

It may have come as a distinct shock to many citizens to have the chief executive of Michigan publicly condemn the office of governor as "the crummiest job in the United States."

On the eve of entering a hospital for a serious operation, Kim Sigler said just that. His words were blunt and unambiguous. They were words of condemnation, frustration and disappointment. Sigler voiced them before the Detroit Economic club, a group consisting of "big shots" in industry and business.

Why would a governor, after serving 11 months at the state capitol, openly denounce the office to which most observers believe he will be a candidate for re-election in 1948? And what happened to bring about this almost angry attitude of mind?

As we see it, words of protest are expected from a man who is the creation of protest. This colorful ex-grand jury prosecutor, unsuccessful once in a bid to be state senator, rode to the office of Governor on a popular tidal wave.

It was the voters' protest against an assumed state of graft and corruption, wrong-doing and neglect of office, inefficiency and laxness—well, stretch your own imagination at what SOME people may have thought after reading headlines about bribe-taking at Lansing—that put Sigler in the governor's chair. A similar reform movement in Detroit put Homer Ferguson in the United States Senate.

Sigler was elected on an assumption he would clean-up Lansing. Hence he was committed in advance to reform of state government. Sigler likes action. He would rather fly his airplane, talk before luncheon and dinner groups of people, and espouse ideas for better government than play at his office. He saw wood and followed through on countless details of administration. He is restless and impatient. He exhibits his displeasure by firing people. He removed Oscar Glander as commissioner of state police; he discharged William B. Smith as head of the state prison system.

(For reasons of "gross neglect of duty" or "corrupt conduct in office," a governor has constitutional authority to remove "any public officer, elective or appointive." There is one if: "Except at such times as the legislature may be in session.")

Sigler urges a constitutional convention as the best way to reform state government. He puts much emphasis on our antiquated constitution. The result is a "horse and buggy" constitution. How this tax structure should be changed he has not indicated. There is certain to be organized resistance to any constitutional convention if for only one reason: The "uniform rule of taxation" of the 1908 constitution is a legal barrier to a graduated state income tax.

Sigler would centralize power in a governor's four-year term by giving him broad authority over state highways, public schools, law enforcement, motor vehicle licensing, conservation and agriculture. He mentions a few. What might happen if a "weak" governor were to be elected one who was subservient to a party boss, is open to interesting speculation.

Pledged to clean-up state government, Sigler now implies that he needs new powers. Because he lacks authority over state offices and departments, Michigan's governor is merely a "glorified clerk" and the job is "the crummiest in the United States," so goes the Sigler logic.

And there we are in mid-December, 1947, with proposed changes merit careful appraisal and thorough debate. Only by getting both sides of a case can a jury weigh the evidence and come to a verdict.

The family night of the Methodist church will be held in the church basement at 8:30 tonight (Thursday). Movies will be shown by the Youth Fellowship. The meat and potatoes for the meal will be supplied by the committee.

Bulldogs Lose Season's First to Manchester

Home Schedule Opens Friday Nite With Flat Rock

By DWIGHT GADD

Paced by center Wayne Troitz and guard Ralph Wurster, Manchester swamped Chelsea Tuesday night, 54 to 32, to spoil the Bulldogs' season opener.

The Bulldogs were very reluctant to shoot unless they were almost under the basket and Manchester was able to group its defense very tightly because of this. Many times Chelsea lost the ball before they even tried a shot.

Manchester gained the lead early in the first quarter and Chelsea never seriously threatened to overtake them. The Dutchmen led 11 to 4 at the first quarter ended and by the half were ahead 18 to 11.

In all fairness to the local lads it must be stated that they were out-lucked, but not out-fought. Manchester was "hot" and a good many of their points came on shots which are classed as poor percentage tries. Just as Coach McCabe, Manchester mentor, said after the game, "What can you do when they can't seem to miss on one night, but the next time, can't even come close?"

Doug Vogel, with 9 points, and Jim Miller, with 8, led the Bulldogs scoring, while Troitz and Wurster each had 14 points to pace the Dutchmen.

Manchester also took the second game, 28 to 20. Myer, with 8 points, and Crocker, with 7, were high point men for Chelsea, while Vogel, Lentz and Ahrens all tallied 6 each for Manchester.

Tomorrow night Chelsea opens its 1947 home schedule and will engage in a game against the Rams from Flat Rock. The first game is at 7:00 with the Varsity taking the floor around 8:15.

See you at game time!

The public is invited to all of these games. There is to be no admission charge.

CHILD STUDY CLUB
Mrs. Lloyd Heydlauff was hostess for the meeting of the Child Study club which was held at her home Tuesday evening, Dec. 9.

Christmas packages to be donated to the Red Cross project for veterans at Percy Jones hospital were wrapped and work was being continued on the scrap books being prepared for hospitalized children.

In the absence of the president, Mrs. Hugh Sorenson, the vice-president, Mrs. Howard Thomsen, was in charge of the meeting. She asked for voluntary offers of members to furnish sandwiches for the lunch to be given for the Christmas carolers Dec. 18.

Mrs. Russell McLaughlin expressed her thanks and appreciation to the members of the club for their fine response to her request for their co-operation in the Cub Scouts paper drive.

A dessert box lunch was very much enjoyed with the hostess serving the coffee.

Pfc. Earl Buku arrived home from Fort Knox, Ky., Saturday, Dec. 20, to spend his 15-day "day in route" with his parents, Mr. and Mrs. John Buku, before leaving for Camp Stoneman, Calif.

Herman Weber of Ann Arbor spent Saturday here at the home of his niece, Mrs. Joe Steele and family.

Salem Grove WSCS in Christmas Party Wednesday, Dec. 3

The WSCS of the Salem Grove Methodist church met at the church, Wednesday, December 3, for their combined Christmas party and monthly meeting. A bountiful pot-luck dinner was served at one o'clock, followed by the business meeting and program with Mrs. Geo. Heydlauff, president.

The meeting was opened with a song "In Christ There Is No East or West," followed by the devotions, led by Mrs. Max Hoppe. The secretary's and treasurer's reports were read and accepted.

There were several committees named: Program, Mrs. E. Quait, Mrs. Chester Notten, and Mrs. Roy Miller; Spiritual Life, Mrs. Glen Rentschler; Fellowship, Mrs. Donald Loveland; Membership, Mrs. Leigh Palmer.

The meeting was then turned over to the program committee, Mrs. E. O. Davis and Mrs. Roy Miller. The group sang the Christmas song "Joy to the World." The Night Before Christmas was read, the reader omitting a word here and there and the audience supplying the words.

The meeting was closed by singing "Silent Night" and praying the Lord's Prayer. There were 19 members and five guests present.

The society will have their installation of officers Sunday evening, December 14th, at 8 o'clock. Everyone is welcomed.

Did You Get Your Share of Venison Again This Year?

Nonresident deer hunters had left the north woods to a few local hunters by Thanksgiving day, but even with the early breakup of the camps, the deer "harvest" appeared comparable to last year's conservation department records.

When only a few days of the season were left, permits to take deer through Wisconsin tallied 1,064 compared with 788 on the same date of 1946; Drummond Island's deer yield was 500, compared with 422 on the same date last year, and 8,954 deer were brought across the state's comparison with 8,776 on the same day in 1946.

Bears alone showed a decided decrease in conservation department tallies. In spite of the increase in numbers indicated by summer and fall bear damage complaints, only 152 were recorded at the straits this year, compared with 234 in the same period a year ago.

One technical explanation holds that not many hunters, but the bears' feet and body fat determine the date of hibernation. Some hunters, noting the heavy kill in the mid season of '46 and the lighter kill in the cold season of '47, are sticking to the idea that weather does drive bears into their winter hide-outs.

Response to the appeal made in last week's Standard by a local subscriber who wishes to remain anonymous for a bicycle to be presented to an eight-year-old boy who could not have one otherwise, has been very gratifying and arrangements are quietly going forward so that the boy will not be without a "bike" of his own after Christmas.

Offers were made to start a fund for the purchase of a bicycle and a number of individuals brought in information as to where several used bicycles might be reasonably purchased. In addition, parts for bicycle repairs were offered by a young boy who read the appeal, showing that, while Santa Claus himself, does not actually live in Chelsea, there are a number of willing helpers ready to do what they can to assist him in his efforts to remember every youngster at this season of the year.

The Elementary PTA will meet in the Home Ec. room at the High school Wednesday evening, Dec. 17. The program is to be centered on the Christmas theme and there will be special Christmas music. Rev. Orville W. Morrow, pastor of the Methodist church, is to be the speaker.

Many Answer Xmas Appeal of Red Cross

Time Still Remains To Give Gifts for Hospitalized Vets

Response to the appeal of the local Red Cross unit for gifts for veterans at Percy Jones hospital has been very gratifying, several local clubs and groups having made fine contributions in addition to the many individual gifts.

Among the latter was one donation sent in with a note by an anonymous donor signing herself one of the old ladies at the home. The note said: "I have made fine contributions in addition to the many individual gifts."

Mrs. Leigh Palmer, local Red Cross chairman, reads as follows: "Dear Madam—I saw your appeal for gifts to veterans at Percy Jones hospital. As I am not situated so I can buy the gifts I am enclosing one dollar (\$1) which please give to the Red Cross. I am certainly glad to help."

Next Monday, Dec. 15, is the last day for receiving contributions of gifts here. As announced previously, anyone wishing to donate one or more articles, hospitalized veterans is urged to bring his or her contribution to the Palmer Motor Sales where a Veterans' Gift Box has been placed to receive the contributions, or the gifts may be left at the Palmer residence, 224 South Main street.

Acceptable gifts, according to Mrs. Palmer, who is in charge of the in-gathering of gifts in Chelsea and vicinity, are as follows: Pen and pencil sets, cigarette lighters, blifolds, shaving sets, cigarette cases, writing kits, pipes, tobacco, pen knives, bed lamps, key cases, picture frames, brush sets, handkerchiefs, T-shirts, olive drab socks, scarfs, gloves, ties, shoe shining kits, toilet article cases, tobacco pouches, cameras, shaving mirrors, and many other things.

Gifts should be attractively wrapped, if possible, and a removable tag attached specifying contents of the package.

Fruit, salted and whole shell nuts, candy, fruit cakes and Christmas cookies and cakes, for distribution in wards and recreation halls of the hospital, but perishable foods should not be included.

Many more gifts are urgently needed and it is hoped contributions will continue to be made generously as has been the case up to the present time, so that the deadline date, Dec. 15, will find Chelsea's donations to be bigger and better than ever before, for the hospitalized veterans of World War I and II at Percy Jones hospital.

High School Chorus To Present Pageant of Christmas Story

On Friday, December 19, at 8:15 p.m., in the High school gym, a Christmas pageant will be presented by the chorus. This same pageant will be given the afternoon before as an assembly program for the school.

The chorus will accompany these with appropriate Christmas selections: "Adeste Fideles," "Carol of the Bells," "White Shepherds Watched Their Sheep," and others.

Assisting the chorus will be other High school students as the characters in the tableaux, a Junior High girls chorus, and the Sixth grade boys. Gabe Rector of the chorus, is in charge of the pageant.

Procedure Told for Primary Schools to Join Agr. District

Inquiries have been made concerning the procedure by which Primary School Districts can join an already established Rural Agricultural District. The Michigan School Laws have made this a reasonable action. The Board of Education of Primary Districts contemplating such action should make written requests to the Rural Agricultural District and to the Superintendent of Public Instruction at Lansing. If the requests are approved an election should then be held in the Primary District to determine the will of the majority of school electors. If the vote carries the Agricultural District will then hold an election to find out whether the majority of the electors are in favor of the annexation.

The time element is a factor since it is advisable for Primary Districts interested in uniting to take the necessary steps at an early date so that the Agricultural District board can plan for educational facilities and means of transportation in advance of another school year.

County 4-H Clubs Organize Tractor Maintenance Club

The Washtenaw County 4-H Tractor Leader's association met Wednesday night, Dec. 3, in the Agricultural Extension office, to organize and plan the 4-H Tractor Maintenance program for the year.

This association has a plan of the interest developed by Implement Dealers and 4-H leaders in teaching farm boys better methods in care and operation of farm tractors. Two years ago one club was organized by Clayton Ernst in Saline with an enrollment of only a few. This year the tractor leader's association was organized to promote a more effective and interesting program. Seven clubs are now in the process of organizing.

While the association has met in the past, many have planned for the 4-H tractor clubs of Washtenaw county this winter. Clayton Ernst of Freedom township was elected president, Robert Mast of Dexter, vice-president and Stanley Beal of Chelsea was elected secretary-treasurer. President Ernst immediately appointed Ernest Cole of Milan as chairman of the annual spring plowing contest and Paul Cheney of Ann Arbor as rector chairman. Various other committees will be appointed at a later date.

Boys interested in taking part in the tractor program should contact the following leaders immediately in their own vicinity:

Stanley Beal, Chelsea; David & Dresselhouse Hardware, Manchester; Allie Gross or Clayton Ernst, Saline; Ernest Cole, Milan; Charles Verberg, Ypsilanti; Robert Mast or Jenkins Implement Co., Dexter; and Paul Cheney, Ann Arbor. Guests at the meeting were Mr. Schaff of the Standard Oil Co., Detroit and Gerald Payne of Ypsilanti.

Kiwanians Hold Ladies' Night

The Kiwanis Ladies' Night, held at the Municipal building Monday evening, Dec. 8, was a very enjoyable affair with sixty-two members and guests present.

Following the fine turkey dinner, group singing was enjoyed under the leadership of Paul F. Niehaus, with Mrs. Niehaus at the piano. The program was presented by the ladies and their husbands and the master of ceremonies in the quiz contest, George Ferris of Detroit, was introduced as "Doctor I. Q."

By Owen S. Bacon, also of Detroit. Both are Kiwanians. With Russell McLaughlin and Paul Niehaus as judges, several prizes were passed out right and left by Alfred Mayer, of the A. D. Mayer Insurance Agency, as sponsor of the program, to all those who correctly answered the questions asked by Dr. I. Q.

The Hoffman Sisters sang several numbers which were very much enjoyed at the beginning of the program.

Chelsea Council K. of C. to be Installed Sunday, Dec. 14th

The initiation dinner and installation for the Chelsea Council, Knights of Columbus will take place Sunday, Dec. 14, at St. Mary's hall. State Deputy Edward Barrett of Bay City, will be the principal speaker of the evening.

It is expected that many from Chelsea, Dexter, Ann Arbor and Adrian will attend the dinner which will be at 6:30 with the ceremony following.

Mrs. Alice Jennings, formerly of Detroit and her daughter and family, Mr. and Mrs. Harvey Knickerbocker, are making Chelsea their home and reside at 629 McKinley street.

Mr. and Mrs. Roy Kalmbach attended the Farm Bureau convention in Lansing on Tuesday.

Doris Downer Attends Farm Stock Show

Represents County 4-H Clubs in Reward for Superior Work

Doris Downer, local 4-H club girl, spent from Saturday until Friday in Chicago as one of 1400 club members from all over the United States, and from Canada and Alaska, who won the privilege to spend the week of the International Livestock Show there, by her achievements in 4-H club work.

Miss Downer was interviewed Tuesday morning at the morning radio program originating at the show, by Marshall Wells of Station WJLB, Detroit, who was in Chicago as a representative of the radio station.

Many Chelsea friends of Miss Downer heard the interview and were returning home she received congratulations from her mother and Mrs. Roy Ives who happened to tune in on the program in their trailer in Florida, where they are staying.

Miss Downer has completed 21 projects in 4-H club work and has been on the State 4-H Club Honor Roll eight times. As a member of the Good Luck club, of which her mother, Mrs. Darwin Downer is leader, she was named Grand Champion for her dinner rolls which she entered in the county competition and won first place in the state contest in food preparation at Lansing, for her rolls.

Miss Downer's interests in 4-H club work are varied as evidenced by the fact that this week she and her brother, Duane, are each showing three lambs at the Farm Stock Show held in Detroit yesterday and today. She has completed chicken, canning, gardening and many other projects since she has been in 4-H club work.

While in Chicago she attended fourteen banquets for club members by different counties and was taken on sightseeing tours of the city, and generally had a very grand time.

Miss Downer's parents were in Chicago to attend the show from Monday until Thursday. On Monday, Tuesday and Wednesday the show were Mr. and Mrs. Sylvester Weber, who were there from Wednesday until Friday and Mr. and Mrs. Iven Weiss, with Mr. and Mrs. Adolph Gross of near Dexter who went there Saturday and returned home on Wednesday.

U. of M. Doctors Will Assist in High School Adolescence Problems

The University of Michigan Extension Service is cooperating with Chelsea High school in providing speakers for special meetings dealing with problems of boys and girls relationships. Dr. Helen Swank will speak on the girls and Dr. W. E. Forsythe will preside at the boys' meetings. Both are physicians on the University Health Service staff. The meetings will be held Thursday, December 11.

In many families the children are helped in every way possible to adjust themselves to the problems of adolescence. In other families these matters are ignored. The questions asked and answered in the special meetings should help students in forming desirable patterns of conduct.

FIRE DEPT. CALLED OUT
The fire department was called, about 1:15 Thursday afternoon, to the trailer home of Mr. and Mrs. Francis Birch, parked just south of Pierce street in the southwest part of Chelsea, when the oil heating stove began to leak oil which started to burn.

Mrs. Birch had stepped outdoors for a short time and when she returned, discovered the fire. Fearing the stove would explode she wrapped her young baby in a blanket and ran with her across the field to the home of a neighbor, Mrs. Joe Steele, who called the fire department for her.

Smoke damaged the interior and contents of the trailer, and the heater will have to be replaced, it was reported.

VFW AUXILIARY
The regular business meeting of the VFW Auxiliary was held Monday evening in St. Mary's hall, at which time Mrs. Ren Hutzel, president, appointed Mrs. Clara Hutzel to act as service officer.

It was voted to postpone the December social meeting and the committee that was to act at that meeting and the January committee will meet on the 19th. Those planning donations of canned goods which were to be brought to the December social meeting for the Christmas box which is to be packed, were asked to bring their donations with them when they go to town to shop, and place them in a box provided for the purpose, possibly in the Central Meat Market, or some other easily accessible store.

Historical Society Met December 6th

The Washtenaw County Historical Society met for a membership tea at the home of Mr. and Mrs. Mack Ryan of 205 N. Division street, Ann Arbor, Saturday afternoon, Dec. 6. Fifty-one new members were added to the society. The guests were received by Mrs. Ryan and Mrs. E. Spokes, the president of Devonshire Road, in the spacious living room.
The beautiful antique furniture and the Christmas trees and greens made a beautiful setting for this tea. The tea table was covered with a lace cloth and the centerpiece was of silvered leaves. Members were present from Ann Arbor, Saline, Manchester and Ypsilanti.
Not only was interest shown in the furniture but also in the interesting mural of the hall. During the afternoon members from Ypsilanti, Saline, Manchester and Ann Arbor poured.
The January meeting of the society will be held Jan. 8, 1948, at 9 p.m. in the Clements Library, Ann Arbor. Slides will be shown and a talk on early manuscripts will be given by Mr. Storm, director of the Clements Library. Tea will be served after the meeting.

4-H CLOTHING CLUB

The Busy Two-in-One 4-H Clothing club of Dexter has held two club meetings recently.

On Nov. 22 we gathered at the home of Phyllis Dominick at Half Moon Lake. Six of the seven members were present. Everyone darned socks. Although it is a requirement of the first year, we all decided it would be well if we reviewed it. Delicious refreshments were served.

Six members gathered at the home of Helen Ruhligh Saturday, Dec. 6. A business meeting was held. Dues were collected for November and December. A discussion of two new projects then followed. Everyone agreed they would like to take them. They are "The 4-H Club Girl" and "The 4-H Girl's Home Economics Electrical Project." We also discussed the new styles of dresses and skirts.

The next meeting will be at the home of Lorna Niesley on Dec. 20.

From where I sit... by Joe Marsh

"Terrible, Terrible, Terrible!"

Ben Ryder is back! After twenty years in Capital City, Ben has retired and come to enjoy life in the family house on Maple Street.

First thing Ben does is write us complaining how Our Town has changed. "Why, there's no mud in the streets to sink up to your ankles in!" he says. "No pistol fencing in the town square! No moonshine liquor or Saturday night brawls! Nothing to do but settle for a temperate glass of beer in a law-abiding tavern!"

"Terrible, terrible, terrible," Ben

says, "how a town can get run down in twenty years!" And then Ben takes his tongue out of his cheek and tells us how proud he is of the orderly, law-abiding atmosphere he finds here.

And from where I sit, you can point to that growing preference for a moderate, wholesome glass of beer as one reason folks in Our Town are so temperate, and neighborly and well-behaved.

"adequate and efficient railway transportation service for the nation"

FROM THE OFFICIAL REPORT of the Interstate Commerce Commission on awarding a temporary freight rate increase of 10%, we quote:

"The law requires us to give due consideration, among other factors, to the need of revenue sufficient to enable the carriers under honest, economic, and efficient management to provide adequate and efficient railway transportation service for the nation..."

A moment's thought should convince any fair-minded person that keeping the American railroads healthy is to everybody's advantage.

Every family, every businessman, even the Nation itself is in danger when this vital artery of American life is weakened.

And that threat is real, and it is now. For with increases in the cost of railroad operation piling up one atop another, how can the railroads' multimillion dollar program for desperately needed new equipment be continued? How can improvements in roadbeds, yards, stations, rolling stock, which took a merciless beating in the war years of peak traffic, be carried through?

They can't... UNLESS--

Unless the railroads are granted freight rates adequate to meet the wage and materials cost increases, and at the same time keep hundreds of American industries busy with new machinery and equipment orders.

Government requires that the railroads maintain a high standard of efficiency because You demand it, Industry depends on

it, and the Nation must have it. We are asking a permanent freight rate increase of the absolute minimum to meet our need—which is in every sense your need. Our request should be granted.

Veterans Entering Business May Secure Help

Veterans planning to establish and operate their own businesses should avail themselves of the assistance offered by the Detroit District Office of the U. S. Department of Commerce. This office maintains a library of valuable statistics, reports, pamphlets and publications. It is in fact a comprehensive record of results of the fact-finding facilities of the Department of Commerce.

Available to any veteran for a nominal fee of from fifteen to fifty cents each are manuals on establishing and operating small businesses. These manuals serve as guides in establishing and operating small businesses and service establishments in a number of fields. In businesses requiring mechanical skills, it is assumed that the prospective businessman is a thoroughly experienced and skilled worker. Therefore, in this series of manuals, the mechanical side of the business is not covered except as it applies to management. The series covers such subjects as location, capital investment, organization and management of the business, operating costs and record keeping, getting business, financing, buying, arrangement and display, pricing, credits and collections, and employee relations.

A complete list of the books available is in the hands of all veterans' counseling centers, or the information may be secured by writing to the U. S. Department of Commerce, Detroit District Office, 1038 New Federal Building, Detroit 26, Michigan.

Our Neighbors

Manchester—Miss Gloria Mahre, daughter of Seth Mahre, fell three stories at the dormitory where she lived, breaking her hip, while attending college at Berrian Spring. She was confined to the hospital at Niles for three weeks but since that time has been back to the dormitory at Berrian Spring college.—The Manchester Enterprise.

Dexter—Fred J. Johnson of Baker road, Dexter, has become associated with Murray Brothers, Inc., Dexter, lumber mill, located at the corner of B and G streets. Mr. Johnson moved to Dexter from Northern Michigan where he had been in the lumber industry for many years, part of which were with the Ford Motor company.—The Dexter Leader.

Grass Lake—Announcement was made Monday by Neil Kalmbach, commander of the Grass Lake American Legion Post No. 262, and M-Sgt. Robert E. Phillips, in charge of the Army and Air Force recruiting station, Jackson, Mich., of arrangements to issue American Defense and World War II Victory medals to the eligible Army and Air Force vets of the Grass Lake Legion Post, on Wednesday, Dec. 10, 1947, at 2 p.m., at the Legion hall in Grass Lake.—The Grass Lake News.

Milan—Completing his long term in the U. S. Navy, Kenneth Neff has received his discharge and is again at the home of his parents, Mr. and Mrs. Fred Neff. But better than that, he is back at his old job in The Milan Leader shop as "Lucy," as he calls the big Babcock press, in responding to his ministrations as if it recognized him. Ken has earned his printers rating in the navy and been associated with his chosen profession throughout his service. Needless to say the staff welcomed him eagerly at this busy season of the year.—The Milan Leader.

Milan—Two men were injured, one seriously, Wednesday morning when a cave-in occurred at the Michigan Bell Telephone company's construction on Hurd street. Excavating across the street to install cables, a large block of the blacktop pavement twenty-five feet long and about three feet wide, suddenly gave way and buried one man and caught another about the ankles.

The buried man was Don Resnick, 24, of Hurd street. He was found and was completely buried and would have suffocated but for the quick work of his fellow workmen. They used the electric air hammer to split the huge piece of pavement, but when he was uncovered appeared dead, as his face was blue and respiration ceased. However, shortly after there were signs of life. He was taken to St. Joseph's hospital and both wrists were found to be broken and there were extensive internal injuries not determined as one. The other victim was Arthur Brown, 24, also of Detroit. He was injured about the legs and ankles and also was treated at the hospital.—The Milan Leader.

IN MEMORIAM

In loving memory of our dear mother and wife who passed away one year ago, Dec. 8, 1946.

They say time heals all sorrow
And helps us to forget,
But time has only proved
How much we miss you yet.

God gave us strength to fight it,
And courage to bear the blow,
But what it meant to lose you,
Mother,

No one will ever know.

Be Patient About Your Baby's Growth

IF YOU'RE concerned about how your baby is growing, just give him the best possible care and be patient, advises Beulah France in an article in Capper's Farmer, one of the leading farm magazines. He will develop only as rapidly as nature intends.

"How fast your baby grows depends on 3 things," she writes in the magazine read by 1,300,000 farm families. "One is heredity—traits he inherits from both sides of the family. The other is environment—baby's surroundings—which include the food he eats and the treatment he receives."

In the early months, once a week is often enough to weigh your baby, she says. Later, once a month will be sufficient. Baby usually doubles his birth weight in 6 months. At one year he should weigh about 2 times his birth weight.

Your baby may begin to sit alone for a moment or two at a time when he is 7 months old. But he must not be propped and left that way. He will sit without support

and walk alone when his bones, nerves and muscles are ready for the effort. Between 12 and 18 months he will try to walk. By a year and a half he may be toddling. Between the ages of 2 and 3 he'll become an accomplished walker.

Some babies repeat a word or two as early as 10 months. But they generally don't know what they are saying. By a year, your child may call several things by name, including his father and mother. But do not expect a child to use phrases before he is 18 months old. Even babies of 2 years may not speak clearly.

"Don't use baby talk with your child," Miss France cautions.

CHAOS AND COSMOS
Have you heard the latest? Wrigley's company is going bankrupt! Why? There is too much gum chewing at Chelsea High (hoo! hoo!) Think it over! folks—maybe we brought this on ourselves. Now when we sit down, we don't stick. What? No more gum on the seats? We can even recognize our friends. With no more bubble gum on their faces they look quite different. School does seem very quiet. No more smack, crack, then, "Ha! ha! ha!" Even though "No gum chewing" sounds pretty sugar now, it will pan out. The Wrigley company, I guess, will be able to survive if we are sensible and mannerly in chewing gum.

WELL, WHAT DO YOU THINK?
What has become the most important topic in the last year? What has created more discussions and fiery debates than anything else? Can't you guess? "To be or not to be—that is the question." What? You still haven't caught on! Well—are skirts to be longer or not to be? Just between you and me and a few magazines—it has been said that if hem lines keep going down the male population may chop off their pants legs! How about it fellows, wouldn't you feel rather conspicuous? Do we? Goodness no—anything for the sake of style! On the other hand, did any of you boys ever try

running to catch a bus when you trip over your skirt every other step? You know, maybe we're inclined to agree with you at that! Let's get together and find a happy (?) medium. Is that alright with everyone concerned? Say—who started all this in the first place, anyway!

CHORUS ON WPAG
The Chelsea High school chorus gave a program of Christmas music over radio station WPAG, Monday, December 1, at 1:45 p.m. Thirty students from the ninth to twelfth grades participated in this program. The following carols were sung: "Ye Watchers and Ye Holy Ones," "Mary Borned a Baby," "Carol of the Bells," "God Rest Ye Merry, Gentlemen," "Silent Night." Mr. Gable directed the group and Virginia Quatt accompanied them on the piano.

BAND NEWS
As a result of tests given in band the following students are qualified to study music: Karen Chase, Dean Guenther, Claude Craft, Maryellen Moore, Shirley Weir, Bill Moody, Gene Lake, Dorothy Ann Speer, Bobby Joseph, Douglas Schneider, Ernest Aldrich, Franklin Schneider, C. Deatrick, J. O'Dell, and Jean Schweinfurth. Most of the students wish to play either clarinets or cornets. We hope that each student will be able to rent or buy an instrument, and that none will lose this opportunity.

CHORUS NEWS
The High school chorus is planning on being in the pageant directed by Mr. Gable, Friday, December 14. A number of Junior High school girls will also sing in this pageant.

JUNIOR NEWS
The social committee of the Junior class has completed its plans for the High school Christmas party. Twelve poems have been chosen to be sent in to the poetry contest. Those picked were written by Marjorie Proctor, Myrna Roberts, Bob Merkel, Rose Marie Tarnachi and Elianae-Wanous, of the afternoon class; and Deloris Eisenmann, Joanne O'Dell, Thelma Ferguson,

Bill Lyons, Oscar Hansen and Helen Jarvie, from the morning class.

The Juniors have sold almost all of their Christmas cards.

KINDERGARTEN NEWS
Donald Fogg had a birthday. Everyone is busy making Christmas decorations for a tree. The boys and girls drew names to exchange gifts for Christmas.

On the day of the Kindergarten program, red jacket, trimmed with gold buttons and a gold eagle on one sleeve, was left at school; also, a blue sweater. The children seem to know nothing about them, so owners are asked to notify the teachers.

The milk program has begun again. If children want milk during the week they are requested to bring their money before Friday for the following week.

SEVENTH GRADE NEWS
Sue Barlow celebrated her birthday on December 7.

Dick Keeser painted the flower pots for our room.

Dick L. Rowe is our librarian and Bill Clark is checking attendance for this marking period.

The class is working on parliamentary procedure and holding practice meetings for English.

SENIOR BIOGRAPHY
There was quite a bit of excitement in the gym on July 30, 1930, when the stork delivered a little bundle of love down the chimney. The bundle was a boy to whom they gave the name of Jim. He is now in the twelfth grade and is seventeen years of age.

Jim's favorite sport is basketball, but he also likes other sports. He has no favorite food or color.

"Modest, isn't he?" His favorite song is "Temptation." After graduation Jim plans to go to college.

THOUGHTS OF WINTER
by Therese M. Hankerd
In this season of good cheer, Which is the finest of the year, Comes the silvery glistening snow, Though the stars which seem to glow.

From the window one can see The children playing joyfully; Their cheeks so rosy from the cold. It makes them lovely to behold. In the evening about the fire The family gathers to admire.

on the road today, and with a car worth lots more when you're ready to turn it in.
