Infantile Paralysis Fund Raising Appeal Started

Abner E. Larned, Michigan chairman of the fund raising appeal of the National Foundation for Infantile Paralysis has announced that the dates for the drive are January 14-31. The county chapters of the National Foundation hold their drives in connection with the national appeal and have been making extensive preparations.

Mrs. Walter D. Mohrlock is local chairman of the drive. Coin boxes are being placed in all business places, schools and factories, and window cards are being displayed. March of Dimes folders will be distributed through the schools, and funds will be solicited on the "Mile of Dimes" board which will be placed in front of Chelsea State Bank on Friday and Saturday, January 28 and 29.

During the past summer, Michigan was hard hit by infantile paralysis. Before the summer ended the total cases rose to epidemic proportions in some localities. In 1944 the total number of cases in Michigan was more than three times the average of the past seven years and the fourth highest on record.

As a result of the work of the Michigan chapters of the National Foundation for Infantile Paralysis, cooperating closely with the hospitals and doctors, far-reaching preparations for hospitalization and treatment were made. Fortunately, money was available to help victims through the generosity of thousands who had contributed last year to the Infantile Paralysis Appeal for funds.

The chapters were able to provide the costly facilities necessary to the care of infantile paralysis sufferers with heartening results. In one locality as much as \$1,000 a day was expended for the hospitalization and care of polo patients, stricken during the recent epidemic. Large sums were, and are being spent, through grants from the National Foundation, to carry on research work in the laboratories of the Department of Health in Lansing, the University of Michigan and Wayne University so that some day infantile paralysis will no longer be the scourge it is today.

Murder of Legislator Reveals New Evidence

By GENE ALLEMAN

Sensitive over the implied taint of corruption arising from the Lansing one-man grand jury investigation, the state legislature received another shock Friday (Jan. 12) when newspaper headlines blazoned the slaying of State Senator Warren G. Hooper, Albion Republican.

Hooper had previously implicated William Burns, executive secretary of the Michigan State Medical Society, with having offered him a trip to California if he (Hooper) would drop opposition to a medical society bill. Hooper was executive secretary of the Michigan Association of Osteopathic Physicians and Surgeons, Inc. The murder of Hooper, whose body was left in a burning automobile near Springport, revealed for the first time that Hooper had made a confession and had accepted immunity as a state's witness in a graft conspiracy case involving Frank D. McKay, Grand Rapids; Floyd Fitzsimmons, Benton Harbor; and Rep. William Green, Hillman.

To say the slaying startled the state capital was to understate the fact. Hooper's murder was the most sensational development, up to that time, since the Carr-Sigler inquiry began.

During the early months of the grand jury investigation, indictments fell by chance upon more Democrats than Republicans. They centered, also, on Detroit and Wayne county legislators for the most part. Upstate virtues were uncolored.

Then came the bribery confession last December of State Senator Chester M. Howell, Republican from Saginaw, who turned state's witness in a graft conspiracy case involving a bill (Continued on page four)

ANNUAL MASONIC BANQUET

The local Masonic order will hold their annual banquet for Masons and friends, on Saturday, January 27 in the high school gymnasium, at seven o'clock sharp. With Our Men In Service

Mrs. Sylvester Parker received a telegram on Saturday from the War Department stating that her husband, Pfc. Sylvester Parker, had been missing in action in Germany since December 21.

Pfc. Parker was inducted into the army on January 21, 1941 and trained at Fort Brady, Mich. for military police duty, after which he was stationed at the Martin bomber plant, Baltimore, Md. and later was at Camp Reynolds, Greenville, Pa., where he was a guard at a prisoner of war camp for two years. In July, 1944, he was transferred to the 423rd Infantry and trained at Camp Atterbury, Ind., going overseas in October. He had been in England and Belgium.

Prior to his induction Parker was employed at the Chelsea Spring Co. He married Miss Wilma Runciman in 1942. Mrs. Parker resides with her sister, Mrs. Victor Winter, Washington St.

Mr. and Mrs. William Otto of Lyndon received word last week Wednesday that their son-in-law, Bernard A. Kowalk, MM-3C, U.S.S. Monaghan, formerly of Lake Orion, was missing in action in the Pacific. His wife, the former Mary Otto, lives at Lake Orion, and his parents, Mr. and Mrs. Frank Kowalk, reside at Howell. Bernard has been in the Navy nearly two years. He has many friends in this vicinity.

Notification has been received from the War Department that Second Lt. Hollis W. Freeman, Jr., who was listed as missing in action when he failed to return from a bombing raid over Germany on November 21, is a German prisoner.

Lt. Freeman, the son of Mr. and Mrs. H. W. Freeman of Ann Arbor and grandson of Mr. and Mrs. L. T. Freeman and Mrs. John Kaimbach of Chelsea, was a Fortress navigator based at an Eighth Air Force bomber station in England.

A graduate of Ann Arbor high school, he attended the University for one year prior to entering the Air Force and completed his training at Ellington Field, Texas. He shipped overseas in August 1944 and has flown on more than 15 missions. He has been awarded the Air Medal with several Oak Leaf Clusters.

His wife, Mrs. Betty Lou Freeman, resides at 815 E. Ann St., Ann Arbor.

Miami Beach, Fla.—2nd Lt. George L. Winans, 22, Chelsea, Mich. has arrived at Army Air Forces Redistribution Station No. 2 in Miami Beach for reassignment processing after completing a tour of duty outside the continental United States.

Medical examinations and classification interviews at this post, pioneer of several redistribution stations operated by the AAF Personnel Distribution Command for AAF returnee officers and enlisted men, will determine his new assignment. He will (Continued on page five)

New Questionnaires For Ag Deferments

H. S. Osler, County Agricultural Agent, sent the following message to all registrants in Washtenaw county having agricultural deferments:

The Selective Service Board, Washtenaw county, is asking that new agricultural questionnaires be made out for all registrants having agricultural deferments.

If you have made one out within the last two weeks which includes your 1945 farm plan, together with your production and your cash gross receipts of your farm for 1944, it will not be necessary for you to make out another questionnaire at this time and you can disregard this notice.

Important—It is very important this year that you include on your questionnaire complete information on your farm production together with the gross cash sales for 1944. You also must designate your authority for these figures, such as sales receipts; income tax reports or estimate.

A copy of the questionnaire is enclosed for your convenience and if you will fill this out completely before bringing it to one of the places designated in the following schedule, it will greatly facilitate the work at that time. You can sign them at one of the registration centers before a notary that will be present.

Records of all registrants having agricultural deferments are being reviewed by the Selective Service Board at once and it is important that all information called for on the enclosed questionnaire be filled in completely and placed within their hands on or before February 1, 1945.

The schedule: Chelsea—Sylvan town hall, Jan. 19, 9:30 a.m. to 4:00 p.m.

Manchester—City council rooms, Jan. 20, 9:30 a.m. to 4:00 p.m.

Lincoln Consolidated School—Jan. 22, 9:30 a.m. to 4:00 p.m.

Saline—City council rooms, Jan. 28, 9:30 a.m. to 4:00 p.m.

Ann Arbor—Supervisors' room in the court house, Jan. 24, 9:30 a.m. to 4:00 p.m.

Red Cross War Fund Goal Set At \$134,300

A goal of \$134,300 has been set for the Washtenaw County Red Cross Chapter's 1945 War Fund, according to an announcement by R. J. Bonini of Ann Arbor, chairman of the county drive.

This figure includes the Washtenaw county chapter's share of the national organization's budget needs, as well as funds for operating the local Red Cross program for the coming year, Mr. Bonini stated.

The 1945 goal is an increase of \$42,300 over the 1944 quota.

"The ability of the Red Cross to continue to stay at the side of our American fighting men in expanding theaters of war, and aid their families at home is dependent upon the success of this drive," Mr. Bonini said.

In this connection, it was pointed out that demand on the local chapter have increased materially in the past year, especially in Home Service, which offers a wide variety of assistance to all servicemen and their families. Comfort articles for hospitals, and equipment to fill overseas bags are also needed in greater numbers than last year.

"This quota of \$134,300 represents the minimum goal of our chapter in the campaign which will be held in March," Mr. Bonini stated. "Because it is the very smallest amount on which Red Cross operations can be conducted, it will be essential for every person in Washtenaw county to contribute his share."

The names of the Division Chairmen in the drive will be announced in the near future.

MOMS Unit Is Active In Aiding Servicemen

One of the most active organizations in Chelsea, operating with the objective of bringing comfort to boys and girls in the service, is the MOMS Unit, which was organized on April 11, 1944. The name stands for "Mothers of Men in Service."

Activities of this group since its organization includes: a donation to Veterans' Hospital; sending of 103 Christmas boxes, 64 of which went overseas; boxes were also sent to boys who have lost their mothers since they entered the service; five Christmas boxes were sent to Percy Jones hospital, and articles are being made for boys at this hospital, such as pillows, card table covers, bedside bags, etc.; sending of Christmas and birthday cards; members of the group serve every fifth Wednesday at the USO in Ann Arbor.

A membership drive is now being conducted by the Chelsea MOMS Unit, in an effort to substantially increase the present membership of 68. Mrs. Norman Schmidt is president of the organization.

As stated in the MOMS bulletin, "the object of this organization shall be a united effort toward world peace, charity, equity and higher education. To do all possible for our sons and daughters in service and to work toward the objective of a woman at the peace conference. The organization shall be non-partisan, non-sectarian and non-political."

FURLOUGH GAS CHANGE

The District Office of Price Administration has announced that, beginning January 15, members of the armed forces and the Merchant Marine must present the mileage ration record of the car in which they intend to use furlough gasoline to the car owner's ration board.

An OPA spokesman said the new system is being inaugurated to eliminate duplicate rationing being issued by different boards to servicemen presenting duplicate furlough papers. Servicemen now are permitted to apply for furlough gasoline at any board office.

Rations of one gallon per day up to 30 days will be continued, OPA said, and will be made available to merchant seamen for the first time.

K. OF P. OFFICERS INSTALLED

At Past Chancellors' Night of the K. of P. on Monday, January 8, the following officers were installed, with D. A. Riker as installing officer:

HIRE NEW GARBAGE MAN

At their meeting on Monday night the village council hired Elmer Marsh of Waterloo to collect garbage in the village. It is requested that no glass or rubbish be placed in garbage cans, and wrapping of garbage in paper so it will come out of cans easier, will be appreciated.

NOTICE

I will be at Chelsea State Bank on Friday of this week, January 19, instead of Saturday, January 20. This change for this week only.

24 Years Ago

Thursday, January 20, 1921

The residents of Chelsea were greatly shocked this morning to learn of the death of William F. Mayer, at the home of his parents, Mr. and Mrs. Joseph Mayer of South Main St. He had worked all day at the Holmes & Falker store and seemed in good health. He was born in Sharon, March 10, 1893 and Chelsea has been his home for the past few years. He served from May to December, 1918, in the Navy at Great Lakes, Ill. He was a member of Olive Lodge, F. & A. M., Olive Chapter, R. A. M., Zal Zas Grotto of Ann Arbor, Herbert J. McKune Post, the American Legion, and St. Paul's church. He is survived by his parents and several brothers and sisters.

Mrs. Mary L. Boyd, who has been in the hospital at Los Angeles, Calif. for some time past, underwent an operation Tuesday, when one of her legs was amputated at the knee. The last

reports were that she was recovering from the operation as well as could be expected.

Ernest Wagner, John Frymuth, Verne Fordyce, Clarence Hughes and Leigh Palmer attended a Ford mechanical instruction school in Ann Arbor on Monday.

Wm. Schatz was awarded six premiums on his Partridge Wyandottes, and three on his S.C. Black Minorcas that he exhibited at the pet and poultry show in Ann Arbor last week.

Fred G. Loeffler has purchased the interest of Herbert Roy in the meat business that has been known as the firm of Loeffler & Roy. Mr. Loeffler will continue the business at the present location in the Eppler Bldg.

Several young men of Chelsea were in Ann Arbor Tuesday evening, where they attended the exhibition games of the world's two champion billiard players, Hopper and Peterson, who played at the Michigan League.

E. B. Turnbull has accepted a position as salesman with the new Egyptian Cement Co. of Fenton.

34 Years Ago

Thursday, January 19, 1911

The officers and teachers of St. Paul's church gave a party Monday evening at the home of Mr. and Mrs. C. Parker, in honor of Hans Wagner, who leaves for Wurtenburg, Germany. The host and hostess served lunch to their guests.

The Passion Play will be the attrac-

tion at the Princess tonight. It consists of over 3000 feet of hand colored films.

Village Marshal Charles Hepburn is reported as being quite ill at the home of his brother, Bert Hepburn, on Washington St.

L. T. Freeman and Tim Drislane shipped here this week about twenty draft horses that they will sell on the local market.

C. M. Stephens has sold his Watkins business to Elmer Beach, who will take possession of the business at once. The route covers eight townships in the western part of this county.

Several from this place attended the auto show in Detroit on Sunday.

The editor of the Pinckney Dispatch is reported to have gone skating last Sunday, and enjoyed a cold bath when he fell into the mill pond at Pinckney.

Jas. Brock has rented the old hotel at Sylvan and will take possession in the near future.

Byron Hopkins, formerly of North Lake, died at his home in Dexter on Tuesday, Jan. 17. He leaves a wife, and two sons, Ernest and Lee.

R. W. Crawford, who has been in Oregon for the past six months, was in Chelsea on Sunday. Mr. Crawford has just recovered from a siege of typhoid fever.

PIN CHATTER

(January 10)

By Rena Johnson

No one had a real high series this week. J. Hubbert was high with 456.

Someone always has to get a lot of splits; this week A. McClellan had more than her share, which was eight.

We had some close games. The CIO won their last game by 4 pins; Foster's won their second game by 4 pins; the Independents won their first game by 7 pins.

Going into our last week for the

first half we have Dixie and Foster's tied for first place; Independents and Five Crown tied for third place; the Old Maids and Milling tied for seventh. Anything can happen, bowling!

We missed these girls last week—J. Eder, L. Rihimaki, M. Birch, M. Lyons and R. Mehan. Hope you'll be back soon.

What happened to our split pickers? Maybe they have decided to pay.

Don't forget our bowling party at the bowling alleys this Friday night. Please come.

Norman Brown of Willow Run is spending some time at the home of Mr. and Mrs. George Macomber and family.

Mr. and Mrs. Leonard Loveland, and son LeRoy of Francisco, Miss Marilyn Myers of Grass Lake were Sunday dinner guests of Mr. and Mrs. Ezra Heininger and family.

Mrs. Burt Taylor and son Joseph were Sunday visitors of Mr. and Mrs. E. W. Thompson in Ann Arbor.

Mr. and Mrs. Waldo Drummond and

family are moving to the O'Dell farm near Clinton, which they have recently purchased.

Mr. and Mrs. John Melott and Mrs. John Spiegelberg of Ann Arbor, and

Mr. and Mrs. Claude Spiegelberg were Sunday callers of Mr. and Mrs. John Fischer.

Mr. and Mrs. Walter Eschelbach of Jerusalem were Friday evening callers of Mr. and Mrs. George Macomber.

Mrs. Bertha Bareis spent several days during the past week at the home of her daughter, Mrs. Joseph Clay of Ann Arbor.

Mr. and Mrs. Robert Gilbert and son were Sunday dinner guests of Mr. and Mrs. Henry Gilbert of North Lake.

OFFICE NEWS

University High teams play here tomorrow night. The first game will begin at 7:15.

Athletic Board is planning a pot-luck dinner for high school students preceding the game.

Alumni team will play the high school boys next Tuesday evening.

Mr. Alpervitz will attend the meeting for farm shop teachers at Grand Blanc on Friday and Saturday of this week. The meeting is sponsored by the State Board of Control for Vocational Education.

The first semester ends Friday, January 26. Report cards will be handed out on Wednesday, January 31.

MARCH OF DIMES

Do you know the significance of these last two weeks in January? They are set aside each year for a campaign called the "March of Dimes." This is one of the most worthwhile causes today and every strong, healthy individual should be proud and thankful that he is able to do something for his more unfortunate friends—those suffering from infantile paralysis.

Every cent that you give goes into the fund for the crippled. It is used to pay for medical services, for fur-

ther research work, and to finance the development of special hospitals.

Very little is known about infantile paralysis. Every doctor has a different idea, a different viewpoint on the causes and cures. Many of them don't even recognize the disease when it is in its earliest and most dangerous stages. That's why money is so badly needed—for further research in an effort to learn more about infantile paralysis and to conquer it, if possible.

Can you imagine what it would be like if you were one of the victims of this disease? Maybe you wouldn't have the money for doctor's care, because treatments are many and expensive. You would know the pain and anguish of lying in bed for weeks, months, or maybe years and feel your limbs wither and become useless. Then is when you would hope and pray that your friends, the people of America, wouldn't let you down.

There is no need for such misery and heartache; not when there are still generous, warm-hearted people left in this world. Do you know what you can do, not only to help those little crippled friends of yours but to help your soul and conscience as well? You can get in the march and send not only your dimes, but your dollars, to President Roosevelt at the White House.

FIRST HOUR—MONDAY

There we all were sitting at our desks first hour Monday. Some of us

were thinking about the game with Milan that we lost the Friday before. It was a good game even if we did lose it.

Did you see Dolly? You could tell the way she gazed out the window that she was in the South Pacific with her Marina. Dolly was actually seeing all the wonderful and startling sights he had told her about. She looked happy and sad at the same time.

Bill sat there remembering the dance after the game. Gosh! He certainly is a smooth dancer.

Do you suppose anyone was thinking about the movie "Two Girls and a Sailor"? Just think of that soldier who didn't say much, but just stared; he certainly was lonesome!

Surely, there were a few in the study hall who had their minds on their work; but first hour Monday is certainly a trial to the teachers and the kids.

HI-Y

D. Eder, C. Smith, J. Gaunt and L. May were put on a committee to work on the dinner-dance the HI-Y is to sponsor. A large discussion was held on having guest tickets to All-Hi parties. Then the meeting was closed.

PEP MEETING

On Friday, January 12, a pep-meeting for the Chelsea-Milan basketball game was held. It was started by an inspiring talk by Mr. Johnson. Then there was a roof-raising cheer by the whole student body. This was followed by a short talk by Ruth Paul. Then there was a comical skit by Miss Alban and Miss Shell. Jack Wellnitz then gave a talk which was followed by another cheer. At this point in the pep-meeting the Sophomore Trio was introduced. They are L. Munro, J. Wellnitz and J. Burg, with E. Daniels at the piano. Miss Beam gave a talk which brought on another cheer. Then, of course, came the talk (?) by Mr. Cameron. The pep meeting was ended with the school song.

ATHLETIC BOARD

The meeting this week started off with a bang. Before Mr. Cameron had finished talking about the bills, we had decided to pay them. We also decided to sponsor a super "pot-luck" supper before the U. High game tomorrow night. The second team bas-

kettball boys will take care of the work before the supper. We'll all do a good job of putting the food down; then the first team basketball boys will clean up while the GAA does the dishes.

On behalf of the basketball boys and ourselves, we want to thank all the people from Chelsea who came down to the game last Friday and supported the boys. We cordially invite all of you down again this Friday to see U. High and Chelsea battle it out.

SENIORS OF '45

On December 2, 1927, Willetta G. Lantis was born in Chelsea, Michigan and she claims that at that time she weighed only two pounds. Since that time things have considerably changed. Now Willie weighs 150 pounds and stands 5 feet 4 inches tall. She has light brown hair and hazel eyes. Blue is her favorite color and for a hobby she collects post cards. The movie she enjoyed the most was "Hers To Hold." As for songs, "Always" heads her list. Willie plans to be a farmer's wife (I guess we all know who the farmer is). Anyway, we wish her the best of luck.

In Dearborn, Michigan on February 4, 1927, Tess Marie Wengren took her first breath of city air. Now she is a country lassie from Chelsea, and stands 5 feet 6 inches tall and weighs 115 pounds. Her hair is brown and eyes are blue, which is also her favorite color. Tess likes spaghetti better than anything else. Her special song is "I Dream of You," and her hobby is letter writing. (We all know who she dreams of and who she writes to). "Going My Way" is the movie she enjoyed the most. Tess plans to study beauty culture. We know she will make a good one.

GAA NEWS

Nancy Loose is going to start teaching tumbling to the GAA girls on Tuesday.

The girls' game between Chelsea and Pinckney was played Thursday, Jan. 11. The score was 37 to 26 in favor of the visitors. Forwards for Chelsea were June Vail, Jean Eisenbeiser, Rosemary Lyons, Donna Perkins and Ruth Paul. Guards for Chelsea were Frances Hale, Barbara Luck, Donna Manville, Marie Winter, Joan Shutes, Mary Ottoman and Joan

Moore. The star forward was Donna Perkins, who made sixteen points. Chelsea served coke and potato chips to Pinckney after the game.

MILAN TROUNCES CHELSEA

("Lard" and "Giggy")
The Milan Reds last Friday evening invaded Chelsea and walked off with a 43-28 victory. The game started at a very fast pace with Chelsea taking an early lead but trailing at the end of the first quarter 10-9.

In the second quarter Chelsea scored only 4 points while Milan collected 12 points to lead at the half, 22-13. Chelsea's hopes of getting started in the third quarter faded as Milan sank 3 quick field goals to lead, 28-13.

Chelsea's only score in the third period was 8 foul shots while Milan collected four more field goals to lead 36-16. Chelsea played ball like they can in the fourth quarter, scoring 12 points while the Milan Reds scored but 7 to end the game at 43-28.

Edwards, a 6 ft. 2-in. forward, led the scoring with 14 points for Milan. Knickerbocker led Chelsea with 9, while Carragher followed up with 8 points.

The "little" Reds from Milan whipped the "little" Bulldogs of Chelsea, 40-20. Vogel led Chelsea with 6 points.

Tuesday evening the Bulldogs invaded Pinckney but the score was unknown as this went to press.

Friday evening the battle for second place will take place at the Chelsea gym. Chelsea will be out to avenge the 28-33 setback handed them by U. High earlier in the season.

SENIOR NEWS

The Senior play "The Girls Take Over" will be presented Friday, January 26 at 8:15 in the Chelsea high school gym.

HOME MAKING CLUB

The Home-making club will have their meetings in the evening instead of during the day. Everyone is invited even if they aren't in Home Ec. They are going to discuss any problems the girls have. The club has written to other schools to find out what they are doing.

BAND NEWS

The Chelsea High Band will play at a Band Parents' meeting which is scheduled for February 13, 1945 at the high school building. The Band Parents' committee plan to have a pot-luck dinner. The program given by the band will follow. It is also planned to have the twirlers perform. This should be a feature of the program as they are all studying under John Vore, drum major of the Michigan Band.

FIFTH GRADE NEWS

(By Carol Hale)
We are proud of our Defense Stamp sale for the year. So far we have bought \$103.85 worth of stamps. Our goal is an operating table. Nancy Brooks leads in buying most stamps. The class is working together in geography, making books about coal, petroleum and iron. The work is in connection with study of the Middle Atlantic States.

In Science we have been studying star constellations. For Art we drew the Ursa Major and Ursa Minor constellations.

We have two new people in our grade: Clara Lewis, who was with us last year, and Shirley Doyle, who has moved here from Ann Arbor.

SEVENTH GRADE NEWS

Seventh graders are again getting penny milk this year. Robert Vogel, room vice-president, is in charge of collecting fees, getting and distributing milk, and returning empty bottles. He is doing a good job, but it keeps him busy.

Last Thursday, meetings were held on how to improve our school. Many constructive suggestions were made.

Seventh grade stamp sale for the week was \$18.10, making the yearly total \$351.

Committees have been appointed to determine what can be done about having a party, either separately or with the cooperation of the eighth grade.

WHY Michigan Bell Will Go to Court

The Michigan Bell Telephone Company plans to appeal to the Ingham Circuit Court for relief from an order of the Michigan Public Service Commission directing the company to refund \$3,500,000 to its customers. A permanent injunction will be sought to restrain the Commission from putting the order into effect.

We have no liking for litigation. It is a time-consuming process that is as distasteful to the company as it must be to the public.

An order that jeopardizes our ability to provide good service by whittling away at our already inadequate earnings, however, cannot go unchallenged. The public interest impels us to seek the protection of the courts.

The order is based upon the theory that excess profits taxes should be returned to customers rather than to the Federal Treasury as intended by the tax law. One out of every five tax dollars collected by the Treasury today comes from excess profits taxes. In this case, the Government would take a loss of \$3,000,000.

Although the Federal Treasury would bear the brunt of the loss involved in such a rebate, one-seventh of the amount would come from the company. The order for 1944, unless restrained, could be repeated for 1945 and other years. Such a whittling process takes on the aspect of a permanent rate reduction to the jeopardy of the service rendered the public.

If we are to take our place in the expanding national economy anticipated after the war, and once again provide service on a basis of "when and where wanted", the Michigan Bell must un-

dertake a postwar construction program requiring the expenditure of \$120,000,000 in 5 years. That program will provide jobs not only for its 3,000 men and women returning from the armed forces, but for many others as well.

The telephone industry has no royal road to money to finance its postwar program. It must compete with other industries in the open market for capital. To attract the investor's dollar, our earnings must be comparable with the average for other industries—not at a rate one-third lower, as is the case today.

The Michigan Bell has no desire to profit at the expense of war. It hasn't. The company's wartime earnings today are a quarter lower than in the pre-war period, 1936-39.

The price of telephone service is one of the few things that has not undergone a sharp wartime rise. On the contrary, rate reductions since 1939 are resulting in current savings of nearly \$4,350,000 a year to our customers.

There is one thing our customers want, and that is good service. The telephone bill for the best of service is so small a part of the customer's budget that he does not want anything less than the best even though he might get it at a lower cost.

For these reasons, we believe we're under the strongest obligation to seek our day in court. We believe our cause to be a just one in the interest of those served by the company, those who own it, and those who depend upon it for their living.

Murder of Legislator Reveals New Evidence

(Continued from page one)
recognizing naturopathy as a healing art.

Within 12 hours came the news that former State Senator Earl Munshaw, Republican of Grand Rapids, had been the victim of carbon monoxide poisoning in a garage at his country farm.

Next: The indictment of State Senator Carl L. DeLano, Kalamazoo Republican, who has been accused by a former lobbyist for Michigan naturopaths with having accepted \$1,900.

Hooper's slaying, revealing another confession, capped the climax.

That the legislature is certain to continue the one-man grand jury, especially after the murder of a present member, was conceded widely in Lansing last Friday.

An appropriation of \$250,000 for the coming biennium (1944-45) is proposed in a bill introduced by Senator Don VanderWerp, Fremont Republi-

can and chairman of the senate finance committee. This measure was reported out by the senate finance committee last week and it was due for consideration this week, following the Republican convention at Grand Rapids.

The slaying of Senator Hooper provided another powerful incentive for immediate legislative approval.

In fairness to the average member of the Michigan state legislature, it seems just to remind newspaper readers at this time that the confessions so far have not disclosed any wholesale or widespread corruption in either the Senate or the House. The Senate has 32 members; the House, approximately 100.

Graft payment is said to have been employed to influence legislators in key legislative positions—usually chairman of committees or others who convinced lobbyists that they could influence their associates.

Testimony given in one case was that several thousands of dollars were paid to a state senator and that this senator was unable to get the bill out

of committee because a majority of the committee members disapproved of it. While the majority of the committee was not corrupted, one member had accepted bribe money, according to the testimony. The crime was not any the less simply because only one of the legislators was involved. Such corruption, if not punished, could threaten the integrity of the entire legislature; like a bad apple, in time it would taint others in the same group.

We do think that the Lansing picture should be viewed in the proper perspective.

WEDDINGS

Bollinger-Horning

Miss Helen E. Bollinger, daughter of Mr. and Mrs. Fred Bollinger of Lima township, became the bride of Private Waldo O. Horning, son of Mr. and Mrs. Christian Horning of Freedom township in a ceremony which took place at 4:30 on Saturday afternoon at Zion Lutheran church, Rogers Corners. Rev. M. W. Brueckner read the marriage service before the altar which was decorated with candles, baskets of mums and white snapdragons.

Mrs. Brueckner played the wedding music, also accompanying Miss Irma Brueckner who sang "Because," and "The Lord's Prayer."

The bride, who was given in marriage by her father, was gown in white satin, fashioned with V-neckline, long sleeves and a long train. Her finger-tip veil was caught with orange blossoms and she carried Johanna Hill roses.

Miss Geraldine Czarnocki, as maid of honor, wore a dress of pink satin and net, and her flowers were red carnations.

The bridesmaids were Mrs. Lambert Mepians and Mrs. Henry Buss, sisters of the bride. The former was attired in rose crepe, the latter in blue. They carried white carnations.

Edwin Horning assisted his brother as best man and the guests were seated by Rudolph Bollinger, brother of the bride, Ernest Horning, brother of the groom, Lambert Mepians and Henry Buss.

A reception for 60 guests was held at the home of the bride's parents following the ceremony. A three-tiered wedding cake centered the bride's table and the guests were served by Mrs. Zane Hunter, Mrs. Jack Barkley, Misses Rita Honeck and Dorothy Heller.

The bride, who graduated from Chelsea high school in 1938, has been employed for four years at the Federal Screw plant. The groom, who entered the service in April, 1941, is home on a 30-day furlough from Hawaiian Islands. He previously served overseas for three years.

THANK YOU!

I wish in this way to extend my thanks and appreciation to the Postmaster and employees of the Chelsea postoffice, the F. & A. M. No. 156, the O. E. S. No. 108, the I. O. O. F. No. 101, the Chelsea Rebekah Lodge No. 130, the Knights of Pythias No. 194, the Chelsea Rod & Gun club, and my many friends, neighbors and patrons for the beautiful plants, flowers, cards, remembrances, and acts of kindness and help shown myself and family during my recent illness and stay in the hospital and since my return home. Many thanks to all.

Improvement of Rural Education Is MSC Topic

Means of improving the educational opportunities for rural youth will be the key topic of discussion on the rural education program on Wednesday of Farmers' Week at Michigan State college January 30, 31 and February 1.

Ways the college extension service can further instructional work in rural schools will be explained by R. J. Baldwin, director of extension at M.S.C. Claire Taylor, of the state department of public instruction, will present proposals for the reorganization of schools in Michigan.

The three-day agricultural economics program will feature the outlook for agriculture, imminent agricultural

policies, and controls of agricultural production. H. J. Wyngarden, acting head of the M.S.C. economics department, will predict what is ahead relative to inflation or deflation. Dean E. L. Anthony will present a view of Michigan agricultural policies.

Farm management, also scheduled for three days, will stress father and son partnerships, farm-labor management, better landlord-tenant relationships, planning a 1945 farm business, and the problems of farm sons returning from military service.

Farm building construction, with special emphasis on postwar farm building problems, will feature the combined forestry and agricultural engineering meeting on Wednesday. Machinery problems and mow drying of hay will be other engineering topics.

Fuel Oil Supply "Touch and Go" Harold L. Ickes, Petroleum Administrator for War, cautions home-heating oil users that stocks are below last year's level and that consumers should avoid excessive consumption that will deplete stocks too rapidly.

"For the remainder of the heating season, meeting home-heating oil demands will be strictly touch-and-go. Fuel oil supplies are tight but adequate to meet current rationed demands," Administrator Ickes said.

"However, there is not as much fuel oil available this year as there was 12 months ago. That means that over-consumption will make the problem more critical. Furthermore, military requirements have been stepped up, placing a further burden on American refiners."

Men In Service

(Continued from page one)

remain at the redistribution station about two weeks, much of which will be devoted to rest and recreation.

As a B-24 Liberator co-pilot, Lieut. Winans flew 12 missions while in the European theater of operations and was awarded the Air Medal. Son of Mr. and Mrs. Elmer E. Winans, of 154 Park street, Chelsea, he entered the Army in August, 1942.

Great Lakes, Ill.—Among those graduating from an intensive course of Basic Engineering training at recent Service Schools exercises here was Clayton J. Erskine, 24, husband of Jean Erskine, RFD 1, Chelsea, Mich. This Bluejacket was selected for his specialized training on the basis of his recruit training aptitude test scores. Graduates from the twenty specialized courses taught here at the Service Schools are sent to sea, to shore stations, or to advanced schools for further duty.

Thomas K., son of Mr. and Mrs. Harry B. Taylor of Detroit, former Chelsea residents, is home on leave for the first time since entering service with the Army Air Forces in September, 1943. He enlisted in June, 1943. Tom completed the several aviation cadet courses, received his wings with the rating of Bombardier upon graduation from the Aerial Bombardier school at Midland, Texas, on Dec. 30, 1944, and was appointed to the rank of Flight Officer. He will return to Midland for assignment to future duties.

T-Sgt. Joseph P. Policht was home recently on a furlough for fifteen days. He is stationed at the First Air Force in Camp Upton, New York, where he is an instructor in the machine gun crew.

With the Fifth Army, Italy—Private Clifford W. Fauser of Chelsea, Michigan, recently was awarded the Bronze Star for meritorious service in combat. He also was promoted to Private First Class.

He is in the 381st Infantry Regiment of the 91st "Powder River" Division, fighting on the Fifth Army front in Italy. He has also been

awarded the Purple Heart and Combat Infantryman Badge.

A machine operator in civilian life, Fauser, 19, entered service in September, 1943. His home is at 634 Taylor St., Chelsea. His brother, Clarence Fauser, lives at 1802 Fourth St., Jackson, Michigan.

Lt. Leon L. Beutler, USNR, who was in the original invasion of Leyte, Philippine Islands, sent some Japanese money from there to his nephews, Albert Jr. and George Fink.

Farmers Told To Keep Expenses Down In 1945

Keeping farm expenses at a minimum during 1945 will be extremely important to all farmers, A. H. Halet, of the farm management department of Michigan State college, declares.

Since 1943 the prices received by farmers for farm products as a whole have remained about the same, but Michigan farm costs have continued upward. Unless expenses are held down, profits may suffer this year.

It will be good business, however, to spend liberally for such items as fertilizer, legume seed, lime, and tile, items that will improve crop yields and maintain soil fertility. Added improvements that can be paid for in a short time are also good business, but the farmer should avoid sizeable debts on the assumption that present incomes will continue.

...and an extra one
for the pot!

Like every good American, you've bought your share of War Bonds.

You've bought 'em to help build the tanks, ships, planes, and guns.

You've bought 'em to back up our fighting men.

You've bought 'em for every conceivable reason to help speed the winning of a very tough war, and as long as that war goes on you'll naturally keep on buying Bonds. BUT...

Next payday, even if it pinches, why don't

you buy an *extra* Bond—*just for yourself?*

There are a hundred and one ways you could use some extra money a few years from now. Buy that extra Bond—tuck it away—and you'll *have* that extra money!

If you're going to want something extra out of life—now's the time to get it.

When you're cooking up some coffee, it's that extra spoonful "for the pot" that makes a richer, better brew. Put an extra War Bond in the pot—and let it make a richer, better future for you!

WAR BONDS ...to have and to hold!

WRC OFFICERS INSTALLED
Mrs. Leah Flansburgh, department president of the Women's Relief Corps, assisted by the department secretary, Mrs. Blanche Flower as conductor and by officers of the Ed. Pomerooy Corps of Jackson, installed the newly elected officers of the R. P.

Water Clock
The arguments in the Roman senate were timed by the clepsydra or water clock. This instrument too was made in many forms, some of which had very modern-appearing clock faces. The operation of the clepsydra depended on the flow of water through an orifice, either to fill or to empty a graduated container.

HAVE BOUGHT WAR BONDS

They didn't do it to get \$4 for \$3, any more than our fighting men are risking their lives for service pay. They did it to save American lives, to save time—because they know that the quickest way to clean and final victory is to overwhelm the enemy with superior equipment—no matter what the cost. They did it for America—for Victory. And they'll keep on buying bonds until victory is won.

But that \$4 you'll get back in 10 years for every \$3 you put into War Bonds now is important, too—mighty important, both to you and to America. Because we must not only win the war but the peace. And to keep the wheels humming so that there will be jobs for all, we'll need money—all of us. Money for repairs, replacements, education, travel. Money we can draw on out of reserve—War Bond money. So for Victory today—and prosperity tomorrow—keep buying Bonds, and keep the Bonds you buy

HOTEL BERLIN '43.
By Vicki Baum.

Like in Grand Hotel the action takes place in the space of a day and a night in a Berlin hotel as bombs are beginning to fall. Gestapo and Nazi officials meet here in this brutal garrison society of a city in the melo-drama of war.

Wool Trouser, Flannel Shirts Out

A substantial number of the output of wool trousers and flannel shirts has been set aside for military contracts during the next 90 days, the War Production Board advises. This action has been brought about by increased and urgent army needs for trousers and shirts. They affect 75 per cent of the industry's output of wool trousers and 45 per cent of shirts.
