

If the proposed sales tax amendment had been in effect during the past fiscal year, the State of Michigan would have incurred an operating deficit of \$35,000,000.

Such is the judgment of Fred G. Striffler, Michigan Budget Director.

The deficit would have occurred during boom-time inflation. It would have resulted only if the state had continued to maintain only authorized public services as determined by the state legislature. Actually, it is likely that drastic economies would have been instituted by a badly worried governor and state administrative officials who shun red-ink as they do higher taxes.

Inane people could be denied admission into state hospitals, for example. Welfare payments could be slashed, if possible. Other money-saving measures could be resorted to in an effort to pull the deficit down.

It is Striffler's responsibility to anticipate expenditures and to keep them in balance with respect to anticipated revenues.

His recommendations are submitted to the governor and to finance committees of the house and senate in the state legislature. The above deficit estimate is an approximation only at the present, because complete information is not available. The past fiscal year closed June 30, 1946. However, it is fairly safe to count on Striffler's estimate as being within 10 to 15 per cent of the final figure.

Striffler has informed state department heads that budget-making will be delayed until after November 5. If the sales tax amendment is carried on November 5, new budgets must be slashed right and left, he warned.

John D. Morrison, State Auditor General, is pessimistic about the possibility of averting new taxes, if the voters authorize the sales tax amendment whereby an equivalent of 60 per cent of the revenue automatically goes to the public schools by constitutional mandate. As he sees it, the legislature would be forced to do one of two things:

One, curtail severely the state's present public services for health, welfare, and so on.

These services were authorized by the legislature in response to demands of the people back home. The shoe is now on many people, and a resultant storm of protest could be expected, he believes.

Two, new or additional taxes must be levied by the legislature to avert an operating deficit and to cover actual operating expenses. The latter would be likely.

After going into a huddle with other administrative officials, Morrison is of the opinion that the State would be compelled in a year, when sales tax revenues had declined, to pay a larger amount to the public schools than the schools would normally get. The proposed amendment is worded in a way to make mandatory the payment of revenues to schools in proportion to that amount paid in the past fiscal year. (1945-46) PLUS the added diversion of one-half of one cent as computed according to the annual school census.

While State Treasurer D. Hale Brake could not be reached by this writer for comment, it is understood that he is also cool to the tax diversion plan and is likely to be vocal about it prior to November 5.

Two nominees for governor have not expressed themselves one way or the other—at least they had not done so when this column was written.

Remodeling Is Completed By The Chelsea Standard

It's a short story, but it has taken a long time to bring about all the changes that make it ready for publication—the story of the hampering experiences and trying ordeals which seem insuperable during a modernization program such as that just completed by The Standard.

Hoping to have the project completed for the observance of our twenty-fifth anniversary as owners of The Standard, the publishers started their improvement program in June of 1945, with assurances from suppliers of materials and equipment that the work could be completed by the anniversary date in December, 1946. However, that did not turn out to be the case, nor was it possible to have the work completed for the 75th anniversary of the paper's founding, which occurred in July of this year.

A new addition which added about 500 square feet of floor space was constructed at the rear of the building. This work went along according to schedule, with very few delays. Then the contractors, Chas. Koch & Sons, moved their tools to the front of the building and started remodeling operations there, where delays in obtaining necessary materials prolonged the completion of the new modern exterior and modern offices which The Standard now enjoys. Remodeling of portions of the interior were also delayed, with completion of this work coming early this summer. Decorators were the next gentlemen on the program, and this work was completed about two weeks ago, with the exception of some tables and other pieces of equipment yet to be painted.

Several items of new equipment were ordered in 1945 and delivery was delayed until this year, the last shipment arriving only last week. The mechanical department has been completely rearranged for a more convenient working arrangement, fluorescent lighting was installed throughout the plant, and automatic gas heating units replaced the old hand-fired furnace. New office furniture has been on order for a year, with delivery yet to be made.

In the meantime, while working under serious handicaps at times because of the remodeling work, management and mechanical force were making plans for modernizing our newspaper. And so finally, with one of the most modern weekly newspaper plants in the state, we are proud to present a new version of The Chelsea Standard, with a new type of front page (advertisements have always been carried on the front page since the paper was founded), a newspaper streamlined throughout, with columns of standard width identical to those used in metropolitan newspapers, which are narrower than those formerly used, allowing eight columns to the page rather than seven, with the use of slightly wider pages. All this change-over caused no small amount of extra work, as all materials in the shop had to be altered in measurement, and many new machine parts were necessary.

Faith in the future of Chelsea prompted The Standard management to make the expenditure of money and effort to provide a more modern plant and to publish a better and more attractive newspaper in a town that is steadily forging ahead. It is our hope that our subscribers and advertisers will approve of the new plant and our new product.

The public is cordially invited to call and inspect our plant at any time.

With Our Men In Service

Sgt. Olen Hart, who was inducted into the Army on Aug. 26, 1944 at Ft. Sheridan, Ill., arrived in Chelsea on terminal leave Thursday, Sept. 5, 1946, having spent two years in the Service.

Sgt. Hart took his basic training at Camp Lee, Va., going from there to Camp Beale, Calif., and then to Ft. Lawton, Wash., from which place he left for overseas service, landing in Oahu in the Hawaiian Islands, Feb. 20, 1945. There he joined the Tenth Army Garrison Force and went on to Okinawa where he served with unit 14 months. He expects to receive his discharge Oct. 25, at Ft. Sheridan.

Sgt. Hart, with his wife and young son, Olen, Jr., is living in his new home on Macdonald avenue and has returned to his former position at the Chelsea Spring Co.

T-Sgt. Robert M. Eaton, son of Mr. and Mrs. E. W. Eaton, was inducted into the Army on August 25, 1944. He received basic training at Camp Roberts, Calif., and left for overseas duty on Feb. 18, 1945, serving with the Signal Corps in the Hawaiian Islands and in the invasion of Okinawa. He later spent almost a year on occupation duty in Korea.

Sgt. Eaton left Korea on Aug. 4, arriving in Seattle on August 25, and at the home of his parents on September 4. He is on terminal leave, and expects to receive his honorable discharge on October 24.

CHS Football Season
Opens Here Friday

Chelsea's first football game is scheduled to start at 8:00 o'clock sharp Friday evening, September 20, at the local athletic field.

Business Men Hold Monthly Meeting On Tuesday Evening

About thirty-five members of the Chelsea Business Men's Association attended the regular monthly meeting of the association in the Municipal Building on Tuesday evening.

Following the reports of committee chairmen, L. R. Heydlauff explained the plans which have been made for obtaining an illustrated brochure which would feature pictures of the recreational area in the vicinity of Chelsea, as well as in the village, with maps of the entire area. It was voted to proceed with the project and to have a large quantity printed for distribution locally and to tourists.

Municipal Judge Jay H. Payne of Ann Arbor addressed the group, complimenting the association on their objectives and speaking briefly concerning the serious problems which face the entire world today. He stated that clear thinking and honesty of purpose is necessary if we are to avoid confusion, and suggested that more support of the spiritual side of life would aid greatly in solving the complexities facing civilization. He also quoted some interesting facts and figures regarding the cases which come before him in Municipal Court.

Following the meeting lunch was served by the refreshment committee, L. R. Heydlauff and Russell Baldwin.

Q. Who is eligible? A. Discharged enlisted men and women who served after Sept. 8, 1939; former officers part of whose service was in the ranks, and officers and enlisted men still in service who on Sept. 1, 1946, have between 61 and 120 days leave to their credit.

Q. How do they apply? A. Obtain application forms from local post office, fill out and notarize, mail along with discharge certificate to one of pay offices designated in instruction sheet.

Q. How will payment be made? A. By mail.

MSC Caravan To Roll Again This Winter

The Michigan State College extension service announced this week that its Caravan would roll again early in 1947. During January, February and March this year, the Rural Progress Caravan visited 58 Michigan counties and showed before nearly 100,000 people. So successful was the first year's program, that a similar event is being planned for early 1947.

George Amundson of the agricultural engineering department, who successfully managed the first caravan, has announced that he will continue as head of the committee making arrangements. J. G. Hays, who assisted Amundson last year, will be director. Hays, former extension dairyman, more recently has been with the emergency farm labor office.

The committee is working on a central theme for the caravan. It is very likely that the program will again replace Farmers' Week, called off last year because of a shortage of housing facilities and space to hold the event because of increased enrollment at the college. County agricultural agents in the Upper Peninsula will arrange their own caravan tour because of the different general program of agriculture in the two sections of the state.

Serving with Hays and Amundson on the committee making plans for the caravan are: Laura Davis, home management specialist; May Sontag, assistant state 4-H club leader; J. M. Moore, extension poultry specialist; C. V. Ballard, county agent leader, and Earl Richardson, extension editor.

Officers Installed By American Legion

Installation of officers of the Herbert J. McKune Post No. 31 was held at the Legion hall on Saturday evening, and these newly elected officers were installed:

Leon Fox—Commander.
Sherman DeMint—1st Vice-Commander.
David Strieter—2nd Vice-Commander.
David Eaton—Adjutant.
Carl Mayer—Finance Officer.
Carl Chandler—Historian.
Ed Miller—Chaplain.
Fred Harris—Sergeant-at-Arms.
The ritual team of Communications Post No. 246 of Detroit was present and it is to be regretted that not more of the members were present for this event.

Atlee Burger, newly appointed mess officer, and Burton French, his assistant, are to be commended on the fine refreshments served at the close of the meeting.

Wirkner Road Will Be Re-graded and Re-surfaced This Fall

Re-grading and re-surfacing of two miles of Wirkner road in Lyndon township is expected to begin in a few days and be completed by December 15.

This portion of the road will complete re-surfacing of the Wirkner-Stofer link between North Lake and Chelsea, a mile at the north and one at the south of the two roads having been re-graded and re-surfaced several years ago.

Eight bids for the work were submitted, the lowest one being by H. P. Stukay of Coldwater, whose bid was \$95,640, and the highest was \$77,000, according to an announcement by the State-Highway Commission.

Kenneth Hallenbeck, county roads manager, who attended the meeting in Lansing, when the bids were opened, said extensive drainage work and grading is involved in the job, with a large section of muck to be drained and filled. When that is completed, the stretch will be graveled.

Mrs. Koebbe Hostess To Central Circle Of Methodist Church

The Central Circle of the Methodist church was entertained last Thursday afternoon at the home of Mrs. Edwin Koebbe, with twenty members of the circle in attendance.

Devotions were in charge of Miss Lillian Foster, who concluded with quotations of Abraham Lincoln.

Mrs. E. R. Major presented a review on the topic, "Can the Schools Build Democracy in Japan?" This was a part of the year's study of home and foreign missions and was an outline of the methods the American government and American mission workers are using to familiarize the people of Japan with the advantages of a democratic government, as compared with the imperialistic rule they have been under for centuries.

Mrs. Major also outlined the ways in which the Japanese people are responding to this program, and the progress that is being made.

At the business meeting, plans for the year's work and the annual fair, which is to be held November 20, were discussed.

Refreshments were served by the hostess at the close of the meeting.

RE-SURFACING PROJECT

Main street, from the New York Central right-of-way south to Old US-12 is to be resurfaced with a blacktop mixed surface coat sometime this fall. Action to this effect was taken at a recent council meeting.

Q. Any veterans' community information or advisory center, or any veterans' service officer?

A. Will there be any difference after Sept. 1 in the status and treatment of officers and enlisted men relative to terminal leave? A. None. Both will be able to accumulate up to 60 days of unused leave and will obtain payment in bonds upon severance. Everyone will be encouraged, wherever practical, to use all leave.

Q. Will an officer who has accumulated 120 days who is separated from service before Sept. 1 collect all in cash, or must he take such part as occurs after Sept. 1 in bonds? A. He will be paid in cash.

Q. Will an officer with 120 days who is separated after Sept. 1 be paid entirely in cash or entirely in bonds? A. He will be paid for 60 days in cash, 60 days in bonds.

Q. In what form will payment be made to enlisted men severed from service during August? A. In bonds.

Q. What happens in the case of an officer with 120 days who transfers to the Regular Army without a period of separation? A. After Sept. 1 he will be allowed to use only 60 days of his accumulated time.

Q. How about an enlisted man remaining in service who has 120 days accumulated time? A. He will be paid for 60 days in bonds and will be permitted to use the remainder by furlough.

Overcrowded Condition At Public School Shows Need For Expansion Program

H. D. WITHERELL

Witherell Retires As Postmaster

Postmaster Herbert D. Witherell is retiring the last of this month because of ill-health, after holding the position for over thirteen years.

Mrs. Witherell came to Chelsea in 1900, and practiced law here until his appointment as postmaster on June 1, 1933, when the postoffice was still located in the store now occupied by Kroger's and the postoffice force consisted of three clerks, three rural carriers and one mail messenger. Upon the death of Bert Taylor, one of the rural carriers, his route was divided and merged with the remaining two rural routes that we still have.

The postoffice was later moved to the old Kempf Bank building, corner of Main and West Middle streets, where it remained until August 9, 1937, when the new Federal building was completed, which with all its new equipment is considered a finer postoffice building than any in the larger communities near here.

Since moving into the new building the department has made many advancements in the service to its patrons. It now has city delivery as well as parcel post delivery, the management of which, together with the extra work caused by World War II with its increase in volume of mail and parcel post for overseas, and the writing of War Bonds, almost doubled the work at the local office. To aid in this work Claire Rowe was appointed assistant postmaster, which, Mr. Witherell states, helped very much in putting out the extra work.

The postoffice force now consists of 11 members and in Mr. Witherell's own words, "the postmaster feels very earnestly that the credit for the successful accomplishment of all this was due very largely to the proficient, courteous and helpful assistance of the best postoffice force we could ask for."

No successor has been appointed to fill the vacancy caused by the resignation of Mr. Witherell.

Twelve Graduates Of CHS Will Enter College This Fall

Of the twenty-nine graduates of the Class of 1946 at Chelsea high school, twelve are planning to enter institutions of higher learning this fall, as follows:

University of Michigan — Neil Beach and June Veil.
Olivet College — Barbara Eaton.
Michigan State Normal — Ypsilanti — Jean Eisenbeiser, Joanne Moore and Joan Shutes.
Cleary Business College, Ypsilanti — Marilyn Schooley and Virginia Lesser.
Sienna Heights College, Adrian — Elaine McClellan.
Western Michigan College of Education — Mary Ottoman.
Jackson Junior College — Tom Smith.

Grace Hospital School of Nursing, Detroit — Catherine Geer.

One of the class, John Wellnitz, plans to enter the U. of M. at the beginning of the spring term, and another, Robert Breitenwischer, is taking post-graduate work at Chelsea high school for extra credits prior to entering Michigan State College at East Lansing next fall, where he plans to study forestry.

CARD PARTY

Remember the card party at high school gym on Sept. 26 at 8 p.m., given by the Women's Relief Corps. Come one, come all, and play your favorite card game. Adv.

Grade school enrollment is so large this year in the Chelsea public school that it has been necessary to arrange two half day sessions for kindergarten and first grade. Kindergarten has formerly been forenoon only so the decision to have an afternoon class will not influence the program for the group.

It will be necessary however, to sacrifice specialized musical instruction in the first three grades as the kindergarten teacher will not now be able to devote time to it. Most of the teachers of these grades will do as much as they can with music and it is hoped that this phase of schooling will not be neglected entirely.

The problem of overcrowding in the first grade is much more complicated. The school building is crowded and every available space for classroom work is in use. There are not enough books and instructional material on hand for the entire grade. In order to relieve the situation at once the grade will be divided into two half-day sessions, which can be conducted by the same teacher in the present first grade room. The Board of Education in a special session has authorized the hiring of another first grade teacher, purchase of additional books and necessary equipment and the investigation of the possibility and availability of a portable building to be erected on the school grounds or the renting of suitable space for use as a school room. As soon as these arrangements can be made the first grade will resume full day sessions.

This will necessitate revising the budget to take care of extra expenditures and it may be necessary to borrow money from next year's state revenue, according to the Board of Education.

The size of the third and fourth grades is higher than should be, according to the National Education Association Standards, but it is the opinion of the teachers of those grades that the classes can be conducted this year without jeopardizing the pupils' instruction.

It is evident that the enrollment in our schools is constantly growing and that the overcrowding is not a temporary condition. Not only has our community grown, but the closing of many nearby rural schools has added to the enrollment. The Chelsea Standard of last week published the enrollment figures for each grade, with a total of 555. In the column "24 Years Ago" it was stated that the enrollment was 392—this is an increase of 41 per cent.

Chelsea has outgrown its present school buildings and the only solution is the early construction of an additional building. A decision will have to be made whether a new grade school or a new high school should be planned for. State educational authorities have advised the Board that the present site is not large enough for both, so a site for one or the other will have to be selected and approved. It is thought that if a new high school is built the present building could be used for the grades on if a new grade school is built the old grade building could be torn down and a new addition be built for high school use.

New Sign Erected On Winans Jewelry Store

General appearance of the E. E. Winans jewelry store front has been considerably enhanced by the addition recently of a new sign, placed above the show window which was modernized some time ago.

Raised letters on the red-bordered white sign which reads "Winans Jewelry Store," are cut from heavy plywood, painted black, with the sides of the letters in red. They are applied in a tapered design with a large letter at the beginning and a very small one at the end of each of the three words on the sign.

This is an entirely different idea than anything that has ever been used in Chelsea. Carl Swickrath, local sign painter, worked out the design from plans submitted by the Winans.

Another sign, overhanging the sidewalk, has been re-painted in matching colors and the entire effect gives a pleasing, up-to-date appearance to the store.

TAKE TIRE NUMBERS

Due to an epidemic of tire stealing throughout the country the Washington County Sheriff's Department advises all motorists to keep a record of the serial numbers of their tires in order that ownership can be proved in cases of recovery of stolen tires.

Miss Alma Pierce accompanied her nephew, Harry Prudden, and Mrs. Prudden to Bellevue on Sunday where they visited Mr. and Mrs. Will Prudden. They also stopped in Marshall where Miss Pierce called on her cousins, Mrs. Ella Lewis, and Romaine Graham, who is 93 years old.

John Allan, who has been visiting his mother here for three weeks, has gone back to New York to join his ship for overseas.

Mr. and Mrs. Arthur Cunningham and Mr. and Mrs. Harry Pearson of Jackson were Sunday afternoon guests at the home of Mr. and Mrs. Leon Chapman.

Standard Oil announces

A great new motor oil

Permalube Removes the goo
Improves the go!

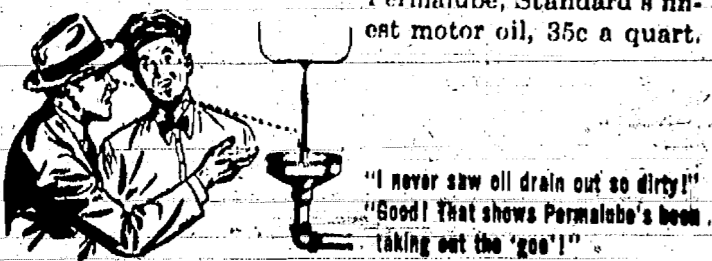

Gives you premium-plus lubrication

Here's the latest idea in motor oils... remove the "goo." Get rid of engine deposits of soot, varnish, carbon, and sludge... and you definitely improve the go! There's nothing to stifle power, stick rings, or put a damper on free valve action. You get a sweeter running engine... a better lubricated, longer-lasting one, too.

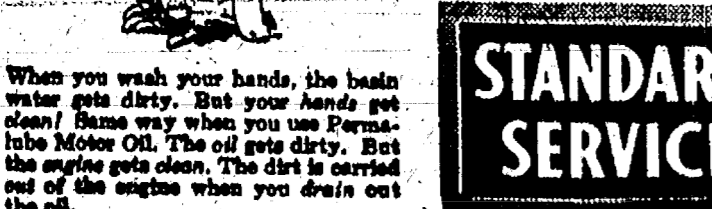

Permalube, Standard's great new motor oil, gives you this premium-plus lubrication. It does more than thoroughly lubricate... it cleans your engine and keeps it clean.

For Permalube contains a patented ingredient that not only cleans up deposits already present, but also prevents new ones from forming.

So, remove the "goo," improve the go! Change to Permalube, Standard's finest motor oil, 35c a quart.

"I never saw oil drain out so dirty!"
"Good! That shows Permalube's been taking out the 'goo'!"

When you wash your hands, the hands water gets dirty. But your hands get clean! Same way when you use Permalube Motor Oil. The oil gets dirty. But the engine gets clean. The dirt is carried out of the engine when you drain out the oil.

OFFICE NEWS

The first home football game will be played tomorrow night at 8:00 o'clock, with Parma.

A T.B. X-ray clinic, sponsored by the State Health Department, will be carried on in the schools of the county from September 24 to

October 3.

On September fourth school resumed after what seemed to be the shortest summer we have ever had.

Of course we miss the familiar faces of our last year seniors but we have seventy-four new (and slightly bewildered) faces in our freshman class to make up for our loss.

During the summer several improvements have been made in the school. A new entrance has been put into the gymnasium and a concrete rubbish burner has been constructed on the playground. Some of the walls in school have been painted and more lockers have been installed to accommodate the rapidly growing enrollment.

One thing that cannot go unnoticed is that some new teachers have been added to the staff. We have had a few days to get acquainted and have decided that they are really "O.K."

With school well under way now, let us hope that every student will strive to do his best and make this one of the most successful of school years.

FACULTY OPINIONS

Thinking that maybe you would like to know what the new teachers think of the school and the students in it, we interviewed them to get their ideas.

Mrs. Lange, of the fifth grade, said "I have a nice sized class and they are ideal to work with."

Miss Hoffman, second grade teacher, said "I think this is a very nice school and I have a lovely group of children. They are very eager to do their work."

Miss Larson, Home Economics instructor, said "I like the school very much and I enjoy all my classes. I am very anxious for the football games to start so I can cheer for Chelsea."

Miss De Rose, commercial teacher, said "I think the school is very nice. It amazes me that the people are so anxious to do their work and I'm looking forward to knowing everyone better."

Mr. Tewes, speech and social studies, said "The students show a great deal of enthusiasm and interest in their classes. There is no problem of discipline in the classroom, for the students have learned to respect the rights of others. Here's to a winning football team and a roaring, cheering section at all games."

JUNIOR RED CROSS
A Junior Red Cross group which

was in charge of Mrs. Grugel last spring, sent boxes to France. During the summer, our Superintendent Johnson received a letter from the principal of the school in France, which received some of the boxes.

The French principal, Richard Henri, enclosed with his letter of thanks, letters from two of his students, Reni Chanayon and Fernand Foucher, boys of fourteen and fifteen.

The students of the school, in a very grown-up manner, they thanked them for such things as combs, tooth brushes, pencils, crayons and most of all for the perfume soap. These things are seldom appreciated here in America—they are taken for granted.

SEVENTH GRADE
Grade seven has an enrollment of twenty-seven; some members are new to Chelsea. Ella Mae Urick came from Stockbridge and Bruce Peabody transferred from Plymouth while Junior Patsch returned to us after a year at Fowerville.

In Home Economics the girls are working on holders and aprons; boys are making doorstops in wood shop.

SENIOR CLASS NEWS
The Senior class is well organized to make a success of the great task that is before them. They have chosen new officers for the following year, as follows:

President—Jack Merkel.
Vice Pres.—Wilma Koenigster.
Secretary—Eldene Eisele.
Treasurer—Helen Hanker.
Annual Editor—Bob Daniels.
Manager of Senior Stand—Barbara Luick.

Next week they are already starting their magazine sales.

SPORTS
Football practice started over two weeks ago and has been rather rugged. In comparison to other years, Chelsea has a good team this year with many letter men back, to say nothing of some forty other football applicants.

Some of the boys who are fighting for varsity positions are D. Halley, M. Grafson and B. Robbins, competing for guard positions; Barth is being tried out as tackle instead of for his usual guard position; C. Popp, trying out for end, is pretty sharp on defense. Eisele and Burg are still playing around the center post, and the starting backfield is still undecided.

All of our home games this year will be played under lights, therefore a large attendance is anticipated.

SECOND GRADE
The new pupils in the second grade are Sandra Gemmy from Sugar Lake and Sharon Lindsey of Chelsea. The complete enrollment is 27.

THIRD GRADE
The third grade has thirty-seven pupils enrolled this year. Of these are four who are new to this school—Reuben Edick, Elaine Williams, Glenn Palmer and Bill Harris.

The grade has been spatter-painting fall leaves in their science class.

FIFTH GRADE
We have three new classmates this year: Jerry Hedecker, who came from Haslett, Mich., also Carol Gaddis, who came from Lima Center; and Minerva Chezik who came back from Illinois after being away two years.

Merritt Hanbaum missed the first week of school because of recovering from an operation. There are twenty-seven enrolled in the fifth grade.

We have made spelling review books for every Friday.

SIXTH GRADE
Three new boys added to our group this year are the Schneider twins, Robert and Douglas, and

Richard Wysanski. Enrollment was thirty-five, with nineteen girls and sixteen boys.

Friday, the class went on a field trip to identify trees by their leaves. An American elm was chosen as subject for an object drawing lesson. Part of our spelling lesson for the week was the names of ten common trees of Chelsea.

Football practice started over two weeks ago and has been rather rugged. In comparison to other years, Chelsea has a good team this year with many letter men back, to say nothing of some forty other football applicants.

Some of the boys who are fighting for varsity positions are D. Halley, M. Grafson and B. Robbins, competing for guard positions; Barth is being tried out as tackle instead of for his usual guard position; C. Popp, trying out for end, is pretty sharp on defense. Eisele and Burg are still playing around the center post, and the starting backfield is still undecided.

All of our home games this year will be played under lights, therefore a large attendance is anticipated.

SENIOR CLASS NEWS
The Senior class is well organized to make a success of the great task that is before them. They have chosen new officers for the following year, as follows:

President—Jack Merkel.
Vice Pres.—Wilma Koenigster.
Secretary—Eldene Eisele.
Treasurer—Helen Hanker.
Annual Editor—Bob Daniels.
Manager of Senior Stand—Barbara Luick.

Next week they are already starting their magazine sales.

STUDENT COUNCIL

This year the student council plans to revise or draw up a new constitution. Beverly Weatherwax is on a committee to plan a more efficient "lost and found department."

It was proposed that a free dance be held on Sept. 20.

The group discussed the possibility of enabling anyone having a "B" average to be excused from taking a final test in the particular subject in which he has the "B."

The student council consists of the following representatives:

Seniors: M. Hinderer, R. Knickerbocker, L. Munro, N. Loose; Juniors: R. Gross, D. Baldwin, J. Miller; Sophomores: T. Ferguson, B. Merkel; Freshmen: B. Weatherwax and R. Eder.

in
CHELSEA

A good many folks are still waiting for telephones here, simply because we haven't the wire and cable we need to connect their homes with the central office.

We've ordered enough to give service to everyone who is waiting. But, continuing material shortages have seriously slowed production. It may be some time before we receive it. And—then—we'll need time to install and connect it into the system.

In an all-out effort to install telephones for as many waiting applicants as we can, we have loaded our present facilities to the hilt. If you

are waiting for a telephone, you can be sure your order will be filled in its proper turn as soon as equipment is available.

Meanwhile, our facilities are serving more telephones and handling more calls than ever before, which means that service for everyone may not always be as good as we want it to be. We're sorry when that condition occurs, but you can be sure that we are doing our best to get additional equipment as soon as possible.

Legionnaires Will Go West for National Convention Sept. 29

Within the next few days several hundred Michigan American Legionnaires and Auxiliary members will head west by train, plane and automobiles to join thousands of their comrades in attending the national American Legion convention at San Francisco, Sept. 29 to October 4.

Among the notables in the Michigan delegation will be Gov. Harry F. Kelly, together with Raymond J. Kelly of Detroit, a past national commander, Earl F. Ganschow of Saginaw, newly-elected state commander, and his adjutant, Lisle H. Alexander of Plymouth; Michigan's national committeeman, Herman Luhrs of Flint; and several past state commanders.

Liberty Motor Post's state bugle and drum corps champions from Flint will make the trip, as will the Charles Young Post band and corps from Detroit, and the world famous American Legion Zouaves of Jackson.

Some 250 members of the Michigan delegation will travel to the Golden Gate City and return on the "Michigan Special," an all-Pullman train.

O.E.S. Honors Nolls At Farewell Party

The local chapter of the O.E.S. entertained at a farewell party at the Masonic hall on Wednesday evening, September 11, for the pleasure of Mr. and Mrs. Louis Noll, who plan to make their future home in Oxford, due to the forced closing of their business here because of the lack of a store building to which they could move when the building they had occupied for over twenty years was sold.

About forty-five guests enjoyed playing cards, and the refreshments of ice cream and cake, which followed.

Wilma Miller, Worthy Matron of the O.E.S., on behalf of the chapter, presented Mr. and Mrs. Noll each with a gift, and Emma Vickers, president of the Past Matrons' Club, presented one on behalf of her club.

Mr. and Mrs. Noll responded, expressing their thanks and appreciation to the two organizations.

Otto's Case To Come Before Circuit Court

Rudolph Otto was bound over to circuit court and ordered held in bond of \$500.00 and his wife, Theresa, was discharged by Municipal Judge Jay H. Payne on Monday of Prosecutor John W. Rae when they were examined Friday, August 30, on charges of allegedly "keeping, occupying and assisting in the keeping and occupying of a common gambling house, and a place where gambling was permitted and suffered" at their home, 224 North St., Chelsea.

The charges were an aftermath of the stabbing of John Owens, of Chelsea, during a card game at the Otto home on Sunday, Aug. 11.

Owens was later arraigned in municipal court in Ann Arbor on a charge of frequenting a gambling place. He pleaded guilty and was fined \$95.

Blair Pearson, accused of the stabbing, pleaded not guilty when arraigned on a charge of felonious and aggravated assault, and the date for his examination had to be postponed until Wednesday, Sept. 18 because of conflicting statements made by the main witness, Theresa Otto.

WEDDINGS

Wellhof-Valant

The marriage of Mrs. Elsie Wellhof and Stanley Valant took place on Wednesday, Sept. 4, 1946 at the Washington Congregational church in Toledo, Ohio.

After the ceremony a wedding supper was served to twenty-five guests at a Toledo hotel.

Mr. and Mrs. Valant are making their home on the groom's farm, Route 1, Chelsea.

White-Burns

The Methodist church was the scene of a pretty wedding on Thursday evening, Sept. 12 at 7 o'clock, when Miss Helen White, daughter of Mr. and Mrs. Fred White of Mt. Pleasant, Iowa, became the bride of John Burns of Ann Arbor, son of Mrs. Clyde Rosenbrook of Albion, in a double ring ceremony, with Rev. E. R. Major officiating at the candlelight service. The bride was given in marriage by her father.

Candles were arranged in two groups at either side of the altar, a tall candelabra and a shorter one being used together in each group and arranged with baskets of peach colored gladioli to form a lovely background for the bride's party.

The bride's gown was of white satin and net, made with a sweetheart neckline, and she wore a fingertip veil held in place with a headpiece of seed pearls. She carried an arm bouquet of white roses and blue delphinium.

The matron of honor, Mrs. Tom Savage of Dundee, a sister of the bride, wore a dress of white lace and net, and a shoulder length yellow veil and yellow mitts. She carried talisman roses.

The bridesmaids, Margaret Peterson of Keokuk, Iowa, and Laurine White, were blue and pink respectively, with matching veils and mitts, and both carried bouquets of baby-blue mums.

The best man was Robert Burns, brother of the groom, of Dearborn, and the ushers were Alfred Hoenes, a friend of the groom, and Tom Savage, brother-in-law of the bride.

Before the ceremony, the bride's niece, Delores Harlan, of Hillsboro, Iowa, wearing a floor-length dress of blue net and a corsage of red roses, sang "Still As the Night" and "Because," with Mrs. P. M. Broesauke accompanying her at the organ. Mrs. Broesauke also played Lohengrin's Wedding March as the bridal party entered.

The groom's mother chose a blue dress for her son's wedding, and his grandmother, Mrs. Margaret Mallory, of Albion, wore navy. Both wore matching accessories and corsages of red rosebuds. The bride's mother was dressed in black with white embroidery trim and black accessories. Her corsage was also of red rosebuds.

A reception was held after the ceremony for about sixty relatives and friends, with Lucille Howard, a friend of the bride, pouring at the table centered with the wedding cake, flanked by white candles in crystal holders and garden flowers, carrying out the color scheme of yellow and white. Shirley Biggs and Ruth Bristle assisted with the serving.

Out-of-town guests were present from Mt. Pleasant, Iowa, Keokuk, Iowa, Hillsboro, Iowa, and from Albion, Dearborn, Dundee, Ann Arbor and Ypsilanti.

The couple left for a honeymoon in the northern part of the state and on their return will be at home in Ypsilanti.

The bride has been employed the past four years at the Federal Screw Works, and the groom is employed at Kaiser-Frazer, Willow Run.

THE HI-LIGHT

(Continued from page two)

HI-Y

The Hi-Y has made plans for initiation. They have also talked over various projects for the year and have selected one which will be made known to the public in the very near future.

INTRODUCING—

One warm June day, a freshman, Winona Franklin, made her first sound in this world. That June 5 in the year 1933, Ray Franklin passed cigars to his fellow companions.

Winona, now one of Chelsea's new freshmen, has blond hair and, of course, blue eyes. She is a towering 5 feet 3 inches. Like most all of the people of Chelsea, she claims she has no favorite meal—"Just so it's something to eat," Winona says.

Though she has nothing favorite to eat, is no sign she has no favorite song, movie, or color, "cause she has; here they are in the above order: "To Each His Own," "Sentimental Journey"—blue.

This student from Savage school is taking typical freshmen subjects as civics (her favorite), English, algebra and Home economics. A prunette bundle of heaven arrived at the Scott home in the middle of a frosty January night—to be more exact, January 2, 1932. This bundle was christened Pat Scott.

Through her fourteen years her favorite color has remained blue (she should have been a boy). She has other favorite things, too, including "One More Tomorrow" (her favorite movie) and "Give Me The Moon Over Brooklyn" (her favorite song).

Coming from a school in Battle

Creek, she is taking such subjects as algebra, English, home economics and civics.

Joan Schultz is five feet one and one-half inches tall, she weighs ninety-two pounds. Her hair is light brown, her eyes are blue, and she is fourteen years old. Her birthday is April 25.

Joan loves to eat chocolate candy. Her favorite song is "I'll Get By." She thinks "State Fair" was a wonderful movie. She loves the color green. Joan's favorite teacher is Miss Larson and her favorite class is home economics. She thinks Chelsea High is a grand school.

P.T.A.

The first meeting of the 1946-47 Chelsea High School P.T.A. was held on Monday evening, September 9 at 8 o'clock in room fourteen. There were twenty-five members present, including almost one hundred per cent of the teachers. The teachers new to our system were introduced and the meeting proceeded.

Special committees were appointed to assist in the coming Community Fair which is to be held in the high school gym in October.

The chartering of buses to out of town games was discussed. Again this year they are planning to have a representative from the Student Council, and one to come from each grade to appear at the meetings and tell their problems and suggestions.

A representative was chosen to go to Ypsilanti to the M.E.A. meet-

ing on Thursday evening, Sept. 12. At this meeting Amendment Two, regarding the sales tax for school purposes was to be discussed. This meeting will be reported to our P.T.A. at the October meeting.

SCHOOL QUIPS

Freshmen, beware! The latest rumor is that on Freshmen Initiation Day the girls will have to wear BVD's and the boys wear girls' peacock coats. Boy! This we have to see!

Miss Beam was showing her Latin class how to conjugate the verb "to love" the other day. After completing the seventy-second part, one serious-minded young man shook his head solemnly and

said, "Miss Beam, you ought to settle down and get married!" Flash! Barb Luick seems to be tired of henna rinses, and has now gone in for peroxide. If any of you little girls are tired of the same old thing day after day, try the "Luick treatment."

Why do little Barlow and little Knick go around yelling "Herbert!" Could Joyce Crawford be the reason?

Donnie Baldwin has been making quite a few trips to Jackson lately. If Rita doesn't get well soon it isn't Donnie's fault.

Is anyone interested in buying a bicycle—and for the cheap sum of \$75? If so, see George Palmer.

Attention, girls! There is one

more loose man around Betty's back! Mr. Tewes was asking his world history class what magazine was

nationally known for its pictures. Dave Knickerbocker wildly waved his arm and yelled "Equinox!"

What are the wise ones waiting for?

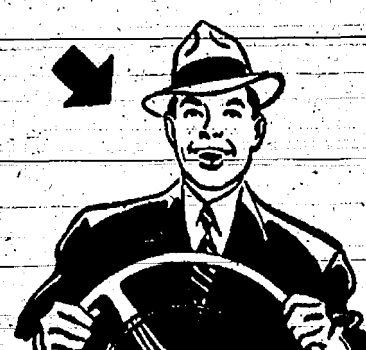

For One Thing—This! Fresh new styling that clearly says "1946." The sheer good looks of long low lines, full sweeping fenders, solid, uncluttered appearance in every line and contour.

For Another Thing — This! A big straight-eight Fireball engine, made silky-smooth with Accurite - finished cylinders and brilliantly able to hold its own on any highway.

For Another Thing — This! The matchlessly soft cradling of gentle coil springs on all four wheels — springs that float you like a breeze over cobbles and bumps.

For Another Thing — This! The word for it is "handling"—meaning the deft lightness of wheel and brake and gear-shift that makes every trip truly a pleasure trip. You have to experience it to know it—but it's what makes a Buick salesman out of every new Buick owner.

In a Word—The Best Buick Yet! You can buy one at OPA ceiling price—with or without a car to trade in. And the great Buick factories are turning them out as fast as they can get materials. So put your name on our list and get one headed your way.

WHAT OTHER CAR HAS SO MUCH THAT CLICKS FOR FORTY-SIX!

SMARTNESS — that sets the style pattern with car-length Airfall fenders and bolt-on rear wheel shields.

POWER — from a Buick Fireball valve-in-head straight-eight engine.

OIL SAVINGS — from non-scuffing Accurite cylinder bores.

FLASHING ACTION — of Filtevalve pistons.

STEADINESS — from full-length torque-tube drive in a sealed chassis.

GLIDING RIDE — from Panhard all-coil springing.

COMFORT — of soft Foamtex cushions in roomy Body by Fisher.

SURE FOOTING — of broadrim wheels.

CONTROL — through Permi-firm steering.

CONVENIENCE — of high-leverage StepOn parking brake.

PROTECTION — of Buick-originated fender-shielding front and rear bumpers.

Chelsea again takes the lead

over her neighboring cities as the trading center in this section. This summer more than ever before has been the outlying territory increased. The advent of good roads, of bargain days, of large stocks, of brighter stores and better service have been felt by the business houses here. More and

A pleasant social event was the reception tendered Rev. and Mrs. P. H. Grabowski of St. Paul's church, at the Macabees hall on Thursday evening. A fine program was presented, with a welcome address by Paul Schable, and addresses by Rev. Carnes of the Congregational church, Rev. Beatty of the Methodist church, and Rev. Krueger of Dexter.
Four boys from Detroit, ranging in age from 16 to 18 years, "bumming" their way from Detroit to Jackson, stopped over in Chelsea, and while here broke in the farm residence of Joe Sibley, stealing a watch, fountain pen, and other articles. Most of the stolen goods was the property of Harry Knickerbocker, who is in Mr. Sibley's employ. The next stop was at the home of Mr. and Mrs. C. Hafner, where they took a watch, a pocket knife and a purse of old coins. Deputy Sheriff L. G. Palmer was notified and captured the boys in a corn field on the Otto Trinkle farm.

Past Experience Should Spur Home Canning of Tomatoes

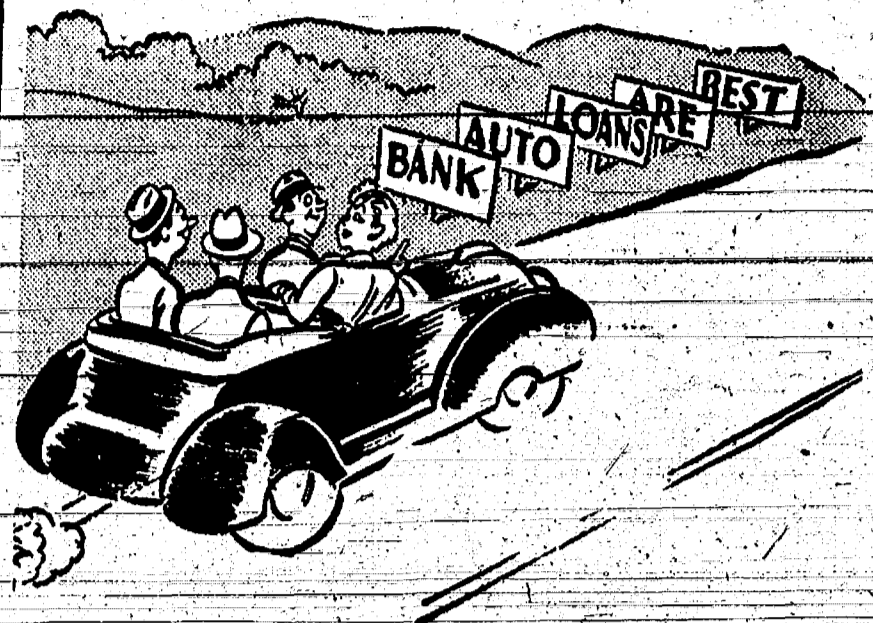

"For the first time in our memory canned tomatoes disappeared from the grocery shelves in March," Frances E. Wilson, county home demonstration agent said this week. Homemakers who still had their own home canned tomatoes looked smug and smiled serenely she added. And that should be an indicator of the need for canning this fall.
Tomatoes play a sort of double role; they are handy in cooking

many recipes that the family likes, and they can take the place of fruit.
The average family needs 80-85 quarts of tomatoes per person per year. For a family of four that means 320 to 340 quarts. To play safe, and have an ample supply the family might aim at a hundred and fifty quarts of tomatoes with the juice as a tasty and nutritious addition, Miss Wilson suggests.
Canned tomatoes usually have more vitamin C than the juice, so many women prefer to can a double supply. Then when they want juice, they open a jar and strain the tomatoes to make tomato juice just before serving.

The newest method for canning tomatoes to keep as much Vitamin C as possible, as recommended by Michigan State college is as follows:
Use only perfect, ripe tomatoes. Scald, remove stem ends, peel and quarter. Bring to a rolling boil and stir as tomatoes heat. Pack hot, add one teaspoon of salt to each quart. Adjust lids and process 10 minutes in a boiling-water bath.
Tomatoes for juice are prepared in the same way but are cut into smaller pieces. After simmering until softened, the tomatoes should be put through a fine sieve and then reheated just to boiling after

one-teaspoon salt per quart has been added. Fill into hot jars or bottles at once. Leave 1/4 inch head space in jars, 1/2 inch in bottles. Adjust tops and process 15 minutes in boiling-water bath.
Vitamin C is easily lost in cooking. The less cooking and handling in the canning of tomatoes results in more vitamin C being retained than in the juice which goes through several processes, Miss Wilson explains.

Farmers Warned On Dangers Resulting From Hog Cholera

Farmers are warned to guard against the danger of outbreaks of hog cholera in the hazardous months of early fall.
This is one of the seasons of greatest danger from hog cholera, the American Foundation for Animal Health declared, and livestock men were advised to keep a close watch on their swine droves and have all pigs vaccinated early.
Vaccination, along with sound sanitation practices and proper feeding, constitute the best safeguards for a sure pig crop, the Foundation pointed out.
Because infection can be spread by a hog coming down with cholera, even before pronounced symptoms appear, hog raisers were urged to keep a close watch on their droves for signs of fever, loss of appetite, or weakness.
"If evidence of illness appears, suspect cholera first," the Foundation statement said, "and have a veterinarian make a diagnosis at once."
"In the meantime, if pigs have not been vaccinated, it is wise to have this done immediately, making sure, first, that they are in condition to receive the immunization."
"If cholera does break out in the neighborhood, quarantine for at least two weeks any new livestock brought to the farm. And if it occurs on the farm, notify neighbors so they can take precautionary measures."

MICHIGAN MIRROR

(Continued from page one)
The state funds. Anyone who has followed Harry Kelly can safely bank on his recommendation to vote no on the tax amendment.

The Michigan Education Asso-

ciation may be counted on also to present convincing arguments as to why the new amendment would avert a "collapse" of the public schools, a prospect that appears to be again on the horizon.

We referred last week to the comparative low salaries paid to school teachers, the increasing dif-

ficulty of getting enough new teachers to fill needs, the obsolescence of many school buildings and other factors in the postwar picture.

The sales tax amendment would be a bonanza to many rural schools. Some schools would receive more funds than they actually need for present-day services. Thus there is a temptation for rural voters to modernize their rural schools at the expense of people living elsewhere.

Public schools now receive \$60,000,000 in state aid. Under the new amendment, they would get approximately \$100,000,000 a year, based on last year's tax collections. This is a substantial boost. It is our hunch that the MEA decided to back the amendment as a bargaining lever to get more state aid.

The amendment was lost on November 5. Any way you look at it, the teachers have little to lose; a lot to gain.

Funny Man

By WILLIAM J. MURDOCH
McClure Syndicate—WNU Features.

WILDER came right to the point. "You're slipping," he told Jeff. "Your gags don't go over any more. Maybe you do need a studio audience after all."

"No, I don't want one," said Jeff Jackson. "I got tired of seeing people laugh at me in vaudeville."

"They aren't laughing now," Wilder said between ripples at his cigar. He opened a desk drawer and drew out a thick pad of letters. "Beats—all of them about you," he said.

"Jeff, you're a natural, with that backwoods dialect and that corny line of guff. I ought to know—I've been in this business for 30 years. But you're slipping, Jeff. What's eating you?"

Jeff Jackson wanted to lean over and twist his manager's nose right out of other people's business. He didn't mind the backwoods crack, because that's just what he was—backwoods, enough to resent a little pipe-smoking around property that wasn't his own. But twist Wilder's nose wouldn't help Rose Edith and Rose Edith, sick as she was and the best sister any man ever had, needed all the help she could get.

"Maybe I'm just tired," Jackson said through a yawn. "This radio business is new to me."

"It'll be a perfect stranger if you don't come around," Wilder replied dryly. "I don't want to lose you, Jeff. So I've hired some writers for you."

"No!" Jackson said flatly. "I'm no trained seal to catch someone else's fish."

"Bestor's throwing fits, not fish," Wilder snapped. "Says we're not selling enough of his bread and he's threatening to take you off the air."

"Contract?" Jeff said sullenly. "Paper, just to get you off that rube vaudeville circuit. What's it going to be—writers, or the front door?"

Sanatoriums were expensive. So were doctors and doctors. Rose Edith had him so worried now he couldn't be himself on the radio. And if his income were cut off—

"All right," Jeff said. "It's writers."

A week of writing, arguing, hashing, rehashing and rewriting. A week of rehearsing, timing, cutting and padding. A few minutes at the microphone in the empty studio Jeff Jackson insisted on. Another blast of criticism from the letter-writing fans and another session with Wilder.

"I don't know what to do with you," he growled at Jeff. "I've hired the best comedy writers in the business and still you flop."

"I'm sick of this 'Laugh Clown Laugh' act. It's my sister. She's more dead than alive, and you expect me to stand up before a microphone and make folks laugh," Jeff said.

Wilder gestured impatiently. "Why didn't you say so before? We'll get the best specialists. Don't worry about the bills, Jeff."

"I can take care of my own," Jeff said with contempt. "It's not money I'm worrying about; it's Rose Edith. You're a city boy, Mr. Wilder. You don't know how close

families are down home. Pa's place was 'way back in the hills and we didn't have a chance to know many other kids, so Rose Edith and I just naturally had to play together."

Wilder was silent. "I see how it is," he said finally. "But how can you take care of Rose Edith if Bestor finds someone to take your place, Jeff? Who'll pay the bills?"

Wilder closed his fist. Here was a chance to sock money-spending John Q. Public right in the old tear ducts—a perfect sob story if ever there was one. "Instead of going through a comedy routine this week, tell the folks what you've just told me—they'll love it and will beg forgiveness for being so tough on you, Jeff. It's your only chance to hang on to that dough that Rose Edith needs," he warned, feeling the fire in Jackson's eyes.

The next Wednesday evening Jeff stood at the microphone without a script. Simply he told his millions of listeners about Rose Edith, about the childhood they had shared, He told them of the hardships at home and how he determined always to take care of her. He told of her illness, of the almost unbelievable number of doctors and nurses who were now caring for her. He closed with a brief, "That's my story, folks."

The studio telephones were jangling almost before he finished. Letters by the hundreds flooded the station the next day. And the essence of the response was found in a short paragraph taken from a radio-column in a newspaper which the next day hit the streets a few hours after the doctors told Jeff that Rose Edith had passed the crisis, that she was on the long, long road to recovery.

In answer to his many recent critics, the item read, "Jeff Jackson ably vindicated himself in the microphone last night, at the same time re-establishing himself as one of radio's most promising performers. In his familiar home-style, Jackson related the adventures and misadventures of his imaginary sister Rose Edith, one of the most uproarious and delightful characters he has yet created. He was never funnier."

To Boost Cotton
Cultivation of cotton in the Soviet Union, along with several other crops, is to be the special concern of the new commissariat of industrial crops cultivation according to the Russian press. Before the war, Russia produced the third largest cotton crop in the world—the U. S. and India accounting for first and second places—and was among those producers having the largest yields per acre. The USSR's share in world cotton production rose from 3.9 per cent in 1929 to 10.3 per cent in 1937.

Filter Out Rays
That the lens of the human eye filters out much of the ultra-violet light is evidenced by the visual reactions of persons whose lenses have been removed because of cataracts, says Better Vision Institute. Such lensless eyes become sensitive to ultra-violet rays which do not affect normal eyes. One English scientist found that after a lens removal operation he could see more clearly certain experiments involving ultra-violet light.

NORTHVILLE—This week brochures were mailed to Northville village and township residents asking for contributions to the new Community Athletic Field. Many local people have already made sizeable contributions, with donations ranging from 15 cents from a Cub Scout to \$100 from a believer in the project. The field has been graded, ready for seeding, and poles and wiring for the lighting system are being installed.—The Northville Record.

BRIGHTON—Billie and Jimmie Wells, who raised a sunflower 12 ft., 10 inches high, must now yield the spotlight to little Sharon-Stellwagon who brought in to the Argus office a sunflower plant measuring 13 feet, 2 1/2 inches in height. Mrs. Frank Seger has in her garden a sunflower plant that isn't tall, but has 121 blossoms on the single plant.—The Brighton Argus.

BUCHANAN—Artie Weaver brought to the Record office a branch from one of his peach trees which bore within an eight-inch section 21 beautiful Golden Elbertas, each measuring from 2 1/4 to 2 inches in diameter, the 21 weighing over eight pounds.—Berrien County Record.

SALINE—While working in her home, Mrs. Minnie Lewis took hold of the bare handle of her vacuum cleaner while having her other hand on a pail of water, and was immediately glued to both. She would have been electrocuted except for the timely arrival of her son, who pulled the cord. Her life was saved by the prompt and efficient service of a physician who was called at once. She is improving slowly.—The Saline Observer.

SALINE—Mrs. Edith Fuoss, one time president of the Michigan Button Society, and also the National Society, is exhibiting some of her choice buttons as a part of a show being put on by the J. L. Hudson store in Detroit by the Michigan Button Society, Sept. 9 to 21. Mrs. Fuoss owns a large collection of antique buttons gathered from all corners of the earth.—The Saline Observer.

Three Detroit Men Injured When Car Turns Over On US-12

Three Detroit men were injured, one very critically, about 8 o'clock Saturday morning when, according to reports of sheriff's officers, the tire on the left rear wheel of their car blew out, causing the car to leave the road and turn over three times before coming to rest 300 feet from the place where the blowout occurred, on US-12 near the Marilyn Inn.

The three men were taken to St. Joseph's Mercy hospital, Ann Arbor, where it was found that the driver of the car, Lawrence Monfils, 22 years old, suffered chest injuries and a broken shoulder; Lawrence Haranda, 24, scalp and shoulder wounds; and Leon Marks, 25, a broken back.

Haranda was treated and released and Monfils was admitted for further treatment, while the third man, Leon Marks, was transferred to University hospital where his condition was described as extremely serious.

PIN CHATTER

The Ladies' League of the Sylvan Recreation Bowling Alleys will start their season on Tuesday, September 17. "The fair sex" are off to a good start, if they live up to all the new rules and regulations they set up at their meeting on September 6.

Having a total of twelve teams, namely: Teachers, Cubs, Dixie Gas No. 1, Tortois, Bowers, Chelsea Spring, CIO, Chelsea Milling, Bobby Soxers, Virgobeds, Gauss Baking Co., and Dixie Gas No. 2, we expect some tough competition for top honors this season. We are bowling a straight 33-week season, rather than breaking it up into half-seasons as in previous years, which will make the prize money something worth bowling for.

We are sorry that the bowling news will be a week late when you read it, but that's the way it has to be.

Here's to more and better bowling.

ATTEND CONVENTION

Chelsea women who attended the third biennial convention of the Michigan-Indiana Synodical Women's Guild of the Evangelical and Reformed Church, held at Bethlehem church in Ann Arbor from Tuesday until Thursday last week, were Mesdames Albert Ashfall, Fred Seitz, Martin Miller, Lorenz Wenk, Charles Messner, P. G. Schable, F. H. Kraft, Norman Schmidt, Wilbert Breitenwischer, John Osterie, Alvin Vail, Louis Eppler and J. N. Strieter.

Delegates for the Women's Auxiliary of St. Paul's church were Mrs. Ashfall and Mrs. Breitenwischer, with Mrs. Martin Miller alternate.

The Ladies' Aid delegates were Mrs. Fred Seitz and Mrs. Louis Eppler, with Mrs. John Osterie as alternate. Mrs. Eppler went in place of Mrs. Waldo Kusterer, who had been appointed delegate but was unable to attend the convention.

Rev. P. H. Grabowski also attended several of the sessions.

Extension Groups Display Articles In Merkel Bros. Store

An exhibit of samples of the year's work of District No. 4 of the Washtenaw County Extension Clubs was on display in the window of Merkel Bros. hardware store from Thursday until Tuesday of this week, showing the varied program of practical projects the clubs feature.

A slip-covered upholstered chair, and a table and mirror refinished and made useable were the work of Mrs. Homer Stofor.

Other household articles in the exhibit were a chair, caned and refinished by Mrs. John Steinbach; a sewing cabinet and spice boxes refinished by Mrs. Leon Chapman; a lamp shade made by Mrs. Floyd Fowler; and a lovely hand made hooked rug made by Mrs. Clarence Reddeman.

A beautifully tailored coat on display was the work of Mrs. Harley Hatt, and a purse was shown which was made by Mrs. Leon Chapman.

Friday, Sept. 20 will be Rally Day for Washtenaw County Extension Groups in the auditorium of Ann Arbor high school, corner of State and Huron streets. There will be a "baking" demonstration, and the public is invited to attend.

LAFAYETTE GRANGE Lafayette Grange held the regular September meeting Tuesday evening at the Grange hall in Lima Center.

At the business meeting Mr. and Mrs. Arthur Miller were initiated into the Grange as members, and then the following program was given:

Song—"America, the Beautiful"

Grange.

Reading—"A Cake Recipe," taken from the Patron magazine.

Mrs. Donna Bradbury.

Short talks by each member in turn, on the subject, "What I Did On My Vacation."

Jack Bradbury described his vacation with the 4-H club as his visit to witness the wheat-fitting demonstration at Tecumseh; and Stowell Wood said he spent his vacation clearing out weeds, and suggested that legislation ought to be made against weeds being allowed to go to seed and allowing the seeds to blow in on other fields.

The other members mentioned places they had visited during their vacations.

Closing song—"I Love the Dear Old Farm"—Grange.

Refreshments were served at the close of the meeting.

CELEBRATES 90TH BIRTHDAY

Mrs. Harry Prudden and her daughter, Mrs. Gerald Luck, arranged a pleasant surprise for their aunt, Miss Alma Pierce, on her ninety-third birthday, Monday afternoon, by inviting several of her neighbors to a little gathering in her honor at her home on Pierce street.

The guests presented Miss Pierce with a shower of handkerchiefs, and she also received several bouquets of flowers.

Refreshments of ice cream and the prettily decorated birthday cake were served by the two hostesses.

Miss Pierce has lived in her present home since 1916 when she, with her sister, Mary, left the farm home south of Chelsea, where she was born, to come to town after her nephew, Harry Prudden, moved there to run the farm for her. Her sister died a number of years ago, and her sister-in-law, Mrs. Effie Gage, now resides with her.

CHAT 'N' SEAU MEETS

The Chat 'N' Seau was entertained Tuesday evening, Sept. 17 at the home of Mrs. Vearl Whipple with twenty members and guests in attendance.

The evening was spent in visiting, and two contests were enjoyed, with Miss Minnie Schumacher winning the baby picture contest and Mrs. Otto Hinderer the musical one.

Lovely refreshments were served at the close of the meeting by the hostess, assisted by Mrs. Fred Gentner, as co-hostess.

X-RAY UNIT COMING

The Mobile X-ray Unit, sponsored by the State Health Department, Washtenaw County T.B. Association and County Health Department, will be in Chelsea on Wednesday, Sept. 25 to X-ray the chests of high school students and teachers.

Rural teachers in the area served by Chelsea are invited to call at the Chelsea high school when their schools close in the afternoon, to have X-rays taken of their chests in this tuberculosis survey.

WRC BIRTHDAY PARTY

Sixteen members of the W.R.C. attended the dinner held at the Masonic hall Monday afternoon, honoring those whose birthdays occurred during May, June, July and August.

During the regular business meeting which followed delegates were elected to attend the District No. 4 convention, which is to be held October 2-3 in Port Huron.

Ruth Christwell was chosen delegate and Mary Adam, alternate.

DIES AT YPSILANTI

Charles Lotz of Sugar Loaf Lake died at Ypsilanti hospital on Wednesday evening. Burial was in Mt. Olivet cemetery, Chelsea, on Saturday.

Rally Day To Be Held By Ext'n Groups

Washtenaw county's home extension program for the coming year will get under way on Friday, Sept. 20 with a special Rally Day in Ann Arbor. The main feature of the program will be a baking demonstration given by Miss Helen Rodgers from the Wheat Flour Institute. Helpful baking instructions will be given by Miss Rodgers as she prepares banana bread, spiced apple coffee cake, California breakfast ring and other baked products. This demonstration will be open to all extension members in the county, and to the general public.

The program will be held at the Ann Arbor high school auditorium and will begin at 1:30 p.m. During this program, awards will be presented to the outstanding extension groups of last year. Those who fulfilled all of the standard group requirements will receive this special recognition.

Local extension group officers will receive instructions in their particular duties as an officer in their club, during a morning program planned at 10 a.m. at the Bethlehem church on South Fourth avenue in Ann Arbor. They will also discuss ideas and plans for their club during the coming year.

Club chairmen and vice-chairmen will meet with Mrs. Wm. Bahnmiller and Mrs. P. W. Smith, county chairman and past chairman. Mrs. Donald Staebler and Mrs. Ray Wurster will have charge of the secretary's meeting. Mrs. Wayne Teachout, Washtenaw recreation leader, will direct the group of recreation leaders. Miss Rachel Markwell, state home demonstration leader, and Mrs. Harvey Sanderson will meet with project leaders for their discussion. Mrs. Paul Feldkamp is to direct the discussion for the community chairman.

WEDDINGS

Schrader-Coluccio.

Miss Jean D. Schrader, daughter of Mr. and Mrs. Walter Schrader of Chelsea, and James E. Coluccio, son of Mr. and Mrs. Louis Coluccio of Rome, New York, were married Sunday in the First Methodist church, Rome, New York, at 8:30 p.m. The Rev. Dr. Alvin C. Goddard performed the ceremony, using the double ring service.

In the absence of the bride's father, the bridegroom's father gave her in marriage. She was gown in white dotted Swiss with high neckline, long fitted sleeves and full skirt with circular train. Her full length veil was edged with Chantilly lace and caught to a beaded tiara. She carried white roses.

Mrs. Alma Martin, sister of the bridegroom, was the matron of honor and Leon Martin was the best man. Mrs. Martin wore a gown of blue nylon made with broad satin bodice and long full skirt. She wore long-satin mitts to match the bodice and shoulder length veil of nylon caught to a flowered tiara. She carried pink roses.

After a reception at Pfeiffer's restaurant, the couple left for New York City.

The bride attended schools in Chelsea, and has been employed by Pontiac Motors, Detroit.

The bridegroom, who attended Rome Free Academy, served in the Navy. He was employed by the New York Central System.

Guests were present from Buffalo, Hartford, Conn. and Endicott.

DEATHS

Allen Page

Allen Page, 73, a resident of Chelsea, his entire lifetime, who was a retired railroad employee, died Sunday at the home of his son-in-law and daughter, Mr. and Mrs. John Schneider, after being ill about four years.

He was born in Chelsea, Aug. 18, 1873, and was a son of Robert and Anna Page. He was married in New Boston to Miss Lydia Ricketta on May 29, 1901.

His widow survives, as do two daughters, Mrs. William Ricketta of Grass Lake, and Mrs. Schneider, a son, Walter, of Ann Arbor; a brother, Frank, of Chelsea; a sister, Mrs. Charles Hagadorn, of Detroit; four half-brothers, Lewis, of Jackson, Ray and Henry, of Ann Arbor, and Albert, of White Cloud; and seven grandchildren.

Funeral services were held Wednesday at 2 o'clock at the Staffan funeral home, with Rev. W. H. Skentelbury officiating. Burial was in Oak Grove cemetery.

DISTRICT AUX. MEETING

A meeting of the Second District American Legion Auxiliary was held in Ypsilanti on Monday evening. Detailed information in regard to the Volunteer Hospital Workers' School was given by Department Rehabilitation Chairman Mrs. A. L. Lemon, Battle Creek.

This course will be conducted at the Dearborn Facility hospital on Oct. 17 and 18 and will be open on receipt of application to any member of the Legion Auxiliary. Those in attendance from Chelsea were Mrs. Howard Walz, president-elect of the local unit, Mrs. P. C. Maroney, zone rehabilitation chairman, Mrs. Julius Elsiele, Mrs. Sulo Hulce and Mrs. Donald Walz.
