County Teachers Held Annual Meeting In Manchester On Friday

Washtenaw county teachers met Friday at Manchester in their annual County Institute. All public schools in the county, except those of Ann Arbor and Ypsilanti, were closed to enable teachers to attend. Morning sessions began with an invocation by the Rev. H. S. Von Rague, of Manchester Evangelical church, and continued with an address, "Education for the Present International Situation," by Dr. Royal G. Reed of Albion College. After this, the group broke into discussion groups as follows: early elementary, "Should We Have a Uniform Course of Study in Our County?" led by Mrs. John Hale, Chelsea; later elementary, "How Can We Improve Teaching in the Later Elementary Grades?" led by Clara Collins, Saline; Junior high school, "The Problems of the Junior High School Youth of Washtenaw County," led by Supt. Dan Shirliff, Dexter; Senior high school, "The Future of the Community for Tomorrow," led by the community group, Manchester; youth guidance, "Building for Character and Citizenship Through the School Program," led by Laurits Drevdahl, Milan; and tenure, "Would Tenure Legislation Be Advantageous in the Small School?" led by Ralph Glidden, Willow Run.

Luncheon was served at the churches of Manchester, after which the group reassembled to attend a business meeting of the Washtenaw District of the Michigan Education Association. Present were: Mrs. M. W. Fox, Chelsea, president; Mrs. W. Fox, Chelsea, vice-president; Donald Weed, Manchester; secretary; Robert Jones, Milan; treasurer; Julius Haab, Ann Arbor; classroom teachers chairman, Gertrude Nantel, Chelsea; and Ruth Larson, rural.

The afternoon program concluded with an address, "The Drama of Education," delivered by Judge Ernest J. Millington, Reed City.

Dairy Association To Hold Meeting At MSC On March 28

Plans are underway, according to reports from the Washtenaw County Dairy Association, for the annual meeting of the Michigan Dairy Association to be held at Michigan State College, East Lansing, March 28th, 1947. Mr. Lamoreaux stated that the producers and processors have been invited to this meeting to meet with Owen M. Richards, General Manager of the National Sales and Marketing Council, to discuss the marketing of milk and milk products. He also stated that the Michigan Dairy Association is planning to hold a series of meetings throughout the state to discuss the marketing of milk and milk products. The Michigan Dairy Association is a non-profit organization which represents the interests of the dairy industry in Michigan. It was organized in 1934 and has since that time been working to improve the marketing of milk and milk products in the state.

President Truman is convinced, and apparently so are the majority of the people, that the United States must have the march of Communism in Europe if it is to prevent the spread of Communism in the United States.

Here, we would be the "shoddy" should we be the "staggering task, between Democracy and Communism," to quote from our new letter of last week. Here is the grim reality of our "new world," a further disillusionment to the veterans of World War I and II.

Senator Vandenberg, chairman of the senate foreign relations committee, believes that our challenge to Russia is not incompatible with our loyalty to the United Nations and the postwar peace for world peace.

"We cannot fail to back up the President at such an hour," declared the Michigan senator. "The President's hand must be upheld."

Emphasizing the familiar theme that the outputs of our American freedom are world-wide and that our freedom must be defended anywhere and everywhere in this modern age, President Truman warned that "unilateralism" should be free people, by direct or indirect aggression, undermine the foundations of international peace and hence the security of the United States.

President Truman contrasted the American way of life with the Communist system whereby "the will of a minority" is "forcibly imposed upon the majority" through the use of "terror and oppression, a controlled press and radio, slanders and propaganda, and the suppression of personal freedoms." These are the methods of the Communist system, he said.

President Truman would halt the spread of Communism in Michigan by the American Youth for Democracy. President Truman and Senator Vandenberg would spread the word of Communism to the United States by checking it in Europe. The principle is pretty much the same in both cases: that of geography and the spread of Communism.

AFTER 26 YEARS

We Say Farewell To The Standard

On April 1 the ownership and management of The Chelsea Standard will be assumed by Mr. and Mrs. Walter P. Leonard of Ann Arbor, who will move to Chelsea as soon as suitable living quarters are available.

It is with mingled feelings of relief and regret that the present publishers relinquish ownership of The Standard. During the twenty-six years we have operated the business we have had our ups and downs, but as a whole it has been an experience with many happy memories. On the other hand it will be a relief from the responsibilities and burdens which go with the pressure under which one must operate in the printing and publishing business.

During these twenty-six years we have enjoyed the pleasant friendship of our subscribers, advertisers and printing customers. We have seen the passing of many of the business and civic leaders of the community, we have seen many changes in business and industrial ownership, and in the general population of the village. However, there are many of our customers and subscribers who were here when we started our business career, and who have been loyal to our business during all these years.

Although we are saying farewell in a business way, it is our desire to continue these friendships, as past courtesies to us will not be forgotten. We are remaining in Chelsea and will strive to continue as an active part of the community and will always be interested in its further progress.

We express our sincere gratitude to all who have helped to make our business a success—advertisers, printing customers, country correspondents, and to those who have been and are now employed by us.

Mr. and Mrs. Leonard are a capable young couple with the energy that is required to continue the business where we leave off, and to direct the expansion which will be required to keep abreast with the progress which is destined to become a part of Chelsea's future. Our best wishes go to them for a happy and prosperous business career in their new endeavor.

Mr. and Mrs. M. W. McClure

Judge Jas. R. Breakey Addresses PTA At Meeting Wednesday

Judge James R. Breakey, Jr. was the speaker at the regular monthly meeting of the Elementary PTA which was held at Chelsea high school Wednesday evening, March 19. He spoke on the topic, "The Increase of Juvenile Delinquency," stating that it was his belief, based on his experience in the matter, that the most juvenile delinquents came from homes where the parents were divorced and from homes where religious training was lacking. He said that, in his estimation, to curb juvenile delinquency, there was a very real need for parents to cooperate, through the schools, with the teachers who have charge of their children, and also, for parents to promote increased church and Sunday school attendance. He mentioned that all of the cases of juvenile delinquency he has handled, not one came from a home where both parents were religious people interested in church work and family attendance at services.

At the last PTA meeting it was announced that the grade having the most juvenile delinquents in this month's meeting would be given a party. The winners were the pupils of the second grade. Election of officers was held, with Mrs. Alfred Meyer being elected president for the coming year. The vice-president is Mrs. Russell McLaughlin, treasurer, Mrs. Lawrence Riemschneider, and secretary, Mrs. Robert Wagner.

Members were reminded to remember the Carnival date—April 25, at the evening's meeting was concluded with refreshments served by the committee to the forty members and guests present.

Farmers May Feel Proposed Cut In MSC Building Program

Halt of some of the building operations now underway at Michigan State College, as recommended by some legislators, would greatly handicap research and extension projects planned to aid local farmers. Such is the belief of administrative officials at the school of agriculture, including Dr. Edwin Baldwin, director of the extension service.

Terminating research as "the foundation of extension," Director Baldwin explained that if building facilities are not available to handle certain research work, the results will not be made available to pass on to the farmers.

With farming becoming a more complex science, Director Baldwin says farmers need more assistance. He pointed to the need for additional facilities to house bulls and laboratories at the central semen distribution station for the artificial insemination program for dairy cattle. Although in two years the program has grown to service nearly 100,000 cows, many requests by farmers must go unanswered because more facilities are not available.

E. L. Anthony, dean of the school of agriculture, pointed to the crucial need for a poultry building, along the modern poultry building, belonging to the college, was turned over to the state police during the war. Since poultry production is exceeded only by dairy production as a source of farm income in Michigan, there is a great need for research work in this field.

Mrs. Hattie Hoffman of Jackson spent the week-end here with her sister, Mrs. Will Schatz.

Men Interested In Organizing Eagles To Meet Friday Night

Call for a second meeting of men interested in forming a new Aerie of the Fraternal Order of Eagles in Chelsea was issued today by Don W. Black, organizer for the P.O.E. The meeting will be held Friday, March 28 on the third floor of the Municipal Building, at 3:00 o'clock.

At this meeting, the organizer said he expects that steps will be taken toward organization of committees to start planning arrangements for institution of the new Aerie. Meeting rooms must be selected, and other things are to be done.

If enough prospective members are signed at the meeting, it may be possible to select a tentative date for the institution.

Up to date, a total of 139 prospective members have been signed. Mr. Black said, and each one is expected to bring one or more friends to the meeting Friday to become acquainted with the objectives and benefits of Eagle membership.

"The Eagles provide both sick and death benefits on as liberal a scale as any similar organization," Mr. Black said. "They maintain homes in all the principal cities. Their social programs for the benefit of members and their families are one of the big assets of the organization." "Our Aeries now own more than \$300,000,000 worth of War and Victory Bonds.

Mrs. Daniels Hostess To Philathea Circle

Thirteen members and one guest of Philathea Circle of the Methodist church were entertained on Thursday afternoon at the home of Mrs. Warren Daniels, beginning with a lovely dessert luncheon served at 2 o'clock by the hostess with Mrs. James Daniels assisting.

During the business meeting it was decided that the Mother and Daughter banquet would be held under the auspices of the Philathea Circle.

The devotional service on the topic, "Time," was in charge of Mrs. W. G. Price and was followed by a Round Table discussion under the leadership of Mrs. John Fletcher. Others taking part were Mrs. Philip Olin, Mrs. Leigh Palmer and Mrs. Walter Harper. Subject of the discussion was each one's personal idea of religion and God.

BIRTHDAY CELEBRATION

Twenty-four friends and neighbors, at the invitation of Mrs. Raymond Schmitz, surprised Mr. and Mrs. George Welch, of Sylvan Center, with a birthday celebration in their honor at their home Saturday evening.

Cards were enjoyed, with high scores won by Mr. and Mrs. Clyde Martin and consolation by Mrs. Eugene Smith and Eugene Martin, and were followed by refreshments, served by Mrs. Schmitz, which included a lovely birthday cake. The honored couple was remembered with a number of very nice gifts.

HONORED ON BIRTHDAY

Mrs. Blanche Barkley entertained at a family dinner Saturday evening, honoring her mother, Mrs. Ida Dawson, on her eightieth birthday. Other members of the family present included Mrs. Damon's daughters, Mrs. E. K. Havice and Mrs. Russell Atkinson, both of Chicago, who spent from Friday until Monday here, and Mrs. Wm. Sly and children and James Barkley, of Wayne, and Mr. and Mrs. Jack Barkley and family of Chelsea.

Eighty Officers And Electors Gather To Discuss School Plan

Approximately eighty officers and electors of the Chelsea district and surrounding rural school districts attended the meeting last Thursday to discuss the possibilities of school district reorganization in this area.

Dorr Stack of the Department of Public Instruction and Dr. Thayden from Michigan State College were present to assist in the discussion. Mr. Stack explained the advantages of equalized educational opportunities for pupils through larger administrative units and that the responsibility for the education of all pupils, including those in high school, must be assumed by all concerned. He pointed out that the trend in the state is definitely in the direction of reorganization of school districts.

Many communities in the state are studying or have completed plans for reorganizing school districts. The new law, which will be in effect next school year, requiring all pupils to attend school until they have reached their 16th birthday, places additional responsibility in the way of transportation on districts not maintaining a high school. In rural agricultural districts most of the cost for transportation is paid by the state and the payment of tuition for non-resident pupils is eliminated. Students also will be able to take advantage of the program to be taken place the tax rate has been decreased for operational purposes.

Dr. Thayden gave some very interesting information on population trends in the four townships in this area. The population has gradually decreased from 1860-1940 and is now increasing.

Mr. Johnson explained the problems confronting this area. The public schools have increased about 22 per cent during the past five years, and of this increase, 75 per cent has been non-resident pupils. At the present time the Chelsea school is drawing high school pupils from 25 districts and elementary pupils from several districts, and the question of planning for the future is one which must be determined.

A number of questions were raised by electors and officers of the districts concerned, particularly about the program to be followed, housing facilities, etc. The suggestion was made that each district should study this proposition carefully through meetings and discussions in the various districts, and that a committee be organized to study the problem and report back to the school electors in each of the various districts.

Turners Celebrated Fifty-Ninth Wedding Anniversary Sunday

Mr. and Mrs. Andrew C. Turner celebrated their 59th wedding anniversary with a family dinner at their home on Sunday. Their daughter, Mrs. Fred Draper, with her husband and daughter Alice, of Ann Arbor, spent the day with them.

Others who have another daughter, Mrs. Manfred Allen of Pensacola, Fla., four grandchildren and two great-grandchildren.

Both Mr. and Mrs. Turner are pioneer settlers of Washtenaw county, having come here with their families in 1840.

Mr. Turner came from New York state to Webster when he was four years old and Mrs. Turner came from Ohio to Dexter when seven years of age. They were married in Ann Arbor, March 23, 1888, and moved to Chelsea in 1919 and have remained here since that time. Mr. Turner is 82 years old and Mrs. Turner is 89.

Mr. Turner retired four years ago after being employed as a chairman at the University for 22 years.

The Turners received many congratulatory cards and messages, and lovely flowers as remembrances of the occasion.

HOSTESS TO EXT. CLUB

Mrs. Floyd Fowler was hostess for the monthly meeting of the Lima-Scioto Home Extension Club, which was held at her home, Wednesday, March 19. Seventeen members and three guests were present.

A lovely pot-luck dinner was followed by a card game and was followed by a card game and was followed by a card game.

The group was instructed by the leaders, Mrs. Clarence Reddeman and Mrs. Harvey Fischer, in the selection, making and hanging of curtains and drapes.

The next meeting will be held April 16, beginning at 10 a.m., at the home of Mrs. Lewis Haselswerdt.

Discuss Methods Of Placing Aeronautics In Schools-Colleges

The best manner of placing aeronautical instruction in the elementary and secondary public schools and colleges of Michigan was discussed Friday at the Hotel Olds, Lansing when the Curricula Planning Committee of the Michigan General Aviation Education Committee composed of representatives of State colleges and the University of Michigan met with officials of the Department of Public Instruction and the Department of Aeronautics.

It was brought out that aviation, which is now playing such an important part in international relations, is also a vital part of history, geography, and other basic subjects taught in the schools of Michigan.

Present at the meeting were: J. W. Graciano and Dr. Lofton S. Burge, representing Western Michigan College; Francis P. Donohue, University of Detroit; Harry R. Wilson, Lansing public schools; Alvin H. Huggitt, Michigan State College; Alice Adams, and Francis Martin, Central Michigan College; Merrill C. Hamburg, Wayne University; Frederic Beddow, Detroit Board of Education; William W. Squier, Air Power League, New York; and Wm. E. Hovestery, Michigan; H. J. Van Westrenen, Leon S. Waskin and Earl E. Mosier, Department of Public Instruction; Director F. E. Evans, and Fred L. Waite, Department of Aeronautics, William J. Konak, Link Aviation Inc., Binghamton, New York; and Horace S. Good Old Springtime Brings Variety Of Weather Conditions

Monday and Tuesday of this week were examples of the never-ending variety of weather to be experienced in "Good old Michigan"—nothing monotonous like "sunshine every day" as in some other parts of these United States.

Monday was so mild that driveways and side roads rapidly thawed and became so soft that cars everywhere were stuck in the mud. Garage wrecker service trucks were called out continually all day to pull them out.

Then, late in the afternoon, it began to rain, increasing steadily until by late evening it was literally pouring and was accompanied by a high wind. About 11 p.m. the rain began turning to snow and by Tuesday morning drifts were piled high on all roads, making them impassable. All over town unsuspecting motorists starting out early for work found themselves in difficulties. Night shift employees, in some instances, who live at a distance, remained in their respective factories during the day on Tuesday, getting what rest they could. Only about half the usual force of employees managed to get to their jobs.

Local schools had a very small attendance and closed early. Rural mail carriers bravely started out on their routes but were forced to turn back.

Trains were maintaining a fairly steady schedule through Chelsea, although all were somewhat late. The westbound New York Wolverine due to pass through here at 8:30 a.m. was 45 minutes late and the Boston Wolverine due at 9:04 a.m. was an hour late. The Detroit-Chicago local due here at 10:20 a.m. arrived at 11:11. East-bound trains were behind time from 50 minutes to two hours. Freight trains were delayed, being held in the yards because sidings at Dexter, Chelsea and Franciscus were filled in with snow and could not be used for sidetracking to allow faster trains to go through.

Highway crews worked to keep the main roads open for traffic but their work seemed almost useless, snow drifting in as fast as they could plow it out. Streets in the village could not be cleared for the same reason.

The snowstorm coming as it did after the official coming of Spring proved to be as hard or worse than any in this area during the entire winter and real Spring will surely be welcomed when and if it finally arrives.

Junior Conservation Camp To Be Expanded For Boys And Girls

Grand Rapids—Expansion of the junior conservation camp capacity from 450 to 600 with the transfer this summer from the Higgins lake site to Allegan state forest is opening the door for boys and girls sponsored by other groups than sportsmen's clubs.

Harry Gaines, secretary of Michigan United Conservation Clubs, has announced that applications for the camp will be accepted up to April 15 for youths sponsored by civic and community groups and with those sponsored by MUCC member clubs.

This will be the third year in which sportsmen's clubs in all parts of Michigan have each selected one or more young people from the home community and paid their expenses in this week of special training for the sportsmen of the future. Classroom and field trips train the youths in woodcraft, forestry, fire aid, forest fire control, land use, forestry, wildlife and fisheries management and safe handling of firearms, while sports in camp keep the full schedule from seeming like school.

Boys' camps, each 200 strong, will begin July 7, 11, 15, 19, 23, 27, August 4. The girls' camp will begin August 11.

Many of the young people (the camp age limit is 14 to 17) return to their high schools to pass along what they have learned in the summer camp to other members of school conservation clubs.

Shallow Mulch or Tillage to Selected Depth with the SEAMAN TILLER

New tillage practices in which green manure is mulched and distributed on or near the seedbed surface, or tillage to the more usual depths, are all one to the SEAMAN TILLER. In either case, the fundamental requirement is perfect pulverization of the soil. Fine pulverization makes possible superior moisture retention, an earlier and a higher percentage of seed germination, healthier, sturdier stands, shallow mulching or deeper tillage, — either can be done more economically and better with the SEAMAN.

Let us show you this efficient machine and tell you more about its performance. Available in power take-off and motorized (gas or diesel) models, 36-inch to 72-inch tillage widths.

Not All Harmful
Of the 600,000 known species of insects, only about 5,000, or 1 per cent, are considered dangerous and of these only about 70 kinds are responsible for most of the agricultural losses in this country. Insects are agents of pollination of many flowers and hence are responsible for the growth of many fruits and vegetables. Some insects kill others which are harmful and some form an important source of chemicals such as beeswax, cochineal, silk and shellac.

Grape Leading Fruit
The grape is the leading fruit of the world, according to the Encyclopedia Britannica, comprising more than half of total world fruit production during the period between 1933 and 1939. The apple is the most important tree fruit of the temperate zone, while the orange is the most important commercial tree fruit of tropical and subtropical regions.

Tenant Moving

It has been a general practice for approximately 50 per cent of the tenant farmers in Georgia to move each year, according to extension service economists. This practice has been costly to tenants and landlords alike.

Destroying Sandspurs

A lawn or other area may be cleared of sandspurs by destroying the pest plants before they go to seed or by turning the soil to a depth of about eight inches.

DEATHS

Mrs. Anna Feldkamp, 61, of Ann Arbor, the former Anna Dorothy Kaercher, a former resident of Lima, died Monday morning at her home in Ann Arbor, following a heart attack.

She was born in Lima township, a daughter of Fred and Mary Heller Kaercher, and was married in April, 1914 to Theodore Feldkamp of Freedom township. Mr. Feldkamp died several years ago.

Survivors include three sisters, Mrs. Joseph Wenk of Freedom township, Mrs. Emmons Sumner of Ann Arbor, and Ella Kaercher of Chelsea; and two brothers, Arthur Kaercher of Los Angeles, Calif., and Julius Kaercher of Chelsea.

Funeral services will be held at 1:30 o'clock this (Thursday) afternoon at the Muehligh funeral home in Ann Arbor, with Rev. E. C. Stelhorn officiating. Burial will take place in Bethlehem cemetery, Ann Arbor.

34 Years Ago
Thursday, March 6, 1913
Ann Arbor parties have purchased from the Detroit Trust Co., receivers of the Flanders Mfg. Co., the machinery, patents and business of the steel ball factory. The sale was closed Tuesday and the new company will be known as the Hoover Steel Ball Company. The plant is to be moved to Ann Arbor as soon as the building there is ready for the machinery.

The eight-year-old son of Mr. and Mrs. George Bauer, of Lyndon, had the first two fingers of his right hand badly injured on Monday. The boy was holding a stick for his brother to chop and received a blow from the ax.

The freshman class of Chelsea high school chaperoned by Mr. and Mrs. Hendry and the Misses Daniels and King, enjoyed a very pleasant time at the home of Ezra Feldkamp, in Lima, last Saturday evening. The dainty repast was served following the games that were played.

Emmett Dancer has resigned as clerk at Holmes and Walker's store and will devote his time to farming on the Nathan Pierce homestead farm in Lima.

Born, on Saturday, March 1, 1913, to Mr. and Mrs. John Jensen of Sylvan, a daughter.

The 13th anniversary of the M. E. church will be observed Wednesday evening, March 19, with a banquet and program. Tickets 50c.

Born, Monday, March 3, 1913, to Mr. and Mrs. Thos. Vail, a daughter.

Miss Minnie Watson of Thedford, Ontario, has accepted a position as trimmer for Miss Kathryn Hooker.

The People's Party, which has been at the helm in Chelsea the past three years, had their entire ticket, except treasurer and assessor, defeated at Monday's election. Daniel C. McLaren, independent candidate for president, defeated Wm. Bacon, Herman J. Dancer, treasurer, and Wilbur Van Riper, assessor, are the two People's Party candidates who were elected.

Bertha F. Kuhl and Benjamin I. Breitenwischer were married Wednesday afternoon, March 12, 1913 at the home of the bride's parents, Mr. and Mrs. Arnold H. Kuhl, in Sharon. Rev. G. Eisen performed the ceremony.

Rev. A. A. Schoen of St. Paul's church has been in the ministry 20 years, twelve of which have been spent at St. Paul's. When Rev. Schoen came to Chelsea 54 families were connected with the church and now there are about 120. The young people of the church gave an anniversary program at the church Sunday evening.

Mrs. Anna Maria Heeselschwerdt, who was born in Wuerstemberg, Germany, Aug. 2, 1823, died at the home of her daughter, Mrs. D. N. Rogers, Friday, March 7, 1913.

Mrs. Heeselschwerdt was a sister of David Alper, Mrs. Michael Mohrlock and Mrs. Conrad Finkbeiner. Survivors include three sons, Samuel, George and Conrad, and four daughters, Mrs. Elizabeth Gildart, Mrs. Maria Campbell, Mrs. Magdalena Rogers and Mrs. Eva Dixon. Rev. A. Schoen officiated at the funeral on Tuesday.

Mixed Farming
In areas of mixed grain farming and livestock farming, as well as in the more strictly livestock areas, livestock farms with well-handled livestock always earn more than the average farms.

Plastic Marquisette
Marquisette sealed in plastic has the decorative quality of plain cotton marquisette, but does not cling, is easy to wash and requires no ironing. In addition to uses recommended for plastic films, the plastic marquisette makes attractive skirts for dressing tables and beds.

Margaret Parker, formerly of Flint, and Harold Orborne were married at 8 o'clock Saturday evening in the Congregational church, with Rev. Wm. Skentelbury officiating.

The attendants were Frances Shields of Flint, a friend of the bride, and Carl H. Schwieger, of Chelsea.

Mr. Schwieger also played the wedding march from the "Bridal Chorus" of Lohengrin and "I Love You Truly" before the ceremony. A small reception was held immediately after the service at the home of the groom's brother and sister-in-law, Mr. and Mrs. Wm. Orborne.

Albright-Sodi

Donna J. Albright, daughter of Mr. and Mrs. Harold Albright, of Jackson, became the bride of Howard W. Sodi, son of Mr. and Mrs. Reuben Sodi at a ceremony performed Friday evening at 8 o'clock in the chapel of St. Paul's Episcopal church, in Jackson. Rev. Howard Harper officiated in the presence of members of the families of the couple.

The bride, wearing a coral suit with coral and lime hat, black accessories and an orchid corsage, was given in marriage by her father.

Attending the couple were the bride's sister, Mrs. P. E. Dillon, and the groom's brother, L. Dean Sodi. A reception was held, following the ceremony, at the home of the bride's parents, and the couple left later for a trip through the west.

The bride is a graduate of Jackson high school and attended the University of Michigan. She is a past grand worthy advisor of the Order of Rainbow for Girls and a member of Alpha Iota sorority.

Those from this vicinity who attended the wedding were the groom's parents, Mr. and Mrs. Reuben Sodi, and Mr. and Mrs. Lowell Spike and children, and Mr. and Mrs. Clarence Voegeding.

The groom's sister, Lt. Marjorie Sodi, who is stationed at Fort Custer, also was present.

Mr. and Mrs. O. G. May were in Shelbyville for a week-end visit at the home of Mr. May's brother, James May and family.

*"Dependable Furriers For Three Generations"***It's Your Buick — but our Sweetheart****LOOK AT YOUR BUICK**
everyone else does

WHEN you first slipped behind the wheel of that Buick of yours, remember how your heart lifted? Remember your happy smile as your toe touched off the hum of Buick Fireball power? And your widening grin when all roads seemed downy as you winged along on BuicOil springing?

That's what Buicks are built to do. And they'll do it long and well when they're cared for as anything so fine should be.

Not just an occasional oil change, mind you. Not a haphazard "Look 'er over, fill the battery, check the air." But interested, competent, understanding car care that keeps your Buick at its best.

That's exactly what we're set to give. In our shop we have the special Buick tools to do jobs quicker and better. In our parts department is a stock of

Buick engineered parts for Buick cars. And we have a staff of thoughtful, capable specialists who know their Buicks look, stock and barrel.

No, it's not ordinary service you get here. It's expert car care — by an organization devoted to seeing that you get the most out of your Buick. And surprisingly, for the same work done, it costs no more.

Think it over. Isn't it wise to let us care for your Buick? After all, Buicks are our sweethearts, first, last and always.

Your Buick has lines and style that win well calls. Are you keeping it smart and handsome as it should be? Are you protecting its good looks, its luster and color?

There's a way to do it that Buick engineers say is right. It's called Paracelatinizing. This is a power-buffed finish that gives a smooth glaze to the body paint, sealing the pores and protecting the surface against road grime and dirt.

That's the way we do it here. Try it. See how it keeps a new car lustrous longer — how it gives older ones a new lease on good looks.

OFFICE NEWS

There will be an All High party sponsored by the Journalism Club on Friday night.

The girls' basketball team will play at the University-high school Friday afternoon.

The Athletic Board is planning a banquet for the basketball play-

ers on Monday evening.

School will be closed from noon of April 4 to the morning of April 14 for spring vacation.

The Immunization Clinic sponsored by the County Health Department will be held on the morning of Wednesday, April 2 in this school.

A LINE Looking up the word "line" in

the dictionary, I found it was a noun. Some of the girls, after seeing these, thought they could give better definitions. "A big song and dance about how wonderful you are, and how you could make beautiful music together." "What a guy tells a girl that she wishes were true but usually is not. If it is, she can hardly believe it." "A couple of boys had to put their two cents' worth, so— "A line is a bunch of stuff you shoot to the babe to keep her happy." "The lies you tell and mean at the time but try to forget the next day."

today is the day to get your subscription to your favorite magazine at bargain prices. The Senior class at Chelsea high school is having a magazine campaign at present. (This campaign lasts until Monday, March 31) and is hoping to be of service to you—the townspeople! so, when that senior stops at your door, just say "Sure, I'll be only too glad to buy a couple of subscriptions to America's leading magazines." Some of the magazines you may subscribe to are: The American, Woman's Home Companion, Collier's, Cosmopolitan, Good Housekeeping (renewals only), Liberty, Look, Open Road for Boys, Outdoors, Parents' Magazine, Red-

ASSEMBLY

Mr. Johnson called a short assembly Wednesday morning to explain further about the "Rural District Reorganization Plan."

Mr. Johnson also congratulated the Seniors as Class Champions in basketball.

The all "A" students of last marking period were asked to stand up for a round of applause.

Mr. Johnson discussed report card marks and letters of recommendation, school parties, after which the students passed to first hour classes.

GOOD FOODS—BIOLOGY The Biology class presented a short movie on Thursday morning,

showing some of the better foods to eat to secure good health.

NATIONAL JR. BOOK WEEK

An assembly, celebrating National Junior Book Week, was held in the gymnasium last Wednesday.

The business men of our town donated books and posters for exhibition in the school.

The Speech Club had charge of the program. N. Loose, W. Koengster, D. Kalmbach, A. Forner, M.

Markwardt and J. Merkel gave short oral book reports so that the students might better appreciate good books.

A short movie regarding books closed the program.

THE LOOSE LEAF EFFECT

F.F.A. George Merkel, Don Barth, Dick Schulze and Richard Carlson left last Thursday to attend the State F.F.A. convention in Lansing.

George and Don received their State Farmers' degrees there.

The Chapter has bought a pot, to digger and is working on a program that will make it possible for the farmers in this area to use it.

The Chapter has been selling Farm Bureau seeds. Orders may be placed with any F.F.A. member.

BAND NEWS

Since our present band leader, Mr. Wilson, isn't able to be here every day, Mr. Kinte has been substituting for him on Tuesdays and Thursdays.

NOW IS THE TIME TO BUY.

Many people put off buying certain things until they find an absolute necessity for them or they find that they can get a good deal by buying at a given time. Well,

Don't hesitate to give any senior a ring and let him know you are only too eager to have him take your subscription.

RADIO PLAY

Last Tuesday the speech class, directed by Mr. Tovey, presented a radio play over station WPAS in Ann Arbor. The title of the play was "The Story of Antisepsis."

The cast was: narrator, Jerome Burke; Lucan, Nancy Looser; Alice, Jane LeVan; John Lister, Dick Schulze; Agnes and the Nurse, Mary Alice Markwardt; five characters were done by Milton French.

The play was enjoyed by all.

From where I sit... by Joe Marsh

Apple Tree Versus Wheat Field

If you ever visit Job Crowell's farm, he'll take you right out on that back porch of his and show you his apple tree.

"There," says Job, "is nature's noblest creation—fifty years, and bearin' still the finest cider apples in the county!"

But last fall, when a group of us was there, Lud Denny points across the river to his grain fields and says: "There's an even finer sight! Acres and acres of golden grain you can make dozens of appetizing things with—including wholesome, sparkling beer."

Both of them got so eloquent on the subject, that the rest of us worked up quite a thirst; so Job goes to the icebox for beer and cider. And when the refreshments come, Lud chooses cider, and Job takes the beer!

From where I sit, that's the answer to most disputes. You can talk all you want, but when it comes to tastes and preferences, there's just no argument.

"What a thrill to take the wheel of a smart new Oldsmobile..."

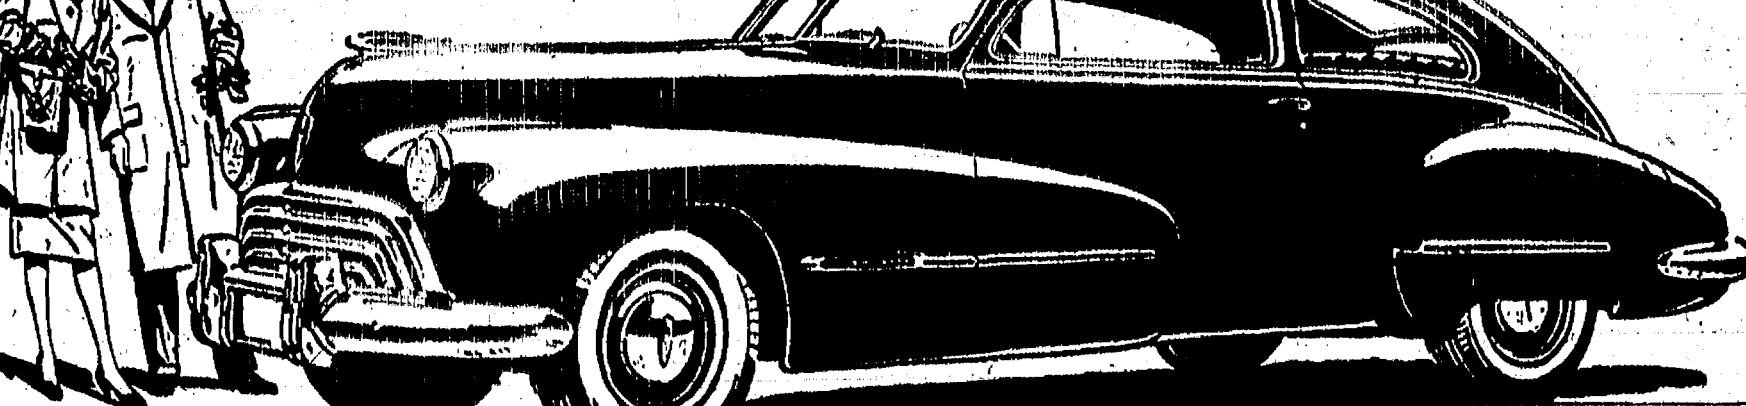

You've probably heard this song on your radio—that modern, up-to-the-minute version of that grand old tune, "In My Merry Oldsmobile." And chances are you've heard Oldsmobile owners, too, singing the praises of the 1947 Oldsmobile. What a smart looking car it is! And it's a smart performer, too. No wonder so many people say... "It's SMART to Own an Olds!"

"You'll be fresh when you arrive thanks to Hydra-Matic Drive..."

You go places with less effort in a new Oldsmobile with GM Hydra-Matic Drive*. Yet you get stepped-up performance, better economy, and greater all-round safety.

"Just forget the clutch and gear—all you do is sit and steer..."

Gear shifting is fully automatic with GM Hydra-Matic Drive*. And there's not even a clutch pedal in the car!

"What a happy day it will be for you when your Oldsmobile is here!"

Waterloo

Mrs. Frank Parker returned home from Warsaw, Ind., where she spent two weeks with her daughter.

The Ladies' Aid met at the Walter Vicary home on Thursday. After a fine cooperative dinner at noon, served to 18 members and guests, a business meeting was held. Plans were made to serve cooperative dinner and supper on April 7 at the town hall. Plans were made for a Mother and Daughter Tea, early in May, with Mrs. Will Barber as chairman and Mrs. Wilbur Beeman, assistant. Also, \$5 was voted to the Red Cross.

Pre-Easter services will be held each night during the week before Easter, at 8 o'clock and on Good Friday and Saturday evening. Easter Sunday morning services at 11 o'clock and in the evening the choir will present the Easter Cantata, "The Risen Savior." The public is invited to any or all of these services.

Choir practice on Monday evening, March 31, and April 3, at the church, following services.

Mrs. John Dykema and Mrs. Vern Garfield accompanied their mother, Mrs. Lizzy Beeman from Jackson to attend the Ladies' Aid at the Vicary home.

Rev. Parker conducted Vesper services at Cassidy Lake School on Sunday afternoon. Mr. and Mrs. Wilbur Beeman, June and Shirley LeVan and Mrs. Annabelle Woolley accompanied him and gave a program of music and singing. The boys at the school were very attentive.

The Fellowship group of the church will meet this week Friday evening at the home of Mr. and Mrs. Austin Artz.

Four Mile Lake

Mr. and Mrs. Floyd Tanner and Mr. and Mrs. George Tanner of Ann Arbor were week-end guests of Mr. and Mrs. William Snay. Mr. and Mrs. Floyd Spiekerberg of Dexter were Friday evening visitors of Mrs. John Fischer.

Misses Lenore Marshall, Alta Marshall, Harriet Heininger, Phyllis Fischer, and Frederick Fischer attended the Youth for Christ rally at Detroit which was held at the Coliseum on the fair grounds Saturday evening. There were thirteen thousand in attendance.

ready to go to support this new policy of foreign relations? Are we willing to support it with our sons as well as our dollars? Can we rely solely on our temporary possession of the atomic bomb as insurance against war with Russia?

These are blunt questions. They demand frank answers. One of the freedoms we cherish is the right to govern ourselves. The decision of Congress will rest on the decision of thinking Americans.

play was directed by D. D. Tewes and the student director, Agnes Forner.

The play was made a success not only by the cast, who did a splendid job, but also by the backing of the various committees: publicity, stage, programs and tickets.

The entire action of the play took place in the courtroom of the Third District, County of Hamilton, New York.

The play was well attended and compliments go to the Junior class in the splendid job of presenting a play and to Miss Schell, Miss Larson and Miss Beam for their help in presenting the play.

JOURNALISM PARTY

The Journalism Club of Chelsea high school is sponsoring a Circus

Dance, March 28 at the high school auditorium. Refreshments will be sold, and good entertainment will be provided for all. The club has carefully planned this event in hope that it will be enjoyed by all who attend.

So why don't you come and bring your best friend, and join in the fun of a playtime circus.

G.A.A.

The G.A.A. girls will play University High on Friday, March 28. After the game they are invited to a pot-luck dinner at the high school.

The girls' basketball tournaments were held last Monday. The freshmen defeated the Juniors, 16 to 2, with Mary Ann Schrader making highest points for freshmen, and Wilma Pait top scorer for Juniors. Tuesday evening, Seniors defeated Sophomores, 22 to 4 with Naomi Gordon and Donna Manville top scorers, and Joyce Hughes and Mae Slane top scorers for Sophomores.

Thursday evening Seniors played Freshmen. Seniors defeated the Freshmen, 25 to 7. Referee was June Vail and umpire was Miss DeRose.

STUDENT COUNCIL NEWS

The behavior of some students at school activities is such that the Student Council reluctantly decided that in the future any students caught drinking or smoking on the school grounds will be banned from ALL extra curricular activities in the school.

The Council feels that the offenders have been adequately warned and if this continues there will be no more extra curricular activities.

SENIOR NEWS

The seniors started one week ago Tuesday on their spring magazine campaign. The campaign will come to an end on Monday, March 31. The class is planning a trip to

the Kaiser-Fraser plant tomorrow. The U. S. Army is sponsoring a program in the school this morning for the senior boys.

G.A.A. NEWS

A very exciting basketball game took place in Chelsea on Tuesday, March 18, when the Freshmen girls' team played the Juniors with a score of 18 to 2 with the Freshmen in the lead. The same day,

the Sophomores lost to the Seniors with a score of 22 to 4. The Thursday following, the two winning teams played each other with the result that the Seniors won with a score of 22 to 4. Friday, March 21, the girls' basketball team will play the University High in Ann Arbor. The girls are invited to a banquet given by the University High girls after the game is played.

Legumes Respond To Fertilizer And Produce Hay Crop

Legumes respond very profitably to fertilizer when it is needed, says C. E. Millar, head of the department of soil science at Michigan State college.

Since legume seeds are short this year, Millar believes that

farmers cannot afford to use high-priced seed without taking every precaution to insure a good stand. An abundance of available plant food is one of the main things needed to establish a good stand of clover or alfalfa.

Supplies of hay are short this year, too, and precautions should be taken to assure a good hay crop next year. The acreage of alfalfa and clover must be increased if the fertility of the soil is to be main-

tained. Fertilizer applied to established stands of alfalfa also gives excellent increase in yields of hay. Millar urges farmers to give special consideration to the needs of their alfalfa and clover crops when ordering their fertilizer.

CARD OF THANKS

We wish by this means to express our thanks and appreciation to our friends and neighbors for the lovely flowers and cards sent for the many expressions of sympathy and all the kindnesses shown us following the death of our husband and brother. We especially thank Rev. E. R. Major for his comforting words and Mrs. Wilbur Brienwischer and Mrs. John Oesterle for the music and songs. Mrs. Herbert Snyder, Mr. and Mrs. Wm. Kettle, Mr. and Mrs. Orson Griffes.

Service And Care Keep Tractor Going

Michigan farmers, who are still waiting for the delivery of new tractors and machinery, can keep their present equipment in good shape by making simple repairs.

E. C. Sauve, agricultural engineer at Michigan State college, has some servicing tips that any farmer can follow.

Sauve says that the owner's service manual, supplied with the piece of equipment, is the best place to go for advice. The carburetor and fuel system, the cooling system, air cleaner and oil filter, and the general engine lubrication are points that need regular and adequate attention. Complicated repair jobs are best handled by repair men, but farmers can make

minor adjustments that may add to the life of the machine by following manufacturer's recommendations.

It is important to make certain that the various lubrication points on farm machines are properly supplied with adequate amounts of lubricant of the proper kind. The instruction book will clearly point out the exact procedure to follow.
