Twenty-fifth Wedding Anniversary Celebrated

Reverend Paul H. Grabowski and Mrs. Grabowski celebrated their 25th wedding anniversary on Saturday evening by entertaining a large company of relatives, friends and parishioners at St. Paul's Evangelical church, of which Rev. Grabowski has served as pastor for 23 years.

A dinner at five o'clock in the church dining room was served to about 75 guests, including members of the church council, heads of the various organizations, visiting clergymen, with their wives and husbands. Chrysanthemums, flanked with candles bearing silver tapers, formed attractive table decorations. Grace was said by Rev. S. Von Ragus, while Rev. A. A. Schoen, former pastor of St. Paul's church, offered the closing prayer, and all joined in singing "Praise God From Whom All Blessings Flow."

At 8 o'clock an impressive service was held in the church auditorium, which was attended by a large assembly. "Holy, Holy, Holy" and "We Praise Thee O God, Our Redeemer, Creator," were rendered by the church choir. To the strains of the Bridal Chorus, played by Mrs. Carl J. Mayer, Rev. and Mrs. Grabowski were escorted to the altar by Mr. and Mrs. C. F. Dietle, Mr. and Mrs. Wilbert Breitenwischer, Mr. and Mrs. Roy Bertke, Mr. and Mrs. Harold Widmayer and Mr. and Mrs. Leroy Satterthwaite, members of the church council and their wives, and by their daughter, Helen Grabowski. Rev. Emil Kraft of Cleveland, uncle of Mrs. Grabowski, invoked the divine blessing on the bride and groom of 25 years ago.

Following the service, the celebration was concluded with a reception in the church hall. Refreshments were served, with Mrs. Fred Seitz, Mrs. Albert Ashfal and Mrs. Lorenz Wenk pouring. Flowers and gifts were presented in remembrance of the event. Out of town relatives who attended the celebration were Mrs. Caroline Kraft of St. Louis, Mo., Mr. and Mrs. Hans Grabowski and children of Lansing, Mr. and Mrs. Ernest Grabowski and children, Adolph and Miss Margaret Grabowski of Saginaw, Mr. and Mrs. Henry Helinkamp of Pontiac.

This afternoon's session will include addresses by Sam Pangborn, state vice-president; Mrs. M. J. Knowles, member of the school text books commission; Kenneth Weber, and out-state presidents. At 5:30 Sylvan and Lima Local will serve a pancake and sausage supper.

ANNOUNCE ENGAGEMENT

Captain Alger A. Palmer and Mrs. Palmer, of Fort Sheridan, Ill., and Chelsea, have announced the engagement of their daughter, Lois Patricia, to Lt. John Barton Moore, Jr., son of Mr. and Mrs. John B. Moore of Dearborn. Miss Palmer graduated from the University Dental Hygiene school in June. Lieut. Moore has just returned from the Italian theatre, where he served in the Air Corps. Saturday, November 24 is the date which has been set for the wedding.

Presentation Ceremony At 7:45 Will Be Followed By Football Game At 8:00; Loud Speaker System Installed for Calling of Plays.

Chelsea sports fans who started the project about a year ago of raising funds to provide lighting for night sports at the athletic field on Washington street have reached their objective and the first game under lights will be the football contest tonight when Chelsea High will have University High of Ann Arbor as their opponents.

Installation of poles and equipment progressed rapidly in late summer and it was hoped at that time that all home football games this fall would be under the lights, but delay in the delivery of some equipment made it impossible to have the lighting system ready for use until this week.

With Lowell Davison as master of ceremonies, tonight's activities will start promptly at 7:45, with a selection by the Chelsea High School Band, following which formal presentation of the lighting system as a gift from the community to the school district will be made by G. L. Staffan, president of the Kiwanis club. Edwin W. Eaton, president of the Board of Education, will accept the gift for the district, and Village President Walter D. Mohrlock will follow with a few remarks. Presentation ceremonies will continue with another number by the band before playing the National Anthem while both teams stand at attention on the field.

Introduction of all players on both teams will be made by W. R. Guest over the loud speaker which will be installed for the occasion, and the game is scheduled to start at 8:00 o'clock. Mr. Guest will call all plays during the game, with Jim Gaken spotting the plays.

Sponsored by the Chelsea Kiwanis club as one of their major projects of the year, R. A. McLaughlin was named as general chairman of the committee to raise funds for lighting the athletic field. With the aid of various committees and individuals, McLaughlin directed the campaign to a very successful conclusion. Liberal contributions were made by local industries, business men and individuals, through direct gifts or the purchase of advertising space in the Kiwanis Minstrel Show souvenir programs. All proceeds from the minstrel show, staged last February, also went into this fund.

Chelsea's athletic field lighting system is the best obtainable and is one of the best in the state. It is believed by the High School Athletic association that playing of night games will greatly increase attendance and make it possible for the association to add many improvements to the field. New bleachers have already been ordered but it was impossible to obtain them for tonight's game.

The community has been greatly interested in this lighting project and a record crowd is anticipated at the game tonight. Chelsea's fine football team, the Athletic association, and the sponsors will appreciate your attendance at the presentation ceremonies and for the game to follow.

To avoid congestion at the gate, fans are advised to purchase tickets in advance from football players or Kiwanians—and don't forget the game tonight under the lights!

BUY VICTORY BONDS

The present "Victory Loan Drive" seems like an anti-climax. In reality, it is a real "Pusher" to complete a job that was only started in previous drives. So off to a start of \$2,345 during the first week, Chelsea must relax the strings to meet \$50,000 in "E Bonds," \$25,000 in "Other Bonds" to individuals, and \$185,000 for corporations.

The supporters were generous in sending the boys across—now let's dig deep to bring them all home. The job is still not finished! Watch these weekly reports and see how far-reaching are your aims in accomplishing a purpose.

LIMA-SCIO FARM BUREAU

A meeting of the Lima-Scio Farm Bureau was held at Lafayette Grange hall on Thursday evening, November 1. The new officers were in charge of the meeting and plans were made for a box social to be held November 23. Clyde Breining of Augusta addressed the group and led the discussion on "How Can a Community Group Benefit Their Own Community?" Cider and doughnuts were served.

During the week you will find the latest books exhibited at the Library in attractive settings. You are invited to see these collections and to reserve a book for your own reading. But this you must not miss: Tuesday evening, Nov. 13, Dr. Parr will take you through "An Evening in the World of Books." You are invited to hear Dr. Parr at 8 o'clock at the Library.

Book Week is a source of profound satisfaction to all who participate and, with its slogan, "United Through Books," a universal bond of cooperation. Acknowledgment is made to the above shop-keepers for window space: Miss Nina Belle Wurster for assistance with exhibits, A. C. Johnson and Miss Brown of the school faculty, the Ann Arbor speakers, and to the "Standard" for space to tell you about it.

ACCIDENT WITNESS SOUGHT
The sheriff's department has asked Police Officer George Doe to request anyone in Chelsea who witnessed the fatal automobile accident in Dexter last Thursday to notify the local police department or call the sheriff's office in Ann Arbor. A woman driving through Dexter at the time of the accident is believed to be a resident of this vicinity.

John Fahrner, of Sharon, aged 78
years, died at his home Saturday eve-
ning, Nov. 4, 1911, as the result of a
runaway accident, which he met with
at about 11 o'clock in the forenoon.
His horse became frightened when he
met an auto truck containing a piano
that was covered by a canvas. Mr.
Fahrner had three ribs broken and
was injured internally. He is sur-
vived by two daughters, Pauline and
Carrie, and two brothers, Chris, of
Sylvan, and John of Ann Arbor. The
funeral was held from the Sylvan
Center schoolhouse, with interment in
Maple Grove cemetery, Sylvan.Mr. and Mrs. Abner Beach of Lima
Center, assisted by about thirty of
their nearest relatives, celebrated the
fiftieth anniversary of their marriage
on Monday of this week. Mr. Beach
was born in New York state and came
to Lima with his parents in 1838. Mrs.
Beach was born in Lima in 1839, the
daughter of Mr. and Mrs. David K.
Dixon, who were among the first set-
tlers in the township. They have one
son, D. E. Beach.Charles Leo O'Connor died at the
home of his mother, Mrs. Alice O'Con-
nor, Saturday, Nov. 4, 1911, at the age
of six years. He recently underwent
an operation for throat trouble at the

of Freedom was badly damaged by an
explosion of the acetylene generator
which supplied the gas for lighting
the edifice. The explosion occurred
about 6:45 o'clock Sunday evening at
the time the pastor, Martin Hieber,
was ringing the bell for evening ser-
vice. He was blown from the building,
down the front steps and was quite
badly injured. The church had only
been open a year and is probably the
largest church in the township. The
force of the explosion blew out the
stained glass in the front and sides
of the building, tore loose consid-
erable plaster on the walls and ceiling,
and also started a fire which was soon
smothered. If the explosion had oc-
curred a few minutes later there
would undoubtedly have been several
injured, as the church would have con-
tained a capacity audience. Irene Al-
ber, aged 12, was struck by a piece of
flying glass which cut a bad gash in
one of her eyes, and it is uncertain
whether she will retain the sight of it
or not.Homer Boyd is having extensive re-

VETERANNEWSfrom the
OFFICE OF VETERANS' AFFAIRS
LansingVeterans who plan to enter the
state service will find that the vet-
erans' program of the Michigan Civil
Service Commission is one of the most
generous of all such programs in the
country. Under this plan, he points
out any veteran or the widow of a
veteran, who takes an examination for
a position with the state will have a
credit of 10 points added to the rating
he earns in the test. A disabled vet-
eran who has a service-connected dis-
ability officially recognized by the
Veterans' Administration, will receive
a credit of 15 points. In the case of
a veteran wife, whose husband has a
disability greater than 50 per cent,
she will receive a credit of 15 points.
If a veteran's earned rating is the
same as that of a non-veteran, he will
be given priority over the non-veteran
on the list of candidates eligible for
the job for which he has been tested.
Disabled veterans will have priority
over both veterans and non-veterans.To obtain these preference credits,
veterans must apply for them at the
time they file their applications to
take examinations with the Civil Ser-
vice Commission, or on or before the
closing date for acceptance of these
examinations.Information on examinations and
the times and places at which they
will be given may be obtained from

HALLOWEEN PARTY

On Friday evening, Oct. 26 a party was given at the Jewett-Stone school for the parents and pupils by the Civics Health club.

Such funny looking people strolled in about 8 o'clock. Prizes were given to the most original, Dorothy Chapman (the grandmother); Stephen Bristle (a clown); Ruth Bristle (gypsy queen); prettiest; Jerry Herrick (a young flapper); most horrible; Mrs. Helen Weiss (colored mammy); most clever; Alan and Herbert Erke (old man and woman).

Stunts such as "pinning a tail on the donkey" was enjoyed by the fathers. George Steele was the most accurate. Bobbing for apples from the string and tub (none were left on the string or in the tub).

A short program was given by pupils and outside visitors.

A playlet—"The Problem Goblin."

"One Night Only"—Nancy Van Riper.

"Aunt Molly"—Rosemary Steele.

"Jack O'Lantern"—Reuben Lesser, Jr.

"A Secret Number"—Jerry Herrick.

Several guitar selections were played by Elwood Lounsberry.

Last but not least, Mrs. Audrey Savickas showed us moving pictures that her husband had taken in Hawaii and under the deep blue sea.

These were very interesting and deeply appreciated by all. We know her husband must be very brave when he goes to the bottom of the sea to take pictures of sea life.

A lunch of sweet cider and doughnuts, coffee and fried cakes, was served by the mothers and their young daughters.

Outside guests were Mr. and Mrs. Lee Weiss and son Bobby, Mrs. Geo. Satterthwaite and daughter Arlene, Mrs. Leo Merkel and daughter Audrey, Mr. and Mrs. Elmer Bristle and son Stephen, Bobby Bristle from near Dexter, Mr. and Mrs. Lester and Mr. and Mrs. Wm. Curtis of Merrill.

Meals Need Contrast: Make a point of having contrasts in meals and it will help to cover up a lack of variety. Combine a sweet with a sour; a bland with a sharp taste. Serve some foods crisp, some soft; some hard, some chewy.

THOUSANDS OF ARMY VETERANS
NOW IN CIVILIAN LIFE

"BEST JOB IN THE WORLD"

These special privileges are typical of the new law recently passed by Congress. Few opportunities for a lifetime career offer as many attractive advantages.

Can you think of any other job that would give you good pay, your food, clothing, quarters, free medical and dental care, world-wide travel, 30 days furlough every year, education and training in any of nearly 200 skills or trades, and enable you to retire with a life income any time after 20 years of service?

There isn't any! That's why a job in the Regular Army has been called "The Best Job in the World."

How Michigan should spend its \$50,000,000 veterans' reserve fund, already \$1,000,000 richer because of accumulated interest, is one of several issues which will confront the State Legislature in special session early in 1946.

Michigan's 629,000 veterans, of whom approximately 500,000 are still in the service, are interested chiefly in the decision.

Other legislative problems include these:

Revision of the state's \$20,000,000 building program. Rising labor and material costs have already exceeded the appropriation.

Veterans' education and housing at state educational institutions such as the University of Michigan and Michigan State College. No housing is available for veterans and their wives

(plus children for some) at college dormitories.

Construction of 15 harbors of refuge for small boats on the Great Lakes, a benefit to the tourist industry.

Revision of the state juvenile institute commission and possible reforms and improvements at the Boys' Vocational School, Lansing.

The veterans' multiple problems are not easy to solve. In the first place, there are five times more Michigan veterans today than 25 years ago, after World War I.

To divide \$51,000,000 equally among the 629,000 veterans—a number likely to grow larger before the sum is expended—would put less than \$50 in the hands of each veteran. The average bonus for World War I veterans was \$210, computed individually at the rate of \$15 per month of service. The federal mustering out pay varies from \$100 to \$300, well eclipsing an \$80 Michigan payment.

To equal the state bonus of the last war, the legislature would have to appropriate \$350,000,000 more for the veterans' reserve fund. This isn't likely to happen; other needs being what they are.

The first state bonus cost taxpayers \$53,454,668.49, of which the veterans received \$31,395,006 and the bond owners the balance of \$22,000,000 plus.

Recommendations of how the \$51,000,000 fund might be used to benefit

Michigan veterans are to be submitted to Governor Harry F. Kelly by the Office of Veteran Affairs sometime between Thanksgiving and Christmas. Col. Philip C. Pack, director, says the report will not be made public as it will be for the personal use of the governor.

At present the OVA is a service agency, created by the legislature and a model for other state governments, which is likely to continue for some years if the \$51,000,000 fund is used for veterans' service and not doled out immediately in dribbling sums.

The OVA cooperates with the State Board of Vocational Control in operating a veterans' vocational training center at Pine Lake, north of Kalamazoo. The state pays \$15,000 annually from a state administration board appropriation of \$1,000,000 and the vocational board chips in \$118,000 a year from its federal aid kitty.

Another veteran service is likely to be a neurosis center operated by the University of Michigan, Ann Arbor.

Michigan veterans are returning home at the rate now of 30,000 a month. The 1946 peak will come in June when 50,000 are due back. At least 350,000 veterans will be back home in Michigan by next summer—a fact politicians are already weighing.

The Kelly administration, faced with the possibility of labor unrest and widespread unemployment one year from today, is going to give careful and thoughtful consideration to all veterans' needs. Governor Kelly, a disabled veteran of World War I, has a personal interest in this field that transcends political ambitions.

Lieutenant Governor Vernon J. Brown has personal interests also in war veterans. Two sons served in World War I; five grandchildren—four boys and one girl—are serving in World War II.

Moving the Michigan State Fair from Detroit to an upstate city has been proposed by livestock breeders' associations and farm leaders, but the idea is already being snagged on opposition from friends of county fairs. The ace objector is the Ionia Free Fair at Ionia. Lansing boosters have been reminded that the fair was established permanently at the state capital city in 1869, but after running in the red for several years it was returned to Detroit.

Echoes of the labor movement to get 30 per cent more pay.

Directors of the Michigan State Farm bureau declare farm prices must be boosted 30 per cent, if organized labor gets a similar boost in pay.

Quoting the bureau statement: "Some wage adjustments undoubtedly are called for, but a general increase will surely force generally higher commodity prices and a degree of inflation that might become disastrous."

White House analysts insist that overtime elimination has cut manufacturing costs 5.5 per cent on the average, while an end of upgrading and fringe increases has cut costs another 4.5 per cent. Thus 11 per cent wage increase could be absorbed by most industries without need for price increase, they say.

However, a 30 per cent pay jump would lead, the analysts add, to a 22 per cent rise in war material prices, and a 12.4 per cent rise in finished-goods prices. Thus, an inflation spiral resulting in higher prices for everyone.

Rankin Peck, executive director of the Retail Gasoline Dealers' Association, has notified the OPA that if the government grants a relief to distributors in wholesale prices, the local dealers should have a similar boost in retail prices. "The dealers cannot operate if the margin is reduced further in any way," cautioned Peck.

(Last week's news)
Mr. and Mrs. Franklin Gee had as guests over the week-end Mr. and Mrs. Richard Mayle, formerly of Chelsea. On Friday night they attended the school dance and on Saturday night a party was given in their honor at the Club Pieta. Attending were the Swifts, Burkes, Kohsmans, and the Daults. Lunch was served after the dance by Mrs. Gee.

Sunday afternoon found quite a few of the people on the water edge watching a yellow seaplane. It was a lovely sight to see the plane glide down, taxi around on the water and take off again.

On Oct. 28, little Ellen Keusch was a very happy girl on her 4th birthday, because her daddy, Lt. John, could be home for the week-end. Her mother gave a small family dinner at which many lovely gifts were opened. Spending the day at the Keuschs were her grandparents and two aunts, Mr. and Mrs. Edwin Keusch, Mrs. Ann Dvorak and Miss Ida Keusch.

Mr. and Mrs. Lawrence Fowler and daughters spent Sunday visiting in Jackson with his parents, Mr. and Mrs. Vern Fowler. Also there was Seaman Fowler, home from the Navy.

A party was given for the children and parents at the Riemschneider school on Oct. 29. The children played games and later a wienie roast was had in the school yard. While so many parents were there, Mrs. Heeman, the teacher, asked about getting an organization to be connected with the school. Mr. Millman was made chairman for the next meeting to be held Nov. 6 at the school. At this time we will discuss the type of club we want.

Those winning prizes were: Mrs. Swift and Mrs. Hoppe, Betty Smith, Virginia Quatte, Jean Ruth Schweinfurth, Beatrice Fowler, Re Ellen Latridge, Billy Hoppe, Jim Dault and Georgia Mae Hepburn.

Rate Case of Michigan Bell To Be Reopened

Lansing—The Michigan Public Service Commission has granted the petition of the Michigan Bell Telephone Company for a reopening of the investigation into the latter's rates. Arguments will be heard by the Commission at Detroit, Nov. 27.

The company urged another look into its affairs in light of the change from a wartime to a peacetime economy. It cited prospects for higher wage, material, and construction costs upward price trends and tax reforms.

George M. Welch, president of the company, said "no one can be so blind as to suppose that general wages will not increase substantially" in view of present demands by workers for a 30 per cent boost in basic pay coupled with the advocacy by the government of a 15 per cent increase in an effort to bring about a truce in the recent oil workers' strike.

Pointing out the company has scheduled \$14,000,000 worth of gross plant additions in the next six months, Welch said that construction already under way indicates that such costs have increased from 20 to 30 per cent. Further, the petition added, the company's postwar construction program will increase Michigan Bell's plant investment with a corresponding reduction in the rate of return on that investment.

Citing the present upward price trend, Welch said, "it would be unrealistic to suppose that telephone rates could be reduced in the face of such a general price trend."

The petition pointed out the theory that a rate reduction would cost the company only 14.5 per cent of its gross revenues, under the operation of the wartime excess profits tax law, would disappear in view of proposed tax reforms. Welch said, "probably not less than 50 per cent of any rate reduction will have to be borne by the net income of the company."

HALLOWEEN PARTY
Thursday evening was the scene of a gay party given for Sammy Misalides, with Malatios Augustus, Carol Hale, Earl Guenther, Jana Lou Weinberg, Janet O'Dell, Ruth Guenther and Dean Guenther attending. Games were played with Sammy winning high

prize and Janet O'Dell, low prize. At a huge bonfire, the children roasted wieners, drank pop and had candy. A large chocolate cake with Halloween decorations was another attraction. Jana Lou Weinberg came dressed as Carmen Miranda. To top off the event the children were invited to see the

movie, "Nob Hill." The party was enjoyed by all.

CARD OF THANKS

I wish to thank all who remembered me with cards and flowers during my stay at the hospital.

DANGER POINT

The old fable of the last straw that broke the camel's back is too familiar to need repeating.

But it's worth remembering in connection with your Telephone Company. Some people may say: "Michigan Bell's doing a lot of business—taking in a lot of money. Let's tax 'em—cut their rates."

Michigan Bell is handling the biggest volume of business in history; is taking in more money than ever before. But costs have gone up faster than income. Higher wages, higher taxes, higher material costs — and rate reductions — have cut net earnings far below the pre-war rate, far below the average of other industries.

When earnings become insufficient, you don't notice any immediate effect on your telephone service. But, like the camel's back, there is a danger point — a point beyond which earnings that are too low will jeopardize the quality of service.

Michigan Bell customers want good service. The telephone bill is so small an item in their regular expenditures that customers want really good service even though it might cost a trifle more than they would need to pay for inferior service.

To again provide telephone service when it is wanted and where it is wanted, to give the quality of service you want in the future, Michigan Bell is undertaking a post-war construction program costing \$120,000,000 in the next five years. Money to finance that program must come from the savings of thrifty people who are willing to invest in Bell System securities. But, if prospects for future Telephone Company earnings are unattractive compared with those of other companies, people will place their savings elsewhere.

The future quality of your telephone service depends on telephone rates sufficient to produce earnings attractive to investors. Too long a continuation of inadequate earnings would weaken our ability to meet expected post-war telephone needs.

COMPLAINT DEPARTMENT

Miss Beum: "I believe that the whole school spirit would be improved if the members of the student body would try to be more courteous to each other. The golden rule is old, but it is still a good rule to live by." Donna Kalmback: "What this school needs is a better ventilation system, so we don't freeze in one room and roast in another."

James Ridley: "The keeping of students of high school age after school is childish and foolish." The teachers should have a better understanding of the pupils, so this medieval custom could be done away with. Marjorie Hinderer: "There should be a soundproof door between Miss Fox's room and the stage to keep out noise from the band. A muffler for the base drum would help immensely."

Jerome Burg: "The students should be capable of making their own rules, and if this was practiced, the pupils would, no doubt, be more responsible for their actions."

Loretta Lindauer: "There should be more useful books in the library, so that the pupils would be more interested in their subjects."

Doug Vogel: "A better understanding between the teachers and students would make an altogether better school atmosphere."

Bob Merkel: "Two improvements in the school that could be made are: left-handed desks, for the convenience of left-handed pupils; and a new ceiling in Miss Fox's room before it falls down on some unfortunate person's head."

Letta Gross: "I think the girls' locker room needs a larger door."

George Heydlauff: "If the football players had a place to go between halves, it would be of great help."

"Tootsie" Hale: "I think there are several improvements the school needs, and they are as follows: more wastebaskets; more and better pencil sharpeners; new desks; and I also think that the windows should be washed once in a while."

The faculty: If students would apply some degree of ingenuity to their work that they apply to their alibis, then would be far less friction. Teachers understand their pupils, not too little, but too well!"

GERTIE'S GOSSIP

Fashion plate of the Sadie Hawkins dance was our own blonde and beautiful Clara Miller.

Out on the dance floor we saw "jitterbugging" dance rivals, Bill Waters and "Bug" Slane, cutting the rug.

Our football players looked very distinguished with many of them dressed in their "Sunday-go-to-meeting" clothes, especially Bill Waters. As for some of the rest of you, where did the noccasin fad originate?

In the other corner we saw this unusual couple—Dorothy Perkins and Marilyn Schooley. Girls, why didn't you bring your pictures along?

We noticed that there were many more couples at the party and more fellows were dancing. Boys—please take the hint.

It seemed good to see Jack Miller and Phil Vogel at the dance.

With the aid of Miss McMahon, the Home Ec. club's party was a great success, and the girls deserve much credit.

CHELSEA'S FIRST NIGHT GAME

Tonight at the Chelsea athletic field two strong teams will meet for the first time—University High of Ann Arbor and Chelsea. Both teams have done very well in Huron League competition. U. High being defeated by Romulus 21-6 and by Milan 20-0, while defeating Dundee, Roosevelt, Saline and Flat Rock. Chelsea on the other hand has been defeated by only Romulus 13-0, with this game being a much better game than the score indicated. Romulus scored twice in the last six minutes of play. Chelsea and Flat Rock tied 20-20, while defeating Saline, Dundee, Roosevelt and Milan.

Come out to the athletic field tonight at 8 o'clock and watch one of the finest games this year.

CLUB 15 GETS UNDER WAY

Election of officers for the Club 15 took place last Thursday. The executive board is as follows: President, Ray Knickerbocker; vice-pres., Eldaan Elisele; secretary, Wilma Koengert; treasurer, Paul Schibbe.

Secondary Council: Nahcy Loose, Barbara Luick, Jerome Burg, Jim Miller, Robert Breitenwischer.

The first party to be sponsored by the Club 15 will be on Saturday, Nov. 10. All of the students of Chelsea High will be invited, and guests will be admitted with the consent of the president, vice-president, or advisors.

At present there are some seventy members of the Club 15 and we are sure that every member will cooperate with the executive board in making all the parties a great success. Membership cards will be issued as soon as possible.

JUNIOR HIGH DANCE

Preparations are being made for the first Junior High dance of the year. The committees have been chosen and are as follows:

Decorations committee: Ruth Ann Guenther and Don O'Dell (7th grade); Beverly Weatherwax, Dorothy Howard and Wallace Franklin (8th).

Ticket committee: Don Pierson (7th); Dan Maroney (8th).

Serving committee: Louise Walz, Roma Vaughn and Leola Altstetter (7th); Betty Ingram and Phyllis Stoll (8th).

Clean-up committee: Gerald Wenk, Jimmy Roberts and Ray Steinbach (7th); Geraldine Hale and Ralph Guenther (8th).

The chapters will be Mr. and Mrs. Martin Steinbach and Mr. and Mrs. Kenneth Proctor.

The Junior High students are giving some thought and planning for this dance so that it will be a success. If preparations, plans, and cooperation make a successful party, this is sure to be an event that no one will want to miss.

SADIE HAWKINS DANCE

The annual Sadie Hawkins dance was observed this fall by having a Sadie Hawkins dance. The girls acted as escorts, asked the boys for dates, and paid their way into the party.

The gym was decorated to suit the occasion with Lil' Abner and Daisy Mae posters on the walls. Paper streamers from the balcony completed the decorations.

There was a grand march, after which the typical Daisy Mae and Lil' Abner were chosen. Marjorie Shelly and Jim Miller were selected from candidates from each class.

The refreshments consisted of dixe cups and cookies, which were tied into small hobo sacks.

Mr. and Mrs. H. T. Moore were guest chaperons for the evening.

By the way, boys, the purpose of this dance was to get you to be more liberal with dates. Please don't disappoint us girls.

JOURNALISM

At a program sponsored by the Student Council for grades nine through twelve, rules were given by Clara Miller and Loren Munro for behavior at all future parties. Many new rules were presented and many old ones were refreshed in the minds of the pupils. They have a new and interesting system for guests. It was said that many students have been violating the party rules and the Student Council hopes that it will not continue.

After the interesting talks by Miss Miller and Mr. Munro, Eunice Lehman gave a short talk on the "Daisy Mae, Little Abner" contest.

It seems that in this contest students were asked to vote for candidates for "Daisy Mae" and "Little Abner." Why? Why, didn't you know? It was "Sadie Hawkins" day!

ATHLETIC BOARD

The Athletic Board is sponsoring "Dad's Night" tonight. The fathers of the football players are requested to wear the numbers of their sons.

F.F.A. NEWS

The F.F.A. held their annual game supper Friday evening, Oct. 23. Mr. Johnson and H. S. Osler were the main speakers of the evening. Also, there were two movies shown: "Bear River" and "Four Country."

The F.F.A. boys, with the help of Mr. Richards, decorated the gym for the Tim Doolittle dance and the Hal-tween party.

BAND NEWS

The band is practicing hard for a concert scheduled for Nov. 18. They have been playing at all the home games—also in parade. Five majorities have been practicing with the band: Shirley Kolb, Mary Margaret Paul, Minnie Mae Platt, Ruth Fox and Patricia Mohrlock.

G.A.A.

Tuesday the sophomores won the volleyball game against the Juniors. The sophomores had previously defeated the freshmen, while the Juniors had beaten the senior team. The sophomores are now scheduled to play the faculty team.

Chelsea Defeats Milan In Fight To Finish—13-12

After six years of defeat and one game ending in a tie, Chelsea finally defeated a strong Milan team last Friday, 13-12. It was a fighting mad Chelsea team that stepped onto the gridiron. Milan was the favored team in this game, expecting to win by at least two touchdowns. The Chelsea boys had a different idea.

Chelsea won the toss and elected to receive. Tooman kicked off for Milan. The ball was taken by Bragdon Barlow on the Chelsea 10 yard line, who then passed the ball to the Chelsea 45. Chelsea was forced to punt because of a big powerful Milan line. Milan found the same trouble with a small but faster Chelsea line. Both lines pounced each other hard before Milan received a break when Dave Slane fumbled on the Chelsea 35. Paul Hale, Milan's big 225 pound tackle, recovered the ball and in a series of plays Milan had the ball on the Chelsea 14 yard; Chelsea became invincible, stopping three thrusts for 4 yards. Then Bruckner, the fullback, passed into the end zone to Holmes who dropped the ball.

Chelsea then took over on the ten yard line and on the first play Charles Slane on the off-tackle play broke through the line and into the flat and would have been off for a touchdown if it hadn't been for Barney Paddock. Milan's state champion for the 100 yard dash, who caught Slane from behind.

The first quarter ended with one scoring.

On the first play Chelsea lost 17 yards on a fluke play. On a punt Milan's big line was in fast and chased. Slane was forced to run.

Milan received another break, took over the ball on Chelsea's 25. On three plays Milan had the ball on the Chelsea six yard line. Bruckner, Milan's fullback, bulled his way to the Chelsea two yard, making a first down. Bruckner then bulled over for the score. Conklin then tried to run the extra point; he failed. Milan 6—Chelsea 0.

Conklin kicked off to Richard Carlson on the 30; he ran it back to the 40. Chelsea was forced to punt to Milan's 43 yard line. Milan picked up two first downs. Milan then failed to pick up any yardage and gave the ball up to Chelsea on the 30. Ray Knickerbocker then fell back to his own 30 and passed to Charles Slane on Milan's 43 yard where Slane ran unopposed to the goal line for the tying score. Knickerbocker tossed to Barlow for the extra point. Chelsea 7—Milan 6.

Here the half ended.

Offense Slane kicked off to Holmes on Milan's one yard line. He ran to the 21 yard line where he was smothered by Barth, Waters, Colquhoun and both Slane boys. Milan made three first downs in succession on some nice running by Conklin. Bruckner and Holmes. Conklin was then smothered for an eight yard loss by Barth and Burg. Conklin then punted out of bounds on Chelsea's 28 yard line.

Milan again received another break when Chelsea fumbled on their 11 yard line. Padelach, the speedy Milan halfback, then raced around end on a "Statue of Liberty" for Milan's last score. Conklin's conversion was wide. Milan 12-Chelsea 7.

Conklin kicked off to Charles Slane on the 20. Slane raced back nicely to the 40. Dave Slane, with good blocking, then ran 26 yards around end, putting the ball on the Milan 19.

The third quarter ended after Dave Slane bulled his way for four yards to the Milan 15. Charles Slane then raced around end on a fancy T formation for the final score. The pass for the extra point was no good.

Charles Slane then kicked off to Holmes on Milan's 20, where Holmes was smothered by Barth and Waters at the 30. Milan at once started passes, mixed in with a few running plays, and reached the Chelsea 17, where they lost the ball on "downs. Chelsea then kept possession of the ball until the game ended.
