

By Gene Alleman

Among favorite indoor sports of American citizens is the privilege of criticizing our public officials.

The Michigan State Legislature, now in its fourth month of session, is not immune. The Legislature has been under periodic fire from critics because of the relative inactivity of bills to date.

Activity of the finance committee of the House and Senate has been almost at a standstill, as legislators await the outcome of the supreme court's consideration of the state's constitution, now on the sale. It has been impossible to proceed in the normal way because of the uncertainty of whether this controversial amendment would be sustained or held invalid by the court. This situation has been entirely out of the Legislature's control, but there would appear to be no justification for criticism directed at the Legislature accordingly.

What seems to be more important, as we see it, is the gradual encroachment of legislative power by pressure groups through the constitutional diversion or earmarking of public funds.

This fact came home forcibly to us recently when we spent an evening conversing with Michigan's budget director, John Perkins. Perkins started us by declaring that the Office of the Budget devoted its entire attention to only 10 per cent of the state-collected revenue. There was little to be done, he pointed out, about the remainder of state funds, and he said that because this money had been earmarked by law through the state statute or the state constitution and hence automatically was reserved by the state treasurer for specified expenditures.

The idea that the state budget director and the Legislature must confine their consideration and energies to only 10 per cent of funds collected by the State of Michigan does not make much sense to a business man. It would seem reasonable that the Legislature should have constitutional earmarking of public funds which would reduce the State Legislature to the absurd position of expending but a small fraction of public taxes. Surely the founders of the State and the authors of the State's constitution never envisioned this situation when they granted the basic charter which governs our activity.

State Treasurer D. Hale Brake has declared repeatedly that Michigan's financial situation due to constitutional earmarking of its funds is a source of revenue unique in the United States to the point that no other state was so hampered.

It has been pointed out repeatedly that the public has been confused by the collection of large sums of money by the State of Michigan with its resultant deposit in the State Treasury at Lansing. Governor Kim Sigler pointed out in February, in a message to the Legislature, that while state expenditures had increased 12 per cent, the adoption of the sales tax had increased the bulk of this had been returned to local governments in the proportion of \$138,000,000 to the \$400,000 retained by the State. It is the thesis of Governor Kim Sigler that Michigan's tax problem is due in part to the revenue pattern, built up through the years, whereby government attempts to finance additional public services in a make-shift fashion.

To quote Governor Sigler, "From the time Michigan ceased to be exclusively an agricultural state until its full-bloom industrialization, there has been an ever-increasing spiral of demands for money."

We have completely overloaded our antiquated tax structure, and the people we have put under it from time to time are threatening to give away and let the financial house fall down upon our heads. Now you and I did not create this problem. We only inherited it."

Declaring that "Michigan cannot long continue to grow and prosper under the handicap of an antiquated tax and financial structure," Governor Sigler recommended to the Legislature that the State be taken to revise the State constitution in the light of modern industrial conditions.

In so doing, the governor declared that we should give "full recognition to the problems of the schools" as well as "the present financial plight of the cities of Michigan."

In this reasoning the Governor urged the Legislature to create a Constitutional Revision Commission with full power and authority to study the problem of revising the basic charter to the end that a revised and modernized constitution containing a coordinated system of taxation shall be submitted to the people of Michigan in the general election of 1948.

It is likewise evident that the benefits of earmarking of funds will oppose such a move to revise the State constitution. In the meantime, unless a solution can be forthcoming, the State Supreme Court, the Legislature and the cities of Michigan will be crippled in their activities, along with the State of Michigan, to the consideration of public funds shall be expended.

Candidates for State And Local Offices To Be Elected Monday

Next Monday, April 7, on the state primary ticket, two regents of the U. of M. are to be elected as well as the Superintendent of Public Instruction, a member of the State Board of Education, and two members of the State Board of Agriculture.

On the non-partisan ticket two Justices of the Supreme Court are to be named for full terms and one to fill an unexpired term. Payne.

The only county office to be voted on is that of County School Commissioner, with Julius W. Haab, present commissioner, running without opposition.

Township elections for the most part, will offer little or no competition for the various offices to be voted on, only one township in this area, Sharon, even having named more than one ticket.

Two amendments to the state constitution are to be placed before the voters, which read as follows:

Proposal 1: Proposed amendment to the State Constitution relative to the non-partisan primary election of judicial officers in many of no contest.

BIRTHDAY PARTY
Mrs. Hugh Sorrensen entertained eight little friends of her daughter, Mary Anne, at a party celebrating her fourth birthday, on Thursday afternoon, at the family home. Out-of-town guests were Sarah McCrow and Jimmy Krieder with their mothers, of Ann Arbor. A beautifully decorated birthday cake with four lighted candles centered the table where refreshments were served following the afternoon's games.

FOUR GENERATIONS GATHER to celebrate 53rd wedding anniversary of Mr. and Mrs. Charles W. Wahl. Pictured above, from left to right, are Richard Wahl, Terry Arthur Wahl, Charles W. Wahl, and Arthur Wahl.

The home of Mr. and Mrs. Eldon Katz, in Munith, was the scene of a family gathering and dinner on Sunday, March 23, in honor of Mrs. Katz' parents, Mr. and Mrs. Charles W. Wahl of Francisco, on their 53rd wedding anniversary.

They were proud to have the four generations of the family, pictured above, present. Terry Arthur, 18-month-old son of Mr. and Mrs. Richard Wahl of Chelsea, is shown with his father, his grand-children, Arthur Wahl, who resides on the Chelsea-Manchester road, and his great-grandfather, Charles W. Wahl. The picture was taken at the home of Mr. and Mrs. Arthur Wahl on the occasion of a surprise birthday party on March 23 for Mr. Wahl, whose 60th birthday is April 1.

Terry Arthur is the first grandchild of the honor guests. They also have a great-granddaughter, Diana, daughter of Mr. and Mrs. Don Lee Wahl, of Chelsea.

In addition to Mr. and Mrs. Charles W. Wahl, and the host and hostess, covers were laid for Mr. and Mrs. Arthur Wahl, Mr. and Mrs. Harold Wahl, with their children, Danny, Eugene and Joan, Mrs. Clarence Wahl, with her son, Charles, and daughter, Virginia, and Mr. and Mrs. Reuben Hartman and son Jimmy, Mr. and Mrs. Lehman Wahl, Mr. and Mrs. Richard Wahl and son Terry, Mr. and Mrs. Norman Hinderer, Mr. and Mrs. Don Lee Wahl and daughter, Diana, and Dean and Doris Katz.

\$2493.90 Contributed In Red Cross Drive

Dudley Holmes, local chairman of the Red Cross drive for funds which was conducted through the month of March, reports a total of \$2493.90 raised for the purpose in Chelsea.

Individual gifts, including those from factory employees and those turned in by house-to-house solicitors, amounted to \$1226.90, while the factories of Chelsea contributed a total of \$1267.00.

In view of the fact that Chelsea's quota was \$1000, it can readily be seen that the village went considerably above the top which should be a matter of pride to the whole town.

Mr. Holmes wishes to thank all the solicitors and all who helped to make the drive here such a wonderful success.

Elementary PTA To Give School Carnival

The Elementary PTA has plans under way for a carnival for the school children to be given in the gym and classrooms on Friday evening, April 25, starting at 7:00 o'clock. Proceeds will be used to buy more films for the visual education program, and to help swell the general fund.

Refreshment representatives and officers met at the home of Mrs. L. R. Riemschneider on Monday evening, and the following committees were appointed: Publicity, Mrs. Ada Rowe and Mrs. L. E. Riemschneider; Fun Room, Mrs. Mary Kay, Mrs. Arlene Larson and Mrs. Laura Barlow; movies, cartoons and popcorn stand, Mrs. Robert Wagner and Mrs. Jean Johnson; the Cake Walk, which will be a feature of the evening, Mrs. L. Riemschneider; White Elephant Booth, Mrs. Virginia Barkley; Novelty Booth, Mrs. L. Riemschneider; refreshments, Mrs. Winifred Moore; Girl Scouts headquarters, Mrs. L. Walker; homemade candy booth, Mrs. Mary Beal; bake sale, Mrs. Frances Franklin.

HOLD SOCIAL MEETING

The V.F.W. Girls' Auxiliary met for the social meeting of the month on the second floor of the Municipal Building Tuesday afternoon, April 1. They worked on their scrap books and Mrs. Doe showed the girls through the house.

They appreciate his kindness in doing so. The meeting closed with the singing of "America." The club members stress the fact that new members are always welcome and they hope interested girls will plan to join the club.

Proclamation

To the People of Chelsea:

History and Christian tradition teach that Christ enriched the life of all of us by His life, teachings, example, and death. Men have come to reverently observe the death of our Lord and have set aside "Good Friday" as a time of self examination, worship, and reflection upon the eternal truths of the Christian faith.

Since it is recognized that one of man's greatest needs is nourishment for his spiritual being, therefore in order to lend encouragement to the redemptive practice of worship and to make more convenient for all Christian people of Chelsea to attend their respective places of worship, I, M. W. McClure, President of the Village of Chelsea, request all commercial enterprises to discontinue business on "Good Friday," April 5, 1947, from twelve noon until three o'clock.

By Order of Village President,
M. W. McClure.

Chelsea Gives \$672 In County March Of Dimes Campaign

Washtenaw county contributed \$49,181.72 in the 1947 March of Dimes drive, of which \$672.92 was donated by Chelsea, according to Mrs. Hickman Price, Jr., of Ann Arbor, campaign chairman.

Mrs. Price announced the figures at the annual meeting of the Washtenaw county chapter of the National Foundation for Infantile Paralysis last week in the Allen Hotel, Ann Arbor.

Chelsea, headed by Mrs. Walter Mohrlich, was third in the county for contributions to the drive. First was Ann Arbor with \$13,124.74. Ypsilanti, chairmaned by Virgil J. Welte, turned in \$9,109.98.

Other county donations were as follows: Milan, with Mrs. Fred Neff as chairman, \$263.19; Dexter, Miss Gladys M. Smith, \$351.82; Manchester, Mrs. George Nichols, \$350.92; Piquette Village, Mrs. Charles F. Wilkinson, Jr., \$148.53; Saline, Mrs. Arthur E. O'Neill, \$225; Whitmore Lake, Mrs. James Smalley, \$68.53; and Willow Village, Rev. J. Edgar Edwards, \$511.99.

One-third, or \$207.79, of Milan's receipts was turned over to Monroe county. Approximately three per cent, \$68.12, of the county money was used for expenses.

Of the net amount collected, \$15,342.72, one-half, \$9,171.36, remains in the county and the other half goes to the National Foundation to finance its research, education, and epidemic aid programs. The county's money is used to pay for transportation, hospitalization, treatment and medical care of any person in the county stricken with polio.

Dr. James L. Wilson, chairman of the county chapter, presided at the business meeting, at which reports were given by Miss Dorothy Ketcham, secretary, and Herman Gross, treasurer. Mrs. Price was voted a member of the executive committee.

Dr. Harley Haynes' service report revealed that \$8,769.55 was spent by the chapter for the care of polio patients during the past year.

Eagles To Meet In Municipal Building

A meeting for prospective members of the Aerie of the Fraternal Order of Eagles in process of formation in Chelsea will be held in the Municipal Building Thursday, April 3, at 8 p.m.

At last week's meeting attended by James Fugh, state secretary of the Eagles and organizer for Michigan, Illinois, Indiana and Wisconsin, and Chas. A. Ratcliffe, secretary of the Michigan organization board, it was decided that progress of the Aerie warranted the setting of a tentative date for the meeting.

The charter will be closed as soon as possible according to Don W. Black, deputy organizer, and those who have signed petitions and wish to be included in the charter should obtain application cards at the meeting Thursday night.

Reunion Held By 130 Who Were Confirmed By Rev. Grabowski

On Sunday evening, at St. Paul's church, 130 of those who were confirmed by the present pastor, Rev. P. H. Grabowski, during his 26 years in Chelsea, attended an impressive and beautiful confirmation reunion service meeting at the church hall, and entering the church in a body, with the Senior choir, Rev. Grabowski and Rev. Walter Geske of Howell, leading the procession while the entire group sang the processional hymn, "Holy, Holy, Holy."

The Senior choir members rendered two numbers—a women's sextette, "Bells of the Easter Garden," sung by Ruth Niehaus, Emma Oesterle, Peggy Harbour, Betty Setz, Cora Feldkamp and Amanda Kool, and a hope and bass duet, "There Is a Green Hill Far Away," sung by Paul Harbour and Paul Niehaus. Both numbers are by Fred B. Holton.

The entire group of confirmands sang the hymn, "My Jesus, I Love Thee," which is the confirmation song each class at St. Paul's learns and sings on the day of confirmation. The members of the group also repeated the confirmation vows made at the time of their confirmation, and then Rev. Geske, who attended Elmhurst College with Rev. Grabowski when both were taking pre-theological studies there, preached an inspiring sermon. He commended the members of the church and the pastor on the spirit of co-operation which he said was so evident in the church.

A short memorial service was held just before the benediction was pronounced by Rev. Grabowski. While the organist, Mrs. Wilbert Brokaw, softly played "Asleep in Jesus," Rev. Grabowski read the names of the seven confirmands who have died: Earl Koeh and Willis Mayer, who lost their lives in World War II; LeRoy Mayer, Norman Mayer, Paul Pielmeier, Robert Bohm and Albert Mayer. As he finished, the choir sang a verse of song.

Following the church service, the confirmands with their families and guests attended a reception in the dining room of the church hall where refreshments of ice cream, cake and coffee were served by the committee, Mrs. Albert Ashfal, Mrs. Wm. Beach, Mrs. Waldo Gustafson, Mrs. Lorenz Wenk, Mrs. Martin Miller and Mrs. Norman Schmidt, with Mrs. Chas. Lucht, president of the W. C. T. U. and Mrs. John O'Sullivan, superintendent of the Sunday school, pouring.

The table presented a lovely appearance, with tall yellow candles in twin crystal holders flanking a bowl of spring flowers in the center of the setting and the silver coffee services at either end.

Disastrous Explosion, Fire Destroys Central Fibre Plant Here Early Monday Morning

FIRE WHICH DESTROYED THE Chelsea Plant of Central Fibre Products Company Monday morning is pictured above in two general views taken from Main street at the height of the blaze. (Pictures by Mrs. Ann Thayer).

Exact Cause of Fire Is Still Undetermined

The largest fire witnessed in Chelsea in many years resulted when an explosion occurred in the southwest part of the building directly under the office at the Central Fibre Company on North Main street about 6 o'clock Monday morning and quickly spread to the rest of the building causing damage estimated at about \$450,000. Exact cause of the explosion has not been determined.

Fred Bell, night watchman at the plant stated that he had turned on the boiler which heated that part of the building and had gone to look after the heat-treat furnaces when he heard the report of the explosion and immediately noticed smoke coming from under the offices. Upon investigation he discovered the fire to be so bad that he knew at once he could not cope with it himself and called the fire department and then summoned other help. Mr. Bell was alone in the factory at the time. It was said that if the explosion had occurred at a time when the other employees were at work and available to help the fire might have been put out before much damage was done. As it is, although the factory could not be saved, the Chelsea fire department headed by Fire Chief Howard Brooks, with the state pumper from Ann Arbor, and the Cassidy Lake fire department with its two pumps are deserving of credit and praise for the way they cooperated in fighting the blaze, keeping it from spreading to the electric light plant, just south of the Fibre company office, and to the two-story company warehouse south of the factory with its huge stocks of paper. The Cassidy Lake fire department with its group of peppy young fighters was noticed especially by spectators at the fire, doing a good job of firefighting, in spite of their youthfulness.

The roof on the spinning room was not damaged to any great extent, and it may be possible to enclose that part of the building after the debris is cleared out, thus making it available for temporary use. The same is true of the tool room.

The new addition to the building, 200 feet by 100 feet in size, fronting on Main street, which was erected two years ago was of fire-proof construction. However, the intense heat caused by the burning sulphate boards and paper stock, which the company uses in the manufacture of its products, caused the steel structural beams to twist out of shape, buckling the brick walls and allowing the roof to collapse.

A new \$40,000 machine had just been delivered to the factory and is expected to be a total loss as is the case with all of the machinery and tools.

The heat from the fire was so intense that light bulbs stored in a cupboard some distance away from the actual blaze were melted into all sorts of grotesque shapes. In a petty cash drawer in the tool room about \$20 in coins was melted into a solid mass of silver, copper and nickel. Brass and glass from the light fixtures melted and will be carried nationwide by the fire.

Altogether about 60,000 square feet of factory space was destroyed by the blaze and the 120 (Continued on page ten)

Easter Seals May Be Purchased This Week

During this week before Easter when thoughts naturally turn to the promise of new life, it is inherent in the celebration of the church ceremony, it is readily understood why a great charitable service organization, with member societies in forty-five states of the nation, chose Easter as a symbolic time for the crippled.

Specific services for physical improvement, mental training at home or in school, recreation and vocational guidance with placement in suitable jobs lead the crippled child, as he matures, into useful citizenship.

To make these opportunities for new life available to all crippled children through supplementary services not provided by other public and private agencies is the goal of the Washtenaw County Society for the Crippled, one of 45 state member societies of the National Society for Crippled Children and Adults.

Everyone may participate in these services through the purchase of Easter seals, providing funds for the work which brings happiness and Easter joy to crippled children.

Chicago Kiwanians Hosts To "Town Meeting of the Air"

The Kiwanis Club of Chicago will be host to "America's Town Meeting of the Air" on Thursday evening, April 3, when a panel of recognized authorities discusses the question, "Should the Communist Party be Outlawed in the United States?"

U. S. Senator Joseph R. McCarthy of Wisconsin, and Ellis Arnall, former governor of Georgia, have accepted invitations to participate in the discussion. McCarthy will speak for the affirmative, while Arnall will take the negative side. Denny will announce the names of the other two participants.

The program originating over Radio Station WENR, Chicago, will be carried nationwide by the American Broadcasting Company at 8:30 p.m., EST.

Cong'l Ladies' Guild Met At Church Friday

The Ladies' Guild of the Congregational church met in the dining room of the church for a 1:00 o'clock luncheon in charge of Mrs. M. J. Baxter, preceding the meeting of the Ladies' Guild for the purpose of the drift of snow on most country roads—twenty-three members were present.

The president, Mrs. Baxter, presided at the meeting and Miss Bertha Spaulding was in charge of the devotional service. She called on Mrs. Otto Hinderer for the reading of the Scripture story of the Triumphal Entry and then she gave several readings pertaining to the story.

Mrs. Wm. Skentelbury gave a talk on the subject "Praying Hands," referring to the praying hands depicted on so much of the church literature the past year. She concluded with an appropriate poem.

Mrs. Skentelbury also reported on the summer conference held at Olivet. She mentioned that local Pilgrim Fellowship members who had attended conferences there in the past had benefited so much by them that she hoped more young people than ever would be able to go this year. It was decided during the business session to have an extra Guild meeting the first Thursday in May in the form of a Mothers and Fathers supper meeting.

Following the business meeting and program all took part in playing a word game of names which relate to the church.

CIRCUS PARTY

The Journalism Club really did
themselves proud last Friday night
with their super-duper Circus Par-
ty. The decorations were out of
this world, all circus colors with
various colored circus animals
pasted all over and a big clown on
the wall. The refreshments car-
ried the theme out further. They
consisted of dixie cups, hot dogs,
peanuts, and a free bottle of Pepsi
which could be obtained with each
ticket. The entertainment was en-
joyed by all. The program in-
cluded a game of truth or conse-
quences, a monologue by M. Pro-
ctor, and singing of "Down By The
Old Mill Stream," by the audience
in two parts which, by the way,
wasn't as successful as the rest of
the entertainment.

As for the girls, the really
"swoony" part of the evening was
when all were favored by records
of that one and only J. V. Sinatra
himself. Oh! Jerome, what a
voice! (Jerome made a recording
earlier in the day).

The crowd was rather scattered
early in the evening but filled out
later on. Everyone seemed to be
enjoying themselves well and hav-
ing a good time.

Guests were Mr. and Mrs. Wal-
ter E. Leonard and M. W. McClure.

SENIOR NEWS

The Senior class has donated
fifty dollars toward the purchase
of a recorder for the school.
The magazine sales campaign
ended this Monday.

FIFTH GRADE

In drawing class they made a
flower cart and filled it with paper
flowers. Beverly Hughes drew a
bunny pushing it. They also drew
rabbits and chickens and mounted
them on colored paper to help de-
corate the room for Easter.

The class received a letter from
Gene Miller who lives in Paw Paw,
Michigan. They expect to write
one contest class letter to him.
The week of March tenth they
had perfect attendance for the
first time this year.

Tuesday, March twenty-fifth, as
you know, there was a very severe
snow storm. Because of that there
were only twelve of twenty-four
present in the room. They did not
have regular classes. They had
an arithmetic race and a story
telling hour in the morning. In
the afternoon they enjoyed an im-
promptu party or snack at recess
time. Their marble games at recess
came to a sudden halt because of

the return of "Old Man Winter."
Thursday, March thirteenth,
they had their monthly class meet-
ing, conducted by the class presi-
dent, Duane Satterthwaite.

SIXTH GRADE

Tuesday, March twenty-fourth
there were sixteen pupils absent
from class and Wednesday, March
twenty-fifth, there were twelve ab-
sent.

The room made Easter decora-
tions during the week of March
twenty-fourth. Carolyn Shelly,
Christine Rowe, Donna Hinderer,
and Maryann Moore are drawing
rabbits on the blackboard with
chalk. They are making rabbits
for the scene in the back of the
room.

They had movies on birds for
science.

ed lassie named Mary Alice Kath-
erine Markwardt made her first
appearance on September 22, 1929
in Detroit. Mary has grown to be
five feet five inches and tips the
scales at 116. Mary likes as a
favorite in food, anything with to-
mates in it, favorite movie, "The
Green Years," favorite song, "The
Anniversary Song," and enjoys
watching a football game. Her
plans after graduation are to en-
ter into clerical work.

In Oaktown, Indiana, until No-
vember 25, 1929 the population
was 778 but on that cold, cold day
the population was increased to
779 by the first appearance of
Richard Joseph Schulze, familiarly
known as "Dick." Dick moved to
Chelsea in 1938 and has grown to
be five feet ten inches and has
hazel eyes and dark blonde hair.
Chicken and ice cream rate as
Dick's favorite foods, "Holiday in
Mexico" a favorite movie, "Califor-
nia" as a favorite song, and
football as a favorite sport. Dick's
plan after graduation is to farm
and his desire is to own his own
farm someday.

On September 10, 1929 a lovely
bundle of love dropped in on the
Eschbach estate. Her name is
Marilyn and she has grown up to
be seventeen years of age. When
asked what her favorites were, she
replied by saying "I like the color
green, the song 'Linda,' the show
'The Jolson Story.' As for food,
she likes chop suey and lemon pie.
Her favorite subject is bookkeep-
ing. She said after graduation
that she hopes to go to college and
study social service and music. I
asked her if she liked Chelsea High
and she said that she thought
Chelsea High is tops. "The kids
and teachers are all easy to get
along with." The last thing asked
her was what her pet peeve is and
she said, "being taken for Chi-
nese."

This is a senior boy you all
would enjoy meeting. His name is
Eldean Elsele, and has grown to
the age of seventeen since he
was married on the same date, Oc-
tober 1, 1929. When asked what
his favorites were he said, "I like
the color blue, the song 'Night and
Day,' and as for a show, just any
good show." His favorite subject
is mechanical drawing, and his
food is fried chicken. He plans to
go to college after graduation. He
likes Chelsea High chiefly because
the school is an ordinary school
with a good bunch of kids.

IT SEEMS
BUT YESTERDAY

... that a new dress or
suit, and a new hat and
shoes meant Easter to our
youthful minds. Coming
at the time of the rebirth
of Nature in springtime,
Easter should mark a re-
newal of our faith in Him
who, on that first Easter
morning, rose from the
dead to eternal life.

If Ever A Public Servant In Washtenaw County Deserved Promotion, That Man Is

JUDGE JAY H. PAYNE

Non-Partisan Candidate for CIRCUIT JUDGE

Judge Payne's record throughout seventeen years judicial service in Washtenaw County is absolute proof that he possesses in an unusual degree, the three essential qualities of a good judge.

Personal Integrity — Judicial Temperament — Adequate Legal Training

A graduate of the University of Michigan Law School, he holds the degree of Juris Doctor as evidence of his superior preparation in law.

Fortified with several years of successful experience as a practicing attorney, Jay H. Payne has spent the major part of his adult life in our judicial service. As Municipal Judge in Ann Arbor he has done an outstanding job, always enforcing the law strictly and fearlessly but ever dispensing justice humanely and impartially, with equality to all and without regard to the color, creed, politics, or social position of the persons appearing before him.

"To do the best judicial work, or even to learn the best methods for doing it, years of research and experience are required. Many judges do good work from the beginning of their service, but, as in any other work, all can learn to do better work in the hard school of experience.

The policy of advancement from a position of lesser responsibility to one of greater, such as prevails throughout industry and other fields of human activities, should apply to our judiciary."

—Taken in part from the journal of the American Judicature Society.

JUDGE PAYNE HAS HAD MANY YEARS OF JUDICIAL EXPERIENCE—WASH-
TENAW COUNTY HAS HAD YEARS IN WHICH TO OBSERVE THE QUALITY OF
HIS JUDICIAL WORK—HE HAS PROVEN HIMSELF TO BE A GOOD JUDGE—HE
WILL MAKE AN EXCELLENT CIRCUIT JUDGE—HE IS LOGICALLY THE ONLY
MAN IN LINE—HE HAS EARNED AND DESERVES PROMOTION AT THIS TIME.

VOTE FOR
JUDGE JAY H. PAYNE for CIRCUIT JUDGE
NEXT MONDAY, APRIL 7th

A Personal Statement from
Judge Jay H. Payne:

In this campaign, I have not, and will not appeal to any political or
pressure group, nor to lawyers, law enforcing agencies and others having
daily business with the courts.

The manner in which so many fine citizens of Washtenaw County are
supporting me on a purely non-partisan, non-political basis is most grati-
fying to me and I want them to know that I am sincerely grateful.

I will appreciate YOUR vote on Monday, April 7th.

FRESH?

YOU SAID IT...

Take a look at Mr. Trouble... in a few minutes Mom's little
pet... pest, that is... will be smelling sweet as a daisy. Young
Fry like to dawdle under the shower when there's plenty of hot water.
So does Pop, who spends hours soaking in the tub.

Good thing the family has an automatic gas water heater. They
are sure of all the hot water they want, ALL the time, not just
certain hours. Mom needs plenty of it for cooking and washing dishes,
and of course Teen-Age Sally knows there is nothing like hot water
to keep her complexion the envy of everyone in Senior High.

PERSONALS

Mr. and Mrs. Paul Klager of Ann Arbor, and Mr. and Mrs. Leon Chapman, with their daughter Donna and son Larry, were Sunday evening supper guests of their parents, Mr. and Mrs. George Satterthwaite.

Mr. and Mrs. George Seitz, accompanied by Mr. and Mrs. Philip Seitz, returned to their homes on Sunday after spending the past three weeks on an automobile trip to California. They visited at the home of their sister-in-law, Mrs. Godfrey Seitz and family at Tulsa, and their sister, Mrs. Will Bowering, at Baldwin Park. En route they called on Mr. and Mrs. Ernest Schuler, at their home in Phoenix, Ariz. Mr. Schuler is a nephew of Mrs. Lewis Eppler and a former Chelsea resident. The

Seitz party also visited Yosemite and Sequoia National parks, and the Grand Canyon, and report that the entire trip proved to be a very enjoyable one.

Mrs. H. E. Canfield was called home from Jackson last Wednesday to help with the care of her granddaughter, the young daughter of Mr. and Mrs. Arnold Steger, who has been under a doctor's care because of a bone condition of one of her legs. Mrs. Canfield had been caring for her mother, Mrs. Margaret Wilson, and her sister, Mrs. Genevieve Lee, who are ill.

Miss Jessie Everett, who, with her niece, Miss Margaret Everett, of Lansing spent ten days visiting at the home of another niece, Mrs. E. J. Skidmore and family in Arlington, Va. and sightseeing in Washington, D. C., returned home Saturday night.

THE SELECTION OF OUR JUDGES SHOULD BE NON-POLITICAL AS WELL AS NON-PARTISAN

The foundation of our whole law enforcement system must be respect for the law and this must depend mainly upon confidence in the independence, ability and integrity of the judges who apply it.

There must be no partisanship in the administration of justice and there should be none in the selection of our judges.

Throughout his long judicial service in Washtenaw County, Judge Jay H. Payne has been true and loyal to the highest ethics of the judiciary by refraining from political activity of any kind. He is truly a non-partisan, non-political candidate for the office of Circuit Judge of Washtenaw County.

Tried and tested by seventeen years judicial service in Washtenaw County, Judge Jay H. Payne has proven his judicial independence, ability and integrity beyond question. He has earned and deserves promotion.

On a purely non-partisan, non-political basis, vote for Judge Jay H. Payne, Monday, April 7th. (Political-Adv.)

CHILD STUDY CLUB
Seventeen members and fourteen guests of Chelsea Study Club gathered Tuesday evening at the home of Mrs. Warren Daniels to hear Miss Helen Titus, pianist, of the University School of Music, give a lecture-recital of classical and contemporary music.

Refreshments were served by Mrs. Leroy Lord and Mrs. John Fisher with the president, Mrs. Skentelbury, presiding at the table.

Members voted to eliminate the April 8 meeting, so that there will be no further meeting until April 22.

DUMPING RUBBISH IS COSTLY
Dumping of rubbish on state property does not pay, according to information received by The Standard. An Ypsilanti resident was fined \$3.85 and ordered to remove all rubbish he had dumped on state land in the Pinckney area. Complaints have also been received that rubbish is being dumped in the Waterloo area and efforts are being made to apprehend the violators.

OFFICE NEWS

School will close tomorrow noon for the Good Friday services and will remain closed until the morning of April 14.

High School P.T.A. meeting will be held on Monday, April 14. University of Michigan Glee Club will present a concert here on the evening of Thursday, April 17.

'SCUSE IT, PLEASE!

Our new co-editors have been working for three weeks, and should have been given credit for that effort. The error in the masthead was the fault of the sponsor, who apologizes to all concerned for her negligence.

ASSEMBLY

Friday morning a short assembly was called for the purpose of showing the pupils a set of new books obtained for the school library. Agnes, former told us about them. Also, she talked to the students about the use and care of books.

PTA

Members of the senior class and their parents are to be special guests at the Parent-Teachers Association meeting to be held April 14 in the home economics room.

"After Graduation—What?" is to be the topic for the discussion of the evening. Various townspeople will participate in the discussion, giving advantages of disadvantages of the occupations they serve. In this way, they hope to present a comprehensive survey of vocational opportunities in Chelsea.

IT'S A MYSTERY TO ME—

The latest "who-dunit" has nothing on the things that go on around home. Why is the cook-

jar always empty? I have examined it carefully and it has no holes in the bottom—only a crack where it was mended after it had been knocked off the shelf by a wicked little gnome, no more than a foot tall. Johnny saw him do it, so who am I to doubt?

Why are there never any pencils when it is time to go to school? It makes me suspect that a genie is hanging around, but though we have set traps for him, we have so far been unable to trap him.

Why is it that rubbers are all invariably at school when we wake to a rainy morning? Surely some malicious character must be responsible.

How can it be that when Jack is scolded for rushing out—coatless, hatless and even rubberless to take a crack at a squirrel with his new shotgun in a downpouring rain, he is always perfectly dry but says, "Where's an old rag? Gotta wipe off my gun. It's soaking wet!" This one is a real psychological mystery, too deep for Ellery Queen or even The Shadow.

Why does Janet, whose room resembles Hiroshima after the atomic bomb struck, always come from it looking as if she were "Miss 1947" in person, while Ruthie, who is as fussy as an old maid about her belongings, invariably looks as sloppy as a washday—clothesline flopping in the breeze?

Mysteries like these abound in any home. I'm completely baffled trying to reason them out. But the weirdest one of all is the mystery of the "Perfect Child." I never met one, but, apparently, the neighbors have. The myth is always coming back to me. It goes like this:

"Johnny is such a perfect gentleman, at parties and dances. How in the world do you manage to make him so courteous and polite?"

Or the school report goes: "We find Janet a well behaved young lady with a sweet personality and cunning ways." How did it happen?—It's a mystery to me!

BAND NEWS

A concert by High School Band, High School Chorus and Grade School Band will be given on Tuesday evening, April 29, at the gym. The High School Cornet Trio and Clarinet Quartet and the Grade School Flute and Saxophone duets will be featured.

Music companies from Ann Arbor, Ypsilanti, and possibly Jackson, will display musical instruments for the purpose of helping students and parents select instruments now or in the future. This is part of Mr. Wilson's plan for building a larger and better band program.

F.P.A. The F.P.A. boys will have charge of another scrap and paper drive about the middle of April. Whenever possible, paper should be packed in cardboard boxes or tied securely with heavy twine. Announcement of the exact date will be made soon.

Any man's Darling—every man's Pride

Who says you're only young once?

Take a look at this trim, new Buick—or better, take its wheel—and see just how wrong that old saw is!

One look at these sleek lines, the long, taste-of-tomorrow fenders—and just watch yourself start getting young ideas.

Find an open road, gun this beauty just a bit—and see how the spirit of springtime wells up in your soul and sets the red blood coursing.

Good road or bad, on these soft

all-coil springs you take everything with youthful zip and zest, quite freed from jar or jolt.

City street or country road, with all this poised and husky road-weight beneath you, you travel your level course, steady and non-swerving even on curves.

Pull up somewhere—and see how people turn to note the Very Important Person who's arriving.

Take it through the tangle of traffic and see how nimbly it maneuvers—check it at a boulevard stop and see how sure and positive its controls are.

In all truth, here's a car that's any man's darling, every man's pride. A car that not only meets your needs for transportation, but satisfies your every hankering for size and power, style and room, solid worth and top-dollar value.

Naturally, it's a much wanted car. America's most wanted automobile, in fact. Definitely not the number to be picked up off the counter any time, anywhere.

That's why forethought pays and prompt decision gets results. You are simply playing safe when you get your order in now!

FIBRE PLANT FIRE

Continued from page one)

men and women employed by the company will suffer at least a temporary loss of employment.

About 20 men were put to work Tuesday morning with blow torches and tractors to begin clearing away the debris, and company spokesmen say work will be taken on as soon as work can be provided. It is the general opinion of company officials that the plant will be rebuilt as soon as possible but nothing definite will be known until Donald Bacon, the owner, arrives from his home in Tucson, Ariz. He had spent about a month here returning to his home only last Wednesday. According to word received from him he expects to arrive here today.

Harold Jones is general manager of the plant.

With building conditions still not normal it will probably be six months or a year before the building can be put up again.

Company officials are gratified with the splendid cooperation they have encountered on the part of the other factories in Chelsea and in Detroit where their other plant is located. One Detroit company has already offered to take over a good share of the work of the fibre plant, using the stock of material which was saved in the warehouse here.

Chelsea companies have offered to take on some of the company's employees until they can again be employed at their old jobs.

One equipment of the company was removed Monday to the old light plant office next door to the fibre plant office.

Although the fire was one of the worst that Chelsea ever experienced, the fact that there was almost no wind at the time helped to keep it from being even more serious and was a great help to firefighters in their efforts to keep it from spreading to the Chelsea Electric Light and Water Plant and other nearby buildings.

CARD OF THANKS

I wish to thank the many friends, relatives and neighbors for their lovely cards and gifts which they sent me while I was in the hospital and since my return home.

Albert E. Schenk
