Public School Grades Will Present Operetta

Fourth, Fifth and Sixth grades of the Chelsea public school will present an operetta, "The Pied Piper," on Wednesday evening, May 16, at 8:00 o'clock, in the school gymnasium. The operetta dramatizes Robert Browning's poem, "The Pied Piper of Hamelin." In Hamelin was pleasant until suddenly the city became infested with the terrible rats. The arrival of the Pied Piper saves the day, as he with his magic charm lures the rats to the river. Weser, where they drown themselves. When the Piper returns to the Mayor of Hamelin for the pay, which was promised, he is ridiculed. He then becomes angry and lures the children to the forest. This makes the people of Hamelin very sad, as the piper allows the children to return and everyone is happy.

Ford Ramblers To Play At Scoutmen's Meeting

Scoutmen from Washtenaw and Livingston counties will attend the annual election of the Boy Scout Council to be held at St. Paul's church hall on Tuesday evening, May 14. Ladies of the church will serve a chicken dinner, and one of the highlights of the evening's program will be several numbers by the Ford Motor Company novelty band known as the "Ford Ramblers."

Herbert P. Wagner, president of the Washtenaw-Livingston Council, will preside. Officers for the coming year will be chosen and reports of the various coming events will be given at this time.

Reservations are necessary, and can be made by calling P. F. Niehaus, or at the Boy Scout Council office, 202 So. Main St., Ann Arbor.

MOTHER'S DAY AT ST. MARY'S

Celebration of Mother's Day this year will be accompanied by Crowning of the Blessed Virgin, as Queen of May in St. Mary's church at 7:30 in the evening.

The program for the crowning will be as follows:
Procession with hymn Ave Ave Marie
Crowning of the Blessed Virgin Mary by Mary Harker. Her attendants will be Genevieve Wheeler, Nellie Marie Atkinson and Phyllis Hoffman as crown bearers; hymn, Bring Flowers of the Fairer; Act of Consecration; hymn, On This Day, O Beautiful Mother; and will close with Benediction of the Most Blessed Sacrament.

Land Survey Is Being Made In State By MSC

Cooperating with the Federal land ownership survey, the farm management department at Michigan State college has sent approximately 5,000 questionnaires to Michigan landowners. E. B. Hill, head of the department, said the government is studying farm ownership with reference to discovering how farmers obtained their land and their plans for disposal of the farms.

In addition, Hill said, the survey will give a general idea of the number of farms available for purchase by returning veterans. It will also determine the number of farmers who expect to retire in the near future and how many who intend to transfer land to their children.

Late this year, findings of the survey will be prepared in a special Michigan report by the farm management department. Similar surveys are being made in all states.

"We urge farmers who receive questionnaires to fill out and return them as soon as possible," Hill added.

Extension Groups Will Hold Achievement Day

Thirty Home Economics Extension groups in Washtenaw county, with a membership of 519, are holding their annual Achievement Day on Friday, May 10 in observance of National Home Demonstration Week, according to Frances Wilson, County Home Demonstration Agent. Miss Wilson is proud that this county can share in the honors being accorded the home extension program.

"Home Demonstration Week is not to pay any tribute to the 3,600 home demonstration agents and women extension workers in the United States alone. It is to give credit where the credit is due. That is to the nearly half-million women who are leaders in their respective communities and the ones responsible for the national program reaching 500,000 homes throughout the United States last year," Miss Wilson said.

For 30 years home demonstration work has been the source of action and inspiration for better farm living, better rural health and community facilities and better citizenship. Miss Wilson pointed out that this is the time, however, that National Home Demonstration Week has been observed. "Today's Home Builds Tomorrow's World," is the theme for the week.

Washtenaw County's Home Extension Achievement Day on Friday will be held at the Bethlehem church, 423 S. Fourth Ave., Ann Arbor. In accordance with National Home Demonstration Week the theme for Achievement Day is "Today's Home Builds Tomorrow's World." Dr. Howard McCullough, from the University of Michigan is to be the main speaker on the program and has chosen as his topic, "How to Make Better Communities Where We Live." There are many other interesting features on the program.

Results of this year's program will be on display in connection with Achievement Day and can be seen in the gymnasium auditorium in the Bethlehem church hall where the program is to be held. The general public is invited to attend the morning program at 10 a.m. and the afternoon program at 1:30.

Group Camp Facilities Will Have Busy Season

Lansing—A full schedule and busy season are in prospect for group camp facilities in state parks this summer, according to Ernest Blom of the conservation department's parks and recreation division, who is now completing the season's booking of group camp space.

The chance to learn of Michigan's outdoors by living briefly in state park group camps at choice camps and spots goes principally to underprivileged children, who might miss this experience altogether were not low cost use of these permanent state park mess halls and bunkhouses available. Last summer they accommodated for 38 per cent of the total of 40,288 camper days. Children's groups sponsored by religious organizations were next with 29 per cent; Girl Scouts took 22 per cent; Boy Scouts 4 1/2 per cent and adult groups only 6 1/2 per cent.

Waterloo state recreation area group camps will be the first to get underway, with a season running from June 9 to September 3. Mill Lake camp (capacity 112 not counting counselors and other supervisory personnel) and Cedar Lake camp (capacity 72) will serve seven groups, with a change every two weeks.

County 4-H Council Is Named At Convention

At the County 4-H convention held recently, the following representatives were elected to the County 4-H Council: Ruth Oakes, Shirley Miller, Durwood Mullreed, Helen Kuhlrig, Evelyn Feldkamp, Dean Coy and Jane Downer. The following local 4-H Club leaders were elected: John Beal, Jr., Helen Slas, Raymond Schaller and Jack Bradbury.

These representatives will serve on the Washtenaw County 4-H Club Council. The Council is the senior governing body for 4-H club work for Washtenaw county. The remaining representatives to the council are composed of chairmen from the 4-H township organizations. They are: Mrs. Lewis Haselswerdt, Ernest Hopkins, Curtis Hamilton, Ralph Leland, and Edwin April.

VISITORS' DAY AT G.H.S.

The eighth grades from St. Mary's and rural schools will be guests of the eighth grade at the Chelsea public school on Friday. In the morning they will visit some of the classes, meet the teachers, and Supit Johnson will talk to them. The eighth grade of the public school will serve them lunch in the homeliving room. After lunch they will have dancing in the gymnasium, later going to the athletic field to play games. The visitors have also been invited to the Junior High party at the school in the evening.

NIGHT SOFTBALL GAME

On Monday evening, May 18 at 8:30 the Chelsea Kiwanis Club will play host to the Dexter Kiwanis Club at the Chelsea athletic field for a softball game. All who are interested in seeing the game on the new softball diamond under the lights are welcome to attend. The game will start promptly at 8:30.

Kiwanis News

A most interesting talk was given at Kiwanis on Monday night by Robert Armstrong of Cassidy Lake, who talked on the subject, "Trends in the Labor-Capital Struggle." He spoke on the tendency of industry to centralize and decentralize, of the mistakes of both sides to see the other fellow's problems and of the opportunities that small communities like Chelsea offered to bring both parties together through mutual understanding and cooperation.

Snakes Scent Death

Rattlesnakes, contrary to belief, do not seek to avenge the death of a mate. They are attracted to the death scene by scent.

Holland Tulip Festival Will Be Held May 15-18

Holland, Michigan—This city's renowned Tulip Time in Holland Festival is being staged May 15-18 inclusive, after a four year lapse caused by the war. Confronted with short supply of tulips, the Holland festival committee scheduled this year's event as a four day feature rather than the traditional week-long celebration. Even a shortage of tulips exists, for during the war all imports of Dutch bulbs ceased with the result that the supply dwindled and the miles of colorful lanes along streets have been shortened. Careful husbanding of old bulbs has made it possible to replant some lanes and the balance of the bulbs were used for mass plantings about the city. Proprietors of the three tulip farms predict that their displays will be as extensive and colorful as ever before.

Despite these shortages the committee has planned a program for this year which will be an equal to any of previous years. They have retained such traditional events as the opening day street scrubbing and Volks Parade, the Klompen dancers daily performances, the school children's parade and the high school band review and parade. The Netherlands Museum, the authentic costume show and the wooden shoe maker are yearly exhibits which may be seen again. To these they have added such new features as concerts by the University of Michigan band and the Holland American Legion band, and a musical program by the choir of Holland High, Holland Christian High, and Hope College.

For the flower lover the Holland Tulip Garden Club has arranged an extensive flower show. This year an opportunity to see movies on the Netherlands and an exhibit coming from Amsterdam will be offered. Copying the custom of the Netherlands, a Dutch market has been arranged where the visitor may secure lunches and souvenirs. The Coast Guard ship, Mackinaw, the most powerful ice-breaker in the world, will be in the Holland harbor and will be open to inspection every afternoon from May 15 to May 19.

ENTERTAIN HI-NEIGHBOR CLUB
Mr. and Mrs. Leon Chapman entertained the Hi-Neighbor club at their home on Friday evening, with program of euchre, funerals and the diversion for the forty who were attendance. Mrs. Frances Alber and Fred Sager held high score, with Mrs. Harley Hart receiving the consolation. Fred Gentner won the traveling prize. Lunch was served.**DEATHS****Mrs. Joseph Marantette**
Mrs. Joseph Marantette, 61 years old, of 12300 Iles St., Detroit, died Friday afternoon, May 3 at Grace hospital.

Formerly Bertha E. Benter, daughter of Henry and Bertha Priewert Benter, she was born Dec. 17, 1854 in Winona, Minn. and when about twelve years of age, she came with her parents to Francisco. Since her marriage to Mr. Marantette about 25 years ago, she had resided in Detroit. She was a member of Salem Methodist church, Francisco.

Mrs. Marantette is survived by her husband; her mother, Mrs. Bertha Benter of Francisco; four brothers, Ernest and Ben of Francisco, Albert and Herman of Detroit; four sisters, Mrs. Elsie Benter of Sylvan township, Mrs. Raymond Hamill of Grass Lake, Augusta and Sarah Benter of Francisco; a half-sister, Mrs. Edward Riemen Schneider of Detroit, and a half-brother, William Benter of Dufuth, Minn.

Funeral services were held at 2:00 o'clock Monday afternoon at the Staffan funeral home. Rev. Robert E. Vander Hart officiated, and burial was in Salem Grove cemetery, Francisco.

SAVAGE SCHOOL NEWS
On the Thursday before Easter we had our Easter party. Each of us brought two eggs. Douglas and Oscar hid them. The teacher gave us little baskets of candy. After finding the eggs we went on a hike. We went all around Cedar Lake Girl Scout camp. Some of the boys found a den of foxes. Douglas found a dollar bill and Sara found an arrowhead. We had a lot of fun.

The eighth grade has been invited to visit the Chelsea public school for a pet acquainted party. We thank them very much.

Thursday night the school was broken into. Whoever did it got some coal and a little wood.

For the last day of school we are planning a picnic at Clear Lake. If it is warm enough we are going in swimming.

We want to play ball with Riemen Schneider school. They are to let us know when they can come. We hope it is soon.

Douglas and Richard brought us some tadpoles. They are very interesting. Robert also brought some minnows. We have them in a fish bowl with snails.

We have a new Honor Award Trophy from the AAA. We now have five trophies.

The eighth grade made maps of India. They are very good. They also made a poster of swatting flies. It says "Swat That Fly."

Winona Franklin, Reporter.

Supplies Adequate for Preservation of Food

Supplies for home food preservation for 1946 are generally good, according to Frances E. Wilson, home demonstration agent of Washtenaw county.

With the great demand for home food production and preservation, there is always the question about whether the supply of needs will be adequate. Manufacturers of glass containers, rubbers or rubber composition rings and closures, state that supplies of these items will be adequate.

Miss Wilson said, after receiving a report from specialists at Michigan State College.

There is an indication, however, that tin plate may be short. It may be necessary for homemakers who usually can food in tin to use glass containers instead.

Miss Wilson also said reports indicate that containers and wrappings for frozen food are also coming into better supply. Cellophane-lined packages and cellophane wrappings are desirable because of the moisture-proof qualities, are becoming easier to buy.

Some pressure cookers have already appeared on the market and although there is a great demand, those who purchase before season—usually gets under way will be insured of what they need, the home demonstration agent said.

"Sugar, of course, will still be short. Many women, however, have learned methods which will save sugar and there will be further information available on these practices throughout the coming season," Miss Wilson concluded.

Those who have pressure cookers are also reminded that gauges should be checked once a year. This service is given by Miss Wilson if the entire pressure cooker is taken to the Agricultural Extension office in the basement of the Court House, Ann Arbor.

IT MIGHT AS WELL BE SPRING

What is this something that everybody has when winter begins to fade away and spring comes into view? One walks around as if every step will be the last, causing people to point to him and say, "Look at the way he is going." Others will say that he has "spring fever" and they are absolutely correct. I have found out through a little survey that such a thing actually exists. Science has proved that in the spring the sudden change in the weather causes us to need about a quart of blood in addition to our present supply; the consequences being a person is "lazy."

So my friends, do not laugh at the little thing "Spring Fever." It really exists!

SOMETHING HAS BEEN ADDED

A few weeks ago the Girls' Athletic Association adopted a new constitution and the whole organization has been revolutionized.

Most everyone knows that the main object of this organization is to create better sportsmanship and to put girls in good physical condition.

The new constitution, however, has added some new attractions.

It provides a cabinet comprised of a president, vice-president, secretary, treasurer, point chairman, and the two members of the Athletic Board. Their duty is to carry out the wishes of the organization.

Each girl must secure a certain number of points by regular attendance and participation in hikes and on committees. These points are totaled at the end of the year and if each girl has met her quota she receives an award.

In previous years the girls were limited to baseball in the spring and fall and basketball in the winter. Now each girl may state a preference among a number of sports offered each season. Fall sports are volleyball, touch-football, soccer, tennis, and archery. Winter sports are bowling, basketball, ping-pong, dancing, and field hockey. Spring sports are tennis, golf, baseball, and archery. These attractions have improved the organization a great deal.

During the past year the G.A.A. has sponsored pep meetings and assemblies, which have been very successful. The girls in each grade organized

Mother's Day Is Every Day

bowling teams and bowled once a week during the winter.

The basketball team played about six games with other schools. They practiced on Tuesdays and Thursdays each week. The miscellaneous sports also practiced on these days.

Last fall there was not enough equipment for archery but this spring new equipment was purchased and many of the girls have taken a great interest in archery.

Others have taken up golf and they are divided into two groups. One plays on Tuesday and the other group on Wednesday at the Inverness golf course.

The G.A.A. wishes to thank Miss Bean, Miss Shell and Mrs. Keith who have given a great deal of their time and effort to make the organization a success.

THE INQUIRING REPORTER

Last Friday, the Hi-Y presented their annual play called "Dirty Works the Crossroads," which was a great success. The cast was all boys, with some dressed in ladies' clothing in the style of the gay nineties. The lighting, scenery, and effects were unusual and added much to the play. Bob Daniels, playing the piano, was superb; the boys acted their parts out well; and with the funny wigs and costumes, the play had the audience in hysterics most of the time. Congratulations to Mr. Alpervitz for his grand job of directing.

As you have probably guessed, the Inquiring Reporter is asking a question about the play for this week. The question asked was, "What character did you like best in the Hi-Y play and why?" Here are the answers:

Charley Popp: "Oh, those French maids!"
Don Baldwin: "I think the best character in the play was Bert who played the part of the villain, although everybody played their parts with enthusiasm. It seemed to be the best play of the year."

Michael Hale: "I think Nellie was one of the best characters because (1) she looked like a girl of the old days, (2) she played her part very well, (3) and Nellie (the character) is so different from what Bert is in real life, that it made it much more interesting."

Helen Jarvie: "I think Charley Popp did a good job, especially in making George's heart skip a beat."

Marilyn Schooley: "Bert May. He knew his part best, his acting was superb, and if he keeps at it, he's sure to make Hollywood."

Joanne O'Dell: "Bug Slane and those 'cute' little bowing legs."
Barbara Luick: "All the kids did well, especially Charley Popp and Bug. The part of the villain was portrayed very well, including the trouble Bert had with his disgusting beard."

Bob Merkel: "I liked Bert May and his elastic curls."

Bragdon Barlow: "B. Breitenwischer. He knew his lines the best and acted them very well. Also, he had a comical part in the play."

Jean Eisenbeiser: "Leonie Astorbilt (Eileen Eisele). She was so shy and yet she seemed like the mad romance, that would run away on a mad romance."

SENIOR NEWS

The Class of 1946 is at the beginning of the end. Last week, the Annual staff completed the Senior Register and sent it to Ann Arbor to be published. Measurements for caps and gowns were taken and the color of the caps, gowns, and tassels decided upon by the class. Room assignments for the boat trip came, and also the commencement announcements. However, the Seniors are standing up under the strain splendidly, and in spite of the fact that the end is near, they are concealing the bleak despair in their hearts and smiling bravely through it all.

F.F.A. NEWS

On Thursday of this week, the F.F.A. will elect officers for the coming year.

The class has been selecting the best chapter farmer. A sum of money will be given to the best farmer, second best, etc.

The F.F.A. has taken over the harvesting of Sorensen's asparagus fields.

HI-Y

The play presented by the Hi-Y last Friday night was a great success, artistically and financially.

CLASS NEWS

Juniors—For the election for Student Council the Juniors have nominated Ray Knickerbocker for president and Loren Munro for vice-president.

BIOGRAPHIES

Charles (Bug) Slane was born

June 1, 1927 in Chelsea. He is 5 feet 6 1/2 inches tall and weighs 160 pounds. Bug is active in most sports, but his favorite is football. "Always" is Bug's special song.

John R. Wellnitz was born March 27, 1928 in Ridgeway, Michigan. He is 5 feet 11 inches tall and weighs 190 pounds. His favorite color is blue and his favorite song "Nancy." John plans to study at the U. of M. to be a chemical engineer.

HOME EC. NEWS

Home Ec. I is working hard on their dressers. Each of the girls is asked to put one extra hour in on them each day.

Home Ec. II greatly enjoyed a trip to Detroit on Friday, April 26, spending the day there. The girls left in the morning and ate at two very nice places. To make this event possible the class used the money they received for preparing dinners for the Kiwanis members.

The Junior and Senior girls were invited to Michigan State College on Thursday, April 25 for "High School Day." The morning schedule, beginning at 10:30, consisted of a fashion show and skits. These were followed by a picnic lunch, and during the afternoon, various dormitories and buildings were visited. Everyone had a grand time and the trip proved very worth while.

We are having a Junior High party Friday, May 10. The committees are as follows:

Refreshments—Ted Slane, Richard Sealey and Barbara Manore.
Clean-up (gym)—Gerald Wenk, Raymond Steinbeck, Jimmy Roberts, Betty Ingram and Tootsie Hale.
Program—George Alpervitz, Louis Walz, Ruth Guenther, Roslyn Reule and Peggy Schable.
Decorations—Duane Hall, Donald O'Dell and Jim Clark.

Home Ec. Clean-up—Roma Vaughn, Jane Proctor, Georgia Ann Salzgeber, Helen Eschbach and Phyllis Platt.
Tickets—Joanne Eisenmann, Lois Eisele, Buddy Johnson and Ralph Guenther.

The students from other schools who will be in the ninth grade next year are to be the guests at the party.

KINDERGARTEN

Now that we are nearing the end of the year I think some credit is due the children who have so faithfully been here every day throughout the year. Carol Glick, Harriet Johnson, Douglas Keeny, Glenn Major and

Nancy Mayer have an almost perfect attendance and should be congratulated.

They are all very busy making gifts and decorating our room for Mother's day. We should like to invite our mothers to visit us and see what rapid progress we are making in our sewing books. The hand is again at work on the rest of the building no doubt has heard.

FIRST GRADE

George Staffan is the only one in our room who has been neither absent or tardy so far this year.

We had a very lovely moth come out of its cocoon today. We watched it for a long time.

SECOND GRADE

Nora Raye Major is the only pupil in second grade who has not been tardy or absent this year.

We have two new pupils from Rochester, Indiana. They are Charles and Mandoline Carpenter.

We have new Language workbooks.

EIGHTH GRADE

We are going to have our 7th and 8th grade party this Friday. The 8th graders from the country schools are invited.

Jim Clark, who has spent the winter in California, started school here last week. We were all happy to see him back.

We got our pictures back last week and every one is pleased with them.

The girls are showing demonstrations in making foods in Home Ec. and they are turning out fine.

We had a test in history class and most everyone got a good mark.

The eighth grade girls played the 7th grade girls in baseball and we won by the score of 12 to 11.

Joyce U. has a new saddle horse

whose name is "Dusty." Phyllis Stoll's cat had four kittens.

CARD OF THANKS

I would like to express my thanks to all those who remembered me so kindly with cards, letters, flowers and gifts while I was in the hospital and after my return home.

Mrs. Wm. H. Eisenmann.

NIGHT AND DAY

Greyhound plays a vital part in the life of Chelsea

Twenty-four hours a day—throughout the year—Greyhound serves our city and our state... providing continuous highway transportation that benefits everyone.

Big, comfortable buses operating on time-saving schedules, offer the convenience of "door-step" transportation service... to the factory, to the farm, to the office. These same Greyhound super coaches cruising over scenic routes, carry passengers to pleasurelands all over the nation. Work or play, Greyhound serves our people twenty-four hours a day.

This vital, uninterrupted service provides steady wages for Greyhound employees and brings new business into our town. It helps build a happy and prosperous community.

Greyhound truly shares in the life and interests of the people it serves.

More Buses, More Service Needed and on the way

Today people are on the move as never before! With every bus working regularly, with everyone at Greyhound doing his utmost, travelers still are sometimes inconvenienced.

Hundreds of new buses are on order. When they are delivered, you can expect finer, and more frequent service, additional comfort... better travel in all respects than America has ever known.

Make Good Garden Soil Before Planting Seeds

Good soil is the first secret of a good garden. Jack Rose, extension gardening specialist at Michigan State College, contends that no matter what the soil you start with, it can be made into good garden soil for growing either flowers or vegetables. Start by building the soil before you plant, he suggests. Improve soil texture by making it crumbly and mellow by work. Soil must be in porous condition to allow plant roots a supply of air. Yet it must be able to hold moisture and plant food. Whether a soil is clay-heavy, wet and hard to work, or very sandy, and easy to work, it can be improved by the same treatment. Add organic matter in the form of rotted manure, compost, peat moss or dried sheep or cow manure. Clay soil can be permanently improved by adding and working in sand. Likewise, sandy soil can be improved by adding clay. A clay soil will have better texture if it is plowed in the fall. A good soil must contain organic matter. Manure should be added at the rate of one pound to each square foot. The same application of compost is recommended. If peat moss is used, 300 to 400 pounds per 1,000 square feet is enough. Two hundred pounds of sheep manure per 1,000 square feet of area is about right. Organic matter in any form will improve soil texture. But chemical fertilizers are essential too. These can be added with a commercial fertilizer. About 30 pounds per 1,000 square feet will supply the plant food needed. Use 4-12-4 or 4-16-8 fertilizers.

Women Show Interest In Home Management

Michigan farm women are becoming more home management conscious. Always busy, these women have started taking time out and changing

their ways. Last year a total of nearly 25,000 improved changes in practices were made by Michigan women enrolled in home economics extension groups throughout the state. Approximately 25,000 families in 80 different counties of the state were reached by home management work conducted by county demonstration agents. Julia Pond and Laura P. Dams, extension specialists in home management at Michigan State College, supervised the program. Home recreation, care of household and kitchen equipment, repair of electrical appliances, family financial planning were some of the minor projects. More than 2,000 families improved their kitchens with kitchen cupboard, cabinet or closet arrangements and repairs. A total of 850 women were given assistance in making plans for improving their homes. Some of this work was accomplished, but much is awaiting the day when materials and labor are available. But the women have the tangible plans that a carpenter can follow. Post-war planning on home appliances needs interested a great number of Michigan women. At meetings they individually mapped out a year plan of purchases for improvement of their farm-home needs. Their findings indicated they were making a close study of making the farm home more pleasant for themselves, their husbands and the children.

DAVID, THE KING

By Gladys Schmitt
David, one of the most fascinating figures in the Bible, is the subject of this new novel. For ages, story tellers have told the tale of the shepherd boy who became king of Israel—of his spiritual involvement from egoism—and of how he won eventual victory and found divine peace.

Defrosting Rule Experts tell us that the accumulation of frost should determine when defrosting is necessary—it should not become over 1/2 inch thick. Now soon this amount accumulates will vary according to the amount and kind of food in the refrigerator as well as the temperature and humidity conditions that reach the inside when the door is opened.
