Professor of Sculpture Will Demonstrate Work

Avard Fairbanks, Associate Professor of Sculpture, Institute of Fine Arts, University of Michigan, will give an illustrated lecture at the Methodist church on Wednesday evening, November 8 at 8 o'clock, under the auspices of the Fellowship club. He will make a statue as he talks. There will be no admission charge and the public is invited.

Dr. Fairbanks showed talent early

PROF. FAIRBANKS

in the working of clay and stone and at the age of 13 went to New York City from Oregon to work at the Metropolitan Museum of Art, later studying sculpture at the Bronx Zoological Gardens. In the Art Students League School he was given a special scholarship for two years.

European study next engaged him and he spent some time at the Ecole des Beaux Arts and at the Ecole Colarossi, but his work was interrupted by the war. From France he returned to Oregon and in 1920 became instructor in the Oregon State University. He left in 1924 to go to Yale to complete a fine arts course for a degree.

Many of Mr. Fairbanks' statues have won high critical praise and wide general popularity. Best known to the public is perhaps that of the Pioneer Mother, located in Vancouver, Washington. This work is a memorial to all pioneer women whose courageous pilgrimage into the Far West was part of the epic of a nation.

THANKS FROM GIRL SCOUTS

"Quite a stack of newspapers I left you

papers so my nephew George sends them
to me whenever he takes a business trip.
I got a big kick out of some he sent me
from several counties where they still have
prohibition. Particularly from some head-

'Federal Agents seize 'Trick' Liquor Truck'.
Doesn't that go to prove, Joe, that prohibi-

out of it was bootleg liquor instead of legal
liquor... plus the worst crime and corrup-

Against NEXT WINTERWill next winter be a hard Michigan winter — or a mild one? Predic-
tions vary. But one thing is certain. Due to war conditions it is
necessary for every family to take such precautions as will enable it
to heat with the minimum of fuel requirements.Now is the time to equip your house with storm windows and doors. This you will find will
save a considerable amount of heat. Another way to economize on fuel is to insulate your
attic so that heat will not escape through the roof.Families who heat with natural gas are asked to take these fuel-saving measures by the
government because natural gas is being used so extensively in war plants in the produc-
tion of combat equipment. The Gas Company is glad to co-
operate with the government in urging ANN ARBOR families
who heat with natural gas to use it wisely in the home.

SPORTSMANSHIP OF INITIATION

Well! Initiation is over again this year, much to the satisfaction and relief of the Freshmen. Of course, there has been some poor sportsmanship concerned. A few of the Freshmen might have been more cooperative; but the majority of them took

initiation as they should have. Good sportsmanship is also necessary on the part of the Sophomores, if initiation is to be a success. For the most part the Sophomores were not demanding of the Freshmen. (Except for the rickets!)

It is to be hoped that Sophomore classes of the future will remember how they felt while being initiated and take pity on the poor Freshmen.

By the way, school customs indicate that initiation was between Sophomores and Freshmen. How do certain Junior and Senior boys rate?

SOPH-FRESHMEN INITIATION

The annual Sophomore-Freshmen initiation party was held last Friday. When the "Freshie" boys finally came, they were made (joke) to dance with Sophomore girls. The entertainment started with a group of Freshman boys singing (?) "Swinging on a Star." Next, Helen Hochstein recited a poem entitled "Little Willy." Then, a group of more "talented" Freshmen boys performed a ballet dance. To

top the entertainment, four Sophomore girls sang "Too-Ra-Loo-Ra-Loo-Ral," and very well, too. Following this, the Freshmen girls delighted the rest of the crowd by playing football, which turned out to be a very exciting game, to say the least. Then the Freshmen were led to the stage, blindfolded, where, to their utter horror, they "ate worms and handled snakes" and other gruesome things. This is to say nothing of the Sophomores' screams and cries that nearly deafened Freshmen (and Sophs, too).

After they had all gone through this "torture chamber" Soph President Ray Knickerbocker welcomed Freshman President Donald Baldwin and his classmates to high school.

Finally, the long-awaited refreshments arrived, which consisted of delicious doughnuts and cider. Shortly after that, a ricket line was formed, and the Freshmen galloped through it. It has been rumored that the Freshmen "were sore" about it. As if this wasn't enough for the Freshmen. But, Oh no! They had to stick

around and clean up the gym and Home Economics room after the mess the Sophs had made. So ended the initiation of Freshmen for another year.

The bride was attired in white satin bodice dress with finger-tip sleeves, Queen of Scot lace trimming. The dress and long train and the long train net veil extended from a crown of orange blossoms. She carried a bridal bouquet of large and baby white mums.

The attendants were Angeline Merkel, sister of the bride, attired in pink satin and chiffon and carried pink large and baby mums, Virginia Lucht, a cousin of the bride, wore aqua satin and chiffon and carried yellow mums. Virginia Hitchingham, sister of the groom, wore silk taffeta and net, and carried yellow mums. Gertrude Ann Merkel, also a cousin of the bride, was attired in net and silk pale blue and carried yellow mums.

Donald Nanny of Ann Arbor, a Navy man stationed at Kalamazoo, was best man.

The little flower girl was Joan Merkel, cousin of the bride, and little Connie Hafner was ring bearer, carrying the rings on a heart-shaped little pillow; he also is a cousin of the bride. Ushers were Martin Merkel, Junior Merkel and Jack Merkel.

The mother of the bride was attired in gray crepe, trimmed with sequins, and wore a corsage of pink carnations. The groom's mother wore gray crepe, and also a corsage of pink carnations.

After the ceremony a reception was held at Weber's Inn, near Ann Arbor, for 55 guests, following which the guests were entertained at the home of the bride's parents.

The church altar was beautifully decorated with various colored mums; the tables at the bride's home were also beautifully decorated.

Pvt. and Mrs. Hitchingham will leave soon for Greensboro, North Carolina, where he is stationed in the Army at present.

Mrs. Hitchingham's going away attire was black and white wool assembly suit with a corsage of orchids.

Miss Doris Walbrook of Grass Lake and Alojz Policht of Chelsea were married in the Methodist church at 8:00 o'clock Monday evening, with Rev. E. R. Major officiating. Mr. and Mrs. Geo. Doe were the attendants.

FREEER HALLOWEEN PARTY
Tuesday evening the pupils of Freer school held their Halloween party. Each of us asked one or two guests. First of all, Robert Lantis took us on a hayride. He drove his tractor and wagon. We all got back to school about eight o'clock. Our bonfire was lit and then we played games until it was too cold. We ran out of wood anyway! After that we went into our school house (which was decorated for the occasion), had cider and doughnuts and played a few more indoor games. By that time it was getting late for our little ones so we all went home—except the clean-up committee. —By Mary Ann Gage.

County O.E.S. Meeting Held Here Thursday

The fall meeting of the Washtenaw County Association, O.E.S. was held at the Chelsea high school auditorium on Thursday, October 26. Over 200 attended the afternoon and evening sessions.

The afternoon meeting opened with a prelude by Mabel Richards, from Milan, with Linda Hazlett as the inviting marshal and Lerah Denton giving the opening address. The county officers entered and took their places. Because of her absence, the address of the president was read; the invocation was given by Emma Higgins, chaplain, and the doxology was sung by the assembly. The flags were presented by Milan chapter. Betty Hall, matron of Olive Chapter, gave the address of welcome and the response was given by Hazel Tyler, matron of Ann Arbor chapter.

Milan chapter presented a ceremony honoring the men and women in our country's service. The past presidents presented the memorial service in which Helen Baxter gave a special tribute to the late past president, Evelyn Smith.

Officers for the coming year were elected as follows:

President—Maude Vaughn, Dexter.
1st Vice Pres.—Almus Hale, Ann Arbor.

2nd Vice Pres.—Ruth Lowry, Manchester.

Sec. Treas.—Litha Tooman, Milan.

Chaplain—Mary Ann Gracey, Chelsea.

Marshal—Pauline Fosdick, Salina.

Organist—Julia Burrell, Ypsilanti.

The program was rendered by members of Olive chapter, who gave a pantomime, and Charles Bush and Hugh Stevenson of Cassidy Lake played several trumpet selections.

At the evening session the newly elected officers were installed and the flags were retired by Ypsilanti chapter.

O.E.S. OFFICERS INSTALLED

The annual installation of officers of Olive Chapter 108, O.E.S. was held on Wednesday evening, October 18 at Masonic hall. The officers entered and took their stations. Helen Baxter sang "My Faith Looks Up to Thee," after which the retiring matron, Lila Ashraf, gave her farewell address.

This was followed by a short service in which the officers presented her with a past matron's jewel.

The officers then retired and the installing officers, Blanche Fulton, Katherine Buckley, Esther Belser and Georgia Munro were introduced. The new officers entered and formed a semi-circle in the West and received their obligations.

The worthy matron-elect was presented at the altar and after being invested with the badge of her office, she knelt at the altar while Emma Osterle sang on appropriate song for the worthy matron. She was then escorted to the East on the arm of her husband through an arc of honor. The worthy patron, following his installation was escorted to his station by his daughter, Connie Ann, through a square and compass formation. The associate matron passed to her station through a circle formation representing the effulgent sun and the associate patron was installed with a formation of an "H" for Hall. Other officers were installed in the usual manner.

Five small girls then entered, carrying the emblems of the star points and presenting them to each point as Mrs. Steinbach gave a short reading for each one. Mrs. Osterle sang "An Evening Prayer" as a closing song, and following the address by the new worthy matron, Betty Hall, gifts were presented her by the installing officers.

Dainty refreshments were served in the dining room.

PIN CHATTER
(October 25)

G. Klumpp had high three game series for this week, a total of 499. What happened to that one pin, Gladys?

B. Rabley is again bowling—glad to see you, Bernice.

B. Worden had a tough break Wednesday night when a foul was called on her—it would have been a double. Oh, that foul line!

Chelsea Milling lost their second game by a mere five pins, and the Old Maids lost their last game by six pins—that's where a little old spare would have helped.

M. Rutledge hasn't bowled in three weeks. Hurry back, Marian.

Dixie Gas is still going strong—they won three this week.

We have four teams tied for sixth place, and two tied for third place. Those nickles we've been putting in for not bowling our average are piling up. We have paid in quite a lot so far.

Dixie Gas has the most splits so far—a total of 126. The team having the least is Chelsea Milling, with 47. Looks like a good banquet, girls.

NEW FARM LABOR-SAVER

Mechanical gutter cleaners are making their appearance in Michigan dairy barns as the means of saving labor, says H. S. Oster, County Agricultural Agent. Both homemade and commercial outfits are now being used. Such equipment will be demonstrated in Washtenaw county at the George Alger ranch, Augusta township next Friday afternoon, Nov. 3, at 3:00 o'clock. Mr. Alger has a herd of 40 Holstein cows and has been using this equipment in his barn during the past year. This cleaner dumps the manure directly into the spreader, thus reducing the amount of hand labor. His farm is located on the Judd Road, one mile south of Stony Creek, and five miles northeast of Milan.

Richard L. Witz of the Agricultural Engineering Department, Michigan State College, will explain the development and operation of these gutter cleaners as a labor saving device for dairy barns.

OPEN FORUM

On the day of his Memorial Service, it's a shame Chelsea was so thoughtless and neglected to raise the American Flag to half mast to salute one of her fighting service men who made the supreme sacrifice.

Columbus was a great man, but not great enough for Chelsea merchants to salute him on his Day—October 12.

October 27 was Navy Day, the birthday of our Great United States Navy. Only half of the business men remembered to honor it by raising their store flags.

What Chelsea, in general, needs, is a good jolt to wake it up!

Large Crowd Attends Halloween Festivities

The Kiddies' Annual Halloween party, sponsored by the Kiwanis club and held on Tuesday night, was very successful from all standpoints. The parade, led by the old fire truck, Boy Scouts, Band, and Girl Scouts, included many funny looking creatures. Upon arrival at the playground the band played several selections and cider and donuts were served to the large crowd present. The donuts were donated by the Chelsea-Milling Co.

About 9 o'clock a program in the gym got under way. Dr. Russell Huber opened this program with a short talk about the origin of Halloween. P. F. Niehaus then announced the winners for the most original, neatest and spookiest costumes, as follows: Most original (Maple Leaves), Sally Walz; (Corn Shook), David Berker; (Scarecrows), Ronald and Bill Shelton; Neatest (Fairy), Sally Ann Vogel; (Dutch Girl), Barbara Manore; (Swedish Twins), Loretta Smith and Diane Barr; Spookiest (Scarecrow), Bill Moody; (With), Sue Barlow; (Devil), Howard Brooks.

Estimates on the attendance are between 700 and 800.

Blame for the death of Geo. Eisele was placed on the Detroit United Railway by a coroner's jury which found that the accident on Sept. 30 at Grass Lake, when an automobile was struck, was caused by inadequate signals. Mr. Eisele died Oct. 2 but the inquest was delayed until the other passengers in the wrecked car recovered. Motorman Etkin said the interurban was going only 15 to 20 miles an hour, but the Eisele car witness testified he was going from 30 to 35 miles an hour. The Michigan public utilities commission had issued an order limiting the speed of interurbans to 12 miles an hour in the corporate limits of Grass Lake.

The Chelsea post office was robbed between two and three o'clock Monday morning. This is the second time in the past seven years. Entrance was gained to the office by placing a ladder in the rear and forcing a window. The safe was blown up with nitro-glycerine, and is a total wreck. Miss Mary Haab and her niece, Ruby Jedele, were awakened by the blast, but as their only means of escape would be down the stairs near the main entrance of the post office, the stricken ladies both kept quiet. They knew there were men in the post office as they heard them talking in loud voices. For that night's work they secured about \$100 in cash and \$250 in postage stamps of various denominations. It is probable that the men made their escape on an east-bound freight train. There is no clue to be found of the safeblowers. Sheriff Sutton, and the post office department were notified, and are at work on the case.

There will be a total eclipse of the moon on November 18, which will be visible in Michigan.

On Thursday evening a four weeks old baby was left on the front porch of the Wm. Fletcher residence on McKinley St. Mrs. Fletcher heard the front door close violently and upon investigation found a crying baby in a market basket. A few minutes later, Mr. Fletcher came home and immediately notified deputy sheriffs Leach and Hopburn. Just a few minutes before the child had been abandoned Mrs. Fletcher heard a buggy crossing the tracks, and as soon as the officers arrived they took chase after the horse and buggy. The officers overtook two women two miles south of Chelsea. The officers at once accused the women of leaving the child. They both denied it at first, but finally owned up to it. The women gave their names as Tilly Best, mother of the child, and Anna Cone, her sister, both residents of Clinton.

Mrs. Best said that her husband would not support her and the baby, and that she had been living with her father, who also objected to having the baby around. Justice Withersell and Prosec.

OPA Says "No Gas For Hunting Trips"

There will be no gasoline for car owners for deer hunting, officials of the OPA Regional Office in Cleveland has announced.

"Patriotism should cause hunters to be more than willing to pass up hunting trips this year," said Birkett L. Williams, Regional OPA Administrator. OPA is just as anxious to do away with rationing as anyone but, first, war demands must be met. If motorists will not be cooperative voluntarily in helping to meet the war demands, OPA enforcement officials will step in and take such actions as may be necessary to see that those demands are met.

"The National OPA Office," said Williams, "is constantly under pressure from first one section of the country and then another to make special concessions on gas rations. No one

will quarrel with a man's desire to go deer hunting, but it is everyone's responsibility to recognize that the gasoline situation is still a serious problem."

The OPA pointed out that stepped-up bombing activities in both Europe and the Far East are making huge demands on our limited petroleum supplies, and if would-be hunters would bear in mind that a single aircraft carrier burns 15,000 gallons of fuel oil an hour and that a super-fortress consumes as much gas in an hour as an "A" bomb-holder gets in five years they will recognize that it is their duty not to use gasoline unnecessarily.

FACTS about Proposal No. 4

1. Elected officials of local governments in 53 Michigan counties are vigorously opposed to Proposal No. 4 which imposes Detroit rule on 11 cities and 18 townships in Wayne county. It constitutes the entering wedge for destruction of responsible government in every county of Michigan.
2. It vitally concerns all of Michigan. The so-called county home rule plan FIRST applied to ALL counties. It was beaten by Michigan voters in 1934 and 1936. The Wayne county scheme was rejected in 1942. Let's bury this threat for all time! Detroit Proposal No. 4!
3. Let Detroit alone leave first in Detroit! Here is the record of Detroit city officials and Detroit state legislators, now elected AT LARGE:
CONVICTED! One-third of Detroit city council, mayor and many police officials.
CONVICTED! A majority of Detroit state legislators in 1944.
Proposal No. 4 would impose AT LARGE elections with non-partisan ballots upon Wayne county, despite Detroit's record of corruption under that system.
4. Proposal No. 4 would destroy responsible county government. Wayne county has the lowest tax rate and heaviest debt of any county of its size in the nation. Contrasted to the county's 18 per cent debt DECREASE since 1919, Detroit's debt has soared more than 11 times—\$30,627,253 to \$332,125,738. Detroit city taxes have doubled; while the county tax rate goes downward—drawing another 16 cents on Dec. 1, 1944.

Senior News—A committee for the selection of a play has been appointed. Angeline Merkel, Willetta Lantis and Ileen Loeffler are on this committee.

GRADE NEWS

Fourth Grade (Duane Quiatt)

We made models of Eskimo Kayaks in geography class.

In history we are making a time chart about how early people learned to use fire, caves for homes, to make stone weapons, and to tame some of the wild animals and wild grains.

We enjoyed taking the hearing test. We are keeping a record of the library books we are reading.

Thirteen members of the class brought \$12.70 for defense stamps.

Sixth Grade

In the sixth grade room we are making Halloween pictures such as owls, bats, witches and cats, for the gymnasium.

Dona Osborne is out of school because he and his sister are quarantined with the scarlet fever.

Carl O'Dell and Stanley Knickerbocker won prizes in the F.F.A. vegetable contest. Carl won first prize of four dollars and Stanley won second prize of three dollars.

We have started science notebooks, history notebooks, and geography notebooks.

Seventh Grade (Geraldine Hale)

This week 27 per cent of our grade purchased \$8.90 worth of war stamps.

We voted to have a Halloween party, but did not have it, as there were so many others going on.

Betty Jean Osborne has scarlet fever and is quarantined, so we each wrote her a letter, and brought her a piece of fruit, which a committee took to her. We hope she feels better soon.

Aprons and soap-carving are the basis of our efforts in home-making, while in shop the boys are working on book shelves, pull toys, bicycle repairs. Weather reports for geography are about finished.

Gum fines amounted to enough so

that we decided to buy some wool and start knitting. Room dues are 2c each week, by vote of the group.

We enjoyed having our hearing tested Thursday.

Eighth Grade

(By Deloris Elsemann and Gerald Fauser)
We bought \$4.75 worth of stamps this week, with Marlene Heydlauff

and David Knickerbocker buying the most.

We have had a test in every subject, over our first marking period.

In English, we are studying about the different kinds of sentences.

In History, we are continuing our booklets on presidents and other important men in history.

We are making cloud booklets in

science. We are also studying about the weather, and the instruments used in forecasting it.

Our book reports were due this week and we have been giving little skits from them in class to get others interested in reading good books.

Many are very interesting.

Earl C. Michener for Congress

Earl Michener has FAITHFULLY, WISELY, and HONESTLY looked after YOUR interests in Congress.

Let's all turn out and give him a big vote of confidence!

ELECTION NOVEMBER 7, 1944

A SERIOUS MESSAGE

To Every Michigan Voter!

THOMAS E. DEWEY
for President

HARRY F. KELLY
for Governor of Michigan

Through New-Deal-controlled depression, for 10 years we have seen our liberties disappear. Year after year, millions have been forced to live on New Deal doles. Even Churchill, in 1937, accused the New Deal, through its persecution of capital, of forcing the world back into another depression! To restore our liberties, protect our freedom of speech, our vote and our opportunities to progress, vote for Dewey's program. To preserve good government in Michigan, re-elect Governor Harry F. Kelly!

DEWEY'S PROGRAM:

An administration devoted to public service instead of bureaucratic bickering.

An administration working in harmony with Congress.

An administration in which the Cabinet is restored as a responsible instrument of Government.

An administration in which you will not have to support three men to do one man's job.

An administration which will root out waste and bring order out of chaos.

An administration which will give the people of this country value received for the taxes they pay.

An administration made up of the ablest men and women in America who will receive full authority to do their jobs and will be let alone to do them.

An administration free from the influence of Communists and the domination of corrupt big city machines.

An administration in which the Constitution is respected so that the liberties of our people shall again be secure.

An administration which will devote itself to the single-minded purpose of jobs and opportunity for all.

KELLY'S RECORD:

Distribution of blood plasma to civilians, a program which the medical profession says is saving 1,000 lives a year.

Statewide tuberculosis diagnosis program.

Pioneering in postwar adult education and preparing for return of veterans to civilian life.

More adequate aid for dependent children.

Increased assistance to aged.

More liberal assistance to injured workmen.

Correlation of tourist and resort agencies.

Providing recreation facilities for "starved" metropolitan areas.

Youth guidance program assigned to prevent delinquency.

Orderly future planning under State Planning Commission.

A farm program administered and approved by practical farmers.

Should the incompetent, radical-supported New Deal continue, we may end with dictatorship. THIS may be your last chance to vote for the preservation of your freedoms.

Farm Bureau President Urges People To Vote

Pointing to the fact that only 62 per cent of the eligible voters actually voted in the 1940 presidential election, F. R. Clements, president of the Washtenaw County Farm Bureau, issued a statement urging a heavy turnout at the polls on November 7.

"It is our duty, not only as rural and small-town citizens, but as Americans," said Mr. Clements. "Voting is a right—a privilege—for which our sons and brothers are fighting in many parts of the world today. It is our duty to them and to ourselves to vote in this national election when so many crucial issues are at stake."

Mr. Clements' statement came in response to an appeal from the American Farm Bureau Federation which was sent by C. J. Reid, president of the Michigan State Farm Bureau to presidents of all county organizations. The Farm Bureau Federation is now carrying on a nation-wide campaign, strictly non-partisan, urging rural America to vote in the November elections.

Farmers and citizens of small towns can have a powerful voice in governmental affairs through their representatives if they will get out and vote for the men of their choice, according to Mr. Clements. He added that rural people have the power to influence national politics if they will only use it. He called attention to the fact that 77 per cent of the senators and 62 per cent of the congressmen come from districts which have no cities of more than 10,000 population and hence are predominantly rural. He said, however, that if America stayed at home on election day and the big-city vote turned out full strength, rural people would have an ever harder time from then on making their wishes heard.

In his statement, Mr. Clements said that although Farm Bureau members, like everyone else, are busy at this time, they and all other rural citizens can take off the necessary hour or two that voting requires. "We should remember," he said, "that our boys in the armed services are giving the best years of their lives to defense of their country. They were not too busy when the call came. We cannot and we will not be too busy to vote. We should, every one of us, go to the polls November 7 and thereby act as shareholders in America."

**Foster's Tavern Takes Central Fibre
By Surprise**

Sunday evening the Sylvan bowling alleys was one of the noisiest spots for miles around, the event being two match games. On alleys 1 and 2 the Sylvan Recreation and the Wishbone team from Jackson were bowling; but the main event was on alleys 3 and 4 where Foster's Tavern (ladies' team) and Central Fibre (men's team) were bowling. The first game was won by Central Fibre by 40 pins. Norm Phelps had the 5-7 split and picked it up; Rita Honeck had the same split and she also picked it up. The second game was just as exciting, and John Fischer really did some nice shooting—he picked up the 6-7 split and the 6-7-10, and the Fibre team won by 6 pins. Going into the last game and Foster's Tavern only 16 pins down, the ladies really were determined to win this last game. The marks were even until the 5th frame, when the ladies took the lead. Rita Honeck picked up the 5-8-10 split and the 6-8-10, and Foster's Tavern team won the last game by 54 pins. Total pins for Foster's Tavern, 2372; Central Fibre, 2334. Norm Phelps was high on men's team with 583; and R. Johnson on the ladies' team with 495. Everyone had a swell time, and hope none of the spectators lost their hearing.

The Sylvan Recreation team lost their match game by 101 pins. The totals were: Sylvan Recreation, 2473; Wishbone, 2574. Connie Hesel-schwerdt was high man on the Wish-bone team with 592; McMannis on the Recreation team, with 582.

**HISTORICAL SOCIETY OPENED
SEASON'S PROGRAM SATURDAY**

Seventy-three members of the Washtenaw Historical Society opened the season's program last Saturday afternoon, October 21, by visiting three of Ann Arbor's notable pioneer houses, and one of its latest modern structures—the Ann Arbor News building; then finished the excursion with tea at the recently built modern home of Mr. and Mrs. Paul Kempf, on Oxford Road.

The three pioneer houses visited were those owned by Mr. and Mrs. Reuben H. Kempf, 812 S. Division St., Mr. and Mrs. George Wahr and Mr. and Mrs. Mack Ryan, both on the corner of Division and Ann St. Professor Emil Lorch, president of the Society, commented briefly at each house on its architecture and history, and mentioned the effects on architectural design indicated in the modern approach to the designing problem as carried out in the Ann Arbor News building.

It had long been the hope of the Society members to visit these interesting old houses which have been so ably preserved by their owners in the key of the original designs. Although quite different in character, all are genuine examples of the period in which they were built—the Kempf and Wahr houses of the Greek Revival and the Ryan early Victorian. Moreover, the opportunity to see Mrs. Paul Kempf's charming modern house at the close of the afternoon made careful comparisons possible.

Whether this country continues as a democracy;

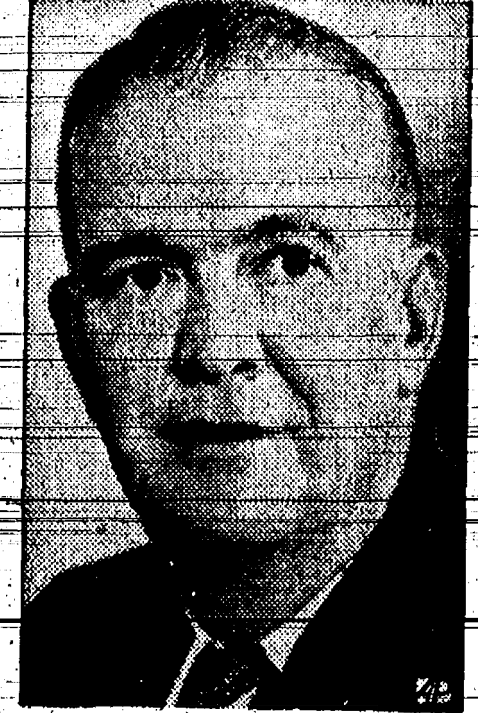

Whether more sacred traditions are to be broken;

Whether you and your children retain that priceless heritage of freedom;

Whether this country takes another step down toward absolute dictatorship.

You have an opportunity to protect America from the vicious assaults made on the very foundations upon which this great country was built. Use that opportunity by voting for Thomas E.
