CHELSEA MUNICIPAL BUILDING

Election Will Be Held In Municipal Building

Chelsea's annual village election will be held next Monday, March 11, in the Municipal Building, East Middle street. Announcement was first made that the election would be held in Sylvan town hall, but completion of remodeling makes it possible for the village to hold the election in their own building.

With two exceptions the candidates for next Monday's election are those nominated at the caucuses on February 19. John J. Alber withdrew as candidate for clerk on the Independent ticket, and Robert G. Foster withdrew as candidate for clerk on the People's ticket. The vacancies were filled by Don Oesterle on the Independent and Willard R. Guest on the People's ticket.

The complete tickets are as follows:
Independent Party
President—Walter D. Mohrlock.
Clerk—Don Oesterle.
Treasurer—William G. Koib.
Assessor—George Clark.
Trustees—Roy Hayris, Wilbur Hinderer, Jay Tuttle.
Library Board—John Keusch, Mrs. E. W. Eaton.

People's Party
President—Charles S. Ritter, Jr.
Clerk—Willard R. Guest.
Treasurer—Irene Mayer.
Assessor—Dahue Riker.
Trustees—Alvin Vail, Armin Schneider, Julius Eisele.

NOTICE
In the financial statement of the Village of Chelsea, published in this issue, the item referred to as not being approved in minutes, was approved by the Village Council at its regular meeting on March 4, 1946.

Attention, members of the Rod & Gun club—the next meeting will be held March 12 at Moore's Restaurant. Adv.

Open House Will Be Held On Saturday and Sunday from 12 to 6 P. M.; Remodeling Work Nears Completion; Building Is Ready for Occupancy

Remodeling work on Chelsea's new Municipal Building on East Middle street is nearing completion and Open House will be held on Saturday and Sunday, March 9 and 10, from 12 o'clock noon to 6:00 p.m. Although most of the furniture and fixtures which have been ordered for the building have not arrived, practically all of the remodeling work is completed and the building is ready for occupancy.

All of this building, including the basement and three floors, has been remodeled and renovated, most of it requiring new plastering, and it has been redecorated throughout. It is arranged to provide space for all village departments, as well as a community hall which will be available for use by the public.

Basement facilities include a large fireproof vault for all village records, and public restrooms with entrance from the sidewalk.
First floor includes the lobby, waiting room, Electric and Water Department office with large fireproof vault for their records, police department, and two cells, and the east half of the first floor will house the fire department trucks. This room will also be used for village elections, with the fire trucks being removed when the voting booths are erected.

Council rooms are on the second floor, and according to President Walter Mohrlock the remainder of this floor is proposed by the council for use by the Chelsea Public Library.

The entire third floor will be used as a community hall, with a fully equipped kitchen, and cloak rooms.

There are drinking fountains, rest rooms, and fire extinguishers and hose on each floor, and two stairways all the way to the third floor. The entire first floor and the council rooms on the second floor have been covered with asphalt tile. The building is heated by hot water, with automatic gas boiler, and there is hot and cold running water on each floor. The first story exterior has been covered with mahogany and sun-tan Vitrolite, which adds greatly to the beauty of the building.

The building has been approved by the State Fire Marshal, who stated that it is one of the best constructed buildings in the state from the standpoint of safety.

According to Village officials the building was purchased from Mrs. Margaret Vogel at a cost of \$12,000, and remodeling costs were estimated at \$25,000. The purchase and remodeling of the building has been accomplished without any increase in taxes, and village officials state that there will be no increase this year.

Kasurin & Kasurin, of Ann Arbor, were the architects, Chris Koch & Sons, general contractors, and Floyd D. Rowe the plumbing and heating contractor.

An invitation is extended to all to visit the building on Saturday or Sunday for the first public inspection of Chelsea's Municipal Building.

Village officials announce that the office of the Electric and Water Department will be moved to the Municipal Building next week, as will the fire department.

Our New Village Improvement

(An Editorial)

Chelsea has a new Municipal Building, which is ready for occupancy by the various departments of the village government and services.

This new building is one which would be a credit to any town, even much larger than Chelsea, and yet, ever since the project was started by the present village administration more than a year ago, there has been criticism from many of us who questioned the wisdom of spending so much money in this manner.

In all fairness to our village president and members of the council, we should give them the credit they deserve in directing the purchase and remodeling of this building which we believe will be greatly appreciated by all as time goes on. We believe these men of the administration acted in good faith and to the best of their ability in providing this improvement for the village. They have given freely of their time in helping to direct the work to a successful conclusion.

It is so easy to stand back and criticize these men for what they have done, but until we are willing to take more of an interest than that in village affairs we should muffle our criticism (as stated in these columns before, only about one per cent of the village's population was in attendance at the caucuses when candidates were selected).

Now that the Chelsea Municipal Building is completed and ready for occupancy, let's forget our gripes and take our just share of pride in this edifice which is a credit to a progressive town, and give a hand to the boys who have seen it through!

ENTERTAIN HI-NEIGHBOR CLUB
The Hi-Neighbor club was entertained at the home of Mr. and Mrs. William Lubahn on Friday evening, with progressive euchre furnishing the pastime for about 30 members. Holding high score were Mrs. Alvin

Hatt and Everett G. Van Riper, with Mrs. Wilbur Hatt and Alfred Faulkner receiving the consolation. The traveling prize went to Mrs. Leon Chapman. The club voted to make a contribution to the Red Cross drive.

4-H Club Week Being Observed In Michigan

Michigan's 45,000 members of 4-H clubs this week are joining the nation's 1,700,000 members in observing National Club Week.

Special proclamations, recognizing the importance of club work in promoting better rural living have been issued by President Harry Truman and Governor Harry F. Kelly. In part, the president stated that the local 4-H club program was one of the most important means "we have of demonstrating to the world what youth can accomplish through practical democracy and good citizenship."

According to enrollment figures for the past year announced by the Michigan State College 4-H club office, approximately 14,000 members completed clothing projects, 9,600 handicraft work, and 4,533 dairy work. The 4-H club boys and girls grew 5,500 gardens, prepared 4,700 meals, conducted 1,300 whitts and 1,380 poultry projects. About 6,200 were enrolled in victory work which consisted of cooperating in various ways with the national wartime projects such as scrap salvage. More than 6,100 local leaders participated, and more than 5,300 clubs were active during the year.

In proclaiming the observance of National 4-H Club Week, March 2-10, Gov. Kelly re-stated the 10 guideposts as outlines for the nation's 4-H clubs, and mentioned that these points might serve also as guideposts for adults who seek solution for the world's ills. The national guideposts are:

1. Developing talents for greater usefulness.
2. Joining with friends for work, fun and fellowship.
3. Learning to live in a changing world.
4. Choosing a way to earn a living.
5. Producing food and fiber for home and market.
6. Creating better homes for better living.
7. Conserving nature's resources for security and happiness.
8. Building health for a strong America.
9. Sharing responsibilities for community improvement.
10. Serving as citizens in maintaining world peace.

ENTERTAIN FOR NEWLY-WEDS

Mr. and Mrs. L. S. Grossman entertained 50 guests on Wednesday evening of last week for the pleasure of her brother and wife, Mr. and Mrs. Henry Kulenkamp of Grass Lake, whose marriage was an event of the past month. Progressive pedro was played, lunch was served and a shower of miscellaneous gifts was presented the honor guests.

Mr. and Mrs. Robert Lantis have moved from the Pierce farm on old US-12 to their home on Chandler St.

Patriotic Dinner Held On Wednesday Evening

The annual patriotic banquet of R. P. Carpenter Women's Relief Corps No. 210, Auxiliary to the Grand Army of the Republic, was held on Wednesday evening, February 27, at the Masonic hall, where at 6:30 a dinner was served by the ladies of the Eastern Star to 90 members and guests.

Tiny flags arranged as a centerpiece and candles of red, white and blue carried out the patriotic motif in the table decorations.

Mrs. Ernest Adam presided as toastmistress of the evening and Mrs. P. M. Brosamie was the musical accompanist.

After singing of "God Bless America" by the assembly and the salute to the flag, the following guests were introduced:

Mrs. J. Edmund Quirk, president of the Legion Auxiliary.
Mrs. William Weber, president of the V.F.W. Auxiliary.
Mrs. John Fisher, president of the MOMS.

George W. Atkinson and Rev. Everett R. Major.

Continuing the program, vocal solos were rendered by Mr. Atkinson, whose selections were "Come Sing To Me," and "The Desert Song."

"We Are All Flag Makers," a reading by Mrs. H. T. Moore and Mrs. Yearl Whipple, was followed by a solo, "Somewhere a Voice Is Calling," by Mrs. J. Vincent Burg.

A talk on "Child Delinquency" was given by Rev. Major, and the program was concluded with singing of "Star Spangled Banner."

Red Cross Will Hold Blood Bank Next Week

In order to have blood plasma available to doctors and hospitals in this county, the Washtenaw County Red Cross is cooperating again with the State Department of Health in a blood bank during the week of March 11.

Plasma is used in the treatment of burns, and many diseases. During the past two years Washtenaw county has had to use plasma borrowed from that contributed to the state blood banks by persons in other counties.

Prospective donors should call the American Red Cross for appointments. In order to reach as many donors as possible, cards have been distributed in several business places in Ann Arbor, so that interested persons may register.

The blood plasma contributed will remain in this county, and will be made available, free of cost, to doctors and hospitals in the county.

Chas. Sullivan Awarded State Farmer Degree

Charles Sullivan, son of John Sullivan of London township and the late Mrs. Sullivan, has been awarded the State Farmer Degree by the State Association of Future Farmers of America. He will attend the annual F.F.A. convention at Michigan State College on March 18 and 19 as a delegate from the Chelsea Chapter, and will receive the Gold State Farmer pin at that time.

Only boys having outstanding farm projects and excellent records in school and community work are recommended for this honor. Charles is a Junior in Chelsea high school, and president of the F.F.A.

Marshall Richards is instructor of Vocational Agriculture at the Chelsea high school and advisor of Chelsea Chapter, Future Farmers of America.

ANNOUNCE ENGAGEMENT

Mr. and Mrs. D. C. Hooker of Jackson, recently of this place, announce the engagement of their daughter, Marie, to Edw. L. Stephenson of Bancroft.

Miss Hooker was graduated from Bancroft high school with the class of 1940, and is now employed by W. H. Franklin Lighting Equipment Co. She is living, at present, at 124 West Summit St.

Mr. Stephenson, who was graduated from Bancroft high school in 1939, was returned in October from the

European Theater of Operations where he served for 18 months as Sergeant in the Medical Corps of the 7th Army. He is now living in Bancroft.

No definite plans have been made for the wedding.

BIRTHDAY PARTY

On Sunday, the fifth birthday of Michael Todd Foster, the anniversary was celebrated with a dinner at the home of his grandparents, Mr. and Mrs. Harry E. Foster. Guests included his parents, Mr. and Mrs.

Dudley Foster, Mr. and Mrs. Robert Foster, Miss Joyce Foster and Russell Gardner of Chelsea; also Mr. and Mrs. LaVerne Foster and daughter Patricia, Mr. and Mrs. Charles Murray and Mrs. Marie Purchase, all of Detroit. The birthday cake centering the table was made by his maternal grandmother, Mrs. J. Vincent Burg. Mickey received many gifts as souvenirs of his birthday.

The Dessert Bridge club was entertained on Monday at the home of Mrs. R. E. Jolly.

THE OLD JUDGE SAYS...

OLD JUDGE: "Hank, you're a big grain producer... let me ask you a question or two?"

HANK: "Glad to have you, Judge."

OLD JUDGE: "Do you think the grain used by distillers is wasted as some folks are saying?"

HANK: "I certainly do Not! As a matter of fact, it is just the opposite."

OLD JUDGE: "How do you figure that, Hank?"

HANK: "From my own experience and from reports I've read. For the year endin'

last June, the distillers produced over 1,200,000,000 pounds of distillers' dried grains... the best feed supplements we can lay our hands on. They are rich in nutrients. Why... I've never had such fat dairy cows, livestock and poultry as I have since I've been usin' these dried grains."

OLD JUDGE: "How do you use them, Hank?"

HANK: "I blend them in with original grain. This balanced ration has far greater feed value than the original grain itself. I can cut down on my whole grain feeding about 20% and still get better results."

VILLAGE OF CHELSEA AUDIT REPORT

December 31, 1945

February 28, 1946.

To the Honorable, the Village Council,
Village of Chelsea, Michigan.

Gentlemen:

We have examined the balance sheet of the Village of Chelsea as of December 31, 1945, and the statement of receipts and disbursements for the year then ended, have reviewed the system of internal control and the accounting procedures of the Village and, without making a detailed audit of the transactions, have examined or tested accounting records of the Village and other supporting evidence, by methods and to the extent we deemed appropriate. Our examination was made in accordance with generally accepted standards applicable in the circumstances and it included all procedures which we considered necessary, except that we did not deem it practicable to confirm receivables by direct correspondence.

In our opinion the accompanying balance sheet and related statement of receipts and disbursements present fairly the position of the Village of Chelsea at December 31, 1945 and the results of operations for the year then ended, in conformity with generally accepted accounting principles applied on a basis consistent with that of the preceding year.

Very truly yours,

Iceman, Johnson & Hoffman,
By P. F. Iceman.

COMMENTS

Delinquent Taxes Receivable

Delinquent taxes receivable as of December 31, 1945 are presented in Schedule A-1. We confirmed them by examining the records of the County Treasurer. According to a letter written from the office of the County Treasurer on March 23, 1946, a tax receipt dated July 22, 1944 for \$12.60 and signed by Ictie Martin, covering property assessed to John and Myra Schiefelstein, was brought to that office. Of this \$12.60, \$8.40 was for the General Fund, \$2.80 for the Interest and Sinking Fund, and \$1.40 for the Library Fund. The amounts applying to the General Fund and the Interest and Sinking Fund were written off.

An unpaid special assessment amounting to \$14.50 on the Charles Bycraft property, which had been put on the 1945 tax roll, could not be found to be the tax record of the County Treasurer. We were informed by that office that this tax would be added to the county rolls.

Delinquent Special Assessments Receivable

Delinquent special assessments receivable as of December 31, 1945 are presented in Schedule A-2. These are the unpaid special assessments for the years 1938-1944 and 1944 which have not as yet been transferred to the tax rolls. Because of the physical condition of the special assessment rolls we recommend that all unpaid special assessments receivable be put on the tax rolls.

Receipts

The contributions by the Electric and Water Department to the General Fund for the year 1945 amounted to \$28,503.47 (Exhibit B), which we computed as follows:

Total payments received by the General Fund	\$28,992.52
Deductions:	
Expenses of the Electric and Water Department paid by the General Fund:	
Automobile Insurance	\$ 23.58
Fidelity Bond Insurance	50.00
Workmen's Compensation Insurance	335.52
Portion of Cash Received for U. S. bonds by the Department which belonged to the General Fund	80.00
Total Deductions	489.05
Contributions from Electric and Water Department (Exhibit B)	\$28,503.47

Our examination of collections for taxes and special assessments revealed the following:

	General Fund	Sinking Fund
Computed Receipts:		
1945 Tax Levy	\$11,833.16	\$3,944.01
Special Assessments	2,907.95	
Delinquent Taxes	147.49	35.90
Total Computed Receipts	\$14,888.60	\$3,979.91
Actual Receipts per Books	14,912.85	3,950.29
Shortage		\$ 28.68
Overage		\$ 24.25

We were unable to find a record for a receipt ticket dated September 12, 1945 for \$22.50, state trailer license fees. The Village Treasurer stated that this money was probably deposited as a tax collection.

U. S. Savings Bonds, Series G, having a face value of \$5,000.00, were cashed at their redemption value of \$4,890.00. These bonds were purchased during February of 1944.

The receipts of the General Fund of the Village may be summarized as follows:

State Shared Licenses, Taxes, and Fees	\$ 8,841.71
Contributed by Electric and Water Department	28,503.47
Taxes, Special Assessments, Interest, Licenses, Permits, Services, and Other	26,433.22
Total Receipts	\$63,778.40

Interest and penalties on all delinquent taxes amounting to \$6.52 were deposited in the General Fund. No allocations were made to the Interest and Sinking Fund or the Library Fund.

A comparison of total disbursements from the General Fund with the total disbursements approved as shown by minutes of the Village Council meetings, for the year ended December 31, 1945, follows:

Total Disbursements (Exhibit B)	\$61,486.99
Disbursements Approved—Per Council Minutes	57,486.80
Balance—Not Approved in Minutes	\$ 3,950.89

All outstanding Sewage Treatment bonds in the Interest and Sinking Fund amounting to \$4,000.00, and accrued interest of \$90.00, were paid during the year 1945. The cash balance of \$784.46 in this fund was transferred to the General Fund.

Rubber Burns

The most common cause of rubber burns in floors is soft wax or wax which has not been properly buffed. The common error is to apply too thick a coat of wax, and then polish the surface only, leaving a considerable film of wax which will not remain soft and sticky, but will at least be susceptible to rubber burns.

Body Posture

Body postures are not trained by movements, but by static positions,

DEATHS

William Schultz
William Schultz of Ann Arbor, a former resident of this community, died suddenly of a heart attack on Wednesday morning, February 27.

Mr. Schultz was born in Dexter township, March 1, 1877, the son of Henry and Marie Jessen Schultz. He made his home at North Lake until 1903, when he moved to Ann Arbor, where he established a grocery store with his brother, Jacob Schultz, formerly of Chelsea. After Jacob's death, he continued in the grocery business with John Kozak, later operating the store by himself.

Since his retirement from business 13 years ago, he had been employed as salesman for wholesale grocers, and recently was associated with the A. and L. Battery Co.

He was a member of the First Methodist church, Ann Arbor, the Golden Rule Masonic Lodge, and at the time of his death was secretary of the Masonic Temple Association. Mr. Schultz was married on April 22, 1902 to Alma Weimeler of Howell. Survivors include his widow; a daughter Mrs. T. H. Hudson, two grandchildren, a brother, Samuel Schultz, and a sister, Mrs. John Finkbeiner, all of Ann Arbor.

Funeral services were held at 1:30 on Saturday afternoon at the Muehlberg chapel, with Dr. James B. Kenna and Graveside services at Washtenaw Memorial Park, Ann Arbor, were conducted by Golden Rule Masonic Lodge.

LYNDON FARM BUREAU

A meeting of the Lyndon Farm Bureau, held recently at the home of Mr. and Mrs. Wirt Boyce, was attended by 36 members and there were two visitors.

Edward Conner called the meeting to order and a discussion on the land use program was led by Mrs. Clarence Ulrich.

As the state has taken over 2,000 acres of land in Lyndon township to be used for parks, it makes the payment of school taxes a hardship, and a resolution was passed at this meeting, asking the state for twenty-five cents tax on all state-owned land, instead of the ten cents now received.

The Bureau also requested that more fire protection be given, inasmuch as the township has no authority to call the fire department, should fire break out on this state-owned property.

At the close of the discussion, lunch was served by the hostess. The next meeting will be held March 19 at the home of Mr. and Mrs. Howard Boyce.

ST. PAUL'S LADIES' AID

Seventeen members of St. Paul's Ladies' Aid Society assembled at the church hall on Friday afternoon for their regular monthly meeting which was opened with devotionals by Rev. E. H. Grabowski, and a talk on the topic, "In Union There is Strength."

The program was as follows:
Readings on Church Unity—Mrs. Philip Seitz, Mrs. Fred Reichert, Mrs. Fred Seitz.

Hymn—"I Love Thy Kingdom, Lord."

Talk on the Topic—Miss Cora Feldkamp.

Hymn—"The Church's One Foundation."

Prayer—Mrs. John Oesterle.

Lunch was served by Mrs. A. H. Singer and Mrs. Howard Flintoft.

CELEBRATE ANNIVERSARIES

Mr. and Mrs. Victor Sindlinger of Ann Arbor and Mr. and Mrs. W. G. Price celebrated their wedding anniversaries on Sunday with a dinner at the Price home in Lima township. The occasion also honored the birthdays of Mr. Sindlinger, his daughter Judy and son David.

Dr. Robert Pommerening of Ann Arbor was a week-end guest of his parents, Mr. and Mrs. Alvin H. Pommerening.

WEDDINGS

Elsie Pierson

Mr. and Mrs. Julius Elisele announce the marriage of their daughter, Marian M. Elisele, 2900 U.S.N.R., to John C. Pierson, CM2C, U.S.N.R., son of Mr. and Mrs. John S. Pierson, Hightstown, New Jersey.

The candlelight ceremony was performed in the chapel of Saint Paul the Seafarer, U.S.N. Amphibious Training Base, Coronado, Calif., on December 7, 1945.

The attendants were Miss Marie Paradis, Arlington, Mass., Miss Marjorie Mattox, Mobile, Ala., Walter Hennagen, Cincinnati, Ohio, and Floyd Koch, Reading, Pa.

The bride was given in marriage by George H. Detman, Jr., Chicago, Ill. Commander William T. Holt read the double ring service.

Marian Pierson entered the service Sept. 6, 1944 and was honorably discharged Jan. 30, 1945. Before entering the service she was employed in the office of the Central Fibre Products Co.

PERSONALS

Mrs. John Grossman of Manchester was a Sunday guest of Mr. and Mrs. L. S. Grossman.

Miss Margaret Miller returned Saturday from a week's visit at the home of Mr. and Mrs. Frank Quinlan, Detroit.

Mr. and Mrs. Milton Riethmiller of Waterloo township visited Mr. and Mrs. E. M. Elasmann on Sunday afternoon.

Mr. and Mrs. William Prudden of Bellevue were Sunday dinner guests at the home of her mother, Mrs. Henry Winter.

Mr. and Mrs. Reuben Heselschwerdt of Sharon township were Sunday callers at the home of his sister, Mrs. J. L. Kilmer.

Mr. and Mrs. Louis Fryzelka and children of Detroit were guests of her parents, Mr. and Mrs. C. J. Williams, on Saturday.

Mr. and Mrs. Paul Elisele, Mr. and Mrs. Norbert Merkel, Mr. and Mrs. Armin Schneider and Mr. and Mrs. Hans Grossman attended a party on

Sunday evening at the home of Mr. and Mrs. Clyde Thrasher, Ann Arbor. Mr. and Mrs. Lawrence Dietle entertained her mother, Mrs. Grace Thayer of Dearborn, as a guest over the week-end.

Mrs. Adolph Elsen, daughter Mar-

guerite and granddaughter, Robin Elsen of Detroit, and Mr. and Mrs. H. G. Gage and son Edward of Ann Arbor were entertained on Sunday at the home of Mr. and Mrs. Elba Gage.

With Our Men In Service

Lieut. Roland A. White, recently returned from Europe, spent the week-end with Mrs. White and her family. Lieut. White is transport service officer aboard the U. S. Army transport "Hagerstown Victory," the primary duty of which is transporting returning veterans from the ETO to New York.

John H. Stoffer, S-10, son of Mr. and Mrs. Harry Stoffer, received his honorable discharge at Detroit on February 25.

He entered in the coast guard unit on Aug. 25, 1942 and received his basic training at Curtis Bay, Maryland. He was then stationed at several ports in Florida. Further training was received at A.T.B. Camp Bradford, Norfolk, Va., as a gunner on the U.S.S. LST 770, from which he left for the Asiatic-Pacific area.

He is entitled to wear the U. S. Victory medal, American Area Camp medal, Asiatic-Pacific Area Camp medal with two bronze stars, Philippine Liberation medal with one bronze star, and Good Conduct Medal.

Army Air Forces, British Guiana—Robert E. Tobin, son of Mr. and Mrs. Robert E. Tobin of Chelsea, Michigan, has been promoted to sergeant in the Army Airways Communications System Detachment at Atkinson Field, British Guiana.

Sgt. Tobin was graduated in 1943 from high school in Detroit where he was a member of the basketball team. He entered the army in November 1943, and upon completion of basic training, was assigned to the Army Airways Communications System, the outfit which operates and maintains radio communications and navigational aids for the worldwide military airways of the United States. A cryptographic technician with the AACSS, Tobin has served overseas since April 1944. He was stationed at Walker Field, Trinidad, before receiving his present assignment.

Richard Schmidt, GM 30, son of Mr. and Mrs. Norman Schmidt, received his honorable discharge from the navy at Great Lakes separation center on Saturday, Feb. 23.

He was inducted into the navy on May 31, 1943 at Great Lakes, Ill., receiving his basic training there and also attending Great Lakes Service school, and saw service aboard the LST 480 and LST 241.

Richard participated in the battles of the Marshall Islands, Iwo Jima and Okinawa, and is entitled to wear the Asiatic-Pacific Campaign Medal with four stars, the Philippine Liberation, the American Defense and Victory Medals.

"Dick" was graduated from the Chelsea high school with the class of 1942 and previous to his induction was employed by the Central Fibre Products Co.

Cpl. William C. Klink, son of Mrs. Matilda Klink of Sylvan township, received his discharge from the army on February 15, 1946, at Camp Attentive, Ind.

William took his basic training at Camp McCoy, Wis., then transferred to Amarillo, Texas, where he was assigned to the Army Air Corps, spending three months there before going to Stockton Field, Calif., where he was sent to school and assigned as a mechanic on advanced twin engine pilot trainers; after spending eighteen months there he was transferred to Victorville, Calif., which was a radar and navigator school. He spent six months there as a mechanic and aerial engineer on B-24s; later he was sent to Muskogee, Okla., where he was working alert crew and mechanic, then to Marshall Field, Kansas as a mechanic, leaving there on Feb. 12 for the separation center.

Furstenfeldbruck, Germany—Pvt. Robert E. Gross, son of Mrs. Ella Gross, Chelsea, Michigan, has arrived at the European Theater Army Air Forces Reinforcement Depot, and will soon be assigned to a permanent station somewhere in Germany.

While he is at this post, situated near Munich on the picturesque wooded slope of a German Alpine range, Pvt. Gross will have an opportunity to enjoy the scenic beauties of Southern Bavaria which made the region popular among pre-war tourists.

Formerly a prominent Luftwaffe training school, the Army Air Forces Reinforcement Depot is one of the most attractive fields in Europe. At the present time several thousand soldiers each month are processed and given orientation in their occupational duties at this key station.

Before entering the service in June, 1945, Robert attended the Chelsea high school.

NOTICE TO RED CROSS WORKERS

Mrs. E. C. Burns, chairman of the local Red Cross drive, was called to Columbus, Ohio, Tuesday evening by the sudden death of her brother. All Red Cross material is in the hands of Mrs. James Almond, and collectors may call at her home, 408 Washington St. for any additional supplies needed. Three hundred extra enrollment blank were received from the Ann Arbor Red Cross on Tuesday, to replace the dwindling supply on hand.

New Flour Very Tasty, States County Agent

The present flour-buying spree is founded on the false idea that the new flour will be "quaker" or will taste or look bad, says Frances E. Wilson, county-home demonstration agent.

She believes that most everyone is going to be agreeably surprised to find that the new bread isn't "gray" or "dark" and is only slightly more creamy looking than the present standard white flour. As for taste, little difference can be noted, except possibly a more "wheaty" flavor. White cakes will look the same; yellow cakes may be somewhat different in color.

Along with the fine appearance and flavor of the new flour will go even higher food values if the present enrichment levels are continued. The home baker will have little to worry about as far as her recipes for baking are concerned. Commercial recipes for bread and other baked products will not have to be changed by the bakers, and there is little indication that home recipes will have to receive any great alteration.

HONORED AT PARTY

Last Friday evening a delightful party was held at the home of Mr. and Mrs. Henry Merkel in honor of their two nephews, nieces and son-in-law who have been discharged from service. Those attending were Mr. and Mrs. John Stuckemann and Mr. and Mrs. Ray Gilbert of Ann Arbor, Mrs. Mary Eschelbagen, Mr. and Mrs. Fredrick Stricker and daughter Sue Ann of Midland, Caroline Cushman of Manchester, Henry Engelhart, Mrs. Mata Lucht, Mr. and Mrs. Harry Stoffer and son John, and Mr. and Mrs. Otto Lucht. Angeline Merkel also spent the week-end with her parents.

HONORED ON ANNIVERSARY

Relatives of Mr. and Mrs. Arthur Grau, numbering about 30, from Ann Arbor, Chelsea and vicinity joined them on Sunday at their home on Manchester Rd. for a celebration of their twenty-fifth wedding anniversary. The guests served a delicious dinner, which was featured by a three-tiered wedding cake, with decorations of silver. The afternoon was spent in visiting, during which a congratulatory talk was given by Rev. M. W. Bruckner. Mr. and Mrs. Grau were recipients of many gifts and a shower of silver dollars.

MOMS TO MEET MARCH 14

Thursday, March 14 is the next meeting of the MOMS. This will be a guest night. Every member come and bring a guest. There will be a program and a social hour. Mr. Quigley, Chelsea's amateur magician, will give an exhibition of his art. In a way, this is Mr. Quigley's debut, so everyone come and let's give him a big hand. Eight o'clock in the Home Economics room of the high school.

ALTAR SOCIETY MEETING

The twenty-meeting of the Altar Society will be held Monday evening, March 4 at St. Mary's hall, with 25 members answering to roll call. It was voted to give \$5.00 to the Red Cross fund, also \$5.00 to Soldiers' Literature fund. After the business meeting, bingo was played, followed by delicious refreshments by the committee of the month.

HONORED AT DINNER

A dinner on Friday evening at the Michigan League, Ann Arbor, honored Henry C. Schneider, who has returned after seven years' service as a member of the Library Board. Covers were laid for ten, including members of the board, their husbands and wives.

It's Still A PRE-WAR DOLLAR HERE!

Your dollar buys less food, less clothing, less of everything except the drug store products used daily in your home. We're still selling most of your favorite nationally advertised health and beauty aids at pre-war prices—and some of them are actually priced lower than they were in 1941. There's no inflation at BURG'S. It's still a pre-war dollar when you spend it here for quality-tested, quality-proven national brands, and these values prove it!

The KEY to Our Success
While we carry health goods of all kinds, and a variety of merchandise for your beauty, comfort and convenience, we never lose sight of the fact that a drug store's principal function is to provide a truly professional prescription service. It's the key to our success. When you bring a prescription to us, you know that it will receive the immediate attention of an experienced pharmacist who will "stay with it" until the medicine is bottled, sealed, and labeled.

OFFICE NEWS

Parents' Night will be on March 15. Report cards were distributed to the students last night. The F.H. club members in this area are having a get-together tomorrow night in the gymnasium. The state district basketball tournaments will be held March 7, 8 and 9, at Napoleon.

A WARNING

No, really this isn't a warning—it's just something to attract your attention. Now don't go away. First, I like to have to think of something to say. Oh, yes! Parents' Night is just around the corner. Does this bring fear into your heart or does it make you happy?

you happy? It should make you happy. More about this event later. Remember, there are to be short classes, kindergarten through the twelfth grade. After that there will be a program in which the chorus and band will show their talent.

INTERVIEWER

We expected last week's interview to create a little excitement but not quite as much as we got.

As we promised, the boys are getting their chance this week, and frankly, they were a bit blunt. So hang on to your hats girls, here goes! All right, fellows, what are some of the things we girls do, that you don't like?

David Slane: "I don't like to see girls wearing boys' clothes."

Tom Smith: "I say, have you ever gone past the girls' locker room at lunch time? What have we here—women or cattle?"

John Williams: "Some girls need a book on how to act on a date. I have heard some girls use worse language than boys."

Bert May: "If we were dogs and barked every time a girl threw us a bone, they would be happy. I use the word 'dog' because they are supposed to be dumb and girls seem to think boys are the same."

Don Baldwin: "I think that the teachers should start getting some of the girls for talking, instead of just the boys. After all, the girls add something to the disturbance."

Ray Knickerbocker: "On the whole the girls in this school are O.K. Yet there are some who could change their attitude about certain things. It's like May says, some girls treat us like dogs. The biggest trouble with girls is that they talk too much. Of course we all have faults."

Doug Vogel: "They act as if they were in grade school—giggling and batting each other over the head with books."

SPECIAL ASSEMBLY HELD

On Tuesday morning of this week a special assembly was held in the study hall. The purpose of this meeting was explained by the chairman, Elaine McClear. It seems that Elaine, while attending a D.A.R. luncheon, learned of a worthy project that should prove very helpful to all our hearts. It is simply that there are many of our boys at Perry Jones hospital who are badly in need of wheel chairs—wheel chairs of a very special kind. These chairs are built for those boys who have either lost both their legs or lost the use of them.

Ordinarily these chairs would cost close to \$100; but, however, through the Red Cross they may be obtained for \$54. To obtain one of these chairs is now the aim of the Junior and Senior high school! If each student in the grades 7 through 12 will contribute 20¢ for this cause, a chair can be purchased. Representatives from each of these grades will endeavor to see that his or her respective grade reaches its quota.

The entire student body appeared genuinely interested in the project. May their goal be reached!

PINCKNEY AVENGES DEFEAT

Chelsea 36—Pinckney 48. Pinckney dropped seven field goals through the net to Chelsea's three, to head at the end of the first eight minutes of play, 14-6. Pinckney kept the lead of 10 points all through the game except for two or three times during the third and fourth periods. Chelsea just couldn't seem to connect with the hoop to make up the rest of the points. Chelsea was outscored by only one point in the fourth stanza, having scored 13 points to Pinckney's 14. The game ended 48-36. Bug Slane led Chelsea with a total

of 11 points. Burns and Ledwidge had 12 and 11 points respectively for Pinckney.

The reserve Bulldogs split but their chunk of victory by beating the Pinckney reserves 20-10. Chelsea led all the way.

Slane paced his teammates by scoring 9 points while Clark, from Pinckney, led his team with 11 points.

CHELSEA LOST CLOSE GAME

Chelsea 35—Dexter 37

Chelsea played its last regular game Friday at Dexter. Dexter took a four-point lead and never lost it until the last quarter, when Chelsea scored a basket to take the lead, then lost it. Dexter led 4-0 at the end of the first period. By the end of the third quarter Chelsea was out ahead by the score of 27-25.

Bug Slane for Chelsea and Walter Vaughn for Dexter led the scoring column with 14 points each.

The Chelsea reserves lost their fourth game this season by the score of 18-36.

Bug led Chelsea with six points and Williams for Dexter picked up 11.

The girls' basketball team went to Dexter on Friday, March 1, to play against Dexter's team. The game started at 6:30 p.m. The starting line-up for Chelsea was: J. Vail, H. Hankard and J. Eisenbeiser, as forwards, and B. Luce, D. Manville and F. Hale as guards.

Dexter's center, receiving, passing the ball through the hoops to make the first score of the game. A few minutes later Chelsea scored their first basket. The first quarter ended with Dexter leading with the score 6-5.

Chelsea received the ball at center, Dexter intercepted and the ball was passed from one end of the floor to the other. Both teams were up to the point, had played a marvellous game. The half ended with Dexter still in the lead, 9-7.

Dexter received the ball this time, starting the quarter off to a good start. Chelsea's team was still fighting fast and hard. Dexter led at the end of this quarter. The score rose to 12-10.

At the beginning of fourth quarter Chelsea had J. Vail, W. Paul and J. Eisenbeiser as forwards, with B. Luce, V. Lesser and M. Ottomah as guards. Chelsea took the ball on the opening play, passed it to Jean Eisenbeiser, who brought the score up. The game ended with the score Dexter 15, Chelsea 14.

Jean Eisenbeiser, along with the rest of the team, played a terrific game at Dexter. She made 10 of Chelsea's 14 points. This is Jean's last year here, along with J. Vail, J. Moore, R. Hummel, V. Lesser and M. Ottomah. Good work girls, and thanks a lot for your good cooperation with the rest of the team! We've learned a lot about basketball from all of you! Due to the slightly hard (?) playing of our guards, Chelsea had only a few fouls called against them. Substitutions during the game were O'Neill, A. Lewis and R. Hummel.

Although you didn't win, girls, you can be proud for playing a clean, hard game.

STUDENT COUNCIL

The Student Council presented a program at the P.T.A. last Monday night for the purpose of showing the parents what the Student Council is trying to accomplish in school. The Student Council will present an All-Hi party after the Parents' Night program on March 15. All parents who are interested in seeing what their boys and girls do at the parties are cordially invited to attend.

THE ELITE

Neil William Beach was born April 11, 1928 and has lived near Chelsea all his life. He is one of the intellectuals of the senior class and has willingly given a great deal of his time and energy to school activities. Neil is five feet seven inches tall and weighs 175 pounds, has blue eyes and light brown hair. His preference in color is green; in foods, Spanish rice; in sport, swimming; pastime, reading; movie, "A Song To Remember"; music, Chopin's Polonaise. Neil's ambition is to become a doctor, and we are sure that he will be a success because of his willingness to help others.

August 6, 1927, Catherine Mae Geor

was presented to her proud parents. She has lived on a farm most of her life and has worked very hard, not only at home but in school activities. She is five feet ten inches in height and weighs 164 pounds, has blue eyes and dark brown hair. Catherine's favorites are: movie, "State Fair"; music, Chopin's Polonaise; food, jello; color, blue; sport, bowling; and pastime, sewing. Catherine's ambition is to be a nurse. She is industrious, kind and patient and she will certainly make a good nurse.

The Junior class members are preparing for the Junior-Senior Reception and the Junior play which will be "Beyond Reason." They have secured Nick LaBelle orchestra for the reception.

The Sophomores have decided to order their class rings soon.

The Freshmen have started to plan the Sophomore return party which is to be semi-formal. We wonder if the Sophomores had anything to say about this.

BAND

On March 16th the Chelsea High School Band will participate in a state-wide contest for the best High School Band or orchestra. The band has been working long and hard in preparation for this event and Mr. DeMatteis feels confident that they will be ready by that date.

The band is also preparing to play in the Parents' Night exercises.

F.F.A. NEWS

The F.F.A. club went to Saline on Wednesday, Feb. 27 to the district demonstration contest. There were three chapters present: Saline, Milan and Chelsea. The contest consisted of three demonstrations, the first of which was public speaking. Each person may choose his own subject on which he must talk for ten minutes. The second is a demonstration of crops or livestock which consists of two or three people so as to enable them to present the material which is the topic of the demonstration.

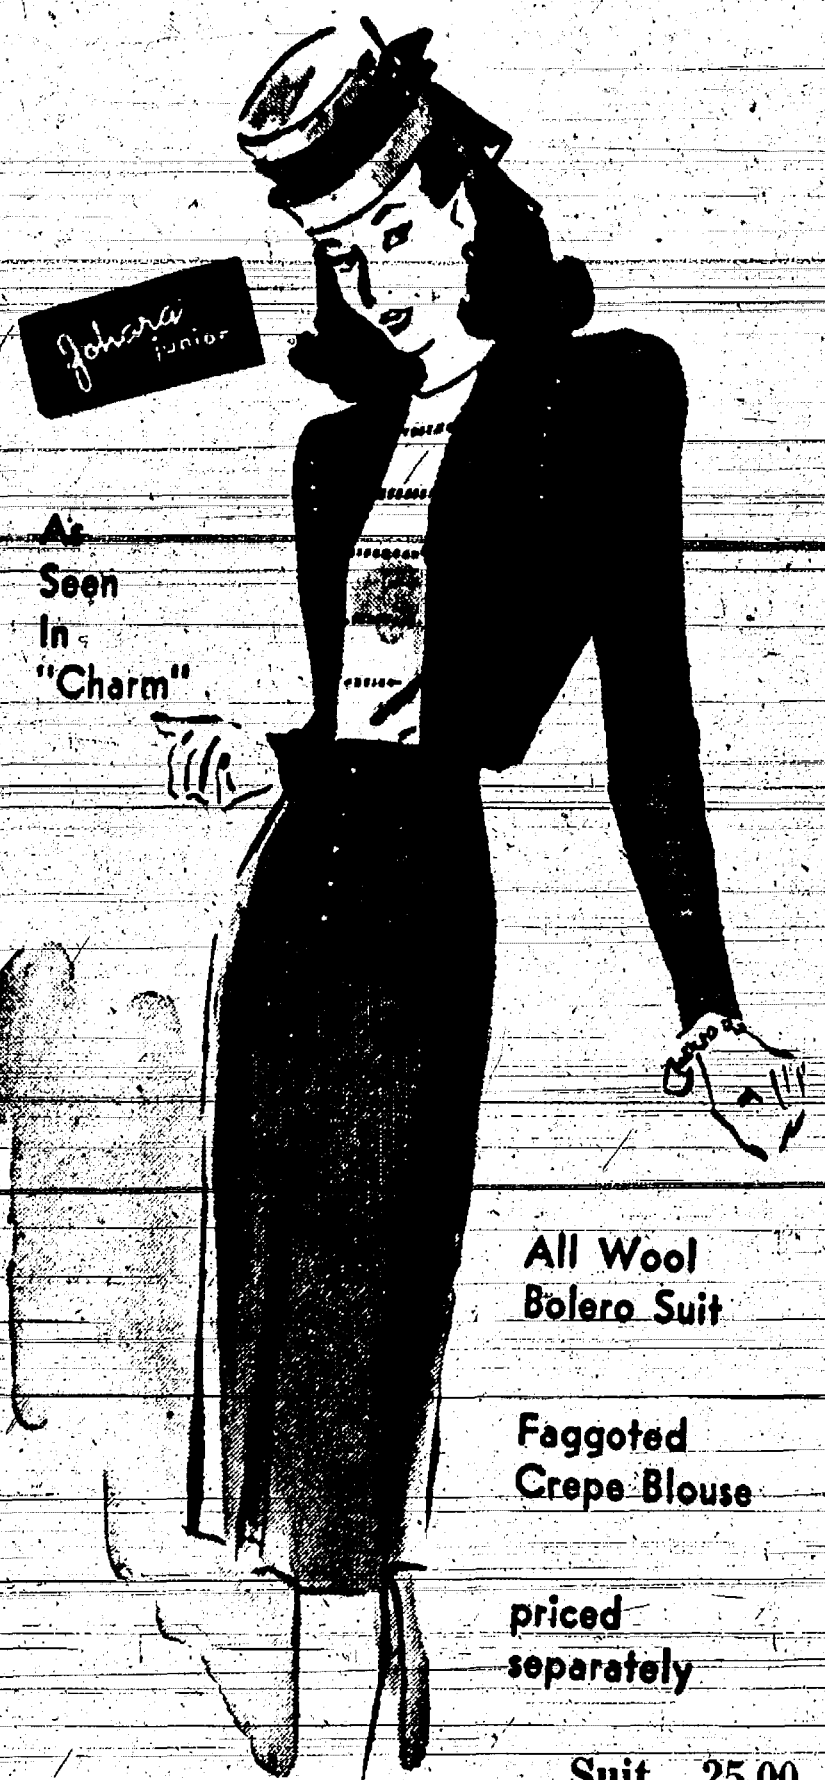

The last was parliamentary procedure—carrying out a business meeting. Saline presented all three demonstrations.

After the demonstration, Chelsea and Saline played a basketball game. Saline's team was in very good condition but nevertheless Chelsea won by two points. Barth and Lantis started as guards; Paul at center; Van Riper and Bauer as forwards. The high-point man was Paul, who scored 6 points, Barth scored 3, Lantis, Van Riper, Bauer and Halley each scored 2 points. The final score was Chelsea 17, Saline 15.

Ice cream and cookies were served after the game.

'Shore Right'
It was the "Tawan Karang" or "shore right" which finally led to fighting between "Netherlanders" from Java and the princes of Bali. Bali's people had long believed that they had the right to plunder any foreign ship which went ashore on Bali or was in distress in its waters. As late as 1804 this "right" was practiced and the Netherlands government defied.

Fill Sardine Can
There is no group of fishes officially bearing the name "sardine." The United States herring, the menhaden and the European pilchard are the small fishes which generally fill sardine cans.

Lamb Losses Caused By Early Worm Treatment

Reports coming to the animal husbandry department at Michigan State College reveal that a number of Michigan breeders are losing lambs probably from use of worm treatments among the ewes shortly before the lambing period.

M. L. Benton, college animal husbandry specialist, advises that individual worm treatments, particularly those using phenothiazine, should not be employed after mid-gestation and before lambing. Use of phenothiazine in the ewe, however, is not considered harmful. All other treatments, such as drenching or bolus, should be delayed until lambing.

Worms in the intestinal tract cause less damage in the summer than during the winter. Hence, winter treatments of sheep are seldom necessary if phenothiazine is used properly in spring and fall. Mr. Benton recommends treating the sheep when they come off pasture in the fall and again after lambing, when they go to pasture in the spring. In addition, he advises a phenothiazine-salt mixture before them in the summer.

Farmers have the choice of several different methods of using phenothiazine for the spring and fall treatments.

For a drench or mixing with the feed, buy phenothiazine with a wetting agent added. In using the drench, follow the manufacturer's directions. For mixing with the grain feed, use 1/2 to 5 ounces of phenothiazine powder, 4 fluid ounces of watery mix with 4 pounds of oats and bran. Feed this amount to 5 adult sheep or 10 lambs under 60 pounds. Always feed the sheep in groups of 5 or less. If choosing to use a bolus or capsule, follow manufacturer's directions.

For the summer salt mixture, add one part pure phenothiazine to 12 or 14 parts of salt or mineral mixture.

Safe Ladder

Before climbing a step ladder, see that the spreader is fully extended and the footing firm. If the ladder is to stand on a concrete sidewalk or smooth surface, get someone to hold the ladder to prevent sliding. Use a board under the base on soft ground. Face the ladder when climbing; don't lean too far out or attempt to carry too heavy a load up the ladder.

Labor In Corn Planting Reduced In Experiment

The possibility of eliminating some labor in growing the Michigan corn crop is indicated in preliminary results of a soil science experiment conducted at Michigan State College.

These results showed that it was not necessary to do any intermediate fitting of the soil between plowing and planting, such as harrowing or anti-packing. Not only was the corn easier to cultivate but out-yielded the corn planted after the usual fitting by four to eight bushels per acre. The ground at harvest time was not so hard as that which had been fitted in the usual way.

In this experiment the field was plowed in the usual way, with the exception that the furrows were undercut about an inch to give good coverage. Then the tractor wheels were set in so that the planter shoes trailed in the wheel tracks, and the field was planted as soon after plowing as possible. The research man in charge of the experiment, Dr. Nathan Hall, of the soil science staff, believes that it is important to make sure the surface material is well covered.

Dr. Hall believes that harrowing and the usual operations of intermediate fitting tend to bring up weed seeds that might otherwise not sprout and grow. Thus, omitting the intermediate fitting helped in weed control. It is emphasized that the results reported by Dr. Hall are for one year. Seasons in which different climatic conditions, such as rainfall, occur may modify the results.

EXTENSION GROUP MEETS

The Lyndex Extension group met at the home of Mrs. Leonard Reith on Tuesday evening, February 26. The regular business meeting was held, and a new member, Mrs. Barbara Pim, accepted. After adjournment, a very interesting talk on child nutrition and feeding was given by Mrs. Vivian MacFawn of the Michigan State College Extension Service. Miss Frances Wilson, the County Home Demonstration Agent, was there with Mrs. MacFawn. Mrs. Ed. Wise and Mrs.

Homer Stofor of the North Lake group, were visitors. Lunch was served at the conclusion of the talk. Standard Liners Bring Quick Results

NOW!

1/2 MILE FREE LINE-CONSTRUCTION

for new rural telephone subscribers

Effective March 1, the Michigan Rural Telephone Construction Plan was further liberalized.

Now we will extend our rural lines an average of one-half mile* for each new subscriber with no construction charge! Under the revised plan, a large majority of the farm homes in Michigan Bell territory can get service without any charge for construction.

This liberalization was recommended by the Michigan Rural Communications Committee, a group of agricultural leaders who helped us design the present construction plan.

As rapidly as more materials become

available, such additional free line-construction, together with small monthly payments for construction beyond the half-mile allowance, will mean more farm families with telephones... more people you can reach from your telephone.

And that's only part of Michigan Bell's vast 5-year \$13,500,000 rural expansion and improvement program. Construction of more lines will mean fewer parties per line for many customers. And dial systems will be installed in many more rural sections. All of which will add up to better, faster and more satisfactory service for more Michigan rural folks.

*Formerly the allowance was 2/10 of a mile

CARD OF THANKS

We wish to extend our heartfelt thanks and appreciation for the acts of kindness, messages of sympathy, and beautiful floral offerings received from our kind friends and neighbors during our recent bereavement in the loss of our beloved husband and father.

Mrs. Carrie Wahl and Family.

Mr. and Mrs. Geo. P. Staffan entertained as guests at their home on Sunday, Dr. and Mrs. Henry C. Wood of Detroit, Mr. and Mrs. Otto Wagner, Mrs. Grace Taylor and brother, Carl Brown of Dexter.

Methodists Will Honor Returned Service Men

The Fellowship Club of the Methodist church is sponsoring a Family Night at the church this evening, honoring the servicemen from the church who have returned.

A pot-luck dinner will be served at 6:45, after which programs for both adults and children are planned.

Prof. John Muyskens of the Speech Department, University of Michigan,

PROF. JOHN MUYSKENS

will be the speaker for the adult program. Mr. Muyskens is not only familiar to the people of Chelsea and is well known in the state for his ability as a thoughtful, humorous after-dinner speaker.

So that families having small children may also attend, a program for the youngsters has been planned by Mrs. George Atkinson and Mrs. Theo. Bahmiller, which will be held in the primary room at the same time the adult program is in progress.

A good turnout of servicemen, families and others is hoped for by the committee planning this event.

EXTENSION CLUBS HOLD PARTY

A party for Extension Club members in District No. 4, Washtenaw county, was held on Tuesday at the Lutheran church in Dexter, and was attended by the following representatives of the South-Sylvan Extension group: Meedames L. Chapman, G. Steele, E. Van Kiper, W. Eschelbach, C. Bristle, W. Hatt, A. Hatt, C. Weir, L. Grossman, J. Merkel, A. Pritchard, W. Wolfgang, H. Bergman, H. Sorenson, E. Gauthier, F. Alber and F. Gentner. A talk dance was given by these members as a contribution to the entertainment following the dinner.

THE HILIGHT

(Continued from page eight)
Union in Ann Arbor. The boys enjoyed the pool very much.

At the meeting February 28, Bob Daniels and Bug Slane gave a complete report of their legislative training to the club.

Also at the meeting the boys proposed the bill, "Free College Education to Deserving Seniors," who otherwise would find it difficult to finance their advanced schooling; this bill was favorably considered by the Dean of the University Law School.

CHORUS

The Chorus members are now singing "Oh What a Beautiful Morning," "A Violin Is in the Streets," "Lullaby of the Bells," and "Patriotism Prayer." The boys and girls are singing together every Wednesday and Thursday to compare their talents.

SEVENTH GRADE NEWS

By George Heydlauff
Two people in our room had birthdays last week. They are: Ruth Ann Guenther and Margaret Collins.

We had our six weeks' tests last week. On some the results were very good.

The following have had perfect attendance since entering grade seven: George Alpervitz, Leola Altstaetter, Ruth Ann Guenther, Donald O'Dell, Louise Walz, Doris Ann Vickers.

I have been appointed NEW SURGE SERVICE DEALER

In Wayne and Washtenaw Counties

You know as well as I do that any machine is worth more money when it is backed up by a good man.

That is especially true of anything so absolutely essential as a milking machine.

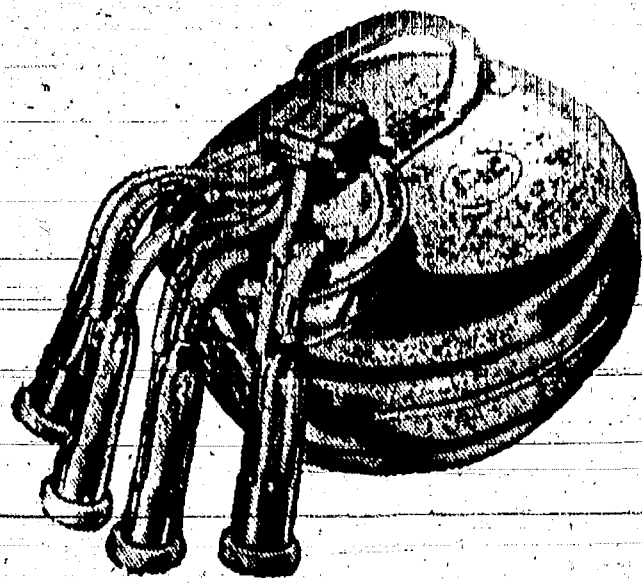

The Surge is a good milking machine and I hope to prove to you that I am a good man.

In opening this new Surge Service Store I am expecting every Surge user to help me to succeed because I expect to deserve your help and your confidence.
