

## Cage Quintet Opens Season Next Tuesday

Only Two Lettermen  
Are Returning from  
Last Year's Varsity

By DWIGHT GADD  
Chelsea High school's 1947-48 basketball season gets underway next Tuesday, December 9, and from then until February 27, the local quintet will play 12 games, six away and six at home.

Coach Newkirk, fresh from a very successful football season as line coach, has taken over the varsity basketball team this year, and hopes are high that he will turn out a winning cage squad, as aptly coached as his line was in football.

However, with only two lettermen, Doug Vogel and Jim Miller, returning from last year's varsity, the outlook isn't too bright. Carlson, Baldwin, Hansen, Slane, R. Vogel, Stoffer, Barlow and D. Knickerbocker, reserve letter winners last year, make up the rest of this year's squad, and while this gives a fine group to choose from, they have had practically no experience in playing as a unit and basketball needs that extra phase more than most other sports.

Newkirk plans to use a fast-break offense, when possible, and the rest of the time a regular, planned offense. On defense, he intends to use the conventional 2-1-2 zone, with perhaps a few variations, depending on the trend of each game.

Let's have as many as can make the trip next Tuesday night, December 9, at Manchester for the initial hoop game of the year. Support the basketball team as well as you did the football squad. See you at game time!

The 1948 licenses for all vehicles went on sale Monday, December 1, for issuance of commercial licenses in the past, Mayer said, only the previous registration receipt was required. This is no longer acceptable, he said.

## Does Santa Claus Live in Chelsea?

There is a young boy in Chelsea who wants a bicycle so badly that it's almost more than he can bear when his parents, in all honesty, tell him they cannot possibly afford to buy him one.

The boy is one of a family of several young children whose father, a World War II veteran, although employed and doing all he can to provide for them, just cannot stretch his factory pay to cover the cost of a bicycle.

A friend who heard of the boy's plight, felt that if someone in the community had a bicycle around that was not in use and possibly even in need of repair, he or she might be glad to give it to the youngster.

The friend, who requested that his name be withheld, stated that he would be glad to pay for any necessary repairs if a bicycle could be found for the boy to be presented to him for Christmas.

Any messages in regard to possible donation of a bicycle may be addressed to The Standard to be relayed to the party trying to locate one for this youngster.

Upwards of 85 speakers are on the bureau roster this year, under the sponsorship of the Department of Speech, Dramatics and Radio education. Gordon L. Thomas, instructor in speech at Michigan State college, supervises the program and arranges for programs are made through him.

## Beginning and End of War

Pearl Harbor—Americans still think of it as an event of terrible tragedy, although on this December 7 it is already buried six years in the past. The war into which Pearl Harbor precipitated us has been won and the peace is two years old. And Japan, which sent its planes on that mission of destruction on December 7, 1941, now looks to its conquerors for help. On this Pearl Harbor day, the United States is sending to Japan, not attacking planes, but packages of food and clothing.

## Gifts Still Being Accepted by Red Cross for Veterans

Gifts should be attractively wrapped, if possible, and a removable tag attached specifying contents of the package.

## Camera and Birdie Await Community Children, Saturday

This Saturday is the big day for the picture-taking of your youngsters! The Standard is having pictures taken of all children who are brought by their parents or other guardian to the Sylvan Town Hall between 1 p.m. and 8 p.m., absolutely free of charge.

The Woltz Studios, of Des Moines, Iowa, nationally known children's photographers, will be in charge. The Standard wants a picture of your child to print in its forthcoming feature "Citizens of Tomorrow," a series of photographic studies of local children. The more we get the better the feature will be, and the cooperation of mothers and fathers is urged.

It often seems to parents that children are little one minute and grown-up the next, so fast does a child's growing stage pass. Here is a splendid opportunity to catch the bliss of your child or children at this present stage for the pictures sure will get out of it in future years and for the thrill of seeing it in print.

There is no charge or obligation for taking the pictures. Parents don't have to be a subscriber or even a reader of The Standard. You do not have to purchase pictures either, though you may obtain additional prints by arranging direct with the studio if you want them. That is entirely up to you!

All youngsters, accompanied by a parent or other guardian, are welcome. There is no age limit. Don't forget the place, the day and the time. That's at the Sylvan Town Hall, Saturday, December 6, from 1 to 8 p.m.

## Visitors to France Bring Back Stories of Much Hardship

Mrs. Frank Etienne and Mrs. Maxine Howe of Jackson, who have spent the past two months abroad, arrived at their homes Wednesday morning, Nov. 26, having sailed from Le Havre, France, Nov. 20 on the RMS Queen Mary.

They were accompanied on their return trip by a little English girl, three years old, who had been living in an orphanage in England, and who is to make her future home with an aunt, Mrs. VanDeCar, in Michigan Center.

The two ladies who also visited London, Dover, Calais, Paris, Bordeaux, Lourdes and Epinal, spent most of their time at the home of Mrs. Lucie Jabeau, who is the mother of Mrs. Howe, and who lives at Arras, France.

Mrs. Howe, who was a French bride of an American soldier of World War I, and who has made her home in this country since that time, returned to her homeland for a visit seventeen years ago, and who had not seen her mother since.

Both travelers brought back stories of hardships and high costs in France, coupled with an active black market, but said that those who live in rural sections, where they can raise crops and fowl, are not as hard pressed for a livelihood as the city dwellers.

Mrs. Etienne visited the grave of her son, Sgt. James F. Etienne, who lost his life in the service of this country during World War II, and is buried in the military cemetery at Epinal, France.

She was very much impressed with the beauty and dignity of the spot, and the peacefulness of the surrounding countryside, together with the simplicity of the townspeople, and the high regard in which they hold the soldiers of this country who gave their lives to liberate them.

Mrs. Etienne has decided not to bring the remains of her son to America.

Mrs. Etienne and Mrs. Howe both report a most wonderful trip and state that it gave them a greater appreciation of their own modest, comfortable homes in Jackson, and the many blessings that all of us enjoy here in the United States.

Mrs. Etienne is a daughter of Louis Burg of Chelsea.

School officers, authorities and drivers are eager for the transportation program to operate successfully, and above all to provide safe transportation for the pupils. The drivers have been taken to safety meetings and meetings have been held with all pupils to go over the safety regulations in the transportation program. A list of rules and regulations has been drawn up, copies of which have been posted and also given to all riders to read and to take home to their parents.

In addition to the bus transportation the kindergarten pupils living in the rural areas are being transported home by private car at noon. The buses have also been used for the transportation of pupils to educational activities, field trips, etc., during the school day and evening.

## Kiwanis Grid Banquet Held Monday Nite

Dave Slane Chosen  
To Captain Team in  
'48 Football Season

The annual Kiwanis football banquet was held at the Municipal building Monday evening with members of the Chelsea High school football team and the cheerleaders as guests of the Kiwanians.

Charles Cameron, head coach at Chelsea High school, and Douglas Newkirk, line coach, praised the team for the fine spirit shown during the entire season. Mr. Cameron stated that while the team missed their chance at the championship of the Huron Valley League by one game, that game was lost to the championship team, Flat Rock, and not to some lesser team.

Mr. Cameron made the awards for 1947 and announced the captain-elect for 1948, David Slane ("Poppy" to his pals).

Dr. Parker Sharrard, vice-president of the Kiwanis club, introduced Forrest Jordan, assistant line coach at the U. of M., who spoke on fair play, team play and competitive play in football, mentioning the outstanding players on the Michigan team this year and their aim of thinking only in terms of winning one game at a time—the next one they are to play. He suggested this as a good policy for all football teams.

Pictures of the Michigan-Northwestern game concluded the evening's program.

The annual Kiwanis Ladies' Night will be held next Monday evening at 6:30 o'clock in the Municipal building.

**ATTENTION ALL YOU SNOWBALL FRIENDS!**  
Winter is here with her glistening white and tempting snow! She has covered the buildings, earth and trees with her thick, white blanket—it's beautiful. Yet, some seem to think it is pretty in another sense—all over someone else's face, in his eye, or for a lucky shot in his mouth. Yes, it's funny, and it can also be serious. Packing them extra hard, maybe with a stone or two in the center, or with a coat of ice on the outside, just to see the other person jump or let out a yell, is completely uncalled for.  
This can be very serious, even intended for a little fun. There have been cases of broken jaws.

misplaced teeth, or eyes being put out—all resulting from carelessly thrown snowballs; and only after we've hurt someone do we realize the danger of throwing them.  
If you, yourself have had an eye put out or a few teeth missing, perhaps down your throat, you would think more of being careful for others while fooling around (so to speak). This is a warning and a plea! Please be careful—Someone may get hurt!

The speech class presented a one-act play, Mrs. O'Leary's cow, last Wednesday for grades seven through twelve, in the gymnasium.  
At the conclusion of the first scene, the students began to laugh for their first-hour classes. They were stopped by Mr. Newkirk, director of the play, who announced that there was another scene to be given.  
The ending was unexpected and unrehearsed. The play was well-cast, well-directed, and capably produced. The cast and committees are to be congratulated.

## Marry Young? Marry Old?

When Job Crowell's daughter, Sue, married nineteen-year-old "Slim" Blake, a lot of folks (especially older ones) began to shake their heads. Young marriages! Tut, tut!

So I looked up some figures. It's true, young American girls and boys marry younger than in other countries. And where do you suppose they had the least chance? I won't name it, but maybe you've guessed. One of those countries that before the war suppressed all individual freedom and tolerance.

That's why I'm not worried about our younger married couples. They were raised in a country that respects one another's right—a country of tolerance and temperance (a lot of bridegrooms are ex-G.I.s, and it looked to me like their favorite beverage was beer.)

From where I sit, it isn't when you marry that's important. It's the all-important spirit of tolerance and understanding that you bring to marriage.

## Bang! Bang! 1 Shot You First

Louis Burg of Chelsea received a letter from his son, Louis, in Detroit the past week, stating that his two grandsons, Robert and John, returned from a hunting trip Sunday, Nov. 16.  
The two young men left Detroit for Harrisville, Mich., on Friday, Nov. 14, in order to be on hand for the opening of the deer season on the following day.  
It appears that the Burg boys from the big city must have set some kind of a record—or near-record—in their pursuit of the foot-footed deer. Two hours after the opening of the season, each one of them had bagged his animal—one a five-point and the other an eight-point buck, each weighing in the neighborhood of two hundred pounds. Their kill was made about thirty miles from Harrisville, near Cuman.  
The boys returned to their parents' home in Detroit in time for Sunday evening dinner, proudly displaying their prowess with the rifle to a pair of astonished parents.

## GIRL SCOUT NEWS

The Chelsea Girl Scout Board of Directors met Monday evening at the home of Mrs. Russell Baldwin on Orchard street.  
Troop I—  
The girls of Troop I, whose leader is Mrs. Ted Palmer, held their candlelight ceremony, Wednesday night, Nov. 19, in the Home Ec. Room of the public school. The girls that received their Tenderfoot pins at this ceremony were Patricia Aldrich, Bonnie Anthony, Joan Merkel, Ruth Osterle, Delores Joseph, Charline Cook, Geneva O'Dell, Connie Stelmach, Alice Ann Wenk, Sally Vogel, Martha Olin, Virginia Craft, Gale Lindwall, and Diane Chaboneau.  
The color bearers for the ceremony were Sandra Baldwin, Cynthia Paul, Mary Ann Titus and Norma Jean Dull.  
The mothers of the girls were served a tea afterwards. Doris Vickers and Leola Alstaetter assisted, with Mrs. W. Guest in charge.  
Troop II—  
Mrs. Keith's troop planned a hike and cook-out for last Saturday, but the weather man upset their plans. The girls got as far as "Pierce's," where they stopped, and with Mrs. Pierce's kind hospitality, had an "indoor" cooked breakfast. Games were played and all was enjoyed in spite of the weather.  
Troop III—  
Mrs. Faye Palmer generously opened her home on Park street to Miss Sobocinski's troop for their Tuesday meeting, after which Mrs. Palmer served a lunch to the delight of the girls.  
BIRTHDAYS CELEBRATED  
Mrs. Walter Trinkle entertained at a dinner at her home on Sunday, November 23, honoring Mr. Trinkle and their granddaughter, Edna Earl Montgomery, whose birthdays occurred November 20 and November 19 respectively.  
Guests present included Mr. and Mrs. Flavil Montgomery and family of Parma, Mr. and Mrs. Lloyd Montgomery of Jackson, and Mr. and Mrs. Wilbert Zogelman and son Michael, of Chelsea.

CARD OF THANKS  
Our heartfelt thanks to all who extended comforting sympathy and help in our sorrow. For the beautiful service, floral offerings and other kindnesses, we are deeply grateful.  
Mr. and Mrs. Fred Hafley, Brothers and Sisters.

## Miss Jeanne Meserva, W. E. Goodrich Wed on Thanksgiving Eve.

Miss Jeanne Ruth Meserva, daughter of Mr. and Mrs. Charles Meserva, and William Elwood Goodrich, son of William Earl Goodrich of Detroit, were united in marriage in a ceremony performed in St. Paul's Evangelical and Reformed church here by Rev. P. H. Grabowski, at 8:30 o'clock Thanksgiving Eve.

Before the ceremony Mrs. Dean Murdoch, of Detroit, sang "I Love Thee" and "Because" and during the rite she sang "The Lord's Prayer." Her organ accompaniment was played by Mrs. Wilbert Breitenwischer, who also played the wedding march.

The bride's candlelight satin gown was fashioned with a fitted bodice having a square neckline finished with bias fold of self-material and long sleeves ending in a pointed outline at the wrist. The full skirt had a short train and her fingertip veil of ivory illusion was held in place with a tiera of twisted satin ribbons. She carried a bouquet of white carnations centered with pale orchids.

Mrs. John Moore of Chelsea and Miss May Ann Major of Chicago, both Chi Omega sorority sisters of the bride were matron and maid of honor, respectively. Their gowns of silken tulle were styled similar to the bride's except the full skirts were finished with hoops. Mrs. Moore's being moss green, with which she carried a bouquet of chrysanthemums, while Miss Major's was chartreuse and her bouquet was of moss green carnations. Both wore gaudyets of velvet-matching their gowns.

The next meeting will be the Christmas meeting and will be held at the home of Mrs. Leigh Palmer on Dec. 9.

This was followed by a reading, "A Pathway To Peace," by Henry Notten and a baritone solo, "There's A Song In The Air," by Dean Schweinfurth, accompanied on the piano by Ruth Schweinfurth.

Rev. E. O. Davis then gave a talk on the Christmas theme and the program was closed with the singing of a number of Christmas carols under the leadership of Theodore Riemenschneider.

### Farmers' Week To Feature Fat Steer Show, January 29th

Visitors at the 1947 Farmers' Week at Michigan State college will have an opportunity to see a fat steer show featuring excellent quality, according to an announcement made by Graydon Blank, MSC animal husbandry specialist. Over 90 calves from 48 farms have been entered in the annual beef feeding project, sponsored by the animal husbandry extension

department of the college. They were weighed in the project last summer during the first week of July. Steers making the required 2 pounds of gain per day over the approximate 200-day feeding period, and weighing at least 700 pounds at the close of the project, are eligible for the show and sale which will be held Thursday, January 29th.

Because of the high standards of the project, not all steers are expected to qualify for the show. However, the number will be large enough to make the show one of the largest and most competitive for beef men in the state.

**ASSEMBLY**  
A decidedly different assembly was enjoyed by the High school pupils Monday. Mr. Van Zandt, a famous concert pianist, gave a most interesting and inspiring program. His short biographical sketches of each composer added much to the interest in the numbers played. Among his selections was Schuler-Ebler's arrangement of "The Blue Danube."

It was indeed a privilege for the students to hear such a worthwhile musical program.

David Slane, who was a member of the All-State Chorus at Interlochen last summer, has been notified to appear at a rehearsal in Ann Arbor in mid-January.

**BAND NEWS**  
The following seventh, eighth and ninth grade students will start instrumental lessons: drums, Carl Lentz; French horns, Donna Jean Fowler, Janet Lotridge; bass horns, Shirley Williams, Stanton Walker; trombone, Re-Ellen Lotridge; baritone, Henry Fletcher, Earl Guenther.

All of these students have been tested in their ability to play the instruments. Others are going to study clarinets and cornets. These people will be a fine addition to the band in the future.

**SPEECH PLAY**

**BIOGRAPHIES**  
Going back to June 5, 1920 at the Fox home in Detroit, a father-to-be was anxiously pacing the floor. The cause for this excitement was named Ruth, Fozie, as she is more commonly called, considers her favorite sports football (look at those muscles) and basketball. She would be perfectly content if she could sing "Apple Blossom Wedding" while walking to school to her favorite subject, Home Economics. She loves to dance and sew, of course in a blue (her favorite color) background. Fozie shows that she has good taste in food when she chooses chop suey as her favorite meal.

Rita Marie Gross is the full name of a senior whose age is 17. Rita was born in Chelsea on June 21, 1930. Her nickname is Reat. Her favorites are: subject, bookkeeping; sport, football; hobbies, sewing and dancing; food, fried chicken; color, blue. Her favorite song is "Stardust" and after graduation she plans to attend Cleary's Business school.

Write down all these, as illustrated, available at extra cost.

## Right up in the FOUR-FRONT

SCATTERED across this nation are some of the eagiest automobile buyers the world ever saw.

They cut their eyeteeth on a steering wheel, so to speak — they know car values from A to izzard — and you have to be plenty good to step ahead of your price class in the volume of your sales to them.

That's why it's startling — sometimes even to us — to see the double-barreled story of public preference that's written in the sales records and registration figures:

**ITEM:** Only three cars outsell Buick — and all of these are in the so-called "low-price field."

**ITEM:** In some localities — and quite often in polls that ask "Which car will you buy next?" — Buick ranks

not fourth, but *third*, actually ahead of one of the lowest-priced three.

Naturally, the smart buyer will ask "How come?"

Well, the most standout style of the season, the style that's the clearest forecast of wonderful things to be, undoubtedly has much to do with it.

But that isn't all. The dollar is still a pretty important measuring stick.

So we don't think Buick could be where it is if it didn't offer a bigger dollar's worth — bigger in size and substance, in lift and life, in soft ride and easy handling, bigger in the all-round happiness you'll get out of your buy.

Which suggests, of course:

Why go against the solid judgment of your fellow men? Why not see your Buick dealer now — with or without a car to trade — and place the order that will put you where you belong, right up in the four-front?

Many Government Positions Are Open to Veterans

Veterans will receive appointments to between 350,000 and 400,000 permanent Federal government positions within the next two years.

Latest available figures show that veterans are receiving about sixty-one per cent of Civil Service appointments now being made. Most of the jobs now held on a war-service or temporary-indefinite basis will be refilled on a permanent basis within the next two years. Turnover will also create thousands of permanent job opportunities with Uncle Sam.

New rules, announced by the War Department embodied in a circular changing the Army Regulations respecting decorations, provide that all persons who are in the period between Pearl Harbor and V. J. Day were cited individually for their part in ground combat will be eligible for award of the Bronze Star.

In many cases, orders granting the Combat Infantryman's or Combat Medical badges will be sufficient evidence to a man's claim for the medal.
