SEVENTY-SIXTH YEAR—No. 26.

CHELSEA, MICHIGAN, THURSDAY, JANUARY 16, 1947

SUBSCRIPTION \$2.00 PER YEAR

**Schneider's
Open Super
Market Fri.**

Schneider's Grocery has been completely modernized during the past month and converted into a self-serve super market which offers the height of shopping convenience to its customers.

All the old counters and wooden shelves have been removed and replaced by white-enamelled steel shelving units extending entirely around the sides and end of the store and down through the center, with wide aisles between the side and center shelves, affording plenty of room for customers to make their selections.

The former wooden display shelf in the front shop window has been removed and modern steel bins for dry vegetables have been installed. The frozen food unit is placed conveniently at one side of the front end of the store and the fresh vegetable unit at the opposite side.

All the old wallpaper has been removed from the walls and ceiling of the entire store and they have been painted pure white, the entire effect being one of cleanliness, which is a very desirable and pleasing feature in a food market.

A horseshoe-designed counter at the front of the store is specially designed to speed up the checking of sales, thus eliminating long waits in line. Clerks will be available to serve those who do not care to make their own selections, and delivery service will be maintained as usual.

These improvements had been planned for some time, but due to restrictions on delivery of the necessary cement and the absence of Carl Schneider, a partner in the firm who served with the Army during the war, it was necessary to postpone the work.

This extensive modernization of their store shows a commendable desire on the part of members of the firm to give their customers the best possible service, and also shows their faith in the future of Chelsea.

The governor's declaration, interpreted anyway you wish, puts the State of Michigan first on the list. As governor of the state, Sigler is displaying the same spirit of devotion to the needs of the state services as did his predecessor, Harry F. Kelly. Sigler chided the voters for jumping to the conclusion that "we had accumulated huge surpluses" whereas the state did have "certain surpluses, but not to the extent commonly supposed."

If the state is to achieve "a more equitable distribution of our income and responsibilities among local units of government on all levels," then the new sales tax diversion amendment must be eliminated or revised. This amendment, as we have repeatedly emphasized, does not divert the same spirit of the sales tax to home governments; it diverts 76 per cent of the revenue to home governments with public schools getting the lion's share.

In that extreme and inequitable distribution of the state's major tax the state has been guilty of an amendment created a financial impossibility. State Treasurer, Dale Brake, recently warned school districts against counting their chickens before they were hatched; that is, increasing teachers' wages in anticipation of the new financial melon from the state treasury.

A more equitable distribution of taxes now collected by the state would still make possible financial relief to school districts. Prior to the November election, Rep. John P. Eagle, long-time chairman of the house ways and means committee, was quoted as saying that government could not function on only 24 per cent of the state's sales tax. He recommended an increase of 25 to 33 per cent in the state's school aid—some \$15,000,000 to \$20,000,000 more for the coming biennium.

February 9 is the deadline for filing of a legislative resolution to re-submit the amendment at the spring election.

If the legislature would decline to submit the sales tax issue to the voters next spring—and it is likely that the Michigan Education Association and the majority of large cities will want to get assurance of adequate financial substitutes—then the next alternate steps would be the calling of a state constitutional convention.

In recent years state elective officials have been hesitant about risking a constitutional convention because of the fluctuating temper of the public. The present financial crisis might overcome this objection.

Governor Sigler's recommendation for "better marketing and distribution of agricultural products" focused attention on a long-felt need in Michigan. The state department of agriculture has been pushing this program for years—without success. The greatest obstacle has been the Michigan grower himself. He has declined to submit to uniform state inspection, grading and marketing of such products as potatoes.

There is a basic progressive program, and Governor Sigler's emphasis should be most helpful. There is some feeling in Lansing that the state's food program is being put in the cart ahead of the horse, and that it should have been preceded by the securing of confidence by consumer confidence products through uniform inspection and grading. Advertising itself cannot create confidence in the consumer's mind that Michigan potatoes, for example, are superior to those from Idaho or Maine.

The Sigler spirit of grand jury reform was reflected throughout the inaugural message. The governor's (Continued on page six)

**St. Paul's Mission
Club Celebrates
12th Anniversary**

St. Paul's Mission Club celebrated the twelfth anniversary of its organization Thursday afternoon at the home of the founder, Mrs. Elizabeth Wackenhut, who was the first secretary.

Of the four surviving charter members, two besides Mrs. Wackenhut were present at the meeting—Mrs. Lizette Widmayer and Miss Sophia Schatz. The fourth, Mrs. George Barth, now resides in Texas with her daughter, Mrs. Emma McMullen.

The meeting was opened with a German prayer, and devotional reading by Mrs. Louis Eppier. This was followed by New Year poems read by Mrs. J. N. Strieder and Mrs. J. M. Osterle; a German poem entitled "Yearning" by Mrs. Widmayer; and an article on missionary work in Africa, "Africa Calls," by Mrs. A. Vail.

Eleven of the fifteen members were present, and also three guests, and the afternoon was spent in working on the several projects planned for the year—crocheted rugs, quilts, bandages, and card booklets. Twenty-five bandages finished, as well as 180 card booklets.

The hostess, with her daughter, Mrs. Olo-Hilfinger as co-hostess, served a lovely lunch at a long table in the dining room, which was centered with a potted lavender primrose trimmed with silver and gold. There was also an anniversary cake with twelve candles, in honor of the twelfth birthday of the organization, and a birthday cake in honor of Mrs. Wackenhut's birthday which occurred on Monday, and Mrs. Vail's, which occurred on the day of the meeting.

Ann Arbor—To assist public school teachers interested in continuing their University studies on a part-time basis, the University of Michigan School of Education will offer 21 courses meeting on Saturdays or in the evening hours during the second semester, Dean J. B. Edmonson has announced.

The classes may be taken by off-campus students in Ann Arbor or surrounding towns for either graduate or undergraduate credit, the dean explained. All except one of the courses will meet on Saturday mornings, thus permitting persons engaged in teaching during the week to attend class sessions. The remaining two courses will meet Tuesday nights and Thursday afternoons.

The second semester begins on Feb. 10, but registration for the special education classes should be completed during the registration period, Feb. 5-8, it was emphasized.

V. F. W. Auxiliary
Met Monday Evening

Twenty-three members of the V. F. W. Auxiliary attended the regular business meeting at St. Mary's hall Monday evening. The regular business meeting was held at St. Mary's hall Monday evening. The regular business meeting was held at St. Mary's hall Monday evening.

There are 104 posts in Detroit, 19 in Grand Rapids, 13 in Flint and 12 in Lansing, while a dozen other cities have from three to six. Biggest post, boasting 2,501 members, is located in the state commander's home town of Saginaw.

Well over 60 per cent of the Legion membership is now composed of World War II men and women, and 140 of the organization's 535 posts have been formed since V-J Day.

A state-wide membership campaign in 1947 is under way, and already a considerable number of posts have exceeded their 1946 totals.

International in scope, the American Legion is organized in every state in the Union, as well as in the U. S. territories and several foreign countries. Last year 314 million veterans in 15,000 posts, were enrolled under the banner of the Legion.

Fire Destroys Cabin
At Cassidy Lake

Last Thursday evening, fire of undetermined origin destroyed one of the cabins on the Cassidy Lake Technical school grounds. The fire was discovered by the officer in charge while he was at the opposite end of the grounds. He summoned the fire fighting equipment to the camp which responded immediately, but the fire had gained such headway that no attempt was made to save the cabin or its contents, the firefighters concentrating on saving other buildings nearby instead.

The fire was discovered while most of the camp members were at a movie show in the recreation hall on the grounds and no one was in the cabin at the time. All the contents were destroyed, including personal effects of the boys who occupied the cabin.

GOOD RECORDS!
Six members of St. Paul's Sunday school have a record of perfect attendance for 1946. They are Marceline Hinderer, Mrs. LeRoy Satterthwaite, Duane Satterthwaite, Patricia Hopper, Mrs. Lorenson Wenk and David Bertke. This makes the 11th consecutive year of perfect attendance for Miss Hinderer; the 2nd consecutive for Mrs. Satterthwaite; the 3rd consecutive for Mrs. Hopper; the 2nd consecutive year for Mrs. Wenk, and the 2nd consecutive year for Mrs. Bertke.

PAPER DRIVE JAN. 23
The F.F.A. boys are planning to have a paper drive Jan. 23, starting at 12:30. Please put your papers and magazines in boxes or tie them up and place them on the curb.

**Explanation
Is Given On
Tax Increase**

In answer to a number of questions regarding the increase in local taxes and how the amount of the tax bill is determined, the following explanation is offered:

Under a recent ruling from the State Supreme Court, school taxes are to be levied on the county of equalized valuation instead of on the assessed valuation as has been the case in previous years. During the past year, representatives from the State Tax Commission made a survey of Washtenaw county, along with 25 other counties in the state, to determine a basis for establishing the equalized valuation of property. (In the past the county equalized valuation was used only as a basis for paying county taxes). The result of this survey has been an increase on the whole of about 50 per cent in valuations in this area. Since there is no place on the tax forms for entering the amount of the county "equalized valuation," only the amount of the assessed valuation appears.

Questions have also arisen regarding the amount for debt service on the tax bills. At the present time there is no debt and this item should appear as either the "Sinking Fund" or "Building and Site Fund" which was approved by school electors at the annual meeting in 1946. This levy of three mills is also computed on the county equalized valuation of the property.

**Mrs. Walter Mohrlock Is
Chairman For March Of
Dimes Campaign In Sylvan**

Mrs. Walter Mohrlock has been named township chairman for the March of Dimes, annual fund-raising drive of the National Foundation for Infantile Paralysis which opened Wednesday and will continue through January 30.

Mrs. Mohrlock also will head the drive in Chelsea. Her appointment has been announced by Mrs. Hickman Price, Jr., of Easton, Hills Ann Arbor, chairman of the county drive.

The March of Dimes this year needs more generous support than ever before, Mrs. Price declared, to replenish funds of the National Foundation for Infantile Paralysis, depleted while fighting last summer's polio epidemic—second greatest in the nation's history.

This past summer's severe epidemic, Mrs. Price pointed out, means that not only were the funds depleted but the children called upon as never before to supply the stricken expensive equipment, personnel, and every other aid known to modern science, but they still must assist those who have not yet achieved maximum recovery.

One-half the funds collected in Washtenaw county remain with the county chapter of the Foundation to pay for transportation, hospitalization, treatment, and medical care of any person in the county stricken with polio. The other half goes to the National Foundation to finance its research, education, and epidemic aid programs.

Assisting Mrs. Price in the county drive are Mrs. Gladys Smith, Dexter; Mrs. George Nichols, Manchester; Mrs. Fred Neff, Milan; Mrs. Arthur O'Neill, Salsburg; Mrs. Frank Hopler, Lakeview; Mrs. Edgar Edwards, Willow Village; Mrs. Charles Wilkinson, Pittsfield Village; and Mrs. Mohrlock.

Mrs. Mohrlock states that the V.F.W. Auxiliary will have charge of the March of Dimes booth in front of the Chelsea State Bank on Friday and Saturday, January 24 and 25.

Lyle Haselswerdt
Lands A Big One!

Lyle Haselswerdt was showing a beautiful ten-pound northern pike around town Thursday afternoon, which was caught that day on a set line at Cavanaugh Lake. While Lyle was showing off the fish, it was actually caught on his own equipment, he didn't want to give the credit for catching it, saying that it was one of the other men in the group that actually pulled it in. Ray Haselswerdt, Lyle's brother, and Albert Heintz were the others in the party, and Otto Mayer was the one that finally was given the fish, although he, also, does not claim to be the one who landed it, so it must have been one of the other two!

This fish story differs from other fish stories in one very important detail. Usually the man that "almost" caught a great big fish tells about it, but can't prove how big the fish really was; but the facts in this instance are that the size of the fish was proved but the credit for catching it could not be verified any further than that it was caught on Lyle Haselswerdt's line. However, Mr. and Mrs. Otto Mayer and several of their relatives who helped them eat the fish all agreed it made very fine eating.

The same day, also at Cavanaugh Lake, John Eder got a 12-pound northern pike. There was no question about who took this one as John readily admits—he speared it himself in a spearing shanty.

New Club Organized
By Chelsea Knights

A meeting of all the Chelsea Knights of Columbus members of the Dexter-Chelsea Council was held at St. Mary's hall on January 7. The purpose of the meeting was to form a club whereby the Chelsea members could get together, and at a later date form a Council of their own. Regular meetings will be held the first Tuesday of each month at St. Mary's hall.

The following officers were elected for this year:

President—N. H. Miles.
Vice-Pres.—M. Merkel.
Secretary—J. Alber.
Treasurer—A. Forner.
Board of Trustees—C. Swickard, E. Tobin, J. Steele, T. Merkel, A. Doll.

CHELSEA STUDY CLUB
About twenty members of the Chelsea Study Club met Tuesday evening at the home of Mrs. Paul Maroney. A social evening, based on impromptu dramatics, pantomimes, and musicals followed, and a short business session. Refreshments were served by Mrs. Edwin Eaton.

POPULAR PARTY
The American Legion Auxiliary is sponsoring a Popular Party at the Municipal Building on Thursday evening, January 30, at 8 o'clock. Baskets of home baked goods will be given as prizes and there will be a specially decorated cake for the door prize. The tickets will be 50c.

ATTEND GOLDEN WEDDING
Mr. and Mrs. Fred Weber and Mr. and Mrs. Leo Weber of Jackson, and Mr. and Mrs. Wm. Weber of Chelsea attended the golden wedding anniversary celebration of their uncle and aunt, Mr. and Mrs. Wm. Bosong, in Cleveland on Sunday afternoon. They traveled by plane from Willow Run, making the trip in just thirty-five minutes. They returned Sunday evening, also by plane.

JOHN DEERE SHOW
Two representatives of the Lansing branch of the John Deere Plow Co., Forrest McGee and "Doc" Joslin, were in Chelsea on Friday for a moving picture showing of John Deere farm machinery at the town hall from 10 a.m. until 4 p.m. The Chelsea Hardware Co., sponsors of the showing here, served a lunch at noon. They estimate that about 200 farmers from this vicinity attended the show.

INJURES SHOULDER
Mrs. Susie Hulce slipped and fell on the ice as she was on her way to work at the Federal Screw Works plant Monday morning and dislocated her left shoulder.

Michigan Bell Cites 1946 As The Busiest Year In Its History

Detroit. — The Michigan Bell Telephone company, today cited 1946 as the busiest year in its history.

Despite critical material shortages, the company put through a \$39,000,000 construction program, reduced the list of those waiting for service from 113,000 to 70,000 and installed 400,000 telephones—100,000 more than in any previous year.

The company installed enough wire during the year to reach 20 times around the earth. Enough central office equipment was added to serve 160,000 more subscribers.

At year's end, there were nearly 1,380,000 telephones in the company's territory for an all-time high and 205,000 more than a year ago. Service was furnished to 20,000 more rural subscribers in 1946.

Not only were there more telephones but people used them more. The volume of local calls handled by the company was averaging 7,250,000 for a normal business day by the end of the year, an increase of 1,250,000 a day over 1945. Long distance traffic had jumped to an average of 150,000 calls a day against 128,000 at the same time last year.

One of the largest long distance projects in the company's history was started and mostly completed during the year—a 250-mile cable between Detroit and Grand Rapids costing more than \$3,000,000.

The company was unable to erect new buildings as rapidly as needed because of material shortages. Every building bulged with necessary central office equipment, forcing the company into new business offices and administrative quarters in many communities of its territory.

A brand-new operation was started with the inauguration of mobile telephone service in Detroit. Plans went ahead for extension of "dashboard" service to several other cities and for the opening of general highway service over main arteries of southern Michigan in 1947.

Michigan Bell officials expect the year ahead to be even busier. Afforded favorable economic conditions, including ample supplies of materials, the company hopes to eliminate its waiting list and to restore service to pre-war standards.

SCHOOL CLUB MEETING
The Hiemeneschneider School Community Club will hold its January meeting on Monday evening, January 20, at the school house, at 8:00 p.m.

A very interesting program has been arranged by the committee in charge, the highlights of which will be movies and musical entertainment by the school rhythm band recently organized.

Everyone is cordially invited to attend, even though you may not be a member of the club.

You may be disturbed by Friend Husband snoring, but you will never be disturbed by the silent Servel GAS refrigerator. It works steadily all night long keeping your food in perfect condition . . . but works in complete silence.

This is because the silent Servel has no moving parts in its freezing system to make a noise. A tiny flame of natural gas performs the miracle of freezing. It preserves the food at wholesome temperatures, supplies ice cubes and freezes delicious desserts.

This is the automatic refrigerator that is GUARANTEED 10 YEARS. No moving parts to wear out. For long life and continuous dependable service, choose the GAS refrigerator—the silent Servel.

Here's another winter driving tip from your Standard Oil Dealer.

A flick of the starter... and she starts! What a grand and glorious feeling! So remember, your Standard Oil Dealer has a way... a lot to cold weather starting.

Isn't this the tip you want—to stop your winter starting troubles?

Here's how to choose the right gasoline to help your car "get hot" quick: Choose on the basis of cold-weather starting and warm-up qualities. The actual facts show Standard White Crown Gasoline is tops for both these winter "musts"... a real champ among premium brands.

Don't make that "all gasolines are alike" mistake... especially in winter. The differences between them can mean a lot to your winter driving.

You'll find responsive Standard White Crown ready for you at your Standard Oil Dealer's... ready with instant starts and reliable winter performance. Try it today... and you'll like it all winter.

PIN CHATTER

January 7, 1947

Well, the gals are back kegging again after their holiday vacation. Most of them were too tired after their "rest" to really bowl. Five of the girls made the 450 club. They were: Kaiser with 467, Rabley with 459, Fitzsimmons with 461, Koch with 465, and N. Elsemann with 470. No 500's this week. C'mon girls, let's roll!

Splits were picked up by Bea White, of all things, the 5-10-9-7; Tarnacki the 5-10, and Slane the 8-10.

State Bar Sponsors Essay Contest For High School Students

An essay contest for the students of the senior high schools of the state, sponsored by the State Bar of Michigan, was announced Saturday by President Laurent K. Varnum, of Grand Rapids.

Subject of the contest will be "The Defense of Organized Society on Law." Deadline for submission of essays is April 1, 1947. Winners will be announced during the latter part of August and prizes awarded at the 1947 meeting of the State Bar to be held in September.

A first prize award of \$300 will be made for the winning essay, \$150 for second place and \$50 for third. Contest rules will shortly be mailed to all high school principals.

"The purpose of the contest," Mr. Varnum said, "is to stimulate thinking on the part of the high school students in Michigan concerning the principles of democracy in a society where written laws govern the lives and properties of the people, and not the whims or self-interest of dictators and ruling classes."

Overcrowding Refrigerator

An overcrowded refrigerator cannot keep each item as cold as it would if the air could circulate more freely. It's the same principle as crowding together to stay warm. Keeping the sides of the refrigerator clear is also essential for good refrigeration.

VETERANNEWS

REMINDERS FOR VETERANS

1. It has come to our attention that veterans too often are sending the originals of their discharge documents when applying for terminal leave pay or other items dealing with straightening out their records. Veterans are reminded that they should NEVER let the originals of their documents out of their hands. These documents should be recorded at the County Building and photostatic copies made and sent on wherever necessary. The Registrar of Deeds Office at the County Building is prepared to photostat these documents.

2. So far approximately 50 percent of the veterans in our county have applied for terminal leave pay due them. The remainder have until September 1, 1947, to make their application. However, even though there is much time still left, veterans are urged to file their applications before too late and thereby eliminate the last minute rush. Various services have begun to process the applications already on file and a number of veterans have already received their bonds and small amounts over and above the bonds. Veterans are advised not to worry about non-receipt of bonds at the same time that they receive the small checks because all items are handled from different offices. Veterans are urged that when filing their applications they be as accurate as possible as regards the number of days furlough they have taken. It is better to be accurate now than force the various services later on to notify them of

either over-payment or under-payment. Accuracy now will save a great deal of work for all concerned.

3. The terminal leave bonds for the full amount of the bond can be used only in payment of premiums for National Service Life Insurance; premiums on existing insurance or in connection with conversion into regular policies.

4. Veterans are reminded that if they have property in their names they are entitled to \$2,000 tax assessment exemption for the period their service plus one year after discharge. This application should be made this year, between April 1st and June 19, 1947, by those veterans who were discharged after April 1946. See your township supervisor or assessing officer.

5. Veterans are again reminded that the Veterans' Administration gives dental care for those who need it within one year after discharge. Before anything is done, however, they should secure authorization through the Veterans' Administration office in the local community. Applications may be filed through the Red Cross or the local Veterans' Administration office in the local community.

6. Medical Care. A further reminder here is that veterans in need of medical care for service connected or service aggravated injuries must report to the Veterans' Administration office in Detroit or in Dearborn. For those who wish care in their local communities, they must first secure authorization from the Veterans' Administration.

The Veterans' Administration will at times assume responsibility for non-service connected disabilities. However, such cases are few, largely because the Veterans' Administration Hospitals and clinics are filled to capacity constantly with patients who have service connected injuries and, therefore, will receive priority in treatment. For non-service connected disabilities the State of Michigan has provided opportunity for hospitalization on an emergency basis only. To get this hospitalization contact must be made through the Veterans' Counselor and authorization secured from the state office. This should be done within a matter of 24 to 48 hours after the need has arisen. The Veterans' Counselor stressed the fact that not all cases can be taken care of, largely because the fund is small and therefore priority must be given to needy cases and those who are properly qualified.

7. The state office of Veterans' Affairs has been able to secure the legal ruling from the Attorney General's office to the effect that State Sales Tax does not have to be paid by disabled veterans who are authorized to purchase cars at government expense. In accordance with the act, cars must not exceed \$1,600 in cost. With the present ruling of exemption from State Sales Tax, perhaps certain cars that might not have come within the scope of the original ruling can be purchased by veterans. Further information may be had from the Veterans' Counselor.

DEATHS

Henry Clark

Funeral services for Henry Clark, 75 years old, who died Thursday following an illness of two years, were held in St. Mary's church at 10 o'clock Saturday morning, with Rev. Father Lee Laake officiating and burial following in Mt. Olivet cemetery.

Mr. Clark had owned and operated a farm north of Ann Arbor. He was a son of John and Catherine Clark and was born in Washenaw county, Nov. 26, 1871. Four nephews and two nieces, all of Jackson, survive.

John C. McKernan

John C. McKernan, 41, died Friday at his home at 9835 Berwick avenue, Rosedale Gardens, following a heart attack. He was born in Chelsea, December 30, 1905; a son of Eugene and Stella Conlan McKernan, and was married to Caroline Von Poplin, of Detroit, who survives him. Also surviving are two daughters, Shirley Ann and Mikel Marie, and two sons, Eugene John and Norman Patrick, all at home; his parents, of Chelsea; a brother, Mark, of Detroit; three sisters, Mrs. Jacob Bauer of Clinton; Mrs. Francis LeFevre and Mrs. Edwin Brown, of Ann Arbor.

Funeral services were held at the residence at 9:30 a.m. Tuesday, followed by services at 10:00 o'clock in St. Michael's church, Rosedale Gardens, with Rev. Fr. John Hardy officiating. Burial took place in Holy Sepulchre cemetery, Detroit.

Besides the immediate family, those from Chelsea who attended the funeral were J. Conlan, Mr. and Mrs. Paul Hoffman, Mrs. Armin Zinke, Mr. and Mrs. Dennis Guinan, Mrs. F. W. Merkel, Mr. and Mrs. N. L. Merkel and Thomas and Gertrude Young, and Rev. Fr. Lee Laake.

Mary Helen Geddes

Mary Helen Geddes was born in Chelsea, Aug. 21, 1894, and died at Ypsilanti hospital on Jan. 7, 1947, at the age of 52 years. She was the daughter of the late John and Belle (Smith) Geddes, who passed away several years ago. She is survived by a brother, Warren, two nieces and several cousins.

Funeral services were held at the Staffan funeral home Friday at 2:30, Rev. W. H. Skentelbury conducting the ceremony. Interment in Oak Grove cemetery.

Edward A. Schmidt

Mrs. J. J. Bareis received a telegram Thursday, January 9, telling of the death that morning of her

sea; a brother, Mark, of Detroit; three sisters, Mrs. Jacob Bauer of Clinton; Mrs. Francis LeFevre and Mrs. Edwin Brown, of Ann Arbor.

Funeral services were held at the residence at 9:30 a.m. Tuesday, followed by services at 10:00 o'clock in St. Michael's church, Rosedale Gardens, with Rev. Fr. John Hardy officiating. Burial took place in Holy Sepulchre cemetery, Detroit.

Besides the immediate family, those from Chelsea who attended the funeral were J. Conlan, Mr. and Mrs. Paul Hoffman, Mrs. Armin Zinke, Mr. and Mrs. Dennis Guinan, Mrs. F. W. Merkel, Mr. and Mrs. N. L. Merkel and Thomas and Gertrude Young, and Rev. Fr. Lee Laake.

Funeral services were held in Cleveland, Ohio, a former resident of Lyndon township, where he was born December 19, 1866.

He was a son of John G. and Catherine Palmer Schmidt and was confirmed in St. Paul's church here. He was married in Cleveland to Lou Eckhardt, and they lived in Lyndon until they moved to Cleveland some years ago.

They had a son, Walter, and a daughter, Eva, both of whom survive, as does the widow. Two sisters, Mrs. Bareis and Mrs. Kate Messner, both of Chelsea, also survive.

Funeral services were held in Cleveland on Saturday afternoon, with burial taking place there, also.

Leftover meats reheated have a tendency to become dry. This is particularly true of medium and large grades of beef which have less fat mixed with the lean. To reheat sliced roast beef without drying it use a double boiler. Or it can be served cold with hot tomato or chili sauce, or gravy. In such dishes as hash, croquettes, stews, soups and meat pies, the cream sauce, gravy, or soup stock keeps the meat moist. Ground cooked beef and either relish or ground cooked vegetables moistened with salad dressing, make a tasty sandwich filling.

OFFICE NEWS

Everyone is hopefully waiting for their report cards which will be given out on January 22. Tomorrow is the end of the first semester.

The Band and Chorus concert will be held on January 21.

The Romulus basketball team will play here on January 17, with the second team game starting at 7 o'clock.

REVIEW

As I go through the halls and glance at different students it seems as if they are worried about something. Just getting back from vacation—everyone should be happy to be back, all refreshed again. Could be that the end of the semester is creeping up too soon and the teachers are overloading the students with work and examinations, or is the school year passing too quickly? It isn't too pleasant a thought after all.

The government students are looking forward to their last hour of government, and Mr. Cameron seems to be doing his best to help them. The speech students are overjoyed by the assignment of a ten minute speech as their semester examination, or could I be mistaken about that? The Seniors are wondering if their last year will be a success or a failure. There is a new course called "Sociology," to be offered next semester and the students are wondering what it will be like and whether or not they should take it or not. We heard that Mr. Cameron is going to be the lucky one to teach it.

Well, students, all I can say is, "Don't worry too much, but try to do your best; and after the 14th your worries will be forgotten again until June."

PROPHECY

Probably all of you are aware of the fact that half of our school year is over. It has been a good half and we have accomplished a lot. Each one of us individually has done some small thing that we have not been able to do previously. Perhaps your English marks have been raised from a C to a B. Maybe it is an admittance to the club which you have waited so long to belong to. All of these things improve our character, increase our knowledge, and widen our experiences. Yet many, if not most of us, are not doing our level best. We noticed the other day that barely one fifth of all the classes are on the honor roll. Yet all of us are qualified to try to make the grade. If, in the coming semester each of us would try just a little harder and put forth just a little more effort, we believe we could accomplish what we have set forth to do.

SENIOR NEWS

Friday night the Senior play, "A Connecticut Yankee in King Arthur's Court," was given to, from general survey, a large and appreciative audience.

The class in general, as well as the director and cast, deserves congratulations for the excellent production. Its unique character, its excellent staging, and the efficient handling of details will make it a play long remembered.

Anne Lamberton's solo, between acts, was charming.

CLASS NEWS

Freshmen: The Freshmen are in charge of the pep meeting for the U. H. game January 24.

Sophomores: The Sophomores have charge of the pep meeting on Friday, January 17 for the Romulus game.

F.F.A. NEWS

Charles Sullivan has been elected to prepare a speech for the Public

Speaking Contest along with the Parliamentary Procedure and Demonstration Teams for the District contest which will be held here during the last part of February.

HEALTH PROJECT

When the eye tests are completed a survey will be made of each class to determine what percentage of pupils lack proper eyesight. Charts will be placed about the school showing this percentage. Teachers will also cooperate by arranging correct seating of pupils with eyesight difficulties. When the school has done all it possibly can to accommodate those with faulty vision, it is hoped that the parents of children with deficient vision will cooperate with the school in its efforts to correct the difficulties.

RAND

The band went to Ann Arbor last Thursday to the Children's Concert at the Hill Auditorium.

The band is now working on a concert that is to be given January 21, at 8 p.m. This concert will feature the cornet quartet and the clarinet quartet.

winter scenes on the wall and here are a few of their verses:

The Snow
As I was walking to school,
I met a little snowflake,
All dressed in white.

I saw a pool
As white as the frosting of a cake.
The snowflake said,
"I hit the pool's face."
As he lay on his couch,
The little pool said, "Ouch!"
The snow said, "Want to fight?"
"No," said the pool, "You bite."
As I walked on,
I still could hear their noise—
But I guess it was just some boys.

"The Snow," by Dixie Rowe
The snow is gently falling
And the wind is calling
Little children to come and play
In the snow so white today.

"Jack Frost," by Sue Barlow
Jack Frost is a cute little fellow
To paint the windows with ice.
When indoors I look through the
windows,
I think that his pictures are nice.
"Snow," by Barbara Collins
The snow is gently falling down.
Like a fairy all around
Upon the earth's gay little face.
"Snow," by Alfred Knickerbocker
Snow, as pretty as a clean white
sheet covers the ground.
I hate to walk on it and spoil the
pretty white look.

7TH AND 8TH GRADES

Seventh and eighth graders are eagerly anticipating the P.T.A.-sponsored party at the Municipal Building on January 19.

Committees are as follows:
Program—David Crocker, Kenneth Proctor, Georgia Ann Salzgeber, Claude Craft, Shirley Doyle.
Food Planning—Roma Vaughn, Don Schrader, Doris Vickers, Louise DeFant, Earl Guenther.
Kitchen Clean-up—Raymond Steinbach, George Alpervitz, Joy Brandeberry, Barbara Weir, Stanton Walker.
Main Room Clean-up—Don Peterson, Jane Proctor, Duane Hall, Ella Mae Usewick, David Yoell.
Tickets—William Aldrich, Dean Guenther.

All seventh and eighth grade students from local and nearby schools are invited. They are, however, urged to notify members of the Food Planning committee of their intention to come.

error would encourage honesty in public service through better salaries for legislators, prohibition of the "sale" of political influence for money, regulation of lobbyists, and more direct control of state commissions.

More executive power was suggested by Sigler as a way of ending the independent operation of commissions, many of which make rules and regulations having the effect of law, over which the legislative branch has no jurisdiction.

Inaugural Notes: The American cowboy has replaced the log cabin as a symbol of political virtue. A greeting from the governor's old cow hands at Broken Bow, Neb., was read at the inaugural dinner. Ray Gorrell's orchestra, which furnished music for the inaugural ball, featured a vocalist attired as a cowboy. Ray wore a big western hat.

The inaugural dinner was "nauseated." The hotel's public address system emitted wild shrieks and noises until a provoked audience yelled "throw him out!" as a persistent electrician tried to fix it.

SECOND GRADE NEWS

From the reports everyone had a very nice Christmas. It is reported that Hugh Weinberg received a bicycle and Paul Beal received an electric train.

We are all happy that Douglas Warren is back in school once more.

FIFTH GRADE NEWS

(By Duane Satterthwaite and Donald Unstead)

Last week we heard three very interesting book reports given by Kay Keeny, Jerry Piatt, and Fred Stoll.

We have been working several days on a series of four snowmen for our drawing classes. One was sitting on a sled, one holding a broom, one reading a book, and the last and most difficult to draw was, skiing on peppermint canes. Most of them were drawn very nicely.

Last Thursday we had a contest in penmanship. The papers were judged for neatness, formation of letters, and the correct spelling of words. First prize was won by Duane Satterthwaite, second prize was won by Donald Unstead, and third prize by Minerva Chizek.

Last Thursday afternoon after school the grade teachers were entertained at a tea in the fifth grade room, given by Mrs. Grugel and Mrs. Lange.

SIXTH GRADE NEWS

The late snowfall inspired the sixth grade to use pen and colors, hence they have some beautiful
