Open Camp For Epileptic Children

**John Sullivan Farm In
Lyndon Twp. Leased
By Detroit Society**

An entirely new project is being undertaken by the Michigan Society for Epileptic Children, Inc., Detroit, in the starting of a summer camp for children never before allowed such a privilege, on the 240-acre farm in Lyndon township until recently owned and occupied by John Sullivan and his family.

This farm was sold to the Michigan Conservation Department, two years ago for recreational purposes and is well situated for such a project as this. Among its advantages are the location on a scenic road off the main highway, its picturesque sylvan beauty, and the opportunity it will provide for outdoor activities and individual garden plots.

Buildings on the farm are a fifteen room house, two barns, and a corncrib, all of which will be equipped and used in time. Present plans include a hobby shop in one of the barns.

Through the efforts of Mrs. J. Frank Crile, founder and honorary president of the Michigan Society for Epileptic Children, Mrs. John P. Siefert, president, and other members, and the cooperation of P. J. Hoffmaster, Director of the Conservation Department, the society was able to obtain a year's lease on the property, dating from the first of July, and upon its expiration will be given a long-term lease. With this in view, the work of remodeling, decorating and equipping the house was started at once, with special attention being given to safety precautions. This work has all been financed either by gifts or donations, with the committee in charge especially proud of the kitchen with its modern equipment of all new stainless steel cooking utensils, and the stove and hot water tank, the latter two being presented by the Detroit City (C) through the influence of Wm. R. Bernard, a member of the society's advisory committee.

Because the property was acquired so late in the season this year's camping facilities and activities are necessarily limited, but through the untiring efforts of interested officers and members the camp opened this week Tuesday for a three weeks period, with an enrollment of twelve children, all from the White Special School at Lyndon, and the Detroit School for Epileptic Children. The personnel arrived at the camp on Sunday, and include Carlotta Miles, assistant principal of the Epileptic school in Detroit, as camp director, a nurse, counselors, and other staff members.

The purpose of the society in establishing this camp is to promote the welfare of epileptic children and to obtain a place where these afflicted children will have camp privileges and at the same time receive medical attention and proper diet. According to Mrs. J. Frank Crile, this is the first camp of its kind in Michigan but in the United States. Future plans include the building of cabins and outdoor showers, thereby increasing the capacity of the camp to from 35 to 40 children between the ages of 8 to 18 years, and operating with two one-month camping periods—one period for boys and a similar one for girls. At present only residents of Michigan are eligible, but it is hoped that when the camp is enlarged to admit children from other states.

The Michigan Society for Epileptic Children, Inc., Detroit held its first meeting at the home of Mrs. J. Frank Crile on Sept. 29, 1938, with Miss Alice Metzner, Director of Special Education, addressing the group on the establishing of a special school, and the medical and educational program for the welfare of epilepsy victims. The first official meeting of the society took place Oct. 6, 1939 and the club was officially incorporated, with Mrs. Crile as the first president. The camp in Lyndon township will be financed by donations from the members and interested friends, and visitors are always welcome.

SUNDAY SCHOOL HOLDS PICNIC

The Sunday school of Salem Grove church held a picnic Saturday, August 3, at Clear Lake County Park.

Fifty members and teachers enjoyed a pot-luck dinner at one o'clock, with ice cream furnished by the Sunday school for their dessert.

Games and contests were under the direction of the following teachers: Mrs. Albert Schweinfurth, in charge of the beginners; Mrs. Mabel Notton, assisted by her daughter, Mildred, in charge of the primary group; Mrs. Nadine Artz, in charge of the junior class; Mrs. Truman Lehman, in charge of the adult group.

After the games and contests the children went in swimming, and the rest enjoyed an afternoon of visiting with each other.

SELLS PLUMBING BUSINESS

H. E. Snyder announces to the public and to his customers heretofore in the surrounding territory that he has sold his plumbing business to Otto Thum of Chelsea, who took possession last Thursday, and will operate from his home, 710 Taylor street, for the present. Mr. Snyder has been in the plumbing business in Chelsea for the past 30 years, coming here from Ann Arbor.

NOTICE TO FOOTBALL PLAYERS

Skull practice will start Monday, August 12. If you have football shoes, wear them. Bring old clothes. Everyone is expected to be there. C.H.S. athletic field, 1 to 3 o'clock.

Proclamation

I, Walter D. Mohrlock, President of the Village of Chelsea, do proclaim August 14, 1946, a holiday in conformity with the order of Governor of the State of Michigan, Harry F. Kelly, in commemoration of the first anniversary of V-J Day, and to pay honor and tribute to our local service men and women.

Given under my hand and seal this 8th day of August, A. D. 1946.
WALTER D. MOHRLOCK,
President.

With Our Men In Service

Donald K. Schanz, Phm.-3C, received his honorable discharge from the Navy at the U. S. Naval Separation Center at Shoshone, Calif. on July 27, 1946.

He is the son of Mr. and Mrs. Kenneth Schanz, and entered the service July 1, 1944.

He was employed at the Miller fungal home before entering the service.

Veterans Entitled To Training In Agriculture

All veterans interested in farming are entitled to receive training in agriculture and also money allowances of from \$55 to \$90 per month as provided by the U. S. Civil Control Administration. The \$55 per month is for single men, and the \$90 per month for married men.

The veteran should be renting or operating a farm or employed full-time on a farm. The training will include work in part-time or adult agriculture courses, and on-the-job training given by an employer or qualified agriculture instructor.

Since Chelsea is the center of a rich farming area, it is the logical location for a Veterans' Institute offering the above training program. Preliminary arrangements have been made with the Veterans Administration officials and the program can be started as soon as sufficient requests are received and the Board of Education votes approval.

All veterans interested are asked to get in touch with Sup't. Albert G. Johnson or Agriculture Instructor, Marshall F. Richards at once.

Chelsea FFA Will Tour Wisconsin August 8-15

Twenty-three members of the Chelsea Future Farmers' organization will tour Wisconsin dairy regions during the week of August 8-15. They will be accompanied by their adviser, Marshall Richards. Plans include a trip on a car-ferry from Muskegon to Milwaukee. Advance arrangements have been made with the Wisconsin Dairy Farm Bureau for visits to some of the outstanding dairy farms. Several football games with Wisconsin F.F.A. chapters are being planned.

The boys will have tents and cooking equipment and will camp in Wisconsin State Parks. The following are planning to take the trip: D. Barth, Robert Bauer, P. Bolinger, R. Erke, J. Geer, R. Kalmbach, M. Leach, G. Merkel, A. Paul, A. Grau, Dick Schultz, R. Schneider, R. Shanahan, Wm. Bauer, E. Bradbury, R. Carlson, O. Hansen, E. Lattis, D. Liebeck, Wm. Lyons, James Palmer, W. Schulz, W. Tarnack.

ZION LUTHERAN S. S. PICNIC

After the morning service on Sunday at Zion Lutheran church, Rogers Corners, the Sunday school members held their annual picnic on the church lawn, where they were joined by most of the congregation, and all enjoyed a bountiful pot-luck dinner.

The thunder shower which delayed dinner about an hour, only served to increase the enjoyment of the afternoon, not only by laying the dust and clearing the atmosphere, but mainly because everyone was so happy over the much-needed rain, after the long dry spell in this area.

The children took part in the games after the dinner, and later refreshments, with plenty of lemonade, were served.

COUNTIES GET WEIGHT TAX

Ziegler announces the State Highway Department has prepared vouchers for the Auditor General to return \$1,517,090.64 in second quarter weight tax to the counties and cities of the state for use on local roads and streets improvements under Act 84 of the Public Acts of 1915. All weight tax monies are returned to the counties and cities.

The second quarter returns will make a total of \$19,123,224.98 returned in weight tax monies to the local units of government for the first half of 1946, compared to \$13,290,559.88 in the same period last year, a gain of \$5,832,665.10. Washtenaw county receives \$27,650.40 of this fund.

LEAVES FOR WEST

Capt. Paul D. Rogers, who served in the Signal Corps of the U. S. Army with the Ninth Air Force in Europe, received his honorable discharge on June 18, and arrived at the home of his parents, Mr. and Mrs. Dor Rogers, last week Wednesday, where he remained for a week before leaving for a month's vacation at the S. PAPER EARLY NEXT WEEK

Because of the "Welcome Home Day" holiday next Wednesday, Standard will be published Tuesday afternoon for Wednesday morning distribution. All news and advertising copy must be in our office one day earlier than usual.

Plans Near Completion For Aug. 14

**"Welcome Home Day"
Program Will Start
With Parade At 1:30**

After many hours of planning by the chairman and their committees, plans are nearly completed for the "Welcome Home Day" celebration to be held in Chelsea on Wednesday, August 14, and from all indications should provide a real welcome to the returning veterans of Chelsea and vicinity.

The first outward sign of this careful planning was the raising on Wednesday of a banner across Main street, announcing to all this coming event. This banner, 21 feet long and three feet wide, was made by Carl H. Swickerath, who willingly donated his time and skill to help make this community project a success.

Among the highlights of the day's activities will be a vaudeville program to be presented in the business district during the evening. This program will feature some of the vaudeville acts that were presented at the Automobile Golden Jubilee held in Detroit along with the famous Ernie Lee Hillbilly Band from radio station WJR in Detroit. A street dance will follow, with music furnished by a Grass Lake orchestra.

The afternoon program will consist of a parade, led by the Chelsea Public School Band, starting from the business district and ending at the athletic field, where there will be a VETERANS' "Turn out in uniform" August 14 for the parade. It will help to make this a memorable occasion. Reserved seats at athletic field for all of you.

welcome to veterans, and a memorial service, followed by a band concert. Contests, such as tug-of-war, bag race for boys, horseshoe pitching contest, potato race, greased pole contest, and softball throwing contest, will be held for all ages, and there will also be a baseball game between the Chelsea and Dexter teams of the Tri-County League. Cash prizes will be awarded the winners in the contests at the field and for special features in the parade.

At 3:30 a group of P-47 Thunderbolt planes from Selfridge Field will circle the athletic field and give a short demonstration of pursuit plane flying.

In the evening, in addition to the dinner for members and their families, there will be a softball game at the athletic field, featuring the V.F.W. team and a group of selected All Stars from Chelsea.

Members of the V.F.W. and American Legion Auxiliaries will serve refreshments at the athletic field during the afternoon and in the business section during the evening.

A detailed account of the entire program will appear in the next issue of The Standard, which will be published on Tuesday of next week.

Justing places of Chelsea are closing for the day, with the exception of restaurants and ice cream parlors. This is a splendid opportunity for each and every person to show an appreciation for the efforts of our veterans of World War II, and a record turnout of citizens from Chelsea and vicinity is anticipated. Set aside the afternoon and evening of August 14th for the Big Welcome!

The final meeting of the executive committee and all committee chairmen will be held at the Municipal Building at 8:00 o'clock on Friday evening, August 9.

CHS Band To Present Last Concert Saturday

The last of the summer concerts by the Chelsea High School Band, conducted by Vincent Demetris, will be presented Saturday evening, August 10. The program will consist of the following numbers: "New Colonial"—March. "King-Arthur"—Overture. "Bells of St. Mary's"—Meditation. "Overture of 'The Day'"—March. "Will You Remember?"—Selection. Closing Number—March.

GAS TAX MONEY DISBURSED

Lansing.—Vouchers for the return of \$1,275,000 in gas tax monies to the counties and cities of the state for use on local roads and streets as prescribed in Act 8 of the 1934 special session have been sent to the Auditor General by the State Highway Department, Highway Commissioner Charles M. Ziegler reports. Each year \$5,750,000 of gas tax money is returned to the counties and cities for such use, the rest being retained by the State Highway Department as its sole source of revenue. Washtenaw county receives \$23,063.05.

HOME FROM HOSPITAL

George Webb, who was a patient at St. Joseph's Mercy hospital for a week due to injuries received in an accident near his home, returned to his home at North Lake on Thursday. The Webb's daughter, Mrs. Fred Janko, with her husband, of South Lyon spent Friday with her parents, and Saturday callers were Mr. and Mrs. Joseph Morris and son Alfred of Ypsilanti, Herschel Watts and Mrs. Harold Stewart of Jackson called on Friday, and on Sunday, Mr. and Mrs. Floyd Beams of Dearborn were visitors at the Webb home.

The Limanecers, with their families, numbering about twenty-four persons, enjoyed a pot-luck picnic supper at Clear Lake County Park on Sunday evening.

CLUB 15 DANCE

By Club Reporter
We really had a big crowd at our dance last Friday. Everyone seemed to be enjoying themselves to the full.

est. There seemed to be that something in the air that makes a good dance good. We had very little trouble with the bugs. It must have been that good dose of DDT. In case you don't know what DDT stands for

I'll tell you—it stands for "The Dead Don't Talk."
Yes sir—everyone had such a good time at the dance that the north side of the gym gave way. Now there's a huge hole there. If you don't believe me—just drop around the school and you'll see the repair men hard at work.

There was a number of youngsters at the dance. Kenny made waves by enjoying himself while Hamp's Boogie was cutting loose. I saw a couple sitting in a dark corner—so I stuck out my left ear and listened close. The conversation went something like this:
She: "Aw, come on, just once, please."
He: "Aw shucks, there's too many people looking."

She: "Just forget them—after all, you're with me, not with them."
He: "No, but I wish I were."

She: "Oh, so now you can't stand my face. Well, listen here you so-and-so—good for nothing—if I had a face like yours I'd wear a mask with a plastic face over that."

He: "I didn't say a thing about your face."
She: "Oh, so you think I'm long-legged—listen here you (please, lady, watch your language, we're at a public dance)—if I were as long-legged as you I'd get a job pushing up those clouds that have been buzzing around your head for the past two weeks."

He: "Yeh, but if you hadn't given me that stuff the Fourth of July—"

And on went the conversation. Just think, folks, all she wanted was one little dance and look at all the trouble they went through just to find out that he couldn't dance.

Well, folks, next Friday—rather tomorrow, Jerry Edwards and his orchestra are going to be down at the local gym and every single one of you are invited down. If you're an old maid come on down and find yourself a man. If you're an old bachelor,

come on down and find yourself a woman. If you're only a kid, come on down anyhow and we'll find your Ma and Pa for you.

The music will be out of this world, but if you're out of this world you can forget to come down because we don't want any drunks on our hands. Come on folks, get together with your friends and decide to come down to the C.H.S. gym and put in a good night of enjoying yourselves.

And so I leave you this week and together we will leave Harry Juke Box and his orchestras in the past. We will consider him as a memory of all that has happened this summer.

When you think of The Chelsea Standard you think of paper—when you think of paper you think of fire—when you think of fire you think of a hot time—you'll think of Friday night, August 9 at Chelsea high school gym, 9 o'clock. You see what thinking did—well, quit thinking about it and do something about it.

Baseball News

By Bill Schatz

The Chelsea Independents threw a ninth inning noose around the Fowlerville team Sunday and dragged them into the Old Corral, 2 to 1.

Box score—Chelsea: 2 runs, 7 hits, 1 error. Fowlerville: 1 run, 6 hits, 3 errors.
Batteries—Chelsea: Ed Miller, Jr., pitcher; Dick Hoelzer, catcher. Fowlerville: P. Voght, pitcher; C. Curtis, catcher.

Going into the ninth it was one all so you see, boys and girls, it was a good ball game. Yes, and it was anybody's ball game. Chelsea got a man on third, then the Old Master Mind Ed Miller says "Look boys, this is where we go down into the bag and bring one out." So out came the squeeze play—it's a dangerous play, but when you're for another hit, dandy! The batter is ordered to bunt, forcing the catcher to field the ball, which is exactly what happened and in raced the winning run. You know, one of the Fowlerville guys had the audacity to try and steal home on Ed, Jr. and Richard the Lion Hearted "Dick Hoelzer." May he rest in peace—they nailed him flat about four feet from home.

Highlighting the Chelsea batters was Stan Pollett, who featured his afternoon performance with a triple; he also connected for another hit, making it two out of four. Fowlerville's leading hitter was L. Haarer, who also solved Ed, Jr. for two safeties.

Next Sunday, Aug. 11 we are after those Brightoners again, taking them on in Brighton Woods. Each have a win. Brighton, look out, here we come. Batter up—let's go!

CARD OF THANKS

I wish to thank the members of the Ladies' Aid, the Pleasant Lake Grange, my neighbors, friends and relatives for the many acts of kindness shown me during my illness. I would also like to thank my neighbors and friends for remembering my birthday. All was deeply appreciated. Mrs. Louis Kuhl.

Hum-m-m-m

Hum?

Hum!

The "hum-m-m-m" means "Number, please?"

WAIT UNTIL YOU HEAR IT BEFORE YOU DIAL

When you dial before you hear that steady hum-m-m-m of the dial tone, chances are you'll get a wrong number—or no number at all.

These days, there may be a brief delay before the dial tone begins. That's because the central office dial equipment at times is so overloaded that it can't always handle every call instantly.

You see, we're temporarily crowding present facilities to the hilt to provide service for as many waiting applicants as we can, as fast as we can.

So remember—always wait for the dial tone before you begin to dial. You'll get better service... and you'll avoid tying up vitally needed switching equipment.

Thank you!

RIEMENSCHNEIDER REUNION
Approximately forty members and friends of the Riemschneider family met at the home of Mr. and Mrs. Lawrence Riemschneider, Park St., on Sunday, August 4 for their annual reunion.
A pot-luck dinner was served at 1:30 o'clock and all guests were still seated at the tables. Rev. H. W. Lenz of Detroit, former pastor of Salem Grove church and friend of the family, addressed the group on the advantages and benefits of compiling a permanent family record. This idea was suggested by Lawrence Riemschneider several years ago.

Substitute Fats

You can substitute most hydrogenated fats (these are the creamed vegetable shortenings sold under various brand names) measure for measure for butter or margarine in recipes. In using unsalted fats in place of butter or margarine, however, add a little extra salt, about a fourth teaspoon to each half-cup of fat.

Control Dogs and You Will Control the Rabies

Controlling rabies is merely controlling the dogs. But Dr. B. J. Killham, extension specialist in animal pathology at Michigan State college, says controlling dogs is not so simple. Sentimental consideration for dogs and other factors interfere with well-intended quarantine restrictions, dog ordinances, and regulations.

While most species of animals, including man, may become infected the spread of hydrophobia is usually through the dog. It is not necessarily a seasonal disease, but it is more prevalent during warm weather because then the dogs travel most. Dr. Killham contends that rabid animals may not develop rabies for weeks or even months after introduction of the virus, Dr. Killham explains. By that time the dog may be many miles from the location where infected. He then carries a sample of his own "Dr. Killham says rabies spreads through dogs travel as far as 60 miles while engaged in biting animals and persons.

Dr. Killham tells of a vaccine that has now been developed which will protect most dogs for a period of about a year after one treatment. Control of rabies, however, will never be effective until the movement of dogs is restricted; stray dogs eliminated; dog laws, ordinances and regulations obeyed and due regard given to dog quarantines.

"If the disease kills a child, that is a tragedy which we must charge to our own unwillingness to comply with sane, even though irksome, restrictions," Dr. Killham insists.

Large Fox Population Part of National Trend

Lansing—Michigan's present high fox population is no local problem but part of a national trend. D. F. Switzenberg of the conservation department's game division has confirmed by correspondence with 18 other states in the red fox's range.

Fifteen of these states reported more foxes than 10 years ago, and only two reported a decline in numbers in the decade. In the last year, however, five states reported a decrease and seven no further increase, indicating the population has begun to level off in some parts of the fox range.

States having long experience with foxes (Vermont's dates back to 1724) have no state bounties, and 72 percent of the game officials consulted believe bounties to be ineffective as a means of control. South Dakota, which has had red foxes only since 1920, pays the highest state bounty—\$7.50.

Only five states employ a trapper-instructor system like Michigan's, most of them rely on bounties. Bait values vary widely, averaging \$5 for the better skins. In five states—Oklahoma, Missouri, Illinois, Maine and Vermont—Switzenberg found the fox enjoys the protection of a closed season.

ROCHESTER—In view of the shortage of lack of building material, Rochester has added a new subdivision called Hillcrest Subdivision No. 2 to its steadily increasing home sites. Ground has already been broken for several new homes which will be restricted to veterans only.—Argus.

BRIGHTON—A committee has been appointed to decide the kind of permanent monument to both World War I and World War II veterans that should be erected in the city. The greenest honor roll on the corner of Grand River and Main St. is being removed. Before dismantling was begun the Brighton Studio secured photographs of the entire honor roll, and also of each section of the board, thus obtaining a permanent record of the names, as well as the appearance of the wartime honor roll.—Argus.
