Eighth Grade Visiting Day Set for Tomorrow

Eighth grade visiting day for schools in this vicinity will be held on Friday, May 4 at the Chelsea high school. The purpose of this event is to acquaint the pupils of surrounding schools with the Chelsea school and their next year's classmates.

Events will begin at 9:00 a. m. in the gymnasium, where Deloris Elsemann has planned a means of introducing each pupil. After this there will be a short program, planned by John Copren in which Supt. Johnson will give a talk on the day's activities and what is to be expected of every pupil next year. A tour of high school classes will follow.

The group will be divided in two parts with Ellen J. Geddes, Mary J. Jarvis and Aurey Taylor leading one, and Joyce Crawford, Beverly Booker and Marlene Heydlauff the other. Following the tour of the school the entire group will go to the athletic field where they will have relays and contests. After this everyone will have luncheon. In the afternoon there will be softball games.

Individual ribbons will be awarded to the winning teams which excel in the most events. Doris Gilson is in charge of the prizes, and David Slane, Joyce Hughes and David Knickerbocker have planned the events at the field.

The baseball game between Milan and Chelsea terminates the day's events.

FIRE DESTROYS BUILDING

A blaze of undetermined origin destroyed the large Aircraft building on Monday at the Southern Michigan Prison Industrial camp at Cassidy Lake, housing woodworking machinery, welding machinery and camp supplies. The workshop contained more than 800 ft. of extinguishers, which had been sent in for repairs by the State Conservation Department. The damage is estimated at \$30,000. C. B. Miles, Superintendent, appreciates the prompt response of the Chelsea fire department. He stated that without their help it is doubtful if the main machine shop could have been saved.

CELEBRATE 60TH ANNIVERSARY

When V-E Day Comes

When the official V-E Day is announced in a proclamation by President Truman, observance of this solemn event as planned for Chelsea will be as follows:

If the announcement comes before 6:00 p. m., Protestant churches will unite for services in the Methodist church at 7:30 p. m., and at 8:00 p. m. Holy Hour services will be held at St. Mary's church. If the message comes after 6:00 p. m. the services will be held the following night.

If the word is received during school hours at the Chelsea public schools, a general assembly will be called immediately, following which school will be dismissed for the remainder of the day. If the proclamation is issued during the night children will convene for an assembly at 8:30 a. m. and then be dismissed for the day. The assembly program as planned will be as follows:

"Star Spangled Banner" — H. S. Band.
Prayer — Rev. E. R. Major.
Latest News Reports — Jim Carraher.

"Marines' Hymn," "I Hear America Singing" — Chorus.
Address — Rev. Major.

"America, The Beautiful" — Band.
In accordance with a state-wide order from Lansing, all bars will close for 24 hours, and sale of intoxicants in any form will be halted for that period of time following announcement of V-E Day.

Michigan Office of Civilian Defense states: "We have placed special emphasis on the importance of observing V-E Day with solemnity and prayer, as the end of the battle in Europe will mean only that we have reached the half-way stage in winning the war. Observances should be based on the theme of humble gratitude to the fighters who have won the war in Europe, prayers of thanksgiving, and prayers for our fighters in the Pacific."

TIN PICK-UP TODAY

As announced last week, a pick-up of tin cans will be held in Chelsea this (Thursday) afternoon. P. C. Maroney, local salvage chairman, asks that the cans be properly prepared and placed in cartons at the curb not later than one o'clock as trucks will be dispatched for the pick-up at that time. Following the pick-up the tin will be taken to Ann Arbor for loading on a car that will be shipped from that point.

Fourth Blood Bank Held In Chelsea On Monday

The Detroit Red Cross Mobile Unit, with the assistance of local village and light plant employees, set up Chelsea's fourth Blood Bank at the Methodist church on Monday.

Local canteen ladies again served the noon luncheon to the traveling unit workers, while volunteer workers served refreshments to all donors before and following donations.

Results were most gratifying as the Bank exceeded all previous records here. There were two hundred sixty-one registrants, with a total of two hundred twenty pints of blood received.

This fine record could not have been attained without the wholehearted cooperation of the factory chairmen and the ladies serving on the registration committee.

The Chelsea Red Cross wishes to express its appreciation to all workers who so generously gave of their time and effort in making this worthy project a success.

Sugar Rations Reduced 25%, Effective May 1

A "necessary" 25 per cent cut in sugar rations was announced by the Office of War Information, effective on May 1.

Maximum allowance of sugar for home canning and preserving has been reduced from 20 pounds per person to 15 pounds, and the new sugar stamp No. 36, valid Tuesday, May 1, must last for four months instead of three.

Only 70 per cent as much sugar will be available for rationing as in 1944, due to several reasons. Military needs are high, ships which might otherwise be bringing sugar to the United States are hauling supplies to battle fronts, manpower is scarce, beet production last year was 500,000 tons short—all making the stock of sugar smaller for this year.

Last year many people over-applied for canning sugar. This year, no family, however large, may receive more than 120 pounds of canning sugar, as against the 1944 limit of 160 pounds.

All institutional users were cut considerably and industrial users such as bakers and canners may expect a reduction July 1.

Following are questions which must be answered by those applying for home canning sugar:

Have you or any other member of your "family unit" applied for sugar for home canning since January 1, 1945, for any of the persons for whom this application is made?

How many pounds of sugar did you use in 1944 for making jams, jellies, etc.?

How many pounds of sugar will you use in 1945 for making jams, jellies, etc.?

How many quarts (or equivalent) of finished canned fruit did you can with sugar in 1944?

How many quarts (or equivalent) of finished canned fruit will you can in 1945?

How many pounds of sugar did you use for canning fruit in 1944?

How many pounds of sugar did the Board grant you for home canning and preserving in 1944?

Do you grow your own fruit?

Chelsea Softball League Will Include Six Teams

By "Doc" Alber

At the meeting of managers which was held on the night of April 11 it was decided that another softball league will be formed in Chelsea with an entry of six teams. The season will start on June 5 and close the week of August 25. Games will be played three nights a week—Tuesday, Wednesday and Thursday, at 6:45.

The following teams have entered for the coming season: Kimunity, Chelsea Spring, UAW-CIO, Cassidy Lake, Glick's Bulldogs and Bowser, Inc.

Another league meeting will be held the night of May 23, at which time the league dues, team contracts and three softballs will be given by each team. The player limit is 15 for each team.

Cassidy Lake 4—Chelsea Ind. 3
A group of fellows from Cassidy took a trip to Cassidy Lake for a softball game and were set back 4 to 3. None of the Chelsea players had played any ball until this time. This is the way the local lads lined up: Kohl, cf, Colquhoun rs, D. Alber p, McLaughlin 3b, J. Alber ss, Haselwerdt 2b, Houle 1b, Ortbright lf, May Jr, Koshman c.

Two errors and a hit gave Cassidy Lake a two run lead in the first inning. Two walks and a fielder's choice sent J. Alber home with the first Chelsea run in the second inning. Colquhoun scored in the fifth to tie the score, and a single by Koshman sent Haselwerdt home in the seventh to give Chelsea a 3-2 lead. A pair of errors and hits, plus a walk sent two Cassidy boys across to win the game.

Another game will be played on May 13 at Cassidy Lake.

By GENE ALLEMAN

Michigan's sales tax, the goose that
lays the golden egg, was responsible
for most of the 1945 legislature's de-
liberations.How to spend a war-time surplus
occupied a good three-fourths of the
law-makers' time. If the finance com-
mittees of the senate and house could
have brought in their recommendations
last Jan. 15, chances are nine
to one that legislators would have
voted promptly to adjourn in ten days
and go home. The Carr-Ziegler grand
jury was in session less than a block
away. Examination of the 1945 rec-
ord discloses few bills of major im-
port were enacted.That is not any criticism of a state
legislature, as we see it. It is the job
of the legislator to meet the changing
needs of his constituents, and the
truth of the matter is that the big
majority of voters have shown little
interest in the 1945 session and the
laws enacted to date affect only a few.Trying to appraise each bill on its
merit and to segregate the obvious
pressure group bills from those of
broad public interest, all takes time.
Legislators don't like to be pushed
around; they want to weigh the facts
and come to their own conclusions.
The governor must bide his time, too,
or else risk wrath of law-makers for
trying to be a dictator and to strong-
arm measures through.Patience and an abiding faith in
the virtues of democracy are neces-
sary traits if one is to bless the state
legislature as a deliberative govern-
mental body.Confronted with the prospect of a
\$20-to-\$25 million melon to slice, each
legislator had his own idea as to how
it should be done.Mayors of large municipalities cre-
ated a pressure group, which is in-
evitable under the democratic system
of government, and lobbied for a
share. Educators asked for a sub-
stantial boost in state aid, pointing to
mounting costs and static incomes.
Local governments—townships and
counties—viewed with suspicion the
efforts of other units to get a larger
part of the sales-tax dollar.The result was weeks of confusion
as pressure groups put the legislators
on the spot, each sincerely trying to
get more money from the bulging cof-
fers at Lansing. You can't blame the
legislator for going slow. If he in-
curs the displeasure of many voters
back home, he may not return two
years from now. A four-year term
would tend to remove the legislator
still more from the public's pulse.To safeguard the \$50 million re-
serve fund, previously created by the
state legislature out of current war-
time surplus revenue, the legislature
voted to earmark this amount for
postwar use of veterans.This decision increased the pressure
on the current surplus, estimated by
Auditor General Morrison to be in the
neighborhood of \$20 to \$25 millions
by July 1, 1945. Governor Kelly an-
nounced that the ceiling for state ap-
propriations would be \$162 millions.
Any spending beyond that point would
automatically bring a stern veto, and
a special session of the legislature
would follow immediately.Lawmakers found a solution in cre-
ating \$16 millions in new revenues
through an increase in the state's
profit on liquor sale and a revision of
the state intangible tax and then
segregating these funds for aid to
local governments—municipalities
and counties.They granted increased state aid to
public schools by \$8,800,000; granted
\$500,000 a year to Wayne University
and several junior colleges for vet-
erans' education; \$240,000 for addi-
tional state payments for hospitaliza-
tion of old age recipients; reimburse-
ments, estimated at \$800,000 in the
first year, for taxes lost through vet-
erans' homestead exemptions, and
other local aids approximately \$25
millions.The effect of the productive sales
tax and its resultant annual surplus
may be summed up in the following:
The budget for the current year is
\$187 millions; the budget for next
year will be \$162 millions.Welfare expenditures in the new
bumper budget will be \$33 millions,
an increase of about \$6 millions over
the previous period. Mental hygiene**TRACTOR**Ford Ferguson or other two

will cost \$16 millions, compared with
\$13-plus million this year.The University of Michigan, pre-
viously getting \$4,800,000 a year, was
blessed with \$5,957,000, a good boost
of a million. Michigan State Col-
lege's \$2,950,000 will be raised to \$3-
986,000.Among the non-finance bills enacted
by the legislature was the bi-partisan
commission for the state department
of agriculture, a reform long sought
by farmers' organizations, Michigan
State Farm Bureau and the Michigan
State Grange. This measure, dis-
cussed by this column last December,
is modeled after Wisconsin's success-
ful system.The anti-branch bank bill, center of
controversy in recent sessions, finally
became a law. Local referendums,
once in four years, were authorized
on whether the sale of beer and wines
shall be permitted on Sundays. A
board of examiners was created to
hear liquor violation cases, thus re-
lieving the liquor control commission
from details of law enforcements.
And, of course, return of the state to
slow time was an early accomplish-
ment.The governor was granted emer-
gency powers to control riots and
other demonstrations dangerous to
public safety without resorting to a
declaration of martial law. This
measure is designed to remedy a legal
handicap which arose in the Detroit
race riots two years ago, and it is a
tacit admission that authorities are
apprehensive of further troubles along
Paradise Valley in the metropolis.The Office of Civilian Defense was
retained for one year, although the
appropriation was cut sharply.Generally speaking, the 1945 legis-
lative session was conservative in its
record. A few "radical" bills, includ-
ing those sponsored by Wayne county
C.I.O. members, never got out of
committee. They were promptly
smothered by upstate solons, one of
the balancing compensations of Mich-
igan's legislative set-up.**Music****Teacher**Thorough and Competent In-

PIN CHATTER

(April 27)

By Rena Johnson

Another bowling season is ended, and everyone seemed glad, but when September rolls around we will all be anxious to start again.
M. Breitenwieser finished off the season with a 527 series. A good ending, Mildred, and she also had high game this half, with 240.
P. Wedemeyer and Johnson tied with a 508 series each. Pretty even bowling, I'd say. Wedemeyer finished with 154 average and Johnson with 155.

I can see where R. Lienhart is really going to be a bowler — she raised her average 42 pins the first half, and 12 pins this half. Not bad! Those Gophers really came up this half — they ended in third place, which proves you can't keep a good Gopher down!

Some of the girls had a splitting time Friday night — J. May had 8, R. Meehan 6, Lucht 6.
J. Phelps picked up the 5-8-7 split, and H. Eiseman picked off the 5-8-10. Nice pickin'.

N. Eiseman raised her average 11 pins: J. May, 10 pins; and V. Hummel, 9 pins. Very good, as it isn't so easy to do with so many games bowled.

Yes, it looks like Foster's had the most splits this half, with 277. The Five Crown and Independents had 282, and the Varbi 261. The score sheets are being re-checked to make sure the count is correct.

Don't forget the banquet on May 9 at Hotel Hayes, 6:30 Jackson time. Hope to see you all there.

John and Miss Vera Thomas of Eaton, Ind. spent several days of the past week with their aunts, Mrs. J. H. Boyd and Mrs. Paul Shreider.

FBI SPONSORS CONFERENCE

IN ANN ARBOR NEXT WEEK

Winning the battle against spies, saboteurs and subversive characters in the United States is now an established fact and one of which American police officers can justly be proud, stated Robert A. Guerin, Agent in Charge of the Detroit FBI Office, in announcing the first of two series of FBI Law Enforcement Conferences for 1945 to be held throughout the Eastern District of Michigan. "The

mobilized unity of law enforcement prevented enemy plans from materializing into widespread sabotage and other terrorism intended to demoralize resistance."

The meeting to be held in Ann Arbor will convene at the auditorium of the Horace H. Rackham Memorial at 7:30 p.m. on May 10, and the program will include a discussion of "The Law Enforcement Officer's Viewpoint on Evidence" by a Special Agent. The police officer conducting a criminal investigation can be likened to the

doctor who diagnoses his patient's ailments by analyzing the facts obtained through examination and interview. No intelligent investigation can be initiated until the officer knows what he is seeking to accomplish. In a criminal investigation it is not only important to ascertain the identity of the guilty party but to prove by facts which are admissible in evidence that this person committed the crime.

It was a tremendous victory for law enforcement and the same spirit of cooperative endeavor which "held the Beachhead" at the beginning of the war has brought us successfully through the years of bitter conflict which followed, stated Mr. Guerin. "It is our hope that we will continue our fraternal spirit of cooperation and mutual understanding in the post-war period and be determined that nothing shall break the bonds of united professional police proficiency which has so far characterized our wartime achievements."

Mr. Guerin further stated that FBI Law Enforcement Conferences are one medium for the discussion of the latest developments in law enforcement and the maintenance of continued close cooperation between local enforcement agencies and the FBI which has been so important in preserving the internal security of our country during this wartime era and which will be just as vital in the post-war period.

C.H.S. Band To Present Spring Concert May 18

The Concert Band of Chelsea high school will give its annual spring concert at 8:00 p.m. on Friday, May 18. This program will feature the High School Concert Band and the Junior Band.

Highlight of the evening's program will be a vocal solo by Wilma Koengster. She will sing the "Man of Love," by Gershwin, accompanied by the band. Gershwin is one of the latest of the classical writers, and just died in 1937 at the age of 37 years. Nevertheless, he wrote many very good songs, the "Man of Love" being perhaps one of the most popular.

Members of the band look upon this concert as the climax of a very successful year, and hope that the community will again, as they have done before, show their support to the band and its work by a large attendance at this concert.

More details will be announced in next week's issue of The Standard.

THANK YOU!

The Chelsea Red Cross extends its thanks and appreciation to the members of the Farmers' Guild, Sylvan and Lima Local 254, for defraying the expenses incurred by the Fourth Blood Bank.

FARMERS' CLUB MEETS

The monthly meeting of the Western Washtenaw Farmers' Club was held on Friday evening at the home of Mr. and Mrs. Henry Musbach.

After a sumptuous supper, the assembly was called to order by the president, N. W. Laird, and following a short business session the meeting was turned over to S. P. Foster, chairman of the program committee. He introduced Rev. Harvey G. Pearce and Mrs. Pearce as entertainers for the evening.

At the request of those present, Mrs. Pearce, who had recently attended a district convention of the Women's Christian Temperance Union, held in Ann Arbor, gave an interesting account of the convention and also a general talk on the workings of this 70-year-old organization. She then rendered in a most pleasing manner two readings—a selection from Josiah Allen's Works, and "A Cup of Tea," by Edgar Guest.

Rev. Pearce spoke on "The Responsibilities of Man," taking for his subject "You Cannot Do As You Please." He stated that "you must conform to the commandment of the respect of others," and by many examples he proved that if this rule were not followed, disorder and chaos would result.

How to move a bed- and make your 7th War Loan Quota

Make it easier for yourself. Start putting part of your pay check *right now* into your share of the War Bonds we'll all have to buy to make this 7th War Loan a success.

Moving a bed upstairs can be a pretty tough job, if you try to move it all in one piece!

It's a lot easier to separate your burden into pieces and take care of each one separately.

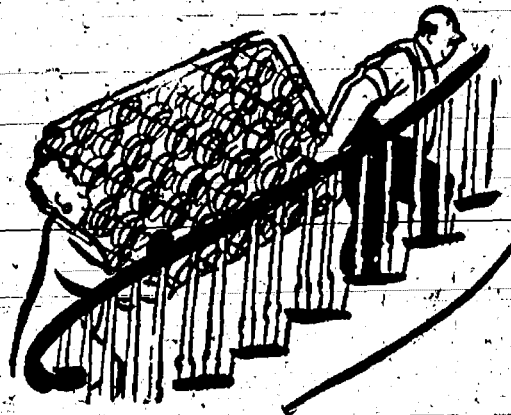

It's the same with your personal quota in the 7th War Loan. *That quota will be the biggest yet.*

Recognizing this, the 26,000,000 patriotic Ameri-

cans on the Payroll Savings Plan have boosted their allotments to take care of part of *their* quota right now.

It's a smart way to do it. And you can, too.

The drive doesn't officially start until next month. But if you wait till then to take care of your quota

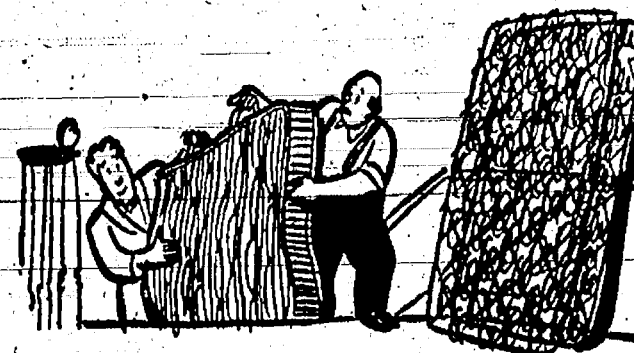

you'll find it a lot tougher job than if you get a head start now.

Why is this War Loan going to be such a whopper?

For two very good reasons:

First, Uncle Sam needs just about as much money this year to fight the war as he did last. Even if our job in Germany were over—which it is not—we still would need every cent we can spare to beat the Jap.

Second, there will be only 2 War Loans this year, instead of the 3 there were in 1944. That means we've got to lend, in 2 chunks, approximately as much as we lent last year in 3.

It's a tough job no matter how you tackle it. But it's the least we can do to support our fighting men overseas and help bring them a little closer home.

FIND YOUR QUOTA... AND MAKE IT!

ATTENTION, AMERICANS!

HELP WANTED!
Yes, help is wanted and needed badly for the Seventh War Loan Drive which will be launched this week.

We are being asked to buy more bonds than ever before in the history of this war. This means that every man and woman, boy and girl, will be called upon to make greater sacrifices also. These monetary sacrifices can't begin to compare with the sacrifices our fighting men are making. Yet it is this money that we lend that puts the implements of war in their hands, and it is through this money that final victory will come.

Don't let a false complacency about V-E Day spoil the success of this Seventh War Loan Drive. Come on, folks!—You're only asked to lend your money—not to give your life! — Support the 7th War Loan —

HOPE
In all of the forty-eight states on Saturday, false cries and rumors of peace were heard. The people of the United States are so eager to relax into the easy going manner they are so noted for that without waiting for government-approved reports of peace

they start rejoicing only to be rudely awakened to the truth.

For goodness sake, people, keep calm! If peace is negotiated by the nations' leaders it will be announced by the government directly. Wait until then to believe it—a rumor is a great weapon but it can be a wicked one. — Support the 7th War Loan —

BASEBALL

"Lard" and "Giggy"

Chelsea 8—Dexter 4

In the first inning Dexter went down three up—three away. Chelsea scored one in the bottom half of the first, after Slane had walked, stolen second, and come home on Popp's single to left. Dexter tied it up in the top half of the second on a walk and hit to right field. Daniels opened the second for Chelsea with a single to center but was left stranded on second base. Dexter failed to score in their third inning but Chelsea tallied twice when Slane was safe on an error but was forced at second by Carragher, but he came home when Gaken hit a tremendous liner down the left field line which went for a triple. Popp got his second straight hit, scoring Gaken with the third run of the ball game. Slane took care of Dexter in fourth, while Allmendinger did the same with Chelsea. In the fifth Dexter scored three runs to take the lead, 4-3. Dexter scored on two singles, a double, and triple. Gaken got a double in the fifth for Chelsea but failed to score. Dexter was retired in the sixth without much trouble while Chelsea had a big inning, scoring five runs on five hits. Daniels was safe on an error, went to third on Miller's hit and came home with the tying run on Smith's timely pinch-single. Slane tripled to center, bringing two more home and he scored on Carragher's single to right. Carragher scored on Gaken's third hit of the ball game. Popp ended the rally by

striking out. In the seventh for Dexter, Slane walked the first man up. Coach Cameron took him out and replaced him with Carragher, Slane going to center. He retired the side, ending the ball game.

Final score: Chelsea 8 runs, 10 hits, 1 error; Dexter, 4 runs, 8 hits, 3 errors.

SEVENTH GRADE

(By Priscilla Popp)

Stamp sale amounted to \$4.20, with 20 per cent responsible for the sales.

Miss Hutzel, from the State Health Department, came to talk to us on Thursday and Friday. Her coming was the reason so many of our tests were given so much earlier in the week.

Report cards were issued May 2.

For penmanship one day we each wrote the things we liked least about each other, and found that most people complained of the same three things—too many people—use our things without permission, and often without returning them, and without taking decent care of them; some people want to talk or play all the time, and bother the rest of us; some people haven't learned to keep their hands and feet where they belong, but pat and pinch and handle and kick their neighbors, which actions lead to trouble. We are trying to correct these faults.

Friday we had a hay-ride at the home of Jim Clark. We had a long, long ride on a rubber-tired hay wagon, drawn by two big white horses; then we went away back into the woods where a fire had been built and had a Weiner roast. The Clarke served us ice cream cones. Ten o'clock ended a delightful evening.

HOLD JOINT MEETING

Members of a newly organized Monroe County Junior Farm Bureau were guests Tuesday evening at the Washtenaw County Junior Farm Bureau meeting, held in Ann Arbor. Recreation and group singing were led by Dorothy Brown of Ann Arbor and Mildred Burmeister of Saline.

Plans were discussed for an overnight camp for Hillsdale, Jackson, Lenawee and Washtenaw counties to be held in June and for the annual State Junior Farm Bureau Leadership Training Camp to be held at Walden Woods in August. Jim Bliss of the Michigan Elevator Exchange spoke to the group, giving them an idea on how the Elevator Exchange works.

The next Junior Farm Bureau meeting will be a joint community group skating party at the Ivory Palace in Ann Arbor on May 8 for members and their guests.

Boy Scout News

Annual Election May 17

The annual election of officers of the Washtenaw-Livingston Boy Scout Council will be the feature of the dinner meeting of the council to be held at the Boy Scout Camp on Thursday evening, May 17, according to an announcement made by Paul Uber, council president.

Reports of the past year will be given, including such matters as finance and budget, health and safety emphasis, camping, community service and activities, organization and extension, advancement, leadership training, Cubbing and Senior Scouting.

Several musical numbers are being arranged, including vocal numbers by Norman Holben of the Ypsilanti District.

A delegation of men from Chelsea is expected.

Camp for Older Scouts

One or more scouts from Chelsea, 15 years of age and over, will have an opportunity to take part in a Senior Scout Conservation Camp near Roscommon this summer, according to an announcement made by Clarence Munn, chairman of the camp committee of the Washtenaw-Livingston Council.

The camp is conducted by the fourteen Scout Councils in the state in cooperation with the State Conservation Department and was operated for the first season last year. Scouts will perform work in connection with forestry, parks, fisheries and other phases of conservation. In addition to work performed there will be opportunities for various kinds of recreation, swimming, hiking, boating, etc.

Additional information can be secured from the Scout Council office at 202 So. Main St., Ann Arbor.

Thawing Water Pipes

To prevent an outdoor water pipe from freezing, enclose it in a box filled with sawdust. When a pipe freezes, open all faucets leading to it, then apply heat to that part of the pipe nearest plumbing fixtures. The quickest way to thaw a pipe is with a blow torch; the safest way is to wrap an electric heating pad around the pipe or apply clothes wet with boiling water.

Trick Vase

Do you by chance have an old kerosene lamp in the attic or basement? It might be either clear glass with pressed designs or painted flowers or it might be a metal and glass combination. Try removing the wick and shadeholder and arranging a mixed bouquet in the adequate opening. This lamp base becomes a vase, lovely in shape and the right size for your table or mantle.

High Chels Slipcovers

If baby has grown to high chair stage, use some washable slipcovers for his chair pad to simplify the cleaning up job if there is a mishap at feeding time.

Dry Rubbers

Your rubbers and goshes—wipe them off and keep them dry. Don't toast them too near the radiator or register. Same goes for that damp fur coat or leather jacket.

Remember MOM on MAY 13th

Flowers for Perfection

In any event but most especially for Mother's Day, flowers are the perfect tribute. Their beauty and fragrance bring to her something of the fullness of love that's in your heart. . . some of the wonderful things that you somehow can't put into words and wish you could. Flowers speak a universal language of love.

If you can't be with her on Mother's Day, the flowers you send will hold your countenance before her and show the depth of your love and appreciation for all the things she's done.

It will almost seem as though you're there with her if you
