## Weinberg Will Build Modern Dairy Plant

Construction of a new dairy plant has been started by Weinberg Dairy at their farm one mile west of Chelsea on Old US-12.

According to Jay Weinberg, owner and operator of the dairy, the new building will be 36x54 feet, with an annex 12x20 feet to be used for the compressor room and loading dock. The main building will contain the pasteurizing plant, boiler room, refrigeration room, office, rest rooms, and a dairy bar which will be placed in operation when ice cream becomes more plentiful. Most of the equipment will be new.

It is planned to have the building completed and equipped early this fall. It will be one-story, of cinder block and stucco construction, with face brick front, and will have a recessed glass block door and plate glass windows at the front.

When completed, the Weinberg Dairy will have one of the most modern dairy plants in this part of the state.

## With Our Men In Service

Mrs. Florence Walker of 116 Dewey St. received a box of souvenirs from her brother, Pfc. Owen O'Neill, who is now in Germany with Gen. Patch's Seventh Army.

PFC. OWEN O'NEILL

August of 1943, going to Africa, where he was stationed several months. From there he went to Corsica. He has three Bronze Stars for participating in the Italian campaign, the invasion of Southern France, and the battle for Germany.

This letter was written by Sgt. Raymond Ives, stationed somewhere in England, to his parents, Mr. and Mrs. Roy C. Ives. Raymond entered the service in March, 1942, and has been serving overseas for twenty-seven months.

Dear Folks,  
Looks like I am a little late in writing again this time. Seems that I just don't get any letters written any more. However, I am getting yours regularly and thank you.

Don't bother to send my watch band or to get a new strap for it. I can do that when I get home for this one that you sent will last a long time. I bought that one in California. They don't have such things here.

I wish you wouldn't think that I am coming home soon, for it will be (Continued on page three)

## Bond Sales In Chelsea Show Sharp Decrease

It is a startling announcement that the sales of E bonds for the week of May 19 to 26 was only 36 per cent of those made during the week preceding.

May 12-19—E Bonds ..... \$34,481.25  
May 19-26—E Bonds ..... 12,468.75  
In "other" bonds, the sale fell off even in greater percentage:  
May 12-19—"Other" Bonds ..... \$7,718.00  
May 19-26—"Other" Bonds ..... 1,300.00  
At the end of a two-week period the E bond sale has reached a little better than 38 per cent of its quota of \$120,000.00. Other bonds are staggering, with about 15 per cent of a quota of \$60,000.00.

The current week, up to June the second should see Chelsea making strides in the Seventh War Loan. IT IS HERE—and like previous bond drives we are bound to reach the top in a big way. As an eye-opener, here again is the ever-present reminder:  
"E" Bonds ..... \$120,000.00  
Corporations ..... 135,000.00  
"Other" Bonds ..... 60,000.00  
An excerpt from the current issue of the Saturday Evening Post brings forcibly to our attention through the eyes of those who know and understand, the importance of the Seventh War Loan:

To the American People:

Your sons, husbands and brothers who are standing today upon the battlefronts are fighting for more than victory in war. They are fighting for a new world of freedom and peace. We, upon whom has been placed the responsibility of leading the American forces, appeal to you with all possible earnestness to invest in War Bonds to the fullest extent of your capacity. Give us not only the needed implements of war, but the assurance and backing of a united people so necessary to hasten the victory and speed the return of your fighting men.

G. C. Marshall, Douglas MacArthur, Dwight D. Eisenhower, H. H. Arnold, William D. Leahy, E. J. King, C. W. Nimitz.

To the People of Chelsea:

You shouldn't need any more urging—do your part NOW—and Chelsea will again go over the top!

—Chelsea War Bond Committee.

## Fire Destroys Foster's Tavern On Monday

Foster's Tavern, located four miles west of Chelsea on US-12, was completely destroyed by fire early Monday morning. Cause of the fire is unknown, although it is believed the building may have been struck by lightning during the severe electrical storm.

A truck driver who parked in front of the tavern about two o'clock saw smoke coming from the building and awakened Mr. and Mrs. Foster, who reside nearby. Mr. Foster summoned the Chelsea fire department but it was impossible to save any of the building or contents.

Mr. and Mrs. Foster built the tavern eight years ago. For two years it was leased to Dexter Denton, and it was operated by Mr. and Mrs. Emil Regner for the next three years. The Fosters have conducted the business for the past three years.

According to Mr. Foster, plans are already under way to construct a new and larger building.

The loss was partially covered by insurance.

draw to a close, many of us endeavor  
to think of changes that would make  
for better living.Malcolm Binney's recent articles  
point out that our country has many  
"seeds of Nazism" within itself. If  
the citizens of tomorrow are to assist  
in the destruction of these evil  
forces, a portion of the money now  
spent for the war effort will have to  
be diverted from destructive imple-  
ments to the constructive materials  
of peace. At this time education is  
recognized as the most potential force  
for bettering our social living, but  
while millions are spent to train  
drafts for destruction, education  
gets along as best it can.Contrast the elaborate Army and  
Navy training programs with condi-  
tions in our public schools. The vast  
expenditures for training devices of  
all kinds—movies and teaching aids,  
for example—have undoubtedly short-  
ened the war; and there is no doubt  
but that adequate financing of educa-  
tion would lengthen the peace. This  
is as true of the United States as it  
is of other countries. Hitler demon-  
strated what education can do in an  
undemocratic way; it is up to the  
democracies to demonstrate a more  
desirable method of changing the so-  
cial order.Members of the community will  
need to demand changes and improve-  
ments if pupils are to learn by living  
and doing. In most of our schools  
with Chelsea no exception, pupils  
study in over-crowded, poorly venti-  
lated and poorly lighted rooms, and  
students try to study current prob-  
lems with disgracefully inadequate  
library facilities. It has long been  
recognized that most factual infor-  
mation is soon forgotten and yet at  
the present time there is no alterna-  
tive but the teaching of material  
from textbooks. Under present  
crowded conditions it is difficult to  
teach facts properly and it is utterly  
impossible for children to receive  
guidance and individual attention, or  
to study the broader aspects of im-  
proving social conditions.

the Methodist church on Sunday eve-  
ning, June 3, at 7:30 o'clock. Rev.  
Skenebury of the Congregational  
church will give the baccalaureate

Chelsea traveled to Ypsil to play  
our last league game. If we won this  
game we would be the champs of the  
Western Division but somehow or  
other we lost, 13-5. This made a  
three-way tie in the Western Division.  
Slane and Popp came across the  
plate on 2 hits but in their turn  
Roosevelt forced over 6 runs on 4  
hits, 2 errors. Chelsea scored only  
3 more runs on 4 more hits, no errors.  
Meanwhile Roosevelt was not just  
standing idly by, as they scored 7  
more times on 4 hits and 4 more er-  
rors.Garraher, the losing pitcher, allow-  
ed 8 hits, 6 walks and 13 runs. Flory  
allowed 6 hits, 3 walks and 5 runs.Looking over the Western Division  
of Huron League, we found a three-  
way tie; Milan drew a bye and Chel-  
sea and Roosevelt had to play again.  
Flory held Chelsea scoreless but al-  
lowed 4 walks and 4 hits. Gaken and  
Carraher changed places and Gaken  
allowed 8 hits, 4 walks and 7 runs.In his final game Gaken struck out  
five men—we think it's pretty good.  
Score: Chelsea 0, Roosevelt 7.**ASSEMBLIES**On Wednesday, May 28 a memorial

## Men In Service

(Continued from page one)

some time before I will get out. I expect you have heard about the new point system for discharging soldiers. Now that it is finished here (so the big shots say but they don't see the front) I am eligible for this as far as points go for service, etc. However, there is one thing that keeps me in and that is my type of work. It doesn't look as though they will be releasing men in my line of duty. So it is now use looking for me.

Yesterday I had a nine hour plane ride over Belgium, Holland, France and Germany. It was in a B-17 bomber and was a very interesting trip to see all the damage done in Germany, and to see the stories told by the ground that served as battlefields. Cities such as Cologne, Frankfurt, etc., haven't a liveable house left in them. We saw thousands of liberated prisoners and civilians living in fields as there is no other place to go as yet. The German country is very pretty. (That that isn't torn up and not too densely populated.) If one didn't have a map you could still tell when you enter Germany, for in the other countries only factories and military objectives were bombed, but Germany was hit everywhere and anywhere. A lot of it is due to cannon shells. The people who want to cross rivers must have to use small boats for there is hardly a bridge of any kind left anywhere.

I rode in every position in the plane; tail gun position, nose, waist, behind pilot, belly turret and all. Nine hours is a long time to stay up there bouncing around whenever the air decides to change, nevertheless I enjoyed it very much.

Love,  
Raymond.

Mr. and Mrs. Fred Prinzing recently received a very interesting letter from their son, Pfc. George J. Prinzing. Pfc. Prinzing was inducted on July 24, 1941, went overseas on Sept. 26, 1942 and has been on active duty in Africa, Corsica, Italy and Germany. The letter follows:

Germany, Tuesday, May 8, 1945.  
Dear Mother and Father,  
The day for this side of the world has finally arrived and I hope and pray that Victory will soon come in the Pacific. I also thank God that I've been allowed to come through this long hard struggle. Now may we have a wise and just settlement and have mankind live in smooth accord.

Somehow it doesn't seem possible that it is over, but we are being kept busy so we have little time to sit and think. Of course, there is plenty of work ahead but it is great to realize more bloodshed can now be saved. Naturally everyone hopes that we will soon see the U. S. but that, like many questions, remains for us to find out in the future.

I was anxiously watching to see the men's reactions. Everyone takes it very sober. No big blowout—instead, each man remains with his own thoughts. Oh yes, it's great to have it over but after so long you take everything as it comes. In a way it isn't what I expected. When we were in Corsica and Paris was liberated, guns were going off like a young battle. Now there are a few sporadic shots but no great outbreaks of shooting. I believe everyone has had enough of that.

Enough of the above. At last our weather is treating us good. Then again it may turn and be miserable for awhile any minute, but it's about time that we get good weather.

Your mail is coming through very good right now, but due to the hold-back I'm now way behind in my letter writing. I'm hoping that soon I can once again get caught up, but until our work slackens a little it may be hard.

While I'm writing this letter I'm sipping some German beer. It is really good so I'm getting my system introduced to it again. After all when I return I expect to have some good American beer.

Speaking of popcorn as you did made me hungry. Could you send me some? I popped that small box I received at Christmas time. Our only trouble is in getting laid, but I

might be able to swindle some when I get the corn.

My news is running low so I'd better end until another time.

Keep plugging for those boys in the Pacific as there is a long hard road still to go.

Give my regards to everyone.  
With love—George.

Boca Raton Field, Fla.—Lt. Robert A. Edgar, son of Mr. and Mrs. F. M. Edgar, 3255 Glendale Ave., Detroit, arrived May 16 at Boca Raton Army Air Field, a technical school of the AAF Training Command, for a course in advanced communications.

He attended Chelsea high school, Chelsea, Mich. and was a shipping clerk at Federal Screw Works, Chelsea, before being called to the service. A brother, Sgt. Frank M. Edgar, Jr., is also in the service.

## Softball News

By "Doc" Alber

After last week's victory 16 to 13 and the Kiwanis victory on Monday night the local lads from Chelsea made it three in a row by trouncing the Cassidy boys by the score of 12 to 5.

Backed by some very good fielding and a 17-hit attack, Don Alber had little trouble scattering 8 hits for the victory.

Vic Kohsman, Tom McClear and Bob Adams were the leading hitters, and Ren Houle also had a nice triple. This was also helped out with some nice hitting and some first-class base running by Mr. Cameron.

Batteries for Chelsea: Alber and Kohsman; for Cassidy: Howell and Whitley.

On June 5 of this coming week another softball league gets under way in Chelsea.

I think the competition this year is the best it has ever been. In talking to the managers I find that they all have a first place team, but only one can be on top so there will be a good fight right down to the finish. Here's a schedule for the next two weeks:

May 31—Glick's Bulldogs vs. Chelsea Spring, 7:00.

June 3—Glick's Bulldogs vs. Cassidy Lake (2), 1:30.

June 4—Glick's Bulldogs vs. Kiwanis, 7:15.

League Games

June 5—Cassidy Lake vs. Glick's Bulldogs, 6:45.

June 6—Chelsea Spring vs. Federal Screw, 6:45.

June 7—Kimunity vs. Bowser, Inc., 6:45.

All games start on Eastern War time.

Come one, come all, to some tip-top softball games.

## HOLD FINAL MEETING

Mrs. Geddes presented the gavel to the new president, Mrs. H. T. Moore. Very attractive year books for the coming fall season were presented to the members of the club by the program chairman, Mrs. Philip Olin.

## War Dead Honored In Two Memorial Services

Clear blue skies greeted the people of Chelsea on Memorial Day, which was fittingly observed with appropriate services.

Since its origin in 1868 no Memorial Day has carried more significance than this year's. With V-E day past and the war against Japan still raging, the nation feels most deeply the sacrifices of those who have given their best and dearest to their country.

In Chelsea this spirit was shown at both the Sunday and Wednesday services. The union Memorial Sunday service, held at the Congregational church, was under the direction of Rev. P. H. Grabowski, with St. Paul's choir rendering fitting and beautiful anthems. Rev. W. H. Skentelbury brought the message of the day, with Rev. Everett Major and Rev. Leroy Lord participating in the service.

The community program was held in the school house Wednesday morning with the auditorium well filled. After singing of the Star Spangled Banner, Commander L. C. Thomas of Herbert J. McKune Post 31, American Legion, introduced the chairman, Chas. S. Ritter, Commander of the new Chelsea V.F.W. Post. The schools shared in the program, as Marilyn Schooley, Robert Merkel and Frederick Weber gave the Gettysburg Address, Flanders Field and the Response. Mrs. John Oesterle rendered a vocal selection, accompanied at the piano by Mrs. Wilbert Breitenwischer.

The address by Rev. J. Fontana emphasized the debt which we the living owe to those, both living and dead, who through their sacrifices, made possible the blessings which we enjoy.

After the program, the procession, led by the Boy Scout color bearers, and including the High School Band, the Legion and V.F.W., Girl Scouts, Boy Scouts, school children and others, marched to the cemetery. Here in the quiet and beauty of the cemetery last honors were paid to those who sleep there but whose deeds and services still live in the hearts of a grateful people.

The Waterloo school closed on Friday, May 18, with a pot-luck dinner at the schoolhouse. A picnic had been planned, to be held at Clear Lake, but because of bad weather could not be held.

The school closed with an attendance of 22 pupils. A seventh grade pupil, Nancy Nichol, had an excellent attendance record, being absent only one-half day during the entire nine months.

During the last week of school the seventh grade sold bonds. The school quota was for \$1100 and they sold 25 bonds with a maturity value of over \$2300.

The pupils also took part in the waste paper drive, collecting a ton of waste paper which was sold to a firm in Jackson. Tin cans were also collected, as well as old clothes for the clothing drive.
