With Our Men In Service

Captain Richard E. Hoelzer and his Fortress "My Mary Myrtle," named for his wife.

An Eighth Air Force Bomber Station, England—Captain Richard E. Hoelzer, son of Mr. and Mrs. Carl G. Hoelzer, Tipton, Michigan, and husband of Mary M. Hoelzer, 766 S. Main street, Chelsea, Michigan, has been decorated with the Distinguished Flying Cross, it was recently announced by the commanding general, Eighth Air Force.

The citation accompanying the award read: "For extraordinary achievement while serving as a pilot of a B-17 Flying Fortress on a number of combat bombardment missions over Germany and Nazi occupied Continental Europe."

Captain Hoelzer has participated in the huge daylight bombing assaults on industrial and military targets in Berlin, Schweinfurt, Munich and Leipzig. On "D" Day, he flew in the great armada that supported the gigantic assault on the invasion.

In addition to the Distinguished Flying Cross, he has received the Air Medal and three clusters.

Called To The Colors

Included in the inductees who are leaving Ann Arbor today to enter the service is Leonard Quigley, son of Mr. and Mrs. T. B. Quigley of Sylvan township. Leonard was born Aug. 12, 1926 in Lima township. He has recently been employed at the Central Fibre Products Co.

A farewell party in his honor, which was attended by 80 relatives and friends, was given Sunday evening at the home of his sister, Mrs. Harley Hatt. Mrs. Allen Alber and T. B. Quigley won high prizes in progressive euchre and Mr. and Mrs. William Quigley received the consolations. Robert Quigley won the traveling prize. Leonard was presented with a purse of money, and the supper was pot-luck.

Legion Asks for "Gifts for Those Who Gave"

To insure that no hospitalized service person is missed this year at Christmastime, the American Legion and the American Legion Auxiliary, with the cooperation of Eddie Cantor and his radio program, have the assignment of seeing that gifts are provided for wounded, sick and disabled service men and women in government hospitals.

Civilians are urged to purchase gifts suitable for presentation to hospital patients, pack them or have them packed, attach a list of the contents to the outside box covering and turn them over to the Legion or Auxiliary. Hospital officers point out as undesirable, gifts of candy, food, liquor, civilian apparel, magazines, crossword or jigsaw puzzles, scrapbooks, or any used or second-hand items.

Suggested gifts, based on a poll of hospital patients, include handkerchiefs, olive drab socks, ties, and scarfs; toothbrushes, tooth paste or powder, razors, and razor blades, hair tonic, jacksknives, cigars, pen and pencil sets, checker, and cribbage boards, poker chips, stationery, cigarette lighters and "cases, soldier's buckles and belts, shaving kits, zipper bags, shoe shining kits, hair brushes, and "bill-folds.

Listing of the contents on the outside of the package is important. Legionnaires point out, otherwise it must be opened and such a list attached before presentation. Personal cards may be enclosed if desired.

All of the gift boxes must be received by the Legion by December 10 in order that delivery to service men and women in hospitals may be made before Christmas.

Bond Sales Off To Good Start In 6th War Loan

A total of \$11,052.50 was invested by the people of Chelsea in War Bonds during the first twenty days of the 6th War Loan. Of this amount, \$3000 was in "G" bonds and the balance, or \$8,052.50, in "E" bonds.

As the real drive did not start until the 20th and the national election was very much on the public's mind for a large part of this time, the showing is fair. During the next week, from the 21st to the 27th inclusive, the total sales have been \$8,752.

The total sales to date have been \$20,804.76, and as this is less than we have purchased in previous drives at this stage of the sales campaign, it means that we will have to step up our purchases from now on.

The State Bond Sales Committee is urging the people of Michigan to do everything in their power to reach their bond purchase quota by December 7, the anniversary of "PEARL HARBOR."

There is no reason why most of our purchases cannot be made at once, thus getting the job over in record time.

Gallants should make it a point to see all of their prospects promptly. The bond purchasers can help a great deal if they will make their purchases at once, and then see that the bond number is given to the Gallant or person who regularly solicits them.

We have been promised some very sizeable purchases from various corporations including the State of Michigan, Railroads, Utilities, etc., but the real work has to be done in "E" bonds, and all of us have to do our part in this field.

—Chelsea War Bond Committee.

Red Cross Seeks Gifts For Men In Hospitals

Camp and Hospital Committee of Washtenaw County American Red Cross has received a request for 900 Christmas boxes for our service men in hospitals—500 to be sent to Percy Jones, 400 to Selfridge Field and Romulus Air Base Hospitals.

Anyone wishing to participate in this project may donate their gift according to the following suggestions:

1. Have all packages wrapped with Christmas colors and if donor wishes they may enclose their name and address with greeting.
2. List contents on card attached to outside of package.
3. Cost of package should not exceed \$2.00.
4. Perishable items such as soft candy, fruit and cookies should be omitted from the packages.
5. Practical gifts are: army color box and ties, handkerchiefs, automatic pencils, cigars, cigarettes, hard candy, toilet articles, smoking tobacco, stationery, sewing kits, billfolds, pipes, playing cards, small games.
6. Items easily broken should be eliminated. Fragile glass or sharp objects should not be included.
7. All local Christmas gift boxes are to be left at the residence of Mrs. A. L. Steger, Red Cross chairman, not later than December 12.

Christmas Seal Sale Is Endorsed By Governor

Tuberculosis Christmas seals to finance tuberculosis control work in Michigan have been received by thousands of Michigan residents in their mail this week. This annual seal sale, which opened Monday, November 27 and runs until Christmas, was heartily endorsed by Governor Kelly as an essential home front activity.

"Christmas, 1944," the Governor said, "is the thirty-sixth anniversary of the sale of the first tuberculosis Christmas seals in Michigan. The Michigan Tuberculosis Association, with the help of warm-hearted citizens who have purchased seals, has waged a telling fight against this dread disease. Since 1908, the tuberculosis death rate has decreased by two-thirds."

He pointed out that this success was not justification for relaxing the effort to control tuberculosis. Wartime conditions have caused the tuberculosis death rate to increase for the first time in many years. "Because a healthy people is essential to victory," the Governor said, "we cannot afford to lose the initiative in this great home front battle against death."

"Therefore, as Governor of this state, which has been called 'the Arsenal of Democracy,'" he continued, "I urge the people of Michigan to support wholeheartedly the 1944 tuberculosis Christmas seal sale."

SOMEBODY'S SANTA CLAUS THAT'S YOU!

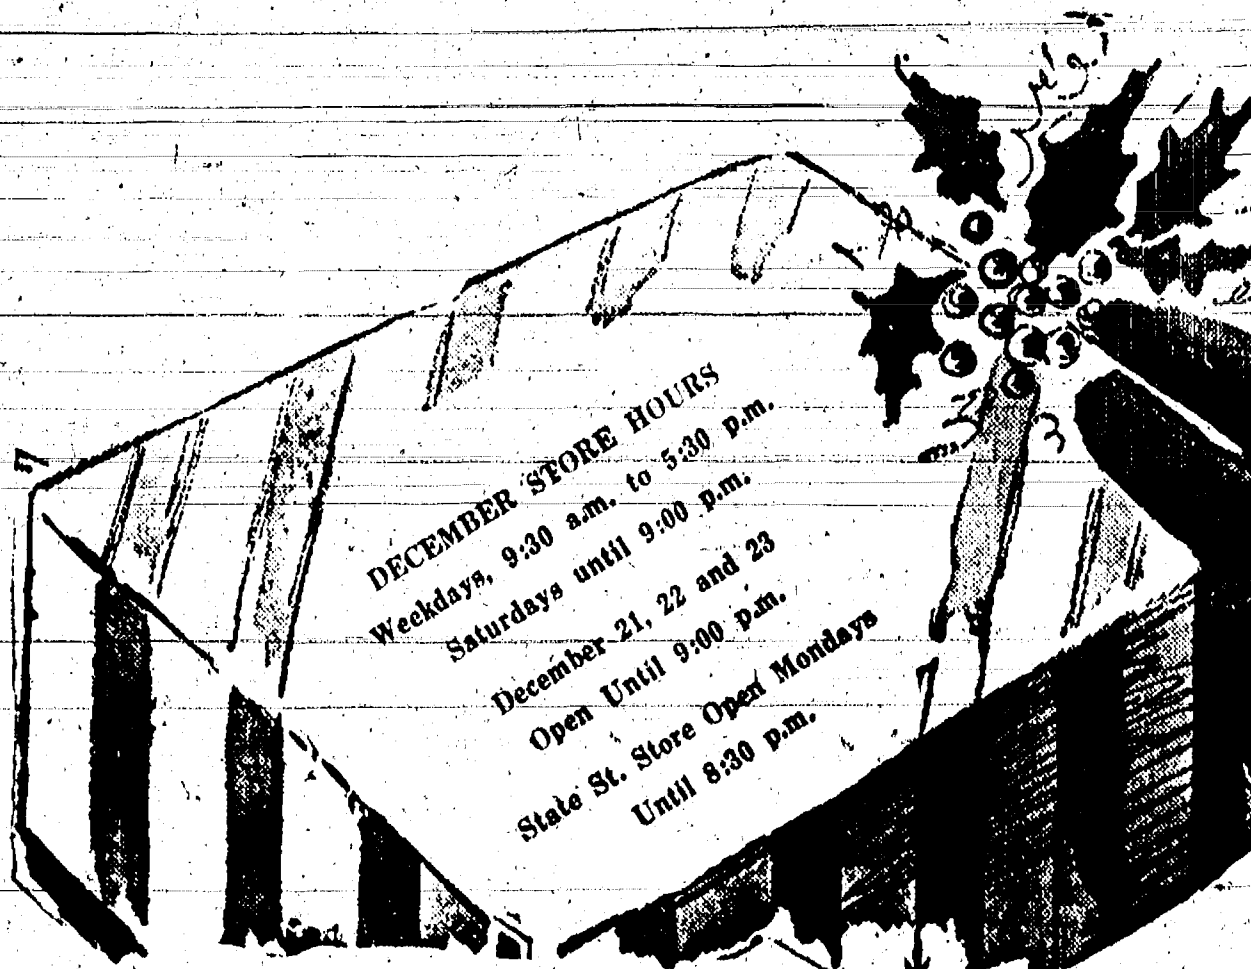

If it weren't for you and millions of other people like you, there wouldn't be any Santa Claus at all. The jolly fat man in the bright red suit would mean very little, and his well-filled pack would be just a vacuum.

Thank heavens . . . and thanks to YOU . . . he IS REAL. Just as real as your affection for those you love. For all his kind generosity is but a reflection of your own unselfish spirit.

So, when we say Santa is a grand old soul—when we say we love him and all the sweet sentiment he represents—YOU know who we're talking about. It is YOU and YOU, and YOU. You who trim the trees, wrap the gifts, send the greetings, hang the mistletoe.

That's who we mean when we say, "God bless Santa Claus—and keep him!"

Chelsea Standard Files Now At Public Library

We are continually hearing about matters that happened in far away places many years ago. Some records go back thousands of years.

Chelsea is less than 100 years old, and much of its history has been lost or will be if we do not start to preserve what records can still be located.

A step in this direction has been taken by the Chelsea Public Library in a recent agreement entered into with M. W. McClure, publisher of The Chelsea Standard.

The Library has been accumulating copies of The Standard with the idea that they would some day bind their copies, but a much more economical plan has been worked out.

Mr. McClure had on hand, in well bound volumes, fifteen years of his paper, and he has consented to turn over to the Chelsea Library the volumes covering the eleven years from 1929 to 1940, and to add another volume each year, retaining for reference in the printing office only the latest three volumes.

Mr. McClure has also consented to release to the Library such of his back files of the Chelsea Standard as are suitable for binding. The Library plans to have these bound as fast as the money required for this binding can be spared, without encroaching too much on the money needed each year for the addition of new books. It is thought that about ten volumes of these old papers can be bound each year.

The Library has provided a substantial case for filing the volumes of The Standard, and those for the years 1929 to 1940 are now on file ready for the use of the public.

The Library Board is very grateful to Mr. McClure for this substantial gift to the people of Chelsea, and to Henry C. Schneider, who originated the splendid idea of installing these records in the library and who constructed the cabinets in which these valuable files are housed.

The record of Chelsea and vicinity that is contained in these volumes is invaluable, and the community will realize increasingly as the years go by how fortunate we are to have this record of our community's happenings.

The Library Board.

Washtenaw Gives \$1000 To Veterans' Hospital

Washtenaw county individuals and organizations have given almost \$1000 to be used for furniture at the Veterans' Facility hospital, according to a report from Mrs. John Worley and Mrs. Howard Holmes, chairman and vice-chairman of the Red Cross camp and hospital committee.

Contributions, which are still being received, are the result of an appeal made by the United States Veterans Facility at Battle Creek to the Red Cross Camp and Hospital committee which acted as the channel through which the funds could be sent to the hospital.

The money is being used to furnish the small rooms used by patients for private visits with members of their families.

"Veterans' Facility furnishes all of the actual necessities in the hospital," Mrs. Worley pointed out, "but the doctors feel that the creation of a more homelike atmosphere greatly improves the morale of the patients."

Through gifts visiting rooms which previously contained only two straight chairs will be furnished with a small settee, two attractive chairs, a small table, and a picture without glass.

In Chelsea, contributions were made by the Kiwanis, the Moms, Order of Eastern Star, Pythian Sisters, Women's Relief Corps, American Legion, Chelsea Study Club, Chelsea State Bank, Chelsea Lumber, Grain & Coal Co., Chelsea Milling Co., and the American Legion Auxiliary.

The County Red Cross committee wishes to add its "thank you" to these contributors.

Survey of M-92 Being Made By State Dept.

Lansing—State Highway Department Commissioner Charles M. Ziegler reports a State Highway Department survey party is at work on M-92 between Chelsea and North Tawassent Road to obtain information which will be needed for reconstruction of this highway, as one of the proposed postwar road construction projects in Washtenaw county.

At present the highway between the two above mentioned points has been built up from a narrow dirt road by means of maintenance from time to time. It has a number of bad

curves and grades which must be eliminated.

When the survey has been completed and an alignment for the new road determined the Department will proceed with drawing plans required for the postwar construction of this project.

GIRL SCOUTS SERVE TEACHERS
The Girl Scouts of Patrol 1 had a supper on Monday evening. We had five teachers as our guests. The purpose of this supper was that some girls earned parts of their Cooking Badge, while others worked on their Hostess Badge.

ANSWER YOUR CALL

Attention: All high school students, our 6th War Bond Drive is on! As you know, the grade school has always far exceeded the high school in stamp and bond sales; let's fool them this time; let's go over the top, and then keep buying.
Most of the high school students have earned money this past summer; good money that they probably will never have the chance to get again. Where has it gone? What good has it done them? What have they to account for it? Maybe a few pounds they gained from the sundae or soda they had, but what else? No savings, and no help to our boys overseas. They are fighting this war for us, so we can go to school (any school), to church (any church), and most of all so that we can be just plain 100 per cent Americans.

We have got to put the weapons in these boys' hands. What do you say, gang? Let's get together on this 6th War Bond Drive and show our boys that we are really behind them.

TO COACH CAMERON!

Even tho' the football season is over, we shouldn't forget the time, work, and energy Mr. Cameron put into making our team what it was. As a final reminder, the following verse is dedicated to one of the best coaches Chelsea ever had—Mr. Cameron. He taught them how to kick and pass, to tackle, and block, and run; to play the game with all they've got, until it's really done! But he also taught a greater art. The art of playing fair. An art to mark them all their lives. So you'll know them anywhere! He taught that a team playing as one will be on the winning side. And that whether they win or lose the game, they can take it in their stride. To some, the things he taught the team were just ways to win the game; but he looked to the future, when these same things would help them rise to their fame! And so there are many of us today, who will come to a time in life when a coach's words will return to us and help us through some strife.

BULLETIN BOARDS

Bulletin boards not only add to the beauty of the school, but also help to further our education. On the bulletin boards recently several interesting

articles about different sections of the United States have been placed.

Next week the Journalism club is planning on putting up an exhibit which will contain news obtained by the club from other schools in exchange papers. Some service men's letters will also be put up.

This week the small bulletin board carries a pictorial product map of Australia and explanatory charts about the government war effort, and so on.

On the large bulletin board remain some of the covers of books displayed during Book Week.

WHAT WOULD HAPPEN IF—

Ruth were Wolf instead of Fox.
Rita were Pound instead of Gross.
Shirley were Less instead of Moore.
Marie were Summer instead of Winter.

Katherine were Spring instead of Geor.
Neil were Shore instead of Beach.
Therese were Tigers instead of Lyons.

Donald were Drinker instead of Eater (Eder).
June were Scarf instead of Vall.
James were Stout instead of Gaunt.
Charles were Carpenter instead of Smith.

Jane were Upper instead of Downer.
Bill were Trees instead of Waters.
Leroy were June instead of May.
Donald were Engine instead of Doll.

Joan were Strike instead of Pierce.
Duane were Mound instead of Clark.
Ruth were Peter instead of Paul.
Maybe it wouldn't stop the world if the names were changed, but you must admit it's something to think about.

BAND

The band will give a concert on December 15.

Nathan Anderson, cornet soloist, who is to appear with the band, is from Detroit. He is enrolled at the University of Michigan. He played with the Grosse Pointe High School Band before coming to the University. Many authorities believe that he will become one of the finest cornetists ever to attend the University of Michigan. It is a rare treat to have him on our concert program.

STUDENT COUNCIL

The motion was made by Bragdon Barlow that the Student Council should take one-third of all party income to make enough money to sponsor a special party with an orchestra. The motion was seconded by Bob Gross and was carried.

After some discussion Vervie Steinaway made the motion that the Seniors should sponsor the Christmas party. It was seconded by Bob Gross and the motion carried.

Donna Perkins made the motion that the people who break any of the records should buy an equal number of new ones. Douglas Vogel seconded the motion and it was carried.

The motion was made by Bragdon Barlow and seconded by Vervie Steinaway that various signs should be put

up in the locker rooms about stealing things from lockers. The motion carried.

Donna Perkins made the motion to organize the C.E.I., Chelsea Bureau of Investigation, and the motion was seconded by Vervie Steinaway and passed by the Council.

The Student Council decided to hold meetings both Tuesday and Wednesday of this week.

The meeting was closed by the president.

SENIOR NEWS

Robert Gross was chosen the new Student Council representative.

CLASS NEWS

The Juniors are having a bake sale at the Chelsea Hardware store on Saturday, December 2 from 2 o'clock until goods are sold.

SENIORS OF '45'

In Chelsea on July 13, 1927, James Leonard Gaken caught his first glimpse of our fair city. Jimmy is six feet tall, weighs sixteen ounces to every pound, has dark brown hair and eyes. As all football fans know, Jimmy goes all out for that sport. Jim has no particular ambition and any food is satisfactory. His favorite song is "Dance With a Dolly."

In Lima township on September 14, 1926, Vervie Frederick Steinaway was ushered into the world. A total of eighteen years has passed since then and Vervie is now a Senior. He has blue eyes, brown hair, weighs 165 pounds, and is five feet and nine inches tall. Vervie's favorite song is "I'll Walk Alone," but we can't figure out eighteen years has passed since then. As far as eating—"anything good" belongs on the menu. Vervie's ambition is the same as most Senior boys—"The Army."

GRADE NEWS

Eighth Grade

(By Deloris Eisenmann and Ellen Jane Geddes)

We are having reports on the different phases of communication in history. They are very interesting. In science we are learning how seasons affect animals and plants.

We had two tests in Reading last week. One was in Literature and the other was in Current Events.

Joyce Gersford and Deloris Eisenmann have been winning the spell-downs lately.

Doris Downer has rheumatic fever and has not been able to return to school yet this year, but she is working faithfully at home.

The week before last our class made a trip to the village library and Mrs. Eaton explained how we might get the most benefits from it. It is going to be a big help in our school work.

Seventh Grade

By Roslyn Reule

This week we are very proud of our stamp sale, which was \$142.50 with a percentage of 48. Our year's total is \$266.60.

Mrs. Ella Christman has volunteered to sew our afghan for us. The squares will be in her hands by the time this issue is printed.

In geography we have made product maps, showing the production of various United States regions. During our visit to the library Mrs. Walworth told us many valuable things about how the library is organized and used. She has many new and interesting books.

We had a test in Current Events, in which high honors went to Betty Jean Osborne, Peggy Schable, and Jean McClure. In home-making we are making our home projects, some of which are skirts, dresses, blouses. All of the girls enjoy home making.

We voted to accept the offer of a Kentucky family to exchange serviceable but outgrown children's clothing for holly and Christmas greens. We are now collecting clothing. Any contributions will be acceptable and highly welcomed.

Cassidy Lake News

Delivering his first sermon to the men of the Cassidy Lake Training School, Rev. P. H. Grabowski, held Thanksgiving services for the men at this camp on Wednesday evening, November 22.

Rev. Grabowski has always been a regular visitor at the Camp, giving advice and consolation to those who have requested it. He has never failed to boost the program that is being administered at the Camp.

The men, showing their appreciation of the attitude of Rev. Grabowski, presented a 100 per cent attendance at the sermon, every man in the Camp being present for the service. Song service for the Thanksgiving sermon was led by Edward Blewski.

Lieut. George F. Parish, Superintendent of the Training School, along with Mrs. Parish and several guests attended.

The jinx that has been following the Cassidy Lake Training School, still lingered when the Bulldogs from Chelsea again returned to the camp for the fifth and sixth games of the season, November 24.

Under the captaincy of Gaken, May, Adams, Carraher and Gross gave the men of Cassidy Lake a fine exhibition of basketball playing, stressing the finer points of teamwork.

Unable to play, captain of the Cassidy Lake team, Jack Bartels, relinquished his position to Charles Vermilyer for the evening and with such men as Pembroke, Reymore, Hartley, Adado and Terry gave the Chelsea Bulldogs two of the toughest games ever played at the Training School. At the end of the final quarter, the score stood at a 37 to 20 defeat for

Cassidy Lake. Topping the scoring honors for the two teams were: Jim Carraher for the Chelsea Bulldogs and Thomas Pembroke for Cassidy Lake.

In the second game, Manager Don Alber led his team onto the floor to defeat the Cassidy Lake Five to the score of 27 to 19. His line-up included such stars as Colquhoun, Munro, Duth and Slane who have never failed in the past to present themselves a tough team to beat.

The last time Don Alber and his team-mates played a double-header at the camp they never substituted once in either of the games. So, the men of the Cassidy Lake team returned the compliment, by playing their two teams, making only one substitution.

The game was refereed by Rev. Everett R. Major of the Chelsea Methodist church. Other officials were Dick Foor, who being unable to play because of a recent operation, acted as scorekeeper, and Raymond Farrett acted as timekeeper.

Although the Cassidy Lake team has lost their first six games of the season on their home grounds, they have confidence they will come out winners when they play their first game in the Chelsea League, Nov. 30, at Chelsea.

PIN CHATTER

M. Birch had stuff on the ball Wednesday night. She started her last game with five strikes for a score of 231. Her series 496—that's really a swell game, Mary.

Really some of our girls hate to pay one cent for those old splits so they're just keeping their money and sliding them over, for example:

P. Alexander picked up the 7-9; R. Meehan the 5-7-9; D. Ashley the 5-10; J. Floyd the 5-7; A. Harris the 2-5-7; and E. Tucci the 4-5-7-8. That's

what I call nice picking—you see, it can be done.

R. Honeck hasn't been able to bowl for three weeks. We hope she will soon be back, and so does Rita.

We've certainly got to have V. Park back bowling on Dec. 20—that's a special occasion, so give that wrist plenty of rest, Viv.

Just because Thanksgiving is past

now, let's have some more "turkey" on those score sheets (three strikes in a row).

Only eight more weeks in our first half so anyone or any team can win themselves some extra prize money.

Anyone interested in buying a "split" ball might see R. Johnson, providing she still has it. After her nine splits Wednesday night, its doubtful.

**TODAY—570 of our boys
will pay for war the HARD WAY**

American casualties now average more than 570 for every day of war. As the conquest of Japan advances, losses will probably be higher.

U. S. Marine Corps

THEY still die—will YOU buy?

THE BIGGEST JOB IS STILL AHEAD BUY BIGGER BONDS!

It's a BIG farm year—buy BIGGER Bonds!

Here are 6 big reasons for buying the most you can—\$100, \$500, \$1,000—in the big 6th War Loan. War Bonds give you:

1. The best and safest investment in the world.
2. At maturity, \$4.00 for every \$3.00 you loan.
3. The convenience of cash—plus increase in value!
4. Funds to replace and restore worn-out farm equipment, soil fertility, and buildings.
5. Funds for educating your children; a nest-egg for your own security, travel, retirement.
6. The increased purchasing power vitally needed to win the Peace.

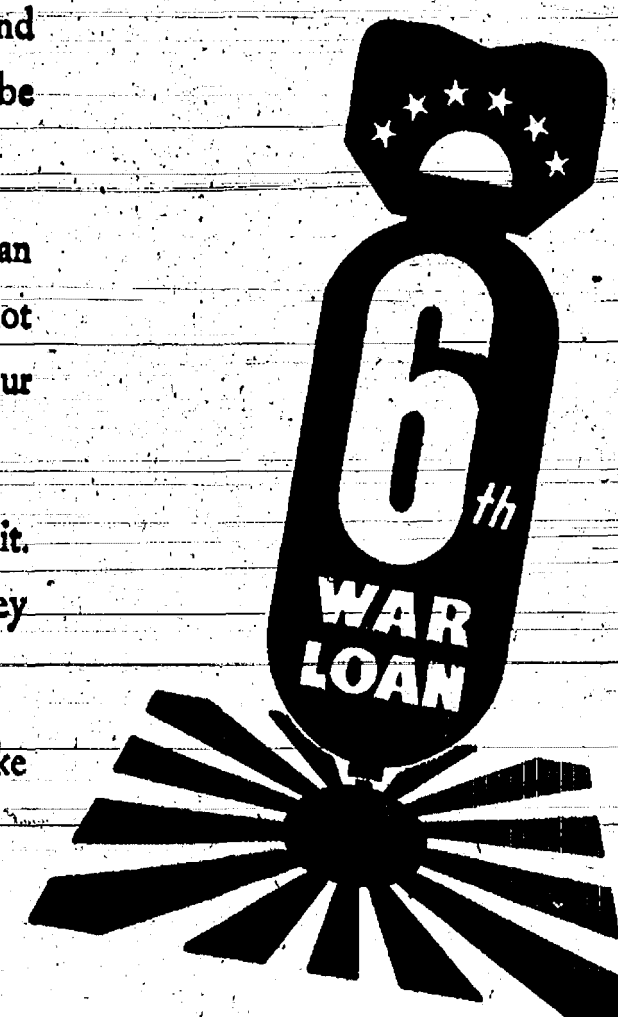

THEY still die—will YOU buy?

WILL you loan dollars, while they give lives? The conquest of Japan will probably be the costliest war in history. Distances are enormous. The enemy is tough and fanatical. We have no reserves of supply within thousands of miles—everything must be transported. And war in the Pacific requires special equipment, not used elsewhere.

Loaning money is the easiest part of the war effort; but it is no less important than fighting. One B-29 Superfortress to bomb Tokyo costs \$600,000. To train the pilot costs \$27,000. Each torpedo costs \$12,000. Because of the vast distances, it takes four to six ships, constantly in motion, to deliver one shipload per month.

The Japs think our home-front is soft. They think we'll get tired of the war and quit. Well—it's up to you. Our fighting men aren't quitters; the Japs know that. It's you they are counting on.

Let's give them the answer—in the 6th War Loan! Let's show Tokyo we can "take it," too! Buy BIGGER Bonds, and we'll finish the big job faster.

SHOE MAN TELLS ALL—Admits he's amazed that such tough, long wearing shoes as Wolverine Shell Horsehides should actually be moccasins-soft and comfortable. The explanation is simple: Years ago, Wolverine experts developed a triple-tanning process which retains all the enormous wear-defying strength of shell horsehide, yet tans it soft as buckskin for uppers, flexible as bamboo for soles. It stays that way always, too; even dries out soft and flexible after a soaking. Get the whole story from Quality Shoe Repair. -19

Y. M. CHILD STUDY CLUB
The Young Mothers Child Study club met Tuesday evening at the home of Mrs. Clarence Vogel. As this was Red Cross night they were entertained by two members from the Ann Arbor chapter of the American Red Cross. Mrs. Frayer, who is connected with the volunteer corps service, gave a very interesting talk on the different activities of the Red Cross and how it benefits our boys in the service. Mrs. Calhoun, who is associated with the motor corps, and also the first-aid service, showed movies of the Red Cross in action on different battle fronts. Dainty refreshments were served by the hostess, assisted by Mrs. John Osterle. The next meeting of the club will be held December 12 at the home of Mrs. Jean Crocker.

CARD OF THANKS
We wish to extend our heartfelt thanks and appreciation for the acts of kindness, messages of sympathy and the beautiful floral offerings received from our kind friends and neighbors during our recent bereavement, in the loss of our beloved father and grandfather.
