the ensuing year will be held.

ENTERTAINS BRIDGETTES
 The Bridgettes were entertained at a dinner on Thursday evening at the home of Mrs. James Almond, with Mrs. Leonard Eder as assisting hostesses.

OFFICE NEWS

School will be closed on Decoration Day.

The Saline baseball team will play here tomorrow and the Ann Arbor High team plays here next Wednesday, with both games starting at 4:00.

The Lincoln Consolidated tennis team will play here this afternoon at 4:00. Our team plays at University High on Monday afternoon.

The Freshmen will sponsor an All-Hi party tomorrow night from 8-11.

STUDENT COUNCIL NEWS

The main topic of discussion in the weekly meeting on Tuesday was the discontinuing of the annual class picnic at the end of the year. It is felt by the teachers who have chaperoned these parties that the students were entirely too unreliable to be allowed such freedom in things that could be very dangerous. The matter of transportation and the swimming, etc. were some things of concern. It was decided, however, to refer the situation to the class meetings on Wednesday.

A special meeting was called on Friday and the coming Student Council election was discussed. The rules for All-Hi parties which had been previously drawn up were accepted, and plans made to present them to the student body. The remainder of the meeting was spent in going over the new constitution being prepared. It is very near completion and should be made public to the school in a short time.

SENIOR NEWS

The chaperones for the Senior trip will be Mrs. John Hale, Mrs. Wilbert Breitenwischer, Mr. Chandler and Mr. Johnson.

The Seniors had a food sale Saturday afternoon at 2:00. Each Senior contributed some food or gave a dollar. They made about \$40.00.

ATHLETIC BOARD

The Athletic Board discussed the requirements for receiving tennis letters. If they only have the two scheduled games they have now, the boys must play both in order to receive a letter. If the boys play more games, they may miss one and still receive a letter.

CLASS NEWS

The Juniors are spending all their

leisure time on preparing for the reception.

The Freshmen are sponsoring an All-Hi party on Friday. The committees will be posted on the study hall bulletin board.

HI-Y ELECTED

Hi-Y members elected officers for next year. They are: President, James Gaken; vice-president, James Gaunt; and secretary, Veryl Steina-way.

ALL-HI PARTY

Where was that sweet music and laughter coming from Friday night? If you haven't already decided for sure, they were coming from the gym. Yes, it was another of those good All-Hi parties, sponsored this time by the Homecoming girls.

The gym was decorated with crepe paper streamers and large paper May flowers. Near the Homecoming room was a large bar where the refreshments, which consisted of green-spot and potato chips, were served.

The evening was spent in dancing and a prize was awarded to Dick Foor and Rhea Clark for the best dancing. A door prize was also given to Pat Burg, who held the lucky number.

There was still room for more dancers on the floor, so let's have a few more students at the next one, shall we?

G.A.A.

Wednesday afternoon the G.A.A. girls played the 5th hour gym class at athletic field in a game of softball. The starting line-up for the G.A.A. was: Pitcher, D. Perkins; catcher, R. Paul; first base, M. Otto; second base, R. Hummel; third base, V. Leaser; shortstop, J. Vail; manager, short field, J. Moore; left field, M. Winter; center field, J. Shutes; right field, J. Eisenbeiser; substitute, M. Schooley. The starting line-up for the 5th hour gym class was: Pitcher, R. Lyons; catcher, G. Fouty, manager; first base, D. Manville; second base, J. Weir; third base, R. Stone; shortstop, F. Hale; short

field, N. Pierson; right field, M. Gordon; center field, H. Botti; left field, D. Ulrich. Substitutes were A. Hess, B. Luick, L. Lindauer. The G.A.A. had 16 outs, 13 hits, and 10 runs; the 5th hour class had 11 outs and 31 runs.

The umpire was Mr. Alpervitz. The girls in the 5th hour class and the G.A.A. have been practicing for the game with Dexter, which was Wednesday.

Bulldogs Win First League Game
On Tuesday, May 9, Chelsea went over to Saline. The weather was cold and very damp with a slight drizzle coming down during most of the game. Even though the boys had to play in such weather they won the ball game by the score of 11-7.

The ball was very wet and heavy, causing each pitcher to throw many pitches before the game was done.

Every Chelsea player got at least one hit and McClellan, Gaken and Eaton got two each.

Alber went the distance for Chelsea, with Gaken behind the plate. Smith and Deckert pitched for Saline and Hirth caught.

Playing their third game in three days the Chelsea Bulldogs pulled a game with Roosevelt out of the fire in the last inning, 4-3.

Roosevelt collected all three of their runs in the first two innings to lead 3-0. The local lads never gave up, getting 2 in the third, 1 in the fifth, and Bahnmiller came home on Schanz' single in the last inning for the winning marker.

Alber and Gaken were Chelsea's battery while Southwell and Ver-cruyse pitched for Ypsi and Chisel caught.

Can You Picture MICHIGAN without its War Activities?

War is a long way from Michigan — but in so many ways it's mighty close to us. Our men are fighting all over the world — our factories and farms are producing an endless stream of supplies our troops depend upon. But even that isn't all — it wouldn't be enough!

We have so much more to do right here in Michigan — jobs that are up to all of us, jobs that must be well done. In the 4th War Bond Drive, for instance, we in Michigan bought \$585,000,000 worth — 33% above our quota — but we're keeping right on buying more and more! We've gladly given our money and more than 374,000 donations of our blood to the Red Cross — and hundreds of thousands of hours of our time to making surgical dressings and kits for our men overseas.

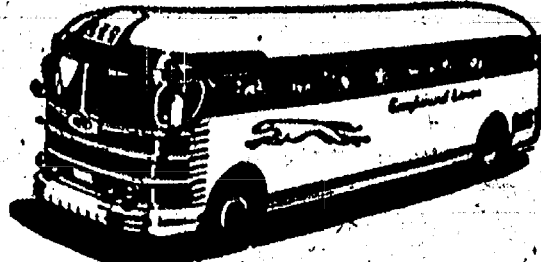

We've supported and worked for the U.S.O. and various war relief groups.

GREYHOUND TERMINAL
Burg's Corner Drug Store Phone 4811

GREYHOUND LINES

We've built and maintained an efficient Civilian Defense organization. We've collected scrap and rubber, tin and fats. Whatever has been asked, Michigan has done — and then some!

The men and women of the Greyhound Lines, like their fellow-citizens of Michigan, have shared in all of these activities. They've also shared in the vital job of moving wartime manpower — in uniform or in work clothes. Greyhound buses — by making near neighbors and good neighbors of all the communities they serve in this State — by linking cities, war plants, farm centers, and military camps and bases — are helping to keep Michigan's war efforts rolling toward Victory!
