## With Our Men In Service

For gallantry in action, Major General William H. Gill has awarded the Silver Star Medal posthumously to Staff Sergeant Robert W. Dvorak, son of Mrs. Anna Dvorak of Manchester, formerly of Chelsea.

Sgt. Dvorak went to the aid of a wounded man who was on the forward slope of a hill completely covered by enemy machinegun cross fire. Sgt. Dvorak reached the wounded man and was able to carry him to safety, although he himself was mortally wounded while doing so. His courage and heroic self-sacrifice are a credit to him and to the armed forces.

Relatives of Second Lt. Hollis W. Freeman, Jr., Fortress navigator, have been notified by the War Department that he has been rescued from the German prison camp Stalag VII-A at Moosburg.

Lt. Freeman was reported missing in a bombing raid over Germany on November 21 and in January his family received word that he was a prisoner of war. He is the son of Mr. and Mrs. H. W. Freeman of Ann Arbor and grandson of Mr. and Mrs. L. T. Freeman and Mrs. John Kalmbach of Chelsea.

With U. S. Forces in Belgium—Sergeant Lyle J. Haselswerdt, husband of Mrs. Dora Haselswerdt, 215 Park St., Chelsea, Michigan, was recently awarded the "Certificate of Merit" by his commanding officer, Colonel Edward L. Wilson, in recognition of conspicuously meritorious and outstanding performance of military duty.

The citation on the award stated, "Sergeant Lyle J. Haselswerdt was Non-Commissioned Officer in the Supply Division, 52nd Quartermaster Base Depot, from July 1, 1944 to March 23, 1945, where he performed as Record Control Clerk. Efficiency, precision and outstanding devotion to duty characterized his performance."

Sergeant Haselswerdt has been overseas for over a year and on the continent since June of 1944.

Sgt. James H. Barkley, who spent the past ten months in England and France, arrived on Saturday to spend a 30-day furlough with his mother, Mrs. Blanch Barkley. Jim was a waist gunner on a B-17 Flying Fortress and completed 30 missions over Germany. He says Chelsea looks mighty good to him after his experiences in the European area. When Jim went across ten months ago he was on the "Aquastania," the same boat his father came home on from World War I in 1918.

**Bond Sales In Chelsea**  
Reach Total of \$42,199

The current Seventh War Loan is in its second week. Through May 19, the purchases of bonds amounted to a little more than 14 per cent of the quota set for Chelsea.

The amount assigned for local sales is:

\$120,000.00 for E Bonds.  
\$135,000.00 for Corporations.  
\$60,000.00 for "Others."

Accumulative sales as of May 19 amount to \$34,481.25 in E bonds, \$7,718.00 in "other bonds," totaling \$42,199.25.

We still have to make wide strides in order to reach the goal that has been set. Why not wake up to the magnitude of the job still to be done by our boys in the Pacific and show real accomplishment in our home service. Over there, our war-weary millions still face with intense seriousness and sober knowledge the task that is theirs. Our responsibility is equally as great.

TODAY is a good time to see one of the "Callants" who is ready to sell, call for and deliver your bond, or the bank and postoffice may be your depot for your purchase.

—Chelsea War Bond Committee.

**CPL. WEST HONORED**

Relatives and friends of Cpl. Harold West, who is home on furlough from the Hawaiian Islands, held a get-together on Sunday at the home of his parents, Mr. and Mrs. Harrison West, at Sylvan Center. The guests, numbering about 115, included relatives from Jackson, Ypsilanti, Farmington and Chelsea and vicinity. The potluck dinner at one o'clock was followed by a social time, during which various games were played. This is Cpl. West's first home visit since he left for overseas three years ago.

## Church Holds Dinner As Finale To Campaign

About one hundred-fifty members and friends of the Congregational church attended the fellowship dinner held in the church dining room on Sunday.

This gathering marked the successful completion of the campaign to raise a fund for repairs and improvements to the church and parsonage. Although the goal had been set at \$9,500 at the March meeting of the church membership, the subscriptions went over that mark by \$2000. The entire solicitation was made in less than four weeks.

After the dinner a number of people responded with short talks on various phases of the church work. Mrs. D. L. Rogers, president of the Guild, "Our Church Home," M. W. McClure, "In Appreciation of the Work of the Women," Mrs. John Hafe, superintendent of the Sunday school, "The Sunday School," and Howard Holmes, chairman of the Board of Trustees, concluded by emphasizing the value of the church service and the success of the campaign through the splendid cooperation of the 18 solicitors and the generous response of the givers.

The program was concluded by an intensely interesting reading by Rev. Hainsworth of WPAG, entitled, "The Cottage of Meadowsweet Lane."

## Annual Poppy Sale To Be Held On Saturday

Weather permitting, the Girl Scouts will make house-to-house calls next Saturday. Buy a poppy!

Miss Daniels was thrown out and was  
unconscious when picked up but not  
severely injured. Warren succeeded

## LIBRARY NEWS

If you were in the Library the past  
week you saw the names of Chelsea  
servicemen on little flags—dotting  
large maps of Europe and the Asiatic  
theatre of operations. Two pins, very  
close together—were those of Carner  
Sloum and Gene Fisher, both on  
Okinawa. We wonder if they have  
met yet and had a chance to talk of  
home.Little flags out in the Pacific proud-  
ly bearing the names of Paul Schnei-  
der and Dave Eaton showed them to  
be en route. We found by looking at  
the maps that John Hale is in the  
Hawaiian Islands and Eldine Hawley  
in the Philippines.Come in and look at the maps. Put  
a pin on for your serviceman. Let's  
have all Chelsea represented! You  
may bring about a home-town reunion  
in some far corner of the world. You  
will find these maps in the Reference  
Room and the Librarian will help you  
prepare the pin.After you place your pin on the  
map, browse around a bit among the  
books. New books are being received  
every week. Among them are these:

Lansing—According to Highway  
Commissioner Charles M. Ziegler,  
checks totalling \$2,000,000 have been  
mailed by the Auditor General to the  
various counties in the state for the  
first half of 1945 payment of McNitt  
road funds taken from the state gaso-  
line tax. Under the McNitt act of  
1931, maintenance of township roads  
was taken over by the counties. Each  
year, under state law, \$4,000,000 is  
returned to the counties from the gas  
tax for use on township roads. The  
Highway Department prepares the  
vouchers for these payments and  
turns them over to the Auditor Gen-  
eral for payment. Washtenaw county

## THE OLD JUDGE SAYS...

MARY: "Jim, didn't you say you wanted  
to ask the Judge something about grain, the  
next time you saw him?"JIM: "That's right, I did, Mary. Is it true,  
Judge, that distillers recover part of the  
grain they use in making war-alcohol?"OLD JUDGE: "That's absolutely true, Jim.  
Wherever the government has permitted  
distillers to purchase the equipment neces-sary to reprocess the used grain, at least  
50% of the feed value (25% by weight) of the  
whole grain is recovered. It comes back to  
farms like yours in the form of premium-  
quality livestock feed... rich in vitamins  
B<sub>1</sub> and B<sub>2</sub>."JIM: "Is the same thing true when distillers  
are permitted to make whiskey, Judge?"  
OLD JUDGE: "Yes, every bit as true, Jim."

## Softball News

By "Doc" Alber

Well, the season of softball, which starts June 5, is drawing closer and the teams are all set to go. All managers are signing their contracts and there are not many holdouts. The League meeting was held last night and I will have the report for you next week.

Chelsea 18—Cassidy Lake 13

Well, Chelsea finally defeated Cassidy Lake, in a game that saw just about everything happen. Cassidy took a 1-0 lead at the end of two innings but Chelsea scored 6 in the third, 5 in the fourth, and 4 in the fifth to go ahead 15 to 1. But Cassidy grabbed 3 more in the fifth and had a big inning in the fifth when they scored 5 times. One in the sixth and three in the last inning ended Cassidy's scoring while Chelsea collected a single run in the last frame.

Chelsea really started hitting as they collected 17 hits.

## Men In Service

With the 14th Anti-Aircraft Command in the Southwest Pacific—Five years ago James W. Buck and Raymond B. Hill were neighbors and co-workers in Chelsea, Michigan. They were united recently in the Pacific jungles and found that they are neighbors again and co-workers.

Buck is now a Technician. Fifth Grade of the 671st Anti-Aircraft Artillery Airborne Machine Gun Battery of Major General William F. Marquette's 14th Anti-Aircraft Command. His old friend has reached the rank of Captain. Both are stationed at the same base. In civilian life, both were employed by the Beaver Island Lumber Company.

Technician Buck has completed twenty-one months of overseas service and has been awarded the Asiatic-Pacific Ribbon with a campaign-battle star to denote his participation in the New Guinea campaign. He also has been awarded the Good Conduct Ribbon.

His wife, Mrs. Elva Duck, lives in Chelsea.

Mr. and Mrs. Wm. Birch received the following letter from a friend of their son, Louis, who helped to liberate him from an internment camp in Manila:

Chicago, Ill., May 15, 1945.

Dear Mr. and Mrs. Birch,

I am a liberated prisoner of war formerly interned in the St. Tomas Internment Camp in Manila. We were liberated on Feb. 3, 1945, and one of the first soldiers in was your son, Louis, whom I had the pleasure of meeting. He is one swell-guy, and so are the rest of the Yanks for that matter!

Louis and the rest of the family had numerous talks and we all had a lot of fun in the shack we lived in at the camp. Louis took out my sisters (twins, age 18) to several dances and I believe he thoroughly enjoyed it. He sure deserves it as do all the rest of the Yanks.

Louis asked me to deliver the attached note in person but since I don't expect to get to the University at Ann Arbor until July or September I thought I would mail it now.

I am planning to get a job here until then, when I hope I may be able to look you up and tell you some "stories," as Louis says.

Louis is in fine shape, healthy, full of pep and always on the go. You probably won't notice any difference when he comes back.

Sincerely yours,  
Charles Schoendube.

School will be closed Wednesday for Decoration Day.

The Junior-Senior Reception will be on Friday evening, June 1.

The Ann Arbor High baseball team plays here on Tuesday.

The Seniors are leaving for a four day boat cruise today.

Examinations for junior and senior high school students will start on Friday afternoon, June 1 and will continue through June 4 and 5. Students in these grades will be required to be present only during the time of their examinations.

The pupils of grades Kindergarten through sixth will be in session until Wednesday afternoon, June 5.

### JOBBS?

School is nearly over for this year. An idle mind is the devil's workshop.

Approximately 150 children of working age will be soon out of school, some of them won't be going back, still more will be, but for their vacation they need employment. Busy minds will help in forming an industrial country. Our nation needs healthy young boys and girls to work and help insure the future. Let's all of us this summer get out and work for our country, our pocketbooks and our health.

### BOND RALLY

The Freshman class is to be congratulated on the success of its five-day bond drive. From Monday, May 14, to Friday, May 18, the members of the high school were diligently canvassing families and friends in an effort to sell more war bonds and stamps. An auction of donated articles was held in the study hall Thursday afternoon, and careful record of sales throughout the week was kept. At the conclusion, over \$22,000 worth of bonds had been sold, of which the seventh grade had sold \$12,275. Second place in the selling contest was held by the sophomore class. The winning class was privileged to nominate a king and queen of the contest.

A brief coronation ceremony took place at a dancing party held after the band concert Friday evening. Attendees to King Bob Vogel and Queen Geraldine Hale were Beverly Booker and John Copren, Jr., eighth grade; Donna Waters and Donald Baldwin, ninth grade; Clara Miller and Ray Knickerbocker, tenth grade; Therese Lyons and Thomas Smith, eleventh grade; and Leon Loeffler and James Gaunt, twelfth grade; and Opal O'Dell and Helen Hochrein, crown bearers. With the exception of the coronation ceremony, the program of the evening was dancing.

### JUNIOR-SENIOR RECEPTION

The reception given each year by the Junior class in honor of the Seniors is planned for the evening of Friday, June 1 in the gymnasium.

This is more than a banquet and a dance—it is a tradition of Chelsea high school.

The reception marks the end of the Seniors' social life at this school.

### STUDENT COUNCIL ELECTION

The officers for the student council for next year were elected last Wednesday. Candidates were: Clara Miller from the sophomore class, Theresa Lyons from the junior class and Thomas Smith nominated from the floor; for vice-president: Duane Quiatt from the sophomore class and Elaine McClear from the junior class. The sophomore class topped the election by having both of their candidates chosen. Clara Miller will be the president and Duane Quiatt is the vice-president for the student council of next year.

### RED CROSS

A Red Cross program was arranged by the Home Ec. club. It consisted of a movie which explained the work of the Red Cross and a speaker from Ann Arbor high school speech class.

### DEXTER DEFEATS CHELSEA 17-7

Dexter high school trounced the local lads last Friday at Dexter by the score of 17-7. Dexter scored one in the first, 6 runs on 6 hits in the second. Chelsea scored once in the third on successive singles by Slane and Carraher. Dexter was so scared of "Clubber" Jim Gaken that they walked him three intentional times. Dexter increased their lead in bottom half of the third by scoring 4 more times. Chelsea scored one in the fourth on Popp's single and a couple of Dexter's errors. Dexter added two more tallies in the fifth on three hits. Chelsea failed to score in this inning. Chelsea had a big sixth, scoring 5 times. Popp was safe on an error but Collins forced him at second. Miller singled, scoring Collins; Smith was hit in the chest by a pitched ball. Munro singled, Carraher doubled, scoring Munro and Smith. Gaken hit a hot grounder to third, which was fumbled. This was the first time all afternoon that they pitched to him. Gaken stole second and Carraher came home on the throw. Dexter scored 5 more times in the sixth. Slane was relieved by Jerome Burg and with two out Gaken, who had gone to third when Burg started pitching, came in to put out the fire. John Wellnitz caught for Burg and Gaken. Chelsea didn't score in the seventh, ending the ball game.

Final score: Dexter, 17 runs, 14 hits, 4 errors; Chelsea, 7 runs, 6 hits, and 7 errors. Allmendinger, for Dexter, had 2 doubles, a walk and a home run.
