## Students Tie for Honors At Chelsea High School

Two Chelsea high school seniors have tied for highest scholastic honors and will be Valedictorians of the Class of 1945. Ileen Loeffler and Marjorie Gilson received identical averages in the four years of their high school work. Out of a possible 4.0 mark they each received 3.72.

Ileen was born October 29, 1927 in Chelsea, the daughter of Mr. and Mrs. H. G. Loeffler. She has spent all her

scholastic record. Catherine was born May 10, 1927 in Chelsea. She has attended the Chelsea public school for the past six years. Prior to that she was a student at Smith school in Dexter township. She plans to attend business school after graduation.

After the regular meeting on May 2 the O.E.S. entertained the Masons by putting them through the "Sixth Degree." Candidates chosen to travel the Sixth Degree were Dr. A. L. Brook, Charles Cameron, Martin Steinbach and Donald Dancer, who, as they were conducted to the several stations received napkins, trays, silver, menus and food. The officers were attired in chef caps and aprons. At the sound of the old dinner bell all followed to the dining room where lunch was served to sixty.

## V-E Day Observed Quietly

Chelsea's reaction to the news on Monday that Germany had surrendered unconditionally was with expressions of joy for some and of sober meditation for others—joyful that one of our enemies had gone down in crushing defeat, yet realizing that our country still faces the completion of another war against a nation which is equally as ruthless and brutal as Germany, where such inhuman and barbarian atrocities against our fighting men have been revealed.

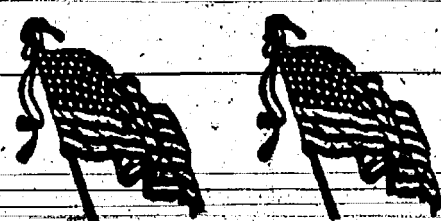

To those who have sons, husbands, brothers or sweethearts in the European area the surrender of Germany means only an interlude in the anxiety which has been theirs during the many long months and years of this war, for most of these men will soon be transferred to the Pacific theatre of operations where dangers and hardships will again face them. Although they will enjoy a furlough with the home folks that time will pass all too quickly and they will again be off to war in another part of the world.

And there are still others to whom the war will never be over—those who have lost loved ones on the battlefields, or for those whose loved ones are coming home with maimed bodies or perhaps mentally unbalanced from the ravages of war.

It was such meditation that provided a sobering influence upon Chelsea as well as the country at large when the good news came this week. Although V-E Day was not officially proclaimed until 9:00 o'clock Tuesday morning, Chelsea was premature in its observance as were many other communities, it apparently having been forgotten that the Day would not be official until announced by President Truman. The fire siren was sounded Monday forenoon, and the public schools were dismissed Monday afternoon following their V-E Day assembly.

However, churches awaited the official notice and held worship services Tuesday night according to plan. Most business places closed at 9:00 a.m. on Tuesday for the remainder of the day. The fire siren was again sounded Tuesday morning, and church bells rang. St. Mary's school closed for the day and the public school was dismissed at 2:00 o'clock for a ball game at the athletic field. Factories operated as usual, with very little absenteeism. Hats off to the boys and girls in the shops who realized their responsibility to the boys "over there!"

So now, with two down—one to go—buy more War Bonds and help finish the job!

## Called To The Colors

Donald William Bell, son of Mr. and Mrs. Albert Bell, was inducted into the service on April 30 and is in training at Great Lakes, Ill. Donald was born in Chelsea on June 14, 1927. He attended Chelsea public school and was a member of the senior class when he enlisted in the United States Navy on March 19, 1945. He was a member of the senior choir.

## Chelsea's Quota for 7th War Loan Is \$315,000

According to George Doe, chairman of the Chelsea War Bond Committee, plans are well under way locally for the 7th War Loan Drive which starts next Monday, May 14 and continues to June 30.

Chelsea's quota for this drive totals \$315,000.00, which is \$10,000.00 less than the quota in the 6th War Loan Drive. However, the quota of E bonds has been increased considerably, to \$120,000.00 from the \$75,000.00 quota in the last drive. The quota for all other bonds is \$60,000.00, with the exception of the quota for corporations, which is \$135,000.00.

The national quota for this drive is \$14,000,000,000.00, of which a total of \$7,000,000,000.00 is to be raised from individuals, with \$4,000,000,000.00 in E bonds alone.

All out for the Mighty Seventh! If all who can will participate to the full extent of their ability, Chelsea will again go over the top, as has been done here in each of the War Bond drives.

COLLECT 6114 LBS. OF CLOTHING George Doe, local chairman of the United National Clothing Drive which ended two weeks ago, reports that a total of 6114 pounds of clothing was collected in Chelsea. This clothing was packed in containers at the police station and shipped last week.

Appreciation is expressed by Mr. Doe to Mrs. John Rudd, Mrs. Harold Rowe, and Mrs. Doe for their assistance in packing the clothing for shipment; also to the Chelsea Lumber, Grain & Coal Co. and Merkel Bros. for the use of their trucks in the clothing pickup, and school boys for their assistance; to St. Mary's school for collecting and packing clothing; and to all others who assisted in any way to make this drive a success in Chelsea.

On Friday evening, May 18 at 8 p.m. the Chelsea High School Concert Band will present its annual Spring Concert.

Under the direction of Mr. Busche, the band has been working hard this past year and has shown much improvement. This concert will bring a climax to the year's work.

The Junior Band, also under the direction of Mr. Busche, will assist in this program. This band consists of pupils who started this year. Each week teachers from the University of Michigan come to Chelsea and give these beginners private lessons. Later, when these pupils have advanced sufficiently, they are eligible for membership in the High School Band.

A few of the numbers featured on the program are: "Pomp and Circumstance," by Elgar, which will be played as a tribute to the Seniors of this year; "Man I Love," by Gershwin, which will feature Miss Wilma Koenigster as vocal soloist; "The Merry Widow," by Lehár; a selection of Lehár's compositions.

A complete program will be given in the next issue of The Standard.

## St. Paul's Y.P.L. Hosts At Rally On Sunday

The Young People's spring rally of the Ann Arbor Region of Evangelical and Reformed churches was held in Chelsea on Sunday, May 6.

The afternoon session, which convened at 3 o'clock at the public school gymnasium, opened with a play, "Aunt Cindy Cleans Up," presented by the Young People's League of St. Paul's church.

At the election of officers, Veryl Steinaway of Chelsea was named as vice-president for the ensuing year.

The oil can contest was won by Bethlehem church, Ann Arbor.

At 6:30 lunch was served to about 250 in St. Paul's church hall, followed by services in the auditorium, beginning at 7:30. John Wellnitz presided at this meeting; responsive reading was led by Robert Breitenwischer; Paul G. Schaible, Jr. read the Scripture lesson, and prayer was offered by Neil Beach.

The sermon, "The World of Tomorrow and the Part Youth Will Play In It" was delivered by Rev. Robert Stanger of Detroit, president of the Michigan-Indiana Synod.

## CHELSEA PTA MEETING

## MSC Trainer Helps Veterans' Councils

East Lansing—Approximately 71,000 Michigan war veterans are back in civilian clothes now, and an estimated 600,000 will have returned from the battle fronts by the time Japan is defeated. Everybody wants to help these veterans. So many people want to help them, in fact, that there is danger of their being overwhelmed by offers of assistance and hindered in their readjustment to civilian life.

To help prevent this, a member of the Michigan State college education division staff, Wayne Beery, devotes his full time to aiding the Office of Veterans' Affairs and local veterans' counselors whose principal aim is to coordinate the vast flow of information affecting the ex-servicemen.

More than 100 different agencies offer services to the veteran, Mr. Beery points out. The local council keeps the veteran informed of his rights and benefits and helps him utilize his own resources.

Councils already have been established in about 150 Michigan communities, 120 of which have set up counseling centers. Sixty have appointed full-time counselors, and more than 50 counselors are functioning on a part-time or volunteer basis. Over 40 councils are organized on a county-wide basis. Most counselors are college-trained men who have had some experience with personnel problems.

Michigan State college, in cooperation with the State Board of Control for Vocational Education and the Office of Veterans' Affairs, has conducted eight training conferences for veterans' counselors, which have been attended by 342 persons. Counselors receive from 30 to 80 hours of instruction in counseling techniques, case histories, and regulations and services of national, state, and local agencies offering aid to ex-servicemen.

Budgets range from \$2,000 to \$8,000, and counselors, appointed by a council composed of representatives of churches and other local organizations, receive from \$1,800 to \$5,000 annually. No service or function of existing agencies is duplicated by the veterans' counseling center. Miscellaneous services include assisting the alien veteran obtain citizenship, bringing about reconciliation in case of family desertion, and interceding with the court if the veteran becomes involved with the law.

## Softball News

By "Doc" Alber

Although the present season is about four weeks off the teams are getting in shape and practice sessions are being held.

The trend this year seems to be to stop the Bulldogs, as a member of the Spring and Kimunity teams have stated, and I quote: "We're going to make puppies out of those Bulldogs this year." With all the teams fighting for a playoff position there ought to be some very good softball played.

As some of the fellows found out a week ago, Cassidy Lake has the makings of a very good team, and by the way there is going to be another game with Cassidy at the camp this coming Sunday, May 13, at 3:00, EWT.

The managers for the coming teams are as follows: H. Prin, Cassidy Lake; H. Bergman, Bowser, Inc.; A. Johnson, Kimunity; D. Alber, Glick's Bulldogs; Al Mshar, UAW-CIO; J. Alber, Chelsea Spring.

So starting the first week in June there will be some very good games played so everyone should be sure to be on hand as often as possible.

P. S.—Any player needing softball equipment, contact me on or before Saturday night.

## OFFICE NEWS

Dates for the various graduation activities are as follows: June 1, the Junior-Senior Reception; June 3, Baccalaureate; June 6, Class Night; and June 7, Commencement. The baseball team will play at Milan today and at Roosevelt next Tuesday. The Spring Band Concert will be on Friday, May 18. There will be an All-Hi party sponsored by the Sophomore class in the gymnasium tomorrow night.

## THANK YOU!

It has been rumored that on the seventh day of June, thirty-six Seniors will be graduated from Chelsea high school. For the past four years these same thirty-six students have strived zealously to reach the goal, which they will have completed on this date.

As Freshmen, we were wide eyed and anxious to learn about the activities carried on in this new world that we had just discovered.

As Sophomores, we had mastered the new curriculum, so we thought. Anyway we belonged to Senior high school. How silly those Freshmen seemed!

As Juniors, we found that there was even more to learn. How thrilling our first formal dance was!

Now as Seniors we are ready to face the world with open hearts and minds, thanks to the cooperation we have had from our parents and teachers. Our parents, who have given us the encouragement and the support needed to finish school, now deserve our thanks not only from our lips, but from our hearts. Our teachers, who have unsparingly given us their time and efforts in spite of all obstacles, also deserve our thanks.

We are about to become men and women of the world, to lead lives of our own, to make decisions for ourselves, and to be the citizens of tomorrow. We will continue to need the support of our teachers, the prayers of our parents, and the help of God, to help build the future of this nation.

## CHELSEA DEFEATS YPSI

Chelsea opened the Huron League baseball season Tuesday afternoon at the local field and defeated Ypsilanti Roosevelt 4-3. Ypsi started by getting two runs in the first inning, and two hits. Chelsea failed to score in the first and second. Daniels got the first hit for Chelsea in the second. Ypsi was retired 3 up, 3 away in the second and third. Chelsea had a big inning in the third as the first three men up: Miller, Eisele and Munro, walked. Slane fied out but Carraher singled to center, scoring Miller, but Eisele was out trying to score from second. Munro went to third and Carraher to second on the peg to the plate. Gaken then doubled to deep left center, scoring Munro and Carraher. Popp was safe on an error but Daniels struck out to end the inning.

Roosevelt failed to score in the fourth as did Chelsea. Carraher gave Ypsi a run to tie it up in the fifth as he walked two men and made an error. Chelsea forged ahead again in the last half of the fifth on Slane's walk, stole over to third and once more Gaken came through with a lashing single to center. Roosevelt was held in check in the sixth and seventh innings, although they collected 3 hits and a walk.

Final score: Chelsea, 4 runs, 5 hits, 4 errors; Ypsilanti, 3 runs, 6 hits, 1 error. Carraher for Chelsea struck out 8, walked 3. Flory for Ypsi struck out 5, walked 5.

## V-E Day Dedication

The following was presented at the union V-E Day service held Tuesday evening, May 8 at the Methodist church:

## "We Dedicate Ourselves"

In Paul's letter to the Romans, he writes, "I beseech ye therefore brethren to present your bodies, a living sacrifice holy and acceptable in God's sight which is your reasonable service." On this V-E Day we again answer that call, and in the name of Christ and in memory of those who, in the name of Freedom and Justice, gave their last full measure of devotion, and in honor of those who have offered their lives; we gather here tonight, and in a spirit of thankfulness and humility dedicate ourselves, our talents, our powers, and our lives to the completion of the common task remaining before us. We dedicate ourselves to the maintenance and broadening application of those principles for which millions have fought and sacrificed, and thousands have purchased with their lives.

We dedicate ourselves in loyalty to those who find it their duty to continue the struggle until final victory is secured. Let there be no slackening of our effort that would retard their rightful progress. Let there be no ceasing of our interest, our prayers or our work for them.

We dedicate ourselves to peace. This is the ultimate goal toward which they and us have struggled. War with its destruction of life, liberty, and property is our public enemy No. one. "In Christ, we can do all things." In Christ we can and will conquer war, we shall beat our swords of war, of death, destruction, pain and sorrow, into ploughshares, and plow the fertile fields of lives and world so that we may again plant the good seeds of truth, love, mercy and righteousness on fertile ground, and reap a harvest of world peace, Christian brotherhood, and sympathetic understanding.

We dedicate ourselves to paying the price of peace. Let there be no selfishness among us that would greedily sow the seeds of another war. Let us prepare to bind up the wounds of a war-weary and broken world. In the spirit of mercy and justice let us proceed now to the winning and conquering of the allegiance, love and respect of those who with armed force we have only whipped. Let us in true Christian spirit press forward until we have transformed the world which through science and invention has been made a neighborhood into a brotherhood bound together in unselfish love for the benefit of all mankind.

Finally we dedicate ourselves to Christ, our Saviour, and to Thee, our Father, and pray for faith, strength, courage, and wisdom that we may put on the full breastplate of righteousness, and quit ourselves like men in facing the tasks of further struggle, and the opportunities, blessings, and problems of peace which we pray may soon come to us from Thy great heart and loving hand.

## Eighth Graders Guests Of Public School Friday

The eighth grade of Chelsea public school entertained thirty-eight eighth graders from this vicinity last Friday, though the inclement weather made it necessary to change previous plans.

After a short program and a talk given by Mr. Johnson, the visitors were taken on a tour of classes. They returned to the gym where they participated in relays until dinner. After dinner they dined in the gymnasium until time for Mr. Busche's band class.

Following the band rehearsal there was a twirling demonstration, put on by the drum majorettes: Ruth Fox, Shirley Kolb, Minnie Mae Platt and Mary Paul.

**Forests Denuded**  
Indiana started out as a forest state. The best estimates indicate that about 19½ million of the 23 million acres within Indiana were covered with timber. The present situation is approximately the reverse, with about 3 million acres in woodlands, much of it cut over one or more times and not capable at this time of producing forest products in the quantity which this rather large acreage would indicate.

## RURAL TEACHER AWARDS

To encourage high school graduates to prepare for teaching in rural schools, the State Board of Education will grant College of Education awards to a number of superior candidates. The awards will release the student from the payment of tuition fee to the selected College of Education. A candidate accepting the rural elementary award must pursue the prescribed two-year course of study leading to the State Limited Certificate which is valid in the elementary grades of any school district except in districts maintaining high schools.

Seniors interested in a rural award are asked to contact Julius W. Haab, County Commissioner of Schools, at once. He has the necessary forms and blanks and will inform you as to the procedure in obtaining an award.

## Men In Service

An Eighth Air Force Bomber Station, England—Sergeant John E. Meehan, 26, of Chelsea, Mich., tail gunner on an Eighth Air Force B-17 Flying Fortress, has been awarded an Oak Leaf Cluster to his Air Medal, previously won, and equivalent to another award of the medal.

The award was for "meritorious achievement" on bombing attacks by Lieutenant Colonel Chester C. Cox, 388th Bomb. Group on Nazi war industries and military targets in cooperation with Allied ground forces. He is the son of Mr. and Mrs. John Meehan of 107 East 20th St., Pittsburg, Kansas, and his wife is Mrs. Ruth E. Meehan of Chelsea.

Miami Beach, Fla.—T-4 Carl F. Bristle, 24, of Chelsea, Michigan has returned from service outside the continental United States and is now being processed through the Army Ground and Service Forces Redistribution Station in Miami Beach, where his next assignment will be determined.

Sgt. Bristle served 11 months as a cook in the Pacific theater of operations. While there he was awarded the Asiatic-Pacific campaign ribbon.

Army Ground and Service Forces Redistribution Stations are located in various parts of the United States. Military personnel returning from overseas are processed through these stations before assignment to military organizations and installations within the United States.

During the period that returnees stay at an Army Ground and Service Forces Redistribution Station, they are given a painstaking occupational and physical classification as well as physical and dental reconditioning together with various lectures designed to reorient men recently returned from combat areas. This processing is carried on without haste in pleasant surroundings conducive to mental and physical relaxation.

Before entering the service Sgt. Bristle was a farmer. He became a member of the Armed Forces on Aug. 31, 1942.

Mrs. L. P. Vogel was a Detroit visitor over the week-end.

**LIBRARY NEWS**

For those who have members of their families in the Armed Forces, the Chelsea Public Library has obtained detailed maps of both the European and Asiatic areas of conflict. You will find these maps helpful as military personnel is shifted to the Pacific theatre. The maps have been posted on a large bulletin board and the Librarian will prepare a pin with your name on it for use in following the movements of your husband, son or brother. All persons vitally concerned with the progress of the war are urged to use these maps. Books recently received which may be reserved at the Library are as follows:

Until They Eat Stones—Brines.  
Grass Roots—Miers.  
Beloved Gypsy—England.  
Tap Roots—Street.

**Your Victory Garden**

**Your Garden This Week**  
This calendar is especially prepared by your Civilian Defense Victory Garden Committee to remind you of the things to be done in your garden each week.

If early potatoes are planted out this week, those that have been green sprouted should be big enough to eat by July 4.

If you haven't as yet planted peas this is the last call. You may obtain a good crop if planted later, but your chances are better if you get them in at once.

Give plants in the hotbed or those in the house as much air as possible, to start hardening them off prior to setting out.

Don't get too hasty about setting out tomato and pepper plants. It's seldom safe in this vicinity before May 15 to 20. They'll do better inside anyway if the weather is cold. It doesn't pay, either, to sow sweet corn, beans, melons, squash, cucumbers or pumpkins until the ground has warmed up.

**Thin Plants for Good Vegetables**  
(By O. I. Gregg, Michigan State College Extension Specialist)

Since most gardeners sow seed too thickly, plants of several garden crops must be thinned. This is especially true of carrots, beets and lettuce, although lettuce can be used as the small plants are removed.

When such crops as carrots and beets show a good germination, the plants should be thinned to at least one inch, or even two inches, apart. It is advisable to thin by cutting them off slightly below the surface, rather than by pulling them. If pulled, a portion of the roots of the remaining plants are generally injured.

A second thinning should take place when the roots are large enough to eat. The larger ones can be pulled and used, leaving the other plants three to four inches apart in the rows. This assures large, well

shaped, uniform roots. If carrots are too thick, the roots twist about each other resulting in distorted, small, unattractive roots.

Plants that are not used until they mature should be thinned to the proper distance as soon as plants show the first true leaves. This applies particularly to parsnips, salsify and rutabagas.

If plants are too thick, they rob each other of moisture and plant food. However, rows can be closer together in gardens where the soil is rich and plenty of water is available.

**CAVANAUGH LAKE GRANGE**  
Cavanaugh Lake Grange met with Mrs. P. H. Riemenschneider Tuesday evening, May 1. Twenty-two members, two visitors and eleven children were present.  
Albert Schweinfurth had charge of the business meeting in absence of the Master.

A very interesting program was planned by Mrs. Naomi Waters, who is "Flora."

America the Beautiful—Assembly.  
Poem—Building a Grange—Mrs. Fred Notten.

Talk—Back to the One Room School—Albert Schweinfurth.  
Talk—Universal Military Service; Cause or Common Sense?—E. T. Quilatt.

Talk—Summer Training Answer to Youth Draft?—Chastner Notten.  
Song—God Be With You—Assembly.

Pot-luck lunch was served.

**SCHOOL HOLDS GET-TOGETHER**  
The families of the Canfield school, District No. 3, Lyndon township, held a get-together last Wednesday evening at the home of Mr. and Mrs. Dale Keizer, and spent an enjoyable evening playing progressive euchre. Mrs. George Brettschneider and Elwood Keizer held high score and the consolation went to Mrs. Fred Klink and R. D. Gadd. The lunch, which was pot-luck, was served to 35 guests.

**Flute Bananas**  
When fluted, bananas make an especially attractive garnish. Run a fork along a peeled banana, then cut slices crosswise.

**WEDDINGS**

**Beaubien-Downing**  
Announcement is made of the marriage of Miss Patricia Beaubien of Pontiac and Elwin Downing, son of Mr. and Mrs. Ben Downing of Holly, which was solemnized at 8 o'clock on Saturday evening, May 5 at St. James

Episcopal church, Pontiac, with a reception following at the church hall. The groom, who is a nephew of Mrs. Lewis Noll, was a resident of Chelsea about four years ago, when he was employed at Grove Brothers store.

Mrs. Noll, who was in attendance at the wedding, spent the week-end with her sister, Mrs. Albert Rohweller, at Pontiac.

But—let's not let up until FULL Victory

Who can blame Americans for going half mad with joy as Hitler's cruel war machine is smashed into the dust! For all who have fought and worked and suffered grievous loss, this hour of triumph is deserved.

But our men are still fighting and dying out there in the Pacific. If we let down now, we'll be letting them down!

Let's stick to our war jobs until Uncle Sam says, "Well done—you can relax!"

Let's buy extra War Bonds—they will be needed now, more than ever.
