Play-offs with
Brightonians****McClanahan Bests

Dual by Score 4 to 1**

By "Bill" Schatz

Hill Yill Yill Boys and girls the old series is all even—Steven, our gang romping home to a 4 to 1 win over the Brightonians Sunday at the local "High Field."

Bill McClanahan never looked better, out there on the mound, delivering up the old horse-hide. Brighton's lone tally was no reflection on the big fellow offerings, as this lonesome marker was unearned, the result of a couple of errors.

Frank Green, Brighton's pitcher, likewise was no slouch on the rubber, matching Mac's 5-hitter with a 5-hitter. The total errors of both teams was 13, which helped in a way to mar the luster of the pitchers' masterpieces. Many of the errors can be laid to the uncertain and bumpy condition of the infield as both teams complained of its rough condition.

That fine crowd out there Sunday, really saw an exciting game. Professors Birch and S. Policht each made a couple of graceful swan dive catches of what looked like certain hits, turning off the power and setting the side down with no runs.

In the 9th inning Brighton worked two men on the paths via the free-kick route, but their pinch hitter failed to deliver when he heard the third strike called on him.

Next Sunday, Sept. 21, the last and deciding game will be played at beautiful West Park in Ann Arbor. Time: 2:30 p.m. Let's be represented by a fine cavalcade.

The three Chelsea residents pictured above, all of whom were born in this vicinity and have all lived here, are celebrating their birthdays during the month of September.

Samuel F. Guthrie was 93 years old last Thursday, September 11; Miss Alma J. Pierce was 91 on Tuesday of this week, September 16, and on Thursday of next week, September 25, Mrs. David Schneider will be 92.

Mr. Guthrie lives at 1001 Guthrie road, where he has resided for past 64 years, just one-quarter of a mile from the farm on which he was born in 1854. He was the son of John and Eliza Logan Guthrie who had come here from northern Ireland in 1831.

Mr. Guthrie married Eva Newton on October 4, 1882, in the Baptist church which was then located on the southeast corner of Main and Orchard streets, where the Veterans gas station now stands. Rev. G. A. Gay was pastor of the church at the time and performed the ceremony.

Mr. Guthrie lives with his daughters, Mrs. Olivia Floyd and Miss Eliza Guthrie. Mrs. Guthrie having passed away December 25, 1929.

**U of M Extension
Lecture Series To
Start September 30**

The University of Michigan Extension series of lectures to be given in Chelsea during the 1947-48 season will open on Tuesday, September 30, with Prof. Preston Slosson speaking on Current Events.

The series of lectures has been promoted and sponsored by a group of interested citizens who have planned the course so that each month from September through May an outstanding speaker will present an interesting and timely lecture in his field. The parlors of the Methodist Home have most generously been offered for the entire series and all the lectures will be given there, starting promptly at 8 o'clock.

All those who have reserved memberships are asked to send their checks or money to Mrs. E. W. Eaton or Mrs. P. G. Schaible by September 23. Any memberships not paid for by that date will be sold to the next on the list, as the membership is limited. The fee is four dollars per ticket for the nine lectures.

Following is the list of speakers: Tuesday, September 30—"Current Events," Professor P. W. Slosson.

Tuesday, October 14—"Russia," Professor A. Lohman.

Monday, November 24—"China and Japan," Dr. Frank L. Huntley.

Monday, December 15—"Racial Problems in America," Mischa Titiev, Assoc. Professor of Anthropology.

Monday, January 26—"How to Listen to Music," with records, Professor Glenn D. McGeoch.

Tuesday, February 24—Subject to be announced; Dr. W. P. Lemon.

Tuesday, March 30—"Citizenship Responsibilities in a New Democracy," Professor Harold M. Dorr.

Monday, April 19—"Alaska," with slides or film, Professor Dow V. Baxter.

Monday, May 17—"The Cancer Problem," Dr. Henry K. Ransom.

Home From Hospital
After Two-Week Stay

Mrs. James Egan has returned to the home of her daughter, Mrs. Arthur Weber, after spending six weeks at St. Joseph's Mercy hospital, Ann Arbor, with a broken hip.

Visitors during the past week at the Weber home were Mr. and Mrs. Ambrose Kirk and daughter, Margaret, Mr. and Mrs. Will Cash, Mrs. Eliza Martin, Charles Strigham, Mr. and Mrs. J. I. Fahey and Mr. and Mrs. Ed. Kirk and family, all of Manchester; Mrs. Irene Brydan, Clemence Kirk and Gene Kirk of Jackson, Mr. and Mrs. Herman Weber of Ann Arbor and Mr. and Mrs. Joe Steele and family and Mrs. Bertilla Forner of Chelsea.

Attainment of the financial goal will enable the Michigan chapter to carry out the following program. A fund will be created toward the eventual establishment of a hospital devoted exclusively to the treatment of infantile paralysis and completely staffed by authentic, fully-trained Kenny technicians. Polio fighting equipment will be purchased to be loaned to hospitals and institutions in time of need. Scholarships will be provided to send more graduate nurses to Minneapolis to become fully-trained Kenny technicians.

"Remember the terrible toll infantile paralysis is taking, among all age groups, when you see the familiar cannister or the envelope in which you may place your voluntary contribution."

Three Long-Time Chelsea Residents Celebrate Birthdays In September Totaling 276 Years in All

daughter, Mrs. Horace Robinson of Grass Lake.

Mr. Guthrie is the only surviving member of a family of five. His sisters were Mrs. Ada Wiley, Mrs. Mary Fletcher, and the

his garden and is keenly interested in the topics of the day.

On his birthday he enjoyed a family dinner party at his home and entertained friends and relatives who called during the after-

from since May 1918, when he was at Spokane, Wash., and he was presumed dead by most of his friends and relatives although Miss Pierce herself has always hoped to hear of him again.

In addition to the brother Max, and sister Mary, Miss Pierce had four other brothers, Herman, Sherman, Ralph and John R., and four more sisters, Nettie (Mrs. Adal Prudden), Amy (Mrs. Tom Guthrie), Susie (Mrs. Alfred Congdon) and Lilly, who died when she was nine years old. Miss Pierce is the only one of the family left. She was the youngest of the girls, but all the boys in the family were younger than she. All the family were born on the farm south of town, which was taken up from the government by Miss Pierce's grandfather, Nathan Pierce of Massachusetts, who, with his wife, formerly Amy Aldrich of Rhode Island, and their family, came to Chelsea in 1832 from New York state, where they lived following their marriage. They later went to Marengo to make their home and turned the farm here over to one of their sons, Hiram, who became Miss Pierce's father.

Miss Pierce remembers hearing her father tell how the cemetery on the Pierce farm at Manchester was laid out.

Sister Kenny
Fund Drive****Campaign to Open
Monday, Sept. 22
For One Week**

Tuesday evening, September 16, the Chelsea Chamber of Commerce held its first Fall meeting in the Municipal building.

Two new members, Max Collins and Harvey Knickerbocher, owners of the Chelsea Electric Sales and Service were introduced.

It was announced that the Chamber will sponsor a drive to raise money for the Sister Kenny Polio Fund, beginning Monday, September 22 and extending for a period of one week.

According to George Doe, who was appointed chairman of the committee in charge of the drive, no door-to-door solicitation is planned at this time. Instead, contributions may be made through canvassers which will be placed in all local business houses, and through a collection envelope which local dairies will slip over the necks of their milk bottles. Contributions may be placed in this envelope and returned with the empty milk bottle.

Our drive here in Chelsea is one of many now being organized throughout the state to help the Sister Kenny Foundation fight polio. At the present time there is only one fully-trained Kenny technician in the entire state of Michigan. Many of these technicians as well as a Kenny hospital are needed so patients may receive the treatment within 24 hours after being hit by the disease, if the treatment is to be of maximum benefit.

Inasmuch as the Kenny Foundation and its local state committee receive funds from no sources other than from direct public contributions, these drives are being organized, with Michigan's goal set at \$250,000.

Half the money raised here will go to the Kenny Institute in Minneapolis to erect new training center buildings, to enlarge technician training facilities, and to expand research. The other half remains for local work by the Michigan chapter.

Attainment of the financial goal will enable the Michigan chapter to carry out the following program. A fund will be created toward the eventual establishment of a hospital devoted exclusively to the treatment of infantile paralysis and completely staffed by authentic, fully-trained Kenny technicians. Polio fighting equipment will be purchased to be loaned to hospitals and institutions in time of need. Scholarships will be provided to send more graduate nurses to Minneapolis to become fully-trained Kenny technicians.

**Celebration
at St. Paul's
Great Success****250 Attend Dinner
Honoring Pastor's
25 Year's Service**

Three hundred and fifty people attended the dinner given in St. Paul's church hall Sunday noon in honor of Rev. P. H. Grabowski's 25th anniversary as pastor of the church here, and another one hundred and fifty attended the reception which was held there from four until five o'clock in the afternoon.

In the receiving line with Rev. and Mrs. Grabowski and their daughter, Helen, were the members of the church council, LeRoy Satterthwaite, E. J. Bann Miller, Wilbert Breitenwischer, Roy Berke and Harold Widmayer, with Mrs. Berke, Mrs. Widmayer and Mrs. Breitenwischer. The wives of the other two council members, Mrs. Bannmiller and Mrs. Satterthwaite, were also present at the reception. Joseph Stanley played several marimba numbers, which were very much enjoyed. He was accompanied on the piano by Mrs. Wilbert Breitenwischer. Mr. Stanley also played two numbers during the after-dinner program.

The after-dinner program included a short address of welcome by P. G. Schaible, who had welcomed Rev. and Mrs. Grabowski at the reception given for them when they came here in 1922. Paul E. Niehaus, who also took part in the reception of 25 years ago, sang, "The Lord's Prayer" by Malloy.

Accompanied on the piano by Mrs. Niehaus, Lynda May sang a solo, "Fairest Lord Jesus," with her mother, Mrs. Carl Mayer as accompanist; Mrs. Wilbur Hinders read a short history of the pastor's 25 years in Chelsea, and talks were given by Mr. W. McClure, village president; Albert C. Johnson, superintendent of Chelsea Public Schools; Rev. W. H. Skenebury, pastor of the Congregational church; Rev. O. W. Morrow of the Methodist church and Rev. H. S. Von Ragau of Manchester. All expressed congratulations and the best wishes to the pastor and the congregation of St. Paul's church.

Rev. H. W. Lenz of Detroit, former pastor of Salem Grove church, who had been scheduled to speak also, was not present because of illness.

**Electric Power Off
Thursday Evening
in Violent Storm**

Chelsea and surrounding towns were without electricity for about seven hours last Thursday night, which is the longest period of inconvenience here in a number of years.

Women's church society meetings scheduled for that night were held by candlelight or kerosene lamp.

At St. Paul's church, where preparations were in full swing for the anniversary celebration in honor of Rev. P. H. Grabowski on Sunday, candles and flashlights were in use, and stores did a rushing business the next morning replacing flashlight batteries. The choir practiced with the aid of an old-fashioned kerosene lamp, which brought to mind "the good old days" when kerosene lamps were considered pretty good light.

Mrs. Russell McLaughlin, hostess for the Congregational church Dorcas chapter meeting, and Mrs. O. W. Morrow, entertaining the Central Circle of the Methodist church that evening, used candles for illumination and managed to serve their refreshments very well in spite of the dimness.

The cause of the "black-out" here and in the surrounding communities was in the power line out of Jackson. It was reported that three large transformers of the Consumers Power company's equipment there were burned out.

Everyone here seemed to take the inconvenience good-naturedly, as something that just couldn't be helped because of the storm.

PERSONALS

Mr. and Mrs. Louis Noll and Mr. and Mrs. David Mohrlock spent Sunday afternoon in Oxford.

Martin Wenk and son, Elmer of Freedom township, spent Sunday evening at the home of Mr. and Mrs. Otto Goetz.

Mr. and Mrs. Walter Hatt of Middletown, Ohio, spent Monday here at the home of the latter's brother, Charles J. Williams.

Joanne Moore will return to Ypsilanti on Monday to enter Ypsilanti State Normal college for her second year there.

Mr. and Mrs. C. E. Gauder of Findlay, Ohio, spent several days of the past week with relatives and friends here.

Mr. and Mrs. Cecil Egan and daughter, Mary Jane, were Sunday dinner guests at the home of Mr. and Mrs. Arthur Weber.

Mrs. H. M. Raymond of Grass Lake spent the week-end at the D. H. Wurster home here and Miss Nell Congdon of Hillsdale is spending this week there.

Mrs. Mary Barnes of Oakland, Calif., and Mrs. Maria Elliott of Detroit are visiting at the home of Mr. and Mrs. Grant Schooley. The ladies are both aunts of Mr. Schooley.

Mr. and Mrs. A. C. Plikerd, with their daughter and sons, Marcia, Bob and Jim, of Sylvania, Ohio, spent the week-end here at the home of Mr. and Mrs. H. T. Moore. A. J. **Board of Education Selected
Friday; Suit to Test Legality
of Movements Is Underway****Hearing in October
for Mich. Bell Tel.
Rate Hike Petition**

Lansing—The Michigan Public Service Commission has indicated it will open a hearing early in October on the application of the Michigan Bell Telephone company for a \$10,400,000 general rate increase—the first sought by the company in 21 years.

Emphasizing a continued downward trend in its earnings, the company recently filed its petition for the increase. President Thomas N. Lacy said that the return on intrastate operations slipped from 5.5 cents on the investment dollar in the first quarter of the year to 2.8 cents during June and July. If the Commission rate reduction order of 1946—now on appeal before the Ingham Circuit Court—were in effect, the June-July return would have been 1.7 cents on the investment dollar, he said.

Although the company's revenues on an annual basis are now 140 per cent above those of 1937, Michigan Bell's expenses currently are running 191 per cent above the figure of a decade ago, the petition said.

On Saturday, September 13, the newly-elected Board members, served with notices to appear at 3 p.m. Monday, at Judge James R. Breakey's court to show cause why an injunction against their transacting any business should not be granted to the plaintiffs named: Wallace Franklin, J. L. Klink, Wm. J. Quigley, William Otto and Frank Egan.

In compliance with the notices served on them, E. W. Eaton, Earl Beeman, Russell McLaughlin, Harold Widmayer and Florence Mayer, the newly-elected Board members, together with their attorney, John P. Keusch, appeared in court Monday afternoon and were informed that the case would be held over until 2:30 o'clock Wednesday afternoon. Judge Breakey gave no ruling—order or directives except that the school should continue sessions as usual.

Fishing License Sale Ahead of Last Year

Lansing—Ranks of the state's sportsmen continue to increase, the conservation department reports, citing September 1 figures on sales of fishing licenses: 5,455 and 3.7 per cent higher than at this time a year ago for resident, temporary nonresident and annual nonresident licenses, respectively.

The 640,607 residents fishing licenses sold to the first of the month exceeded by 31,523 the number sold to September 1 last year and also exceeded the annual total for any recent year except 1946. The last of a shipment of a million and a half fall hunting and trapping licenses will be in the hands of the state's 3,000 dealers this week.

GOOD BEGINNINGS

Here we are again kids; yup! Another whole year to grind away at our books. (More fun!) You know though, it's really not that bad. Some of us are going to school because we want to learn more, but then there are always those who come because they aren't old enough to quit yet. (That new age-law, you know.) We think you'll get along okay, if you just study along each day. Take it from us—it's no fun to have to cram for exams at the end of the year. Therefore, get down

were not as yet elected, and more classes will be represented when those chosen appear at the next meeting.

THE FFA TRIP

All summer the FFA boys looked forward to their annual trip. This year they went to Perry Sound, Ontario. They left Aug. 7 with the following members participating: Paul Bollinger, Bob Robin, Walt Zeeb, Ralph Erke, Bill Lyons, Robert Schneider, Richard Kalmbach, Paul Kalmbach, Willie Schutz, J. Neil Lantis, Roy Guenther, Ralph Guenther, Walt Tarnacki, Oscar Hansen, Bob Bauer, Keith Bradbury, Jimmy Webber, Richard Carlson and Alton Grau. The first day they spent at the Ontario Agriculture College at Guelph, where they were shown around the college farms by one of the professors. They were also served their meals. The second day they arrived at Perry Sound.

Exact Measurements Are Secret of Most Good Pickle Making

If you know the secrets of successful pickle making, you will make several different kinds of pickles and relishes now to add zest to your meals throughout the year.

Michigan State college home economists have a few suggestions for making good pickles. First of all, they advise you to use only fresh, good quality fruits and vegetables. Cucumbers and green tomatoes are best pickled within 24 hours after picking. Next, sort for size.

Exact measurements are important. Use the right ingredients and follow directions exactly. Always store pickles sealed airtight in a cool, dry, dark place.

Good clear, standard vinegar free from sediment and with four to six per cent of acetic acid should be used. This is stronger than the vinegar of 15 to 20 years ago, so the old recipes will make pickles too sour. Use pure granulated salt. Table salts will not give as good results because of the ingredients added to prevent lumping.

Use whole spices for most cooked pickles because they keep flavor longer. They can be tied in a cloth to cook with other ingredients and then lifted out before the pickles are packed. Spices packed with pickles will turn them dark. When using a spice bag, use a clean, thin white cloth, large enough so juices can circulate through the spices and draw out the flavor.

For cooked pickles, use kettles of enamelware, aluminum or stainless steel.

For further directions and recipes for successful pickles, obtain a copy of the U. S. Department of Agriculture folder A-71-103, "Pickle and Relish Recipes"; from your county extension office or from the Bulletin office, Department of Public Relations, Michigan State college, East Lansing.

Preserved Bird

This is one for Ripley. Carpenters working on an old home in Kentucky, took down a big circular wooden column at the front porch entrance while making repairs. The column was airtight, not even a speck of dust could reach the hollow innards, but upon upending it a good-sized woodpecker, natural as life, with not a ruffled feather, rolled out at the feet of the surprised workers.

But it wasn't alive, it was completely ossified, dehydrated or whatever you call it, and had been in that condition probably for more than 30 years, or since the time builders of the home had unintentionally sealed it within the column. The complete lack of air had acted as a preservative.

Auto Death Toll Increases in State

July traffic accidents in Michigan cost the lives of 133 persons, the largest number killed in any one month this year, according to a compilation of reports received by the Michigan State Police.

In addition to the fatality toll, 3,448 persons were injured. There were 9,924 reported accidents. The record as compared with July of 1946 showed an increase of 12 per cent in deaths, 15 per cent in injuries, and 19 per cent in accidents.

During the first seven months of this year 732 persons were killed and 19,938 injured in 75,681 reported accidents. Compared with the same period last year, deaths decreased 18 or two per cent, injuries increased 1,108 or six per cent, and accidents increased 15,916 or 27 per cent.

Mileage for the first six months of this year was 12 per cent higher than during the same period of 1946, and the death rate per 100 million miles of travel was down 15 per cent.

CHEER LEADERS

Everyone remembers the peppy cheer leaders who yelled themselves hoarse at each and every game last year. Four of these girls, Joyce Lentz, Nancy Loose, Loretta Lindauer and Eunice Lehman, graduated in June. Two others, Marlene Heydlauff and Helen Jarvie, have dropped out. The two remaining ones, Pauline Schiller and Ellen Jane Geddes, are carrying on training—would-be cheer leaders for the strenuous job. Four new girls will be chosen.

These girls will be doing their best at every football and basketball game and will appreciate your cooperation in helping to cheer the teams to victory.

STUDENT COUNCIL

As the first meeting of the Student Council was held on Thursday, it was more or less an experiment to see who knew the most about Parliamentary Procedure. There were some important dates fixed and pep meetings were assigned to the various high school grades and clubs. The Hi-Y will again furnish ink for the student body at a penny a fill. Quite reasonable!

All Student Council members

They stayed at the Georgian Bay Rotary camp on Otter Lake.

Most of the time was spent in fishing and swimming, although they had two softball games with Otter Lake team. The Otter Lake team won both games.

One of the finest things about the trip was having Colin McInnis as camp cook. Mr. McInnis is a retired forest ranger. From the favorable reports you would gather the boys enjoyed the meals. He was also in charge of the campfire ceremonies.

The trip came to an end Aug. 15. The return trip home was uneventful except for Paul Bollinger's car which broke down. The counselors for the trip were Supt. Johnson, Mr. Richards and Robert Walz.

FOOTBALL BEGINS

The first football game of the season will be between Chelsea and Dexter, Friday night, Sept. 19, at 8:00 o'clock.

Last year Dexter won all their games and was not scored on. Chelsea won seven games, tied one and lost one.

Bull-dog line-up will be—ends, Baldwin, McClear or Hanson; tackle, Haffey or Robbins; guards, Bollinger, Chriswell; center, Stoffer or Meyers; left halfback, Capt. Miller; fullback, Popeye Slane; blocking back, Carlson; right halfback, Vogel or Bauer.

Mr. and Mrs. Arthur Fasham of Mentor, Ohio, who were enroute to their home from a trip through Canada, spent Friday and Saturday nights at the home of Mr. and Mrs. Leon Chapman. Saturday evening they were dinner guests at the home of Mr. and Mrs. Harry Prudden. While here they also called on other Chelsea friends.

DEATHS

Manfred Hoppe
Manfred Hoppe died Thursday morning at the Hoppe homestead on Kilmer road where he had lived his entire lifetime and where his son, Max, also resides. He was born there November 22, 1871, the son of William and Mary Flaherty Hoppe.

Other survivors besides the son are a brother, Reno Hoppe of Oakland, Calif., and two sisters, Mrs. John Hauer of Woodland, and Mrs. Nerissa Jackson, who returned recently to her home in Spokane, Wash., after an extended visit here. He also is survived by three grandsons, Richard, Lee and William, and several nieces and nephews.

Funeral services were held Saturday afternoon at 1:30 o'clock at the Miller Funeral Home, with Rev. E. O. Davis of Salem Grove Methodist church officiating. Cremation followed at Woodmere cemetery, Detroit.

Mr. Hoppe had been active in his work as a carpenter until four weeks before his death when he became ill. For a number of years he had been taking care of maintenance work on holdings in this vicinity of his long-time friend, Charles Newton, formerly personal representative of Henry Ford.

cause of illness. He sent a message which was read at the conclusion of the program. Among the other messages read were those sent by Rev. L. W. Goebel, D.D., of Chicago, Ill., president of the Evangelical and Reformed Church and Rev. Matthew Worthman of Bluffton, Ind., president of the Michigan-Indiana Synod.

At the conclusion of the after-dinner program Wilbert Breitenwischer, senior member of the church council, presented Reverend Grabowski with a congratulatory card which stated that a new General Electric refrigerator would be delivered at the parsonage on Monday as a gift from the congregation.

Mrs. Otto Luick, president of the Women's Guild, Wilma Paul, president of the Young People's League, and Edna Steinway, assistant superintendent of the Sunday school, each presented the pastor with a gift of \$25 on behalf of the organizations they represented.

Reverend Grabowski responded, thanking everyone for the gifts and also for the many kindnesses which he said had been shown his family and himself since coming to Chelsea.

He thanked the entire congregation for their cooperation and loyalty to him and the church, and commended Mrs. Waldo Kusterer and Miss Amanda Koch for their fine records as Sunday school teachers, and Miss Koch and Paul Niehaus for equally fine records with the Senior choir, all having served in those capacities since before he became pastor of St. Paul's.

He also made special mention of Fred Loeffler, only surviving member of the church council who served when he came here, and Mrs. Elizabeth Wackerhut, and

Mrs. Lizetta Widmayer, honorary members of the Women's Guild (formerly the Ladies' Aid and Auxiliary) who have been members of the women's society of the church since shortly after the organization of the Ladies' Aid Society in 1887. All three were seated in places of honor reserved for them at the speakers' tables.

The church was packed for the anniversary service in the morning and those who could not be accommodated in the church were seated in the hall where loud speakers carried the service to them.

Rev. Walter M. Grabowski of Quincy, Ill., the Chelsea pastor's brother, and Rev. Arnold E. Klick of Columbus, Ohio, president of the Southwest Ohio Synod of the Evangelical and Reformed Church, and uncle of Mrs. Grabowski, had charge of the service and both preached anniversary sermons on texts taken from I Corinthians, chapter III, in which are found the verses, "For we are labourers together with God" (v. 9) and "Other foundation can no man lay than that is laid, which is Jesus Christ." Both pastors brought out several illustrations of the ways the texts applied to the St. Paul's pastor and congregation.

The service was opened with a

processional hymn, "Holy, Holy, Holy," sung by both choirs of the church as they led the procession into the church. Following them came the members of the church council, the visiting pastors and Reverend and Mrs. Grabowski with their daughter and Mrs. Grabowski's mother, Mrs. F. H. Kraft.

During the service the Senior choir under the direction of Paul

Niehaus, sang the beautiful anthem, "Send Out Thy Light," by Carrie B. Adams, and the Junior choir under the leadership of Mrs. Otto Luick rendered the equally lovely anthem by Fred Holton, "Thy Word Is A Lamp."

To complete the anniversary worship services, the two visiting pastors, Reverend Klick and Reverend W. M. Grabowski, also presided during the Sunday school ses-

sion, speaking to the group on the anniversary theme.

Present for the day's celebration were all of Reverend Grabowski's brothers and sisters with their families, except Hans Grabowski of Lansing. Those present were Adolph, Ernest, Otto and Miss Margaret Grabowski of Saginaw, Mrs. Henry Helmkamp of Pontiac, and Rev. W. M. Grabowski of Quincy, Ill.

FARM GUILD MEETING

The regular monthly meeting of the Farm Guild was held Tuesday evening, Sept. 16 at the home of Mr. and Mrs. Carroll Ordway with about 30 in attendance. Following the business meeting refreshments were enjoyed and later refreshments were served.

WRC MEETING

The regular business meeting of the W.R.C. was held in the Home E. room at Chelsea High school Monday evening.

It was voted to sponsor an all-games party in early October also, to sell Christmas cards this year and a donation was made to the fund for a monument which is to be placed on Belle Isle some time in the future by the W.R.C. in memory of the G.A.R.

ST. PAUL'S MISSION CLUB

Eight members and one guest were present at the September meeting of the St. Paul's Mission Club which was held at the home of Mrs. Christina Nicol Thursday afternoon, Sept. 11.

Following the devotional service by Mrs. Louis Eppler, a reading was given by Mrs. Julius Strieter, called "A Humble Prayer."

Eighty cards booklets were completed, as was a quilt the club has been working on, and other sewing was done.

The hostess served a very nice lunch at the close of the meeting.

Birth Announcements

Mr. and Mrs. Thomas McNamara of Detroit are the parents of a daughter, Linda Joyce, born Monday, Sept. 8, at U. of M. hospital, Ann Arbor. Mrs. McNamara is the former Opal O'Dell.

Vice-Pres.—Jean McClure.
Sec.—Ellen Jane Geddes.
Treas.—Mary Jane Jarvis.

LAFAYETTE GRANGE

The lecture hour at the regular meeting of Lafayette Grange Tuesday evening was opened with a reading, "Just Tell Them So," by Mrs. W. G. Price. This was followed by group singing, "Bud and Bloom" and "The Song of the Sun," and a reading by Mrs. George English, "Not Growing Old."

There was a discussion of the proper use of the Grange ritual and also of plans for the harvest festival. The meeting closed with the song, "The Church in the Vale." Eleven members were present.

CARD OF THANKS

I wish to thank my friends and neighbors and everyone for their kindness shown me during my stay in the hospital and since my return home.

Cong'l Chapters Hold

Meetings Past Week

Harmony Chapter of the Congregational church met Friday afternoon, Sept. 12, at the home of Mrs. L. P. Vogel with Mrs. L. T. Freeman as co-hostess.

The opening devotional service was presented by Mrs. D. R. Hoppe, while the topic, "United Nations For World Peace," was discussed under the leadership of Mrs. Tunie Beale.

Refreshments were served following the close of the meeting by the two hostesses. Seventeen members attended the meeting.

Plymouth Chapter held a one o'clock luncheon meeting at the home of Mrs. George Goodell on Friday, Sept. 12, with Mrs. Ross Munro as assistant hostess.

The meeting was called to order by the president, Miss Nina Belle Wurster who announced that the Jackson Association meetings are to be held Sept. 23 and Oct. 1.

Mrs. W. H. Skentelbury had charge of the program and after conducting the devotional service gave an informal talk on the experiences of Reverend Skentelbury and herself on their recent trip to Panama. Following her talk she answered the many questions asked by the group of 21 ladies present.

The Dorcas Chapter met Thursday evening, Sept. 11, at the home of Mrs. Russell McLaughlin with Mrs. Lyle Haselwerdt as co-hostess.

Because of the stormy night and the resulting absence of electric

lights, there were only a few brave members present; however, plans were made to hold a bake sale at the Chelsea Hardware store on Saturday, Sept. 27.

After the meeting the group enjoyed a chocolate dessert and coffee, served by the hostesses.

Methodist Cradle Roll

Primary Department

Gather For Meeting

Miss Elizabeth Thornberg, director of religious education at the First Methodist church in Ann Arbor, spoke at the Cradle Roll and Primary department get-together party for mothers and children which was held Friday, Sept. 12, from 8 until 4:30 o'clock in the Methodist church parlors. About 75 mothers and children were present.

Miss Thornberg explained Dr. Ligon's plan of Christian Education which was tried originally at Schenectady, N. Y., with great success. For some time at first only eight churches used the plan but now there are 14 throughout the country doing so.

The new plan of Sunday school teaching, Miss Thornberg said, has to do with a parent class as well as one for youngsters. Principles are taught on Sunday to be worked out during the week with the parent's help, and the children are given merits according to accomplishment.

The Beatitudes are the basis for the new plan.

A "measuring stick" is used at the end of each quarter to judge the extent of progress made in Christian character education, Miss Thornberg said.

A pertinent point for parents

was brought out at the conclusion of her talk when she said that Sunday school and Sunday school work is important in the child's viewpoint only so far as the parents of the child are interested or concerned.

Refreshments were served and a social time was enjoyed following the program.

Meth. Central Circle

Meets at Parsonage

Central Circle of the Methodist church met at the parsonage for the September meeting Thursday evening, September 11. In spite of the storm during which the electricity was off in Chelsea and surrounding communities, seventeen ladies attended the meeting which was held by candlelight with the addition of a gasoline lamp one of the members brought.

Mrs. John Brown of the Methodist Home was in charge of the devotional service for which she took the topic "She Hath Done What She Could." With Mrs. Jessie Renwick of the Home leading, the group sang "You In Your Small Corner and I In Mine" as part of the devotional service.

Miss Grace O. Spear, a member of the staff at the Home, gave two delightful readings, "Whip It Up," and "Memory of Sweet Peas," the former being a humorous description of the way members of a family were always calling on their mother to "whip something up" in a short time for guests they were bringing home "in about twenty minutes."

Both readings were very much enjoyed by those present.

Following the program, dairy refreshments were served by the hostess, Mrs. O. W. Morrow.

MRS. ROBERT EDGAR

Archer-Sherman

Wedding Announced

at Detroit Party

A cocktail party was given Sunday afternoon by Mr. and Mrs. Gordon A. Erickson at which time Mr. and Mrs. Frank M. Edgar announced the marriage of their son, Robert Archer, to Miss Carley Mae Sherman on Feb. 4, 1947. The former Miss Sherman is the daughter of the late Mr. and Mrs. Leon M. Sherman of Lake City, Mich. Mr. and Mrs. Frank M. Edgar and their family were former residents at North Lake, and are now in Detroit.

The bride was dressed in a pale aquamarine silk dress with short sleeves and straight skirt. A drape starting at the shoulder and ending in the peplum was trimmed with silver sequins and an orchid corsage completed her costume.

Mrs. Edgar, Sr., was dressed in a brown and white print with a corsage of gladioli and yellow roses. For receiving her guests Mrs. Erickson, the former Martha Jane Edgar, wore a black silk dress with an all around pleated peplum and short cape sleeves. Assisting her was Mrs. Frank M. Edgar, Jr. in a draped black gown.

The table was laid with an heirloom embroidered cloth with a wide lace border and was centered with the three tiered wedding cake.

White mums and gladioli bouquets and white candles were arranged throughout the house. Over the mantle were hung two large wedding bells tied together with forget-me-nots.

The groom graduated from Chelsea High school, served as a Lieutenant in the Air Corps, and is now attending Purdue University. The couple will make their home with the groom's parents until he finishes school.

Included among the guests were

many from Chelsea as well as from Lansing, Cleveland, Ohio, and Washington, D.C.

CARD OF THANKS

I wish in this way to express my sincere thanks and appreciation to my friends, relatives and neighbors for the many cards, flowers, fruit and candy, and all who so thoughtfully remembered me in so many ways during my illness.

Fertilizer Should Be Kept in Dry Location

The suggestion to buy fertilizer when it is available is a good one to follow. Take delivery when you can, but be careful in storing that fertilizer.

C. E. Millar, head of the soil science department at Michigan State college, says that fertilizer supplies should be stored in dry places—out of drafts that bring in moist air. Don't put bags directly on a concrete floor. If your storage space has this kind of floor, place boards over it so they are criss-crossed. This will also let air circulate under the bags.

Another point to consider is stacking of the bags. Don't overdo it and stack the bags too high. The weight may cause the fertilizer to cake. This, in turn, will make application more difficult when the time comes.

Total Naval casualties in the Spanish American War were only 42 men.

Internal Parasites Cut Quality of Wool

The recent announcement by the U. S. Department of Agriculture that the wool price support program was resumed August 15 and will continue through 1948, means that farmers should be preparing for their next year's crop with care.

Graydon Blank, extension animal husbandryman at Michigan State college, believes that farmers will want to produce as many pounds

of high quality wool as possible in order to take advantage of this support price.

Internal parasites in the flock should be controlled to keep the animals in best condition. Health and vigor can be improved by controlling the parasites with a salt and phenothiazine mixture made up of one pound of phenothiazine to twelve or fourteen pounds of salt. Drenching with phenothiazine also is effective and helps to keep the animals in good condition and results in a heavier growth of wool. Details of these treatments can be secured from county agricultural agents.

Water Run-off Causes Great Loss of Topsoil

Some of the figures about soil erosion are pretty startling, but they're true, nevertheless.

Leonard Braamse, soil conservation specialist at Michigan State college, reports that a test in Livingston county on a seven per cent slope, showed there was 200 times more soil lost by erosion on up and down hill cultivation than there was on red clover-brome plots. During some heavy showers 60 to 75 per cent of the rain ran off. This heavy run-off caused the great soil loss.

VETERANNEWS

From the OFFICE OF VETERANS' AFFAIRS LANSING

Changes in Insurance Plans

Veterans who will be converting their National Service Life Insurance in the future will be interested in knowing that seven plans of insurance are now available.

At the same time, changes in beneficiary designations and settlements were included in information received from the Veterans Administration.

The seven plans of insurance now being issued by the Veterans Administration are: five year term; ordinary life, 30-payment life, 20-payment life, endowment at age 60, endowment at age 65, and 20-year endowment.

The insured veteran may designate as beneficiary any person or persons, a corporation, or his own estate. He may elect one, or a combination of, four optional settlements for his National Service Life Insurance. These settlements are: (1) In one sum (may be elected only by the insured); (2) Equal monthly installments of from \$6 to \$240, in multiples of \$12; (3) Monthly income for life, 120 months guaranteed; (4) Refund life income, face value guaranteed. If the insured veteran elects no option, the insurance will be payable in 36 monthly installments.

The specialist points out that the first objective is to obtain a good seedbed pulverized to a point where the seed will make close contact with the soil. The soil must also contain adequate moisture in the surface layer to cause germination. Tillage should also be adequate to eliminate growing weeds and previous crop residues.

There has always been an argument whether to plow or disk for wheat, and Longnecker believes both have good points. If you plow, experiments show the seven-inch depth is best.

If a test proves your soil needs lime, an excellent time to apply it is in advance of the wheat crop. It can be applied either before or after plowing or disking with equal results. Because the soil is more compact before tillage, it is easier to haul the limestone before turning under the stubble.

Seed Rye Now for Early Spring Grass

Michigan dairymen will find lots of advantages in seeding rye now for pasture, points out A. C. Baltzer, extension dairyman at Michigan State college.

Rye will help to supply much-needed cow feed and assist in keeping the cost of producing milk from going higher. It will provide the earliest grazing grass in 1948 and often causes milk yields per cow to go up as much as 10 per cent. Grain costs are lessened through the use of rye. Silage and hay feeding can be reduced. Since rye sometimes favors milk, careful grazing should be practiced. Baltzer advises that farmers allow one acre of rye per cow. Rye should be seeded at a rate of six or seven pecks per acre. Two varieties are now available, Rosen and Balbo. Rosen rye is very winter-hardy but makes a slow growth in the fall and early spring. Balbo is not so winter-hardy, but makes a larger growth in the fall and early spring.

Films Available from U. of M. for Classroom Educational Use

Ann Arbor—A minimum of \$500 will set a school up in the business of running its own movies for educational purposes, Fred L. Lemler, supervisor of the University of Michigan Audio-Visual Education Center, has revealed.

This amount will buy for the school a 16 mm. projector and accompanying screen, Lemler explained. Films on a wide range of educational topics may be rented from the University Center by Michigan schools. Some of these films are free except for a small service charge.

Growing interest of school officials and teachers in audio-visual materials is indicated by the requests received for University aid in selection and use of such materials, Lemler says. During the past year, the Audio-Visual Center conducted demonstrations and conferences in 40 school systems in the state with some 4,000 persons in attendance.

Plow Oat Stubble Early To Prepare for Wheat Seedbed

Early plowing of oat stubble for fall seeding of winter wheat is recommended by E. D. Longnecker, soil specialist at Michigan State college.

Preparation of wheat seedbeds differs from other soil preparation only in that the operation occurs at a season of the year when the moisture condition may not be favorable.

The specialist points out that the first objective is to obtain a good seedbed pulverized to a point where the seed will make close contact with the soil. The soil must also contain adequate moisture in the surface layer to cause germination. Tillage should also be adequate to eliminate growing weeds and previous crop residues.

There has always been an argument whether to plow or disk for wheat, and Longnecker believes both have good points. If you plow, experiments show the seven-inch depth is best.

If a test proves your soil needs lime, an excellent time to apply it is in advance of the wheat crop. It can be applied either before or after plowing or disking with equal results. New Bounty Law on Red Foxes Is in Effect October 11

Lansing—For the 1,259 township clerks of Michigan who are the certifying agents under the state's new fox bounty law, the conservation department has prepared reporting forms and a step-by-step guide to the new law's operation. The law becomes effective October 11.

The bounty applies specifically to wild red foxes taken on and after October 11, the department points out. The rare tree-shedding gray foxes are not included. Foxes must be bountied within 10 days after capture.

To collect the bounty, the hunter or trapper presents only the raw fox pelt to the clerk of the township in which the fox was taken. The clerk collects a fee of 50 cents, punctures the fox's right ear in three places, fills out the forms in triplicate. The bounty claimant may then sell or otherwise dispose of the pelt.

One copy of the report remains with the clerk, two are sent to the conservation department in Lansing. From one of the department's copies a \$5 check will be written and mailed to the person who killed the fox. From the other, department game technicians will keep a record of where and how the foxes are being taken. The take in each township will be compared with that in neighboring townships, and with the take in earlier years. Reporting the foxes taken as adults or pups and reporting the manner of taking—shooting, trapping or den digging—is required for game men's population estimates.

The bounty application is in affidavit form, and a penalty of \$500 and six months in jail is provided for fraud or false statement.

A deduction of 50 cents from each small game hunting and trapping license sold will provide an estimated \$275,000 for the fox bounty fund.

This Is One Method of Controlling Our 'Impatient' Hunter

Lansing—With shotgun shells reported selling at nine or 10 cents apiece this fall, veteran duck hunters hope the beginners will think twice before pulling the trigger while ducks are still out of range. "Sky shooters" caused complaints on almost all the state's marshes last season.

Water is reported in many a southern Michigan marsh and pot hole that was dry a year ago, assuring duck hunters of many more shooting spots this fall. Statistical reports of conservation department field men and experienced cooperating observers are now being tallied for estimates of local duck abundance for the season opening October 7.

Besides paying more for shells, hunters will pay \$2 for the Michigan license, \$1 for a duck stamp.

Better Silage When Silo Is Cleaned Well

A little time taken to put the silo in condition before filling will pay dividends, according to agricultural engineers at Michigan State college.

The silo should first be cleaned by scraping off any old silage that may be adhering to the walls, and all litter at the bottom of the silo taken out.

Air leaks in walls may cause silage to spoil. Walls should be carefully examined and all small cracks filled.

KING FOR TODAY

- and Tomorrow and Tomorrow

WHAT's it like — parked here behind the wheel of this gorgeous style-pacer, with the sun smiling down, the road ribboning by, the whole world passing in pleasant review?

Well —

Maybe you've sat on a headland over the sea where you're one with the sky and the clouds and the breeze. There's a lot of that when you travel in this Buick.

Or maybe you've known the thrill of lifting a plane off the ground, and felt your spirits soar to the surge of singing power perfectly at your command.

There's much of that, too, in the eager

answer of the eight big Fireball cylinders under your Buick's bonnet.

Maybe you've cruised quietly through calm waters, relaxing to the lift and swell of a truly buoyant ride — there's more than a touch of that in the way this beauty's all-coil spring floats you over the stretching miles.

There is mastery here of time and of distance. There's the steadiness of ample roadweight, and the pleasant knowledge that wherever you go you are carrying the banner of tomorrow's automobile styling.

There's a big bang in the extra conveniences you enjoy here — a front seat that adjusts itself to your comfort at a finger-touch, door windows

that roll up and down at a button's command, a top that rises against changing weather at your pressure on a handy control.

Here are all the pleasures of motor-ing in measure to make you king for today and a thousand tomorrows — so why wait longer to get your name in for one?

Take our tip that when your Buick Convertible arrives it will be much, much more than the most you expect — and get a firm order in, whether or not you have a car to trade.

CHORUS NEWS

The Chelsea High School Chorus started the year under the direction of Mr. Gable with over 50 enrolled. Although the chorus is large, there is still room for more members, especially boys. The accompanist for the year will be Virginia Quatt. The chorus elected its officers, they are as follows:

Pres.—Sonja Weatherwax.

Vice-Pres.—Marge Proctor.

Sec.—Joyce Hughes.

SENIOR NEWS

The Senior class has elected for class officers, president, Agnes Forner; vice-president, Donald Baldwin; secretary, Rita Gross; Wilma Paul was appointed treasurer, and Lyle Christwell was elected as Student Council member.

Friday morning the magazine salesman for the Curtis Publishing company had a meeting with the class, and the annual campaign is on, with the class trying to make a record better than all the previous classes.

SOPHOMORE NEWS

On Sept. 9 after school, the Chelsea class held a meeting in study hall. They elected class officers and also an initiation committee. The officers are:

Pres.—Marilyn Johnson.

Vice-Pres.—Shirley La Van.

Sec.—Danny Maroney.

The treasurer has not been appointed.

The Student Council representatives are Marilyn Johnson and Correy Dreyer.

The following people are on the initiation committee: Jean McClure, Peggy Schaible, Jim Clark and Ronnie Eder.

This year we have three new members of our class. They are Blanch Allen, Patricia Murphy and Gordon Tinbooks.

FRESHMEN NEWS

During activity period Thursday morning the Freshmen class elected officers. They are as follows:

Pres.—Wanda Eschelbach.

Vice-Pres.—George Heydlauff.

Sec.—Jayne Proctor.

The treasurer has not been appointed.

Student Council representatives are: Buddy Johnson and Phyllis Kelly.

The following kids are new to the ninth grade class: David Hoffman, Dale Lentz, John Lightner, Martin Tobin, Frederick Fischer, Jerald Heydlauff, Duane Bott, Larry Wright, Robert Geer, Loren Frinkie, Carl Koch, Victor Gauthier, Claude Deatrick, Walter Bauer, Wanda Eschelbach, Ruth Beutler, Allan Erke, Hazel Haffey, Nancy Broderick, Kathleen Quigley, Elaine Ferry, Shirley Williams, Mary Weinkopf, Phyllis Kelly, Donna Noah, Re Ellen Lotridge, Maurine Hoffman, Mary Klobuchar, Ruth Elsmann, Arlene Haisit, John Rudd, Joan Rudd, Rosemary Marshall, Mary Murphy and Joan Schneider.

ELEMENTARY NEWS

Second Grade—They made covers for their weekly readers. They are now on the bulletin board in their room.

Fifth Grade—Raymond Shepard and Bonnie Anthony have been absent all week.

In art class they have been drawing Queen Ann's Lace and Golden Rod. They came out very successfully.

The fifth grade are making spelling note-books.

They have two new boys and one girl. Their names are Gale Lindcwal, Billy Plunkell and David Brown.

Sixth Grade—Fourteen girls and 16 boys enrolled Sept. 4, in the sixth grade. We are glad to welcome these new pupils to the group: Leon Hinderer, Jerry Leser, Shirley Push, Virginia Smith,

William Sutton, Kathleen Widmayer.

Seventh Grade—The new people in the seventh grade are Paul Allen from Catesburg, Kentucky, Robert Brown is from Canadawood in Onaway county, Kenneth Galbreath from Gregory. The new children coming in from country schools are Dean Clark and Henry Fletcher from Collins Plains school, Donna Fowler and Janet Latridge from the Riemenschneider school and Shirley Wier from the Red school.

Eighth Grade—Instead of the expected 22 eighth graders, there are now 36 members.

Dick Rudd came back from Kentucky this year. Cynthia Lord came from Iowa and Rosey Helzer from Lansing and Bobby Plunkett from Illinois.

Those who are from the nearby areas are Oscar Bollinger, Delois Batt, Beatrice Fowler, Alva Fouty, Lee Hoppe, Patricia Kintigh, Carl Lentz, George Winchester and Carl and George Young.

VACATIONS

Having spent a very enjoyable week in Buffalo, Mr. Chandler then came to spend the remainder of the summer at Cavanaugh Lake.

We're sure that after this enjoyable vacation he is happy to be back at Chelsea school for the fall and winter seasons.

Miss Larson spent a very enjoyable summer at Douglas Lake. She was visiting her mother and father. She swam and sun-bathed and received a most colorful tan! She came back to Chelsea to attend the wedding of Miss Hoffman, who was a teacher here last year.

All together Miss Larson spent a very wonderful vacation and we are all happy she is with us again this year.

One of our new teachers at Chelsea High this year is Miss Virginia Betley, who we think spent a very interesting vacation.

She attended the summer session for six weeks at college. She worked with the blind and found them amazing. After returning from college, Miss Betley went to visit a girl friend in Tawas City, on Lake Huron. Now she is here in Chelsea High for the school year, and we hope she enjoys it here.

While in New York City, Miss Betley saw some very famous places, such as the Empire State building, Radio City, and various others. After returning from New York she went to the Upper Peninsula. Now she is back to her usual duties in Chelsea High school.

Miss Searles spent the first part of the summer at their cottage in Canandaigua, New York. The last

five weeks were spent in summer school and sightseeing at Bowdler, Colo. Miss Searles feels that she enjoyed the whole summer a great deal.

Mr. Newkirk spent the summer at school at the U. of M.

Miss Shell spent a month visiting all her friends in Michigan and she enjoyed it very much.

Audrey Taylor, who is now a Junior in Chelsea High school, spent some of her summer vacation in Pittsburgh, Pa. She left Friday, the thirteenth of June at 1 p.m. and arrived at Pittsburgh at 12:35 a.m. She traveled by train and had many interesting experiences while visiting her cousin. She returned home July 18. She and her cousin visited the steel mills and other places of interest at and near Pittsburgh.

Dean Wortley was north twice this year with the Otto Elsmann family, staying for two or three days at a time. They had a wonderful time fishing and swimming. When they walked through the woods they would occasionally

come across deer trails. They were 179 miles north of Long Lake.

Ellen Jane Geddes and her parents and brother went on a two-week trip through the country. They spent a week at Wilmington, N. C., where they visited relatives. They saw many beautiful scenes of historic and scenic interest in their return trip they came by way of around Wilmington. They also

spent some time at the beach, which they enjoyed very much. After a week of gaiety and renewing friendships the Geddes family left for Washington, D. C., for a few days' visit. They then visited the White House, the Smithsonian Institute, and many other places. On their return trip they came by way of Niagara Falls.

From where I sit... by Joe Marsh

Yes, I'm Guilty!

Folks sometimes criticize us small-town editors for the way we often play up "little things" ahead of big... human, local news in place of world events.

I can't deny it. Read the *Clarion* and you'll learn about the Martins' golden wedding anniversary... about the community sing down by the river... the husking bee at Sober Hoskins, where neighbors helped husk the corn, and later drank sparkling beer together.

"Little things?" Maybe. But from where I sit, they add up to the

bigger things we call America: The friendliness of small towns... the helping hand... the respect for one another's rights. And above all the love of fellowship and freedom—whether it's freedom to speak one's mind or choose between a glass of beer or buttermilk.

I figure that if everybody looks after the "little things," maybe the bigger things will take care of themselves.

Styled to Stay Smart for Years!

Oldsmobile's style has "caught on" this year—has captured the public taste and fancy as few styles ever do. Tailored smartness... a look of luxury... smooth good taste in every detail... these are the qualities that make people say, "It's SMART to Own an Olds!" And all this public enthusiasm has a very important meaning for the buyer of a 1947 Oldsmobile. The car he

drives today will continue to be a source of real pride for many years to come!

What's more... with GM Hydra-Matic Drive*, this new Oldsmobile is way out ahead of the times in performance and driving ease. Hydra-Matic Drive—pioneered, proved and perfected by Oldsmobile—is still the only drive that shifts gears automatically through four forward speeds—the only drive that eliminates the clutch pedal completely. Oldsmobile—with Hydra-Matic Drive—stands today as the last word in smartness... the smart word in lasting value!

Quality of Fall Seeds Is Being Carefully Guarded by Ag. Dept.

The Seed Division is making plans for the fall seed inspection, according to Charles A. Stahl, State Seed Analyst of the Department of Agriculture.

All seed must bear a tag showing among other things, name of seed, percentage of germination, name and amount of inert matter, and name and kind of noxious weed seeds, and in the case of alfalfa, red clover, corn and soy beans, the state or territory of origin.

Because of the acute shortages of Michigan produced seeds, many dealers have found it necessary to patronize out-of-state seedmen, some of whose products do not meet all of the legal requirements for germination and noxious weed content. Bluegrass has caused seedmen considerable difficulty in meeting germination requirements. Since the Department was particularly alert to the bluegrass situation, samples were taken early and germinations completed as soon as possible. As a result of these tests, the Department has removed many tons of lawn seed

from the market because of the low germination found. Practically all of this unsalable seed was returned to the out-of-state shippers. The Department of Agriculture hopes this experience will prove profitable in preventing a recurrence of further violations.

Improved Bulletin on Home Canning Now Available to Everyone

Improved directions for canning vegetables are given in a bulletin called "Home Canning of Fruits and Vegetables," which is now available at the Agricultural Extension office, Court House, Ann Arbor.

Recently printed by the U. S. Department of Agriculture, the booklet contains some new canning directions and is different from the bulletin which you have been using.

Scientists canning nearly 4,000 jars and tin cans of vegetables to find how much heat it takes to can for safekeeping. As a result this new bulletin calls for shorter heating in the pressure canner for many vegetables.

Use of these new directions will give you canned vegetables with better flavor and more vitamins.

Record Enrollment Expected at U of M for Coming Year

Ann Arbor—Classes will begin anew at the University of Michigan on Monday, Sept. 22, with another record-shattering enrollment expected for the 1947-48 school year.

A peak registration of 20,500 is anticipated by the University, which for the past three years has watched its enrollment shoot upward.

Last spring total was 19,137 students. This fall's enrollment is expected to include approximately 8,000 students who have never attended the University of Michigan previously. The newcomers, 2,000 freshmen and 1,100 transfer students, will arrive on campus on Sept. 15, a full week early, for orientation and registration activities.

Registration for all students, old and new alike, will begin on Sept. 17 and will be completed on Saturday, Sept. 20.

Construction of new student housing in the past year—Michigan has had one of the largest university housing construction projects in the country—will enable the University to take care of the additional students expected this fall.

A new dormitory for men students will be ready, and will bring to a total of 5,600 the number of

students who can be cared for in University Residence Halls. Twelve apartment buildings in University Terrace were completed last year for the use of married students. Willow Run Village, a federally-owned housing project 10 miles east of the campus, will accommodate 1,820 single students and 1,500 married students, all of them veterans. Other students will be housed in fraternities and sororities, University-approved rooming houses, private homes, Pittsfield Village, and Veterans' Village, in Ann Arbor.

Trio of Birthdays

(Continued from page one)

road happened to be located there. Travelers along the Territorial road (old U.S.-12) often stopped at the farmhouse to spend the night and one such traveler died there of cholera. Because he died of cholera the Vermont cemetery authorities of that day would not allow him to be buried there, so her grandfather had him buried in the plot which later became known as Pierce's cemetery. The second person buried there, as Miss Pierce remembers the story was a little girl who fell from a wagon and was killed while she was on her way west with her family.

Miss Pierce still owns the candle molds used by her mother and grandmother in the making of their own candles, and remembers watching her mother make them often.

Like Mr. Guthrie, Miss Pierce was remembered with many cards on her birthday from relatives, friends and neighbors. During the afternoon and evening she had a number of callers who came to wish her a happy birthday.

The third of this trio of native nonagenarians is Mrs. David Schneider, who, with her son Reuben, lives on South Main street at the corner of Lincoln street. She will be honored at a family gathering at her home on Sunday, September 28, in celebration of her birthday, according to present plans. Some members of the family cannot be present during the week, so the celebration is usually held on the Sunday nearest her birthday.

Mrs. Schneider is the former Magdalena Wagner. Her parents, John and Elizabeth Kuebler Wagner, were born in Germany, but met and married after both had come to the United States.

Following their marriage, Mr. and Mrs. Schneider lived for about three years near Dexter and then moved to what has been known since as the Schneider farm on Haist road where she remained until November 1923, after the death of Mr. Schneider, following a heart attack on July 8, 1922.

Mrs. Schneider still owns the farm and Floyd Fowler lives there and operates it. Mrs. Schneider is one of eight surviving charter members of the Ladies' Aid Society of Zion Lutheran church, Rogers Corners. The society celebrated its 50th anniversary on July 15, 1945. Mrs. Schneider was its first secretary.

About seven years ago Mrs. Schneider fell at her home and broke her hip. She was confined to bed for many weeks and since that time uses a crutch to get around the house to do her work. Her daughters come often to assist her with the heavier work about the house, but she does the cooking and many of the lighter tasks, with the help of her son.

Mrs. Schneider had three sons and three daughters, Oscar, Albert and Reuben, and Bertha, Clara and Anna. The daughters are now respectively, Mrs. William Finkbeiner of Steinbach road, Mrs. Edward Ladd of Detroit, and Mrs. F. L. Arner, wife of Dr. Arner of Bellevue. Reuben is the only surviving son; Albert having died in 1937 and Oscar in 1941.

Mrs. Schneider has seven great-grandchildren and twelve grandchildren. One grandson, Howard Ladd, a pilot in the air forces, was killed while in service, in 1943.

Mrs. Howard Flintoft, Carl and Paul Schneider are three of the grandchildren, and Peter and Jeffrey Flintoft, are great-grandsons.

He also stated "Immediate result of an injunction against this property-elected board will be interruption in the education of our children."

It was reported that a committee of five men from the group of 66 plaintiffs in the pending suit was to be appointed to meet with attorneys of both plaintiffs and defendants to attempt to form a working agreement for the operation of the school program until the trial of the suit is concluded.

To Market We Go

Buchanan. — Residents of the West Buchanan district were interested one day last week when they saw a U. S. Army ambulance travel along Wagner road with an apparently heavy load. It was found though that instead of human freight it was loaded with 35 bushels of Hale-Haven peaches. It seems that Ira Boone, a fruit buyer from a small town on the Minnesota-Canadian border, who bought the vehicle from the surplus war commodity administration to use in hauling fruit, did not have time to repaint it before the peach season opened and he had to use it with the U. S. Army lettering still on it.—Berrien County Record.

Mr. and Mrs. William Daiger of Dearborn spent Sunday and Monday at the home of their nephew and his wife, Mr. and Mrs. George Brettschneider.

Mrs. Louis Stapish with Mr. and Mrs. H. Bolts and daughter, Jerry, and Bob Scholl from Monroe, returned Sunday from a week's trip to the eastern coast.

SEEKING NEW MAYOR
Frankfort — As the deadline (6:00 p.m. today) for the filing of petitions of candidates for mayor approaches it appears as if there will be three contestants. The field may be increased this afternoon, but at the present time two petitions have already been filed with the city clerk. They are petitions for Ralph Dixon and Perry Mauch. A petition for Bob Mielor is being circulated at the present time. The election will be held on September 22nd for the purpose of filling the vacancy created by the recall of E. C. McCauley.—The Benzie County Patriot.

LIBRARY NEWS
"WHERE THE SABIA SINGS"
Henrietta Chamberlain, daughter of North American missionaries, writes an enjoyable and vivid story of her life in the Brazil she loved. It is an interesting narrative of the conflict of two cultures in the mind of a young girl and of her feeling the need to protect her innocent blue-eyed mother from the real-ity of Latin life.
