Local Victory Garden Committee Starts Plans

The Michigan Victory Garden Committee announces the results of a survey taken among commercial truck and market gardeners. Because of labor shortage, these gardeners plan to reduce their acreages of vegetables by at least 10 per cent. This situation and the increased need of food for the armed services and the conquered countries make the Victory Garden program more important than ever. Families with good gardens will realize important savings, and in addition they will be able to enjoy fresh vegetables and fruits at their best.

The Chelsea Victory Garden Committee will announce plans for the coming year as fast as they are developed. During the past two years community garden plots were plowed and rented to gardeners for small fees. However, the demand for such gardens is not great enough to warrant the expense and work involved. It is apparent that in a community like Chelsea there are enough backyard garden areas available for all needs. People who have garden plots to rent or who need more land, should call Marshall Richards, chairman of the local committee.

One of the most important parts of last year's program was the Garden Contest, in which \$60.00 in prizes was awarded to the winners. If funds can be raised, even more prizes will be presented this year. Is there anything more worthwhile than a boy or girl working in a garden during the summer, stimulated by the thoughts of a possible prize? Many of our child delinquency problems can be solved by helping boys and girls with worthwhile and purposeful work projects. While youth centers and organized play are important, they cannot take the place of honest and purposeful work. The tremendously successful A-H program in the rural areas is based upon the simple idea of giving boys and girls jobs they can do.

Contributions for the garden prizes from organizations and individuals will be welcomed. Announcements concerning judges and rules will be made as soon as possible.

The following services will also be offered by the local committee:

1. Distribution of bulletins and other information.
2. Soil-testing and advisory service.
3. Help in fitting land and planting gardens.
4. Speakers for programs.
5. Promotional work in the schools.
6. Full cooperation with the State Committee.

Marshall F. Richards, Chairman, Victory Garden Committee.

Large Crowd Attends Kiwanis Minstrel Show

More than one thousand people attended the performances of the Kiwanis Minstrel Jamboree on Friday and Saturday nights. The flawless manner in which the show was produced reflected the fine talent of the cast, as well as the tireless efforts of Paul F. Niehaus, director, with the able assistance of Mrs. Niehaus. The soloists rendered their numbers excellently, and the chorus numbers were also well rendered. The dance number by the one-and-only inimitable Tom Tuoci deserves special mention—many expressed the opinion that this number was the highlight of the program. The specialty numbers by Earl Gotberg, ventriloquist, Johnny Boyle, singer, and Eugene K. Mathews, magician and mind reader, were a real treat.

The Kiwanis club is appreciative of the assistance given by the non-club members of the cast, the Cotton Pickers' Orchestra, and all others who helped in any way to make the show the grand success that it was. The club regrets, however, that the names of Elwood Keizer and Roy Ives were omitted when copy for the printed program was prepared.

Net proceeds from the production will go to the athletic field lighting fund.

Scrap Paper Will Be Picked Up This P. M.

The Chelsea high school F. F. A. will have its first paper salvage drive on Thursday afternoon, February 15 (today). All proceeds will be divided equally between the Infantile Paralysis fund and the Red Cross. Citizens are urged to tie bundles of paper securely or put the paper in cardboard boxes. The boys will also appreciate having as much of the paper as possible placed on front porches.

FIRE DAMAGES MASONIC HALL
Fire of undetermined origin did considerable damage to the Masonic hall on Wednesday evening of last week. The blaze, which was discovered about 7 o'clock, destroyed most of the furniture in the lounge room, while the lodge room was badly damaged by smoke. The loss, which is estimated at \$1200 to \$1500, is covered by insurance.

FOOD AND BAKE SALE
The Rebekahs will hold a food and bake sale at the Chelsea Hardware on Saturday, Feb. 17 at 2:30. Adv.

With Our Men In Service

Mr. and Mrs. Peter Kinsey received a very interesting letter from their son, Pvt. Richard Kinsey, in which he tells of visiting relatives in England. The letter follows:

Somehow in England, January 20,

Dear Dad and Mother, Well, I just came back from visiting Uncle Frank yesterday—at least I have something to write about.

I had a very nice time. I saw most of the town of Stockport. Uncle Frank took me to where you used to live, Dad, and I went down to where you served your apprentice time at Mr. Croxley's. I saw the Mersey River, but it has been changed a lot since you were there, and I also saw the courthouse, which you never saw, as it has been built only 25 years.

Uncle Frank looks and acts a lot like you, Dad. It was just like seeing you again. Aunt Alice and her sister told me to say hello, also Cousin May and Harold.

I forgot to tell you I saw Christ church, where you went to school and played football. The people in the "Pub" where we went about 9:30 to 10:30 all asked about you and said to say hello.

Do you remember where your dog used to chase ducks in the pond on the way to school? We passed that lane, but it is all built up around that section.

Well, we have about one-inch of snow here right now, and it is quite cold, but it is more like home.

The Russians are on the way to Berlin. I hope they get there first and give them what they justly deserve.

I am sending you a clipping about my old division that I took all of my training with, and you will see I was lucky I went across before they did as they are nearly all wiped out.

Well I don't imagine I will be here much longer after February comes around. I will probably go back to school or be sent out on detachment service or get examined again so as to rejoin my outfit again.

I never forget Mom and I worry about him a lot. He is in the 7th Army and things are rather rough there now.

I got eight letters in the last four days. My mail comes through pretty good now.

I guess I can't think of anything more now, so will say "good afternoon. Love to both of you.

Your loving son—Dick.

Council Is Commended By More Local Groups

Purchase of the Vogel property on East Middle street for a municipal building has been endorsed by two more local groups and the Council received the following communications:

Gentlemen: At the regular meeting of the Young Mothers' Child Study club a resolution was passed commending the Village Council and administrative officials for their recent action in acquiring the building to house the various civic enterprises. The club heartily endorses the apparent forward looking attitude of the village officials, and believes this action will fill a long-standing need.

Sincerely,
Sec'y of Young Mothers' Club.

To the Village Council of Chelsea, Michigan. Gentlemen:

At the regular meeting of the Women's Relief Corps on Monday it was voted to congratulate the Council in the action taken on purchasing the Vogel building. Your move is most earnestly endorsed by the

R. P. Carpenter, Women's Relief Corps No. 210.

Paper Congratulates Chelsea

An editorial in the Sunday issue of the Jackson Citizen Patriot had the following to say concerning Chelsea's new municipal building:

Chelsea, our neighbor to the east and only a village, has taken possession of its own building to house all village departments, including not only its fire fighters but also its electric and water departments, its police force, a public library and even a public rest room. An Ann Arbor architect is now at work on plans for remodeling the building to serve all municipal purposes.

Chelsea is to be congratulated on its community spirit and enterprise. The village is making a good investment in town pride.

Jackson's municipal offices are still located upstairs over a drug store, while Chelsea's village government owns its own home. Albion, our neighbor to the west, also has a modern and handsome city hall.

MOMS Sign Petition for Peace Legislation

It has been the policy of the MOMS (Mothers of Men in Service) since its inception, to keep its members informed as to possible and pending legislation that affects the welfare of our boys and girls in service and the future peace of our nation.

Action is expected soon in the House of Representatives for an amendment to the U. S. Constitution providing that: "Hereafter treaties shall be made by the President by and with the advice and consent of BOTH HOUSES of Congress," revising the present law which requires that treaties be ratified by two-thirds of the Senate alone. Believing that such an amendment has a direct bearing on the future peace of this nation and the world, members of the local unit of the MOMS have signed a petition and mailed it to Congressman Earl C. Michener, requesting him that, when this measure reaches the floor of the House of Representatives, he vote for it.

In this, we hope that our humble efforts may have a slight effect in the wounding of a just peace through-out representatives.

Reports by our Peace Chairman were given on the attitudes of the various countries represented at the recent Airways Conference in Chicago and on the Dumbarton Oaks Conference, at the meeting held last Thursday night in the St. Paul's church house.

—Moms Committee.

Junior Conservationists Guests of Rod-Gun Club

Members of the Junior Conservation club of Chelsea high school were guests of the Chelsea Rod & Gun club at the public school auditorium on Monday evening. Following a short business meeting at which President Leon Chapman presided, the meeting was turned over to the program committee.

Ernest Blohm, of the Educational Division, Michigan Department of Conservation, gave an instructive talk on safety in the handling of firearms, and showed a film, "Safety On." Following the showing of the picture, Mr. Blohm again addressed the group, telling them things they should know about conservation, and advising the Rod & Gun club of their responsibilities in sponsoring the Junior club. The meeting was then open for discussion.

Lunch was served to about 70 members and guests.

PIN CHATTER

By Rena Johnson

(February 7)

J. Floyd had a nice series this week—she was high with 490. Good for you, June!

The little Old Maids are going alright with four bowlers. They are ahead so far. They have won 7 out of 9 games. Nice goin', gals.

Someone always has to be jinxed by a lot of splits. H. Horning was the victim this week, with 8.

The league high game keeps getting a little higher each week. P. Alexander is now high with 191. Who's next?

Some of the girls really picked up some splits very nicely. L. Rihimaki made the 2-10. M. Breitenwischer made the 4-10. D. McClear made the 5-10 twice; P. Wedemeyer also made the 5-10 twice. V. Wheeler really made a difficult one—the 7-9. Glad to know someone knows how to do it.

We had some close games again—I mean a mark on either side would have won. Central Fibre lost their second game by 6 pins to the Gophers; Milling lost their first game to Dixie by 8 pins; the CIO lost their first game to Five Crown by 7 pins.

Both the Independents and Foster's had a nice series this week. Independents had 2321, Foster's had 2331. Independents won two.

K. Karp saved her stuff for the State Tournament at Grand Rapids. She went into first place in Class E with a 409 series. You couldn't have picked a better time to go good. Now Kate, that prize money will come in handy for baseball, or that wild stuff.

VALENTINES' DAY

Well, another Valentine's Day has come and gone. The usual Valentine cards, containing the trick verses and those that were a little more solemn were seen, the senders hoping for a smile or a chuckle from the receiver in these days of trouble.

Valentine's Day has been celebrated since 270 A. D. At that time, St. Valentine, presbyter and martyr, according to the Roman legend, was arrested and thrown into chains at the instance of Emperor Claudius. He was handed over to Calphurnius, who employed one Asterius to win him back to idolatry, but, instead of this, Asterius was won over to the Christian faith on account of the healing of his blind daughter by Valentine. The saint was kept in prison for a long time, but was finally beheaded. Ever since it has been the custom to send messages of good cheer and happiness on February 14. Let's hope by this time next year our boys will be back and be able to share the holiday with us. And say, if you know of anyone who might have needed a little cheering-up, let us hope that you sent him a Valentine's card!

ASSEMBLY

Thursday of last week an assembly was given by two students from the University of Michigan. They were Enis Baskam and Rostislav Galuzefski, both of whom were from Turkey. In their talks they compared Turkish schools, domestic and social life with that of the Americans. The assembly proved extremely interesting and many autograph seekers procured autographs from the two speakers afterwards. We noticed that the majority of them were girls, however;

could the fact that both guests were handsome have anything to do with it?

MISS HUTZEL VISITS SCHOOL

Last week Miss Hutzel, from the State Health Department, visited Chelsea high school. Her purpose was to hold conferences with the boys and girls as a group and then the two groups met separately. Many problems pertaining to "boy and girl relations" were discussed at these meetings. Miss Hutzel will return in a week or more to show a movie on these same problems.

CHELSEA LOSES TWO

"Lard and Gigg"

Manchester 47—Chelsea 41

Before the largest crowd of the year Manchester defeated the Chelsea quintet. After a fast first period Chelsea was trailing 15-3. This fast pace was kept up into the second quarter, with Manchester scoring 16 points to Chelsea's 12. In the third period the pace was the same. Although Chelsea outscored the opponents 16-11, they trailed at 41-37. The last quarter slowed down, with only 10 points being scored in the whole period. Manchester, however, collected 6 of these which left only 4 for Chelsea.

Manchester's Cannon was high with 19 points. Chelsea's Carraher led the team with 18 points, followed by May with 11.

Chelsea's reserves walloped the visiting reserves, 28-8. Vogel led the game with 13 points.

Chelsea 24—Saline 35

Chelsea grabbed a four point lead to open the first period, but we failed to hold it as the quarter ended with Chelsea trailing 8-4. The boys could not get started in the second period and trailed at the half, 17-8. In the early part of the third period the Chelsea boys played ball for the first time in the evening. In the fourth period they let down again. Saline playing good defense and handling the ball smoothly on offense to stave off a Chelsea rally and easily win, 35 to 24.

Due to difficulties with the school authorities the Saline reserves were not allowed to play.

G.A.A.

Last Friday our girls journeyed over to Saline for a basketball game. They came home victorious with the score standing 22-11. Ruth Paul was high point player with 12 points to her credit.

The girls have two more games on their schedule. We are all hoping for their continued success.

STUDENT COUNCIL

We discussed having a formal dance for mid-winter, but it was left up to the Hi-Y, who have already made plans for a dance.

We also discussed the girls' locker situation. Mr. Richards is going to try to eliminate the connection by installing more lockers.

HOME-MAKING CLUB

The Home-making club had a to-begotten-at-Memoria-Perseus on January 28. A light lunch was served.

Monday night problems that weren't discussed by Miss Hutzel were taken up by the Home-making club. All the girls in high school were invited to this meeting.

*No job is as sure
as your Bond!*

Think it over.

Think it over especially when you get the urge to *spend* now ... when you get the idea that maybe it wouldn't hurt to cash some of those War Bonds.

Because if you let those Bonds go now, or before they reach maturity, you're letting go one *sure thing* in your future.

United States War Bonds are the best investment in the world. No matter what happens in postwar America, you can always be sure to collect those *four dollars* for every *three* you've loaned Uncle Sam, when your Bonds mature.

No job—no income—no other opportunity offers you such certain security, such a chance to protect your own future, or such a chance some day to have some of the things you've always wanted.

Instead of cashing in your Bonds next time you're tempted, buy another just to be on the safe side. Your country needs the money—and you need War Bonds!

In any village in which the clerk does not maintain regular daily office hours, the village council of such village may require that the clerk of such village shall be at his office or other designated place for the purpose of receiving applications for registration, on such other days as it shall designate prior to the last day for registration.

Notice is hereby given that I will also be at Sylvan Town Hall on February 10 and February 17 from 8 o'clock a.m. to 8 o'clock p.m., for General Registration by Personal Application.

The name of no person but an actual resident of the Village at the time of said registration, and entitled under the Constitution, if remaining such resident, to vote at the next election, shall be entered in the registration book.

Notice—Absent Voter—Must Be Registered

Although Sec. 2774, Laws Relating to Elections, Revision of 1939, still provides that an absent voter may apply for registration at time of applying for ballot, and gives form of affidavit he should make, Art. 63 of P. A. 1939 stipulates that in absent voter's application for ballots he must state that he is a "duly qualified and registered elector."

Opinion of the Attorney General is that Acts 66 and 69 "must be construed to repeal the inconsistent provision of Sec. 2774 permitting absentee registration at the time of making application for an absent voter's ballot."

Thus the Absent Voter's application and affidavit for registration are useful only in cases where voter may mail these in, then make application for ballots later, after registry has been completed.

The portion of application shown herewith enclosed in brackets should be crossed out when applying for registration.
