Ed. Gentner Retires As Custodian of Schools

Edmund Gentner, custodian of the Chelsea Public Schools for the past 23 years, plans to retire on June 30. Mr. Gentner was first employed by the school on August 1, 1922, and since that date has not failed to open the school building a single day. During this long period of service there undoubtedly are few people in the community who were up to see him go to his work in the morning. He usually arrived at the building about 5:00 a.m. and often during the winter months at 4:00 a.m.

Many changes have taken place in the building and in the personnel of the school during his years of service. The plant facilities at the time of his first employment were the grade and high school buildings, with the heating plant in the basement of the grade building. The gymnasium and the

EDMUND GENTNER

Home Economics additions were made later. He has worked under a large number of board members and four superintendents. The members of the Board of Education at the time of his first employment were as follows: Dr. H. N. Schmidt, president; Miss Elizabeth Depew, secretary; E. P. Steiner, treasurer; E. J. Feldkamp and Ford Axtell, trustees. The latter trustee is the only one still living. The superintendent was E. L. Clark. Mr. Gentner is known by many hundred pupils who have attended the school and by a large number of teachers employed during the past 23 years. He was often given recognition for his work by student groups and in 1939 the senior class dedicated their annual in his honor. He was addressed as "Ed" by pupils and members of the community and usually as "Mr. Gentner" by teachers. He was often identified by a "whistle" which could be heard in the part of the building where he was working. If students or teachers wanted to find him they usually stopped to locate the "whistle" and then started in the direction from whence it came.

Mr. Gentner has no definite plans for the future except to care for his garden and to do a number of little odd jobs he has not been able to do while employed. Pupils and teachers will miss him when the school bell rings in the fall and some time will elapse before they become accustomed to his absence from the building.

Board members, teachers, parents and pupils join in thanking him for his service and to wish him happiness. As yet no successor has been named by the Board of Education to fill the vacancy caused by Mr. Gentner's retirement.

First Concert Dedicated To Merchants of Chelsea

When the Chelsea High School Band conducted by Henry E. Busche, presents its first of a series of six concerts, in downtown Chelsea, they will honor the merchants of this community. It is for their unselfish support of worthwhile civic projects, their endeavor to serve the mercantile needs, and their tireless efforts in making Chelsea a better place in which to live, that the band dedicated its first program.

It is especially fitting that the merchants be honored this year as they have had a perplexing problem in the face of critical shortages of civilian goods to serve the community as they have wished. However, we are fortunate in that at no time have our wants become serious enough to threaten the welfare of this community. Much credit must be given to the merchants for this.

Again as in previous years the band will alternately appear on the two main street corners of the downtown business district.

For an hour of good high school band music come to the concert next Saturday evening.

JERRY EDWARDS

and his orchestra will be at the Chelsea high school auditorium on Friday, July 6, from 9:30 until 12:30. The public is invited to attend this dance, as well as the rest of the summer dances. Admission 70c straight. Drinking is strictly prohibited on school premises.

Oil Well To Be Drilled On Merkel Farm

Work Will Be Started
Next Week; 45 Farms
Are Now Under Lease

The possibility of Chelsea becoming the center of a new Michigan oil boom is emphasized by the fact that drilling for oil will be started about July 10 in this immediate area.

Preliminaries for this drilling have been carried on quietly for the past several months with the result that approximately 5,000 acres of land lying southwest of Chelsea have been leased by Geo. A. Burley of East Lansing. This acreage is represented in about 45 farms which are now under lease.

C. W. Collins of Mt. Pleasant has moved drilling equipment to the Joe Merkel land on Decker Rd. and expects to start actual drilling operations early next week. Two crews will operate 24 hours daily and it is expected the test well will be drilled in about three weeks.

According to geologists from Mt. Pleasant who have made surveys in this area, Dundee sand will be found at 1800 feet and the Monroe strata at 2250 feet.

The reason for sinking the test well here is the fact that there is a large area in this section which has never been tested, and discoveries made in recent years at Napoleon and at Glenbrook Stock Farm near North Lake convinced geologists that there is a large oil deposit somewhere in this part of the state.

In the Glenbrook test well, drilled in 1930, there was a gas "show" at 1905 feet and an oil "show" at 1948 feet. The Dundee sand was found to be at 1620 feet in that test. In the Napoleon area, where tests were made in 1939 and again in 1942, considerable gas was found, but not in sufficient quantity for commercial purposes. These findings, according to the geologists and others interested in the project, indicate that large quantities of oil may be found somewhere between the two areas tested.

It is to be hoped that this test will prove that we are sitting on top of a "pot of liquid gold."

Called To The Colors

Robert Paul (Bob) Gross, son of Mrs. Ella Gross and Frank Gross, enlisted in the Air Corps, reporting at Fort Sheridan, Ill. on June 22. He was sent from there to Kessler Field, Mississippi. Bob was born May 10, 1927 in Lima township, and was graduated from Chelsea high school on June 7, 1945.

Willard Russell Ferry reported to Ann Arbor on Friday for induction into army service. The son of Mr. and Mrs. Russell Ferry, he was born April 27, 1927 in Wayne, and about six years ago the family moved to Lyndon township. On Jan. 30, 1945 Willard was united in marriage to Esther Marshall of Gregory and he has recently been employed at the Federal Screw Works.

CHANGE IN OVERSEAS MAILING

Effective July 1, copies of newspapers to members of the Navy, Marine Corps and Coast Guard on duty overseas may be mailed only when they are being sent in fulfillment of written requests, initiated by the addressees for subscriptions or renewals of subscriptions. Postmasters shall require publishers to present for their examinations the requests from the addressees for subscriptions or renewals of subscriptions. Complimentary copies under any kind of arrangement are ineligible for mailing. Copies to army personnel overseas may be mailed also, starting July 1, when subscriptions are specifically requested in writing by the addressees or for which subscriptions are in effect. Renewals will be considered as a continuation of present subscriptions; they may be paid by others than the addressees without any request from the latter.

CITY HALL STILL INTACT!

A report was circulated last week that the city hall had broken into the middle of the floor. This was an erroneous report, and upon investigation was found to be the town hall at Lima Center that was broken into, where there was slight damage caused by the fire.

NOTICE

I. O. O. F. installation of officers, Wednesday, July 11. All members urged to attend. No meeting Wednesday, July 4.

Annual School Meeting Will Be Held Monday

The annual meeting of the Chelsea public school district is to be held in the high school auditorium at 8:00 p.m. on Monday, July 9. The main items of business to be acted on by the electors will be the filling of three vacancies on the Board of Education, acting on the financial report for the 1944-45 school year, adopting the budget for 1945-46, and the voting on proposals for establishing a sinking fund for future building and improvement purposes.

Two vacancies on the Board are due to term expirations and one to a resignation. The terms of E. W. Eaton and Mrs. A. A. Palmer expire, and Henry Schneider has tendered his resignation effective July 9. The annual report and proposed budget as printed in this issue of The Standard will be submitted to the electors.

Electors will be asked to vote on two proposals to determine whether or not a "sinking fund" of three mills for five years is to be started in the district. The sinking fund, if established, would be for the purpose of providing funds for future school building improvements and construction. Considerable study has been made of the situation in the grade basement of the school during the past year, and the results of the study indicate that the community should make plans for a new grade school building when conditions are more favorable, and electors are to be given the opportunity to decide whether or not they wish to start raising money in advance for this purpose. The receipts from this source would be set aside in a separate fund earmarked for the purpose for which it was voted.

High school districts in Washtenaw county will make a tuition charge of \$12.00 per pupil for non-resident high school pupils, effective for the coming school year. Tuition for non-resident high school pupils is now paid by the state but the cost for educating them in the high school districts is higher than the amount received from the state.

Before Boards of Education of rural districts are permitted to pay the tuition charge a vote of the electors approving the action is required and most rural school districts will vote on this matter at the annual meetings on Monday evening. If the electors in each rural district do not vote favorably on the payment of the tuition it becomes an obligation of the parents of the non-resident high school pupils.

V. F. W. Auxiliary Was Organized On Friday

An auxiliary to the Veterans of Foreign Wars was organized by Mrs. Augusta White and Mrs. Edna McMahon of Ann Arbor on Friday, June 29. Election of officers was held and the following ladies were elected: President—Mrs. Magdalen Weber. Sr. Vice-Pres.—Mrs. Margaret Birch.

Jr. Vice-Pres.—Mrs. Anna McClear. Secretary—Mrs. Anna Warner. Treasurer—Miss Dorothy McClear. Chaplain—Mrs. Clara Hutzel. Conductress—Miss Anita McClear. Guard—Mrs. Eurahee Packard. Trustee, 1 yr.—Miss Alda Juergens. Trustee, 2 yrs.—Mrs. Loretta Doll. Trustee, 3 yrs.—Mrs. Mabel Barr.

Installation and installation of officers will take place on Tuesday, July 10, at 8:00 o'clock, in St. Mary's hall. The installing officer from Ann Arbor will preside.

The auxiliary would especially like to have all mothers, wives and daughters of service men who are serving overseas or who have served in foreign areas, and are interested in joining, bring the necessary information to this meeting.

Chelsea Is Still \$29,567 Short of Bond Quota

You still have an opportunity to do your bit. The time limit for the purchase of War Bonds in the 7th War Loan Drive has been extended to July 7. Any person who wishes to invest in the Seventh War Loan still has an opportunity to frisk around and show that we can be pushers! Our aggregate total has not been reached as yet, although the "E" Bonds and "Corporations" Bonds have exceeded their quota. Other Bonds are still dragging, however.

Our report to June 23 was: \$96,299.00 in "E" Bonds; \$68,406.00 for Corporations; \$12,215.00 for "Others." The past week represents our best sales, bringing the total for "E" Bonds to \$130,442.75; "Corporations" to \$135,472.00 and "Others" to \$19,718.00. We are still \$29,567.25 short of our goal. Can we do something about it and show that we are capable of meeting the challenge? One more week tells the story!

WEDDINGS

Resegule-Houle

Miss Phyllis A. Resegule, daughter of Mr. and Mrs. Freeman Resegule of Flint, spoke her nuptial vows to Raymond F. Houle, son of Mr. and Mrs. Peter Houle of Escanaba, at 9 o'clock Saturday morning, June 30, at St. Mary's church. Rev. Leo Laige officiated. During the ceremony, "On Lord, I Am Not Worthy," was sung by Fred Martell, who also rendered "Ave-Maria" at the nuptial mass. He was accompanied by Mrs. George Clark.

For her wedding the bride chose a gown of white, fashioned with a satin bodice and full net skirt extending into a train. Her fingertip veil was held in place by a beaded tiara and her bridal bouquet was of tall-man roses, white asters and matri-caria.

Miss Norma Caldwell of Howell, maid of honor, was gowned in white silk marquisette, while the bridesmaid, Miss Betty Bowles of Flint, wore a dress with white Jersey fitted bodice and net skirt. Both wore shoulder length veils of net and their colonial bouquets of pink roses, pink bachelor buttons and delphinium were tied with pink and blue streamers.

Donald Houle, MM-1C, of Bay City, R. I. was best man for his brother and the ushers were William Resegule, brother of the bride, her cousin John Adams, and Edwin Paul.

Following the ceremony a reception and luncheon for 35 guests from Detroit, Flint, Howell and Chelsea was held at the home of Mr. and Mrs. Dale Keizer, 336 E. Washington St.

The bride has made her home in Chelsea for two years and is employed by the Chelsea Spring Co. The groom, a graduate of the Harris high school, has been employed by the Central Fibre Products Co. for about four years.

On their return from a two weeks' visit at the home of his parents in Escanaba, Mr. and Mrs. Houle will reside at 204 Park St., Chelsea.

DEATHS

Mrs. Godfred Eisele
Mrs. Godfred Eisele, 61 years old, a lifelong resident of Lima township, died Sunday evening at her home, 20477 Scio Church Rd., after several months' illness.

She is survived by her husband; a son, Pvt. Paul Eisele, in army service overseas; and four brothers, Charles Grieb of Freedom township, Frank, of Lima township, Eugene of Ann Arbor, and Reuben, of Chelsea.

Funeral services, conducted by Rev. P. H. Grabowski, will be held at 2:00 o'clock Thursday afternoon at St. Paul's church, and burial will be in Vermont cemetery, Sylvan township. Friends may call at the Staffan funeral home until one o'clock on Thursday.

FARMERS' GUILD MEETING

The Michigan Farmers' Guild held their second quarterly board meeting in the Administration building at Lansing on Thursday, June 28.

The address given by National President Carl H. Mote of Indianapolis, Ind. before the U. S. Senate committee on finance with respect to reciprocal trade agreements was read. Mr. Mote clearly stressed the harmful factors of these agreements on the American farmer.

A committee consisting of Kenneth Weber, Robert Hunt and Alfred Lindauer was appointed to work out a formula to be followed in figuring cost of production of agricultural products. If the farmer does not know what it costs to produce, who does? The State Guild expects to have cost of production figures in the near future.

The U. S. Senate had passed the cost of production bill, but was later defeated by a conference committee. Some plans were made toward holding the annual state convention in the fall.

Michael Wallace is spending two weeks with his father, Herbert Wallace, in Wayne.

Renew Ribbons

Ribbons, laces or veillings can be renewed by dipping in skimmed milk. Be sure all the cream is removed; otherwise it may leave grease spots. Stretch on a smooth surface to dry. Leave unironed.

Waste Carotene
Scientists have found that calves cannot utilize carotene, the precursor of vitamin A, as well as vitamin A itself. Carotene is present in whole milk as well as in good-quality hay and silage, but unfortunately it does not appear to do newborn calves much good. Milk, of course, also contains the readily-utilized vitamin A, the colostrum or first-milk being richer in this factor than other milk.

SAFETYGRAMS

Have you stopped to consider that driving on our highways is a privilege? Driving safely is your duty? You must be on guard every minute and watch the other fellow as well? If you expect the other driver or the pedestrian to do the wrong thing, you must always be alert and do the right thing. So many automobile accident victims say: "It was the other fellow's fault!" Those victims may have been guilty of carelessness and inattention—two chief contributors to accidents?

Bake Old Fowls

For older birds that are less tender, baking is recommended. It is best to cook them in a rack in a covered pan with a small amount of broth added, and baked until tender.

First Railroads

The first railroads in the United States were built to carry heavy bulk materials like stone and coal short distances from the point of production to the point of use. They were more like roadways than railways. The "rails" for those roads were wooden. Individual carloads were not heavy, and the speed was slow. As long as there was no necessity for increasing the tonnage or speed of travel, there was no need for better rails.

Refresh Eyes

Because a girl's glasses cannot entirely save her eyes from fatigue, if she overworks them, it's good to know measures for quick relief whenever your two bright orbs feel like detention houses for pain. One way to get blessed surcease is to dip two sizable chunks of cotton into boracic solution and lie down to rest while you keep one well-soaked poultice over each eye. Use the opportunity, while you float idly in your tub, to refresh tired eyes by keeping them covered with a fresh washcloth wrung out in hot water. Fold the hot cloth, and as you lie back to relax, lay it over your eyes.

Aided City's Growth

Robert Mills designed and built the first fireproof house in the nation at Charleston, S. C., in 1828. The flimsy construction of most homes in the early years of the country's history menaced their occupants and became a grim barrier to progress. Mills paved the way to great cities by showing how large numbers of people could live together safely.

Wilkinson Addition to the Village of Chelsea, Washtenaw County, Michigan;

Whereas, said alley has never been used by the public and has been cultivated as a part of the adjoining premises for more than twenty-five years last past, and

Whereas, J. Vincent Burg and Mary A. Burg, husband and wife, are the owners of all adjacent land to the east and to the west of said alley as above described,

Refresh Eyes

Because a girl's glasses cannot entirely save her eyes from fatigue, if she overworks them, it's good to know measures for quick relief whenever your two bright orbs feel like detention houses for pain. One way to get blessed surcease is to dip two sizable chunks of cotton into boracic solution and lie down to rest while you keep one well-soaked poultice over each eye. Use the opportunity, while you float idly in your tub, to refresh tired eyes by keeping them covered with a fresh washcloth wrung out in hot water. Fold the hot cloth, and as you lie back to relax, lay it over your eyes.

Aided City's Growth

Robert Mills designed and built the first fireproof house in the nation at Charleston, S. C., in 1828. The flimsy construction of most homes in the early years of the country's history menaced their occupants and became a grim barrier to progress. Mills paved the way to great cities by showing how large numbers of people could live together safely.

RESOLUTION TO VACATE

Whereas, J. Vincent Burg and Mary A. Burg, of the Village of Chelsea, County of Washtenaw, and State of Michigan, have filed a petition requesting that a resolution be entered by this Council vacating, discontinuing, and abolishing the alley which is 49½ feet in width, located on the east side of and adjoining lots 21, 22, 23, 24, 25, 26, 27, and the north 40 feet of lot 28, according to the recorded plat of Archie W. Wilkinson Addition to the Village of Chelsea, Washtenaw County, Michigan;

Whereas, said alley has never been used by the public and has been cultivated as a part of the adjoining premises for more than twenty-five years last past, and

Whereas, J. Vincent Burg and Mary A. Burg, husband and wife, are the owners of all adjacent land to the east and to the west of said alley as above described,

Now therefore, be it resolved that the Council of the Village of Chelsea deems it advisable and expedient to vacate, discontinue, and abolish all that part of said alley lying east of lots 21, 22, 23, 24, 25, 26, and 27, and the north 40 feet of lot 28, according to the recorded plat of Archie W. Wilkinson Addition to the Village of Chelsea, Washtenaw County, Michigan;

And said Village Council does hereby declare said alley to be vacated, discontinued, and abolished; any objections to vacating the same shall be filed in writing with the Village Clerk on or before the 6th day of August, A. D. 1945, at 7:30 o'clock P. M. (E.W.T.).

The within resolution shall be published for three consecutive weeks in the Chelsea Standard immediately following the passage hereof. Passed and approved July 2, 1945. WALTER D. MOHRLOCK, Village President. WILLIAM H. SCHATZ, Village Clerk.
