Village Officials Hosts At Open House Affair

Chelsea's village officials were hosts last Thursday night at an open house affair in the new municipal building. The invited guests included city officials from Jackson, Ann Arbor, Dexter, Manchester, Grass Lake and Stockbridge, as well as a number of village employees and those who were employed by the village in the remodeling of the building.

Following a thorough inspection of the building, the guests assembled in the auditorium on the third floor and enjoyed a delicious lunch which was prepared and served by Mrs. George Doe and her assistants.

James C. Hendley, village attorney, presided as toastmaster, and following the introduction of guests, he presented P. E. Niehaus, who announced the numbers on the musical program which had been arranged, the outstanding feature of which was a group of songs by the five young daughters of Mr. and Mrs. Maurice Hoffman. Two selections were rendered by Joseph Hoffman on his accordion, and the Hobo Quartet, in costume, consisting of Paul Barbour, Maurice Hoffman, George Atkinson and P. E. Niehaus, sang several popular songs, accompanied by Mrs. Niehaus at the piano.

Mr. Hendley then introduced A. W. Wilkinson as the principal speaker of the evening. "Archie" stated that he was born here in 1885 and started the practice of law in 1888, and that he could talk with authority on the early history of the village, which he did in a very entertaining manner, with injections of the variety of wit and humor that only Archie possesses.

Short talks were given by John Huss, Director of the Michigan Municipal League; Dr. Otto R. Engelle, Director of the Washtenaw County Health Department; and K. R. Hallenbeck, Superintendent-Manager of the Washtenaw County Road Commission. All those present at this event were loud in their praise of the new building and the progressive spirit of the officials and citizens who made possible this project which gives Chelsea a finer municipal building than any of the cities or villages represented at the meeting could boast.

Program On Decoration Day Starts At 10 A. M.

As announced in last week's issue of The Standard, the Decoration Day exercises will be held at the public school auditorium on Thursday at 10 o'clock. The parade of veterans, the High School Band, Boy Scouts, Girl Scouts and others will start in front of Moore's Restaurant at 9:45, and will march to the school under the leadership of John O'Hara, Officer of the Day. The principal address at the school will be given by Ralph Keyes, Ann Arbor attorney. Following the program in the school, a parade will form for the march to the cemetery for decoration of graves. Those who have flowers to contribute are asked to leave them at the public school about 8 o'clock Wednesday evening.

ATTENTION MERCHANTS!
All outstanding bills must be sent in on or before June 1, 1946.

With Our Men In Service

James F. Gaunt, S-2C, returned to his home here on Saturday after receiving his honorable discharge at Great Lakes III.

On May 18, 1945, James enlisted in the V-5 program, entering the service on July 2. He was sent to Ft. Meade for a term of college and later to Case School, Cleveland.

In March, 1946, he was transferred to the Naval Reserves and was assigned to the U.S.S. Wyoming at Norfolk, Va., where he remained until his termination of service.

The son of Mr. and Mrs. Edwin I. Gaunt, James graduated from Chelsea high school in 1945.

Harley Prudden, RM-1C, son of Mr. and Mrs. Harry Prudden, enlisted in the Navy on Feb. 13, 1943, and received his honorable discharge at Camp Dallas, Texas, May 13, 1946.

Harley spent a year and a half on duty in the Pacific, and for the past twenty months received pilot training in this country.

He is entitled to wear the Asiatic-Pacific ribbon with one star, the American ribbon, Good Conduct and Victory ribbons.

Waterloo Man Elected Pres. of Fur Breeders

A. L. Hitchcock of Waterloo was elected president of the Michigan Fur Breeders' Association at the annual meeting held in Grand Rapids on May 18. This association was organized about 20 years ago and there are 400 members, including ranchers of fox and mink.

Mr. Hitchcock has operated a mink ranch in Waterloo for the past ten years and has one of the most modernly equipped ranches in the state, with about 1100 mink at the present time.

SUFFERS LOSS OF FINGERS
While operating a power lawn mower at his North Lake home on Tuesday last week, Homer Stoffer had the misfortune to catch his right hand in the machine, necessitating the amputation of the first and second fingers at the first joint. He was cared for by a local physician.

FARMERS' CLUB MEETS
About 20 members of the Western Washtenaw Farmers' club were present at the monthly meeting held at the home of Mrs. Henry Muebach on Friday evening. The supper was followed by an evening of informal talks and community singing.

ATTEND FUNERAL
Mr. and Mrs. W. M. Hinderer, Mr. and Mrs. Sam Bolnet, Mr. and Mrs. Arthur Schaefer, Mrs. W. J. Bentler, Mrs. O. H. Hinderer and Mrs. J. D. Wright attended the funeral of their aunt, Mrs. Henrietta Landwehr, held on Friday in Manchester.

NOTICE TO DOG OWNERS
A village ordinance prohibits dogs from roaming at will. On complaints from many citizens, dog owners are notified to comply with this ordinance and either keep their dogs confined or on a leash.

Final Week of School Includes Many Events

Seniors of Chelsea high school who will receive their diplomas at Commencement exercises in the school auditorium on Thursday night, June 6, are as follows:

Neil Beach, Caroline Beal, Robert Breitenwischer, Shirley Dorer, Jane Downer, Barbara Eaton, Jean Eisenbeiser, Catharine Geer, Dorothy Hafner, Laverne Halbrook, Rosemary Hummel, Virginia Lesser, Therese Lyons, Elaine McClellan, Joanne Moore, Clara Newman, Evelyn Otto, Mary Ottomano, Donna Perkins, Shirley Platt, James Ridley, Marilyn Schooley, Joan Shutes, Charles Slane, George Slane, Thomas Smith, June Vail, John Wehnitz and Audrey White.

In addition to the above, Nancy Rooker, Paul Werner and Robert Perkins have completed the high school requirements and will also be granted diplomas.

Baccalaureate

The Senior of the Chelsea high school will hold their Baccalaureate exercises on Sunday evening, June 2, at 8 o'clock in the Methodist church. Rev. E. R. Major will deliver the sermon to the graduates.

Class Night Exercises

Class Night, scheduled for June 5, in the school auditorium, is probably one of the most popular of all the graduation activities. At this time the prophecy, the will, and the giftatory are read in addition to the presentation of the various awards. This is the last social activity that the Class of '46 have together. From all indications it will be one of the gayest of all Class Nights.

Complete programs for Baccalaureate, Class Night and Commencement appear on another page of this issue.

Dry Cleaning Business To Open Here In June

William Pruner and Jack Pruner, brothers of Ann Arbor have leased the Hendley building at 118 Park street and will open a dry cleaning business there about June 10.

The basement of the building is being completely remodeled for the dry cleaning plant and finishing department, and an addition is being built at the rear of the building for the boiler room. The main floor will be used for the customers' room.

Redecoration of the entire building is now in process, and new equipment is being installed for a complete dry cleaning plant. The new firm will be known as Chelsea Cleaners.

Both of the Pruners are overseas veterans of World War II, and they were employed in dry cleaning work previous to entering the service. They plan to reside in Chelsea as soon as living quarters are available.

COMPLETES NURSES' COURSE
Mrs. Margaret F. Kuhn, daughter of Mr. and Mrs. Ezra F. Kuhn of Sharon township, has completed a course at Nurses' Training School, Deaconess hospital, Detroit. Commencement exercises held on Wednesday evening, May 22 at St. Matthew's church, were attended by Mr. and Mrs. F. Kuhn and son Norman, Mrs. Albert Kuhl, Herman and Roy Kuhl.

Sylvan Center School Holds Annual Reunion

The 19th annual reunion of the Sylvan Center school, District No. 4, Sylvan, was held on Sunday at the school house and about 90 were in attendance, coming from Jackson, Howell, Brooklyn, Parma, Ypsilanti, Ann Arbor, Rosebush, Owosso, Ovid, Royal Oak, Grass Lake, and Chelsea.

A cooperative dinner was served at 1:30, following which the president, Harrison West, gave the address of welcome, the assembly joined in singing "America," and S. P. Foster made remarks.

Officers elected for the ensuing year are:

President—Harrison West.

Vice Pres.—Alfred West.

Secretary—Miss Minnie Allyn.

Treasurer—Fred Hufley.

Chairman Table Com.—Mrs. Ed.

Program Com.—Mrs. Harvey West, Mrs. Vivian Baldwin.

Minutes of the 1945 meeting were read and approved. The president appointed F. Hufley, Raymond Schmitz and Harrison West as a committee to see that railings are placed on the ends of the school.

After the business session, an enjoyable program was rendered, as follows:

Recitation—"The Milkman"—Janet Talbot.

Remarks—J. George Knoll.

Reading—"The Old Sunday Parlor"—Mrs. Willis Heydlauff.

Solo—"A Medley of Old Songs"—Mrs. John Oesterle.

Reading—"The Old School Bell"—Mrs. A. C. Mock.

Solo—"Silver Threads Among the Gold"—"Juanita"—Mrs. Emerson Lester.

Play—"When the Sylvan Center School Entertained the School Board"—with Mrs. J. George Knoll as the teacher, the scholars, Mrs. Angie Fowler, Mrs. Elsie McQuaid, Mrs. Vivian Baldwin, Mrs. A. Hisinger, J. Geo. Knoll, the school board, Mrs. Mabel Foster, Harrison West, Miss Minnie Allyn.

Singing of "God Be With You" closed the program.

Spring 18—Bowser 2.

Recreation 15—Glick's 13.

Schedule

June 3—6:30, Fibre vs. Bowser.

June 4—6:30, V.F.W. vs. Glick's.

June 5—6:30, Cassidy vs. Spring.

June 6—6:30, Recreation vs. Gulf Gas.

Cassidy, V.F.W., Spring and the Recreation teams are all tied for top honors after last week's victories.

Cassidy trimmed Gulf Gas by the score of 5-0 as the Gas boys made 8 errors and failed to hit when a hit was needed.

The V.F.W. and Spring had just too much power for their opponents as they both won easy victories over Fibre and Bowser, respectively.

In a game where most anything could happen and did, the Recreation team came out on the long end of a 15 to 13 score over Glick's.

BEACH SCHOOL NEWS

Those who have had perfect attendance this period are: David Brown, Marian Moors, Harlan Van Blaricum, Margaret Moore, and Philip Bareis. Philip has a perfect attendance for the entire school year.

The eighth graders went to visit Chelsea high school. We enjoyed visiting the classes and meeting the teachers. In the evening we went to a Junior high school party given by the seventh and eighth graders of the Chelsea school. We truly enjoyed the opportunity to visit the school and I'm sure the eighth graders will all attend it next year. Arlene Moore went to visit her sister at Adelphi Academy at Holly. She enjoyed visiting the classes and the things they do in everyday life.

The perfect spellers for this period are: Billie Mae Stanley, Rose Ann Ball, Thomas Ball, David Brown, Philip Bareis, and Blanche McVay. Rose Mary Marshall misspelled only one word this year.

We have read 418 library books this year. We enjoyed them very much.

Our visitors were Martha Moore, Mr. Thayer, Doris Little, Mr. Hutchison, and Shirley, Barbara, Harry and Mrs. Macomber.

The seventh and eighth graders have had their county tests, and we expect all the eighth graders to attend high school.

We are going to the Detroit Zoo for our school picnic. We expect to have lots of fun.

BIRTHDAY DINNER

The home of Mrs. W. K. Guerin was the scene of a most enjoyable family party on Sunday and a birthday dinner was served, with covers for Mrs. Gertrude Hammond, Mr. and Mrs. Vern Schoonmaker, Mr. and Mrs. Fred Tomlinson, Kenneth Tomlinson, Mrs. Gertrude Herdick and sons, all of Owosso, Mrs. Sarah Hoover and daughter Erma of Rosebush, Mr. and Mrs. Harold Tomlinson and sons of Ovid, Mrs. Guerin and her sister, Miss Lillian Foster. Two lovely birthday cakes featured the dinner which celebrated the anniversary of Mrs. Guerin, Mrs. Schoonmaker and Mrs. Harold Tomlinson.

HOME COMING DINNER

A dinner on Sunday at the home of Mr. and Mrs. Donovan Sweeney celebrated the homecoming of her nephew, Edward Yenor, who was recently discharged from the service. Guests at the dinner were Mr. and Mrs. Ora Smith and sons, Jack, Howard and Edward Yenor, and George Lord, all of Morenci.

BPS BARN PAINT RED

Lasts FOR MANY YEARS

• BPS BARN PAINT RED is a rich, full-bodied exterior paint that can be liberally reduced with linseed oil... reducing the cost.

• BPS BARN PAINT RED dries with a good gloss... holds its bright red color... The tough, protective coating resists weather and does not fade out like so many of the cheaper barn paints often do.

• Spreads on easily and has remarkable hiding qualities.

Also for METAL ROOFS

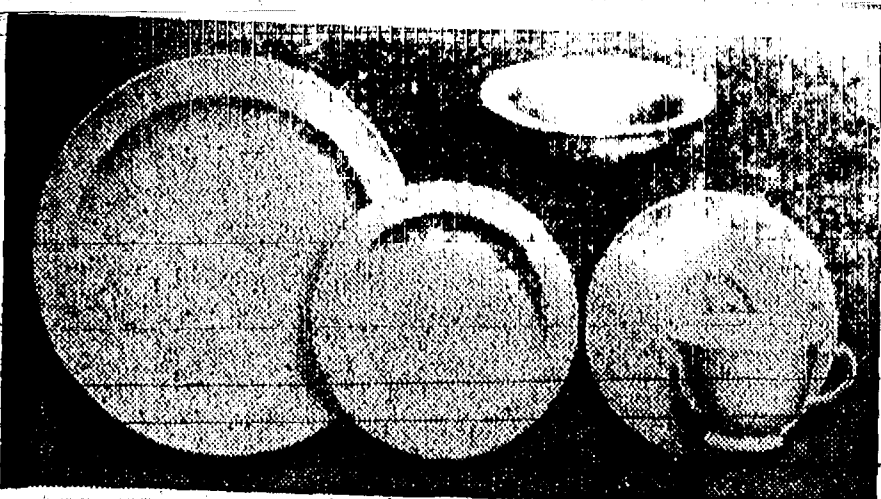

Long wearing, weather-resistant qualities of BPS BARN PAINT RED make it the ideal paint to use on galvanized iron or tin roofs.

STATE OF MICHIGAN

Executive Office of Lansing

**PROCLAMATION**

WHEREAS, dairy products are important to the maintenance of public health and efficiency, so vitally essential as we move ahead with the tasks of reconstructing our post-war economy, and

WHEREAS, dairy farmers and the entire dairy industry are exerting every possible effort towards producing the maximum amounts of these products and still are unable to meet all the public's pressing demands, and

WHEREAS, due to the shortages of some important dairy products there is a great need of better understanding of the problems of the dairy farmers and the dairy industry and the importance of dairy products in the human diet to the end that the battle against malnutrition, both at home and abroad, may be waged with undiminished vigor,

NOW, THEREFORE, I, Harry F. Kelly, Governor of the State of Michigan, do hereby proclaim the month of June, 1946, as DAIRY MONTH throughout the state and request the citizens to join me publicly in recognizing that this industry and its products are vital to the world's peace.

Given under my hand and the Great Seal of the State of Michigan, this thirteenth day of May, in the Year of Our Lord, One Thousand, Nine Hundred Forty-six, and of the Commonwealth, the One Hundred Tenth.

BY THE GOVERNOR:

Harvey A. Dignan
SECRETARY OF STATE

UNRRA Needs Men for Rehabilitation of China

The United States Employment Service today is engaged in an urgent search for 15 men to aid the UNRRA in a program of rehabilitating and servicing local blacksmith shops and industries, irrigation equipment, and such other machinery as is necessary to the restoration of agricultural activity throughout the devastated areas of China.

The specific type of men applied for, who must be recruited in time to leave for China by July 1, are men who were trained by the army in the use of the COUSE Type "L" and "W" Mobile Machine and Welding Shops.

Although a nation-wide search has been made for these army-trained men, to date not one recruitment has been made. Edward L. Cushman, director for Michigan of the U. S. Employment Service declared, "There will be no time to train mechanics in the use of these strictly military machines, and since the contingent must leave for China in the near future, we are very anxious to contact veterans whose Military Occupational Specialty Designation 114, rated as either master mechanics or machinists, who already have been trained in their use," he said.

Cushman added, "Suitable candidates will be hired at \$4750 per annum, plus subsistence." Full information on these jobs is available at all USES offices or direct contact may be made to E. L. O'Brien, United Nations Relief and Rehabilitation Administration, Room 223, Graf-ton Hotel Building, Washington 25, D. C.

Scratches in Linoleum
Small cuts, cracks or scratches in the surface of linoleum may be partly healed by occasionally rubbing with boiled linseed oil. Wipe off excess oil with a soft cloth.

Suggests Ways To Save Food To Help Europeans

Housewives of Washtenaw county are given nine ways in which they can help save food to save starving Europeans. The suggestions come from Frances E. Wilson, County Home Demonstration Agent. She points out that the over-all needs of the war-torn world are so great there is no limit to the American food that can be used to save human life.

Following are the recommendations by Miss Wilson:

1. Cut down on wastage of bread in every way possible. It is estimated that one slice out of each loaf goes into the garbage.
 2. Reduce the amount of bread through substitutes such as potatoes and oat cereals. Fruits may be used instead of cakes and pastries.
 3. By use of alternate foods, use less wheat cereals and more oat cereals for breakfast.
 4. Save cooking oils by making more use of meat drippings for cooking and seasoning foods.
 5. Hold down the number of fried foods that are served.
 6. Save and re-use fats and oils for all cooking purposes.
 7. Hold on to bacon grease for cooking and render excess fats or meats.
 8. All fats that cannot be re-used should be salvaged and turned in to the butcher or grocer.
 9. Take it easy on oils and salad dressings.
- "The urban and rural housewife alike has a share in the program to save Europe from starving. In Lenawee county last year county Extension groups salvaged 2,573 pounds of fat in one month. That is an example of what can be done and what should be done," Miss Wilson said.
- When a killing frost is imminent, green tomatoes may be picked and stored for as long as a month.

Ex-Service Man Gets Radio License at WMC

Bernard A. Arts, a GI student at Western Michigan College, Kalamazoo, is the proud possessor of a radio operator's license, and may now serve as a radio operator in broadcasting stations, police stations, forestry and aviation stations.

He made somewhat of a record in securing these coveted keys to the radio field, doing in one semester the work which is ordinarily designed for three semesters, and is one of the first veteran students in W.M. college trade and industrial program to meet the federal communications commission requirements to obtain an operator's license. It was granted him the same day he took the examination, which was held at the federal communications commission field office at Allegan.

Mr. Arts is an ex-marine, having received his honorable discharge from the marine base at Quantico, Virginia on Jan. 15, 1946 after a little more than six years of service in the Pacific theatre, serving at New Zealand, the Marshall Is., the Marianas and Guam. While in service his work was in the communications department. Bernard attended Waterville school, and was graduated from Stockbridge high school, the class of 1938. He is the son of Mr. and Mrs. Geo. Arts, formerly of Waterville.

Polyglot Town
It is estimated that more than 100 races were represented among the pre-war inhabitants of Darwin, Australia. Streets were filled with fierce bushmen, white Australian traders, European adventurers, fuzzy-headed Fijians, Chinese coolies and merchants, Japanese divers, and a variety of half-castes. This polyglot populace managed to build a hospital and a school, and to install a power and water system. When steamers docked, the townfolk obtained fresh fruits, vegetables and tobacco. Occasionally planes arrived and prisoners were turned out of jail to clear the way of horses and goats for the landing.

Carnuba-Wax
In addition to floor wax and furniture polish, Carnuba-Wax is also used in shoe wax, phonograph records, sound film, electric insulators, soap, candles, lubricating oils and carbon paper. Wrapping paper, cardboard, textiles, and industrial machinery are waterproofed with it. It goes into lipstick, picnic acid for gunpowder, sealing material for dry cell batteries, plasters, matches, cable coverings, paints and varnishes.

The American's Creed
"I believe in the United States of America as a Government of the people; by the people, for the people; whose just powers are derived from the consent of the governed; a democracy in a republic; a sovereign Nation of many sovereign States; a perfect Union, one and inseparable, established upon those principles of freedom, equality, justice and humanity for which American patriots sacrificed their lives and fortunes."
"I therefore believe it is my duty to my country to love it, to support its Constitution, to obey its laws, to respect its flag, and to defend it against all enemies."

Unknown?
I have come back to my mother's land. Where the surf's like distant drums. And the fishing craft makes bright the strand. And a kindly neighbor comes—For such is the way of the village folk. When a woman is left alone. It's of me they talk, when she doffs her cloak. So why am I called Unknown?

Francisco

Mrs. Truman Lehmann spent a day last week at the home of Mr. and Mrs. Arnold Lehmann in Chelsea.

Mrs. Floyd Rowe from near Chelsea spent Monday at the Benter family home.

Several from here attended Class day exercises in Grass Lake on Tuesday evening.

Mrs. Carl Sanderson visited Mrs. Truman Lehmann on Tuesday afternoon.

Mr. and Mrs. Austin Artz sold their trailer house to some Jackson people last week.

Miss Evelyn Gardner, accompanied by Miss Lola Coleman of Grass Lake spent Thursday in Detroit.

A number from here attended the Alumni banquet in Grass Lake on Friday evening.

Misses Virginia, Louise and Sally Way of Chelsea spent the week-end with their grandparents, Mr. and Mrs. Albert Wals. Their mother, Mrs. Viola Wals, was a Sunday visitor.

Other Sunday guests were the Otto Rosentzler family of Ann Arbor and Mr. and Mrs. Elmer Klump and son Terry of Detroit.

Mr. and Mrs. David Mohrlock of Chelsea were guests of Mr. and Mrs. Tom Wortley on Sunday. Jean Evon Wortley accompanied them home to spend a few days.

Earl Wals was a Detroit visitor on Sunday.

Mrs. T. J. Wortley spent an afternoon last week with her parents, Mr. and Mrs. Charles Wakeman, south of town.

Paint Insulation

The same paint which acts as an insulator for the wall in summer also helps to keep the house warm in winter by sealing the outside surface against moisture and keeping it from penetrating through the walls.

Water is many times as rapid a conductor of heat or cold as air, which fact indicates the economy and advantage of a dry wall as compared with a water-soaked one in both summer and winter.

Brush Suits

Keep suits brushed. Get dust out of folds and corners. Work with the grain of the cloth and use a good clothes brush—a whisk-broom—only hits high spots. A suit properly brushed and hung needs less pressing.

Baseball News

By "Bill" Schatz

The Chelsea Independent Baseball Club won the first ball game of the current season on Sunday, May 28, by a score of 12 to 5, with Dexter furnishing the victims.

Joe Policht, greeted the Dexter pitcher with a clean single to open for the locals and from then on the hits and runs piled up.

Considering that this was the boys' first game they turned in a good account of themselves, and were supported by a big crowd. Opening battery for Chelsea was Lefty Barth and Dick Hoelzer. Barth was lifted in the fourth for MacClanahan, who in turn was lifted in the seventh for Ed Miller. Lefty Barth was credited with the win.

The boys are looking forward to a good season and they rate your support, so turn out and watch the play. A league is in the making, which will make regular games possible and add to the interest. Announcement concerning same will be made later.

So remember—take "Take me out to the ball game." There are no OPA restrictions regarding your attendance.

A surprise birthday party was given in honor of Frank Dault on May 28. Guests from Detroit were Mr. and Mrs. Ira Boots and Paul Pappas. Also present were Mr. and Mrs. Fred Seelye, Mr. and Mrs. Wilbert Zogelman, Mr. and Mrs. Willis Renalls, Mr. and Mrs. Franklin Gee, Mr. and Mrs. George Boote and Mr. and Mrs. Cliff Peterson.

Mrs. Helen Swift and daughter Gayle are visiting her family in Tecumseh.

Mr. and Mrs. Franklin Gee had a Sunday visitors, Mr. and Mrs. Clyde Gee and family from Dundee.

The Riemenschneider school outing was held May 24 at the Clear Lake State Park. There were quite a few mothers present and a wonderful potluck lunch was served. Later a baseball game was played, with the Savage school pupils, who were also at the park.

Mr. and Mrs. Ray Millman, were Thursday evening visitors at the Dault home.

Franklin Gee will leave Tuesday morning to attend the Masonic Grand Lodge meetings in Grand Rapids. He will return Wednesday evening.

Mr. and Mrs. Jack Thurston and

family of Dearborn were Sunday dinner guests of Arnold Swift.

Mrs. Sam Ross is a patient in Foots hospital, Jackson, recovering from an operation. We all hope for a speedy recovery.

Kiwanis News

The Kiwanis club held their regular meeting at Cassidy Lake on Monday evening. Previous to the dinner the Kiwanis champion softball team defeated Cassidy's second team by the score of 23 to 13 (their first team was playing at the athletic field in Chelsea). The Lakers knocked Grossman, Major, and McLaughlin out of the pitcher's box, and it was up to Johnny Alber to save the day.

Following the game, dinner was served in the dining room, and a musical program consisting of quartet numbers and vocal solos, was given by several of the camp boys, with John P. Cook at the piano.

George W. Doe and John A. Lippincott will leave next week for Atlantic City to attend the 1946 Victory Convention of Kiwanis International, to be held from June 9 to 12.

Immense Cost of Fires
Losses from fire, "the scarlet terror," cost Americans during the first six months of 1945 more than eight times as much as they spent all last year on the legislative branch of their government which includes congress, the botanical gardens, the library of congress and the government printing office.

HOSTESS TO DORCAS CHAPTER
Mrs. Olie Johnson was hostess to twenty members and guests of the Dorcas chapter of the Congregational church at her home on Thursday evening.

Mrs. R. W. Wagner, president, presided at the business meeting, which was followed by a devotional service conducted by Mrs. Russell McLaughlin. Mrs. Jas. Almond, Mrs. C. E. Burns and Mrs. Lyle Haasward very ably presented a program on Africa. Plans were made to entertain the husbands at a "pot-luck" supper on

June 20 at the McLaughlin cottage, Cavanaugh Lake.

The social hour was devoted to the Guild sewing project.

Hostesses assisting Mrs. Johnson with the refreshments were Mrs. Ted Jarvis and Mrs. Lloyd Keeney.

OFFICE NEWS

School will be closed tomorrow, and will be in session on Friday.

The Junior-Senior Reception will be Friday evening.

JUNIOR-SENIOR RECEPTION

The annual Junior-Senior Reception will be held on May 31, with the dinner being served at six o'clock. Father Laige will offer the grace. The program will be as follows:

Treasurer—Jack Merkel.
Welcome—Ray Knickerbocker, president of the Junior class.

Response—Joan Shutes, president of the Senior class.

Introductions—Mr. Johnson.
Clarinet Solo—Mr. DeMatteis, accompanied by Mrs. DeMatteis.

Address—James Daniels.

Girls' Quartet—Nancy Loose, Wilma Koenigster, Rosemary Hummel, Marilyn Eschelbach.

The music for the evening will be furnished by Nick Jabe's orchestra.

GLEE CLUB CONCERT

The Chorus spent a good deal of time and effort in preparing for the Glee Club, which presented an excellent program.

The quality of the presentation, if not of the program, was the highest of any presented in Chelsea in many a year. For perfection of technique, the equal of the Glee Club has seldom or never been heard in our community.

It is a sad commentary on the musical taste of our citizens that they made such a point of staying away in large numbers. It is embarrassing to the sponsoring organization of such fine talent to find that the audience scarcely exceeds the performers in numbers. It is equally embarrassing for an audience to find itself so small, and to realize that it represents the good taste of the community.

While Chelsea people do many fine things, their reaction to the U. of M. Glee Club concert certainly leaves much to be desired.

THE ELITE

On his birthday, a cold night in January (the eighth-to-be-technical), a young man (old enough though) opened the door to an elderly store who was carrying, of all things, a bay-bee! "What a lovely gift," thought Mr. Lynn Eisenbeiser of 8026 Wilkner Rd., Chelsea, Mich. But he was wrong—it was Norma Jean Eisenbeiser. As we see her now (in spite of all our efforts not to) Jean is 5 feet 8 inches, weighs 128, has hazel eyes, and dark brown hair. The color she likes best is white. (That's what she said, that's what the girl said, she said that). Her favorite movie is

"Gone With the Wind" and for music she likes to listen to The Warsaw Concerto, for food it's apple pie francals (quite the international kid). Her ambition is to "just live a normal life." For instruction, she will attend Ypsi Normal College after being graduated.

She is the daughter of a girl with a far-away look in her eyes, do not be alarmed (it is just Jean pursuing her favorite pastime—day dreaming).

On that windy day, March 13, 1928, she was born in the home of the W. W. Eaton home and left there a little bundle now commonly known as Barbara Eaton. In the meantime the little bundle has grown to be 5 feet 4 inches and to weigh—enough. She has blue eyes and light brown hair. And now, finally, we have come to the subject of her favorite pastime. It is a long time, her favorite is pineapple upside-down cake (just saying it works up an appetite). In the future all her gowns will probably be African-violet blue, because she tells us that this is her favorite color. Her favorite piece of music is "Jalousie" in the unique arrangement of the Boston "Pops" Orchestra. Barb's favorite pastime is listening to Jimmy Durante, on the radio (Jimmy not Barb) or sitting down after dinner not doing the dishes but the heart don't do the latter a long long time. We quote: "My ambition is to become a second O. Henry." She hopes to attend Olivet College come next fall.

FEATURE

Do the girls of C.H.S. know how to play softball?

Catcher: Opal O'Dell, usually very good.

Pitcher: Helen Hankerd, made some very good hits and did some swell pitching.

First Base: Mabel Hale, who turned in one homer which gave Chelsea four runs, and also did some good base playing.

Second Base: Janis Weir, was hitting hard and playing well.

Third Base: Donna Manville made a few hits and errors.

Shortstop: Norma Peterson was fair.

Center Field: Rita Gross was very good.

Right Field: Naomi Gordon was good, too.

Left Field for first three innings: Pauline Schiller, made some errors and got hit.

Last but not least, the girl who played left field the last two innings: Mae Slane, credited with nothing but a good many errors and fifteen of Dexter's runs.

This is what we can't figure out—the score at the end of five innings and the game was Dexter 27, Chelsea 15.

Q.—Do they or do they not know how to play?

A.—Yes, but some of them have a lot to learn.

CHORUS ACTIVITIES

The Men's Glee Club from the University of Michigan presented a program in the local gymnasium last Wednesday evening from 8:00 to 9:30.

They sang twelve numbers, including several excellent solos. After a formal part of the evening they sang a few of the songs of Michigan and some in which the audience also participated.

After the High School Chorus went to the expense and work of securing such an excellent program for the community it is a shame that so few people attended. The program was the best Chelsea has had in several years, and all who went enjoyed it thoroughly.

BASEBALL

Chelsea started with a rather large squad from which Coach Cameron picked his starting lineup. In our first game at Pinckney Coach Cameron started Miller, R. C. Slane, p. Munro, ss. D. Slane, catcher, Hansen, cf. Lewman, 3b, Daniels, 1b, Fopp, rf, Blake, 2b.

The game at Pinckney was a bad defeat for Chelsea; the score was 22-0. Chelsea couldn't seem to hit and the boys made plenty of errors.

Chelsea then went to Dundee and met defeat there, eight innings. Chelsea lost, 10-11. Chelsea had 10 runs on 6 hits while Dundee had 11 runs on 8 hits.

Flat Rock vs. Chelsea was our first home game but still Chelsea couldn't win a game. Chelsea went down fighting with the score 20-8. Flat Rock had 20 runs on 16 hits while Chelsea made 8 runs on 10 hits; two of which were home runs, one by David Slane, the other by Bob Daniels.

Chelsea traveled to Romulus and again met defeat to the tune of 11-8. Romulus had 11 runs on 12 hits and 2 errors. Roosevelt brought 8 runs across the plate on 12 hits and 5 errors.

The big Reds of Milan handed Chelsea a defeat on our own field. Milan scored 14 runs on 12 hits and 7 errors. Chelsea could only bring 10 men across the plate on 8 hits and 5 errors. David Slane hit another home run.

Chelsea played Climax here at home and met defeat to the tune of 10-4. Climax collected 10 runs on 10 hits and 5 errors. Chelsea pushed across 4 runs on 2 hits and 7 errors.

In order to win, Chelsea had to go to Lincoln, where in 9 innings Chelsea won, 5-3. Chelsea collected 5 runs on 8 hits and 5 errors, Lincoln could not score any more than 3 runs on 3 hits and 4 errors.

Chelsea again won by a narrow margin, beating Saline 6-4. In the sixth inning Chelsea scored 6 runs on 6 hits and 4 errors; Saline had 4 runs on 4 hits and 0 errors.

Chelsea again played Pinckney on our home field and tasted victory over them. Pinckney scored one run in the last half of the first, but Chelsea came back to score three in the last of

the opening inning. The game ended with the score—Chelsea 12, Pinckney 7. Chelsea scored 12 runs on 8 hits and 5 errors. Pinckney had 7 runs on 8 hits and 4 errors.

For the first time this year Chelsea played Dexter there. The game lasted four innings longer than regulation seven. Chelsea lost this game 5-4. Knickerbocker started as pitcher and in two innings allowed 4 runs and 4 hits. Hansen then took over and allowed but one run and 4 hits. Chelsea scored their 4 runs in the fourth but did not have one hit. Chelsea scored 4 runs on 6 hits and 3 errors.

SCHOOL CLUB HOLDS BANQUET
About 60 members and friends of the Riemenschneider Community Club gathered at the school on Monday evening, May 20, at 6:30 for a banquet and their regular monthly meeting.

A delicious meal, planned and supervised by Mrs. Lewis Bernath, Mrs. Lawrence Fowler, Mrs. John Lotridge and Mrs. C. Collier, along with the cooperation of the Girl Scouts, was very much enjoyed by all, after which the group listened to Robert Cameron, representative from the Washington County Health Department, give an enlightening talk on the advantages of health and sanitation improvements in the rural schools.

Several duets were rendered by Mr. and Mrs. Wilbur Beaman, and a clever monologue, entitled "Minnie At The Skating Rink" was presented by Mrs. Lulu Sweeney.

Group singing and presentation of a farewell gift to the teachers, Mrs. Wilbur Beaman, followed.

The newly-elected officers for the year, consisting of Maxine Dault, president; Mildred Collyer, vice-president; Fern Milliman, secretary; and Sam Ross, treasurer, were installed.

It was decided some time ago to continue holding regular monthly meetings during summer vacation. The June meeting will be held at the school on June 11.

A good many folks are still waiting for telephones here, simply because we haven't the wire and cable we need to connect their homes with the central office.

We've ordered enough to give service to everyone who is waiting, and that wire and cable is being manufactured right now. But it will be a while before we receive it. Of course, after it does arrive, we'll need time to install it and connect it into the system.

Meanwhile, continuing our all-out effort to install telephones for as many waiting applicants as we can, we are loading our present equipment to the hilt. At the risk of temporarily lowering the quality of service, every telephone, every line, every piece of equipment we can use, is being employed to take care of as many of your friends and neighbors as possible. This policy will be continued until we can give everyone pre-war standards of service or better.

If you are waiting for a telephone, you can be sure your order will be filled in its proper turn as soon as facilities are available.

Durable Blanket
For a shape when laundered, look for a close, even-weave. Hold a single thickness up to the light—you should see tiny, even holes the size of a pinpoint. Gently pull a small bit of the nap between your fingers. If the nap pulls out easily you may know the surface is overnapped and the fiber weak. For the most warmth, the nap should be thick and firm. Winterweight blankets vary from three to five pounds; but weight doesn't necessarily indicate warmth or quality, since poor, shoddy wool sometimes weighs more than good wool.

THIS SIDE OF INNOCENCE

Council May Adopt Milk Ordinance for Chelsea

Dr. Otto K. Engelke, Director of the Washtenaw County Health Department, who is also Chelsea's health officer, has presented a copy of a milk ordinance to the village council.

For the past year the County Health Department and the milk producers of the city of Ypsilanti used the Michigan Milk Ordinance as a basis for working out this present ordinance for presentation to the City Council at Ypsilanti. We had in mind its ultimate adoption in the villages throughout the county. When Mr. Weinberg designed his new plant, precautions were taken so that it would meet fully with the requirements of this ordinance. The West Side Dairy, which is the only other milk distributor of consequence in Chelsea, should be able to meet the standards of this ordinance with very little difficulty.

You will note that the ordinance deals with two principle sections: one section specifies construction and handling requirements for milk in processing and pasteurization plants. As I said before, Chelsea distributors should have no difficulty in meeting these requirements. The other section deals with units of milk equipment and handling on the farm. It is our belief that the producer, farmers who are selling milk to the dairy plants at this time under the ordinance, will find that they have plenty of time under the ordinance to meet equipment and handling specifications. We do not think that the requirements are unreasonable. We are aware of the scarcity of good plants in this area. We certainly would not sponsor anything that would put a farm producer out of business. The goal set for the farm producers in the ordinance is something to shoot at in the future. We are interested in a clean milk produced without frills.

Ann Arbor, Mich., May 25, 1946. M. W. McClure, Publisher The Chelsea Standard, Chelsea, Michigan.

Enclosed is a copy of the milk ordinance which was presented to the Chelsea Council at their last meeting for their review. This ordinance, with minor modifications to suit Chelsea, will be officially presented at their next meeting on Monday, June 3. Several years ago the Department of Agriculture, the State Health Department, Michigan State College,

Michigan Milk Producers' Association, and interested farmers worked out a model Michigan Milk Ordinance to be eventually applied to the entire State. This ordinance was to give milk producers and the health and agricultural agencies an effective yardstick to be used in giving the people a safe supply of milk.

Several years ago the Department of Agriculture, the State Health Department, Michigan State College,

The chief bone of contention in most areas is the provision which outlawed the sale of raw milk or raw milk products. Chelsea is fortunate in its consideration of this ordinance at this time because it has no raw milk outlet in town for milk or dairy products to our knowledge. The council will be able to enact this ordinance without hurting any raw milk producers. We anticipate no difficulty in this respect in Chelsea. With this ordinance in effect, the people of Chelsea, the milk producers of Chelsea, the health authorities—and the Chelsea public officials may be assured a safe milk supply for years to come, with a minimum disturbance of the status of milk distributors and producers as it now exists.

Very truly yours,
Otto K. Engelke, M.D.,
Director.

Osler Advises Planting Of Emergency Pastures

Farmers will find good pastures a big boon to their livestock program this summer, says H. S. Osler, county agricultural agent. Grain feed shortages emphasize the need for good pasture management practices this summer.

Planting of emergency pastures is highly recommended. The practice of seeding sufficient forage crops to meet the needs of the livestock even in the driest of years is good. It will help maintain fertility of the land for if not needed for pasture, the grass may be plowed under for green manure, Mr. Osler says.

Sudan grass is the leading crop for the much-needed July and August pasture. Experiments by Michigan State college and results obtained through the state show it grows well in hot, dry weather and yields particularly a great producer of milk. About one-third to one-half acre is needed per animal unit, seeded in the latter part of May or first part of June with supply forage from early July until frost, the county agent states.

A grain drill set to sow 20 pecks of wheat will seed 20-25 pounds of Sudan grass per acre. It should be ready to pasture in about six weeks or when it is 8 to 10 inches high.

Alfalfa with bromegrass if available is an excellent source of pasture in late July, August and September. To insure good fall pasture, rye can be seeded in August or early September at a rate of about one acre for each animal unit.

The agricultural agent believes every farmer should plan his own program so as to be sure to have enough pasture to take care of possible emergencies in 1946.

I have repeatedly warned motorists about the careless practice of backing up without looking.

Hindsight is as important as foresight. The rear view mirror should be so adjusted that you will always have a clear view of the road behind you. This is not only advisable for truck drivers but also for the passenger automobile.

Many drivers park their car near the curb and leave it for a few minutes. In returning they find that someone has driven ahead of them.
