Artist Musicians Will Assist In Band Concert

On Friday evening, December 15, at 8:00 o'clock the Chelsea High School Band will play their first formal concert. In addition to some delightful band numbers, the audience will also hear artist musicians from the University of Michigan Concert Band.

Nathan Anderson, cornetist, will play a solo, "Legend Heroique," by Mousquit. Later in the program, Miss Sarah Hanley, graduate student of the University and local piano teacher, will play a piano solo, "Anthony Deardorff, clarinetist, will also entertain with a solo on his instrument.

It is a rare treat for the high school band to have this fine quality of talent on its program. Mr. Busch, local conductor, commented one day that "I have heard all of these musicians who are to assist our band and the professional way in which they perform on their instruments gives the hearer a real thrill."

No admission will be charged for this concert, as it is one-way that the band can serve the community. Everyone is invited to attend. The concert will be only one hour in length.

Quick Whole Wheat Rolls

Here is an easy, inexpensive recipe for whole wheat rolls. Hot bread is always an acceptable treat and especially if served with home-made jam or jelly. Bread is an energy producing food and should be eaten with each meal. The addition of whole wheat flour adds extra vitamins and minerals, particularly vitamin B, or the morale building vitamin.

(3 DOZEN)

- | | |
|-------------------------------------|---------------------------------|
| 3 cups sifted all-purpose flour | 1 teaspoon salt |
| 2 cups whole wheat flour | 2 cups lukewarm water |
| 1 cake compressed yeast (1/2 ounce) | 3 tablespoons melted shortening |
| 2 tablespoons sugar | 1 egg, beaten |

- Combine the white and whole wheat flour and mix well.
- Crumble the yeast cake and put it into a large mixing bowl.
- Add the sugar, salt and water; stir until yeast is dissolved.
- Add egg and blend well.
- Add flour and mix thoroughly.
- Cover bowl and allow dough to rise until nearly double in volume, about 1 1/2 hours.
- Put dough on a lightly floured board and work lightly. Shape dough into small balls and put on a greased baking sheet 1 inch apart. Allow rolls to rise until double in size.
- If pan-rolls are made, roll out dough to about 1/4 inch in thickness. Cut with biscuit cutter, crease each round to one side of the center with the dull edge of a knife. Fold wider edge over and place rolls in a greased pan. Allow to rise until double in size.
- Brush with melted shortening and bake in a preheated oven at 425 degrees F. about 15 minutes.

DEATHS

William I. Wood

William I. Wood, 83 years old, died Tuesday morning, December 12, at the home of Mr. and Mrs. Ira Lantis in Napoleon township, Jackson county, where he had resided for some time.

The son of George S. and Fidelia (Beach) Wood, he was born Nov. 15, 1851 in Lodi township. He had spent nearly all of his life in Chelsea and Lima township. He was married to Emma Stewart, who died in 1940.

He is survived by a sister, Miss Nellie B. Wood, and three nephews. Funeral services will be held at 2:00 o'clock Friday afternoon at the Miller funeral home, with Rev. W. H. Skentelbury officiating. Burial will be in Forest Hill cemetery, Ann Arbor. Friends may call at the funeral home.

Do you know how to cross a street? Simple question, did you say? It is a simple question, but in a test recently conducted in a mixed audience of 50 people, I found that 20 of the 50 could not mark the chart correctly as to "how to cross a street."

Statistics bear that out. In 1943, 9,700 pedestrians were killed and 225,000 were injured. Forty-one per cent of the total number of people killed by motor vehicles were pedestrians.

People do such foolish things! Death came to many pedestrians because they did not heed warnings to walk in the right place at the right time. Remember—the motorist cannot always stop instantly when pedestrians dart out from behind parked cars directly into his lane of traffic!

An appreciable reduction in pedestrian fatalities could be shown each year if each of us would learn and practice the safe way to cross a street.

Margaret Harper To Be Listed In 'Who's Who'

Miss Margaret Harper, daughter of Mr. and Mrs. Walter A. Harper of Chelsea, who will receive her A.B. degree from Albion College in May, is among those students who will be listed in the 1944-1945 issue of "Who's Who Among Students in American Universities and Colleges." The book will be released in April.

This book is published through the cooperation of over 600 American universities and colleges. It is the only means of national recognition for graduates which is devoid of politics, fees, and dues. Several students from accredited colleges are selected each year, by an unprejudiced committee, for their biographies to appear in the publication. These books are placed in the hands of hundreds of companies and others who annually recruit outstanding students for employment.

The purpose of "Who's Who" is to serve as an incentive for students to get the most out of their college careers; as a means of compensation to students for what they have already done; as a recommendation to the business world; and as a standard of measurement for students.

Miss Harper is president of the Alpha Xi Delta fraternity at Albion College; is treasurer of Sigma Alpha Iota, national honorary music fraternity for women; was chosen for Mortar Board, senior women's honorary organization; was secretary of Spanish Club; a member of Forum Club; is a member of the Women's Athletic Association; a member of YWCA; a member of the college orchestra.

Miss Harper graduated from Chelsea high school in the class of 1941.

FIRST SNOWSTORM ARRIVES

Chester's first real snowstorm of the season came this week, starting Sunday night and continuing for more than twenty-four hours. The temperature was near the freezing point until Monday night when it dropped to below freezing, and high winds drifted the several inches of snow to make country roads almost impassable until snow plows went through. Many factory workers were unable to get to their jobs on Tuesday, and local rural mail carriers couldn't cover their entire routes. Driving on main highways was hazardous and a number of minor accidents were reported. Although motorists were unhappy, the snow really pleased youngsters, who have been enjoying coasting and skiing.

CHELSEA STUDY CLUB

The Chelsea Study club met at the home of Mrs. H. T. Moore on Tuesday evening, December 12. A group of girls and boys from the sixth grade gave a Christmas program of recitations, songs and a clarinet solo. The High School Trio sang two songs, "A Fellow On Furlough" and "A White Christmas." The program closed with the group singing two Christmas Carols.

A business meeting was held. Twenty-one members answered to roll call. Following the meeting boxes were packed for the shut-ins. Delicious refreshments were served by Mrs. William Geddes and Mrs. A. W. Wilkinson.

Michigan Vet Program Is Praised By Hines

Michigan's system for handling rehabilitation of its veterans continues to be a model for the entire nation, Brig. Gen. Frank T. Hines, Administrator of Veterans Affairs, said in Chicago recently.

Gen. Hines said that only three or four states had met the full requirements of Federal standards for readjusting former service men to civilian occupations.

Michigan, he said, was the first state to have a workable plan in operation and has continued its lead through the work of the State Office of Veterans Affairs, which was established by the 1944 legislature at the request of Governor Kelly.

General Hines predicted the peak of government responsibility for veterans' care will be reached in 1975 and will then cost \$6,000,000 a year.

Over 100 local councils of veterans affairs, sponsored by the Office of Veterans Affairs, have been created in Michigan communities to service the returning veterans.

SALEM GROVE WSCS

Mrs. Albert Schweinfurth was hostess to the WSCS for their Christmas party at the church on Wednesday, December 6. The bountiful cooperative dinner was followed by the business meeting and a Christmas program.

Mrs. Glenn Rentschler, our retiring president, who has served very successfully for four years, presided at the business meeting. The reports of the secretary and treasurer were read and accepted.

A letter from Mrs. Ruth Steinegar was read by Mrs. Rentschler, also one from Mrs. Chas. Miller of Defiance, Ohio by Mrs. T. G. Riemenschneider.

Plans were made to start a building fund to improve the basement when materials can be bought.

The devotions were in charge of Mrs. O. Kalmbach.

Rev. L. Green and Rev. W. Carroll sang "We Three Kings of the Orient Are."

The program, "Christmas in the Christian Home," planned by Mrs. Geo. Heydlauf, included Christmas Carols, and readings by Mrs. Albert Schweinfurth, Mrs. L. Lopeland, Miss Ricks Kalmbach and Mrs. Max Hoppe.

The cooperative and bear roast supper sponsored by the WSCS and planned by Fellowship Unit on Friday night was enjoyed by the 150 guests who were present. The tables were decorated with candles, fruit, Christmas greens and a three-tiered birthday cake in honor of Rev. Lewis Green. The supper was followed by a program of Christmas Carols; a talk by Rev. W. Carroll; a reading by Mrs. Carroll; and closing prayer by Rev. Carroll.

Table Delicacy

As a table delicacy the carrot ranks high only with home gardeners who know the supreme tenderness and flavor of young carrots as large as a little finger, pulled from the garden and cooked within an hour. Until you have eaten these, you do not know carrots. These infant vegetables may be pulled up as a first thinning of the carrot row. Carrot seeds are small, and germinate slowly, in 12 to 18 days. Sow thinly, and mix a few radish seeds with the carrot, so the radishes may come up to mark the location of the row and assist in cultivating safely.

ON TO TOKYO!

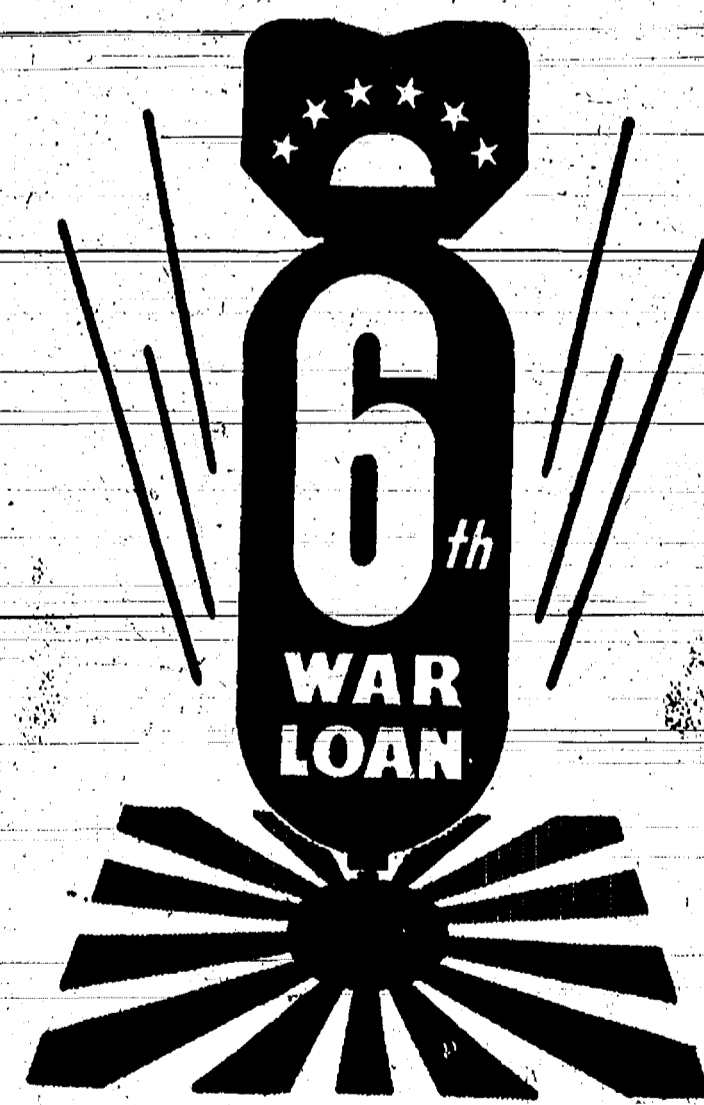

Let's all get behind the greatest march in history—the march to Tokyo—and victory!

On countless invasion fronts, thousands of your fighting men are taking up the battle cry: "On to Tokyo!" We've got to back them up with what it takes for complete victory. Remember, the supply lines in the Pacific are long and your fighting men will need more materiel than was required for the entire European invasion to crush the Jap foe.

Let's Echo that cry with BONDS!

Our boys won't quit until they've reached their goal. Let's not stop buying Bonds until we've reached ours! In this 6th War Loan Drive, the Nation's goal is \$14 billions . . . our individual job is to buy at least an extra \$100 Bond . . . another and then another . . . let's keep on going . . . let's keep on buying . . . let's keep on saying it with Bonds . . . "On to Tokyo!"

Christmas vacation will begin after school on December 21 and school will resume the morning of Jan. 3, 1945.

ASSEMBLY

Friday morning the students of Chelsea High assembled in study hall to hear Pfc. Frank Novess of the 1st Division of the Marines speak of some of his experiences in action. Among other things, he described the Japanese soldiers and some of their tactics. He

told of the Marines' best weapons in comparison to the enemies', the night-vision of "Washing-Machine Charlie" and the attempts of "Tokyo Rose" to break their morale which, Pfc. Novess said, only built it up more.

He answered the questions written by the students and when these were exhausted, his audience asked more. Pfc. Novess was very interesting and the questioning and answering went on for an hour and a half and was still going strong when Mr. Richards decided that the students had heard enough for one day of the horrors of war and sent them back to the horrors of school. Friday morning was the most successful and interesting of all the assemblies held this year.

WHAT HAVE I DONE TO DESERVE THIS?

This topic is a statement that should be of concern to everyone here at home. Our returning heroes have been through a lot; they went away while they were still considered boys and they are returning disillusioned men.

A lot of people may ask "What have I done to deserve this?" Mothers ask it because their sons have been taken from them, sweethearts because their loved ones have been taken into the field of battle, and most important, the fighting men themselves. What have they done to deserve this life filled with war? They were peace-abiding men, trying to educate themselves for the future. This is something we the folks back home should think about because they are sacrificing their lives for us. This question can't be answered by them or by me, but I feel we can keep America, Michigan, Chelsea, our community a home for them to return to, with nothing altered, nothing changed, but something to fight for. Each one of us should ask ourselves at frequent intervals, "What worthy thing have I done to be worthy of such sacrifice on my behalf?"

BOND AUCTION

Last Thursday afternoon the study hall was the scene of a "bond auction" held on behalf of the Sixth War Loan Drive and which was very well managed by the seventh grade.

All organizations, classes, and teachers contributed the articles that were auctioned off. Things remained rather uneventful until the last article was brought forth, at which time Bob Daniels and Jerome Burg bid against each other up to \$95, when Bob Daniels finally out-bid Jerome Burg. The article was a "bath mitt."

Perhaps the most spectacular of all the articles up for auction was a little chow-choker pup donated by Mr. Johnson. The lucky owner is now Jane Downer.

As near as can be recorded now, the total sales has reached the \$2,259.75 mark. There are a few more bonds to come in yet, however. Congratulations, students! You did a grand job! Our special thanks go to Miss Fox and the seventh grade for the time and work they spent making the bond auction possible and for making it such a success!

STUDENT COUNCIL

The president opened the meeting. D. Burman and D. Perkins were appointed to be stationed in the hall to give information Dec. 14, when the school has open house. The locker situation was discussed, but nothing definite was decided. D. Burman gave a report on the V-E day program. The bell ended the meeting.

ATHLETIC BOARD

Athletic Board elected Ray Knickerbocker as their new president and Charles Slane as vice-president. There are two new members on Athletic Board, Jack Wellnitz representing football and Loren Munro, tennis.

G.A.A. has ordered additional basketball suits.

LATIN CLUB

Mr. Dunlap from Ann Arbor spoke to the club on interior decorating and had slides to illustrate his lecture.

HI-Y

At their last meeting they discussed the minstrel show they are staging on December 16.

HOME EC CLUB

The Home Ec club decided to have dues of 50c.

The club is planning a hayride party for the 17th. They are awaiting, calmly (?), the fun.

They collected the Red Cross money of \$10.89 and sent it in.

FRESHMAN PARTY

On December 2, the freshmen entertained themselves at the Chelsea high school gym with a party. The program was composed of dancing, with music by famous bands via the victrola.

Were they having Christmas before

the 25th? No, everybody brought small gifts to put in a bag. Later they were given out by Ruth Fox and Helen Hochrein.

The boys gave out with some of their callisthenics for entertainment. The refreshments of cookies and hot chocolate were mighty good.

SENIOR NEWS

The Senior class has decided upon a play to present at some early date in the new year. The name of the play is "The Girls Take Over."

JUNIOR CLASS NEWS

Miss Spence has been ill for the past week and so our class has no news to report. We sincerely hope Miss Spence will soon be well again.

CLASS OF '45

On May 18, 1927, Charles Theodore Smith took his first breath of air in Detroit, Michigan. Since that time he has grown up (?). He now stands 5 ft. 9 1/2 in. tall and weighs 165 lbs. His hair is brown and his eyes blue; blue is also his favorite color. Skating is his best liked sport. His favorite food is pork chops. In songs he likes "You Never Say Yes" (We wonder whom it is dedicated to?) Chas. says he works for a hobby (??). His ambition is undecided, but he agrees to let Uncle Sam plan that for him.

Mr. and Mrs. Sidney Schenk, on June 21, 1927 were the proud parents of a baby girl. She was born in Ann Arbor, Michigan and they named her Ruth Annette. She is 5 ft. 6 in. tall and weighs 115 pounds. She has blonde hair and her favorite color is blue, which matches her eyes. The movie she liked best was "Two Girls and a Sailor." (Strong on the sailor part). Ruth says there is nothing like a big steak and some French fries, especially after seeing a football game, which by the way is her favorite sport. As a hobby she likes music, her favorite song is "My Man." (Guess who?) A social service worker is what she is planning to be.

GRADE NEWS

Second Grade

Darrel Satterthwaite had his birthday party Friday. Mrs. Satterthwaite came. Everyone had a nice time.

We are making Christmas cards, seals and wrapping paper in our room. Larry Hulce and Teddy Nixon finished their war stamp books for a bond during the sixth war loan campaign.

The room gave \$2.41 for the Junior Red Cross.

Sixth Grade

The boys in the sixth, seventh, and eighth grades have started a basketball league. So far the league has played two games. It plays every Wednesday evening.

We had another experiment in science about the pressure of air.

The girls are decorating our room with Christmas cards and evergreen boughs.

Joann Rudd is the chairman of the Junior Red Cross.

In geography we are through studying about the Union of South Africa and are studying about India.

Seventh Grade

The school had a bond auction on December 7. The seventh grade was in charge. Every teacher and every club and class donated articles to be auctioned off. The total sold on Pearl Harbor Day was \$2,187.25, but on subsequent days other bond numbers were reported until the total is nearly \$2500. Bookkeepers were Dorothy Howard, Marilyn Johnson, Jean McClure, Danny Maroney was master of ceremonies, and Geraldine Hale, Bill Schrader and Peggy Schaible were auctioneers. We received many compliments on the auction.

The following have not been tardy nor absent since school began: Clark Arnett, Margaret Collins, Ralph Guenther, Dan Maroney, Phyllis Stoll, Verdis Wheeler, Nancy White. In addition, the following had perfect attendance the last six weeks: Marguerite Fersch, Geraldine Hale, Peggy Schaible, Dean Wortley.

PIN CHATTER

(December 6)

Don't forget our Christmas party the 18th (Monday) at Schooley's. Each girl bring a gift not over \$1.00 for our grab bag. All girls try and come.

J. Cameski picked up the 5-7-9 split and she had a swell score for her last game—102.

Dixie is now two games on top. They haven't lost a game in the last three weeks. Surely this can't go on forever, or can it?

The Independents kept their word, when they said "they were going to beat the socks off of Foster's Tavern."

They took two, and almost three. Boy! were they happy.

H. Dvorak and P. Alexander each picked the 5-7-9 split—that seemed the most popular one Wednesday night.

M. Jarvis was high with 9 splits—wanta sell your ball, Millie?

Girls, if you use the same ball, if you could change your lineup so that the girl who is up to bowl wouldn't have to wait for the ball to come back, it would speed up the bowling.

We have four teams tied for third place, and three tied for sixth place. Next week should change these ties, and there will probably be some excitement.
