### FIRE INSURANCE

HORSE-DRAWN FIRE ENGINES were good in their day, but buildings grew in size, cities expanded in area and an automotive world has rendered yesterday's apparatus obsolete.

RESIDENCE FIRE INSURANCE, too, has kept pace with progress. The Fire Insurance Policy of yesterday was good, but the increasing complexities of modern living have brought forth a new, broadened and vastly improved policy.

## Funds Being Raised To Combat Inf. Paralysis

County Chapters of the National Foundation for Infantile Paralysis are now busily engaged in raising funds for the Annual Infantile Paralysis Appeal which began January 14 and continues through January 31.

Mrs. Walter D. Mohrlock is chairman of the drive in Chelsea. Coin boxes have been placed in business places, schools and factories, and the "Mile of Dimes" board will be placed in front of Chelsea State Bank on Friday and Saturday of this week, where Mrs. Mohrlock and her assistants will solicit contributions.

Each chapter retains fifty per cent of the amount raised in the community and sends the other fifty per cent on to the National Foundation. The money sent to the National Foundation is really an investment by the chapter which sends it. The Foundation spends part of this money in the form of grants to universities and medical centers for research into the cause and prevention of polio. In Michigan, since 1938, \$658,555 was received in grants for research. In 1944, \$379,500 was sent for research at the University of Michigan School of Public Health, State Department of Health at Lansing, and to Wayne University in Detroit. Michigan is one of the centers of polio research and receives more in return from the Foundation than it sends out of the state to the Foundation.

In addition to the research sponsored by the National Foundation, money sent from the communities is put into an epidemic reserve. In any county in the United States, large or small, where an epidemic occurs and financial or medical aid is needed, the Foundation steps in to assist the community. To the Foundation a patient in the least populous county in Michigan is as important as one in the most populous county. Wherever local resources do not suffice, aid is available for one case or for an epidemic.

Please contribute liberally to this fund!

## Seniors Will Present Three-Act Play Friday

Seniors of Chelsea high school will present a three-act play, "The Girls Take Over," at the public school auditorium on Friday evening, January 26, at 8:00 o'clock.

The play is under the direction of Carl C. Chandler, assisted by Helen Loeffler, and the cast of characters is as follows:

Libby Salisbury, who runs a boarding house—Barbara Buehler.  
Goldie, colored maid of all work—Eva Geddes.

Nalda Darby, Mirella Lyons, Lana Atworth, Bunny Hutton, Patience Lassiter (Boarders at Miss Salisbury's)—Rose Marie Clark, Angelina Merkel, Ruth Ann Schenk, Rosemary Lyons, Phyllis Hopper.

Ursula Lassiter, Patience's aunt—Ruth Paul.  
Hugo Prescott, a young inventor—James Carraher.

Lansing Quigley, an important dollar-a-year man—James Gaunt.  
Sherwin Maddox, a promoter—Robert Trinkle.  
Clem Spears, a detective—James Gaken.

Features between acts will include selections by the C.H.S. Brass Quartette, Triple Trio, and Boys' Trio with Robert Daniels, pianist—under the direction of Miss June Betterly.

## Methodist Church In Midst of Redecoration

Beginning last July the Methodist church began its renewing plan by having the roof repaired and a new lighting system installed. In November the contract for redecoration was let to the Schanbacher Co. of Springfield, Illinois, which is one of the best in the country. During the first week of January the work was begun. The work consists of complete redecoration, cleaning and refinishing of pews, and complete new carpeting. The work entails an expenditure of over \$6000.

Rededication services will be held the week of March 11-18, with Bishop Raymond J. Wade preaching and rededicating the church on March 18. Former ministers of the church will be invited back for a fellowship service on March 15.

## BANKERS MEET HERE TODAY

A meeting of the Washtenaw County Bankers' Group will be held in Chelsea today. The group will hold a business meeting at Chelsea State Bank at 4:30, followed by a banquet at 6:30 in St. Paul's church hall. It is expected that about 75 will attend the banquet, which will be served by the St. Paul's ladies.

## 1945 PLATE SALE IS SLOW

It is announced by the Chelsea Branch office that plates are moving slowly. People are urged to purchase their 1945 plates early to avoid congestion later. As previously announced, the office is open daily until 5 o'clock, including Thursday afternoons and Wednesday evenings during the month of February.

## With Our Men In Service

The Purple Heart Medal which was awarded posthumously to Pfc. Earl C. Koch, was received last week by his father, Chris Koch. Earl died on September 27, 1944 from wounds received in action in Italy.

Mr. Koch recently received a letter from the Secretary of War, advising him that the medal would be sent. The letter follows:

The Secretary of War  
Washington  
December 7, 1944

My dear Mr. Koch:

The President has requested me to inform you that the Purple Heart has been awarded posthumously to your son, Private First Class Earl C. Koch, Infantry, who sacrificed his life in defense of his country.

The medal, which you will receive shortly, is of slight intrinsic value, but rich with the tradition for which Americans are so gallantly giving their lives. The Father of our country, whose profile and coat of arms adorn the medal, speaks from it across the centuries to the men who fight today for the proud freedom he founded.

Nothing the War Department can do or say will in any sense repair the loss of your loved one. He has gone, however, in honor and the goodly company of patriots. Let me, in communicating to you the country's deep sympathy, also express to you its gratitude for his valor and devotion.

Please believe me,  
Sincerely yours,

Henry L. Stimson

Mr. Chris Koch,  
Rural Free Delivery No. 1,  
Chelsea, Michigan.

Mr. and Mrs. Harrison West of Sylvan Center received the following telegram from the Adjutant General on Thursday, January 18:

"We regret to inform you that your son, Pfc. Donald R. West, was slightly wounded in action the 24th of December in Belgium. You will be advised as reports of his condition are received."

(Signed) The Adjutant General.  
Donald was inducted into service in March 1944. He received his training at Waco, Texas and Ft. George Meade, Maryland, leaving for overseas duty in September.

He was graduated from the Chelsea high school in June 1943. From the time of his graduation until his induction he was employed by the Kroger Store and the Chelsea Milling Co.

First Lt. Eugene Czaplak left last Thursday for Santa Ana, Calif., after spending a 30-day furlough with his parents, Mr. and Mrs. Jos. Czaplak of Sylvan. Lt. Czaplak has been with the Eighth Air Force in England for the past nine months, as a fighter plane pilot.

Mrs. Mae Packard received word this week from her husband, Pvt. Packard, that he is now in Northeast France. He left the States in November and was sent directly to France.

Mr. and Mrs. Theo. B. Quigley have received word that their son, Charles Quigley, serving in the South Pacific, has been advanced from Private First Class to the rank of Corporal.

Word has been received that Roland Spaulding has been promoted from Sergeant to Staff Sergeant. He is stationed somewhere in England.

Mr. and Mrs. Harry Lyons have received word from their son, 1st Sgt. Richard G. Lyons, that he has arrived safely in India.

## Cooking Demonstration In A. A. On Wednesday

"How to Stretch Red Ration Points" will be the subject of a cooking demonstration to be given in Ann Arbor at 2 o'clock Wednesday afternoon, January 31, by Mrs. Ruth Bush, nutrition instructor for the Washtenaw County Red Cross.

Included in the demonstration will be cooking methods to save meat shrinkage, use of meat substitutes, and preparation of left-over meats. In addition, new recipes, compiled by Mrs. Bush, will be distributed.

The demonstration is being held under the auspices of the Nutrition Committee of the Washtenaw County Red Cross. Persons who wish to attend the demonstration are urged by Mrs. Frances Newton, the committee chairman, to register by calling the Red Cross before Monday.

"Because of the necessity of arranging a suitable room with cooking equipment, we should know in advance approximately how large the audience will be," Mrs. Newton explained.

It is open to anyone, and those interested in attending should contact Mrs. Paul Schaible, local Nutrition chairman, as to where this demonstration will be held.

Private Robert M. Eaton of Camp Roberts, Calif., is spending an eight-day furlough with his parents, Mr. and Mrs. E. W. Eaton. Upon his return he will report to Camp Ord, Calif.

## Kiwanis Minstrel Show Rehearsals Under Way

Rehearsals for the Kiwanis Minstrel Jamboree are well under way, according to Jerry Niehaus, director, who says that the finest selection of local talent ever assembled will be included in the all-star cast when the curtain rises at the public school auditorium on Friday and Saturday nights, February 9 and 10.

There will be forty colored singers, six mirth-provoking endmen, four soloists, the Cotton Pickers' Lucky Strike orchestra of eight members from down Alabama-Mississippi way, with their catchy tunes and close harmony. There will be no dull moments when the melodious chorus, and sparkling crossfire of jokes and wisecracks by the endmen break loose.

In addition to the great array of local talent, specialty acts will be presented by imported talent which ranks among the best in the entertainment world. Three of these numbers will be:

Eugene K. Mathews, popular magician who has appeared on many programs before clubs and conventions, and in hundreds of theatres throughout the United States. He does the seemingly impossible tricks in magic, and, while blindfolded will tell the make of watch, numbers on bills, etc., while wandering through the audience.

Johnny Boyle, from Southern California, now employed at Willow Run, will play his guitar and sing western songs, and songs of Old Mexico as well. Johnny has had several years as a cowboy in the great Southwest, and has appeared in a number of western pictures for Paramount Studios, Hollywood.

Earl Gotberg, popular and well-known Detroit ventriloquist and his pal, "Oscar," will entertain principally with the antics of "Oscar."

A fine entertainment is promised from the opening curtain at 8:15 to the grand finale two hours later. Tickets are now on sale by Kiwanis members and other groups. Net proceeds will go to the athletic field lighting fund, a project which is being sponsored by the Kiwanis club and which has received the wholehearted approval and support of the community.

## P-TA To Be Sponsored By Child Study Club

There has been a growing demand in the community for a Parent-Teacher Association, and at a recent meeting of the Chelsea Young Mothers' Child Study Club it was voted to sponsor the association.

A public meeting for the purpose of organizing the association will be held at the Chelsea public school, in the kindergarten room, on Wednesday evening, January 31, at 8 o'clock, and the public is urged to attend. A representative from the State Association will be at this meeting to explain the aims and purposes of a Parent-Teacher Association.

This is an opportunity to belong to an organization that is nationally known and respected all over the nation for its work toward the betterment of children and youth. A membership in a Parent-Teacher Association offers an awareness of the needs of all children as revealed by a broadening acquaintance with their parents, their teachers, and their way of life.

Every person interested in backing child welfare, whether or not you have children in school, is urged to attend this first meeting.

## Blood Bank To Be Held Monday At St. Paul's

Chelsea's third blood bank will be held on Monday, January 29, from 12:30 to 5:00 o'clock at St. Paul's church hall, Summit St.

Minors from 18 to 20 years of age, inclusive, cannot be accepted without the permission of their parents or legal guardian.

All donors are asked to omit the following fatty foods from their diet on the day of donation: Fats, butter, cream, eggs, fat meat and soups.

This blood bank is conducted by the Red Cross Mobile Unit from Detroit. Donors are requested to call Mrs. A. L. Steger, Mrs. J. Vincent Burg, Mrs. W. R. Daniels, or to register at the factory where they are employed.

THANK YOU  
Citizens of Chelsea, Michigan.

Dear Friends:  
May we thank you for your generosity at Christmas time? The attractively wrapped and fine gifts which you sent to the patients of this hospital helped to make the holiday a happier and more festive occasion for all of them.

We assure you the men of Percy Jones General and Convalescent Hospital greatly appreciate your interest.

Mrs. Florence Picotte,  
Field Director.

Small scratches can be obscured by rubbing them with the meat of a pecan nut. With deep scratches, touch very lightly with quick-drying varnish stain, or white shellac put on with a finely pointed camel-hair brush. If the scratches are very heavy, the article may call for refinishing.

**Nourishing Sea Food**  
Plankton is the name given to small animals which float in the sea and which constitute the food of the whale, herring, pilchard and mackerel. Plankton must be very nourishing when we consider that the blue and fin whales reach an average length of 75 and 65 feet respectively only two years after birth.

### 24 Years Ago

Thursday, January 27, 1921.

The community party given in the Maccabee hall in honor of Robert Foster's 96th birthday, Chelsea's oldest resident, was a very successful affair. About 200 people were present. There were two birthday cakes, one made by Mrs. Amelia Van Riper for the Lady Maccabees and contained 96 candles. Mr. Foster was presented with a purse of about \$50. Guests were present from Lansing, Owosso, Rosebush, Detroit and Ypsilanti. Mr. and Mrs. Henry Musbach entertained a number of their neighbors at their home Monday evening in honor of their 21st wedding anniversary.

Junior Lieut. Carl Chandler, who served four years in the United States Navy, was mustered out of the service at San Francisco and arrived at his home here last Thursday.

E. A. Tisch took possession of the Crescent Hotel on Monday of this week. The dining room and sleeping rooms are being redecorated and numerous other improvements are being made.

Another business change took place in Chelsea the first of the week, when Earl Updike purchased the interest of H. B. Murphy in the firm Updike & Murphy. Business will continue at the same location. For the present Mr. Murphy is undecided where he will locate.

The epidemic of scarlet fever in Chelsea and the surrounding counties have caused the authorities to close both the public and St. Mary schools, and a ban has been placed on all public gatherings. While there are many cases of scarlet fever in this vicinity, the disease is of mild form.

The Lima Center school board had the school fumigated Saturday.

Henry Lehman of North Francisco is having a lighting plant installed in his house.

Mr. and Mrs. Gottlieb Bollinger are the proud parents of a little daughter, born January 17.

### 34 Years Ago

Thursday, January 26, 1911

Miss Maggie Stoddard was born in Eaton county, Mich., March 28, 1858 and died at her home on Garfield St. Jan. 19, 1911. She has lived in this vicinity since four months old. She was united in marriage with Welcome B. Sumner, Nov. 21, 1878. She was a member of Olive Chapter O.E.S. and Columbian Hive L.O.T.M.M. Mrs. Sumner is survived by three cousins, Messrs. Ed. Monroe, John Sumner of Chelsea, Wm. Snow of Cavanaugh Lake, and one niece, Miss Stoddard of Jackson. The funeral was held from the home Sunday afternoon, Rev. F. I. Blanchard officiating. Interment at Vermont cemetery.

Misses Julia and Lizzie Wagner attended the opera in Ann Arbor, Wednesday evening.

Mrs. Mary Service of Sharon died late Wednesday night, Jan. 18. Her funeral was held Saturday, Rev. Hill of Manchester officiating. She had lived in Sharon township for many years, and was much loved and respected.

Chas. Merker reports that from Jan. 10, 1910 to Jan. 11, 1911, he has secured 1,573 eggs from ten hens. John Henschelwerdt has opened a sale stable in the barn on Park St. which he recently purchased of A. Van Tyne.

A big masquerade ball will be given at the Sylvan The Monday eve-

ning, Feb. 6. Prizes will be given for the best costume and the funniest costume. Pierce and Chapman are the sponsors for the affair, and will furnish the music.

**Births:** Born Monday, Jan. 23, 1911 to Dr. and Mrs. A. L. Steger, a son. Born Tuesday, Jan. 24, 1911 to Mr. and Mrs. Max Irwin of Sharon, a son. Arch lights are being placed on East and West Middle streets by the common council.

The Old People's Home is installing a laundry plant, consisting of washer and extractor, which will be driven by a two-horsepower electric motor.

**HOLD JANUARY MEETING**  
The Past Noble Grands held their January meeting on Wednesday of last week at the home of Mrs. Belle Barth, with 14 members enjoying a dessert luncheon. The hostess was assisted by Mrs. Inez Leaser.

At the business session Mrs. Leaser was elected as president for the ensuing year, with Mrs. Alice Krumm as vice-president; Mrs. Evelyn Rowe as recording secretary, and Mrs. Velma Wolfe as treasurer. Mrs. Elsie Novess was presented with a gift in celebration of her birthday. The mystery prize was won by Mrs. Anna McDonald.

A contest furnished amusement for the evening, the high prize being awarded Mrs. Rowe, with Mrs. Lucille Alstaetter receiving low.

Mrs. Krumm will be hostess at the next meeting on February 7, with Mrs. Lulu Sweeney, assistant.

**HONORED ON ANNIVERSARY**  
Several neighbors and friends of Mr. and Mrs. Fred Alber were entertained at their home in Sharon township on Friday evening, the party having been arranged by their daughters, Mrs. Harold Alexander and Mrs. Eugene Bentschneider in celebration of their 29th wedding anniversary.

Mr. and Mrs. Earl Alber of Manchester were winners in progressive euchre and the congratulations went to Mr. and Mrs. Elmer Below. Mr. and Mrs. Alber were presented with an anniversary gift and lunch was served, with covers for 18.

**War Expenditures At New High**  
Evidence of the demands of a vast war effort is the fact that in December, according to the Treasury Department and the War Production Board, war expenditures averaged \$313,400,000 a day—a new high for the daily outlay. The daily rate last month was 14.8 per cent higher than in November.

**"Mileage Rationing Records" Needed**  
All operators of passenger cars with basic "A" rations must have "Mileage Rationing Records" to be eligible to apply for any other gasoline ration, the Office of Price Ad-

ministration points out. Without this important record no motorist may be issued a "B" or "C" supplemental ration. In the recent re-registration of the nation's 23,000,000 basic "A" ration holders, each registrant was issued one of the mileage records forms. The form replaces the old tire rationing record, on which was kept a list of issued gasoline rations. In cases where a motorist was not issued a mileage rationing record or had his lost or destroyed, he should immediately apply to his local board for a duplicate, OPA states.

## V-Mail Use Urged By Army-Navy

The army and navy are asking all civilians to make greater use of V-mail in writing to service men this year as a direct help in conserving critically needed transport space and as a means to providing fighting men with more frequent and faster communication from home. Great stress is placed by military officials on the value of soldiers and sailors of frequent letters, which is more possible by the use of V-mail. The fact that there are more men overseas disallows of the consistent sending of regular mail by airplane and this type of mail is frequently held up for lack of space, the military authorities say. The V-mail filing process assures correspondents of privacy of contents, military postal officials point out.

## PIN CHATTER

By Rena Johnson

(January 17)

Our first half season is a thing of the past—for some of us that is good. We all hope to get some higher scores next half.

J. Osborne really finished with a swell series—she had 551. Hope you have many more, June.

G. Klump also had a nice series—she had 508. Nice bowlin', Gladys.

We had two teams who ended up tied. Some leagues bowl off their tie games, but we take the two place money and divide it equally. The Gophers have the consolation

of knowing it took eleven teams to beat them. Here's hoping you get off to a flying start this half.

Captains, please write the number of splits, and how much money is to pay for the averages, on your envelopes. Again we want to thank Phyllis and Vivian for the use of their bowling alley, and for all they did to make our party a success. 86 girls were present, the lunch was very good, the ham delicious. We thank D. Ashley for her radio and records. You really missed some fun, when some of the girls bowled left-handed. We hope we didn't keep too many people awake at the hotel. Please accept our apologies, because we had so much fun.

A TELEPHONE CENTRAL OFFICE IS  
A "HAND-MADE" JOB★INVEST IN VICTORY—  
BUY MORE WAR BONDS

EXPANSION of telephone central offices has been halted for over two years because of the war, and many thousands of persons are waiting for telephone service.

When it comes to expanding a central office, mass production methods are "out." Cables, wires and intricate equipment must be connected individually without interrupting present telephone service. Millions of connections must be soldered by hand.

That is one reason why it may be two years after war's end before we will be able to supply telephone service immediately to every one who wants it. To meet demands for service, Michigan Bell is engineering a five-year program of expansion and improvement costing upwards of \$120,000,000. That program will start just as soon as war releases manpower, materials and manufacturing facilities.

**DOG ENTERS RACING FINALS**  
Sunday morning, January 28, Freddie Hoffman will journey to Belle Isle, Detroit, taking with him his racing dog, "Jumping Jim." There he will make his debut in State Open Racing Competition. The race consists of two heats, distance one-third mile each. Jim, a rangy fox hound, has improved his racing form lately, due to his daily workouts. The dog has displayed a tremendous amount of speed, and endurance as well. On the sled behind Jim, Freddie will be

asking Jim to carry him faster than ever before.

#### THANK YOU

We wish to extend our heartfelt thanks to all our friends and neighbors who so kindly assisted in helping at the time of the fire; especially do we thank Glenn Rentschler, Dutch Horning, and the Chelsea fire department. Words cannot express our appreciation.

Mr. and Mrs. Elmer Marsh and family.

### DEATHS

Mrs. Catherine B. Frink

Mrs. Catherine B. Frink, of Garden City, died December 28, 1944 at Seymour hospital, following an operation. The daughter of John and Mattie C. ### Public Health Nursing Day Will Be Observed

Public Health Nursing Day is being observed nationally for the first time this year on January 26. The purpose of such a day is to focus the attention of the whole community on the services of the public health nurses.

In Washtenaw county, there are several organizations in which there are public health nurses. First, the Washtenaw County Health Department with its main office in Ann Arbor and a branch office in Willow Run; second, the Ann Arbor Public Health Nursing Association serving Ann Arbor city, and the Ypsilanti Health Department and the Ypsilanti Visiting Nurse Association. All of these organizations excepting the Ann Arbor Public Health Nursing Association work under the direction of Dr. Otto K. Engelke, Medical Director of the County Health Department. Mrs. Allene Birk is executive director of the Ann Arbor association.

During the year of 1944 the public health nurses in this area made 15,257 nursing visits. That is on the basis of fourteen nurses for the combined organizations.

The objective of the Public Health Nurse is to promote the maintenance and improvement of the general health of the community by education, demonstration and supervision. She is interested in all of the people of the community, the well as much as the sick, the well-to-do as much as those less fortunate, and young and old alike. She also is interested in the whole family and its relationship to the community as well as each individual as an entity unto himself.

## SKILL

It's SKILL—three-way skill—that makes your medicine. The skill of the doctor in diagnosing and prescribing... the skill of our pharmacist in compounding... the skill of the makers of the quality drugs that go into the medicine. Together, these three skills mean reliable prescription work—each one participating to the fullest in the efficacy of your medicine. Your doctor knows best—and he knows our prescription service, too.

## OFFICE NEWS

Report cards will be handed out on Wednesday, January 31.  
The Senior play, "The Girls Take Over," will be presented Friday, January 26.

Pinckney basketball teams play here Tuesday, January 30.

The final home game of the season is on Tuesday, February 6, against Manchester.

## CHELSEA BLOOD DONORS

On Monday, January 29, at St. Paul's church, the people of this community are asked to donate their blood to the Red Cross. If you plan to give blood, arrange it with your shop or through Mrs. Daniels or Mrs. A. L. Steger.

All of us have someone fighting for our country. Those in service know what it means to die, not one but a million deaths. They have witnessed hunger, starvation, lack of sleep, no ammunition, and at last, injury. They

lie there more dead than alive, losing blood every second, clinging to the hope that a good-hearted American gave some blood so that they may live. Think of the terrible things that might happen if you don't give your blood next Monday! Could you go on living another day knowing that you could have helped a soldier in need, but that you were busy or just plain lazy?

We are all proud to be Americans. Let's show that pride by getting out and giving blood to save lives. This is the least we can do, for those who have done so much; is it too much to ask?

## WHAT WILL HAPPEN?

Will there be a riot of laughter or just a quiet little happy crowd when "the girls take over?" You may ask, what are the girls taking over and when? Come to the high school gym on Friday, January 26 at 8 p.m. and the mystery will be solved. When you come, bring all your friends and really make a night of it. A Senior play only comes once a year, so take this opportunity to enjoy it, and we

assure you it will be a pleasant evening. The girls don't take over every day, but when they do—well, you'll see what happens! We would advise you to bring a hanky because you will laugh until you cry and we wouldn't want it to rain all through the performance.

When "The Girls Take Over" we would like to see you there with them.

## POT-LUCK SUPPER

You couldn't have found a more contented group of students anywhere than those at Chelsea high school, Friday night! The reason? Our annual pot-luck supper! It was a grand success too, because there was loads of food and wonderfully prepared (Thanks, Moms!)

Food rationing appeared to be a thing of the past and appetites weren't lacking either. The only tough part was the horrible ordeal of waiting in line.

The menu consisted of escalloped potatoes, baked beans, fruit and vegetable salads, celery and carrot sticks, sandwiches, cookies, and cakes. The Seniors sold milk and chocolate milk.

The evening was really topped off though when the first team won the game.

## STUDENT COUNCIL

The president opened the meeting. D. Perkins made a motion that students keep to their right on stairways, and that someone be appointed to put up signs. The motion carried. Bulletin boards were discussed. J. Ridley volunteered to take care of the one in study hall. The matter of outsiders getting into the school parties was discussed but nothing definite was decided. V. Steinway made a motion to give a five dollar reward for the return of a wallet stolen last week which contained five dollars also. The motion was seconded by Bob Gross and the motion was carried. The bell ended the meeting.

## SENIORS OF '45

It was a cold day, December 14, 1927, when Melva Josephine Myers was ushered into this world. Melva has red hair and blue eyes. She weighs 143 pounds and stands 5 ft. 2 1/2 inches in height. Her favorite color is Irish green and horseback riding is a top notch sport in Melva's opinion. After seeing a good movie (Song of Bernadette is her favorite), there is nothing better than to stop at John's for a hamburger and to listen to the nickelodeon play "Together." Melva plans to study "Beauty Culture" and this might be due to her training in Home Economics. Incidentally, Home Ec. is her favorite subject.

Robert Clarence Trinkle, better known as Bob to his classmates, saw the first light of day on July 28, 1926. Chelsea, Michigan, is his home town. Bob has brown hair and blue eyes, weighs 150 pounds, and stands 5 ft. 7 inches in height. His favorite song is "I Met Her By the River of the Roses" and the show he has enjoyed most is "Home in Indiana." Bob likes to ice skate and afterwards sit down to a man-size dish of goulash. American Government is his favorite class and his ambition is to go to college.

## CHELSEA WINS TWO THRILLERS

(Lard and Giggy)

Chelsea 41—Pinckney 38  
Chelsea traveled to Pinckney and in a hair-raising game won in the last minute when baskets were made by Maynard Carragher. The game was very close all the way, Pinckney commanding a 16-14 lead at the half. Both teams went to work in the second half but Chelsea, with a short scoring spree in the third period, took the lead. The score was tied several times during the fourth period. Chelsea gained a two-point lead and held it as the whistle sounded.

Carragher led Chelsea with 18 points, followed by Slane with 8, May with 7, Daniels with 6 and Gross with 2. This brings Carragher's total to 98 points for 6 games.

The reserve game at the end of the regular game was 25-25. Chelsea failed to score in the overtime while Pinckney gathered 4 points to win, 29-25. Vogel led this game, scoring 10 points.

## Chelsea 40—U. High 38

In one of the topnotch games played in the local gym the Bulldogs defeated the Cubs of Ann Arbor. The end of the first period found Chelsea trailing, but in the second quarter, the home team drew up to even terms, 21-21. An able pen talk during the half gave the boys inspiration. U. High took a 4-point lead, then Carragher dropped in two baskets to bring the score to even terms with the score at the end of third period, 29-29. With less than 4 minutes left in the game, Chelsea trailed 36-34. Three quick field baskets by Carragher brought the score to 40-36. U. High came back to drop one in, making the score 40-38 but U. High failed to connect again before the game ended. Carragher again led Chelsea's Bulldogs with 10 points, Slane followed with 9, May with 7, Daniels with 4 and Gaken with 2. This brings Carragher's total to 117 points in 7 games.

The little Bulldogs lost a great thriller, 27-24, with Vogel leading with 8 points.

Chelsea plays the next few games

away. A large crowd is hoped for at the next home game.

## BAND

The Chelsea band was honored to have Mr. Revelli, conductor of University of Michigan Bands, and members of the music school who are studying to be school band conductors, as their guests a week ago last Friday.

Mr. Revelli inspired the band by his many helpful suggestions for the improvement of their playing. Each month he and the class plan to return to the Chelsea schools to offer suggestions and help in the problems which confront the band.

Tuesday night, February 13, is the date set for the first meeting of the band parents. A pot-luck supper is being planned by Tom Smith, club president. The program will be furnished by the band.

Many students are planning to attend the program which is to be given by the U. of M. band Sunday afternoon, February 4, at 4:15. Morton Gould, Dr. Edwin Frank Goldman, and William Schuman will be guest conductors.

## CHORUS NEWS

The next appearance of the chorus will be March 16 in the Parents' Night program.

A boys' octet may be organized.

## SENIOR NEWS

The Seniors are putting the finish-

ing touches on their play "The Girls Take Over," which is to be presented tomorrow night. You may get tickets from any senior or at the door the evening of the play.

## To All Users of ELECTRICITY

Utilities Order U-9—(a) Purpose of this order. War requirements have created a shortage in the supply of coal and other fuels. The purpose of this order is to save fuels used in the generation of electricity by prohibiting certain unnecessary uses of electricity.

(b) Definitions. For the purpose of this order:

(1) "Person" means any individual, partnership, association, business, trust, corporation, political subdivision, government agency or corporation or any organized group of persons whether incorporated or not.

(2) "Electric supplier" means any person who generates, transmits or distributes electricity.

(c) Prohibited uses. No person shall use electricity for any of the following purposes:

- (1) Outdoor advertising and outdoor promotional lighting.
- (2) Outdoor display lighting except where necessary for the conduct of the business of outdoor establishments.
- (3) Outdoor decorative and outdoor ornamental lighting.
- (4) Show window lighting except where necessary for interior illumination.
- (5) Marquee lighting in excess of 60 watts for each marquee.
- (6) White way street lighting in excess of the amount determined by local public authority to be necessary for public safety.

(f) Notices.

(1) Every electric supplier shall, as soon as practicable, notify by publication or otherwise all persons to whom it supplies electricity for uses prohibited by this order of the terms hereof.

(2) If any electric supplier has knowledge of a violation of this order by a person to whom it supplies electricity, it shall inform the person of the violation. If the violation is continued, the electric supplier shall notify the person in writing of the specific terms of the order which apply and of the penalties prescribed for violation and shall mail a copy of the notice to the District Office of the War Production Board, for the area in which the consumer is located, Ref.: U-9.

(g) Violations. If the War Production Board determines that any person is using electricity in violation of this order, it may direct the electric supplier serving such person to disconnect service and prescribe the conditions under which service may be reconnected. In addition, any person who willfully violates any provision of this order or who in connection with this order willfully conceals a material fact or furnishes false information to any department or agency of the United States is guilty of a crime and upon conviction may be punished by fine or imprisonment.

(h) Effective date. The effective date of paragraph (c) of this order shall be February 1, 1945.

Issued this 15th day of January 1945.

**Ascorbic Acid**  
There are about 100 milligrams of ascorbic acid (vitamin C) in 3 1/2 ounces of grapefruit juice. The average adult needs at least 80 milligrams of ascorbic acid daily.

**Means Muskmelons**  
The word cantaloup is sometimes used to refer to muskmelons, but the cantaloup is a particular variety with a hard scaly or warty rind and seldom grown in this country.

## The Hi-Light

(Continued from page six)  
**CLASS NEWS**  
The Sophomores sponsored the dance after the basketball game with U. High last Friday evening. From what we have heard it was quite a success.

**HI-Y**  
A discussion was held on whether to purchase food for the U. High game. Guenther, C. Smith, J. Gaken, Breitenwischer, and J. Carraher were put on a committee for washing dishes. There was an invitation from Ann Arbor High to come to their meeting on February 5. The invitation was accepted.

**ATHLETIC BOARD**  
The vice-president took over the meeting this week due to the absence of the president. Slips for the pot-luck supper were handed out so the students would know what to bring. All teachers were invited to the pot-luck supper. It is our sincere wish that they had as much fun as the students.  
Members of the Athletic Board are working on a budget for the rest of this year's expenses. We are also working on the problem of raising money to buy new football uniforms for next year's squad. The members of next year's football squad will be asked to sell tickets for the Minstrel Show sponsored by the Kiwanis Club of Chelsea.

**GRADE NEWS**  
**Fifth Grade**  
By Shirley Doyle  
Other countries have helped us. In our history about the beginning of modern nations we learned that the United States has followed good examples set by England and France in these ways:  
1. Before a country can be a strong nation, it must have laws which are made by a government that rules all of the people.  
2. Our Congress is much like the early English Parliament and the early French Assembly. These bodies were the beginning of representative government.  
We are working on multiplication and division of fractions in Arithmetic. Sometimes we have two lessons a day.

**Sixth Grade**  
By Buddy Johnson  
(Last week's news)  
We have another new girl in our class, Marjorie Kleiner, from Freer school.  
We have two smaller basketball teams, including six sixth grade boys. The captains are Theodore Slans and Don Schrader. There are six boys on each team.  
We are making book reports and later will make the books.  
(This week's news)  
We have a new pupil in our class, Roberta Green from Ypsilanti. We are going to put in two more seats so we will have plenty of room.  
Last week we drew maps of India. We put in the important cities and colored it.  
We also drew pictures of children sliding and skiing down hill. The majority of them turned out very good.

**Seventh Grade**  
By Marlene Schneider  
Today we have two birthdays in our room: Roslyn Reule and Phyllis Stoll, who are both thirteen.  
Our book reports were due Tuesday, January 23, 1945.  
We are having a sectional review in spelling this week.  
We have had a test in arithmetic and it all turned out very well for all of us.  
In home economics the girls are going to have their final test.  
Our stamp sale for last week was 12 per cent and \$3.10.

**Safetygrams**  
How often have you heard the phrase, "There ought to be a law against such driving!"  
Laws are not the cure. Legislation will not prevent accidents. Every state in the Union has plenty of traffic laws on their statute books.  
Regardless of the number of laws enacted for our safety, each of us is personally responsible for safety on our roadways.  
If we drive properly, there will be no need for extra legislation to control accidents. It is your duty and my duty to drive safely, carefully, and sensibly.

**Hard Money**  
The use of iron as money, judging from the statement of Aristotle, was long practiced in ancient Greece. One remarkable instance of this was in Sparta, where it was clearly a survival of an older custom which had died out among the other Greeks. Modern writers state that Sparta continued the use of iron money in order to discourage the pursuit of great wealth—since having a fortune in iron necessitated the piling of it in warehouses and the payment of storage charges, instead of putting it in banks and collecting interest.

By GENE ALLEMAN

If Senator Arthur H. Vandenberg's statesmanly and courageous utterance on American foreign policy is an accurate index, Michigan has traveled a long, long way in its thinking since Pearl Harbor.

The change of Michigan public opinion, however, still appears to be predicated on the same motivating force: self-interest.

We think as we do because we must look out for ourselves.

Here is the answer, as we see it, to a reversal of attitude that approaches the state of being a paradox. And here also is a subject, believe it or not, that is as Michigan as Mackinac whitefish. Gold stars are appearing in increasing number; what used to be an abstract and far-away thing, known as "foreign relations," has become overnight something very vital to our life because it affects the future security of our homes and the lives of our loved ones.

It was Senator Vandenberg, among others who were honest and sincere in their thinking, who believed that we might insulate ourselves against recurrence of involvement in European troubles.

Listen to Senator Vandenberg in his remarkable statement before the United States Senate on January 10: "I have always been frankly one of those who has believed in our own reliance. I still believe that we can never again—regardless of collaborations—allow our national defense to deteriorate to anything like a point of impotence."  
"But I do not believe that any nation hereafter can immunize itself by its own exclusive actions. Since Pearl Harbor, World War No. 2 has put the gory science of mass murder into new and sinister perspective."

"Our oceans have ceased to be moats which automatically protect our ramparts. Flesh and blood now compete unequally with winged steel. War has become an all-consuming juggernaut."

"If World War No. 3 ever unhappily arrives, it will open new laboratories of death too horrible to contemplate. I propose to do everything within my power to keep those laboratories closed for keeps. . . . I think American self-interest requires it."  
Since the United States cannot insulate or immunize itself against the horrors of modern war, so goes the Vandenberg reasoning, we should act immediately to prevent war at its very root and not wait until we are involved once more because self-interest prompts us to fight.

What is this ounce of prevention? Here again the Vandenberg concept is a bold departure from pre-war thinking of the so-called "isolationist" Middle-West.

Maintaining that this Nation has the "same self-interest in permanent, conclusively and effectively disarming Germany and Japan," Vandenberg advocates that the major allies enter into a military alliance to keep the Axis disarmed and, furthermore, that the President of the United States be delegated power (which he already has) to "join our military force with others in a new peace league."

If the Allies could agree to such a military alliance, pledged never to permit Germany or Japan to rearm themselves and plunge us into a World War No. 3, Vandenberg believes such action would remove many of today's "confusions, doubts and frustrations" leading to controversial unilateral and bilateral actions by our allies.

Declaring that we must win our two wars with "maximum speed and minimum loss," the senior Michigan senator maintains it would be good common sense for us "by effective international cooperation to do our full part in charting happier and safer tomorrows."

There you have it, with all the implications of word-symbols: international cooperation by a military alliance with Great Britain, Russia and China!

We can imagine the stirring of latent prejudices when these words are weighed. Even President Roosevelt has not gone this far, although it will be recalled that Governor Thomas E. Dewey, long thought to be a "non-interventionist," espoused an "entangling alliance" with Great Britain while at the Mackinac Island conference in September, 1943.

Times have changed, the reversal of thinking, illustrated lately by the Vandenberg address, is somewhat of a paradox. It is a portent of tomorrow's new issues.

**Remove Odors**

If you have been cutting up onions or garlic, rubbing your hands with an acid like vinegar or lemon juice will chase away the smell. After handling fish, wash your hands in a strong salt solution and rinse well before dousing in warm soapy water. The same treatment removes fish odor from dishes and cooking utensils.

## ST. PAUL'S WOMEN'S AUXILIARY

A meeting of the Women's Auxiliary of St. Paul's church was held at the church hall on Friday evening.

"Doorways to Understanding" was the topic for the month and the devotional service of scripture reading and prayer was conducted by Mrs. Wilbert Breitenwischer.

Features of the program were:

A poem, "If We Only Understood"—By Mrs. Wilbur Hinderer.

The topic, presented in dialogue, by Miss Cora Feldkamp and Mrs. Roy Bertke.

Call to Prayer—Mrs. Herbert Paul.

Remarks—Rev. P. H. Grabowski.

Prayer for Boys and Girls in the Service—Mrs. Breitenwischer.

Announcement of the following department chairmen was made by the president, Mrs. Albert Aahf:

Education—Mrs. Leroy Satterthwaite.

Christian Citizenship—Mrs. Oscar Lindauer.

Membership—Mrs. W. Hinderer.

Missionary Education—Mrs. Herbert Paul.

Spiritual Life—Mrs. W. Breitenwischer.

Stewardship—Mrs. Elmer Mayer.

Thank Offering—Mrs. Paul Schaub.

Social Life—Men in Service: Mrs. N. Schmidt; War Relief: Mrs. Mary Faust.

Cards-Flowers-Sick Committee—Mrs. Lorenz Wenk, Mrs. Martin Miller.

For the Get-Together Banquet: Kitchen Committee—Mrs. William Beach, Mrs. Alfred Lindauer.

Dining Room—Mrs. Julius Eisele, Miss Cora Feldkamp.

Program—Mrs. Gurney Hopper, Mrs. John Warren.

For the Bankers' Banquet: Kitchen—Mrs. Paul Schaub.

Dining Room—Mrs. Otto Lucht.

At the close of the meeting, a social hour was enjoyed and refreshments were served to 34 members and two visitors, with Mrs. Harry Stofor and Mrs. Ernest Guenther as hostesses.

**Leather Deterioration**

Water is a chief factor in leather deterioration because it washes away the leather's tanning material, leaving a fiber structure that wears poorly. Hot wax or oil applied to the soles will retard the water's action.
