## Teachers Hold Meeting To Discuss Problems

Last Thursday evening the teachers of Washtenaw county met at Dexter to discuss personal and professional problems. The evening included a delicious chicken dinner served by local churchwomen, and a business meeting conducted by the president, Miss Dorothy Schanz, of Chelsea, following a few selections by the Dexter high school band, and group singing. Committees dealing with legislation, public relations, publications, professional problems, program planning, and membership and finance (headed by Miss Esther Schell of Chelsea) were appointed and introduced.

The group then separated into a number of smaller groups to discuss the following problems under the following leaders: kindergarten and nursery, Mrs. Margaret Clancy and Mrs. Marie Starr of Willow Run schools; grades one and two, Mrs. E. Breen, Judd school; grades three and four, Mrs. Gertrude Nanny, Stone school; grades five and six, Mrs. Ruth Latson of Gale school; grades seven and eight, Miss Mabel Fox of Chelsea; music and art, Miss Ruth Baughn of Milan; health and physical education, William Lyons of Saline; commercial, Orva Allen of Milan; science, D. C. Weed of Manchester; vocational, Charles Osgood and Marie Richardson, Saline; social science, Don Wilbur, Dexter; English, Carl Chandler, Chelsea; mathematics, Robert C. Jones, Milan. Problems relating to their particular fields were brought out, suggested solutions considered; and, in general, experience or information was pooled to mutual advantage.

Officers of the group include: Miss Dorothy Schanz, president; Miss Mabel Fox, vice-president; Julius Haab, treasurer (County Commissioner of Schools), and Mr. Stevenson, of Willow Run, secretary.

## Judge Breaky Speaks At Kiwanis Meeting

Circuit Judge James R. Breaky, Jr. of Ann Arbor, addressed the Kiwanis club at their meeting in the Methodist church dining room on Monday evening, first telling some of the problems that face a circuit judge, and then discussing the dangers that are faced in the centralization of powers in our government.

Judge Breaky stated that since World War I ended there has been a tendency toward the elimination of the functions of local government, with more powers of administration being acquired by the state and federal governments. He stated that during the prosperous 20's this was accomplished by politicians who took advantage of the fact that everyone was too busy to give any attention to the affairs of government; during the depression that followed the years of prosperity many local governments were near bankruptcy and it became necessary for the states and finally the federal government to take over; and then when World War II came it became necessary for the federal government to control the country as a unit.

Now that the war has been won it is imperative that federal controls be eliminated as quickly as possible and that local governments regain what they have lost in the administration of their affairs, according to the speaker, who urged that individuals and groups become interested in the affairs of government to the extent that they let their opinions be known to their representatives in Congress.

## SPONSOR HONORS BULLDOGS

Glick's "Bulldogs," local softball champs for 1945, were honored by their sponsor, Mr. Glick, with a very fine dinner at the Marilyn Inn last Thursday night. Chicken with all the trimmings featured the enjoyable event.

Don Alber was elected manager for his fourth consecutive year, and Mr. Glick announced that he will sponsor the Bulldogs again next year. They will keep the same team as this year, and will welcome back all discharged servicemen who were former members of the team.

The Bulldogs wish to thank Mr. Glick for sponsoring their team this last season, and they are looking forward to next year.

Members of the championship team are: C. Lane, C. Slane, R. Adams, D. Bush, J. Gaken, W. Grossman, L. Munro, J. Carragher, A. Kuhl, C. Colquhoun, H. Orbring, D. Slane, E. Adams, and Don Alber, manager.

## With Our Men In Service

On the USS Bennington in Tokyo Bay, Sept. 3 (Delayed)—Robert O. Burgett, 19, seaman, first class, USNR, son of Mrs. William Bahnmiller, Route 2, Chelsea, Michigan, served on this aircraft carrier when she entered Tokyo Bay.

The Bennington, commissioned last August, opened her fighting career with a raid on Tokyo, took part in the Iwo Jima and Okinawa campaigns and then roamed the East China sea and the coast of the Japanese Empire from Kyushu to Hokkaido.

Planes from the "B" were the first to bomb the Jap battleship Yamato. They shot down 167 planes and destroyed 200 on the ground.

Sgt. Alfred Eiseaman, who spent the past two years in the Pacific, arrived on Wednesday to spend a seven-day furlough with his parents, Mr. and Mrs. Wm. H. Eiseaman.

Sgt. Alton Parsons, who recently returned from overseas, is spending a 30-day furlough with his parents, Mr. and Mrs. Dan Parsons.

## Veterans' Employment Is Michigan Objective

The employment needs of wounded veterans will be spotlighted in Detroit and Michigan during the week of October 7-13, as part of an all-out effort by every public and private agency to find them jobs, Edward L. Cushman, State Director of the War Manpower Commission announces.

Veterans' organizations and the American Federation of the Physically Handicapped joined in procuring approval by Congress of Public Resolution No. 176, designating October 7-13, 1945 as "National Employ the Physically Handicapped Week."

The War Manpower Commission, through the agency of the U. S. Employment Service and Veterans' Employment Service will help to bring to the public realization of the rapidly growing importance of finding suitable jobs for the men who bear the visible marks of their war service.

Veterans' organizations sponsoring the week are the Disabled American Veterans, Veterans of Foreign Wars, and the American Legion. All facilities of the WMC-USES, 70 full-time and 67 itinerant service offices in Michigan, will be used to make this week of October 7 to 13 a success," declared Edward L. Cushman, State Director of WMC-USES. "Suitable employment of qualified veterans who return bearing the physical marks of their honorable service is perhaps the most vital of all phases of our readjustment program."

Cushman pointed out that already, public and private agencies are mobilizing every resource behind a common determination that all veterans shall have jobs when they come home, especially the men who have suffered injuries. The USES, the Veterans Administration, Industry, the Red Cross, Selective Service and Army and Navy hospitals, all are united behind the pledge to each veteran. "We'll get you in shape so that you can take care of yourself."

"The returning veterans of 27 years ago received \$60, his ticket home, and a pat on the back—period. Today's returning veteran finds more practical preparations made to aid him in resuming his place in civilian life," said Cushman. "An important thing for folks at home to remember is that none of these servicemen, or women, who have been hospitalized, are released into civilian life until trained experts and physicians consider them restored to the point where they can readily readjust themselves to normal living."

## Clocks Will Be Turned Back One Hour Sunday

Don't forget to turn your clock back one hour at 2 o'clock a.m. on Sunday morning, September 30.

However, in spite of government orders and directives, it will be permissible to set your clock right before you go to bed Saturday night, or when you get up Sunday morning. On the other hand, if you're out having a good time and set 2 o'clock as the deadline, you may wait until that time, set the clock back an hour and stay out for another hour's enjoyment.

Anyway, in spite of all the complications, be sure you don't forget to set your clock back or you'll arrive at church one hour early!

## HOLD SOCIAL MEETING

## War Fund Campaign Will Be Held Oct. 8-18

Washtenaw County's War Fund Campaign quota to be raised in the drive scheduled to be held from October 8 through the 18th, is \$92,000. Nearly twenty organizations will benefit from funds raised in this drive, with money going for foreign relief, the USO, and other armed forces benefits.

George Doe, as local representative, attended an executive committee meeting held at the courthouse, Ann Arbor, last Wednesday, where community chairmen were named and quotas announced.

Campaign chairman for Chelsea, including Sylvan township, is Fred G. Broessamle, and the amount to be raised is \$6,500, including money for local needs.

Chairmen named and quotas allocated for adjoining townships are as follows: Freedom township, \$480, Edwin F. Schabier; Lima township, \$670, Clifford Bradbury; Lyndon township, \$350, Homer Stoffer; Sharon township, \$450, Elmer R. Mayer.

## Donors for Blood Bank Sought By Red Cross

Blood donors are still needed for the State Blood Bank to be held at Washtenaw County Red Cross Headquarters, 1601 Washtenaw Ave., Ann Arbor, October 8 through October 12.

The Red Cross is cooperating with the State Department of Health in the blood bank in order to have free plasma available to doctors and hospitals in the county.

Hours for blood donations will be from 1 p.m. Monday, Oct. 8, and from 9 a.m. to 11 a.m. and 1 p.m. to 3 p.m. daily through the 12th.

In addition to having plasma on hand for doctors and hospitals, an effort is being made to replace the plasma which Washtenaw county has borrowed from the State, and which was contributed by blood banks in other counties, during the past two years.

Appointments may be made by calling Red Cross Headquarters at 25546, Ann Arbor, or Mrs. A. L. Steger, Chelsea.

Plasma is used in the treatment of burns, accidents, severe hemorrhage after prolonged operations, for the treatment of shock following prolonged or difficult childbirth, as a supportive measure in the handling of premature infants, as a life saving measure in infectious diarrhea of infants and in connection with the care of complications of some of the communicable diseases, particularly tuberculosis, typhoid fever, and scarlet fever.

## Library Seeks Books For Wounded Veterans

Wounded veterans in the hospitals need books and recent magazines. The Chelsea Public Library is sponsoring a drive for books which have been published in the past three years, and magazines such as Life, Readers Digest, National Geographic, Popular Mechanics, etc., published within the last year.

Please do not bring old books or magazines. You are urged to give a good book—one you would like to keep yourself, for this worthy cause. If every family in Chelsea would give just one book, the village could be very proud of its gift to the boys who suffered casualties in the war for them. Please leave at the Library by October 6.

### Voluntary Enlistments Are Sought By Navy

An all-out drive for voluntary Navy enlistments among men 17 through 37 years of age, regardless of draft classification, was announced today by Lieutenant Commander Byron E. Flechtner, officer in charge of Navy recruiting in Lower Michigan.

"With Victory ours on all fighting fronts, men enlisting in the Navy now will find unparalleled opportunities for advancement," Comdr. Flechtner says. "Service in the peacetime Navy offers pleasant as well as gainful duty, with many features necessarily impossible under the wartime conditions of the past several years. Among these are expanded recreational facilities, unlimited range of travel, and generous shore liberty and annual leaves. In addition, Navy schools, acknowledged to be among the finest in the country, will continue training men for responsible positions, particularly in the regular Navy."

Comdr. Flechtner noted that the Navy's peacetime requirements in many petty officer ratings will be several times greater than the number of men remaining in these trades and professions after demobilization under the point system. Thus men enlisting now will find the field wide open for rapid advancement to high-paying ratings in all branches of the naval service.

With the end of hostilities, the Navy is stressing the enlistment of single men, 17 to 30, in the regular Navy. The term of regular Navy enlistment has been reduced from six years to four, and in the light of wartime experience, physical requirements have been substantially lowered, particularly in regard to vision, height and weight. Naval Reserve enlistments for two, three and four years are open to men 17 through 37, regardless of marital status.

Complete information on peacetime Naval service may be obtained at the Navy Recruiting Station, Third Floor, Federal Building, Detroit, or at the Navy Recruiting Stations located in Flint, Grand Rapids, Jackson, Kalamazoo, Lansing and Saginaw.

### FFA Chapter Winners Announced By Elliott

Future Farmers of America Chapters at Alma high school, in Gratiot county, and Fremont high school, in Newaygo county, finished first and second, respectively, in the 1945 Michigan FFA Best Chapter contest, it was announced in Lansing by Dr. Eugene B. Elliott, superintendent of public instruction.

These two chapters will represent the Michigan FFA Association in the National Chapter contest, winners of which will be announced at the National FFA convention at Kansas City in October.

Each of these chapters will be awarded \$50 and a gold plaque in the state contest, Dr. Elliott said, on the basis of accomplishment in "the eight objectives of the FFA," chief of which are supervised farm practice, cooperative activities, community service and leadership training.

The school head also announced that the contest will be continued in 1946 for the third consecutive year with the Great Atlantic and Pacific Tea Company providing funds for the plaques for the 15 winners and cash awards totaling \$425.

"The FFA is part of the vocational agricultural education program functioning in the secondary schools of Michigan, and is headed by Harry E. Nesman, state adviser," Dr. Elliott stated. "This contest is part of a nation-wide program to improve and upgrade FFA chapter activity."

Michigan's 199 chapters, comprising 5,645 boys, were eligible for the competition, with preliminary entrants totaling 35 chapters.

Activities of the Alma chapter's 65 members in winning first place included establishing a loan fund, organizing a purebred swine sale, exhibiting at the Detroit Fat Stock show and winning State Livestock Demonstration contest, conducting gilt exchange and a group orchard project, offering four successful State Farmer candidates and raising \$456 in working capital for its FFA program.

*The IRON HORSE drinks at 80!*

...smoothing today's travel for you.

This is the story of a better watering trough for the Iron Horse... a railroading advance that means fewer stops and smoother trips for you and the goods you ship.

**Scooping 500 Gallons a Second!**

The story began when New York Central built the first "track pan"... an iron trough between the rails from which locomotives could scoop up, without stopping, the vast quantities of water needed to make steam. Then, recently, Central engineers set out to design a high-speed water pickup... so that even crack through trains could drink *without slowing down!*

In the laboratory and out on the line, they tested many models. And from their patient research came new scooping equipment so fast it would work at 80 miles an hour... so efficient it could pick up 500 gallons of water a second, a veritable Niagara to quench the mighty thirst of modern steel giants!

**Today's Research Paced for Tomorrow**

From high-speed water pickup to locomotive-cab radio... from automatic train control to perfected air conditioning... railroad research is forever increasing the comfort and safety of your travel, the speed and convenience of your freight transportation. Dozens of such improvements are working for you today. And there will be many more aboard New York Central's finer Trains of Tomorrow.

## OFFICE NEWS

Football team plays at Saline tomorrow. The first home game will be played October 5 with Dundee. The Freshman-Sophomore party will be held in the gym tomorrow night from 8 to 11 p. m. There will be a meeting of the rural teachers in the high school tomorrow afternoon.

## CAFÉ SOCIETY

Our first All-High party was a good start for a year of many more happy times.

Early in the evening it seemed as though no one was coming; but all at once people started to appear.

The decorations consisted of a large goal post and football, a large V for coming football victories and the football team's numbers on the curtains.

Entertainment was furnished by the Sophomore class, who put on a skit entitled "A Typical Day at C.H.S." After the skit the football boys were called up to the microphone to say a few words about the Dexter game. The biggest surprise of the evening came when Bob Vogel came up and just said, "I'm scared." After the interviews were over we started dancing again. Say boys, how about doing some more dancing at the next All-High party? It would seem good to have more male partners, wouldn't it, girls?

Say, Seniors, how did the Juniors get the stand?

We danced until eleven o'clock and then we left the school with another week of school activities completed.

## ASSEMBLIES

The Senior class was in charge of the pep-meeting Friday for the Dexter game. Our ten new cheerleaders and Clara Miller led some rousing cheers.

Monday, Sept. 24, Mr. Williams showed pictures on the Life of Beavers. He has taken many reels of pictures of wild life and condensed them in film.

## G.A.A.

The Girls' Athletic Association met last Tuesday with 50 girls enrolled. This year an entirely different system has been made. There will be fall, winter, and spring sports, and in each season there will be several different activities, thus enabling each girl to choose her favorite sport.

A point system has been set up whereby each girl is eligible for a large letter in her senior year and

smaller awards according to the number of points acquired in her Junior, Sophomore, and Freshman years. Miss Marie Beam will be the advisor and will have several student managers to help her.

Officers were elected as follows: President, Elaine McClear; vice-president, Jean Eisenbeler; secretary, Helen Vail; treasurer, Wilma Paul; Athletic Board representatives, June Vail and Donna Manville; point chairman, Janis Weir. Sports managers: touch tackle, Elaine McClear; volleyball, Joanne Moore; tennis, Barbara Eaton; soccer, Marjorie Ferguson.

## WAR EXHIBIT

If you have any interesting war "souvenirs" that you are willing to lend, bring them to school to put in the exhibit sponsored by the class in American history. So far, the group has received a knife, a German flag, a field stove, a magazine, a compass, Egyptian purses, and various samples of foreign money. The exhibit is in the trophy case by the main stairs.

## F.F.A. NEWS

Last Wednesday the Animal Husbandry class took a field trip to John Sullivan's farm. The trip was to worm lambs with phenothiazine. They wormed 125 lambs in about 45 minutes.

They made another field trip to the Hillsdale County Fair on Tuesday, September 23.

## STUDENT COUNCIL

The Student Council has ten members. They are: Freshman, Ted McClear; Sophomore, Jim Miller (treasurer); and Rita Gross; Juniors, Frances Hale and Loren Munro; Seniors, John Wellnitz and Donna Perkins.

The organization decided to buy a proper storage box for records, as well as a "C.H.S." stamp for All-High parties. Frances Hale was appointed to get the stamp. The Council is considering the surrender of its right to one-third of all profits on school parties.

## HY-Y NEWS

The Hy-Y club held its first meeting this week. Many new members were initiated into the club and election of officers took place. The new members are as follows: D. Barth, J. Burg, B. Van Riper, P. Schaible, R. Daniels, E. Eisele, M. French, C. Popp, J. Geer, M. Grafson, C. Sullivan, R. Shanahan, C. Colquhoun, R. Kalm-

bach, G. Merkel, R. Knickerbocker, Jack Wellnitz and H. Wellhoff.

Officers—President, Robert Breitenwischer; vice pres., Charles Slane; secretary, Tom Smith; treasurer, John Wellnitz; chaplain, Ray Knickerbocker; service chairman, Harry Wellhoff; sergeant at arms, Charles Sullivan; advisor, Mr. Alpervitz.

Mr. Alpervitz and the boys are looking forward to a banner year.

## CHELSEA WINS, 20-7

LE, Colquhoun; LT, Wellnitz; LG, Breitenwischer; C, Burg; RG, Barth; RT, Waters; RE, Daniels; QB, D. Slane; LHB, Knickerbocker; RHB, Vogel; FB, C. Slane.

Dexter-Chelsea High's first football game gave evidence of very good scoring ability by downing a strong Dexter outfit last Friday, 20-7, to open the season.

Coach Cameron's team unleashed an offensive punch that is certain to spell trouble for other Huron Loop schools.

Charles "Bug" Slane, fullback, acted as captain for the team, replacing Tom Smith, who has been side-lined with a knee injury.

Chelsea received the kick, with Knickerbocker fumbling the ball momentarily but reaching his own twenty-five. Chelsea then started a sixty-seven yard march, led by Vogel and "Bug" Slane, which ended by Bragdon Barlow scampering the remaining eight yards for the score on one of the new "T" formation plays. The local lads just missed the conversion by inches.

Chelsea then kicked off and on the first play from scrimmage Barth and Colquhoun hit hard the Dexter fullback who fumbled, with Colquhoun finishing on the bottom of the pile with the ball. Two consecutive first downs put the ball on the Dexter three yard line. Then Bug Slane carried the ball over for the touchdown. The extra point was run over by Knickerbocker, making the score 13 to 0 at the end of the first quarter.

During the second quarter Chelsea had two very good scoring opportunities but fumbles by "Poppy" Slane and Doug Vogel prevented them as the half ended.

In the third quarter Dexter brought the ball back to the fifty and on a number of pass plays scored their one and only touchdown.

In the fourth quarter a beautiful 40 yard run by Vogel ended Chelsea's heavy scoring for the afternoon. The point after touchdown was once again run over by Knickerbocker. Chelsea kicked only once, a beautiful sixty yard punt by Knickerbocker. Colquhoun was under the kick fast, and before the Dexter back could get away

he was tackled on his own five, which prevented Dexter from any further scoring. The game ended with the score 20 to 7.

Chelsea will journey to Saline tomorrow to face a tough experienced Saline eleven. The team hopes they have their captain, Tom Smith, back in the lineup. Let's all go over to Saline to support the local lads.

## KINDERGARTEN

The Kindergarten was a scene of excitement Friday morning when Philip Loomis came in with a baby field mouse all huddled and shivering in a nest of bread crumbs. It proved to be a source of study and interest all morning.

Karl Riemenschneider brought a big garden toad which we also enjoyed watching and talking about. Our science tables also have various kinds of caterpillars, a cricket, a grasshopper, a locust, some bright colored leaves and colored pictures of the things we have on display.

This week the Kindergarten band was organized and soon we hope to begin work on a fall program.

## THIRD GRADE
