Pioneer Business Man Is Taken By Death

William C. Schatz, 73 years old and a life-long resident of this vicinity, died Wednesday night, February 21, at St. Joseph's Mercy hospital, Ann Arbor, following an extended illness.

He was born Oct. 3, 1871 in Sylvan township, the youngest son of Mr. and Mrs. Joseph Schatz. He was married in Toledo to Helen McCarter on July 5, 1897 and their entire married life has been spent in Chelsea. For 47 years he operated a barber shop and tobacco store here. He had always been active in local political and civic affairs.

Mr. Schatz was a member of The Independent Order of Odd Fellows, and the Modern Woodmen of America.

He is survived by the widow; two sons, William H. of Chelsea and Elba C. of Detroit; two brothers, George D. of Fresno, Calif., and Herman F. of Chelsea; two sisters, Miss Sophia Schatz and Mrs. Elizabeth Hayes, both of Chelsea; and one granddaughter.

Funeral services were held at 3:00 o'clock Sunday afternoon at the Miller funeral home, with Rev. Wm. H. Skentelbury officiating. Burial was in Oak Grove cemetery.

Library Board Accepts Gift From Study Club

The Public Library received a gift of \$100 from the Chelsea Study Club last week, which was accepted with gratitude by the Library Board. The Study Club was the organization which originally started this library. It became a public library in 1940.

Mrs. A. A. Palmer and Mrs. P. G. Schable, who have long been connected with the library board, are retiring this month. It is through the constant efforts of all the women who set up the original library and the people who have since served on the board, that the library has grown and developed, and the work of these two women is gratefully acknowledged.

FRUIT GROWERS' MEETING

H. S. Osler, County Agricultural Agent, announces a special fruit growers meeting to be held Wednesday afternoon, March 7, at 1:30 p.m. fast time, at the Franzblau orchard, formerly known as the Huron Farms Orchards, located on the Huron River Drive, 3/4 miles northwest of Ypsilanti and five miles east of Ann Arbor. Don Hootman, MSC, will discuss fruit prospects for 1945, orchard management problems and will conduct a pruning demonstration following the meeting which will be held in the packing house at the Franzblau orchards. County Agent Osler says that this will be the only meeting of this kind scheduled for this county this spring.

ATTENDS ORDINATION

Mrs. Ella Staph attended the ordination of her cousin, Charles H. Smith, to the Holy Priesthood on Saturday, February 24, at St. Mary's Cathedral, Lansing. On Sunday, Rev. Father Smith read his first mass in St. Joseph's church, Howell, his home parish. Immediately following the services a banquet was served in St. Joseph's hall to relatives and friends. Mrs. Staph also attended the Sunday services and banquet.

With Our Men In Service

Mrs. Anna Dvorak of Manchester, formerly of Chelsea, has received a fine letter from Captain Schweinler, concerning the wounding and death of her son, Staff Sergeant Robert Dvorak, who died December 18 on Leyte Island. The letter follows:

Dear Mrs. Dvorak,

In conjunction with the men of my company, I want to express our heartfelt sympathy in the loss of your son, who died of wounds received in action here recently. Robert was wounded while trying to evacuate one of the wounded men of his squad during intense enemy machine gun fire; he was wounded about 1400, 11 December 1944, and died shortly afterward. S-Sgt. Dvorak was buried in U. S. Cemetery No. 1, Leyte Island, with an Army Chaplain in attendance. Staff Sergeant Dvorak was admired and respected by his friends and fellows in arms as well as an outstanding example to all who came in contact with him. By his calm, congenial character and his determined attention to duty as a soldier and a man, he will be remembered throughout the years by all who knew him. You may well and truly be proud of Robert Dvorak, your son, as we the men, who lived and fought with him, are proud to say he was one of us.

In closing may I again extend our deepest sympathies of the entire organization on the loss of a true friend and a fine soldier.

Very sincerely yours,
Dale J. Schweinler,
Capt. Infantry,
Commanding.

Word was received here by relatives on Saturday of the death of Sgt. James Etienne, killed in action February 9 while serving with the 7th Army in France. He was the son of Mrs. Frank Etienne of Jackson. Mrs. Etienne, who formerly was Pauline Burg, lived in Chelsea previous to her marriage, and is the daughter of J. Louis Burg.

Sgt. Etienne entered the army in March, 1942 and went overseas April 1, 1943. He was Commander of a Tank Destroyer in the Infantry Division and was in the invasion of Salerno, the occupation of Rome and the German campaign.

Survivors besides his mother are his sisters, Mrs. J. C. Shotwell; Mrs. R. J. Higgins and Jean Etienne, and two brothers, Victor, and a brother, T-5 Ralph Etienne, who is serving in the Pacific area.

Mr. and Mrs. Lynn W. Kern have received word that their son, Dale W. Kern, has been promoted from Corporal to Sergeant. Sgt. Kern is now in the Philippines, and writes that he hopes for a furlough so he may come home in March. He has been overseas since August 1942.

Fire Destroys Wright Home In Sylvan Twp.

The large farm house of Mr. and Mrs. Fred C. Wright on Heim Rd. in Sylvan township was completely destroyed by fire which started in the attic about one o'clock Sunday afternoon. The origin of the fire has not been determined.

With the help of neighbors, practically all of the furniture and contents were saved, but the blaze was beyond control when the fire department arrived.

Mr. and Mrs. Wright and children have occupied the farm (formerly known as the Joseph Heim farm) for about a year and for the present they will make their home in Ypsilanti, where they formerly resided.

DEATHS

Mrs. Robert Struthers, 68, died Wednesday afternoon, February 21, at the Methodist Home. She was born June 16, 1877 in Scotland, the daughter of Mr. and Mrs. Gavin Wilson. On April 18, 1912 she was married to Mr. Struthers, who died July 7, 1942. Mrs. Struthers entered the Methodist Home on Oct. 1, 1942.

She is survived by two brothers, Gavin Wilson of Scotland and William Wilson of Ontario, Canada.

Funeral services were held at 2:00 o'clock Saturday afternoon at the Methodist church, Grass Lake, with Rev. R. McLean officiating, assisted by Rev. Leroy I. Lord. Burial was in North Sharon cemetery.

Miss Rose McIntee, 59 years old, died Saturday morning at her home in Lyndon township, where she was born June 30, 1885, the daughter of Eugene and Mary (Moran) McIntee. Here her entire life had been spent. Miss McIntee is survived by her mother; a brother, Herbert, and a sister, Miss Frances, both at home; also another sister, Mrs. Howard Collings of Stockbridge.

Funeral services were held at 9:30 Tuesday forenoon at St. Mary's church. Rev. Lee Laige officiated and burial was in Mt. Olivet cemetery.

CARD OF THANKS
I wish in this way to express my appreciation and thanks to my relatives, friends and neighbors and the W.S.C.S. of the North Lake church for their many acts of kindness and especially for the cards, plants and gifts sent to me during my recent illness at St. Joseph's hospital, Ann Arbor and since my return.

Mrs. John Hinchey.

There were a lot of splits this week. J. Osborne and M. Breitenwischer each had nine, G. Klumpp and I. Stoffer each had eight. Too bad, girls! The Independents' team had 27 splits.

A. Harris picked up the 5-7-9 split very nicely. Girls, don't forget to write down on your slips when you pick up splits.

The Varbi lost their second game by 5 pins; Chelsea Milling lost their last game by 1 pin; Gophers lost their second game by 3 pins, and their last game by 3 pins.

We still have four teams tied for first place. Everyone seems to be bowling better this half.

V. Park is bowling again—she did alright too. Glad you're able to bowl again, Viv.

We had no substitutes bowl this week, and only three absent bowlers.

D. Leach had high series on CIO with 468; Phelps high on Milling team; Meehan high on Dixie Gas with 455; Johnson high on Foster's with 481; Klumpp high on Independents with 432; A. McClear high on Varbi with 397; Hubbert high on Five Crown with 476; Ashley high on Fibre with 373; and J. Czarnezki high on Gophers with 391.

CAN YOU REFUSE?
Wanted: Good-hearted-Americans are wanted to help the Red Cross help save some boy's life, and bring him the comforts of home. Can you refuse him this?
With Chelsea's quota \$2,000 higher than last year, we must all get out and give our money with good hearts.

We enjoy the comforts of our homes, food, fire, clothing and good health. Are we going to turn down our boys who are fighting for us?
The Red Cross is doing important work both at home and abroad. At home they have canteens and clubs which help our boys' spirits; overseas they establish hospital and service organizations where our boys may rest and be served coffee and doughnuts. These are just a few of the important tasks our Red Cross performs.
Let's all of us put our money together and have it go on and fight for us to help our loved ones. Chelsea's quota is \$6,500—let's show the boys we can reach it. After all, they have given—is this too much to ask from us?

WHAT IF?

U. High made the first basket, but Chelsea came right back with three and were never threatened again. The score at the half was 16-6, our favor. The game ended 18-8. Eisenbeiser was high scorer with 10 points. Paul and Vail shared evenly the other 8. Krueger had 6 points for U. High, Huff getting the other two.
Chelsea has a return game scheduled with U. High here in the near future.

CHELSEA WINS AND LOSES

"Lard and Giggy"
Manchester 47—Chelsea 35
Chelsea was handed its second defeat by the team from Manchester. In a fast rough and tumble game, Manchester took an early lead and never lost it throughout the game. The game went all the way at a very fast clip.
May led Chelsea with 9 points, while Hough had 13 points for the night.
In the second team game Chelsea was trailing up to the last six minutes when Chelsea began to pour the ball through the hoop, and won, 24 to 28.
Chelsea 20—Dexter 27
In the first few minutes Chelsea was trailing but the boys finally got used to the floor and started to pour the ball through the hoop. In the last half each team was just about shooting basket for basket. Jim Gaken's basket in the last few seconds finally decided the game in Chelsea's favor.
Knickerbocker led Chelsea with 10 points.
The reserves lost their game to the Dexter reserves 26 to 31.
This was the last game of the season—Chelsea finished by winning eight and losing seven games.

Safetygrams
BY FRED W. BRAUN
The Safety Man
Many of the nation's most tragic automobile accidents occur after dark. Highways seem to grow narrower and visibility decreased when the cover of darkness settles over the countryside.
After work, some cars have poor head-lamps and are driven by sleepy drivers. Other cars do not have any taillights or very dim ones. Pedestrians in dark clothing are scarcely visible to the motorist and are often obscured by the lights of approaching automobiles.
Poor lights on a car, or one light, obstructs the vision of the driver by not giving enough light, and drivers of oncoming cars can't decide which of the two lights is functioning.
Because of the darkness of the early morning hours, when millions of men all over the country are going to work, and because of frequent bad weather conditions, all motorists should be careful and use extra caution.
Extra caution after dark may save your life.

Portrait of a man
cashing in his War Bonds

BEFORE YOU decide to cash that War Bond—wait a minute. For the last 3 years you've been buying Bonds steadily—saving part of every dollar you earned.

You've formed the *habit* of saving.

You've been accumulating money against unforeseen troubles or a time of need.

You've been working to build up a nest egg—and by golly,

you've got Uncle Sam helping you do it! Every time you put in \$3, he will make it \$4—if you hold your Bond to maturity.

You've been laying aside money to help safeguard your job after the war, and help guarantee a healthy, prosperous Country for us all.

You've been helping to fight inflation and to keep prices down.

Last, but by no means least, you've been sending your dollars into the fight—backing up G.I. Joe.

You don't want to undo all you've done. It just isn't smart. To say that it's cutting off your own nose is to put it very, very mildly.

DON'T cut off your own nose. Hang on to your War Bonds. Hang on to them till they come due—and meantime, buy some more!

(Continued from page three) take charge of the assembly March 6. J. Ridley and B. Beuhler were appointed to make a list of rules for assemblies. We will vote on them at the next meeting.

It was decided to have Miss Hutzel every two years. We talked about having a physician come for an assembly but nothing definite was decided.

The social committee is going to buy some new records. B. Gross and V. Steinaway were appointed for the building and grounds committee.

The president closed the meeting.

BAND

Chelsea High School Band combined with the Dexter High School Band and furnished several numbers at the Chelsea-Dexter game last Friday night. The combined organizations formed an evenly balanced band of some 60 odd members. The songs of both schools were played by the combined bands, as well as several good marches.

The twirlers of Chelsea also performed at the half of the first team game, and an additional feature was the appearance of John Vore, drum major of the University of Michigan band. His many tricks displayed on the drum major's baton were applauded by the entire crowd.

CHORUS

The Triple Trio and Chorus will sing March 16 for the Parents' Night program.

The Chorus will sponsor an All-Hi party April 27.

HOME EC. CLUB

On February 12 the club continued discussing the social problems aroused by Miss Hutzel's visit.

Ten new members of the club will receive their initiation in the near future.

GRADE NEWS

Fourth Grade By Karen Chase This week we are making maps of Egypt. Mrs. Elsie is reading us a story of a Greek boy and his town. We are going back to our science books instead of having health turns in school we have been taking turns in visiting Miss Brown. In language we are learning to use a dictionary.

Sixth Grade By Deloris Walker We have put up a chart this week for those people who do the work in the room such as dusting, desk inspection. We had a group of three people get-together and make rules on the playground and in the room. So far they have all obeyed them. Our stamp sale this week is \$13.10. We had a test in geography which most of us knew. In reading we are to have book reports in Wednesday.

Seventh Grade By Marlene Schneider The stamp auction last week stimulated 45 per cent of our membership to buy \$22.80 worth. Merilyn Johnson played and won the birthday game. Congratulations! We present apologies to Verdice Wheeler and Shirley Nagy for missing their birthdays.

Helen Eschebach and Virginia Christwell are co-chairmen of the seed-sale project in grades 8-8 inclusive. It is hoped that the sale of these seeds will stimulate local victory gardens.

Science classes have been meeting lately in the laboratory for experiments and demonstrations.

Eighth Grade

By Edward Adams and Doris Gilson Many people in our grade attended the Manchester game last week. Speaking of attendance, three in our grade have perfect attendance for the year. They are Ellen Jane Geddes, Leon Eiseaman, and Helen Jarvie.

We are studying about our possessions in history. We have had reports on Alaska and Hawaii. We are to write a story of Alaska or Hawaii, telling about the climate, the people and their work. In arithmetic we're studying about notes, interest, and bank discount.

Several of the girls in our room are going out for cheerleading. We hope some of them make it. We had three birthdays in the past two weeks: Audrey Taylor's, the 18th, Elden Moore's, the 16th, and Bill Lyons', the 22nd.

Two weeks ago we had our first
