David Alber Killed By Fast M.C.R.R. Train

David Alber, 74 years old, was instantly killed at 3:14 Tuesday afternoon when his car was struck by the fast eastbound Michigan Central New York Special at the McKinley St. crossing. Mr. Alber was alone in his car, driving north across the tracks, when the accident occurred. His body was thrown from the car and badly mangled by the impact, and the car was thrown clear of the tracks just east of McKinley St.

Mr. Alber was a lifelong resident of Chelsea, where he was born July 17, 1871, the son of David and Catherine Barelis Alber. He was united in marriage with Jennie E. Taylor, on Sept. 26, 1906. For several years he had been employed at the Federal Screw Works.

He was a member of the Methodist church and the Knights of Pythias.

Survivors include the widow; a daughter, Mrs. Clayton E. Arz, of Detroit; four brothers, Adam, Jacob, George and Herman; and four sisters, Mrs. Fred Brosamle, Mrs. Carrie Webber, Mrs. Bertha Wallace and Miss Elizabeth Alber, all of Chelsea. A sister, Mrs. John Cappy, and a brother, Henry, preceded him in death.

Funeral services will be held Friday afternoon at 2:30 at the Stefan funeral home, with Rev. Everett Major officiating. Burial in Oak Grove cemetery.

Girl Scout Committees Organize for 1945-46

Approximately eighteen ladies, representing officers of the Girl Scout Council, committee members, chairmen and troop leaders met at the library on Monday evening for their initial meeting of the Girl Scout year.

Mrs. Wm. Geddes, chairman of the Girl Scout Council of the community, presided at the joint meeting held preceding group meetings.

Plans governing organization of the troops and for the year's work were discussed and methods decided upon.

This year there will be three Scout groups, with Mrs. E. W. Eaton as chairman of the senior or high school group; Mrs. Wilbur Hinderer; and Mrs. Wm. Geddes, chairmen of the intermediate group; and Mrs. Albert Johnson, chairman of the Brownies.

These three groups met separately following the opening discussion, formulating plans for their own particular age groups.

EMPLOY NEW TEACHER

Miss Lucile Thornton, a graduate of the University of Michigan in June of this year, has been employed as a speech and social studies teacher in the Chelsea public schools. Miss Thornton will take the place of Miss Dorothy Conner, who is unable to fulfill her contract because of the severe illness of her mother. Miss Thornton's home is in Berton Harbor. During the month of September the position was filled by Mrs. E. W. Eaton.

GOTTLOB BOLLINGER INJURED

Gottlieb Bollinger was injured about 2:30 Tuesday afternoon while helping fill a silo on the Patrick Lingane farm in Sylvan township. His coat sleeve caught in the machine and his left forearm was badly cut. He was treated by a local physician.

With Our Men In Service

The following excerpt is taken from a letter written by Ensign Robert Strieter to his parents, Mr. and Mrs. J. N. Strieter. Bob, who is stationed at Pearl Harbor awaiting assignment, is thrilled at the sight of units of the Third Fleet, and hopes to see the Battleship "Iowa," aboard which his brother David served for 2 1/2 years.

Pearl Harbor, Sept. 21, 1945. Dear Mom and Dad,

This past week has been a pretty busy one for me so I haven't had the time to write that is needed. I've fallen behind on Luke and Tom, and Dick and you too. But here goes on one to you.

Yesterday afternoon the harbor took on much the same appearance as it held on the 7th of December, 1941. Part of the Third Fleet arrived and more are due—all on their way home for Navy Day celebrations in New York City and Frisco. Five battleships and several carriers are in now, including the Missouri. It's the first time I've seen a ship of the Iowa class and is it ever magnificent! The Missouri is huge and really a beautiful ship—such sleek lines and streamlining. And yet, very much a ship of war with countless guns aboard. It really gives one a thrill to look at it. When it came in all the ships in the harbor came to attention—that is, the men did—as it is now the flagship of the fleet, having replaced the Pennsylvania. And here comes the good part. I had to go aboard the Idaho, which came in first, to get some figures for the office in regard to passengers (for demobilization). Just as I climbed into our boat to go ashore the Missouri came by. I was thrilled beyond words to watch such a huge ship so important now in history. The only way it could have been better would have been to be aboard a month ago. Now if I can just board her before she leaves, I'll be happy.

Love—Bob.

Tokyo Bay (Delayed)—Louis Leonard Policht, 18, signalman, third class, USNR, 421 North street, Chelsea, serves aboard the LST 648, battle-hardened veteran of some of the most intense landing operations in the Pacific, campaign, now anchored here and serving as a Fleet post office unit. After her transfer from the amphibious command to Admiral William F. Halsey's 3rd Fleet, the 648 made the initial entry into Tokyo Bay with units of the fleet.

A part of the original amphibious force at Iwo Jima, the 648 was the third vessel on the beach. At Okinawa she repulsed Japanese suicide attacks nightly and withstood the campaign without damage.

Sgt. J. D. West, who spent the past 34 months in the Pacific, is spending a 30-day furlough with his parents, Mr. and Mrs. Harrison West. A member of the U. S. Marines, J. D. saw action in New Zealand, Guadalcanal, Guam and Okinawa. He will report at Yorktown, Va. on Oct. 25.

S-Sgt. Dale W. Kern arrived on Saturday from Okinawa to spend a seven-day furlough with his parents, Mr. and Mrs. Lynn Kern, after which he will report to Fort Sheridan, Ill. to receive his honorable discharge from the army. Dale has served overseas thirty-seven months.

Sgt. Alfred F. Eisenman left Tuesday for Fort Sheridan, Ill., where he will receive his honorable discharge from the army.

War Fund Campaign Starts Next Monday

Plans have been completed by local chairmen of the United War Fund campaign for officially opening the drive here next Monday. This nationwide drive for funds starts October 8 and continues until October 18.

At a meeting held in Sylvan town hall Tuesday night for chairmen and solicitors, H. S. Oser, Washtenaw county chairman, and Foster L. Fletcher, executive secretary, gave final instructions for the conduct of the campaign and supplies were distributed to those who will aid in the solicitation.

Of the \$115,000,000 fund to be raised nationally, 61 per cent will be set aside for our armed forces—USO, USO Camp Shows, United Seamen's Service, and War Prisoners Aid; 32 per cent for United Nations and Refugee Relief; 6 per cent for emergency fund special needs, and one per cent for administration and campaign cost. Washtenaw county's quota is \$92,000. The quota for Chelsea and Sylvan township is \$6500, which includes \$800 for the local Girl Scout and Boy Scout groups. George Doe is chairman for Chelsea and Fred G. Brosamle for the remainder of Sylvan township.

Leigh Beach is regional chairman for Dexter, Lima, Sylvan and Lyndon townships. Township chairmen are: Homer Stoffer, Lyndon; Clifford Bradbury, Lima; Gilbert Madden, Dexter. The campaign in rural areas is being broken down into individual school districts for efficiency in solicitation, and in Chelsea the force of workers will be sufficient to require each solicitor to contact only a few persons.

Although the war is over the work of the USO and other agencies operating for the benefit of our men in service will not be terminated for some time; other organizations which will benefit from this fund must also function to alleviate suffering in stricken countries. Everyone is well aware of the fact that many of our own boys have received some benefit from the United War Fund.

You will be solicited soon—do your part and the campaign will be a success. And remember—the solicitor who will call on you is not a paid worker—he is contributing his time as well as his money, for a worthy cause.

George Doe asks that workers who were unable to attend the meeting on Tuesday evening, please call at his office, 103 North Main St., for supplies.

Second Test Well Fails To Bring Forth Any Oil

Events of the past few days have discouraged those who were optimistic about the prospects of Chelsea becoming the center of a big oil boom, and the singing of "Our Dreams Are Getting Better All the Time" has stopped, temporarily at least.

Drilling of the second test well in this vicinity was started on the Albert Hinderer farm, Manchester Rd., several weeks ago, and during the past week there were indications that something of value might be found. Although the Traverse strata at 1100 feet was dry, when the Dundee was reached at 1285 feet there was quite a showing of gas but not enough for commercial purposes. The drilling was continued and a few feet below the level black water was found and the test was being abandoned.

Drilling in the season a test well was drilled on the Joe Merkel farm, Decker Rd., and that was abandoned. Original plans were for the drilling of three or four test wells in this territory and thousands of acres of land has been leased by at least two companies. Plans for further drilling have not been disclosed.

Parents Will Organize To Cope With Problems

At a meeting Wednesday evening at the high school, parents of local teen-agers appointed a committee of Mrs. H. T. Moore, Mrs. P. G. Schabbe, Mrs. L. Christwell and Mrs. G. Barlow to investigate the possibilities of establishing a High School Parent-Teacher organization.

Discussion was general, and much was gained by the interchange of ideas. School activities, school parties, athletics, the desirability of an "ice-cream and pop" bar where young folks could gather and dance, were among the items discussed.

TRAIN SMASHES CAR

Fred Roberts, of 304 North St., drove his car off the planks onto the tracks at the Methodist Home crossing Monday night and abandoned the vehicle. A short time later, at 10:34, an eastbound fast freight demolished the car, which before the crash could have been identified as a 1936 Nash coupe.

NATIONAL BIBLE WEEK

OCTOBER 15—21

"We come back laden from our quest
To find that all the sages said
Is in the book our mothers read." *Hitler*

These boys, coming back from the fox-hole and the jungle drew courage and inspiration from the Book their mothers read.

They won the victory in the name of the Prince of Peace.

Let us honor them and the country to which they give the full measure of devotion by turning to the

Guide Book of Human Conduct for our inspiration, our strength—our victory.

Read your Bible during National Bible Week, October 15—21.

Read your Bible EVERY WEEK.

The American National Committee, sponsors of National Bible Week, urges America to turn again to the Book Our Mothers Read.

By GENE ALLEMAN

Many of Michigan's 629,000 men and women in the military services are coming home soon—now at a low tide pace of only 10,000 monthly—to a Pandora's box of problems.

It's a new world, promised for so long, and with it a bewildering and confusing flood of new ideas.

Just as atomic energy is being hailed as the "greatest invention of all times," to quote the words of a University of Chicago scientist in the current issue of Survey Graphic, so some American leaders insist we are at the threshold of near Utopia itself. William Green, president of the American Federation of Labor, employed the phrase "new industrial revolution" in his Labor Day address last month. The implications are obvious.

A number of years ago Dr. Lloyd Douglas, the one-time Ann Arbor minister who attained fame as an author, pointed out that the history of civilization has been the graph of a series of plateaus or levels. He said we have been striving for centuries to free ourselves from the necessity of physical work; and we have just about accomplished it to our own surprise, thanks to technological miracles of science.

Our latest ascent to a new plateau is sharp and difficult, he said. We must adjust ourselves to the surge upward or fall by the wayside.

There are historians who maintain that our current problems are the by-products of this new climb upward, and the words they use to describe it are "social revolution." Certainly the staggering cost and waste of modern war, which has weakened England as never before, are major factors in the current swing there from private enterprise to state socialism.

The veterans, once they have made their own readjustments into civilian life, will face the immediate choice of a continuation of the American free, competitive system which has been responsible for the highest living standards in the world today or a swing to state socialism with its Utopian hope of a full dinner pail, individual security, better health, and better everything else, all at the bounty of the government and thus at the expense of everyone, rich and poor.

There is some logic to the argument that the cost of modern war, such as the 270 billions which have been piled on top of American national indebtedness, may inevitably push the nation into state socialism.

The private enterprise system, faced with such a challenge, is on trial as never before.

What will the veterans do? The decision will be fateful.

The Michigan veteran will come home to an agriculture which has experienced war-time inflation of land prices.

More farm land changed hands in Michigan in 1943 than in any previous year on record. In fact, many farms have been sold at prices higher than their long-time earning power justifies. Prices last year were 45 per cent higher than in 1939. The spiral continues upward.

Veterans will return to a highly mechanized agriculture in which one

good tractor now does the work of three teams of horses. The same machine, or perhaps one adapted for small acreage, will enable the veteran to escape the insecurity of the city and to possess a small suburban farm where he can attain some degree of independence from the rise and fall of employment.

Huge housing and road construction programs, "victory" garden experience, new popularity of frozen food lockers—these are additional factors which will accelerate the trend from city to country.

The service industries in Michigan—such as transportation, retailing, resorts, professions, marketing and local government—offer opportunities to veterans.

In 1930 the service industries formed 47.2 per cent of the national income as compared with 39.2 per cent in 1920. Economists maintain that if this country is to have a higher and higher standard of living after the war, the movement into the service occupations should be encouraged. Certainly factories alone can't be responsible for full employment. The big bad industrialist, much booed around by labor agitators, affects less than one-third of the nation's total economy.

Service industries now dominate both manufacturing and agriculture as the greatest single factor in American life today. To illustrate it: Michigan's resort business is second only to industry in annual dollar income. Like agriculture, it is a service industry.

There's no reconversion needed for service industries unless it is HUMAN reconversion, the psychological need for sane thinking about our new problems.

Finally, just as the veteran must solve the problem of individual security, so he must solve the problem of national security.

The atomic bomb, plus jet-propelled planes, plus V-1 and V-2 robot bombs, have shattered illusions of geographic security and insularity from world troubles. Such is the thesis of Senator Arthur Vandenberg's appeal for American participation in the United Nations Council.

The end of the war, opening floodgates for release of war-time responsibilities and restrictions, has already prompted politicians to advocate abandonment of American responsibilities in Europe and the Far Pacific. "Let the French, British and Chinese do it!" is the cry. "Bring our boys home!" When the boys do come home, and we're all for it, they will still face the problem of securing peace for their children. We hope they do a better job than the veterans of World War I did—and didn't do—and we served overseas in that party. Pandora's box of human ills fades into inconsequence when you analyze some of the problems which will greet the Michigan veteran in 1945 and 1946. So give them a helping hand. And hang onto your hat while we try the next curve in the post-war roller coaster that is just ahead.

Still Valuable, Too

In the early days of Pennsylvania, beaver pelts were used for money. Today, because of wise conservation laws, beavers are still living in that state.

WILL YOU HELP?

We're talking about your rural telephone service.

More rural telephones are served by Michigan Bell today than ever before. But during the war, shortages prevented the addition of enough telephone lines. So, generally, more people are sharing each rural line.

Now that the war is over, we intend to remedy this situation as rapidly as conditions will permit. Meanwhile, you and everyone else will get better rural telephone service if you will do these three things:

- 1 Please keep all calls short.
- 2 Please do not listen in or interrupt when the line is in use.
- 3 Please be sure to hang up your receiver carefully. One receiver off the hook can tie up a whole line.

Northville Downs Event Opened Monday Night

Northville.—Upwards of 350 trotters and pacers, more than ever before appeared at Northville Downs when that attractive Michigan event opened for its fall meeting Monday night, October 1. The meeting will last at least 40 days, the date of its termination being determined by the weather.

More good horses than ever before are among the group now stationed at the repainted and refurnished plant in the Detroit suburban area. They included Red Go, the pacer owned by Chester Faulder of Sydney, Ohio, that won the \$5500 Michigan Pacing Derby during the Northville Downs summer meeting.

Since he last appeared at Northville Red Go has added new honors to the ones that made him the favorite of Northville Downs patrons. A short time ago he did the mile in two minutes flat at the Grand Circuit meeting at Du Quoin, Illinois, being the first pacer of the year to flash such speed.

Little Tuffy, which defeated a field of 13 to win the Michigan Trotting Derby during the summer meeting, recently hit a clip of 2:01 1/4 to win a \$2500 stake at the Illinois meeting. He also will be back to show his speed to the Northville Downs patrons.

Glen Hawkins, of Elkhorn, Wisconsin, has notified Racing Secretary Ed Keller, that he will be on hand with his large stable. B. J. Schue of Jamestown, N. D., also has made reservations for Doctor Baker (2:02), and H. M. C. Frey, of Mt. Holly, N. J., will be present with 16 horses which have been raced at America's leading trotting meeting at the Roosevelt Raceway, Westbury, L. I.

Those who saw Lady F. Spencer perform as one of the consistent winners at the spring meeting will be pleased to know that she will also be back for the fall session.

Leon Chambers will be present with Hal Frisco, his consistent Michigan pacer and Pontiac's C. E. Baxter will be represented by Scott Volo Jr., and Little Tom.

In addition to these American horses there will be upwards of 50 Canadian trotters and pacers. That will be more than ever appeared at this track in the past.

The feature race of the fall meeting will be the \$2000 fall championship, a free-for-all for pacers to be decided October 27. Entries for this event close on October 6.

The track features pari-mutuel betting with photo-finish and an electric tote board. Machines which pass out the tickets look at the judges stand when the horses go to the post. Track officials exercise all other supervisory measures which are deemed necessary to safeguard the public's interest.

DEATHS

Clarence O. Bahnmitter

Clarence O. Bahnmitter, aged 52 years, died Saturday, September 29, in Mercy hospital, Toledo, Ohio, after an illness of two days.

He was born in Sylvan township, October 25, 1892, the son of William and Louise Messner Bahnmitter. He had lived in this vicinity his entire life and was married to Alma Kaercher in Lima township on Oct. 18, 1919. They began housekeeping in Chelsea, where they have since resided.

Mr. Bahnmitter was a veteran of World War I. For a number of years he had been employed by the Hoover Ball and Bearing Co., of Ann Arbor. He was a member of St. Paul's Evangelical church; Herbert J. McKune Post No. 81, The American Legion, of which he was a past commander; Chelsea Post No. 4076 of the Veterans of Foreign Wars, and Volture Local No. 957 of the 40 and 8 of Washtenaw county.

He is survived by his wife; two sons, Pfc. Charles Bahnmitter of the Fifth Marine Division, serving in the South Pacific; Pvt. Richard Bahnmitter in the Army Air Corps, stationed at Lowry Field, Colorado; a daughter, Mary Jane, Lieutenant in the Army Nurse Corps, at Fort McClellan, Ala.; and a sister, Mrs. J. W. Green of Ann Arbor.

Funeral services were held at 2:30 Tuesday afternoon at the Miller funeral home, with Rev. P. H. Grabowski officiating. Burial was in Oak Grove cemetery. Folding of the colors at the grave, firing of the military salute, and sounding of taps were under the supervision of The American Legion.

Four Mile Lake

Mr. and Mrs. Oscar Bareis and family were Sunday visitors of her father, L. McVay of Gregory.

Mr. and Mrs. John Whisler of Flat Rock and Mr. and Mrs. Harold Graden of Seio were Wednesday evening visitors of Mr. and Mrs. George Macomber.

Mrs. Bertha Bareis and son Arthur were Sunday visitors of Mr. and Mrs. Wilbur Tisch of Stockbridge.

Mr. and Mrs. Robert Gilbert and son William were Sunday dinner guests of her parents, Mr. and Mrs. Ernest Scherdt of Ann Arbor.

How to Wash Pillows

It's easy to wash pillows. Use a weak washing-soda solution in the water with lots of warm suds. Two washings may be necessary to get the feathers thoroughly clean. Rinse the pillows two or three times in lukewarm water, then squeeze the water out. Dry them in the warm, not hot sun and beat the pillows several times so that they will come out fluffy.

MISS AMERICA, 1945

NESS MYERSON, 21, tall and willowy, graduate of Hunter College, New York City, is the new Miss America, 1945, having been selected at the annual contest in Atlantic City this month. The new Miss America represented New York City in a competition that drew representatives from 42 states, Canada, and larger cities throughout the country. She is 5 feet 10 inches, weighs 136, bust 35 1/2, hips 35, thigh 20, calf 14 1/2, ankle 8 1/2, upper arm 9 1/2, wrist 5 1/2, dress size 14, bathing suit size 36. She has received a \$5,000 scholarship and will continue her music studies. She is an accomplished pianist and flutist.

Waterloo

Mr. and Mrs. Richard Vicary are now moved into their home, corner Waterloo and Gorton Rd., in the village.

Mrs. Louise Marquardt returned to her home at New Baltimore after a month spent with her daughter, Mrs. Walter Vicary and family, who thank all the kind neighbors for the lovely flowers and cards given her for her 89th birthday.

Vacuum Bristles

Here's how to determine whether your bristles in your vacuum cleaner are long enough to sweep the carpet. Lay a card across the nozzle. If bristles touch card, they'll touch the carpet. Too short? Learn how to lower the brush—there's probably a pin or slot mechanism or a flat screw at the ends of the roll.

WEDDINGS

Valant-Myers

The marriage of Miss Lottie Valant of Lima township to Pfc. Clifford I. Myers took place on Friday evening, September 28 at the home of the groom's parents, Mr. and Mrs. John A. Myers, at 412 Wilkinson St.

Rev. W. H. Skentelbury officiated at the double ring ceremony in the presence of a large number of friends, and the bride was given in marriage by her father, Stanley Valant. Garden flowers in pink and white decorated the rooms.

The bride wore a gown of white satin with finger tip veil and carried pink carnations and white mums. The groom's sister, Miss Melva Myers, was maid of honor, wearing a green and white formal. Pvt. Glen W. Hafley served as best man.

After the ceremony the wedding cake was cut and served by the bride and groom, with the help of their sisters.

The couple will make their home in Chelsea after his discharge from the service.

Out of town guests at the wedding were Mr. and Mrs. J. C. Wolski, Jr. of Detroit, Mrs. Lenora Szalay and family of Ann Arbor, and Mrs. Evelyn Myers and family of Saline.

Walz-Leader

Miss Ruth M. Walz, daughter of Mr. and Mrs. Clare Walz of Chelsea, and Kenneth W. Leader of Ann Arbor, son of Mr. and Mrs. W. E. Leader of Blissfield, were united in marriage on Wednesday evening, September 26 in the chapel of the First Methodist church, Ann Arbor. The double ring ceremony was performed at 7 o'clock by Rev. R. Jongeward.

For her wedding, the bride wore a sapphire blue dress with black accessories and an orchid corsage. The couple was unattended.

A graduate of Chelsea high school in 1940, the bride is employed as assistant in the office of John Doyle, D.D.S. The groom was given a medical discharge on Nov. 5, 1944, after serving 24 months with the armed forces. He has a position with the Western Electric Company.

Mr. and Mrs. Leader will make their home with the bride's parents at 327 West Middle St., Chelsea.

Moore-Kaercher

Sue Moore and Julius Kaercher, both of Chelsea, were married in Detroit on Saturday night. They will make their home in Chelsea.

Farmers Warned On

Feeding Green Corn

Lansing (Special).—Farmers are warned today to be careful about feeding soft, immature or moldy corn to hogs this fall, in a special report issued here by the American Foundation for Animal Health.

"Hogs receiving new corn should be started on it lightly," the report suggests. "Animals should be watched closely for signs of digestive disturbance. Such disturbances often allow infections to get a start in the inflamed digestive tract, and these infections can easily develop into enteritis, or turn into blood poisoning."

"If hogs have not been immunized against cholera, feeding soft corn increases the cholera disease hazard."

Hogs do not actually contract cholera from soft corn, as many farmers believe, but feeding such corn may lower the resistance of the digestive tract so that cholera is able to make inroads in the herd more easily. Veterinarians also report that farmers frequently mistake soft-corn digestive disturbances for cholera, and vice versa. Because of this, immunization of swine against cholera is probably more important this fall than in any autumn in recent years."

Proper nutritional balance in feeding new corn, and careful checking of the herd for signs of sickness were emphasized as paramount precautions for all swine raisers.

Mrs. Mary Nordman is living with Mrs. Chamberlain and Mrs. Johnson, West Middle St., for the winter.

BUY STORE BUILDING

Mr. and Mrs. Emil Regner have purchased the Cavanaugh Lake Store building of O. B. McLaughlin, and will take possession on May 1, 1946.

Officers Installed By Am. Legion Auxiliary

Installation services for the newly elected officers of Herbert J. McKune Unit No. 31 of the American Legion Auxiliary were held at the Legion home, Cavanaugh Lake on Tuesday evening, October 2, with a fine attendance of members and guests. Out of town guests included Department President, Mrs. Helen Benjamin of Detroit, Department Finance Officer Mrs. Gertrude Nichols, and National Committee Woman Mrs. Edna Alber, both of Ann Arbor, and the installing officer, National Rehabilitation Chairman, Mrs. Dorothy Pearl, of Detroit.

Mrs. Ruth Christwell, retiring president, conducted the impressive opening ceremony, and presented Mrs. Pearl, Mrs. Evelyn Rowe, as Installing Sergeant-at-Arms, assisted Mrs. Pearl in installing these officers:

President—Mrs. Edmund Quirk.
1st Vice Pres.—Mrs. Don Cutler.
2nd Vice Pres.—Mrs. J. Dumouchel.

Secretary—Mrs. Howard Walz.
Treasurer—Mrs. Julius Elisele.
Historian—Mrs. Jos. Wright.
Chaplain—Mrs. D. L. Rogers.
Sergeant-at-Arms—Mrs. R. D. Miller.

Executive Committee—Mrs. Paul Maroney, Mrs. A. L. Brock and Mrs. John Hummel.

Soloist Mrs. J. Vincent Burg, playing her own accompaniment, sang an appropriate adaptation of the song "Always," as a fitting close to this part of the service.

Mrs. Quirk graciously responded to the warm welcome accorded her by the Junior Past President, Mrs. Christwell, and proceeded with the business meeting.

A past president's pin was presented to Mrs. Christwell by the retiring first vice president, Mrs. Wm. Weber, who in turn presented Mrs. Quirk with a corsage on behalf of the Unit.

Gifts were also presented Mrs. Pearl, Mrs. Benjamin, Mrs. Burg, Mrs. Barr and Mrs. Rowe.

Mrs. Pearl, in a very forceful manner, talked on her work as National Rehabilitation chairman.

Jean Eisenbeiser, representative chosen by the local unit to attend Wolverine Girls' State, which was held in Ann Arbor from August 28 to

Sept. 4 gave a report on the program followed and its activities, also thanking the unit for the privilege of attending.

Jean was awarded the special honor of being one of thirteen girls from the group to be chosen as a colony governor. The colony she was elected to govern was New York.

A patriotic solo, "America, I Love You," sung by Mrs. Burg, concluded the program.

Refreshments were served at tables arranged in the dining room and lighted with red, white and blue candle groupings.

WEDDINGS

Hessing-Roedel

Miss Ann Hessing of Detroit and Max D. Roedel were united in marriage at the home of the bride's parents, Mr. and Mrs. Zoelner, Detroit, at 3:00 p.m. on Tuesday, Sept. 25.

Mr. Roedel, son of Mrs. Alice Roedel, was graduated from the Chelsea high school with the class of 1913. He later entered the U. of M., where he was a student at the time of his enlistment in the Navy during World War I.

For the past eighteen years he has owned and operated a drug store at 15240 Wyoming St., Detroit. In July he sold his business and bought the Wm. Alber farm in Sharon, where they will make their home.

Mr. and Mrs. Lewis Alber announce the marriage of their daughter, Marie Abdon, to Russell L. Abdon of Chelsea. The marriage took place on September 22 at Manchester. The couple will reside at 206 Wilkinson, Chelsea.

REGISTER OF DEEDS ON WPAG
On Sunday, October 7 the Institute of Local Government will sponsor a broadcast at 1:15 p.m. over WPAG, featuring the Register of Deeds office. Allan A. Seymour, Register of Deeds for Washtenaw county, will discuss items of interest, regarding real estate and the work of that office in county government, with the Registers of Monroe and Lenawee counties, Clinton M. Stahl and Leonard A. Wagner, respectively.

Camporee for Scouts To Be Held October 12-13

One hundred fifty Scouts from patrols in all parts of Washtenaw and Livingston counties will participate in a full camporee to be held at the Newkirk Scout camp near Dexter on Friday and Saturday, Oct. 12 and 13, according to an announcement made by Kenneth Helinger, who is heading up the event for the committee on camping community service and activities of the Washtenaw-Livingston Boy Scout Council.

Since camp facilities will limit the participation in the first 30 patrols which are registered, all patrol leaders are urged to register their patrol at once. While the program of the patrol will be in charge of the patrol leader, the group patrols coming from each troop is required to bring an adult advisor or counselor with them.

There will be scout craft contests of knot-tying, fire-building, and signaling. The Friday evening campfire will be in charge of Assistant Scout Executive Donald Burns. All registrations are to be filed at the Boy Scout Council office, 202 S. Main St., Ann Arbor.

THANK YOU

I wish to thank my friends, neighbors and relatives for so kindly remembering me with flowers and cards, also for the many other nice things given me and for their many acts of kindness, during my recent confinement to my home caused by a broken ankle.

OFFICE NEWS

School will be closed on October 11 and 12 for the teachers to attend the M.E.A. meetings.

The first home football game of the season will be played against Dundee tomorrow. The game will start at 8:30.

THE SCHOOL TELEPHONE

It's about time that the students of Chelsea public school learned that the phone in the office is not for personal use. As soon as school is out at 3:35, students (nearly always the same ones) clamor into the office and almost form a line trying to get at the telephone. Throughout the day an intermittent stream of such calls interrupts the regular work of the office staff. How can anyone expect Mrs. Claire and Mr. Johnson to work amidst all that racket?

Moreover, important phone calls may be missed entirely or be long delayed because of student use of the phone.

Please, students, cooperate with the administration. Don't use the telephone unless it is absolutely necessary. Bring your shopping lists in the morning; make social engagements over private wires; show some consideration and courtesy.

REPORT CARDS

Marks are to a student as a pay check is to an employee. Therefore, it seems very important that we do our best while in school.

The University of Michigan is only fourteen miles from Chelsea. It is a shame that a few students are prevented from taking advantage of it because of low marks. It is their own fault, though, because any normal person with determination and ambition can get grades that are required for entrance to the U. of M.

School work is planned so that a duly diligent youngster should have satisfactory grades, in both citizenship and scholarship. Anything less than that should receive prompt and thorough parental investigation.

SAFETY FIRST

Since the gas rationing has been relaxed, there have been more pupils driving automobiles to and from school. This creates a safety problem. We would like pupils to consider that there are approximately six hundred pupils dismissed from the St. Mary's and Chelsea high school within a few minutes. All who drive during those critical times not only endanger their own lives, but also those of others. This danger could be eliminated by reducing the driving just to the pupils who live out in the country and who have no other way of getting in, and by eliminating all pupil driving at noon. There is a great need of safety on the highway. Chelsea's accident record has been good; let's keep it good! Let's see if we can't do something about this terrific problem.

IDLE FANCIES

I wonder what would happen if—Marceline Hinderer picked on someone her own size?

Norma Pierson could be sure? Elaine McClear ever praised the Scotch instead of the Irish?

"Bug" Slane stopped, trying to sing, alone?

If two certain Senior girls left Mud Lake alone?

Tom Smith and Loren Munro quit robbing the cradle?

Mr. Cameron smiled?

Joanne Moore made her eyes behave?

Pinky Hale started flirting with the boys in school?

Donna Kalmbach and Mable Hale left the Jr. and Sr. boys to the Jr. and Sr. girls?

Barbara Luick left a certain Sophomore boy alone?

Miss Vogel could relax during 6th hour study hall?

Harry Wellhoff left his stories at home?

Doug Vogel and Beverly Booker really broke up?

Don Barth started dating girls?

Bill Waters was left speechless?

Marjorie Ferguson acted like Bragdon?

The Agricultural boys stayed in school?

The girls left Don Baldwin alone?

Mickey Grafson didn't have an Olds?

Helen Vail was as mild as she looks?

Loose and Lehman could have a man all to themselves?

Ray Knickerbocker quit smiling at all the girls?

Clara Miller could make up her mind about—(you know whom)?

George Merkel didn't have Opal?

The two "Camerons" quit feuding?

Popeye Slane and David Knickerbocker would have gotten dressed like the rest on initiation day?

Miss McMahon didn't have her usual Wednesday night in Ann Arbor?

Mr. Chandler didn't have Bragdon Barlow for a good laugh now and then?

We didn't have a football team? Oh no! Not that!

CHS-NIGHT LIFE

Last Friday night the Sophomores had an initiation party for the Freshmen. The evening started the same as any other party except that only Sophomores and Freshmen were allowed to come and that the boys wore overalls and the girls wore slacks. Don't mistake me, boys, the girls were more than slacks!

At the start of the evening we danced, but after about thirty minutes of dancing the Freshmen formed a line and had to kiss Vogel's big toe. Then they had to go through the Chamber of Horrors where they handled liver, chicken intestines, and took "poison" tablets and stumbled into a "dead" body. The only thing missing was the traditional ricket line. The Freshman boys also put on an all-boys' jitter-bugging contest. That was all of the initiation. Refreshments were served. The remainder of the evening was spent dancing, which stopped at 11:00. The Freshmen had to clean up the gym. Thus ended another initiation at CHS.

Now the question is, when will the Freshmen give us our return party? Soon, we hope!

INITIATION DAY (ASSEMBLY)

We assembled in study hall as witnesses to the traditional Initiation Day ceremonies. As usual the Freshmen paraded across the stage in the most outlandish costumes of the year. The girls wore anklets with high heels, jeans with a burlap sack over them, an onion-necklace, and their hair in pin curls, topped off with six green ribbons. (What a sight!) The boys were garbed in skirts and sweat-ers, high heels, bandanas and costume jewelry. Of course we can't forget the new teachers who had a bright green ribbon in their hair and a sign,

"Freshmen" pinned to their backs. All three—boys, girls and teachers—had lipstick on their faces painted in fancy designs (mostly sweated). Marjorie Shelly, who won first prize among the girls, received a small crab and Robert Taylor, who was the first prize winner of the boys, received a smashed tomato.

CHORUS

The students of Chelsea High will want to keep an eye on their chorus this year, because there are many good voices in the group. The chorus has an enrollment of twenty-seven members, and is looking for more students to join. They plan to be as active in play as in work this year, and are already planning their future social activities.

In their election of club officers for the year, they chose: President, Joyce Hughes; vice president, Don Baldwin; treasurer, Nancy Loose; and secretary, Donna Lou Kalmbach.

The new directress has ordered new sheet music for this year; it is, "Carole Of The Birds," by Miles Horton; "Donkey Serenade," by Trime; "Orchestra Song," by William Schuman. The choir members are looking forward to using this new music.

SENIOR NEWS

The Seniors' magazine selling campaign came to an end Monday. The exact amount of their sales hasn't been figured out yet but it stands at

about \$1200. This averages about \$48 per person which is \$13 per person more than last year's Seniors sold. The Seniors are proud of their good record and wish to thank the townspeople who cooperated so well. Plans are being made for the Senior stand at the football games this fall. Marilyn Schooley is in charge of the stand.

CLASS NEWS

Freshman—There didn't seem to be many complaints about initiation, but a certain Freshman boy seemed to think he "got pretty smeared up" by the lipstick fends. I've also heard that certain Sophomores were given the benefit of the doubt, as to who received more agonies in the "Torture Chamber," the Sophomores or the Freshmen!

Junior—The Juniors will sponsor the All-High party on Friday, the 5th of October.

CHELSEA 25—SALINE 0

A very strong Chelsea eleven defeated a good, willing and able Saline team last Friday afternoon, 25-0. Saline won the toss and elected to receive. Knickerbocker kicked off and when Saline failed to make a first down they kicked. The point was run back to our 35 yard line and after two first downs Chelsea was forced to kick. The ball exchanged hands several times. It was then Chelsea started to roll. Both Slanes and

Knickerbocker picked up first downs, and before Saline could stop the furious ground attack Chelsea was on their one yard line as the quarter ended.

On the first play of the second quarter Bug Slane, Chelsea's fullback, scored the first touchdown. The kick for the extra point was no good.

Chelsea kicked off and after one first down Saline was forced to punt. Chelsea then came right back, making four consecutive first downs, made by the Slanes, Knickerbocker's pass to Colquhoun, and Vogel. Then Knickerbocker made the second score of the game, making the score 12 to 0. Baldwin's kick was no good as the half ended.

The boys seemed to be off to a good start with the services of their captain; Coach Cameron benched Smith in the second half, however, to favor his knee.

Chelsea received in the third quarter, with Colquhoun bringing the ball back to the 50 yard line. Chelsea made several first downs, then the third touchdown was scored after a very nice 40 yard run by "Popeye" Slane. Knickerbocker ran the extra point, making the score 19 to 0. Chelsea then kicked off. Saline was forced to punt after failing to make a first down. Chelsea was penalized twice, making it first down and thirty-five for a first down. Knickerbocker then went back into punt formation. The kick was blocked by "Dutch"

Traff, Saline's star guard and probably the best guard Chelsea will meet all season. This was the only threat Saline made in the entire game, which ended in a Saline fumble recovered by Colquhoun.

In the fourth quarter "Bug" Slane scored the fourth touchdown, ending Chelsea's scoring for the day. Chelsea's second and third team then came in and finished the remaining time in the fourth quarter.

Chelsea opens its home season tomorrow afternoon with Dundee at the athletic field. Let's support the local lads by everyone coming out.

—Smitty and Willie.

STUDENT COUNCIL NEWS

After the minutes were read and approved, L. Munro made a motion that a bill be presented to the Junior class for the cost of the party. J. Wellnitz seconded the motion, which was approved.

Mr. Richards read a paper which Mr. Chandler, Miss Fox, Mr. Cameron and Mr. Alpers sent in.

D. Perkins made a motion that traffic be regulated during the noon congestion. F. Hale seconded the motion. It was approved. J. Wellnitz was appointed to see to this matter.

LOCAL CHAPTER WINS HONOR

What is Peace?

PEACE is more than the absence of war. Peace is a friendly handclasp, small talk on a front porch, friends in for dinner.

Peace is a birthday party, a Christmas tree, an Easter service in a white church. Peace is telling someone where the Smiths live, laughing at a joke, asking a neighbor what you can do when there's sickness in his house.

Peace is people helping instead of hurting one another, trusting instead of suspecting, tolerating instead of hating.

Peace is forgetfulness of creed and color. It's meeting on equal terms. It's honoring a man for what he is instead of defaming him for what he isn't.

This is peace. And until we have all this, we won't have real peace—the feeling in our hearts that all is right once more.

Right now, we can make a good start towards this goal. For, right now, in our local community campaign, we have

the chance to help our neighbor. To help him regardless of who he is or how he worships. To act together in mutual trust and confidence.

And this is democracy in its finest expression. This is part of all we are fighting for. This is what you help to bring about when you contribute to the local community chest. Make your contribution today—and make it as big as your heart!

"BEING A PET"

By Ronald Eder, Grade 8

Being a pet is very strenuous.

Perhaps, before I go on, I should

introduce myself. I am a cub bear

born in a cave in the woods of Utah.

The days of my pethood began in

the early fall about two years ago.

While I was out on a jaunt with my

mother one day, I wandered away

from her when she was enjoying some

berries. I was strolling along near

our stream, when out of the bushes

came four of the most horrible crea-

tures I had ever seen. They stood on

two long legs with two other legs

dangling down at their sides, which

they used very ingeniously. They

were the queerest pelt, that were all

colors, with a bush on top of their

heads.

As soon as they saw me, they came

rushing for me; making shrill screech-

ing yelps that nearly broke my ear-

drums. I started to run, but it was

too late; they were upon me. One of

them nearly drove his vicious claws

through me, and lifted me up with

them. Then after they had nearly

crushed in my sides they gently

stroked me, and made those queer

noises again.

They took me home with them to

their big cave that had all the ob-

stacles, that I was constantly running

into. At their cave was another of

their kind, only smaller. It immedi-

ately grabbed me and started mang-

ling me.

Then I began to get scared. Before

that, I had been too astonished to be

afraid.

After about an hour of mangling,

they gave me some nice warm milk.

Then they seemed to love me.

As I grew older, I would sometimes

bite at them when they got too rough.

Then they would cuff me as my moth-

er used to do. After a period of time

which seemed like a lifetime, they

apparently decided they had tortured

and loved me enough, so they released

me in the woods of my very early life.

From then until now I have lived

happily.

"KEEP ON BUYING 'EM"

By Barbara Quirk

Yes, the war is over. The guns

have ceased firing; but the war is not

over for the men who serve in the

Army of Occupation or for the sick

and the wounded. They need our

help, and the way we can help them

is to keep buying bonds.

A few of the things our country is

going to use our money for are: Re-

habilitation and care of the wounded,

issuing muniting out pay, adminis-

tering the GI Bill of Rights and sup-

porting the Armies of Occupation.

All these costs will be tremendous,

so lend an ear. Don't back down now.

Give up that sundae or soda. Put

money into savings stamps and even-

tually into bonds! Remember, we

owe it to our country and the boys

over there; who with our help will

bring peace to the world.

ORDER FOR PUBLICATION

Sale of Real Estate

No. 14202

State of Michigan, the Probate Court

for the County of Washtenaw.

At a session of said court, held at

the Probate Office in the City of Ann

Arbor, in said County, on the 21st day

of September, A. D. 1945.

Present: Hon. Jay G. Pray, Judge

of Probate.

In the Matter of the Estate of

Charles Henry Kempf, deceased.

Clarence J. Chandler, Survivor

Trustee, having filed in said Court his

petition, praying for license to sell

the interest of said estate in certain

real estate therein described, for the

purpose of re-investing the proceeds

of such sale in the manner as will

best effect objects of the trust.

It is Ordered, That the 30th day

of October, A. D. 1945, at ten o'clock

in the forenoon, at said Probate Office,

be and is hereby appointed for hear-

ing said petition, and that all persons

interested in said estate appear be-

fore said Court, at said time and

place, to show cause why a license to

sell the interest of said estate in said

real estate should not be granted;

It is Further Ordered, That public

notice thereof be given by publication

of a copy of this order, for three suc-

cessive weeks previous to said day of

hearing, in the Chelsea Standard, a

newspaper printed and circulated in

said County, and that such publica-

tion be continued therein at least once

each week for six weeks in succes-

sion.

A true copy.

Jay G. Pray, Judge of Probate.

Countersigned:

Luella M. Smith, Clerk.
