Poppy Day in Chelsea To Be Saturday, May 27

Looking forward to the tremendous need of help for the wounded and distressed veterans of the present war, and not forgetting those who fought in other wars and still need help, the greatest Poppy Day in Chelsea's history is being planned for Saturday, May 27.

Because of this need, "Give More—We Need More—in '44" has been adopted as the slogan and it is hoped that the people of this community, when approached by the poppy sellers, will give freely.

Poppy Day funds are emergency relief funds and are administered by the local American Legion and Auxiliary. Poppy sellers who collect them, although the Government, through pensions, hospitals and rehabilitation schools, provides for the handicapped ultimately, experience has proved that a quick independent relief must still be available to supplement slow moving bureaus.

Often veterans are forced to endure hardships through delay and into these cases Poppy Day funds move quickly with free hand and immediate assistance.

The identical hardships which followed the close of the last war are obviously to be faced again, since the mustering-out of over 12,000,000 men cannot be done without mishap, oversight, error and hardship.

When a serviceman is discharged from a hospital or from service his military pay stops. If he has only mustering-out pay, no job and is disabled, hardship will result. In some cases it has required from seven to eleven months to adjudicate claims and grant disabled veterans pensions. All poppies to be sold Saturday have been made by disabled veterans, mostly of World War I—ex-servicemen for whom the last war has never ended. It is a year-around industry in veterans' hospitals and provides the only income many of the last war's casualties have for their small needs, such as tobacco and toilet articles.

The poppies will be offered for sale throughout the day by unpaid solicitors, and all contributions will be greatly appreciated.

Contract Let for Frozen Food Plant Installation

A contract for installation of their frozen food locker plant was let this week by L. R. Heydlauff and Lewis Bernath, owners of Frigid Products.

Installation work will be done by the Draper Insulation Co. of Detroit, using General Electric refrigeration equipment. It is hoped to have the plant in operation by October, which is later than originally planned by the owners, due to inability to get immediate delivery on equipment.

The locker plant, located in the former Wilkinson building, North Main St., will be equipped with 400 frozen food lockers, with reserve space for an additional 100 lockers if the demand warrants. Most of the lockers have been contracted for, pending installation of the plant.

Observance of "D-Day" Urged By Gov. Kelly

Governor Harry F. Kelly has proclaimed "D-Day," invasion day, as a day for solemn reflection and prayer, when all people of Michigan are asked to petition Providence for success in battle and for the safety of our sons taking part in it.

In connection therewith, the Governor has asked the Michigan Office of Civilian Defense to devise a plan for a simultaneous state-wide observance on D-Day, and to offer Civilian Defense assistance to churches in preparing and holding observance meetings.

The day to be officially observed as D-Day will be designated on the day by the Governor. This is being done to guard against premature observances based on false invasion reports and to provide for the simultaneous one-minute pause. The day will be chosen immediately when it is authentically recognized that the invasion is under way.

The State Air Raid Warning system will be used to flash the Governor's message to each community. At a time to be designated in the message, air raid sirens, factory whistles, church bells and other audible signals are to be sounded for a period of 90 seconds. This is to be followed by a cessation of all activities for a period of one minute, which is to be given over to silent prayer and reflection upon the solemn significance of the occasion. Traffic is to come to a halt, and activities are to cease in stores, factories, schools and elsewhere.

A sufficient interval, about three hours, will be allowed between the time the message is sent out from the State control center in Lansing and the time set for the signals to sound within the community to permit activating the signal system. This information will immediately be relayed to local factories, schools, churches, etc., so that the observance will be simultaneous.

Seniors Go On Cruise May 31

The Senior class with their sponsors, Mr. Chandler, Mrs. J. Hale, and Mrs. Breitenwischer, start on their cruise Wednesday, May 31.

Here's where we go: We sail into Lake St. Clair and stop at Port Huron long enough to pick up passengers. We leave Port Huron, sail under the Blue Water Bridge, and begin our cruise up the full length of Lake Huron. Then we sail up the St. Mary's River and "lock through" into Whitefish Bay in Lake Superior. After cruising around Whitefish Bay we retrace our cruise through the locks and the St. Mary's River. We turn off into the Straits of Mackinac and stop at historic Mackinac Island. After a short look around we sail out of the Straits, down Lake Huron, stop at Port Huron just long enough to unload passengers and continue the cruise down the St. Clair River to Detroit.

Saturday, June 3 the cruise is officially over, and we take the 3:10 p.m. bus home.

In the May 18 issue of The Standard the dates of the cruise were erroneously given May 29 to June 8. However, the Seniors do not "show off" until May 31.

The Commencement exercises will be held Thursday evening, June 8 at 8:00 p.m. in the public school gym.

ATTENTION, SOFTBALL MGRS.

A meeting to organize a men's softball league in Chelsea is to be held at the public school at 8:30 tonight (Thursday). All managers who plan to enter a team must attend this meeting. Players not connected with a team and wishing to play during the summer are also urged to be present.

Writing To Soldiers On Memorial Day Urged

A Memorial Day observance which not only honors the valorous dead but also gives direct encouragement to the brave living is being urged by Graf-O'Hara Post of the Veterans of Foreign Wars in Ann Arbor.
"All of us should set Memorial Day aside," says Adolph Schmeberger, patriotic instructor of the Post, "not as a day for recreation and pleasure but rather as a day on which we take increased devotion to those who have died and to those still carrying the brunt of the battle."
"We members of the Veterans of Foreign Wars can understand the real hunger for letters that the men in foxholes and on the decks of ships feel—a hunger for letters that recall the dear familiar scenes of home, friends, loved ones, the peaceful pursuits fighting men knew before war altered their lives. It is these loved ones and familiar scenes which sustain the courage and will to victory of fighting men—the hope to achieve peace through defeating the enemy and returning to the life they have left."
"The Veterans of Foreign Wars urge every citizen on Memorial Day to write at least two letters to men or women serving the Nation with our armed forces. If possible, one to a wounded veteran and one still on active service. It requires very little added effort on our part and it will mean much to those serving face to face with the enemy."
"Lincoln's words were simple but they have touched the hearts of many: 'It is for us the living, rather to be dedicated to the unfinished work . . . to take increased devotion to the cause for which so many have given the last full measure of devotion.'"
"We urge you to express your devotion to the cause and to the men at the fronts by writing letters. Wide participation in this plan can mean a tremendous boost to morale."
VFW officials have announced their intention to check with all post-offices in Washtenaw county after Memorial Day, comparing the number of letters sent with the previous year to get some measure of the effectiveness of

their plea. Similar programs are being urged by VFW posts in all parts of the State.

Why is the doctor in such a hurry? Because his wife phoned she is making prune pie for supper.

PRUNE PIE

No. 81 of the Nutrition Series

Here is a delicious, easy-to-make dessert, requiring no points. Lard is off the ration list. It is recommended for tender, crisp pastry. Prunes are also off the ration list. There are plenty on the market for Grand Rapids homemakers.

The flavor of Prune Pie is improved by the addition of fresh lemon juice and grated lemon rind. The food value of prunes is high. They are a good source of iron, the mineral needed to prevent anemia, and a good source of Vitamin B-1, the morale vitamin. Prunes are also a carbohydrate food and hence give us energy.

1 cup sifted all-purpose flour	Cold water
1/2 teaspoon salt	Prune filling
1/2 cup lard	

1. Sift flour and salt into a mixing bowl.
2. Cut lard into dry ingredients until the mixture resembles the texture of coarse corn meal.
3. Add cold water very slowly, mixing dry ingredients until a stiff dough is formed.
4. Put dough on a lightly floured board and roll it so that it is large enough to cover an inverted nine-inch pie pan.
5. Cover the inverted pie pan with dough, cut off the edges so that the dough is even with the edge of the pan and then prick the top and sides with a fork.
6. Bake in a preheated oven at 425 degrees F. about 12 minutes.
7. When pastry shell is cool fill with prune filling.

PRUNE FILLING (One 9-inch Pie)

1/2 cup unsweetened mashed prune pulp	1/2 cup sugar
1/2 teaspoon grated lemon rind	3 egg whites
1 tablespoon lemon juice	1/2 teaspoon salt

1. Combine prune pulp, lemon rind, lemon juice and 1/2 cup sugar.
2. Beat egg whites slightly, add salt and beat until mixture stands in peaks when the beater is lifted.
3. Add remaining 1/2 cup sugar gradually to beaten whites; beat well after each addition.
4. Fold prune mixture into egg white mixture.
5. Fill mixture lightly into baked pastry shell.
6. Bake in a preheated oven at 325 degrees F. about 20 minutes.

Organic Matter

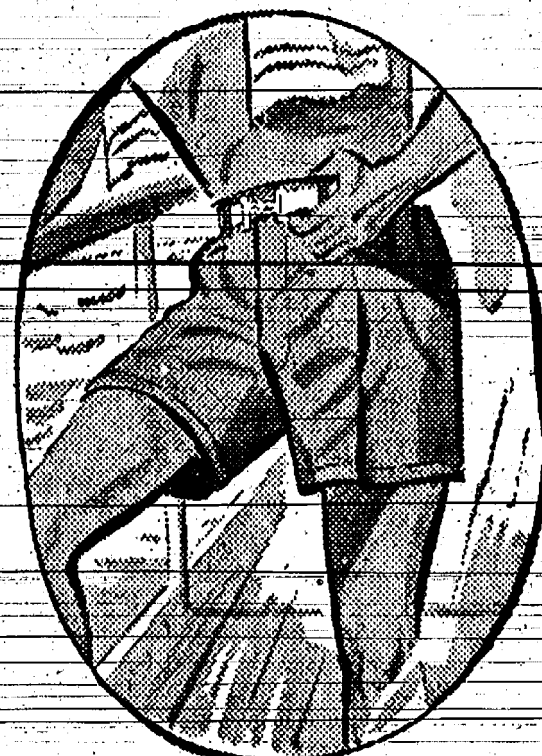

Crop residues, ordinarily left on
the land, such as stalks of corn, cot-
ton, and tobacco, and stubble of
small grain and hay crops, are in-
adequate in overcoming losses in
organic matter under the present
cropping system, some agronomists
say.

STUDENT COUNCIL ELECTION

The annual Student Council election was held in study hall during the activity period on Wednesday, May 17. The candidates for president and vice-president from the Sophomore and Junior classes were June Vail, Neil Beach, Tom McClear and Donna Burman, respectively. Veryl Steinaway of the Junior class was nominated from the floor for vice-president. The winners of the election were Tom McClear, president, and Veryl Steinaway, vice-president.

CITIZENSHIP

Is citizenship important? I think every student in school realizes it more and more as he gets on further in school. Citizenship is one of the most important things not only to you in school but in later life. Are citizenship and the marks you get in school connected? To a certain extent your marks and citizenship go hand in hand. Your marks are the results of the work you do (some is good and some is bad) and citizenship is your behavior in class and in school. A teacher can tell a lot of things about you from your citizenship. You think of citizenship and personality in the same breath. Is citizenship important only to pupils in school or is it important to teachers as well? Citizenship is important to everyone no matter who they may be. Teachers, parents and everyone should have good citizenship. Keep this idea in mind about citizenship, will you? Although the school year is almost over we can benefit from it next year.

CLASS NEWS

Freshmen—Freshman class sponsored an All-Hi party on Friday, May 17. Sophomores—The Sophomore girls and a few boys will serve at the Junior-Senior Reception. No bills and dues can be turned in after this Friday. Juniors—The Junior class will give their reception in honor of the Senior class on Friday, May 26.

ALL-HI PARTY

The gym was decorated in blue and gold in honor of the Seniors last Friday. The party was put on by the Freshmen. Dancing began the party and dancing ended it. In between refreshments and entertainment took place. Delicious sandwiches and pop were served buffet style. Entertainment consisted of a Truth or Consequence Quiz. Rhea Clark did a marvelous ballet dance. Tom Smith recited "Mary Had a Little Lamb" and there were many others. Most of the girls were in their Sunday go-to-meetin' clothes. A good time was enjoyed by all at this last All-Hi party.

HOMEMAKING CLUB

The Homemaking club is turning all Junior Red Cross work in this week and this closes all Junior Red Cross for the year. The girls made copies of the receipts used in preparation of the refreshments for the Study club and are giving them to Mrs. Miller, club president. These receipt sheets are going to be sold at the next meeting. The proceeds will go toward the money for our lace table cloth.

WHAT WOULD HAPPEN IF—

No one gave Miss E. McDonald an apple? "Glad!" Jim forgot how to blush? McClear settled down? School were as dull as Schanz predicted? Marjorie Whipple found one thing she didn't know anything about? Lucht found a man? Mary Wood didn't work nights? Tom and June ever broke up? Barlow and Colquhoun ever did anything wrong? Mary-Jane Eder wasn't always smiling? Sophomores had won the election? Juniors ever get their decorations done? "Roll!" learned to drive? Hooker cut her hair? "Whitey" grew several inches? Baton bought a car? Bob Daniels could get home on time without running every night? Luick were able to come to the Reception? Fun were rationed? May got through Sophomore English? Nobody brought the Defense Stamps around on Tuesday? It didn't rain every other day? Gracey forgot her perfume?

There were a skating rink in Chelsea? Nancy Loose lost her voice? Rademacher ever made up his Government? John didn't walk Joyce home every night after work? It took any longer for the sun to come up? Esther got anything lower than an A? Phil Vogel ran out of new theories? Miss Hammond forgot to ring her bell? Every girl in school didn't write Andy? I ran out of things to say?

THE OLD JUDGE SAYS...

"Did you hear that Tom is going to be inducted into the Army next week, Judge?"
"Yes, Frank told me this morning down at the barber shop. Our town's got a lot of men in the service now, Jim. In fact, all towns have. I was just reading in the paper where there are more than 10,000,000 men away from their homes in the armed forces. And, from all reports, they're doing a grand job bringing victory closer every day."
"We folks at home have a mighty big obligation to those 10,000,000 fighting men. We've got to produce the food to keep them

well fed. We've got to keep them supplied with the ammunition and equipment they need to finish their job. We've got to help the Government pay for all these supplies our men need by buying more and more War Bonds. We'll have another big chance to do that by helping to put the 5th War Loan drive over the top, Jim."
"And, in addition, we must be sure that, while they're away and can't express their opinions, we don't go voting on and deciding any things that will displease them when they come back."
