

Chelsea Bulldogs Gain Moral Victory over Dexter Eleven Fri. Night in Season's Opener

Battle Ends in 0-0 Deadlock Before Crowd of 1,300 Fans

By DWIGHT GAUD

Failing to show anything on the attack, once inside of Dexter's 20-yard line, the Bulldogs had to settle for a 0 to 0 tie last Friday night, before a crowd of 1,300 in their inaugural game of the 1947 pigskin season.

Chelsea exhibited a slightly better than average high school offense when on or within a few yards of the middle field, but on the four separate scoring chances they engineered, their power and drive lasted only until they were within sight of the last white line. There the attack bogged down on each occasion.

Drives of 61, 54, 66 and 49 yards were nullified in devious ways—an intercepted pass and a fumble ruined the first two, the last two just lost their spark and died out with wonderful scoring opportunities, only a few yards away.

Vogel looked quite promising on end runs and reverses and if he isn't bothered by that injury jinx again this year he should go places. Slane made good yardage on the power plays over guard and center and off tackle, as did Carlson. Capt. Miller did some very fine passing and with Baldwin, Slane and Carlson on the receiving end of most of them, Chelsea had a very competent aerial game.

Defensively, Chelsea's first line looked good, holding Dexter to five first downs, compared to 16 for the local lads, and should improve as the season progresses. When the offense begins to click from goal line to goal line, the 1947 Bulldogs will find themselves in the win column.

Dexter again has a well-balanced running attack, spearheaded by Delatore and Johnson. Delatore does the passing for them, but couldn't hit his receivers last Friday night. Johnson does their punting and got off some of the best ones seen around here in some years. His shortest kick was 40 yards and his best was a high, spiraling 65-yard beauty. Dexter ran their plays from short punt formation as compared to Chelsea's single wing and "T" formations and on almost every play had 3 to 5 blockers in front of the ball carrier. Once those blockers start clicking, Dexter will be hard to stop.

The game was hard fought, but clean, all the way. Good sportsmanship, such as that displayed last week, improves the game 100 per cent for all concerned—players, officers and spectators alike.

Tomorrow night, Sept. 26, at 8, under the lights at Flat Rock, Chelsea will open its 1947 Huron League season. It's quite a jaunt down there but let's have as many there as possible. Give the team your support!

Dr. and Mrs. Paul Called to Dayton, O., by Death of Father

Dr. and Mrs. L. J. Paul were called to Dayton, Ohio, on Friday by the death of Dr. Paul's father, Louis R. Paul, which occurred that day at his home there.

Funeral services were held at 2 o'clock Monday afternoon at the R. J. Worst funeral home in Dayton, and burial took place in Memorial Park, Dayton. Officiating at the services were Rev. J. T. Walston and Rev. Robert Burch Foster.

Mr. Paul was a member of the Riverdale Methodist church, treasurer of the Methodist Union, and had been secretary of the Goodwill Industries since its inception. He was also a member of the Dayton Kiwanis club, Mystic Lodge, Free and Accepted Masons and Dayton Commandery.

CHAMPIONSHIP PLAY-OFF GAME RAINED OUT

Sunday's wind and rainstorm stopped the play-off game between Chelsea and Brighton in the second inning at West Park, Ann Arbor, and thus delayed settlement of the Tri-County League championship.

Another attempt to settle the title will be made next Sunday at West Park.

Narrow Escape from Disaster as Train Hits His Car

A car driven by Jolly Gullett which stalled on the tracks of the New York Central railroad at the East street crossing was struck by the fast westbound train, No. 823, at 3:48 o'clock Monday afternoon.

The front end of the car which was on the track was demolished, but Mr. Gullett escaped injury. He stated to Police Officer George Doe that the car had stalled before he reached the track and he had started the car and driven ahead on the track where it stalled again. While he was trying to get it started the flasher signal came on and the train struck the car before he could get it going again.

The engineer on the train at the time of the accident was F. E. Brewer and the conductor was H. E. Sherbrook. Both men are from Detroit.

The train stopped for several minutes while reports of the accident were made and then went on.

Rally Day Held in Ann Arbor Tuesday for Extension Clubs

Rally Day for Washtenaw county Extension clubs was held on Tuesday, Sept. 23, at Bethlehem church in Ann Arbor. This annual event is known as a training school for the Extension workers for the year's projects are given in the meetings conducted throughout the day for the different groups, such as leaders, chairmen, etc.

A pot-luck dinner was served at noon. South Sylvan Extension Group members who attended were Mrs. Mary Hatt, Mrs. Harley Hatt, Mrs. Wilber Hatt, Mrs. Walter Wolfgang, Mrs. Gordon Van Riper, Mrs. William Pritchard, Mrs. Joseph Merkel, Mrs. George Steele, Mrs. Everett Van Riper, Mrs. Alfred Eismann and Mrs. Leon Chapman. Lima Center Group members who attended were Mrs. Harvey Fischer, Mrs. Vincent Ives, Mrs. Alvin Pommerening, Mrs. Harold Shepherd, Mrs. Lowell Spike, Mrs. William Price and Mrs. Harry Knickerbocker.

Grade School PTA Hold Their First Meeting of Year

The first meeting of the Grade School Parent-Teacher Association for the current year was held on Thursday evening, Sept. 18, in the Home Ec. room at the Chelsea High school with about 40 in attendance.

This meeting had been designated as a "get-acquainted" meeting and Russell McLaughlin of the Board of Education, introduced this year's teachers, while the parents present introduced themselves.

The meeting was opened with group singing of "America," led by Mrs. E. Kelly, kindergarten teacher, with Mrs. John Hale, first grade teacher, as piano accompanist. This was followed by the Parent-Teacher prayer.

A short business meeting was held and then, in keeping with the program topic, "Know Your School," Edwin Eaton, president of the Board of Education, spoke to the group, explaining the present situation in connection with the consolidation of school districts in this area, and what the Board of Education has been doing in regard to the matter.

Superintendent Albert C. Johnson spoke briefly about the time-honored school bus and explained its operation, and the meeting closed with group singing of "Sweet and Low" and "Auld Lang Syne."

Refreshments followed and were served under the chairmanship of Mrs. Stanley Beal.

The next meeting on Oct. 15, is to be in the form of a membership drive and will include a pot-luck supper.

FIRE DEPARTMENT CALLED OUT TWICE

The Chelsea Fire department made a run to the Durward R. Hutchison farm on Lima Center road south of the old cement plant about 5:30 Saturday afternoon, when the remains of an old strawstack were discovered to be on fire while the family was away. No damage resulted.

Sunday morning the department was called out about 9 o'clock by what proved to be a false alarm.

Dogs Make Another Disastrous Attack on Sheep in Pasture

Thirty-four sheep, out of a flock of seventy-two, belonging to N. H. Miles, were killed by dogs sometime between Sunday night and Thursday noon of the past week. Mr. Miles, who lives on the George Hinderer farm on Scio Church road, had his sheep out on pasture at the farm known as the Schneider farm, on Conway road, north and west of Chelsea.

Discovery of the killed sheep was made by Robert Schneider, son of Mr. and Mrs. John Schneider, who had gone to the farm to do some plowing. He notified Mr. Miles, who called Justice Howard Brooks, and both went to the scene immediately.

A number of the other sheep in the flock were injured, two so seriously that it was thought they might also die.

The dogs responsible for the killing have not been identified.

Friday night Mr. Miles, with Henry Orthing, Jr., Albert Doll, Jr., and Don Huehl, were on guard at the farm, but saw no dogs.

There is a bounty of \$10 on dogs killed in the act of killing sheep. However, dogs are not supposed to be at large at all at this time, because of the county-wide dog quarantine which will remain in effect through October 10.

A number of attacks have been made on sheep in the area north of Chelsea during the past two months, this being the second time Mr. Miles' flock has been hit. Other flocks attacked were those of Ralph Keeler, three times; Leonard Elder, twice; Albert Hinderer, Clarence Stapish, Homer Stoifer and Eisenberger's.

Michigan To Have Sister Kenny Clinic

Detroit—Within the year, Michigan will have its own Sister Kenny Institute, it was announced recently by William G. Baxter, executive administrator for the Kenny Foundation, who has just returned from Minneapolis after a conference with Sister Elizabeth Kenny and officers of the Institute's board.

The proposed Michigan institute will be staffed by fully-trained Kenny personnel and will offer all the therapeutic treatments now being given polio victims at the home institute, Baxter said.

Of further import is the statement that, with the exception of some 10 to 15% to be budgeted to the Minneapolis Institute for expansion and maintenance, all monies collected in Michigan during the current drive will remain within the state rather than just the 10% allotted in the two previous drives, Baxter stated. This, he added, will make the Third Annual Appeal of the Foundation fully a Michigan activity.

Contributions may be made now, through the canisters placed in all local business houses, or placed in the envelope found on your milk bottle, for the dryman to pick up.

Enroute on 2-Month Trip to France

Mrs. Maxine Howe and Mrs. Frank Etienne left Jackson on Tuesday evening, Sept. 16, enroute to New York City, from where they sailed for France, Thursday, Sept. 18, on the S. S. Queen Elizabeth.

They expect to be gone two months, having reservations to return to the United States on Nov. 20 on the S. S. Queen Mary.

Mrs. Etienne is a daughter of Louis Burg of Chelsea. She will visit the grave of her son, James Etienne, who died in France during World War II.

Mrs. Howe plans to visit her mother there.

Mrs. Etienne had sent her Chelsea relatives word of the time her train would pass through Chelsea, and a group of them went down to the crossing to wave to her, expecting to get a glimpse of her as the train went by, but the Diesel-engine train was traveling at such high speed they couldn't catch sight of her. However, Mrs. Etienne wrote, after reaching New York that she had seen them waving as the train went through here.

Mr. and Mrs. Fred W. Draper left Tuesday morning for a trip to Florida, where they expect to make their home.

Mr. and Mrs. E. O. Outwater, formerly of Chelsea, were visiting their daughter and family, Mr. and Mrs. Clarence Reddeman, at Lima, on Sunday. Mr. and Mrs. Outwater are planning to leave October 1 for a motor trip to the west coast. They expect to stop in Denver, Colo. on the trip west, to visit Mr. Outwater's two brothers, and then go on to their son's home in southern California.

Agree on Plan To Run School During Suit

Two New Buses Are Purchased, Began Making Their Runs

Attorneys and representatives of both the plaintiffs and defendants in the pending suit to test the legality of the election held on August 28, which resulted in a vote of 508 to 399 in favor of consolidation of school districts in this area into a Rural Agriculture district, and also to test the legality of the election of a Board of Education of the new district on September 12, met in the Circuit court with Judge James R. Breakey presiding, Wednesday afternoon of the past week at quo warranto proceedings for the purpose of coming to an agreement by which the schools could be operated until settlement of the pending suits.

Rules of the agreement arrived at are as follows:

The schools are to continue to operate as they have been, and under no conditions should they discontinue to do so.

No new taxes may be levied for purposes other than operating the schools as they have been operating.

Financial assets of the districts affected by the consolidation are to be consolidated, but not the real estate of the districts.

Financial affairs of each district are to be kept in separate accounts.

Buses for the transportation of pupils should be purchased. Should the Rural Agriculture district be dissolved when the suit is settled the buses are to be sold and the proceeds pro-rated among the districts.

Following deduction of the amount of depreciation on the buses and cost of transportation of pupils, less the amount received for that purpose from the state.

In accordance with the rules of the agreement the buses were purchased from the Reo Motor Car company of Lansing, and the bus on the southern route of the new district made its first run on Monday, with sixty pupils being transported to and from school in it.

On Tuesday, the northern route bus began operation, and arrived at the school with forty-three pupils.

The driver on the southern route is Russell Alstaetter, while on the northern route the driver is Melvin Grogitsky.

College Scholarship Is Offered High School Debating Champion

Ann Arbor—High school debaters in Michigan will compete for a \$2,500 college scholarship through the Michigan High School Forensic association this year, Lawrence W. Grosser, manager, has announced.

The scholarship has been provided by the Detroit Free Press, and may be won by the winner in any one of 33 Michigan colleges. The winner will be selected from students who have participated two or more years in debate competition directed by the Forensic association, which is an agency of the University of Michigan Extension service.

So. Sylvan Extension Club Holds Meeting

The South Sylvan Extension club met at the home of Mrs. Leon Chapman Thursday evening, Sept. 18, for the first meeting of the Fall and Winter club year.

Election of officers was held and the new officers are as follows: Leaders, Mrs. Walter Wolfgang and Mrs. William Reule; chairman, Mrs. Leon Chapman; vice-chairman, Mrs. Everett Van Riper; secretary and treasurer, Mrs. Gordon Van Riper; community chairman, Mrs. George Steele; recreation leader, Mrs. Alfred Eismann.

Four new members were added to the club at this meeting, Mrs. Alfred Eismann, Mrs. Vergil Pabst, Mrs. Fred Gentner and Mrs. Rohn Miller.

At the close of the meeting refreshments were served by the hostess to the 25 ladies present.

Unknown Parties Smash Windows

W. H. McAtee, who resides on Sylvan road, reported that about 5 o'clock Saturday morning, stones were thrown from the yard by parties unknown, resulting in the smashing of two windows in the front bedroom on the second floor of his home where four young children from seven to eleven years of age were sleeping.

Glass was scattered all over the room but the children escaped injury.

Medical Science Aids in Sponsoring Sister Kenny Clinic

Medical science has collaborated in establishing the first Sister Kenny Clinic for the treatment of Infantile Paralysis outside of the original Kenny Institute in Minneapolis. The clinic, established a few weeks ago in Centralia, Illinois, was sponsored by the Marion county Medical Society, an American Medical Association group, with the support of the entire community. Directed by the doctors of that area, their local appeal raised

Tag Day, Saturday

Saturday, Sept. 27, the Auxiliaries of both the American Legion and the Veterans of Foreign Wars will aid in conducting a Tag Day in Chelsea for the benefit of the Sister Kenny fund drive, now underway.

Remember that polio is not particular where or whom it strikes, so give generously to help stamp out the crippling effects of this dread disease.

\$60,000, with the State Kenny organization contributing the balance.

During an impressive dedication ceremony of the new clinic, Sister Elizabeth Kenny, famed Australian nurse who discovered this treatment, said, "This institution is a gift to you people, to all faiths, creeds, races and to the poor. I admire your cooperative movement in establishing this clinic. I am proud and happy to give you this gift."

William G. Baxter, executive director of the Sister Kenny Foundation of Michigan, when commenting on this project said, "This is indeed a momentous occasion. The close cooperation of the medical profession and Sister Kenny is most gratifying. It will spur us on to redoubled effort in training more technicians and creating new teaching centers and facilities through which, eventually, nurses and physical therapists capable of administering the complete Kenny treatment will be available to every doctor to fight this dread disease under their competent supervision."

"I congratulate and compliment the Illinois Division and sincerely hope that we in Michigan may be next to establish a clinic and training center. The lack of fully-trained technicians is the bottleneck preventing the full authentic treatment being made possible to every polio victim. The faster we can create these training centers the sooner we can make our gift available to the medical groups and march shoulder to shoulder with them in the ceaseless battle against the great cripple, Infantile Paralysis."

Guardsmen Take Part in National Recruiting Drive

"The historic tradition of the citizen-soldiers of the Michigan National Guard, dating back to the very origin of the state, has been one of unbroken and honorable service to our communities, our state, and our nation in time of peril," declared Governor Sigler in his National Guard Day Proclamation last week, pledging the support of Michigan in the two-month nationwide recruiting campaign inaugurated on Tuesday, September 16, National Guard Day.

"The Michigan National Guard once more is reforming its ranks after its valiant contribution to the recent victory and must again take its place in our first line of defense as guardians of the peace," the Governor declared.

Already more than 4,000 strong, the Michigan National Guard is out to increase its strength by 3,200 new enlistments in a recruiting contest which will terminate November 16, according to Brig. General LeRoy Pearson, adjutant general of Michigan.

Enlistment at 17 is now authorized for the National Guard, under a recent act of Congress.

ATTENDS FUNERAL AT ROYAL OAK

Mr. and Mrs. Harold Messner and family, Mr. and Mrs. Kenneth Exelby and family and Mr. and Mrs. Grover Douglas attended the funeral of Wilbur Exelby at Royal Oak, Tuesday afternoon.

Mr. Exelby was Mrs. Messner's and Kenneth Exelby's father and had spent summers here at the farm home of his son. He died at his home in Royal Oak early Sunday, Sept. 21.

Survivors include his wife, two daughters, Mrs. Messner of Chelsea and Mrs. Don Fuller of Grosse Ile; five sons, Elmer, Charles, John and Richard of Royal Oak, and Kenneth Exelby of Chelsea, and one sister, Mrs. Cora Morris of Owosso.

Burial was in Royal Oak.

Severe Windstorm Does Considerable Damage in Lyndon

The storm which struck this vicinity Sunday afternoon, and which, we are told, was the meeting of the tail-end of the hurricane which devastated portions of the southern part of the country last week, and a cold mass of air from Canada where snow had been reported, caused considerable damage north and west of Chelsea where many trees were uprooted, windows in a number of homes broken and roofs damaged, while the barn and corn-crib on the Marion Longworth place on Joslin Lake road were blown down. The Longworth's daughter, Flo Ann, was in the basement of the barn at the time but was not hurt. She had just left the barn to go to the house when the storm broke and she returned to the barn basement helplessly from the house saw the barn go but were unable to go to her aid until the wind subsided somewhat. They were very much relieved to find her safe and unhurt. Hay stored in the barn was scattered, and four or five trees were blown down.

At Mrs. Iva Harker's on Hankerd road, five fine, old trees in the yard and four apple trees in the orchard were blown down. Glass in two windows of the house was shattered by the force of the wind and two entire windows and frames were blown out of the casings. Two barn doors were torn off and carried some distance, limbs were broken from almost every tree left standing, and two chicken coops about 5x8 feet in size, were picked up by the wind and carried over into a field. Mrs. Harker said she was watching as one of the coops was picked up and she said it went up so high in the air that she lost sight of it before it came down again at some distance.

Wilbert Breitenwischer, foreman at the Chelsea yards of the highway department, said the storm seemed to be most severe in the Lyndon township area. He was out until 10:30 o'clock Sunday night placing flares on roads that were completely blocked by fallen trees. Those blocked were Roopcke, Boyce, Roe, Embury and Leeke roads. Of these, Embury road was the worst; five or six huge trees being down in the road at one point, and crews were still working there yesterday. Mr. Breitenwischer thought they would get the road opened for traffic by last night. Two of his men worked all Sunday afternoon to keep N. Territorial road and M-92 passable.

Mr. Breitenwischer said Sunday's storm caused the worst blockade of roads by fallen trees in this area since he has been employed by the highway department.

Jackson county crews working just across the county line told him that conditions north of Waterloo and around Munith were even worse than those in the Lyndon township area. That area has suffered severe damage from storms several times during the last few weeks.

First Day of Autumn Brings Chilly Weather

Autumn weather arrived officially, and in person, Tuesday morning of this week, September 23, when the thermometer dipped to a low of approximately 35 degrees. Early risers were greeted with the sight of the season's first frost, whether the idea of approaching winter appealed to them or not. Although the frost was quite light in most spots, some easily affected plants, such as tomatoes, felt the blight, and farmers with corn which needs two weeks more of nice, warm weather to ripen, became more worried than ever over the hopes of seeing a mature crop.

ATTENDS SHOW IN CHICAGO

On Friday and Saturday, M. W. McClurg attended the Production and Machine Tool show, which is being held at the International Amphitheatre in Chicago from September 17 to 28. While there he was very much surprised to meet M. C. "Conkie" Dunkel, formerly of Chelsea, but now residing in Culver City, Calif. Mr. Dunkel was attending the show as a representative of the Zila Manufacturing company of Culver City. He flew from Chicago to Willow Run on Saturday, and came to Chelsea to spend a few days with his parents, Mr. and Mrs. M. J. Dunkel, before leaving for California, Wednesday morning.

Cassidy Lake School Buys War Surplus Welding Equipment

Michigan schools and local units of government were among the more than 50 buyers of a recent offering of surplus welding equipment by the Detroit office of War Assets Administration.

WAA received 123 offers to purchase material which originally cost \$21,469. Recovery was \$10,214, which is considerably over the rate for most classes of surplus goods, according to R. F. Haggerty, Detroit regional director.

The Cassidy Lake Technical school, received six of the 53 lots which were sold. The Utica public schools received four lots and the Vermontville public schools, and the Antrim county road commission, Mancelona, purchased two lots each.

CHELSEA RURAL TEACHERS CLUB HOLDS MEETING

The Chelsea Rural Teachers' club held its September meeting at the home of Mrs. Norine Whipple, with a number of new members present, as well as two guests, Miss Mabel Fox of Chelsea, and Mrs. Gertrude Nanny of Ypsilanti. Mrs. Nanny demonstrated many interesting Indian drawings and also material for use in fourth grade geography, and it was stated that her fine presentation of the subject gave almost as much direct instruction "in the hour she was speaking as is sometimes gained in a semester of industrial arts in college. The club members thanked her for her fine contribution to the program.

Following adjournment of the meeting a delicious lunch was served by the hostess, assisted by Mrs. R. D. Gadd, as co-hostess.

25TH ANNIVERSARY

Mr. and Mrs. Edmund D. Miller, Sr., whose 25th wedding anniversary occurred on Tuesday, Sept. 23, celebrated the occasion with a family dinner at their home Saturday evening. They were presented with several beautiful gifts.

Mr. and Mrs. B. Farmer and daughter, Doris of Midland, were guests Sunday at the home of Mr. and Mrs. W. G. Price.

CLEAN SCHOOL?

Our school looks very beautifully clean this year. We have freshly-painted walls, freshly-cleaned floors; our desks have been scraped and varnished, and there are many other new fixtures also. How long will it stay that way if we toss debris everywhere. If students carving their names on desk tops, writing on walls, sticking gum on the floors and under desk tops, and so on. What will school look like?—Yes, that's right. It will look simply awful! It wouldn't break

our arms to pick up a little paper from the floor, and it wouldn't break our legs to walk over to the waste paper basket and deposit our gum, paper, or whatever it may be; after that's why they're there. It will also save a lot of time for the janitors, who will be able to keep our school cleaner much more easily, if they don't have to pick up after us. An ounce of prevention, to keep it from getting dirty, is worth a pound of cure in cleaning it up afterwards. Students, let's all stick together and keep Chelsea High sparkling clean.

CLASS OF 1947

Looking back over our last year's seniors from C.H.S., we find Bragdon Barlow and Marjorie Ferguson enrolled at Michigan State Normal, Ypsilanti; Western State Teacher's college claims Duane Quatt, while the University of Michigan claims Robert Daniels, Patricia Mohrlock, Loren Munro and Paul Schable. Michigan State at East Lansing has enrolled Eileen Eisele and Marcelline Hinderer for a year. Milton French and Ray Knickerbocker have left for Detroit, where Milton has enrolled with the Detroit Bible Institute, while Ray enrolled at Wayne university. Wilma Koehnter and Nancy Loose have ventured farther away from home. Nancy plans to attend the University of Tennessee at Nashville, and Wilma has left for Columbus, Ohio, to attend Capital university. Geo. Palmer is going even farther, for he plans on attending Miami university in Florida. Loretta Lindauer is claimed by Cleary's Business Institute, while Jack Merkel has chosen Ferris Institute at Big Rapids. Ann Lambertson plans on attending Olivet. Oh yes! Jerome Burg is back at Chelsea High again, taking a post-graduate course.

Of course, there are those lucky people who are vacationing. Jack Winans is somewhere in the East, and Maxine Ingram is in California.

Many of the seniors are working among them Freeman Boyer, Joseph Geer, Donald Koch, Edwin Lantis, Eunice Lehman, Joyce Lentz, Donna Manville, Mary Alice Markwardt, Norma Pierson, Richard Schultz, Helen Vail and Johana Gauthier, all of whom are employed in Chelsea.

We wouldn't want to forget the future farmers, whom we enumerate as Donald Barth, Donald Haffley, Richard Kalmbach, George Merkel, Robert Shanahan, Robert Schneider and Charles Sullivan. Marilyn Eschebach, Clara Miller, Ruth Stone, Doris Trinkle and Janis Wier are in Ann Arbor working.

Ah! In this class there is one bride, a Mrs. Sheldon, better known as the former Naomi Gordon.

The few who are at home are Helen Harker, Amelia Hess and June LeVan.

To all graduates, the present

student body offers its best regards and wishes for future success.

REFLECTIONS OF A (?) STUDENT

Already three weeks have elapsed (seems like a year) and for most of us school is really under way and in full swing.

To those of us who've attended the institution (as Mr. Cameron would say) before, it's nothing but the same old grind. There are quite a few new students to whom we wish to give a hearty welcome and express the hope that they want to stay. Our brain factory really isn't such a terrible place. There are some things that brighten up the life—such as football. Speaking of football, has anyone noticed some of those sturdy fellows, who happened to get the worst end of it at practice

DEXTER vs. CHELSEA

1st Quarter—Last Friday night at 8:15 the first kickoff of Chelsea's 1947 series came off. The first game was with Dexter. A record attendance was there to greet the Bulldogs. Chelsea won the toss and elected to receive. Johnson kicked off and Siare received the ball on his own 10 and ran the ball back to the 40. Chelsea took the ball to Dexter's 20. There Dexter took over, made two first downs and got the ball to the 49 yard line. There they lost ground and lost the ball. Chelsea took over, but got a penalty of 5 yards for illegal substitution. In spite of this handicap Chelsea made three first downs from their own 20 to Dexter's 28. On the next play Dexter intercepted a pass. They took over on their own 16 and made no headway. The quar-

JOURNALISM CLUB

The Journalism club held its election last Thursday, with the following results: Pres.—Paul Niehaus. Vice-pres.—Charlotte Otto. Sec.—Audrey Taylor. Treas.—Donna Kalmbach.

Helen Wellhoff was appointed to take charge of the bulletin board, and Mary Ann Gage to see that the Journalism news appears in the club scrapbook.

The club talked over the possibilities of going to Lansing to a Journalism meeting which is to be held on Oct. 17. It seems almost impossible to take all club members because it is held on a school day. No other plans were made. There is, however, a possibility that a delegation of second and third year members may go, providing they find their own transportation.

This year the Journalism club will put on a pep-meeting, Nov. 14.

ter ended here with the score, Chelsea 0, Dexter 0.

2nd Quarter—Chelsea started the 2nd quarter by making three first downs in a row from their own 31 to Dexter's 16. There, with fumbles in the backfield and a blocked kick, Dexter took over on their own 28. On their third down they fumbled the ball and Chelsea recovered. Chelsea then took over on Dexter's 48. Chelsea made no ground and punted to Dexter's 9. Dexter punted to get out of a tight spot and before Chelsea could do anything the half ended. The score was Chelsea 0; Dexter 0.

3rd Quarter—Chelsea kicked off to begin the 3rd quarter. Dexter received but gained no ground. Chelsea took over on their own 48, due to a 15 yard penalty on Dexter. In a series of four first downs, Chelsea took the ball to Dexter's 10 yard line. There they lost it, however, and Dexter took over and punted to Chelsea's 45. Chelsea made no headway and Dexter intercepted a pass. Here the quarter ended and the score was still Chelsea 0, Dexter 0.

4th Quarter—Dexter made no headway and Chelsea took over. Chelsea got a series of three first downs, the last one made by a pen-

Being Rally Sunday we will have promotion. Bibles will be given Juniors who advance into the Intermediate Department. Gordon Van Riper, superintendent, will be in charge. Classes will assemble after the program. Two new groups are being started; namely, the Young Adult Group and the Men's Discussion Group. According to the request of the Detroit Conference the regular annual offering will be taken in behalf of Christian Education.
7:00 p.m.—Youth Fellowship

ally on Dexter, to Dexter's 35. Chelsea lost ground and Dexter, taking over, had the same bad luck. Chelsea took over on their own 28 but the game ended before anything could happen. The final score: Chelsea 0; Dexter 0.

Chelsea plays Flat Rock there tomorrow night. The rest of the schedule is as follows:
Oct. 8—Romulus (there).
Oct. 10—Roosevelt (here).
Oct. 17—Milan (there).
Oct. 24—U. High (here).
Oct. 31—Saline (there).
Nov. 7—Dundee (here).
Nov. 14—Manchester (there).

SYLVAN FARM BUREAU

The regular monthly meeting of the Sylvan Farm Bureau was held Friday evening, Sept. 12, at the home of Mr. and Mrs. Walter Wolf.

The attendance was very good and following the business meeting refreshments were served.

ATTEND DISTRICT RALLY

Mrs. Magdalen Weber, Mrs. Clara Hutzler, Mrs. Dorothy Lentz and Mrs. Janet Hutzler attended the Fifth District VFW Rally at Howell last Sunday and enjoyed the grand dinner and the afternoon meeting.

The parade, which was scheduled for one o'clock was called off because of the stormy weather.

WRC SOCIAL MEETING

Mrs. Lillian Steinbach, Mrs. Amelia Van Riper and Mrs. Luella Whipple were hostesses for the social meeting of the W. R. C. which was held at the Town Hall, Wednesday afternoon, Sept. 17. Twenty-eight members and friends attended the gathering and spent a very enjoyable afternoon, the diversion being enjoyable games.

Special prizes given during the afternoon went to Mrs. Mabel Bair and Mrs. Stella McManus. Dainty refreshments were served at the close of the meeting by the three hostesses.

NINETY-SECOND BIRTHDAY

Mrs. David Schneider, who is celebrating her ninety-second birthday today was honored on Sunday with a family gathering at her home on South Main street.

Present for the event were Mr. and Mrs. Edward Ladd, Mr. and Mrs. John Beamer, Mr. and Mrs. Alex Young, Mr. and Mrs. Willard Walbridge, and Mr. and Mrs. A. K. Marriott, of Detroit; Dr. and Mrs. F. L. Arner, of Bellevue; Mr. and Mrs. Frederick Arner and son, of Jackson; Mr. and Mrs. William Finkbeiner and Mr. and Mrs. Ralph Stofor and son Billy, of Lima township; Mr. and Mrs. Walter Schmid and son, of Ann Arbor; Paul Schneider, of Cadillac; Mary Lou Larson, Mr. and Mrs. Howard Flintoft and sons, and Carl Schneider, of Chelsea.

Mrs. Schneider was presented with a lovely floor lamp as a gift from the group.

Adding to her enjoyment of the occasion was the receipt of a large number of letters written by schoolmates of her great-grandson, Billy Stofor, a pupil at Easton school in Lima township. Mrs. Gladys Davis is their teacher.

"KOPY-KATS" SEWING CLUB

The "Kopy-Kats" Sewing club met at the home of Mrs. Alice Gilson Thursday evening, Sept. 18. One new pattern was exchanged.

Mrs. Flora Weber and Mrs. Catherine Haefner were presented with birthday gifts by the others present after which refreshments were served by the hostess and they all went "purring" home to meet for the next meeting at the home of Mrs. Catherine Haefner on Oct. 9, according to the club's report.

PAST NOBLE GRANDS

The Past Noble Grands club met with Mina Wiseman, Thursday afternoon, Sept. 18, with 13 members and two guests present. After those present partook of a grand luncheon the business meeting was held. The mystery prizes were won by Sisters Mina and Helen.

A game furnished the entertainment for the remainder of the afternoon with Anna McDonald receiving high score and Lucile Altstaetter low prize. The next meeting will be held Oct. 1.

NO. LAKE EXTENSION GROUP

The North Lake Extension Group met on Friday last week for the September meeting, at the home of Mrs. Eugene Lindemann of Dexter. A pot-luck dinner was served at noon to 13 members. A business meeting was held and plans were made for the coming year. All officers were to report to Ann Arbor at the Bethlehem church on Tuesday, Sept. 23, for their instructions. The group voted to donate \$20.00 for relief of the Koreans. The rest of the afternoon was spent in visiting.

Brown-Sodt Nuptials Held in Farmington Church, September 20

Elizabeth Jean Brown, daughter of Mr. and Mrs. Albert Brown of Farmington, and L. Dean Sodt, son of Mr. and Mrs. R. W. Sodt of Chelsea, were married at 10 o'clock Saturday morning, Sept. 20, in Our Lady of Sorrows church at Farmington.

The bride's gown was of white slipper satin with a yoke of illusion trimmed with lace which matched the tiera she wore with her fingertip veil. Her bouquet was of white gladioli and chrysanthemums.

The bride's only attendant, Jean Fischer of Fort Huron, wore a pink gown and wore pink gladioli and chrysanthemums in her hair and carried a matching bouquet.

Marilyn Schaller of Ann Arbor, a cousin of the groom, was the soloist, wearing for the occasion a yellow gown with yellow flowers in her hair.

Serving as best man was Douglas Kennedy of Manchester, and the ushers were the groom's brother, Howard Sodt, and the bride's twin brother, William Brown of Detroit.

Following the ceremony a wedding breakfast was given at Botsford Inn for members of the bridal party, and at the home of the bride's parents luncheon was served to 75 guests. A reception followed, also at the home of the bride's parents.

The young couple left late in the afternoon for a trip to New Jersey and other points in the East. Upon their return they will make their home on the Chelsea-Manchester road.

For going-away the bride wore a red dressmaker suit with brown accessories.

Among the pre-nuptial affairs given the bride was a shower by a group of nurses at Mercy hospital, Jackson, where she has been employed for some time. She is a graduate of Mt. Carmel School of Nursing, Detroit.

CHILD STUDY CLUB

The Chelsea Child Study club enjoyed a fine pot-luck dinner at the Cavanaugh Lake home of Mr. and Mrs. Russell McLaughlin Tuesday evening, with their husbands as guests. Twenty-six were present.

Bridge and euchre were the diversion of the evening, Lawrence Riemschneider receiving high score in bridge and Florence Steger, second, while Ernestine Glick was high in euchre and Wilbert Brink, second.

BIRTHDAY SURPRISE

Lawrence McDonald was guest of honor at a birthday party arranged as a complete surprise to him by his daughter, Mrs. Harry Kealy, which was held at her home Wednesday evening, Sept. 17.

Mr. McDonald was presented with several very nice gifts and later in the evening refreshments were served following the games of euchre in which Bernice McDonald won high prize and Lawrence McDonald, low.

Sixteen friends and relatives of Mr. McDonald were present at the gathering.

Ram Day Will Be Held at MSC Oct. 8

Commercial and pure-bred sheep of the state will be able to select a ram from the best purebred flocks in Michigan by attending Ram Day, at the Michigan State college sheep barn on October 8, reports Graydon Blank, MSC extension animal husbandry specialist.

The program will begin at 1:00 p. m. with the main sheep breeds represented. Purebred sheep men are encouraged to bring in some of their best rams for this event. If possible, prospective buyers

should make their wants known as soon as possible to their county agricultural agent, or by writing directly to the Animal Husbandry department at Michigan State college.

Sheep men unable to attend Ram Day may place an order with their county agricultural agent or the MSC Animal Husbandry department, indicating the breed wanted, the number of ewes to be bred and the price to be paid. A careful selection will be made and the ram shipped to the purchaser at his expense.

Blank calls the day a "one stop" visit to Michigan's best flocks, which will provide an excellent opportunity to select a purebred ram.

Ram Day at MSC replaces the Ram Truck which operated formerly.

Good market prices for fat lambs coupled with the fact that 90 percent of the feed eaten by sheep is grass and roughage, place this class of livestock in a very favorable position, the specialist advises.

POPULAR VACATION SPOT

Sault Ste. Marie—In spite of an exceedingly rough road on the last 10 miles in from Paradise, more than 20,000 persons visited Tahquamenon Falls state park by automobile this summer, according to Arthur Lauren, manager of the park for the conservation department.

curtains opened on the first Pep Meeting of the year. The skit, put on by the seniors, was a school of football. The cast was as follows: teacher, P. Nichols; students, D. Baldwin, O. Hansen, M. Leach, R. Carlson, W. Shultz, A. Grau and L. Christwell; the practice dummy, V. Conk.

Their antics were nothing short of Abbott and Costello. Short speeches were given by Mr. Cameron and Mr. Newkirk. Cheers were given by the cheerleaders and were followed by a dramatic balcony speech, rendered by Captain James Miller. The meeting was concluded by a snake-dance through the business district.

STUDENT COUNCIL

The Student Council, this week, began its duties by electing a full-time secretary, Kathleen Eschelbach.

The committee on assembly programs, headed by vice president David Knickerbocker, brought to the attention of the rest of the members a few school problems to be discussed later. There was also some discussion on picture taking. Nearly every year some one takes individual pictures of each student who wishes his picture taken, and perhaps this will be done this year. The counselors and officers of the organization got together and selected a treasurer, Joyce Hughes.

CHORUS NEWS

The chorus is getting better organized now that voice testing is over. Three new members have joined in the past week, but more can still be used.

ATHLETIC BOARD

Athletic Board met last Thursday, with five members present. The officers elected for the year are: president, Jim Miller; vice president, Richie Carlson; secretary, Pat Scott; treasurer, Mary Palmer.

G.A.A. NEWS

The following girls have been chosen as Cheer Leaders for football season: Pauline Schiller, Ellen Jane Geddes, Jayne Proctor, Marjorie Proctor, Delores Walker and Rowena Lentz. The rest of the girls are practicing for basketball season. G.A.A. will start next week.

It puts a 1947 thrill under your hood

See what this brand-new Fireball engine can do for Buicks built in the past ten years

YOU see here a hood-filling straight-eight power plant exactly like those which put an eager rush of Fireball energy at the command of folks who own 1947 Buicks.

But you don't have to be the owner of a 1947 Buick to boss this husky package of concentrated power around!

You don't have to wonder, "How about delivery?"

If you hanker for the thrill of having, beneath your toe, the surging

power of a new Fireball engine, we're in a position to talk business right now.

How come? The answer is simple:

Out in the Buick factories, engine production is forging ahead—engines are coming off the line faster than bodies or other parts needed to build complete automobiles.

All of which means we can give you prompt delivery on 1947 power plants—brand-new, straight-from-the-factory Buick engines, ready to repower any Buick built in the past ten years.

If you own a Buick built between 1937 and 1942, the

whole thing boils down to this:

We lift out the old engine—put in a new one—and send you on your happy way in less time than it would take for an overhaul.

That's why we say, buying one of these engines is the next best thing to getting a new Buick—and when you do get a new one, you'll have a better car to turn in.

Come in and let us show you how simple the whole thing is.

Red Clover Aids Other Crops in Rotation as Shown in Experiments

Almost seven bushels of corn, more than seven bushels of barley, almost two bushels of wheat, and approximately two tons of hay. These are the "dividends" that red clover paid on each acre in a four-year rotation at the Michigan State college farms. These results are the average of experiments carried on over an 11-year period.

A. G. Weidemann, MSC soil scientist, reported the results of the tests in a recent issue of the Michigan Agricultural Experiment Station Quarterly.

The experiments compared two crop rotations. One was a four-year rotation with corn, barley, wheat, and red clover. The other was a three-year rotation with these same grains but no clover. By

comparing the crop yields of the two different rotations, it was possible to see the effect that the red clover had on the yields of grain crops.

In the red clover rotation, corn produced 6.94 more bushels per acre than in the no-clover rotation; barley 7.26 extra bushels; and wheat 1.78 bushels. The total value of these increases and the extra pounds of hay per acre is not included in this figure.

These higher crop yields, Weidemann points out, came largely from the nitrogen that the soil got when the clover was plowed under.

As a soil building material, clover gets its nutrients from the soil with the exception of some nitrogen which it takes from the air. To be a soil building crop, clover should be well fertilized with phosphate and potash.

Rev. C. S. Risley, pastor of the First Methodist Episcopal church for the past year, has been returned to this place for another year by the Detroit Conference.

Miss Loretta F. Helm, daughter of Mr. and Mrs. Joseph Helm, and Emerson A. Koebbe, son of Mrs. Charles Koebbe, were quietly married, September 22, 1923, by Rev. Father Kantrel of Holy Redeemer church, Detroit.

Miss Milda Faist, daughter of Mr. and Mrs. A. G. Faist, and Mr. Oscar Lindauer, son of Mr. and Mrs. Geo. Lindauer, were quietly married at St. Paul's parsonage at 7:30 on Wednesday evening. Rev. P. H. Grabowski, pastor of the church officiated.

Vandals broke into the Chelsea High school building last Saturday or Sunday and destroyed valuable property belonging to the school and pupils attending the school. Books, walls, flags were some of the objects destroyed and defaced.

The following are attending the Normal college at Ypsilanti: Anne Rogers, Florence Turnbull, Gertrude Eppler, Dorothy Chandler, Margaret Canfield, Dora Chandler, Ruth Loeffler, Emily Weinmann, Mabel Fischer, Lucille and Ruth Liebeck and Roena Waltrous.

A new switchboard is being installed at the local power plant of the village, under the direction of P. Boehm. Installed at a cost of \$1,700, the board is expected to take care of power for the entire village as soon as changes can be made in wiring for the different sections.

At a meeting of the L.O.T.M., Tuesday evening, the following officers were elected for the coming year: past com., Emma Leach; com., Florence Turnbull; R. K. Florence Van Riper; F. K. Lucy Stephenson; chap., Mabel Walz; M. at A., Edith Bunson; Sarg., Irene Lewis; Sent., Helen King; picket, Ada Fahrner.

DIVIDENDS TO BE PAID

Dividend checks of approximately \$1,800 will be distributed to members of the Security National Farm Loan Assn. at the annual meeting to be held October 1st in the Pittsfield Grange, it was announced this week from the office of the secretary-treasurer, R. A. Pence, in Ann Arbor. This will represent 5% on the par value of the shares held by members in connection with their federal land bank loans.

Howard Brooks for Sylvan, has been drawn as juror at the October term of Washtenaw county Circuit Court.

Saturday evening the home of Mr. and Mrs. C. B. Redmond on West Middle street was entered. A quantity of clothing was also stolen from the line at the home of C. Schanz.

John Philip Sousa and his band will be at the Whitney theatre, Ann Arbor, Friday, October 3.

Miss Isabelle Gorton is teaching in the Northville public schools this year.

Miss Sophia Schatz was aroused at 2 a.m. Sunday by someone on the front porch of the home of her mother on Garfield and Summit. She saw a man standing on the porch, looking through the front window. She let out a scream that aroused the entire neighborhood and the two men ran east on Summit street when the alarm was given.

The county Road Commissioners had a survey made on three routes in this vicinity. Stakes were set for a mile of road in Sylvan. The proposed work starts at the intersection of the Manchester and Territorial roads, and runs south to the barn yard on the farm of R. B. Waltrous, known as the Henry Pierce place. A mile was surveyed in Lima and the grade stakes were set. The proposed road improvement starts at the property line of Charles Downer on the Dexter road, and extends east to the Bowen road. A half-mile has been laid out in Lyndon. The starting point is at the Chas. Canfield place, owned by Dr. C. W. Palmer, and runs west to the Lyndon Center road. Work on these roads will start in early spring.

MSC Specialists Find New Control for Hog Mange

Here's good news for hog raisers from Harry Moxley, animal husbandry extension specialist at Michigan State college.

A new treatment for hog mange has recently been tested and is being recommended by the college extension specialists.

Benzene hexachloride has been found to give excellent results in mange control and in killing hog lice. Tests were made in Hillsdale and St. Joseph counties with some hogs in far advanced stages of mange. A good example that Moxley cites is a pen of pigs on the Wallace Godfrey farm at Jonesville. The animals were in far advanced stages of mange, with thickened and wrinkled skin and had lost much of their hair. After spraying with benzene hexachloride, the pigs stopped scratching and within five weeks had grown a smooth coat of hair.

Benzene hexachloride is a wettable powder and can be used as a spray or dip. It is sold by insecticide and chemical companies at different strengths. The gamma isomer of the powder determines the strength. Spraying or dipping solutions should contain 0.25 per cent. Therefore, if the powder is 10 per cent gamma isomer, it would take 20 pounds to mix with 100 gallons of water for the right solution. If the powder is only 5 per cent gamma isomer, it would take 40 pounds for 100 gallons of water. Cost of the treatment is reasonable. A 100 pound pig can be cured for not to exceed 20 cents material cost.

Farmers' cash receipts continue well above 1946. For the first eight months they totaled 17.4 billion dollars, about 21 per cent more than last year. Excluding government payments, the increase was 26 per cent.

Extra Care Given Fall Pigs Will Pay Dividends in 1948

The present prospect for a short corn crop this fall is causing many hogs to go to market when they otherwise might be fed longer or kept over for breeding stock. H. W. Newland, Michigan State college animal husbandry specialist, points out that it is good management to give fall pigs some extra care.

Equipment and housing used for spring farrowing are sometimes inadequate for unpredictable fall weather. If the weather is chilly and the sow is quiet at farrowing time, the farmer may want to remove the pigs to a warm place for a time. If the sow's milk has begun to flow, the pigs should be allowed to nurse every two hours.

About the time fall pigs are old enough to wean, the weather may be quite severe. It is important that pigs have warm, comfortable

housing after being weaned, and also at castration and vaccination time.

For fall pigs to do well, Newland advises, it should be planned so the pigs will come early enough to get out on some good clean pasture for a few weeks before winter sets in. Little-pig anemia is always a danger if the pigs are confined to cement or wooden floors and are receiving only their mother's milk. The pigs having this common ailment have very pale skin, lack vigor, and have a rough coat of hair. This trouble is due to a lack of iron and copper in the little pigs' diet.

If it is necessary that the pigs be left inside for more than three or four days, they should receive the lacking minerals. The easiest way to supply the minerals is to swab or spray the sow's udder daily with a solution of one-half pound of copperas (ferrous sulphate) in one quart of water.

We All Need Fun!

Nobody in Our Town is exactly lazy (even though Pete Swanson's misadventure claims he sleeps till seven A.M.). But the hardest working man of all is Doc Hollister—on call, morning, noon and night.

Funny thing, Doc's favorite prescription to his patients is: You ought to have fun. The pace of modern living, even on the farm, demands some relaxation.

And as Doc says—fun is a personal thing. For the misadventurer it may mean a movie or a good book; for Dad, a mellow and refreshing glass

of beer; and for the kids, parcheesi or the radio. Doesn't mean everybody has to like the same thing—so long as they relax, have fun, together, in the home.

Doc doesn't have much time himself. After a hard day, he'll relax before the fire with a glass of beer—and wait for the phone to ring again. And from where I sit, Doc deserves each well-earned minute of that relaxation.

Now Is Good Time To Replant Peony Plants

September is a good month to divide and replant peony plants, says Paul R. Krone, extension floriculturist at Michigan State college.

Old plants should be separated into divisions with three to five or even seven eyes and replanted. After replanting, the eyes should not be more than two inches deep. Soil should be prepared carefully since peonies can remain in the same place seven or eight years. Dig the hole deeply and mix in some well-rotted manure at the bottom of the ditch. A small handful of bonemeal or superphosphate can be mixed in well with the top soil around each plant.

Drug treatment, even though effective, is only a help in controlling mastitis; no dairyman should consider it a substitute for proper sanitary practices and management.

PONTIAC

A fine car made finer

Lasts long... and lasts well!

The records prove that no car lasts longer than a Pontiac—but this is only half the story! For Pontiac continues, throughout the years, to render fine performance—to give its owner the same thrill he felt when he first took the wheel. Owners who have driven their Pontiacs for five, seven, and even ten years will testify that their cars still give complete satisfaction in every way. For Pontiac is a GOOD car—designed and built to stay on the job. This is a basic Pontiac

virtue—and is true of Pontiac year after year. So regardless of when you expect to get your next car, get a Pontiac. It will not only last long—it will last well!

DUE TO OUR UNFILLED ORDERS ON HAND, you may experience some delay in getting a new Pontiac. Place your order now to avoid further delay. In the meantime, let us keep your present car operating at top efficiency.

12-Day Pheasant Hunting Season Is Assured for 1947

Norway—The conservation commission at its September meeting here reaffirmed a 12-day hunting season for this fall after considering a proposal to reduce it to five days. It also extended the southern Michigan grouse hunting season by 10 days, October 27-November 5, making the ruffed grouse (partially) season October 15-November 5 in all of the lower peninsula.

Commission chairman Donald P. McLouth, supporting the majority in maintaining the 12-day pheasant season, declared the pheasant population, as estimated by the department's game technicians, could sustain two week-ends of legal hunting without harm.

Thirty-five sportsmen's clubs of the upper peninsula, represented at a meeting here of the Northern Michigan Sportsmen's association, advised the commission they favored opening all hunting and fishing seasons on Saturdays, \$50 and \$25 fees for nonresident hunting licenses, larger appropriations for the Stream Control commission, and attempts to propagate ruffed grouse at Cusino wildlife experiment station. Other association resolutions opposed trapping of beaver in 1948, the special trout fishing license, taking of female deer with bow and arrow, and the wearing of license number back tags, advising coat buttons instead.

The commission accepted the 208-acre Gogebic county park containing falls and rapids of Presque Isle river as a gift addition to Porcupine Mountains state park, and approved purchase of an additional 112 acres.

Legal Restrictions on Hunters not New in History of State

Lansing—Duck hunters facing a 30-day season with a daily bag limit of four ducks may find some consolation in knowing that 88 years of restrictions in Michigan have helped the sport survive to this day.

Digging into the history of waterfowl hunting regulations, conservation department duck specialist Herb Miller found restrictions far older than such affirmative measures as creation of good habitat by flooding with small dams. The first act on the books, in 1859, was a seasonal restriction, prohibiting killing of teal and mallards between February 1 and August 15.

First restrictions on guns, in 1865, prohibited the small cannon known as punt guns that market hunters used. Not till 1918 was the hunter limited to one gun no larger than 10 gauge. In 1930 his gun could hold no more than six shells; now the limit is three.

Shooting from power boats and sail boats was outlawed in 1897; sink boxes and batteries were outlawed here in 1927; live decoys and baiting were outlawed in 1935.

Daily shooting hours were first defined in 1915. The noon hour season opening prevailed from 1931 through 1934.

Hunters in the days of the "duck depression" of the early '30s would have thought the current regulations liberal, Miller says. In 1934 there was no shooting on Mondays and Tuesdays; in 1936, wildfowlers had shooting hours of 8 a.m. to 5 p.m. in a 30-day season with canvasbacks, redheads, buffheads, ruddy ducks and wood ducks on the protected list.

Get Game Law Digest Along with License

Lansing—Sportsmen buying 1947 hunting licenses should insist on getting both parts of the game law digest, for it costs no more to get it all, the conservation department says.

The digest proper, containing the substance of basic laws on hunting, is an eight-page folder. The digest supplement, containing this year's season dates and bag limits, is a four-page folder.

Northville—Word was received here this week of the death, from injuries received in an automobile accident, of Sgt. Walter C. Richter, in Tokyo, Japan. No details of the accident are yet available. The twenty-year old had been in service only a short time, having sailed for Japan last December. He is survived by his mother who resides in Ypsilanti, his father having met death by drowning several years ago.—The Northville Record.

Frankfort—Plans are being made to accommodate and entertain a large crowd on the night of Friday, Sept. 26, when the new athletic field will be officially opened. The main part of the program, of course, will be the football game between Frankfort High school and Leelanau schools to be played under the new field flood lights. The game will begin at 8 p.m. Besides the band, there will be other attractions, including an informal ceremony opening the field.—The Benzle County Patriot.

Buchanan—Edward Schlutt, 22, a son of Mr. and Mrs. William Schlutt, who lives on a farm on Mt. Taber Grange corner, left by train from South Bend Monday to catch a Clipper plane yesterday (Wednesday) for Honolulu, where he has been granted a full-expense scholarship for two years at the University of Hawaii at Honolulu. The terms of the scholarship give him all expenses, including tuition, books, board and room and \$70 a month extra, according to his sister, Mrs. Shirley Lorhart, of the Bend of the River. At the end of the two years he will be given charge of an Hawaiian sugar plantation.—Berrien County Record.

Milan—G. C. Van Orman claims that his combined business and pleasure trip takes the prize in summer vacations. And he has the credentials to prove it, although there will be some doubters. We wish we had a replica of the engraved certificate, printed in green and with an impressive gold seal. Said certificate is issued by the Miami Beach Sailfish club and certifies that G. C. Van Orman, is now a member of said club, having caught a sailfish, seven feet long, weighing 41 pounds. Mr. Van Orman in company with B. Jeffe and J. Keppa of Dearborn spent five days at Miami Beach.—The Milan Leader.

Rochester—All of northeastern Oakland county is rallying to the aid of Danny Grondin. And financial aid to help this happy little Leonard boy regain his health is coming from all other parts of this county, as well as from many points in neighboring counties. For Danny, the 4-year-old son of Mr. and Mrs. Lyle Grondin, must have help, and quickly, if he is to live. He is suffering from chronic nephritis, and his days are numbered unless he can get to the Mayo Clinic at Rochester, Minn., which has laboratories and other facilities for treating this dreadful malady. Danny's plight (he doesn't realize it) became known last week when Bob McCollum and H. Terry, two Leonard businessmen and friends of Danny's ex-GI dad, sent out word that they and the other townspeople of Leonard had started "Donations for Danny."—The Rochester Clarion.

V. A. Aide to Hard-of-Hearing

The Veterans Administration estimated that some 30,000 World War II veterans with service-connected hearing impairments will be eligible for its recently-established rehabilitation program.

The program will be available to all eligible hard-of-hearing veterans, whether they require medical attention to improve their hearing, or whether they are in need of rehabilitation because of some permanent impairment.

Two Veterans Administration hospitals and two Naval hospitals have been designated as centers where fenestration operations may be performed on those veterans who stand a chance of regaining some degree of hearing acuity through treatment.

The V. A. hospitals are in Los Angeles and San Francisco, Calif., and the Naval hospitals are in Philadelphia, Penna., and Bethesda, Maryland.
