Mr. and Mrs. Wm. Otto of Lyndon received word Tuesday that their son, Pfc. Louis E. Otto, had been injured in Germany on Nov. 21 from a piece of shrapnel, which entered his left side and lodged in the stomach. Pfc. Otto states in the letter, which was written for him by a Red Cross nurse, that his side is all taped up and that he is bandaged much the same as though it were an appendix operation. He is a patient in a hospital somewhere in Belgium.

Pfc. Otto was inducted into the army on Dec. 17, 1943 and received his training at Camp Walters, Texas and Fort Geo. Meade, Maryland, leaving for overseas duty June 1.

Mrs. W. D. Pearson received a letter from her husband, Pvt. "Bud" Pearson, which she submits for publication. Mrs. Pearson and children, Byron and Elaine, are visiting with friends and relatives in southern Illinois until after the holidays. The letter follows:

Leyte, Philippine Islands.
Dearest Juanita,

I have time this evening to write more about what I'm doing now. I don't need to say that I was excited when I found out where we were going and more so as the days passed by. We had a beautiful day-break on Oct. 20 and it was hard to believe, as we sailed smoothly along in the early morning, that in a few hours all would

CHS Band Will Give Free Concert Dec. 15

On Friday night, December 15 at 8 p.m. the Chelsea High School Concert Band, conducted by Henry E. Busche, will present its first formal concert of the season. The band will be assisted by artist musicians from the University of Michigan.

This will mark the first appearance of the local concert band under its new conductor, Mr. Busche. In addition to instructing the local organization, he is also assistant to William D. Revelli, conductor of the University of Michigan Bands.

Mr. Busche formerly resided at Nappanee, Indiana, where he was conductor of the high school concert band there. This band was recipient of first division honors in the state contest for the past four years. Mr. Busche now resides in Ann Arbor, where in addition to his duties as conductor here and assistant to Mr. Revelli, he is working for his master's degree.

The concert program on December 15 will be varied and stimulating to the hearer. Although the concert band is smaller than previous bands here, the enthusiasm and interest shown in rehearsals promise more than making up that deficit.

There will not be any charge for the first concert, and everyone is cordially invited to attend. The program will not be more than an hour in length so that plans for other events later in the evening may be carried out by those attending the concert.

WINS D.A.R. AWARD

The "Daughters of the American Revolution" award for good citizenship is given each year to a Senior girl. It is based upon dependability, service, patriotism and leadership. The senior class and the faculty make the choice.

This year the award was given to Marjorie Gilson, daughter of Mr. and Mrs. Gale Gilson. She attended school at East Lansing for one semester, then came to Chelsea to receive the rest of her education.

Marjorie will attend the annual D.A.R. meeting in Ann Arbor.

ILLUSTRATED LECTURE

Prof. Baxter of the University of Michigan School of Forestry, will give an illustrated lecture on Alaska at the Methodist church Wednesday evening, Dec. 13 at 8 o'clock, under the auspices of the Fellowship club. Prof. Baxter has made eleven trips into Alaska. His lecture will deal with the people and their habits. This should be of interest to everyone since Alaska has been brought much nearer to us because of the war. The public is invited.

be different. For several hours we watched the shore draw nearer and nearer. Then the Navy opened up on the beach. The barrage started with a few shots here and there along the shore. In about an hour the thing was in full swing, just a continuous roar.

For four or five hours it continued without a break. How anything could have lived in it is more than I can understand. As the time for the landing drew nearer all our thoughts and prayers were for the boys who were going in. What they felt I can't know. They went in, and in a few minutes over the radio came the news that they were 200 yards inland, and in 10 more minutes came the news that they were 500 yards inland. That was the last we heard until we went ashore. They went ashore on Oct. 20 at 10 a.m. and we went ashore at 5:30 p.m. the same day.

In a few minutes sections of the artillery were in action. That was the hottest part of the battle for us as the Japs were within mortar range. By the next night they were practically knocked out and while we have kept on their tails since it's been relatively quiet.

I saw General MacArthur about the third day. I was in his tent and much praise for our battalion. It is rumored that we will receive a citation from him and also President Roosevelt for our part in this battle.

I've seen a good bit of firing but it's still a revelation to me that these boys can be so accurate at long range. They can and have laid down a rolling barrage in support of advancing infantry which amounts to placing the projectiles from 50 to 100 yards ahead of our boys while they are on the move. They tell of one night when a Jap mortar was causing some trouble up front and a call was sent back for artillery. The firing officer made his calculations and soon No. 1 was on the way. He only fired one because word came back that he had made a direct hit.

We've lost lots of sleep because of these guns but if they sound sweet to

Start Safety Program For School Children

Local school officials and police officers have started a safety program which they hope may prevent injury or death to children on their way to and from school, or at any other time.

School children who must cross Main street are being asked to cross at the Park street intersection, and a police officer is stationed there to instruct the children as to the proper method of crossing with the signal light.

Police officers state that it is difficult to make much impression on the children when adults are crossing without even noticing the signal light. They ask that all adults, as well as children, cross the street with the light, and to wait for this signal.

The thoughtfulness of an adult may save the life of a child!

Escaped Officer Tells Of Seeing Capt. Beach

Mrs. D. E. Beach recently received a letter from Capt. John Gillespie, of Iowa, in regard to her son, Capt. Kenneth Beach, who was long held as a prisoner in the Philippine Islands.

Capt. Gillespie, who was a good friend of Capt. Beach, writes that he last saw Kenneth in March, 1944. He was then in good health and his morale was high.

He stated that Capt. Beach was sent north about July 4, he thinks to Japan or Formosa.

Village Buys Vogel Bldg. On E. Middle

Will Remodel And Use For All Departments Of Local Government

Announcement was made by village officials on Tuesday that they had purchased of Mrs. Margaret Vogel her three-story brick building on East Middle street, which will be used as a municipal building to house all the various village functions.

Walter D. Mohrlock, village president, stated that final action on the transaction was taken by the council at their regular meeting on Monday night, and that the village is to take possession of the building on February 1, 1945. Peter Grafon's Super Market now occupies the first floor of the building.

According to Mr. Mohrlock, the council plans to employ an architect to draft plans for the most efficient use of the building by the village. It is planned to house the fire trucks here, as well as the offices of the Electric & Water Dept., and it is hoped to provide adequate space for the Chelsea Public Library. Council rooms and police headquarters will be provided for, rest rooms will be included in the improvements, and a civic auditorium is a possibility.

The newly-acquired building has a frontage of 46 feet on Middle street, and is approximately 75 feet in depth. There are three floors and a full basement, and is equipped with a steam heating plant.

A municipal building has long been needed in Chelsea, and many administrations have considered existing possibilities, as well as a new building. However, the present council feels that the purchase and remodeling of this building will be much cheaper than a new building, and will well serve the needs of the community.

A representative of the State Highway Department attended the village council meeting on Monday night, and arrangements were made to move Chelsea's two stoplights to the center of the intersections, rather than to purchase two more lights. This change will cost the village about \$800, according to President Mohrlock.

Chelsea's 6th War Loan Purchases Now \$95,093

Chelsea's bond purchases have been as follows:
From Nov. 1 to 18 \$12,052.75
From Nov. 21 to 27 5,752.00
Nov. 28 to Dec. 4 22,488.75
Corporations to date 51,800.00

Total to date \$95,093.50
Compare this with Chelsea's quota of \$325,000, and it will be seen that Chelsea has a very long way to go to make its quota.

Our purchases thus far have been divided as follows:
"F" and "G" bonds \$11,428.50
"E" bonds \$1,865.00
Corporation bonds 51,800.00

Total \$95,093.50
As in the past, we are giving you the figures as fast as they are produced by the purchase of bonds, and we again urge all of Chelsea to make their purchases as soon as possible so as to close that gap between our purchases to date and the quota that has been assigned to Chelsea.

Chelsea War Bond Committee.

APPEAL FOR HISTORICAL ITEMS

The Washtenaw Historical Society is sending out an appeal to citizens of Chelsea who may consider themselves county pioneers to contribute to their collection.

Items of historical importance may be photographs, newspapers, letters and diaries, county and church records, hand bills, maps, and campaign badges.

Such material may still exist unknown to any except relatives and friends, in trunks and attics, letter boxes and desks. Let's all look and see.

All such material may be sent to Miss Geneva Smith, 2005 University Museums Bldg., Ann Arbor.

DEATHS

William E. Russell
William E. Russell, 34, former Chelsea resident, died Friday, December 1, at the Veterans' hospital, Dearborn, after a long illness.

The son of Edward and Evelyn Russell, he was born July 12, 1910 in Detroit. He lived in Chelsea for several years, moving to Ann Arbor in 1929. In July, 1933, he married Loretta Morah of that city.

He served as engineer for the State Highway Department until he entered the Army Air Forces June 5, 1942. In August, 1943, he was given a medical discharge from the service.

He was a member of the Chelsea Congregational church, Golden Rule Masonic Lodge, Washtenaw chapter; Zal Gas Grotto, Ann Arbor; Ann Arbor Commandery and the DAV.

He is survived by his wife, and two sisters, Mrs. Wallace B. Whiting of Tecumseh and Mrs. James J. Munro of Ann Arbor. Funeral services were held at 2 o'clock Sunday afternoon at the Muehlberg chapel, with Rev. W. H. Skentelbury of Chelsea officiating. Burial was at Washtenaw Memorial park, with Masonic rites.

Mrs. John Schlee
Mrs. John Schlee, 73 years old, died suddenly Wednesday night, Nov. 29, at her home, 1605 Brooklyn Ave., Ann Arbor. She had suffered a heart attack late in August.

Mrs. Schlee, formerly Gertrude May Judson, former resident of Chelsea, where she was born Sept. 6, 1871, the daughter of William and Frances (Morton) Judson. She graduated from Chelsea high school in 1891 and in 1894 the family moved to Ann Arbor, where Mrs. Judson served as Washtenaw county sheriff for two terms. She married Mr. Schlee in 1895.

Mrs. Schlee was a member of the Goodwill and Congregational circles of the King's Daughters, was president of the county King's Daughters' organization and was a member of the Woman's club and the Congregational church, Ann Arbor.

She is survived by her husband; a son, Herbert J. Schlee of Chevy Chase, Md., and two grandchildren.

Funeral services were held at 2:00 o'clock Saturday afternoon at the Staffan-Hildinger funeral home, with Rev. Fred Cowin officiating. Burial was in Oak Grove cemetery, Chelsea.

31 VETERANS PLACED IN JOBS
Manager Lawrence Hamberg of the Ann Arbor office of the United States Employment Service, announced last week that 31 veterans of World War II were placed in jobs by the USES here last month.

"We want all returning service men to know that the latch-string at the Employment Service here is always out to them. Finding them suitable jobs is one of our greatest ambitions and one that we are proud to perform," he declared.

The Employment Service office in Ann Arbor is located at 312 E. Huron street.

With Our Men In Service

Mrs. Lyle Haselwerdt submits the following excerpts from a letter received recently from her husband, Sgt. Lyle Haselwerdt:

Somewhere in France, September, 1944.

I guess enough time has passed so I can tell you a few things. Our outfit was the first supply unit to arrive in France after D-Day. When we first arrived we were only three miles back of the front lines. The artillery was about in our back yards. It was terribly noisy, day and night.

The "Jerry's" visited us every night, but have been pretty scarce lately. We would watch the "Ack-Ack" going up to meet the planes, and saw several shot down.

It wasn't very healthy outside anywhere, as the sky would be a mass of red balls, and pieces of dropping shells.

We will be moving on soon and no telling where our next jump will be.

Sgt. Lyle Haselwerdt, 52nd Q.M. Supply Depot.

P.S.—I am going to Cherbourg soon and am going to try and locate Carl Schneider, as someone wrote he was there.

Cpl. Veryl Haffey, stationed at Tindall Field, Fla. recently received the following letter from his brother, S-Sgt. Earl Haffey, who is in Luxembourg. Both boys are sons of Mr. and Mrs. Fred Haffey of Sylvan. The letter follows:

Luxembourg, Oct. 16.

Hi Toke,
Well, I received a letter from you the one you wrote the 19th of Sept. It sure took it a long time to get here. I thought you were still in Florida from the letters I get from home. I haven't heard from Merlyle or Glen.

I am feeling fine and am OK. I was in the hospital only two weeks and now my arm is as good as new. That shrapnel is pretty bad stuff, though.

Well I have seen quite a bit of France and am in Luxembourg now, of course I can't say just where. I didn't get a chance to do much with the French girls, though. We don't get a chance to go to town—we have been too busy for that.

Normandy was a hell of a place—nothing but hedge-rows, although there were some pretty good farms there and they had some good cows, but after we went through about half of the livestock was killed and about all the buildings demolished due to bombs and artillery and a few other things.

Rennes was a beautiful city but we only went through it and didn't get a chance to do anything.

Brest was a hell of a place, the toughest we saw yet. That's where I had a little trouble. There is nothing but hills and mountains around there. I was on the Crozat Peninsula also. We made a beautiful detour around Paris so I didn't see it. The land is pretty level around Paris and it looks like good farming country.

But here we are in Luxembourg now and hope to be in Germany soon. Luxembourg is quite a rich place, the houses are pretty nice and the towns are the best I have seen, and the people seem to have most everything.

There is quite a bit to drink over here but we don't get a chance to get much of it. I have had some good champagne, cognac and wine, but could use more.

It rains here quite a bit, and is pretty miserable outside, but at the present time I am in a dry place.

Well I am glad you are still in the States and hope you can stay there. I guess this will be all for tonight. I am sending you 28c in Luxembourg money.

Earl.

Louis Policht, son of Mr. and Mrs. Joseph Policht, who is on active duty with the U. S. Navy in the Atlantic, has been promoted to SM-3C.

Sgt. Gordon E. Hetu, 19 years old, a Fortress turret gunner, was killed Sept. 28 in Europe on his 26th mission. He had previously been reported missing. The official report was received through the Red Cross. He was the only son of Mr. and Mrs. Raymond Hetu of 8821 Webb, Detroit. Mrs. Hetu was formerly Esther Johnson of Chelsea.

Mr. and Mrs. Ed. Miller received a letter this week from their son, Jack Miller, Coxswain, U. S. Navy, who stated that he is now in New Guinea, and that he has been at New Caledonia, New Hebrides, New Zealand, Bougainville, New Georgia, Florida Islands, Fiji, Guadalcanal, Marshall Islands, New Britain, and the Philippines, where he took part in the invasion. Jack has been in the United States Navy almost two years, and has been in the South Pacific for 14 months.

Roland W. Spaulding, stationed at Camp Maxey, Texas, has been promoted to the rank of sergeant.

Camp Pendleton, Oceanside, Calif.—Marine Pvt. Alexander W. Buku, USMC (955554), son of Mr. and Mrs. John K. Buku of Madison St., Chelsea, Michigan has been graduated from the Infantry and Browning Automatic Rifle Section School at Training Command here.

Graduates of this school have completed thorough training with the B.A.R., M-1 Garand and Carbine rifles, hand grenades, anti-tank grenades and are exceptionally well versed in the use of the bayonet and knives for jungle warfare.

Marines graduating from this school will be assigned to Infantry Battalions

and their training has prepared them for amphibious landings and establishing and securing beach heads.

Private Buku, born March 5, 1918 at Fairport, was employed as a painter and interior decorator before enlisting in the Marine Corps last June.

He has a brother, James Buku, serving with the U. S. Navy.

His wife, the former Maxine Glickner, resides at 2636 Comstock Ave., San Diego, California, with their children, Robert and Paul.

An Eighth Air Force Bomber Station, England—The promotion of James H. Barkley, 19, of Chelsea, Michigan, from the grade of sergeant to staff sergeant has been announced by Colonel Frank P. Bostrom, of Bangor, Maine, commanding officer of the B-17 Flying Fortress group with which Sgt. Barkley is a left waist gunner.

Sgt. Barkley is the son of Mrs. Blanch Barkley, of 136 Dewey street, Chelsea, and prior to entering the Army Air Forces in November, 1942, was a student at the Chelsea high school.

OPEN FORUM

To Whom It May Concern:

There was a remark passed by a party who said, "What do we care about the I.O.O.F. dances—what does the I.O.O.F. do?"

Evidently this party and others who think the same way in this community, have through our failure to advertise, forgotten our Hospital Bed Program; these dances are being sponsored for the purpose of keeping the young folks off the street; also for our hospital bed program, these beds are available for the use of any party who needs one in the village or in the rural areas. They don't have to be Odd Fellows or Rebekahs. All the party has to do is notify any Odd Fellow, who will refer them to the committee. The only charge is one dollar for fumigation.

When the boys come back, your husband, son, relative or friend may need a hospital bed. So I think this program deserves the support of the community. We also have a wheel chair and expect to have crutches.

I personally want to thank all those who have supported us and hope there will be more support of our program. I would like to hear from someone who has used one of the beds.

With Our Men In Service

(Continued from page one)

us back here in our fox holes you can imagine how comforting they are to the boys in the lines. Often when a projectile is fired someone yells "Tojo, count your men!" When he does, know many are missing.

For a couple of days we were rather gun shy and might have been seen scurrying into the holes. It was long until we became accustomed to the noise and went about our duties almost as if we were at home.

These islands are tropical and consist mostly of swamps where coconuts

and banana trees flourish. The coconuts are ripe and good eating. The bananas are not in season now. The natives raise corn, sweet potatoes and other vegetables much as we do. They are harvesting rice now. They cut off the heads of grain and lay it in shocks as we do wheat. It's a sight to see hundreds of them wading through waist deep mud in the rice paddies harvesting the grain. For transportation they have a box on two long shafts. The shafts are long enough to fasten to a yoke on a water buffalo's neck and the rear ends drag on the ground, taking the place of wheels. The only wheeled vehicles I've seen aside from ours are some captured Jap field pieces which run on wagon wheels.

The natives are very friendly and are glad we have come back. They

have suffered much cruel treatment from the Japs and hate them strongly. They are of the Mohammedan religion and generally of a high moral standard.

There is an occasional exception, however, such as for example one man was in our battery today with a girl to sell for 100 pesos. Even that might be alright as the young man buys their brides. The man wears little clothing. Women are well covered with clothing. They were certainly a ragged looking bunch when we landed but are putting on a better appearance with the help of G.I. clothing. They beg for shirts, shorts and towels. Once decked out in these they feel rich.

They live in one-room shacks which are cleverly constructed of palm leaves and bamboo. Most families are quite large, it being not unusual to see 8 or 10 children looking from the windows of the hut.

We are located near two native shacks and since they have moved temporarily I've had a good chance to explore them. They have no furniture except chairs and tables and some crude kitchen tools. They have no beds, but sleep on the floor on piles of palm leaves. We send our laundry out to the natives and it comes back well done and neatly pressed. I've seen the native women washing in the streams. They use no soap, but simply douse the garments in the water and beat them with sticks or stones.

We've had very little artillery fire from the Japs. Their planes have given us little trouble. Our planes and anti-aircraft shoot them down when they do come in.

We are in garrison now and getting hot meals. The food is very good and varied. We are issued one pkg. of cigarettes and one candy bar daily.

Take good care of things on the home front and I'll be seeing you before long.

I'm very glad and proud to be in on this invasion and glad to be serving my country under General MacArthur.

As ever—Bud.

CHOSEN BY PHI KAPPA PHI

East Lansing—Carolyn Kalmbach, senior at Michigan State college from Chelsea, has been chosen for membership in Phi Kappa Phi, national honorary society, according to Katherine Hart, assistant professor of institutional administration and secretary of the organization.

Selected on a scholarship basis, members of Phi Kappa Phi represent the top ranking scholarship students from all schools of the college and must have attained a 2.5 all-college average, which is almost equivalent to an all-A record. Miss Kalmbach is enrolled in the school of home economics and is now attending the Merrill-Palmer school in Detroit on a scholarship.

Founded in 1897, Phi Kappa Phi has chapters in 49 state colleges and universities. The local organization was formed 17 years ago and has tapped students with outstanding scholarships twice yearly since 1927.

A POEM ENTITLED: "DEAR OPA"

Dear OPA

I wish you'd say
Just what there is about dear season
That makes you seem devoid of reason.

For pooling gas, you say can't be—
How then so many cars we see
From many miles around they come,
To fill each mammoth stadium?

The football fans you love so much,
Do they possess a golden touch?

Dear hunting is for the common man;
The one vacation (if he can)

To soothe his nerves, forget each care,
And breathe God's purest, freshest air.

Of course, if this should be a sin—
Do you prefer those drinking gin,
And driving fast, and faster still,
Who on our highways make their kill?

Dear OPA, I'm asking you,
Do you think that's fair—do you?

Mrs. Mary Murphy of Madison, Wis. spent the week-end with her parents, Mr. and Mrs. John Sullivan.

ST. PAUL'S LADIES' AID

The Ladies' Aid Society of St. Paul's church held their December meeting at the home of Mrs. Fred Selts on Friday evening, with 27 members and six guests attending the Christmas celebration. A feature of the decorations was a lighted Christmas tree.

The devotional service of Scripture reading and prayer was conducted by Rev. P. H. Grabowski, after which the assembly united in the singing of Christmas carols.

A skit, "The Home and Christmas," was presented, with Mrs. John Ops-

terle as reader and soloist and Mrs. Carl Mayer at the piano. Mrs. Howard Flintoft represented the first wife man, Mrs. Alvin Vail the second wife man, and Mrs. Philip Selts, the third wife man.

Each member was presented with a thank-offering box and a collection was taken for the Detroit Orphan's home. Following the business meeting, a delicious lunch was served by the hostess, assisted by Mrs. Jacob Lehman.

OFFICE NEWS

There will be a band concert in the gymnasium on Friday evening, December 15.

Our basketball team will play at University High Friday night. The first home game of the basketball season will be played on Tuesday, December 12, with the Dexter team as our opponents.

The Chorus is planning a Christmas program for Tuesday evening, Dec. 19. Report cards will be issued for the second time this school year on Wednesday, December 13. Teachers will again be in their rooms on Thursday, December 14, from 7:30-8:30 in the evening for conferences with any parents who wish to see them regarding the work of the pupils.

The annual football banquet, which is to be sponsored by the Kiwanis club, will be held on Monday evening, December 11, at the Tower Cafe.

JUNIOR RED CROSS DRIVE

The annual drive of the American Junior Red Cross for new members is on again. The goal is 100 per cent of the school children. The enrollment fee is 50¢ a classroom, which boils down to an amount anyone can afford. The American Junior Red Cross is not concerned with medical supplies, bandages, or things of that sort. Instead, it makes afghans, games, toys, simple clothing, such as slippers and bathrobes for relief of wounded veterans, needy children, and works for the recreation of troops on the fighting fronts.

The American Junior Red Cross was started in 1917 when Woodrow Wilson invited American school children to become members of the American Red Cross to contribute to the nation's needs. Since then it has had a continuous record as an adaptable, ever-changing program of activities for school children. Now, the school children of Chelsea may join the

American Junior Red Cross and feel the joy of helping those on the fighting fronts. Chelsea has been enrolling children into the Junior Red Cross since last Friday and it lasts until tomorrow (Dec. 8). Join today!

MOVIES & THE NOON PROGRAM

The student body owes a great deal of gratitude to those faculty members who spend their noon periods encouraging and supervising the noon program. Teachers as well as students need periods of relaxation, and additional duties assumed during ordinarily "free" time greatly increases teacher-burden, hence the debt of gratitude.

However, there is an opportunity that has been overlooked. Over a year ago, the Study Club presented an exceptionally fine projector to the school. Since then, films have been shown in classes and assemblies with commendable frequency. Why are not these films also shown at noon, for the benefit of those students who are or can be on hand to benefit by the showing?

Many of the films are good enough in their own right to warrant being shown a second time right in the classroom. However, pressure of time (in that class) and the requirement that the film be sent back within a limited period make that re-showing impossible. If films were shown at noon, the problem would be solved.

Many films teach a lesson in themselves. Even if a youngster did not elect "occupations," he could still gain a great deal from seeing films which show industry, qualifications, training, and rewards of various types of work. Films on conservation, history, geography, travel, science also have an appeal to everyone. They have a broad cultural appeal, and would do much to widen the scope of interest of our members. They would serve as "review" to students who have already taken the courses for which they were ordered, and would serve as "preparation" for those students who have not.

yet taken such courses. Even if time-consuming entertainment were their only purpose, noon movies would be worth while.

Let's try them!

HIGH SCHOOL BOND AUCTION

The seventh grade is giving a Pearl Harbor Day bond auction on Thursday afternoon in the study hall. They are requesting that every club and the teachers contribute a gift of some kind to the auction. The committees for the auction are as follows:

Posters—Peggy Schable and Virginia Wals.
Announcements—Jean McClure and Marilyn Johnson.

Clubs and teachers' announcements—Roslyn Reule and Bob Vogel.

Auctioneers—Danny Maroney.
General announcements—Geraldine Hale, Jim Clark, Bob Vogel, Bill Schrader, Dan Maroney, and Mariens Schneider.

Gift committee—Virginia Christwell, Phyllis Platt.

Pledge runners—Dorothy Howard, Helen Eschbach, Marguerite Fersch, Barbara Manore, Mary Ann Schrader, Margaret Collins.

FOOTBALL BUST

At the annual football dinner Chelsea was seated at a table of honor along with three other teams in the Michigan Union hall room. We had our dinner army style and had to clear our tables.

When all the dishes were in the kitchen most of the people were hunting down autographs of the Michigan team. All the men on the team were good sports and signed their names. It took strenuous effort to quiet the group so that they could go on with the program. Dick Wakefield, who acted as toastmaster, told several jokes and then introduced Bob Westfall and Johnny Greene, who both gave short talks.

After all the after-dinner talks were given the coaches of all the teams were introduced and they in turn introduced the captains and some of the captains-to-be. As this took only a short time, we then saw the pictures of the Michigan-Ohio State game.

ATHLETIC BOARD

The meeting was brought to order by the vice-president. Many different bills were discussed and the group decided to pay most of them. It was decided to give the clergy of Chelsea passes that can be used for all basketball games.

The following boys receive major awards for football: John Wellnitz, Mgr. Jack Wellnitz, Leroy May, James Gaken, Thomas Smith, Charles Slater, Donald Eisenman, Marion Dietle, Cameron Colquhoun, Ray Knickerbocker, Bragdon Barlow, Douglas Vogel, Donald Barth, Jim Carraher, Roland Robards, Donald Eder.

Those to receive minor awards are: J. Burg, R. Breitenwischer, R. Daniels, J. Miller, D. Baldwin, L. Christwell, E. Eisele, R. Carlson, D. Schulze, J. Niehaus, B. Waters, E. Carlson.

David Slane will receive a Junior High award.

CHORUS

The Chorus members are busily working on a Christmas program to be presented December 19.

G.A.A.

The girls' basketball team has been selected. The guards are Frances Hale, Mabel Howard, Virginia Lesser, Barbara Luck, Donna Manville, Joan Moore, Mary Ottomann, Joan Shutes, and captain, Marie Winter. The forwards are Jean Eisenbeiser, Eva Gednes, Rosemary Hummel, Helen Loeffler, Rosemary Lyons, Angeline Merkel, Elaine McClellan, Ruth Paul, Donna Perkins and June Vail.

H.I.Y.

The H.I.Y. meeting was held last Wednesday. Nothing was decided upon. They held a discussion about the minstrel show.

F.F.A.

The F.F.A. has sent another shipment of cats to the Biological Supply House in Chicago. They are planning to have an assembly meeting soon.

HOME MAKING CLUB

We've started a drive for the Junior Red Cross to get more high school students to join. We have collected

\$11.00 so far. The grades have not turned in their collections yet.

We are working on the plan to let grade children have one-half pint of milk each day for a penny.

We are also planning a party for the 19th of December.

Home Making club will meet second hour every two weeks instead of activity period.

BAND

A band concert will be given on Dec. 15 in the high school auditorium. Artists from the University of Michigan concert band will do us the honor of performing on their instruments for us.

SENIORS OF '45?

A wee girl was born at St. Joseph's hospital on a brilliant fall day, October 29, 1927, by the name of Donna Marguerite Burman. She is 5 ft. 6 in. tall, weighs 140 lbs., has brown hair (naturally curly, too) and eyes. Her favorite color is red and she likes the song "Sweet and Lovely," also the movie, "Stage Door Canteen." She loves angel food cake and dancing as a pastime (when she can stay on her feet)! Getting married after a while (maybe to a soldier) is her ambition.

On June 7, 1927 in El Paso, Texas, James "Giggy" Carraher was born. He is 5 ft. 11 in. tall, weighs 162 lbs., has brown hair and blue eyes. His favorite color is blue, and give him meatballs and spaghetti any day. "Pride of the Yankees" is his favorite movie, probably because baseball is his favorite sport. "Moonlight Serenade" happens to be his favorite song, and last but not least his ambition is to be a coach (like C. Cameron maybe??)

SOPHOMORE NEWS

Paul Schable has been elected as new treasurer. All bills are to be turned in to him as soon as possible.

It was voted at the last meeting to pay 75¢ dues per semester. A social committee was appointed with the following students on it: Jack Wellnitz, Marceline Hinderer, Bill Waters. The motion was made and passed to buy \$15.00 on hand in the treasury. Marguerite Ferguson was appointed to get information on class rings. The motion was made and passed that anyone who didn't pay dues as a Freshman must pay dues before the end of the first semester. A committee was appointed to find out more details on how our money is managed. Paul Schable, Ruth Stone, George Palmer, Charles Sullivan and Dorothy Ulrich are on it.

GRADE NEWS

First Grade

We are making Christmas presents for our mothers and fathers now. We are decorating our room too, with a big Santa Claus and his reindeer. It will be put on the wall.

Sixth Grade

Last week Mr. Webb of the Safety Council came to talk to us about safety. We have painted some safety posters and written some safety verses. Here are some of them: Stop, look and listen before you cross the street. So you'll live to see Santa come hopping down the street.

Always walk across the street at the corners.

Or you might break some of your "joiners". Do not walk between parked cars. Or you might soon be seeing stars.

When you're riding a bike at night.

You had better wear something white. Because if you don't, you may be gone just as if a bell went "dong!"

Here lies the body of Mrs. Lar.

She was hit by a passing car; Her son was hit, too, his name was Jack. Because he stood on the railroad track; A train came speeding lickity-split—He really flew when he was hit.

Book reports, projects, tests mark this week as it is the final one of the marking period. Much activity is going on. In geography maps showing location and types of Michigan forests were due last Friday. Book reports were due Tuesday. Tests were given in spelling.

Robert Vogel had a birthday recently. He played the birthday game and won, so that we couldn't spank or pinch him. He talked about teachers. Someone took 50¢ of our gum-dine money, which goes to purchase yarn for the Red Cross afghans. We ask (Continued on page nine)

story

★ BUY AN EXTRA WAR BOND NOW

MORE than 90,000 people in Michigan are waiting for telephones today. While we are constantly installing service as present users give it up, still the "waiting list" grows.

We'd like to fill all orders immediately. But we couldn't fill half of them even if we had all the instruments we need. For the shortage of cable and switchboard facilities is much more acute than the shortage of telephones.

When materials, men and manufacturing facilities are available again we propose to

launch a vast expansion program that may cost up to \$120,000,000, if the necessary investment funds can be secured. That program calls for building new central offices, enlarging present offices, and installing new cables and central office equipment.

All of that will take time. Even after the war, it may be more than a year before all orders are filled. However, you can be sure your telephone will be installed in its proper order, just as quickly as possible.

It will warm your heart to know that a service man or woman will be able to take that precious trip home—maybe a last furlough before sailing—because you planned your year-end travel in advance.

You can help give the armed forces first call on seats when they need them—and be more comfortable yourself—by travel-

ing early in the month, and by choosing mid-week days. It's wise, also, to take less baggage, and to be at the terminal well before departure time.

Sylvan Taxpayers

I will be at Chelsea State Bank every Saturday until further notice for the purpose of collecting Sylvan Township taxes.

Mrs. Theo. Bahnmler

Sylvan Township Treasurer

24 Years Ago

Thursday, November 25, 1920
Because Michigan has acquired an unvaccinated population, the State Health Department is urging vaccination. Since Jan. 1, 8,719 cases of smallpox have been reported, compared to 2,070 in 1919. For this reason, said Dr. Olin, state commissioner, we urge the immunizing by vaccination of all school children.

N. W. Laird has had a Delco lighting system installed at his home, and is now living in the heart of the city. Roland Schenk returned home from his hunting trip in the north, bringing with him a deer.

Mrs. Alice Lehman, aged 47 years, died at the home of her daughter in Jackson on Sunday morning. She was the widow of the late Wm. R. Lehman. For many years the family lived in Chelsea, moving later to Grass Lake. She is survived by several children. Burial was at Grass Lake.

The mill at Waterloo formerly owned by Jacob Rommel, has been sold to Smith & Moskel. They will start grinding after this week.

At the special election in Pinckney, it was voted 189 yes to 14 no, to purchase a fire fighting outfit.

Jones garage is being equipped with a radiator repairing outfit. Paul Niehaus left on Saturday for Chicago, where he will visit his brother, J. H. Niehaus.

The Congregational church will give a winter Chautauqua on Tuesday evening, Dec. 7, when Ray Immell will present "The Devil's Disciple."

George Fauser held an auction on the farm of Mrs. Geo. Rank last week Wednesday, and on Saturday moved to the farm of Gottlieb Hutzler, east of Chelsea.

Mrs. Harry E. Foster and son Dudley of Chelsea spent the week-end with Mr. and Mrs. Floyd Rowe, Sugar Loaf Lake.

Thursday, December 2, 1920

Mrs. Christina Samp died at her home Nov. 25, 1920. She was born in Germany on March 17, 1845. Her husband and one son died several years ago. Those surviving are one daughter, Miss Gusta Samp; two sons, Herman and Fred Samp of Chelsea. Funeral was held in Zion church, Rogers Corners, with Rev. E. Thieme officiating. Burial in Zion cemetery, Freedom township.

Rev. Thomas Holmes, D.D. will celebrate the ninety-third anniversary of his birth by delivering the annual Thanksgiving sermon in the Methodist church this Thursday evening. Mr. Holmes spent fourteen winters teaching grade schools; spent nine years in the undertaking business; two years in the preparatory department, four in college, three in the study of theology. He received the A. B. degree in 1847, and that of A. M. in 1850. He was married to Miss Lettie Smith of Ann Arbor, they having been classmates in college. Dr. Holmes' first attempt at preaching was made in the winter of 1843-44 while he was teaching in Ontario, Ohio; he was ordained Nov. 8, 1844. In April, 1877 he began supplying the pulpit of the Congregational church, where he served many years before retiring. Dr. Holmes is very active, and his mentality very good. During the past summer he has delivered many lectures out of town. A collection will be taken at the end of the service as a tribute to him.

With Our Men
In Service

Mrs. Hilda Grissom received the following letter from her son, Pvt. James Grissom, France:

Dear Mother,
Just a few lines to let you know that I am O.K. It has been several days since I have written to you. I

hope by this time you are getting some of the mail I have written to you lately. I have been taking myself trying to write something different each time.

I am sending a little clipping from the Stars & Stripes. Thought you might like it—it is just about true when you know what soldiers think of.

Yesterday I took a bath and washed some of my clothing. I had nearly all of my stuff dirty, after so long not doing any wash. I let it go and let it go, then all at once I got the fit and wash it all up at one time. I sent some of my pieces to the laundry yesterday. We have a very nice laundry service here but it isn't very regular, but it usually comes about just the right time, and helps out a lot.

I wrote a letter to Nancy yesterday and gave her all the news that I could think of. I can't say much about what goes on here but I can assure you of one thing—it isn't any picnic. I sure hope that the people at home keep things rolling all they can. The one thing that makes all the boys peeved is when they read in the papers about the strikes and the way they carry on over hours and wages and such. I know a good place for some of those

people. I can say for myself and I know all those over here feel the same. We feel much better, and can do our job much better, when we know that things are going good at home.

Well I got that off my chest. I hate to write things like that but sometimes I think it might do some good if people actually knew how most of the boys feel about it.

Don't take it from this that I am going sour, because I feel fine and am glad to be doing my job as best I can, and I bet when it is done it will be a good job.

I hope this finds you feeling fine and making it O.K. I hope to hear from you soon. Well good luck and love to all. Write soon. I will be waiting to hear from you.

Jim.

BACK THE 6TH WAR LOAN ... AND HELP DEFEAT JAPAN!

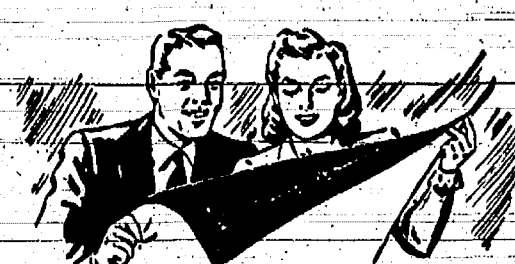

REMEMBER the gaping holds of ships sunk without warning at Pearl Harbor? Remember, too, the men killed during the infamous sneak attack? This is the fight that *Japan* started ... the fight that *we're* out to finish!

Don't fool yourself, the Japs are tough. It will take long, bitter, *costly* fighting to blast them out. It will take new and specialized equipment. B-29 Superfortresses ... amphibious tanks ... airplane carriers ... P-47 Thunderbolts and new secret weapons. And a veritable *Niagara* of oil and gasoline!

Your War Bonds helped train and feed and equip the American armies that smashed through at St. Lo ... Nancy ... Sedan. Yes ... your War Bonds are helping to win the *Battle of Europe*. But now how about the *Battle of Japan*?

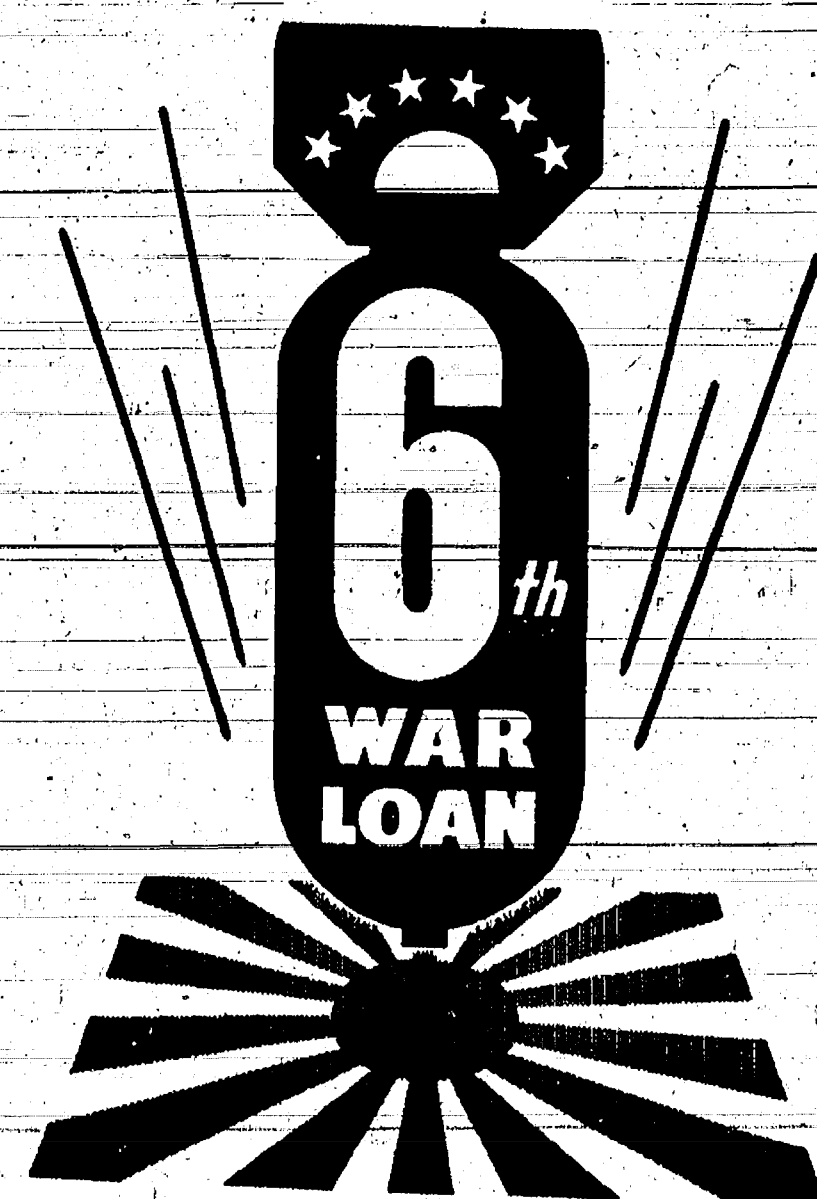

The job is big—you've got to dig!

It costs billions of dollars a month to fight the *Battle of Japan*. The money *must* come from every patriotic American. It's an investment in America—your future. That's why you are asked once again—in this great battle for final Victory—to buy *your* extra \$100 Bond *today*.

And here are 6 more reasons
for buying at least an
extra \$100 WAR BOND in the 6th!

1. War Bonds are the best, the safest investment in the world!
2. War Bonds return you \$4 for every \$3 at maturity.
3. War Bonds are as convenient as cash—and increase in value to boot!
4. War Bonds mean education for your children, security for you.
5. War Bonds help keep down the cost-of-living.
6. War Bonds will help win the Peace by increasing postwar purchasing power.

It is Further Ordered that within twenty days the said intervening petitioners cause a copy of this order to be published in the Chelsea Standard, a newspaper printed, published and circulated in said county, such publication to be continued therein once in each week for six weeks in succession, or that the said intervening petitioners cause a copy of this order to be personally served upon the said defendants, and upon each of them, at least forty days before the time prescribed for their appearance, or that the intervening petitioners cause this order to be otherwise served as provided by law authorizing the service of orders by registered mail.

Geo. W. Sample, Circuit Judge.
Clerk of Court: Luella M. Smith.

Take notice, that this cause, in which the foregoing order was duly made, is brought for the purpose of acquiring possession of and to quiet title to the following described piece or parcel of land situate and being in the City of Ypsilanti, in the County of Washtenaw, State of Michigan, to-wit: Lot seventy-four (74) Bartholomew's Addition to the City of Ypsilanti, Washtenaw County, Michigan, according to the recorded plat thereof.

A true copy.
Luella M. Smith, County Clerk.

FREER SCHOOL NEWS

The following people were neither absent nor tardy during the last six weeks: Duane Lantis, John Murry Lantis, Lois Pierce, and Betty Lou Pierce.

We have three new children in school. They are Leslie Aylsworth, Maxine Aylsworth, and Robert Robbins. Leslie and Maxine are from Jackson, and Robert is from Rockford, Ohio.

J. Neil Lantis and Robert Robbins have finished building our sand table, but it is not painted yet. We have sold the milkweed pods we collected this fall. We used the money to buy us some records for the Victrola, and a mirror.

The seventh and eighth graders are busily preparing for their first county examinations on Tuesday, Dec. 12. By Shirley Pierce, Marjorie Kleiner, J. Neil Lantis.

Cows Thirsty
Cows need 3 1/2 times as much water as they do food. The average milking cow drinks about 25 gallons of water a day and on real hot days she needs as much as 40 gallons to quench her thirst and to produce milk. But this is only natural when we consider that milk is 87 per cent water.
