

Michigan MIRROR

By Gene Alleman

The controversial sales tax diversion amendment, sponsored originally by mayors of Michigan big cities and now supported by public school teachers, is due for a showdown.

On November 5 the registered citizens of Michigan—those who qualify by registration laws to cast a ballot—will make a fateful decision.

This column has presented both sides of the issue pertaining to the diversion of one-third of the state sales tax revenue to local governments, plus freezing of a state aid formula into the state constitution that would remove public school appropriations from the legislature.

It is becoming increasingly apparent that public school teachers, caught in the postwar inflation, are badly underpaid and are in need of better salaries. Kim Sigler and Murray D. Van Wagner will not dispute this fact.

It also becoming more and more apparent that something has to be done to give Michigan voters a choice. The state constitution authorizes a \$270,000,000 bonus for Michigan war veterans and also authorizes a bumper state aid formula for schools and colleges. How these proposals can be put into effect without badly disrupting state services, which for the most part involve people in home town communities, has been a subject of considerable concern with administrative officials at Lansing.

Democratic nominee for Governor, recently referred to the likelihood of the two proposals being approved by the voters on November 5. This likelihood, he claims, increases the need of Michigan having an experienced state administrator in the governor's chair who knows how to handle the new problem.

State Treasurer D. Hale Brake, who is a nominee for the same office on the G.O.P. ticket, has sharpened his pencils recently and has estimated that the \$270,000,000 veterans' bonus would require the additional expenditure from the state general fund of approximately \$17,500,000 a year for many years to come. This amount, significantly enough, is a little more than the surplus of the state general fund during the 1945-46 fiscal year after all disbursements had been made.

Latest figures from the office of John D. Morrison, State Auditor General, indicate a year's surplus of approximately \$15,000,000. The surplus, however, is in effect during the past year there would have been no surplus at all.

It is generally conceded that the veterans' bonus (Ballot Proposal No. 2) has a much better chance of being approved by the voters than the sales tax diversion amendment (Ballot Proposal No. 1). We have noted little if any attack on the bonus proposal. We have noted considerable controversy, pro and con, about the proposal. The latter is being considered on its merits. Therefore, when the latter issue is being considered on its merits it seems logical to take for granted that the bonus will be approved. Personally, we believe that such is the case.

If it is done, you arrive automatically at a point where the much talked about surplus becomes non-existent, as the above reasoning indicates. Retail department store sales are currently running about 50 per cent over the 1945 period. The year's surplus is an astonishing fact, but nevertheless quite true. How much longer the postwar inflation boom will continue is anybody's guess, although government economists have been warning consistently that the inflation is not going to last. It is due sometime in 1947 and that we should get ready to see supply and demand more in normal balance.

It was actually not so long ago as the Frank Murphy administration in fact, when the state general fund was buying red ink by the gallon. A treasury deficit grew into the millions. Welfare demands were high, and people could not be left to starve. A deficiency was created by the welfare and public relief programs. It began to make political capital of the fact that the Democrats were running the state into debt and that it was high time the voters turned to Republicans to do something about it. Sure, it's right on the record.

While state payrolls have increased steadily administration after administration, the record also shows unmistakably that state aid to local governments has gone steadily. It is not easy to paint the other fellow's kettle black. For example:

State payments returned to and benefiting local governments grew from \$89,000,000 in 1937 to \$178,700,000 in 1946—a ten-year period. The total of operating expenditures and reserves (for all purposes) climbed from \$100,000,000 to \$200,000,000. Read this paragraph again. Who's taking advantage of whom?

Republican Nominee Sigler has declared repeatedly that legislators should get more money; that legislators are "underpaid." Democratic Nominee Van Wagner has his own proposals calling for more state financing, one of them being for veteran homes at low interest rate and at nominal down payment of around \$500.00.

SEVENTY-SIXTH YEAR—No. 12.

Saline Mayor Will Speak At Business Men's Assn. Meeting Tuesday Night

Jackson Pastor To Speak At St. Paul's Church Hall Oct. 17

Rev. O. Walter Wagner, pastor of St. John's Evangelical and Reformed church, Jackson, who returned a short time ago from an extensive trip all over Europe, will speak in Chelsea on Thursday evening, October 17 at 8 p.m., on the subject "Food and Famines."

St. Paul's Young People's Society, is sponsoring Rev. Wagner's appearance here. The church hall, which will be open to the public without charge. A free-will offering will be taken, the entire amount to be turned over to the "Save-a-Child" fund, which is a long-range fund.

Rev. Wagner will also show pictures depicting conditions as he found them first hand, which should prove to be of great interest to everyone who would like to know exactly how the children of the world are suffering. The war ravaged countries are facing a famine.

Rev. Wagner is a very able speaker and it is hoped that the people of Chelsea will avail themselves of this opportunity to hear him describe European conditions as they are today.

F. W. Merkel, president of the Chelsea Business Men's Association, announces that Alvin Gross, mayor of Saline, will speak at the monthly meeting of the association to be held on the third floor of the Municipal Building next Tuesday night at 8 o'clock.

Mr. Gross will be accompanied by the Saline city manager, and a member of the Michigan Municipal League. The topic to be presented by the men will be the advantages of a city form of government over the outmoded system under which many villages still operate.

Saline voted for a change to their present city form of government several years ago and according to reports it has worked very satisfactorily. They now employ a city manager, which is another step toward better operation of a municipality.

There has been much discussion in Chelsea during the past few years concerning a change to a city, and most opinions expressed have been in favor of such a change.

With this in mind the officers of the Business Men's Association believe the subject should be brought before as many people as possible, and the meeting next Tuesday night will be open to the public.

In fact, Mr. Merkel urges all who are interested in a better form of government in Chelsea to be present at the meeting.

Mr. Merkel and his staff of officers are to be commended for their efforts in obtaining these speakers, and it is hoped that information obtained from their talks will start this village on its way to adoption of a form of government which will be in stride with the progress that has been made in the community, and which shows definite signs of increasing.

If you are interested in this vital subject, attend the meeting next Tuesday!

St. Paul's Ladies' Aid Held October Meeting On Friday

St. Paul's Ladies' Aid Society met for the October meeting at the church hall Friday afternoon with twenty members present.

The topic for the program was "The Dimensions of Thankfulness." Rev. F. H. Grabowski conducted the opening devotionals with appropriate Scripture and prayer.

The program included a duet by Mrs. Grabowski and Mrs. John Osterle, "I Sing The Praise of Love Unbounded"; prayer and benediction by Mrs. Fred Seitz.

The "Pilgrim's Guide," which was an explanation of the Thank-Offering project of the Evangelical and Reformed Women's Guild, by Mrs. Waldo Kusterer, and Mrs. Carl Mayer; and a report by the assembly, Christian Soldiers, by the assembly, Mrs. Philip Seitz read the prayer from the Prayer Calendar at the close of the program.

At the business meeting reports were given on the Women's Guild and the Michigan Indiana Synod, held in Ann Arbor last month, by Mrs. Fred Seitz, Mrs. Louis Eppler and Mrs. Osterle.

Reports on the Fall Sectional Conference held at Manchester on September 25 were given by Mrs. Waldo Kusterer and Mrs. Fred Seitz.

A vote was taken by ballot on the proposed merger of the Women's Auxiliary and Ladies' Aid Society of St. Paul's church, with the result of a majority in favor of the merger. A vote will also be taken at the October Auxiliary meeting, and if the results there are the same the two societies will merge to begin work as one society the first of the year.

The church will be open for a full evening, from the meeting by the October refreshment committee, Mrs. Christina Nicolai and Mrs. Clarence Nicolai.

Pastry Shop Adding New Equipment

Patrons of the local bakery will be pleased to know that during the past week many improvements were started at the Lady Ann Pastry Shop, all of which will add much to the quality and amount of baked goods produced, and they will be interested to know also that the bakery is in a modern and sanitary shop.

Perhaps the most important improvement is the installation of a new automatic thermostatically controlled gas oven. This new type of oven, known as the "Fish and Chip" oven, is four feet in diameter, with a capacity of 20 bun tins or 40 dozen cookies. Among its advantages is the assurance of baked goods of uniform quality and color, and because of faster baking, the quality and flavor are improved. The production is greatly increased.

With efficiency and sanitation in mind, the entire bake shop has been rearranged, the new oven being located along the south wall with the mixers directly opposite. A new automatic mixer, and a new mixer, have been added to the present equipment as soon as delivery can be made. At the rear of the shop a 20-gallon capacity automatic hot water heater has been installed, along with double porcelain sinks. The basement has not been overlooked, and a new floor, new cementing, and among other things a new cement floor is being laid.

The Lady Ann Pastry Shop, formerly known as the Chelsea Bakery, was bought from H. R. Seyfried by the Gauss Baking Co., of Warren, Alexander, a Chelsea, boy, son of the late Mr. and Mrs. Waldo Kusterer, has been manager of the bakery since it was purchased by the Gauss Baking Co. His experience began when he worked nights after school and Saturdays for the Seyfrieds, later going to a Teaneck Bakery where he worked for the bread, rolls, and pie crew. From then on his work has included every line of baking and has taken him over quite a bit of territory, going first to Lansing where he was foreman at the Dutch Mill Bakery, and later to the following college dormitories for over three years. His next step was to enter hotel work, working in Chicago and at northern resort hotels as head baker of fancy pastries and pies during the summer, and going south for the winter season, during the winter season, baking in such resort towns as Miami Beach and Jacksonville, Fla.

It is Warren's ambition to give the people of Chelsea and community a complete line of fine quality baked goods, and to make the winter season, baking in such resort towns as Miami Beach and Jacksonville, Fla.

YOUR STATE TAX DOLLAR

Taxpayers Get Report From State

On page two of The Standard today appears an unusual advertisement.

Headed "An Accounting to Taxpayers," the paid message is from the State of Michigan through John D. Morrison, state auditor general. It is a handy report to Michigan taxpayers of revenues received and expenditures made by the State of Michigan during the past fiscal year ending June 30, 1946.

Mr. Morrison, who incidentally is not running for re-election, chose newspapers as the most effective and economical way to inform taxpayers about the state's financial operations and the current surplus.

The official report shows total receipts of \$304,118,039.36 and total expenditures of \$285,499,092.39, leaving a year's surplus of \$17,618,946.97. As the state began the year with a surplus of \$2,219,753.68, the unrestricted surplus in the treasury on June 30—that was available for legislative appropriation—was \$21,532,356.01.

The above surplus does not include funds restricted by the legislature for future definite needs and others, and hence not available for legislative appropriation.

Officers Named By Farm Bureau Group

The Lima-Scioto Farm Bureau met Thursday, October 3 at the Lafayette Grange hall, Lima Center, for a pot-luck supper, followed by a business meeting conducted by the chairman, Walter Breuninger.

The main business at the meeting was election of officers for the coming year, with the following being elected:

Chairman—Irven Weiss.
Discussion Chairman—Jack Bradbury.
Asst. Discussion Chairman—Mrs. Bradbury.
Secretary—Mrs. Lewis Hasel.
Publicity Chairman—Mrs. Clarence Redden.
Recreation Chairman—Mrs. Arthur Kuhl.
Treasurer—Mrs. Robert Gilbert.
Representative to the County Associated Women's Group—Mrs. LaVerne Coy.

News of the Junior Farm Bureau groups was given by Robert Gilbert, and the guest speaker of the evening was Clyde Breining of Augusta township, county organizer of community Farm Bureau groups who gave short talks on news of other county groups in answer to questions asked by different members during the meeting.

Games and contests were enjoyed under the direction of the recreation chairman, Mrs. Arthur Kuhl, after the business meeting.

Effort To Raise Age For Drivers Is Not Aimed at Rural Youth

Legislation to reduce the slaughter on Michigan highways by raising the minimum driver's license age from 14 to 16 years old is not aimed at curbing capable and qualified rural youths, Automobile Club of Michigan insurance experts say.

According to Richard Harfst, Auto Club general manager, the statewide motorizing organization will spearhead the campaign to raise the minimum age to 16 in the near future.

"The legislation is not aimed at curbing capable and qualified rural youths, Automobile Club of Michigan insurance experts say."

According to Richard Harfst, Auto Club general manager, the statewide motorizing organization will spearhead the campaign to raise the minimum age to 16 in the near future.

"The legislation is not aimed at curbing capable and qualified rural youths, Automobile Club of Michigan insurance experts say."

There are two very sound reasons for differentiating between the city youth and the farm youth," Harfst asserted. "First, the farm boy's driving of farm cars and other vehicles is highly important in these days of manpower shortage and the necessity for maximum farm production. Second, the farm boy in the very nature of his rearing and everyday life, is 'older' than the city boy of corresponding age."

Although they represent a minority group—10 per cent—and average only one-fifth the annual mileage of more mature motorists, the driver under 18 years old is potentially 110 per cent more dangerous on the highways than motorists 45-50 years old, Auto Club maintains.

Since the ratio of fatalities to teen age drivers is 22 per cent above average, and AAA surveys show teenagers drive only one-fifth as many miles per fatal accident as the 45-50 group, Auto Club experts conclude the youngsters are potentially 110 per cent more dangerous than the seasoned driver.

While campaigning to eliminate some of the 14-16 year olds from the road, the Auto Club also is pioneering the movement toward safety education in schools throughout the state, and also "behind-the-wheel" training for senior high school students.

First Graders Start Full Sessions Monday

First graders in the Chelsea public schools, who have been on half-day sessions since September 16, will be placed on full day sessions starting Monday, October 14.

The present first grade room is being divided into two sections by the installation of a temporary partition in the room. The necessary equipment and supplies have been purchased for the additional section and Mrs. Marilyn Carter of Ann Arbor has been employed as a teacher for one of the sections. Mrs. Carter is from Detroit and received training at the University of Michigan.

M. E. A. Regional Conference Opens Today In Detroit

Teachers of five southeastern Michigan counties are assembling in Detroit today, October 10, for the annual Region Six Conference of the Michigan Education Association.

An extensive program of speakers has been scheduled for the Region Six Conference. It will be headed by A. J. Stoddard, superintendent of Philadelphia schools, who will speak on "Education of Schools to Enduring Peace." Dr. Stoddard will address the Thursday morning general program of the conference. Another headline speaker will be Robert St. John, author, magazine writer, and news commentator.

Eugene B. Elliott, state superintendent of public instruction, and Lee B. Durham, president of the Michigan Education Association, both will address general programs of the conference.

Music for general sessions at Detroit will be provided by the Birmingham high school a cappella choir, directed by Victor Ulrich, and by the Northwestern high school glee club.

Registration headquarters for the teachers attending the Region Six Conference will be in the Consistory lobby, Masonic Temple. Registration begins this morning at 8:30 o'clock, and the first general program will follow at 9:15 in the Masonic Temple auditorium.

General sessions, as well as some of the Division and Section programs, will take place in the Masonic Temple.

Counties included in M.E.A. Region Six are: Macomb, Oakland, St. Clair and Washtenaw. The Chelsea public schools are closed for Thursday and Friday so that teachers may attend the conference.

Chelsea Wins Thriller Over Flat Rock

By C.H.S. Reporter

Last Friday night a crowd of 1750 saw the Chelsea football team down an impressive Flat Rock team, 7-6. The game was far from being a one-sided affair at any given time. Chelsea had several start-breaking penalties against them, but the team fought just that much harder to overcome the situation. Chelsea proved its superiority in the second and fourth quarters by making good line stands.

First Quarter

Chelsea won the toss and elected to receive, while Flat Rock elected to defend the north goal. Barlow took the kick-off on his own twenty and drove hard to the Chelsea 38 where he was brought down by a host of Flat Rock players. Chelsea proceeded to drive hard until reaching the Flat Rock 20. At this point Knickerbocker fumbled and Chelsea was unable to recover. In a series of plays Flat Rock managed to pick up a single first down. The Chelsea line hit harder from here on in and Flat Rock was forced to kick. Chelsea took over its own 30. In this set of downs Chelsea was thrown for a 10-yard loss on a pass play. Unable to pick-up the necessary yardage, Chelsea was forced to punt. On a beautiful run-back play the Flat Rock halfback carried the ball back to the Chelsea 32. When the quarter ended Flat Rock found itself on the Chelsea 22 yard line.

Second Quarter

Flat Rock proceeded on its drive to pay dirt territory. The drive was repulsed but a 5 yard off-side penalty against Chelsea put Flat Rock back in the game full swing. Chelsea held fast for two plays but a third down pass over (Continued on page ten)

Chelsea's Quota Is \$2,000 In Final Drive To Raise Funds For USO Operations

Washtenaw County Elks Will Honor Judge Jay H. Payne

Lodge No. 325, BPOE Elks, Ann Arbor, announces that a special meeting will be held on Wednesday evening, October 16 to pay honor to Judge Jay H. Payne for the outstanding services he has performed as a member and officer of that organization.

The meeting will start at 8 p.m. and will be open to all members of the Elks. Harry Hellmann, famous radio baseball reporter, will be the principal speaker of the evening.

At the meeting, which will be known as "Judge Payne Night," special recognition will be given to

Residents of Chelsea and its surrounding area will be asked to raise \$2,000 as their share of the \$18,900 quota of Washtenaw county in the drive for funds to finance the final operations of the United Service Organizations. County Campaign Chairman Kenneth Hallenbeck has announced. The drive will be held from October 21 to November 4.

It had been believed that last year would see the end of the activities of the USO, Hallenbeck said, "but the need is still with us and it is up to all of us to carry the load."

Richard Earhart, chairman of the county executive committee of the USO said, "The decision to continue the USO for another year has been made at the request of President Truman, the Secretaries of the War and Navy Departments, and high ranking officers of the various armed services. With the hundreds of thousands of young Americans still in foreign service, and in training camps in this country, the military chiefs have explained that they are not able at this time to take over the essential morale services of the USO."

"Between 350 and 400 USO clubs will be operated in the United States for hospitalized veterans, troops in training and families of men in service, station lounges, travelers' aid service and clubs at transportation points must be maintained; USO camp shows will be continued for men in hospitals and troops overseas; and overseas clubs will be operated in various territories and foreign service zones," Earhart explained.

"These services, although on a smaller scale than when the United States had millions in service, are still urgently needed and must be taken over by the various branches of service in an orderly manner while the USO is being wound-up during the coming year," Earhart said.

Nationally the USO is raising 19 million dollars as compared with a peak budget of more than \$20 million in 1944. Washtenaw county's \$18,900 quota represents a share of a state budget of \$953,754.00.

Extension Groups Start New Season

With County Rally Day and local group rally days over, the 31 Extension groups of Washtenaw county are getting down to the serious part of the year's program. On Friday, a trainer's meeting was held at the Chelsea Municipal Building which was attended by project leaders of each group in the vicinity of Chelsea. Other trainer meetings have been held in Ypsilanti and Ann Arbor. The lesson at these first trainer's meetings was on "Improving Kitchen Cupboards."

Other lessons to follow are: a food lesson called "Keeping Fit"; "Selection and Hanging of Curtains"; "Making of Curtains"; and "Mending Woollens." The leaders, after taking these lessons, will return to their own local groups and pass on the information they have obtained.

There are well over 500 members now enrolled in local groups in Washtenaw county, and leaders of Extension work feel there are probably a great many interested women who would like to join an existing group or form a new one. A new group may be formed by a minimum of six or eight persons, and information or assistance with this, as well as on Extension work in general may be obtained by calling the representatives of this district, Mrs. Wilbur Hatt or Mrs. Ann-Bahmiller, of the Sylvan and Lima groups, respectively. They may be contacted by Mrs. Frances E. Wilson, home demonstration agent, at the court house in Ann Arbor.

Cattle Feeders' Day Will Be Held At MSC On October 18

Michigan cattle feeders and producers will discuss common problems at the annual Cattle Feeders' Day at Michigan State college on Friday, October 18.

These problems involve production, marketing, processing, wholesaling and retailing of beef. The annual event, sponsored by the animal husbandry and agricultural economics departments of the college, will begin at 1 p.m. at the livestock pavilion.

Production costs and methods of feeding will be discussed by the feeders. College feeding lots will be viewed and results of feeding experiments will be available to producers. Six lots of steers are now on feed in the college experiment.

Aware of the fact cattle feeding is more speculative because of present conditions, feeders are seeking information to help them plan their program. Costs of grain, labor and feeder cattle are free from controls, but with meat and meat products under ceiling prices, many cattlemen ask for outside advice.

Stanley Wellman, manager of the Michigan Elevator Exchange, Detroit, will discuss the feed and protein situation. R. Dewey Smith, vice-president of the Meat Packers' Association, Cheesing, will discuss "Livestock Procurement Problems and Meeting Consumer Changes in Demand for Meat," before the group.

Prof. George A. Brown, head of the department of animal husbandry at the college is scheduled to cover the subject of "The Livestock Situation." Another packer, W. H. Hill, Detroit Packing company, Detroit, will explain the "Packers' Position in the Livestock Industry."

All farmers interested in cattle feeding are invited to attend.

O.E.S. ELECTS OFFICERS

Family Night Held At Methodist Church

Family Night was held Thursday evening, October 3 at the Methodist church, under the joint sponsorship of the W.S.C.S. and the Fellowship Club of the church, with 120 present.

Dinner was served promptly at 6:30, and Rev. E. R. Major had charge of the devotionals, giving a short talk on the topic "God Will Take Care of You."

Albert C. Johnson, president of the Fellowship Club, was in charge of the meeting and presented the speaker, Mrs. Bernice Elliott, of India, who kept everyone interested during her discussion of the culture of the people of India.

During the program, three teachers of the Chelsea public school, Mrs. Hoffman, Miss Seales and Miss Larson, took charge of the younger children for a story hour in the primary room of the Sunday school.

The evening's program closed with the benediction by Rev. LeRoy I. Lord.

WEDDINGS

Hoover-Clear
Goldie Ruth Clear, daughter of Mr. and Mrs. Clifford Clear, of Birch Run and Gerald William Hoover, son of Mr. and Mrs. J. W. Hoover of Chelsea, were married Sept. 7 in the Mack Evangelical church, Detroit. Rev. Kellerman performed the ceremony, using the double ring service.

The bride was given in marriage by her father, Mr. Richard Clear, the bride's sister, was matron of honor, Warren M. Hoover was best man.

Following the wedding a reception was held.

The couple left for a trip to Wisconsin and northern Michigan and will be at home in Detroit.

The bride is employed at the Briggs Mfg. Co., Detroit. The groom was honorably discharged from the Army recently after having been overseas three years, and is employed in Detroit.

HOSTESS TO TEACHERS
Gertrude Eppler of Bowling Green, Ohio was hostess at the cottage of her parents, Mr. and Mrs. Adam Eppler, at Blind Lake, for the fifteenth annual homecoming of a group of physical education teachers who graduated in the same class from Michigan State Normal college at Ypsilanti.

The guests, who spent the entire week-end there, were Bernice Vander Velde of Chicago, Marian Haller of Mt. Pleasant, Esther Schoz of Detroit, Nean Wilson of Highland Park, Florence Peterson of Detroit, Ohio, Katherine Maher and Jane Tavel of Toledo, Ohio, Augusta Harris of Ypsilanti, and Irma Klonka of Wayne.

On Sunday, Mr. and Mrs. Adam Eppler were guests of the group at dinner.

HI-NEIGHBOR CLUB
The Hi-Neighbor club met Friday evening, October 4 at the home of Mr. and Mrs. Melvin Lesser, with about 25 present.

Euchre was the diversion of the evening, and high prizes were won by Melvin Lesser and Mary Ellen Van Riper, and low by Leon Chapman and Jerry Lesser. Fred Gentner won the traveling prize.

Pot-luck refreshments were enjoyed after the game.

Rhubarb Seeds
Rhubarb seeds may be sown in August and the seedlings transplanted the following spring. However, these seedlings do not always come true to variety.

Rev. C. S. Rieley of Ironwood has been appointed as pastor of the Chelsea Methodist church, to fill the vacancy caused by the sudden death of the late Rev. H. R. Beatty.

Monday was the 95th birthday anniversary of Jay Everett, and Sunday as many of his children, grandchildren and nephews as could gathered at his home to help him celebrate the occasion. Mr. Everett is one of Washtenaw county's pioneers, having been born in this county. His father took up land from the government, some of which Mr. Everett still owns.

Raymond Wenk, young son of Mr. and Mrs. John Wenk, was severely bitten by a dog while at play at the home of his uncle, Joseph Wenk. He suffered two lacerations in his scalp, one of which is five inches long and cut to the bone, another over his left eye, one on the right temple, and several body lacerations.

Helen, the five-year-old daughter of Mr. and Mrs. A. G. Hindelang, had a very narrow escape when she was struck by a car driven by O. D. Schneider. Helen was riding a tricycle and as Mr. Schneider turned off Main street onto South street, the truck driver pulled to one side and the child was struck by the auto, but was not seriously injured.

Carpenters are at work putting on the finishing touches to the new residence of A. W. Wilkinson on the Territorial Road. Lynn Kern has had his team working several days this week grading the yard.

E. A. Tisch has the foundation walls completed for his garage on North Main St. The building will be 44x72 and is to be constructed of hollow tile.

Mr. and Mrs. George Nordman have issued invitations announcing the marriage of their daughter, Hazel M., and Chas. H. Bycraft, which will take place at 8 o'clock Thursday morning, Oct. 24 at the Catholic church.

John Fletcher spent Sunday in Belleville, and late in the evening discovered a barn on fire. In making his way about to notify the owners he ran into a tree, striking his head a severe blow, which dazed him for some time. He was able to be at work Monday with "decorations" on his face. He says that he didn't know there were so many stars in the universe as he saw when he struck the tree.

HOLD ANNUAL PICNIC
About sixty children and adults enjoyed the annual picnic of the primary department of the Congregational Sunday school which was held Saturday afternoon at the farm home of Warren and Miss Bertha Spaulding, and was in charge of Mrs. Paul Maroney.

The youngsters had a perfectly wonderful time playing in the hay and "helping" shell corn for the chickens. Riding horseback under the watchful care of Mr. Spaulding proved very popular also, as did a hayride all over the farm.

A bountiful supper, which was served in the barn, concluded the afternoon's festivities.

The Spaulding farm is an ideal spot for these picnics which have been held there each fall for the past ten years.

ADDRESSES KIWANIS
An interesting and informative talk was given by Carl Van Weelden on Monday night at the Kiwanis meeting, on the set-up and work at the Waterloo Recreation Area. This section forms an important link in the reserve which the state has set aside for recreation and play. The increased patronage during the past year signifies its growing popularity and service in the years ahead.

OFFICE NEWS
School will be closed today and tomorrow, as the teachers are attending the M.E.A. meetings in Detroit.

Chelsea will play at Romulus tomorrow (Friday) afternoon. Begon cards will be handed out next Wednesday.

There will be a Grade PTA meeting held in the Home Ec. room on October 16.

OPINIONS
It might be interesting to let the public know some of the students' opinions of what they think of school this year and what improvements could be made.
Bob Vogel: "I think Chelsea high school is a very fine school because we have good teachers this year and we have many opportunities that other schools don't have."
Joanne O'Dell: "I like school very much this year, but I think there should be something done about the pushing and shoving in and out of the locker rooms at noon after school."
Patsy Mohrlock: "My opinion of our class is that everyone in the class is for himself and no one else. There are a certain few in the class that do all the work and it well. There are others who sit by and laugh and never do a thing. Then when it comes to fun everyone wants to join in. Come

on, Juniors, let's have more cooperation and get things done."
Anne Lambertson: "I'm having loads of fun this year and I like school a lot. I suppose that's because I see the end in sight. I don't have any complaints, because I like all my classes, especially chorus, and all my teachers."

LOST, FOUND, STRAYED OR STOLEN
Found: Tough teacher—Mr. Tewes.
Lost: One cold—Miss Fox.
Strayed: One initialed ring—Jim Wendt.

Stolen: Typewriter key letters—Return to all typing classes, promptly.
Lost: Two school days—any objections?

Found: Initiation date—Freshmen.
Lost: Appendix—Rita Gross.
Strayed: All brains.
Stolen: A few (?) watermelons.

Found: Boys' voices—Mr. Redman.
Found: Apple appetites after school.
Found: Wool materials—Second hour Home Economics class.

INTRODUCING—
Corky Dreyer is another new freshman we have at school this year. He is from St. Mary's Catholic school, Chelsea. Corky was born January 23, 1933. He is 5 feet 3 inches tall, weighs 108 pounds, has blue eyes and brown

hair. His favorite food is chop suey and chili, which he can eat anytime. Blue seems to be his favorite color, and football his favorite sport. Corky thinks CHS is swell, and loads of fun.
Another of the new freshmen is Oscar Bareis, Jr. He was born May 15, 1932. He is from Beach school. Oscar is 5 feet 9 inches tall, weighs 150 pounds, has green eyes and brown hair. His favorite food is cake, and brown is his favorite color. Oscar's favorite sport is football. He thinks that CHS has very nice teachers and the school offers many opportunities.

Richard Usevick is another of the many new freshmen. He was born February 6, 1932. He is from the Stuart Tila school in Stockbridge. Richard is 6 feet tall, weighs 140 pounds, has brown eyes and hair. His favorite food is Swiss steak, and his favorite color is crimson. He likes to dance ball for his favorite sport. Richard thinks that CHS has the best staff of teachers he ever came across.

STUDENT COUNCIL
Dancing lessons will be held on Wednesdays during second and third periods for the seventh and eighth grades. Miss Beane's "Play Ed." class and those in study hall. The instructor will also be in the gym over the noon hour.
The instructor, Mr. Colburn, will also give instructions in square and social dancing on alternate Monday evenings, from seven to nine, for senior high school students and from nine to eleven for the townspeople.

CHORUS
The chorus has been conducting a campaign for more male singers. The results so far have been very good.
The following officers have been elected:
President—Dave Slane.
Vice President and Secretary—Sonja Weatherwax.
Treasurer—Donna Kalmbach.
Program Committee Chairman—Wilma Koenigster.
Publicity Committee Chairman—Nancy Loose.

They hope to give a concert by Christmas and an operetta this spring.
BAND
Last week the band issued their uniforms.
They played at the Flat Rock game last Friday and intend to play at the other home games.

F.F.A. MEETING
The F.F.A. held its first meeting on Thursday, October 3. The new officers took over. The officers are: President, D. Barth; vice president, G. Merkel; secretary, E. Lantis; reporter, B. Shanahan; watch dog, A. Paul.
The boys discussed further plans for the annual game supper.
The system for raising more money also was discussed.
The meeting was closed by the hall.

ATHLETIC BOARD
The Athletic Board decided to let the cheerleaders receive their letters if they had cheered for both football and basketball. They also

purchased infra-red lamp, to be used for injuries.

SENIOR NEWS
The Senior class has completed their magazine sale and has earned \$689.85.

THIRD GRADE
Wednesday the third grade went for a walk to see how many weeds and trees they could find that they had studied about.
Wilma Jean Hotchkiss entered the grade on Thursday from Cement City school.

SEVENTH GRADE
The seventh grade officers and advisor chose David Bertke to act as treasurer for the group.

COLUMBUS DAY
What is the importance of Columbus day? It may be asked by many. It would be a difficult question to answer, too. Every one is acquainted with the voyage of Columbus, the hardships he and his men endured, the landing in America, and the result of his adventures when he returned to Europe. It is only proper to display respect for such an individual. He had courage, faith, endurance, as well as daring.
In a way indirect as it may seem—America's origin can be traced back to that mistake which Columbus made in 1492.

DANCE
The dance put on last Friday night by the cheerleaders was lots of fun, and not just because it cost only a dime to get in.
Everyone seemed to be in good spirits, even the kids from Flat Rock. Miss Searles and Miss Schell seemed to be enjoying themselves also (who were those men?).
Some of the Chelsea Bulldogs were dancing with the Flat Rock girls. What has gone wrong with your technique? We also noticed that two college

boys came to our dance. At first we thought they were Clark Gable and Peter Lawford, but later found they were Danny Ewald and Joe Hale.
A dirty trick was played on the Freshmen again. They had to clean after the dance was over. This is unconstitutional! Abraham Lincoln freed the slaves once!

Officers Elected By Cav. Lake Grange

SALEM GROVE WSCS

Nineteen members and two visitors attended the Salem Grove WSCS meeting at the home of Mrs. Chester Notten and Miss Mable Notten on Wednesday afternoon, Oct. 2.

Devotions were led by Mrs. Truman Lehman. Hymns "I Need Thee Every Hour" and "God Will Take Care of You" were sung.

Mrs. Geo. Heydlauff presided at the business meeting. Reports of the secretary and treasurer were read and accepted. It was voted to buy a new vacuum cleaner for the church and to redecorate the church when material is available.

Mrs. G. Rentschler, chairman of Spiritual Life, spoke concerning the week of prayer and self denial the last week in October, and it

was decided to hold a service in the church Sunday night, Oct. 27. Mrs. Heydlauff appointed Mrs. Chester Notten, Miss Mable Notten and Mrs. T. G. Riemenschneider as the nominating committee. Mrs. Quatt presented the program.

The Lord's Prayer was repeated in unison in closing.

GIRL SCOUT NEWS

DEATHS

Frederick E. Belser
Frederick E. Belser, 62, a former Chelsea resident, and brother of Paul Belser of Chelsea, died at St. Joseph's Mercy hospital, Ann Arbor, Sunday night after suffering a cerebral hemorrhage at his home, 231 Mason Ave., Ann Arbor.
Mr. Belser was born in Ann Arbor in 1883 and was the son of Frederick H. and Emily Essie Belser. He graduated from Ann Arbor high school and from 1909 to 1919 lived in Chelsea, where his father was in the hardware business. Mr. Belser was the proprietor of a recreation and bowling alley here for several years before returning to Ann Arbor. He has been employed by Argus, Incorporated for the past six years.
Mr. Belser is survived by his widow, the former Harriet Dunn, to whom he was married in 1913; a daughter, Mrs. Rodney Lemble, and a grandson, David, living at the home; a sister, Mrs. G. J. Dickema, of Ann Arbor, and two brothers, Paul of Chelsea, and George of Tulsa, Okla.
Funeral services were held Wednesday morning, Oct. 9, at 10 o'clock in the funeral chapel in Ann Arbor with Rev. E. C. Steinhorn officiating. Burial was in St. Thomas cemetery, Ann Arbor.
Jay B. Stanton
Jay B. Stanton died Saturday at St. Joseph's Mercy hospital, Detroit, and funeral services were held at the residence, 1213 Marlborough, Detroit at 1:30 o'clock on Tuesday with Rev. Theodore Molendke officiating.
Mr. Stanton was born in Webster township, Erie Co., N.Y., and was married to Grace M. Stanton, Pinckney in 1902. They were residents of Chelsea for several years.
Survivors, besides the widow, are four sisters, Mrs. George Savory, Dexter, Mrs. Alma Brown, Detroit, Mrs. Olive Hoos, Ann Arbor, and Mrs. R. B. Seybold, Hillsdale. Several nieces and nephews also survive, including Mrs. Wm. R. Geddes of Chelsea.
Burial was in Oak Grove cemetery, Chelsea, with Olive Lodge No. 56, F. & A. M. conducting graveside services.
Mrs. Elizabeth Whitlatch
Mrs. Elizabeth Whitlatch, aged 88 years, died October 8 at the home of her daughter, Mrs. Aylmer McLennan, 30 North Lima, Center road.
She is survived by three daughters, Mrs. Aylmer McLennan, Mrs. Kathryn Kennedy of Lincoln Park, Mrs. Martha Reese of New Castle, Pa., and two sons, Harry of Irwin, Pa. and John of New Castle, Pa.
The remains were sent to the Cunningham funeral home, New Castle, Pa., where funeral services will be held Friday afternoon, with interment in Oak Park cemetery, New Castle.

NEW YANKEE PILOT

Johnny Neun, who succeeded Bill Dickey as manager of the New York Yankees, has been Yankee coach since 1944.

ROD & GUN CLUB

The Chelsea Rod and Gun Club met at the American Legion Home at Cavanaugh Lake on Tuesday evening, with 60 members and 15 guests present.
At the business meeting it was voted to increase the membership from the former maximum of 100 to 125, which should prove of interest to those who have been anxious to become members of the club.
In the drawing for winners of the ticket sale, Edward C. Ottom was found to be the winner of the first prize, a shotgun; H. C. Thompson, second, 3 boxes of shells; Francis Vissi, third, 2 boxes of shells, and Cliff Milford of Ann Arbor, one box of shells.
Lunch was served by the committee at the close of the meeting.
UMM-GOOD!
Several days ago Mrs. Martha Wagner of 227 Washington St., presented the Standard management with a pint box of luscious overbearing strawberries of unusually fine flavor and color, which she had picked from her own garden. Mrs. Wagner reports that the yield has been so great from the one row of plants across her garden that she has had plenty for table use and some left to can. With many green berries still remaining on the plants she is assured of plenty of fruit until a killing frost arrives. We thank Mrs. Wagner for this rare treat, which was greatly appreciated and enjoyed.
Mr. and Mrs. Clarence J. Fleming were guests at a dinner party given at the Dearborn Inn on Monday evening by Mrs. Fleming's sister, Miss Josephine Licko, honoring their nephew, Henry J. Licko, and his wife and daughter, Patsy, of Riverside Park, Ill.

Francisco

Mrs. Grover Artz was in Jackson on business Friday.
Mr. and Mrs. Austin Artz and Mr. and Mrs. Grover Artz attended the funeral of their aunt, Mrs. Wm. Artz, in Waterloo on Sunday. Austin Artz was one of the pallbearers.

Three seems to be our limit—for three straight weeks only three girls have rolled over a 150 average each night. This week they were Koch with a 451 series, Robinson with a 460 series, and Tuckin with a 460 series, and Tuckin, way up there with 523 for a new high. Nice bowling, Eleanor!

Starting this week, October 8, we can all bowl with a little more enthusiasm, knowing what the handicaps will be, but for now we still have just the usual pinfall.

Must be a pretty smart buy!

We know how great is the desire for new automobiles—how urgent the need for them in many cases.

And we're aware that nearly every make of car these days can point to a long waiting list of folks who have placed their orders.

But when a car hops instantly into "most wanted" position as this Buick did—

When week after week new orders out-pace stepped-up factory production—

Then we figure there must be something far beyond the expected in the car itself.

Something even bigger than stand-out style of the season—a big Fireball straight-eight power plant—the husky, roomy size of two fine-made tons.

What is it? Well, have you handled one of these cars yourself? Have you noticed the happy, almost-starry-eyed look of those who've got theirs?

Fact is—1946 Buick owners are our best salesmen, and the factory is working with might and main to keep up with the effects of their enthusiasm.

If your order isn't in, you can place it now, for delivery at OPA prices, with or without a car to trade in (though of course we need to get good cars for the used-car buyers on our waiting list).

What Other Car Has So Much That Clicks For Forty-Six!

- SMARTNESS—that sets the style pattern with car-length, Airfoil fenders and belt-on-rear wheel shields.
- POWER—from a Buick Fireball Valve-in-head straight-eight engine.
- OIL SAVINGS—from non-scuffing Accurite cylinder bores.
- FLASHING ACTION—from full-length torque-tube drive in a sealed chassis.
- STEADINESS—from full-length torque-tube drive in a sealed chassis.
- GUIDING RIDE—from Panhard all-coil springing.
- PROTECTION—from Buick-originated fender-shielding front and rear bumpers.
- SURE FOOTING—from broadfrim wheels.
- CONTROL—from Permi-Firm steering.
- CONVENIENCE—from high-leverage Step-On parking brake.
- COMFORT—from soft Foamex cushions in roomy Body By Fisher.

Tune in HENRY J. TAYLOR on the air twice weekly.

DEATHS

Nettie M. Goodwin
Nettie M. Goodwin, 81 years old and a lifelong resident of this community, died at her home in Lyndon township following a heart condition which she had suffered for about ten years.
She was born June 27, 1865 in Lyndon township, one of eight children born to Charles and Emma Cooper.
Her early life was spent near North Lake, where she was an active member of the local church, serving as organist for several years. She joined the Methodist church of Unadilla in her early married life and served as an active member until her health failed. She was united in marriage on May 28, 1888 to George E. Goodwin, with whom she lived for 58 years. She preceded her death on Oct. 13, 1946. To this union were born three children: the youngest, Nina, born in October, 1902, died in 1908. Surviving are one daughter, Mrs. Earl Lee of Stockbridge, and a son, George E. Goodwin of Gregory, and four grandchildren, Gregory, Charles G. Cooper of Waukegan, Wash. and Wm. J. Cooper of Mt. Pleasant.
Funeral services were held on Tuesday, Oct. 1 at 2 o'clock at the Miller funeral home, Stockbridge, with Rev. M. B. Hinkle officiating. Burial was at North Waterloo cemetery.

consideration other interesting factors. The University of Michigan and Michigan State College by legislative authorization have ready run up overdrifts (deficiencies if you please) of around \$6,400,000 to cover cost of veteran welfare department. The state is at present around \$3,500,000, due to higher living costs. On the other hand there are other operating deficiencies in sight.
The much talked about surplus at Lansing is largely an illusion. If prudent citizens take into consideration an impending veterans' bonus and existing deficiencies in state funds. The discouraging thing about the entire problem is the indifference of many people. They say, "There's a chance to get some of it back home!" We wonder.

ATTEND CONVENTION
Mrs. W. G. Price and Mrs. E. F. Schmitt, members of the Ann Arbor Royal Neighbors degree team, attended the Tri-County district convention of Royal Neighbors at Tecumseh last Wednesday. The Ann Arbor group put on the initiatory work and the retiring march.

CARD OF THANKS
We wish to express our sincere thanks and appreciation to our neighbors, friends and relatives for their many acts of kindness and thoughtfulness; also for the beautiful flowers, and especially Mrs. Teresa Boylan, the Miller funeral home, and Rev. M. B. Hinkle for his comforting words, during our recent bereavement.

REGISTRATION NOTICE

GENERAL ELECTION
TUESDAY, NOVEMBER 5, 1946
To the Qualified Electors of the Township of Lima, County of Washtenaw, State of Michigan.
Notice is hereby given that in Election Law, I, the undersigned Clerk, will, upon any day, except day of any regular or special election, or primary election, receive for registration the name of any legal voter in said Township or City not already registered who may apply to me personally for such registration. Provided, however, that I can receive no names for registration during the time intervening between the Twentieth day before any regular, special or official primary election and the day of such election.
The last day for General Registration does not apply to persons who vote under the Absent Voters Law. (See Registration by Affidavit.)
Notice is hereby given that I will be at Wacker's Store, Jerusalem, Oct. 4, from 2 to 7 p.m.; at Ernest Adam's residence, Madison St., Chelsea, Oct. 5, from 2 to 7 p.m.; and at my home all day on Wednesday, October 16, 1946—LAST DAY.

The Twentieth day preceding said election, as provided by Sec. 3, Chapter 3, Part II, P. A. 308, 1929 and Sec. 1, Chapter 3, Part II, P. A. 1939, Act 31, P. A. 1941, and Act 291, P. A. 1945.
From 8 o'clock a.m. until 8 o'clock p.m. on each said day for the purpose of reviewing such of the qualified electors in said Township or City as shall properly apply therefor.
The name of no person but an actual resident of the precinct at the time of registration, and entitled under the constitution, if remaining such resident, to vote at the next election, shall be entered in the registration book.
Elector Unable To Make Personal Application, Procedure.
Sec. 16. Any elector who is unable to make personal application for registration because of physical disability or absence from the Township, City or Village in which his legal residence is located, may be registered prior to the close of registration before any election or primary election by securing from the Clerk of the Township, City or Village in which is located his legal residence, duplicate registration cards and executing in duplicate the registration affidavit before a notary public or other officer legally authorized to administer oaths and returning such registration cards to the Clerk of the Township, City or Village before the close of office hours on the last day of registration prior to any election or primary election. The notary public or other officer administering the oath shall sign his name on the line for the signature of the registration officer and designate his title.

Registration of Electors Required: Identification On Election Day.
Sec. 1. The inspectors of election at any election or primary election in this State, or in any District, County, Township, City or Village thereof, shall not receive the vote of any person whose name is not registered in the registration book of the precinct in which he offers to vote; but the name of a qualified elector may be registered on the day of any election or primary election pursuant to chapter 3 of part 2 in this act: Provided, That he or she is accompanied and identified by a registered voter known to a member of the election board.
Transfer of Registration; Application, Time.
Sec. 19. Any registered elector may upon change of residence within the Township, City or Village cause his registration to be transferred to his new address by sending to the Clerk a signed request, stating his present address, the date he moved thereto and the address from which he was last registered, or by applying in person for a transfer. The Clerk shall strike through the last address, ward and precinct number and record the new address, ward and precinct number on the original and duplicate registration cards, and shall place the original registration card in proper precinct file. Such transfers shall not be made within the 20 days next preceding any election or primary election, provided that no such transfer shall permit any person to vote in any Township, City or Village in which he had not resided 20 days next preceding any election or primary election.
Transfer of Registration On Election Day.
Sec. 20. Any registered elector who has removed from one election precinct of a Township, City or Village to another election precinct of the same Township, City or Village shall have the right to make application to have his registration transferred on any election or primary election day by executing a request, over his or her signature for such transfer and presenting the same to the election board in the precinct in which he is registered. Upon receiving such request the inspector of election in charge of the registration records shall compare the signature thereon with the signature upon the applicant's registration record and if the signatures correspond then the inspector shall certify such fact upon said request and the applicant for transfer shall then be permitted to vote in such precinct for that election only. The application for transfer shall be filed with the Township, City or Village Clerk who shall transfer such voter's registration in accordance with the application. When the name of any street in a Township, City or Village has been changed, it shall be the duty of the Township, City or Village Clerk to make the change to show the proper name of street in the registration records, and it shall be necessary for the elector to change his registration with respect thereto in order to be eligible to vote. When the resident house numbers of any

section of a Township, City or Village have been changed, such change shall not affect the right of such voter to cast his vote. Corresponding change in the registration records may be made by the Clerk or upon election day upon proper showing.

RALPH STOFFER,
Lima Township Clerk.

REGISTRATION NOTICE

GENERAL ELECTION
TUESDAY, NOVEMBER 5, 1946
To the Qualified Electors of the Township of Sylvan, County of Washtenaw, State of Michigan.
Notice is hereby given that in Election Law, I, the undersigned Clerk, will, upon any day, except day of any regular or special election, or primary election, receive for registration the name of any legal voter in said Township or City not already registered who may apply to me personally for such registration. Provided, however, that I can receive no names for registration during the time intervening between the Twentieth day before any regular, special or official primary election and the day of such election.
The last day for General Registration does not apply to persons who vote under the Absent Voters Law. (See Registration by Affidavit.)
Notice is hereby given that I will be at Sylvan Town Hall on Wednesday, October 16, 1946—LAST DAY.

The Twentieth day preceding said election, as provided by Sec. 3, Chapter 3, Part II, P. A. 308, 1929 and Sec. 1, Chapter 3, Part II, P. A. 1939, Act 31, P. A. 1941, and Act 291, P. A. 1945.
From 8 o'clock a.m. until 8 o'clock p.m. on each said day for the purpose of reviewing such of the qualified electors in said Township or City as shall properly apply therefor.
The name of no person but an actual resident of the precinct at the time of registration, and entitled under the constitution, if remaining such resident, to vote at the next election, shall be entered in the registration book.
Elector Unable To Make Personal Application, Procedure.
Sec. 16. Any elector who is unable to make personal application for registration because of physical disability or absence from the Township, City or Village in which his legal residence is located, may be registered prior to the close of registration before any election or primary election by securing from the Clerk of the Township, City or Village in which is located his legal residence, duplicate registration cards and executing in duplicate the registration affidavit before a notary public or other officer legally authorized to administer oaths and returning such registration cards to the Clerk of the Township, City or Village before the close of office hours on the last day of registration prior to any election or primary election. The notary public or other officer administering the oath shall sign his name on the line for the signature of the registration officer and designate his title.

Registration of Electors Required: Identification On Election Day.
Sec. 1. The inspectors of election at any election or primary election in this State, or in any District, County, Township, City or Village thereof, shall not receive the vote of any person whose name is not registered in the registration book of the precinct in which he offers to vote; but the name of a qualified elector may be registered on the day of any election or primary election pursuant to chapter 3 of part 2 in this act: Provided, That he or she is accompanied and identified by a registered voter known to a member of the election board.
Transfer of Registration; Application, Time.
Sec. 19. Any registered elector may upon change of residence within the Township, City or Village cause his registration to be transferred to his new address by sending to the Clerk a signed request, stating his present address, the date he moved thereto and the address from which he was last registered, or by applying in person for a transfer. The Clerk shall strike through the last address, ward and precinct number and record the new address, ward and precinct number on the original and duplicate registration cards, and shall place the original registration card in proper precinct file. Such transfers shall not be made within the 20 days next preceding any election or primary election, provided that no such transfer shall permit any person to vote in any Township, City or Village in which he had not resided 20 days next preceding any election or primary election.
Transfer of Registration On Election Day.
Sec. 20. Any registered elector who has removed from one election precinct of a Township, City or Village to another election precinct of the same Township, City or Village shall have the right to make application to have his registration transferred on any election or primary election day by executing a request, over his or her signature for such transfer and presenting the same to the election board in the precinct in which he is registered. Upon receiving such request the inspector of election in charge of the registration records shall compare the signature thereon with the signature upon the applicant's registration record and if the signatures correspond then the inspector shall certify such fact upon said request and the applicant for transfer shall then be permitted to vote in such precinct for that election only. The application for transfer shall be filed with the Township, City or Village Clerk who shall transfer such voter's registration in accordance with the application. When the name of any street in a Township, City or Village has been changed, it shall

be the duty of the Township, City or Village Clerk to make the change to show the proper name of street in the registration records, and it shall be necessary for the elector to change his registration with respect thereto in order to be eligible to vote. When the resident house numbers of any section of a Township, City or Village have been changed, such change shall not affect the right of such voter to cast his vote. From where I sit... by Joe Marsh

Are Returning Veterans "Different"?

During the war you heard a lot
about how hard it was going to be
for returning veterans to get ad-
justed to civilian life... how
they'd be "different."

Well, plenty of them have re-
turned to our town, and a finer,
steadier bunch you couldn't ask
for. Most of them are back at the
same jobs... going with the
same nice home-town girls (get-
ting married, some of them, and
getting up families)... renewing
the same old friendships.

Even their amusements are the

same. Nothing more exciting than
fishing Seward's creek or pitch-
ing horseshoes... enjoying an
outdoor barbecue with friendly
wholesome beer and pleasant talk.
If they've changed at all it's in
the direction of maturity and tol-
erance... tolerance for everything
except dictators, and those who
would destroy our democratic
principles of live and let live. And
from where I sit, that's another
reason to be proud of them.

**Michigan Bell Wins
In Court Fight On
Refund To Customers**

Lansing — The State Supreme
Court has upheld the Michigan
Bell Telephone Company in its
contention that retroactive rate ad-
justments are illegal, setting aside
an order of the Michigan Public
Service Commission directing the
company to refund \$3,500,000 to
customers on 1944 bills.

In a unanimous decision, the
court affirmed the opinion of Jus-
tice Leland W. Carr, who ruled in
favor of the company when on the
ingham—Circuit—bench. Justices
Carr and George E. Bushnell, along
with former Justice Raymond W.
Starr, did not participate.
The ruling is expected to invali-
date ordered refunds totaling \$7-
000,000. A second order directs re-
funds of \$3,500,000 for 1945, but
James W. Williams, assistant at-
torney-general, has said the order
will be used to eliminate the re-
fund provision.

Declaring that the Commission's
power to fix rates is limited to or-

ders "which are prospectively ef-
fective," the Supreme Court held
that the regulatory body "exceeded
its powers in attempting to enforce
its order retroactively."

Besides the refund provision, the
Commission's second order of 1945
directs the company to reduce fu-
ture rates by some \$4,500,000 a
year. The order is now before the
Commission for reconsideration
from Circuit Judge Paul G. Eger
of Lansing, and will be returned to
him for final arguments and his
decision.

In both cases, Michigan Bell has
contended that its earnings are not
sufficient to justify any downward
rate adjustment and that any rate
cut would constitute a threat to
the quality of services rendered
customers.

center put Flat Rock on the Chelsea 5 yard line and first down. Two plays through the center of the line were beaten off by the local eleven. On a right end run Flat Rock lost 1 yard. On the fourth down play Flat Rock hit the center of the Chelsea line and picked up about four yards; thus ended the threat. Chelsea took over on its own 40 yard line. On the first down Chelsea spread a spread pass play with Knickerbocker throwing but unable to find any receivers he ran it around right end for a 9 yard gain. Driving hard, Chelsea left their goal line in the dust. After reaching their own 45 yard line Chelsea attempted two more spread pass plays but Knickerbocker lost a total of 20 yards on the plays. A good punt put Flat Rock on their own 40. Both teams clashed hard to keep possession of the ball throughout the rest of second quarter.

At half time Chelsea found itself in an unusual situation. Doug Vogel was knocked out of play with a knee injury early in the first quarter. Being punch-drunk Rich Carlson was out of condition to play. Without enough capable backfield men to take over, Coach Cameron moved Don Baldwin, end, into quarterback, while Miller and Knickerbocker switched off in taking over Vogel's position.

Third Quarter
Flat Rock elected to receive, while Chelsea elected to defend the north goal. Baldwin's kick-off was a beauty. The right halfback of Flat Rock received the kick-off but he slipped and fell on his own 9 yard line. Unable to pick a first down Flat Rock was forced to kick. Baldwin was out of condition to punt a long distance but only kicked 6 yards. On the first down Knickerbocker threw a pass to Daniels over center but the pass was tipped and Flat Rock intercepted on their own 45 yard line. Chelsea held tight again and Flat Rock was out of condition to punt was blocked but one of our own lads recovered on the 35. On the first play Miller threw a pass to Charlie Popp; once again the ball was tipped but Charlie managed to pull the ball in for a first down. The next play was the old sucker play, status of liberty. Knickerbocker, playing Vogel's position, came around and took the ball from Miller just as he was being hit. Opening up, Knickerbocker went for about 22 yards, putting the ball on the Flat Rock 20 yard line. Chelsea's next play was a spread formation play, making the right tackle eligible. Miller's pass to Don Barth was complete for a first down on the 9 yard line. On the next play Chelsea went over for their first touchdown on a pass play from Knickerbocker to Popp. Baldwin's kick was perfect. Score: Chelsea 7, Flat Rock 0.

Fourth Quarter
Baldwin's kick-off was in the end zone and Flat Rock took over on the 20. The Chelsea line held fast, forcing a punt by Flat Rock. Chelsea marched right back to the Flat Rock 40 but was forced to turn the ball over to Flat Rock after failing to gain a first down. Flat Rock threw a long pass to their right end. The pass was batted around by a couple of the locals but the Flat Rock end scooped the ball up and went for a touchdown. The extra point was stopped by the whole Chelsea line. Score: Chelsea 7, Flat Rock 6.

The kick-off was a poor one and was fumbled by both teams. The referee decided that Flat Rock needed the breaks so he gave them the ball. On the first play Flat Rock fumbled but the ball was declared dead. A penalty helped put Flat Rock right back down in pay dirt territory. Flat Rock picked

up a first down inside the Chelsea 10 yard line. On the third down Flat Rock fumbled. Chelsea kept the ball in its possession until the final whistle. Score: Chelsea 7, Flat Rock 6.

Both Burg and Wellnitz played an excellent game. Burg did a fine job of stopping those passes over center. Both Daniels and Popp did a good job of turning those round and plays in. This week Chelsea travels to Romulus to take on the favored team for championship. If Chelsea manages to take this game it stands a good chance of continuing on for the crown. This week it is hoped that D. Slane will be back; also that Baldwin, Vogel and Carlson are back in A-1 condition.

M. DIETLE CALLS
Mr. and Mrs. Clarence Dietle received a telephone call from their son, Marion, from San Francisco, Calif. at 2:30 a.m. Thursday. He requested that his brother, Lawrence, be at his parents' home Sunday, so he could call again then and talk to him also, which he did, at about 2 o'clock Sunday afternoon.

He is hoping for a leave but will not know whether he will have one or not, until arrangements in connection with his ship are completed. His ship, the U.S.S. Frigate, A.P.B. 44, is one of the ships that has been showing radio activity as a result of the atom bomb test at Bikini. They docked at San Francisco on Sunday, Sept. 29.

Several days ago he could get leave to telephone. Marion told his parents he was feeling fine, and they report that he sounded fine, also.

RETURN FROM WEST
Mr. and Mrs. Elmer Lindemann returned Thursday night from a very enjoyable trip to the Pacific Coast. Leaving here on Wednesday, September 4, they went first to Winona, Minnesota, where they spent a week at the homes of Mr. and Mrs. John A. Palmer and Mr. and Mrs. John Sandefur. Continuing their trip to the coast, they crossed the Big Horn Mountains and the Dakota Bad Lands, and stopped at Rushmore, Yellowstone and Yosemite Parks, and Boulder Dam. At Grand Canyon, which they visited on the return trip, they were very much interested in the last place of special interest. The Lindemanns visited before returning home were Clarence, Oklahoma, which is famed for the Will Rogers Memorial located there.

NORTH LAKE EXT. GROUP
North Lake Extension Group met at the home of Mrs. Homer Stoffer on Thursday, Oct. 3, for noon lunch followed by the business meeting at which time plans were completed for the coming year's work.

This was followed by baking demonstrations, using the recipes received at the Rally Day in Ann Arbor. The meeting was closed by repeating the Extension Women's Creed. Thirteen members and one guest were present at the meeting.

This week it is hoped that D. Slane will be back; also that Baldwin, Vogel and Carlson are back in A-1 condition.

M. DIETLE CALLS
Mr. and Mrs. Clarence Dietle received a telephone call from their son, Marion, from San Francisco, Calif. at 2:30 a.m. Thursday. He requested that his brother, Lawrence, be at his parents' home Sunday, so he could call again then and talk to him also, which he did, at about 2 o'clock Sunday afternoon.

He is hoping for a leave but will not know whether he will have one or not, until arrangements in connection with his ship are completed. His ship, the U.S.S. Frigate, A.P.B. 44, is one of the ships that has been showing radio activity as a result of the atom bomb test at Bikini. They docked at San Francisco on Sunday, Sept. 29.

Several days ago he could get leave to telephone. Marion told his parents he was feeling fine, and they report that he sounded fine, also.

RETURN FROM WEST
Mr. and Mrs. Elmer Lindemann returned Thursday night from a very enjoyable trip to the Pacific Coast. Leaving here on Wednesday, September 4, they went first to Winona, Minnesota, where they spent a week at the homes of Mr. and Mrs. John A. Palmer and Mr. and Mrs. John Sandefur. Continuing their trip to the coast, they crossed the Big Horn Mountains and the Dakota Bad Lands, and stopped at Rushmore, Yellowstone and Yosemite Parks, and Boulder Dam. At Grand Canyon, which they visited on the return trip, they were very much interested in the last place of special interest. The Lindemanns visited before returning home were Clarence, Oklahoma, which is famed for the Will Rogers Memorial located there.

NORTH LAKE EXT. GROUP
North Lake Extension Group met at the home of Mrs. Homer Stoffer on Thursday, Oct. 3, for noon lunch followed by the business meeting at which time plans were completed for the coming year's work.

This was followed by baking demonstrations, using the recipes received at the Rally Day in Ann Arbor. The meeting was closed by repeating the Extension Women's Creed. Thirteen members and one guest were present at the meeting.

IN MEMORIAM
In memory of John Geo. Klink, husband, father and grandfather, who passed away on Oct. 4, 1944. May his soul rest in peace.
