Chelsea I.O.O.F. Lodge Celebrates Anniversary

Members of I.O.O.F. Lodge No. 101,
and Rebekah Lodge No. 189, with
their wives, husbands, families and
friends as guests, celebrated the 29th
anniversary of the Institution of
Chelsea I.O.O.F. Lodge No. 101, with
a banquet and program at the Con-
gregational church on Thursday eve-
ning, March 7.

Deputy Grand Master, lodge offi-
cers, members and guests formed in
line and marched to the dining room
to music furnished by two lady ac-
cordionists, Mrs. Caroline Wilson and
Miss Gena Inman, from the Jean
Schuman studio, Ann Arbor.

The program of the evening began
immediately, with the assemblage
singing America, and the introduction
of the toastmaster, P. F. Niehaus, by
Martin E. Miller, Noble Grand of
Chelsea Lodge, followed by several
acclamation selections.

At the conclusion of the dinner,
which was served at tables attractively
decorated with spring flowers,
potted plants and crepe paper streamers
and lighted with candle groupings in

D.G.M. EARL PFAFF

holders bearing the I.O.O.F. insignia,
all decorations being in pink and
green, the Rebekah Lodge colors, the
program continued with remarks by
Martin Miller; the introduction of
Mrs. Alice Gilson, Noble Grand of
Chelsea Rebekah Lodge and her re-
sponse; the presentation of a corsage
to Mrs. Rha Alexander, the only re-
maining charter member of the Re-
bekah Lodge; and a boutonniere to
Mr. Alexander as charter member
initiate of the I.O.O.F. Lodge.

Mrs. Lula Sweeney read the history
of the Rebekah Lodge, and Rha Alex-
ander read an article on the organi-
zation and history of Chelsea Lodge
No. 101, with mention of Grand Mas-
ter Thomas S. Scuphorn, Jr., who in-
stituted the original lodge with the
assistance of Grand Secretary Fred
A. Rogers, and the names of these
men as original charter members:
H. G. Shutes, H. R. Roy, J. W. Craig,
August Hoppe, Geo. Taft, W. C.
Pritchard P. G. F. G. Ahnemann P. G.
Philip Schweinfurth P. G. E. A. Ward
and Henry Gieske, the latter three
having been members of the old de-
funct lodge which had disbanded some
years before. A class of 25 charter
initiate members were initiated at
this original organization meeting,
with Jackson and Ann Arbor Lodges
conferring initiatory first, second and
third degrees.

The highlight of the program was
the introduction by Mr. Miller of the
speaker, Deputy Grand Master Earl
Pfaff, of Sandusky, who spoke on the
subject "Faith." Mr. Pfaff recently
succeeded to this office owing to the
death of Grand Master Andrew Brad-
ford.

Following more accordion music,
several reels of pictures on wild life,
some of them in color, were much en-
joyed by the group, with the evening's
entertainment ending with the sing-
ing of "God Bless America."

Walworth and Strieter Partnership Dissolved

Announcement is made by T. Kent
Walworth and Julius N. Strieter that
they have dissolved the partnership
of Walworth & Strieter, by mutual
consent, and the business was taken
over by Mr. Strieter on March 8, and
will be operated under the name of
"Strieter's."

The partnership of Walworth &
Strieter, a men's furnishings store,
was formed in August 1914, and they
have operated their store continuously
since that time in the Freeman
Block on Main street.

Mr. Walworth has no plans for the
immediate future, except that he and
Mrs. Walworth will leave soon for a
short vacation in Florida.

ENROLL AT WMC

Kalamazoo—Margaret B. Beeman
and George J. Prinzing, both from
Chelsea, have enrolled at Western
Michigan College for the second se-
mester, according to an analysis of
the enrollment just completed. Prin-
zing is a veteran.

PARENTS' NIGHT PROGRAM

Chelsea Public Schools—Friday, March 15, 1946

The Annual Parents' Night Program of the Chelsea public
schools will be held tomorrow evening, March 15. The school will
be closed in the afternoon, and the afternoon classes will be con-
ducted in the evening. An invitation is extended to all parents
to attend.

The program will be as follows:

GRADES

Waterloo Airport Will

Serve the Chelsea Area

Through the efforts of a group of
local men, an airport is to be avail-
able to serve this area, and the tract
of land to be used for this purpose is
only about five miles northwest of
Chelsea.

Those interested in the venture are
Wallace Franklin, Wm. Quigley, G.
L. Staffan, Dr. John Doyle and John
Meinel. They have secured, by lease
and purchase, about 60 acres of land
from L. D. Guinan, the Jas. Bush Es-
tate, and George McClure, in Sylvan
and Lyndon townships, which is to be
known as the Waterloo Airport.

Each of the two runways will be
800 feet in width, with the one run-
ning north and south being 1900 feet
in length, and the southwest-northeast
strip being 2250 feet in length. Grad-
ing and seeding of these runways will
be started as soon as weather per-
mits, and it is hoped to have the air-
port ready for use about April 15.

A new hangar, 50x60 feet, will be
constructed this spring, and a res-
taurant and overnight cabins will be
built on the premises. The airport is
within walking distance of four good
lakes and will provide an ideal situa-
tion for week-end vacationers who can
come quickly from a distance by air.
Quigley and Meinel will operate an
airplane and auto service station at
the airport.

The airport is reached by going on
McClure Rd. to a right-of-way across
the field just west of George Mc-
Clure's residence.

THANK YOU!

On behalf of the people of Chelsea,
the Village Council and myself, I
wish to express my thanks and appre-
ciation to the Chelsea business men
for the beautiful basket of flowers
placed in the Municipal Building for
the opening.

Walter D. Mohrlock,
Village President.

PROMOTED TO MAJOR
Paul F. Reichert, stationed at Ros-
well, N. M., has been promoted from
Captain to Major, and received his
honorable discharge at Fort Bliss,
Texas on March 8. He will arrive at
the home of his mother, Mrs. Anna
Reichert, in the near future.

Mohrlock Re-Elected President of Village

Chelsea's annual election on Mon-
day was a quiet affair, with less than
five hundred voters going to the polls.
Walter D. Mohrlock, incumbent, was
re-elected by a majority of 115 votes
over his opponent, Chas. S. Ritter, Jr.,
the People's party candidate, and the
entire Independent party ticket was
elected. The vote was as follows:

President—	Walter D. Mohrlock (I)	284
	Charles S. Ritter, Jr. (P)	169
Clerk—	Don Osterle (I)	283
	Willard Guest (P)	170

Remodeling Completed At Grove Bros. Store

Remodeling and decorating of Grove
Bros. 5c to \$1.00 store will be com-
pleted this week, with a one-day sale
on Saturday, March 16 featuring the
completion.

New natural finish plywood under-
counter doors and panels, and counter-
guards have been used throughout
the store, providing a neat and attrac-
tive appearance.

Additional wall space has been
gained by moving the stairway to the
extreme rear of the store, and arch-
way openings to both the stairs and
basement, with recessed shelving be-
tween the two.

This work was started in January,
with all but the decorating being done
after regular store hours.

Guests of Mrs. Mary Huston, on Sunday were Mr. and Mrs. Freeman Huston of Ann Arbor, Mrs. Myrtle Hartford and Fred Stanable of Belleville and Mrs. John Lowery of Jackson.

Mr. and Mrs. Max Friedrich of Detroit visited her parents, Mr. and Mrs. William Atkinson, over the week-end, and on Sunday they were all entertained at the home of Harry Love, Jackson.

Mr. and Mrs. Lewis Noll entertained her parents, Mr. and Mrs. Fred Downing of Holly, also her brother-in-law and sister, Mr. and Mrs. Albert Rothwiler of Pontiac, as guests on Sunday.

Mrs. Eve Cummings was hostess to her birthday club at a dinner on Saturday, at which out of town guests

were Mesdames Earl Hoch, Grace Taylor, Cora Martin and Helen Detlor, all of Ann Arbor.

Home for a week-end visit with their parents, Mr. and Mrs. John P. Cook, were Mr. and Mrs. Gerald Cook of Romulus, Miss Jeanette Cook of East Lansing, and Donald Cook, with Miss Ruth Roberts, of Blissfield.

Mr. and Mrs. Wilbur Keizer and daughter of Lansing, Mr. and Mrs. Paul Spitz and Mr. and Mrs. Charles Mosher of Ann Arbor and Mr. and Mrs. Edwin Bauer of North Lake were entertained at the home of Mr. and Mrs. Donald Keizer on Sunday evening.

Dinner guests on Sunday at the home of Mr. and Mrs. Mac Packard were Mrs. Ruby Boyer, Winston Boyer, James Husman and Frank Funston, all of Mulliken, Mrs. Keith Boyer and Miss Ethel Rucker of St. Louis, Mo., and Mr. and Mrs. Lawrence Boyer of Chelsea. The St. Louis visitors are remaining for the week.

WOMEN'S BOWLING BANQUET
On Thursday evening of last week, the Women's Bowling League enjoyed a delicious chicken dinner served at Moore's Restaurant, for our mid-year dinner and meeting.

After dinner a business meeting was held, at which time two new officers were elected. M. Breitenwieser will replace Jean Hubbert as treasurer and M. Beam replaces Mary Ritter as sergeant-at-arms.

A ballot vote was taken that we shorten our bowling season, this second half, leaving nine weeks to bowl instead of 18 weeks.

The meeting was adjourned by our president, Margaret Heeselschwerdt.

Pearl Fitzsimmons, Secretary.

HOLD JOINT MEETING

A joint meeting of the Women's Extension clubs of District No. 4, Washenaw county, which includes Lima Center, South Sylvan, North Lake, Lyndon Lyndex, Dexter, Webster, Delhi, was held Tuesday, March 5 at St. Andrew's Evangelical church, Dexter, with about 90 members partaking of a dinner served at noon by the ladies of the church.

Presiding at the afternoon meeting was Mrs. P. W. Smith of Delhi, with each group taking part in the program. The community singing was in charge of Mrs. W. G. Price.

It was "Get Acquainted Day" for the Dexter club, who extended a hearty welcome to the visitors and a pleasant social time was enjoyed.

A play, "Listening In," was given by entertainers from North Lake and Lima Center. Whistling—Melody was rendered by the Lyndon group; musical selections by the Webster club were accompanied by Mrs. Walter Mast; Delhi members contributed a skit, "School Days," and South Sylvan put on an old-fashioned folk dance.

A talk by Miss Frances Wilson, home demonstration agent of Washenaw county, was a feature of the program.

At the business session, Mrs. Wilbur Hatt of Sylvan township was elected junior representative of the County Executive Board.

BEACH SCHOOL NEWS

Harley Van Blaricum and Irvin Knickerbocker have not been absent or tardy this period.

The seventh and eighth graders had county tests February 26.

Our visitors were Mrs. Macomber and Mr. Thayer. Irvin Knickerbocker's birthday was

January 21. His mother brought a surprise party to school. We had a party and program on Valentine day. We also had a program on Lincoln's birthday. We had planned to have a program on Washington's birthday, but due to illness school was dismissed for the day.

Rose Ann Ball, Philip Bareis and Thomas Ball have a perfect score in spelling for this period. Rosemary Marshall, Shirley and Barbara Macomber have a perfect score for the entire six months.

Thomas Ball brought ten bird nests to add to our collection.

The officers of our Civic Health club for this semester are as follows: President, Eva Snay; vice president, Rosemary Marshall; treasurer, Oscar Bareis; secretary, Alta Marshall.

Alta Marshall went to the February Red Cross meeting.

SALEM GROVE W.S.C.S.

The W.S.C.S. of Salem Grove church met at the home of Mrs. Wm. Broesamle on Wednesday afternoon. Mrs. Geo. Heydlauff, president, was in charge of the meeting, and Mrs. Chester Notten was the devotional leader. Mrs. Marie Quilatt had charge of the lesson, assisted by Mrs. Roy Miller and Rev. Robert E. Vander Hart. Walter Riemenschneider was a guest speaker. It was decided to have a chicken supper on April 26.

Good Dessert

A good dessert combines mellow gingerbread with spicy applesauce. Split squares of gingerbread, and fill with applesauce. Serve plain or top with a lemon sauce or with a generous dab of whipped cream. Beat a few nuts into the cream if you like.

Grow a Garden in 1946 To Help Feed the World

If you want to be sure of eating a wide variety of top-quality food during the coming months, raise a garden this spring and summer. You'll do your conscience a favor, too, by saving someone from starvation in a far-away land.

The need for home-produced fruits and vegetables is just as acute now as during war years.

Those are points Jack Rose, Michigan State college home garden specialist, is putting double emphasis on these days as he prepares a program of assistance for home gardeners.

With the nation pledged to help

feed the world, it is well to remember that every bite of food you grow in your garden means a little extra for a hungry mouth in some less fortunate country.

But Mr. Rose does suggest that Michigan gardeners mix pleasure and utility in the garden this year. During the war many patriotic gardeners gave up their flower garden efforts in favor of vegetables. They have been eagerly looking forward to the time when part of the garden can be put into flowers and ornamentals. While the vegetable garden is just as important this year, Mr. Rose believes it is a good time to spend at least part of the time on some of the gardener's ornamental specialties.

To combine flowers and vegetables in the garden, good planning is neces-

sary. Lay out the garden to produce the most food from the space available. One good arrangement involves a flower border around the vegetable patch. Or, it may work better to limit the vegetable garden to one side of the yard. Along the other side and across the back, put in that bed of annual flowers. That back corner may be ideal for that bed of perennials.

At any rate, it's the time of the year to be thinking about the garden, and laying your plans for those days just around the corner when you'll be digging in good old Mother Earth.

Not Criminally Liable

In the United States and in England a child under seven years of age is not criminally liable for any act.

Immunization Program Will Start On March 18

The fifth immunization program sponsored by the Washtenaw County Medical Society and the Washtenaw County Health Department will get under way March 18. Free clinics for the immunizations of children from nine months of age through high school age for diphtheria and smallpox will be held on the dates and at the schools listed below. Some Schick testing will be done in children over ten years of age who have never had preventive treatments.

All children in the community who have not been immunized for diphtheria in the past two years will be treated to prevent this disease if they have a request slip signed by their parents or if they are accompanied by a parent or guardian to the clinics. All children who have not been successfully vaccinated for smallpox in the past five years will be given a smallpox vaccination if they have a request slip signed by their parents or if they are accompanied by a parent or guardian to the clinics. No charge is made for this service. The actual immunizing in the clinics will be done by the local physicians in each area, cooperating with the Medical Society.

The number of cases of diphtheria in Michigan has been doubling each year in the past three years. Washtenaw county had seven cases in 1945 compared to one in 1944. It is the opinion of those in the County Health Department that a more serious diphtheria situation can be avoided if all children in the community from infancy through high school age get all the protection they can. The same thing of course applies to smallpox.

Recognizing the danger faced by the community, the physicians through the Medical Society, have brushed aside any financial gain by working in these clinics. They are donating their services to these clinics.

Immunization of children by their family doctors is of course the best

procedure. These clinics have been set up to care for those who for some reason or other have not gone to their doctor for this protection.

The schedule for schools in this part of the county is as follows:
Monday, March 18—Manchester, 9 a.m.
Tuesday, March 19—Dexter, 9 a.m.
Monday, April 8—Chelsea, 9 a.m.

PTA TO HAVE DISPLAY
At the Annual Parents' Night to be held at the public school on Friday evening, this week, the High School PTA will have a display and registration booth in the lower hall.
Every parent is urged to appear at this booth, and register his presence, as the class, seventh through twelfth, that shows the highest percentage of parents registering will receive a prize of five dollars. In this way, it is hoped that a more accurate count of those attending may be obtained, and it is also hoped that a few people may make a special effort to attend.
All parents are urged to register, whether or not they are members of the PTA organization, though no membership applications will be rejected, should any appear.

Waterloo

The reception for returned service men at Glenora hall, sponsored by the church and Red Cross of the community was very well attended. About 130 were present, of which 11 were servicemen and one servicewoman. The tables and hall were decorated in patriotic colors and tables were loaded with a great variety of foods. Cooperation was outstanding, and the chairman, Rev. Ward, and committees wish to thank all for this. The following fine program was given:
Group singing—"America," Will Parks, leader.
Invocation—Rev. G. Ward.
Music—Mrs. Annabelle Woolley.
Solo—Mrs. Woodrow Artz, accompanied by Mrs. Woolley.
Welcome—Howard Artz, of Jackson.
Response—Wilbur Beeman.
Solo—Mrs. Annabelle Woolley.
Speaker—Gorton Riethmiller, Highland Park.
Song—"God Bless America," by all.
Benediction—Rev. G. Ward.

OFFICE NEWS

Parents' Night is tomorrow, Friday, March 15.

The school band will play in the State Band Contest at Ypsilanti on March 18.

On March 20 the Grade P.T.A. will be held at school.

The Copeland Boy Scout Court of Honor will be held in the gym Monday, March 18.

TEACHER-PUPIL RELATIONS

What's the matter, pupils, are you afraid of your teachers? Then why don't you treat them differently? They are human beings as well as your friends are. I have heard some kids say that they didn't want to go and ask such and such a teacher a question because they were afraid to. How are you going to know your teacher better if you don't go in and ask them about your work or just go in and talk to them? Now that Lent is here, let's try especially hard to be more friendly to all of our teachers.

FOOD

Even though the war is over, the need for food production has not decreased. If we can increase the quantity of fruits and vegetables grown in home gardens, there will be larger amounts of such foods as wheat, oats and oil available for shipment to the starving peoples of Europe.

All citizens in the Chelsea area are therefore urged to continue and if possible increase their gardening efforts. Young people will be encouraged in their gardening work by a continuance of the prize system which has been in force for several years.

The 7th grade will again sponsor the garden prize program, and announces the following prizes:

3rd grade—1st prize \$2 2nd \$1.
4th grade—1st \$3, 2nd \$1.
5th grade—1st \$3, 2nd \$1.
6th grade—1st \$4, 2nd \$2.
7th grade—1st \$5, 2nd \$2.
8th grade—1st \$5, 2nd \$2.
High school—1st \$5, 2nd \$2.

In selecting the best gardens, the judges will keep the following factors in mind:

1. The student must do the major part of the work. Such work as plowing and dragging will in most cases require outside help.

2. To be eligible for a prize, a garden must be registered with the agriculture department not later than June 1.

3. Gardens must be located within a six-mile radius of Chelsea.

4. The following points are considered important:

- Weed control.
- Insect and disease control.
- Quality and quantity of vegetables produced.
- General appearance.

M. F. Richards, Chairman Chelsea Victory Garden Committee.

The band has been working this past week on sight reading, contest numbers, and their Parents' Night program for tomorrow night. They have been working very hard during the last weeks, preparing for the contest to be held at Ypsilanti on Saturday. Let's all turn out tomorrow night and hear them when they play for their last public appearance before the contest. They deserve all our support and good wishes for the contest.

NICKNAMES

Listed below are a few nicknames that fit the people. If you don't believe me, ask them.

Jack Wellnitz—Blue Beard. Why the name? Ask the girls.

Helen Jarvie—Manhole Minnie. Because a Dexter manhole lacked a cover.

Clare Knickerbocker—Joe E. Brown.

Did he ever feed you a line?

James Ridley—The Joker. Why?

Ask Miss Vogel.

Mary Paul—Dumbo. Ever see her in pigtail?

Bob Stofor—All Star. "That Manchester Incident."

Maxine Ingram—The Blushing Bride. Didn't you see Anchors Aweigh?

Jack Merkel—Fuzzy Wuzzy. What happened to your golden locks?

The F.F.A., along with many other organizations in school, is planning a program for Parents' Night.

Congratulations to Charles Sullivan for being awarded the state farmers' degree. We should be proud that he is a member of our school. Charles and Don Barth are to be delegates for the F.F.A. convention in Lansing.

STUDENT COUNCIL

A committee was appointed to see Mr. Richards about lengthening All-H parties to 11:30 p.m.

We discussed the possibility of having the seventh and eighth grades send a non-voting representative to Student Council. Representatives should be elected each month so as to give a greater number of students experience.

We also considered letting the eighth grade elect one representative at mid-term. This would enable the class to have two representatives the following year.

THE ELITE

A good many of you have probably never really met this new gal in the Senior Society Circle but we intend to remedy that! Pretty as a picture and a hundred times more real is Clara

(Dolly) Newman. On closer inspection you'll find she's 5 feet 2 inches, with eyes of blue, and naturally curly brown hair too! (Oh pardon us—that was quite accidental, we assure you. We really weren't trying to be poetic—even if we could). Dolly, as she is called, is the daughter of Mr. and Mrs. Morris Newman. Born November 7, 1928 in Monroe, Michigan, she attended school there until the start of this semester. As for favorites, Dolly goes for Italian spaghetti, Van Johnson, the color blue, the song "Honey," and the movie "Tare and Spars." With good tastes like that you can see what a welcome addition she is to the Senior class. Dolly's ambition in life is to be a traveler (bahl a second "Eleanor").

The stork picked a very cold day back on February 23, 1928 to deliver a small bundle at 210 North Street right here in Chelsea. However, the occupant of the bundle didn't mind much apparently because he let out a lusty howl and the world met Laverne Holbrook. Ever since that day, Laverne has been content to be the strong, silent, but not bashful type. He's probably one of the best story tellers (all true, of course) that this high school has ever seen. Brown eyes and black hair are also part of his make-up. Laverne enters strictly to steaks, swimming, eating for a pastime, the color navy blue, and the movie stars Allan Ladd and Ida Lupino. We asked about Vernie's ambition in life, but he just laughed, stretched his arms, closed his eyes sleepily, and smiled contentedly. We wonder what that means?

KINDERGARTEN

The Kindergarten class is busy getting ready for Parents' Night. We have decorated the room along a Dutch theme, with flowers and Dutch people.

THIRD GRADE

Ronald and Darrel Satterthwaite have left to go to the country school.

Some of the class is going to participate in a radio program put on by the health department. It will be broadcast from Ann Arbor.

Virginia Christell, Barbara Manore and Laurence Salyer went with Mrs. Grugel to a Junior Red Cross meeting in Ann Arbor. They took with them some of the gifts from this school, which included four jigsaw puzzles, a scrapbook, \$1.81 from the kindergarten and an afghan from the seventh grade.

FIFTH GRADE

The fifth grade has been very busy with several projects in their room. The boys and the girls each made up a Red Cross gift box to send to the children in Europe. Dorothy Speer and Bob Credi were chairmen of the committees for buying and securing the articles for the boxes.

The class is very sorry that Bob Credi is leaving Chelsea to return to Illinois. However, we are very happy to have Richard Eisele back with the class.

All are anxious to have their parents come Friday night to see the projects they have been working on.

RADIO PROGRAM

Chelsea public school is to be represented in the Health program series by members of the third grade next Wednesday, March 20 at 1:15-1:25 over station WPAG. Those participating are Bobby White, Charlene Conk, Larry Hulse, Connie Steinbach, George Batsakis, Edson Whitaker, Geneva O'Dell, Martha McMannis, and Ruth Ann Oesterle. Each will tell part of the class activity in their study of grains. Some of the classes plan to listen to the program in their classrooms. The program is under the direction of their third grade teacher, Mrs. Ruth Grugel. Mrs. Whitaker and Mrs. Hulse will provide the transportation to Ann Arbor for the radio program.

SEVENTH GRADE

By Buddy Johnson

We have another new pupil in our class, whose name is Lois Eisele. We are contributing to the wheelchair fund. Each pupil is contributing twenty cents.

NORTH SYLVAN GRANGE

The March meeting of North Sylvan Grange was held at the home of Mr. and Mrs. Irvan Weiss on Tuesday evening of last week. "Things to Simplify Your Work" were given in response to roll call. A very interesting account of his trip to Florida was given by Elmer J. Weinberg. The hostess served lunch.

MSC Students Will Visit Their Home H. Schools

One hundred twenty-six Michigan State College students will visit their home high schools one day during the week of March 18-23 to talk with seniors who are interested in receiving information about the college, according to Karl H. McDonel, M.S.C. secretary.

For several years members of the Michigan State teaching staff visited the various high schools in the state to discuss plans for college with students in the graduating class. When this became impossible during the war, the plan of student visitation was adopted.

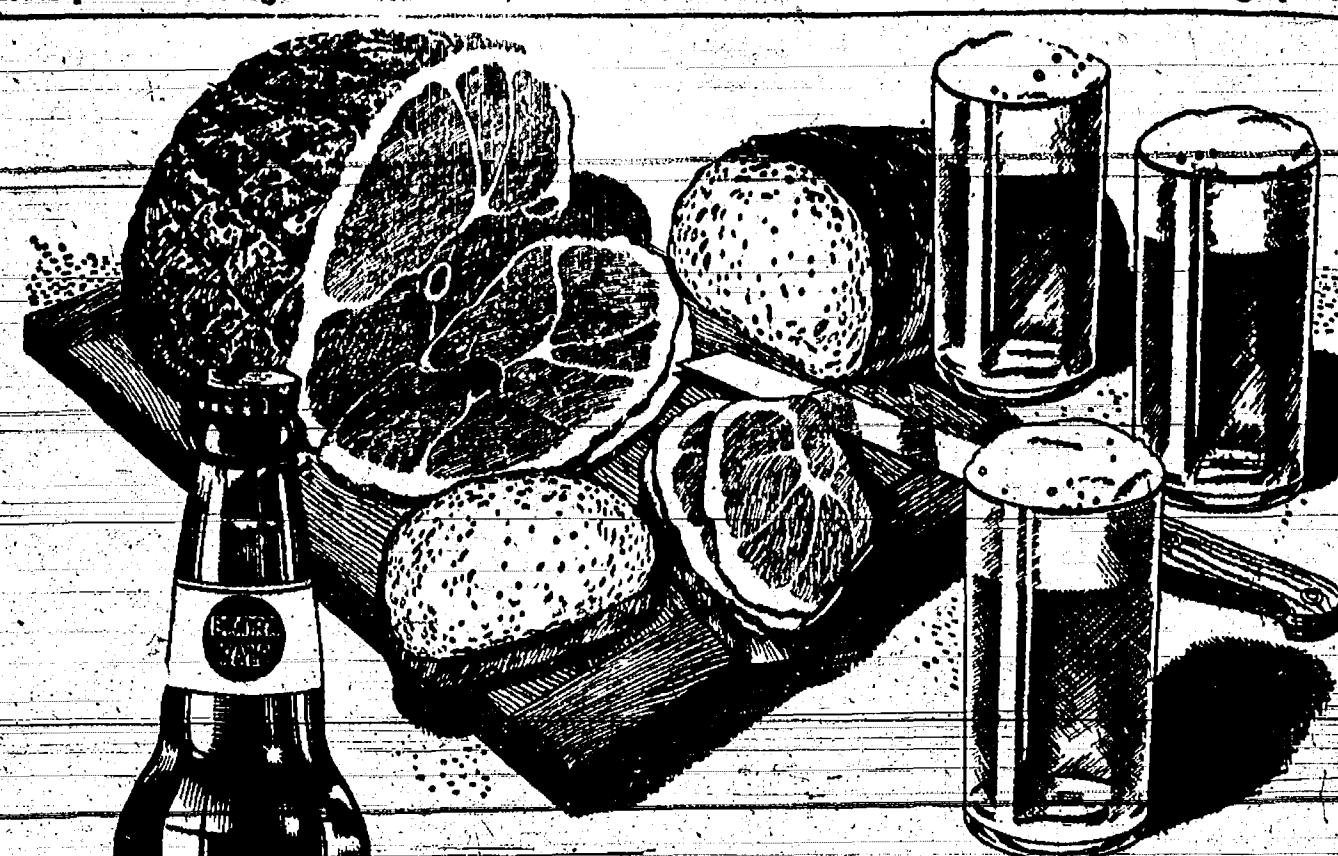

Mr. McDonel said that many excellent reports have been received regarding the students' visits since the new plan was begun. Most Michigan State College students will be at home during the time the visits are scheduled because of the vacation period between terms. Registration for the spring quarter will be held March 25-26.

Miss Ileen F. Loeffler, a student at MSC, will visit the Chelsea school.

HOSTESS TO LIMANEERS

Mrs. Walter J. Beutler was hostess to the Limaneers at their meeting on Thursday, which was attended by eight members and three guests. Following the dinner, which was prepared by Mrs. Lee Weiss, and consisted of a musical game in which Mrs. John Metzger was the prize winner, and Mrs. Joseph Wright received low. Mrs. Metzger also scored high in the quiz contest, and Mrs. M. L. Burkhardt, low. The door prize went to Mrs. Fred Riemenschneider.

FAIR PLAY OUR POLICY ON NEW CAR DELIVERIES!

IN COOPERATION with the Ford Motor Company, we are making every effort to give earliest possible delivery of new cars to our patrons, according to the fairest method we have been able to devise. During the current shortage, when there are not enough new cars for all who want them, we are filling orders for new cars on the basis of first come first served. There are two important exceptions to this rule:

1. We are definitely reserving a substantial percentage of our cars to supply those who have served in the armed forces. 31.2 percent of all Ford cars delivered to date in this area have gone to veterans. This we feel is simple justice and conforms with public interest and fair play.

2. If emergency need for a new car is a factor, we will, in the public interest determine priority according to the now abolished but publicly accepted OPA priority lists.

• • • We believe these delivery policies are in your interest. We will use every care to see that the procedure works fairly and that exceptions to the rule of first orders delivered first are made only in genuinely deserving cases.

• • • Both in the matter of increasing production and speeding delivery, the Ford Motor Company and we ourselves are making every effort to get your new car in your hands promptly and fairly. We want to assure you that the '46 Ford is out in front in everything and is well worth waiting for.

What the TELEPHONE WAGE SETTLEMENT Means...

... TO THE PUBLIC

Recognizing their responsibility for maintaining a vital public service, both union and management representatives made concessions that averted a telephone strike recently. • Settlement means that the welfare and security of the public were not imperiled by a general curtailment of telephone service; that business and industry were not handicapped by a lack of communications in their efforts to regain full stride.

... TO THE EMPLOYEES

The settlement provides basic wage increases of \$5 to \$8 a week for non-supervisory male employees and \$5 to \$7 for non-supervisory female employees.

The increases boost Michigan Bell's hourly basic wage rates an average of 18%, or 17 cents an hour. • This is in line with the national pattern of recent wage increases in other industries, and is subject to governmental approval under the national wage stabilization program.

... TO THE COMPANY

These new wage adjustments, together with those granted recently to supervisory employees, will add about \$6,500,000 to Michigan Bell's annual payroll. • The settlement means that the Company can keep moving ahead with its big expansion and improvement program to the end that the kind of telephone service wanted can be provided when and where it is wanted. • With both employees and management pulling together, Michigan Bell looks forward to the busy months ahead with complete confidence.

Miss Laura Feldkamp, daughter of Mr. and Mrs. Henry Feldkamp, was united in marriage with Clarence Koenigter, son of Mr. and Mrs. Geo. Koenigter of Lima, on Wednesday, Feb. 22, at 5:00 o'clock at the home of the bride's parents. The bride was beautifully gowned in silver grey satin, while the bridesmaid, Miss Edith Koenigter, was gowned in blue. After an extended honeymoon the couple will be at home to their friends on their farm in Lima.

Miss Florence Klumpp and John Bacon were married on Saturday, February 25.

Mr. and Mrs. Christian Weber were honored on their 52nd wedding anniversary when members of the Cavanaugh Lake Grange and Salem Grove Ladies' Aid held a joint meeting at the home of their daughter, Mrs. James Richards. They have been Grange members for the past 25 years and members of Salem Grove church for fifty years.

John Walz received two carloads of cattle from Chicago on Friday, which he placed on his farm for feeding for the market.

Miss Luellie McDaid and Merle Barr were married Tuesday evening, Feb. 28 at the home of the bride's mother, Mrs. John McDaid, of South street, with Rev. Carnes of the Congregational church conducting the service. Following the service a wedding supper was served. The bridegroom is the son of Mr. and Mrs. W. H. Barr of Saline, and is employed as a chemist at the cement plant. The bride is a graduate of Chelsea high school.

Who's going to get some badly needed pairs of shoes in the taxpayers' family—the state's own "children," the educational institutions and mental and tuberculosis hospitals or the local governments "children," such as the municipalities, townships and villages?

That is the issue at Lansing where the state legislature is now in special session.

At stake is an estimated biennial surplus by June 30, 1947—one year from next June 30—of \$27,000,000. Let's take a look or two at what it is all about.

It is the recommendation of Governor Harry F. Kelly, supported by leading committees of the state legislature and by elected state officials, that the bulk of this surplus should go to meet the long neglected needs of the state's responsibilities.

These include the University of Michigan and Michigan State College, as well as other schools throughout the state. No state appropriation has been made since 1927 for an educational building at the University; 61 per cent of the university's present building facilities were financed by private donors or through self-liquidating student dormitories. The plight of Michigan State College is equally as great.

Mental and tuberculosis hospitals are unable to admit patients because of limited building facilities. From 1930 to 1945 the mental hospital population increased from approximately 15,000 to more than 26,000 for an average gain of 750 persons a year. The department of mental health estimates

its building needs alone to be \$20,296,000.

Who benefits from state hospitals, anyway?

A check-up of the hospital patients, as of Dec. 1, 1945, reveals that Wayne county (Detroit) benefitted to the extent of more than 40 per cent of the

total—10,989 out of 26,219. Kent county (Grand Rapids) had 1,180 citizens in hospitals; Oakland (Pontiac) 865; Genesee (Flint), 865; Ingham (Lansing), 577, and so on down the list. Fifteen municipalities benefitted to the extent of 13,267 patients out of 26,219—nearly 50 per cent!

Who benefits most from the educa-

tional services of state colleges and schools

The facts are equally revealing, and again it is the metropolitan areas which derive the greatest benefit by number of students at state supported colleges. Enrollments at the schools totals 20,197, and more than half of (Continued on page eight)

MICHIGAN BELL'S \$120,000,000 PROGRAM HAS MADE WORK FOR THOUSANDS

To supply service again when and where it is wanted, and to give you the quality of service you want in the future, Michigan Bell has under way a 5-year \$120,000,000 expansion and improvement program.

Thousands of workers are engaged in completing this huge project. They include not only our returning veterans, but hundreds of additional employees as well—bringing the total to the largest number in Michigan Bell's history. And the program means work for scores of other folks supplying materials and equipment, and doing skilled construction.

Money to finance this \$120,000,000 program must come from the savings of thrifty people who are willing to invest in Bell System securities. But if prospects for Telephone Company earnings are unattractive compared with those of other companies, those people will find their savings elsewhere.

The rate of Telephone Company earnings has been declining in recent years to a point where it is now substantially below the average of other industries. If this condition should continue for too long a time, our ability to raise the money required to meet expected telephone needs would be weakened.

The future quality of your telephone service depends on rates that will produce earnings attractive to investors. We believe our customers want good service, even if it costs a trifle more than inferior service.

Technical improvements in the past brought rates for good service down and have kept them down in the face of rising costs. As rapidly as future improvements will permit, we expect and want our rates to come down still further. For, Michigan Bell wants rates no higher—and no lower—than necessary to insure good telephone service.

Anglers May Seek Trout In Waterloo Area Ponds

Lansing—Anglers will be able to fish for trout next season under special regulations on three ponds in the Waterloo recreation area in Jackson and Washtenaw counties.

Recent construction of a second dam on Sylvan Creek has created a two-acre pond which will be stocked with legal size trout before the opening of the season on April 27. Original damming of the creek some years ago created a pond which also will be stocked. The Portage pond six miles to the west and the creek which feeds it were opened to fishing under special rules in 1944 and the conservation commission will designate the Sylvan ponds for such fishing at a coming meeting. Bates pond near Hastings and Wilder pond near Marshall also come under these special regulations which limit anglers to two trout daily, not less than eight inches in length, when fishing with flies, not earlier than one hour before sunrise, nor later than one hour after sunset, using neither rafts nor boats.

Efforts of the department to provide trout fishing in downstate ponds have showed good results, 42 anglers have taken 97 trout on Bates pond on the opening week-end last season.

Wednesday morning, and by noon the country roads were drifted so full that it was impossible to travel over them. Mail carriers could not make their routes, and Carrier No. 3 is still snowbound somewhere on his route. Not a much of mail has been delivered to the local postoffice since early Wednesday morning, with trains running as much as twelve hours late.

Some passengers traveling on the D. J. & C. electric line left the stalled limited cars and made their way to farm homes where they are still staying. Snow drifts at Steinhilber hill are reported to be ten feet high.

E. B. Freer met with a painful accident while in Jackson on Sunday. Mr. Freer left the car he was riding in and started for the sidewalk, when a car in swinging around the curve struck him and he was thrown down. His left shoulder was dislocated and he was otherwise bruised up.

H. Lighthall has rented his farm to Wm. Davidson.

A marriage license has been issued to Wirt C. Boyce of Lyndon and Miss Beulah Marsh of Cambria.

Hiram Lighthall had to postpone the auction of his personal farm property scheduled to be held Wednesday, because of the bad weather.

Mr. and Mrs. M. L. Burkhardt discovered a fire at their home early Monday morning. An overheated flue from the furnace started the fire in a partition and the studding and baseboards were partially burned.

MICHIGAN MIRROR

(Continued from page seven)
these come from cities of 10,000 population and over.

Thus it appears logical—and the logic has received support from the American Legion, Veterans of Foreign Wars, Michigan Farm Bureau, Michigan State Grange, American Federation of Labor, just to mention a few—that Governor Kelly's case for giving priority to the state's own "children" is founded on the fact that the entire state, cities as well as rural areas, will benefit from the 1946 state-building program now before the legislature. Certainly the cities will get their fair share, Mayor Edward F. Jeffries of Detroit notwithstanding.

Furthermore, none of these "children" possess the power to levy taxes. And the local governments—cities, counties and villages—do have this power.

The schools' plight, admittedly great, is a by-product in part of the gradual breakdown of local tax responsibility caused by adoption of the state sales tax and elimination of the state property tax.

Local governments look to Lansing increasingly for a solution of their financial problems. The state's own "children"—colleges, hospitals and others—have been crowded out for years in the pressure group scramble of local governments to get more money at Lansing.

It is the conviction of Governor Kelly, whose courage in meeting the issue has elevated him in the esteem of many people, that if the state can't afford to look out for the interests of its own "children" when times are good and when there is money available in the Treasury, then it never will do so when times are bad and the Treasury deficits prevail.

Building contractors and representatives of organized labor have assured legislators that the state's building program can be completed by September, 1947, and that adequate materials and labor can be obtained.

A product of the Catholic parochial schools and of the University of Notre Dame, Governor Kelly has become a leading exponent for public schools. This is unusual. It does emphasize the devotion of a man to what he considers to be his obligations as governor of Michigan. Not running for office, Kelly is outspoken. Veterans' needs are close to his heart.

The outcome of the tug-of-war to see who is going to get \$27,000,000—the state's own "children" or those of local governments—is going to depend largely on the willingness of legislators to support the administrative program, as drafted by the house ways and means committee and the senate finance committee.

The Michigan Conference of Mayors has been telegraphing mayors of cities, large and small, to bring pressure on members of the house and senate at Lansing.

Rep. David E. Young of Saginaw, retiring president of the Michigan Association of Supervisors, is co-sponsor of a bill to divert one-sixth of the state sales tax to local governments—cities, villages and townships—all of whom have payrolls and numerous employees right in the legislators' home territory.

It's a real showdown, and the outcome is none too certain.

If the big-town mayors and supervisors succeed in raising the state surplus now, it's a cinch that the state never will have such a favorable opportunity to help its own neglected children—the state-supported schools and hospitals which serve the entire people of Michigan and which have no taxing powers themselves.

THE OLD JUDGE SAYS...

TED: "Clem and I were wonderin' what you thought of that new movie about the chronic alcoholic, Judge. Understand you saw it before we did."

OLD JUDGE: "Well... it's true most of us never see a case as extreme as that in real life because they are so few and far between. But it does point out one thing... chronic alcoholics are abnormal people and we've got to change our ideas about how to help them."

CLEM: "In what way, Judge?"

OLD JUDGE: "We've got to realize that excessive drinkers are suffering from more than a craving for alcohol. According to

psychiatrists and medical men at one of our great universities, the alcoholic is a sick person. The study of hundreds of cases shows he is suffering from some physical, social or emotional condition... just as in the case of that poor chap in the picture. Fortunately, they represent only a very small percentage of those who drink."

TED: "Is anything being done to really help these folks, Judge?"

OLD JUDGE: "Yes... a great deal in clinics throughout the country. And with the cooperation of the beverage distillers who sincerely want their product used only in moderation."
