Going Fishing?
Here's How!

To hear Willie Wells and Basil Strube arguing about trout fishing, you'd think it was more important than the atom bomb.

Willie favors dry flies. Basil pooh-poohs anything but wet flies. Willie swears by a Royal Coachman; Basil won't hear of anything but a Silver Doctor. And by the time it comes to steel rods versus bamboo rods... #1X&*12!

But on Saturday, each got back from Seward's creek with a catch that couldn't have differed by more than several ounces!

Each had used his favorite kind of fly, his favorite rod and his favorite place to cast. So over a friendly glass of beer, they allowed as how maybe they were both right... which is how so many arguments should end.

From where I sit, if we all respected one another's different opinions—whether about trout flies, or drinking beer, or voting, life would be a whole lot pleasanter.

Three's a Crowd
when
Two Are Talking

You know how distracting it is for a telephone conversation to be interrupted by a third person clicking the receiver or, in some other manner, trying to use the line when it's in use. It just isn't done by thoughtful rural line neighbors. Keeping calls short is courteous, too. And hanging up carefully frees the line for the next fellow.

Although material shortages have been holding us back, we're making progress on our 5-year \$13,500,000 program to expand and improve rural telephone service. One of our chief aims is to reduce the number of parties per line on overcrowded lines.

Veterans Expected To Reinstate Lapsed Insurance Policies

Veterans Administration offices throughout the state are preparing for a rush by veterans to reinstate lapsed National Service Life Insurance policies.

The rush was expected to coincide with the first payments of terminal leave to ex-servicemen and women. Payment of terminal leave to former enlisted personnel will for the most part be in the form of 5-year Government Bonds. These bonds may be used to reinstate lapsed policies or as payment toward converting NSLI policies and other changes. Otherwise they are not negotiable.

Contact representatives of the Veterans Administration have completed courses on the benefits of the recently revised Government Insurance and collection offices have been set up in the Detroit V.A. Office as well as in sub-regional offices out-state.

Reinstatements of lapsed NSLI policies have increased since the but the V.A. estimated that more than a quarter of a million Michigan-eligible veterans have failed to reinstate these policies.

Three Congregational Church Groups Held Meetings Last Week

(Continued from page one)

Mrs. Floyd Gentner and Mrs. N. Perkins.

Miss M. K. Schoenhals of Howell, a guest at the Geddes home, gave an interesting account on some of the highlights of her eleven years of work in the home mission field of mountainous eastern Tennessee.

Refreshments were served by Mrs. Geddes and her co-hostesses, Mrs. Geo. Goodell and Mrs. Whitmer.

Harmony Chapter met Friday afternoon at 2 o'clock at the home of Mrs. Henry Schneider.

The president, Mrs. M. J. Baxter, presided at the meeting, presenting Mrs. Wm. Davidson, who had charge of the devotionals.

Plans for the coming year's work were discussed and it was decided to continue with the same type of program that was used last year.

Lovely refreshments were served to the 11 members and one guest by the hostess, assisted by Mrs. G. Bollinger and Mrs. D. R. Hoppe.

Mr. and Mrs. Alvin Dag, and children of Concord spent Sunday afternoon at the home of Mrs. Louis Eppler.

OFFICE NEWS

The football team will play at Dundee tomorrow afternoon. There will be an All-High party at the school gymnasium tomorrow night.

Mr. Johnson is attending a superintendent's conference this Friday and Saturday at Traverse City.

PRELIMINARIES

Well folks, here is another football season and it looks like a prosperous one for Chelsea. High school football is certainly gratifying to see such a large attendance from both the townspeople and the students. But don't you think the cheering could be improved? We're sure the cheerleaders would appreciate a little more help from the crowd.

Another little thing we noticed is that a few people think they have to crawl under the ropes to see the game. If it weren't for these few, the people on the right side of the ropes would have a better view. Did you ever notice when a long pass is made that the people in the bottom rows stand up and then no one can see? We all want to see the game, remember this the next time.

CHS BROADCASTING

Here are your CHS reporters bringing you the up-to-date and up-to-minute news of things about and around school.

Say Oscar, heard you had to get a new motor for your car? That's what we called it. It couldn't be that far between your house and Helen's.

"Attention! You had better be careful of that DDT. You know it's one of those World War II articles."

Just the other day as I was walking through the halls, I heard a sigh from Bev. Weatherwax. Could it be you like '46 Ford, Bev?

"Have you been seeing what I've been seeing? Every Saturday at the same time she (7) locks up. Lady it must be hard to have an extra one to help you."

Say, what three girls joined the Junior Conservation Club when the meeting was being held out at the Christmas Seal Camp?

That's what I wonder. What is that about Waterloo Recreation? There must be some of those kids that know.

Do your eyes hurt? Boy, didn't Harp paint those wheels a pretty yellow—Boris D. can really distinguish the car now, whether it's day or night.

Lost the bearded brothers' beards of CHS. What happened? Did the bearded brothers' beards get you or the girls down?

PEP MEETING

Our first pep meeting was held Friday morning, and it started off with a bang as the cheer leaders gave out with "We got the coach!"

It was put on by the Seniors, and Clara Miller was in charge. Mr. Cameron was next on the list, and he rendered one of his very long speeches. Clara asked the football boys to come up to the front of study hall, and up came Bragdon Barlow with 45 others following. While the football boys were still

in front, the cheer leaders supported them with "yea team!"

Then a very cute skit was given by Miss Bean and Mr. Tewes. It was an interview between the sports editor of the Chelsea Standard and a football scout from East Jackson. Good work, teachers!

Following the skit came the cheer, "Right! Fight!" and the assembly was ended by everyone singing the school song, accompanied by Marceline Hinders.

PARTY

After the football game with East Jackson there was a dance in the Chelsea high school gymnasium. There was a great turnout at the game and dance. The dance was sponsored by the Student Council, and was free to everyone.

T.B. CLINIC

The TB mobile-unit was at our school on Wednesday, Sept. 25 to conduct an X-ray clinic.

All students were urged to have this X-ray taken. It took only 30 seconds but it may save years of worry and hospitalization. TB is a disease of persons, it attacks all races, colors and ages. My can strike anytime, anywhere. Why not be sure? Have the X-ray taken and then you'll know that you aren't spreading the disease, or else you'll know you've got it and you'll have the assurance that you can have medical aid and that no one else will get the disease from you.

HI-Y

The Hi-Y Club is putting forth effort to find money-making projects. Selling Christmas cards will be one of these projects this year. The club also wants Hi-Y pins. Let us know if you have any.

STUDENT COUNCIL

Beverly Weatherwax presented some new rules and regulations for the "Lost and Found Department." These rules have gone into effect, and are posted on the study hall bulletin board.

Nancy Loose presented some new amendments to the Constitution. These will be submitted to all the representatives for consideration.

F.F.A. NEWS

The F.F.A. boys are now picking apples in the Reichert orchard. This is a money-making project. They are now making plans to attend the Fall Stock Show in Detroit on October 8-9. This is to be put on by the New York Central Railroad.

FRESHMAN BIOGRAPHY

Another Freshman stepping up on our list is blonde, blue-eyed Gertrude Widmeyer. She was born on May 28, 1932 in Sylvan township, and previously went to the Merkle school.

Gertrude's "favorites" are western movies, the color blue, and the songs "To Each His Own" and "The Girl Next Door." She also thinks C.H.S. is "swell," so let's hope she goes on believing that as she becomes better acquainted with it.

Here is a Freshman I'm sure you will like to know. Her name is Virginia Quait.

She was planted on this earth thirteen years ago in a town called Stambaugh, Michigan, on January 5, 1933.

She now stands 5 feet 3 inches tall, has hazel eyes and brunette hair. As for her favorite food, she said it is apple pie. Her favorite color, sport, movie and song are the following: blue, skiing, "Centennial Summer" and "The Lord's Prayer."

She said "Oh, I like Chelsea High and all of my teachers." She is taking English, biology and algebra, the latter being her favorite. She also plays the piano very well.

SOPHOMORE NEWS

The Sophomore class called a special meeting to elect class officers. The class elected David Knickerbocker as president, Ted Knickerbocker as vice president, Mariene Heydlauff as secretary. The class officers will meet sometime this week to select a treasurer.

At the next meeting we expect to plan the freshman initiation.

SENIOR NEWS

On September sixteenth the seniors of Chelsea high school opened a magazine campaign that will run for two weeks. The campaign has progressed very well but to reach the record set by last year's class considerable work is still undone.

The seniors had charge of the pep meeting before the opening football game with East Jackson, and also operated a stand at the game, selling hot dogs and soft drinks.

KINDERGARTEN

The kindergarten enrollment for this year is 48 children. The grade is divided into two sections and is working out nicely. The Kindergarten Band has been organized in both groups. It will be ready for performance by the latter part of October.

SECOND GRADE

The second grade has joined a safety club. The name of it is the "A.B.C." Club.

THIRD GRADE

The third grade has been studying about Indians in social studies.

SEVENTH GRADE

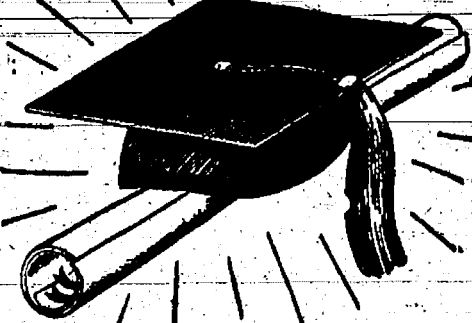

Seventh graders celebrated the fact that for the first time during their school career they attended a pep meeting last week. They also saw movies with the Senior high school.

FIFTH GRADE

Last week the class made a Columbus poster. Fred Stoll and Sandra Baldwin pasted the poster while the rest of the class cut out parts for it. In geography they are studying about the United States and have found it very interesting.

SET YOUR SIGHTS

It takes
planning
to achieve
a goal.

Some young men know what they want and plan for it. Others are still looking for their niche. The new Regular Army can help both. Perhaps you want to go to college but can't afford it. If you enlist in the Army, you'll get your chance. Honorably discharged after a three-year enlistment, you are eligible for 48 months of education at any college, trade, or business school for which you can qualify. The Government will pay your tuition, laboratory fees, etc., up to \$500 per ordinary school year, plus \$65 a month living allowance—\$90 a month if you have dependents.

If you haven't found your spot, an Army enlistment offers you training in any of 200 trades and skills. You leave the service eligible for further training at the best civilian schools.

You can assure yourself of the benefits of the GI Bill of Rights if you enter the Army on or before October 5, 1946. See your nearest Army Recruiting Station for details.

HIGHLIGHTS OF REGULAR ARMY ENLISTMENT

- Enlistments for 1½, 2 or 3 years. (1-year enlistments permitted for men now in the Army with 6 or more months of service.)
- Enlistment age from 18 to 34 years inclusive (17 with parental consent), except for men now in Army who may reenlist at any age, and former service men depending on length of service.
- A reenlistment bonus of \$50 for each year of active service since such bonus was last paid, or since last entry into service, provided reenlistment is within 3 months after last honorable discharge.
- A furlough for men who reenlist within 30 days. Full details of educational privileges can be obtained from Recruiting Officers.
- Muster-out pay (based upon length of service) to all men who are discharged to enlist or reenlist.
- Option to retire at half pay for the rest of your life after 20 years' service—increasing to three-quarters pay after 30 years' service. All previous active federal military service counts toward retirement.
- Choice of branch of service and overseas theater (of those still open) on 3-year enlistments.

Time for a Greyhound Color-Tour

... along flame-bright highways

It's a grand time for travel and sightseeing. Mother Nature's brilliant fall show is on display. Trees are dressed in fiery reds and golds. Hills and valleys are tinted in vibrant rusts and browns. The countryside is a bright crazy quilt of warm, glowing color.

The best way to enjoy a "close-up" view of this autumn spectacle is through the large picture frame windows of a Greyhound bus. Windows especially designed for greater looking pleasure. And Greyhound's deep cushioned, reclining seats add enjoyment to every mile.

Take your autumn trip now! Seats are more plentiful. Departures are frequent. Fares are still at their low pre-war level.

DUSTY

By Frank Davison

Dusty is the story of an Australian sheep dog, half kelpie, the domesticated ranch dog, half dingy, the wild dog of Australia. Dusty becomes a prize-winning sheep dog—and then he reverts and is no longer able to suppress the killer instinct inherited from his dingy mother. A good dog story.
