Oh Hum! Spring Again

LIFE RETURNING... March 21 marks the official return of spring, the perennial reminder of life returning. To some it means house cleaning, to others that the garden, the farm or the yard must be put in shape. To some the return of spring means that school soon will be out and the old fishing pool or fishing hole again will be available. To all, winter has gone and summer soon will be here. Oh, hum! At last, spring has arrived—at least officially.

An Egg A Day Is New Rule For Homemakers

With Easter time here, and eggs plentiful, homemakers all over the country are remembering the old, "Serve eggs every day, in any way."

Beatrice Grant, foods and nutrition specialist at Michigan State college, says eggs are tops in protein and contain so many vitamins and minerals you can't afford not to eat them these days.

You can serve eggs in so many ways that your family will not realize how often they are served. Use them in any recipes you possibly can and use them as just plain eggs.

Staked eggs are delicious—and simple to prepare. Slide the eggs into a shallow greased baking dish, add a little milk, fat and seasoning. Cover and bake in a moderate oven. For variety, omit the milk and sprinkle the eggs with bread crumbs mixed with grated cheese.

For scrambled eggs that are different, combine four beaten eggs with one cup of cooked tomatoes. Season with salt and pepper, cook and serve on toast.

Don't overlook omelets. Flat ones and fluffy ones are both good. Dress them up with mushroom sauce, tomato, cheese or Spanish omelets. For tomato omelets, substitute tomatoes for the milk. If you like sweet omelets, add jelly or citrus marmalade just before rolling the omelet.

Souffles are an extra-special egg dish and can be plain or made with cheese, vegetables, or fish. Egg salads are always delicious. Hard-cooked eggs sliced on lettuce and served with a salad dressing are a taste treat. And don't wait for summer picnics to serve deviled eggs!

Waterloo

Mr. and Mrs. Walter Vicary spent the week-end with her mother, Mrs. Louise Marquardt, and other relatives, at New Baltimore.

Choir practice next week Monday at the Victor Moeckel home and on Thursday evening at the Milton Riethmiller home.

Rev. Frank Parker will conduct vespers at the Cassidy Lake Camp next Sunday afternoon.

Choir practice this Thursday at Lavans. Next Monday at Victor Moeckels. On Thursday, March 27 at Milton Riethmiller's.

The Waterloo township Republican caucus nominated the following ticket Saturday, March 15: Supervisor, Daniel Emmons; clerk, Clair Siegrist; treasurer, Ardell Lantis; highway commissioner, Donald Confer; justices of peace, Dwight Harr and Oland Stanfield; board of review, Carl Heydlauff; constables, Lewis C. Ramp, George Liebeck, August Musolf, Eldon Kay.

Mr. and Mrs. Francis Marsh and family, Mr. and Mrs. Harold Marsh and family of Jackson, Mr. and Mrs. Leon Marsh and son of Cavanaugh Lake were Sunday dinner guests of their parents, Mr. and Mrs. Elmer Marsh.

Mrs. G. W. Spicer spent the past week at her home here.

Mr. and Mrs. Wm. Barber and the latter's sister, Mrs. Foster, spent Saturday with their brother, Jim, at Grand Rapids. Mrs. Foster spent several days with her sister here.

Mr. and Mrs. Milton Riethmiller entertained Mr. and Mrs. Wilbur Beeman and son Gordon, Mr. and Mrs. Victor Moeckel, on Sunday. Mrs. Riethmiller and Mr. and Mrs. Victor Moeckel spent Thursday afternoon with Mr. and Mrs. Kenneth Moeckel of Stockbridge. Kenneth has been ill with pneumonia.

The L. A. Society will meet with Mr. and Mrs. Walter Vicary on Thursday, with a pot-luck dinner. Bring table service.

The PTA will meet at the school house this week Friday night.

Mr. and Mrs. Leigh Beeman spent Sunday with Mr. and Mrs. Geo. Beeman.

Mr. and Mrs. Nick Panarites and daughter of Detroit were Saturday evening callers of Mr. and Mrs. Wilbur Beeman. Mrs. Collyer and sons of Cavanaugh Lake were afternoon callers last week. Mrs. Lutzinger of Jackson and Mr. and Mrs. Austin Artz and son of Francisco were also callers.

Miss Odema Moeckel entertained her Sunday school class on Sunday evening.

Moisture Needs

It takes 600 pounds of water to grow one pound of corn and 27 gallons of water to produce one slice of bread.

SALEM GROVE W.S.C.S.

The W.S.C.S. of the Salem Grove church met at the home of Mrs. Helen Rentschler, Waterloo, for their regular monthly meeting. The business meeting was conducted by the president, Mrs. Geo. Heydlauff. It was decided at this meeting to buy song books for the society.

Plans also were made to have a "Parents', Sons', and Daughters' Banquet," to be held at the church basement Friday night, March 28. This is to be a community banquet.

and anyone in the community is welcome to come. There will be a free will offering.

Mrs. E. O. Davis was leader of the lesson, with Mrs. Clarence Lehman, Mrs. Nelson Peterson and Mrs. Roy Miller assisting.

Mrs. Dillman Wahl led the devotions. The meeting was closed by repeating the Lord's Prayer in unison.

At the close of the meeting dainty refreshments were served by the hostess.

PONTIAC*A fine car made finer***There's a purpose back of Pontiac!**

When you buy a Pontiac you get a car that is deliberately designed and built to give you a certain type of value.

First of all, it is designed to give you fine performance—performance that will give you a thrill every time you take the wheel. This applies to the engine, to the car's roominess and comfort, to its roadability and handling ease.

Yet—Pontiac is also designed to give you economy—to operate inexpensively—to be

easy on service—and to last a long, long time. In short, Pontiac is designed to give complete satisfaction—at extremely low cost.

This is always true of Pontiac. So regardless of when you expect to get your next car—make it a Pontiac. It's a wonderful value.

THE SOONER YOU PLACE YOUR ORDER for a new Pontiac, the earlier you will get it. So place your order now for future delivery.

Time in HENRY J. TAYLOR on the air twice weekly

And here's what's back of PONTIAC'S extra value

BEAUTY—Distinctive Silver Streak Styling • New massive front end design.

COMFORT—Big, roomy Body by Fisher • Famous Triple-Cushioned Ride • More Luxurious Interiors • Shock-Proof Knee-Action • Fisher No-Draft Ventilation • Remarkable Handling Ease.

DEPENDABILITY—Smooth, powerful L-Head six or eight cylinder engines • Full-Pressure Metered Flow Lubrication • Permanent, Highly Efficient Oil Cleaner.

ECONOMY—Scotch-Mist Quick Warm-Up Manifold • Gaselector • Vacuumatic Spark Control • All-Weather Engine Temperature Control.

SAFETY—Multi-Seal Hydraulic Brakes • Unisteel Body • Tru-Arc Safety Steering • Doors hinged at front • Clear Vision • Hi-Test Safety Plate Glass.

A Service That Keeps Faith
With The American People

Higher average incomes have, through the years, resulted in higher standards of living. And the funeral profession has steadily kept pace with all advancement.

The notable improvements made in both the extent and quality of service and merchandise have not been extravagantly priced.

On the contrary, as is shown by our wide range of prices, every family, regardless of its circumstances, may arrange for a funeral of highest standards at a price it can afford to pay.

MARRIED SATURDAY
Miss Gladys M. Frinkel and Mr. E. Bumpus, both of Chelsea, were married at the Congregational parsonage on Saturday afternoon at 2:00 o'clock. Their attendants were Mr. and Mrs. Arthur Smith of Breckenridge.

CLUB MEETS
The Merry Stitches Sewing club was held at the home of Janice Wright with seven members present. The last meeting will be held at the home of the leader, Mrs. E. H. Wright, on March 29 at 1:30 p.m. After the business part of the meeting, the girls completed their reports and refreshments were served.

The complete freedom in the use of our funeral home by our clients is a source of satisfaction to them, for here they can, in fact, express their sympathies for such time as they are able, knowing that in their absence friends will be received with all respect and consideration and registered.

ber 6, 1874. Her parents were the late Charles and Henrietta Crane. Mrs. Dancer is survived by her husband, one daughter, Mrs. Jean Lunn of Atlanta, Ga., and three sons, Charles C. Dancer of Tampa, Fla., Harry G. Dancer of Jackson, and Robert H. Dancer of Stockbridge; a granddaughter, Mrs. Gordon Van Riper of Chelsea, and a grandson, Barry Lunn, of Atlanta, Ga.

Funeral services were held Monday afternoon at 2 o'clock at the Staffan funeral home, followed by burial in Oak Grove cemetery. Rev. Everett R. Major, of the Methodist church, officiated at the services.

Orion J. Walworth, 32 years of age, died suddenly Sunday morning at St. Joseph's Mercy hospital, Ann Arbor, following a fall at his home at 160 East Middle street, Chelsea, on Friday night.

He was the son of Thomas and Martha Griswold Walworth and was born May 18, 1884 in Jackson county, Michigan. He was united in marriage to Minnie A. Wright at Eaton Rapids on Aug. 19, 1885 and was a resident of Chelsea for 17 years.

Mrs. Walworth preceded him in death in 1942. He was a member of the Chelsea Congregational church, a life member of Olive Lodge No. 156, F. & A. M., and was a retired railway mail clerk, having retired 18 years ago.

He is survived by one daughter, Miss George Bacon of Fort Wayne, Indiana; two sons, T. Kent and George W. Walworth, both of Chelsea; four grandchildren and four great-grandchildren.

Funeral services were held from the Miller funeral home at 2:00 o'clock Tuesday afternoon, with Rev. W. H. Skentelary officiating. Burial was in Oak Grove cemetery.

Staebler-Kempf To Present Free Show

Two hours of entertainment for the whole family will be given free of charge Wednesday night, March 26 at 8:00, at Lafayette Grange Community Hall, Lima Center, sponsored by Staebler-Kempf Oil Co.

The Dixie Farm Show will open with a short comedy for the children. Following this, an authoritative and enlightening 30-minute film entitled "Magic in Agriculture" will be shown. In an educational yet entertaining manner this film acquaints the audience with the important part science is playing in using such commonplace farm products as corn, milk, eggs, and feathers, in the manufacture of plastics, starch and numerous other industrial products used in everyday life.

That popular comedy team, Uncle Ezra and his daughter, Elvoria, the girl that never smiles, will provide fun for all. After this, Chief Little Fox, America's only Indian Magician, will perform feats of magic.

Following the show, door prizes are awarded to lucky ticket holders. All are invited as the show is for the whole family and provides a delightful evening's entertainment.

SYLVAN FARM BUREAU
The Sylvan Farm Bureau met at the home of Mr. and Mrs. Emerson Lesser on Friday evening, March 14, with twenty-five in attendance. Frank Trol of Grass Lake, of the Soil Conservation Service, spoke on "The Need of Conserving the Soil" and told how Washtenaw county farmers could go about setting up soil conservation districts in the county and stated that anyone interested in such a project should contact County Agent H. S. Osler at Ann Arbor.

Medical Groups Join In Cancer Education Program During April

In an effort to offset 5,000 years of misinformation and superstition regarding cancer, which have been handed down from one generation to the next, the Michigan Department of Health, State Medical Society, the American Cancer Society and the Department of Public Instruction are cooperating in a cancer facts education program which will be stressed during April, National Cancer Control Month.

"While cancer is the second cause of death in Michigan and in the nation, and while no age or locality is free of cancer, half of the lives which the disease takes each year could be saved if the facts were known at this time," says Dr. William DeKleining, Commissioner of the Michigan Department of Health, said this week.

He urged every individual and organization in the state to avail itself of the latest information regarding cancer during Cancer Control Month.

Each new scientific fact about cancer offsets some pre-existing fallacy, and the people of the state are no longer justified in maintaining the attitude of hopeless fear which has done so much to retard cancer control in past years," Dr. DeKleining said.

He pointed out that cancer is one of the oldest ailments known to man; that hieroglyphics of three to four thousand years before Christ referred to such growths as cancer, and that nearly every medical writer of importance since that time had discussed the disease in the light of knowledge, or lack of it, of his time.

Superstitions and fears resulting have done much to hinder effective cancer control.

In April every community organization is urged to avail itself of speakers, films, exhibits and literature with regard to cancer through the local medical societies and health departments of the state, in order that a greater percentage of the people in Michigan may be aware of the actual facts regarding cancer, and its control.

The schools and medical groups of the state will also participate in special educational programs.

W.R.C. MEETING
The W. R. C. held the regular business meeting at the Masonic hall at 1:30 o'clock Monday afternoon, at which time gifts were brought in for an Easter basket which is to be sent to Percy Jones hospital.

One new candidate for membership in the Corps was initiated at this meeting.

Preceding the business meeting a birthday dinner was served at 12:30 in honor of members whose birthdays occur during the first quarter of the year. A feature of the dinner was a lovely birthday cake, baked and decorated by Mrs. P. M. Broesamle.

PIMPLES
Disappeared Overnight
Blackheads too. No waiting. Yes, it is true, there is a safe, harmless, medicated liquid called "Pimples" that dries up pimples overnight as it acts to loosen and remove oily matter. Those who followed simple directions and applied "Pimples" upon their faces were amazingly surprised when they found their pimples and blackheads had disappeared. These were enthusiastically praised. "Pimples" is a safe, sure remedy. It is not a cure, but it is a relief. It is one of the best things you can get for your skin today, sure!

WEDDINGS

Claire-Frizzell

Announcements are being received from Mr. and Mrs. Olen J. Claire of Punta Gorda, Florida, announcing the marriage of their daughter, Sandra Elizabeth, to Arthur Paul Frizzell, son of Mr. and Mrs. A. C. Frizzell of Murdock, Fla. on Monday, Feb. 24.

The former Miss Claire is a graduate of Lake Orion high school, Lake Orion, Mich., and has been attending Michigan State College at East Lansing for the past three years.

Mr. Frizzell attended Kentucky Military Institute and was graduated from Charlotte high school, Punta Gorda, Florida. He served three years in the armed forces, with 26 months overseas duty.

A reception and "Old Southern Barbecue" was held in their honor at the home of the groom's parents. About one hundred fifty guests were in attendance.

At the present time the young couple are completing their studies at Tampa Business University and are residing at 416 Hugh St., Tampa, Fla. They plan to make their permanent home at the AP Cattle Ranch at Murdock, Fla. about June 1.

The Claires are former Chelsea residents.

MICHIGAN MIRROR

(Continued from page one)

supplanted old-style capitalism as a historical outcome of the most devastating human conflict the world has yet experienced. The new atomic age brings the shadow of catastrophic doom.

In contrast to the inflationary troubles of Michigan and other states, the world picture seems dark indeed. Little wonder that our industrialists are apprehensive over the future of American enterprise when England has already nationalized the Bank of England, all coal mines, all aviation, and is now moving to nationalize inland transport, gas and electricity, telecommunications and possibly petroleum. Private industry, cotton textile, ceramics, housing, boots and shoes and others will be under strict government control and regulation if not outright ownership.

A hungry world depends upon American grain for much of its hope of survival. American responsibility as a world power has never been greater.

As Secretary of State Marshall recently declared, we face many grave problems—the greatest

of which probably is the role of American democracy in the survival of western civilization and the possible showdown, should we undertake the staggering task, between democracy and communism.

This is the world struggle of the post-war world, that "new world" which we have awaited so eagerly.

In contrast to this, the problems of the Michigan home front seem puny and small. We have our homes and our families, and our pantry shelves are not bare. Our worry of a \$83,000,000 deficit and the prospect of new taxes seems to fade away to the vanishing point when we look over the horizon and see what confronts the rest of a weary world.

Farm Fatalities. Each day on the farm 45 persons in the United States are killed by unnecessary accidents.

From where I sit... by Joe Marsh

Do Men Like Women?

Maybe you read that recent article in a national magazine, claiming that American men don't really like the company of women. They just put them up on a pedestal and leave them there.

But I wouldn't say that that was so in our town. Look at any married couple—like the Cuppers. Jane wouldn't nag if Dee spent his evenings "with the boys"—but actually Dee likes nothing better than to stay home by the fire, sharing a glass of beer with Jane, playing cribbage, or just talking.

And when he does go out, for an afternoon of fishing down at Seward's Creek, or for an evening glass of beer at Andy Botkin's Garden Tavern, Jane is almost always with him (except when she's got a spot of baking in the oven).

From where I sit, respect doesn't rule out everyday companionship... and never should. They go together—essential parts of a successful marriage.

VETERANS' AFFAIRS
LANSING

Veterans' Rights Upheld In Financing Homes

A recent ruling by the National Housing Agency decrees that veterans seeking to purchase a residence built under priorities issued for the Veterans Emergency Housing Program may not be restricted by the builder with respect to a specific lender institution, as the manner in which he wishes to finance the purchase. He may pay cash—not more than the legal sales

price—or he may finance the deal through any legitimate financing medium of his own choice. The ruling was recently applied to a California builder who insisted that veterans make a large down payment in the purchase of a home and then pay six per cent interest on the unpaid balance. In this particular case, the Housing Expediter's decision will result in considerable savings to veterans who wish to pay cash or to refinance the purchase through Government-guaranteed loans at four per cent interest, in accordance with the G. I. Bill.

In other words, builders may not refuse to accept financing under terms of the G. I. Bill, provided the building was done through priorities issued for veterans' housing.

SALINE.—Outlining accomplishments of the past six months since Saline adopted a city manager form of administration, City Manager Glenn Hart listed improvements to the water plants, the construction of 1,500 feet of sanitary sewers on Clark and Bennett streets, installation of new maintenance methods, and a new voting registration system, in a talk to Rotarians here at their Thursday dinner meeting at the Saline Hotel. Projects involving the expenditure of upwards of \$100,000, some mandatory, some purely speculative, were proposed for the thoughtful consideration of the people of Saline by the City Manager, including a \$118,000 sewage disposal plant which the state insists must be under construction by 1948, a new water plant and a three-man police force.—The Saline Observer.

Sure as sunrise, it's going to happen: Someday you're going to slip into a sleek-lined Buick Convertible "just to see what it feels like."

You'll want to find out for yourself if it's as wonderful as it seems to ride in all this stunning style — to be boss of the year's brightest highway beauty.

Well, you find a wheel that seems molded to your hand, deep, wide seats that might have been fashioned for your own special comfort.

You'll look out over a broad bonnet, front-tipped with a richly gleaming grille, and

know how a king feels sitting on his throne.

Just listen as eight big Fireball cylinders erupt into life — then settle to a sweet contented purr.

Watch — as each threatening road-jar meekly subsides under the gentle magic of soft coil springs on all four wheels.

Get the feel of roadweight that's like a steady hand guarding every mile. Try the handy push-button controls that operate the top, the door windows, even the front-seat adjustment.

Test the lightness of the wheel, the quick

bite of brakes, the instant upsurge when you touch off the gas treadle.

By now, you find yourself succumbing completely.

This, you tell yourself, is meant for me. How do I make it permanent?

The first step is to see us—and get your name down.

After that—the busy beavers of Buick's on-the-ball production staff will move heaven and earth to join you and your one-and-only-the-first-possible-moment.

weeks' course in the Exide battery
school in Detroit and has accepted
a position with Palmer Motor Sales
as manager of the battery depart-
ment.

J. W. Cassidy, John Schlefer-
stein, John Walsh, Jr. and Terrence
Foster left Thursday morning for
Wyandotte, where Mr. Cassidy has
contracts for building a number of
houses.

The Chelsea fire department was
called to the home of Mr. and Mrs.
Frank Nell on Taylor street about
8:30 Sunday morning when it was
discovered the chimney was burn-
ing out. No damage resulted.

The marriage of Miss Irene M.
Vail, daughter of Mr. and Mrs.
Thos. Vail, and Hazen Lehmann,
son of Henry Lehmann of North
Francisco, took place Saturday
evening at St. Paul's parsonage,
Rev. P. H. Grabowski performing
the ceremony. The attendants
were Miss Eva Lehmann and Alvin
Vail.

Born on Thursday, March 1, to
Mr. and Mrs. Henry Marker of So-
main St., a daughter.

Mr. and Mrs. E. J. Moeckel and
family have moved from Grass
Lake township to the Frank Gram-
er farm in Lima.

Gottlieb Ahnemann was born in
Germany, October 8, 1898 and died
at his home here Tuesday morning,
February 26, 1947 at the age of 47
years. Survivors are five sons and
one daughter, Rev. A. A. Schoen
official at the funeral Friday
morning.

Hiram Lighthall, who was born
in Akron, N. Y., April 11, 1851, died
Saturday, February 22, 1913. In
1877, he and Lathon Miller estab-
lished the Chelsea Foundry and
Machine Works, and later conduct-
ed a planing and saw business for
several years. Mr. Lighthall was
supervisor of Sylvan township a
number of terms; he also had
served as township treasurer, jus-
tice of the peace and numerous vil-
lage officers. Survivors are his
widow, four sons, Guy of Bos-
ton, Myron and Cone of Chelsea,
and Homer of San Diego, Calif.;
two daughters, Mrs. Archie Miles

Michigan Bell Reports on 1946

During 1946, Michigan Bell installed more telephones, served more telephones
and handled more calls per telephone than ever before. Total revenue was larger,
too. But so were expenses. Earnings on investment were more than in 1945. But
in the second six months, due to rising costs, earnings were on a downward trend.

ABOUT CALLS—On the average business day there were 7,304,000 local
calls, and 197,000 long distance calls . . . increases of 22% and 23%
respectively over 1945. Although at times some calls were delayed by
insufficient facilities, telephone people gave more good service than ever
before in history.

ABOUT TELEPHONES—Michigan Bell installed 34,000 telephones a
month, double 1945. A net gain of 204,000 telephones brought the total in
service to a record high of 1,378,000. However, it was necessary to give party-
line service to many thousands who would have preferred individual lines.
And 65,000 others were waiting for telephones at year's end.

ABOUT CONSTRUCTION—\$36,000,000 worth of buildings and equip-
ment were added. This investment, all-time high for one year, would have
been much greater but for continuing shortages of materials. Increasing
demands for service and higher labor and material costs have raised the
estimate for our 5-year post-war construction program to \$220,000,000.

ABOUT JOBS—Michigan Bell's force rose 6,000 to more than 22,000
people, about one-third of whom had less than a year's experience. Nearly
half of all Michigan Bell men were returned veterans of World War II.
Wage adjustments, made early in 1946, amount to \$8,461,000 a year.
Payrolls totaled \$54,445,000, up 50% over 1945.

ABOUT REVENUE AND EXPENSES—We took in more money
than ever before—\$91,000,000, or 13% more than 1945. But ex-
penses also increased. Operating payrolls were up 30% for the year.
Total expenses, excluding taxes, were 25% over 1945. Total cost
of giving service, including taxes, was \$79,000,000—an increase
of 11% over 1945. Revenues in 1946 include \$3,500,000 subject to
refund to customers if the pending rate reduction order of the
Michigan Public Service Commission is upheld by the court.

ABOUT EARNINGS—Earnings for the year were \$12,000,000, or
7.2 cents on each dollar invested in the business. If the Public Service
Commission's rate reduction order is upheld, 1946 earnings will
drop to 5.9 cents, insufficient, we believe, to attract the new capital
needed for expansion and improvement. As it was, during the last
half of the year, rising costs sent the earnings rate on a downward
trend, which, pointed to the possibility that higher rates might
become necessary to assure financial stability of the business.

THE PROSPECTS—Our objectives in 1947 are to provide as
quickly as possible: 1. Enough telephone plant to take care of all
unfilled orders for service and to care for future demands; 2. Facili-
ties to furnish promptly the type of service the customer desires;
3. Improvements in local and long distance service; and 4. Extension
and improvement of rural service.

Present indications are that shortages of needed materials will

continue to handicap us in 1947. But, we expect by year's end to
have filled most requests for service and to have made progress in
further improving the quality of service.

Telephone men and women turned in a record-breaking per-
formance in 1946, and we have confidence that in 1947 they again
will surpass all previous accomplishments and give to Michigan
continuing telephone service of the very highest order.

FIELD TRIP.

On March 12, Mr. Cameron took his class in government, a class of seniors, to visit the state capital. The main objective in taking the trip was to visit the legislature in session, but we were all quite disappointed because they adjourned after a session of fifteen minutes, because of the death of one member.

The group spent the afternoon looking over the different parts of the capitol. They saw the Supreme Court rooms and guides explained to them how the court operated. They also saw the offices of the governor and the Senator and Representative from this district. These gentlemen answered all questions quite willingly.

The class hopes that some day they can go back to visit the Legislature.

Mr. Roberts tells of Albin Hamlin, a young New England lawyer, who pursued over land and sea, through peace and turmoil, the girl he fell in love with the minute he saw her portrait. Here is a tale of high endeavor and fantastic adventure.

the Pledge to the Flag and the national anthem.

Mrs. L. G. Palmer gave a very nice talk on the Red Cross.

It was announced that new members are always welcome, and that the next meeting will be held April 1, at the Municipal Building.

Early Salads

According to home economists, the early salads were simply raw green vegetables served with salt for seasoning. The Latin word for salt is "sal," hence the name salad. The name has come to be applied to a wide group of foods made from fruits, as well as from vegetables, and often frozen or congealed. They may be served not only with salt, but with a variety of dressings suited to the ingredients used in the mixture.

District Extension Clubs Held Party At Municipal Building

(Continued from page one) of the Lyndex Group, assisted at the plan.

Geraldine Reith took the part of the narrator for a screamingly funny skit presented by the Lyndex Group, called "The Case of the Missing False Teeth," with Rosemary Rinehart as a sweetheart, Sylvia Gilbert, his lady love and Helen Rinehart, her father who "lost" his false teeth.

Also offered as the Lyndex Group's contribution to the program was a beautiful whistling solo, "Anniversary Waltz," by Geraldine Reith, accompanied on the piano by Mrs. Maynard.

Mrs. Reith, the County Recreation chairman, led the group in what was called a "stretcher period." This was followed by a short business meeting in charge of Miss Wilson, who explained the new calendar year for Extension Groups and Executive Board members. She also explained the Louise Campbell Fund, which provides scholarships at Michigan State college for Home Ec. students who have outstanding scholastic records. All groups in Washtenaw county are contributing to this fund as a county project in honor of Louise Campbell, one of the first Extension specialists in Michigan.

Miss Wilson mentioned that there are now 36 Extension Groups in Washtenaw county with a total of 625 members. She announced that the October lesson for Extension Groups would be "Timesavers Sewing," while the November one would be "Household Pests."

At this time the Dexter Group put on what was called "A Preview of the Easter Parade," which was especially interesting since the outfits modeled were designed and made by the members themselves.

Those taking part were Mrs. Robert Murphy, Mrs. Ledue Davis and daughter Joan, Mrs. Maurice Brown and son Jerry, Mrs. Max Ziegler and son Mauritz, Mrs. Carl Keen, Mrs. Paul Ulrich and Mrs. Leroy Mosher.

The Lyndon Group gave up their allotted time on the program to the Dexter Group for the modeling exhibition.

The last number on the program was put on by the South Sylvan Group and was in the form of a regular monthly meeting. One member who had not yet arrived at the meeting was being thoroughly discussed by those present and criticized for dressing in such poor taste that the members were rather ashamed to have her represent them at a state college short course which she had been chosen to attend.

Member arriving on the scene were stylishly and becomingly dressed to the astonishment of the other members of the group. She explained that her Extension Group lessons in tailoring, color and material selection, etc., had helped her so much that she had been able to design and make her own outfit to wear while attending the college short course.

Mrs. Wm. Bahnmiller, senior District chairman, announced all the program numbers.

The next regular meeting of the Pythian Sisters will be on Tuesday, March 25.

The Past Noble Grands club will meet at the home of Kathleen Bernath Thursday afternoon, March 27. One birthday.

Lime Needs Are Not Same For All Crops

Lack of lime in many Michigan soils often limits the production of feed crops, says Kirk Lawton, specialist in soils at Michigan State college.

Many Michigan soils were developed from acid rocks and were always low in lime. Others, which were once well supplied with lime, have deteriorated through farming practices.

All crops do not need the same amount of lime. Crops such as corn, wheat, oats, and buckwheat do not respond greatly to lime.

However, legumes such as alfalfa and sweet clover and other non-legume crops like sugar beets, barley, asparagus, cabbage, spinach, and garden beets respond most markedly to lime.

The test for lime requirements in soils is simple. Such a test can be made by the county agricultural agent or soil samples can be sent directly to the Department of Soil Science, Michigan State College.

Anchor Rugs

Storing Canned Fruits
When storing canned foods, do not stack the jars one on top of the other or too close together, for the seal may break and cause the food to spoil.

NOTICE
The annual meeting of the Mt. Hope Cemetery Corporation will be held in the town hall in the Village of Waterloo, on Saturday, March 29, 1947, at 2 p.m.
Daniel Emmons, Secretary.

THE UNIVERSAL Jeep

THE VERSATILE FARM VEHICLE THAT SPREADS ITS COST OVER MORE JOBS

—PLOW WITH A 'JEEP'

The 4-wheel-drive 60 hp "Jeep" does the field work of a light tractor—pulls plows, discs, harrows, etc.—both pull-type and hydraulic. Low speeds of 2 to 7 mph. Easier and safer for the driver.

—OPERATE EQUIPMENT

The power take-off of the "Jeep" delivers up to 30 hp for belt work with mills, saws and blowers—powers sprayers, mowers and other shaft-driven equipment.

—USE IT AS A PICK-UP

The rugged "Jeep" hauls loads up to 1200 lbs., using 2-wheel drive for economy on the road, 4-wheel drive for hard going or off-the-road use. All-steel body with tail gate.

—TOW WITH A 'JEEP'

A great tow vehicle for trailers and wagons, with truck speeds on the highway, tractor power for mud roads or in the field. The "Jeep" works the year 'round!
