## Heart Attack Fatal To W. E. Riemenschneider

The entire community was shocked Friday afternoon to hear of the sudden death of Wilbur Riemenschneider, the result of a heart attack.

Due to the fact that he was at work on an electric light pole at the time of his death, an erroneous report that he was electrocuted gained wide circulation before it could be corrected.

Mr. Riemenschneider and his son, Richard, both employees of the Chelsea Electric and Water Department, were at work on a pole at the rear of the property between the Riemenschneider and Clarence Dietle homes, where one of the electric light company's transformers is located, when son Richard, who was working on the pole, fell and died before he could be helped to the ground.

Mr. Riemenschneider was employed by the light company the past 24 years, and through his work was acquainted with almost everyone in Chelsea and the surrounding community. Because of his good-natured humor and the accommodating manner in which he carried out his work, with always a cheery word for everyone he met, he probably had made more friends than any other person in Chelsea.

Wilbur Edward Riemenschneider was the son of Edward and Matilda Benter Riemenschneider. He was born Feb. 27, 1895, in Minneapolis, Minn., and came to this community when he was four years old. He was married to Ruth Wark, in Esplanade, on Aug. 27, 1918, and they have lived in Chelsea since his discharge from the Navy in 1919.

He was a seaman, first class, and served 14 months with the Navy at Great Lakes, Ill., during World War I. He was a member of the Herbert J. McKune Post 31 of the American Legion and was also a member of the Chelsea Methodist church.

Surviving are his wife, three daughters, Mrs. C. W. Scott, Birmingham, and Grace and Esther, at home; a son, Richard, of Chelsea; his mother, of Detroit; a brother, Herbert, of Detroit; and a sister, Mrs. James Moulds, Detroit; an uncle, Theodore Riemenschneider of Sylvan; two aunts, Mrs. Louise Gussman and Mrs. Lydia Fryer, both of Westland, Washington; and two nephews, Douglas and William Riemenschneider, Detroit.

Funeral services were held at 2:30 Monday afternoon at the Miller funeral home, with Rev. Everett R. Major officiating. Burial was in Oak Grove cemetery, where graveside services were conducted by the Herbert J. McKune Legion Post.

**St. Paul's Ladies' Aid  
Meets In Church Hall**

St. Paul's Ladies' Aid Society met at the church hall Friday afternoon at 2 o'clock for the September meeting.

Mrs. F. H. Kraft led the devotions and the responsive reading which was called "National Righteousness and International Peace."

The program, which was in charge of Mrs. Alvin Vail, was as follows: Hymn—"O Beautiful For Spacious Skies."

Presentation of the topic for the month, "The Christian As a Citizen"—Mrs. Carl Mayer.

Reading—"Prayer"—Mrs. Adolph Duerr.

Hymn—"We Would Be Building."—Prayer—Mrs. J. N. Strieter.

Mrs. Martin Miller, who attended the Sectional Guild Conference at Elmhurst College, Elmhurst, Ill., July 30 to August 2, as a delegate representing St. Paul's Women's Auxiliary, was a guest at the meeting and gave a very fine report on the conference.

She stressed the fact, brought out at the conference, that each church having more than one women's organization should work toward combining them into a single organization if it were at all possible to do so.

St. Paul's has two women's societies, this suggestion was of special interest, and the subject was discussed at some length.

Mrs. Fred Seitz and Mrs. Waldo Kuester were appointed delegates, and Mrs. John Osterie, alternate, to attend the Michigan-Indiana Synodical Women's Guild Conference at Bethlehem church, Ann Arbor, from Tuesday until Thursday of this week.

At the close of the meeting, a delicious lunch was served to seventeen members and four guests by the September refreshment committee, Mrs. Alvin Niehaus and Mrs. Carl Mayer.

**FAREWELL PARTY FOR NOLLS**  
The Oddfellows and Rebekahs honored Mr. and Mrs. Louis Noll at the Municipal Building, which was attended by about fifty guests.

A pot-luck dinner was served at 6:30, after which cards and bingo games furnished the entertainment for the evening.

On behalf of the Oddfellows and Rebekahs, Mrs. Dorovan Sweeney presented the Nolls with a blanket as a remembrance of the occasion. Mr. and Mrs. Noll expressed their thanks, promising to return to Chelsea if a building should become available for them.

**BUY WAYSIDE GRILL**  
Sera Widman and Katie Collins, who have been employed at Schneider's Wayside Grill since February, have purchased the business from Mrs. Neval Schneider, and took possession on Saturday, Sept. 7. They announce that they will specialize in southern fried chicken and other regular dinner menus.

**PAST MATRONS' CLUB**  
The Past Matrons' Club met at the home of Mrs. Otto Luick on Wednesday, September 4, where twelve members were served a pot-luck dinner at 1 o'clock, and spent an enjoyable afternoon.

## With Our Men In Service

T-Sgt. K. R. Platt was inducted into the Army on August 25, 1944 at Ft. Sheridan, Ill., and was sent to Camp Roberts, Calif. for his basic training.

On Feb. 17, 1945 he was sent overseas, going first to the Hawaiian Islands, and from there to Saipan and Okinawa. On Oct. 1, 1945 he went to Japan where he served with Headquarters Detachment 519, M.P. Brigade in the Motor Battalion.

He received his honorable discharge at Ft. Sheridan on Aug. 25, 1946 and returned to his home here.

Sgt. Platt is the son of Mrs. Harriet Platt and the late Kenneth Platt.

## Local 4-H Members Do Well At Lansing Show

The State 4-H Club Show held last week at Michigan State College, East Lansing, has been declared to be the greatest in the history of 4-H Club work. Livestock entries alone numbered 1,500 and champions were crowned in many events.

Fifty-one head of livestock belonging to Washtenaw county 4-H members were exhibited at the State Show. Those from the vicinity of Chelsea, with a list of their placings, follows:

Stanley Toney—Grand Champion, Black Top ram.  
Arlene Haist—Reserve Champion, Black Top ewe.

Audrey Coy—Grand Champion, Lincoln ewe.  
It is interesting to note that this was Audrey Coy's first year in sheep club work. She is a member of the Alma Shepherd's Club, which has Charles Downer for leader.

Linda Bradbury—Reserve Champion, Lincoln ewe.  
Doris Haist—Second, Corriedale ewe.

Robert Toney—Grand Champion, fleeced.  
Robert Breuninger—Reserve Champion, fleeced.

Rudy Zahn, Jr.—Eleventh—Senior Yearling Heifer, Holstein-Friesians.  
Kenneth Proctor, Jr.—Thirteenth—Senior Yearling Heifer, Holstein-Friesians.

Oscar Barois—Thirteenth—Senior Heifer Calf—Holstein.  
Richard Barois—Third—Red Polled calf.

Henry Notten—Third—Jersey heifer.  
Other exhibitors of sheep from this area were James and Keith Bradbury, Dean Coy, Billy Nixon and Phyllis Breuninger.

In the home economics division, Doris Downer received a blue ribbon for her exhibit in the General Foods cake contest, and Kathryn Breuninger received a blue ribbon for her advanced canning vegetable exhibit.

## First Football Game To Be Played September 20

By High School Reporter  
Our football season opens with the reopening of school. This year we have approximately fifty fellows out for practice, which sounds as though Chelsea will be well represented. And, too, all of the home games will be played under lights. Our first home game is with Parma on September 20. The starting line-up for the game is as follows:

Left End ..... Bob Daniels  
Left Tackle ..... Jack Wellintz  
Center ..... Mark Grafson  
Right Guard ..... Laverne Hailey  
Right Tackle ..... Don Barth  
Right End ..... Don Baldwin  
Quarterback ..... Ray Knickerbocker  
Left Halfback ..... Doug Vogel  
Right Halfback ..... David Slane  
Fullback ..... David Slane

The students will be out cheering for these fellows, but that is something expected. How about the townspeople? Will you join the cheering section too?

## HONORED AT DINNER

Miss Agnes Czaplak was honor guest at a graduation dinner on Sunday, Sept. 1 at the home of her parents, Mr. and Mrs. Jos. Czaplak, celebrating her graduation from Foote Memorial hospital, Jackson, on Aug. 29 of the hospital and tables were elaborately decorated in bronze and lavender, the class colors. Table decorations included bronze candles in crystal holders at either end of a centerpiece arrangement of lavender gladioli. Suspended over the tables in large bronze letters were the words "Good Luck," which expressed the sentiment of the sixty guests present from Jackson, Grass Lake, Flint, Detroit, Bay City, Canada, Romulus and Selfridge Field, Mt. Clemens.

## HAY FIELD BURNS

The Chelsea fire department was called to the Veri Pouty farm on Cavanaugh Lake Road Wednesday, where about a quarter of the hay field was burned. The Pouty children, playing in a back field with matches they had found, accidentally set the fire, which spread rapidly. Henry Orthing and Richard Poor, who happened to be passing at the time, stopped and helped the fire department put out the fire, which was brought under control before any damage to buildings resulted.

## TWINS DOING FINE!

J. W. Protz, who resides at 375 Freer Rd. reports that one of his registered Guernsey cows gave birth to a fine pair of bull calves on Saturday, Sept. 7. He also reports that the mother and sons are doing fine.

Mr. and Mrs. Protz purchased the Elba Gage farm in June, moving here from Cleveland.

## Former Resident Killed In Automobile Accident

Mrs. Samuel Schultz of Coldwater was instantly killed Monday evening when a car driven by her brother, George Bacon, of Ft. Wayne, Ind., turned over on US-12, a mile and a half east of Jackson, throwing her out of the car. Mrs. Bacon, who also was thrown from the car, was taken to Foote hospital, Jackson, with a broken arm and a deep cut on her knee. She was also suffering from shock.

Mr. Bacon was badly shaken up. Mr. and Mrs. Bacon had been in Chelsea on Monday to attend the funeral of Mrs. Bacon's aunt, Mrs. Martha Cole, and Mrs. Schultz had accompanied them here and spent the day with her sister Mrs. H. C. Schneider. They left Chelsea about 5:30 and the accident happened about 30 minutes later.

Mrs. Schultz was the former Anne Bacon, and was the oldest daughter of Jacob and Eliza Hook Bacon. She was born in Chelsea on Oct. 4, 1875, and spent her girlhood years here. She graduated from Chelsea high school in 1895 and was also a graduate of the Michigan State Normal College at Ypsilanti, and taught school in Jackson and Coldwater before her marriage to Dr. Samuel Schultz of Coldwater on March 18, 1905. They have lived in Coldwater since their marriage.

She is survived by her husband; one daughter, Mrs. Allan Rosshaw, of Three Rivers; two sons, Richard of Grand Rapids, and George S. of Detroit; two grandsons, Peter and Samuel Schultz, of Detroit; four sisters, Mrs. H. C. Schneider, Chelsea, Mrs. Fred Decker, Detroit, Mrs. Harris Fletcher, Urbana, Ill., Mrs. N. E. Phelps, Coldwater; five brothers, Ben of Detroit, George of Ft. Wayne, Ind., Reynolds, Farmington, Donald, Tucson, Ariz. and John, of Empire.

Funeral services will be held at 3 o'clock Thursday afternoon at the McConkey funeral home, Coldwater.

## Championship Is Won By Fowlerville Team

By Bill Schatz  
Fowlerville won Sunday by an eyelash—well by a couple of eyelashes, 4 to 2—so ends our first season of county baseball, with Chelsea finishing a very good second.

I'll bet the Fowlerville warriors knew they had their feathers ruffled before the final out. After that hectic first inning when Fowlerville did all their scoring, it settled down to a fine exhibition of craftsmanship for both teams.

The locals left men on the bases several times—we were affected, however, with a drought on hits at the crucial times. Both hurlers were miserably with hits, each allowing only four.

Oh well, shucks, if you've got to lose it's nice to lose to a good winner, and our afternoon opposition was all that. So now Fowlerville wears the belt, the crown, the halo, or what have you, which goes with being the champs.

Wasn't that a swell crowd, folks? Sure, a fine turnout for the old ball game. Seemed like the weather was going to weep for awhile and I could hear someone humming "You Better Dry Your Eyes" and by gosh it did just that. Thank you, Mr. Weather Man.

So boys and girls, our season closes and we are all glad you folks liked our Sunday afternoon get-togethers. Next year we are planning 'em bigger and better.

We want to thank all the players who took part their only pay, folks, was the thanks we gave them and their own personal love of the grand old national game. So until the next season let's remember that Sportsman's Anthem, "Take Me Out To the Ball Game."

The public address system at the field on Sunday was furnished through the courtesy of Al Gieske.

Box score:  
Fowlerville—4 runs, 4 hits, 2 errors.  
Chelsea—2 runs, 4 hits, 1 error.

Senior Grade ..... 54

Total ..... 555

## ENTERTAIN AT LUNCHEON

Mrs. L. T. Freeman and Mrs. L. P. Vogel entertained twenty guests at a one o'clock luncheon Friday at the home of Mrs. Vogel. Out-of-town guests were Mrs. Charles Martin of Ann Arbor and Mrs. Bert Turnbull of Tecumseh. Bridge was the diversion of the afternoon, with five tables in play, Mrs. E. J. Quirk receiving high prize, Mrs. Eva Cummings receiving second, Mrs. Walter Kantlehner, third, Mrs. F. W. Morke, consolation, and Mrs. Charles Martin, the traveling prize.

Mrs. Clarence Dietle was called to Morenci by the death of her father, Clarence C. Beatty, Monday morning. Mr. Beatty would have been 95 years old in December. The funeral was held Wednesday afternoon.

Thursday, September 7, 1922  
Chelsea public schools opened on Tuesday with a total enrollment of 892, of which 132 pupils are attending high school.

The Michigan Portland Cement Co.'s plant at Four Mile Lake started operation in every department on Tuesday. The plant has been closed about a month on account of a coal shortage.

Abner A. Van Tyne died at his home, corner of Main and South streets on Wednesday. Mrs. Hattie Northrop is a sister.

Joseph Kolb died at his home on Grant street, Sept. 2, from a lingering illness of several years' duration. He came to America from Alsace-Lorraine at the age of 19. On June 17, 1880 he was united in marriage with Catherine Barthel. Survivors are the wife and two sons, William and Francis; two daughters, Mrs. Mary Steele and Mrs. Cecelia Sullivan, and two grandchildren.

Almarie Alice Whitaker and Kenneth E. Rowe were united in marriage at the home of the bride's mother, Mrs. Lina Whitaker, at 6:00 o'clock Saturday evening, in the presence of about 100 guests. Rev. Carl Bertel was the officiating clergyman.

Wm. Thomas has sold a piece of land 66x100 at the corner of Main and Buchanan streets to E. A. Tisch. Mr. Tisch will start work on the erection of a modern garage as soon as material can be placed on the ground.

Don't Groan...

Wait for it  
before you phone

SOMETIMES, when you lift the receiver, you may experience a brief delay before you hear the steady hum of the dial tone.

It doesn't necessarily mean your line is out of order. It's just that all the central office dial equipment is momentarily in use.

These days, the telephone system is serving more telephones and handling more calls than ever before.

At times the heavily loaded equipment can't handle all the calls folks want to make.

So please wait a few seconds until you hear the dial tone—then dial your number. Otherwise you'll get a wrong number or no number at all.

As soon as enough additional switching equipment can be installed, telephone service will be better than it has ever been.

## CELEBRATES 53RD BIRTHDAY

Jacob Lehman was very pleasantly surprised Sunday when twenty-three relatives arrived, bringing a fine dinner with them, to help him celebrate his eighty-third birthday which occurred on Saturday. There were two beautiful birthday cakes—one baked by Mrs. Clarence Wurster of Saline, and the other purchased especially for the occasion. Mrs. Wurster also brought a lovely bouquet of snapdragons from her own garden.

The affair was arranged by Mrs. Nettie Maute of Grass Lake, a sister of Mr. Lehman, and Mrs. John Bruestle of Sharon, a sister of Mrs. Lehman.

The guests included Mrs. Nettie Maute and family of Grass Lake, Mrs. John Wurster and Mr. and Mrs. Clarence Wurster of Saline, Mr. and Mrs. Elmer Maute of Francisco, Mr. and Mrs. Lloyd Biemenschneider of Clear Lake, Mr. and Mrs. John Bruestle and family of Sharon, and Mr. and Mrs. Karl Lehman and family of Brighton.

Mr. Lehman received a number of gifts at the celebration Sunday, and was also remembered with cards and gifts from his many friends and neighbors.

## DEATHS

Mrs. Martha L. Cole

Mrs. Martha Louise Cole, 82 years old, who was the widow of John B. Cole, a Chelsea businessman who died here Sept. 20, 1942, died Friday forenoon, Sept. 6 at the home of her daughter, Mrs. Faye Palmer after an extended illness. Mrs. Cole had been at the home of Mrs. Palmer the past two years.

She was born Feb. 25, 1858 in Eaton Rapids, and on Nov. 10, 1877 was married to Mr. Cole, of Tonawanda, N. Y. They came to Chelsea in 1887 and remained here, where they observed their 54th wedding anniversary on Nov. 10, 1941.

Mrs. Cole was a life member of the Order of Eastern Star.

She is survived by the daughter, Mrs. Palmer; a granddaughter, Mrs. John V. Copren, and a great-grandson, John V. Copren, Jr., all of Chelsea.

Another daughter, Mrs. W. A. Begole, also of Chelsea, died in 1944.

Funeral services were held at 2:00 o'clock Monday afternoon at the Staffan funeral home, with Rev. W. H. Skentelbury officiating, and burial took place in Oak Grove cemetery.

## Darlene Armstrong

Darlene Armstrong, the five-week-old daughter of Mr. and Mrs. Irwin Armstrong of Jackson, died Thursday, Sept. 5, in Foots hospital, Jackson. Mrs. Armstrong is the former Helen West, daughter of Lyman West. Survivors are the parents.

The funeral was held at the Staffan funeral home here at 2 o'clock Sunday afternoon, Rev. E. R. Major officiating, and burial took place in Maple Grove cemetery, Sylvan Center.

## Gustave Frederick Schmidt

Gustave Frederick Schmidt, of Detroit, died suddenly at his summer home at Sugar Lake on Tuesday, Sept. 3. Mr. Schmidt, who was 75 years old, is survived by his wife, Ella. The body was taken to Detroit for funeral services and burial.

## PERSONALS

Greyhound fares  
are as low as  
in Pre-War Days!

**IT'S TRUE!** That upward spiral of price rise hasn't so much as budged Greyhound fares. They have remained normal—just as low as before the war days. This is more remarkable too, since costs and maintenance of operating bus lines have risen sharply all along the line.

How does Greyhound do it? Well—it's no trade secret. The backbone of Greyhound Lines formula for success is more and better service to more people. Expansion and augmented service : : : thorough maintenance and efficient operation of equipment have all combined to hold the line on bus fares.

Your travel dollar really buys more today than ever before in bus line transportation. And when Greyhound's orders for new buses are filled, your dollar will buy even more in comfort, convenience and better bus service.

## Farmers Show Interest In Irrigation of Crops

One way to measure the intensity and spread of the July and August drought is to see the number of inquiries concerning irrigation coming into the department of agricultural engineering at Michigan State college, Frank W. Peikert, specialist on irrigation, says some farmers want to know where they can get equipment "right now to save my crops" and others take the more logical view of looking into irrigation for the future.

"Equipment purchase is possible, but still difficult," is the way Peikert answers the question about the availability of pumps, motors, engines, pipe and accessories necessary.

He urges that the farmer considering irrigation for next year start now to make his plans. Where high-valued crops are being produced, irrigation is paying good dividends. In dry years a system may pay for itself in one season. Even in seasons of normal rainfall, an irrigation system usually shows good returns on investment.

Special crops with a high dollar per acre yield such as berries, potatoes,

beans, tomatoes, truck vegetables, nursery stock, bulbs and flowers, and in some cases orchards, can use irrigation. Such irrigation usually produces higher net profits per acre through higher yields of better quality products.

"If a farmer is interested in irrigating some of his crops, he should contact someone who knows how to work out his needs for a pump, water supply, motor or engine. It is not a project the average farmer can go into without some technical advice," Peikert warns.

County agricultural agents or the department of agricultural engineering at Michigan State college can be of assistance to farmers interested in irrigation. Peikert also says that concerns handling irrigation supplies can offer such advice.

**Eggs and Tuna**  
Here's a way to combine hard cooked eggs and tuna fish. Add three-fourths cup flaked cooked tuna fish to the flour shortening mixture of a standard drop baking powder biscuit recipe. Then top the savory golden brown biscuits with a mustard flavored white sauce studded with hard cooked eggs.

## Parents Are Reminded Of Dangers of Disease

With the opening of school only a few weeks away, Dr. William DeKleins, State Health Commissioner, reminds Michigan parents to have their children protected against diphtheria, smallpox, whooping cough and

"We do not want children to enter school without this protection," said Dr. DeKleins. "The dangers are too great. The opening of school brings children from widely separated areas into close contact. This means a greater possibility of exposure to these diseases."

"Parents should not wait until the last day or two before school opens to have their children immunized. They should do it now because it takes several weeks for immunity to build up."

For those youngsters who have been vaccinated for these diseases during infancy, it is recommended that they have single or booster doses for all four. Children who have never been immunized should be given the full series of preventive treatments.

## Large Number Finish Correspondence Study

Ann Arbor—Nearly 2,000 Michigan citizens completed University of Michigan courses during the past year without ever visiting the campus, statistics of the Correspondence Study Department show.

A total of 1,842 persons enrolled for 2,296 courses by correspondence, receiving their lessons by mail from regular instructors in the University's Extension Division.

The University offers both college and high school credit courses and

Mrs. Berenice H. Lee, director of the Correspondence Study Department, said the world are taking advantage of correspondence work given by the University through the United States Armed Forces Institute. The University of Michigan ranks among the top 12 colleges of the country in its enrollment of military students.

Most popular high school and college courses last year were mathematics, English and history, while the most frequently requested non-credit courses were photography, insurance and journalism.

Corn Production

Mid-west farmers produce and harvest corn with about seven man hours of labor an acre.

## Big Hunting Season Is Anticipated This Year

Lansing—Preparing for the biggest hunting season since before the war, the conservation department next week will begin the mailing of 1,288,100 licenses, 147,000 more than last year. Back tags, game law digests and seals are being shipped with the licenses, and all 2,500 of the state's license agents are to be supplied by mid-September.

In this second postwar season, the first in which former servicemen will participate in great numbers, conservation officials are without a "yardstick" for accurately forecasting the number who will go gunning in Michigan for small game and deer. First

estimates of fishing pressure this season proved too conservative, and an original printing order for 750,000 licenses had to be boosted during the season to 879,000. The 10 types of licenses and the numbers to be mailed, beginning August 28, are: resident hunting, 800,000 (\$5,000 more than last year); non-resident hunting, 18,000; north non-resident hunting, 9,000; resident deer hunting, 375,000 (50,000 more than last year); non-resident deer hunting, 20,000; non-resident bow-and-arrow, 10,000; non-resident bow-and-arrow, 1,000; trapping, 50,000; camp permit, regular deer season, 10,000; bow-and-arrow camp permits, 100.

Standard Liners Bring Results

By GENE ALLEMAN

Hottest issue in the forthcoming election campaign is proposal No. 2, the sales tax diversion amendment to the state constitution.

If this amendment is adopted by voters on Nov. 5, Michigan public schools will receive approximately \$100,000,000 a year in state money. They now get \$100,000,000.

The Michigan Education Association has done a neat flip-flop on the question. Originally, officials, condemned roundly the tax diversion amendment; last week the association's governing board went on record as favoring it. A vigorous campaign will be waged to woo the voters.

This proposal is the outcome of legislative demands made by mayors of Michigan's leading cities for a split of the Michigan sales tax.

When upstate legislators united in resisting the big city municipalities, strategists decided that other interests must be incorporated into the plan. A coalition would break the upstate ranks.

Hence initiatory petitions were circulated in leading cities, calling for the submission to the voters on November 5 of the following amendment to article ten of the Constitution:

"Shall one cent of a levy on each dollar of sales under state sales tax on the present base be returned to cities, villages, townships and school districts; half apportioned per capita among cities, villages and townships according to county populations, and half apportioned to school districts on basis of the primary school census; and in addition annual grants be made school districts from general funds in ratio to sales tax revenue of preceding fiscal years but not less than that borne between such grants in fiscal year ending 1946 and the preceding year's revenue."

The amendment would divert one-third of the present tax, or one cent, to the following local governments:

One-half of one cent, or 16 2-3 per cent of the present 3-cent tax, would be returned to cities, villages and townships on per capita basis according to county populations. The remaining one-half of one cent, or 16 2-3 per cent of the tax, would be distributed to public school districts on basis of the primary school census whereby every child, 5 to 19 years old, is counted.

As an added inducement for educators to join hands with city municipalities in the new tax diversion, the amendment was worded to insure that public schools would continue to receive their regular annual grants "in ratio to sales tax returns of preceding fiscal years but not less than that borne between such grants in fiscal year ending 1946 and the preceding year's such revenue."

This phraseology would do justice to a Philadelphia lawyer, so we made inquiry at the state department of public instruction as to what is actually meant.

We were informed that continuance of state aid to public schools, as computed for the years 1945 and 1946, would be equivalent to 43 1/2 per cent of the sales tax revenue. The new tax diversion of 16 2-3 per cent, due the qualifying clause would freeze into the state constitution for use of the schools a total amount equal to approximately 60 per cent of sales tax revenue.

For years the Michigan Education association has conducted biennial campaigns among legislators for more state aid.

Pledgings have been effective, for schools are close to the hearts of the American people and the need for more funds has not been hard to prove.

If proposal No. 2 is carried on Nov. 5, the MEA lobbying will be over. The state constitution will guarantee, for years to come, a substantially higher proportion of state aid than the schools have ever received.

Between now and November 5 the voters will have to make up their minds about several things.

One is whether the schools should have more money. Here we believe the MEA will be on firm ground. Allen Schoenfeld, one of the best writers of the day, recently made a detailed study of the Michigan school problem. The MEA liked it so well that they obtained permission to reproduce the series of ten articles in a booklet which has been given wide circulation.

After interviewing scores of Michigan educators, Schoenfeld came to the conclusion that public education was facing "complete collapse." Teachers are underpaid; quality of teaching staff has been deteriorating. The 16-mill tax limitation amendment, added to the constitution in 1907, had become a strait-jacket. Modern school buildings are imperatively needed.

The other topic for consideration is whether state services—such as welfare, colleges, prisons and hospitals—must be curtailed if one-third of the 3-cent sales tax is to be diverted, and also whether new and added tax levies must be imposed in 1947 if state services are continued.

The \$270,000,000 veterans' bonus—proposal No. 3 on the ballot—would be paid off in taxes, too. If this question of new and added taxes cannot be satisfactorily answered, then the veterans' bonus and the school aid issue are due for a head-on collision in the minds of Michigan voters before Nov. 5. Voters are apt to be wary about authorizing both—the veterans' bonus and more school aid—if they are convinced that increased taxes are inevitable.

## Fall Term At MSC Will Open On September 30

Fall term classes at Michigan State college will begin on September 30, with a record enrollment of about 10,500 students expected.

Activity for new students, an estimated 4,000 of them, will start a week earlier on Monday, September 23. The orientation program will open with a convocation at 1 p.m. with Dr. John A. Hannah, president of the college, as the main speaker.

Following the convocation the new students will meet in groups with their counselors. Those who already have picked their major source of study will also meet their enrollment officers to discuss programs of study.

Tuesday, all new students will undergo examinations of various types, such as psychological, reading, and English tests. These new enrollees also must have a complete physical examination by college health authorities.

All students, old and new, start registration on an alphabetical schedule on Wednesday, September 25, and actual classroom work will start the following Monday, September 30.

Reumption of classes will mark the close of the longest period of the year during which classroom is suspended on the campus. The summer quarter closed on August 30. A record enrollment of 4,813 students took classroom work toward undergraduate or graduate degrees during the summer.

The college campus otherwise has been active, too, and in fact did not suspend activity for the month of September. Largest meeting of the summer was held September 3 and 4, when the 4th club and Farmers' meetings were held. An estimated 3,000 persons attended these meetings. Up until August 30, about 2,000 had attended other short courses and conferences held on the campus.

More peaches were sold over the Benton Harbor Market on Labor Day than any other day in the history of that market. A total of 104,167 bushels were sold by 8:00 p.m., and were on their way to consumers in 23 States and Canada, states Charles First Director of Agriculture.

Market Master Stanley Lee, who has been employed on the Benton Harbor Market for about 20 years, states that this large run of peaches, together with other produce that was sold, taxed the capacity of the market. The large run of peaches is a record for the market, a comparison to the largest day in 1945 when 88,000 bushels were sold.

Buyers were on hand and purchased and shipped peaches to the following States: New York, Pennsylvania, Indiana, Illinois, Iowa, Colorado, Alabama, Missouri, Florida, Louisiana, Nebraska, Wisconsin, Minnesota, Mississippi, Oklahoma, Ohio, Kansas, Texas, Georgia, Tennessee, Kentucky, Arkansas, West Virginia. Several carloads were purchased on this day for shipment into Canada.

Commissioner Erich Kerlikowsky says that a new mode of transportation has been inaugurated. On September 2 three more airplane loads of peaches, containing 150 bushels each, were shipped to the State of Texas.

At 12 noon, September 4, the million bushel peaches were sold over the market. The million bushel was part of a choice consignment of J. H. Hale peaches grown by John S. Buck of Berrien Springs and sold to a Lansing buyer at \$4.00 per bushel.

## OUR NEIGHBORS

**BRIGHTON**—Billy and Jimmie Wells, 14 and 8 year old sons of Mr. and Mrs. William Wells, planted some sunflower seed this summer. The result of their planting and raising efforts is on display in front of the Argus office at the present time. Standing, rather leaning, against the front of the office is the giant sunflower, measuring 12 feet, 10 inches in height.—The Brighton Argus.

**FRANKFORT**—Judging from the number still resorting in this community, Labor Day is no longer the so-called official end of the resort season. The Frankfort merchants seemed to be as busy the Tuesday after Labor Day as they had been at any time during the summer. The traffic on the road Labor Day was extremely heavy, with many cars heading north. A longer resort season has been a wish for many years and it looks as if the ice had been broken. The Benzie County Patriot.

**DEXTER**—The eighteenth annual home coming of the Webster Congregational church will be held there on Sunday, Sept. 15. The program planned for the day includes the regular morning service at 10:00, with music and devotionals, and a sermon by Rev. Wm. Hainsworth, and a pot-luck dinner at 12:30 at the Webster Community House. Rev. James Mead of the First Congregational church, Jackson, will deliver the afternoon address.—The Dexter Leader.

**BUCHANAN**—The Southwestern Michigan Fruit Belt was treated to its first exhibition of crop dusting from the air. Using a hormone spray designed to keep apples from dropping prematurely, two apple orchards, four acres and one acre in size respectively, were dusted in about fifteen minutes. A tomato patch was also treated with an anti-blight spray in the same way. In field dusting, the plane flies two or three feet off the ground at the rate of 60 to 70 miles an hour, pulling up to a steep climb at the end of each row. In covering the orchards the pilot flies low, skimming just over the tops of the trees. 750 lbs. of dusting powder may be loaded into the plane at one time, the pilot regulates the stream of dust which feeds down through the belly of the plane.—Berrien County Record.

**Holy Stone**  
Holy stone is the soft sandstone block sailors use to scour and scrub wooden decks. It received its name, says Ships magazine, because sailors are always on their knees when using it.

## Stop Look and Beware Friday The Thirteen

Superstition which has sacrificed countless lives, wasted untold treasures, embroiled nations, severed friends, parted husbands and wives, parents and children, filled jails and madhouses still lives on. Many are the superstitions held in regard to Friday the Thirteenth—the "holy day" of superstitions. Among those held is that Friday the Thirteenth is an unlucky date. For Friday some of the superstitions are: Friday is regarded as unlucky because many people believe that it was on Friday that Adam and Eve partook of the forbidden fruit. Evil will come to you if you start a journey on Friday. It is bad luck to begin a job on Friday. . . . It is believed by some that if a garment is begun on Friday, you won't live to finish it or to wear it out.

Friday night's dream on Saturday told is sure to come true, be it ever so old. Or—sneeze on Friday, sneeze for sorrow. . . . If you cut your nails on Friday, you cut them for sorrow. He who sings on Friday will weep on Sunday. . . . Friday is always the fairest or foulest.

Thirteen is an unlucky number, teachers at a California teachers' college were told. Many believe that Friday the Thirteenth is the real unlucky date. It is bad luck to set out on a journey on the thirteenth.

**POMONA GRANGE MEETS HERE**  
The Pomona Grange met at the Chelsea Methodist church Tuesday evening, where about sixty Grange members enjoyed a pot-luck supper, with North Sylvan Grange as hosts, before election of officers took place. The only officers elected from local Granges were Irvn Weiss as Steward and Nathaniel Laird as Lecturer, both members of the North Sylvan Grange.

Memorial services were conducted in honor of members who died during the past year, at the close of the business meeting.
