

Mr. and Mrs. Noah Observe Their 55th Anniversary Aug 3

Mr. and Mrs. Perry D. Noah of North Lake, who were married August 4, 1892, in the home where they are still living, and where Mrs. Noah was born, plan to celebrate their 55th wedding anniversary there with a family dinner Sunday, August 3.

Mrs. Noah's mother, the former Lucy Glenn, came to North Lake in 1833, when she was eleven months old. Her parents settled on what is now the Inverness property. She and Mrs. Noah's father, William Wood, lived where the Noahs now live, following their marriage.

Mr. Noah is a native of Monticello, Minn., and has a son and two daughters, Lawrence, Mrs. Florence Boyce, and Mrs. Mildred Kinsley, all of North Lake. Mrs. Noah has ten grandchildren and five great-grandchildren.

Mr. and Mrs. Noah are members of the North Lake Methodist church, which Mrs. Noah joined when she was eleven years old. She was married by the Rev. and Macintosh, who was pastor of the Chelsea church at the time.

Friends of the couple will be welcome to call at the home during the afternoon.

PERSONALS

Mr. and Mrs. C. J. Everett of Lansing, spent Saturday here with Miss Jessie Everett.

Mrs. John Wahl attended the Katz family reunion at Clear Lake camp on Sunday.

Joan Caldwell of Mt. Pleasant, is visiting her grandparents, Mr. and Mrs. Charles Cary.

James Hunter of Pittsburgh, Pa. is spending this week at the home of Rev. and Mrs. W. Brueckner.

Mrs. D. K. Hoppe returned Sunday from an extended visit in Saginaw.

Mrs. Myrtle Dunn of Grand Ledge, spent Sunday at the home of Mrs. Aggie Osterle.

Mr. and Mrs. Harold McDaniel of Jackson, and Mrs. Elsie McDaniel were Tuesday supper guests at the home of Mrs. Angie Osterle.

Mrs. Frank Soper and Mrs. Herbert Kennet of Ann Arbor, spent Wednesday here with Mrs. Pearl Whipple.

Mr. and Mrs. Henry Isahak and Claude Isahak attended the Hudson family reunion at Potter park, Lansing, on Sunday.

Mrs. David Wiggins and son, David Paul, are spending this week at the home of her uncle and aunt, Mr. and Mrs. Henry Van der Schuur, at Middleville.

The Misses Elizabeth Webster and Minna Hinzler of Grand Rapids, arrived Friday for a week's visit as guests of Miss Bertha Spaulding at her farm home, accompanied by Mr. and Mrs. Elmer Pierce and son Donald, enjoyed a week-end trip to Northern Michigan.

Mrs. Robert Lantis received word Monday of the birth of a son, Frank Alfred, to Mr. and Mrs. William Persch of Albion, former Chelsea residents.

Colonel and Mrs. Robert Judson and son Peter of Washington, D.C. were guests several days last week at the home of Mr. and Mrs. H. E. Schneider.

Mr. and Mrs. Roy Bertke and family were guests from Friday until Sunday of Dr. and Mrs. L. J. Paul at Pickering Lake near Bileley, where the Pauls are spending their vacation.

Mrs. John V. Copren and son John, Jr., left on Monday for California, traveling by way of the Canadian Rockies to San Francisco, where they plan to spend some time.

Congressman Russell V. Mack and Mrs. Mack from Washington, D.C. are stopping to visit Mr. and Mrs. R. E. Jolly enroute to Aberdeen, Wash. Mrs. Mack is a niece of Mrs. Jolly.

Mrs. William Sterling and Mrs. Charles Mautz and son Jerry, of Lansing, were Monday afternoon callers at the home of Mr. and Mrs. Otto Goetz. Mr. and Mrs. Fred Hall and daughter Patricia of Flat Rock, were guests there Sunday afternoon.

Overnight guests on Saturday at the home of Mr. and Mrs. W. G. Price were Mr. and Mrs. Burleigh Farmer of Midland, and on Sunday, Mrs. Price's cousins, Mr. and Mrs. Robert and Mrs. Paul, of Ft. Wayne, Ind., were dinner guests there.

Mrs. P. M. Broesamle is planning to leave Monday by automobile for a visit at the home of her brother and sister-in-law, Mr. and Mrs. Carl Menning, in Sonoma, Calif. She will be accompanied by Mrs. Allen, who will visit relatives there.

Mr. and Mrs. Lewis Bernath and daughter Janet Ann, left Saturday afternoon for Batavia, Ill., for a visit with friends. From Kansas, Mr. plan to go to Emporia, Kan., for a visit with friends and relatives, before leaving for the West, where they expect to spend the winter.

Glady's Valentine of Highland, Bruce Mackey of Detroit, and Margaret Hoeselichwerdt spent Saturday afternoon at the home of Mrs. Ida Carby.

Mr. and Mrs. Beniah Herndon and daughter Margaret, who accompanied Mrs. Carby home following her stay of a month there due to illness, also spent the day there.

Chelsea All-Stars Lose Both Games in Softball Exhibition

By "T" Witness

Last Friday night the Chelsea Athletic Field was a field of strife. The local boys seemed to have a case of the jitters in front of the packed stands.

In the feature game they were the victims of an excellent pitching job delivered by Ray Peterson of the Elks, with Ray pitching a no-hit, no-run game. His one faced 26 batters, taking care of 16 of them by the strike-out route. This partially overshadowed the good pitching of Ted Glibowski for the All-Stars, who struck out 11 men. A few misplays, coupled with hits, produced the 3 runs which won the margin of victory. Nepl 3-0 was the final score.

In the first game, Webers Grove of Dexter substituted for Boer of Ypsilanti, and handed the All-Stars a 4-6 beating. Again the local pitcher was the victim of misplays.

All in all, they were two interesting games. Those that were present will verify this and those of you who weren't should have been. Thanks again to those of you who made these games a success. See you next week.

Girl Scouts Work Up Healthy Appetite at Cedar Lake Camp

Chelsea Girl Scouts who attended Camp Cedar Lake's third session, July 16-23, were Sandra Baldwin, Janice Wheeler, Janet Talbot, and Mary Ellen Moore.

Working up a good healthy appetite is the main thing Girl Scouts at Cedar Lake Camp are doing this summer. It only takes food enough for 150 persons to feed the 90 Girl Scouts and Counselors at the camp, according to Mildred Hubbard, Camp Dietician.

Carol Pelkey of Brighton, said she had a great appetite. "I ate a lot of bread and meat and other things," she said. "That's nothing, so do it."

Strong emphasis on food is a corollary to camp activities which stress campfire cooking and eating outdoors. All parties and activities include refreshments of one kind or another, from charcoal broiled steaks and fish in bags to scout-made ice cream, fudge, and toasted marshmallows.

But one little girl returned home from camp, and said that they simply starved her!

Kiwanians Enjoy Inter-Club Meet at Dexter Tuesday Eve.

Twenty-five members of the Chelsea Kiwanis club went to Dexter for an inter-club meeting with the Dexter Kiwanians Tuesday evening.

Following the dinner, which was served by the ladies of St. Andrew's Evangelical and Reformed church, in the church dining room, the group went out to the Kiwanis softball diamond for a ball game between the Chelsea and Dexter clubs.

Chelsea's "hard-hitting" team won the ball game by a score of 20 to 4. The Chelsea team made two home runs and Russell McLaughlin made one, in addition to doing an excellent job of pitching for the Chelsea team.

Kenny Runciman, Doug Laing, Jerry Niehaus and Doctor Sharrard each made 3-base hits, Doug Laing doing so a second time.

The Dexter club met with the Chelsea club for an inter-club meeting last week.

Monday evening, the regular club meeting of the Chelsea Kiwanis was held at Doe's restaurant.

Members of 4-H Calf Clubs Offered Free ABA Membership

All 4-H Calf Club members with dairy calves are offered an honorary membership in the Michigan Agricultural Co-Op, Inc., of East Lansing, it was announced recently.

To this news the Chelsea local has added free service and finance fees for all those 4-H members within a 7-mile radius of Chelsea. It is important, however, that all boys and girls who plan on using this service before January 1, 1948 get in touch with their calf club leaders and give their name, address, location of farm, and breed of service wanted. There should also be sent to the County Agricultural Agents in Ann Arbor or to Floyd P. Fowler, Chelsea A. B. A. secretary.

Mrs. D. E. Beach Breaks Hip, Sunday

Mrs. D. E. Beach is a patient at St. Joseph's Mercy hospital, Ann Arbor, where she was removed from her home Sunday evening following a fall in the afternoon while she sat in the living room. She was taken to the hospital where it was found she had suffered a broken right hip.

An operation was performed on the hip Monday afternoon and it is expected she will have to remain at the hospital for several weeks.

Four Families Hold Annual Reunions During Past Week

LUCKHARDT REUNION

The 1947 Luckhardt family reunion was held on Sunday July 27, at the home of Mr. and Mrs. Clarence Trinkle.

A lovely pot luck dinner was enjoyed at noon and was followed by games in charge of the program chairman, Mrs. Trinkle, with prizes being won by Mrs. Edwin Dieterle and Ruth Luckhardt of Ann Arbor, Mrs. David Wahl and Marie and Alfred Dieterle of Saline. Ellis Pratt of Manchester, won the prize in a guessing contest.

Gifts were presented to Mrs. Lillian Dieterle, oldest member of the family present; Mrs. Louise Luckhardt, an aunt by marriage, the oldest member of the group; and Mary Ann Staebler, four-month-old daughter of Mr. and Mrs. William Staebler of Ann Arbor, the youngest present.

Included in the group of seventy present were members of the family from Detroit, Ann Arbor, Saline and Chelsea.

Clarence Krimko of Detroit, was elected president of the group for the coming year and it was announced that the next reunion would be held the last Sunday in June, 1948 at the home of Mrs. David Wahl in Saline.

A special feature of the get-together was a surprise celebration of the twenty-first birthday of Robert Trinkle, eldest son of Mr. and Mrs. Clarence Trinkle, which occurred on Monday of this week. A beautiful birthday cake centered the table where he was seated and he was the recipient of a number of very nice gifts.

BROWN REUNION

The annual reunion of the Brown family was held Sunday, July 27, at the home of Mr. and Mrs. Stanley Vickers, at East Lansing, with forty members of the family present from all over Michigan.

Grand Ledge, Okemans Park, Corners and Chelsea, present. Next year's reunion is to be held the last Sunday in July at the Marvin Martin home in Williamston.

Officers elected for the coming year are: Charles McDaniel of Chelsea, president, and Mrs. Stanley Vickers of East Lansing, secretary and treasurer.

Those from Chelsea who attended the reunion were Mr. and Mrs. Charles McDaniel and son Eddie, and Mr. and Mrs. Lionel Vickers and daughter Doris.

BAHNMILLER REUNION

Sunday, July 27, about fifty members of the Bahnmiller family gathered at Dexter-Huron County park for the annual family reunion. Chelsea people who attended were Mr. and Mrs. Elmer Weinberg, Mr. and Mrs. Elden Weinberg and son Hugh, and Fred Loefler.

A program of games was enjoyed following a pot luck dinner and at the business meeting the following officers were elected: president, Stanley White of Ann Arbor; vice president, Emanuel Loefler of Ann Arbor; secretary and treasurer, Gertrude Weber of Fond du Lac.

The table committee for next year's reunion is to include Mrs. Gottlieb Horning and Mrs. Alton Horning of Pleasant Lake, and Mrs. Elmer Weinberg; while on the entertainment committee are Mrs. Ernest Horning of Ann Arbor and Mrs. Edwin Raist of Freedom township.

The oldest members of the family present were Fred Loefler and Mrs. Fred Bahnmiller, both of Chelsea, and the youngest was Diane Omelia of Ann Arbor.

HUDSON REUNION

Four generations of the Hudson family, original members of which were formerly North Lake pioneer residents, met at Potter park, Lansing, for the annual reunion on Sunday, July 27.

A delicious cooperative dinner some of the members of the group enjoyed an afternoon of visiting, while others visited the zoo at the park.

Mrs. Ella Hudson-Parsons of Stockbridge was named to act as president for the coming year. Donald Dunkel of Lansing, will act as vice president, and Mrs. Helen Bland Clark of Unadilla, as secretary and treasurer.

Relatives numbering sixty-five were present from Stockbridge, Chelsea, Unadilla, and other places. Mr. and Mrs. John DeWitt, Merrill and Unadilla.

Engagement of Peggy Almond Announced

Mr. and Mrs. James Almond have announced the engagement of their daughter, Peggy, to Kenneth T. Colwell of Fort Collins, son of Mr. and Mrs. Roland Colwell of Fort Collins.

No date has been set for the wedding.

Miss Almond, who is now employed at Mercywood Sanatorium, attended Olivet college and graduated from Mercy College of Nursing in Detroit.

Mr. Colwell is a graduate of the University of Colorado and served 27 months in the Army following his enlistment in 1942. He is enrolled in the Law School at the U. of M.

Sylvan Recreation Bowling Alley will open at 8:30 p.m. on August 15. All seven alleys completely resurfaced.

Police Department Report Several Fake Telephone Calls

George Doe, local police officer, has reported to the Standard that for some time past telephone calls have been rung in on the police telephone and the fire department telephone, which, when answered bring only silence from the other end of the wire.

Once, youngsters were heard giggling when such a call was answered. When the practice has become a nuisance and an actual menace to the safety and welfare of the community, since the fire department and police numbers may be needed for reporting a fire or important police matter in use by these unthinking persons who place the calls, it is actually a vicious practice and steps are being taken to halt it.

A report was made on Monday to the business office of the telephone company and an investigation of the matter is to be made.

Between 1:30 and 4:00 o'clock in the morning, one day early this week such calls were made continuously at intervals of ten or fifteen minutes.

Persons having the perverted sense of humor which leads them to such needless use of a very necessary and important instrument for calling help in case of an emergency will be apprehended sooner or later and restrained from continuing this nuisance which is really a potential danger to everyone in the community.

Biblical Tithing Wheat Demonstration Period Ends Saturday, Aug. 2

Adrian.—The "Sabbatical Year of Rest" following Perry Hayden's world-famous six-year Biblical Wheat-Demonstration will end on Saturday, August 2. From 1940 to 1946 the famous Michigan wheat tithing demonstration, which was conducted by Perry Hayden, and assisted by late Henry Ford, and hundreds of neighboring farmers, conducted one of the most spectacular tithing demonstrations in history. The seventh year, as enjoined by the word of God, he rested the land.

The tithing demonstration will be launched Saturday night, Aug. 2, at the Adrian, Michigan, Fair Grounds, with the Premier showing of a gorgeous sound and full color movie, depicting the six years of soil-resting in bags to posterity, and appropriately entitled, "God Is My Landlord."

The second six-year program will carry the inspiration and lesson of the demonstration around the world. A book by the same name, "The Tithing Demonstration," by Henry Ford and written by Raymond J. Jeffers of Columbus, Ohio, will be released at the Adrian celebration.

It was in September of 1940 that Perry Hayden heard a sermon in his local church, preached by Clifford Robinson of Newport News, Virginia, then a student at Cleveland (Ohio) Bible College. Robinson's text was John 12:24—"Verily, verily, say unto you, except a corn of wheat fall into the ground and die, it abideth alone; but if it die, it beareth much fruit." It was wheat planting time in Michigan. Hayden decided to plant a cubic inch of wheat, pay a tithe of the harvest to his church, and replant the nine tenths, and continue this for six years. He wanted to demonstrate in a common way the principles of rebirth, tithing and of the sabbath.

As promised in Malachi 3:10—Hayden's harvests were abundant. He had a "fifty-fold" increase the first year, and "fifty-five fold" the second year. The third year he reached 68 bushels, the fourth jumped to 380 bushels, the fifth in 1945 amazed the world by reaching 5,555 bushels. The sixth and final spectacular harvest was 72,150 bushels—all from a cubic inch of seed planted six years earlier, and replanted each year.

The project were continued for four more years it would require all the land in the United States. In seven more years, or a total of thirteen years, it would cover the entire globe.

Henry Ford, who believed that "tithing would ease many of the world's problems" furnished land and equipment for the first five years. The sixth year was so large that it required 2,566 acres. This was furnished by 276 farmers from five states, and representing thirty different faiths and creeds. The total value of the 1946 crop was nearly \$150,000.

WIN OVER MANCHESTER: Independents Strengthen League Lead

By "Bill" Schatz

Ill Yll Yll Chelsea rooters had a field day at Manchester Sunday as our locals stamped out a Manchester uprising with the win 3-0. Jack Miller picked out a good pitch from the Manchester offerings and belted out a home run.

Plenty of high spots for both teams featured by nice pitching. Ed Miller allowing only 2 safeties in the first inning.

Going back into historical legends we find that those Manchesterites shamed us twice last season. Winning Sunday's game evened things up, giving us 2 wins over their one for this year, against no losses.

We are now leading our division of the Tri-County League—been there all season.

Library Board Seeks Information on Early History of Chelsea

Your Library Board is interested in collecting all information concerning the history of Chelsea. So far as we are able to learn none of the several organizations has maintained such a collection.

No doubt many of you have items stored away that would be of interest to all of us. These may be books, maps, pamphlets, articles, pictures or just stories and tales that have been handed down from generation to generation. Unless these are written, collected and retained in some central place they will be lost.

When was your town founded? Who were some of the first families to reside here? What did they do? How and when did the business section develop? Where were the lively stables and blacksmith shops? When were the churches built? When did industry first come to town? Why? How long have we had the present form of village government? How was it first organized? These and many more questions are of interest to the new comer and to our children.

Some of this information is available now—but much more is necessary and desirable to make the story complete.

We hope many of you will cooperate in this venture—just stop in at the library with your items or printed material and we will soon have an excellent historical collection that will make very interesting reading. The name of the donor will be recorded, if you wish.

Chelsea ABA Offers Guernsey Service Now

All Guernsey members of the Chelsea Artificial Breeding Association have been notified that guernsey service is now available, thus completing the dairy breed service for this area. Holstein, Jersey and Guernsey are now available, and as there is little interest shown in the Red Dane breed, there will be no effort made to start this service at the present time.

The regular monthly meeting of the Chelsea A. B. A. Directors was held at the home of Everett Van Riper, July 21. At this meeting the directors voted to postpone appointment of a Guernsey representative for the balance of this year. He will be elected at the annual meeting in March 1948.

At the present time there are 63 members, with a total of 634 cows, in the association.

The school at East Lansing was closed on July 24, so Clifford Guernsey will be able to take the instructor's course until the next school is held in the fall.

Hinderer's Return From California Trip

Mr. and Mrs. Wilbur Hinderer and daughters Marcelline and Donna, returned on Friday from a five and one-half week's trip to California. They were guests with Mrs. Hinderer's sister and brother-in-law, Mr. and Mrs. Whitney Riedel of Jackson, who accompanied them on the trip, at the homes of their aunts, Mrs. Frank Gould and Mrs. George Haaser at Long Beach and Mrs. Hinderer's and Mrs. Whitney's brother, Lawrence Haaser at family home in Compton.

On July 6, they attended the wedding of their brother and Lillian Stevens of Long Beach.

On leaving for California the Hinderer party traveled the northern route, visiting enroute the Bad Lands, the Black Hills, Salt Lake City and Yellowstone National Park. During their stay in California they spent several days in Big Bear Lake in the mountains and visited many other points of interest.

They returned by way of the Grand Canyon and stopped in Kansas City for a three-day visit at the home of Mr. and Mrs. John Kern. Mrs. Kern is a sister of Mr. Riedel.

They report having had a wonderful trip, encountering no trouble whatever "not even a flat tire."

ENLISTS IN ARMY

Earl Buku, who was 17 years old on June 16, enlisted for service in the U. S. Army on Tuesday, July 22, at Detroit for Fort Knox, Ky., on Thursday.

Earl is a son of Mr. and Mrs. John Buku, who reside on M-92.

Petitions on School District Reorganization Are Sent to County School Commissioner

What Is It? We Haven't Decided

Mrs. Robert Leach, while working in her potato patch beside her home on Monday morning, discovered that one of the potato vines has what appears to be four small green tomatoes growing on one of the clusters of potato blossoms!

Mrs. Leach reports that she examined the plant several times before mustering up the courage to tell The Standard about it and that she is certain the plant is a potato plant because she dug down and found potatoes growing at the roots. She is also certain that the objects growing on the vine resemble nothing but small green tomatoes. She wonders whether the objects should be called "potatoes" or "kopatoes" and plans to watch them carefully to see what they turn out to be.

The incident brings to mind the story told by radio comedians about planting onions with potatoes to make the potatoes eyes water and thus irrigate the ground.

PERSONALS

Mr. and Mrs. Donald West are the parents of a son, Arthur E., born Friday, July 18, at St. Joseph's Mercy hospital, Ann Arbor. Mr. and Mrs. Lewis Wahl spent Sunday evening with the latter's mother, Mrs. Frances Briston, at her home in Dexter.

Virginia Miller of Detroit, accompanied by her roommate, Mary Trudegon, spent Saturday night and Sunday at her home here.

Mr. and Mrs. Richard Wahl and son Terry, spent the past week in Waukegan, Ill., and at "The Delta" of the Wisconsin River.

Frederick Schmid of Ann Arbor, Duane Luick of Lima, left Detroit Saturday night on the S. S. South American for a week's cruise to Duluth.

Mrs. Luella Kerr of Chicago and Misses Emma Rayer and Olive Staebler of Ann Arbor, have been called, early in the week, of Mrs. R. E. Jolly.

Dr. and Mrs. A. L. Steger, with Mr. and Mrs. Deane Munro of Jackson, returned Monday from a ten-day trip to Lake of the Woods, Ontario, Canada.

Mr. and Mrs. Robert Young of Detroit were guests at the home of Mr. and Mrs. Elmer Lindemann from Saturday to Wednesday, and while here visited other relatives and friends.

Mrs. Mabel McClain spent the past two weeks as the guest of her sisters, Mrs. H. M. Ray at Elgin, Ohio, and Mrs. S. J. Markie, at Fremont, Ohio.

Mr. and Mrs. William Hitchingham, Jr. entertained Mr. and Mrs. Henry Merkel and family, Mrs. Martin, Merkel and Miss Bertha Merkel at a dinner party Tuesday evening in honor of their son Michael's first birthday.

Mr. and Mrs. Russell Holderman of Detroit, were Chelsea visitors on Saturday. Mrs. Holderman's mother, Mrs. Carrie Cushman, who spent the week-end here, accompanied them and with her sons Ray and Leon and families in Detroit, returned to her home here with them.

Chelsea relatives of Mr. and Mrs. John Freysinger of Ann Arbor have received word of the birth of a son, Thomas John, which occurred at St. Joseph's Mercy hospital, Ann Arbor, on Tuesday, July 29.

Mr. and Mrs. Veari Whipple and the latter's parents, Mr. and Mrs. William Curtis of Merrill, who spent the week-end here, attended the Hudson family reunion at Lansing Sunday.

Mr. and Mrs. Romeo Gauthier and children of Milwaukee, Wis. were guests from Thursday until Sunday at the home of the former's brother, George Gauthier and family, and called on other relatives here.

Guests on Thursday at the home of Mr. and Mrs. Orva Waneland and family were Mrs. Anita Woolsey and son of Springfield, Mass.; Mrs. George Gauthier and family; Mrs. Clara Twiss and her two sons and Mrs. Lottie Hawks and daughter of Jackson.

Gerald Arnet of Detroit, spent from Thursday until Sunday at the home of his aunt, Mrs. Tillie Young. Sunday night guests who stopped for a visit with Mrs. Young before leaving for Chicago on Monday, were Mr. and Mrs. William Benjamin with their son and daughter, Robert and Patricia, of Salem.

Two Pay Fines in Ann Arbor on Drunk and Disorderly Charges

Following his arrest on July 26 by Officer Frank Reed, Thomas Harris, 122 Orchard street, was arraigned before Municipal Judge Jay H. Payne in Ann Arbor and fined \$30.00 and costs on a drunk and disorderly charge.

Edith M. Frederick, 206 North street, appeared before Municipal Judge Jay H. Payne in Ann Arbor on July 29, and paid a fine of \$20.00 and costs on a charge of being drunk and disorderly.

Born to Mr. and Mrs. Vincent A. Merkel, at St. Joseph's Mercy hospital, Ann Arbor, a son, Donald William, on Friday, July 18.

What Is It? We Haven't Decided

Petitions for the 12 rural districts concerned in the reorganization of school districts in the area and the Chelsea district have been sent to County School Commissioner Julius Haab. The commissioner will examine the petitions to determine whether or not a sufficient number of signatures are on the petitions to call for an election on the issue. Should the petitions contain sufficient signatures, the commissioner must secure the approval of the Superintendent of Public Instruction before posting the notice of the election.

The 1940 school census in these districts, which included all residents between the ages of 5 to 19 inclusive, was 700. The school membership in the rural schools operating in this group last year was as follows:

Kindergarten through grade 6—90 pupils.

Grades 7 and 8—25 pupils.

The membership in four of the schools was 12 or under at the close of the past school year and the data available indicates that there will be a total of 84 pupils in the first six grades not counting beginners, to be cared for in the rural schools in operation. In addition seven seventh graders and fourteen eighth graders are to be transported to the Chelsea school.

Tentative plans call for the maintaining of the first six grades in each of the rural schools that are used and the transportation of the pupils in grades seven through twelve to the Chelsea school. Assuming five schools are to be used the membership in each school would vary according to schools and would be between fifteen and twenty-five pupils per school. Most elementary four would be between 10 and 15, as little as possible from the present places of attendance except in cases where two or more schools are combined.

The steering committee has been working out tentative plans for the program and has ordered two 48 passenger buses, subject to cancellation if the area is not reorganized, for carrying out the plans of the program. These buses are to be on hand ready for use with the opening of school this fall. Tentative bus routes have been mapped out to provide the necessary transportation for the program.

Rural Women's Camp Planned Aug. 20 to 24

The annual Rural Women's Camp has been set for August 20 to 24, 1947. It is to be held again at the Christmas Seal Camp on North Lake near Chelsea. Reservations will be accepted at any time from now until August 9 at the Agricultural Extension office in the Courthouse, Ann Arbor. No reservations will be accepted after August 9.

The camp program will start with a camp get-acquainted party on Wednesday, August 20 at 8:30 p.m. Registration will take place from 4:30 to 8:00 p.m. on Thursday. An interesting program is being planned to provide inspiration, fun and relaxation. Reservations will be accepted for part time as well as for full time attendance.

Mrs. Hattie Frederick is camp chairman and Mrs. Kenneth Van Buren is camp secretary. Other members of the camp committee are: Mrs. Everett Matteson of Manchester, Mrs. Edward Wise of North Lake, Mrs. Earl Quackenbush of Dixboro and Mrs. Harvey Sanderson of Ann Arbor.

Rev. W. F. Baumann Takes New Pastorate

Rev. W. F. Baumann, who has been the pastor at Bethel Evangelical and Reformed church on Bethel church road in Freedom township the past twelve years, has accepted a call to the pastorate of St. John's Evangelical and Reformed church in Chicago, and will take up his work there this month. Reverend Baumann announced his acceptance of the call to Chicago and his resignation as pastor of Bethel church at last Sunday's regular morning service. A congregational meeting is to be held next Sunday, August 3, at 2 o'clock in the afternoon, at which time action on the acceptance of the resignation will be taken and also authorization given the church council to obtain a new pastor for the church.

Reverend Baumann has been the pastor at Bethel church since April, 1935, and is well-known throughout Washtenaw county. He has served as chairman of the former Ann Arbor Regional Conference, chairman of the Ann Arbor Evangelical and Reformed Pastors' Circle and of the past four years as secretary of the Michigan-Indiana Synod of the Evangelical and Reformed Church.

Two Pay Fines in Ann Arbor on Drunk and Disorderly Charges

Following his arrest on July 26 by Officer Frank Reed, Thomas Harris, 122 Orchard street, was arraigned before Municipal Judge Jay H. Payne in Ann Arbor and fined \$30.00 and costs on a drunk and disorderly charge.

Edith M. Frederick, 206 North street, appeared before Municipal Judge Jay H. Payne in Ann Arbor on July 29, and paid a fine of \$20.00 and costs on a charge of being drunk and disorderly.

Born to Mr. and Mrs. Vincent A. Merkel, at St. Joseph's Mercy hospital, Ann Arbor, a son, Donald William, on Friday, July 18.

EDUCATION, TRAINING COST OF VETS ANNOUNCED

More than a quarter of a billion dollars has been spent in the past year to provide education and training for World War II veterans in Ohio, Michigan and Kentucky, the Veterans Administration Branch Office in Columbus, Ohio, reported today.

The Chelsea Standard
Walter P. Leonard, Publisher

Subscription price: \$2 per year; six months \$1; three months 50 cents.

Published every Thursday at 108 East Middle Street, Chelsea, Mich. Entered as second class matter at the postoffice of Chelsea, Mich., under the act of March 3, 1879.

FOUR MILE LAKE

Miss Phyllis Fischer is spending ten days at Lakeside Park, Brighton.

Mr. and Mrs. Wilfred Kets of Schenectady, N.Y., is visiting her mother, Mrs. John Fischer, and other relatives.

Mr. and Mrs. M. Stoner and daughter Barbara of Dexter, were Sunday visitors of Mr. and Mrs. Ezra Heininger.

Mr. and Mrs. Ezra Heininger and daughter Harriet, and Mrs. Carrie Schweinfurth of Jackson,

were Sunday evening visitors of Mrs. Carl Mast, and Mr. and Mrs. Alton Gieske of Chelsea.

Mr. and Mrs. Henry Engelhart and Mrs. John Lucht attended the wedding of Alton Blass and Miss Della Duible at Selo church Saturday evening. After the wedding a reception was held in the church dining room.

About twenty-five relatives gathered at the home of Mr. and Mrs. Elmer Wright on Friday evening to celebrate the birthday anniversary of Mr. Wright and his brother, Charley Wright, who is here from Florida. Refreshments were served and an enjoyable evening was spent visiting.

Church Circles

Second Mass.....10:00 a.m.
Mass on week days.....8:00 a.m.

Method Suggested for Killing Mosquitoes

Those pesky mosquitoes that are becoming a nuisance can be controlled by methods recommended by Ray Hutson, head of the entomology department at Michigan State college.

Rain pools and swamps are favorite breeding places for these insects. The water should be drained off and swamps filled. Larvae can be killed by an application of light oil.

A five per cent solution of DDT is effective, but it should be used with care to avoid injury to wildlife. If the treated area drains into a pond or stream, a light kerosene should be used instead of DDT to

cover the surface of the water. If walls are covered with an oil or a DDT solution, good control will result. Check the material first to see that it won't spot the wall and then apply with a flat fan spray nozzle.

Standard Liners Bring Results

Conserve Leftovers
If there are leftover foods, proper storage and best use of them in tasty dishes will keep them out of the garbage pail. Meats often spoil in the refrigerator. Forgetting food shoved back in the ice box too often ends up in the garbage pail.

DECORATED CAKES ARE OUR SPECIALTY

arrange to have a beautiful and delicious cake as a highlight for your special occasion—

ALL-AROUND 'WORK-HORSE' FOR YOUR FARM

THE 4-Wheel-Drive 'Jeep' UNIVERSAL

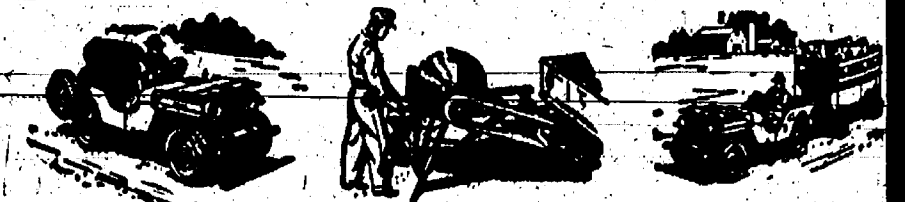

COMPARE THE UNIVERSAL "JEEP" for all the farm jobs it does the day 'round, all year.

With steady-pulling 4-wheel drive and tractor speeds of 2½ to 7 mph, the 60-hp Universal "Jeep" operates plows, harrows and other pull-type or hydraulic implements.

The Universal "Jeep" also serves as a pick-up and tow truck, with 4-wheel drive for heavy going and 2-wheel drive for highway speeds.

Let us demonstrate the "Jeep" on your farm, without obligation, so you can see how this versatile farm vehicle saves you time and money.

The Universal "Jeep" hauls payloads up to 2,000 lbs. "Jeep" power take-off develops up to 30 hp for belt work. The Universal "Jeep" tows 5000-lb. trailers loads at road speeds.

1937 telephone rates won't work in 1947

THERE have been a lot of changes moneywise since 1937. Wages have gone up. Taxes have gone up. Prices of most things have advanced. But during this time, telephone rates haven't budged an inch ahead.

The last rate increase, in fact, was in 1926—21 years ago! From then until 1937 telephone rates went down substantially. Since 1937, there have been even further local reductions in a number of exchanges, and toll rates have come down too. But, in general, the 1937 rates prevail today.

Looking at the other side of the ledger, post-war wage adjustments alone, including settlements reached during the recent strike, have boosted our costs \$11,000,000 a year. All our other costs have risen, too.

But our income hasn't gone up nearly as fast as our costs. In the ten years since 1937, income has increased 141%. Costs have gone up 193%. Our return on investment has dropped more than a third.

We've held the line on rates just as long as possible. Now we have to ask

for an increase in order to protect our customers' service.

We still have a lot of additions to make to the telephone system before we can give service to those who are waiting, and give better service to everybody. This will take a lot of money... money which must come from investors. Investors will put up the money only if they are assured a fair return, which we cannot provide under our present rates. A growing business, especially, has to earn a good return in order to attract the capital needed for growth.

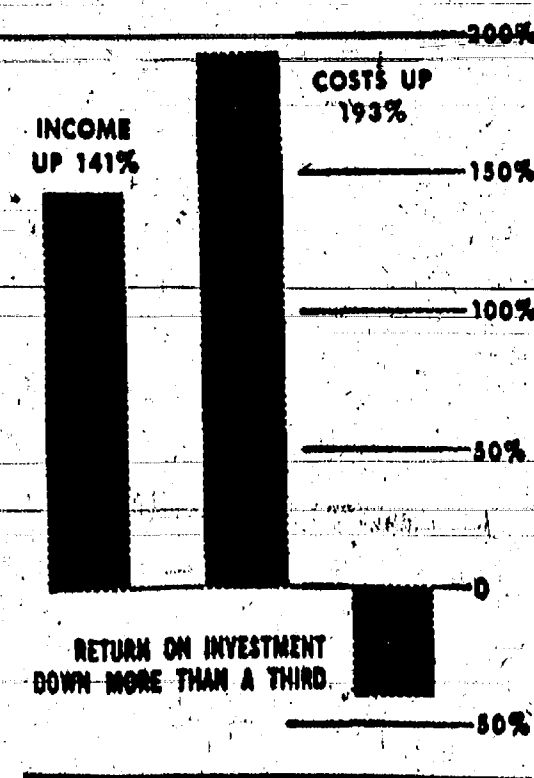

So the future of Michigan's telephone service depends on raising rates enough to assure the financial stability of your telephone company.

That's why we're going to ask the Michigan Public Service Commission for a public hearing to review our proposed new schedule of rates. (The Public Service Commission is the body established by State law and appointed by the Governor to regulate utility rates.) During the week of August 3, we'll publish details of the proposed

rates throughout Michigan Bell territory. After that, we'll file the petition with the Commission.

We feel the same way you do about raising rates. We'd rather not have to do it. But, when the quality of your service is in question, we have no alternative.

TODAY'S SITUATION COMPARED WITH 1937

NOTE: Where the term "Income" is used above, its meaning is the same as "Revenue" or "Gross Income." Where the term "Investment" is used, it means the original cost of the telephone property less the depreciation reserve accrued against the ultimate retirement of the property.

MICHIGAN BELL TELEPHONE COMPANY

FASTEST... CHEAPEST... AUTOMATIC HOT WATER BY GAS!

There are 140 different uses for hot water in the average home. With an automatic gas water heater you can be sure of plenty of hot water at all times of the day and night. See your plumber, your dealer or the Gas Company about having an automatic gas water heater installed.

PERSONAL NOTES

Cora Berry and Wm. Lawrence were visiting Nora Notten Friday. Mrs. Johanna Faber is a patient at Colonial Manor convalescent home. Jerry Dorer spent the week-end at the home of friends in Grand Rapids. Mr. and Mrs. Paul Morley and son spent the week-end in Traverse City. Mr. and Mrs. Henry L. Everett and daughter Beverly of Tucson, Ariz., are spending some time at their farm in Chelsea. Loretta Lindauer, who has been visiting with relatives in Jackson since Sunday, planned to return home today. Mr. and Mrs. George Sanderson spent Sunday at the home of Mr. and Mrs. Wilfred Sager in Waukegan, Ohio. Mrs. Delos Miller, Mrs. Robert

Clement and Miss Esther Allen of Jackson, were Friday evening guests of Miss Margaret Hesel. Mr. and Mrs. Robert Faber of Jackson, with their baby Cherie, called on friends and relatives in Chelsea on Sunday. Nora Notten was in Chelsea Wednesday. Robert Pratt of Saginaw, spent Wednesday and Thursday at the home of Mr. and Mrs. Gottlieb Sager. Mrs. John Brunette and daughter Edith Ahrens of Sharon, were callers Saturday afternoon, at the home of Mrs. Jacob Lehman. Franklin Sweeney is spending time at the home of his grandmother, Mrs. Daisy Krontz in Morenci. Mr. and Mrs. Karl Lehman and sons Glenn and Richard of Brigh-

ton, spent Sunday at the home of Mrs. Jacob Lehman. Mrs. Chas. Bycraft and daughter Beverly, were visiting her aunt, Mrs. Nora Notten, Wednesday. Mrs. Jack Valentine of West Branch and Bruce Mackay of Detroit, were week-end guests of Mrs. Margaret Hesel in Chelsea. Mr. and Mrs. Pearl Barnes of Elyria, Ohio, were guests on Thursday and Friday at the home of the latter's brother and sister-in-law, Mr. and Mrs. O. G. May. Mrs. and Mrs. George Sidwell and son of Lansing, called on the former's father, George Sidwell, here Thursday evening and Sunday evening. Mr. Sidwell's son Thomas of Detroit, with his three sons, called on him. Dinner guests on Sunday at the home of Mr. and Mrs. Ernest Fitzmaurice were Mr. and Mrs. Clarence Pinkbeiner and children Lloyd, Audrey and Darrell of Saline, and Mr. and Mrs. LeRoy Satterthwaite and son Duane.

Mrs. Ashfal's mother, Mrs. Charles Hagadorn of Detroit. Dr. and Mrs. H. C. Dunstone and children of Ft. Wayne, Ind., who were enroute to the Ypsilanti State hospital reunion were dinner guests at the home of Mr. and Mrs. L. P. Vogel on Thursday. Mrs. Clara Zavitz of St. Thomas, Ontario, is spending some time at Colonial Manor, having been called here on Wednesday by the serious illness of her sister-in-law, Mrs. Nettie Vickers, mother of Mrs. Nellie Flood. Rev. and Mrs. E. A. Potts of Grand Rapids, called at the homes of Mrs. Anna Storms and Mrs. C. C. Lane on Thursday. Rev. Potts was pastor of the Chelsea Congregational church about fifteen years ago. Mr. and Mrs. George Sidwell and son of Lansing, called on the former's father, George Sidwell, here Thursday evening and Sunday evening. Mr. Sidwell's son Thomas of Detroit, with his three sons, called on him. Dinner guests on Sunday at the home of Mr. and Mrs. Ernest Fitzmaurice were Mr. and Mrs. Clarence Pinkbeiner and children Lloyd, Audrey and Darrell of Saline, and Mr. and Mrs. LeRoy Satterthwaite and son Duane. Mrs. Edward Schepner of Ypsilanti, who will be remembered by older residents as Mrs. Louis DeNike, who, with her husband, was in the restaurant business in Chelsea about thirty years ago, is confined to her home by a broken hip. Mr. and Mrs. Alton Trinkle and daughters Barbara and Patty, who were enroute to their home in Springfield, Ohio, from a convention at Milwaukee, stopped here on Friday for the afternoon and evening on

Friday for a visit with Mr. and Mrs. Clarence Trinkle. Mr. and Mrs. Rha Alexander returned on Tuesday of the past week from a ten-day fishing trip in the Upper Peninsula. Accompanied on the trip by Mr. and Mrs. Edwin Weiland and Raymond of Ann Arbor, the party stayed at Fole Creek camp near Munising in Hiawatha National Forest. Mrs. Elton K. Musbach attended a bridal shower at the home of Mrs. Edwin Freiermuth of Jackson, which was given in honor of Blanche Kaupp of Jackson, whose marriage to Wayne Freiermuth of Stockbridge, a nephew of Mrs. Musbach, will be an event of August 23. Mr. and Mrs. Wilbert Breitenwischer left Sunday afternoon for Chicago, Ill., to spend this week with cousins, Mr. and Mrs. Sidney Collins. The uncle and aunt, Mr. and Mrs. C. C. Miller of Jackson, who have been spending the past four weeks in Westfield with their son-in-law and daughter, Mr. and Mrs. Collins, will accompany them home.

Sidestep That Plant If It's Poison Ivy

"No one is definitely immune to poison ivy, and there is no section of Michigan in which the plant cannot be found," Dr. William DeKleins, State Health Commissioner said today when he advised care in avoiding the plant. "Leave it alone, let it be," he said, is a good rule to follow, for while many people seem to minimize the danger of poison ivy, it can be serious, causing month-long illness in a hospital. The poison which causes the blisters and severe irritation on the human body is an oil in the plant. One can catch poison ivy from touching the plant, from root and smoke while burning it, from contact with a person who has it, or from dust which has the oil particles on it. Re-contact may result from wearing uncleaned clothes which one wore at the time of a previous infection. First precaution is to recognize the plant and avoid its locality. If contact with the oil is suspected, wash with strong soap lather, leaving the latter to dry. The best cure is a ten-per-cent solution of tannic acid in alcohol applied with a rubbing motion to remove tops of the blisters. When a child has scratched the blistered areas, care should be used to see that an infection does not enter the open areas. The poison ivy plant can be eradicated by spraying 2, 4-D or similar chemical on the leaves and plant, the commissioner advised.

Born to Mr. and Mrs. Lambert Meymans, at Mercy hospital in Jackson on Wednesday, July 23, a daughter, Barbara Mary.

Swimmer's Itch Is Now Appearing

Gold-weather has delayed the appearance of swimmers' itch in Michigan waters until now its appearance is coinciding with the height of the summer resort and swimming seasons, the Michigan Department of Health said today. The itch has been reported from 15 counties so far this summer. The Department gave the following suggestions for avoiding the infection. Swim only in deep water, do not puddle near shorelines. Take a shower and wash with soap immediately upon leaving the water, if possible. If this is not possible, rinse carefully and dry with a rough towel. Do not just lie on the beach, on a dock or diving tower, or in the sun to dry yourself. Swimmers' itch is caused by a parasite, the natural host of which is shoreline snails. While the itch gives extreme discomfort for a week's time, it is not a dangerous infection in Michigan, the Department added. The Michigan swimmers' itch parasite dies within a week after contact with the human body. The Michigan Stream Control Commission has two crews to eradicate the itch in the state. These crews operate state equipment, spraying chemicals furnished by local communities or proprietors, on shorelines which are infected. The chemicals kill the snails, thus eliminating the parasites. Counties which had reported the itch up to July 20 include: Emmet, Charlevoix, Cheboygan, Leelanau, Grand Traverse, Antrim, Schoolcraft, Lapeer, Oakland, Washtenaw, Cass, Chippewa, Wexford, Roscommon and Clare.

A daughter, Dwayne Sybil, was born to Mr. and Mrs. Donald J. Oosterle, on Friday, July 25, at St. Joseph's Mercy hospital, Ann Arbor.

HELP BUILD

AMERICA'S AIR POWER

on AIR FORCE DAY, AUGUST 1ST

No one today questions the fact that the whole future of the United States may rest in the very clouds over your head. And the new, reorganized Air Forces give thousands of eligible young men an opportunity to take an active part in building America's air power... on the ground as well as in the sky.

You may, for example, enlist in the Air Forces for three years. If you have a specialty which will qualify you, you may also be able to enlist in a grade at higher pay.

If you have had Air Forces experience, you may join the Air Reserve and continue your military aviation training outside of business hours.

Or, you may join the Air National Guard and perhaps become eligible for advanced technical training at special Air National Guard schools.

On Air Force Day, make a point of finding out everything about your Air Forces—especially the new Aviation Career Plan described below. Full details can be obtained at your U. S. Army Recruiting Station.

NOW—THE WORLD'S GREATEST OPPORTUNITY FOR A CAREER IN AVIATION

Today the Army Air Forces offer high school graduates an unprecedented opportunity to get the finest aviation schooling on earth—and select your school or course before you enlist.

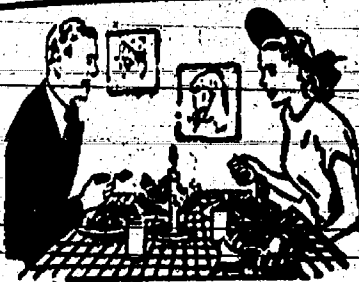

The AAF Career Plan is unlike anything ever offered before. It permits selected high school graduates to apply and qualify for AAF specialized courses of their own choice. Simply go to your U. S. Army Recruiting Station, advise the Recruiting Officer the kind of aviation training you want and he will provide you with an application blank and a complete list of available courses.

When you are selected to attend the course of your choice, you enlist in the Army Air Forces for 3, 4 or 5 years. After your basic training period you are guaranteed the education you have selected to make you a specialist in the type of work you want.

Get a list of all the schools and courses open to you under the AAF Aviation Career Plan at your U. S. Army Recruiting Station.

From where I sit... by Joe Marsh

Jane Cupper's "Daring" Bathing Suit

The Cuppers showed me some tin-types of their nineteen-ten vacation—picnicking on the beach with beer and pretzels, in bathing suits that made them look like they were dressed in street-wear.

Joe says, we'll probably look just as funny twenty years from now. In what we call our "Modern" clothes. Only thing that won't change in the picture is that melon, wholesome glass of beer.

From where I sit, tolerances that let us wear sensible, decent clothes—to give us sun and air and freedom—will keep that wholesome glass of beer a part of the American tradition.

We laughed a lot at those costumes... but come to think of it.

Joe Marsh

F.F.A. PLAN TRIP
Plans for the F.F.A. trip to the Ontario Agricultural college and Parry Sound are nearly complete. About 25 boys expect to attend. The dates set are August 7 to 15. The next F.F.A. meeting will be at the home of George Merkel on Manchester Road on Monday, August 4, at 8 p.m.

V.F.W. ENJOY PICNIC
Thirty-six men, women and youngsters enjoyed a pot-luck picnic dinner at Clear Lake county park Monday evening. Represented in the group were members of the V.F.W. Post and Auxiliary and their families.
An enjoyable feature of the entertainment following the dinner was a "white elephant" raffle.

ATTEND CONFERENCE
A group of F.F.A. boys attended the State Conference in Charlotte last Wednesday. There was a contest for all breeds of swine, followed by demonstrations of parasite and disease control conducted by veterinarians from Michigan State college.
Those making the trip were Oscar Hansen, Robt. Bauer, Willis Schulz and F.F.A. adviser, Marshall Richards.

ENTERTAINS FOR BIRTHDAY
Mrs. William Curtis of Merrill, Wis., with Mr. Curtis, left for their home Tuesday, after spending the week-end here at the home of their daughter, Mrs. Yearl Whipple, was guest of honor at a little celebration in honor of her birthday on Monday afternoon. Guests entertained by Mrs. Whipple at her home for her mother's pleasure were Mrs. Evelyn Foster, Mrs. Iza Guerin, Miss Lillian Foster, Mrs. Luella Whipple, and Mrs. Gertrude Hammond.

NICOLAI FAMILY GATHERING
Paul Nicolai, who, with L. Deag Sainway, returned Saturday afternoon from a five-weeks' trip to California and other points in the West, was pleasantly surprised Sunday evening when his brother and sisters and their families came for a celebration of his return home. They brought with them a delicious pot-luck supper which was much enjoyed by those present who included in addition to Paul and his mother, Mrs. Christina Nicolai and uncle, John Bauer, Mr. and Mrs. Harold Whipple and family and Mr. and Mrs. Paul Seitz and sons, with Nelson Strieter, all of Ann Arbor, and Mr. and Mrs. Carl Vaute and family, and Mr. and Mrs. Clarence Nicolai of Grass Lake.

P. N. GRANDS PICNIC
The Past Noble Grand club held its annual picnic at the home of Inez Lesser on Thursday, July 24, with fifteen members and two guests in attendance.
Robbers bingo was enjoyed in the afternoon and showers of birthday gifts were presented to Evelyn Rowe, Nellie Korn and Vera Munro, whose birthdays occur this month.

ENTERTAIN GUESTS
Mrs. Frank Watkins of Ukiah, Calif., arrived at the home of her niece, Mrs. Norman Schmidt, on Wednesday of the past week and spent a week here before leaving to visit other relatives in Michigan.
Mrs. LaRue Shaver of Detroit, spent Sunday-Saturday until Monday at the Schmidt home and on Sunday, Mr. and Mrs. Schmidt, with Richard, Elaine and Eleanor Schmidt, Phyllis Rumon of Detroit, who was a week-end guest of Elaine Schmidt and Mrs. Watkins and Mrs. Shaver all attended the Greeting family reunion which was held at Clear Lake.

BIRTHDAY PARTIES
Mrs. W. R. Guest entertained 11 boys at a party for her son Buddy, on his eighth birthday, Wednesday afternoon, July 23.
Following games for which they went to the athletic field, she served refreshments at home which featured individual candle-light birthday cakes.
Mrs. Guest entertained at a birthday dinner at home in honor of Mr. Guest's birthday which occurs on the same day and their son's. Present, in addition to the immediate family, were Mr. and Mrs. George Pucak, Mr. and Mrs. Frank Klump, Mr. and Mrs. Robert Berg and sons, and Edward Green of Detroit, and Mr. and Mrs. Emil Serick of Youngstown, Ohio.

QUICK FAMILY HONORED AT FAREWELL PARTIES
Mrs. E. J. Quirk, with her daughter Barbara and son Tommy, left on Tuesday to join Dr. Quirk in Grand Rapids where they will make their home. Dr. Quirk has been in Grand Rapids for the past two weeks, having gone there to take a position on the medical staff of the Michigan Veterans' Facility. Their address for the present will be 3000 Monroe Ave., Grand Rapids, Mich.
Mrs. Quirk was guest of honor at several affairs during the past week prior to her departure for her new home. On Friday the members of her sewing club entertained for her at a luncheon at the Hayes hotel in Jackson, and presented her with a thimble as a remembrance.
Monday, Mrs. Dor Rogers gave a luncheon at her Cavanaugh Lake cottage. Mrs. Quirk's Bridge club, with Dorothy Eder of Ann Arbor, and Ruth Fordyce as hostesses at the Fordyce home, presented her with two lovely gifts.
Barbara Quirk was honored at a farewell dinner and slumber party given for a group of friends by Beverly Booker on Tuesday of the past week.
Dr. and Mrs. Quirk and family have been residents of Chelsea for the past six years.

BIRTHDAY SURPRISE
Mrs. David Rossbach of Ann Arbor, a former Chelsea resident, was very pleasantly surprised at her home Saturday evening when a group of Chelsea friends and former neighbors, arrived at her home to help her celebrate her birthday. The Chelsea party included Mr. and Mrs. John Hude, Mr. and Mrs. Donovan Sweeney, Mr. and Mrs. A. Dorer and Mr. and Mrs. David Lixey.
"Pepper" was the diversion of the evening and high prizes were won by Mr. and Mrs. Donovan Sweeney, Mrs. Wayne Rossbach of Ann Arbor, and John Hude received the consolation prizes.
The pot-luck lunch the guests brought with them included a lovely birthday cake, baked and decorated by Mrs. David Lixey.
Mrs. Rossbach was presented with a gift from the group as a memento of the occasion.

CELEBRATES 70th BIRTHDAY
Sunday, July 27, Mrs. Reuben Lindemann, Alton Lesser and Mrs. William Beach entertained at a dinner at the home of Mrs. Beach, in honor of their mother, Mrs. Gerhart Lesser, on her seventieth birthday.
Present in addition to the honor guest and Mr. Lesser and their sons, Alton, were Mr. and Mrs. Lindemann and family, and Mrs. Bertha Lesser of Dexter; Mr. and Mrs. William Noneman, Mr. and Mrs. Lou Noneman, Miss Edith and Frank Noneman, all of Marshall; Mrs. Louise Nessmer, Mrs. Kate Messner and Mrs. Martha Bannmiller, of Chelsea, and Mr. and Mrs. William Beach and son Neil. In the evening nieces, nephews, and friends of the honor guest, gathered about twenty-four, came to extend greetings and best wishes to Mrs. Lesser.
Mrs. Lesser was presented with a number of very lovely gifts as remembrances of the occasion.

SURPRISE DINNER PARTY
Mrs. Martha Wagner was pleasantly surprised upon her return home Saturday from an extended visit in different parts of the state, with a dinner given at her home by her two daughters, Mrs. Clair Smith and Mrs. Buealea Hamilton, to extend greetings and best wishes to Mrs. Wagner.
Following the dinner the party motored to Jackson to see the Cascades.
Mrs. Wagner went first to Benton Harbor where she was called by the serious illness of her sister-in-law, Mrs. Frank Crank, and remained there a week. She then went to Schoolcraft to visit her niece, Mrs. Glen Blanchard and later accompanied her sister, Mrs. Anna Dove of Muskegon, to the Dove family reunion at Johnson Park, Grand Rapids. She then spent two weeks in Muskegon with her sister and niece. The past week she and her son, Jackson Reed of Muskegon, an employee at the Old Dutch Refinery, visited in northern Michigan. They spent some time with her daughter, Mrs. Viola Willet and family at Manton and another daughter, Mrs. Carolyn Kimble and family at Fife Lake where a family reunion was held. Here Mrs. Wagner renewed acquaintances with members of the family she had not seen in seven years.
Her son, Jackson Reed, accompanied her home Saturday. He has been visiting with Mr. and Mrs. Herman Reed in Ann Arbor, and Mr. and Mrs. Frank Reed and Mr. and Mrs. Clair Smith of Chelsea, and will return to his home in Muskegon, Sunday.

CARD OF THANKS
We wish to extend our thanks to all the friends and neighbors who were so kind and helpful to us in the bereavement of our beloved husband and father, especially to Rev. Morrill for his kindness and sympathy.
Mrs. M. L. Knickerbocker, Mr. and Mrs. Harvey Knickerbocker and daughter, Mr. and Mrs. George Knickerbocker, Mr. and Mrs. Max Collins, Ray Knickerbocker, David Knickerbocker, Stanley Knickerbocker, Alfred Knickerbocker.

SYLVAN 4-H PICNIC
The picnic of the Sylvan 4-H Community club was held at Clear Lake county park on Thursday, July 24, beginning with a pot-luck dinner for fifty-five at 1:00 o'clock. The diversion of the afternoon was swimming for those who cared to go in and chatting for those who preferred to enjoy it.

MISCELLANEOUS SHOWER
Mrs. May Grossman of Toledo, Mrs. May Grossman and Arlene Koenigter were hostesses for a miscellaneous shower given at the home of Miss Koenigter, Monday evening, in honor of Esther Brueckner, whose marriage to James Hunter of Pittsburgh, Pa., is to be an event of August 24.
Hilda Eisenman and Ernest Wenk were high prize winners in "Hearts" which was the entertainment feature of the evening, while Dorothy Heller and Alton Grau, Jr., won low prizes.
Guests, numbering about fifty, included members of the League of Zion Lutheran church, of which the honor guest is a member. Also present was Miss Brueckner's fiancé, Mr. Hunter.
Refreshments of ice cream, cake and coffee were served by the three hostesses and the bride-to-be received many lovely gifts.

WEDDINGS
SCHNEIDER-GRIEB
Mrs. Mary Schneider and Reuben Grieb were married at St. Paul's church at 8 o'clock, Saturday evening, July 26. Rev. P. H. Grabowski read the marriage service. Attendees were the bride's son and daughter-in-law, Mr. and Mrs. John Schneider.

DIUBLE-BLAESS
Salem Evangelical Lutheran church in Seio was the scene of a very pretty wedding Saturday evening, July 26, 1947 at 6:30 o'clock when Miss Della Diuble, daughter of Mr. and Mrs. Ernest Diuble of West Liberty road, Chelsea, became the bride of Alton G. Blaess of Ann Arbor, son of Mr. and Mrs. Otto F. Blaess of Ann Arbor. Rev. A. G. Wacker performed the double ring ceremony in the presence of 165 relatives and friends.

Arlene Koenigter was the organist for the occasion while her sister, Wilma, was the vocalist.
The bride, given in marriage by her father, was gowned in white lace over net. The bodice was fitted and had a sweetheart neckline and long sleeves with points at the wrists, while the full skirt ended in a long train. Her veil was fingertip length and was held in place with an orange blossom veil and rhinestone clips. It was trimmed with chantilly lace. Her flowers were a shower bouquet of Johanna Hill roses and bouvardia.
The matron of honor, Mrs. Russell Downing of Ann Arbor, sister of the bride, wore pastel pink chiffon with a matching headpiece and carried Cavalier roses and bouvardia.

The bridesmaids were Mrs. Earl Layton of Ann Arbor, another sister of the bride, Miss Caroline Breitenwischer and Mrs. Alfred Rentschler, Jr. They wore gowns made exactly alike except for color. Mrs. Layton's being aqua, Miss Breitenwischer's coral, and Mrs. Rentschler's yellow. Their flowers were Rapture roses with yellow daisies, yellow Rapture roses with white jaspur, and yellow Briarcliff roses with light blue delphinium, respectively.
Margaret Frey, cousin of the groom, was flower girl and was dressed in white organdy, and the ringbearer, Richard Layton of Ann Arbor, nephew of the bride, also in white, carried the rings on a white

satin cushion which was trimmed with lace matching the bride's gown.
Ralph Frey served the groom as best man and other gentlemen attendants were Russell Downing of Ann Arbor, brother-in-law of the bride, and Howard Buetner of Saline, and Armond Jedeke, cousins of the groom. Nell Eschelbach of Ann Arbor, seated the guests.
A wedding dinner for the 165 guests was served immediately after the ceremony in the parish hall where Mrs. Ralph Frey was in charge of the guest book. The bride's grandmother's dishes were used at the table where the bride and groom were seated.
Following a ten-day motor trip in northern Michigan the couple will be at home at 821 Eighth street, Ann Arbor.

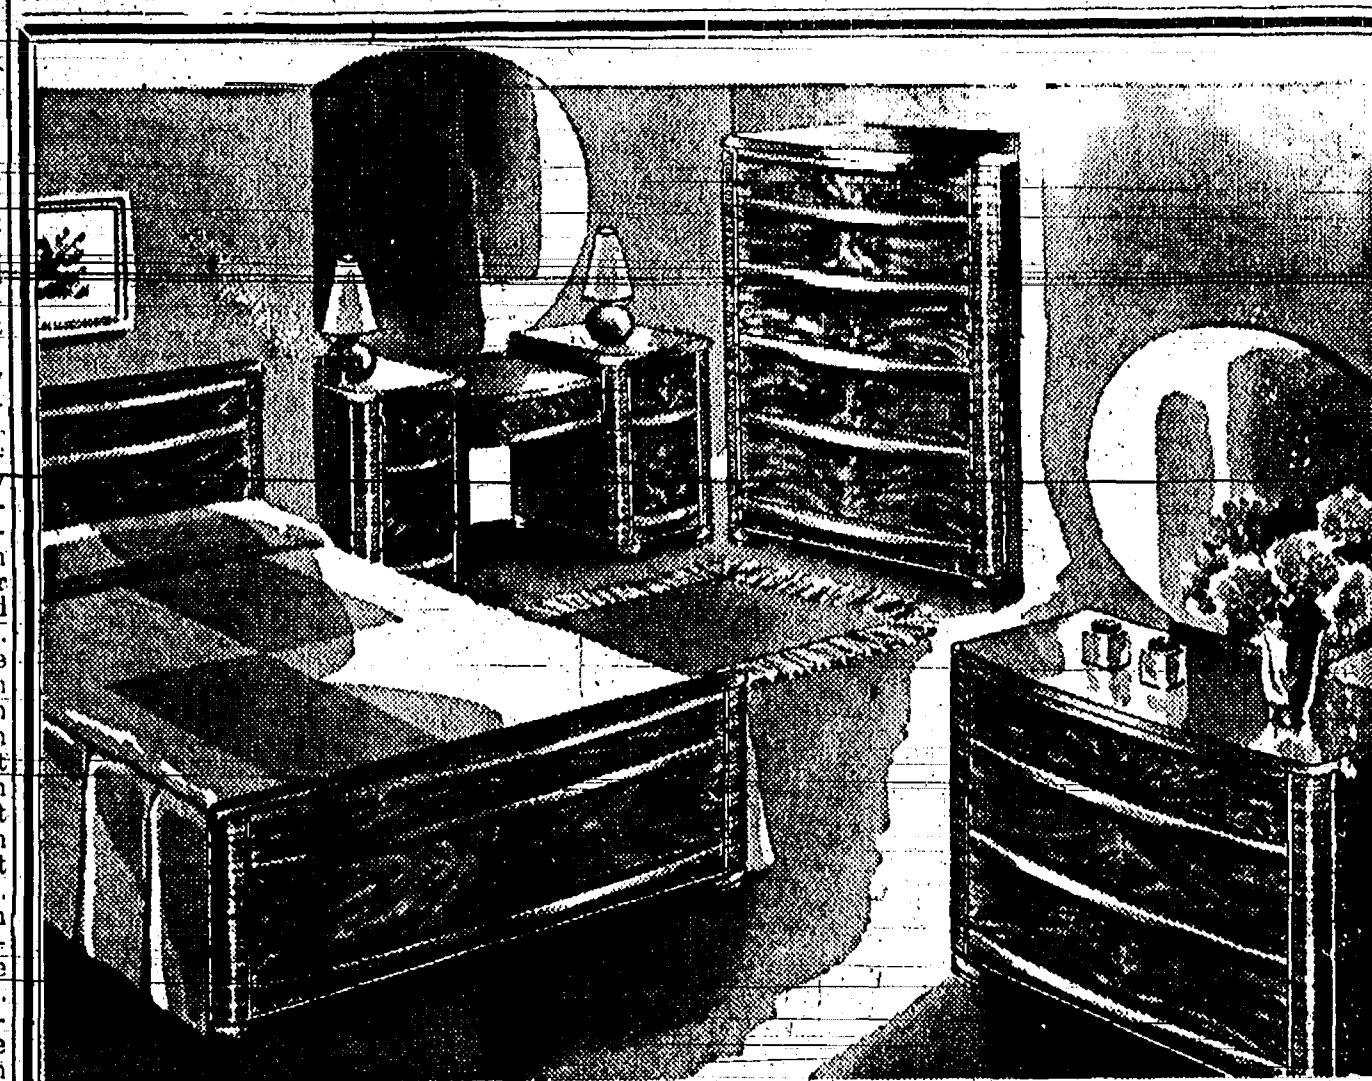

For going away, the bride wore a powder blue dress and navy coat with white accessories and a garden corsage.
The bride has been an employee of Argus, Inc., Ann Arbor, while the groom, a graduate of Ann Arbor High school, and a veteran with three and one-half years of service to his credit, 27 months of which was spent in the Southwest Pacific, is employed by Capital Airlines, Willow Run airport.
Pre-nuptial affairs honoring the bride included showers given by Mrs. Russell Downing and Mrs. Earl Layton, sisters of the bride, Richard Layton; Miss Helen Fraser, and by Mrs. Warren Hartman.

NOTICE

Owing to the death of Maynard Knickerbocker, Standard Oil Company agent, at Chelsea, Michigan, Lester Schulze has been appointed temporary agent.

Nearly sunk twice—once by a torpedo and once by shore battery fire—the USS Pensacola spent less than two weeks in the United States from December 1941 until May 1945.

Cut Motor Size
The addition of silicon to the family of high-temperature insulations has made possible a 25 per cent reduction in the size of electric motors.

Our Neighbors

Dexter—A deal has been closed in Dexter whereby Max Ziegler has sold the Ziegler Market meat and grocery business to Neal Ernst of Dexter, and Harold Kilpatrick of Jackson. They will take possession on August 1. Max Ziegler came here in 1932 and has been in the same location since that time. On the sale of his business he will devote most of his time to his farm, but will continue as a buyer for the new partnership. The Dexter Leader.

Milan—At a meeting of the County Fair Association of Monroe County last week, it was decided to hold a three-day County Fair in Monroe on August 21, 22 and 23. As there are at present no funds appropriated for County Fair purposes but a great demand anyway, a committee was formed to put on the best fair possible under the conditions. Jack E. Berman, County Club Agent and Fair Manager, was appointed general manager. The Milan Leader.

Northville—Three projectors for ceiling books were placed in Maybury Sanatorium last week by the Wayne County Library. Two machines were contributed by the Downtown Lions Club of Detroit through the Detroit News Projected Books Fund; the other was the gift of the Farmington chapter of the Blue Star Mothers of America. The Northville Record.

Dexter—On Saturday afternoon, July 19, at four o'clock, Ruby Simms of Dexter, daughter of Mr. and Mrs. Arthur Baker of Marine City, became the bride of Frank Brown, son of Mr. and Mrs. George W. Brown of Chelsea. Rev. G. F. Albrecht of the Faith Lutheran church of Dexter, officiated at the double ring ceremony held at the home of the bridegroom's parents. The newlyweds left for a few days trip to the Niagara Falls and through the east. Upon their return they will live at 4685 Portage Lake road, near Dexter. The Dexter Leader.

Buchanan—The Buchanan Business Association received a signed contract from the D. D. T. Distributing company of Decatur, Mich., Saturday, containing the requested clause for responsibility by the company for any damage to stocks or interiors by spray. Tentative date for spraying was set for the first week in August. A canvass will meanwhile be made by association representatives. Berrien County Record.

Deficiencies of Wood as Structural Material Said To Be Overcome

Ann Arbor—All major drawbacks to wood as a structural and industrial raw material—inflammability, decay, and shrinkage—are now within man's control, Prof. William Kynoch, of the University of Michigan School of Forestry and Conservation, has declared.

Writing in the summer issue of the Michigan Alumnus Quarterly Review, Prof. Kynoch cites recent research which makes it possible to render wood "so fire retardant that it will not support combustion."

"Wood cannot be made fireproof in the sense that its usefulness will not be destroyed or impaired by the burning of inflammable contents in a building," he explains. "No material of construction is fireproof in that sense. But it can be fire-retardant in that it will not transmit flame, nor will it flame, or even glow after the removal of flame generated by other materials."

Prof. Kynoch notes that several practical tests in actual service during the war have demonstrated the effectiveness of processed fire-retardant wood. To treat all the lumber required for the erection of an average sized house would cost about \$1,000, he explains. Should this cost be more than a buyer wished to invest, fire hazards could still be reduced by processing wood used in the more vulnerable parts of the house, such as those around the heating plant and the cooking stove.

Wood likewise can be successfully treated to make it resistant to decay, Prof. Kynoch says. Some woods are naturally decay resistant, but where woods of these types are not available, nonresistant woods can be rendered decay proof by suitable processing with wood preservatives, he writes.

"Such treatment is entirely practical, effective and relatively inexpensive," he declares. "The wood preserving industry is already large and economically important. It concerns itself now chiefly with such products as railroad ties, bridge timbers, poles and mine timbers. Only about half the wood in use which could advantageously be treated is now processed."

"In some instances the sphere of usefulness of a wood can be enlarged by processing the material so as to change some of its physical properties," Prof. Kynoch continues. The research of recent years in this direction has produced remarkable antishrink effects, so that the wood is not altered by moisture changes.

Other properties of wood affected by treatment with heat, pressure, and impregnants are hardness,

strength, resistance to insect attack, and electrical resistance.

Thus the three major drawbacks to wood as a structural or industrial raw material—inflammability, decay, and dimensional instability under moisture changes—are now all within our control," Prof. Kynoch concludes. "Further research is, in all cases, necessary to reduce costs and widen application."

Beware of Phoney Magazine Solicitors

The Michigan State Nurses Association and the Michigan Board of Registration of Nurses wish to call to the attention of the citizens of Michigan the fact that young women and men who are soliciting magazine subscriptions on the basis

of obtaining scholarships to schools of nursing are not sponsored by either organization.

Any young woman interested in nursing, who is unable to enter a school of nursing because of lack of sufficient funds, is requested to write to the Michigan State Nurses

Association, 750 E. Main street, Lansing 12, for detailed information.

Born, to Mr. and Mrs. Walter Haab, on Tuesday, July 22, at St. Joseph's Mercy hospital, Ann Arbor, a son, Ronald Dean.

OPEN THURSDAY AFTERNOONS

24 Years Ago

Thursday, June 21, 1923
With banners carrying the slogan, "What Jackson Makes the World Takes," Jackson business men, wholesalers, and jobbers, 60 in all, invaded the village of Chelsea Wednesday afternoon and entertained more than forty of Chelsea's business men at a sumptuous banquet served at the Maccabee hall. Toastmaster was W. S. McLaren of Chelsea, son of W. S. McLaren of Jackson. Warden Harry L. Hulbert of Michigan State Prison, of Jackson, made a short address on products being manufactured by the prison factories and raised on the prison farms.

Those officiating at this initiation were: Sisters Cora Martin, Ada Vickers. At 7:30 seventeen past officers conferred the degrees upon four more candidates: Audrey Harris, Edna Hirth, Esther Loeffler, and Dorothy Dancer.

who is Past Grand Chaplain of Michigan.

34 Years Ago

Thursday, June 19, 1913.
Miss Alwina Boettger and Mr. Warren Goddes were married at a quiet home wedding June 14. A reception for the class of 1913 was held at the home of Supt. and Mrs. F. Hendry. The evening was spent in games. The high school orchestra furnished the instrumental music and Miss Ruth Irwin gave vocal solos. Supt. Hendry presented with a handsome quarter sawed oak rocking chair.

Blaine Barch, Mrs. A. A. Schoen accompanied the signers playing a violin.

Commencement Exercises were held in the Sylvan theatre Wednesday evening. The program was as follows: March, Doris Schmidt; Invocation, Rev. A. A. Schoen; Salutatory, Ruth Walz; Vocal solo, Dorothy Bacon; Class History, Theodore Wedemeyer; Vocal solo, Ruth Irwin; Class Prophecy, Vivian Klingler and Doris Smith; Valedictory, Margaret Vogel; Address, Leslie W. Sprague, B.D.; Vocal solo, Ruth Irwin; presentation of diplomas, Supt. F. Hendry; Benediction, Rev. J. W. Campbell.

Davis of London, England, and Mr. John Hinchey of Dexter township, will take place at the home of Mr. and Mrs. Harrison Hadley of Lyon. The couple will make their home at North Lake.

Fruit Puree Is Good Use for Fruit too-Ripe To Can or Freeze

If you have some dead-ripe fruit this summer which is too soft for canning or freezing, make it into fruit puree. Purees are easy to prepare and simple to freeze.

Frances E. Wilson, county home demonstration agent, says that fruit purees make excellent puddings, whips, ice cream, and can be used instead of jam in sweet rolls.

Wash and trim the fruit and cook it for a short time. Then put it through a sieve or food-chopper, mix with a small amount of sugar, package and freeze. Adding a little sugar helps to keep the natural color and flavor.

Purees should be cooled before packaging. Strawberries are the only fruit which do not need a little cooking. Packages should be frozen as soon as possible after preparation and stored at zero degrees Fahrenheit until used.

Juice from the puree can be left in for a shorter time. Then put it through a sieve or food-chopper, mix with a small amount of sugar, package and freeze. Adding a little sugar helps to keep the natural color and flavor.

Request Circular Bulletin 200 from your county extension office or from the Bulletin Office, Department of Public Relations, Michigan State college, East Lansing.

VETERANS NEWS
FROM THE OFFICE OF
VETERANS' AFFAIRS
LANSING

The third annual convention of the American Veterans of World War II was held in Sault Ste. Marie last week. The delegates elected Arthur J. Madar of Detroit as Department Commander, succeeding Milton F. Cooney of Pontiac. St. Joseph-Benton Harbor were selected as the 1948 convention site.

Other officers elected at the convention were: Dwight L. Oliver, Kalamazoo, first vice commander; John J. Sliwinski, Hamtramck, second vice commander; Miss Vivian Snyder and Fergus Markle, both of Detroit, junior vice commanders; John D. McEwen, Detroit, finance officer; Charles L. Brown, Traverse City circuit judge, judge advocate.

By resolution, the convention endorsed the programs of the State Office of Veterans Affairs, pledged support to the office and commendation of the governor for his interest in the welfare of veterans.

The resolution credited the OVA with providing positive help to veterans during the trying times since the end of the war, expressed a definite need for overall coordination of the state's programs for veterans, and urged adequate financial support be given by the legislature to the Office of Veterans Affairs.

President Truman this week signed legislation providing a national charter for the A.M.V.E.S. This is the first World War II organization to receive such national recognition by the congress.

USDA Issues Booklet for Migrant Laborers

To show migratory farm workers where jobs are available at various seasons of the year, the U. S. Department of Agriculture has issued a booklet entitled, "A Guide to Farm Jobs from Gulf to Great Lakes."

A. B. Love, state emergency farm labor supervisor at Michigan State college, says that the booklet includes state maps showing routes and destinations for the workers, crop time-tables, and facts about jobs, crop conditions and housing.

Spray House Flies with DDT Solution

To kill house flies you will find that DDT is one of the best materials you can use, advises Ray L. James, Extension entomologist at Michigan State college.

Aerosol sprays containing DDT are easy and quick to use for killing flies indoors. These sprays make a fine mist that kills every fly it hits, but has no long-lasting effect.

Residual sprays, on the other hand, may be effective for several months in killing flies that touch sprayed places. Around the house use a 5 per cent DDT oil solution. Spray where flies usually rest.

Spray kitchen and dining room walls and ceilings thoroughly. Brush spray on window and door screens to kill flies before they enter the house. Spray it around porches and garbage cans. Outdoor areas may need to be treated every two or three weeks, or as needed during the summer.

Don't use the 5 per cent oil solution where it will get on plants or gardens because it will burn them. In such places use a wettable DDT powder in water instead.

Other precautions are very important: 1) Do not let sprays get on eating utensils or food; 2) Never use oil solutions on animals; 3) Use oil solutions near open fires; 4) When applying DDT, remove fish and pets from the room and cover plants; 5) Wash your hands after using DDT.

Cattle should not be turned into pasture until the grass gets a good start.

Tahquamenon Falls Road Is Again Open

Lansing.—A ferry has replaced the collapsed bridge at the mouth of Tahquamenon river at Emerson, and tourists again may go by car over the Paradise road to Tahquamenon falls, the conservation department's parks division reports.

The Paradise road entrance to Tahquamenon Falls state park had been closed since June 27 because of the bridge failure, though tourists could still enter the park from the west and by way of the upper river boat service.

Zing, comes the swing
to your sweetheart

HOW'S that Buick sweetheart of yours? Still giving out with that eager Fireball power surge at a toe-touch? Still answering every light finger-touch on the wheel?

Most likely you'll answer, "It's doing very nicely, thank you." But years have a way of whittling away at performance—sometimes so slowly you don't notice it.

So you can be in for a whopping surprise.

Just wheel your car into our shop and treat it to some real Buick care. The kind of care that comes from men who are truly fond of Buicks—who know what they can do and like to bring out all their oomph and go.

Let these men of ours test and tune your Buick with their special Buick tools. Let them replace anything that's worn with the right Buick-engineered part. Then, ZING, back comes the swing to your sweetheart.

Job for job, Buick car care costs no more than ordinary service. So, what's to lose? Come in to us whether it's for a tune-up, major or minor repair or regular lubrication. Your car rates it.

GEOMETRY? Ugh! But here
it means Extra Comfort

Buicks take turns without swing or sway. This means more comfort and less fatigue every mile you travel. And you can credit that to the geometry of Buick front-wheel suspension.

The wheels are designed to bank slightly on curves—the inside wheel turns a degree or two sharper than the outside one. And they're hung at an angle that lets them give slightly to cushion road shocks.

So good Buick front-wheel service is a job for men who know Buick front-wheel action—who have Buick-approved checking equipment—who have at hand any needed Buick-engineered parts.

Another example of why Buick care keeps Buicks best. Whether it's for wheel alignment or any other attention, take your car to your Buick dealer. We'll show you the difference between ordinary service and Buick car care.

Take a Vacation from Clutch Pushing—

-a Holiday from Shifting Gears-

*Optional at extra cost

The open road is calling... vacation time is here! And lucky is the family that sets out from home in an Oldsmobile with GM Hydra-Matic Drive*. For here is a car whose smooth lines and smart styling fit right into that carefree vacation spirit. A car whose gentle coil spring ride means comfort every mile. A car that lets the driver take it easy from the start and enjoy the trip as much as his passengers! Hydra-Matic Drive gets the credit for that. This fully proved, fully automatic drive provides a real vacation—a permanent vacation—from all gear shifting and clutch pushing. In the city or on the highway, Hydra-Matic Drive keeps you always in the right gear... automatically. And Hydra-Matic Drive makes every mile of your trip safer, more economical, and infinitely more enjoyable.

Oldsmobile is the lowest-priced car with GM Hydra-Matic Drive*—one big reason why "It's SMART to Own an Olds!"

The railroads have received 44 "rules" demands from the leaders of the operating unions... representing engineers, firemen, conductors, trainmen and switchmen. They say they are seeking only changes in working conditions—NOT a wage increase.

More Money For Less Work

But what kind of rules are being asked for? Twenty-eight of them would compel railroads to pay more money for the same, or less work. They would require additional and unnecessary men to do the same work; the rest would bring about changes in operating practices at increased cost.

For Instance:

The Union leaders demand additional train and engine crews on Diesel-powered trains—one full crew for every power unit in the locomotive. A freight train hauled by a 4-unit Diesel would have to carry 4 engineers, 4 firemen, 4 conductors, and at least 8 brakemen, or a total of 20 men instead of 5.

"Made Work"—Sheer Waste

The Union leaders demand that full-length freight trains be cut to about half their length, even though such trains are most efficient for low-cost service to you. This rule would call for twice as many locomotives, would double the number of trains, and make accidents more likely.

Additional equipment, yards, and other facilities required to take care of these short trains would cost hundreds of millions. What the Union leaders really want is to make more jobs.

The Union leaders demand that when a crew in one class of service performs incidental service of another class, they will be paid not less than a day's pay for each class, even though all service is performed as a part of the same day's

ductors and trainmen be reduced from 150 to 100 miles, which would have the effect of increasing their pay 50%. Such a run often takes only two or three hours!

You Can't Afford This Waste

Demands like these are against the interests of the whole American people, who depend on railroad service for nearly everything they eat, wear and use.

These rules would cost a BILLION DOLLARS annually—a gigantic waste which neither the railroads nor the country can afford.

Railroad workers are good citizens and good employees, with pride in their calling. Their record during the war was outstanding. We do not believe they fully understand the "featherbed" rules which the Union leaders are demanding. We do not believe they understand the harmful results which these rules would have to the railroad industry, to the millions of men and women dependent on railroads for their livelihood, and to the shipping and consuming public.

The great strength of America is in production—an honest day's work for an honest day's pay.

For only through greater production can we hope to stop the steady upward surge of living costs.

Surely, if ever there was a time in our history when we needed to work, not waste, this is it.

This image shows a single sheet of white paper with horizontal blue or grey ruling lines. A vertical margin line is present on the left side, creating a narrow left margin. The paper appears slightly aged or off-white. There are some faint smudges and marks on the surface, particularly near the bottom right corner. The edges of the paper are visible against a dark background.
