CHILDREN ENJOY PICNIC

Fifty-four children of the Primary department of the Congregational Sunday school, together with twelve of the department officers, teachers and several mothers, held a most enjoyable picnic on Saturday afternoon at the Spaulding farm. In addition to the usual features, and "helping" Warren with the chores, there was a hayride, horseback riding, and a very special and new attraction was chariot riding. Eating a picnic supper from long tables set up on the barn floor was a suitable climax to an afternoon of unusual events.

Fred G. Broesamle, Homer Stofor and Elmer Mayer were in Lansing on Wednesday to attend the annual meeting of the State Supervisors' association and State Welfare association.

Mr. and Mrs. Ely are experienced in this line of business, having operated a dairy bar in Ann Arbor for the past year. They expect to move to Chelsea as soon as they can obtain living quarters.

RUMMAGE SALE

The Chelsea Study club will hold its Fall Rummage Sale in the town hall Oct. 19 and 20, afternoon beginning at 1 o'clock, and Saturday evening at 7 o'clock. The wholehearted cooperation of all citizens of the community is solicited.

In reality this Rummage Sale offers a three-way service to the community. First, it serves as a recycling station for all useless items in your home, such as clothing, toys, household furnishings, dishes, bed clothes, etc. Secondly, it offers these items to persons who have a need for them for a very small price; and last, but not least, it provides funds for the Study club to carry out its philanthropic program.

Practically all the money received from the Rummage Sale is used for worthwhile projects such as: Red Cross, Infantile Paralysis, school work fund, recreation, program, veterans' hospital projects, etc. So let's lend our support to the Fall Rummage Sale and help others by helping ourselves. Articles should be brought to the town hall Thursday afternoon. The committee will be there to receive them at 1 o'clock. Anyone wishing to have articles picked up may call 2-1321 or 4741. Adv.

Men In Service

Interesting letters have been received by Mr. and Mrs. E. W. Eaton from their son, Pvt. Robert Eaton, serving with the Army Signal Corps in the Pacific. The letters, in part, follow:

At sea, Sept. 6.

Dear Mom and Dad,
I'm trying to write this in my bunk which is on top of a row of five. They can really pack men into these AFA's and this one is no exception. Its name is the Beckham. The heat is terrific where I am but seeing that we are going north maybe it will get better. We are on the China Sea and headed for Korea (or Chosen). Censorship has been lifted and it certainly feels good to write what you want and know that someone isn't going to read over each word you write.

As the rumors go, we are supposed to land at Jensen, a port in the middle of the western side. From there we travel fairly close to the capitol (I can't spell it now but will learn). Only half of my company came on the assault attack (first wave) and I was lucky enough to be one of them. It is about a three or four day trip from Okinawa, but the speed we are traveling it will take us a week. We have a large escort of destroyers and smaller craft and one small flattop.

The capitol of Korea has about a million population so it will be quite a bit different from anything we've seen out here. Everything will be strictly G.I. when we get there because the Army wants to make a good impression on the people. It is so hot on this ship that you actually sweat while taking a shower. You can wring out your blankets every morning.

Thursday, September 13,
Port Jensen, Korea.

Dear Mom and Dad,
Well, I'm not sure if I'd rather be in the hold of the ship or where I am now. It has been raining since we came ashore yesterday afternoon and to add to the discomfort it is about 60 degrees, which is very cold compared to Okla. Everyone froze last night. I have only two blankets and you know me when it comes to sleeping warm. What a night!

I'm surprised at the country, though I'm not sure why. It's just the idea of having buildings standing, the people happy and settled, a train whistle and other little things like that. The people dress quite well and are clean which makes a lot of difference. There are some American cars here and most of them have the steering wheel on the right side. We are situated on the outskirts of town and close to the piers. There is a 30-foot tide here and they say that is very large.

We have a lot of fun trying to talk to the civilians; the kids can say Hello, which is the extent of their knowledge in English, but I can't say as I even know their equal to Hello. They'll trade things for cigarettes and candy and I'm sure we don't get the better of the deal.

The change in climate is about killing most of us. Four in this tent are trying to keep warm in bed. I expect snow tonight! We were hoping that we might have buildings to sleep in but no—just tents so far. It's a rugged life. The latest rumor has it that we are going to move into a warehouse as soon as they get the silver out. I haven't written anyone for about two weeks now so just tell them that I'm still sweating it out.

The way I figure it I'll be over here another year and a half. I hope everything is OK at home. I suppose Barb is back in school now—I really envy her. That's about all for this time but I'll try to write as soon as we really get situated. Love to all.

Bob.

"Club 15" Is Organized By High School Youth

A meeting was held at Chelsea public school last Thursday night, for

a discussion by some of the teachers, parents and pupils on "what the youth recreation may be on the week-end nights."

There was discussion on — what nights to have special recreation, what age to be included, the use of the organization, and what the organization is to be called.

It was planned that if there was no other entertainment on Friday or Saturday nights there would be dancing, hayride, roller skating, etc. The club, to be known as "Club 15," consists of pupils fifteen through eighteen, and is being organized so that the pupils won't be loitering on the streets and to help each other become acquainted. It is hoped the pupils will participate willingly. Watch for further information.

Mrs. Lewis Noll is a patient at St. Joseph's Mercy hospital, Ann Arbor.

Reports by chairmen of various committees were given. Thank-you cards from Mr. and Mrs. Harold Wahl, Rev. and Mrs. Lewis Green and Mr. and Mrs. Willis Heydlauff were read by Mrs. L. Loveland. Plans were made to have a chicken dinner at the church on Thursday night, Nov. 1.

The program, "Women in the Working World," was in charge of Mrs. G. Rentschler; "Women Employed Outside of the Home," Mrs. Don Waters; "Why a Woman Works," by Mrs. Truman Lehman. Closing prayer in unison. Lunch was served by the hostess. Election of officers will be held at the November meeting.

PTA POT-LUCK

October 17, at 6:30 o'clock, at the school, is the date set for the big PTA pot-luck. The main dish will be delicious chop suey, so all you have to do is bring any kind of dish to pass, with either bread or rolls, together with your table service.

In order to accomplish anything in our PTA we must have more persons and parents who are sensitive to the needs of children so that the school environment will be safe and wholesome. Therefore, this October meeting is set aside by the State organization for a membership drive. We would like to have you attend the PTA pot-luck—if not possible, come to the business meeting following. Remember, we can't afford to be apathetic about our children and their school.

VETERAN NEWS

from the
OFFICE OF VETERANS' AFFAIRS
Lansing

A basic principle underlying the local counseling center is the utilization of existing agencies whether they be federal, state or local, public or private.

In this connection too much praise cannot be given the American Red Cross for the fine way in which it has cooperated in the program for the veteran.

At the inception of the state's program representatives of the mid-western area offices at St. Louis, Missouri came to the Executive Office and offered complete cooperation. The Dearborn offices at the Veterans' Administration Facility have been most helpful at all times and the state director has participated in most all counselor training courses conducted by the Office of Veterans' Affairs.

The American Red Cross Camp and Hospital Councils have rendered invaluable services to the Michigan Veterans' Vocational School at Pine Lake. Many comforts now enjoyed by the veteran students were made possible by the Red Cross.

As the rate of discharges steps up mounting social problems face the communities of Michigan. Again the philosophy of the Michigan Plan of Veteran Assistance proves its soundness. Only by all agencies working together in harmony can the problems be successfully met.

Here the Red Cross plays an important role. The Home Service section makes available assistance to dependents of veterans, assists veterans in preparing and filing claims, against the Veterans' Administration, assists in making family and social adjustments, expends funds for relief and in many other ways makes the road back easier for the veteran.

In addition to the many services rendered to veterans, their families and dependents, the American Red Cross ranks in first place as the friend of service personnel. Their activities in this field of endeavor run the gamut of need for assistance from the family hearth to the battle field and prison camp.

CARD OF THANKS

I sincerely wish to thank my friends, relatives, and lodge members for so kindly remembering me with gifts of fruit, flowers and cards during my recent hospitalization.

Mrs. LeRoy Mayer.

Passengers' choice for the Coach of Tomorrow

When New York Central asked wartime passengers to become its post-war plans committee... tens of thousands responded. Eagerly they answered questionnaires... voting on newly developed ideas... choosing from features found on Central's latest equipment... giving the Railroad the best possible guidance in planning its finer Trains of Tomorrow.

Here's how they voted on coach travel

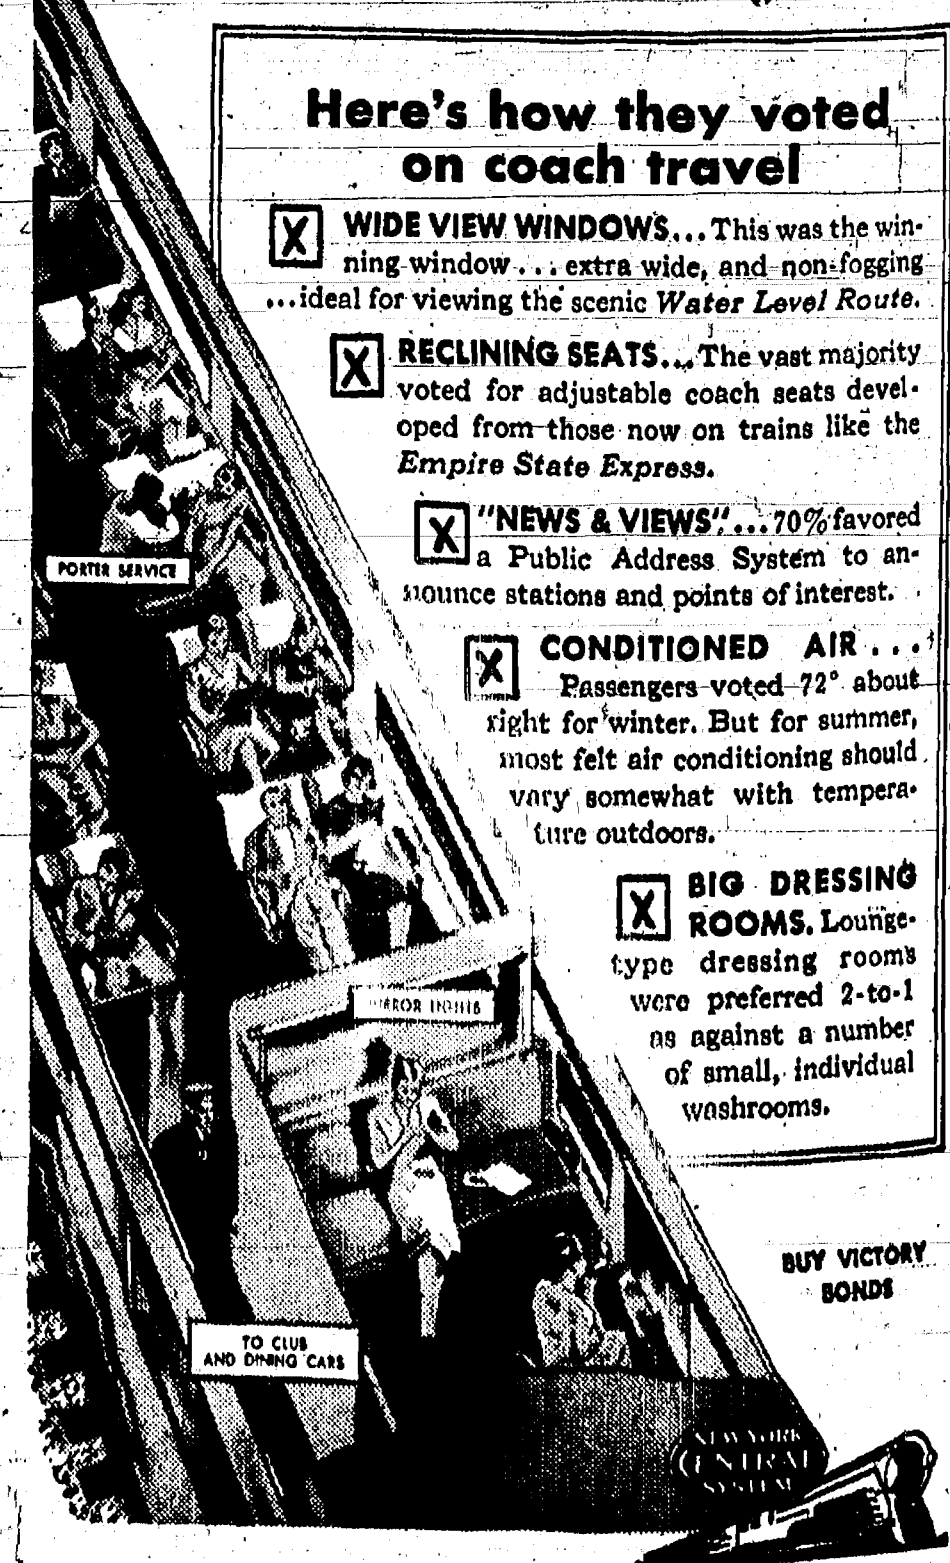

☒ **WIDE VIEW WINDOWS...** This was the winning window... extra wide, and non-fogging... ideal for viewing the scenic Water Level Route.

☒ **RECLINING SEATS...** The vast majority voted for adjustable coach seats developed from those now on trains like the Empire State Express.

☒ **"NEWS & VIEWS"...** 70% favored a Public Address System to announce stations and points of interest.

☒ **CONDITIONED AIR...** Passengers voted 72% about right for winter. But for summer, most felt air conditioning should vary somewhat with temperature outdoors.

☒ **BIG DRESSING ROOMS.** Lounge-type dressing rooms were preferred 2-to-1 as against a number of small, individual washrooms.

The bride, given in marriage by her father, was lovely in a white satin gown fashioned with a drop yoke of net, edged with lace, and a full net skirt ending with a train. Her fingertip veil fell from an orange blossom tiara. The bridal bouquet was of white roses and pink snapdragons, and tied with white satin ribbon.

Miss Florence Helm, chosen as maid of honor, was gown in a floor length dress of aqua and carried a bouquet of pink roses and white mums held by pink ribbons. Bridesmaids were a cousin, Barbara O'Hara, and Miss Donna Burman, both of whom wore pink floor length dresses, and carried arm bouquets of talliesman roses, with bronze mums and blue ribbons. All three attendants' costumes included shoulder length veils of net, in colors matching their gowns, and falling from flower bandeaus, the flowers corresponding to the ones carried in the bouquets.

Serving as groomsmen was the groom's brother, Lehman Wahl, and the ushers were a brother, Richard Wahl, of the U. S. Navy, and Thomas Merkel.

During the mass, Mrs. J. Vincent Burg, accompanied by Mrs. George Clark at the organ, sang three solos, one of them being the Ave Maria. Mrs. Clark also played the traditional wedding march by Lohengrin.

Following the ceremony a wedding breakfast, for members of the immediate families, was served in the school hall, at tables attractively decorated with white mums and tapers.

The bride was graduated from the Chelsea high school with the class of 1941 and until recently was employed by the Federal Screw Works. The groom is employed by his father.

HOLD DINNER MEETING

The annual dinner meeting of the Chelsea Study club, given by the members for their husbands and guests, was held at St. Paul's hall on Tuesday evening, October 9. A delicious three course dinner was served at 7 o'clock by the Women's Auxiliary. Covers were laid for 45.

Following the dinner a short business meeting was held. Mrs. W. H. Skentelbury introduced the guest speaker, Mrs. Robert Poucher of Dundee. Mrs. Poucher gave a most interesting and unusual talk on Guatemala. She had many curios, blankets and dolls on display. These articles depicted the life and customs of the people of Guatemala.

The next meeting of the club will be on Tuesday evening, October 23, at the home of Mrs. Kent Walworth.

Report cards will be issued next Wednesday.
Football team plays Flat Rock there tomorrow night.

MANNERS

Last Thursday five girls and five boys met to decide in what way the manners at school and at parties could be improved.

Some suggestions given to the boys were: Don't greet girls by slapping them on the back as if they were some lifelong-old chum. Do open doors for the girls. Most of them really appreciate it even if there are a few who forget to thank you.

Some suggestions given to girls were: Don't wear boys' dungarees and men's shirts (with the tails out) up town. One boy said that he didn't like to see girls wearing shorts up town. When he was asked if he meant that he didn't like to see a girl in shorts—all was quiet. Show some appreciation if a boy helps you off with your coat and opens the doors for you, etc.

Suggestions to both boys and girls were: Try not to bump into people in the halls and if you do happen to, remember to apologize. Also, remember your manners at assemblies. Use your own good judgment and always be considerate of other people. Remember, politeness is to do and say the nicest thing in the nicest way.

ASSEMBLY

A pep meeting was held under the auspices of the Juniors on Friday morning in the study hall. A few of the teachers and several of the team gave comments about the coming game with Dundee.

A unique and persuasive skit was put on by Therese Lyons and Tom Smith, assisted by Elaine McClear, to advertise the Hot-Dog Stand sponsored by the Seniors.

The cheer leaders led the school in some cheers and the meeting was dismissed.

Before a very large home crowd Chelsea overpowered a tough Dundee team 13 to 6 last Friday. Chelsea won the toss and elected to defend the south goal. Dundee elected to kick and when the ball was kicked out of bounds it was brought back to the Chelsea 40. Chelsea failed to make a first down. "Bug" Slane punted into the end zone, therefore the ball was brought out to the 20. Dundee was forced to kick after failing to make a first down, and when "Bug" Slane fumbled, Dundee recovered on our 34 yard line. Chelsea's line showed its superiority by holding the big Dundee team and forcing them to punt to our three yard line. On the first play "Bug" Slane went off tackle to our 39. Then after a gain and a penalty "Popeye" Slane on a double reverse made a beautiful 55 yard run for Chelsea's first score. Baldwin's kick for the extra point was good. Dundee elected to kick. Then the quarter ended.

During the second and third quarters neither Chelsea nor Dundee could score although the Bulldogs had several scoring opportunities. In the second quarter Knickerbocker passed to Colquhoun but interference was called on the play. There was only one more scoring opportunity, but this failed.

In the third quarter, Knickerbocker intercepted a pass and ran sixty-five yards but a trip-up by the Dundee quarterback stopped him on the 25. Chelsea advanced to the Dundee eight as the quarter ended. Then "Popeye" Slane ran off tackle for Chelsea's second touchdown. The kick failed.

Dundee's scoring came when Wilcox passed to Olderkirk for the score. The kick was no good.

Chelsea's line showed some superiority over a much heavier Dundee team. Wellnitz, Waters, Barth, Breitenwischer, Colquhoun, Burg, Baldwin, and Daniels showed up very well on defense. Burg, Wellnitz, and Baldwin showed exceptional improvement over last week.

Next week Chelsea will play a night game at Flat Rock. This game should be one of the finest games of the year, between two undefeated teams. It deserves a large attendance.

WHAT THIS COUNTRY NEEDS IS FOR ALL ITS PEOPLE TO USE THOSE YELLOW PAGES OF THE TELEPHONE DIRECTORY FOR BUYING INFORMATION

America heard her cry

OUT of what the Nazis left of Holland—the half that was still above water—came a desperate cry for help last Spring.

The Germans had taken everything—even the blankets off the sick in hospitals. They took so much food that 125 children a week were dying of hunger in Rotterdam alone. Thousands of other children were too weak even to take food.

Dutch doctors needed a new drug, called *protein hydrolysate*, which, when mixed with blood plasma and injected into the veins, could keep these children alive until they were strong enough to eat.

They sent a desperate cable to American Relief For Holland. Within 48 hours, supplies in this country and England were bought, loaded into a transport plane and sent on their way.

And the light came back into thousands of children's eyes. And into the eyes of many other people.

For, in the midst of their despair, standing in the rubble of their broken cities, this gift from America gave the Dutch new faith in mankind. It is desperately important—to their future peace and to ours—that they should have such faith.

Restoring hope to thousands who have been beaten down by the Nazis and the Japs is the job of the various allied war-relief agencies that are members of the National War Fund.

When you give to this cause through your Community War Fund, your hand doesn't stop here. It helps hand lonely G.I.'s a laugh, by sending U.S.O. entertainers overseas. It provides foster parents for the children of service men whose homes have been disrupted by war conditions, sends a visiting nurse to a new baby. In one way or another, it reaches into the lives of millions.

When an American from your Community War Fund calls at your home, let your dollars express your belief in democracy—and help others to believe in the American way.
