

W. C. Smith, N.Y.C. Station Agent, Died Suddenly Wednesday

Wesley C. Smith, local station agent for the New York Central System the past eighteen years and an employee of the System for forty-six years, died suddenly Wednesday afternoon while at work at the depot here.

Before becoming station agent he worked as a telegraph operator. He would have been eligible for retirement in three years.

Mr. Smith had always been interested in hand work, having organized and conducted the first school band of the Chelsea public school. He also conducted the village band, which was so popular a number of years ago.

He was a member of the Chelsea Methodist church and at the time of his death was treasurer of the Church Board. He was also a member of the Chelsea Knights of Pythias lodge.

Mr. Smith, who was 41 years old, was born in Grass Lake May 1886, and was a son of Charles W. and Melinda Showers Smith. He was married in Jackson on August 3, 1922, to Hazel Speer, who survives.

Also surviving are a daughter, Mrs. George Honninger of Jackson; his father, C. W. Smith, of Grass Lake; one sister, Mrs. Stella Shelly of Grass Lake; one brother, C. J. Smith of Jackson; and two grandchildren.

Funeral services were held at the Miller funeral home at 2 o'clock Saturday afternoon. Rev. Everett R. Major officiated, and burial was in Oak Grove cemetery.

Rebekah Officers Installed On Friday By District President

At the regular meeting of the Rebekahs, Friday evening, January 24, installation of officers was held with District President Anna McDonald acting as the installing officer. She was assisted by the deputy marshal, Kathleen Bernhart, and her staff—Verna Wolfe, Josephine Fowler, Edith Hoffman and Lena Jones.

Elective officers installed were: Gladys Winter—Treasurer. Appointive officers installed are: Mary Ann McDonald—President. Lila Weir—Chaplain. Lillian Sanderson—Organist. Alice Gilson—Past Noble Grand. Anna McDonald—Noble Grand. Lena Jones—L. S. to Noble Grand. Evelyn Rowe—R. S. to Vice Grand. Flora Weber—L. S. to Vice Grand. Doris Keeney—Inside Guardian. Elsie Balmor—Outside Guardian.

Following the close of the meeting, a social hour was held with refreshments being served. Many guests were present.

Governor Dewey does not dispute the need of adequate state aid for public schools. Listen to this: "Obviously, substantial amount of state aid is necessary so that equal educational opportunities may be provided to the children of poor districts as well as to those with larger assessed valuations. It is also necessary to make possible the less wealthy communities, the health and social conditions of which should be equally available to all our people and without which the whole people would suffer."

Governor Dewey points out the "fundamental truth" that when a unit of government spends money that has not been obtained through taxes, the "inevitable" result is "irresponsibility and waste."

We have heard Vernon J. Brown make the same sound observation, time and again. It is old-fashioned common sense that the best government is that which is closest to the people and their pocketbooks.

Room For Only One "ism" In America, Says Legion Com'nder

"There is no room in America for any other 'ism' except Americanism," says Paul H. Griffith, national commander of The American Legion.

In World War II we defeated we hope for all time, nazism and fascism. But today a third 'ism' which is spreading over the world, and I refer to communism, is just as great a threat to our American way of life as the other two.

Commander Griffith hit out strongly against communism in an address before the 6th Annual American Legion Americanism committee. The banquet honored Margaret Buckner, Flint World War II veteran, who was elected last October as a national vice-commander of the Legion.

Griffith challenged his fellow Legionnaires, and the citizens of America in general, to "knock down the ugly head of communism, wherever it shows its ugly head."

Every group and segment of the population of this country—religious, educational, labor and governmental—is being infiltrated by communists, he declared. "We must find them and root them out, for no foreigner, colored, donated or financed, can thrive and grow in this nation of ours."

In view of the fact that the United States, with only seven per cent of the world's population, has 50 per cent of its wealth, it is inevitable that there is a movement to deny initiative and private enterprise its reward, said the Legion chief, and declared that economic systems without profit incentives have always failed. Those who favor communism, Griffith stated, would establish "freedom from work and state paternalism."

Born on Sunday, January 26, at St. Joseph's Mercy hospital, Ann Arbor, to Mr. and Mrs. John W. Steele, a son, Thomas Michael.

MODEL OF HOME FOR GOVERNOR AT STATE CAPITAL

Modern as Michigan is the above scale model of the proposed permanent residence at Lansing for the Governor of Michigan, as approved by the State Board of Auditors. The model, which is complete even to miniature furniture and pictures on the wall, was displayed for the first time last Friday, January 24, to Michigan newspaper editors at the 70th Anniversary Convention of the Michigan Press Association, Inc.

According to Governor Kim Sigler, no immediate construction is planned in view of the state's financial position.

PIN CHATTER

January 21, 1947

From the looks of the scores this week, most of the girls seem to be picking up in their bowling. Maybelle were out of the slump now, gals, so let's get going and see what we really can do.

B. Rabley was back on the beam with 506 series at the Pines. Lucht both rolled 471. D. Eismann nearly hit the 500 mark again with a neat 490 and P. Fitzsimmons had a 456. Nice kegling, girls!

Lots of splits picked up this week. We give credit to Stever, 4 on the 8-10, Bumpus 3-7, Tucci 3-7-10, N. Holmes 5-10, Lane 8-9-10, Kaiser 5-10, V. Hummel 3-7-10, and Schell the 5-8-10. Not bad, eh?

PTA Hears State Parole Officer At January Meeting

The January meeting of the Elementary PTA was held at the high school on Wednesday evening, the 15th. Plans were discussed in regard to the carnival which is to be held at the school, and it was voted to have a party soon for the Brownies, the Girl Scout group that is sponsored by the PTA. Announcement was made of the arrival for trial of the slide projector which the PTA is planning to purchase for the school if it proves to be satisfactory.

Following the business meeting the president, R. W. Wagner, introduced State Parole Officer Hammond, who spoke about his work in a very interesting and instructive manner.

He told of the methods used in handling cases of juvenile delinquents, making it plain that it was his job to see that youthful offenders who were getting a poor start in life because of lack of schooling, bad home influences, etc. were set on the right track instead of being sent to jail. He has been proved, he said, that when some of these delinquents are assured that the people with whom they live have faith in them they almost invariably turn out to be useful, respected members of society.

At the close of the meeting refreshments were served by the committee.

should be increased further by approximately \$100,000,000 from the current year's surplus. In a pleading for an increase of the state's reserve fund, Dewey declares: "Our state is in the strongest financial position in its history. Our job is to keep it strong."

From the above quotations it seems obvious that Governor Dewey has been confronted with pretty much the same demands for state funds as was Governor Harry F. Kelly in 1943, 1944, 1945 and 1946—the same years when Dewey was governor of New York. It is also apparent that Dewey, like Kelly, would have opposed vigorously any additional diversion of state funds which in New York now is at the 55 per cent point.

We wonder what Governor Dewey would recommend to the legislature if he was faced, as is Gov-

ernor Sigler in Michigan today, with the prospect of a \$100,000,000 deficit in the state treasury at the end of the coming fiscal year. (Such is the forecast made last week by Michigan's new budget director).

Or to put on the shoe where it really pinches, what would YOU do, Mr. Taxpayer, if YOU were governor?

CARD OF THANKS

We wish to express our sincere thanks to our neighbors, relatives and friends, and Central Circle of the Methodist church, for their many acts of kindness during our bereavement; we especially thank Rev. Major for his comforting words.

OFFICE NEWS

On January thirty-first the boys will play basketball with Dundee. The high school Parent-Teachers Association meeting will be held in the Home Economics room at 7:30 P. M. on Monday, February third.

On February fourth, the girls will play basketball with the Saline girls in the gymnasium. The St. Paul's church will present a play on February fifth.

CREDIT WHERE CREDIT IS DUE

For quite a while letters have been awarded for outstanding work in various fields. Now the brain is being honored by having the owner's name placed on an honor roll. If the owner has a high I.Q., his name is placed on the honor list to award his good work. Now do you really think that is fair to the other students? How about the fellow who makes all he has but maybe is a little slower than the rest and only gets a C average? Does he ever get credit for trying? No! For example, the stars in the play get congratulated for doing a fine job, but would the play have been possible without the fellow who pulled the curtain open and shut, turned the lights on and off? Just think this over for a while and realize that credit should be given where credit is due. Don't get me wrong, I'm not saying anything is wrong with awarding letters on making an honor roll, but just remember they are not the only important things. If you don't make the grade, but if you really have tried, you at least have the satisfaction in your mind that you did your best. Maybe some day you'll be rewarded, too.

PARENTS' NIGHT
Parent's night will be on March fourteenth. There will be a one-hour program in the gymnasium, following a period of consultation and observation in the various rooms. All parents are urged to attend. Save the date—March 14.

JUNIOR POT-LUCK SUPPER

Food usually attracts a big crowd and Friday night was no exception. The "Pot-Luck Supper," sponsored by the Junior Class, was well-attended and was enjoyed by all. Plenty of good food was served and everyone seemed to have plenty to eat. The members of the girls' basketball team of University High in Ann Arbor were guests at the dinner.

INTRODUCING—

"Someone must be playing an April Fool joke," said Mr. and Mrs. Alfred Lindauer as they looked down upon the little round-faced cherub that April 1st day in 1929. But it was no joke, it was Loretta; and she was definitely here to stay. When we interviewed Loretta she gave us the following answers to the usual questions: favorite movie, "Blue Skies;" color she likes, gray; she

enjoys ice skating and playing the piano. When asked what her choice of food was she said, "Give me French fries anytime." Her favorite song at this time is "The Things We Did Last Summer." (Could it be reminiscing could you, Lindy?) Her pet peeves are cheating in old uniforms and not knowing if you are getting to school safely. (That sounds like a dig to someone). Her plans upon graduating are to go to Cleary's Business School.

The next interviewee was Donald Edward Barth. He is seventeen years old, has blond hair, blue eyes, and is five feet six inches tall. We asked him what his favorite movie was. He whistled softly and said, "The Big Sleep." Ah, that Basil Galt. His favorite sport is football; favorite food, fried chicken; favorite color, red. He likes the song "The Old Lamp Lighter." His plans upon graduation are to work (?)

SOPHOMORE CLASS

The Sophomore class elected Marjorie Shelly as their new Student Council representative. They planned a skating party but haven't as yet chosen the date. The rig committee is starting to see about their rings.

FRESHMEN CLASS

The Freshmen had charge of the pep meeting before the U-High game Friday. They are in charge of the "Infantile Paralysis Drive" that is being held now.

BAND

The Band is preparing for an assembly that will be given before the school. No date has been announced. The band letters have arrived and will soon be distributed.

HI-Y NEWS

The Hi-Y Club is still trying to arrange the date to hold their joint G.A.A., F.A.A. and Hi-Y, girl-boy relationship meeting.

The Club agreed to let the Juniors sponsor the dance after the University High game because they are sponsoring the pot-luck dinner before the game.

The club has paid for their Hi-Y pins.

HEALTH PROGRAM

The milk program has been discontinued because not enough people have ordered milk for their noon lunches.

The third-hour Biology class has ordered several movies from the Red Cross in Ann Arbor to show to the pupils during home room periods. These will be on general health topics.

F.F.A. NEWS

The paper drive was a great success and F.F.A. members wish to thank everyone who made it possible for them to have it. Altogether they collected about 7½ tons of paper.

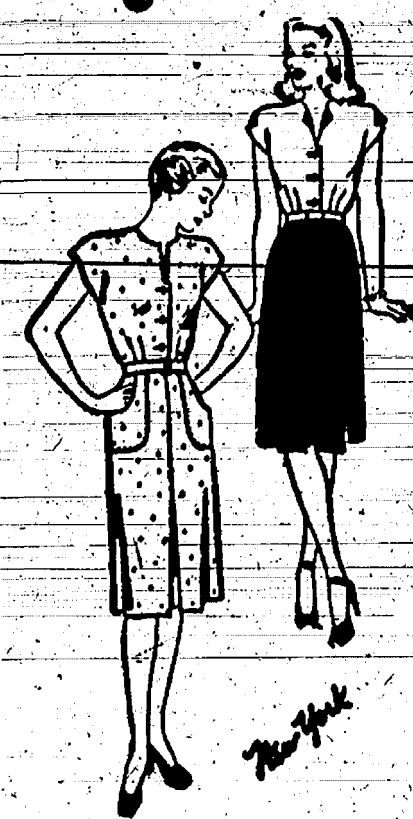

Their first basketball game is here Wednesday night with Saline.

This rebuilding will alleviate the past overloaded condition of the N. Harris street system, according to City Manager Glenn Hart. This head makes possible the delivery of water by an electrically operated pump under ordinary conditions, or by a gasoline powered pump in the event of an electrical power failure.—The Saline Observer.

The QUALITY ANGLE

If you were to ask us to name the most important ingredient in any prescription, we would answer — "QUALITY!" Yes—quality is an active, essential, participating ingredient in the medicine your doctor prescribes for you. Although quality weighs heavily in your favor, it is not determined on the scales. It is measured by the pharmacist's reputation for ethical prescription service.

Sure there's cream in every drop—it's our Homogenized Vitamin D Milk she's drinking. Not only smoother, creamier-tasting than regular milk, but more nourishing. Every quart contains 400 U. S. P. units of Vitamin D, the recommended minimum daily amount for growing children and expectant and nursing mothers.

Growing children particularly can make good use of our Homogenized Vitamin D Milk for developing strong bones and teeth. Our Homogenized Vitamin D Milk forms a soft curd that is readily digested, a fact that makes our Homogenized Vitamin D Milk very suitable for feeding infants and young children.

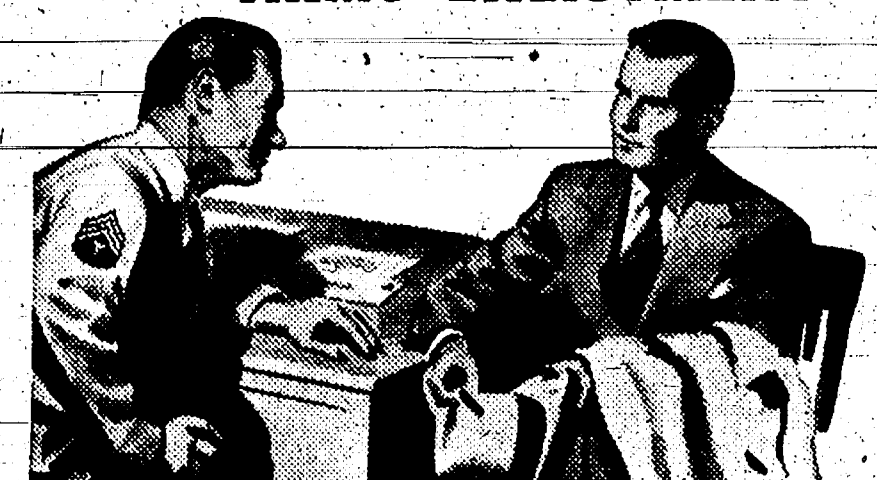

Yet, unlike other vitamins needed for adequate nutrition, Vitamin D is the only one not found in significant amounts in the "Basic 7" food groups listed in the government food charts.

Because it is easy to obtain and pleasant to drink, our Homogenized Vitamin D Milk offers a convenient and inexpensive way to get your daily supply of Vitamin D. Order our Homogenized Vitamin D Milk now.

PEOPLE ARE ASKING
THESE QUESTIONS ABOUT
ARMY ENLISTMENT

Q. What educational benefits do I get under the GI Bill of Rights?

A. If you serve honorably on active duty for a period of 90 days, one day of which is served between September 16, 1940, and the date of termination of the present war, or you are discharged because of an actual service-incurred injury or disability incurred within that first 90-day period of service, you are, upon discharge, entitled to one year of education in the college, trade or business school of your choice for which you can qualify. In addition, each month of active duty, including the first three months of post-service education, up to 48 months.

Your tuition, laboratory fees, etc., up to \$500 per ordinary school year will be paid by the government. Also, you will receive \$65 a month living allowance; \$80 a month if you have dependents.

Q. What about family allowances?

A. For men enlisting or reenlisting now, family allowances will continue until six months after the war is officially ended.

Q. What are my chances of going overseas?

A. If you enlist for 3 years, you may select to serve in any overseas theater which has openings, especially Japan or Korea.

Q. Can I still choose the branch of service I want to serve in?

A. Yes. You can pick any branch which has quotas to be filled, if you enlist for 3 years.

Q. Is there any way I can reenlist in my old grade?

A. Yes, you can, if you reenlist for a 3-year term within 20 days after your honorable discharge.

Q. Is there any other way I can reenlist in grade?

A. Yes, if you held one of certain military occupational specialties, and were discharged on or after May 12, 1945, you can reenlist in a grade depending on the length of time you held the desired M. O. S.

SIXTH GRADE

Priscilla Yoell won the spelling contest on Friday.

SEVENTH GRADE

Jackie Weir had a birthday Friday, and won immunity from birthday spankings by winning the "birthday game."

By mistake, the name of Bobby Joseph was omitted last week from the roster of those with perfect attendance for nineteen weeks.

THE GOOD OLD TIMES

Just think of all the fun that you're going to have at the big box social. It will be just like going back to grandmother's days. The women will have the thrill of packing a lunch for two and decorating the box as becomingly as possible. The men will then be in suspense until they find out who it is that owns the box, and, consequently, whom they will eat and share their lunch with. Won't it be thrilling? I'll bet that you can hardly wait until the 17th.

BAND AND CHORUS CONCERT

On January 21 there was a superb concert given by the Chelsea High School Band and Chorus. This concert was held in the gymnasium of the high school. Those who did not attend missed one of the best concerts ever held in Chelsea.

GIRLS' BASKETBALL

The girls' basketball team of C.H.S. played the U. High girls here last Friday afternoon. The line-up for Chelsea was as follows: forwards, Ar. Gordon, V. Paul, H. Hankard; guards, R. Luick, D. Manville, J. Weir. The only substitution was J. Hughes. The girls played a good, clean, exciting game with our own girls coming out on top. The final score was 18-15. The U. High girls were later entertained at the Junior banquet.

PEP MEETING

The very rousing pep meeting Friday was sponsored by the Freshmen, with Ronnie Eder acting as master of ceremonies. They dramatized three of our cheers, "Baby in the Highchair," "We've Got the Coach," and "Our Team is Red Hot," the last of which Bob Vogel, Jim Clark and Corkey Dreyer did an excellent and appropriate job.

Two speeches were given by Miss Beam and Mr. Cameron, then the pep meeting was closed with the school song.

NEW RULES FOR B. B.

In the fourth quarter the rule is

that after the automatic time clock stops every time the ball is dead or out of play.

After the automatic time out in the fourth quarter a player can be sent in only twice and then after that he is disqualified to continue playing after being taken out again.

If both feet are parallel he can use either foot as pivot foot. If not he can use both feet.

To tell that these rules were demonstrated:

After the completion of a dribble the first foot down must be first foot.

If a player drops a ball it is not a double dribble.

Jumping, the ball must be at its highest point before being hit.

If there is room both feet must be in back of side line; if not, player may stand over line.
