Called To The Colors

More registrants from Washtenaw county left on Monday to report for induction in Detroit. The inductees included:

Roy K. Broessamle, son of Mr. and Mrs. William Broessamle, who was born in Sylvan township Nov. 8, 1923 and graduated from Chelsea high school in 1941. He has been employed on the farm of Lawrence Boettner, Bridgewater.

Theodore Lee Quigley, son of Mr. and Mrs. Theodore B. Quigley, was born in Detroit on April 17, 1918, and came to Sylvan township 13 years ago. He has recently been employed with Bowser, Inc., Stockbridge. On March 19, 1938, he was married to Marie Barriack and they have two children, Michael and Sandra.

Laurence D. Keah was also included in the list of those who reported on Monday.

Albert E. Schenk, son of Mr. and Mrs. Herbert E. Schenk of Freedom township, reported in Detroit on February 27 for induction into the Army. Albert was employed on his father's farm.

With Our Men In Service

Mr. and Mrs. Wm. Otto have received word from their daughter, Mary Otto Kowalk of Pontiac that her husband, Bernard A. Kowalk, MM-3C, first reported missing, is now listed as dead, according to the Navy Department. He lost his life as a result of a ship disaster during a typhoon on Dec. 18, 1944. Only six men survived the sinking of this ship, the Monaghan.

He entered the Navy May 13, 1943, before which he was employed by the Pontiac Motor Co. He formerly lived in this vicinity. He was born in Lansing Aug. 7, 1915. Besides his widow, he leaves his parents, Mr. and Mrs. Frank Kowalk of Howell, and three sisters, Mrs. Freda Smyth of Howell, Mrs. Florence Kzeski and Mrs. Francis Blevins of Lansing.

H. D. Witherell received word Monday that his son, Major L. D. Witherell, had been wounded and was in a hospital with right arm broken in three places. Particulars or condition of the arm not received. Major Witherell has been on active duty in the Philippines.

Camp Blanding, Fla.—Pfc. William Birch of the 210th General Hospital is now undergoing "on the job" training at Camp Blanding's Regional Hospital. The unit recently arrived here from Fort Lewis, Washington. Pfc. Birch is the son of Mr. and Mrs. Wm. Birch of Chelsea, Mich. Prior to entering the service he was employed by George P. Staffan.

Pvt. Everett Carlton Chriswell, who has been in the Army about one year, returned to Chelsea on Sunday, having received his medical discharge from the armed forces.

Village Election Will Be Held Next Monday

From present indications Chelsea's annual village election, to be held on Monday, March 12, will be a quiet affair. Only one ticket was nominated, headed by Walter D. Mohrlock, the incumbent president.

Although there is but one ticket in the field, voters are urged to go to the polls on Monday. With little interest evident, there could be developments which might adversely affect the progress of the village for some time to come. The right to vote is one of the things our boys are fighting for. Go to the polls on Monday!

The candidates are:
President—Walter D. Mohrlock.
Clerk—John J. Ford.
Treasurer—Wm. G. Kolb.
Trustees for two years—Ross Munro, David Beach, Dillon Wolverton.
Assessor—George Clark.
Members of Library Board—Mrs. Luella Rogers, Mrs. Beatrice Fisher.

INTANGIBLES TAX ASSISTANCE
On Wednesday, March 28, 1945, P. J. Hendricks, representing the Michigan Department of Revenue, will be at Chelsea State Bank between the hours of 9 a.m. and 3 p.m. for the purpose of assisting taxpayers in the preparation of their intangibles tax returns due not later than March 31, 1945.

CELEBRATES 81ST BIRTHDAY
The 81st birthday of Edward H. Chandler was celebrated with a dinner on Sunday at his home on Park St. A birthday cake centered the table, and covers were laid for Mrs. Henry Therman of Columbus, Ohio, Mr. and Mrs. George Turnbull and children and Mrs. Lyle Haselswerdt of Detroit, and Mr. Chandler and Carl.

Methodists Will Rededicate Church Week of Mar. 11-18

Beginning last June, the Methodist church of Chelsea started raising money for renewing and redecorating the church. Now, after many months of planning, working, giving and waiting, the work is complete, and is ready for rededication.

Actual work on the church has been in progress during the last year. The roof was repaired, a new lighting system installed, furnaces repaired, the sanctuary, league room, and dining room redecorated, the pews cleaned and refinished, the floors sanded and refinished, and new carpet placed in the sanctuary. The completed work, representing an expenditure of more than \$6,000.00, makes this fine church a beautiful place of worship.

A truly remarkable program has been planned for the rededication of the church during the week of March 11 to 18. Many former members, ministers and friends are planning to return to Chelsea to attend the services.

On Sunday, March 11, Dr. Luther Butt, District Superintendent, will speak at the 10 o'clock service.

As a special feature of the mid-week Union Lenten service, which will be held in this church, Rev. John W. Parrish of St. James Methodist church, Detroit, will speak. This will be the first opportunity for townspeople to see the newly-decorated church.

A Fellowship dinner, to which the public is invited, will be held at the church on Thursday evening at 6:30, followed by a program in the sanctuary at 8:00 o'clock, when Dr. John E. Marvin, editor of the Michigan Christian Advocate, will speak.

Climaxing the week's activities, Bishop Raymond J. Wade, of the De-

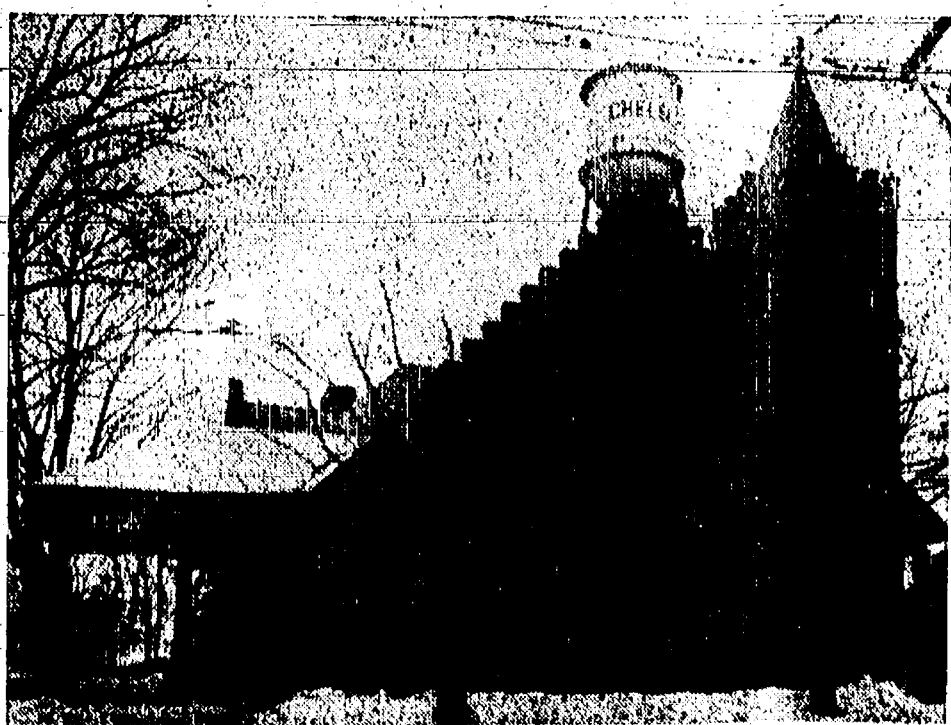

REV. EVERETT R. MAJOR
Pastor Chelsea Methodist Church

troit Area of the Methodist Church, will give the morning sermon on March 18, and will have charge of the rededication service.

Special music at all services will be given by the Youth Choir, under the direction of Mrs. A. A. Palmer. (See page two of this issue for further details).

Chelsea is noted for its fine spirit of good will and cooperation between its ministers and churches. All join in offering congratulations and good wishes to the Methodists and to their minister, Rev. Major, for their fine achievement.

Mrs. F. H. Peterson of Litchfield, Minn. visited her sister, Mrs. T. G. Riemschneider, Tuesday and Wednesday.

Rev. George C. Nothdurft of Berea, Ohio delivered the morning sermon here Sunday and spent the afternoon at the family dinner and gave a talk on Mountain Life in Kentucky.

Mr. and Mrs. Robert Fahrner and mother, Mrs. Carrie Fahrner, of Grand Rapids spent the week-end at the Albert Schweinfurth home.

Roy Brosamie went to Detroit on Monday morning, where he was inducted into the Army.

Pomona Grange will be held on March 13 at the Pittsfield hall.
Ed Brosamie, of Munith, a former

resident here, passed away at the funeral home at Stockbridge on Sunday from a heart attack.

Master Donald Proctor underwent an operation at the St. Joseph hospital, Ann Arbor, on Friday and is getting along nicely.

Rev. Geo. Nothdurft called at the home of Ricka Kalmbach on Sunday afternoon.

The Grange will meet with Mr. and Mrs. Frank Giesse on Wednesday, March 14.

A Greyhound bus was destroyed by fire near the Schweinfurth home last week.

Geo. Sanderson moved last week to the Mensing farm which he recently purchased of Leand Kalmbach, and Wm. Sanderson moved to the E. J. Notten farm that they purchased some time ago.

Rev. Geo. Nothdurft spent Saturday with Mrs. P. H. and Walter Riemschneider.

Mr. and Mrs. Walter Kalmbach, Walter Jr., and Phyllis, and Rev. Geo. Nothdurft called at the Oscar Kalmbach home Sunday afternoon.

Bright Fish

The dolphin fish are a bright, iridescent, metallic silvery-blue. In a matter of minutes, after the moment of death, they begin to change color, almost chameleonlike. They fade perceptibly, losing their live sheen and become a dull, muddy, olive-blue.

Chauncey Hummel is serving on the jury in the federal court in Detroit.

The Federal Oil Co. of Indiana is making arrangements to open an oil station in Chelsea.

Ralph Artell paid \$5.00 fine in justice court Monday afternoon for riding his motor bicycle on the sidewalk.

Sylvester Weber of Sylvan, who was caught by a lodged leg on Monday of last week, and had his left knee badly bruised, is slowly recovering.

Going fishing by motor car has given a first rate bar two chances, one to tell the boys how many miles he got on a gallon, and the other to spring the usual bunk about the big one that got away.

W. D. Huston met with a peculiar accident at the cement plant, Sunday. He had just filled the heating stove and an explosion shortly afterward broke a hole in the side of the stove, and a cartridge that was in the coal was driven into his right leg above the knee, which made a bad flesh wound. He was taken to a Detroit hospital for treatment.

Miss Edna Mast, teacher of Lima school, District No. 7, was found by the pupils of the school lying on the school room floor, in a semi-conscious condition Wednesday morning. When the scholars arrived at the building they found the door locked, and they looked through the windows and discovered the teacher. The neighbors were called and entrance was gained to the room, and she was removed to the home of Mr. and Mrs. Philip Seitz, where she was staying. She was later taken to the home of her parents, Mr. and Mrs. John Mast of Dexter. A few days rest will restore her to her normal condition.

Albert Herter of Seio township is the possessor of a week old calf with three legs. The hind legs are perfectly normal, he states, while there is only one leg in front. The calf is active and healthy and can walk around.

34 Years Ago

Thursday, March 9, 1911

Lew Elfring was taken Monday afternoon to his parent's home in Webster with a broken leg. Mr. Elfring was assisting with a gang of men to bale hay at the Balfrance farm, near four-mile lake. While leading the horses on the water tank a little closer to the hay baler, a barrel slipped off and struck the horses causing them to start to run. Elfring holding on to them, fell down, the wagon and tank running over him, breaking his right leg; skinned the side of his face and bruising him quite badly.

Master Frank Hughes entertained twenty-five of his little friends who are in his Sunday school class, at his home Saturday afternoon in honor of

his fifth birthday. A dainty supper was served. Many pretty gifts were given and all went home wishing Frank many happy birthdays.

Orwin Schmidt has sold his farm in Sylvan to Lewis Hayes. Mr. and Mrs. Schmidt will move to their Chelsea home about April first.

James H. Wade has rented the orchard on the Wilkinson farm for three years. Mr. Wade is at work giving the orchard a thorough trimming up. Mr. and Mrs. Philip Schweinfurth who have been residents of this place for the last three years, expect to move to their farm in Sylvan the last of this month.

S. P. Foster is confined to his home on Park street by illness. Geo. M. Seitz is carrying the mail on rural route No. 5 during the absence of Mr. Foster.

S. A. Mapes has purchased a five passenger Oldsmobile touring car. He has disposed of the runabout which he operated last year.

Nineteen of the Ann Arbor friends of Miss Clara Hutzler met at her home on Railroad street Tuesday evening and gave her a surprise party. The evening was devoted to music and games, a lunch was served.

Conrad Haefner on Tuesday had the misfortune to lose a valuable horse.

ST. PAUL'S LADIES' AID

The March meeting of St. Paul's Ladies' Aid Society was held at the church hall on Friday afternoon, with Luke 18:31-34 forming the subject for the devotional service conducted by Rev. F. B. Grabowski. He also presented "Doorways to Equality" as the topic for the day.

A Lenten program was given as follows:
Reading—"Is It Nothing To You?"
Mrs. W. H. Kusterer.Hymn—"When I Survey the Wondrous Cross."
Reading—"If I Forget"—Mrs. Carl Mayer.Prayer—Mrs. Alvin Vail.
Letter from a Missionary—Mrs. F. Seitz.

Letters were read from boys in the Service, including Willis Mayer, Paul Guenther and Luther Kusterer.

Announcement was made of a spring convention to be held at St. Paul's church on April 18, beginning at 9 o'clock.

Fourteen members responded to roll call and one guest was present. Following the business session, lunch was served in the dining room, with Mesdames A. Eppler, L. Eppler and E. M. Eismann as hostesses.

Tiny Gland

The pituitary is a tiny gland situated under the brain, back of the nose. In fact, its name, given to it by the Greeks, means a thick secretion in the nose, because, centuries ago, it was thought that the pituitary had something to do with colds and other nasal affections. The pituitary consists of two portions, embryologically different.

Broiled... Fish

During the next three weeks the War Food Administration is urging all of us to serve more fish dinners and luncheons. This is to help relieve the heavy fish supplies that are now in storage and to ease the demand of the somewhat limited supplies of meat. Both fresh and frozen fish are plentiful.

Here is a recipe for Broiled Fish that is simple and easy. The family's fondness for fish usually depends more on the cook than on the fish. Too often fish is overcooked and dried out or toughened. Most fish takes less time to cook than common cuts of meat. Lake trout and whitefish are fatty fish so are better either baked or broiled.

Broiled Fish

(8 Servings)

1 4-pound whitefish or lake trout	1 teaspoon salt
1 tablespoon melted shortening	¼ teaspoon pepper

1. Have head, tail and bones of fish removed at the market.
2. Wash and dry fish thoroughly.
3. Light broiler burner.
4. Place fish, flesh side up, on a cold greased broiling pan so that top of fish is about 3 inches from flame.
5. Brush fish with melted shortening and season with salt and pepper.
6. Broil 45 minutes or until fish is thoroughly cooked; brush occasionally with melted shortening. It is not necessary to turn fish during cooking. A 2 to 3-pound fish will require about ½ hour.
7. Remove fish to a hot platter and serve with wedges of lemon.

PIN CHATTER

(February 28)
By Rena Johnson
We had two nice series bowled this week—P. Wedemeyer and M. Jarvis both had a 516 series. Phyllis had two splits, and Millie had five. Nice bowlin' girls.
Eight girls were absent this week. Come on now, let's not let our teams down.

J. Phelps and D. Leach ran into the split pocket—they each had 6.
Central Fibre forfeited three games to Dixie Gas. Too bad, but sometimes it can't be helped. Six girls bowled for average, anyway.

Here are a few who picked up splits: R. Jaskot, 5-10; J. Eder and H. Thompson, 5-7; I. Stofor, 2-8-7 and 8-10 and 5-10; R. Johnson, 3-10; N. Caldwell, 6-10-7.

These Sunday night match games are a common occurrence lately; anyone interested in bowling really gets a kick out of them. The girls just won't give up until the last frame, in the last game. More fun!
Those little Old Maids are now leading. They really are doing swell. This is the first year of bowling for four of them. Lots more good luck.

Well, we added another \$1.28 for splits. Foster's team had the most, with 18.

Jarvis had high series on Foster's with 516; Klumpp, Independents, 488; Holmes, Milling, 448; Horning, Gophers, 432; Dvorak, CIO, 425; A. McClellan, Varbi, 411; Wedemeyer, Dixie, 516; Sprague, Old Maids, 417; Karp, Five Crown, 381; Caldwell, Central Fibre, 458.

HOLD BOX SOCIAL

The regular meeting of the "20-30" club was held recently at the home of Mr. and Mrs. Clifford Heydlauff for a box social. After the business meeting the waist measurement donations were made in the miniature apron pockets. Games were played, with prizes awarded to Irene Hartman, Willie Seltz, and consolation to Leon Sanderson and Irene Proctor. The boxes were auctioned off, with everyone having a grand time. The next meeting will be at the home of Mr. and Mrs. Kenneth Proctor on March 16.

DEATHS

Titus W. Moeckel
Titus William Moeckel, former Chelsea resident, died Thursday, March 1, at his home in Grass Lake township.

The son of Henry and Alwina Moeckel, he was born March 12, 1880 in Waterloo township and on Dec. 12, 1909 he was married to Miss Marie Faust. Most of their married life was spent in Munith and Grass Lake, and about 30 years ago they made their home in Chelsea for a short time.

Survivors include the widow; two daughters, Mrs. Wilma Gauss of Jackson and Mrs. Winifred Friermuth of Fitchburg; two sons, Verne of Munith and Glenn, overseas; four sisters, Mrs. Lula Thelen and Mrs. Charlotte Van Ness of Jackson, and Mrs. Philip Seltz and Mrs. Alfred Lindauer of Lima township; two brothers, Ernest Moeckel of Jackson and Ezra Moeckel of Waterloo township, and five grandchildren.

Funeral services were held Sunday afternoon at the Milner funeral home, Stockbridge, and burial was in Pixley cemetery, Munith.

Attending the funeral from Chelsea and vicinity were Mr. and Mrs. Alfred

Lindauer and daughter, Mr. and Mrs. P. F. Seltz, Mr. and Mrs. Herbert Hinderer, Mr. and Mrs. W. H. Seltz, Mr. and Mrs. Oscar Lindauer, Mr. and Mrs. Fred Seltz, Mr. and Mrs. George Seltz, Mrs. Mary Faust, Mrs. John Wahl, Mrs. Otto Lucht, and Lewis Wahl.

HOLD GET-TOGETHER

The Hi-Neighbor club held a get-together on Friday evening at the home of Mrs. Frances Alber, at which 30 members were present. With progressive euchre forming the evening's diversion, Mr. and Mrs. Fred Sager won the high prizes and Mrs. Alvin Hatt and Harley Hatt received the consolations. The traveling prize went to Cpl. Charles Quigley and the door prize to Mrs. Sager. The supper was pot-luck.

IN MEMORIAM

In memory of our husband, son and brother, Carl Gross, who passed away March 6, 1944:

Many a day his name is spoken, And many an hour he is in our thoughts; A link in our family chain is broken, He is gone from our home, but not our hearts.

Conservation Dept. To Organize Rifle Clubs

Lansing.—The department of conservation has announced that it is working out a plan for the organization of junior rifle clubs throughout the state as one means of attempting to lower the rate of juvenile hunting accidents.

All conservation officers will be trained to qualify as instructors in cooperation with the National Rifle Association. They will also assist local conservation and sportsmen's clubs, American Legion posts, and other interested organizations in promoting clubs of boys from 10 to 18 years of age. The aim of the junior rifle clubs will be primarily to instruct boys in the safe use of firearms.

The program is a part of a hunting safety campaign started by the department last year in an attempt to lower accidents occurring during the hunting seasons. Last fall there was an unusual number of accidents caused by juveniles. A later investigation made by the department showed that most of such accidents resulted from carelessness in the handling of their firearms by youthful hunters. It is hoped by the department that the proposed junior rifle club program will result in teaching thousands of boys throughout the state, the fundamentals of using guns.

H. R. Sayre, chief of the department's division of field administration, said that he hoped to have all conservation officers qualified as instructors within a few months. "While we expect the junior clubs to be started by various interested organizations," Sayre said, "the conservation officer will be able to facilitate them in their work, and later will be available as an instructor to the club." Training will be offered with both rifles and shotguns.

DEATHS

Edward R. Broesamle

Edward R. Broesamle of Munith, a former resident of this vicinity, died suddenly Sunday afternoon in Stockbridge, while attending funeral services for Titus Moeckel at the Milner funeral home.

Mr. Broesamle was born in Sylvan township on Sept. 23, 1873, the son of John and Catherine Broesamle.

Nearly 50 years ago he was united in marriage to Emma Archenbron and they have made their home in Waterloo, Tecumseh, Chelsea and Munith.

Survivors include the widow; two daughters, Mrs. Harry Jones of Rives Junction and Mrs. Grant Van Arman of Romulus; four sons, Rex and Bertum of Jackson, Loyal of Farmington, and Carroll, in Florida; three brothers, Philip and Fred of Chelsea, and William of Sylvan township; a sister, Miss Mary Broesamle of Detroit; 25 grandchildren and three great-grandchildren. A grandson, Carl Broesamle, is serving in the Air Corps overseas.

Funeral services will be held at the residence on Saturday at 3:30, with Rev. Edgar Schade officiating. Burial will be in Waterloo cemetery.

AM. LEGION AUXILIARY

Regular meeting of Herbert J. McKune Unit No. 31, American Legion Auxiliary, was held Tuesday, March 6, in Home Economics room, with 23 members present. Mrs. Paul Maroney, rehabilitation chairman, gave a report on the articles needed for the Occupational Therapy Dept. at Battle Creek. Mrs. E. W. Eaton reported that several boxes of clothing had already been sent to Russia. Anyone having clothing or shoes (which should be tied together) may leave same at library. Mrs. Cecil Miller reported \$19.00 worth of stamps sold at our last meeting. It was voted to give an additional \$5.00 toward the X-ray machine at Battle Creek. \$10.00 was given to the Red Cross. Dainty refreshments were served by the following committee: Mrs. Grant Schooley, Mrs. Elmer Schiller and Mrs. Edwin Gaunt.

Long Coastline.

By GENE ATLEMAN

The pot of gold at the end of the rainbow that much-touted state surplus of \$20,000,000 to \$25,000,000 this year in addition to the \$50,000,000 kitty in the state treasury— isn't going to solve the financial problem of Michigan municipalities after all. And other hopefuls are going to be disappointed too.

Such appears to be the prospect at Lansing where the state legislature is in session.

Just about everybody has heard of war-time inflation. Lansing has inflation worries also. If there'll be money enough to go around after requests of state agencies have been met, it'll be a first-rate miracle!

Of course, it costs more to operate state institutions and agencies.

Current operating needs of state departments and institutions total \$30,000,000 MORE than anticipated revenues by the state. Despite the inflated income of 1945, the state would run in debt—if the budget wasn't balanced.

The Michigan Education association is asking an increase of \$21,000,000 in state school aid. Last year the schools received \$50,000,000, highest in history. This year the M.E.A. is whoooping it up for \$71,650,000 which educators maintain will be needed if teaching and non-teaching public school employees are to be paid salaries equal to the state civil service schedule for teachers. The school aid request is just an illustration of what war-time inflation is doing to government.

Post-war needs of the State of Michigan approximate \$110,000,000, of which the state has already saved and earmarked \$50,000,000.

Quoting Lieut. Governor Vernon J. Brown, who is Governor Kelly's representative on the state planning commission: "Anticipating that about \$25,000,000 is state surplus which will become available this year, we will recommend that \$20,000,000 be set aside for post-war building. We do not believe the existing \$50,000,000 post-war reserve should be touched for buildings, but should be retained for assisting veterans."

If the post-war reserve of \$50,000,000 is to be frozen to protect Michigan's 550,000 war veterans, it is apparent that additional money must be found either by war-time thrift or by post-war bond issues.

Last year the building program, as submitted to the legislature, called for a five-year expenditure of \$50,000,000. The building division recently warned that inflated prices, if prevailing after the war, would raise the cost to \$80,000,000. More inflation!

What are the post-war needs of Michigan's state agencies?

The conservation department has an ambitious program for development of state parks, including construction of lodges and cabins at the Porcupine Mountains and at the Tahquamenon Falls. The total expenditure, spread over five years, would be \$15,000,000. Faced with the certainty of a sharp increase in student enrollment after the war, the state's educational institutions—such as University of Michigan, Michigan State College, Michigan College of Mining and Technology, and teacher training schools—have an impressive array of urgent building needs.

The municipal finance commission at Lansing, of which State Treasurer D. Hale Brake is chairman, has been conducting hearings on the financial needs of Michigan municipalities.

Some cities operate under the 15-mill tax limitation; others do not.

Invariably these 15-mill cities are hard-pressed for money. Their police, fire and street departments are undermanned. Modern equipment is lacking.

If the legislature resists the municipalities' demands for a cut of the state surplus, and such now appears to be likely, the alternative may be pressure for a constitutional amendment to liberalize the 15-mill tax limitation or an amendment to waive the present equal taxation restriction looking forward to a state income tax.

It is the belief of both Governor Kelly and State Treasurer Brake that some financial relief must be afforded to the hard-pressed cities. But how? That's the question, and it now looks as if the answer will be delayed still more. State needs are due to get the right-of-way in 1945.

Public School To Hold Parents' Night Mar. 16

By B. Buehler

Plans are being completed for a Parents' Night program which will be held at the Chelsea public school on Friday evening, March 16, starting at 8:00 o'clock. This program is sponsored to entertain the mothers and fathers of this community, as well as to show them the type of activities their children engage in.

Today the American school is an institution that not only deals with the three R's but is in itself an instrument used to develop the social consciousness and civic responsibility of each girl and boy who enters the doors.

Here is just a sample of what's in store for you:

The boys' physical education class will put on a demonstration of the type of physical program that has been carried on in the Chelsea public school for the past two years.

The French class will sing "La Marseillaise," the French national anthem.

Each class will try to demonstrate the phase of work they are engrossed in at this time. All the rooms will have exhibits or demonstrations of the work being done.

The evening will culminate in a program in the gymnasium, starting at 9:00 o'clock, which will feature band, chorus, triple trio, speech work at second grade and high school levels, and a play presented by pupils of the sixth grade.

It is hoped that everyone interested in our children and our school will make it a point to be present.

OFFICE NEWS

There will be a "Parents' Night" at the public school on Friday, March 16, starting at 7:30 p.m.

The Athletic Board is planning a pot-luck dinner and a dance tomorrow evening, March 9. The basketball awards will be handed out at the dinner.

The Washtenaw County Health Department is planning a scalp ringworm clinic at the school March 14-15-16.

The grade school will open at 8:30 a.m. each day beginning Monday, March 12.

A REPETITION

Mom sat there smiling a little tearfully at two neatly bound stacks of letters—one of which contained comparatively new paper—the other, paper now torn and gray. She took a letter from each pile and laid them side by side. The first one commenced: Germany, Jan. 14, 1945; Dear Mom,

The other letter looked much the same; even the handwriting was similar if you looked hard and were looking through "a mist." It ran: France; Sept. 19, 1917; My darling

Two men, of two wars, writing to the same woman for the same reason—their love for her.

Brushing "the mist" from her eyes,

1. Doubly guaranteed in writing to be perfect;
2. Individually registered in owner's name;
3. Insured against theft, fire and loss;
4. One uniform national price on scaled-on tag.

GIRLS DEFEAT DEXTER

On Wednesday, February 23 we played the Dexter basketball team for the first time in several years. Their team has just been organized this year.

The starting lineups were, for Chelsea— forwards: Vail, Paul and Eisenbeiser; guards: Winter, Luick, and Ottomani; for Dexter— forwards: Livarmore, Waite, and Heller; guards: Moore, Lousse, and Tupper. The Dexter guards tried zone defense, but when Chelsea collected 5 points in a couple of minutes, they switched to man-to-man guarding. Chelsea was ahead most of the way except in the second period when the game was tied 9-9. It was a hard fought game with the final score being 27-19.

Paul for Chelsea and Waite for Dexter tied for scoring honors, with 13 points apiece. The girls have won 4 straight games and will try to make it 5 against U. High on March 16.

SPECIAL NOTICE

Good news! The town is buzzing with the announcement that the Junior class is about to present its annual play, "The Green Light," which is a creepy, shuddery mystery comedy that is guaranteed to keep you on the edge of your seat for two solid hours, chewing your nails in suspense. The play was written by Robert St. Clair, famous for his many novel mystery plots, which alone guarantee an enjoyable evening.

It will be presented on March 23, at 8 o'clock in the high school auditorium. There will be no admittance during the acts so be sure and plan to get there on time.

The local cast are so wrapped up in their parts that, even when they aren't practicing, they act as if they suspect each other of foul deeds. It has even been rumored that a couple of life-long friendships may be broken if the cast doesn't hurry up and get the play presented.

Just to keep things "on the ball" at all times, special between act entertainment has been planned. Be sure to make your plans now to see "The Green Light." Tickets will be on sale soon!

STUDENT COUNCIL

Assembly manners were discussed and it was decided to bring them up at the next class meetings for further suggestions. The council voted to have a clean-up day, March 16.

F.F.A. NEWS

The F.F.A. wishes to express its gratitude for the cooperation they received with the paper drive. On Thursday, March 8 the F.F.A. is going to Saline to take part in the

county contest. This contest consists of three points—Parliamentary Procedure, Livestock Demonstration, and Public Speaking.

"LOOKING BEHIND"

By "Doc" Alber
Well, the hearties-time marches on, as does another basketball season at dear old CHS. After the usual weeks of practice Coach Cameron picked his teams and after a season's hard work found they themselves with an average of 500, winning eight and losing the same number of games.

Let's go back now and take a look at the scores for the past season—Chelsea 33—U. High 35.
Chelsea 35—Dexter 30.
Chelsea 37—Roosevelt 23.

Chelsea 34—Saline 18.
Chelsea 28—Milan 43.
Chelsea 41—Pinckney 39.
Chelsea 40—U. High 38.
Chelsea 26—Alumni 27.
Chelsea 54—Pinckney 46.
Chelsea 37—Roosevelt 31.
Chelsea 41—Manchester 47.
Chelsea 24—Saline 35.
Chelsea 22—Milan 33.
Chelsea 35—Manchester 47.
Chelsea 30—Dexter 27.
Chelsea 31—Mich. Center 51.
Total 542—575.

Now you see the local lads scored 542 points while the opponents poured 575 through the hoops. The local lads must have won some close ball games, but Coach Cameron always says, "a good ball club will win the close ones."

Now we look at the individual records:

(Columns in order: Name, Games, Field Goals, Free Throws Made, Free Throws Missed, Personal Fouls, Pts.)
Carraher 16 96 35 30 29 227
May 16 44 8 18 50 96
Slane 16 35 14 29 40 84

Knickerbocker 12 34 12 17 23 80
Gaken 16 8 4 13 15 22
Gaunt 9 7 3 1 3 17
Daniels 16 6 1 7 16 13
Luick 8 2 1 1 2 6
Weir 7 1 0 0 0 2
Gross 16 1 0 2 8 2

Totals 16 235 75 117 191 548
Now a look at this record finds the boys missed more free throws than they made by 39. But they usually put them through when they were needed.

Doug Vogel led the Little Bulldogs in scoring this year by collecting a total of 140 points.
The second team ended the season

having played 14 games of which they won 6 and lost 8. They outscored their opponents by 56 points. The Little Bulldogs scored a total of 377 points while the opposition collected 321.

Mr. Cameron worked hard with both teams this year and deserves a lot of credit.

Now basketball dribbles out of the picture and we spotlight baseball and hope for a very successful season. V-for-Victory!

CHELSEA LOSES IN TOURNEY

"Lard and Giggy"

Chelsea 31—Michigan Center 51.
Chelsea went down fighting last Thursday night, 51-31. Center took an early lead; never relinquished it throughout the game. Chelsea doggedly fought a taller and more experienced team but trailed at the quarter 14-8. In the second quarter Center scored 11 points while Chelsea was collecting 6. Score at the half was Center 25, Chelsea 14. On the tipoff to start the third period, May dropped in a 2-pointer and it looked like the tide might be reversed. The Bulldogs

kept up with Center throughout the third period but no headway could be gained. Chelsea found itself trailing at the beginning of the fourth period, 38-24. Center in this quarter scored 15 points while the locals collected 7. J. Gaken's guarding and passing was what kept the boys as close as they were. May also played a stand-out game and lead the locals with 10 points; Carraher had 8, Knickerbocker 6, Gaunt 4, and Slane 3. Final score, Center 51, Chelsea 31.

Michigan Center won the Class C District tournament Saturday night by walloping Napoleon 56 to 33. V-for-Victory!

LONELY?
You'll
never know...

IT'S the waiting that gets you down. It's the long days, and the longer nights, when you lie there thinking... will you ever get home again?... why don't they write more often... did Dad ever get over that heart trouble... is your best girl still waiting... will you ever get a job again...

Sometimes, when the mail is slow, you get to imagining things. Black, terrible things that begin to seem real. And then, something saves you.

Like the day the Red Cross field man got a rush cable report from home, telling you your Dad was getting well.

And the time some Red Cross girls came in a jeep, handing out doughnuts and coffee and million-dollar American smiles. And you all started to laugh and kid, the way you used to at home.

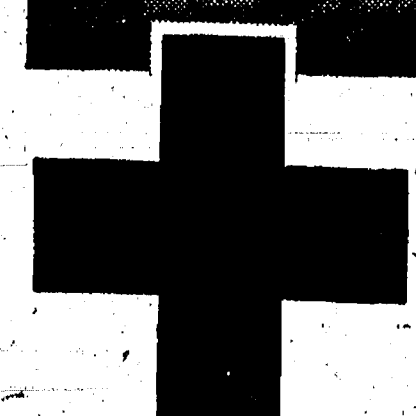

There was the time you wanted to forget it was Christmas. And the Red Cross girl at the club made you trim a palm leaf Christmas tree, and you all had presents and sang the old carols, out there in the hot tropic night.

Maybe it doesn't sound like much. The Red Cross does a lot of bigger things... such as collecting blood plasma for the wounded... sending food packages to prisoners of war... clothes for bombed-out kids.

But to us, home seems just a little nearer, because your Red Cross is with us.

Americans: To keep at the side of your fighting men, your Red Cross must have funds. Contributions from you are the only source of income. Millions of our men are still far from home. They need your Red Cross... they must have it.

VILLAGE OF CHELSEA AUDIT REPORT

December 31, 1944

Ann Arbor, Michigan, March 8, 1945.

To the Honorable, the Village Council,
Village of Chelsea, Michigan.

Gentlemen:

We have examined the balance sheet of the Village of Chelsea as of December 31, 1944 and the statement of receipts and disbursements for the year then ended, have reviewed the system of internal control and the accounting procedures of the Village and, without making a detailed audit of the transactions, have examined or tested accounting records of the Village and other supporting evidence, by methods and to the extent we deemed appropriate. Our examination was made in accordance with generally accepted auditing standards applicable in the circumstances and it included all procedures which we considered necessary, except that we did not deem it practicable to confirm receivables by direct correspondence.

In our opinion the accompanying balance sheet and related statement of receipts and disbursements present fairly the position of the Village of Chelsea at December 31, 1944 and the results of operations for the year then ended, in conformity with generally accepted accounting principles.

Very truly yours,

Briggs & Iceman,
Certified Public Accountants.

COMMENTS

Delinquent Taxes Receivable

The control accounts for delinquent taxes receivable did not agree with the detailed records as maintained in the County Treasurer's office. The differences were adjusted and amounted to the following:

General Fund—net decrease in control accounts \$51.92
Interest and Sinking Fund—decrease in control accounts 19.97
Delinquent personal property tax rolls for 1941 could not be found by the Village Treasurer, therefore we wrote off the following personal property taxes carried on the books for that year:

General Fund \$1.25
Interest and Sinking Fund50
Special Assessments Receivable50

The control account for special assessments receivable was decreased \$1,306.00 to a balance of \$3,368.14 which consisted of the following:

1938 Delinquent \$ 81.19
1934 Delinquent 7.70
1939 Delinquent 13.40
1943 Approximately \$500 Delinquent 749.10
1944 On November 20, 1944, \$2,593.15 was certified for collection. One payment of \$26.40 was made in 1944 2,566.75

TOTAL (Exhibit A) \$3,368.14

Because of the physical condition of the rolls for 1933, 1934, and 1939, we recommend that the special assessments for these years be placed on the tax rolls.

On July 6, 1943 delinquent special assessments amounting to \$124.30 were certified to the tax roll according to the minutes of the Village council meetings. However, only \$50.41 of special assessments were marked as transferred to the tax rolls, and this amount is still delinquent as of December 31, 1944, according to the records of the County Treasurer.

Receipts

Our examination of 1944 real and personal property tax collections revealed the following:

	General Fund	Sinking Fund
1944 Levy	\$11,571.39	\$5,857.13
Less: Unpaid 1944 taxes at 12-31-44	149.70	49.90

Actual Receipts per Books	11,433.09	5,812.63
Overage	\$ 11.40	\$ 5.40

The receipts of the General Fund of the Village may be summarized as follows:

Taxes, Special Assessments, Interest, Licenses, Permits, Services, Etc. \$15,397.24
State Shared Licenses, Taxes, and Fees 7,668.94
Electric and Water Department 20,341.34

TOTAL RECEIPTS \$43,407.52

Interest and penalties on all delinquent taxes amounting to \$5.10 were deposited in the General Fund. No allocations had been made to the Interest and Sinking Fund or the Library Fund.

Capital Fund

In 1943 the operation of the sewage disposal plant was veated in the Electric and Water Department. The book value of this plant has been transferred from the Capital Fund to the above mentioned department.

Receipts presented to us by the Village Treasurer for examination were not prenumbered. Unless receipts are in this form it is difficult to determine whether all carbon copies of receipts issued have been kept intact in the receipt books.

Diphtheria Increase In State Causes Alarm

Because of an increase in diphtheria cases in Michigan, Dr. William DeKleine, state commissioner of health, has advised health officers to urge immunization of all children under 11 years of age. During January 62 cases of diphtheria were reported in Michigan against 25 in January, 1944.

The increase, Dr. DeKleine said, may be due to the fact that parents have assumed that diphtheria is a disease of the past. Michigan's drop from 254 diphtheria deaths in 1921 to 18 in 1941 did not occur because diphtheria became less deadly but because so many children were immunized. He warned that as immunization is neglected the death rate will go up.

The health department recommends three doses of diphtheria toxoid to insure protection against the disease. The first dose should be given when the baby is nine months old followed by a second dose at 10 months. A third or booster dose is advised when the child is five or six years old.

Stressing the importance of the third dose of toxoid, Dr. DeKleine explained that the immunity gained from the first two doses wears off after a few years. For this reason a booster dose of toxoid is needed. The state health department distributes diphtheria toxoid free to Michigan physicians.

The 62 cases of diphtheria reported in January came from the following counties: Berrien 1, Benzie 1, Calhoun 1, Cheboygan 1, Genesee 2, Grand Traverse 4, Lenawee 3, Missaukee 2,

Muskegon 3, Oakland 3, Ontonogan 1, Sanilac 1, Wayne 89.

"INFORMATION"

Q. How many of the telephone calls to "Information" we unnecessary?

A. Six out of ten calls to "Information" are for numbers listed in the directory. Each one increases the load on war-busy wires—may slow up other calls.

Q. How much time is lost by such needless calls?

A. A total each day of more than 1,000 hours of operator and switchboard time in Michigan alone!

PLEASE-

Look in the telephone directory first. If the number you want is not listed, and you must call "Information," write it down so you won't have to ask for it again.

VILLAGE OF CHELSEA Electric and Water Department AUDIT REPORT

December 31, 1944

Ann Arbor, Michigan, March 2, 1945.

To the Honorable, the Village Council,
Village of Chelsea, Michigan.

Gentlemen:

We have examined the balance sheet of the Electric and Water Department of the Village of Chelsea as of December 31, 1944, and the statements of income and surplus for the year then ended, have reviewed the system of internal control and the accounting procedures of the Department and, without making a detailed audit of the transactions, have examined or tested accounting records of the Department and other supporting evidence by methods and to the extent we deemed appropriate. Our examination was made in accordance with generally accepted auditing standards applicable in the circumstances, and it included all procedures which we considered necessary.

We did not confirm accounts receivable by correspondence with the debtors inasmuch as at February 27, 1945, less than \$400 of the billings prior to December 1944 remained unpaid, and the December 1944 billings were paid, with a few exceptions.

In our opinion the accompanying balance sheet and related statements of income and surplus present fairly the position of the Electric and Water Department of the Village of Chelsea at December 31, 1944, and the results of operations for the year then ended, in conformity with generally accepted accounting principles.

Very truly yours,

Briggs & Iserman,
Certified Public Accountants.

COMMENTS

Accounts Receivable

During 1944 accounts considered uncollectible amounting to \$9.55 were written off. Delinquent accounts as of December 31, 1944 were in the following condition as of February 27, 1945:

Unpaid at February 27, 1945 \$418.72
Portion protected by consumer deposits 25.94

Net amount unpaid \$392.78

Sewage Disposal Plant

In 1943 the operation of the sewage disposal plant was vested in the Electric and Water Department. The book value of this plant at December 31, 1941 in the Capital Fund has been transferred to this Department, and depreciation on the basis of an estimated life of 25 years has been recorded as an operating cost for 1944.

Insurance

Substantially all cash receipts of the Department are handled by Miss Grace Ward, who also countersigns checks. At present only Mr. Peter Boehm, manager of the Department, is covered by a \$5,000 fidelity bond. We believe that Miss Ward also should be bonded.

We were unable to obtain invoices on workmen's compensation insurance policies for payroll audits. Therefore, we were not able to reflect in these statements the liability for or overpayment of this type of insurance.

Miscellaneous

Invoices for goods or services sold to both the Village of Chelsea and the Electric and Water Department should be paid for with two checks. For example, the insurance premium for automobiles covers trucks in all departments of the Village, therefore a check should be issued by the Electric and Water Department for that portion of the premium covering its trucks, and the balance should be paid by the General Fund of the Village of Chelsea. This method will simplify the allocation of such invoices in that it will eliminate inter-departmental billings which have not always been made in the past.

Operations

The net income realized during the year amounted to \$19,960.33 (Exhibit B). This increased the operating surplus accumulated since March 1, 1923 to \$287,081.79. During this period the sum of \$224,415.77 has been contributed to the Village of Chelsea. The contributions during 1944 to the Village General Fund amounted to \$20,341.34 (Exhibit A).

Therefore, on motion of William DeHaan, Attorney for said Plaintiffs, it is ordered that said defendants and their unknown heirs, devisees, legatees and assigns cause their appearance to be entered in this cause within three months from the date of this order, and in default thereof, that said Bill of Complaint be taken as confessed by the said Defendants, their unknown heirs, devisees, legatees or assigns.

It is further ordered that within twenty days Plaintiffs cause a copy of this order to be published in the Chelsea Standard, a newspaper printed, published and circulated in said County, said publication being conducted therein once in each week for six weeks in succession.
Geo. W. Sample, Circuit Judge.
Countersigned:
Luella M. Smith, Clerk.
By Irene A. Seitz, Deputy Clerk.
TAKE NOTICE, that this suit in which the foregoing order has been duly made, involves and is brought to quiet title to the following described piece or parcel of land, situated in the Township of Pittsfield, County of Washtenaw and State of Michigan, as follows:

STATE OF MICHIGAN
The Circuit Court for the County of Washtenaw, In Chancery.
Lois N. Wright, Plaintiff,
vs.
Elwin Lloyd Wright, Defendant.
At a session of the Court held at the Court House in the City of Ann Arbor on the 28th day of January, 1946.
Present: Honorable George W. Sample, Circuit Judge.
In this cause it appearing by affidavit on file that the defendant, Elwin Lloyd Wright, is not a resident of this State but is a resident of the State of California.
On motion of Jacob F. Fahrner, attorney for plaintiff, it is ordered that the appearance of the said defendant, Elwin Lloyd Wright, be entered in this cause within three months from the date of this order; and that in case of his appearance that he cause his answer to the bill of complaint to be filed and a copy thereof served upon the attorney for the plaintiff within fifteen days after service on him or his attorney of a copy of the said bill, and in default thereof that said bill be taken as confessed by the said defendant, Elwin Lloyd Wright.
And it is further ordered, that the said plaintiff cause this order to be published in the Chelsea Standard, a newspaper printed, published and circulated in said County, and that such publication be commenced within forty days from the date of this order, and that such publication be continued therein once in each week for six weeks in succession or that the said plaintiff cause a copy of this order to be personally served on the defendant, Elwin Lloyd Wright, by registered mail with return receipt demanded and with notation to deliver to addressee only or by causing a copy of this order to be personally delivered to the said defendant, Elwin Lloyd Wright, at least twenty days before the time above prescribed for his appearance.

REGISTRATION NOTICE
For Biennial Spring Election
MONDAY, APRIL 2, 1946
To the Qualified Electors of the Township of Sylvan, Precincts No. 1 and 2, County of Washtenaw, State of Michigan.
Notice is hereby given that in conformity with the "Michigan Election Law," I, the undersigned Township Clerk, will, upon any day, except Sunday and a legal holiday, the day of any regular or special election or primary election, receive for registration the name of any legal voter in said Township not already registered who may Apply To Me Personally for such registration. Provided, however, that I can receive no names for registration during the time intervening between the Twentieth day before any regular, special or official primary election and the day of such election. The last day for General Registration does not apply to persons who vote under the Absent Voters' Law.
Notice is hereby given that I will be at my store each day until March 13, and on
Tuesday, March 13, 1946—Last Day—the twentieth day preceding said election, as provided by Sec. 3, Chapter 3, Part II, P. A. 306, 1929, and Sec. 1, Chapter 3, Part II, P. A. 1939, and Act 31, P. A. 1941—at Sylvan Town Hall, from 8 o'clock a.m. until 8 o'clock p.m. on each said day for the purpose of Reviewing the Registration and Registering such of the qualified electors in said Township as Shall Properly apply therefor.
The name of no person but an Actual Resident of the precinct at the time of registration, and entitled under the constitution, if remaining such resident, to vote at the next election, shall be entered in the registration book.
Registration of Absentee by Oath
If any person whose name is not registered shall offer and claim the right to vote at any election or primary election, and shall, Under Oath state that he is a resident of such precinct and has resided in the Township Twenty Days next preceding such election designating particularly the place of his residence, and that he possesses the other qualifications of an elector under the constitution, and that, owing to the sickness or bodily infirmity of himself or of some member of his family, or owing to his absence from the Township on public business or his own business, and without intent to avoid or delay his registration, he was unable to make application for registration on the last two days provided by law for the registering of electors preceding such election or primary election, then the name of such person shall be registered, and he shall then be permitted to vote at such election or primary election. If such applicant shall, in said matter, willfully make any false statement, he shall be deemed guilty of perjury.

TOWN AND FARM IN WARTIME
Civilians At War
The Government needs and asks its citizens in this 170th week of the war:
1. Help relieve the nursing crisis. All women, trained or untrained, can participate in one of the eight war nursing programs.
2. Address all overseas mail clearly, correctly and completely to avoid delays and disappointments.
3. Buy only what you really need this Easter. Dollars unnecessarily spent contribute to inflation.
Reminders
Last date for use of stamps:
Meats, Fats—Red stamps—Q5, R5, S5, March 31; Red stamps—T5, U5, V5, W5, and X5; April 28; Red stamps S5, Z5, and A2, B2, C2, D2, June 2; Red stamps E2, F2, G2, H2, J2, June 30; new stamps will be validated April 1.
Processed Foods—Blue stamps X5, Y5, Z5, and A2 and B2, March 31; Blue stamps C2, D2, E2, F2, and G2, April 28; Blue stamps H2, J2, K2, L2, and M2, June 2; Blue stamps N2, P2, Q2, R2, S2, June 30; new stamps will be validated April 1.
Sugar Stamps—Stamp 85, June 2. No new stamp will be validated until May 1.
Fuel Oil—Mid-West, periods 4 and 5 coupons became good Feb. 6, 1946.
Farm Firewood Sales Under Ceilings
All firewood sold by farmers from this week on will be subject to price ceilings. The Office of Price Administration states. Ceilings will be set at the highest prices charged by the farmer for the same type of wood in March 1942, or as otherwise determined by the general maximum price regulation. Where specific area ceiling orders have been issued by OPA field offices, these will apply. Hereafter farm sales of firewood when valued at less than \$75 in any one month have been exempt from price control. OPA states that this exemption has led to exorbitant prices in some areas.

Provision in Case of Removal to Another Precinct
Any registered and qualified voter who has removed from one election precinct of a township to another election precinct of the same township, shall have the right, on any registration day, as in this act provided, on application to township clerk, as the case may be, to have his name transferred from the registration book of the precinct from which he has removed to the registration book of the precinct in which he then resides. Such elector shall have the right to have such transfer made on any election or primary election day, by obtaining from the board of inspectors of such election or primary election of the precinct from which he has removed, a certificate of transfer, and presenting the said certificate to the board of election inspectors of the precinct in which he then resides.
WALTER F. KANTLEHNER,
Mar 1-8 Township Clerk.

We are very glad that Miss Spence, our history teacher, is back! We are making reports on Indians. We have had a test, and are also making maps for Parents' Night, March 16.
Book reports and theme eight were due Tuesday. We had a test in science which turned out very well.
Patricia Henry Loomis came to us from Pleasant Grove, Michigan.
Our stamp sale amounted to \$7.20, with 21 per cent buying.
Dan Maroney won the birthday game Monday; Peggy Lou Schaible and Nancy White also had birthdays this week.

Wednesday we received a letter from Miss Brown. She thanked us for the letter we wrote her, and for the plant that our room sent her. She said that she will be glad when she can come back to teach again.
We are glad that Miss Spence, our history teacher, is back. We are also grateful to Mrs. Hale who took her place while she was away. We'll be missing her now.
We have been quite busy with our school work lately. In home economics the girls are learning personal grooming. The boys still refuse to give us very definite ideas as to what they are doing in shop, but Bill Lyons made a clever towel rack. David Knickerbocker is modestly displaying the parts to a lamp that he is making. It is of various woods and promises to be a masterpiece when finished. In English we are having a bit of review.
Yesterday we learned the Americans' Creed. In history we made a map of the United States and its possessions. On each possession we put the date it was acquired.
Beverly Booker is visiting in Tennessee with her mother. We hope that she has a good time for she will be quite busy when she gets back.
Parents' Night, a few of the boys and girls from the ninth grade, along with the boys and girls of the seventh and eighth grade, are going to take part in the physical education demonstration. It is going to be good again this year and we hope that you will be there.

GRADE NEWS
Fourth Grade
By Donna Hinderer
Joyce Ann Arnett is going to leave this week. We are through with our arithmetic booklets. In geography we are studying about Russia and Moti in India. We are making a chart of their homes, too. We are making a model of Pedro's house, and also one of Abdul's home. We all miss Miss Brown.
Fifth Grade
(A Trip to the Newspaper Office)
By Jana Lou Weinberg
Billy Moody, David Bertke and I went to visit the newspaper office for the class. It was very interesting since I had never seen a printer work. I asked Mr. McClure how many kinds of workers help to get out the paper. I found out that the reporters, advertising solicitors, linotype operators, and printer all help in getting out the paper and they all help in the mailing. Then I asked what each worker did. Mr. McClure told me the reporter gets the news; the linotype operator runs the linotype; the printer sets the type; I wanted to know how many machines were used. He told me that the linotype, caster, router, press, folding machine and the saw were used in printing the paper.
Mr. McClure showed us the press. As each paper comes out there is a little fire underneath it. This is to dry the paper so that there is no electricity in the paper. The printing press is very interesting. It has a deep pit underneath it. The man there was putting the paper in the press stood on a small platform. There were pedals on the small platform.
I think everything was very interesting and I would like to visit the newspaper office again some day.
(By David Bertke)
The linotype machine is a machine that sets the type for the press. It makes the letters on lead slugs. The letters are made when the linotype operator presses keys like the ones on a typewriter. When the keys are pressed little square things with a V-shape slot in the top come out the top and go on a little track to the side of the machine. Then whatever the letters on the little square things are cast onto lead slugs.
One question I asked was how much paper they used and Mr. McClure told me they use 225 pounds. Another question I asked was how they distribute the paper and he answered that they distribute the paper through the mail.
I thought it was fun to visit the newspaper office and to see how the papers are made.
(By Billy Moody)
When the press inks itself one roller comes up and takes the ink off the top roller and keeps going back to the printed part.
They get the photographs in the paper by sending the picture to an engraver who engraves the pictures on a metal plate.
Sixth Grade
By Deloris Walker
We had a spell down. The last boy down was Buddy Johnson. He and David Crocker both went down on the same word. The last girl down was Mary Joan Pope.
The teacher is reading us a book called Toby Tyler.
In arithmetic we are studying cash accounts. It is not very hard.
In reading we are learning a poem, The Village Blacksmith, by Longfellow.
In science we are learning about transportation. We saw a movie on it. In history and geography we are making maps.
Some of the people are painting safety pictures.
At recess most of us are playing baseball.
Our stamp sale was \$10.60.

Increase Wear
Recent tests by the U. S. Bureau of standards show that shoes whose soles had been treated with hot wax had their wear increased by 41 per cent. The bureau also tested shoes costing \$5, treating one sole of every pair with a blend of mineral oil and solvent. The shoes were worn by Washington, D. C., high school cadets. Results showed that treated soles gave 14 per cent longer wear than untreated ones.
Chemical Literature
In the 30 years preceding the outbreak of the present war, the volume of chemical literature of the world increased by more than 400 per cent.
Lemon Juice Recipe Checks Rheumatic Pain Quickly
If you suffer from rheumatic arthritis or neuritis, try this simple inexpensive home recipe that thousands are using. Get a package of RuEx Compound, a 2 week supply today. Mix it with a quart of water, add the juice of 4 lemons. It's easy, pleasant and no trouble at all. You need only a tablespoonful two times a day. Often within 48 hours—sometimes overnight—splendid results are obtained. If the pains do not quickly leave and if you do not feel better, RuEx will cost you nothing to try as it is sold by your druggist under an absolute money-back guarantee. RuEx Compound is for sale and recommended by BURG'S CORNER DRUG STORE.

NORTH SYLVAN GRANGE

The March meeting of North Sylvan
Grange was held at the home of Mr.
and Mrs. George Brettschneider on
Tuesday evening.
The program opened with singing of
"Bringing in the Sheaves," after
which "My favorite variety of fruit
or vegetable" was given in answer to
roll call. A reading, "Team Work,"
by Mrs. Walter Wolfgang and a dis-
cussion on "Plowman's Folly," led by
Mr. Brettschneider, were features of
the program. "Love's Old Sweet
Song" was sung in closing.
Following the business meeting, the
hostess served lunch.

Keep Your RED CROSS At His Side!

VILE TEMPERED HUSBAND now
meek as a lamb. Wearing stiff, un-
comfortable work shoes all day
soured his disposition. We per-
suaded him to try glove-soft Wol-
verine Shell Horsehides. Now his
feet feel so good he's happy as a
lark. He's saving money, too,
through months and miles of extra
wear he gets from his Wolverine
Shell Horsehides. You may not
have a mean temper, but you'll ben-
efit just as much if you, too, wear
Wolverine Shell Horsehides. Give
em the once over at Gamble's. 33
