Big Bond Show and Auction In Chelsea Saturday Night, June 9

**Pfc. S. Parker, P.O.W.,
Arrived Here Saturday**

Pfc. Sylvester Parker, Chelsea's first prisoner of war to return, arrived in Chelsea on Saturday to spend a 60-day furlough with his wife, Mrs. Wilma Runciman Parker, at the home of her sister, Mrs. Victor Winter. He boarded ship May 16, and left from Birmingham, England the following day, arriving in the States on May 28.

Pfc. Parker was serving with the First Army and was taken prisoner in the Battle of the Bulge, at St. Vicks, Belgium, on Dec. 19. Previous to his capture he had been as far as the Siegfried Line, Germany, when his company became surrounded by the enemy. They fought their way back as far as St. Vicks before surrendering.

After days of marching, and a long train trip, jammed into a filthy boxcar, they arrived at Stalag IX-B, Bad Orb, Germany on December 25. The Stalag is a group of old wooden barracks, without heat, with bare wooden bunks, and no blankets. The food allowed them by the Germans consisted of a daily diet of a few potatoes, a small amount of sour bread, and weak soup, all of which had to be eaten out of their helmets. This camp received only one Red Cross box during the time Parker was interned there. All the others were confiscated and used by the Germans.

When his furlough expires he will report to Miami Beach, Fla. for a 14-day rest period before being assigned to further duty.

Pfc. Parker was awarded the Purple Heart, and other remembrances of his experiences include many foreign coins and paper money which he acquired in Europe.

Under the supervision of the State Highway Department, Chelsea's two traffic lights have been moved, and are now suspended overhead in the center of the two intersections where they are used. This change is in keeping with the policy of the department in placing signals on all state highways in a uniform manner to avoid confusion to motorists.

The lights are now operating on a shorter cycle of 45 seconds, to facilitate the movement of traffic. After midnight they will operate as flashers, with red showing from the side streets, which means for a motorist to stop before proceeding, and amber will flash a caution signal to motorists on Main street.

Two self-sustaining steel supporting poles were placed at each intersection to hold the cables from which the lights are suspended.

Cost of the change is about \$700, with the village paying more than 60 per cent of this amount, and the highway department paying the remainder.

Veterans' Memorial Is Suggested for Chelsea

With many communities making definite plans for memorials honoring veterans, and in memory of those who have made the supreme sacrifice, it has been suggested that Chelsea start to make plans for such a memorial. Suggestions include a monument, a memorial park, swimming pool, etc.

Such a project will no doubt be undertaken by local organizations, and it is hoped an appropriate memorial may be the result of their efforts, with funds to be provided by the village and surrounding townships, or by private subscription.

HAMMONDS TO CELEBRATE
Sunday afternoon, from 4:00 to 6:00 o'clock, open house will be held at the home of Mr. and Mrs. E. B. Hammond, 165 E. Middle St., in observance of their 50th wedding anniversary. Arrangements are in charge of Mrs. Eva Cummings and the W.S.C.S. of the Methodist church.

Ford Bands and Soloists Under Direction of Haze Bennett Will Feature Outdoor Show; Irving Kalmbach Will Auction Bonds; Prizes Go To Purchasers; Street Dance Follows Program.

In an effort to put Chelsea over the top in the current 7th War Loan Drive, a Bond Auction and Show will be held here on Saturday night, June 9, starting at 8:30, E.W.T.

Included in the show, which will be staged on a platform on Main street, will be two musical organizations provided by the Ford Motor Company—the Mercury Rangers, under the direction of Haze Bennett, and the Rube Band. Vocal soloists will be Fay Duby, Soprano, and Salvatore Cuchiara, Operatic Tenor. Tap dance numbers will be given by Elaine Walker, another member of the entertainment group. Two veterans from Percy Jones hospital will also take part in the program.

According to George Doe, Chelsea War Bond Committee chairman, the platform will be placed on Main street between the Middle St. and Park-South St. intersections. Traffic will be detoured during the show and auction. In case of inclement weather the high school auditorium will be used for the event.

Bond Sales Report

"E" bonds to date for the Seventh War Loan have reached 51 per cent of our quota of \$120,000. The drive closes officially on June 16 but any purchases made up to June 30 will be added to the total of sales. The first week, from May 14 to May 19, started off to a running start of \$34,481.25. From May 19 to 26 brought a definite drop to \$12,468.75. May 26 to June 2 realized a slight increase to \$14,325.00. This brings the total to \$61,275.00.

Other bonds to date total \$9,118.00. With only two official weeks to go, Chelsea will have to hustle along in order that its usual reputation may be substantiated. This is your way of fighting for freedom. The leaders of the American Forces are appealing to you with all possible earnestness to invest in War Bonds which in turn invest in peace.

—Chelsea War Bond Committee.

C.H.S. Commencement Program At 8:00 Tonite

Activities of the Chelsea public schools will draw to a close with the Commencement program at 8:00 o'clock tonight and the school picnic at Clear Lake tomorrow. Youth Rally To Be Held June 15 at C.H.S. Gym

All young people, teen age, college students and their parents are invited to attend a great Dexter-Chelsea youth rally to be held in the Chelsea high school auditorium on Friday evening, June 15 at 8:00 o'clock.

A very interesting program has been arranged by the committee in charge, featuring the following numbers: Sixty-voice robed choir and VCV's trumpets, Jean Stommel with her violin, Ruth Fingley, soprano soloist, with Francis Davis, piano accompanist; Wilma Hood and Virgil Reinhardt, two outstanding piano duet players. Ray Ivory, the Happy Song Leader, will also be present.

The "Voice of Christian Youth," sponsors of this program, is in its eighth year in inter-denominational youth work in Detroit, and it is hoped that many of the young people of the community will be present at this rally to welcome these young people from Detroit and make this a real worthwhile meeting. Parents are urged to attend with their children.

The Desert Bridge club was entertained on Monday at the home of Mrs. L. T. Freeman.

CHELSEA FLAG IN JAPAN?

Not long ago Harrie Bleecker wrote the Journalism Club, asking for a "Chelsea High School banner." He explained that he was assigned to the amphibious navy, his job was that of "beachmaster," which means that he is in charge of the beach during a landing—he must see to it that supplies are properly arranged, readily available, he must evacuate the wounded, etc. Because of that, he reasoned that sooner or later he would have a chance to land on Japan. When and if that should happen, he asked for a "Chelsea High School banner" to plant there just below the American flag.

The Journalism Club was unable to find a banner inscribed as requested, so the Home Economics Club was invited to make one. They graciously agreed, and finished it within the past week. It was a navy blue banner, about 28x16 inches, bearing the insignia of the school, a bulldog's face on a felt shield (donated by John Hale) and the words "Chelsea Michigan School" printed on in oil paints. Securely wrapped by one of the local merchants, the package containing the banner was sent on its way last week, after having been displayed on the Journalism bulletin board. Let us hope that Harrie is able to plant it as he plans to do!

BASEBALL

"Lard and Giggy" Chelsea's local lads lost their final game of the season to the Purple and White of Ann Arbor High. Ann Arbor scored once in the first, four in the second, three in the third, and three in the sixth inning, to get 11 runs. Chelsea got only one hit, a single by Munro in the first inning. Carragher for Chelsea gave up 10 hits, 11 runs and his teammates made 8 errors. He struck out 10. Bill and Johnson for Ann Arbor gave up one hit, no runs, and their teammates made one error. Combined, they struck out 14. Chelsea finished its season winning 4 and losing 8. Slane won 2 and lost 3, Carragher won 2 and lost 4, Gaken lost 1.

With school closing this week there will be no more sports until next fall when football season opens. Chelsea played 36 contests during the past year in three different sports, winning 18 and losing 18, for a .500 average. Good luck to the varsity 11, 5, and 9 of next year!

BAND
The Band Parents' Association is making a drive for funds to finance the presentation of concerts by the band this summer. It is planned to have a series of six concerts which will begin the first week in July. Private and class lessons will also be offered by Mr. Busche to those students in Chelsea who wish them.

SIXTH GRADE

By Carl O'Dell
We were discussing where we should go on the last day of school. So far we have not gotten anywhere. We have put different pictures of China on the boards. We have finished our final exams in geography, language, spelling and science. We have taken our glass home that we brought for exhibiting at school. We are also taking our pictures home that we made during the year.

SEVENTH GRADE

The seventh grade closed the year with two students, Verdice Wheeler and Nancy White, having been present and on time every day. Fourteen more, Margaret Collins, Dorothy Rose Howard, Joan Howard, Barbara Manore, Jean McClure, Shirley Nagy, Phyllis Platt, Peggy Lou Schaubie, Marlene Schneider, Phyllis Stoll, Joyce Umstead, Robert Vogel, and Virginia Walz, have never been tardy during the year.

Plans are under way for the grade picnic June 8. The group plans to go to Detroit by train, visit Royal Oak Zoo, and return by "doodle-bug." Chaperons are Mrs. O. Johnson, Mrs. G. Brands, Mrs. H. Clark, Mrs. P. Maroney, and Miss Fox. Other parents are invited.

The grade is still struggling to finish its fifth Afghan by the time the year closes. Yarn has been partly donated, partly paid for by the sale of pencils, and partly paid for by the collection of gum fines. Afghans are made by knitting six-inch squares, sewing them together, crocheting around the outside. They are presented by the Junior Red Cross to military hospitals for use by convalescent patients. Some of the nineteen afghans made by Chelsea public school during the last three years have gone to Percy Jones hospital, at least one to a hospital near Denver.

Governor Issues Dairy Month Proclamation

STATE OF MICHIGAN
Executive Office, Lansing

PROCLAMATION

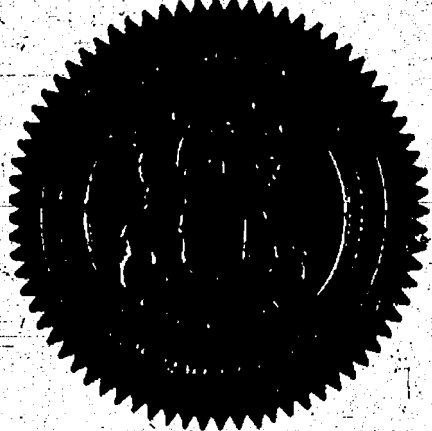

Dairy products are essential to the maintenance of human health and efficiency, both on the fighting front and on the home front.

Dairy farmers and the entire dairy industry are exerting every possible means of producing the maximum amounts of these products under a tremendous handicap of shortages of manpower, equipment and repair parts.

There is great need of better understanding of the importance and the use of these products to the end that maximum food values may be obtained from such supplies as are available.

Therefore, I, Harry F. Kelly, Governor of the State of Michigan, do hereby proclaim the month of June as Dairy Month throughout the State and request that citizens of this State join me in recognizing the efforts of this industry and its products as being vital to victory.

Given under my hand and the Great Seal of the State of Michigan, this sixteenth day of May, in the year of our Lord, One Thousand Nine Hundred Forty-five, and the Commonwealth, the One Hundred Ninth.

BY THE GOVERNOR:

Above is the proclamation by Governor Harry F. Kelly proclaiming June as Dairy Month and pointing out that dairy products are essential to human health and efficiency on both the fighting front and the home front. The No. 1 problem of the Michigan dairy industry is the shortage of manpower.

These handles are lighter in weight and more comfortable to hold than the older type metal and wood handles, but need special protection against dropping or falling because they will smash.

With Our Men In Service

Mrs. Lyle Haselwerdt received word that her husband, Sergeant Lyle Haselwerdt, stationed in Belgium, has just been promoted from Technician 4th Grade to Staff Sergeant.

Hq. 1st Division, Philippines—Lt. Col. Dwight E. Beach, of Chelsea, Michigan, has been awarded the Bronze Star Medal for valor and conspicuous achievement on the field of battle.

The decoration was bestowed upon the 16th Field Artillery Battalion commander by Maj. Gen. Jens A. Doe, of the famed 1st Infantry Division, at the conclusion of the Jap-crushing Zamboanga campaign.

After graduating from Chelsea high school in 1926, Beach matriculated to the University of Michigan and thence to West Point, from which he graduated in 1932.

He has served in the Pacific since June, 1940. With the slashing fist he fought through two long jungle campaigns in New Guinea prior to the current Philippines operations. For his work during the battle of Biak he won the coveted Silver Star.

Mrs. Dwight E. Beach, wife of the benedict artilleryman, is residing in San Antonio, Texas. A brother, Capt. Kenneth Beach, is a Prisoner-of-War, held by the Japanese.

Memorial services will be held for Bernard Kowak, MM-3C, at Lake Orion Methodist church on Sunday, June 10, at 2 p. m.

Son-in-law of Mr. and Mrs. Wm. Otto of Lyndon Center, Bernard lost his life on December 18, 1944 in a ship disaster in the South Pacific. He is survived by his widow, Mary Otto Kowak, his parents, Mr. and Mrs. Frank Kowak of Howell, and three sisters.

The American Legion of Lake Orion, Veterans of Foreign Wars of Pontiac, and Moms club of Lake Orion will all attend in a body.

An Eighth Air Force Bomber Station, England—Staff Sergeant John B. Meehan, 26, of Chelsea, Michigan, tail gunner on an Eighth Air Force B-17 Flying Fortress, has been awarded an Oak Leaf Cluster to his Air Medal, equivalent to another award of the Medal.

The award was for "meritorious achievement" during bombing attacks on German military targets in co-operation with advancing Allied ground forces as a member of Colonel Chester C. Cox's 388th Bomb. Group. The flyer is the son of Mr. and Mrs. John P. Meehan of Pittsburg, Kans., and his wife is Mrs. Ruth E. Meehan of Chelsea.

An Eighth Air Force Service Command Station, England—Soon the Eighth Air Force will add strength to the aerial blows now being struck at Japan by the U. S. Air Force. And preparing for the time when Eighth Air Force aircraft will take to the air to smash Japanese military targets is Pfc. George D. Rabley of Chelsea, Michigan.

However, all Eighth Air Force personnel will not go to the Pacific; some will return home. But bomber and fighter planes which at one time blasted German targets are now being conditioned by skilled technicians for the war on Japan. Pfc. Rabley, as an aircraft carburetor specialist at this fighter repair and modification center, is one of the many trained specialists performing essential maintenance duties.

The son of Mr. and Mrs. Charles A. Rabley, 330 West Middle St., Chelsea, he entered the service in May, 1943, and was transferred to the European Theatre of Operations in February, 1944. His wife, Mrs. Bernice M. Rabley, lives with his parents.

Mr. and Mrs. M. L. Knickerbocker recently received an interesting letter from their son, Harvey M. Knickerbocker, CRM, who is on duty aboard a destroyer in the Pacific. Harvey, who has been in this area for almost two years, has taken part in all operations in the Philippines campaign from the time of the invasion of Leyte. The letter follows:

March 22, 1945.
Dear Folks,
The situation is "normal" in other words we have had no mail recently. I believe I have all of my outgoing mail caught up as of a couple of weeks ago and it looks as though I'll be caught with a lot of mail to answer the next time we get some.

The latest information that we are permitted to disclose is the fact that we were at Corregidor when the paratroopers landed. I didn't see the landing myself, although I saw the planes make their runs over the island, but some of the field glasses access to a good pair of field glasses saw the actual landing. The day before that, heavy bombers gave the island a pasting the like of which I have never seen either before or since, and the last thing before the landing a large flight of heavies went over and dropped their final load. It shook the ship and there was an almost deafening blast, so I ran out to see what it looked like and all I could see was smoke and dust, completely hiding the island from view.

On January 7 we assisted in the sinking of a Jap destroyer off Manila Bay. We, in the Shack, knew that we were going after something that night, but what was a mystery, and the only way we knew what was going on outside was to listen to what was passing through our radios. We were all tense and expectant. Finally, after what seemed an age, we heard the first salvo and everyone felt

better, but still we kept asking each other what it was, although we knew that none of us could answer that. It wasn't until it was all over that we found out just what it was.

Recently the natives have been coming out near the ship in what we call "bum boats" and laying off and on. We've been looking at them out of curiosity and I guess the natives' curiosity is as great as ours. It appears as though they would rather use a piece of cloth to make a sail for their boats than dress their women. Some of the boats appear to have whole families in them, and the young kids wear nothing at all, the men usually have nothing on except a loin cloth, and the women sometimes are seen to wear as little, although generally they have on more than that; but on the whole everything they have is ragged, and if we would trade with them we could get almost anything they have in exchange for old clothing.

Guess this will be all for now. I sure hope we get some mail soon and that I hear from you when we do get it. Until later,
Love to all,
Harvey.

Lt. Edward Leja has received a Commendation from his Commanding Officer in the European Theatre of Operations. Lt. Leja is the husband of the former Nadine Dancer, daughter of Mr. and Mrs. Emmett Dancer of Lima Center. Since Lt. Leja's induction Mrs. Leja and son Richard have made their home with her parents. The Commendation follows:

1. Upon arrival at this headquarters, 7 November 1944, Lt. Edward Leja, 0546334, was appointed Marshalling Officer for Sub-Port "C".

2. Until his recent reassignment and transfer from this Port he has marshalled tens of thousands of vehicles through this Port under unprecedented weather hazards with the aid of only two enlisted men.

3. His devotion of duty kept him on the job for many hours of each day and through his efforts the rapid and continuous flow of vehicles have reached their destination on the far shore in record time and in proper order. His work, and that of his staff, has received commendation from many high ranking officers who have commanded units passing through this Port.

4. For the part he has played in this important mission and the manner in which he accomplished his own assignment it gives me pleasure to commend Lieutenant Leja at the termination of his tour of duty with this headquarters.
Harold G. Miller, Major, T.C., Commanding.

These men can tell you why the 7TH WAR LOAN is the BIGGEST yet!

YOU ARE being asked to lend more money than ever before—in the 7th War Loan.

These men can tell you why.

They can tell you of giant ships ready to slide down the ways this year.

They can tell you of a whole new air force in the building—huge new bombers and fast new jet-propelled planes coming off the lines by thousands.

They could show you why it is cheaper and quicker to give our Pacific Forces entirely new equipment sometimes—instead of shipping tanks and guns from Europe.

They can, in short, show you 101 ways in which your dollars are needed more than ever to bring America's might to its full strength—so that we may crush our foe the faster, make an end of killing, and bring our men back home.

Will you tell these men "I can't afford to buy my share"?

THE GENERALS and admirals can show us why our money is needed—more money than before.

But other men can show us something, too.

They're the men with twisted, crippled limbs . . . with clever iron hooks instead of hands. The blind men . . . the men with scarred, seamed faces. And perhaps worst of all, the men with blasted, darkened minds.

They can show us, clearly, how small is any sacrifice we make in lending money.

If you have an income, whether from work, land, or capital, you have a quota in the 7th War Loan. Find out what that quota is—and make it!

FIND YOUR QUOTA . . . AND MAKE IT!

June 10—Glick's vs. Lima Underdogs—2:00.
June 12—Federal vs. Kimunity—6:45.
June 13—Glick's vs. Spring—6:45.
June 14—Cassidy vs. Bowser, 6:45.

Bulldogs 12—Spring 7
Through a ball game played most of the way in rain we saw many errors and a real slugfest. Each team collected 13 hits. After the game was tie at 7 all at the end of the seventh inning the Bulldogs scored five times in the eighth to win.
Glick's and Cassidy Split
On Sunday, Glick's and Cassidy Lake split two games at the lake. Cassidy won the first game, 13-10, and the Bulldogs took the nightcap 5 to 3. Playing conditions were very poor. Errors paved the way for Cassidy's victory, while a single by Ed Adams with two on in the last inning scored the winning runs in the last tussle.
With the league games being played three nights a week we hope to see a large crowd at all these games. Come to see some local talent play some bang-up ball!

A SAILOR'S POEM

If I go into the great beyond,
Among the martial shadows there,
If I should fall against the foe
And my fortune others share.

What will we leave to those we love
That can be measured with cost?
And will the living reap the harvest
Or will the victory be lost?

When we change the fate of nations
Will we change the hearts of men?
If we chain the conquered savage
Will he break his bonds again?

Yes, for chains are to be broken
As are prison walls to scale,
For a nation knows no bondage,
And attempting it, we fail.

In a brotherhood of nations
Let the strong protect the weak,
Let the strength be drawn from justice,
And their faith in what we seek.

If for this we face the armor
And the scales of fate are weighed,
If the battle surges o'er us,
And the mortal price is paid.

Then we leave the sea with honor,
Then the price is none too high;
For we leave unto the living
What we love enough to die.

THE OLD JUDGE SAYS...

TOM: "It's mighty nice to receive a compliment like you've just given us, Judge. We do take our responsibilities very seriously and try to do the right thing with everybody. In spite of it, we get criticized now and then."

OLD JUDGE: "I know...you've got to take the bitter with the sweet in times like these. Speaking of criticism, and I mean really unfair criticism, reminds me of the spirit beverage business."

FRANK: "How is that, Judge?"

OLD JUDGE: "Simply this...can you think of any other business in which the seller is responsible for what the buyer does with his merchandise? If a person eats too much cake and gets indigestion, the baker isn't blamed. Nor is the coffee merchant criticized if someone drinks too much coffee and can't sleep. But the seller of spirit beverages gets blamed plenty if one of his customers overindulges. Doesn't seem quite fair, does it, Tom?"

TOM: "Frankly, it doesn't. Judge. We've never looked at it that way before."

Drain Boards
Linoleum drain boards will wear longer and look better if we occasionally with paste wax. Stainless steel drain boards always should be wiped dry; otherwise, they look dull and spotted.

Potato Storage
The home garden potato crop may be kept in any number of ways, such as a windowed corner of the basement partitioned off for temperature regulation and darkened, a garage, a closet or unheated room in the house, or in a partly-buried barrel covered over with straw or leaves and soil. Boxes and barrels are better than baskets for stored potatoes, since they help to keep down shriveling and protect them better against light, which causes green spots.

Glass Houses
Believe it or not, some interior decorators dream of glass floors and ceilings for postwar homes! On the more sensible side, however, one manufacturer tells of a new glass that conducts light but keeps out heat from the sun's rays.
