Local School On Two-Year Accredited List

Accrediting of high schools in Michigan is handled by the Bureau of Cooperation with Educational Institutions of the University of Michigan. Graduates of accredited schools are admitted, without examination, to any Michigan college upon recommendation of the principal of the high school. High schools are accredited for either a one, two or three-year period. Schools accredited for one year are visited yearly, those on the two-year list are visited on alternate years, etc. Following each visit a written report is mailed either to the Board of Education or to the administrator in charge of the school, giving the status of the school as observed. Written yearly reports however are required of all schools regardless of the number of years for which they are accredited.

At the present time the Chelsea high school is accredited for a two-year period and is visited by a representative of the Bureau on alternate years. The visitor for the Chelsea high school for the ensuing two-year period was Dr. Michael Pargment of the University, who recently spent a day in our school. In his report to Superintendent Johnson and the Board of Education, he indicated that he found the school operating in a satisfactory manner. He was particularly impressed with the calibre of teachers and of the teaching observed in the classes that he visited. He also stated that the general attitude of the student body was good.

Dr. Pargment observed, however, that the enrollment in some classes was too large for completely effective teaching. In his opinion, the enrollment of any class, where active participation on the part of the pupils is desired, should not be over thirty and if possible should be much less than that number. In the Chelsea high school, there are a number of classes with enrollments of between 30 and 40.

Dr. Pargment in his comments mentioned that the only solution to this problem would be through increased building facilities and by employing more teachers. The problem could not be solved immediately, but is one which should be given serious consideration by the Board and community at the first opportunity following the war.

Remodeling of Village Bldg. Starts Next Week

At a special meeting of the village council on Tuesday evening, plans were made to start remodeling of the municipal building on East Middle St. Chris Koch will be the general contractor, Floyd D. Rowe, plumbing and heating contractor, and work will start next week. The council specified that local labor be employed. The work will be done under the supervision of Kasurin & Kasurin, Ann Arbor architects. The delay in starting to remodel the building was caused by difficulty in obtaining priorities.

CHURCH SUPPER

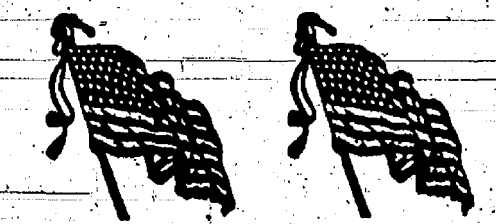

Try eating out on Wednesday, May 23 and give yourself a treat. The Methodist Church is having an old-fashioned supper with stew and baked beans and spaghetti. Then there will be deviled eggs, and all kinds of homemade breads, and fried cakes. Top it off with ice cream if you want to, and bring your family. Serving will start at 4:45. Adv.

Churches Hold Mother and Daughter Banquets

Sunday, May 6 was designated by the Altar Society of St. Mary's church as Mother-Daughter Communion Sunday. Two hundred fifty-five mothers and daughters attended.

On Wednesday, May 9 the Altar Society entertained their daughters at a pot-luck supper. The program opened with the singing of the Star Spangled Banner.

Mrs. C. W. Loosa acted as toast-mistress.

Toast to the Mothers—Barbara Quirk.

Toast to the Daughters—Mrs. J. V. Buz.

A trio, consisting of Angelina Merkel, Theresa and Rosemary Lyons, sang two songs. They were accompanied by Pat Burg at the piano. A piano solo, "Parade of the Wooden Soldiers," was given by Joan Schneider.

Gifts for the mothers present who had the largest number of daughters were given to Mrs. Clara Honeck and

Mrs. Raymond Cuhane, each having eight daughters.

A gift was given to Mrs. John Young, who was the oldest mother present; also to Mrs. Albert Jurgens, who was the youngest mother present.

The program closed with the singing of "On This Day, Oh Beautiful Mother."

A short business meeting followed, at which the new constitution was presented by Mrs. G. L. Staffan, parliamentarian. There were 154 in attendance.

About 160 were in attendance at the Mother-Daughter banquet which was held on Friday evening at St. Paul's church hall, under the supervision of the Ladies' Aid Society and the Women's Auxiliary.

A colorful scheme of red and white was carried out in the flowers, candles and program booklets, with a red carnation at each place.

Mrs. Waldo H. Kusterer and Mrs. Wilbert W. Breitenwischer were in charge of the program, which was rendered as follows:

Closing song by the assembly was "Our Mothers Dear."

A most enjoyable event in connection with the observance of Mother's Day was the Mother-Daughter banquet, sponsored by the WSCS of the Methodist church, which was held at the church on Thursday evening.

"Miniature" (by Barnes) was played by Mrs. Rena Walworth as the assembly marched to the dining room, where covers were laid for 165. Centered with little cards of spring flowers, the tables were lighted with tapers in pastel shades and the souvenir programs were in the same colors. The banquet was served by the men and boys of the church.

Mrs. Beth Hollidge, presiding as toastmistress of the evening, first introduced Mrs. Louise Gaunt, president of the WSCS, who presented corsages to Mrs. Hollidge, to the honor guest, Mrs. Frazon Slosson of Ypsilanti, to Mrs. Jennie Parker, the oldest mother present, to Mrs. Janice Van Riper, the youngest mother, and to Mrs. Viola Walz, the mother with the most daughters in attendance.

FOXES OUTFOX CAPTORS

Mr. and Mrs. "Babe" Klumpp, Raymond Klumpp and Ed. Eder thought they made a big haul when, while looking for mushrooms last Wednesday afternoon they discovered several small red foxes in a fallen hollow tree in a woodlot about two miles southwest of Chelsea. While some of the party stood guard others hurriedly went for tools with which to cut and chop the tree, and they captured the six foxes, thought to be about ten weeks old. The Klumpp boys proudly displayed their catch about town that afternoon and evening, and planned on how they were going to raise some real pets. However, their small pets evidently felt that their captivity was cramping their style and on Friday night they escaped from their prison home in the Klumpp barn. Now "Babe" says he hopes that when he goes out looking for the foxes that he may find some mushrooms!

OFFICE NEWS

The band is going to present their Spring Concert in the gym tomorrow night at 8 o'clock.
The baseball team will play at Dexter tomorrow and at Pinckney on Tuesday.

Home Economics club has a party planned for Saturday evening. It is to be held in the gym.

VICTORY

The defeat of Germany means only that we are one step nearer to victory; actually, our job is only half done. American boys are fighting and dying at this hour in battle against a

tough fanatical foe—the Japanese. The Japs who slew thousands of innocent Americans at Pearl Harbor; the Japs who killed thousands of life-loving Americans at Tarawa, Saipan and in other bloody engagements; the Japs who resolved to keep their stolen empire, still awaits us. The road ahead is long, rocky, and strewn with sorrow.

Let us bend our heads, even in triumph, knowing we are no Master Race, and that any greatness we may have achieved is dwarfed indeed by the greatness of the Cause of Freedom for which it was mustered.

If we can learn that lesson in the meekness and humility of Him who went about doing good—then, and then only—real victory will be ours; and the sacrifices of those who gave the last full measure of devotion shall be hallowed in our hearts.

SENIOR CRUISE

As in previous years, the Seniors of Chelsea high school are eagerly anticipating the Senior trip.

This year the Seniors are going to Chicago—a cruise which will last five days. We will leave Detroit at 4:00 p.m. on May 24, and after leaving will cruise up the Detroit River, where we enter Lake Huron for the long sail to Mackinac Island. The ship will dock at Mackinac Island for four hours, and during this time we may explore the many points of interest there. The ship will then enter Lake Michigan and sail to Chicago—arriving there on May 28. We dock there for eight hours, and then leave at 10:00 in the evening for the trip home.

On the way back we stop at Charlevoix, a beautiful northern resort town, for two hours. The rest of the trip will be spent enjoying the full length of Lake Huron and the rivers on the way to Detroit, where we arrive on Monday, May 28, at 4:15 p.m.

VICTORY DAY PROGRAM

On Monday afternoon at 1:15, the high school held a V-E Day program in the gymnasium. The band, under the direction of Mr. Busche, opened the program by playing the "Star Spangled Banner" and the assembly joined in singing. Rev. Major led the group in prayer, after which the chorus sang two numbers, "The Marines' Hymn" and "I Hear America Singing." After a few words by Mr. Cameron, the main part of the program took place, which was a talk by Rev. Major on the topic of peace and justice. After the program, which closed with the band playing "America" and "America the Beautiful," school was dismissed for the rest of the day.

The officers of this year and those of next journeyed to Williamston and also visited the college at East Lansing last Tuesday.

BASEBALL

"Lard and Giggy"
Chelsea whipped Manchester on Tuesday, May 9 by the score of 13-1. Manchester scored their lone run in the first inning on two hits and one error. With the exception of the third inning the other innings were three up, three away.

Munro led off for Chelsea with a walk but the next three men were out. Without showing up very well Chelsea bowed out of the second inning three up, three away. In the third inning Chelsea started to work and pushed over two runs on 3 walks and 1 error. Chelsea again bowed out of the fourth inning three up, three away. In the fifth Chelsea added four more runs across the plate on 4 hits and 2 walks. The sixth inning for Chelsea was the big one as we scored 7 runs on 5 hits, 2 walks and 2 errors.

Slane was the winning pitcher, allowing only 3 hits and no walks and accounting for four of the outs on strikes. Cannon and Hough allowed 10 hits, 10 walks and struck out 4 men. Chelsea, 10 hits, 13 runs and 4 errors. Manchester, 3 hits, 1 run and 2 errors.

Chelsea split a double header last Friday with Milan, winning the first

game 7-6 and losing the nightcap 6-2.

Munro led off for Chelsea with a strikeout. Slane then bagged a walk; Carragher, next at bat, hit a triple into left field, sending Slane home. Gaken then hit a lashing triple into deep center field, with Carragher stealing home. This was all the scoring for Chelsea until the last of the seventh when Chelsea was trailing 6-3 as Smith took over for Pop on first base, then taking second and third and scoring when Munro got on base on fielder's choice. Slane then struck out. Carragher got on base and stole second and third bases with two men out. "Little" Gaken walked up to plate with all the confidence in the world and sent the ball for a beautiful 400-ft. hit over deep center field fence for a home run, sending in the winning runs. Daniels and Collins got on base when Knickerbocker grounded out, ending the game.

Milan failed to score until the third when they scored 2 runs on 2 walks and a hit. In the fourth inning they tied things up at 3-3, scoring another run on 1 hit and 2 errors. Milan scored 3 more runs in the sixth and seventh innings on 2 hits, 2 walks and 2 errors.

Chelsea, 9 hits, 7 runs and 2 errors; Milan, 4 hits, 3 runs and 3 errors. Carragher, the winning pitcher, struck out 10 and walked 7, while Plasters struck out 4 and walked 3.

In the nightcap not much exceptional hitting was done but Don Edwards, a little faster pitcher than Plasters, allowed only 2 runs, while Carragher allowed 6 runs.

Chelsea, 4 hits, 2 runs and no errors; Milan, 5 hits, 6 runs and 4 errors. Edwards struck out 12 of the necessary 15 outs and walked none. Carragher pitched beautifully all day and struck out 7 and walked 4.

Chelsea played Roosevelt Tuesday, but the results are as yet not known. The game there will finish up the league for this year.

At the end of Friday's games the league standings were:

	W	L
Chelsea	2	1
Milan	2	2
Roosevelt	1	2

FOURTH GRADE NEWS

Our defense stamp sale for this week was \$29.00. Seven of us have turned our stamp books in for bonds—Sue Barlow, John Bateakes, Karen Chase, Donna Hinderer, Alfred Knickerbocker, Eleanor Schmidt, and Lyndall White.

Our pictures have come and we like them.

For geography Miss Brown is reading us the story of the Mexican Twins for we are to learn about Mexico next. We have drawn a map of Mexico and South America on which we can locate the homes of the children we shall visit soon.

SIXTH GRADE NEWS

George Heydlauff of our room made up a poem on V-E Day, and here are the words to it:

TODAY IS V-E DAY

Buy more stamps and bonds!

We still have to lick the Japs

That live across the pond.

Our soldiers die on the battlefield,

Won't you help them some?

Buy more stamps and bonds,

Instead of candy and gum.

It won't be an easy job; you know

To lick those dirty so-and-so's.

But we can do it; you can bet,

You ask our G.I. Joes!

We are finishing our history books

now and are very glad about it. We

have put new pictures on the bulletin

board for Russia. Friday, our base-

ball team beat the seventh grade

team. We have beat them three out

of four games this year.

turned in to Mrs. Hale, our Junior

We shall try very hard to get our

seventh grade candidates elected to

be "king" and "queen" of the 7th

War Loan Drive. Selection of "queen"

depends on amount of bonds sold; sel-

lection of "king" depends on percent-

age of the classes participating. We

nominated Geraldine Hale and Robert

Vogel. Last week we sold only \$4.75,

at 17 per cent.

THE OLD JUDGE SAYS...

GEORGE: "Yes, I certainly would like to hear why you call that an old-fashioned idea, Judge."

OLD JUDGE: "Glad to tell you, George. Until recently, a person known as an alcoholic was generally treated as a social outcast. Little if anything was done to understand him or help him. But, during the past few years, medical research and study has developed that alcoholics are really sick people... that there is usually a deep-rooted physical, social or emotional reason behind their behavior. That's why today so

much is being done to help them by finding out and correcting the condition that leads them to excess."

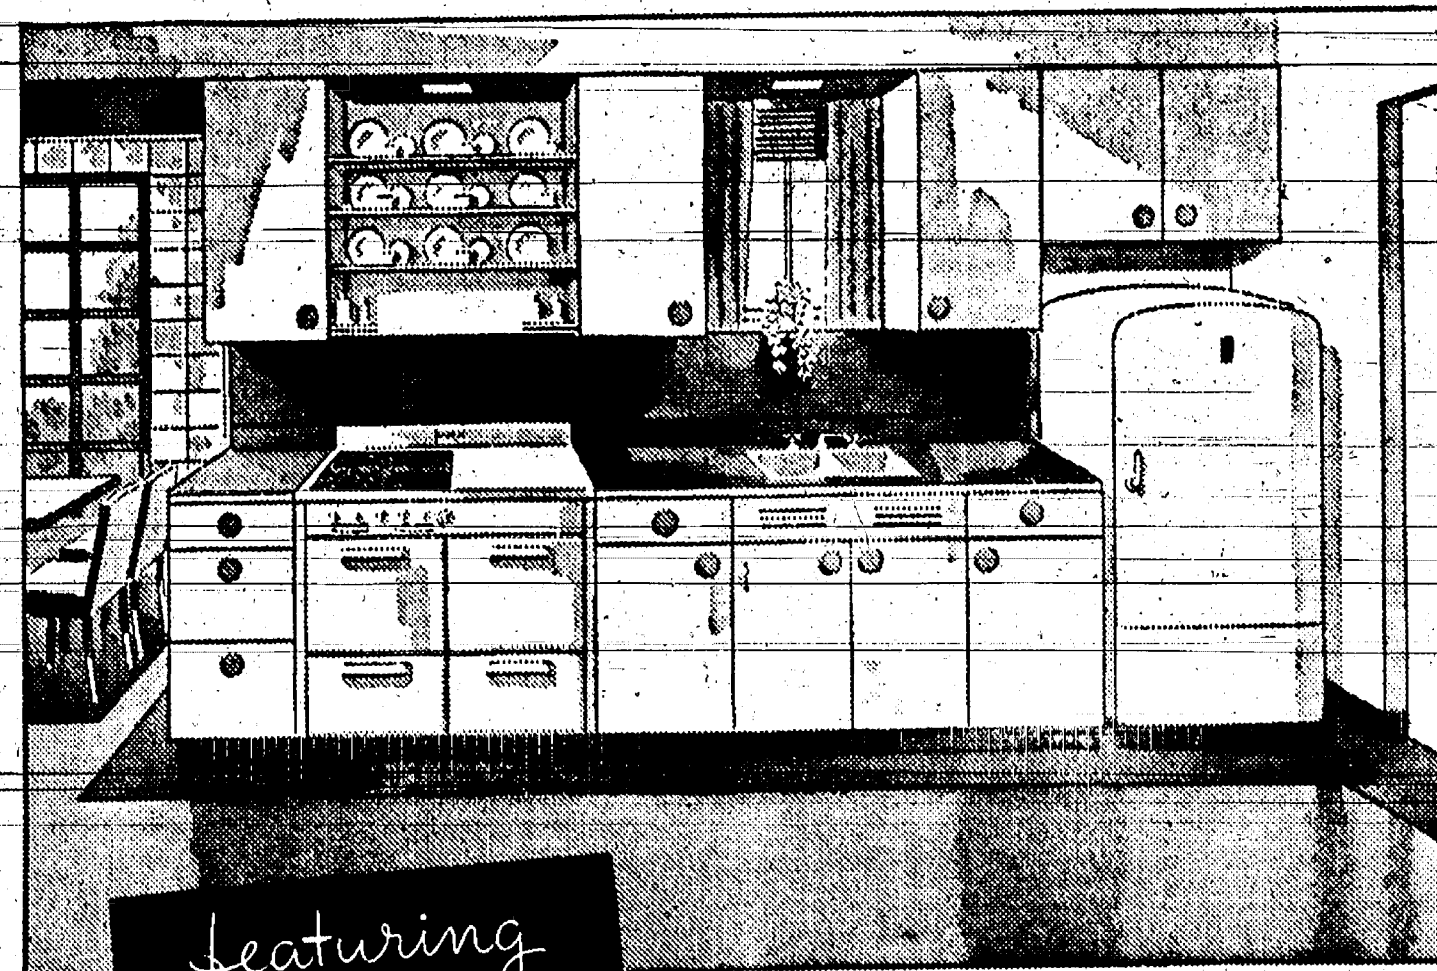

GEORGE: "How many folks are there like that, Judge?"

OLD JUDGE: "Well, according to scientific research, 95% of the people who drink drink sensibly. 5% do so unwisely, at times. Included in that 5% is the small percentage of the sick people I'm talking about."

GEORGE: "That certainly gives me a clearer picture. It's the most sensible approach I've ever heard on the subject."

Softball News

By Doc Alber
Cassidy Lake 5—Chelsea 3
After last Sunday afternoon the boys from Cassidy Lake held their second straight win at the hands of the Chelsea squad, this time by the score of 5-3.

Cassidy led all the way by getting 2 runs in the second on an error and a long home run by Haydt, the Cassidy pitcher.

Three hits and an error gave Cassidy 3 more runs in the third inning to end the Lake boys' scoring. Chelsea broke the tie in the fourth on a single by McClear, and he came home on a passed ball.

After two men were out in the seventh Chelsea picked up two runs as D. Alber singled and stole his way to third. McClaughlin walked, and both came home on a two base error of J. Alber's fly ball.

The local lads only got two hits and that is the main reason for the two defeats.

Next Sunday the local lads are sure they will break into the win column when they meet the boys from Cassidy at 2:00 at the Lake Camp. Spring Company played Bowser, Inc. last night in a practice game, and I will have the results next week.

Don't forget the managers' meeting May 23.
