

By Gene Allman

Across the street from the towering General Motors building in Detroit is a billboard. It reads like this:

"Chrysler and GM (General Motors) can reduce car prices \$150 and still make 8% profit. Now they make 20%."

Who is saying this with such emphatic finality?

The employees of these Detroit automobile plants through their collective bargaining agency, the United Automobile Workers' CIO union!

Here is a 1948 symptom of the old, old conflict between capital and labor, between management and employees, over the profits of their combined efforts.

The two viewpoints are far apart. Automotive management has a healthy respect for the efficiency of modern machinery. It borders at times upon worship itself. We recall how one automobile plant manager said publicly that he could take any Michigan farm boy and in 30 days train him to operate the average machine in an automobile plant.

Employees' distrust is being agitated constantly by their union leaders who point to corporation record of steady profits.

General Motors produced 46.6 per cent of all automobile business in 1946; it was responsible for 35 per cent of all reconversion after V-J Day. Its invested capital is \$1,440,000,000. Its average annual profit over a period of 11 years was \$173,238,252. For the 1942-44 the average annual net was \$161,000,000. Between 1946 and 1944 inclusive, GM earned an average of 16.3 per cent on its invested capital.

Little wonder then that a labor official is quoted by John Gunther in his "Inside U. S. A." as saying: "GM is the most brilliantly operated company in the world."

Uppermost in the thinking of many automobile company executives is an apprehension over the future of the "free American system of free enterprise." This is another way of referring to competitive capitalism whereby free men have an opportunity of getting ahead by risking dollars for profit.

We recall a dinner in Detroit's Fort Shelby hotel following a test run of GM's "Train of Tomorrow," a Lansing to Detroit. Top officials of GM plants were there. They were an intelligent, aggressive, democratic lot; two rugged individualists; all, two-fisted men who believed sincerely in hard work and good living. Their language was forceful; no "butts" and "ifs." Here was competition, free enterprise, delivered the goods of "you were supplanted tomorrow by someone who did."

The American system of free enterprise achieved better standards of living for American citizens because it increased wages of the worker and, at the same time, lowered prices for consumers. Post-war inflation has reversed this historic trend.

Therein lies the dilemma of the hour. Constant boosts of both wages and prices will lead inevitably to economic disaster.

LAFAYETTE GRANGE
Lafayette Grange met Tuesday evening, Jan. 20, with Mr. and Mrs. Norman Nash, at their home on Trinkle Road.

After a short business meeting and the song, "I Love The Dear Old Farm," the group was entertained with colored movies shown by guests at the meeting, Rex Nottingham of Ann Arbor, the topics being, "Victory Gardens," "India," which included an Indian wedding, and "Our Trip To The Rose Bowl Game."

A delightful lunch was served following the program to fifteen members and two guests present. Miss Lucille Schauer of Ann Arbor was a guest.

The next meeting will be held at the home of Mr. and Mrs. Fred Seitz on Tuesday, Feb. 17.

Mr. and Mrs. Paul Niehaus were in Lansing Sunday afternoon to visit her parents and see them off as they started by train for Florida where they plan to remain for some time.

Bulldogs Win First League Contest for '48

Squad Downs Saline Hornets by 34-24; Roosevelt Hi Next

By DWIGHT GADD

Chelsea's Bulldogs came to life with a loud growl last Friday night as they racked up their first Huron League win of the season by whipping Saline's Hornets, 34 to 24.

The first quarter was a dull affair as neither team could find the range; each outfit making only four points during the first eight minutes. However, the second quarter was just the opposite, as both teams began to hit, and Chelsea in particular got very "hot." Saline's attack took a point lead at the half, 19-10. Doug Vogel, Chelsea forward, led this second quarter rally by netting seven of the 16 points.

Saline came back in the third quarter and threatened to make a game of it by outscoring the locals 6 to 0, but the Bulldogs pulled away to their 10-point margin early in the last period and maintained it until the final whistle.

Doug Vogel paced Chelsea with 11 points, but had to take second place in the evening's scoring as Merce, Hornet forward, netted 13 to take the honors.

Chelsea's "Bulldogs" also racked up a win as they dumped the fifth Hornets, 27 to 21. Crocker was high for Chelsea with 11 markers while Stollstetter racked up seven for the losers.

Tomorrow night at 7:00 o'clock at the local gym Chelsea will meet the local High from Ypsilanti, the reserve meeting first, followed immediately by the varsity game. Let's have as fine a crowd as at the last home game.

See you at game time!

Manchester Wins to Maintain Lead in Industrial League

Manchester, Grass Lake Merchants and Millers each chalked up a win last Thursday evening in the Chelsea Independent League games at the local gym.

Millers, with Newkirk setting the pace with 14 points, had a fairly easy time in the opener as they dumped Cassidy Lake, 38 to 20. Bacon led the losers with 7 points.

Manchester continued unbeaten in league play by trouncing Products, 37 to 20, an easier win than was expected by anyone. Products couldn't crack Manchester's defense effectively and consequently had fewer shots than the victors. Lentz was high for Manchester with 18 points and Foster paced Products with 6.

In the final game the two Grass Lake outfits tangled, and although the Church boys made a game of it for the first quarter, the Merchants came out on top, 42 to 31. Butterfield racked up 21 points to lead the victors, while Snyder pitched in 18 for the Church outfit.

Tonight, in the first game at 7:00, league-leading Manchester will entertain last place Cassidy Lake; at 8:00 o'clock, Millers and Grass Lake Church will meet, and at 9:00, in what should be the best game of the evening, Products and Merchants will battle it out for second place. A Merchant's win would give them undisputed second place. Products' win would raise them into a two-way tie, and possibly a three-way tie, depending on what Millers does, for second place. It all adds up to quite an evening of basketball, so drop around to the high school gym around 7:00 tonight.

Independent League Standings

Team	W	L	Pct.
Manchester	3	0	1.000
Grass Lake Merchants	3	1	.750
Millers, Chelsea	2	2	.500
Chelsea Products	2	2	.500
Grass Lake Church	1	3	.250
Cassidy Lake	0	4	.000

Seven Have Perfect Attendance Records for Sunday School

Perfect attendance records at St. Paul's Sunday school for 1947 were made by Mrs. Herbert Paul, Patricia Hopper, Duane Satterthwaite, David Berke, Richard and Douglas Schneider and Barbara Berke.

Patricia Hopper and Duane Satterthwaite have each completed four consecutive years of perfect attendance and David Berke has completed two consecutive years, and also has to his credit another year, 1944, making his total three non-consecutive years. Mrs. Paul has six non-consecutive years to her credit, while Richard and Douglas Schneider and Barbara Berke, the latter only five years old, each have completed one year of perfect attendance.

The latter three will receive perfect attendance pins, while the others will receive bars to add to those they have already been awarded, to be attached to their pins.

SEVENTY-SEVENTH YEAR—No. 27

CHELSEA, MICHIGAN, THURSDAY, JANUARY 22, 1948

SUBSCRIPTION \$2.00 PER YEAR

Music Professor Will Present Fifth Lecture Offering

"How to Listen to Music" will be the subject of Prof. McGeeoch's lecture to be given Monday, Jan. 26, at 8:00 o'clock in the evening at the Chelsea Methodist Home. This lecture is the fifth in a series to be given this season here in Chelsea.

Glenn D. McGeeoch, Professor of History of Music, School of Music, University of Michigan, has for the past eight or nine years been offering extension courses in Literature and Criticism of Music, in addition to his regular university work.

Prof. McGeeoch was born in Bay City, had three years of undergraduate study at Ann Arbor High school, one year at Erasmus Hall, New York, and received his AB degree with studies at the University of Michigan and Peabody Institute, Baltimore. He received his M. A. degree from the University of Michigan, and in Sept. 1927 he was appointed assistant in the School of Music, at U. of M. Mr. McGeeoch has done graduate study abroad at the Universities of Munich and Cambridge, and here in the U. S. at New York City. He is an honorary member of Mu Phi Delta.

Large Delegation of Rebekahs Attend Institution at Dexter

A total of twenty-six members of the local Rebekah lodge were in Dexter last Thursday afternoon and evening to attend the institution of the new Dexter lodge, Hazlewood Lodge, No. 460, with Mrs. Carol Haisel of Dexter, as its first Noble Grand.

Assembly President, Catherine Wetherby and her staff of officers conducted the instituting ceremony. Rebekahs from a number of other places had been invited to attend the ceremony, and included among the guests were some from Detroit, Ann Arbor, Ypsilanti and Coleman; in addition to the ones from Chelsea and other places.

Fifteen Chelsea Rebekahs attended the afternoon session and were joined in the evening by eleven others.

The OES of Dexter, and in the evening after the close of the program, refreshments were served by the Dexter ladies.

Oakwood Lodge, of Detroit, put on the Degree work in the evening.

The new lodge was presented with a number of gifts and Mrs. Harold Bair, on behalf of the Chelsea lodge, presented a gavel to the new Noble Grand, Mrs. Haisel.

Kiwanians Discuss Issue of City Govt.

Lowell Davisson, speaking at the Kiwanis meeting Monday evening on the proposed change to a city form of government in Chelsea, which is being sponsored by the Kiwanis Club and the Chelsea Chamber of Commerce, asked for an expression of opinion on whether or not action should be taken to have the village limits should be included in the city. He explained that it would be wise to include any additional sections at the same time the city form of government was being formed.

He said voting on the proposal to change to a city form of government and voting to extend the limits of Chelsea could be done at the same election, providing an agreement could be reached by committees as to which sections to include in the proposed additions, before the election was held.

Mr. Davisson said this matter was a very important issue and deserved the thoughtful consideration of every person in Chelsea.

Movies of the 1947 World Series baseball games were shown as the special entertainment feature of the evening.

Walt's Cafe now features complete entertainment; beer, wine, fish and chips, dancing and television. Second place west of Chelsea corners on Old US-12, adv. 30

Polio March of Dimes Is off to Good Start

Funds Are Urgently Needed to Continue Fight This Year

The National Foundation for Infantile Paralysis marks its 10th anniversary with the 1948 March of Dimes campaign which opened Jan. 15, and will continue through Jan. 30.

Mrs. Walter Mohrlock, chairman of the Chelsea drive again this year, working with Mrs. Hickman Price, Jr., of Ann Arbor, county chairman, reports that the drive here is in full swing and that she has placed school dime cards in the lower grades of the Public school, all grades of St. Mary's Parochial school, and a number of the rural schools, this week.

Mrs. Mohrlock also announced that the Chelsea Study club will have charge of the Mile-of-Dimes board which will be in its usual place in front of the Chelsea State Bank on Friday and Saturday of this week.

Dr. Otto Engleke, county health commissioner, expressed the hope that the local chapter, in its 1948 drive, would be able to accumulate a healthy reserve in the event of a severe polio epidemic next year. Chelsea's 1947 campaign contributions amounted to \$672.62.

This year, for the first time, the rural schools of the county have pledged their vigorous support and cooperation to the drive. Mrs. Price stressed the urgent need for funds, pointing out that the county chapter must be prepared to continue its policy of offering immediate assistance to every person with a polio disorder, adult or child, regardless of financial status.

Of the \$19,000.00 collected in Washtenaw county last year, half or \$9,500.00 was kept in the county for aid to county persons afflicted with the disease. Expenditures in giving that aid were \$9,138.14.

The reserve fund from previous years is now nearly depleted and the county chapter will depend solely upon this year's campaign for its successful handling of polio cases in 1948.

Money given to the National Foundation is used to finance its nation-wide program of research, education and emergency epidemic aid.

LYNDON FARM BUREAU

The Lyndon Farm Bureau met Tuesday evening, Jan. 20, at the home of Mr. and Mrs. Homer Stoffer of North Lake, with thirty members present.

H. S. Osler of Ann Arbor, Washtenaw agricultural agent, was present and spoke on the topic, "What We Have a Farm Conservation Program in Washtenaw County?" illustrating his talk with films pertaining to the subject.

Lunch was served at the close of the meeting and it was announced that the next meeting is to be held at the George Boice home in Lyndon on Tuesday, Feb. 17.

VILLAGE PRESIDENT REPORTS

Reasons For Sewer Service Charge

Taxes are unpopular—and so are the people whose duty it is to levy a tax or charge for services rendered a community.

For several months the village council and the electric and water commission considered the matter of collecting a nominal amount from each family in the village who uses the sanitary sewer system. Such action was deemed advisable because of the steadily increasing cost of operating the sewer disposal plant as well as to help in meeting the problem of enlarging the plant as requested by the State Department of Health and the Stream Control Commission.

After careful deliberation and the gathering of information from other villages and cities where such a sewage service charge is being collected, a schedule of rates was adopted by the council which should not be a hardship to any family. This charge, which started Jan. 1, 1948 and will be collected quarterly, is 50¢ a month per family. If there is only one family in a house; dwelling units housing more than one family carries a charge of \$1.00 per quarter for each family. There is a charge of 60¢ a pupil per annum in the schools, and factories will pay the same amount per employee each annual basis. The complete schedule of rates was published in the council proceedings two weeks ago.

To determine the number of family units subject to this charge and to obtain other information which will be necessary to starting the collection on April 1, the Electric & Water Department will start a house-to-house survey this week.

It is estimated by the Chelsea Electric & Water Commission that this new service charge will amount to approximately \$5,000.00 a year. The sewage plant's operation comes under this department, and the records show an operating cost of about \$4,000.00 a year.

Facing the village is a demand in no uncertain terms from the

CORNELIA OTIS SKINNER, stage actress, and chairman of the National Women's Division of the March of Dimes, is shown above making one of the first contributions in the State of Michigan to Donald W. Barton, state representative of the National Foundation for Infantile Paralysis. The money collected in this drive will continue to be used to direct the fight against poliomyelitis. The March of Dimes campaign extends through the period Jan. 15-30 throughout the nation.

Local Police Receive Two-Way Radio from Sheriff's Department

The Washtenaw county Board of Supervisors, at its regular January meeting, Tuesday of the past week, unanimously approved the purchase and maintenance of two-way police car radios by the county sheriff's office, for the Chelsea and Milan police cars. The agreements between the Village Police department and the Sheriff's department call for cooperation with the Sheriff's department by assisting in county police work in the two villages and by placing the village police cars at the disposal of the Sheriff's department in times of emergency.

Attends Mass Meeting Sponsored by Toledo Council of Churches

Rev. M. W. Bruckner attended a mass meeting at the Civic auditorium in Toledo, Sunday evening to hear a lecture by Dr. S. C. Michener, sponsored by the Toledo Council of Churches.

Dr. Michener, representative of the World Council of Churches and Lutheran World Action, at Geneva, has just returned to the United States after two years in Europe, and gave a most interesting and enlightening account of conditions there.

One of his duties while there was overseeing the distribution of gifts sent to the needy by people in the United States and in this connection was asked whether people in the United States ought to send gifts directly to private individuals or whether it is better to send gifts through the regular agencies. He answered that, by all means, sending to individuals, if they were relatives or people one knew, was the quickest and best way to help them. However, he said, there are people there just as anywhere else in the world who are out to get all they can by any means at hand and it is people like these that take part in a sort of names racket, buying names of Americans to whom they may write and ask for help.

These people sometimes have been known to write to as many as fifty different people here and in the country, asking them to send gifts. He answered their plea for help that they would be getting more than their just share of supplies.

Dr. Michener also mentioned the wonder and delight of the people of Europe over the friendly, helpful attitude of the American people toward those who were recently their enemies. He said this was creating a feeling of gratitude and good-will between Europe and America that is very desirable and gratifying to thinking people who desire a peaceful world.

GRCT CLUB

The Chelsea Rural Classroom Teachers' club met for the January meeting at the home of Mrs. Mildred Breitenwischer, Monday evening, Jan. 19. Two new members were taken in to the club, Mrs. Ruth Carter, teacher at the Riemenschneider school, and Mrs. Ruth Hawkins, who is the teacher of the Savage school.

Mrs. John Hale, first grade teacher in the Chelsea Public school, was a guest at the meeting, and gave a very interesting talk on the use of phonics in teaching reading to young children.

This was followed by a discussion of ways to interest more young people in entering the teaching profession, and among the reasons given as opinions of some of those present was the one that college courses in teaching concentrate too much on theory in comparison with the amount of practice teaching given.

A large collection of pencils was brought to the meeting to be added to the pencil collection for overseas school children.

Refreshments were served at the conclusion of the meeting by the hostess, assisted by Mrs. Leon Shutes, as co-hostess.

The Misses Margaret and Ann Miller left Wednesday for Detroit where they will attend the wedding of Jane Elizabeth Quinlan, daughter of Mr. and Mrs. Frank Quinlan of Detroit, and Theodore Smith of Port Huron, son of Mr. and Mrs. Charles Smith of Port Huron, which will take place at Goss church, Saturday morning.

Question-Answer Discussion on City Government Issue Is Scheduled for Monday Eve.

Features Listed for Farmers' Week Set for January 26

Finishing touches are being put on the Farmers' Week program to be held at Michigan State college, East Lansing, next week. College officials estimate that 30,000 Michigan farmers will attend the event. This is the first Farmers' Week in two years and needed facilities and new developments in agriculture will make it one of the biggest in the 33-year history of the show.

All departments of MSC's school of agriculture are joining to present Michigan's agriculture. How, pulling contests, department programs, prominent state and national speakers, exhibits, demonstrations—these are only a few of the many features of the week.

Here is a day-by-day round-up of highlights:

Monday, Jan. 26—Dairy day. All breed associations will hold annual meetings and jointly hear of new dairying practices. A panel discussion on atomic energy will be held in the evening.

Tuesday, Jan. 27—Horse day, including pulling contests; fruits in horticulture; irrigation and hay-making in agricultural engineering; sugar beets in farm crops; management in poultry; farm management; agricultural economics; and sociology. Featured speaker of the day will be Mrs. Raymond Sayre on "Europe As I See It."

Wednesday, Jan. 28—Livestock day. All beef cattle breed associations will hold their meetings. Programs will continue in all departments. Banquets will be held by various departments at night.

Thursday, Jan. 29—Auction sale of prize-winning steers and swine. Meetings of various farm organizations. Department meetings continue. Speaker of the day will be Dr. Daniel Poling on "National Security."

Friday, Jan. 30—Beekeepers, conservation, muck crops, atomic energy panel discussion in evening.

Saturday, Jan. 31—Muck farmers and essential oil growers meetings.

General interest programs are planned for Tuesday, Wednesday and Thursday, beginning at 3 o'clock in the afternoon. Night programs will be held on these same days.

145 Attend Annual Masonic Banquet Held Last Friday

Entertainment featured at the high school gymnasium for the annual Masonic banquet Friday night included "Maze-A-You-Like-It" by Jack Delmar, acrobatic dancing and a Russian dance by Paige Johnson, and a very interesting offering called, "European Novelties and Pictures in Rags," given by Mrs. Roberta Delmar, to the musical accompaniment of the "Sons of the Prairie." The ones and twos and threes are all from Detroit.

Mrs. Delmar's part of the program included arranging, on an easel, "pictures" which she fashioned of strips and scraps of cloth in various colors, while the orchestra played descriptive music. Mrs. Delmar also played the piano and accompanied Paige Johnson's dances and Jack Delmar's magic, as well as for the dancing which followed the program.

Dinner for one hundred and forty-five was served at seven o'clock by the members of the Women's Guild of St. Paul's church, in the church dining room, the group going from there to the high school for the remainder of the evening's entertainment.

DISCHARGED FROM ARMY

Pfc. Charles Slane, who spent eleven of his seventeen months of army service overseas and was stationed at Chun Chon, Korea, for ten months, received his honorable discharge on Jan. 8, 1948, and is now at the home of his parents, Mr. and Mrs. Charles Slane, on North street.

Charles played football with the Seventh Division team and had been scheduled to play in the Rice Bowl game in Tokyo on New Year's Day, but was happy to pass that up for the chance to come home.

While his team was at Seoul to play a game, Sgt. Le Roy May of Chelsea, who is stationed in Korea, came there to see the game and spent a three-day leave with him. Charles Slane enlisted in the Army on Aug. 27, 1946, following his graduation from Chelsea High school in June. He took his basic training at Fort Bragg, N. C., and spent Christmas of 1946 in Chelsea, prior to his departure for the west coast from where he sailed in February for Korea.

Mrs. Mary Clark received word from her son, Duane R. Clark, that he has joined the Navy Air Corps and is stationed at Great Lakes, Ill.

John Iglauer Will Be Present To Answer Questions Proposed

Monday evening, Jan. 26, at 8:00 o'clock, a follow-up meeting on the question of changing Chelsea's form of government to that of a city, will be held in the High school gymnasium. It was announced at the regular Chamber of Commerce meeting, held Tuesday evening, in the Municipal building.

This meeting, being held two weeks after the first public gathering on the subject, is to be in the form of a question-and-answer discussion. Village residents are urged to formulate their questions now and be on hand to present them to John Iglauer, representative of The Michigan Municipal League, who will be in charge of the discussion and will supply authoritative and unbiased answers.

In Mr. Iglauer's appearance at the meeting here two weeks ago, he addressed the approximately 60 persons who gathered, on what he thought were the advantages that Chelsea would reap from the proposed change. He explained at that time however, that his only interest in the subject was in the performance of his job—to help municipalities in getting the best government possible, no matter which type they might prefer.

Lowell Davisson, chairman of the joint committees from the Chamber of Commerce and Kiwanis club, who are sponsoring the movement, announced that petitions requesting a vote on the proposition would be circulated within the next few days. Legal requirements prescribe a minimum of 100 signatures on such a petition before it can be brought to a vote.

After lengthy discussion, pro and con, it was decided by the sponsoring groups that the boundaries of the proposed incorporation area should be left the same as the present village limits. Further expansion, if needed or desired, could then be made through normal annexation procedures, it was noted.

Questions - Answers

(Editors' Note: The following questions and answers are printed here as a service to the community. The questions have been turned in to the sponsoring committees, who have provided the answers given here, which they believe to be from the highest authority.)

Q. When or if Chelsea becomes a city will our taxes be higher?

A. No; as long as the city is not required to provide benefits that Chelsea does not have now as a village. In fact, Chelsea should realize greater benefits from their tax dollar. As a village, part of your tax dollar goes to help maintain the township, but as a city all of your tax dollar would be used to maintain the city proper.

Q. Can we conduct city and state elections at the same time, thereby saving the cost of two elections?

A. Yes.

Q. Would the president and councilmen receive larger salaries?

A. No. There is no reason for this. They would have less work.

Q. Would the city be required to collect township taxes?

A. No. Only city taxes.

Q. Who pays the two supervisors that represent the city on the County Board of Supervisors?

A. The county, not the city.

If these questions are not satisfactorily answered, or if you have other questions please be at the High school gymnasium at 8:00 o'clock Monday evening, Jan. 26. Sponsoring Committee.

TRACTOR CLUB

The 4-H Tractor club held its first meeting Tuesday evening, Jan. 20, at the Chelsea Implement co. Officers were elected as follows: President, George A. Merkel, Vice-President, Dean Schweinfurth; Secretary and Treasurer, Henry Notten; Leader, Stanley Beal.

Meetings will be held every Tuesday night for second-year members.

Joseph Czaplak spent three days last week at the Fruit Growers' Session at Michigan State college, East Lansing.

Saturday visitors at the home of Mr. and Mrs. Joseph Czaplak were Mr. and Mrs. John McKenzie and daughter of Jackson, and Sunday afternoon callers were Mrs. Robert Miller and son Douglas of Chelsea.

Energy of Cartridge
Total energy of an ordinary 22 caliber rifle cartridge will lift a 150-pound man one foot. While the tiny bullet is picking up speed down the gun barrel, it develops energy at the rate of 180 horsepower, approximately twice that of an automobile.

RECOVERING FROM INJURIES
Mr. and Mrs. Charles Norton of Ypsilanti, came Friday night to spend some time at the home of Mrs. Norton's parents, Mr. and Mrs. Albert Ashfal.
Mrs. Norton, the former Doris Ashfal, is recovering from injuries received in an automobile accident on Stadium road near US-12, two weeks ago last Sunday, when the car she was riding in, driven by Mr. Norton, collided head-on with a car going in the opposite direction. She received facial cuts and a deep gash on one knee, as well as multiple bruises. Mr. Norton was not injured.

8:00 p.m.—Evening worship.
Bible study and prayer services each Thursday at 8:00 p.m.

2nd EVANGELICAL UNITED BRETHREN CHURCH
(Waterloo)
Rev. C. S. Harrington, Pastor
10:00 a.m.—Sunday school.
11:00 a.m.—Worship service.

COLLECTS GAME REPORTS
Cadillac—Fifth graders of Mesick consolidated schools have just completed a conservation project that the conservation department's game division would like to see duplicated in 5,000 other Michigan schools.

The pupils collected and mailed to the department 114 game kill report cards. While making sure the cards got to the department for tabulating, sorting and analysis the children learned what the local game harvest means to their community.

Rock in Lake Huron Helped To Mark Boundary of Early Treaty with Indians

(Editor's Note: This is one in a series on historical spots and monuments in Michigan based on information in the Michigan Historical Collections at the University of Michigan.)

A rock in Lake Huron marks the northern boundary of a treaty by which a large portion of Michigan was obtained from the Indians. Called the White Rock, it is approximately 100 yards from shore at a spot about nine miles south of Harbor Beach on M-29. On shore a boulder with a bronze tablet marks the spot opposite which the White Rock is located. Swimmers may wade out to the rock as now it is in but a few feet of water.

The rock was chosen as a marker in a treaty made in Detroit, Nov. 17, 1807, because it was known to most of the thousands of Indians

Help on Building Plans Available at Extension Offices

Farm families who expect to build a new house or remodel their present home or other farm buildings are urged by housing and engineering specialists at MSC to begin planning months ahead.

To make a workable plan for your building or remodeling, you can obtain trained help from your county extension office. County extension agents have recently completed a refresher training school and are ready to help you with your building problems.

At your county extension office you can obtain information on electric wiring, water systems and septic tanks. You can learn sources of plans and blueprints and receive cut-out aids for farm house planning. You will also find out about eliminating fire and accident hazards in your planning.

Michigan farm families are remodeling to include the installation of running hot and cold water, electric wiring, kitchen sinks, kitchen cabinets, bathrooms, storage space, and central heating systems. If you plan to include one or more of these changes in your program you will want to make the changes properly. For the greatest returns in time and energy saving you will want to know the latest recommendations for the location and installation of these conveniences.

Your county extension office has the latest information from Michigan State college, and your agents are ready and willing to serve you.

Frankfort—Recognizing that the children of divorced parents are "wards of the courts" and that there is a duty to these minors continuing after a granting of a divorce decree, Circuit Judge William H. Yearnd has announced that upon his recommendation Governor Sigler has appointed Paul B. Wyman of Kalamazoo as friend of the court for the 28th Judicial Circuit. The Benzie County Patriot.

Tariff Reductions in Effect January 1 on Many Farm Products

Tariff reductions on a number of agricultural and industrial products went into effect on Jan. 1, 1948.

These tariff reductions, made by the United States and 22 other countries, cover over half of the commodities entering world trade. It is hoped that these reductions will bring about a wider exchange of commodities leading toward world prosperity.

According to Lawrence Witt, agricultural economist at Michigan State college, Michigan farmers will be affected little by the reductions at present. The continued high domestic demand, export sales and low level of production abroad will prevent any material price declines in the agricultural commodities affected. Over a period of time there will probably be some increase in imports.

However, reductions in trade barriers were made by foreign countries for many commodities the United States exports. Among these are automobiles. This will lead to continued export sales and a high level of employment in the Michigan automobile industry. This, in turn, will provide nearby markets for Michigan farm products, it is predicted.

The following are major Michigan farm products affected by the tariff reductions:

Butter: The former tariff of 14 cents per pound is reduced to seven cents for the months from November through March, for a maximum import of 50 million pounds or about three per cent of production. Thereafter the tariff of 14 cents is charged.

Dry Beans: The former tariff of three cents per pound is reduced

to one and one-half cents for the Michigan-type of dry bean.

Potatoes: Tariffs on potatoes are reduced slightly. The major change is to increase from one and one-half to two and one-half million bushels the quantity of certified seed potatoes which may be imported at 37 and one-half cents per 100 pounds. Imports in excess of two and one-half million bushels pay 75c per 100 pounds.

Sugar: Duty on Cuban sugar is cut from three-quarters to one-half cent per pound. Quotas limiting imports took effect Jan. 1, 1948.

Wool: Basic rate of 34 cents reduced to 25 and one-half cents per pound. The domestic wool stabilization program continues.

VETERANS

OFFICE OF
VETERANS' AFFAIRS
LANSING

Disabled Veterans May
Arrange Premium Deduction

Michigan veterans who are receiving federal compensation or pension payments from the Veterans Administration may make arrangements for deduction of G.I. life insurance premiums from their monthly checks.

By making this arrangement the veteran is relieved of all details in keeping the policy in force, and thus does not run the risk of having his insurance lapse because of overlooking a premium payment.

All that is necessary to arrange for the deduction of premiums is to file an authorization on the proper form (8-587) the duplicate. The original goes to the Insurance Service, Veterans Administration Branch, Columbus, Ohio, and the duplicate to the Regional Office of the Veterans Administration in Detroit.

Assistance in completing the necessary forms may be obtained at the Veterans Counseling Center, Armory building, Fifth and Ann streets, Ann Arbor, or any other veterans counseling center.

PERSONAL NOTES

Mr. and Mrs. William Cole and son, of Flint, called at the Peter Kinsey home Sunday afternoon.

Mr. and Mrs. A. K. Marriott, of Dearborn, visited Chelsea relatives Sunday.

Mr. and Mrs. Robert Allhouse spent the week-end in Richmond, Ind., at the home of the latter's mother, Mrs. Dan Leahley.

Mrs. Lawrence Hovey and daughter Nancy, spent the week-end at the home of her mother, Mrs. Henry Mohrlock.

Reverend Orville W. Morrow received word from his niece, Mrs. Hector Morrow, Flint, of the sudden death of his brother George Wesley Morrow, Thursday morning, Jan. 15. Reverend and Mrs. Morrow drove to Flint last Thursday to assist in plans for the funeral service. They returned to Flint Saturday for the service which was held in the Calvary Methodist church of that city.

ST. PAUL'S SUNDAY SCHOOL
ELECTS NEW OFFICERS

New officers at St. Paul's Sunday school for 1948 are Paul J. Niehaus, assistant superintendent; Erma Elsie, secretary; Eleanor Schmidt, assistant secretary; and Pauline Klink, treasurer. Mrs. John Osterle was re-elected as superintendent.

Mr. and Mrs. L. E. Morehouse of Jackson, spent Sunday here at the home of the latter's sister, Mrs. Elton K. Musbach and family.

Mr. and Mrs. William Eisenmann of Ann Arbor, and Esther Weddell of Chelsea, called at the home of George Zeeb, Sunday afternoon.

Mrs. Margaret Hoeselschwerdt, with her daughter, Margaret, spent Sunday at the home of her son, Clayton, and his family, in Michigan Center.

Mr. and Mrs. Norman Schmidt and family were Sunday dinner guests at the home of Mrs. Schmidt's mother, Mrs. Anna Kalmach, in Ann Arbor.

Mr. and Mrs. Henry Schneider and Mrs. D. E. Hoppe were in Detroit Thursday to attend the wedding of Robert Bacon Dewey and Marjorie Lucille Ashley, which took place at the Brewster Congregational church at 8 o'clock in the evening.

Mr. and Mrs. Elba Gage, Mrs. F. E. Storms and Miss Lillie Wackenhut spent Sunday at the home of Mr. and Mrs. Donald Barden and family, in South Haven. Mrs. Storms remained to spend some time there.

Mr. and Mrs. Duane Rowe and Mr. and Mrs. J. V. Burg spent Sunday at Kneipp Springs, Rome City, Indiana, and Mr. Burg remained for a two-weeks' vacation. His daughter, Mrs. L. Colin Lansing, with her son of Cleveland, arrived here Saturday and assumed the duties of pharmacist in her father's store during his absence.

Mr. and Mrs. Charles M. Lancaster and Mrs. P. H. Grabowski left on Friday for St. Louis, Mo., for a few days' visit with relatives.

Mr. and Mrs. Harold Hopper, and daughters Joanne and Sandra, are now at home at 181 East Sunnyside street, since moving from Ann Arbor.

Mr. and Mrs. Clarence P. Gilbert and son, Dale, of Pontiac, spent Sunday afternoon here at the home of Mr. Gilbert's mother, Mrs. Adam Alber. Mr. and Mrs. William Heck, of Ann Arbor, also visited there during the afternoon.

Mrs. Anna Reichert, who spent the past four weeks at the home of her son, Dr. Paul Reichert, and family at Tipton, Indiana, returned to her home here Sunday. She was accompanied home from Detroit by her son-in-law and daughter, Mr. and Mrs. William Rosch, and daughter, at whose home she had spent Saturday night. They spent the day here with her and returned to Detroit Sunday night.

Homemakers Will
Find Many Helps in
Farm Week Talks

Homemakers who are interested in the latest information on all phases of home and family life will find it during Farmers' Week at Michigan State college, Jan. 26 to 30.

Headline speakers will discuss many different subjects in the field of home economics, reports Mary C. Wiseman, home demonstration agent.

Because of the present meat situation, a talk by Reba Staggs, director of home economics for the National Livestock and Meat Board, will be of special interest.

Miss Staggs will speak at 10 a.m., Thursday, Jan. 29, in the home economics building.

Planning and management of home lockers will be discussed Wednesday, Jan. 28, by Belle Lowe of Iowa State college. Immediately following, Miss Lowe will be Mrs. Kathleen Mueller, former member of the Michigan State college home economics department, who will describe her recent visit to Europe.

Other talks will feature child care, by Esther McGinnis, director of Merrill Palmer School, Detroit, on Tuesday morning, and home remodeling by Max LaRock, University of Wisconsin, on Wednesday afternoon.

Olevia Meyer, college extension specialist in home management, will explain the new plans for storage in kitchens and dining rooms at 11 a.m., Thursday, Jan. 29. A style show by students in home economics classes will be held in Fairchild theatre, Thursday afternoon at 1:30 o'clock.

Use of sandstone veneer on new dwellings is stimulating new interest in old Michigan sandstone quarries.

Most Children Need
Extra Vitamin Supply
During Winter Period

"Michigan children have an unusual advantage in that they live in one of the nation's greatest winter playgrounds, but they have a disadvantage, too, from the standpoint of their health—there is not enough sunshine during the winter months," Dr. J. K. Atland, Commissioner, Michigan Department of Health, said today.

Dr. Atland reminded parents that a supplement of vitamin D (the sunshine vitamin) is needed by all growing children in Michigan during the winter months and said that the family physician should determine the amount and type of vitamin D each child should be taking.

The sunshine vitamin is required for normal development of bones and teeth. Lack of sunshine and vitamin D may result in rickets, a disease which attacks and deforms bones during the period of most rapid growth—infancy and early childhood.

"Child specialists," Dr. Atland said, "often recommend that all children be given a supplement of vitamin D both summer and winter, during the entire period of growth."

"Many Michigan children," he said, "suffer some vitamin A and vitamin C deficiency because they do not eat adequate quantities of vegetables in winter."

Vitamin A and vitamin C both help the body to resist infections and are essential to tissue building and good growth.

"Use vitamin D fortified milk when it is available, and make an effort to interest your children in eating more tomatoes, carrots, rutabagas, squash, pumpkin, cabbage and other winter vegetables," the Health Commissioner counselled Michigan parents.

FLASH!!!
The Sylvan 4-H Community club met at the Municipal building, Monday evening, DeWitt Main and Mrs. Henry Orbring furnished us with music for square dancing, and Mr. Orbring did the calling. We invited Mr. Keith and his Boy Scouts to join us after their meeting and we hope they'll come again. After the fun, refreshments were served.

Mary Ellen Van Riper, Winona Franklin, Reporters.

Convenient val-
ve high door for
loading and
unloading
Greater economy
of operation

HOW MUCH WATER DO YOU USE
ON A WASHDAY?

The initial fill on standard-type washing machines is 16 to 24 gallons. Let us use the smallest size, for this example. Each laundry tub of rinse water takes from 20 to 24 gallons of water. Multiply this factor by the number of times you change rinse water. Add this up and check against the water used by the LAUNDERALL.

LAUNDERALL

	Cold Water Gal.	Hot Water Gal.
Initial Fill	16	8
1st Rinse	20	10
2nd Rinse	20	10
Total	56	28

Total water consumption for one operation is 25 gallons of water, plus only 1/2 cup of detergent (soap), and 40 minutes of free time to do other household chores.

Regular Washing
Machine (Small)

	Cold Water Gal.	Hot Water Gal.
Initial Fill	16	8
1st Rinse Tub	20	10
2nd Rinse Tub	20	10
Total	56	28

Total water consumption with this type machine is 56 gallons, plus the water used in additional clean rinse water which is necessary to remove all soap, as soap scum rots fabrics, fades colors and causes scorching in ironing.

NEA Urges Congress to Aid U. S. Schools Along with Europe

Washington.—While we have Western Europe from a threatened invasion of totalitarianism, let us not permit the bulwarks of democracy at home to crumble. Willard E. Givens, executive secretary of the National Education Association, urged at a press conference at NEA headquarters on the eve of the opening of the 80th Congress.

"A first call upon Congress as it assembles on Jan. 6 is for the appropriation of funds which will aid the countries of Western Europe to maintain their way of life," Dr. Givens pointed out.

"The National Education Association is requesting the passage of legislation which will provide for an annual appropriation of \$300,000,000 by the Federal government to aid public schools," Dr. Givens continued. "This is a modest sum compared to the amount which it is proposed Congress allocate there is support of Western European countries. The public schools cannot give every American child full opportunity to prepare for the duties of democratic citizenship unless the Federal government helps."

"To tolerate ignorance within our own nation is to invite disaster," Dr. Givens further asserted. "There are 100,000 teachers employed in emergency substitute and certificates. There is a large shortage of qualified teachers; salaries are so low in many states that the teacher's purchasing power is less than it was before the war; more than 2,000,000 children are without proper instruction; classrooms are overcrowded; buildings and equipment are inadequate, and there are educational slums in many states."

"Such conditions are tragic," Dr. Givens concluded. "The pending legislation will make possible the improvement of the public schools where the need is greatest. With Federal aid a grave threat to the American way of life can be averted."

BOY SCOUT NEWS

Troop 25 went on an overnight hike to Camp Newkirk, Dexter, Saturday, Jan. 17, accompanied by Scoutmaster Bradford Keith. The boys who went were David Bertke, David Hoffman, Robert Bertke, Douglas and Richard Schneider, Dick Merkel, Bill Moody, George Alpervitz and Alfred Knickerbocker.

Saturday night they enjoyed a scavenger hunt in teams, the winning team being George Alpervitz, David Bertke and Richard Schneider.

Sunday all attended church service in Dexter and those attending St. Andrew's church, also went to Sunday school.

At the regular meeting of Troop 25, on Monday night, Richard and Douglas Schneider passed their second class requirements and Richard Keeser passed his tenderfoot requirements.

Board of Review will be held next Monday night.

Club and Social Activities

LYNDON EXTENSION CLUB

The Lyndon Home Extension club held their family night, Jan. 16, with Mrs. Mary Clark. Twenty-eight were present. Business meeting was held after which euchre was enjoyed by all. A pot-luck lunch was served after the games.

BUSY BEE 4-H CLUB

The Busy Bee 4-H club met Thursday evening, Jan. 16, at the Rogers-Corner school. Walter Haab is now acting as leader for the boys' club. Reports were given by Richard Buss, Helen Eisenman, Audrey Haab and Marion Sinko on the officers meeting which they attended in Ann Arbor on Wednesday, Jan. 14. After the meeting was over, games were played and refreshments were served. The next meeting will be held on Feb. 12, at the Everett school. Wanda Eschebach, Reporter.

ENGAGEMENT

Mr. and Mrs. Homer Stoffer of North Lake announce the engagement of their daughter, Irene, to William C. Hogan of Detroit. Miss Stoffer and her fiancé are both employed by the Federal Screw Works, she being in the Chelsea office and Mr. Hogan in the Detroit office of the company. No date has been set for the wedding.

NO LAKE EXT. GROUP

The North Lake Extension Group enjoyed a dinner for members and their families at the home of Mrs. Iva Harker, Saturday evening.

Following the dinner cards were enjoyed, eight tables being in play. First prizes were won by Mr. and Mrs. Laurence Noah, second prizes by Mrs. George Wigg and Reuben Lindemann, and traveling prize by Mrs. Homer Stoffer.

SURPRISE BIRTHDAY PARTY

About forty-five friends and neighbors gathered at the home of Mr. and Mrs. George Haefley Saturday evening, Jan. 17, for a surprise celebration of Mr. Haefley's birthday. Out-of-town guests were Mr. and Mrs. Bert Robbins of Jackson, and Mrs. Myrtle Alchele of Ypsilanti.

Progressive euchre, with nine tables in play, furnished the diversion the first part of the evening, with prizes going to Joyce Latta, Frank Schmitt, Mrs. Bert Robbins, and Raymond Schmitt, the first two being high prizes. Carlton Haefley received the traveling prize.

Later in the evening, dancing was enjoyed, with Main's orchestra furnishing the music, and this was followed by a pot-luck lunch.

Mr. Haefley was remembered with many nice gifts.

PHILATHEA CIRCLE

The afternoon group of the Philathea Circle of the Methodist church met Wednesday, Jan. 14, at the home of Mrs. Walter Harper, for a business meeting and election of officers. The new president is Mrs. Marshall Richards, while Mrs. Roy Kalmbach is secretary and treasurer. Mrs. Edwin Gaunt is program chairman and Mrs. Lavinia Stager is membership and project chairman.

The hostess served tea following the close of the meeting.

The evening group of the Circle met Wednesday, also, at the home of Mrs. Jay Weinberg and chose Mrs. James Nutt for its president; Mrs. Douglas Newkirk, vice-president and program chairman; Mrs. John Moore, secretary and treasurer; Mrs. Jay Weinberg, project chairman; Mrs. David Mohrlock, publicity chairman, and Mrs. George Atkinson, membership chairman.

Refreshments were served, following the meeting, by Mrs. Weinberg.

WOMAN'S RELIEF CORPS

The regular meeting of the Woman's Relief Corps was held Monday, Jan. 19, in the Home Ec. room at the Chelsea High school, with 26 members present. President Myrtle Price, opened the meeting and one candidate was initiated. Annual reports were given by Helen Kilmer, Blanche Mohrlock and Myrtle Dreyer.

Installation of officers followed with Mabel Bair, the senior vice-president of District No. 1, as installing officer; Mrs. Alice Merv; Sr. Vice-Pres. Flora Weber; Jr. Vice-Pres. Blanche Mohrlock; Chaplain, Carrie Dancer; Treasurer, Myrtle Dreyer; Secretary, Ruth Christwell; Patriotic Instructor, Myrtle Price; Press Correspondent, Ruth Walz; Conductor, Florence Walker; Guard Acting, Evelyn Rowe; Color Bearer, Amelia Van Riper; Editor, Kilmer, Hazel Smith, Nellie Whitmer.

The new president then took charge and it was voted to give \$5.00 to the National Foundation for infantile paralysis. It was announced that the proceeds derived from the bake sale last Saturday will be used in buying a pillow radio for a veteran.

The meeting was adjourned by the president after which a dainty lunch was served by the committee of the month.

Standard Liners Bring Results

IT SEEMS BUT YESTERDAY

... that the boys, and sometimes the more daring of the girls, played crack the whip. They lined up, took hold of hands and ran as fast as possible. Then the leader suddenly stopped and snapped the line to crack the one off the other end. Rough and fast but barrels of fun. Remember?

DESSERT BRIDGE CLUB

The Dessert Bridge club was entertained at the home of Mrs. George P. Staffan Monday afternoon.

PAST MATRONS

The Past Matrons of the OES met Wednesday, Jan. 14, at the home of Mrs. Jay Weinberg. There were ten members and one guest present.

Following the dinner a social afternoon was enjoyed.

BIRTHDAY PARTY

Mrs. Alvin Schiller entertained 18 boys and girls at a birthday party at her home Saturday afternoon in honor of her daughter, Lois, whose seventh birthday occurred Monday, Jan. 19.

Games were enjoyed and many prizes awarded. Later, ice cream and the birthday cake were served.

FREEDOM EXTENSION GROUP

Mrs. Arthur Kuhl's home was the meeting place, Wednesday evening, Jan. 14, of the Freedom Ideal Homemakers' Extension Group, with Mrs. Mae Grossman and Mrs. Alton Grau as the assisting hostesses.

There was no project lesson, but plans for the year were discussed at the business meeting, and Mrs. Ray Stewart was taken in as a new member of the group.

PLYMOUTH CHAPTER

Plymouth Chapter met Friday afternoon, Jan. 16, at the home of Mrs. J. W. Van Riper with Mrs. A. D. Baldwin as assisting hostess. The business meeting was in charge of the president, Miss Nina Belle Wurster, and was followed by a devotional service in charge of Mrs. Otto Hinderer.

Plans were discussed for the coming year and a letter from one of the Congregational missionaries in Greece, telling of the work there, was read by Miss Wurster.

Thirteen members answered roll call, and there were also four guests present. Refreshments were served at the close of the meeting by the two hostesses.

ATTEND BIRTHDAY DINNER

Mr. and Mrs. Donovan Sweeney and sons, George William and Franklin, were in Adrian Sunday to attend a birthday dinner given in honor of George William, his cousin, one-year-old Ronald Barnes, and his uncle, Lloyd Barnes, at the home of Mr. and Mrs. Lloyd Barnes. Eighteen relatives were present at the dinner which featured two birthday cakes, one for George William and his cousin, and the other for Mr. Barnes.

The affair was arranged as a surprise for Mr. Barnes whose birthday occurred on Friday, the sixteenth. George William and his cousin share the fourteenth, as their birth date.

SO-SYLVAN EXT. GROUP

South Sylvan Extension Group met at the home of Mrs. Albert Doll, Thursday afternoon,

DORCAS CHAPTER

Dorcas Chapter of the Congregational church met Thursday evening, Jan. 16, in the church basement for the annual meeting and election of officers. Chosen to lead the Chapter during 1948 were Mrs. Fred Karp, as president; Mrs. Gerald Luick, as vice-president; Mrs. Clinton Collier, as treasurer, and Miss Margaret Heeselschwerdt, as secretary.

Standing committees for the year are as follows: Finance, Mrs. Theodore Jarvis and Mrs. Ole Johnson; Program, Mrs. Jean Conlan and Miss Margaret Heeselschwerdt.

There was a discussion of the year's program and a short program of readings, in which a number of the members took part, on the topic, "Co-operation in Human Relationships." The devotional service was in charge of Mrs. Russell McLaughlin.

There were twenty-one members present.

At the close of the meeting refreshments were served by the five co-hostesses for the evening, Mrs. Gerald Luick, Mrs. Alvin Schiller, Mrs. Walter Gage, Mrs. Stanley Beal and Miss Margaret Heeselschwerdt.

CHAT 'N' SEAU

Thirteen were present at the meeting of the Chat 'N' Seau at the home of Mrs. W. H. Seaton, Tuesday evening. Mrs. Clara Hutzel was the assisting hostess.

Mrs. Skentelbury had on display the pictures and souvenirs of her trip to Panama which the group enjoyed examining, and later refreshments were served by the two hostesses.

SILVER WEDDING

Mr. and Mrs. Don Walz entertained at a family dinner at their home Tuesday evening, in celebration of the twenty-fifth wedding anniversary of the former's parents, Mr. and Mrs. Howard Walz.

Present at the dinner were four generations of both the Walz families and the Hulce family. Mrs. Walz was formerly Ruth Hulce, daughter of Mrs. Susie Hulce and the late Guy Hulce.

HI-NEIGHBORS CLUB

About thirty-five persons attended the meeting of the Hi-Neighbors club at the home of Mr. and Mrs. Wilber Hatt and Mrs. Mary Hatt, Friday evening, Jan. 16.

Progressive euchre was enjoyed and was followed by a pot-luck lunch in charge of Mrs. Margaret Hatt.

Mrs. Henry Ortring, Sr., and Mrs. Henry Ortring, Jr., were on the entertainment committee. Prizes in euchre were awarded as follows: Mrs. N. H. Miles and Henry Ortring, Sr., high; Mrs. Gordon Van Riper and Wilber Hatt, low, and Vernon Satterthwaite, traveling.

SO-SYLVAN EXT. GROUP

South Sylvan Extension Group met at the home of Mrs. Albert Doll, Thursday afternoon,

Jan. 16. Plans for the year's work were discussed and two book reports were given, "Green Dolphin Street," by Mrs. Fred Gauthier, and "We Took To The Wilds," by Mrs. George Gauthier.

SURPRISE BIRTHDAY PARTY

Norman Wenk was honored Saturday evening with a surprise celebration of his birthday, which had been arranged by Mrs. Wenk. Those present included Mr. and Mrs. Arthur Wilson, Mr. and Mrs. Charles Ritter, Mr. and Mrs. Duane Weiss, Mr. and Mrs. John Stoffer, Mr. and Mrs. Ralph Oesterle, Willmayer and Mrs. Willard Kuebler of Bridgewater, Mr. and Mrs. Walter Lindemann of Pleasant

Lake road, and Mrs. Wenk's parents, Mr. and Mrs. Robert Hieber. Progressive euchre was played and high prizes were awarded to Mrs. Weiss and Arthur Wilson, while Mrs. Kuebler and Ralph Kuebler, the traveling prize. Mr. Wenk was presented with several nice gifts by those present and later, refreshments were served by the hostess.

Co-Ops Are Big Business

Membership in farm cooperatives has passed the five million mark, and the business handled totals more than six billion dollars annually. Grain cooperatives have the biggest dollar total.

Comfortable Winter Quarters for Calves Called Valuable Asset

Comfortable quarters for dairy calves are a valuable asset in the barn, says Earl Weaver, head of the dairy department at Michigan State college. The danger of pneumonia in calves can be reduced with proper housing.

It is a good plan to use some kind of siding on the pens at selected places to avoid direct drafts on the calves. Individual pens are fine for the youngest calves up to a month old. Each pen should

have 16 to 18 square feet of floor space.

Shaded flooring, or wire or steel grating that elevates the calves four or five inches off the concrete floor is a good feature. In small pens, the elevated floor should cover the entire area. In large pens where several calves are kept together, the elevated floor would be expensive to construct. Here, a smaller section of the elevated floor can be built in a corner of the big pen. Calves soon learn to "nest" comfortably on it.

Help your Rural Correspondent by sending your news items to her whenever possible, not later than Sunday evening each week.

AUCTION

Having decided to quit farming, I will sell at Public Auction, at the place, 2 1/2 miles north of Dexter on East Road and 1/2 mile west on Gregory Road, known as the Gus Leneberg Farm, on

Wednesday, Jan. 28

Commencing at 12:30 O'clock Sharp, the following described property:

HORSES Sorrel Pair of Horses, 8 yrs. old, wt. 3200; Set of Breeding Harness and Collars.

CATTLE Durham Cow, 6 yrs. old, fresh with calf by side; Holstein Cow, 5 yrs. old, fresh and not rebred; Holstein Cow, 4 yrs. old, bred Aug. 22; Holstein Cow, 5 yrs. old, due by day of sale; Guernsey Cow, 5 yrs. old, bred June 22; Holstein Cow, 6 yrs. old, bred June 27; Holstein Cow, 5 yrs. old, fresh and not rebred; Holstein and Guernsey Cow, 4 yrs. old, bred June 22; Ayrshire Cow, 5 yrs. old, bred Nov. 2; Shorthorn Cow, 5 yrs. old, bred Oct. 21; Guernsey Bull, 1 yr. old; Two Holstein Heifers, pasture bred; Guernsey Heifer, pasture bred; Durham Heifer, pasture bred; Four Holstein Heifers, not bred.

SHEEP—51 Head of Half-Blood Ewes; Blacktop Ram, 4 yrs. old. HOGS—Chester White Brood Sow, due in April; 9 Shoats, wt. 100 Lbs. each.

RURAL CORRESPONDENCE

Items of Interest About People We All Know, as Gathered by Correspondents

LYNDON

Mr. and Mrs. Guy Barton were in Ann Arbor on business last Tuesday.

Mr. and Mrs. John O'Connor visited relatives in Jackson, Sunday afternoon.

Miss Virginia Barton of Ann Arbor spent the week-end with her parents.

Miss Bernadine Wheeler of Ann Arbor called on Mrs. Alice O'Connor on Thursday.

The Lyndon Extension Group held a family night meeting at the home of Mrs. Mary Clark on Boye Road, Friday evening, Jan. 16, with a good attendance. Following the business meeting cards were the diversion for the evening, after which a delicious pot-luck lunch was served.

FRANCISCO

Mr. and Mrs. Albert Schweinfurth and family called on the E. T. Quatt's, Sunday afternoon.

Mr. and Mrs. Walter Foster of Clarkfork, Idaho, were dinner guests of Mr. and Mrs. Truman Lehmann, Monday evening.

Mrs. Horace Robinson and daughter Judy Jane returned home from St. Joseph hospital, Monday evening.

Mrs. Clifford Wolfe and Mrs. Eva Withersell attended the institution of the new Rebekah lodge at Dexter, Thursday afternoon.

Mrs. William Horning visited her sister, Mrs. Alfred Kempfert of Ann Arbor, on Friday afternoon.

Mrs. Beaman Zick and son, Bob, called on her parents, Mr. and Mrs. William Horning, Sunday evening.

Mrs. Livingway and Mr. Neubert of Detroit, Mr. and Mrs. Al Kaiser and grandson of Munich called Saturday evening at the John Kaiser home.

Mrs. W. A. Kalmbach and Phyllis attended the morning session of the Third Annual Midwestern Conference of School, Vocal and Instrumental Music, Saturday, Jan. 17.

NO. FRANCISCO

Herbert Harpway spent Monday and Friday in Jackson.

Mr. and Mrs. Glenn Rentscher and son Robert were Sunday dinner guests of her parents.

Mr. and Mrs. LeRoy Loveland and son spent Sunday evening with Mr. and Mrs. Russel Sawdy of Grass Lake.

Mrs. Clarence Lehman visited her mother, Mrs. Josephine Peterson of Francisco, Sunday afternoon.

Mr. and Mrs. Duane Dorr visited her mother, Mrs. Fred Loud of

Spring Arbor and also called on his mother, Mrs. Velma Dorr of Grass Lake.

Mr. and Mrs. Herbert Harvey spent Tuesday with Mrs. Lizzie Beaman, Saturday with their daughter Vera and family, and Sunday with their son Milford and wife.

Mr. and Mrs. H. Harvey and Mr. and Mrs. L. Loveland attended a birthday party in honor of Elert Notten at his home in Chelsea, Saturday evening.

Mr. and Mrs. Wayne Harvey and sons called on Mr. and Mrs. John Clark of Jackson, Saturday afternoon and on Sunday afternoon they visited Mr. and Mrs. H. G. Gage of Ann Arbor.

Mr. and Mrs. Herbert Harvey and Mr. and Mrs. C. Lehman attended a Gleaner meeting at the home of Mr. and Mrs. Ed Cooper, Thursday.

Mr. and Mrs. Dale Loveland and daughters and Mr. and Mrs. LeRoy Loveland and son were Thursday supper guests of Mr. and Mrs. Leonard Loveland. Mrs. Dillman Wahl and daughters spent the afternoon there.

WATERLOO

Mr. and Mrs. Wilbur Beaman and son, Gordon spent Sunday afternoon with Mr. and Mrs. Daryl Waters in Jackson.

Mr. and Mrs. Gerald Runciman and family of Stockbridge spent Sunday with his parents, Mr. and Mrs. Emory Runciman.

Mrs. Mary Barber is spending some time with Mr. and Mrs. Milton Barber. Mrs. Laura Barber was ill with the flu there last week.

Mr. and Mrs. Leigh Beaman and Mrs. Lizzie spent Sunday afternoon and evening with Mr. and Mrs. John Dykema. Mrs. Lizzie Beaman will remain for some time.

The Gleaner's met on Thursday of last week for a pot-luck dinner at the home of Mr. and Mrs. Ed Cooper. There were sixteen present.

A nice time was had by all. The River Ready Club met on Wednesday evening at the home of Mr. and Mrs. Leigh and Lizzie Beaman. The husbands also were present. After the business meeting, games were played, several winning prizes. A delicious lunch was served by the hostesses.

The PTA met on Friday evening at the schoolhouse. The conservation department showed pictures and also tried of all sizes and shapes and furs. They also gave a nice talk, very interesting and educational, after which a pot-luck supper was served.

NORTH LAKE

Russell Perry has been a patient in St. Joseph's Mercy hospital in Ann Arbor for the past week.

Aviation Radioman Bob Taylor, who is on his way to San Diego, was a Sunday guest at the Don Reynolds home.

Mrs. Perry Noah, Mrs. Florence Boyce and Mrs. Esther Noah journeyed to Wayne on Monday to visit Ben Isham, who is ill.

Perry Noah was honored on his 50th birthday at a dinner given on Sunday at his daughter's, Mr. and Mrs. Holton Khiley. Twenty-six members of the family were present.

The Lyndon Extension club met at the home of Helen Ringe, Monday, Jan. 12. The lesson given was on "Household Pests." Delicious refreshments were served at the conclusion of the meeting.

LIMA-FREEDOM

Mrs. Donald Herrat was pleasantly surprised on her birthday by two of her neighbors, Mrs. Carl Hartman and Mrs. Carl Anderson, the afternoon of Jan. 15.

The "Learning By Doing" 4-H Sewing club met at the home of Betty Jackson on Jackson road, Saturday afternoon. The girls enjoyed tobogganing and a pot-luck supper after their meeting of sewing on their garments. Their leaders are Mrs. Mary Haselwerdt and Mrs. Merle Coy.

McLaren Community club met last Friday evening at the home of Mr. and Mrs. Harold Sheppard. Following the business meeting, Euchre was enjoyed by the parents, and the youngsters played

March Lamb Care Should Begin Now To Keep Losses Low

Death losses in young lambs often run as high as 20 to 30 per cent. If more than 10 to 15 per cent of lambs dropped die before reaching market weight, lamb production is not very successful.

R. H. Nelson, animal husbandry specialist at Michigan State college, says that certain feeding and management practices between now and lambing can help keep losses at a minimum.

Wide barn doors to prevent crowding and bumping of ewes will help to eliminate the birth of premature and dead lambs. Permitting dogs to run the ewes or driving ewes too fast through deep snow or mud may cause them to lose their lambs.

Good feed for the ewes is important. They should gain 15 to 30 pounds between breeding and lambing time. Good quality legumes (green, leafy clover or alfalfa) make excellent winter feed. Ewes in good flesh in the fall who receive this type of roughage do not need any grain until about six weeks to a month before lambing. During the last six weeks, they should get up to one-half pound of grain per head, daily.

If low quality roughage (grass hay, corn stalks, etc.) is being used, a high protein concentrate, such as soybean oil meal, should

"Rummy." The sleigh-ride was postponed until more suitable weather. Refreshments of sandwiches, cake, jello, coffee and cocoa were served to the following families: the Glen Wiseman's, the Arthur Kuhl's, the Earl Bauer's and the Rudolph Zahn's. Mr. and Mrs. Arthur Kuhl will be hosts for the February meeting.

Mr. and Mrs. Fred Hais of Ann Arbor, were Saturday visitors of Christ Kline and family.

Mr. and Mrs. Waldon Fell of Ann Arbor, were Sunday visitors of Mr. and Mrs. Clarence Moore and family.

Miss Phyllis Fischer, Marilyn Petch and Thelma Ruffet were Sunday visitors of Harriet Heinger.

Mrs. John Fischer, Mrs. Harvey Fischer and daughter Phyllis, and son Marvin, spent Saturday afternoon in Ann Arbor.

Mrs. Lina Whitaker spent a few days this week at the home of her son-in-law and daughter, Mr. and Mrs. K. B. Rowe, in Wayne.

Mr. and Mrs. George Sanderson called on Mr. and Mrs. Wilfred Sager at their home in Wauson, Ohio, last Monday.

Mrs. Kate Heydlauff and son, Carl, visited one day last week at the home of Mrs. Tena Riemen-schneider.

Mr. and Mrs. Albert Schweinfurth and Mr. and Mrs. Leon Sanderson visited at the Oscar Kalmbach home Sunday afternoon.

Indians Ate Acorns

Some of the American Indian tribes considered acorns a staple item in their diet. The acorns were ground in a mortar, soaked in water or put in baskets, set in running water, or boiled in water for two hours to remove the astringent tannin. It is this tannin in the acorns that makes them undesirable as cattle food. The kernels were pounded like cornmeal. Hundreds of thousands of bushels of acorns fall from the acorn trees of the country each season. Some are eaten by squirrels and dogs, but most of them go to waste.

March Lamb Care Should Begin Now To Keep Losses Low

Death losses in young lambs often run as high as 20 to 30 per cent. If more than 10 to 15 per cent of lambs dropped die before reaching market weight, lamb production is not very successful.

R. H. Nelson, animal husbandry specialist at Michigan State college, says that certain feeding and management practices between now and lambing can help keep losses at a minimum.

Wide barn doors to prevent crowding and bumping of ewes will help to eliminate the birth of premature and dead lambs. Permitting dogs to run the ewes or driving ewes too fast through deep snow or mud may cause them to lose their lambs.

Good feed for the ewes is important. They should gain 15 to 30 pounds between breeding and lambing time. Good quality legumes (green, leafy clover or alfalfa) make excellent winter feed. Ewes in good flesh in the fall who receive this type of roughage do not need any grain until about six weeks to a month before lambing. During the last six weeks, they should get up to one-half pound of grain per head, daily.

If low quality roughage (grass hay, corn stalks, etc.) is being used, a high protein concentrate, such as soybean oil meal, should

be fed at the rate of about one-fourth pound per head. If the ewes are thin, some grain should be added to the ration. A mineral mixture of 25 pounds of limestone and 25 pounds of steamed feeding bonemeal is an inexpensive and satisfactory source of minerals. If the flock is unthrifty, one-half ounce of cobalt sulfate in each 50 pounds of salt may be helpful. Water and salt should be available to the flock at all times.

Equinecal Storms

Stormy weather in March and September at the time of the equinoxes is caused because at these times there is generally the greatest difference between day and night temperatures. This tends to favor heavy development of clouds and other factors which bring wind and rain.

Standard Liners Bring Results

A pot-luck lunch was served by Mrs. Fred Bollinger, Mrs. Carl Schlosser, Mrs. Max Ziegler and Mrs. Clarence Trinkle. A beautiful lace tablecloth was presented the Koenigsters by the group. They are moving to Ann Arbor, soon.

HYDRA-MATIC DRIVE

What a wonderful feeling—to start off the New Year on the right foot... automatically... in a new 1948 Oldsmobile with GM Hydra-Matic Drive!

It's a new driving thrill to glide away from the curb—without shifting gears, without pushing a clutch. Simply touch a toe to the accelerator and you're off to a smooth start. Your left foot relaxes with nothing to do. There isn't even a clutch pedal in the car. You go in safety, too, with both hands on the wheel, as Hydra-Matic Drive shifts gears automatically through four forward speeds. And for highway passing or hill climbing, you can count on Hydra-Matic Drive's special pick-up gear to give you an extra burst of power and speed.

During the past 8 years, Hydra-Matic Drive has been proved in the hands of more than 425,000 Oldsmobile owners. And today—as Oldsmobile celebrates its Golden Anniversary by swinging into production on a brand new "Futuramic" car—Hydra-Matic Drive is still away out ahead... automatically! Watch for the new 1948 Oldsmobiles at your Oldsmobile dealer's.

NOTHING FOR THE LEFT FOOT TO DO!

From where I sit... by Joe Marsh

From Sheepskin to Sheep

There aren't too many college graduates in our town. Good honest thinking, yes...but most folks went from high school into farming.

No harm in that! But I admire veterans like Dick Newcomb... who's 23, but going to college under the G.I. Bill of Rights. Intends to be a sheep farmer—but a better-informed, more scientific farmer, with more know-how!

And veterans like Dick aren't letting anything interfere. What little relaxation they allow themselves is in the form of needed exercise, or

books, or conversation and an occasional glass of beer with friends.

Seems as if, just by having their education postponed, they've put a higher value on it...and on things like temperance (that glass of beer, for instance), understanding, and good citizenship. And from where I sit, when Dick gets his sheepskin—he won't have lost much time. He'll be an even better farmer than his Dad. (Exactly what Dad wanted!)

INCONSIDERATION FOR OTHERS

Have we ever stopped to consider the things we see in other people? Some of us seem to think about the money they have, or the clothes they wear, and not about the person himself. Some of us seem to think that just because a person isn't as well off as we are, we should not associate with them. Well! Why on earth shouldn't we? We should stop to think about what the person really is instead of what he appears to be. If they had any possible way of improving themselves they certainly would. If the person has an appealing personality would his other conditions really make any difference?

We shouldn't be rude or insulting to folks and make them feel any worse. Some try hard to associate with people who deliberately build a wall around themselves in an effort to remain exclusive. Such people really ought to be by themselves because the others feel that they can never compete with them successfully. Frequent attempts have met with wholesale failure.

There are people who can get along with anyone, whether he himself has money and clothes or not. They get along fine with both "higher" and "lower" classes; who do not and will not give up knocking that wall down. He has a very good personality all his own, with no wall around him. A member of this group has made it possible for anyone to feel at home with him anywhere and anytime. Why? Because he's the kind who knows he's no better than anyone else and never could be. Everyone of us should be this same way, always.

You shouldn't think you're better than anyone else, because you're not and never will be. God made people to be people and He made them equal in every sense. Any-

one who thinks himself better must be quite a person. This so-called "inconsideration of others" shouldn't exist anywhere. Think of a person as he honestly is, as a fellow brother, not for what you want him to be, and this world will be a better place in which to live for all.

STUDENT COUNCIL

The subject of track was brought up at a recent meeting. Inquiries will be made to determine if there would be anyone interested. Material is being sent for to construct collapsible bleachers for the gymnasium.

POETRY CONTEST

Some poems composed by Chelsea Juniors were sent to California to be judged in a national poetry contest. The winners from this school are Marjorie Proctor's "Nature Study," Deloris Eisenmann's selection on "Beauty of Winter," and Erla Mae Wancus' "Life's Song."

ON THE SUNNY SIDE

Chester played three games at Saline last Friday. The first was the girls' game which started at 4 p.m. At the start of the game,

there were but a few spectators, but as the game went on, a few more came in. Perhaps it was because of the admittance fee compared to the lack of the fee at home games.

Something about the construction of the baskets prevented many girls from going in. The girls played a good game despite the unfortunate circumstances. The games ended with the score of nine to four in favor of the Saline girls.

The second team fellows played at seven, and the first team after that. There was a good-sized crowd, and Chelsea had a good cheering section. The floor appeared to be a good one, and an equally efficient electric score board kept the spectators informed of the score.

The boys' teams both came out on top, due to some excellent playing and those long, spectacular shots that didn't seem to want to miss.

The girls' basketball team played at Saline last Friday. Saline won

of library reading and conversations about famous people born in January.

The children found about thirty people of renown born in this month, but only those that have some connection with the children's school work or interest were used in the program.

Although most of the children contributed some bit of information used, not all could take part in the final program. Jim Keezer, Barbara Osterle and Billy Roberts were given parts because they have birthdays this month.

The rest were chosen as a result of voice and reading tests. They are Shirley Messner, Marie Munden, Sharon Dancer, Diane Barr, and Tom Olin. Nancy Atkinson will be at the piano.

SEVENTH GRADE

The seventh grade plans to visit the Chelsea Public Library today to learn how a library is run, as well as how to use it most effectively.

A Junior High party is being planned for Feb. 13.

CHORUS NEWS

A special Chorus has been chosen from the Chorus members. Trials were held and the Chorus held its first rehearsal Thursday.

BIOGRAPHIES

What did you say? Oh, you mean that tall, handsome, dark-haired boy? That's Varrin Cook. He must be seventeen, because he was born Sept. 31, 1930, and this is 1948. H'm, yes, that's right. Just seventeen. His hobby, he says, is chasing girls (pretty neat, if you can get away with it). His choice in food is rather varied. Just about any meal suits him. His favorite song is "Fudini! Fightin' and a Fusin'." He must be very distinguishin' man. What's that? You're going right after him? Better not, because he plans on going to the Navy as soon as he graduates.

Her parents named the small bundle of joy, Shirley Jean Moore. This happy day occurred in 1930.

In a small town called Norville, Shirley is called "Shortie" by her friends. Her favorite sports are ice skating and Home Economics. She sold live on fried chicken if her favorite record, "I'm a Little on the Lonely Side," was near her. Her plans after graduation include attendance at Beauty School.

Cleaning Hint

If food boils over on your electric range unit, it's best to let it char, and then brush off.

"Moly" More Versatile
Molybdenum, one of the hardest metals to melt, is being produced in varied shapes and sizes by a technique Westinghouse research engineers developed. Blocks of this tough, heat-defying metal weighing 250 pounds—25 times as heavy as the largest ingots made during the war—have been melted out. Because "moly" will not melt below 4,750 degrees, it may find new uses in development of more powerful rockets, jet engines and gas turbines.

CHEVROLET and ONLY Chevrolet IS FIRST!

FIRST in PRODUCTION, in SALES and in REGISTRATIONS of cars and of trucks . . .

- FIRST** In Passenger Car Production in 1947—according to published production figures.
- FIRST** In Truck Production in 1947—according to published production figures.
- FIRST** In Passenger Car Sales in 1947—according to incomplete but conclusive sales records.
- FIRST** In Truck Sales in 1947—according to incomplete but conclusive sales records.
- FIRST** To Produce over a Million Cars and Trucks in a postwar year, 1947—according to published production figures.
- FIRST** In Total Passenger Car Production and Sales for the total 17-year period, January, 1931 to January, 1948—according to published nation-wide figures.
- FIRST** In Total Truck Production and Sales for the total 17-year period, January, 1931 to January, 1948—according to published nation-wide figures.
- FIRST** In Total Number of Cars and Trucks on the road today—according to official nation-wide registrations.

WE, YOUR LOCAL CHEVROLET DEALER—and every other Chevrolet dealer in America—are both proud and happy to make the following report to buyers and prospective buyers of Chevrolet products. Again in 1947, Chevrolet built and sold more cars and more trucks than any other maker in the industry, just as Chevrolet has built and sold more cars and more trucks than any other maker for the total seventeen-year period, dating from January, 1931 to January, 1948—the modern period of motor-car history. Naturally, we as well as the Chevrolet Motor Division of General Motors are deeply grateful for America's outpoken preference for Chevrolet passenger cars and trucks; and we are determined to do everything in our power to continue to deserve this preference in the future as in the past. We want to thank each and every person in this community for his friendship and goodwill for this organization. We solicit and appreciate your patronage. We are doing our level best to prove that, by filling orders for new Chevrolets just as promptly as we can—even under today's trying conditions—and we are deeply and doubly appreciative of all our customers who are availing themselves of new Chevrolets. Needless to say, you buy wisely when you buy the product of the world's largest producers of cars and trucks; for that is the way to maximum dollar value. But assured that we'll fill your order for a new Chevrolet just as soon as it is humanly possible to do so. Meanwhile, please let us help to keep your present car or truck in good running condition by bringing it to us for skilled service, new and at regular intervals.

It Wasn't So Very Long Ago

Items taken from files of The Standard of years past.

24 Years Ago

Thursday, Jan. 24, 1924
Rev. Fr. T. J. Fallon, who succeeds Rev. Fr. Van Dyke of St. Mary's parish, arrived here last Thursday and assumed charge of this work. Rev. Fr. Fallon comes from Williamston.

On the January program of the Pleasant Lake Grange, No. 1693, held Monday at Freedom Town Hall, were the following: Vera Breitenwischer, Harold Busch, Theodore Kuhl, Mrs. Elsie Reno, Miss Laura Feldkamp, Ben Breitenwischer, Marjorie Kuhl and Henry Ortring, who opened the topic of the evening.

One hundred and fifty Masons and their wives enjoyed the fourth annual banquet of Olive Lodge No. 156, held at Macabee hall Tuesday evening. Following the banquet, which was served by the Ladies' Auxiliary of St. Paul's church, a program of music and speeches, presided over by Dr. Faye Palmer as toastmaster, was greatly enjoyed. Those on the program were as follows: Rev. C. R. Riey, L. E. Vickers, A. B. McClure, Paul F. Niehaus and Rev. E. L. Sutherland.

Mr. and Mrs. Wm. Campbell and Mrs. A. E. Johnson narrowly escaped serious accident on Tuesday afternoon when the new Ford sedan in which they were enroute to Jackson, was upset by the side of the pavement, near the Weinberg home west of Chelsea. In an effort to shut out of the door of the car Mr. Campbell's attention was attracted for an instant from the roadway and a strong wind crowded the machine from the pavement, upsetting it in the snow, on one side. None of the occupants was injured, although two fenders and one rear window were badly bent and broken on the car.

The village will honor the 99th birthday anniversary of "Uncle" Robert Foster, Washtenaw county's oldest resident, who will be the guest of honor at a party to be held in Macabee hall, Friday evening, when friends will gather to help him celebrate his ninety-ninth birthday anniversary. The program is as follows: Welcome address, Mrs. B. B. Turnbull; Toastmaster, Rev. C. S. Risley; vocal solo, Rev. E. L. Sutherland; "The Measure of Life," N. Hananiah; "An original poem" (written by friends of Mr. Foster), Mrs. Johnson; music, male quartet; remarks, George Webster; vocal solo, "Day Dreams of Youth," Mrs. J. V. Burg; "Beauties of Old Age," S. P. Foster; "Chinking In," O. C. Burkhardt; reading, Doris Foster; xylophone solo, Georgia Smith; remarks, Rev. P. H. Grabowski; "The Picture," an original poem, Mrs. J. N. Dancer; orchestra.

Bulletin Tells How To Cook Those Cheaper Cuts of Meat and Save

Much of the beef and lamb which you will find on the market this winter will be the less tender cuts because the animals have been fed less grain.

This will not mean less nutrition for your family but more careful preparation of the meat on the part of you homemakers. Pound for pound of lean meat the cheaper grades have more protein, minerals and vitamins, reports Mary C. Wiseman, county home demonstration agent. The choice or high grades have more fat.

For more information on cooking the cheaper cuts of meat, and for recipes for soups, stews and sauces, write for Bulletin 121, "Cooking Meat and Fish."

Further information is available from the Extension office on the buying of cheaper cuts of meat. Request the bulletin, "Reducing Food Costs."

34 Years Ago

Thursday, Jan. 22, 1914
George Bacon of Ft. Wayne, Ind., spent Sunday with his parents, Mr. and Mrs. Jabez Bacon. Miss Ruth Walz left this week for Detroit, where she entered the class at Harper hospital for trained nurses.

District No. 4, known as Pumpkin College, board members are Homer Stoffer, George Scripser and A. J. Greening. The teacher is Miss Florence Noah.

It is reported that the postoffice at Francisco village is to be discontinued Feb. 1, and that the patrons of the office will receive their mail by rural carrier from Grass Lake.

H. G. Spiegelberg and A. L. Steger have rented a new store at the corner of Grand and Mack avenues, Detroit, and are fitting it up for a drug store. The firm will be known as the S. and S. Drug company.

Miss Bertha D. Hoarer and Albert G. Koch, both of Lima, were married Wednesday, Jan. 21, at the St. Paul parsonage, with Rev. A. A. Schoen officiating. The young couple will reside on the farm of Jacob Hinderer, in Lima.

The loss of the Chelsea Screw company has been adjusted at \$690. The machinery of the company was badly damaged by smoke from the recent fire in the Mack building. The firm is installing a new Gridley automatic screw machine, and it will be in full operation in a few days.

A. E. and Elmer Winans have purchased of O. C. Burkhardt the south 44 acres of what is known as the Warren Cushman farm. The new owners will set their recent purchase out to fruit trees. The remaining 60 acres of the Cushman farm has been sold to W. E. Stipe.

Chelsea buyers make the following quotations for farm products this morning: wheat, 91c; rye, 60c; barley, \$1.25 per hundred; oats, \$1.25 per hundred; corn, 55c; beans, \$4.00; clover seed, \$7.50; timothy seed, home grown, \$2.00; beef, live, \$3.00 to \$3.50; hogs, live, \$7.50; veal calves, \$7.00 to \$10.00; sheep, \$3.00 to \$4.00; lambs, \$4.00 to \$7.00; chickens, 12c; popcorn, old, \$1.00; potatoes, 70c; onions, 75c to 85c; butter, 20c to 25c; eggs, 80c.

O. C. Burkhardt bought 173 acres of land on the south side of the Thos. Fletcher farm. This part of the farm contains all of the buildings and a large tract of timber. Mr. Burkhardt also purchased of Tobias and William E. Stipe, all of their interest in the stock, tools, hay and grain on the farm. Arthur Widmayer, who has conducted the farm for the last three years, will remain on the premises. Philip Seltz, Sr., purchased the 65 acres on the north side of the highway. This piece of land joins his own farm of 120 acres.

Extra Care Given Livestock Cited as Reason for Success

In every community there are men considered lucky because of their success with some class of livestock. George Brown, head of the animal husbandry department at Michigan State college, says that their success is not so much due to luck as to careful attention to details and a study of the needs of the animals under their care.

Animal comfort pays dividends, the specialist points out. Dry, clean, warm and well ventilated quarters are a necessity. A variety of appetizing feeds suited to the needs of the animal and proper combinations of grains and quality roughage, plus continuous access to clean, warm water, will help in maintaining good body condition.

Other important factors are freedom from both internal and external parasites and adequate exercise in the open when weather permits. Animals should have the opportunity to choose at will between the shelter and the open lot.

As final pointers, Brown says that animals should have access to salt at all times and that farmers should practice quietness and regularity in feeding and handling their stock.

Soil Depletion
Although level land does not wash out, it may wear out from soil depletion.

Portland Cement Paint Easy To Use

The finishing touch on concrete masonry is a coat of paint that is made especially for that type of work. According to James S. Boyd, agricultural engineer at Michigan State college, portland cement paint does the job effectively and economically.

Portland cement paint is sold in dry powdered form ready to mix with water. It is generally made from white portland cement, and limeproof and sunproof mineral pigments which are ground with other materials to produce the desired colors. The cement bonds with any properly prepared concrete surface, concrete masonry or portland cement stucco, common brick, soft tile, limestone, or any other type of masonry which presents a clean surface having some absorption.

If desired, a paint may be made

up by using equal parts of white portland cement, very fine sand, or fine agricultural limestone. Application of either commercial or homemade portland cement paint is the same.

The surfaces to be painted should be dampened before painting. Do not apply portland cement paint to a dry surface. Mix the paint with water to a creamy consistency. Apply the paint with scrub brushes or trowel brushes. Scrub the paint into the surface. The surfaces should be kept continuously moist for several hours either by spraying them frequently with a fog spray or by protecting them from drying out by hanging damp canvas or burlap over them.

It is usually advisable to apply two coats, especially on rough masonry surfaces.

When properly applied and cured, the treatment provides an exceedingly durable finish which can be washed without damage.

Right and Left Seeing

The right side of the brain carries on the work of seeing for the right side of both eyes and the left side of the brain performs the seeing for the left side of the two eyes, according to Better Vision Institute. Nerves connecting the right side of the retina of each eye are connected with the right occipital lobe of the brain, and the nerves from the left in both eyes connect with the brain's left seeing center. This arrangement assists the two eyes to fuse together their pictures, and also to provide depth to visual pictures.

Phenothiazine-Salt Mixture for Sheep Reduction of Worms And Heavier Lambs

Tests have been carried on for four successive seasons at the Texas substation, Sonora, to determine whether continued licking of phenothiazine-salt mixtures is toxic to sheep, and also whether this practice will control infestations of stomach and other roundworms of sheep (without drenching animals individually). The phenothiazine-salt mixture was kept before sheep on pasture all the time.

There were no harmful results; in fact, the lamb crops were 3 per cent heavier than during three previous seasons when salt alone was kept in the troughs.

Use of the phenothiazine-salt mixture also resulted in reduction and checking of worms. The sheep were heavily infested at the beginning—in ewes, 1,180 worm eggs per gram of feces; in lambs, 1,700 eggs per

This sturdy baby Southdown will gain by being fed phenothiazine-salt.

gram. In the fourth season, the worm egg count was down to 60 for ewes and 30 for lambs.

On the strength of these figures, Dr. I. B. Boughton, who did the work, concludes: "The mixture eliminated the need for individual treatment in the control of stomach and other roundworm infestation." Also, he says: "There was no ill effect on the health of either the ewes or the lambs."

Salt Speeds Gains

In Hog Feeding Tests

Hogs receiving some salt in their daily rations can gain two and one-half times faster than those without it, tests at Purdue university indicate. Average daily gain of hogs which received salt was 1.71 pounds, while those receiving none gained only .87 pounds daily. For each pound of salt consumed there were 45 extra pounds of gain. Each pound of salt saved \$5.60 worth of feed consumed by hogs.

Alarm on Freezer

The symphony of the American farm, its cow bells, dinner bells and hog calling, soon will be joined by another sound, a distinct and not-to-be-mistaken alarm which is being added to the home freezer.

An extensive series of tests conducted by the USDA has resulted in the Brown Instrument company developing an audible signal which will warn if home freezers cease operating. Electronic potentiometers record temperatures instantaneously and constantly at 16 points within each freezer.

Reinforce 2, 4-D

The mixture of ammonium salt of 2,4-D at the rate of .15 per cent with 2.8 urea and fermetate at the rate of 2 pounds per 100 gallons for small grains and grass is proving effective.

Plow Down Cover Crop To Conserve Moisture

To save soil moisture, cover crops should be plowed down as early as possible. Cover crops, especially rye and vetch, grow fast and use a lot of soil moisture during warm days. Iowa State agronomists point out if plants are allowed to grow too late they will take so much moisture that, without additional rain, there won't be enough to germinate newly planted crops. Nitrogen also will be added to soil.

Our Neighbors

Milan—After leading a hunted existence since Nov. 13, Robert Fenner Lockwood escaped prisoner from the Milan Federal Correctional Institution is again behind bars. Out of money, tired of dodging and the ever fearful existence of the FBI Lockwood gave himself up to the police in Gary, Ind., Tuesday, Jan. 6. He had intended to return to Milan but lacked funds and was surrendered there and was brought back to Milan.—The Milan Leader.

Stockbridge—The annual Father & Son banquet by the Community Churchmen's Club will be held in the church dining room at Munith, Tuesday evening, Jan. 20. The dinner will be served by the ladies of the church. The Community Churchmen's Club Father & Son banquet has become an annual affair, largely attended by the men and boys in the vicinity of Stockbridge, Gregory, Plainfield, Millville, N. Stockbridge, Van Town, Fitchburg, Waterloo and Munith.—The Stockbridge Brief-Sun.

Grass Lake—A joint meeting of the Grass Lake school board, the Steering Committee and all school board members of the rural school districts has been announced for Jan. 26. The purpose of the meeting is to consolidate the plans now under way for furthering school reorganization, and also, if possible, to determine public opinion on the matter. Because many rural school districts begin hiring teachers for the next school year as early as March, it is desirable to have reorganization brought before the public early in that month, one board member stated.—The Grass Lake News.

Northville—According to Northville Township Treasurer, Roy M. Terrell, township taxes have been coming in at the highest volume in this experience. To-date approximately two-thirds of the total levy has been paid in, or about \$68,000. The total levy is \$98,432.62.—The Northville Record.

Saline—Ladies' night and the presentation of a bronze key to Erwin Schmid, selected as the most outstanding young man in Saline during 1947, were the highlights of the January Junior Chamber of Commerce meeting.—The Saline Observer.

Manchester—Mr. and Mrs. Oscar Eschelbach of Manchester announce the engagement of their daughter, Shirley Mae, to Theodore Westphal, son of Mr. and Mrs. Arthur Westphal of Manchester. No date has been set for the wedding.—The Manchester Enterprise.

Manchester—A full grown silver fox was shot Wednesday by three Manchester residents, Chick Kirk, Austin Rielly and Paul Kemner. The men were driving to work when they caught sight of the fox. Not having any weapons, they borrowed guns from Wm. Tih and Wm. Palmer and shot the fox on Saturday, Feb. 1.—The Manchester Enterprise.

Farmhouses Need

Special Features

Farmhouses need all the comforts and conveniences of any house, but they also need a few additional features. A front or main entrance which is easy to approach from the driveway is necessary on a farm.

Olevis Meyer, extension home management specialist at Michigan State college, says that many farmhouses have horse and buggy day arrangements, with a walk down to the road where the hitching post used to be. Since most places have driveways at the side of the house, it is important to have a walk from the drive to the main entrance. To have the entrance on the driveway side of the house is better yet.

Another important feature for farmhouses is a back door that provides direct entrance to the basement. Put the door at grade level with two, three or four steps inside leading up to the workroom or kitchen and save extra steps when going up and down to the basement. Snow and ice can't collect on the steps when they're inside.

Laundry rooms at first floor or ground level are important, too, since most farm families do their own laundry and usually have large washings. It takes less energy to carry wet clothes down a few steps to the drying yard out-of-doors than up several steps from the basement. If you have a grade entrance to the basement because your house is on a slope, a basement laundry is advisable. Farmhouses have a special need for a closet near the back door where workers can store work clothes, boots and overhoes. A place for workers to wash up near the back door is another desirable feature.

STATE OF MICHIGAN
In the Circuit Court of the County of Washtenaw, In Chancery.
Roland A. White and Eunice White, Plaintiffs
vs.
F. S. Spafford, Samuel W. Lockwood, Harold E. Norwood, William W. Corwin, James Tallman, James L. Tallman, and each of them, Defendants.

A section of said Court held at the Court House in the City of Ann Arbor in said County on the 3rd day of January, A. D. 1948.
Present: Hon. James R. Breaker, Jr., Circuit Judge.
On reading the verified Bill of Complaint of the Plaintiffs, it satisfactorily appears to this Court that the whereabouts of said Defendants and the usual place of their unknown heirs, devisees, legatees and assigns is unknown.
IT IS HEREBY ORDERED that the said Defendants and their each of their unknown heirs, devisees, legatees and assigns cause their appearance to be entered in this cause within three (3) months from the date of this Order, and that in default thereof

said Bill of Complaint be taken as confessed.
IT IS FURTHER ORDERED that within forty (40) days this Order shall be published in The Chelsea Standard, a newspaper published and circulated in said County, and that such publication be continued therein at least once each week for six weeks in succession.
A true copy.
James R. Breaker, Jr., Circuit Judge.
Ruth Welch, Deputy Clerk.

TO SAID DEFENDANTS:
The above suit involves title to certain lands and premises and is brought to quiet title to the following described lands situated in the Village of Chelsea, County of Washtenaw and State of Michigan, to-wit: "Lot 4, Block 18, Eliza Coudy's Third Addition to the Village of Chelsea, Washtenaw County, Michigan, as recorded in Liber 60, Page 674 of Deeds, excepting a right of way to Consumer's Power Company as recorded in Liber 278 of Deeds, page 800."
A. D. 1948.
Business Address: 515-16 Ann Arbor Trust Bldg., Ann Arbor, Michigan.
JANE-FEBRUARY

ORDER FOR PUBLICATION
Appellate of Administration
State of Michigan, The Probate Court for the County of Washtenaw.
At a session of said Court, held at the Probate Office in the City of Ann Arbor, in said County, on the 19th day of January, A. D. 1948.
Present: Hon. Jay G. Pray, Judge of Probate.
In the Matter of the Estate of Wilber Coo, Deceased.
Seeds E. Collins, having filed in said Court, his petition praying that the administration of said estate be granted to Jerrold R. Richards, or to some other suitable person.
It is Ordered, That the 19th day of February, A. D. 1948, at ten o'clock in the forenoon, at said Probate Office, be and is hereby appointed for hearing said petition. It is further Ordered, That public notice thereof be given by publication of a copy of this order, once each week for three successive weeks previous to said day of hearing, in the Chelsea Standard, a newspaper published and circulated in said County, said publication to be continued open in each week for six weeks in succession.
James R. Breaker, Jr., Circuit Judge.
A true copy.
Jay G. Pray, Judge of Probate.
Jay Rane Pray, Register of Probate.
Jan. 22-Feb.

ORDER APPOINTING TIME FOR
HEARING CLAIMS
No. 4660
State of Michigan, The Probate Court for the County of Washtenaw.
At a session of said Court, held at the Probate Office in the City of Ann Arbor, in said County, on the 2nd day of January, A. D. 1948.
Present: Honorable Jay G. Pray, Judge of Probate.
In the Matter of the Estate of Hugh Henry McKune, Deceased.
It appearing to the Court that the time for presentation of claims against said estate should be limited, and that a time and place be appointed to receive, examine and adjust all claims and demands against said deceased and before said Court.
It is Ordered, That creditors of said deceased are required to present their claims to said Court at said Probate Office on or before the 8th day of March, A. D. 1948.
A true copy.
Jay G. Pray, Judge of Probate.
Jan. 22-Feb.

1948, at ten o'clock in the forenoon, said time and place being hereby appointed for the examination and adjustment of all claims and demands against said deceased. It is further Ordered, That public notice thereof be given by publication of a copy of this order for three successive weeks previous to said day of hearing, in the Chelsea Standard, a newspaper published and circulated in said County.
Jay G. Pray, Judge of Probate.
Jan. 22

STATE OF MICHIGAN
In the Circuit Court of the County of Washtenaw, In Chancery.
John L. Ingerson, Plaintiff,
vs.
Mabel G. Ingerson, Defendant.

Order of Publication
At a session of said Court held in the Court House in the City of Ann Arbor, of said County, on the 6th day of December, A. D. 1947.
Present: Honorable James R. Breaker, Jr., Circuit Judge.
In the above entitled cause it appears that the defendant, Mabel G. Ingerson, is not a resident of this State, but that she resides in the City of Los Angeles, State of California, therefore, on motion of Hooper & Blumfield, attorneys for plaintiff.
IT IS HEREBY ORDERED, That the defendant, Mabel G. Ingerson, enter an appearance in this cause, on or before three months from the date of this order, and that within forty days the plaintiff cause this order to be published in the Chelsea Standard, a newspaper published and circulated within said county, said publication to be continued open in each week for six weeks in succession.
James R. Breaker, Jr., Circuit Judge.

Mrs. Don Gillett spent the week-end in Ann Arbor.

Guy Baldwin is spending a few days at the Chris Frey home in Jackson.

Mr. and Mrs. Verde Siegrist and Carolyn called at the Willard Boes-tedor home in Grass Lake, Saturday evening.

Mrs. and Mrs. Lawrence Henry returned from Florida recently. Mr. and Mrs. Ted Henry and Mary, who were caring for the former's home, have returned to Grass Lake.

Mrs. Joe and Mrs. Clair Siegrist attended the funeral of Mrs. Fred Brown at the Ganson Street Baptist church in Jackson, Wednesday of last week.

Mr. and Mrs. John Shower are now occupying their new home on Seymour avenue.

Several from Mt. Hope church are attending the "Christian School of Learning," on Monday nights in Jackson.

CARD OF THANKS
I wish in this way to thank my friends for their best wishes and many lovely cards sent to me on my 89th birthday.

Mr. J. L. Burg.

Origin of Percheron
After the battle of Tours, in which Charles Martel defeated the Saracens in 732, many Saracen horses were taken as spoils of war. On the pastures of northern France, particularly in the old district of La Perche, these fine animals were crossed with the mares of Brittany. Hence the origin of the Percheron.

Fattening Lambs
It takes about two bushels of corn and 150 pounds of alfalfa hay to make a feeder lamb of 60 pounds into a finished lamb of 90 pounds.

PERSONALS

Carl Hoeselwerdt spent the week-end with friends in Chicago.

Mr. and Mrs. David Colquhoun and Mr. and Mrs. Robert Foster attended a hockey match in Detroit on Saturday evening.

Betty Fitzgerald of Ann Arbor was a dinner guest and spent the evening at the home of Mrs. M. J. Baxter on Thursday.

Charles Bahnmiller of Detroit spent the week-end at the home of his mother, Mrs. Clarence Bahnmiller.

Mrs. Max Ziegler of Dexter spent Tuesday morning here at the home of her sister, Mrs. Reuben Lesser, who is ill.

Mrs. Theodore Bahnmiller spent Sunday night and Monday at the home of her sister, Miss Margaret Hayes, in Jackson.

Mr. and Mrs. William E. Gaunt and son of Detroit were Sunday dinner guests of Mr. and Mrs. Edwin Gaunt at their home here.

Mr. and Mrs. Harold Bahr and daughter, Shirley, were in Flint, Saturday and Sunday, having been called there by the illness of Mr. Bahr's mother, Mrs. George Bahr.

Virginia Miller of Deaconess hospital, Detroit, spent from Friday until Sunday night here with her parents, Mr. and Mrs. Ed. Miller.

Sunday afternoon and evening guests at the home of Mr. and Mrs. George Atkinson and William Atkinson were the latter's daughter, Mrs. Max Friedrich, and her husband of Detroit.

Sue Anne Newkirk, 21-month-old daughter of Mr. and Mrs. Douglas Newkirk, is a patient at St. Joseph's Mercy hospital, Ann Arbor, where she underwent a minor operation on Wednesday.

Mr. and Mrs. Wilbert Breiten-wischer and son, Robert, spent Sunday afternoon in Marshall at the home of the former's sister and her husband, Mr. and Mrs. Leo Woods.

Miss Margaret Everett of Lansing, and two Chinese friends who are students at Michigan State college, were Sunday evening supper guests at the home of Miss Jessie Everett.

Mrs. Ren Hutzler and Mrs. William Weber attended a testimonial dinner given in honor of Dorothy Mann, national president of the Ladies' Auxiliary of the VFW, at the Hotel Tuller in Detroit, Tuesday evening.

Guests who spent Sunday at the home of Mr. and Mrs. William Weber were Mrs. Weber's parents, Mr. and Mrs. Albert Eisele, and her brother and sister-in-law, Mr. and Mrs. Leo Eisele of Ann Arbor.

John J. Alber is a patient at Mt. Carmel hospital, Detroit, where he became ill upon reaching home after working all day at the Chelsea Spring plant here. It was feared he would have pneumonia but his mother, Mrs. Eva Alber, who spent Tuesday in Detroit, reports that he seemed no worse when she left for home Tuesday evening.

Mr. and Mrs. John C. Pierson of Hightstown, N. J., moved on Wednesday of the past week into the new apartment on Madison street. Mrs. Pierson, the former Marian Eisele, has been staying at the home of her parents, Mr. and Mrs. Julius Eisele, since Thanksgiving while Mr. Pierson continued with his work at Hightstown, until last week, when their household goods were brought here.

National Guard Seeks Medical Officers To Ease Acute Shortage

A critical shortage of qualified medical officers is creating an adverse situation in many Michigan National Guard units, according to Colonel George C. Moran, acting adjutant general.

Organization of National Guard medical units at Bay City, Jackson, Lansing, Detroit and other cities is being hindered by lack of qualified medical officers. Processing of recruits in practically all units has also been delayed due to shortage of medical officers.

Recently authority was granted by the National Guard Bureau to fill vacancies for medical officers by assignment of qualified doctors who are one grade higher than authorized by regular organization tables. This new policy may help to some extent to alleviate the shortage of medical officers. Such appointments are now authorized, providing the officer concerned previously held the higher grade on active duty or in the organized reserve corps.

Practically all National Guard medical units need additional qualified doctors. The adjutant general's office is requesting the cooperation of state and local medical officers interested in these assignments in the procurement of qualified personnel. Further information may be obtained from the adjutant general's office at Lansing.

CARD OF THANKS
We wish in this manner to thank our kind friends and neighbors for their thoughtfulness and flowers during the death of our husband and father.

Maggie Drew,
Mr. and Mrs. Percy Zev,
Mr. and Mrs. Donald Drew,
Mr. and Mrs. William Drew,
Mr. and Mrs. Edmund Drew.

CARD OF THANKS
I wish by this means to express my sincere thanks and appreciation to the Women's Guild, friends and relatives, who so kindly remembered me with cards, plants and gifts and for other kindnesses shown me while I was in the hospital and since my return home.

Miss Hilda Gross.

HOPE OF EARTH
Margaret Lee Runbeck Amoret and Stephen, her husband, are transmitted from the closed magic world of Philadelphia in the 1870's to a rugged existence in Mount Olympus, Ill. The change turned Amoret from a pretty doll into a pioneer woman but Stephen still bore himself as a rich man's son yearning for an aristocratic way of life—a dramatic story of the nation that Lincoln called "This best hope of earth."

CHLSEA PUBLIC LIBRARY

**Conservation Dept.
Asks Clarification of
Vehicle Search Law**

Lansing—Concerned over the growing wave of conservation law violations and recognizing inherent weaknesses in the law under which conservation officers have been combating it, conservation director P. J. Hoffmaster has requested an opinion of the attorney general on the statute that confers on conservation officers the power to search automobiles and other vehicles used by violators.

"If the provisions of this statute are faulty, we shall, of necessity, seek a remedy in the Legislature," Hoffmaster said.

Shining of deer during both closed and open season, "road hunting" of other game and transportation of loaded firearms in cars are the sources of the greatest number of arrests. The law specifically makes illegal the possession of firearms in automobiles in game areas between sunset and sunrise, except in hunting seasons. Loaded guns in cars are illegal at all times.

Because these offenses are at present classed as misdemeanors, and because of conflict between court holdings and wording of the statute as to the right of conservation officers to make searches under certain circumstances, involving misdemeanors, the clarification was sought.

Mrs. A. L. Steger is spending several days this week in Jackson at the home of her sister, Mrs. Henry Wolfe, whose husband is ill.

Mrs. George Scherer spent the week-end in Jackson, at the home of her daughter, Mrs. O. G. Sears.
