NORTH LAKE

Wm. Hogan of Detroit spent the week-end at the Homer Stofers. Donna Noah and Mary Harker are spending this week at the 4-H camp at Brighton.

Mr. and Mrs. Malcolm Blakely of Dexter spent Sunday with Mr. and Mrs. Lyle Engle.

The Inverness younger group had a pinocle card party at the clubhouse Saturday evening.

Judith Ann Gilbert left Sunday for Camp Takona for a two-week stay.

Mr. and Mrs. Robert Gilbert are the parents of a baby girl, born Sunday, July 20, at St. Joseph's Mercy hospital, Ann Arbor.

Sunday callers at the Lawrence Noah home were Mr. and Mrs. Harold Widmayer of Sylvan and Mr. and Mrs. Clarence Widmayer of Detroit.

Mr. and Mrs. Stephen Taylor, Benter attended a magic show sponsored by Warren Hamill and David Smith, Tuesday.

Mrs. William Horning, Mrs. Gates, Mr. and Mrs. Beaman Zick and son Bobby, visited relatives in Ann Arbor, Sunday evening.

Mrs. Truman Lehmann and Mrs. G. H. Henschel—motored with Rev. and Mrs. Davis to Carleton, Friday.

Mr. and Mrs. Irving Kalmbach and Mr. and Mrs. Walter Kalmbach visited Mrs. Oscar Kalmbach Tuesday evening at the Enota hospital.

Mr. and Mrs. Mort Crittenden and daughter, Mrs. Max Miller of Ypsilanti, Mrs. Adelaide Hoover and son Arthur of Birmingham, visited Thursday afternoon at the Russell Spooner residence.

Mr. and Mrs. Truman Lehmann entertained in honor of their son Arnold's birthday. Mr. and Mrs. Arnold Lehmann and Cheryl, Mr. and Mrs. Austin Artz and Gale, Sunday at dinner.

Remove Fresh Stains
The fresher the stain, the easier it is to remove. How to remove it depends upon the type of stain; the color and kind of fabric, and washability of the garment. Here are some suggestions: For egg and meat juice stains—scrape excess food off with a dull knife, then soak stain in cold water. Wash in warm soda. Hot water will set the stain if not first treated with cold water.

Several from here attended the air show in Jackson, Sunday afternoon.

Mr. and Mrs. Christopher Benter were week-end guests at the Carrie Benter home.

Mr. and Mrs. Horace Robinson are vacationing in northern Michigan.

Mr. and Mrs. Grover Artz spent the week-end with the former's brother at Kalamazoo.

Mrs. Floyd Rowe and Miss Sarah

Bob Taylor and Howard Finney, entertained at a pinocle party at the Taylor cottage, Saturday evening.

Mr. and Mrs. Don Cooper and four daughters of Detroit, spent Sunday with Mr. and Mrs. Harmon Webb. They were also callers at the Geo. Webb home.

The North Lake Extension club had a pot-luck supper, Sunday evening, at the home of Mr. and Mrs. Theo. Schultz of Half Moon Lake. Card games were enjoyed by all.

Fifteen members and guests of the Lyndex Group had dinner on July 15 at Black's. They were unable to hold their dinner on the previous Wednesday, as planned, because Black's were not open that day.

Francisco

Mr. and Mrs. Clifford Bohne and Carl visited Friday evening at Mr. and Mrs. Irving Kalmbach's.

Mrs. Clarence Lehman and Mrs. Peterson were in Chelsea and Grass Lake, recently.

Several from here attended the air show in Jackson, Sunday afternoon.

Mr. and Mrs. Christopher Benter were week-end guests at the Carrie Benter home.

Mr. and Mrs. Horace Robinson are vacationing in northern Michigan.

Mr. and Mrs. Grover Artz spent the week-end with the former's brother at Kalamazoo.

Mass on week days.....8:00 a.m.

Check Safety Hazards for Farm Safety Week

Farm Safety Week, being observed from July 20 to 26, emphasizes the need for careful consideration of the high toll of life and property taken by farm accidents. Points out Fred Roth, farm safety specialist at Michigan State college.

Here are a few of the facts concerning farm accidents:

1. Last year, 479 accidents on Michigan farms took the lives of

169 persons and painfully injured 310.

2. Ninety per cent of the Michigan farm accidents reported during 1946 involved burns, machinery, falls, and livestock. The remaining ten per cent were due to

various causes, chief of which were falling objects, firearms, and farm tools.

3. Agriculture has more accidental work deaths per worker than any other major industry.

Roth urges farm families to observe farm safety week by making a check of safety hazards. A safety plan will bring safe living 52 weeks a year.

Pasture rotation pays off in more milk and more pasture days.

CARD OF THANKS
I wish in this way to thank my relatives and friends for remembering me while I was in the hospital and since my return home it was greatly appreciated.
Mrs. Alfred Schneider.

When is a rate increase

a good thing for

telephone users?

The right price is "the lowest possible price that will assure you of good quality." That's true of everything you buy, including telephone service.

So—answering the question above—a rate increase is a good thing for telephone users when it is needed to protect their interests from a service standpoint.

The last time there was an increase in telephone rates was 21 years ago. From 1926 until 1937, rates went down substantially. Since 1937, there have been still further local reductions in a number of exchanges and decreases in toll rates. Except for those further reductions, 1937 rates haven't changed, although the cost of most things—wages, taxes, supplies—has gone up.

Just since the war, wage adjustments alone have upped our costs \$11,000,000 a year. This includes settlements reached during the recent strike.

Lump all our costs together and you'll find they've gone up much faster than our income. Since 1937, our income has gone up 141%. But costs have gone up 193%. And our return on investment has dropped more than a third.

NOTE: Where the term "Income" is used above, its meaning is the same as "Revenue" or "Gross Income." Where the term "Investment" is used, it means the original cost of the telephone property less the depreciation reserve accrued against the ultimate retirement of the property.

Now we face the fact that 1937 rates won't work in 1947.

We don't like a rate increase any more than you do. We've waited until the last possible moment to ask for one. But that moment has now arrived.

There's a lot of work to be done and a lot of money to be spent to give more and better service to everybody who wants it. The money will have to come from investors. They will furnish it only if they can be sure of a fair return, which our present rates are simply too low to provide. A growing business, especially, has to earn a good return in order to attract the capital needed for growth.

Telephone rates are regulated by the Michigan Public Service Commission, a body established by State law and appointed by the Governor. We're going to ask the Commission for a public hearing to review our proposed new schedule of rates. During the week of August 3, we'll publish details of the proposed rates throughout Michigan Bell territory. After that, we'll file a petition with the Public Service Commission.

Today's situation compared with 1937

INCOME UP 141%

COSTS UP 193%

RETURN ON INVESTMENT DOWN MORE THAN A THIRD

1937 TELEPHONE RATES WON'T WORK IN 1947

THE WHOLE FUTURE OF MICHIGAN'S TELEPHONE SERVICE DEPENDS ON RAISING RATES ENOUGH TO ASSURE THE FINANCIAL STABILITY OF YOUR TELEPHONE COMPANY. WE'RE SURE YOU WANT US TO TAKE THIS STEP TO ASSURE YOU THE KIND OF SERVICE YOU WANT.

Club and Social Activities

ANNOUNCE ENGAGEMENT

Mr. and Mrs. Fred Stone of Wat-
terson, announce the engagement of
their daughter, Ruth, to Elton
Green, son of Mr. and Mrs. E.
Green, of Chelsea. They
plan to be married in late spring.

LIMA CENTER HOME

EXTENSION GROUP
Twelve members, six guests and
three children were present at a
social gathering of the Lima Cen-
ter Home Extension Group which
was held at the home of Mrs.
Harvey Fischer at Four Mile Lake,
Wednesday, July 16.
A pot-luck dinner was enjoyed at
one o'clock and was followed by an
afternoon of visiting.

W.R.C. MEETS MONDAY

The regular meeting of the
W.R.C. was held Monday afternoon
at the Sylvan hall. Five new
members were initiated and
gatherings of gifts to be sent
to the American Legion hospital at
Battle Creek was held.
Refreshments were served at the
close of the meeting.
Twenty-three members were pre-
sent.

SUNDAY SCHOOL PICNIC

Following the regular church
service at Zion Lutheran church,
Rogers Corners, on Sunday, the an-
nual Sunday school picnic was held
on the lawn at the parsonage with
about 150 present, including Sun-
day school members and their fam-
ilies.
Following a bounteous pot-luck
dinner the afternoon was very en-
joyable spent in playing games and
taking part in various contests.

BIRTHDAYS CELEBRATED

A pot-luck birthday supper was
held at the home of Mr. and Mrs.
Ernest Fitzmaurice, Sunday evening,
to celebrate the birthdays of Mr.
and Mrs. Ernest Fitzmaurice, Mrs. Le-
Roy Satterthwaite, Mrs. Lydia
Zahn and James Grau.
Those present were Mrs. Zahn,
Charles Zahn, Mr. and Mrs. Alton
Gau and sons Junior and James,
Mr. and Mrs. Herbert Schenk,
son Albert, and daughter Grace, all
of Freedom township, and Mr. and
Mrs. LeRoy Satterthwaite and son
Duane.

IT SEEMS BUT YESTERDAY

... that the church organ
was pumped by hand, usu-
ally by a boy. Sometimes
the boy got busy with
other things and forgot to
pump and an embarrass-
ing time was had by all,
especially the organist.

accompanying Mr. and Mrs. Vin-
cent Swickard and family of Ann
Arbor, are planning to leave Fri-
day on a two-weeks' trip to visit
relatives at Fall River, Mass.
Captain and Mrs. Herbert How-
ell and daughter Karen Lynn, who
are spending some time here at the
home of Mrs. Howell's parents, Mr.
and Mrs. Fred Seitz, were guests
at the home of Mr. and Mrs. Wal-

Michigan farmers established a new link in their contact with
Michigan State college on July 8 when over 150 of them landed on
the campus in 60 planes for the annual meeting of the Michigan
Flying Farmers.

Above are some of the planes on the special landing strip set
aside on the college farms. Below, M.S.C. President John A. Hannah
(center) welcomes Lee Talladay, Milan, (left) President of the
Michigan Flying Farmers, to the campus. Milton Grinnell, editor
of the Michigan Farmer, (right), watches.

ter Seitz in Dearborn for several
days this week.

Mr. and Mrs. John Mast at their
home in Dexter on Sunday.
Mrs. H. D. Withersell was in In-
gton from Friday until Monday
visiting at the home of Mr. and
Mrs. Leonard Withersell. Mr. With-
ersell is at his home for a four-
weeks' furlough.
The Misses Anna and Bertha
Schaefer and Mr. and Mrs. Geh-
linger, all of Ann Arbor, arrived
on Monday afternoon, and also stopped to visit
Mrs. B. C. Whitaker at her home.
Mrs. Jacob Lehman and Mrs.
Adam Alber were callers at the
home of Mrs. Mike Misalesides who
has been ill. Mrs. Helen Bakula
recently arrived from Athens,
Greece, was a visitor, also.
Mr. and Mrs. Freeman Huston
and son Willard, moved on Tuesday
into the apartment at the home of
Mr. Huston's mother, Mrs. Mary
Huston, on East Middle street.
They had been living in Ann Ar-
bor.
Mr. and Mrs. Ernest Adam ac-
companied Mr. and Mrs. Donald
Adam and family of Detroit to
Brooklyn on Sunday to attend the
Adam-Ehrlich family reunion which
was held at the home of Mr. and
Mrs. LeRoy Ehrlich.
Mrs. Harold Bair and daughter
Shirley, visited at the home of
friends, Mr. and Mrs. R. A. Laden
in Detroit, Saturday and Sunday
while Mr. Bair was attending a
meeting of secretaries of the F.O.E.
at the Book-Cadillac hotel.
Mr. and Mrs. Fred Sager and
Herschel Watts attended a picnic
dinner at Pleasant Lake on Sun-
day to celebrate the birthdays of
Mr. and Mrs. Sager, Mrs. Leigh
Beeman, Wilbur Beeman, Mrs. Liz-
zie Beeman and Victor Moeckel, all
of which occur during July.
Mr. and Mrs. J. A. Dumouchet
and daughter Margaret Mary, re-
turned Saturday from a two week's

trip through Canada to Montreal,
visiting Mr. Dumouchet's relatives.
On their return they spent two
days in Muskegon. Mr. Dumouchet's
mother returned with them to
spend a few weeks.
Mr. and Mrs. Edwin Dickelman
and son Donald of Chicago, arrived
Saturday for a surprise week-end
visit at the home of Mrs. Dickel-
man's parents, Mr. and Mrs. Rex
Miller, in celebration of the birth-
day of Mrs. Miller, which occurred
on Saturday, and Mrs. Dickelman's
which occurred on Friday.
Jim Kelly of Detroit is spending
some time at the home of Mr. and
Mrs. Donovan Sweeney and family.
Edward Yenor of Morency is a
guest there Tuesday and Wednes-
day after accompanying George
William Sweeney home from a
week's vacation at his grandmoth-
er's, Daisy Krontz of Morency.
Mrs. W. G. Price and grandson,
Douglas Sindlinger, Mrs. H. Bair
and daughter Shirley, and Mrs.
Russell Baldwin, on Friday took an
excursion trip to Toledo which was
sponsored by W.R.C. District No.
1, proceeds of which are to be used
to purchase a Leader dog for a
blind person.
Mrs. Oscar Kalmbach returned
home Tuesday from Foote hospital,

where she had been a pa-
tient the past ten days.
Mr. and Mrs. Dale J. Claire re-
turned home Saturday from a two-
weeks' vacation trip through the
northeastern states and points in
Canada.
Ruth Wylston of Detroit, spent
a week's vacation here with
her daughter Patricia, her parents,
Mr. and Mrs. George Clark and her
brother, Stephen and family, re-
turning to Detroit on Sunday.
Mr. and Mrs. Thomas Guirey and
family, accompanied by the form-
er's brother, Jack, all of Detroit,
spent Sunday here as guests of
Mrs. Guirey's parents, Mr. and
Mrs. J. V. Burg.
Doris Schmidt of New York, and
her sister Marion of Jackson, with
whom she is spending the summer
were Saturday afternoon guests at
the home of Mr. and Mrs. Walter
Beutler.

Mr. and Mrs. Hazen Hesel-
werdt and family of Homer and
Mr. and Mrs. Gale Gilson, were
Sunday evening supper guests at
the home of Mr. and Mrs. John
Chaplin.
Mr. and Mrs. Leon Beutler of
Chicago and Mr. and Mrs. Alvin
Jedele and family of Saline, were
week-end guests at the homes of
Edwin Beutler and Mr. and Mrs.
Carl Beutler.

Chris Koch of Ann Arbor spent
the week-end at the home of his
nephew, Walter Trinkle. Satur-
day evening Mr. and Mrs. Trinkle
and Mr. Koch were guests at the
home of Mrs. John Schanz and
daughters near Jerusahe.

Rev. J. Fontana of St. John's
church, Rogers Corners, will preach
at a Jubilee Festival service of his
former congregation at Lake Elmo,
Minn., on Sunday. Due to his ab-
sence there will be no services at
St. John's church that day.

Mrs. J. E. Boyd and her sister,
Mrs. Don Thomas, with her daugh-
ter Mary Jane of Eaton, Ind., who
are spending some time here at the
Boyd home, are in Geneva, Ohio,
for a few days' visit at the home
of their mother, Mrs. E. M. Sin-

honor was held at Clear Lake.
Mrs. Martin Steinbach with her
daughter, Connie Ann, and son,
Raymond, returned home Monday
after spending two weeks at the
home of her parents, Mr. and Mrs.
Victor Shoberg at Les Cheneaux
Islands near Soudaville, in the up-
per Peninsula. Mrs. Steinbach
spent a week there returning home
a week ago on Sunday.
Mr. and Mrs. George Schoenith
of Charlotte, N. C., arrived Satur-
day at the home of the former's
sister, Mrs. L. P. Vogel, for a

week's visit. On Tuesday, Mr.
Vogel's brother, Senator Karl Vogel
of Omaha, Neb., who is enroute to
Mackinac Island, came to spend
two days before leaving for De-
troit today for a short visit with
his sister, Mrs. A. K. Marriott.

Forest Fires
Each year more than 200,000 for-
est fires occur in this country. And
these fires destroy enough trees to
provide the lumber for 215,000 five-
room houses!

INTRODUCING...

Letter-Perfect Translation

The prescription that your doctor writes
is a blueprint plan which specifies a me-
dicine designed for your health. To make
sure that the completed medicine exactly
follows this plan, we use fresh ingredi-
ents of standard strength... weight,
measure and mix them precisely...
painstakingly double-check each step.
You may be sure that medicine compounded by us is a letter-per-
fect translation of your doctor's prescription—your health's best
protection.

• School District Reorganization - Pro and Con

To the Qualified Electors of the School Districts Interested in Consolidation with the Chelsea School System to Form a Rural Agricultural School:

An article printed in this paper on July 17 by "A Howe District Taxpayer" was very misleading and we, the school board of the Howe District, Lyndon Township, would like to correct some of the statements.

In the first place we do not have the Cassidy Lake site at our disposal. The property title is in the hands of the Conservation Department. The equipment is in the hands of the Corrections Department. "Certain persons" through threats have been attempting to force us, the board of education of this district, to sign a contract with attorneys to bring suit against the State to regain title since the property was at one time used by this N.Y.A. and at that time under the

sponsorship of the school board of this district.

Nearly a year ago a committee was appointed by the board to investigate the possibilities of regaining title to the property. The committee kept the board informed of its findings and the board accepted such reports.

In due time it was reported by the committee that it would be necessary to bring suit to regain title. The committee suggested attorneys for the handling of the suit and they were acceptable in the board.

A contract was drawn up by the attorneys and presented to the board. Then began dissension between the board and the committee. We, the board, felt that parts of the contract needed more study on our part and could be given with one reading. The committee insisted that the contract be signed immediately. It was this insistence which caused us, the board, to begin an investigation of our own; but such an investigation takes time, and the time was used by the "certain persons" to mislead and confuse the electors of not only this district but also other districts.

Nuisance meetings were called with one individual dominating each meeting. Individual members of the board were threatened with lawsuits unless they signed. An attempt was made to recall those who refused to sign this contract. An attempt was made to force the resignation of those who refused to sign this contract. An attempt was made by the same "certain persons" to have those who refused to sign this contract served with mandamus papers. All of this because we, the board, could not conscientiously sign an agreement which could have resulted in bankruptcy to this district.

It is the opinion of the Attorney General that a lawsuit to regain title would be a wasteful use of the taxpayers' money, when the title could be placed through legislative action or judicial proceedings. It is our opinion that this fact was known by at least one member of "certain persons." Why then did "certain persons" insist that this contract with the attorneys be signed regardless of the consequence to this district?

No, we do not have the Cassidy Lake site as "A Howe District Taxpayer" has led you to believe. If we had it, we could not afford to keep it. Our school expenditures for the past year were less than \$4,000. It took approximately 12 mills to raise that. How far would that go in maintaining Cassidy Lake which requires around \$100,000 annually to operate.

At this time we in this district as well as you of several other districts are interested in consolidation with Chelsea as it seems the best solution to our school problems. "A Howe District Taxpayer" objects to our consolidating with the Chelsea School and extends an invitation to you rural districts to share with us a site which we do not have. We must withdraw his kind invitation to you. Here is a quotation taken from a letter to us the school board dated June 11, 1947 from Mr. Dorrick, Head of School Organization and Transportation, "It is not advisable for several small districts in your area to combine into a single school district. Districts would undoubtedly be no better off financially by combining. It is evident that if any reorganization of school districts is to take place that such reorganization should be in connection with the Chelsea Public Schools. This means that a consolidation of districts around Cassidy Lake will not be recommended by Dr. Elliott, Superintendent of Public Instruction." Without his approval we would receive no state aid.

It is in evidence that this district, the Howe District, is in favor of consolidation with Chelsea by the large majority who have signed the petition for consolidation. It is our opinion that one member of "certain persons" mentioned in this article agitating for the suit to regain title to Cassidy Lake, agitating against consolidation with Chelsea are one and the same individual.

(Read the Attorney General's reply to the Superintendent of Public Instruction's request for an opinion on the legality of the attorney's proposal in another part of this paper.)

Howe District Board of Education, District No. 14 Fractional, Lyndon Township.
Signed:
Paul Papsdorf, Pres.
Denis Guinan, Treas.
L. H. Walker, Sec'y
H. Bertke.

PROCEED WITH CAUTION!
Let's not proceed too quickly, without sufficiently weighing the questions involved and the results obtainable by school consolidation. Let us find that we have selected by the proposed election, a new school organization which will not be a solution of our admitted school problem.

I have been told that I, personally, am opposed to school consolidation. This is not true. I am, however, fearful that we are proceeding with a plan of reorganization, sponsored by a central unit of government, the State Department of Public Instruction, which, as it appears to me, does not offer an economical and practical solution to the problem of this particular locality. It is my hope that the electors will ask for and obtain, prior to going to the polls, a satisfactory and complete plan of operation under consolidation.

Some of the problems which perplex me are:
1. The proponents of reorganization have stated that in order to care for the rural elementary stu-

dents it will be necessary to operate 4 or 5 of the better rural schools now in use. This leads me to believe that there has been too great an emphasis placed on the theoretical desirability of the plan and not sufficient thought given as to its exact operation, after the first sanction of the voters is obtained.

The current school census indicates that there are about 230 rural elementary students to be cared for in 4 or 5 schools, or 46 per school. We have been told by those in authority on educational matters that 20 to 30 is the maximum desirable in a single grade. It has also been promised that the rural schools will be operated on a single grade to a room basis. The elementary grades are defined as from kindergarten through 6th grade. That leaves 7 grades to be cared for in a room basis.

It would appear that to accommodate the 7 grades 7 one-room schools would be required which would leave 33 per class.

The transportation of 230 pupils of assorted grades to and from seven schools presents a bit of a problem which the electors should insist on being solved, before not after, they have voted to undertake it.

3. Will the removal of the 26 rural elementary pupils now attending Chelsea relieve the Chelsea school which is now overcrowded to the extent of 46 pupils or will it be necessary to maintain another rural school or two and transport some of Chelsea's students to these buildings?

4. Has it been considered in deriving the theoretical 8 mill tax required for operation, that to supervise this larger and more complex school system it will be necessary to hire the services of a superintendent experienced in this type of operation, at the customarily high salary nowadays demanded by experts?

W. H. Franklin.

Questions - Answers

By Supt. A. E. Johnson

Q. If the proposed Rural Agriculture District is formed here in Chelsea what will be the procedure in electing a School Board?

A. The election of a School Board would be conducted by the County School Commission. A five man board would be elected from the area that became reorganized into one school district. The people eligible for election to the Board would be those who possess the qualifications of a legal school elector and in addition were listed on the tax assessment rolls.

Q. If the County School Commission decides there are enough signatures on the petitions recently circulated to call for an election on the proposed reorganization of school districts, will the Chelsea district and the rural districts each vote separately on the issue or will only Chelsea vote separately and the rural districts which petitioned for an election all combine to vote as one unit?

A. There will be two elections, one in the Chelsea district and one in the rural districts combined as one unit. The election in the Chelsea district would be conducted by the Chelsea Board of Education and the election in the rural districts would be conducted by a Township Board designated by the County School Commission. The voting must be done by ballot and notices must be posted at least 20 days prior to the date of the election and must state the hour at which the polls will be open. The

polls shall be open at least 7 hours. Q. What portion of the cost (if any) of building school buildings in the proposed Chelsea Rural Agriculture district would be paid by the State?

A. At the present time there are no State funds for school building construction. The plan most school districts follow in the state for financing school building construction is to establish a sinking fund for raising all, or nearly all, of the

money before the construction is started. Under present Michigan laws, bonds for indebtedness are limited to a 5-year period. This forces school districts to make building plans well in advance of the time they expect to build. Establishment of a sinking fund seems to be the only answer to the problem. The establishment of a sinking fund requires a two-thirds majority of the electors who vote favoring the issue.

Q. In the proposed school district reorganization plan will the five rural schools which are to continue in operation at this time (if the new district is formed) remain in operation indefinitely or only until enlarged facilities at the Chelsea school can be provided?

A. That will be entirely a matter for the citizens and the members of the Board of Education of the new district to decide. In many places where reorganization has

taken place the pupils have been transported to the central school when facilities were available. In other places the rural schools have remained in operation for some time.

Monument in Upper Peninsula in Memory of Douglass Houghton

EDITOR'S NOTE: This is one of a series of articles on historical spots and monuments in Michigan. Historical information has been obtained from the Michigan Historical Collections at the University of Michigan.

Ann Arbor—A stone monument at Eagle river, near the tip of the Keweenaw Peninsula commemorates an intrepid young man who made the first scientific survey of Michigan's valued mineral deposits. He was Douglass Houghton, one-time Detroit mayor, University of

Michigan professor, surgeon, physician, geologist, botanist, mineralogist, and flute player.

Erected in 1914, the monument marks the spot opposite near where Houghton, the state's first official geologist, drowned Oct. 13, 1845, at the age of 36 in a Lake Superior storm.

Built into the monument are samples of rock from every lode that then traversed the state's copper district, pieces of rock from many parts of the Upper Peninsula and from other parts of the state. For it was as state geologist from 1837 to his death that he had much to do with making known the vast mineral deposits and other resources of Michigan, especially the Upper Peninsula. The Michigan Historical Collections at the Uni-

versity of Michigan indicate his reports on copper bearing rocks in the Upper Peninsula were the main factor in attracting capital to the copper country.

As evidence of that, no less than 104 copper mining companies, whose holdings extended from the Porcupine mountains to the St. Mary's river, had been formed by 1846, just a few years following Houghton's report to the legislature on the finding of copper.

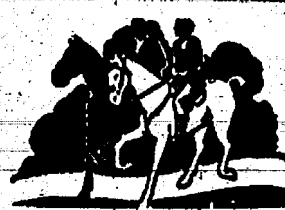

Houghton had come to Detroit before he was 20 to give public lectures in botany, chemistry and geology and to continue his medical practice which he had begun in New York more than a year before. Because of his ability and friendliness he soon had so many friends who were always visiting him that he had to do much of his private studying at night.

But this five-foot, five-inch dynamo still found time to become an expert flute player and to tramp over miles of Michigan on his personal scientific expeditions.

Then in 1837, the year Michigan was admitted to the Union, Houghton was appointed State Geologist by Gov. Stevens T. Mason, after demonstrating through his voluntary explorations the need for such a person.

Being State Geologist, Houghton filled the positions of professor of chemistry, mineralogy and geology at the University from 1839 to his death, and as mayor of Detroit from 1842 to 1844.

According to the Historical Collections, Houghton's reports indicate he also had outlined Michigan's coal basin, and called attention to the importance of deposits of gypsum, coal, peat, clay, limestone and iron ore.

Our Neighbors

Stockbridge — At the recent Michigan Automobile Dealers' convention held at Mackinac Island, "Old Times' Breakfast" was held for those who have been dealers for 25 years or more. C. W. Glenn with 34 years as a dealer was one of the top ten—the oldest having been in business 39 years.—The Stockbridge Brief-Sun.

Dexter—Clenard O. McLaughlin of the McLaughlin Oil Company, Dexter, was elected as a trustee for three years of the Whitmore Lake school district Monday evening at the annual election. At the same meeting the voters of the district voted down the proposition to raise the tax rate three mills to provide for building an addition of two rooms to the present structure at a cost of \$30,000.—The Dexter Leader.

Saline—U-g-h! exclaimed 11-year-old Darrell Finkbeiner, son of Mr. and Mrs. Clarence Finkbeiner, Ann Arbor, Route 6, Friday evening, as he took hold of his bicycle to fetch the cows in the night. Making his bid, he came in contact with a 20-inch spotted adze which he had just swung down. The snake was brought into the barn with a load of hay from the field, it is thought, and stowed itself away from sight on the bike. The Saline Observer.

Buchanan — Thursday evening about 10 p.m. while this scrivener was laboring a typewriter in the left-hand window of the Record, there came a sudden excited shouting outside and a man started hammering on the window. Your reporter looked up and there was a man and a fish, both about the same size. The fish was a 6 1/2 pound big mouth bass and the man was Allen Pierce, who had just caught it out in Clear Lake. The fish was 22 inches long and 6 1/2 inches beam.—Berrien County Record.

Milan—A flash storm hit Milan and vicinity Monday afternoon. Torrents of rain fell for a short time and there were two sharp flashes of lightning. One of these hit the upper corner of the west side of the barn on the Lee Draper farm one Mooreville road. Mr. Draper who was eating near a window outside and a man started hammering on the window. The Milan Fire Department responded to the call within a very short time but the flames had spread so rapidly there was no saving the barn. But it was caught in time from spreading to other buildings.—The Milan Leader.

Williamston—Mr. and Mrs. Fred Dennis, R-1, Williamston, were both rushed to Sparrow hospital Saturday night after a burning house fire was ignited by hot coals in the ashes and exploded, seriously burning Mrs. Dennis about the arms and face. Mr. Dennis, whose principal difficulty was over-exposure to smoke, was released after only 24 hours in the hospital. The interior of the house was reported to have been very seriously damaged by the resulting fire, although the Williamston Fire Department saved the structure from complete loss.—The Williamston Enterprise.

Saline—A discussion at the annual school meeting Monday night, opened by Harrison Gosner relative to the development of the school athletic field and installing lights for night games, brought a proposal from City Manager Glenn that the school board meet with the city council to determine if some definite action could be taken in regard to the project. As a result, prospects appear bright for the development of the field, due to the swift action taken by the two groups. Neither the City of Saline nor the Board of Education are empowered to allocate any funds for the development of the field which adjoins the school grounds proper. However, it is certain that there are enough civic groups interested in the proposal to make the financing a simple matter.—The Saline Observer.

Fishing License Sales for 1947 Nearly Equal to Last Year's Record

Lansing—Recovering from a lag that coincided with unseasonable weather in April and May, the sale of sport fishing licenses climbed in June until at the half-year mark it almost equaled the record volume of 1946.

On June 30 of this year, the conservation department reports, the 326,376 resident fishing licenses sold amounted to only one and four-tenths per cent less than at the same time a year ago. Temporary nonresident fishing license sales were down 10 per cent, but annual nonresident license sales were only half of one per cent less than a year earlier. Total revenue for the half year was four per cent under the comparable 1946 figure.

OLD QUESTION OF WHO WON CIVIL WAR ARISES AGAIN
Ann Arbor—Slavery statistics immediately preceded those on cattle and horses in the last almanac published by the Confederate States during the Civil War. Printed in Mobile, Alabama, in 1865, a copy of the book recently was acquired by the Clements Library of the University of Michigan. The book also lists six pages of Confederate victories but only two pages of Federal triumphs.

FOE NEWS

Robert Budd, secretary of Dist. No. 8, wishes to announce there will be an 8th District meeting at the Jackson F.O.E. Temple, July 27 at 2:00 p.m.

The 8th District consists of Lansing, Albion, Grand Ledge and Chelsea. Dinner will be served at 6:30 p.m.

Secretary Harold Bair attended the secretary's meeting at Detroit, Saturday and Sunday.

But next initiation will be held July 31. All members are asked to attend.

FORECAST: Continued Fair

SOMEHOW the sky seems bluer and the sun shines brighter when you and this Buick are enjoying the day together.

Somewhat the sudden summer shower seems more of a lark, less of a bother, when it's pattering on the snug shelter this tidy number throws up automatically at your touch on a control.

Somewhat autumn air is more winey, swirling winter snows more fun when your choice is a Buick — and a Convertible as tight and all-weather-ready as this one.

Maybe it's because your style sense tells you these sleek lines and this rich treatment are going to stay the fairest of the automotive fair.

Maybe it's because you find, in the big Fireball straight-eight under your treadle foot, an ever-eager, ever-lively companion-in-adventure that acknowledges no peer for life and lift and velvet-smoothness.

It could be the rare and pleasurable steadiness given an open car by good, solid Buick construction. It could be, simply, that here at last you find size and ability and smartness and finish to match your dreams of a perfect travel mate.

All we know is that this is one of the standout favorites in a line of cars that stands out as the most wanted in America.

So when good friends come to us

asking, "How do I get one of those snappy Buick Convertibles?" our full and forthright answer is always the same:

Sign up for one, sir — soon as you can. The sooner we have your firm order for one, the sooner you start climbing up our customer list.

And we promise you: You'll mount that ladder equally fast whether or not you have a car to trade.

ONLY BUICK HAS ALL THESE STAR FEATURES

When better automobiles are built
BUICK
will build them

- ★ AIRFOIL FENDERS
- ★ FIREBALL POWER — from valve-in-head straight-eight engines in two sizes.
- ★ ACCURATE CYLINDER BORING
- ★ SILENT ZONE BODY MOUNTINGS
- ★ PERMI-FIRM STEERING — light but positive control with reduced need for adjustments.
- ★ FULL-LENGTH TORQUE-TUBE DRIVE
- ★ BROADRIM WHEELS
- ★ STEPON PARKING BRAKE
- ★ FLIVEWEIGHT PISTONS

From where I sit ... by Joe Marsh

**"Not Responsible
For Wife's Debts"**

A young man came rushing into the Chelsea office the other day and wanted me to print an ad—"Right quick" saying he won't be responsible for his wife's debts from now on, as he's leaving her for good immediately.

I allowed as how the forms weren't all closed up, and it was too late to take his ad. He says: "All right, Monday then"—and we agreed on Monday.

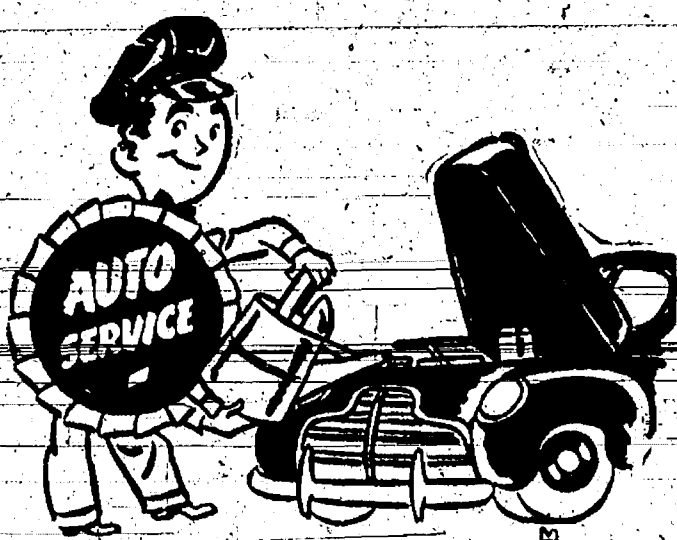

Of course, the forms weren't closed. But I had kind of an inkling of what might happen. Then Sun-

day ... phones me, and says, kind of sheepishly: "You can forget that ad. He and the missus have everything all patched up. And we're having a friendly glass of beer, right now."

From where I sit, if you give folks time enough to think things over, those hasty quarrels that come so often from misunderstanding will give way to tolerance and common sense.

Joe Marsh

The members of the graduating class of Chelsea High school are: John King, Dorothy Dancer, Eleanor Lambert, Florence Turnbull, Audrey Harris, Alice Baldwin, Gertrude Eppler, Paul Bailey, Anne Rogers, Harold Davis, Paul Weber, Paul Buehler, Ella Knapp, Ella Hagdon, Mildred Bradbury, Ruth Loeffler, and Percy Brooks.

A crowd of over 3,000 persons gathered to hear Smith's Band of twenty-two pieces present a concert on the square here.

Rev. Risley delivered the baccalaureate sermon to the Class of '23. His theme was "First Things First." Music for the evening was presented by the choir and A. B. McClure sang the solo, accompanied by Mrs. A. C. Houck at the organ.

Miss Anna Tuck at the piano and Mrs. P. M. Broesamle, violinist.

St. Mary's academy will graduate seven seniors: Misses Margaret Canfield, Lucille Liebeck and Ruth Liebeck, Edwin Eder, Paul Hoffman, D. Cuthbert and Kenneth Schanz. Rev. Father Van Dyke will present the diplomas to the graduates.

Mr. and Mrs. Wm. J. Howlett of Lyndon entertained friends and relatives on the fiftieth anniversary of their marriage.

Miss Fern Klingler, daughter of Mr. and Mrs. Chris Klingler of Sylvan, and Warren I. Wheelock, son of Russell T. Wheelock of Chelsea, were married Thursday.

A former Sylvan township officer, Theodore Wedemeyer died Friday, June 8.

JUSTICE FOR CARELESSNESS! A picnicker who caused a one-acre fire in Interlochen state park paid the wages of four fire fighters who worked four hours to put the fire out.

**Farmers' Week To Be
Resumed on MSC
Campus in January**

Farmers' Week, which brought from 30,000 to 40,000 farm people to the Michigan State college campus annually prior to being crowded out by increased veteran enrollment at the close of the war, will be resumed in January, 1948.

R. L. Anthony, dean of the school of agriculture, announced today the dates of January 26 to 29, 1948, had been set aside for the big event which had been held annually for thirty years prior to 1945.

When winter term enrollment in the 1945-46 term taxed classroom seating and housing facilities of the campus and East Lansing, the 1946 Farmers' Week was cancelled.

A further increase in enrollment prevented holding the event in January of 1947.

During the Farmers' Week program the various farm organizations, livestock associations, crop associations and others hold their annual meetings. Annual livestock feeding contest entries are exhibited and grand champions are selected.

Dean Anthony said farmers with livestock in the feeding contests would be anxious to learn the dates so that they could plan their feeding program to bring their animals to prime condition by show dates.

**Cover Crop Can Be
Seeded in with Corn**

A wet year, such as 1947 has been so far, is a good year for sowing a cover crop when corn is cultivated for the last time.

B. R. Churchill, specialist in farm crops at Michigan State college, says that either domestic rye grass or sweet clover is good for this purpose.

Domestic rye grass produces an excellent cover crop for over winter when sown in corn and can be plowed under the following spring as a green manure crop. It is not suitable for pasture use. It should be sown at the rate of approximately 10 pounds to the acre.

Sweet clover does not thrive as well when sown in corn as does domestic rye grass, but if a good stand is obtained it can be pastured the following summer or plowed under as a green manure crop. Ten pounds to the acre is the rate for seeding sweet clover. Mixtures of rye grass and sweet clover sometimes produce good stands.

Churchill points out that the use of these cover crops is particularly important on slopes where erosion is a factor and in fields where green manure is needed.

34 Years Ago
Thursday, June 12, 1913

Chelsea High school was represented at the state interscholastic athletic meet, which was held at Lansing Saturday, by Clarence Stipe and Theodore Wedemeyer.

Chelsea received seven points and took ninth place among 37 schools represented.

Those from this vicinity attending the meeting of Pomona Grange held in Manchester on Tuesday, are as follows: Mrs. Chas. Riemen-schneider, Miss Ricks Kaimbach, Mrs. Henry Geiske, Mr. and Mrs. Jas. Richards, Mr. and Mrs. Philip Broesamle, Mr. and Mrs. R. M. Hoppe, Mr. and Mrs. Henry Musbach, Mr. and Mrs. N. W. Laird, Charles E. Foster, Mrs. Philip Riemen-schneider and Mr. and Mrs. George T. English.

At the present time it appears the apportionment of primary school money, which takes place July 15, will be less than \$7 per capita. Auditor General Fulex says that there are 774,169 children of school age in Michigan eligible to participate in the apportionment, but the fund lacks \$102,121 of having enough to make the apportionment \$7 per capita. Last year the apportionment was \$7.45 for each child.

"Our soil resources have been damaged to an alarming degree," Secretary of Agriculture Anderson warned recently. "The drain of fertility has been accelerated by production for war and for relief of the postwar world food shortage. The needs of the soil call for much more fertilizer than is now being used."

**We Wouldn't Have
Believed This One**

Next time the he-man of the party starts bragging about landing big fish, the womenfolk can remind him of the accomplishment of two East Lansing anglers, Mrs. C.

V. Ballard and Mrs. Frances Patch, reported to the conservation department.

Trotting in upper St. Marys river out from their cottage at the Shallows, the two women, without any man's assistance, brought into the boat a 25-pound 6-ounce northern pike measuring 45 inches long, 19 inches in girth, and caught a rainbow trout and a second northern pike weighing 10 pounds the same morning.

The rate and frequency of liming depend primarily upon the acidity of the soil, the kind of soil and the crops grown.

**COOLS FASTER!**

Yes sir, for quick milk cooling, choose International. Actual tests on thousands of farms show that stored-up refrigeration, made quickly available by the exclusive International pneumatic agitator feature, provides faster and more economical cooling than any other method.

Let us tell you about it and show you the International Coolers we now have in stock. There's a size for every dairy herd.

Veterans' Facility Engages

Chief Medical Officer
Dr. Joseph McMullin of San Diego, Calif., retired as Rear Admiral from the U. S. Navy Medical Corps, has been secured as Chief Medical Officer at the Michigan Veterans' Facility, Grand Rapids. Admiral McMullin had his training at St. Mary's hospital and the Philadelphia General hospital both in Philadelphia, at the Mayo Clinic, the University of Pennsylvania Graduate school, in Vienna under the auspices of the American Medical Association, and while acting as Chief of Surgical Service in the U. S. Navy, he commanded the Pearl Harbor Naval Hospital from 1942 to 1943. He is sixty-one years of age.

Dr. McMullin's addition to the staff at the Facility should bring prestige and a wide background of medical experience. He reported for duty on July 15. According to Walter Baker, Commandant of the Facility, Dr. McMullin will be in charge of the administration of the Facility hospital. There are five other doctors on the Facility staff.

State Police Will Interview Applicants at Jackson, July 30

Sergeant G. H. Austin, commander of the Jackson post of the Michigan State Police, will be at the post from 9:00 a.m. to 5:00 p.m., Wednesday, July 30, for the purpose of interviewing young men who may be interested in joining the department.

The State Police are presently conducting a recruiting program to bring the force up to pre-war strength. Through the cooperation of the State Civil Service Commission, preliminary qualifying examinations are now being conducted each time a sufficient number of applications have been received, eliminating previous delays when examinations were held on a periodic basis.

The State Police organization offers a fine opportunity for young men interested in a career service, said Sergeant Austin. "In addition to employment security, paid vacations, sick leave and a pension after so many years of service, the work is interesting and varied. Promotions are made on a merit basis. I might also point out that there is a pride in belonging to one of the finest organizations of its kind in the country."

Minimum requirements are that an applicant must be between the ages of 21 and 30, unmarried, in good health and not less than five feet, 10 inches in height.

Applicants may call at the post at any time to obtain information about the department, Sergeant Austin said, but July 30 has been set aside as a special day when he will be on duty to talk with those interested.

Application blanks may be obtained at the post or by writing the State Civil Service Commission or the Michigan State Police headquarters in Lansing.

NOTTEN ROAD

Mr. and Mrs. A. Schweinfurth spent Sunday evening with Mrs. P. H. Riemenschneider.
