Franklin Kniss Killed By Hit and Run Driver

Franklin L. Kniss, 40 years old, of 125 Dewey St., was killed at 2:28 Sunday morning on US-12, approximately one and one-half miles east of Jackson, when he was struck by an automobile driven by Harrison J. Smith, Jr., 21, of Jackson.

Smith was taken into custody by Donald Hermanson of the Jackson State Police detachment, and charged with leaving the scene of an accident. Hermanson located the fatal car and driver through the upper part of a fence parking light found at the scene of the accident. He later discovered the Smith car minus the tail-tale light parked on a street in Jackson.

Smith told authorities that he was driving not more than 45 miles an hour because his windshield wiper was not working perfectly. It was raining, visibility was bad and when he saw a man on the highway in front of him he swerved his car sharply to the center lane but was unsuccessful in dodging the pedestrian, and when he hit Kniss he became confused.

Smith was released in the custody of his family.

Mr. Kniss was born March 14, 1906 in Niga, Michigan, the son of Frank and Elsie Brockway Kniss, and had lived in Chelsea about eight years.

On July 6, 1941 he was united in marriage to Mrs. Mary Embury.

An employee of the Chelsea Spring Co., he was released from Army service at Indiantown Gap, Pa., last September 2, after nearly three years of service, of which more than two years were spent overseas.

He had taken part in the battles of Naples and Pozzua in Italy, in southern France, and in the Rhineland. He wore the ETO-African-Middle East theater service medals with five bronze stars, and the good conduct medal.

Surviving Mr. Kniss are his wife, three step-children, Robert and Eleanor Embury and Mrs. Mary Parsons, all of Chelsea; his father, Harry Kniss, also of Chelsea; and two brothers, Derrell Kniss, Chelsea, and Hilbreth Kniss, Cleveland.

Funeral services were held at the Stalfan funeral home at 2 o'clock Tuesday afternoon, with Rev. W. H. Skentelbury officiating. The Veterans of Foreign Wars conducted the burial services at Mt. Hope cemetery, Waterloo.

4-H Club Members May Enter Movie Contest

4-H club leaders and members in Washtenaw county have an exceptional opportunity to gain national-wide recognition and receive valuable awards by participating in the new National 4-H Movie contest, Lyle A. Tibbitts, County Extension Agent, announces.

Any adult or junior local leader actively engaged in leading a 4-H club, and club members enrolled this year, are eligible to participate in the contest.

The 4-H leader who submits the best story idea and the 4-H boy and girl chosen to play the leading roles in the movie will each receive an all-expense trip to the 25th Anniversary National 4-H Club Congress in Chicago. Nine runners-up in each division—leaders, boys and girls—will receive U. S. Savings Bonds.

The winning story written by a local club leader will be used in the production of the new 4-H movie and his or her name and address will appear in the film. The story may be based on fact or fancy, or a combination of the two, and should not exceed 500 words. No attention will be given to literary style or construction.

No experience is needed by either boys or girls who wish to try for a leading role in the movie, although some amateur play speaking or demonstration practice may be helpful.

All entries must be postmarked not later than April 15, and should be mailed to National 4-H Club News, 59 East Van Buren St., Chicago 6, Ill.

The new movie will be sponsored by the Sears-Roebuck Foundation. It will be produced in cooperation with the U. S. Department of Agriculture, the State Extension Service and National 4-H Club News. Complete information regarding the contest may be obtained at the County Extension Office.

St. Mary's School Band To Give Concert Tonite

St. Mary's School Band will give its first band concert of the school year tonight, March 28, in the school hall. All are cordially invited.

The students have worked very hard and have planned a fine evening of entertainment under the direction of Vincent DeMatteis.

There will be special solo numbers by Mr. DeMatteis and Mr. McKernan of the University of Michigan; also a bass horn solo by Richard Merkle and a trumpet and cornet duet by Corky Dwyer and Thomas Quirk.

The children's choir will also be featured in a few singing numbers.

FARMERS' CLUB MEETING

A meeting of the Western Washtenaw Farmers' Club was held on Thursday evening at the home of Mr. and Mrs. Edwin J. Gaunt.

The house was attractively decorated with Pearly gladioli, pink carnations and lavender stocks with pink candles flanking the table centerpiece. Twenty-five members and guests partook of the dinner, and Mr. and Mrs. Everett Heaton of Detroit, former members of the club, were guests of the evening.

Mrs. Oscar Kalmbach was in charge of the program, which consisted of group singing, a talk on "Reconversion" by the guest speaker, Rev. Wm. H. Skentelbury, and closed with singing of "God Bless America."

With Our Men In Service

Thomas James Lyons, Radioman 2C, U.S.N.R., son of Mr. and Mrs. Harry Lyons, received his honorable discharge from the U. S. Naval Separation Center, Great Lakes, Ill., on March 18, having been in service since June 23, 1943.

After completion of his basic training at Great Lakes, Ill., he was given a seven months' specialized training course at the University of Chicago, and then sent to San Bruno, Calif., and the Amphibious Training School for the Pacific at Oceanside, Calif., after which he was stationed at several different communication centers.

Tom served with the Service Force, U. S. Pacific Fleet, spending eleven months on Iwa Jima.

He is entitled to wear the Victory Medal, Asiatic-Pacific Area campaign medal (one star) and the American Area campaign medal.

Prior to his enlistment Tom was a student in the Chelsea public schools, graduating with the class of 1943.

George Knoll has received word from his son, Sgt. Donald Knoll, that he has received orders to leave for Headquarters, Army Exchange Service, Berlin District. Donald has received his honorable discharge, and has re-enlisted for a period of six months, to be stationed in the Berlin area. He expects to have his wife, who is now in England, with him soon.

Richard Riemenschneider, AFM-2C, who spent three and one-half years at the USNATC at Pensacola, Fla., was honorably discharged on March 16 and has arrived at his home here.

He is the son of Mr. and Mrs. W. E. Riemenschneider.

James Gaunt, S-2C, who was an aviation student at the Chase School of Applied Science, Cleveland, Ohio, has been assigned to Newport, R. I. James is the son of Mr. and Mrs. E. J. Gaunt.

Musical Program Given At Cassidy Lake School

Students of the Cassidy Lake Technical School, with the aid of local talent from Chelsea, presented a musical entitled "The Hour of Music," on Sunday evening. The American Legion Auxiliary will hold a food and bake sale Saturday, March 30 at the Chelsea Hardware, at 9:30 o'clock.

Harold Seyfried Died Suddenly Last Friday

Harold L. Seyfried, 42, proprietor of the Chelsea Quality Bakery, was stricken with a heart attack while shopping in Glick's department store about 9 o'clock Friday morning, and died almost instantly.

The son of Mr. and Mrs. Henry R. Seyfried, he was born July 1, 1903, in Ann Arbor.

He attended elementary schools there and was graduated from Ann Arbor high school in 1923. He later attended Michigan State College prior to entering the bakery business here with his father in 1926. While a student at Ann Arbor High he was star quarterback on the Pioneer gridiron team. He was a member of the A. Club.

On October 16, 1932 he was married to Miss Florence Bird and they resided at 705 Mt. Vernon St., Ann Arbor.

Besides his wife, Mr. Seyfried is survived by a stepson, Pfc. James H. Martin, San Diego, Calif.; two daughters, Barbara and Caroline, both at home; his parents, Mr. and Mrs. H. R. Seyfried of Chelsea; and a sister, Mrs. John Bird of Ypsilanti.

Funeral services were held at 3:00 p.m. Monday afternoon at the funeral chapel, Ann Arbor, with Rev. Chester L. Loeck officiating. Burial was in Forest Hill cemetery.

Saline Will Adopt City Manager Government

Saline will become the first Washtenaw county city with city manager government as a result of a unanimous vote by the city council at a special meeting held March 22. The plan will become effective on June 1, according to Mayor Alvin Gross.

Terms of the 1931 city charter permit the City Council to combine any of the offices established in the charter or to create any additional positions. The council was able to provide by ordinance for a city manager and to combine with the new office the positions of City Clerk, Treasurer, Health Officer and City Superintendent.

Under the new set-up, the manager will be employed by the council as the administrative head of the city government. He will be responsible for the management of every city department, for the employment of all personnel, for all city purchasing, for preparing a budget, and for the enforcement of city laws and ordinances. This is the form of government already existing in over 50 Michigan cities. Ypsilanti voters rejected a charter providing for city manager government on March 12.

The Saline council will pay between \$3000 and \$3600 for its first manager, said Mayor Gross. Applicants with training or experience in municipal government will be sought on a nationwide basis.

Largest Sign In Chelsea Now On Heydlauff Bldg.

Lloyd R. Heydlauff's building on North Main street was the scene of a "bee-hive" of activity on Tuesday when the largest sign ever put up in Chelsea was erected above the main display window.

According to Carl Swickerath, who designed, made and painted it, the sign is five feet wide, 16 feet high, and contains 152 letters, advertising the line of merchandise to be carried by Mr. Heydlauff when available.

The body of the sign is of sheet metal and angle iron and the letters which are fastened by iron rods and extend out from the body 2 1/2 inches, were cut from marine plywood with a jig saw. The entire sign is constructed so that at any future time it can be converted into a noon. All the welding was done by Olie Johnson, and the work of hanging it was done by Paul Frayer and Irvn Weiss, assisted by Swickerath and Heydlauff.

Mr. Swickerath states that although the job has been under construction since Christmas that the most difficult part has been obtaining the materials.

Plans now are that the place will be open for business by Saturday, April 6.

Teachers of County To Hold Annual Institute

The annual Teachers' Institute of the public school teachers of the rural schools, as well as of Dexter, Chelsea, Manchester, Saline and Milan will be held in the Saline high school on Friday, March 29. Two hundred thirty-six teachers and school administrators are expected to attend this meeting.

After an address by Dr. Edgar De Witt Jones, widely known Detroit clergyman, newspaper columnist and lecturer, the morning session will be devoted to group discussions on problems covering all the grades from kindergarten through high school. Luncheon will be served in two of the local churches.

The afternoon session will be largely devoted to a meeting of the Washtenaw Chapter of the Michigan Education Association and will be concluded with an address by Miss Laurette Collins, Director of School Community Relations of the Detroit Board of Education.

Julius W. Hahn, Washtenaw County Commissioner of Schools, is the general chairman of the institute.

LYNDON FARM BUREAU

A meeting of the Lyndon Farm Bureau was held on Tuesday evening, March 19 at the home of Mr. and Mrs. Howard Boyce, with 52 members attending. Mrs. Oscar Ulrich led in the discussion, "The Value of Cooperative Marketing." Refreshments were served. The April meeting will be held at the Spencer Boyce home.

Certified Potato Seed Supply Quite Limited

Michigan potato growers are urged to place their orders for certified seed immediately. H. C. Moore, Michigan State college farm crops extension specialist, reports the supply of most varieties is quite limited. County agents or the farm crops department at the college can furnish growers sources of certified seed if they need assistance.

Certified seed potato varieties now available include: Russet Rural, Chippewa, Sebago and Menominee. In discussing the various varieties, Moore points briefly to these facts:

Russet Rural—One of most popular late varieties. Most growers succeed with it better than new varieties.
Chippewa—A medium-early potato that seems to replace the Irish Cobbler; is forcing ahead in Michigan.

Sebago—A good late producing white-skinned potato.

Menominee—Especially recommended as scab resistant, also late blight resistant. Worth a good test.

The extension specialist reveals that many growers are finding their potatoes affected with late blight this spring. Blighted potatoes have shrunk, purplish or lead-colored spots on the skin, and the flesh under the shrunk areas shows a brownish discoloration. Since they produce weak hills, seed should be carefully inspected. Two or three sortings of the seed in good light at two-week intervals may be necessary to remove unsatisfactory seed.

Slip Covers—To keep a new look in slip covers, iron them on the wrong side. Baste pleats in place along lower edge before washing to make ironing easier.

ENTERTAINS DORCAS CHAPTER
Mrs. Geo. Barlow entertained the Dorcas chapter of the Congregational church at her home on Thursday evening for their March meeting.

Mrs. Russell McLaughlin led the group in the devotional service, which was followed by the business meeting, conducted by Mrs. R. W. Wagner.

Mrs. Skentelbury explained the proposed merger of the Congregational Christian churches and the St. Paul's Evangelical church, also giving a brief history of the founding of the Congregational church. This informative talk was followed by much discussion pro and con by the members.

Donations were brought for the Congregational school at Pleasant Hill, Tennessee, with Mrs. Geo. Barlow packing the box to be sent, which will also contain a quilt piece and

made by the members at their regular meetings.

Novel refreshments were served by the hostess and Mrs. Betty Hall, co-hostess, to the twenty-one members present.

HONORED AT SHOWER
A miscellaneous shower on Tuesday evening at the home of Mr. and Mrs. F. J. Seitz, honored her brother and wife, Mr. and Mrs. Reuben Visel, of Saline, who were recently married. Cards furnished the diversion and refreshments were served. Attendees at the party were Mr. and Mrs. Christ Vols, Mr. and Mrs. Charles Kern and Mr. and Mrs. Kenneth Taylor of Saline, Mr. and Mrs. William Visel and Mr. and Mrs. Emanuel Visel of Ann Arbor.

All Fools' Day Shows Few New Tricks

An old, old April fools' trick, with a new leading character.

All Fools' Day is of unknown antiquity. In Scotland the victim is called a gowk (cuckoo), in France un poisson d'avril (an April fish). For centuries April has been the day when friends are sent on fool's errands. Some of the same jokes survive today that were popular in Europe, even before America was discovered.

Among the old favorites are sending a friend to the book store for a "History of Eve's Grandmother,"

to the drug store for a bottle of pigeon milk (pigeon raisers can prove that pigeons do feed their squabs with milk); to the shoemaker for some strap oil; to the hardware store for a left-handed monkey wrench, or a trip miles away to borrow some non-existing article. The empty pocket book, the hat with a brick under it, or the "kick me" sign pinned on a coat tail, fake candy, exploding cigars, all of unknown origin, still exist.

Notten Road

Mr. and Mrs. Calvin Clark left on Monday for several weeks' visit in California.

Cavanaugh Lake Grange will meet with Mr. and Mrs. Wm. Broesamle on Tuesday, April 2.

Mrs. Chester Notten visited Mrs. Arnold Lehman at St. Joseph's hospital, Ann Arbor, on Sunday.

Mr. and Mrs. Roy Ives of Chelsea were guests of Mr. and Mrs. Oscar Kalmbach on Sunday.

Mrs. B. C. Whitaker and Ray Gohn spent the week-end with Mr. and Mrs. John Bulling of Hastings.

Mr. and Mrs. Roy Ives of Chelsea were guests of Mr. and Mrs. Oscar Kalmbach on Friday evening.

The W.C.S. of Salem Grove will meet with Mrs. Max Hoppe on Wednesday afternoon, April 3.

Mr. and Mrs. T. G. Clemenshneider, Mrs. Chester Notten and Mrs. Allen attended the "Hour of Music" at Cassidy Lake Sunday night.

Mrs. Herbert Bank spent Saturday with her sister, Mrs. Chas. Bidwell, of Jackson.

Mr. and Mrs. Donald Rank and family of Plymouth were guests of his parents, Mr. and Mrs. Herbert Rank, on Friday.

CHELSEA STUDY CLUB

The Chelsea Study club met at the home of Mrs. Charles McGarvey on Tuesday evening, March 26. Twenty-one members were present. A short business meeting was held. The program was in charge of Mrs. E. V. Eaton and was the second in a series of three on World Peace. An interesting debate, "Resolved, That the Domination of One Nation or a Group of Nations is the Best Security for World Peace," was held. The affirmative was given by Mrs. P. J. Schable, Mr. A. Holliday and Mrs. L. G. Palmer. The negative side was given by Mrs. Charles Cameron, Mrs. George Miller and Mrs. Philip Olin. The program concluded with a general discussion of the subject by the club members.

Refreshments were served by the assisting hostesses, Mrs. M. Alperovitz and Miss Mabel Fox. A social hour was enjoyed. The next meeting of the club will be on Tuesday evening, April 9, at the home of Miss Nina Belle Wurster.

CELEBRATE ANNIVERSARY
The fortieth anniversary of Mr. and Mrs. John Myers was celebrated with a family dinner given on Sunday by their children at their home, 412 Wilkinson St. The table was centered with American Beauty roses. Out of town guests were Mr. and Mrs. Joseph Szalay and family of Ann Arbor and Mr. and Mrs. Charles Myers of Freedom township. Mr. and Mrs. Myers were married March 24, 1906 in Lake Ann, northern Michigan, and have resided in Chelsea for 29 years.

RESPOND TO THREE CALLS

The local fire department responded to three calls within the past few days. Saturday afternoon a roof fire called on to the Mrs. D. E. Beach farm in Lima township, but the blaze was extinguished before their arrival. A truck on US-12 west of Chelsea caught fire Monday night and was extinguished by the firemen. On Tuesday afternoon they put out a grass fire at Cavanaugh Lake.

ENTERTAIN PLAY CAST

Members of the cast of "Anchors Aweigh," a recent Kiwanis home talent play, were entertained by the Kiwanis club at the Congregational church on Monday evening. Following the dinner an hour of group singing and hilarity, climaxed with feats of magic by Eugene K. Mathews of Jackson, was much enjoyed. The board of directors of the club met after the program.

Order of Publication
At a session of said Court held at the Court House in the City of Ann Arbor, in said County, on the 26th day of March, A. D. 1946.

Present: Hon. James R. Braekley, Jr., Circuit Judge.

On reading and filing the bill of complaint in said cause and the affidavit of Albert E. Blashfield attached thereto, from which it satisfactorily appears to the Court that the defendants above named, or their unknown heirs, devisees, legatees and assigns, are proper and necessary parties defendant in the above entitled cause; and

It further appearing that after diligent search and inquiry it cannot be ascertained, and it is not known, whether or not said defendants are living or dead, or where any of them may reside if living, and, if dead, whether they have personal representatives or heirs living or where they reside, the Court ordered that said defendants, and their unknown heirs, devisees, legatees and assigns, cause their appearance to be entered in this cause within three months from the date of this order, and in default thereof that said bill of complaint be taken as confessed by the said defendants, their unknown heirs, devisees, legatees and assigns.

It is further ordered that within forty days plaintiffs cause a copy of this order to be published in the Chelsea Standard, a newspaper printed, published and circulated in said county, such publication to be continued therein once in each week for six weeks in succession.

James R. Braekley, Jr.,
Circuit Judge.

Library News

The Chelsea Library began its new year with an election of officers for the Board of Trustees. Philip Olin, President; Jean Eaton, Vice Pres.; Jean Rogers, Secretary; Beatrice Fisher, Treasurer; Luella Rogers, Librarian. Miss Eudocia Stratton, of the State Library staff at Lansing, was a guest at this meeting and gave much helpful advice.

Some facts about your library that will interest you were told by Mrs. Walworth, librarian. Last year about two-thirds of the books ordered were received—some as late as six months due to wartime conditions. During the war the reading trend was toward war books such as "Guadalcanal Diary," "AWOL," "K-9 Corps," etc.

OFFICE NEWS

School will be closed tomorrow for the teachers to attend the County Institute at Saline.
Journalism Club is sponsoring an All-Hi party tomorrow night.
Grade PTA is sponsoring an auction in the gym tonight, to raise money for the library.

The Junior play, "Beyond Reason," will be presented April 5.
Spring vacation will be from April 12 to 22.
The immunization clinic will be on Monday morning, April 8.

MEDITATION ON SPRING

Spring! when young men's fancies lightly turn to thoughts of love (and don't try to tell me that they play harmless the rest of the year either). However, in spring-evening most confirmed "women haters" are seen bestowing "brotherly smiles" upon the weaker sex. Of course I'll have to admit I've never seen a brother look at his sister the way they do, but that's beside the point—or is it?

As I was saying, though, spring is here and there's no accounting for the havoc it can raise in a perfectly normal human being—and some that aren't so normal, too.
Just what is there about spring that makes you feel all warm and dreamy inside you one minute and a mad rash-impetuous fool the next? Camera fiends are seen hanging by their toes (or tails, I'm not quite sure) to get a picture of some young lovely draped against the romantic background of a hunk of rock. The picture invariably comes out looking like just another rock with feet and a startled expression on its face. Oh well—they can always put it in the Senior annual.

There is one more thing about spring that never ceases to amaze me—that is the ability to turn the boy or girl (whichever the case may be) next to you into an entirely different person. All year long he or she has sat there and yet one day you suddenly discover that she really has quite pretty hair when the sunlight falls on it or his freckles and grip remind you of Van Johnson himself. It surely is funny! I wonder if the atomic bomb will have any effect on that sort of thing. If it wouldn't worry too much about it though. If it worries you during the day, why just write your Congressman and if you start losing sleep over it you'd better see a psychiatrist because you're probably crazy. That makes two of us, doesn't it?

CLUB 15 DANCE

Club 15 really deserves some credit for sponsoring the dance last Friday night. The decorations were very attractive and the community singing pleased everyone up a bit, although some people were rather uncooperative. There were several guests from out of town, enjoying Nick Jabe's orchestra. The dance was very successful and proved to be one of the best of the year.

F.F.A.

The F.F.A. boys held a meeting last Thursday. Reports were given by Charles Sullivan and Donald Barth, who were our delegates to the Lansing convention. The possibilities of sending delegates to the National convention were discussed.
Plans have been made to take over Sorensen's asparagus patch.

SENIOR NEWS

The Senior class is proud of the fact that June Vail is the valedictorian and Neil Beach is the salutatorian. Congratulations to both of them.
The Seniors have completed their spring magazine sales and wish to thank those who helped us by purchasing magazines.

"FEATURE"

As I was passing through the halls last Friday, I heard these expressions from:

Audrey W.—"Holy Cow!"
Dolly W.—"I think this is all very dumb!"
Don B.—"Hi kid!"
Doug V.—"Aw, he's the wise guy!"
Beverly B.—"Don't bother me, I'm thinking!"
Bugs S.—"Do you have a dictionary?"

Norma P.—"Oh!"
Helen J.—"I'll never tell!" (wonder why?)
Katherine P.—"Oh! Fiddle sticks!"
Alton G.—"Huba! Huba!"
Bob M.—"Hello!"
Miss Fox—(3rd hour Biology)
"Bobby! Please!"
Joanne O.—"Saline? When? and where?"

K. P.—"Oh, its easy!" (Algebra?)
Joyce H.—"Oh, pickles!" (sour?)
Morris—"Ouch! Stop it!" (I wonder)

Clave S.—"That's me!"
Clave S.—"That's nothing! Once I—" (Yes "Joe" we know!)

Helen H.—"Have you seen a new haircut?"
Joanne M.—"Have you seen Bug's picture yet?"

Joyce C.—(English)—"Yes?"
John C.—"100" (that's Algebra)

Miss Seales—"Uh-huh!"
Doris D.—(smiling)—"Hi Don!"
Donna K.—"All the time!"
Mabel H.—"There he is!"
Barbara L.—"Hey, you!"
Mr. Cameron—"What thinkest thou?"

Opal O.—"By George!"
Barbara Q.—"I haven't a word to say!"

Mae S.—"Well! wouldn't you?"
Well, do their expressions fit?

BAREFOOT BALL

Yes, tomorrow night is a big night, for the "Barefoot Ball" will be under way with a big bang at 8:00 p.m. All you have to do is bring along some heavy socks and be prepared to check your shoes at the door. We would also like to warn you that if you do not check your shoes there will be no admittance.

The entertainment will be something you shouldn't miss, with the members of the Journalism Club providing the fun, so everyone get set for an evening of fun.

THE ELITE

On July 12, 1928, Virginia Lesser joined her family. Since that day, Virginia has grown to be quite tall. She now stands five feet seven inches, weighs 115 pounds, has brown hair, brown eyes. Some of her favorites are meat loaf, food, basketball for a sport, "It Might Well Be Spring" for a song, "Our Vines Have Tender Grapes" for her favorite movie, and blue is her favorite color.

Rosemary Hummel first saw the light April 26, 1928. Now she is five feet seven inches tall and weighs 118 pounds. Her favorite color is blue, and meat loaf is her favorite food. She has beautiful blue eyes and long brown curly hair. Songs and movies also come in on Rosemary's list; "Symphony" is her favorite song, and "Going My Way" is her favorite movie. She has not made up her mind what she is going to do when she graduates.

CHORUS

The Chorus members are being taught different songs for a sort of "Spring concert." One of the new pieces is "A Meadow Meadow."

The two glee clubs are also learning new songs. "The Quest" is one the girls are learning.

BAND NEWS

The band is practicing for the state contest at Lansing. The contest is to be held sometime in April.

CLASS NEWS

Freshmen—The freshmen are still planning for the freshmen-sophomore return party April 12. Class dues must be paid before the party.
Sophomores—The sophomores are looking at class rings and sending for

more information and leaflets on them.
Juniors are preparing to present their class play soon.

EIGHTH GRADE 31—SEVENTH 7

A week ago last Wednesday the girls of the seventh and eighth grades played basketball; the eighth grade winning 81 to 7.

The eighth grade team is as follows: forwards, Mary Ann Schrader, Joyce Umstead, Betty Ingram, Audrey Lake, Dorothy Howard and Barbara Manore. The guards are: Peggy Schable (captain), Marilyn Johnson, Beverly Rouse, Marlene Schneider, Geraldine Hale and Jean McClure.

The seventh grade team includes Roma Vaughn (captain), Thelma Refet, Veta Clark, Margaret Collins, Ruth Guenther, Georgia Ann Salzgaber, Deloris Walker and Louise Wals.

Last Wednesday the eighth grade girls played the freshmen.

THIRD GRADE NEWS

Two names were omitted in the list of children that went to Ann Arbor for the broadcast. They were Martha Olin and Sally Vogel. Mrs. Whitaker and Mrs. Baskin took them over. Mrs. Kelly substituted for Mrs. Grugel while she attended the broadcast.

SEVENTH GRADE

John Rudd won the spellingdown and will receive a dictionary from The Detroit News.

Louise Wals is very happy because school will be closed on her birthday, March 29.

EIGHTH GRADE NEWS

By Virginia Wals
Thursday we elected new officers. They are as follows: Marlene Schneider, president; Phyllis Stoll, secretary; and Dean Wortley, treasurer.

Ronnie Eder is in the hospital with appendicitis. We hope he will be back soon. We received a letter from him March 22, and he was getting along very well.

The eighth grade girls played basketball with the seventh grade Wednesday afternoon. The score was 81 to 7 in favor of the eighth grade.

Thursday during activity period the seventh and eighth grade boys and girls played baseball. The seventh grade won both games—boys 8-9, girls 11-12.

Miss Fox, our English teacher, treated us with gum Thursday because we all got passing grades in a day's English exercise.

What the Motifs on Easter Cards Mean

The button-eyed bunnies, bustling chicks and ducklings which decorate many of this year's Easter cards have an interesting historical background. Learned scholars have traced them back through the ages to the pre-Christianity era and found them to be the symbols of the springtime goddess of Epring, Eostre, from whose name the word "Easter" is derived.

In the pagans, the chicks and ducklings and young lambs that are on today's Easter cards for children represented the birth and hope of new life, and it was only natural that early Christians would have the same regard for these young animals. And since they also considered it lucky to see a newborn lamb on Easter morning, the living of the innocent lamb to be the only animal which the devil could not possess, the custom of associating these lovely animals has persisted down through the years.

Although both the rabbit and the chick were regarded as symbols of springtime fertility by the pagans,

expenses anyway, so many as well do it first hand instead of waiting for the State tax money to provide the necessary revenue.

The idea of this article is to show that some help can be obtained if the county citizens appreciate the financial condition of their road commission. Speaking from a state-wide standpoint, no thinking person expects any road commission to provide for demands beyond their power to finance. In 1930, \$35,000,000.00 was spent on the county road system all told. The greatest return the road commissions have had to operate with since that time, was in 1941, when a total of \$23,000,000.00 was received. Last year, the revenue returned from gas and weight taxes to the road commissions was approximately \$18,000,000.00. Everyone knows that labor and material costs have gone up during the war, the former, as far as county road commission labor is concerned, to the tune of \$6,000,000.00. Increased efficiency in operation has offset some of the old costs of maintenance and construction of the roads, but during the war, every county has been "borrowing from Peter to pay Paul," or in other words, spending money for labor, materials and machinery maintenance, that should be spent for new equipment and road construction and maintenance. Now the chips are down. New equipment must be bought to replace the stuff that is worn out. Roads must be built and better maintenance provided. Where is the money coming from? That is a legislative matter, plus what the township folks wish to do about

it. It certainly is not in the county road balances as a recent statewide checkup so visibly shows.

Just how the two became connected is that today we find bunnies coupled with gaily decorated eggs on Easter cards, is one of those historical mysteries. The only explanation for it seems to be that the two became associated through folklore or legend.

In fact, one old fairy-tale presents the version that, since the rabbit was the only animal children didn't fear, it was selected by the fairies to inform the children that spring had come to the woodland. The rabbit conveyed his message by leaving on the doorstep of each sleeping child a token of spring—a basket or nest woven of grass and filled with flowers and colored eggs from the various wild birds.

It is known that eggs were offered as gifts during the festival of Eostre and that they were dyed all colors with herbs, sometimes even decorated with the name of the recipient. Early Christians, who continued the custom of exchanging eggs on Easter, dyed the eggs deep red to symbolize the blood of Christ.

Weight and Gas Taxes Not All Of Road Funds

(Submitted by the Washtenaw County Road Commission)

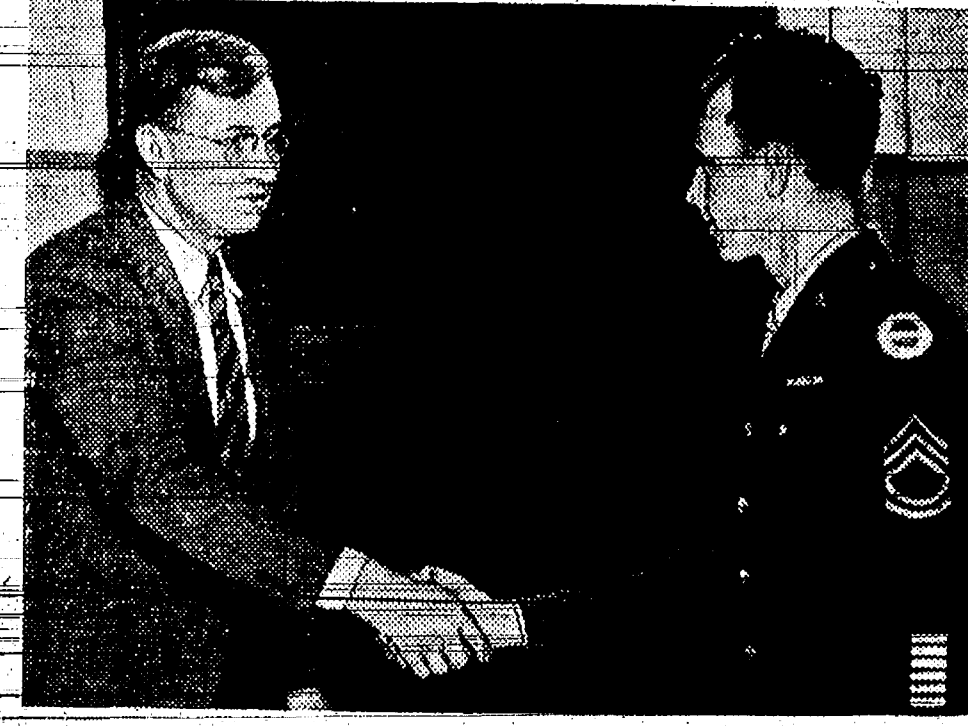

The average citizen, who reads the papers, etc., thinks that all money for roads comes from the gas and weight taxes. Theoretically, that is true as that is the part that is publicized. Practically, it is not entirely true, which fact was brought to light in checking up on some of the counties. This checking was brought about by a recent article in "Highways and Byways" indicating that no outside fund (that is, outside of weight and gas taxes) was raised as it used to be. If the total thus raised was added up and definitely known, it might not be so great, but does indicate a desire on the part of some county citizens to speed up their road programs, beyond the possibility of present revenues that the road commissions receive.

The amount raised by popular subscription varies from county to county and for different purposes. The method of raising the money differs also and in some cases, the money is raised with the understanding that the road commission will provide some portion of matching funds and in other cases, it is specifically earmarked for a definite purpose. It is not the intent to go in to any complete detail, but will give a couple of examples, in counties with different problems and of different sizes. Other counties could be written up just as well and tell a similar story.

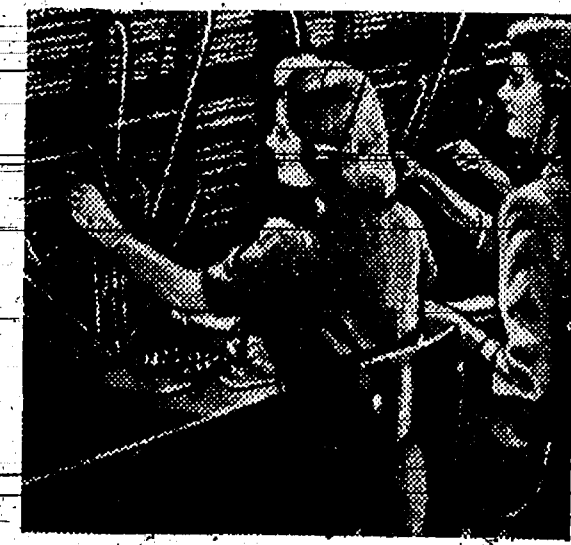

In Kent county, a heavily populated county, the county road money just won't stretch far enough to meet all the demands. In a number of townships, the people recognized this situation, desired to get out of the mud and have improved roads, so they made a deal with their road commission. The deal is that the township shall raise 1 1/2 mills for roads and the road commission will match this 50-50. If the 1 1/2 mills thus raised is less than \$2,500.00 a mile, the road commission makes up the difference, in order to build a mile of road. If less than 1 1/2 mills is levied, the road commission will match 50-50 whatever is raised and build what can be built with the money thus raised and matched. The roads thus improved are on an approved county road system, so that they are not just his and miss construction and the specification for the road construction is in accordance with the road commission standard. This method is being used pretty much all over the county and everyone seems satisfied. The total program of this class for the next year amounts to approximately half a million dollars. In addition to this type of cooperative improvement, Kent county also has the Federal Aid program to match money with and construct. This proves that folks who drive want good roads to drive on. They realize they are paying for good roads through car and truck up-keep.

TRANSITION War gave way to peace, but unfilled orders for new telephones continued to soar, reaching 127,500 in November. As Michigan Bell's Postwar Expansion and Improvement Program gained momentum, the number of applicants waiting for service was reduced to 113,200 by year's end.

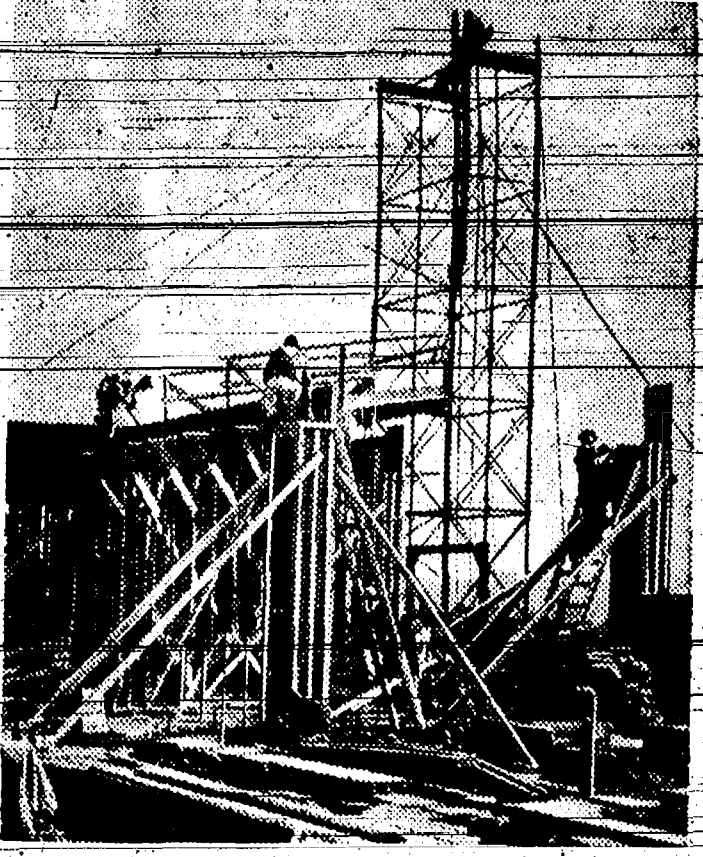

WELCOME 1,295 of Michigan Bell's 3,056 war veterans had returned by Dec. 31. Mourned were 57 who had died in service. During the year, total employees had climbed 3,400 to an all-time high of 18,500. The prewar ratio of about 50-50 between men and women had shifted so that 2 of every 3 employees were women.

MORE CALLS Calls in 1945—153,760 toll and 6,004,000 local per day—were about double the prewar average. Service, although not up to prewar quality in some respects, was generally good.

MORE TELEPHONES By Dec. 31, telephones in service totaled 1,174,513 compared with 742,118 in 1939. In the last 3 months of 1945, the increase was 37,000 telephones, largest 3-month gain in Michigan Bell history.

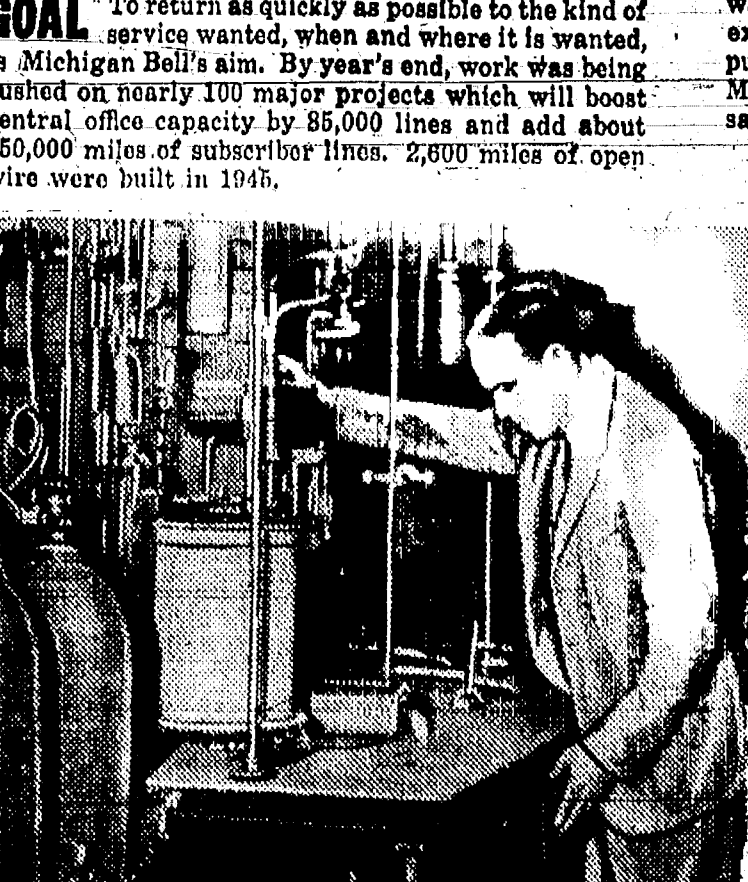

PROGRAM BOOSTED The figure for year Postwar Expansion and Improvement Program was boosted from \$120,000,000 to \$150,000,000 after experience gave a clearer picture of increasing public needs, rising costs of materials and labor. Money for the program must come largely from the sale of Bell System securities to investors.

EARNINGS DOWN While Michigan Bell's total revenues of \$80,806,000 in 1945 were 101% over the prewar 1936-1939 average, costs were up 137% to \$128,400,000. The amount left over to pay for the use of investors' money was about \$56,000,000 less than the average of prewar years, although an additional \$36,000,000 had been invested in the business since 1939. So the average return on the stockholder's dollar dropped from 7% to 5% cents.

RATE-CUT RESISTED To attract the investor's dollar, the rate of Telephone Company earnings must compare favorably with the average of other industries—not substantially less as has been the case in recent years. The future quality of telephone service, then depends on earnings attractive to investors. So Michigan Bell in January, 1946, appealed to the courts for relief from Michigan Public Service Commission order calling for retroactive reductions of \$3,500,000 a year for 1944 and 1945, and lower rates for local service in 1946.

FUTURE Unlike most industries, we have no alternative but to expand our plant when necessary to meet service demands. With earnings attractive to investors, we can continue to improve the quality of service and use future, technical research developments to help keep rates down in the face of rising costs. It is to everybody's interest that we give the best service at the lowest cost which will protect the future of the business.

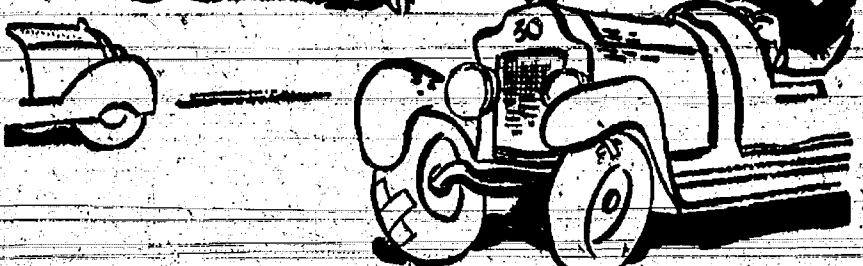

ANNUAL REPORT The full story of Michigan Bell's operations for 1945, complete with all the facts and figures, is contained in an interesting, illustrated booklet, entitled "War to Peace." Copies may be obtained at any Michigan Bell business office.

Men who make their living by driv-
ing usually have excellent safe driv-
ing records. Did they achieve these
records by chance?
What do you think?
More likely they established their
reputations for safety by never tak-
ing risks and by always being cour-
teous. They understand driving con-
ditions. They never leave anything in
doubt.
They try to keep their vehicles in
first-class mechanical condition.
They keep themselves in good
physical condition to be ready for any
and all emergencies on the highway.

Accept a hint from these expert driv-
ers by always being careful, by being
courteous, by having your car and
yourself in first-class condition, and
always give the other fellow the bene-
fit of the doubt.
You will live longer.

CARD OF THANKS
I wish to express my sincere thanks
to neighbors, relatives and friends for
the many acts of kindness shown me
during my stay in the hospital and
since my return home, all of which
is deeply appreciated.

THE OLD JUDGE SAYS...

GEORGE: "Yes, I certainly would like to
hear why you call that an old-fashioned
idea, Judge."
OLD JUDGE: "Glad to tell you, George.
Until recently, a person known as an al-
coholic was generally treated as a social
outcast. Little if anything was done to
understand him or help him. But, during the
past few years, medical research and study
has developed that alcoholics are really sick
people... that there is usually a deep-
rooted physical, social or emotional reason
behind their behavior. That's why today so

much is being done to help them by finding
out and correcting the condition that leads
them to excess."
GEORGE: "How many folks are there like
that, Judge?"
OLD JUDGE: "Well, according to scientific
research, 95% of the people who drink
drink sensibly. 5% do so unwisely, at times
included in that 5% is the small percentage
of the sick people I'm talking about."
GEORGE: "That certainly gives me a
clearer picture. It's the most sensible ap-
proach I've ever heard on the subject."

Rich Port
Puerto Rico, meaning rich port, got its name from a cat, a lion, and is the only land under the Stars and Stripes on which the New World's accredited discoverer set foot. Landing there on November 19, 1493, he claimed it for Spain. When, in 1898, Spaniards withdrew from the port of San Juan, Spain had relinquished her last, slender foothold in the Western hemisphere. First governor of the island was Ponce de Leon, who moved from Puerto Rico to Florida in his quest for the Fountain of Youth.
