Night Football Game Is Scheduled for Nov. 8

Citizens of Chelsea will have an opportunity to see the first night football game played here on Thursday evening, November 8, with University High of Ann Arbor furnishing the opposition. Both teams are in the first division of the Huron League standings and from all indications the teams are very evenly matched.

The game is scheduled to start at 8:00 o'clock, with dedication ceremonies preceding the start of the contest. A complete program for the evening will be announced in the next issue of The Standard.

Special tickets are being printed and sold in advance of the game, and to avoid standing in line at the field, fans are urged to purchase their tickets before Thursday night. Tickets may be purchased from members of the football team.

Installation of the lighting fixtures and wiring will be completed at the field within the next few days. The poles were set several weeks ago.

WRC Presents Flag To Chelsea Post of VFW

At an open meeting of the V.F.W. held at St. Mary's hall on Wednesday evening, October 24, the Women's Relief Corps presented the Post with an American flag.

Mabel Bair, president of the Corps, assisted by her color-bearers, Flora Weber, Catherine Hafner, Ida Damon and Nellie Whitmer, and the patriotic instructor, Blanche Mohrlock, made the presentation, which was accepted by Commander Charles Ritter.

Myrtle Price led the prayer, the National Anthem was sung by the assembly of Relief Corps members and the Auxiliary ladies.

The Post voted to place on a plaque the name of the Corps and the date of presentation.

Victory Loan Drive Is Under Way In Chelsea

With George Doe as chairman, the Victory Loan drive is getting off to a good start in Chelsea. Mr. Doe has distributed supplies to factories and solicitors, and everyone will have the opportunity to purchase bonds in the nation's last bond drive.

Chelsea's quota in this drive is \$210,000, which includes \$50,000 in E bonds, \$25,000 in other bonds to individuals, and \$135,000 corporation bonds.

Although the drive officially closes on December 8, all bonds purchased during the month of December will be included in the quota.

Be thankful this isn't a "War Bond" drive—Buy "Victory Bonds!"

BELIEVE IT OR NOT (With Apologies To Ripley)

A few weeks ago The Standard published a cartoon by Ripley, which pictured Pfc. Arthur Anderson of St. Paul, Minn. being saved from serious injury or perhaps death from shrapnel which hit a Bible in his breast pocket.

This cartoon reminded Mrs. F. S. Armstrong, of the Chelsea Greenhouses, that she had as a keepsake a small Bible which had saved the life of her father in a similar manner during the Civil war.

Inscribed in this Bible is the name of Mrs. Armstrong's father, Joseph H. Brownell, and "this Book was wounded at Salem Church, Va. on May 23, 1864, while in my pocket." The corner of the Bible was cut-off cleanly by the bullet, which glanced and went through his left arm, again glancing so as to cause a hip wound. Mrs. Armstrong also has the flattened bullet which caused the injury.

Mr. Brownell was in the Union army for four years and this was the only wound suffered, although he had a close call when his horse was shot from under him in one battle. His home was in York township, Mooreville, Mich.

THIEVES BUSY SATURDAY

Two local business places were burglarized Saturday night. The office of the Chelsea Lumber, Grain & Coal Co. was entered by breaking a basement window and a panel from the door leading upstairs. The new garage of Harper Sales & Service was entered by breaking a window in the back door. A small amount of change was taken from each place.

COUNSELING CENTER IN A. A.

Wm. G. Kolb, who has had charge of veterans' counseling in Chelsea, announces that in the future all counseling of veterans will be done at headquarters in Ann Arbor. The board of supervisors have voted funds to help employ a full time veterans' counselor in Ann Arbor.

CELEBRATE HOMECOMING

Celebrating the homecoming of their son, Tech. Sgt. Wilbur Keizer, of Dansville, who has received his honorable discharge after 18 months in the service, Mr. and Mrs. Ralph Keizer entertained at a family dinner on Sunday at their home on Waterloo Rd., with covers for 21.

MEN IN SERVICE

T-Sgt. Walter A. Hinderer arrived home on October 18 for a ten-day furlough at the home of his parents, Mr. and Mrs. J. Geo. Hinderer, of Freedom township, after which he will report back to Fort Sheridan, Ill. for his honorable discharge from the army.

Sgt. Hinderer entered the service on Aug. 7, 1941, going first to Camp Grant, Ill. and from there to Fort Monmouth, N. J. for training, leaving from the New York port of embarkation Feb. 18, 1942, and arriving in London, England, on March 3. Here he was assigned to duty in the Signal Corps communication center and worked in the Cryptographical section of the London Signal Center and later was placed in charge of it.

His entire tour of duty kept him in the west end of London, where he lived through the terrible bombings by V-1's in 1942 and 1943, and later the more terrific V-2 bombings of 1944 and part of 1945. On Dec. 8, 1944 a bomb was dropped which landed just across the street from his headquarters.

He left London on Sept. 21 and docked in Boston on Oct. 16.

Sgt. Hinderer was graduated from Chelsea high school with the class of 1934 and from the Cleary Business College, Ypsilanti, in 1935.

Lakehurst, N. J., Oct. 26.—Wave Jean Catherine Sorensen, 22C, daughter of Mr. and Mrs. E. B. Sorensen of Chelsea, Michigan, who entered the U. S. Navy in May, 1945, has completed training in weather observation at the Naval Aerographer's School here at the Naval Air Station (Lighter-than-air).

The school trains sailors, marines, coastguardsmen and Waves in a three-month course. Women reservists are assigned to duty as observers at shore bases, relieving men for sea duty.

The course includes meteorology, weather codes and mapping, map analysis, balloon sounding, and typing. In a weather observatory maintained by the school, trainees stand watches just as they will later do on active duty, with expert aerographers directing their work.

T-4 Carlos C. Barker, of the Field Artillery, received his honorable discharge on Oct. 18 and returned to the home of Mr. and Mrs. A. B. Shutes, where he resided before entering the service.

T-4 Barker was inducted on Oct. 16, 1941 and received training at Fort Sill, Okla. and Fort Ord, Calif., before going overseas on March 8, 1942. He was stationed in the Hawaiian Islands for two years, later participating in the Salpan, Tinian and Okinawa campaigns. He was awarded two bronze campaign stars and the arrowhead for the Salpan landing.

T-4 Barker served as radio technician for the four years of his service. He returned to the States aboard the U. S. S. General Martin troop transport, landing at Tacoma, Wash. on Oct. 8.

With the 97th Infantry Division, Kumagaya, Japan, Sgt. Eugene Martin of Route 2, Chelsea, has been promoted to Staff Sergeant as supply sergeant of his company of the 386th Regiment of the 97th Infantry Division, serving as an occupation unit on the island of Honshu, Japan.

Inducted in April, 1944, Sgt. Martin took an armorer-artificer's course at the Infantry Replacement Training Center, Camp Roberts, Calif., prior to reporting to the 97th Division at (Continued on page five)

Group Meets To Plan Organization of PTA

Twenty-eight parents and teachers were present at a meeting held in the agriculture room at the high school Monday night, October 29 for the purpose of organizing a Senior P.T.A.

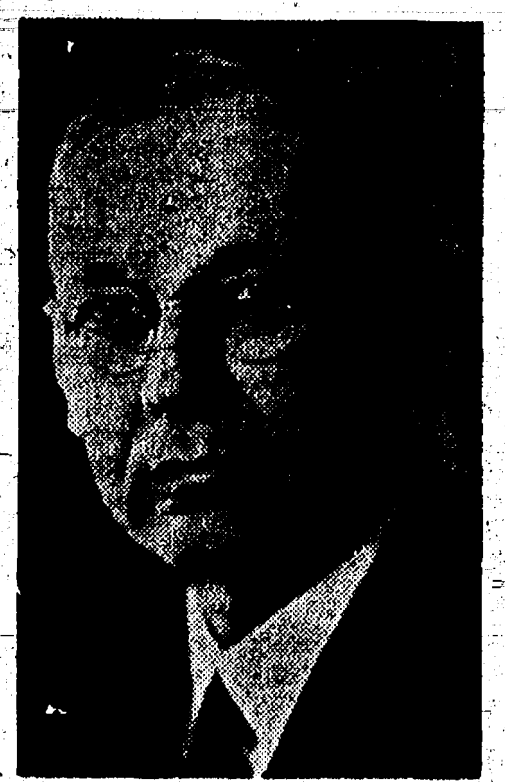

Miss Mabel Fox opened the meeting and asked that a presiding chairman be nominated. Mrs. H. T. Moore being named. Mrs. Lyle Christwell acted as secretary. Mrs. Moore explained the purpose of the P.T.A. and had on display literature from National and State headquarters.

P. F. Niehaus, Mrs. G. A. Barlow and Miss Beam were elected to act on the nominating committee to secure officers for the ensuing year. Mrs. J. V. Burg, Mrs. P. F. Niehaus, Miss Fox and Mrs. H. T. Moore were elected on the By-Laws committee. Mrs. T. Vail, A. C. Johnson, Mrs. K. Proctor and Miss Schell were elected on the publicity committee.

It was voted to hold the meetings the first Monday night of each month at the high school. The first meeting will be held Monday night, Nov. 5 at 8 o'clock, at which time there will be election of officers, and Mrs. Glen Parker, district director of Michigan P.T.A., will be the guest speaker. Refreshments will be served at the close of the meeting, with Mrs. G. A. Barlow and Miss McMahon being on this committee. Parents and all adults interested in P.T.A. are urged to attend. T. C. Smith will act as the presiding chairman at this meeting.

Lieut. Governor Brown To Address Men's Club

Lieut. Governor Vernon J. Brown will be the speaker at the initial meeting of the Congregational Men's Club, to be held in the church dining room on Wednesday evening, November 7. Mr. Brown served many years as a member of the State Legislature,

VERNON J. BROWN

later as Auditor General, and was elected Lieutenant Governor last November.

Newly-elected officers of the Men's Club are: President, David Beach; vice-president, Irwin Nothnagel; secretary, Pearl Whipple; treasurer, R. A. McLaughlin. Next Wednesday's business meeting and program will be preceded by a dinner to be served at 6:45 by ladies of the church.

Village Officials Ask That Leaves Be Burned

With the village blanketed with an unusually heavy fall of leaves, village officials ask that all who can do so, please burn their leaves in driveways and gardens. Burning of leaves on blacktop surfacing is prohibited because of heat damage to the surfacing.

Cooperation of the public in disposing of leaves is asked because of the manpower and truck shortage—and in addition, the village fathers point out that the soft glow of burning leaves in the quiet of the evening hours makes a perfect setting for roasting marshmallows and roasting delicious hot-dogs.

Where it is absolutely impossible to burn the leaves, trucks will be provided to remove them.

State Farmers' Guild To Hold Convention Here

The State convention of the Michigan Farmers' Guild will be held at St. Mary's hall, Chelsea, on November 8 and 9.

Dean Anthony of Michigan State College and E. H. Everson, Commissioner of Agriculture of South Dakota, will speak Thursday evening at 8 o'clock. This meeting will be of interest to everyone and is open to the public.

BOOK WEEK

Book Week is a community festival: like a county fair, it touches on the interests and enthusiasms of every person and every organization. It involves them all through the greatest cultural force in democratic life—books. Since the start of Book Week in 1919, interest in its celebration has spread throughout the United States. Now its influence is being felt internationally as well.

Fittingly enough, this year's theme is "United Through Books."

Book Week will be observed November 11-17 and locally there will be window displays, school observation and an evening lecture at the library. But more about these next week.

Today we want to tell you about the speaker. Fortunately, indeed, is Chelsea to have again Dr. Leonard A. Parr of the First Congregational church at the University of Michigan, who has delighted audiences here in the past. Dr. Parr will speak on "An Evening in the World of Books," November 13, at 8:00 o'clock in evening, at the Chelsea Public Library. Dr. Parr comes under the auspices of the Chelsea Study Club and the Lit'ary. The public is cordially invited to attend.

ATTEND DISTRICT RALLY

Post Commander Charles Ritter of the Chelsea VFW Post, Mary Birch, Magdalen Weber, Anna Werner, Dorothy McClear and Pearl Alexander attended the Fifth District rally for Posts and Auxiliaries, held Sunday at Pontiac.

NOTICE TO BASKETBALL PLAYERS AND MANAGERS

There will be a meeting at the Chelsea high school Thursday, Nov. 1 at 8 p.m. All interested in playing basketball or entering teams, please attend.

Mrs. Margaret Welch-Reilly died about 11:30 o'clock Friday evening at the home of Mr. and Mrs. Warren Daniels, from burns she received from an explosion of coal gas in the furnace. Neighbors were attracted to the place by her screaming but were unable to smother the flames before serious burns were inflicted. She was taken to the Daniels home and a physician was called, but the burns were so deep it was impossible to save her life. Margaret Welch was born in Sylvan, April 19, 1846, a daughter of one of the first settlers of the township, and was the last surviving member of the family. She was united in marriage with Luke Reilly in 1886. Rev. Father Van Dyke conducted services, with interment in St. Mary cemetery, Sylvan.

Born, Monday, Oct. 31 to Mr. and Mrs. Clarence Lehman, a daughter, Virginia Marie.

G. Heller had his left arm badly injured Saturday when he was kicked by a horse.

The new concrete pavement has been completed beyond Sylvan Center. A new steam heating plant has been installed in the Crescent Hotel.

Mr. and Mrs. Gottlieb Heller are the parents of a daughter, Dorothy Marie, born Oct. 29.

On Friday afternoon Frank Leach and Leigh Palmer captured two men who had broken into Palmer's garage. Mr. Leach caught the men hanging around the garage and asked them what they wanted, and received the reply "nothing." He ordered them to stop as they were under arrest, when both started to run south. They were met at an alley by Leigh Palmer. Mr. Leach told Leigh to catch the smaller one and he pursued the other. Ordinarily Frank is a very good runner, but was somewhat handicapped by his overcoat. After chasing the man through several yards on East street and falling over several fences he landed his man near Tommie McNamara's barn. Palmer after a lively race landed his man also, who proved to be Frank Bellamy, a former Flanders Mfg. Co. employee. Reanes, Leach's captive, gave his address as Hillsdale and Detroit, and is wanted in both Jackson and Hillsdale. It is thought that they were after auto supplies which they could sell.

The contract for supplying gas for use in Chelsea has been awarded to the Ann Arbor Gas Co. by John B. Cole, who was granted a franchise at a special election. The gas will be piped from Ann Arbor by way of Dexter and Gray Village.

Mr. and Mrs. E. E. Winans have moved into their new home on the corner of Madison and Adams streets. Married, on Wednesday evening, Nov. 1, at the home of the bride's father, Miss Blanche Wortley and David Mohrlock.

W. H. Laird and Son sold over 1100 bushels of apples from a four acre orchard. Spraying did the trick.

VETERAN NEWS

from the
OFFICE OF VETERANS' AFFAIRS
Lansing

U. S. Civil Service Aids to Veterans
In line with the expressed desire of President Truman, the United States Civil Service Commission, feels a keen responsibility in its obligation to give all possible assistance to returning veterans, who are eligible for benefits, in accordance with the Veterans' Preference Act of 1944.

With increased demobilization the federal Civil Service Commission appointed Horace Parrish as Veterans' Federal Employment Representative, and through this office, he is rendering a service to all veterans, including the physically handicapped, who are interested in employment on the federal level or who are seeking re-employment in federal service.

The Federal Employment Representative is located in Detroit and his service to veterans is functioning efficiently, so as to develop its maximum usefulness for an over-all veterans' program in the state of Michigan which will enable the veteran to receive all consideration in their interest for federal employment.

Mr. Parrish is well qualified for this work. For the past fourteen years he has been State Service Officer for the American Legion, Department of Michigan and has done an outstanding job for the veteran.

All necessary information regarding the veterans' return to Federal Civil Service can be obtained by contacting the 7th U. S. Civil Service Region, Room 402, Federal Building, Detroit.

GOOD RURAL LINE NEIGHBORS share the wires

THERE are more telephones today on most rural lines than before the war.

This is because there were so many "war-essential" rural folks who had telephones installed. And because of shortages of materials and manpower, we weren't able to expand the system sufficiently.

Now that the war is over, we are resuming our rural expansion and improvement program. As sufficient trained manpower and materials become avail-

able, we shall be able to add enough new lines so there again will be fewer telephones per line.

Meanwhile, the best way for everybody to have good service is to treat his telephone neighbors as he himself would like to be treated: keep all calls short... avoid listening in or interrupting when the line is in use... hang up the receiver carefully. One receiver off the hook can tie up a whole line.

Dexter Man Is Member Of Washtenaw F.S.A.

The appointment of Walter Mast, R.F.D. No. 2, Dexter, as a new member of the Washtenaw County Farm Security Administration Committee was announced today by County Supervisor, Max L. Onell. He joins C. A. Carr, R.F.D. No. 1, Saline, and E. P. Hollner, R.F.D. No. 5, Ann Arbor, present members of the committee.

The committee will carry heavy responsibilities in the re-establishment of veterans on Washtenaw County farms, Mr. Onell, new Supervisor for Washtenaw County, said, since they will play prominent parts in three separate programs set up to aid returning servicemen.

Under the GI Bill of Rights, the committee will certify all agricultural GI loans made in Washtenaw County, reviewing them to protect the veteran against an unwise or over-priced investment in farm land or equipment.

In addition to the GI Bill, the committee is also responsible for approving the eligibility of veterans who apply for aid under the standard FSA program for operating and farm purchase loans. The new \$25,000,000 program of Farm Ownership Loans to experienced farmer-veterans, which began July 1, is expected to be a major part of FSA's aid to veterans during the next 12 months, Supervisor Onell explained.

Mr. Onell praised the retiring members as "public spirited farmers who have given unselfishly of their time and efforts in these busy days."

Committee members meet regularly in the FSA office at 201 E. Liberty street, Ann Arbor, to review the qualifications of all applicants for Farm Security loans—veterans or civilians—and to assist farmers in skillfully planning farm operations for maximum production and efficiency.

"The work of these county committees has been a big reason for the success of FSA's operations in Washtenaw County," Supervisor Onell said. "The time and thought they have given to the problems of their fellow farmers have spelled the difference between success and failure of many families. I want to publicly express my thanks for their hard work and fine spirit." The committeemen are all successful farmers in Washtenaw County.

Recently an Associate Supervisor (Home), Eulalia S. Toms, has been appointed to help families with home management problems.

Veterans and other farm families needing assistance are invited to call at the FSA office, 407 S. Jackson St., Jackson, Monday through Friday, 8:00 to 5:00. The Supervisor's office day is Wednesday, 8:00 to 5:00. The Ann Arbor office is open from 2:00 to 4:00 every Monday.

2 EXTRA YEARS

FOR YOUR TRACTOR

Surveys show that the average farm tractor will last two extra years if it is operated carefully and lubricated properly. Moreover, it will do more work with fewer breakdowns.

To help you get those extra years of good work from your tractor, use Sinclair Pennsylvania or Opaline Motor Oil to save wear on the motor. These famous oils lubricate better and last longer because they are expertly refined from oldest, mel-lowest crudes, then de-waxed and de-jellied by an extra refining process. Extra Victory Bonds are on sale. Bankers will say that they are the best investment ever offered you. The GLs in conquered Tokyo and Berlin will say that today is a moment for you to show that you are keeping faith. The economist will say the Victory Loan is the opening of the front's greatest anti-inflation offensive.

Gamble, National Director of the War Finance Division, declares that millions of volunteers are in action with inexhaustible supplies of an incomparable product to sell fellow Americans.

The Victory Loan is all of these things. It represents your will to help the government pay off war costs, care for the wounded, maintain our troops abroad, finance the return to civilian life of millions of fighting men.

From every angle, you will be serving your own best interest by seeking out the nearest Victory Bond salesman. You can't buy too many or too often for your own good.

Teachers Are Advised On Control of Disease

Each fall communicable diseases increase with the opening of school. The best way to control these diseases is pointed out in the following article taken from the September issue of "Michigan Public Health," official bulletin of the Michigan Department of Health.

"Prompt exclusion from school of children who appear to vary from their normal health is obviously the crux of the control of communicable disease in the schools.

"The communicable conditions which present the greatest problems in any school system are, by and large, those that, while annoying, are the least severe and are rarely fatal. In this group fall impetigo, scabies, the common cold and epidemic ringworm of the scalp. Parents of a child suffering from one of these diseases do not feel that he is actually ill and cannot see why he should not be in school. These are the parents who rarely, if ever, take any decisive action in an attempt to free the child of his affliction.

"Acute communicable diseases and diseases which the community fears do not present a problem in excluding children from school; community awareness and reaction make these exclusions acceptable.

"Under the present Michigan regulations, the school teacher has the distinct responsibility of excluding all children who appear to be suffering from a disease which may be communicable.

"It must be remembered that the teacher's responsibility is to the whole school. When he excludes a child, he is merely expressing his opinion that that particular child looks or acts differently than he looked or acted the day before. He is not making any diagnosis. He is still the responsibility of the parents and the family physician or health officer to determine whether the child who has been sent home has a communicable disease.

"Most parents are very much in favor of excluding from school the neighbors' children who have communicable diseases but they are often reluctant to have their own children sent home. Perhaps they feel that they are being criticized and that the exclusion of their child implies negligence on their part.

"That there are parents in every school district who take it as a personal affront if the teacher dares to exclude their child from school reflects a failure on the part of the school system in educating the community to the reasons and need for prompt exclusion. Is it not a function of the school to condition the adults of the community to the point where the teacher will be praised rather than condemned for prompt action?"

CARD OF THANKS

We wish in this way to thank our relatives, friends and neighbors for the many acts of kindness shown our sister, Carrie Oesterle during her hospitalization, and for the flowers sent following her death; Rev. Grabowski for his comforting words, and Mrs. Niehaus for her songs.

Lace Tablecloths
Remove all stains before washing lace tablecloths. Soak the cloth in warm water for a short time in neutral soapuds. Squeeze water through the cloth carefully and rinse thoroughly in warm water. If placed in a cloth or net bag the tablecloth can be given a few minutes in the washing machine. If cloth is to be hung up, squeeze the water out gently and shake well first. To stretch the cloth, do not squeeze water out, but stretch while very hot.

USES Finds Jobs For 39 Vets Last Month

The United States Employment Service brings more than ten years of experience into its new assignment of finding jobs for physically handicapped veterans of World War II. Lawrence Hamberg, manager of the USES office in Ann Arbor stated in announcing a total of 39 placements of veterans through the service during the past month.

Pointing out that the number of civilian workers who become handicapped for jobs annually exceeded the wartime military casualties resulting in occupational disability, Mr. Hamberg said the USES has developed special selection and placement techniques for matching workers with the jobs they are able to perform and in which their physical impairment is not an impediment on the job.

"The employment service aims to select occupations to match the physical abilities of the applicant and to find jobs which the handicapped person can perform despite the physical limitation," Mr. Hamberg said. "With the USES given responsibility in all communities for assisting veterans to find suitable employment to only limit our capacity for placing them will be the limitations placed by those who have jobs to offer."

He invited all employers in the Ann Arbor area to file specifications of their job opportunities with the USES office at 312 East Huron street, and to indicate a willingness to employ physically handicapped workers when such workers are qualified for the job.

JOIN IN 'FRIENDSHIP NIGHT'

Members of the local Pythian Sisters were invited to join with other chapters in the District for a Friendship Night on Tuesday, October 23, at the Pythian Temple, Jackson. Those who attended from Chelsea were Stella Mananus, Neva Prudden, Etta Brooks, Cora Metzger, Bernice Boyd, Martha Weinmann, Peggy Pierce, Agnes Lantis, Mary Beal, Amanda Koch, Eleanor Wenk, Laura Hieber, Clara Hutzler, Louise Bagge, Amy Gentner, Mildred Weinberg, Esther Hayes and May Luick. A pot-luck supper at 6:30 was followed by an enjoyable social evening, and each district put on a short play as a contribution to the entertainment.

'Love Apples' Were Tomatoes

Tomatoes have been used in this country as an edible fruit since early in the 19th century when people discovered they were good to eat and began using them as a food. Previously, they had been considered poisonous and were thought to be only decorative plants of the flower garden called "love apples."

Girl Scout News

Girl Scouts, with their leaders, observed Sunday, the beginning of National Girl Scout Week, as their annual "Go to Church" Sunday, by attending church service in a body, in uniform. Services were held at St. Mary's church, with ten from the group attending, and at the Methodist church with an attendance of forty.

Scouts have also been placing special emphasis on Scouting this week by attending school in uniform.

As a climax to the week's activities a party will be held for all Girl Scouts and Brownies at the gymnasium on Saturday afternoon from 2:30 to 4:00 o'clock. This party will be in commemoration of the birthday of Juliette Lowe, National Girl Scout Founder.

\$1,000,000 Given MSC For Rural Education

Dr. John A. Hannah, president of Michigan State college, announces that the W. K. Kellogg Foundation, of Battle Creek, has granted the college up to \$1,000,000 for developing a program in continuation education, designed to improve living, cultural, health and economic conditions in rural and small town areas.

Another gift, amounting to not less than \$100,000 has been received from the American Hotel Association to pay for inn facilities which will be operated by the MSC department of hotel administration as a part of the project.

The board of trustees of the Kellogg Foundation agreed to contribute to the program in continuation education a sum not to exceed \$1,000,000 over the next five years. Of this amount, \$750,000 is to be used for construction, equipment and development of facilities, and \$250,000 for developing the program and employing necessary personnel for its operation.

An adequate building will be constructed on a six-acre site adjoining the campus. This property is now being purchased by the college at a cost estimated to range from \$150,000 to \$175,000. The building will house class rooms, laboratories, auditorium, lodging and feeding facilities for those attending conferences and short courses; laboratories, lobby, recreation rooms, living rooms and dining rooms for testing hotel goods such as fabrics, soaps, paints, varnishes and appliances.

Dr. Emory W. Morris, director of the Kellogg Foundation, said the pioneering program is designed to provide educational opportunities on a non-credit basis. Out of this, Dr. Morris believes, there will develop an experience which will be utilized on a national basis for rural and small town communities.

"Short courses have been carried on at Michigan State college for more than forty years and our experience has indicated their great value," President Hannah said. "For 18 years hotel administration courses have been offered and it is now necessary that more adequate facilities for teaching and laboratories be provided. It seems a most logical arrangement to plan a facility that will provide housing for both programs."

Construction of the new building will begin early in 1946.

CARD OF THANKS

I wish to thank everyone that sent me cards, letters and flowers during my stay in the hospital. They were all very much appreciated and helped to pass many long hours.

Number of Farms In County Shows Decrease

The number of farms in the County of Washtenaw, State of Michigan, as shown by the preliminary count of returns of the 1945 Census of Agriculture was 3,074, as compared with 3,363 in 1940, and 3,506 in 1935. This was announced by Vester E. Mock, supervisor for the 1945 farm census in the Fifth Michigan Census District with headquarters at Lansing, Michigan.

The total land in farms in Washtenaw County, according to the preliminary 1945 census count, was 375,981 acres, as compared with 368,518 acres in 1940, and 402,780 acres in 1935. Average size of farms shown in the preliminary 1945 census count for

Washtenaw County was 122 acres, as compared with 110 acres in 1940, and 115 acres in 1935.

In announcing the 1945 census totals of farms and land in farms in Washtenaw County, Supervisor Mock pointed out that the figures are preliminary and subject to correction. Final tabulations of Washtenaw County farm census returns will be made by the Bureau of the Census and announced from Washington when completed, Mr. Mock said.

THANK YOU

I wish to sincerely thank my friends for their many acts of kindness during my stay in the hospital and since my return home.

Mrs. Louis Noll.

OFFICE NEWS

Our football team plays Milan tomorrow. An All-Hi party afterwards will be sponsored by the Home-Ed club.

University High will play here November 8.

PARTY MANNERS

Chelsea has always been proud of its All High parties. Why should a few people spoil the fun and enjoyment for others? This is the problem and will be unless everyone tries to make it possible to have more parties, by participating in the planned activities and obeying rules. At most parties very good manners seem to be practiced by the majority of the group, but there are a few who consider themselves separate from the others.

URGENT

Students are needed to join the "Club 15." The purpose of this club is to organize the students into one body so they, the students, can have well organized dance parties, hayrides, ice skating parties, hot dog roasts, and many other things that are of interest to the students as a whole.

"How may I become a member of this Club 15?"

You may become a member if you are fifteen and are willing to work to make every activity a big success.

In order for any club to be well managed, it must be in good financial condition, therefore dues must be charged. The dues will be 75¢ a semester, 50¢ of which must be paid in order to become a member.

The club is not organized to make money, but to furnish good entertainment. A slight fee may be charged at every dance to cover the cost.

If at the end of the year there is, say \$100. in the treasury, a dance (with an orchestra) will be put on at which no club member will have to pay.

It is a certainty that this club will be a great success, so all eligible students are urged to join immediately. Membership cards will be issued to each member as soon as possible.

SADIE HAWKINS' DAY

The Home Ed. club is sponsoring a Sadie Hawkins' dance Friday night. Now, girls, let's give her the sharp answer! We would like this great dance to be sort of dress-up. The fee is only twenty-five cents. Where could you have the opportunity to go to such a good Sadie Hawkins dance, other than C.H.S.? Watch for further announcements in school.

PEP MEETING

The Freshmen certainly did themselves proud last Friday when they put on their first pep meeting.

It started off with the cheer leaders giving several cheers which always seems to start the ball rolling. This was followed by talks from Bragdon Barlow, Donald Baldwin, Mr. Cameron and Robert Breitenwischer. Then came a short skit that included a talking football, thanks to Elden Moore.

Next, the scrubs were represented by a talk from Ted McClear. The cheer leaders were called on again and then another very successful pep meeting ended with the singing of the school song.

FRESHMEN YOU SHOULD KNOW

David Haas is 15 years old, is 5 feet 10 inches, has blue eyes and brown hair. The things that are at the top of David's "favorite" list are football, scalloped potatoes, and the song,

"It's Been a Long, Long Time." This is one Freshman, though, who doesn't seem too enthusiastic about C.H.S., and only says, "It is alright, I guess."

Another up-and-coming Freshman is Jim Wencil. He, too, is 15 years of age; has blue eyes, light brown hair, and is 5 feet 7 inches. Jim's favorites in sports are baseball and football; in food, is steak; in popular songs is "My Dreams Are Getting Better All the Time." Using Jim's own words, his opinion of Chelsea High is that he thinks "It is a swell school."

La Vaughn Lentz will be 14 on December 9 of this year. She is 5 feet 3 inches, has brown hair and eyes. Her favorite food is chicken, and her favorite sports are swimming and roller skating. Also, she likes the song, "Till the End of Time." La Vaughn says she likes C.H.S. very much, so that is very encouraging.

HI-Y

At a recent Hi-Y meeting, a program committee and a play committee were appointed. The play committee chairman is Paul Schable. The club expects that a minstrel show will be decided on.

HOME-MAKING CLUB

The Home-making club is giving a Sadie Hawkins party November 2. During the day the girls are going to wear dirndl skirts and ribbons in their hair which will be braided into pig-tails. At night, everyone is supposed to get out his best clothes. The girls can either go stag or ask the boys to the party. They are making the party even more special by having a check room with check girls, Mr. and Mrs. Russell McLaughlin and Mr. and Mrs. H. T. Moore are going to be the parent chaperons.

G.A.A.

Volley ball tournaments between classes start this week. The freshmen will play the sophomores, and the juniors will play the seniors. The winners in turn will play each other on Thursday. The final winner will play the teachers.

The fall sports ended for the girls this week. Basketball will begin soon.

CHELSEA OVERWHELMED

ROOSEVELT-26-6

After suffering their first taste of defeat one week ago Friday afternoon the Chelsea Bulldogs came back and literally overpowered a fighting Roosevelt eleven.

Chelsea received the kick-off and the ball went out of bounds on the Chelsea 42 yard line. Chelsea advanced the ball on a number of plays. Then Dave Slane on a reverse ran 32 yards for a touchdown without any one as much as touching him. Slane then ran over the point after touchdown. Chelsea 7-Roosevelt 0.

Chelsea then kicked off to Roosevelt. Shedd ran the ball back to their own 25. Then on a number of razzle-dazzle T-formation plays the Roosevelt eleven advanced the ball to the Chelsea 45 yard line. Then Norman Shedd, the Roosevelt fullback, bucked through the middle of the Chelsea line, broke out into the flat and outran the Chelsea secondary for a beautiful 45 yard touchdown run.

Roosevelt then tried to run the point after touchdown but an offside penalty forced them five yards back. They then tried a kick, which failed. Chelsea 7-Roosevelt 6.

At this point of the game it looked as if it would be a hard-fought battle with both teams showing lots of offensive power.

Roosevelt kicked off to Chelsea. The ball changed hands several times before the Chelsea attack started to

click. The local lads then took possession of the ball on their own 35, marched to the 6 yard line where Dave Slane crashed over for the score. "Bug" Slane then passed to Don Baldwin for the extra point. Chelsea 14-Roosevelt 6.

Chelsea then kicked off. Roosevelt was unable to advance and was forced to punt. Chelsea kicked off a first down then "Bug" Slane raced 36 yards through tackle for the third touchdown. The point after touchdown failed. Chelsea 20-Roosevelt 6.

The half ended with no further scoring.

In the third quarter neither team managed to advance; both teams' defense tightened up.

Chelsea's last touchdown came when Chelsea received a punt on their own 35 yard line, advanced the ball to Roosevelt's one foot line, then the surprise play of the game came. Bragdon Barlow passed to lanky Bob Daniels for the last touchdown! Daniels made a beautiful catch of the pass which was thrown high. Chelsea 26-Roosevelt 6.

The Chelsea stars this week were Dave Slane and Don Barth of Chelsea and Norman Shedd of Roosevelt.

Next Friday Chelsea will go to Milan to play the defending champions. As you will remember, the Milan game here last year was undoubtedly the finest game Chelsea played all season, although the boys came out on the short end of the game, 25-14. Milan once again is in first place, so let's all go over to Milan and support the team. The following week Chelsea is the host to the University High football team. This game is planned to be played under the lights at the local athletic field.

CLASS NEWS

The sophomore class had a meeting Thursday of last week. We decided to pay \$1.50 for dues and 25¢ extra for every week after January 1. It was also decided to have a Christmas party. Guests may be invited.

The Seniors had a stand at the dance last Friday night.

Say, why didn't the Juniors get credit for the decorations at the dance Friday? They deserved it.

KINDERGARTEN

The Kindergarten has decorated its room with large cats and pumpkins and is looking forward to a Halloween party Wednesday. They also made their own table decorations.

THIRD GRADE

Virginia Craft and Algerine Sutton are two new pupils who came last week. They both went to a country school before coming here. Achievement tests are being given this week.

SIXTH GRADE

Thursday, October 18 the third grade visited our exhibit of Indian things. We had pictures of Indian life and drawings of Indians. Our table showed an Indian village. We had a collection of arrow heads; a display of bows and arrows, knives, hatchets and bead bands which the boys in our room made. David Berke and Nancy Brooks made a tom-tom that we used in our play.

On Friday, Oct. 19 we invited the third grade to see our play, "Pocahontas Saves Jamestown." Our program was as follows:

Introduction to program—Evelyn Woods.

Story of Pocahontas—Evelyn Woods and Shirley Doyle.

Play—Pocahontas Saves Jamestown.

Characters—Pocahontas, Nancy Woods; Chief Powhatan, David Yoeli; Medicine Man, Bobby Joseph; Indian Braves, David Berke, Sammy Misales, Earl Guenther; Indian Women and Children, Janet O'Dell, Jacqueline Weir, Barbara Speer, Jana Lou Weinberg, Priscilla Yoeli, Dean Guenther; Captain John Smith, Dick Rude, John Rolfe, Paul Lewis; Settlers, Billy Moody, Ernest Aldrich, Claude Craft, Jacqueline Hughes, Stanton Walker, Carol Hale, Lawrence Salyer.

Piano solo—"Big Chief"—Clara Lewis.

Piano and Drum—"From the Wigwam"—Jana Lou Weinberg and Evelyn Woods.

Song—"My Paddles"—Six girls.

Indian Dance—Girls of Sixth Grade.

Song—"My Little Papoose"—Girls.

Song—"Come On Indians"—Sixth Grade.

We are grateful for the help from mothers in making costumes for our play.

SEVENTH GRADE

By Buddy Johnson

Thelma Reffett, one of our good students, is leaving us to move to Dexter. We shall miss her, and hope she will visit us often.

Our stamp sale is climbing slowly, reaching 25 per cent of the enrollment last week. Duane Hall told us that in his room in South Bend, 100 per cent sales were achieved every week but one all last year. That is a mark to shoot at!

The Junior High party is set for November 9, from 7:30 to 10 o'clock. There will be games, stunts, dancing, and refreshments.

Mrs. Eaton is sewing our afghan together for us. This will make the twentieth one made by Chelsea Junior high school students. Mrs. McKune sent us a number of squares, which helps very much.

Raymond Steinbach and Buddy Johnson have hunting licenses and went hunting last Saturday.

Last Friday we washed and varnished our desk tops. Some had to be sanded and stained, but most just needed a little retouching. Even that little bit took about six hours of work (if only one person had worked at it), and, we sincerely hope that all who use the room will try to help us keep

the desks unmarked and unscratched. Committees for the week are: plant, W. Aldrich and G. Alperwitz; dusting, V. M. Clark, L. Altstetter; desk and floor inspectors, D. Crocker, J. Eisenmann; knitting, N. Eisenmann; boards, D. Gentner and R. Gerdon.

EIGHTH GRADE

By Geraldine Hale

Last week we had a surprise birthday party for our teacher. We presented her with a beautiful bouquet of flowers. We all very much enjoyed the party which took up all our science time.

Our first edition of the "Eighth Grade Blab" came out very successfully last week. Every one was very eager to read it. We hope to have it out again this week.

A week ago, Wednesday Jim Clark and his family left for California for a visit; his leaving left many girls broken hearted.

Seventh and eighth grades are going to have a party November 9. We hope some of the boys learn how to dance before the party. The girls are getting tired of their dancing on our feet all the time.

P. S.—We hope the "Eighth Grade Blab" won't take all the business from Mr. McClure.

Taking Care of Knives

A wooden knife rack, well out of reach of children but in easy reach of the cook, that can keep each knife lined up in its separate slot, is good treatment for a good tool.

Blashfield attached thereto, from which it satisfactorily appears to the court that the defendants above named, or their unknown heirs, devisees, legatees and assigns, are proper and necessary parties defendant in the above entitled cause;

and

It further appearing that after diligent search and inquiry it cannot be ascertained, and it is not known whether or not said defendants are living or dead, or where any of them may reside if living, and, if dead, whether they have personal representatives or heirs living or where they or some of them may reside, and further that the present whereabouts of said defendants are unknown, and that the names of the persons who are included therein without being named,

but who are embraced therein under the title of unknown heirs, devisees, legatees and assigns, cannot be ascertained after diligent search and inquiry.

On motion of Hooper and Blashfield, Attorneys for Plaintiffs, It is Ordered that said defendants, and their unknown heirs, devisees, legatees and assigns, cause their appearance to be entered in this cause within three months from the date of this order, and in default thereof that said bill of complaint be taken as confessed by the said defendants, their unknown heirs, devisees, legatees and assigns.

It is Further Ordered that within forty days plaintiffs cause a copy of this order to be published in the Chelsea Standard, a newspaper printed, published and circulated in said county, such publication to be continued therein once in each week for six weeks in succession.

James R. Breakey, Jr.,
Circuit Judge.

The motorist who burns me to a cinder and no doubt irritates thousands of others is the individual who makes a left turn to turn right.

Have you ever seen a motorist swing into the left lane of the highway to turn right at an intersection? That is the bird I am talking about.

Instead of signaling you that he is going to slow down so that you can at least pass him, he makes a movement to turn left at the intersection and suddenly turns right. This means that you are directly behind him and in swinging right suddenly find Mr. Motorist directly in front of you at an angle.

These people either have no concern or feeling for other motorists, or are absolutely ignorant of the right way to drive. They must be educated to turn corners correctly and to signal before they turn.

Indians Use Blowguns
Blowguns with poisoned darts are by no means exclusive to the Orient. Indian tribes of Ecuador and Brazil make bamboo pipes more than 12 feet long. They use darts up to 18 inches with the points dipped in juice of the native strychnine fruit to bag large game, and sun-baked balls of clay for small game. When the Iroquois braves roamed the region of upper New York state in pre-Colonial times, blowguns were among their weapons.
