Michigan Consolidated Reduces Local Gas Rate

The State Public Service Commission has approved the reduced rate schedule for the Michigan Consolidated Gas Company which serves Ann Arbor, Chelsea and Dexter areas. The approved rate will reduce the cost of gas in these communities in the amount of \$55,759 and will go into effect immediately on all gas meters that are read on and after Wednesday, November 14.

The proposed new gas rates for the Ann Arbor-District which serves the Chelsea and Dexter areas will mean an average saving of \$8 a year to the domestic consumer. Charles R. Henderson, general manager of the Michigan Consolidated Gas Company, stated:

"There will be some benefits to all classes of customers, including domestic, commercial, house heating and industrial, he pointed out. The greatest saving, comparatively, will go to the domestic user, he said, who uses gas for cooking, water heating and refrigeration, or any of these services.

Examples in the change of typical house bills are as follows: Domestic customers now paying \$4.17 per month will pay approximately \$3.77, and those now paying approximately \$4.89 per month will pay \$4.38 per month, or an annual saving of \$6.12.

"Substantial reductions have been made in the special rate for cooking, automatic water heating, and gas refrigeration," Mr. Henderson said, "making it possible for all customers to enjoy the benefits of these services at a very low cost."

U. of M. Football Bust To Be Held On Nov. 27

The annual University of Michigan Football Bust will be held in Ann Arbor on Tuesday, November 27. This year Dexter High, University High, Ann Arbor High, St. Thomas High, and Romulus High schools are to be the honored guests of the evening.

After an excellent dinner the boys will hurry about to get as many autographs as possible of Michigan athletes and other men of the professional sports world. The program will start at 8 o'clock with a talk by Fritz Crisler, who will announce the football captain for the 1946 season. Following his talk other professional athletes will give speeches of congratulations to the new captain.

To top the evening's entertainment, Clarence "Biggy" Munn, line coach for Michigan, will show moving pictures of the Ohio State vs. Michigan game.

The football boys of Chelsea High want to express their gratitude to the American Legion Post No. 81 of Chelsea for making their trip to the football bust possible.

GREASE COLLECTION

The Girl Scout Troop Committee has decided it advisable for the Girl Scouts to discontinue the grease collection. Due to the scarcity of fats and increased points people have had so little for the girls to collect it has seemed futile effort. There will be containers for the money in the markets if you care to help the Scouts by placing the grease money there. We wish to thank you for your cooperation.

—Girl Scout Committee.

UNION THANKSGIVING SERVICE

A union Thanksgiving service will be held in St. Paul's Evangelical church on Wednesday evening, Nov. 21 at 7:30 o'clock. Rev. Everett R. Major of the Methodist church, will deliver the sermon, with Rev. W. H. Skentelbury, Rev. Leroy Lord and Rev. P. H. Grabowski participating in the service. An offering for War Relief will be received.

PTA POSTPONED

Due to the fact that Thanksgiving vacation starts Wednesday evening, Nov. 21, the Grade School PTA will not meet until Wednesday evening, Nov. 28, at which time there will be a contest among rooms for the best attendance. We wish to thank the Chorus and Mrs. Munden for their selection at our last meeting.

PROMISES NEW BRIDGE

A representative of the State Highway Department, bridge division, was in Chelsea last Thursday, and assured Supervisor Fred G. Broesamle that a new bridge will be constructed over Mill Creek on North Main street next spring. The new bridge will be wider and a safer turn will be provided by this improvement.

MAKE A DATE with the family for Dec. 5 for a big roast turkey dinner (cafeteria style) at the Methodist church. You can do your Christmas shopping at the same time—it's the Annual Fair and Supper. 18

Announcement was made Friday by Donald H. Bacon, president of Central Fibre Products Co. that the Power Take-Off Division of that company had been sold to Chelsea Products, Inc., a new company recently organized here.

Bacon stated that the sale included all machinery and equipment used in the manufacture of the power take-off, as well as all raw material and parts in process of manufacture for this item. He stated that the new company will operate without interruption in the Central Fibre plant under lease agreement until a building can be constructed by the new owners. The change in ownership will be effective December 1.

Officers of Chelsea Products, Inc. are: R. W. Wagner, president and general manager; E. W. Eaton, vice-president and treasurer; M. W. McClure, secretary; and Howard S. Holmes, chairman of the board.

In addition to the above officers, the board of directors consists of P. G. Schable, R. A. McLaughlin and Ernest King. Other stockholders are Armin D. Schneider and Mrs. Howard S. Holmes, sr.

Mr. Wagner joined the Central Fibre Products Co. organization six years ago, coming from Detroit to accept the position of engineer and sales manager for the power take-off division which was just being started. At that time production was small, with only one model, and under the supervision of Mr. Wagner this department has steadily increased production and added many new models of the power take-off transmission, sale of which is nationwide, this company having grown to be one of the largest of its kind in the United States.

Mr. Eaton has been with Central Fibre for 16 years, and has seen the company grow from a small business located in the Wilkonia building on North Main street to its present size with a payroll of about 175 people. His official capacity with the company has been as secretary-treasurer, and he has contributed no small part to the company's growth.

Armin D. Schneider, who has been associated with Central Fibre for several years, will join the new company, in charge of material control, the position he has so efficiently fulfilled in the power take-off division at Central Fibre.

Ernest King, of Jackson, who has been with Central Fibre for more than five years as general foreman in the machine products division, will be plant superintendent in charge of manufacturing for Chelsea Products, Inc.

A site will be selected by the new company for a building, construction of which will be started as soon as possible, with approximately 8000 square feet of floor space.

About 60 people are now employed in the power take-off division.

DRAW HEAVY FINES

Randolph Allen of Freedom township was arrested by Police Officer George Doe on Saturday night after he drove his truck into the side of Tom Vall's house. He was charged with driving while drunk and when arraigned in Judge Payne's court on Monday was fined \$100, \$10 costs and 10 days in jail.

Chas. Popovich was arrested by Officer Doe on Sunday night after the car he was driving struck two parked cars, in front of the postoffice and Sylvan Theatre. He was also charged with driving while drunk, and was fined \$100, \$10 costs and sentenced to spend 10 days in jail.

Drivers' licenses of both men were revoked.

ADDITIONAL HUNTERS

In addition to the multitude of hunters who purchased licenses here previous to the time The Standard went to press last week, the following purchased licenses to participate in the popular deer-hunting sport:

Clarence Foster, Joseph W. Mallette, Albert C. Johnson, Richard Ambler, John J. Alber, Howard Bergman, Harry Salzgeber, Leonard Eder, E. B. Aldrich, Albert P. Forner, Chas. J. Williams, Donald Doll, Grant Schooley, Justin Wheeler, Harold L. Craven, Clarence W. Lake, Carl Lake, Max Hoppe, Byford Speer, Walter Oesterle, Gilmore Horner, Raymond Liebeck, Wallace Franklin.

OPENS NEW RESTAURANT

Mrs. Geo. Doe has opened her new restaurant, to be known as "Chelsea Restaurant," at 103 North Main St. Mrs. Doe announces that she will serve regular dinners and light lunches, and will remain open until midnight. A full line of new equipment has been obtained for the restaurant.

BUYS JOSEPH PROPERTY

George Whitaker purchased the Jesse Joseph residence property, North street, at the real estate auction conducted on Saturday by Emery Ziegler, Jackson auctioneer. The sale was well attended and the bidding was lively.

With Our Men In Service

Mrs. D. E. Beach received a personal letter from General Douglas MacArthur, consoling her in the loss of her son, Captain Kenneth O. Beach. The letter follows:

General Headquarters,
U. S. Army Forces, Pacific,
October 22, 1945.

Mrs. David E. Beach,
239 Jefferson Street,
Chelsea, Michigan.
Dear Mrs. Beach:

My deepest sympathy goes to you in the death of your son, Captain Kenneth O. Beach, who died in action against the enemy.

You may have some consolation in the memory that he, along with his comrades-in-arms who died on Bataan and Corregidor and in prison camps, gave his life for his country. It was largely their magnificent courage and sacrifices which stopped the enemy in the Philippines and gave us the time to arm ourselves for our return to the Philippines and the final defeat of Japan. Their names will be enshrined in our country's glory forever.

In your son's death I have lost a gallant comrade and mourn with you. Very faithfully,
Douglas MacArthur.

Chris Koch received the following letter from the War Department concerning the burial location of his son, Earl C. Koch:

November 15, 1945.
Mr. Chris Koch,
Chelsea, Michigan.
Dear Mr. Koch:

The War Department is most desirous that you be furnished the burial location of your son, the late Private First Class Earl C. Koch, A.S.N. 86538622.

The records of this office disclose that his remains are interred in the U. S. Military Cemetery, Castelfortino, Italy, plot F, row 23, grave 841.

This cemetery is located approximately nineteen miles southwest of Florence, Italy, and is under the constant care and supervision of United States military personnel.

Please accept my sincere sympathy in the loss of your son. Sincerely yours,
E. B. Gregory, Lt. General,
The Quartermaster General.

After 45 months of service, Radar Man David H. Strieter received his honorable discharge from the Navy at Great Lakes, Ill. on Sunday, November 18.

The son of Mr. and Mrs. Julius N. Strieter, David, 24, enlisted on Feb. 13, 1942 and received his boot training at Great Lakes. He then was sent to Radio School at the University of Chicago. In January, 1943, he was assigned to the Battleship Iowa and took Radar training.

The 45,000 ton ship was commissioned on February 22, and David spent two and one-half years aboard her; one year in the Atlantic and one and one-half years in the Pacific. He took part in most of the major campaigns from the Marshalls to the Philippines and Okinawa. In June 1945, he was transferred to the new aircraft carrier U.S.S. Kearsarge at Newport, Rhode Island, and before the ship was commissioned the Japs surrendered.

David is entitled to wear the Good Conduct Medal, the American Theatre Ribbon, the Asiatic-Pacific Ribbon with five stars, the Philippine Liberation Ribbon with two stars, and the Victory Medal.

Before entering the service, David was employed at the Ann Arbor Bank.

Dudley F. Foster, GM-2C, has received his honorable discharge at United States Naval Training Station, Great Lakes, Ill.

He volunteered for the Navy on April 13, 1943, receiving his boot training at Great Lakes, Ill. On completion of "Boots" he entered Gunner's Mate School there. From there he attended advanced Gunnery and Electrical Hydraulics school at San Diego, Calif. at the U. S. Naval Destroyer Base.

After extensive training in Gunnery and Hydraulics, Foster returned to the East Coast, where he was assigned to the U.S.S. Atlas (ARL-7). Completing sixteen months' active service in the European Theater of War, he flew back to the States on appointment to Advanced Electrical, Hydraulic and Gunnery School in Washington, D. C. On completion he was sent to Camp Perry, Va. for a refresher course in ammunition handling. He was then assigned to the U.S.S. Mizpah, flagship of Admiral Beatty, Commander of the Destroyer Fleet of the Atlantic.

1st. Lieut. Paul D. Rogers was inducted into the army at Fort Custer on Jan. 13, 1942, spending two years in training in the United States, 13 months of which was at Drew Field, Florida.

In November 1942 he was commissioned a 2nd Lieutenant in the Signal Corps at Monmouth, New Jersey and one year later was promoted to the rank of 1st Lieutenant.

He arrived in England aboard the Queen Mary in January 1944, spending (Continued on page four)

Mrs. Christine Buehler died at the home of her son, Theodore Buehler, of Lyndon, Friday, Nov. 18. She came to America at the age of twenty and was united in marriage with Jacob Buehler, Dec. 20, 1860. She is survived by four sons, John of Chelsea, Charles of Ann Arbor—Samuel of Saline and Theodore of Lyndon; two daughters, Mrs. Geo. Satterthwaite of Lima and Mrs. John Forner of Chelsea, and a brother Michael Mohrlock of Sylvan.

Miss Florence Heselshwerdt left Sunday for Detroit, where she has accepted a position in the mail order department of the J. L. Hudson Co.'s store.

The cement foundation work on the territorial road was completed Saturday.

Mrs. Martha Dean died Nov. 17, at her home near Charlotte. Mrs. Dean spent nearly all her life in and near Chelsea. She was the last surviving child of Henry Depew, who took up from the government and owned until his death, the farm now owned by H. O. Knickerbocker.

A. B. Shutes and R. B. Waltrous were in Jackson Friday, where they attended a sale of 60 Holstein cattle, all of them selling at a very low price.

On Friday final dividends will be sent depositors of the Chelsea Savings Bank. The savings depositors receive in this dividend eleven and one-fourth per cent and the commercial depositors six per cent, making 81 1/4% received by savings and 60% by commercial depositors. Ninety-three per cent of the deposits held by the people of Chelsea and vicinity were in the savings department.

Last Thursday evening about thirty friends of Mr. and Mrs. E. H. Chandler met at their home on Park street and gave them a surprise. The occasion was in honor of the 25th anniversary of their marriage.

Most of the Chelsea merchants have had hitching posts set in front of their stores on Main street.

Chelsea dry goods and hardware merchants will close their places of business all day on Thanksgiving, and grocers and druggists will close at noon.

Born, Sunday, Nov. 19, to Mr. and Mrs. Leonard Loveland of Sylvan, a daughter.

NORTH LAKE EXTENSION CLUB
The North Lake Extension Club met at the home of Mrs. Lawrence Noah for a pot-luck dinner on Tuesday, November 13.

The leaders presented lesson material on "Modern Mending." Members were taught to put on a patch in three minutes. The lesson also included two very good stitches for mending underwear and socks.

There were 15 members and two guests present at this meeting.

By GENE ALLEMAN

"Selling Michigan to Michigan people" should be a major activity of the Michigan tourist industry, according to Governor Harry F. Kelly.

Kelly aired his views before members of the Michigan Tourist Council which met recently at Higgins Lake. The council, a state agency, comprises the secretaries of the four regional tourist associations and a number of other interested citizens.

The governor's statement was made as a comment on the need for greater advertising promotion in Michigan and nearby states of the Middle-West and less promotion on a national basis by which the travel attractions of Michigan would be presented to residents of California, Maine, Texas and other states of the Union.

It is this writer's conviction that the Michigan tourist industry is missing a good bet in preservation and promotion of some of Michigan's unique historical landmarks.

Mackinac Island has been acclaimed by the Daughters of the American Revolution as being "Michigan's most historical spot." These words are found on a tablet in the memorial park just below the Fort. The maintenance of Fort Mackinac, a truly national historical shrine, is a responsibility of the State of Michigan which provides funds to the Mackinac Island Park commission, a state agency, as the operating authority.

To the northeast of Mackinac Island is another historical landmark, old Fort Drummond, which enjoys the distinction of being the last British fort in the United States.

This military outpost was established by British troops following their evacuation of Mackinac Island in 1814. Whitney bay at the southwestern promontory of Drummond Island was selected by Lt. Col. McDonald, British commandant at Fort Mackinac, and Captain Payne of the British Royal Engineers and Captain Collins of the British Royal Navy because of its accessibility to Indians and the resultant value to the British in retaining the valuable fur trade.

That old Fort Drummond is being shamefully neglected by the State of Michigan even to the extent of being properly marked with a tablet is a fact that cannot be contradicted and which we have previously deplored. Remaining yet for visitors to see are two great chimneys used for officers' quarters; another fort chimney now part of a private cabin; some walls of old buildings; evidence of the fort artillery road and the parade grounds, and the British military cemetery, 100 by 150 feet.

At this fort the former Mackinac island troops—350 to 400 in number—were on duty until the fall of 1828, just 14 years after the Treaty of Ghent which formally closed the War of 1812.

Here is a genuine historical landmark, now neglected and overlooked as a tourist appeal. It could attract thousands of visitors every summer. It is a genuine relic of early American history.

During the 1945 summer season we had the privilege of visiting another island in Michigan that is rich in historical lore and which is being over-

looked also by the tourist industry and the State of Michigan.

We refer to Beaver Island at the north end of Lake Michigan, accessible by boat from Charlevoix and hence three hours' off the tourist travel lane along the west coast.

St. James, the only town on Beaver Island, enjoys the distinction of once being a rival Mormon kingdom to Brigham Young's Salt Lake City.

The story of the Mormons in Michigan is fairly well known to Michigan residents. When Brigham Young was chosen to be the successor of the murdered Joseph Smith, James J. Strang led a group of dissenting Mormons to Michigan's Beaver Island. They founded St. James because of its fine harbor at the north end of the island.

The King of the Highway, the main thoroughfare from St. James, is a reminder of the Mormon era as are Lake Galilee and the River Jordan, the island's sole trout stream.

But the most interesting relic of the Mormon period nearly 100 years ago is the Mormon printing house, a frame building with low ceiling and roof. Here the Daily Northern Islander, a daily newspaper, made its debut in 1866. A front page containing an announcement of the "murderous assault" on King Strang is on display in the lobby of the King Strang Hotel, now operated by Fred Spalding, formerly of Pontiac.

Like the old British fort on Drummond Island the old Mormon landmarks at Beaver Island have been ignored and neglected by the State of Michigan, despite their obvious historical value to future generations.

and their potential commercial benefit to the tourist industry.

We cite these two landmarks as affording examples of what might be utilized in "selling Michigan to Michigan people."

In Wisconsin the state government has acquired four historical landmarks. These are maintained by the state conservation department as part of Wisconsin's recreational-tourist attractions.

We believe Michigan should consider the example of Wisconsin and acquire old Fort Drummond, the remaining Mormon landmarks on Beaver Island and other similar historical spots while there is still time to save them from extinction.

We believe, as does Governor Kelly, that there is a real job to be done in "selling Michigan to Michigan people."

WEDDINGS

Ringkvist-Bollinger

At a candlelight service on Saturday afternoon at Zion Lutheran church, Ann Arbor, vows were spoken uniting Miss Esther E. Ringkvist, daughter of Mr. and Mrs. Carl Ringkvist, of Ann Arbor, and Lee A. Bollinger, son of Mr. and Mrs. Emanuel Bollinger of Freedom township. The double ring ceremony was performed at 4 o'clock by Rev. E. C. Stalhorn, preceding which the solos, "Because," and "If God Left Only You," were rendered by Miss Marie Killbuck. The bride was gowned in white lace over satin, with full length veil and she carried white roses. Mrs. Dudley Schroen of Dearborn, as matron of honor, was dressed in pink net and her flowers were white mums and pink roses. The bridesmaids, Irma Bollinger, sister of the groom, and Hilda Ringkvist, sister of the bride, were dressed alike in blue net and carried white mums. George Prinzing, cousin of the groom, served as best man, and the guests were seated by Armin Kuhl and Eldean Eisele. Iris Ringkvist, sister of the bride, was flower girl. She was dressed in yellow taffeta and carried a basket of white mums and pink roses. The bride's mother was gowned in black, while the bridegroom's mother wore light blue. Their corsages were of roses. Following the ceremony, a reception for 75 guests was held in the Michigan League. On their return from a wedding trip Mr. and Mrs. Bollinger will make their home on his father's farm, 2811 Wrentham Rd., Freedom township.

DEATHS

Fred Young

Fred Young, 92 years old, died Thursday, November 15 at his home on Manchester Rd., in Sylvan township.

Born in Wurttemberg, Germany, Dec. 11, 1852, the son of Christian and Elizabeth Becker Young, he came to America with his parents when he was a year old. They resided first in Ohio and 13 years later they came to Michigan.

On November 23, 1893, Mr. Young was married in Albion to Elizabeth Parr, and in 1917 they moved to the farm in Sylvan township, where they have since resided. He was a member of St. Paul's Evangelical church. Survivors include the widow; four sons, Elmer of Jackson, Oscar and Irwin of Chelsea, and Frederick of Stockbridge; a daughter, Mrs. Augusta Fritz of Chelsea; eight grandchildren and one great-grandson.

Funeral services were held at 2:00 o'clock Sunday afternoon at St. Paul's church, with Rev. Paul H. Grabowski officiating. Burial was in Riverside cemetery, Albion.

Dewey Bruss

Dewey Bruss, 47, died Thursday at Foute hospital, Jackson.

The son of William and Emma Bruss, he was born in August, 1898, in Belleville, Ill. For about ten years he had made his home in Chelsea. His wife, who formerly was Mrs. Ann Nicol, died last July.

Mr. Bruss is survived by his parents; a brother, Norman, and two sisters, Mrs. Florence Greenfield and Mrs. Hedwig Langitz, all of Belleville, Ill., and another sister, Mrs. Edna Donbeet, of Maywood, Calif.; also a step-son, S-1C Richard Nicol, who is serving in the United States Navy.

Funeral services for Mr. Bruss were held at one o'clock Saturday afternoon at the Staffan funeral home. Rev. P. H. Grabowski officiated and burial was in Oak Grove cemetery.

ST. PAUL'S AUXILIARY

The November meeting of the Women's Auxiliary of St. Paul's church, held at the church hall on Friday afternoon, was opened with devotionals in charge of Mrs. Clarence Dietle, with "Doorways to the World-Wide Church" as the topic for the month. A Thanksgiving program included:

"Thanksgiving Reasons"—Mrs. E. E. Adam.

"How They Did It in the Early Days"—Mrs. Lorenz Wenk.

"Praise for the Common Days"—Mrs. Walter Trinkle.

"We Thank Thee"—Mrs. Caroline Kraft.

Birthday cards were sent to boys in the service.

Mrs. Martin Miller was elected vice-president and Mrs. Harry Stofor as treasurer for the coming year.

Hostesses for the afternoon were Mrs. Gurney Hopper and Mrs. John Warren, and lunch was served to 25 members and two guests.

MRS. MESERVA HONORED

A party given at St. Paul's church hall on Wednesday evening of last week by Mrs. Wilbur Hinderer's Sunday school class honored Mrs. Charles Meserva, who recently celebrated her 25th wedding anniversary.

Trays of fruit and silver tapers centered the tables for the dinner, which was served at 6:30 to about 35 members. Contests furnished the entertainment for the evening, in which prize winners were Milda Lindauer, Alma Meserva, Emma Schairer, Dorthea Pielemeier and Edna Ritter-skamp.

Mrs. Meserva was presented with a gift, as also were Rev. and Mrs. P. H. Grabowski, whose 25th wedding anniversary was a recent event.

Girl Scout News

Cavanaugh Lake Girl Scout Troop number two visited group number five in Chelsea on November the fifth. After the business meeting, games were enjoyed by all.

Our officers are as follows: President—Re Ellen Lotridge. Vice President—Janet Lotridge. Secretary—Donna Fowler. Treasurer—Beatrice Fowler. Newspaper Reporter—Virginia Quatt.

Recreation Leader—Jean Schwein-furth.

GETS TRAIN FROM GERMANY

Terry Gentner received as a present for his fifth birthday, an electric train set, sent to him from Germany by his uncle, Pic. Richard Abdon, who is still stationed over there.

Last week I gave you some figures on the traffic toll and commented on the need of keeping our cars in good condition because of the wear they have had during the past four years. Speed at the present time is responsible in a great measure for the sharp increase in accidents on our highways. The lifting of gasoline rationing has brought on a carefree attitude of "plenty of gas, let's go." Some of these cars on our highways cannot be operated safely with increased pressure on speed and we have a definite responsibility to ourselves, to our families, and to our fellow-travelers

to see that our cars are in first-class condition mechanically.

Brake linings should be rechecked. Lights, horns, windshield wipers, steering mechanisms—all should be carefully checked before any increased speed is attempted.

I make the prediction that unless we pay attention to these items and set the example by doing the right things the safe way, legislatures throughout the nation will enact stricter laws and more restrictions on our driving habits.

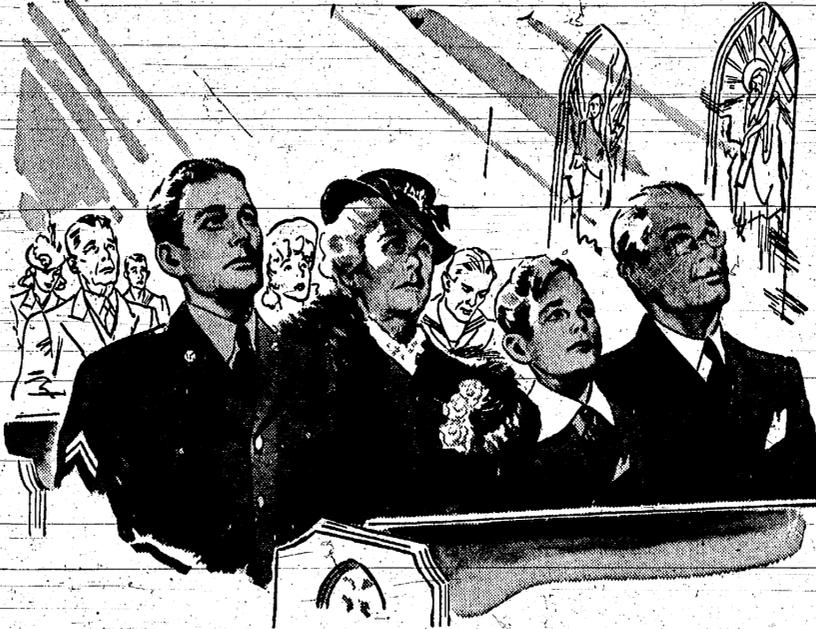

You have a definite part cut out for you, Mr. Driver, so play it safely.

Labelling Jars

Jar labels from an envelope: If you can't buy adhesive labels for jars, try using the adhesive part of an envelope. One envelope of ordinary size can be made into four to six very satisfactory labels.

(Continued from page one)
ing seven months in training in England, including three weeks at a R.A.F. school studying methods of air defenses used by the British during the 1942 "blitz."
Lieut. Rogers' next assignments were to Normandy, France for seven months and Belgium for one month as officer in charge of the Radar Filter Center of the 564th Signal Aircraft Warning Battalion. For 6½ months he was stationed at Ozoir-le-Ferrière, the American Country Club of France, just fifteen miles from Paris. The mission of the battalion at this time was the air defense of Paris.

His next move was to Germany in April 1945 as Company Commander of Battalion Headquarters Company in charge of a unit of thirty officers and 250 men. Here they were quartered in a rest hotel on the Rhine river near Wiesbaden, which had a pre-war reputation in England for fine cuisine.

Lt. Rogers' last transfer was to the 582nd Signal Aircraft Warning Battalion in September 1945, when he became Company Commander of Radar Co. A, with 12 officers and 450 men.

The return trip began by flying to Luxembourg on Oct. 18; leaving Marseille, France on Oct. 30 aboard the Army Transport General George Goethals, docking in Boston Nov. 9, and arriving in Chelsea on Nov. 16, being granted a terminal leave for 65 days.

Lt. Rogers, son of Mr. and Mrs. D. L. Rogers, was graduated from the Chelsea high school with the class of 1934, and from the U. of M. College of Architecture in 1941, working in the Chicago showroom of the Dunbar Furniture Mfg. Co. of Berne, Ind. until December 1941.

His future plans are to continue working for the same firm in their New York office on a part-time basis and to study business administration at Columbia University until the company's new showroom opens in Hollywood, Calif.

1st. Lieut. John C. Leeman, son of Mr. and Mrs. J. C. Leeman of Sharon, returned home recently and will receive his honorable discharge in January.

Lt. Leeman was inducted in January 1941, and served for 14 months at the Detroit Induction Center, following which he spent eight weeks at Fort Sheridan, Ill. He was stationed in the Station Hospital at Fort Brady, Sault Ste. Marie, and later attended Officers' Candidate School at Camp Barkley, Texas. From there he went to Camp Atterbury, Ind. to help organize the 118th Station Hospital Group, which went overseas in August 1943. He spent about 26 months with this group in Italy.

Lt. Leeman disembarked at Newport News, Va. on October 27. He has accepted a position as history teacher in the Niles high school and will assume his duties there next Monday.

Mrs. Leeman and their daughter, Karen Sue, have resided with her parents in Niles during Lt. Leeman's absence. He had never seen their daughter until his return.

Fleet Home Town News Center — Lt. (jg) Dudley K. Holmes, 146 East Middle St., Chelsea, Mich. went ashore at tiny Ie Shima (where the famed Ernie Pyle met his death) to carry on the work of a Fleet unit bearing the legend of "GroPac" while the fighting still raged 200 yards from the beaches, Navy records of that operation have disclosed.

"GroPac" became a highly respected term in the Navy because of its performances at Ie Shima and other bitterly-contested islands in the Pacific. The term is short for Group, Pacific, which served as a part of the Service Force, Pacific Fleet.

The job of "GroPac" after landings had been effected, was to unload the huge quantities of supplies from the LSM's, LCT's and barges, supplies without which the island beachheads and advances could not have been sustained. Group, Pacific also included a small boat repair component which worked 24 hours a day to put wrecked and damaged craft back in shape.

Pearl Harbor, T. H.—Cpl. Joseph J. Kastl, USMC, husband of Mrs. Joseph J. Kastl, of Chelsea, Mich., is on his way home.

Kastl is one of 1,580 high-point Marine veterans whom the "Magic Carpet" is bringing back to the States aboard the U.S.S. MARYLAND.

The U.S.S. MARYLAND—one of more than 250 carriers, battleships, cruisers and attack transports in the Navy's famed "Magic Carpet" fleet—left Pearl Harbor, Tuesday, November 6, and is scheduled to arrive in San Diego, Monday, November 12.

Passengers will go directly to the Separation Centers nearest their homes to complete the formalities of obtaining their discharges before returning to civilian life.

Thomas Young, AMM-1C, who received his honorable discharge at Great Lakes, Ill., returned to his home here on Friday. Thomas enlisted in the Naval Air Corps in January, 1941, and received his training at Navy Pier, Chicago and Newark, N. J. He went overseas in July, 1944, and served as instructor in an A. and B. shop at Pearl Harbor. He is the son of Mr. and Mrs. John Young.

Pfc. Earl R. Helm, son of Mr. and Mrs. Henry Helm of Sylvan township, received his honorable discharge from the U. S. Army on Nov. 12.

Earl was inducted into the Army on Oct. 10, 1942 and served 32 months overseas with an Anti-Aircraft Artillery Battalion. He saw action in Africa, Italy, France, Belgium, Holland and Germany.

WEDDINGS

Birch-Ritter

A beautiful wedding was solemnized at 9:00 o'clock Saturday morning at St. Mary's Catholic church, Chelsea, when Mary Birch, daughter of Mr. and Mrs. Wm. B. Birch, became the bride of C. S. Ritter, jr., son of Mr. and Mrs. C. S. Ritter of Pittsburg, Kansas. The double ring ceremony was performed by Rev. Father Lee Laige.

The bridal party entered the church to the strains of Mendelssohn's Wedding March. The bride, who was given in marriage by her father, was dressed in white silk marquisette, with satin trimmings, with full length veil being caught in a tiara of seed pearls. She carried a bouquet of white carnations centered with an orchid.

Her attendants were her sister, Mrs. Francis Visel, acting as matron of honor and wearing a pink taffeta and tulle dress, carrying a bouquet of yellow roses and baby mums. Also acting as bridesmaids were Mrs. James B. Birch of Ann Arbor, Miss Virginia Zeck of Detroit and Miss Pearl Alexander of Chelsea, all wearing identical blue taffeta gowns and blue tulle tiaras with nosetip veils. Their flowers were colonial bouquets centered with yellow rosebuds.

1st Lt. James Ritter of Riverside, Calif. attended his brother as best man. The ushers were James B. Birch and Louis V. Birch, brothers of the bride.

Mrs. Wm. B. Birch, mother of the bride, was attired in a burgundy wool dressmaker suit with black accessories, and her corsage was of carnations and baby mums. Mrs. Chas. S. Ritter, sr. chose a dress of burgundy velvet with accessories of black. Her flowers were carnations and baby mums also.

A wedding breakfast for the immediate families, was held at Weber's Inn, and a reception was given at the home of the bride's parents from one o'clock until four o'clock, with Miss Pearl Alexander presiding over the guest book.

After a honeymoon in the West, Mr. and Mrs. Ritter will make their home in Chelsea.

Give Thanks—It Is 1945 and Not 1623

Our first Thanksgiving Day was proclaimed by Governor Bradford of Massachusetts in 1623. We can be thankful that we did not have to contend with many of their problems, some of which were:

Potatoes were unknown and meats not within the average purse range. Newspapers did not appear until 1683.

The Giving of Thanks Be Made for All

Giving thanks always for all things unto God and the Father in the name of our Lord Jesus Christ.—Eph. 5:20.

A joyful noise unto Him with Psalms.—Psalms 25:2. Give thanks unto the Lord; call upon His name; make known His deeds among the people.—Psalms 105:1.

Farmers Are Invited To Building Conference

Michigan farmers who are contemplating building new structures or remodeling old ones on their farms will be able to pick up many useful suggestions at the annual farm building conference to be held at Michigan State college December 5 and 6. All interested farmers and their families are invited to attend.

Answers to many of the problems confronting farmers when they attempt to build will be presented by Hugh Curtis, managing editor of Successful Farming, who is scheduled to speak at 10 a.m. on the opening day. Prefabrication, its advantages and drawbacks, will be reviewed by R. V. Evans, of the Evans Products Company, Detroit.

J. D. Long, president of the American Society of Agricultural Engineers, will discuss farm building designs on the afternoon of the first day. He will then lead a panel discussion on building plans, building materials, plumbing and sanitation,

electrical equipment and the farm kitchen.

Among several subjects scheduled for Thursday, the second day, will be a preview of the plans Michigan State college is making to promote farm building improvement in Michigan.

Many farmers, lumber dealers and other building company representatives, as well as carpenters and contractors, are expected to attend the conference. The gathering is sponsored by the M.S.C. department of engineering and the Michigan Farm Building Advisory committee.

Laundrying Velvetene

In laundrying velvetene and corduroy, dip the garments up and down in suds made of neutral soap flakes and warm water. Then put them through two or more rinse waters. Press out all the water possible after each rinsing, but do not wring or twist. Hang up to dry and press on wrong side. Then brush right side, with the nap. Press again, until the fabric is thoroughly dried out. Later, brush in the opposite direction to raise the nap.

Safe Alteration

Before altering new cotton house dresses, children's dresses or slips, make sure they are marked "fully pre-shrunk" or "residual shrinkage less than 1 per cent." If they are not so marked, launder them before making alterations.

New Seed Potato Cutter Will Prevent Ring Rot

The knife is both a useful tool and a dangerous weapon. This has become especially true with respect to seed potato cutting on Michigan potato farms.

Dr. L. Carl Knorr, extension plant pathologist at Michigan State college, explains that the cutting knife can spread dangerous ring-rot bacteria from one infected tuber to the next 30 that are cut for seed. Hence, the knife has contributed greatly to the spread of ring rot in Michigan during the past several years.

With this in mind Dr. Knorr has recently devised a self-sterilizing rotary cutting knife that not only prevents the spread of the ring rot bacteria but also speeds up seed potato cutting. He says that the machine can be built at home from parts locally available, and need not exceed \$20 in cost. The table stock grower who has ring rot can save this amount the first year alone through the increased healthy yield on just one acre of potatoes.

The new potato-cutting device consists of a circular blade that is rotated by a motor. The lower portion of the blade revolves in a tank of automatically heated boiling water. Bacteria on the blade are killed by the boiling water and a continuously disinfected

cutting surface is presented for each succeeding potato.

Description and plans for construction of the rotary cutting knife can be secured without cost by writing to the Extension Plant Pathologist, Michigan State College, East Lansing, Michigan.

Food Production

The United States has produced 50 per cent more food annually in this war than in World War I. In addition, with 10 per cent fewer workers on farms and with a total national population up a third, our people have had about 10 per cent more food per capita during this war than in the 1917-18 period. During the present conflict, twice as much food has gone annually to the armed services and for overseas shipments as was used for these non-civilian outlets each year of the last war.

Sign of Age

One of the marks of time appearing in some eyes are the little white spots seen at the edge of the cornea, says the Better Vision Institute. Appearing generally in middle life, sometimes these spots are mistaken for cataract; actually they are harmless and have no effect upon vision. They are, however, a sign of age.

GAS RATES REDUCED!

Every Gas User Will Get His Share of the \$55,759 Annual Saving!

*Cost of House Furnishings Chart based on U. S. Department of Labor Statistics.

Your 1939 Dollar Buys 39% More Gas Today!

Michigan Consolidated Gas Company will reduce gas bills \$55,759 annually in the Ann Arbor District, starting November 14th.

While living costs have been steadily increasing through the years, Gas costs to you have been just as steadily decreasing! The chart at the left gives a quick picture of the definite upward swing in house furnishings typical of the increased cost of many other commodities except Gas.

This latest reduction in gas means a saving for every householder. Typical savings are shown in the examples of average bills at lower left.

This reduction is possible because, through the combined efforts of the Michigan Public Service Commission and ourselves, we have been able to obtain from the Federal Power Commission an order reducing the pipeline rates on the gas which we purchase. And this entire saving of \$55,759 is being passed along to you, our customers.

We plan to continue expanding in many ways to bring you even finer service at the lowest possible rates.

OFFICE NEWS
School will be closed Thanksgiving and Friday of this week for Thanksgiving vacation.

Report cards will be handed out Wednesday, November 28. All teachers will be in their rooms from 7:30 until 9:00 on Thursday, November 29, to meet with any parents who wish to see about the work of their children.

HOME EC.
A few of the girls from Home Economics III are going to be very busy for the next few days. First of all,

four girls are giving a dinner for themselves and four guests on Monday, Nov. 19 at 6:30 p.m. The guests invited were Mrs. Lindauer, Mrs. Dorer, Miss McMahon and Mrs. McMahon. It is to take place in the Home Ec. room.

Tuesday night four other girls are going to give a turkey dinner. Miss Huntington, Miss Searles, Miss Vogel and Miss McMahon are to be the guests. These are both class projects. With such wonderful food and such good cooks (?) the dinners are bound to be a success.

THANKSGIVING 1945
Thanksgiving Day is, in the United States, an annual Festival of Thank-

giving for the mercies of the closing year. This year we have so much to be thankful for. The main thing is that the war is over, and many of our friends and relatives in the service will spend Thanksgiving with us. We can also be thankful that we have competent, fine leaders who are trying to make a lasting peace.

Nearly everyone in the United States will have a large Thanksgiving dinner, but we must remember that in many of the war-torn countries thousands of people are starving. Maybe while we are giving thanks to God for our food and good fortune we can add a prayer for those unfortunate people.

WHAT WOULD
Miss Vogel do if 2nd hour never did anything except what they were told to do?

Mr. Chandler do if he didn't require "MacBeth" for Senior English?

Miss Thornton do if sixth hour prepared their lessons beforehand?

Miss McMahon do if Colquhoun smiled sweetly at her?

Mr. Cameron do if there were no grapes about his government tests?

Mr. Johnson do if his voice became a loud bass?

Mr. Richards do if every one in the morning assembly were all present and quiet before the last bell?

Miss Beam do if she could finish bawling out her classes without starting to laugh?

DEFEAT MANCHESTER 44-12
Chelsea's traditional rivalry with Manchester was settled temporarily with a decisive victory for Chelsea.

Manchester kicked off to D. Slane on the 10, who proceeded to run to the 35. On the second play D. Slane ran

around left end to Manchester's 4. Our captain, T. Smith, shifted to full-back and on two plays scored a touchdown; Bug Slane's kick was successful for the extra point.

Manchester punted to Chelsea's 38, then on the second play, with Wellnitz leading, Bug went to Manchester's 22. Bug and Knickerbocker worked the ball to the 4, from which Breitenwischer went around right end for the score.

Because the ball is free on the kick-off, Wellnitz downed the kick on Manchester 35. Our second team then took over; they worked to the 20 but Manchester intercepted; they failed to go far. Claire Knickerbocker intercepted a pass on the 18 and returned to Manchester's 18. After several plays Chelsea scored from the two yard line. Half ended with the score 19-0.

Chelsea kicked to Manchester, who failed to gain. After Daniels caught a pass on the eleven yard line, Bug Slane ran over the goal line but was called back for a penalty. Next play, Knickerbocker passed to Barlow for the score. The kick was wide.

Chelsea again kicked, but Bug Slane soon intercepted a pass on Manchester's 30 and returned it to the 3. Bug then proceeded to buck the line, and gained another six points. Bug's kick was good. Score 33-0.

Coach Cameron then sent in his second team (again); Carlson intercepted a pass on Chelsea's 45 and behind beautiful blocking by the line ran it to Chelsea's 7. On the next play, Manchester intercepted a pass on the 12 and ran it back to Chelsea's 27 before Bug Slane felled the ball carrier.

Cannon, after several plays, passed for Manchester's first score; the kick was wide. Manchester kicked to Chelsea, but the line held and Miller was forced to punt. Cannon took the punt on his own 30 and crossed the goal line again. Score: Chelsea 33, Manchester 12.

Ray Knickerbocker received the kick-off on his 25 and returned to the 38. Don Baldwin, on a reverse, advanced the ball to Manchester's 25. Dave Slane went over for the six-point line from the 20. Knick's kick was wide.

Bug Slane kicked to Manchester's 30 and was stopped for no gain. Manchester took to the air; Knickerbocker intercepted a pass on the 20 and carried the ball to the 49, but because of a penalty Chelsea took the ball on the 20. Bug Slane went around left end behind Wellnitz, Barlow, Waters, and a host of others, reached Manchester's 23. Manchester was penalized half the distance to the goal line, so Chelsea had the ball on the 12. Bug Slane threw a flat pass into end zone. The kick failed.

The game ended with Chelsea ahead by a comfortable 32 points. This is the first time in three years Manchester has managed to score on the team from the northern town.

Chelsea, in 9 starts, claims 7 victories, 1 defeat, 1 tie, which adds up to a good season. Coach Cameron and the boys really deserve a great deal of credit for their display of strength.

Chelsea's prospects for next year are good, as only three seniors—Smith, Slane, and Breitenwischer, will be lost to the team.

Not all the credit should go to the backfield, as boys like Daniels, Wellnitz, Smith, Breitenwischer, Burg, Waters, Barth, Baldwin, and Colquhoun open the holes through which the backfield go. Much also is owing to the loyal and gallant members of the second team who take the bruises and poundings without any of the credit or the glory. Their years will come later.

STUDENT COUNCIL
The student council decided to let the Girl Scouts of Patrol Five sell popcorn at noon and after school next Tuesday.

The committees for the annual Christmas party were decided. General chairman, Loreen Munro; decorations, Donna Perkins; music, John Wellnitz; refreshments, Rita Gross; entertainment, Neil Beach; tickets and cloakroom, Duane Quatt; advertising, Frances Hale.

Frances Hale gave a report on financing the Christmas party. A discussion followed about different ways to earn money.

Frances Hale was appointed to see the eighth grade about attending the Student Council meetings.

Mr. Johnson has suggested to the Student Council that they have an assembly in the form of a panel discussion about "Compulsory Military Training" but it was decided that there isn't enough interest to have a discussion on the topic.

ASSEMBLY
There was assembly held in the gym Thursday during fifth hour, put on by the high school band. It opened with the band playing "The Star Spangled Banner," which was sung by the audience. The next number was an overture "Olympia." They also played several other pieces.

A specialty was given by Neil Beach and Paul Schable on their trombones, accompanied by the band. Mr. De Mattei presented Tom Smith with his captain's bars. Tom in turn presented the first lieutenant, Neil Beach, with his bars, the second lieutenant, Helen Vail, with her bars. He presented chevrons to the sergeants, corporals, and first class cadets. Letters were awarded to the stage managers, uniform managers and the librarians.

Two girls from the University of Michigan gave several cornet duets, which were very good.

Our second assembly was held Friday morning, when Mr. Johnson discussed behavior, method of travel, safety, and other items that need consideration in connection with an out-of-town game.

The third assembly was held later Friday when the local library sponsored a discussion on modern books

given by Miss Edith Thomas, who has long been a member of the University of Michigan Library Staff. She brought along an excellent collection of interesting books, told us a little about many of them.

BAND
The assembly Thursday afternoon was in charge of the Band. The drum majorettes accompanied the band and there were two cornet soloists from the University. Along with this splendid performance there was group singing. The program seemed to be enjoyed by everyone who attended. The band is doing splendidly this year.

ALL-HI PARTY
The party held in the gym last Friday was sponsored by the Athletic Board and assisted by the Home Ec. girls, who served refreshments of jello and cup-cakes. The programs, decorations, and the entertainment were simply "out of this world." Lights and music, however, were as usual. Chaperons were Miss Vogel and Mr. Cameron.

ATHLETIC BOARD
The Athletic Board sponsored an All-Hi party November 16. Methods for paying standing bills were discussed.

Plans for the football banquet are under way and the list of boys eligible to attend the banquet was approved.

F.F.A.
The boys held a meeting Wednesday, November 14, at 8 p.m. to initiate "the green hands." An interesting and impressive ceremony was observed. The evening ended with the serving of ice cream and cookies.

CHELSEA HIGH NEWS
Freshman—The Freshman class will have their party on December 1. They had a class meeting to decide the amount of money for class dues last week.

Sophomore—The Sophomores have postponed their Christmas party until December 8.

Juniors—The Junior play committee met Thursday evening to select a list of plays for examination. From this list, the final choice will be made. Bob Daniels, Helen Vail, Duane Quatt, Bob Schneider were present.

G.A.A. NEWS
Twenty of our G.A.A. members are bowling now. The captains and their teams are as follows: Helen Jarvie, Freshmen; Rita Gross, Sophomores; Helen Vail, Owls; Marilyn Schooley, Seniors. The highest game has been 133. Next week they will organize their real teams. The girls in this group meet only once a week.

The girls in basketball are still enjoying their games twice a week.

FRESHMEN BIOGRAPHIES
Three new Freshmen are about to be introduced—the first, Paul Kalmbach, who was born on May 3, 1931, has brown eyes and hair, stands 6 feet 7 inches tall and weighs 170 pounds. He likes ice cream to eat while listening to "Don't Fence Me In," his favorite song. He thinks Chelsea High is a very nice school and the teachers are "all right," but the tests are too hard. Paul previously went to Sylvan Center school. The subjects he is taking are: English, civics, shop, and agriculture.

The second is Donna Lou Kalmbach, who made her first appearance on August 29, 1931. She grew to be 5 feet 6 inches tall and weighs 122 pounds, with hazel eyes and brown hair. Her favorite food is mashed potatoes and chocolate ice cream. Donna came from Sylvan Center school and thinks Chelsea High is "wonderful." Her subjects are: English, civics, algebra and biology.

The third, Jim Palmer, who is 15 years old, born on May 3, 1940. He has grown to be 5 feet 8 inches tall, weighing 133 pounds, and having hazel eyes and blond hair. Steak he chooses as his favorite dish and "Till the End of Time" his favorite song. Chelsea High is a swell school so Jim says. The subjects he is taking are: Algebra, English, civics and agriculture. Jim previously went to University High in Ann Arbor.

FIFTH GRADE NEWS
The fifth grade has been very busy planning and building a puppet stage and making puppets. We are writing a play about feudal times that we are going to leave the puppets put on.

Last Wednesday at the Safety Patrol meeting, Officer Doe spoke to our patrol boys. He pointed out the things they had to be careful to watch while on duty. He presented the captain's badge to Lloyd Dyer. Kenneth Hale was chosen lieutenant by the patrol boys.

SEVENTH GRADE NEWS
Seventh grade has had a busy week. They began by selling apples in the hall; now they are, in cooperation with the seniors, selling school pencils.

They observed children's book week by meeting in the Public Library on Thursday morning, and listening to Mrs. Walworth explain where books are kept, how to find information in a library, how to care for books, and many other things interesting to children in connection with books and libraries.

They had an English test Friday.

EIGHTH GRADE NEWS
We are very sorry about Phyllis Stoll, who is ill with pneumonia. Betty Phillips is leaving us. She is moving to Detroit.

We had our sixth week's English test Friday.

Our class liked the assembly of music last Thursday.

Mary Ann Schrader and Audrey Lake had birthdays last week.

Plane Loads
Plane loads of civil air transports during 1944 reached to more than 90 per cent of available capacity, 88 per cent in 1943, and only 72 per cent in 1942.

Stretch Drinks
When making lemonade or orangeade, run the oranges or lemons through a food chopper. You'll find the juice will go twice as far and taste fruitier.

"WE'RE MOVING RIGHT ALONG"

... BUT THE JOB HAS JUST BEGUN
Telephone equipment for civilians is beginning to flow from the factories. Michigan Bell's 5-year \$120,000,000 expansion and improvement program is off to a good start, with projects costing over \$5,000,000 already under way.
We've begun to install telephones in those areas where only telephone instruments are needed to provide service. By next spring, we expect to clear up virtually all orders of this type—more than one-third of the 125,000 waiting applications.
To fill the other orders, cable must be produced, placed and spliced; complex switching equipment must be engineered, manufactured and fitted in with existing apparatus. In many cases, new buildings must be erected.
This work is being rushed. But the job is so big that it will be 1947 before enough equipment is ready to serve everybody who wants a telephone. That means we must still ask your understanding and patience.
